

## Hindalco Industries Ltd. And Novelis Inc. Announce An Agreement For Hindalco's Acquisition Of Novelis For Approximately \$6.0 Billion

ATLANTA, Feb. 11 /PRNewswire-FirstCall/ -- Hindalco Industries Limited (BSE: HINDALCO), India's largest non-ferrous metals company, and Novelis Inc. (NYSE: NVL) (TSX: NVL), the world's leading producer of aluminum rolled products, today announced that they have entered into a definitive agreement for Hindalco to acquire Novelis in an all-cash transaction which values Novelis at approximately \$6.0 billion, including approximately \$2.4 billion of debt. Under the terms of the agreement, Novelis shareholders will receive \$44.93 in cash for each outstanding common share.

Based in Mumbai, India, Hindalco is a leader in Asia's aluminum and copper industries, and is the flagship company of the Aditya Birla Group, a \$12 billion multinational conglomerate, with a market capitalization in excess of \$20 billion. Following the transaction, Hindalco, with Novelis, will be the world's largest aluminum rolling company, one of the biggest producers of primary aluminum in Asia, and India's leading copper producer.

Mr. Kumar Mangalam Birla, Chairman of the Aditya Birla Group, said, "The acquisition of Novelis is a landmark transaction for Hindalco and our Group. It is in line with our long-term strategies of expanding our global presence across our various businesses and is consistent with our vision of taking India to the world. The combination of Hindalco and Novelis will establish a global integrated aluminum producer with low-cost alumina and aluminum production facilities combined with high-end aluminum rolled product capabilities. The complementary expertise of both these companies will create and provide a strong platform for sustainable growth and ongoing success."

Acting Chief Executive Officer of Novelis, Mr. Ed Blechschmidt, said, "After careful consideration, the Board has unanimously agreed that this transaction with Hindalco delivers outstanding value to Novelis shareholders. Hindalco is a strong, dynamic company. The combination of Novelis' world-class rolling assets with Hindalco's growing primary aluminum operations and its downstream fabricating assets in the rapidly growing Asian market is an exciting prospect. Hindalco's parent, the Aditya Birla Group, is one of the largest and most respected business groups in India, with growing global activities and a long-term business view."

Mr. Debu Bhattacharya, Managing Director of Hindalco and Director of Aditya Birla Management Corporation Ltd., said, "There are significant geographical market and product synergies. Novelis is the global leader in aluminum rolled products and aluminum can recycling, with a global market share of about 19%. Hindalco has a 60% share in the currently small but potentially high-growth Indian market for rolled products. Hindalco's position as one of the lowest cost producers of primary aluminum in the world is leverageable into becoming a globally strong player. The Novelis acquisition will give us immediate scale and a global footprint."

The transaction has been unanimously approved by the Boards of Directors of both companies. The closing of the transaction is not conditional on Hindalco obtaining financing. The transaction will be completed by way of a plan of arrangement under applicable Canadian Law. It will require the approval of 66 2/3% of the votes cast by shareholders of Novelis Inc. at a special meeting to be called to consider the arrangement followed by Court approval. The transaction is also subject to certain other customary conditions, including the receipt of regulatory approvals. The transaction is expected to be completed in the second quarter of 2007.
