**NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (unaudited)**

**1. BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

References herein to “Novelis,” the “Company,” “we,” “our,” or “us” refer to Novelis Inc. and its subsidiaries unless the context specifically indicates otherwise. References herein to “Hindalco” refer to Hindalco Industries Limited. In October 2007, the Rio Tinto Group purchased all the outstanding shares of Alcan, Inc. and became Rio Tinto Alcan Inc. References herein to “Rio Tinto Alcan” refer to Rio Tinto Alcan Inc.

***Description of Business and Basis of Presentation***

Novelis Inc., formed in Canada on September 21, 2004, and its subsidiaries, is the world’s leading aluminum rolled products producer based on shipment volume. We produce aluminum sheet and light gauge products where the end-use destination of the products includes the beverage and food can, transportation, construction and industrial, and foil products markets. As of December 31, 2010, we had operations on four continents: North America, Europe, Asia and South America, through 30 operating plants, one research facility and several market-focused innovation centers in 11 countries. In addition to aluminum rolled products plants, our South American businesses include bauxite mining, primary aluminum smelting and power generation facilities.

The accompanying unaudited condensed consolidated financial statements should be read in conjunction with our audited consolidated financial statements and accompanying notes in our Annual Report on Form 10-K for the year ended March 31, 2010 filed with the United States Securities and Exchange Commission (SEC) on May 27, 2010. Management believes that all adjustments necessary for the fair statement of results, consisting of normally recurring items, have been included in the unaudited condensed consolidated financial statements for the interim periods presented.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (US GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. The principal areas of judgment relate to (1) the fair value of derivative financial instruments; (2) impairment of goodwill; (3) impairments of long-lived assets, intangible assets and equity investments; (4) actuarial assumptions related to pension and other postretirement benefit plans; (5) income tax reserves and valuation allowances and (6) assessment of loss contingencies, including environmental, litigation and other tax reserves.

***Acquisition of Novelis Common Stock***

On May 15, 2007, the Company was acquired by Hindalco through its indirect wholly-owned subsidiary pursuant to a plan of arrangement (the Arrangement) at a price of \$44.93 per share. The aggregate purchase price for all of the Company’s common shares was \$3.4 billion and Hindalco also assumed \$2.8 billion of Novelis’ debt for a total transaction value of \$6.2 billion. Subsequent to completion of the Arrangement on May 15, 2007, all of our common shares were indirectly held by Hindalco.

***Amalgamation of AV Aluminum Inc. and Novelis Inc.***

Effective September 29, 2010, in connection with an internal restructuring transaction, pursuant to articles of amalgamation under the Canadian Business Corporations Act, we were amalgamated (the “Amalgamation”) with our direct parent AV Aluminum Inc., a Canadian corporation (AV Aluminum), to form an amalgamated corporation named Novelis Inc., also a Canadian corporation.

As a result of the Amalgamation, we and AV Aluminum continue our corporate existence, the amalgamated Novelis Inc. remains liable for all of our and AV Aluminum’s obligations and we continue to own all of our respective property. Since AV Aluminum was a holding company whose sole asset was the shares of the pre-amalgamated Novelis, our business, management, board of directors and corporate governance procedures following the Amalgamation are identical to those of Novelis immediately prior to the Amalgamation. Novelis Inc., like AV Aluminum, remains an indirect, wholly-owned subsidiary of Hindalco. We have retrospectively recast all periods presented to reflect the amalgamated companies.

**Novelis Inc.**

**NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (unaudited) —  
(Continued)**

As of March 31, 2010, the Amalgamation increased the Company's previously reported Additional paid-in capital by \$33 million, and reduced Accumulated deficit by \$33 million. The Amalgamation had no impact on our condensed consolidated statements of operations for the three and nine months ended December 31, 2010 and 2009 or our condensed consolidated statements of cash flows for the nine months ended December 31, 2010 and 2009.

***Consolidation Policy***

Our consolidated financial statements include the assets, liabilities, revenues and expenses of all wholly-owned subsidiaries, majority-owned subsidiaries over which we exercise control and entities in which we have a controlling financial interest or are deemed to be the primary beneficiary. We eliminate all significant intercompany accounts and transactions from our consolidated financial statements.

***Reclassifications and Adjustment***

Certain reclassifications of prior period amounts and presentation have been made to conform to the presentation adopted for the current period.

For the three and nine months ended December 31, 2009, we reclassified \$7 million and \$17 million, respectively, from Selling, general and administrative expenses to Costs of goods sold (exclusive of depreciation and amortization) to conform to the current year presentation.

In the condensed consolidated balance sheet as of March 31, 2010, we reclassified \$3 million of capitalized software from Property, plant and equipment, net to Intangible assets. The reclassification had no impact on total assets, total liabilities, total equity, net income (loss) or cash flows as previously reported.

***Recently Adopted Accounting Standards***

Effective April 1, 2010, we adopted authoritative guidance in the Accounting Standards Update (ASU) No. 2009-17, *Consolidations: Improvements to Financial Reporting by Enterprises Involved with Variable Interest Entities*. ASU No. 2009-17 was intended (1) to address the effects on certain provisions of the accounting standard dealing with consolidation of variable interest entities, as a result of the elimination of the qualifying special-purpose entity concept in ASU No. 2009-16, *Transfers and Servicing: Accounting for Transfers of Financial Assets*, and (2) to clarify questions about the application of certain key provisions related to consolidation of variable interest entities. This standard had no impact on our consolidated financial position, results of operations and cash flow, but did require certain additional footnote disclosures. These disclosures are included in Note 4 — Consolidation of Variable Interest Entities.

***Recently Issued Accounting Standards***

We have determined that recently issued accounting standards will not have a material impact on our consolidated financial position, results of operations and cash flow.

2. RESTRUCTURING PROGRAMS

Restructuring charges, net of \$35 million on the condensed consolidated statement of operations for the nine months ended December 31, 2010, includes \$7 million of items that were not reflected in the movement of the restructuring accrual, as they affected other accounts. The following table summarizes our restructuring accrual activity by region (in millions).

*Europe*

During the three months ended December 31, 2010, we announced that our foil rolling activities and part of our packaging business at our Bridgnorth, England facility will cease operation by April 2011. The closure and subsequent consolidation of the business into other plants in our European system aims to improve the competitiveness of the company's overall foil and packaging production system in response to over-capacity in the European foil market and increasing competition from manufacturers in low-cost countries. We recorded \$17 million of restructuring expense during the current period for employee termination, asset impairment and certain contract termination costs for this site, of which \$5 million were non-cash items not reflected in the restructuring accrual table above.

We recorded a \$10 million gain on asset sales to Hindalco related to the previously announced closure of our Rogerstone facility. Also, we recorded an additional \$5 million of restructuring expense for severance and environmental costs related to restructuring actions initiated in prior years at other European plants. For the nine months ended December 31, 2010, we made \$4 million in severance payments and \$3 million in payments for environmental remediation.

*North America*

We recorded \$11 million of restructuring expense for the nine months ended December 31, 2010, related to the relocation of our North American headquarters from Cleveland to Atlanta, and made \$14 million in payments related to this move.

*South America*

We recorded \$8 million of restructuring expense for the current period for employee termination, contract termination and certain environmental remediation costs related to the closure of our primary aluminum smelter at Aratu, Brazil. The closure was in response to high operating costs and lack of competitive priced energy supply. The closure affected approximately 300 workers and was completed by December 31, 2010.

*Corporate*

We recorded \$5 million of restructuring expense for the nine months ended December 31, 2010, related to lease termination costs incurred in the relocation of our Corporate headquarters to a new facility in Atlanta and \$1 million in other contract termination fees. The \$5 million of lease termination costs includes a \$1 million deferred credit on the former facility.

**4. CONSOLIDATION OF VARIABLE INTEREST ENTITIES (VIE)**

The entity that has a controlling financial interest in a VIE is referred to as the primary beneficiary and consolidates the VIE. Prior to March 31, 2010, the primary beneficiary was the entity that would absorb a majority of the economic risks and rewards of the VIE based on an analysis of projected probability-weighted cash flows. In accordance with the new accounting guidance on consolidation of VIEs effective April 1, 2010 (see Note 1), an entity is deemed to have a controlling financial interest and is the primary beneficiary of a VIE if it has both the power to direct the activities of the VIE that most significantly impact the VIE's economic performance and an obligation to absorb losses or the right to receive benefits that could potentially be significant to the VIE.

We have a joint interest in Logan Aluminum Inc. (Logan) with ARCO Aluminum, Inc. (ARCO). Logan processes metal received from Novelis and ARCO and charges the respective partner a fee to cover expenses. Logan is thinly capitalized and relies on the regular reimbursement of costs and expenses by Novelis and ARCO to fund its operations. This reimbursement is considered a variable interest as it constitutes a form of financing of the activities of Logan. Other than these contractually required reimbursements, we do not provide other material support to Logan. Logan's creditors do not have recourse to our general credit.

Novelis has a majority voting right on Logan's board of directors and has the ability to direct the majority of Logan's production operations. We also have the ability to take the majority share of production and associated costs. These facts qualify Novelis as Logan's primary beneficiary and this entity is consolidated for all periods presented. All significant intercompany transactions and balances have been eliminated.

The following table summarizes the carrying value and classification of assets and liabilities owned by the Logan joint venture and consolidated on our condensed consolidated balance sheets (in millions). There are significant other assets used in the operations of Logan that are not part of the joint venture, as they are directly owned and consolidated by Novelis or ARCO.

The following table summarizes our share of the condensed results of operations of our equity method affiliates. These results include the incremental depreciation and amortization expense that we record in our equity method accounting as a result of fair value adjustments made to our investments in non-consolidated affiliates due to the Arrangement.

Included in the accompanying condensed consolidated financial statements are transactions and balances arising from business we conduct with these non-consolidated affiliates, which we classify as related party transactions and balances. The following table also describes the nature and amounts of significant transactions that we had with our non-consolidated affiliates (in millions). The results for the three months ended December 31, 2009 also include a \$10 million after tax benefit from the refinement of our methodology of recording depreciation and amortization on the step up in our basis in the underlying assets of an investee.

Principal repayment requirements for our total debt over the next five years and thereafter (excluding unamortized fair value adjustments and using rates of exchange as of December 31, 2010 for our debt denominated in foreign currencies) are as follows (in millions).

*Refinancing*

During the three months ended December 31, 2010, we commenced a cash tender offer and consent solicitations for our 7.25% Senior Notes due 2015 (the “7.25% Notes”) and our 11.50% Senior Notes due 2015 (the “11.50% Notes”). The entire \$185 million aggregate outstanding principal amount of the 11.50% Notes was tendered and redeemed. Of the \$1,124 million aggregate principal amount of the 7.25% Notes, \$74 million was not redeemed and is expected to remain outstanding through maturity in February 2015. The 7.25% Notes that remain outstanding no longer contain substantially all of the restrictive covenants and certain events of default originally included in the indenture for the 7.25% Notes.

On December 17, 2010 we completed a series of refinancing transactions. The refinancing transactions consisted of the sale of \$1.1 billion in aggregate principal amount of 8.375% Senior Notes Due 2017 (the “2017 Notes”) and \$1.4 billion in aggregate principal amount of 8.75% Senior Notes Due 2020 (the “2020 Notes”) and together with the 2017 Notes, the “Notes”) and a new \$1.5 billion secured term loan credit facility (the “2010 Term Loan Facility”).

The proceeds from the refinancing transactions were used to repay our prior secured term loan credit facility, to fund our tender offers and related consent solicitations for our 7.25% Senior Notes and our 11.50% Senior Notes and to pay premiums, fees and expenses associated with the refinancing. In addition, a portion of the proceeds were used to fund a distribution of \$1.7 billion as a return of capital to our shareholder.

In addition, we replaced our existing \$800 million asset based loan (“ABL”) facility with a new \$800 million ABL facility (the “2010 ABL Facility”). We refer to the 2010 Term Loan Facility and the 2010 ABL Facility collectively as our “new senior secured credit facilities.”

We paid tender premiums, fees and other costs of \$174 million associated with the refinancing transactions, including fees paid to lenders, arrangers, and outside professionals such as attorneys and rating agencies. In accordance with Financial Accounting Standards Board Accounting Standards Codification Number 470 *Debt*, we performed an analysis to determine whether the old debt had been extinguished or modified. This analysis determines the treatment of fees paid in connection with the transaction and any existing unamortized fees, discounts and fair value adjustments associated with the old debt. As a result of that analysis, we recorded a Loss on early extinguishment of debt of \$74 million. The remaining new fees and existing unamortized fees, discounts and fair value adjustments associated with the old debt of \$125 million were capitalized and will be amortized as an increase to interest expense over the term of the related debt.

*2017 Notes and 2020 Notes*

Interest on the Notes is payable on June 15 and December 15 of each year, commencing on June 15, 2011. The Notes will mature on December 15, 2017 and 2020, respectively. Upon a change of control, we must offer to purchase the Notes at 101% of the principal amount, plus accrued and unpaid interest to the purchase date.

**Novelis Inc.**

**NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (unaudited) —  
(Continued)**

The Notes are our senior unsecured obligations and rank equally with all of our existing and future unsecured senior indebtedness. The Notes are guaranteed, jointly and severally, on a senior unsecured basis, by all of our existing and future Canadian and U.S. restricted subsidiaries, certain of our existing foreign restricted subsidiaries and our other restricted subsidiaries that guarantee debt in the future under any credit facilities, provided that the borrower of such debt is a Canadian or a U.S. subsidiary (the “Guarantors”). The Notes and the guarantees effectively rank junior to our secured debt and the secured debt of the guarantors (including debt under our new senior secured credit facilities), to the extent of the value of the assets securing that debt.

Prior to December 15, 2013 in the case of the 2017 Notes and prior to December 15, 2015 in the case of the 2020 Notes, the Company, at its option and from time to time, may redeem all or a portion of the Notes by paying a “make-whole” premium calculated under the Indenture. At any time on or after December 15, 2013 in the case of the 2017 Notes and on or after December 15, 2015 in the case of the 2020 Notes, the Company, at its option and from time to time, may redeem all or a portion of the applicable Notes. The redemption prices for the Notes are calculated based on a percentage of the principal amount of the Notes being redeemed, plus accrued and unpaid interest, if any, to the redemption date, and are dependent on the date on which the Notes are redeemed. These percentages range from between 100.000% and 106.281% in the case of the 2017 Notes and from between 100.000% and 104.375% in the case of the 2020 Notes. At any time prior to December 15, 2013, the Company may also redeem up to 35% of the original aggregate principal amount of each series of the Notes with the proceeds of certain equity offerings, at a redemption price equal to 108.375% of the principal amount of the Notes being redeemed (in the case of the 2017 Notes) and 108.75% of the principal amount of the Notes being redeemed (in the case of the 2020 Notes), plus, in each case, accrued and unpaid interest, if any, to the redemption date, provided that at least 65% of the original aggregate principal amount of the applicable series of Notes issued remains outstanding after the redemption.

The Notes contain customary covenants and events of default that will limit our ability and, in certain instances, the ability of certain of our subsidiaries to (1) incur additional debt and provide additional guarantees, (2) pay dividends beyond certain amounts and make other restricted payments, (3) create or permit certain liens, (4) make certain asset sales, (5) use the proceeds from the sales of assets and subsidiary stock, (6) create or permit restrictions on the ability of certain of the Company’s subsidiaries to pay dividends or make other distributions to the Company, (7) engage in certain transactions with affiliates, (8) enter into sale and leaseback transactions, (9) designate subsidiaries as unrestricted subsidiaries and (10) consolidate, merge or transfer all or substantially all of the our assets and the assets of certain of our subsidiaries. During any future period in which either Standard & Poor’s Ratings Group, Inc., a division of the McGraw-Hill Companies, Inc. or Moody’s Investors Service, Inc. have assigned an investment grade credit rating to the Notes and no default or event of default under the Indenture has occurred and is continuing, most of the covenants will be suspended.

*Registration Rights Agreements*

The Notes have not been registered under the Securities Act of 1933, as amended (the “Securities Act”), but include registration rights. The Notes were sold to qualified institutional buyers pursuant to Rule 144A and, outside the United States, pursuant to Regulation S of the Securities Act.

In connection with the issuance of the Notes, Novelis Inc. and the Guarantors entered into registration rights agreements, dated as of December 17, 2010, with the initial purchasers of the Notes (the “Registration Rights Agreements”), obligating us to:

- use reasonable effort to file a registration statement with respect to an exchange offer within 180 days after the issue date of the Notes and cause the registration statement to be declared effective under the Securities Act within 365 days after the issue date of the Notes;
- commence the exchange offer as soon as practicable after the effectiveness of the registration statement; and
- keep the exchange offer open for not less than 30 days after the date notice of the exchange offer is mailed to the holders of the Notes.

If we fail to satisfy its obligations under the Registration Rights Agreements we may be required to pay additional interest on the Notes.

*New Senior Secured Credit Facilities*

Our new senior secured credit facilities consist of (1) the \$1.5 billion six-year 2010 Term Loan Facility that may be increased in minimum amounts of \$50 million per increase provided that the senior secured net leverage ratio shall not, on a proforma basis, exceed 2.5 to 1 and (2) the \$800 million five-year New ABL Facility that may be increased by an additional \$200 million. Scheduled principal amortization payments under the 2010 Term Loan Facility are \$3.75 million per calendar quarter. Any unpaid principal will be due in full in December 2016. Borrowings under the 2010 ABL Facility are subject to certain limitations, generally based on 85% of the book value of eligible North American and certain eligible European accounts receivable; plus up to the lesser of (i) 75% of the net book value of all eligible North American and U.K. inventory or (ii) 85% of the appraised net orderly liquidation value of all eligible North American and U.K. inventory; minus such reserves as the agent bank may establish in good faith in accordance with such agent banks' permitted discretion. Substantially all of our assets are pledged as collateral under the new senior secured credit facilities. The new senior secured credit facilities are guaranteed by substantially all of our restricted subsidiaries that guarantee the Notes. Generally, for both the 2010 Term Loan Facility and 2010 ABL Facility, interest rates reset periodically and interest is payable on a periodic basis depending on the type of loan. We may prepay borrowings under the new senior secured credit facilities, if certain minimum prepayment amounts and breakage costs are satisfied.

The new senior secured credit facilities include various customary covenants and events of default, including limitations on our ability to 1) make certain restricted payments, 2) incur additional indebtedness, 3) sell certain assets, 4) enter into sale and leaseback transactions, 5) make investments, loans and advances, 6) pay dividends and distributions beyond certain amounts, 7) engage in mergers, amalgamations or consolidations, 8) engage in certain transactions with affiliates, and 9) prepay certain indebtedness. In addition, under the New ABL Facility, if (a) our excess availability under the New ABL Facility is less than the greater of (i) 12.5% of the lesser of (x) the total New ABL Facility commitment at any time and (y) the then applicable borrowing base and (ii) \$90 million, at any time or (b) any event of default has occurred and is continuing, we are required to maintain a minimum fixed charge coverage ratio of at least 1.1 to 1 until (1) such excess availability has subsequently been at least the greater of (i) 12.5% of the lesser of (x) the total New ABL Facility commitments at such time and (y) the then applicable borrowing base for 30 consecutive days and (ii) \$90 million and (2) no default is outstanding during such 30 day period. As of December 31, 2010 our excess availability under the New ABL Facility was \$573 million, or 72% of the lender commitments.

Further, under the New Term Loan Facility we may not permit our total net leverage ratio as of the last day of our four consecutive quarters ending with any fiscal quarter to be greater than the ratio set forth below opposite the period in the table below during which the last day of such period occurs:

<u>Period</u>	<u>Total Net Leverage Ratio</u>
March 30, 2011 through March 31, 2012	4.75 to 1.0
April 1, 2012 through March 31, 2013	4.50 to 1.0
April 1, 2013 through March 31, 2014	4.375 to 1.0
April 1, 2014 through March 31, 2015	4.25 to 1.0
April 1, 2015 and thereafter	4.0 to 1.0

The new senior secured credit facilities also contains various affirmative covenants, including covenants with respect to our financial statements, litigation and other reporting requirements, insurance, payment of taxes, employee benefits and (subject to certain limitations) causing new subsidiaries to pledge collateral and guaranty our obligations. As of December 31, 2010, we were compliant with these covenants.

*Short-Term Borrowings and Lines of Credit*

As of December 31, 2010, our short-term borrowings were \$121 million consisting of bank overdrafts and borrowings under the 2010 ABL Facility. As of December 31, 2010, \$28 million of the ABL Facility was utilized for letters of credit, and we had \$573 million in remaining availability under this revolving credit facility. The weighted average interest rate on our total short-term borrowings was 2.74% and 1.71% as of December 31, 2010 and March 31, 2010, respectively.

As of December 31, 2010, we had \$121 million of outstanding letters of credit in Korea which are not related to the ABL Facility.

*Interest Rate Swaps*

We use interest rate swaps to manage our exposure to changes in the benchmark LIBOR interest rate which impacts our variable-rate debt. Prior to the completion of the December 17, 2010 refinancing transactions, these swaps were designated as cash flow hedges. Upon completion of the refinancing transaction, our exposure to changes in the benchmark LIBOR interest rate was limited. The 2010 Term Loan Facility contains a floor feature of the higher of LIBOR or 150 basis points applied to a spread of 3.75%. As of December 31, 2010, this floor feature was in effect, changing our variable rate debt to fixed rate debt. As a result, we ceased hedge accounting for these swaps. As of March 31, 2010, we had \$520 million of interest rate swaps, of which \$510 million were designated as cash flow hedges. No interest rate swaps were designated as of December 31, 2010.

We had a cross-currency interest rate swap in Korea to convert our \$100 million variable rate bank loan to KRW 92 billion at a fixed rate of 5.44%. On October 25, 2010, at maturity, we repaid this \$100 million loan. The swap expired concurrent with the maturity of the loan.

**7. SHARE-BASED COMPENSATION**

The board of directors has authorized three long term incentive plans as follows:

- The Novelis Long-Term Incentive Plan FY 2009 — FY 2012 (2009 LTIP) was authorized in June 2008. Under the 2009 LTIP, phantom stock appreciation rights (SARs) were granted to certain of our executive officers and key employees.
- The Novelis Long-Term Incentive Plan FY 2010 — FY 2013 (2010 LTIP) was authorized in June 2009. Under the 2010 LTIP, SARs were granted to certain of our executive officers and key employees.
- The Novelis Long-Term Incentive Plan FY 2011- FY 2014 (2011 LTIP) was authorized in May 2010. The 2011 LTIP provides for SARs and phantom restricted stock units (RSUs).

Under all three plans, SARs vest at the rate of 25% per year, subject to performance criteria and expire seven years from their grant date. Each SAR is to be settled in cash based on the difference between the market value of one Hindalco share on the date of grant and the market value on the date of exercise, subject to a maximum payout as defined by the plan. The RSUs under the 2011 LTIP vest in full three years from the grant date and are not subject to performance criteria. The payout on the RSUs is limited to three times the grant price.

Total compensation expense related to the long term incentive plans for the respective periods is presented in the table below (in millions). These amounts are included in Selling, general and administrative expenses in our condensed consolidated statements of operations. As the performance criteria for fiscal years 2012, 2013 and 2014 have not yet been established, measurement periods for SARs relating to those periods have not yet commenced. As a result, only compensation expense for vested and current year SARs has been recorded for the three and nine months ended December 31, 2010 and 2009.

The fair value of each SAR is based on the difference between the fair value of a long call and a short call option. The fair value of each of these call options was determined using the Monte Carlo Simulation model. We used historical stock price volatility data of Hindalco on the National Stock Exchange of India to determine expected volatility assumptions. The fair value of each SAR under the 2011 LTIP, 2010 LTIP and 2009 LTIP was estimated as of December 31, 2010 using the following assumptions:

	2011 LTIP	2010 LTIP	2009 LTIP
Risk-free interest rate	7.54 — 7.83%	7.55 — 7.84%	7.17 — 7.44%

Volatility	48.39%	51.25%	52.91%
Time interval (in years)	0.004	0.004	0.004

The fair value of the SARs is being recognized over the requisite performance and service period of each tranche, subject to the achievement of any performance criterion. As of December 31, 2010, 3,570,835 SARs were exercisable.

Unrecognized compensation expense related to the non-vested SARs (assuming all future performance criteria are met) is \$31 million which is expected to be realized over a weighted average period of 2.34 years. Unrecognized compensation expense related to the RSU's is \$4 million and will be recognized over the vesting period of three years.

**10. FINANCIAL INSTRUMENTS AND COMMODITY CONTRACTS**

We hold derivatives for risk management purposes and not for trading. We use derivatives to mitigate uncertainty and volatility caused by underlying exposures to aluminum prices, foreign exchange rates, interest rate, and energy prices.

For derivatives designated as fair value hedges, we assess hedge effectiveness by formally evaluating the high correlation of changes in the fair value of the hedged item and the derivative hedging instrument. The changes in the fair values of the underlying hedged items are reported in other current and noncurrent assets and liabilities in the consolidated balance sheet. Changes in the fair values of these derivatives and underlying hedged items generally offset and are recorded each period in revenue, consistent with the underlying hedged item.

For derivatives designated as cash flow hedges or net investment hedges, we assess hedge effectiveness by formally evaluating the high correlation of the expected future cash flows of the hedged item and the derivative hedging instrument. The effective portion of gain or loss on the derivative is included in OCI and reclassified to earnings in the period in which earnings are impacted by the hedged items or in the period that the transaction becomes probable of not occurring. If at any time during the life of a cash flow hedge relationship we determine that the relationship is no longer effective, the derivative will no longer be designated as a cash flow hedge and future gains or losses on the derivative will be recognized in (Gain) loss on change in fair value of derivative instruments.

For all derivatives designated in hedging relationships, gains or losses representing hedge ineffectiveness or amounts excluded from effectiveness testing are recognized in (Gain) loss on change in fair value of derivative instruments, net in our current period earnings.

If no hedging relationship is designated, the gains or losses are recognized in (Gain) loss on change in fair value of derivative instruments, net in our current period earnings. We classify cash settlement amounts associated with these derivatives as part of investing activities in the condensed consolidated statements of cash flows.

The gross fair values of our financial instruments and commodity contracts as of December 31, 2010 and March 31, 2010 are as follows (in millions):

(A) The noncurrent portions of derivative liabilities are included in Other long-term liabilities in the accompanying condensed consolidated balance sheets.

**Aluminum**

We use aluminum forward contracts and options to hedge our exposure to changes in the London Metal Exchange (LME) price of aluminum. These exposures arise from firm commitments to sell aluminum in future periods at fixed prices, the forecasted output of our smelter operations in South America and the forecasted metal price lag associated with firm commitments to sell aluminum in future periods at prices based on the LME.

We identify and designate certain aluminum forward contracts as fair value hedges of the metal price risk associated with fixed price sales commitments that qualify as firm commitments. Price risk arises due to fluctuating aluminum prices between the time the sales order is committed and the time the order is shipped. No derivative gains or losses were recognized in Revenue and no changes in the fair value of designated hedged items were recorded as of December 31, 2010. We had 26 kt of outstanding aluminum forward contracts designated as fair value hedges as of December 31, 2010. No aluminum forward contracts were designated as fair value hedges as of March 31, 2010.

We identify and designate certain aluminum forward purchase contracts as cash flow hedges of the metal price risk associated with our future metal purchases that vary based on changes in the LME price of aluminum. Price risk exposure arises from commitments to sell aluminum in future periods at fixed price. We had 132 kt of outstanding aluminum forward contracts designated as cash flow hedges as of December 31, 2010. No aluminum forward contracts were designated as cash flow hedges as of March 31, 2010.

We have also entered into certain aluminum derivative contracts to minimize metal price risk that have not been identified and designated in hedging relationships. As of December 31, 2010 and March 31, 2010, we had 86 kt and 55 kt, respectively, of outstanding aluminum contracts not designated as hedges.

**Energy**

We own an interest in an electricity swap which we designated as a cash flow hedge of our exposure to fluctuating electricity prices. As of December 31, 2010, the outstanding portion of this swap includes a total of 1.5 million megawatt hours through 2017.

We use natural gas swaps to manage our exposure to fluctuating energy prices in North America. As of December 31, 2010 and March 31, 2010, we had 5.9 million MMBTUs and 4.2 million MMBTUs, respectively, of natural gas swaps that were not designated as hedges. One MMBTU is the equivalent of one decatherm, or one million British Thermal Units.

**Interest Rate**

We use interest rate swaps to manage our exposure to changes in the benchmark LIBOR interest rate which impacts our variable-rate debt.

**Novelis Inc.**

**NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (unaudited) —  
(Continued)**

Prior to the completion of the December 17, 2010 refinancing transactions (see footnote 6 — Debt), these swaps were designated as cash flow hedges. Upon completion of the refinancing transaction, our exposure to changes in the benchmark LIBOR interest rate was limited. We ceased hedge accounting for these swaps and released all Accumulated Other Comprehensive Income (AOCI) into current period earnings. We had \$510 million of outstanding interest rate swaps designated as cash flow hedges as of March 31, 2010. No interest rate swaps were designated as cash flow hedges as of December 31, 2010.

We had \$520 million and \$10 million of outstanding interest rate swaps that were not designated in hedging relationships as of December 31, 2010 and March 31, 2010, respectively.

**Foreign Currency**

We use foreign exchange forward contracts and cross-currency swaps to manage our exposure to changes in exchange rates. These exposures arise from recorded assets and liabilities, firm commitments and forecasted cash flows denominated in currencies other than the functional currency of certain operations.

We use foreign currency contracts to hedge expected future foreign currency transactions, which include capital expenditures. These contracts cover the same periods as known or expected exposures, generally not exceeding five years. We had \$213 million of outstanding foreign currency forwards designated as cash flow hedges as of December 31, 2010. No foreign currency contracts were designated as cash flow hedges as of March 31, 2010.

We use foreign currency contracts to hedge our foreign currency exposure to net investment in foreign subsidiaries. In May 2010, we terminated all such hedges. Prior to termination, we recognized a gain of \$18 million in OCI for the nine months ended December 31, 2010. A realized net loss of \$3 million remains in AOCI. We recognized losses of \$2 million and \$19 million in OCI for the three and nine months ended December 31, 2009, respectively.

As of December 31, 2010 and March 31, 2010, we had outstanding currency exchange contracts with a total notional amount of \$1.8 billion and \$1.4 billion, respectively, which were not designated as hedges.

**Other**

For certain customers, we enter into contractual relationships that entitle us to pass-through the economic effect of trading positions that we take with other third parties on our customers' behalf. We recognize a derivative position with both the customer and the third party for these types of contracts and we classify cash settlement amounts associated with these derivatives as part of operating activities in the condensed consolidated statements of cash flows. These derivatives expired in February 2010 with the last cash settlement occurring in October 2010.

During the next twelve months, we expect to reclassify \$28 million in effective net losses from our cash flow hedges from AOCI into Net income (loss). The maximum period over which we have hedged our exposure to cash flow variability is through 2017.

11. FAIR VALUE MEASUREMENTS

We record certain assets and liabilities, primarily derivative instruments and the hedged item in a fair value hedge relationship, on our condensed consolidated balance sheets at fair value. We also disclose the fair values of certain financial instruments, including debt and loans receivable, which are not recorded at fair value. Our objective in measuring fair value is to estimate the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants on the measurement date. We consider factors such as liquidity, bid/offer spreads and nonperformance risk, including our own nonperformance risk, in measuring fair value. We use observable market inputs wherever possible. To the extent that observable market inputs are not available, our fair value measurements will reflect the assumptions we use. We grade the level of our fair value measures according to a three-tier hierarchy:

Level 1 — Unadjusted quoted prices in active markets for identical, unrestricted assets or liabilities that we have the ability to access at the measurement date.

Level 2 — Assets and liabilities valued based on inputs other than quoted prices included within Level 1 that are observable for similar instruments, either directly or indirectly.

Level 3 — Assets and liabilities valued based on significant unobservable inputs for which there is little or no market data, which require us to develop our own assumptions based on the best information available as what market participants would use in pricing the asset or liability.

The following section describes the valuation methodologies we used to measure our various financial instruments at fair value, including an indication of the level in the fair value hierarchy in which each instrument is generally classified:

**Derivative Contracts**

The majority of our derivative contracts are valued using industry-standard models that use observable market inputs as their basis, such as time value, forward interest rates, volatility factors, and current (spot) and forward market prices. Valuation model inputs can generally be verified and valuation techniques do not involve significant judgment. We generally classify these instruments within Level 2 of the valuation hierarchy. Such derivatives include interest rate swaps, cross-currency swaps, foreign currency forward contracts, aluminum forward contracts and options, and certain energy-related forward contracts (e.g., natural gas).

We classify derivative contracts that are valued based on models with significant unobservable market inputs as Level 3 of the valuation hierarchy. These derivatives include certain of our energy-related forward contracts (e.g., electricity) and commodity location premium contracts. Models for these fair value measurements include inputs based on estimated future prices for periods beyond the term of the quoted prices.

For Level 2 and 3 of the fair value hierarchy, where appropriate, valuations are adjusted for various factors such as liquidity, bid/offer spreads and credit considerations (nonperformance risk).

As of December 31, 2010 and March 31, 2010, we did not have any Level 1 derivative contracts.

This amount includes gross deferred tax assets of approximately \$689 million and a valuation allowance of \$258 million. This valuation allowance is recorded in various jurisdictions, and it is reasonably possible that our estimates of future taxable income may change within the next 12 month, resulting in a change to the valuation allowance.

14. COMMITMENTS AND CONTINGENCIES

In connection with our spin-off from Alcan Inc., we assumed a number of liabilities, commitments and contingencies mainly related to our historical rolled products operations, including liabilities in respect of legal claims and environmental matters. As a result, we may be required to indemnify Rio Tinto Alcan for claims successfully brought against Alcan or for the defense of legal actions that arise from time to time in the normal course of our rolled products business including commercial and contract disputes, employee-related claims and tax disputes (including several disputes with Brazil's Ministry of Treasury regarding various forms of manufacturing taxes and social security contributions). In addition to these assumed liabilities and contingencies, we may, in the future, be involved in, or subject to, other disputes, claims and proceedings that arise in the ordinary course of our business, including some that we assert against others, such as environmental, health and safety, product liability, employee, tax, personal injury and other matters. Where appropriate, we have established reserves in respect of these matters (or, if required, we have posted cash guarantees). While the ultimate resolution of, and liability and costs related to, these matters cannot be determined with certainty due to the considerable uncertainties that exist, we do not believe that any of these pending actions, individually or in the aggregate, will materially impair our operations or materially affect our financial condition or liquidity. The following describes certain legal proceedings relating to our business, including those for which we assumed liability as a result of our spin-off from Alcan Inc.

***Legal Proceedings***

*Coca-Cola Lawsuit.* On July 8, 2010, a Georgia state court granted Novelis Corporation's motion for summary judgment, effectively dismissing a lawsuit brought by Coca-Cola Bottler's Sales and Services Company LLC (CCBSS) against Novelis Corporation. In the lawsuit, which was filed on February 15, 2007, CCBSS alleged that Novelis Corporation breached the "most favored nations" provision regarding certain pricing matters under an aluminum can stock supply agreement between the parties, and sought monetary damages and other relief. On August 6, 2010, CCBSS filed a notice of appeal with the court, and on August 20, 2010, we filed a cross notice of appeal. We and CCBSS have each filed appellate briefs in the case, and on February 9, 2011, the appellate court will hear oral arguments on the briefs. We expect a ruling from the appellate court within six months after oral arguments are heard. We have concluded that a loss from the litigation is not probable and therefore have not recorded an accrual. In addition, we do not believe there is a reasonable possibility of a loss from the lawsuit.

***Environmental Matters***

We own and operate numerous manufacturing and other facilities in various countries around the world. Our operations are subject to environmental laws and regulations from various jurisdictions, which govern, among other things, air emissions, wastewater discharges, the handling, storage and disposal of hazardous substances and wastes, the remediation of contaminated sites, post-mining reclamation and restoration of natural resources, and employee health and safety. Future environmental regulations may be expected to impose stricter compliance requirements on the industries in which we operate. Additional equipment or process changes at some of our facilities may be needed to meet future requirements. The cost of meeting these requirements may be significant. Failure to comply with such laws and regulations could subject us to administrative, civil or criminal penalties, obligations to pay damages or other costs, and injunctions and other orders, including orders to cease operations.

We are involved in proceedings under the U.S. Comprehensive Environmental Response, Compensation, and Liability Act, also known as CERCLA or Superfund, or analogous state provisions regarding liability arising from the usage, storage, treatment or disposal of hazardous substances and wastes at a number of sites in the United States, as well as similar proceedings under the laws and regulations of the other jurisdictions in which we have operations, including Brazil and certain countries in the European Union. Many of these jurisdictions have laws that impose joint and several liability, without regard to fault or the legality of the original conduct, for the costs of environmental remediation, natural resource damages, third party claims, and other expenses. In addition, we are, from time to time, subject to environmental reviews and investigations by relevant governmental authorities.

With respect to environmental loss contingencies, we record a loss contingency whenever such contingency is probable and reasonably estimable. The evaluation model includes all asserted and unasserted claims that can be reasonably identified. Under this evaluation model, the liability and the related costs are quantified based upon the best available evidence regarding actual liability loss and cost estimates. Except for those loss contingencies where no estimate can reasonably be made, the evaluation model is fact-driven and attempts to estimate the full costs of each claim. Management reviews the status of, and estimated liability related to, pending claims and civil actions on a quarterly basis. The estimated costs in respect of such reported liabilities are not offset by amounts related to cost-sharing between parties, insurance, indemnification arrangements or contribution from other potentially responsible parties (PRPs) unless otherwise noted.

We have established procedures for regularly evaluating environmental loss contingencies, including those arising from such environmental reviews and investigations and any other environmental remediation or compliance matters. We believe we have a reasonable basis for evaluating these environmental loss contingencies, and we believe we have made reasonable estimates of the costs that are likely to be borne by us for these environmental loss contingencies. Accordingly, we have established reserves based on our reasonable estimates for the currently anticipated costs associated with these environmental matters. We estimate that the undiscounted remaining clean-up costs related to all of our known environmental matters as of December 31, 2010 will be approximately \$55 million. Of this amount, \$28 million is included in Other long-term liabilities, with the remaining \$27 million included in Accrued expenses and other current liabilities in our condensed consolidated balance sheet as of December 31, 2010. Management has reviewed the environmental matters, including those for which we assumed liability as a result of our spin-off from Alcan Inc. As a result of this review, management has determined that the currently anticipated costs associated with these environmental matters will not, individually or in the aggregate, materially impact our operations or materially adversely affect our financial condition, results of operations or liquidity.

**Novelis Inc.****NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (unaudited) —  
(Continued)*****Brazil Tax Matters***

Primarily as a result of legal proceedings with Brazil's Ministry of Treasury regarding certain taxes in South America, as of December 31, 2010 and March 31, 2010, we had cash deposits aggregating approximately \$52 million and \$45 million, respectively, in judicial depository accounts pending finalization of the related cases. The depository accounts are in the name of the Brazilian government and will be expended towards these legal proceedings or released to us, depending on the outcome of the legal cases. These deposits are included in Other long-term assets — third parties in our accompanying condensed consolidated balance sheets. In addition, we are involved in several disputes with Brazil's Ministry of Treasury about various forms of manufacturing taxes and social security contributions, for which we have made no judicial deposits but for which we have established reserves ranging from \$6 million to \$136 million as of December 31, 2010. In total, these reserves approximate \$159 million and \$149 million as of December 31, 2010 and March 31, 2010, respectively, and are included in Other long-term liabilities in our accompanying condensed consolidated balance sheets.

On May 28, 2009, the Brazilian government passed a law allowing taxpayers to settle certain federal tax disputes with the Brazilian tax authorities, including disputes relating to a Brazilian national tax on manufactured products, through an installment program. Under the program, if a company elects to settle a tax dispute and pay the principal amount due over a specified payment period, the company will receive a discount on the interest and penalties owed on the disputed tax amount. Novelis joined the installment program in November of 2009. In August 2010, we identified to the Brazilian government the tax disputes we plan to settle pursuant to the installment program.

***Guarantees of Indebtedness***

We have issued guarantees on behalf of certain of our wholly-owned subsidiaries. The indebtedness guaranteed is for trade accounts payable to third parties. Some of the guarantees have annual terms while others have no expiration and have termination notice requirements. Neither we nor any of our subsidiaries hold any assets of any third parties as collateral to offset the potential settlement of these guarantees.

Since we consolidate wholly-owned subsidiaries in our consolidated financial statements, all liabilities associated with trade payables for these entities are already included in our consolidated balance sheets.

The following table discloses information about our obligations under guarantees of indebtedness related to our wholly-owned subsidiaries as of December 31, 2010 (in millions).

<u>Type of Entity</u>	<u>Maximum Potential Future Payment</u>	<u>Liability Carrying Value</u>
Wholly-owned subsidiaries	\$ 142	\$ 40

We have no retained or contingent interest in assets transferred to an unconsolidated entity or similar entity or similar arrangement that serves as credit, liquidity or market risk support to that entity for such assets.

**15. SEGMENT, MAJOR CUSTOMER AND MAJOR SUPPLIER INFORMATION*****Segment Information***

Due in part to the regional nature of supply and demand of aluminum rolled products and in order to best serve our customers, we manage our activities on the basis of geographical areas and are organized under four operating segments: North America, Europe, Asia and South America.

We measure the profitability and financial performance of our operating segments based on Segment income. Segment income provides a measure of our underlying segment results that is in line with our portfolio approach to risk management. We define Segment income as earnings before (a) depreciation and amortization; (b) interest expense and amortization of debt issuance costs; (c) interest income; (d) unrealized gains (losses) on change in fair value of derivative instruments, net; (e) impairment of goodwill; (f) impairment charges on long-lived assets (other than goodwill); (g) gain on extinguishment of debt; (h) noncontrolling interests' share; (i) adjustments to reconcile our proportional share of Segment income from non-consolidated affiliates to income as determined on the equity method of accounting; (j) restructuring charges, net; (k) gains or losses on disposals of property, plant and equipment and businesses, net; (l) other costs, net; (m) litigation settlement, net of insurance recoveries; (n) sale transaction fees; (o) provision or benefit for taxes on income (loss); and (p) cumulative effect of accounting change, net of tax.

The tables below show selected segment financial information (in millions).

- (B) Realized gains on derivative instruments not included in segment income represents realized gains on foreign currency derivatives related to capital expenditures for our previously announced expansion in South America.
- (C) The financial information for our segments includes the segment income of our non-consolidated affiliates on a proportionately consolidated basis, which is consistent with the way we manage our business segments. However, under US GAAP, these non-consolidated affiliates are accounted for using the equity method of accounting. Therefore, in order to reconcile the financial information for the segments shown in the tables above to the relevant US GAAP-based measures, we must include our proportion of the remaining income statement items that are not included in segment income above. See Note 5 — Investment in and Advances to Non-Consolidated Affiliates and Related Party Transactions for further information about these non-consolidated affiliates.

In connection with the issuance of our 7.25% Notes, 2017 Notes and 2020 Notes, certain of our wholly-owned subsidiaries, which are 100% owned within the meaning of Rule 3-10(h)(1) of Regulation S-X, provided guarantees. These guarantees are full and unconditional as well as joint and several. The guarantor subsidiaries (the Guarantors) are comprised of the majority of our businesses in Canada, the U.S., the U.K., Brazil, Portugal, Luxembourg and Switzerland, as well as certain businesses in Germany and France. Certain Guarantors may be subject to restrictions on their ability to distribute earnings to Novelis Inc. (the Parent). **FORWARD LOOKING STATEMENTS**

*The following information should be read together with our unaudited condensed consolidated financial statements and accompanying notes included elsewhere in this quarterly report for a more complete understanding of our financial condition and results of operations. The following discussion contains forward-looking statements that reflect our plans, estimates and beliefs. Our actual results could differ materially from those discussed in these forward-looking statements. Factors that could cause or contribute to these differences include, but are not limited to, those discussed below, particularly in "SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS AND MARKET DATA."*

**OVERVIEW AND REFERENCES**

Novelis is the world's leading aluminum rolled products producer based on shipment volume. We produce aluminum sheet and light gauge products for the beverage and food can, transportation, construction and industrial, and foil products markets. As of December 31, 2010, we had operations on four continents: North America; South America; Asia and Europe, through 31 operating plants, one research facility and several market-focused innovation centers in 11 countries. In addition to aluminum rolled products plants, our South American businesses include bauxite mining, primary aluminum smelting and power generation facilities. We are the only company of our size and scope focused solely on aluminum rolled products markets and capable of local supply of technologically sophisticated products in all of these geographic regions.

All tonnages are stated in metric tonnes. One metric tonne is equivalent to 2,204.6 pounds. One kilotonne (kt) is 1,000 metric tonnes. One MMBTU is the equivalent of one decatherm, or one million British Thermal Units.

On May 15, 2007, the Company was acquired by Hindalco through its indirect wholly-owned subsidiary pursuant to a plan of arrangement (the Arrangement) at a price of \$44.93 per share. The aggregate purchase price for all of the Company's common shares was \$3.4 billion and Hindalco also assumed \$2.8 billion of Novelis' debt for a total transaction value of \$6.2 billion. Subsequent to completion of the Arrangement on May 15, 2007, all of our common shares were indirectly held by Hindalco.

**HIGHLIGHTS**

Significant factors that impacted our business for each of the three and nine months ended December 31, 2010 and 2009 are presented briefly below. Each is discussed in further detail throughout the Management's Discussion and Analysis and Segment Review.

- Net sales for the three months ended December 31, 2010 were \$2.6 billion, an increase of 24% compared to the \$2.1 billion reported in the same period a year ago. Shipments of flat rolled products totaled 715 kt for the third quarter of fiscal 2011, an increase of 10% compared to shipments of 649 kt in the third quarter of the previous year, driven by strong end-market demand across all our regions. Additionally, average London Metal Exchange (LME) aluminum prices for the period increased 17% compared to the same period of the previous year.
- Operating cash flow was strong and we ended the period with \$848 million of liquidity and \$297 million of cash on hand at December 31, 2010. We completed refinancing transactions to raise \$4.8 billion in debt funding and returned \$1.7 billion of capital to our shareholder.

## Table of Contents

- We reported net sales of \$7.6 billion for the nine months ended December 31, 2010, which is an increase of 22% as compared to the same period last year when we reported net sales of \$6.3 billion. Shipments of flat rolled products totaled 2,198 kt for the nine months ended December 31, 2010, an increase of 10% as compared to shipments of 1,992 kt for the nine months ended December 31, 2009. Additionally, average LME aluminum prices rose 23% as compared to the same period of the previous year.

### BUSINESS AND INDUSTRY CLIMATE

We have experienced strong end customer demand across our regions and product categories during the three months ended December 31, 2010. Historically, the third quarter is a seasonally slow quarter in North America and Europe for our business, however, the seasonality effect has been tempered by strong customer demand during the period. During the fourth quarter of fiscal 2010, we began to see recovery in all our regions from the economic slowdown of the prior years. Strong demand has continued in the third quarter of fiscal 2011 in all our end-markets and we are operating at or near capacity in all our regions.

#### **Business Model and Key Concepts**

##### Conversion Business Model

Most of our business is conducted under a conversion model, which allows us to pass through increases or decreases in the price of aluminum to our customers. Nearly all of our products have a price structure with two components: (i) a pass-through aluminum price based on the LME plus local market premiums and (ii) a “conversion premium” price on the conversion cost to produce the rolled product which reflects, among other factors, the competitive market conditions for that product.

Increases or decreases in the LME price directly impact net sales, cost of goods sold (exclusive of depreciation and amortization) and working capital, albeit on a lag basis. The timing of these impacts on sales and metal purchase costs vary based on contractual arrangements with customers and metal suppliers in each region. Certain of our sales contracts contain fixed metal prices for sales in future periods of time, which exposes us to the risk of changes in LME prices. In addition, we are exposed to fluctuating metal prices on our purchases of inventory associated with the period of time between the pricing of our purchases of inventory and the shipment of that inventory to our customers. Timing differences also occur in the flow of metal costs through moving average inventory cost values and cost of goods sold (exclusive of depreciation and amortization). We refer to these timing differences collectively as metal price lag.

## [Table of Contents](#)

We also have exposure to foreign currency risk associated with sales made in currencies that differ from those in which we are paying our conversion costs. For example, sales in Brazil are generally priced in US dollars, but the majority of our conversion costs are paid in Brazilian real. We discuss this foreign currency risk further below.

### LME

The average and closing prices based upon the LME for aluminum for the three and nine months ended December 31, 2010 and 2009 are as follows:

	Three Months Ended December 31,		Percent Change	Nine Months Ended December 31,		Percent Change
	2010	2009		2010	2009	
<b>London Metal Exchange Prices</b>						
Aluminum (per metric tonne, and presented in U.S. dollars):						
Closing cash price as of beginning of period	\$2,314	\$1,852	25%	\$2,288	\$1,366	67%
Average cash price during the period	\$2,343	\$2,003	17%	\$2,176	\$1,767	23%
Closing cash price as of end of period	\$2,461	\$2,208	11%	\$2,461	\$2,208	11%

Aluminum prices remained fairly stable during the third quarter, fluctuating within a band of \$200 per metric tonne, and were higher than last year. Fluctuations in metal prices resulted in an \$8 million loss and a \$9 million of gain on change in fair value of metal derivatives during the three and nine months ended December 31, 2010, respectively.

### Metal Derivative Instruments

We use derivative instruments to preserve our conversion margin and manage the timing differences associated with metal price lag.

We enter into forward metal purchases simultaneous with the sales contracts that contain fixed metal prices. These forward metal purchases directly hedge the economic risk of future metal price fluctuation associated with these contracts. The recognition of unrealized gains and losses on metal derivative positions typically precedes customer delivery and revenue recognition under the related fixed forward priced contracts. The timing difference between the recognition of unrealized gains and losses on metal derivatives and revenue recognition impacts income before income taxes and net income. Gains and losses on metal derivative contracts are not recognized in segment income until realized.

Additionally, we sell short-term LME futures contracts to reduce our exposure to fluctuating LME prices during the period of time for which we physically hold the inventory and to manage the metal price lag associated with inventory cost. The majority of our metal purchases are based on average prices for a period of time prior to the period at which we order the metal. Additionally, there is a period of time between when we place an order for metal, when we receive it and when we ship finished products to our customers. These forward metal sales directly hedge the economic risk of future metal price fluctuations on our inventory.

We settle derivative contracts in advance of billing and collecting from our customers, which temporarily impacts our liquidity position. The lag between derivative settlement and customer collection typically ranges from 30 to 60 days.

### Metal Price Ceilings

Since the spin-off from Alcan Inc. in 2005, we had contracts which contained a ceiling over which metal prices could not be contractually passed through to certain customers. The last of these contracts expired on December 31, 2009. LME prices remained below the ceiling price for the first five months of fiscal 2010. However, due to increases in LME prices beginning in September 2009, we were unable to pass through \$6 million and \$10 million of metal purchase costs associated with sales under this contract for the three and nine months ended December 31, 2009, respectively. We also held derivatives to hedge our exposure to metal price movements related to these contracts which resulted in gains of \$1 million and \$25 million for the three and nine months ended December 31, 2009, respectively.

## [Table of Contents](#)

In connection with the allocation of purchase price (i.e., total consideration) paid by Hindalco, we established reserves totaling \$655 million as of May 15, 2007 to record these sales contracts with metal price ceilings at fair value. These reserves were accreted into net sales over the term of the underlying contracts. This accretion had no impact on cash flow. For the three and nine months ended December 31, 2009, we recorded accretion of \$45 million and \$152 million, respectively. With the expiration of the last contract with a price ceiling, the balance of the reserve was zero at December 31, 2009, so there was no accretion in the three and nine months ended December 31, 2010.

### *Foreign Exchange*

We operate a global business and conduct business in various currencies around the world. Fluctuations in foreign exchange rates impact our operating results. We recognize foreign exchange gains and losses when business transactions are denominated in currencies other than the functional currency of that operation. The following tables present the exchange rates as of the beginning and end of each period as well as the average month end exchange rates for the three and nine months ended December 31, 2010 and 2009:

	Exchange Rate as of		Average Exchange Rate	
	December 31, 2010	March 31, 2010	Three Months Ended December 31, 2010	Nine Months Ended December 31, 2010
U.S. dollar per Euro	1.324	1.353	1.338	1.304
Brazilian real per U.S. dollar	1.664	1.784	1.696	1.739
South Korean won per U.S. dollar	1,139	1,131	1,141	1,163
Canadian dollar per U.S. dollar	0.999	1.014	1.014	1.033

	Exchange Rate as of		Average Exchange Rate	
	December 31, 2009	March 31, 2009	Three Months Ended December 31, 2009	Nine Months Ended December 31, 2009
U.S. dollar per Euro	1.435	1.328	1.470	1.429
Brazilian real per U.S. dollar	1.743	2.301	1.774	1.874
South Korean won per U.S. dollar	1,168	1,377	1,179	1,235
Canadian dollar per U.S. dollar	1.048	1.258	1.060	1.098

During the third quarter of fiscal 2011, the U.S. dollar strengthened against the Euro, was relatively flat against the Korean won and weakened against the Brazilian real and Canadian dollar. In Europe, this resulted in foreign exchange losses, while Asia and North America were relatively flat. In Brazil, where the U.S. dollar is the functional currency due to predominantly U.S. dollar selling prices, but operating costs are primarily paid in local currency, the weakening of the dollar against the real resulted in foreign exchange losses.

We use foreign exchange forward contracts and cross-currency swaps to manage our exposure to changes in exchange rates. These exposures arise from recorded assets and liabilities, firm commitments and forecasted cash flows denominated in currencies other than the functional currency of certain operations, which includes capital expenditures. Additionally, until May 2010, we used foreign currency contracts to hedge our foreign currency exposure to net investment in foreign subsidiaries.

### **RESULTS OF OPERATIONS FOR THE THREE MONTHS ENDED DECEMBER 31, 2010 COMPARED TO THE THREE MONTHS ENDED DECEMBER 31, 2009**

We experienced strong demand across all our regions over the quarter ended December 31, 2010, and are operating at or near capacity in all regions. Net sales for the three months ended December 31, 2010 increased \$448 million, or 21%, as compared to the three months ended December 31, 2009 primarily as a result of increases in LME prices and volumes. The prior year sales amount includes \$45 million of non-cash accretion on can price ceiling contracts which did not benefit the current year.

Cost of goods sold (exclusive of depreciation and amortization) for the three months ended December 31, 2010 increased \$437 million, or 24%, as compared to the three months ended December 31, 2009 which reflects the higher LME prices and increased volume. Increased input cost pressures were partially offset by our prior sustained cost cutting measures.

## Table of Contents

Additionally, we had \$21 million of gains on realized derivatives during the three months ended December 31, 2010 as compared to \$22 million of losses on realized derivatives during the same period of the prior year. These amounts are reported in Gain in change in fair value of derivative instruments, net and offset negative year-over-year impacts of changes in metal prices, foreign currency exchange rates and other input costs on Net sales and Cost of goods sold (exclusive of depreciation and amortization).

Loss before income taxes for the three months ended December 31, 2010 was \$2 million, a decrease of \$131 million, or 102%, compared to the \$129 million Income before income taxes reported in the same period a year ago. The positive effects from operations discussed above were more than offset by the following items:

- \$9 million of gains on unrealized derivatives for the three months ended December 31, 2010 compared to \$62 million of gains for the three months ended December 31, 2009
- \$74 million of loss on early extinguishment of debt related to the refinancing of our Term Loan facility, our 7.25% Notes and our 11.5% Notes during the three months ended December 31, 2010
- \$20 million of net restructuring charges for the three months ended December 31, 2010 primarily as a result of the announced shutdowns of our Bridgnorth, UK and Aratu, Brazil facilities, as compared to \$1 million of restructuring charges for the same period in the prior year
- foreign exchange losses of \$11 million as compared to gains of \$2 million in the third quarter of fiscal 2010.

We reported Net loss attributable to our common shareholder of \$46 million for the third quarter of fiscal 2011 as compared to net income of \$68 million for the third quarter of fiscal 2010, primarily as a result of the Loss on early extinguishment of debt and Restructuring charges, net discussed above. We also recorded an income tax provision of \$33 million in the three months ended December 31, 2010, as compared to a \$48 million income tax provision in the same period of the prior year.

### Segment Review

Due in part to the regional nature of supply and demand of aluminum rolled products and in order to best serve our customers, we manage our activities on the basis of geographical areas and are organized under four operating segments: North America, Europe, Asia and South America. We are at or near capacity in all regions as we continue to look at ways to debottleneck our operations and optimize our product portfolio and footprint.

We measure the profitability and financial performance of our operating segments based on Segment income. Segment income provides a measure of our underlying segment results that is in line with our portfolio approach to risk management. We define Segment income as earnings before (a) depreciation and amortization; (b) interest expense and amortization of debt issuance costs; (c) interest income; (d) unrealized gains (losses) on change in fair value of derivative instruments, net; (e) impairment of goodwill; (f) impairment charges on long-lived assets (other than goodwill); (g) gain on extinguishment of debt; (h) noncontrolling interests' share; (i) adjustments to reconcile our proportional share of Segment income from non-consolidated affiliates to income as determined on the equity method of accounting; (j) restructuring charges, net; (k) gains or losses on disposals of property, plant and equipment and businesses, net; (l) other costs, net; (m) litigation settlement, net of insurance recoveries; (n) sale transaction fees; (o) provision or benefit for taxes on income (loss); and (p) cumulative effect of accounting change, net of tax.

The tables below show selected segment financial information (in millions, except shipments which are in kt). For additional financial information related to our operating segments, see Note 15 — Segment, Major Customer and Major Supplier Information.

## Table of Contents

The following table reconciles changes in Segment income for the three months ended December 31, 2009 to three months ended December 31, 2010 (in millions). Variances include the related realized derivative gain or loss.

<u>Changes in Segment income</u>	<u>North America</u>	<u>Europe</u>	<u>Asia</u>	<u>South America</u>

- (A) Conversion costs include expenses incurred in production such as direct and indirect labor, energy, freight, scrap usage, alloys and hardeners, coatings, alumina, melt loss, the incremental benefit of used beverage cans (UBCs) and other metal costs. Fluctuations in this component reflect cost efficiencies during the period as well as cost inflation (deflation).
- (B) Other changes include selling, general & administrative costs and research and development for all segments and certain other items which impact one or more regions, including such items as the impact of purchase accounting and metal price ceiling contracts. Significant fluctuations in these items are discussed below.

### *North America*

As of December 31, 2010, our North American operations manufactured aluminum sheet and light gauge products through 11 plants, including two dedicated recycling facilities. Important end-use applications include beverage cans, containers and packaging, automotive and other transportation applications, building products and other industrial applications.

Our North American operations experienced strong demand across all sectors with increased volumes in can, automotive and other industrial products as compared to the same period in the prior year. Shipments in the third quarter of fiscal 2011 increased as compared to a year ago, as the region operated at or near capacity during the third quarter of fiscal 2011. As compared to the second quarter of fiscal 2011, shipments were down, but not as much as was expected based on our normal seasonality because of the strong end customer demand. Net sales for the third quarter of fiscal 2011 were up \$153 million, or 19%, as compared to the third quarter of fiscal 2010 reflecting the strong demand previously mentioned as well as higher LME prices. This increase is despite the fact that net sales for the third quarter of fiscal 2010 included \$45 million of accretion on can price ceiling contracts offset by \$20 million of derivatives related to those contracts.

Segment income for the third quarter of fiscal 2011 was \$106 million, up \$7 million as compared to the prior year period. This increase was driven primarily by the items discussed above. Additionally, we experienced favorable conversion cost performance as a result of lower repairs and maintenance expense this quarter as compared to the same quarter last year, and an improvement in the cost differential of utilizing used beverage cans (UBC) as compared to primary aluminum.

### *Europe*

As of December 31, 2010, our European segment provided European markets with value-added sheet and light gauge products through 12 aluminum rolled products facilities and one dedicated recycling facility. Europe serves a broad range of aluminum rolled product end-use markets in various applications including can, automotive, lithographic, foil products and painted products.

Our European operations have experienced strong demand across most sectors with the can sector providing particularly strong results and the premium car market remaining firm. Flat rolled product shipments and net sales are up 11% and 15%, respectively, as compared to the third quarter of fiscal 2010. As compared to the second quarter of fiscal 2011, our normal seasonality was partially offset by strong demand in the majority of our sectors.

## [Table of Contents](#)

Segment income for the third quarter of fiscal 2011 was \$56 million, down \$4 million compared to the same period of the prior year. Volumes discussed above, combined with stable conversion premiums were offset by pressures on operating costs, shrinkage of inventory and negative foreign currency impacts associated with the weakening of the Euro against the US dollar and the Swiss franc for the three months ended December 31, 2010 as compared to the same period in the prior year.

### *Asia*

As of December 31, 2010, Asia operated three manufacturing facilities with production balanced between foil, construction and industrial, and beverage and food can end-use applications.

In the third quarter of fiscal 2011, the Asian markets experienced strong demand for all product categories. Flat rolled product shipments are up 10% as compared to the prior year period. Net sales increased \$80 million for the three months ended December 31, 2010 as compared to the same period in the prior year primarily as a result of higher LME prices and the increased volume.

Segment income for the third quarter of fiscal 2011 was \$63 million, up \$24 million as compared to the prior year period due primarily to relatively stable US dollar to Korean won exchange rates during the three months ended December 31, 2010 as compared to the negative effects the changes in exchange rates during the three months ended December 31, 2009 when the Korean won strengthened against the US dollar. Increases in conversion premiums were offset by additional repair and maintenance costs and higher labor costs.

### *South America*

Our operations in South America manufacture various aluminum rolled products for the beverage and food can, construction and industrial and transportation end-use markets. Our South American operations included two rolling plants in Brazil along with one smelter and power generation facilities as of December 31, 2010.

Total shipments for the third quarter of fiscal 2011 increased 20 kt, or 22%, from 97 kt in the third quarter of fiscal 2010 to 111 kt in the third quarter of fiscal 2011. Demand for our flat rolled products in South America remained strong across all our sectors.

Segment income for the third quarter of fiscal 2011 was \$40 million, up \$14 million as compared to the prior year period. This increase in segment income is primarily due to higher volumes because of strong demand, higher prices as a result of the higher average LME aluminum prices and the mix of our products. These positive effects were partially offset by the effects of foreign exchange rates as the Brazilian real appreciated against the US dollar. Because our Brazilian operations are a US dollar functional entity, and local operating costs are primarily in Brazilian real, the appreciation resulted in negative effects on segment income.

***Reconciliation of segment results to Net income attributable to our common shareholder***

Costs such as depreciation and amortization, interest expense and unrealized gains (losses) on changes in the fair value of derivatives are not utilized by our chief operating decision maker in evaluating segment performance. The table below reconciles income from reportable segments to Net income attributable to our common shareholder for the three months ended December 31, 2010 and 2009 (in millions).

Corporate and other includes functions that are managed directly from our corporate office, which focuses on strategy development and oversees governance, policy, legal compliance, human resources and finance matters. These expenses have not been allocated to the regions. Corporate and other costs remained fairly stable at \$26 million as compared to \$25 million in the same period last year.

Interest expense and amortization of debt issuance costs increased primarily due to a higher average principal balance after the refinancing of our debt, offset by lower average interest rates on our variable rate debt for the majority of the quarter.

For the third quarter of fiscal 2011, the \$9 million of gains consists of unrealized gains on changes in fair value of metal, foreign currency, interest rate and energy derivatives. We recorded \$62 million of unrealized gains for the third quarter of fiscal 2010.

Realized gains on derivative instruments not included in segment income represents realized gains on foreign currency derivatives related to capital expenditures for our previously announced expansion at our Pinda facility in South America.

Adjustment to eliminate proportional consolidation was an \$11 million loss for the third quarter of fiscal 2011 as compared to a \$2 million gain in the third quarter of fiscal 2010. This adjustment primarily relates to depreciation, amortization and income taxes at our Aluminium Norf GmbH (Norf) joint venture. The difference from the prior year relates to the reduction in depreciation and amortization on the step up in our basis in the underlying assets of the investees. Income taxes related to our equity method investments are reflected in the carrying value of the investment and not in our consolidated income tax provision.

We paid tender premiums, fees and other costs of \$174 million associated with the refinancing transactions, including fees paid to lenders, arrangers and outside professionals such as attorneys and rating agencies. Approximately \$74 million of these fees, existing unamortized fees, discounts and fair value adjustments associated with the old debt were expensed and included in the Loss on early extinguishment of debt. The remaining fees paid and the remaining unamortized fees, discounts and fair value adjustments associated with the old debt were capitalized and will be amortized as an increase to interest expense over the term of the related debt, ranging from five to ten years. See Note 6—Debt for a further discussion of the refinancing and related accounting.

Restructuring charges in the third quarter of fiscal 2011 primarily related to the announced closure of our Bridgnorth facility in Europe and our Aratu facility in South America. See Note 2 — Restructuring Programs.

We have experienced significant fluctuations in income tax expense and the corresponding effective tax rate. The primary factors contributing to the effective tax rate differing from the statutory Canadian rate include:

- Our functional currency in Brazil is the U.S. dollar where the company holds significant U.S. dollar denominated debt. As the value of the local currency strengthens or weakens against the U.S. dollar, unrealized gains or losses are created for tax purposes, while the underlying gains or losses are not recorded in our income statement.
- We have significant net deferred tax liabilities in Brazil that are remeasured to account for currency fluctuations as the taxes are payable in local currency.
- Our income is taxed at various statutory tax rates in varying jurisdictions. Applying the corresponding amounts of income and loss to the various tax rates results in differences when compared to our Canadian statutory tax rate.
- We record increases and decreases to valuation allowances primarily related to tax losses in certain jurisdictions where we believe it is more likely than not that we will not be able to utilize those losses.

For the three months ended December 31, 2010, we recorded a \$33 million income tax provision on our pre-tax income of \$3 million, before our equity in net income of non-consolidated affiliates, which represented an effective tax rate of 1,100%. Due to our reduced level of pre-tax book income this quarter, our tax rate is not meaningful, but our presented effective tax rate differs from the expense at the Canadian statutory rate due to the following factors: (1) a \$4 million expense for exchange remeasurement of deferred income taxes, (2) a \$15 million increase in valuation allowances primarily related to tax losses in certain jurisdictions where we believe it is more likely than not that we will not be able to utilize those losses, (3) a \$9 million expense from differences between the Canadian statutory and foreign effective tax rates applied to entities in different jurisdictions, and (4) a \$1 million expense related to increase in uncertain tax positions.

#### **RESULTS OF OPERATIONS FOR THE NINE MONTHS ENDED DECEMBER 31, 2010 COMPARED TO THE NINE MONTHS ENDED DECEMBER 31, 2009**

We experienced strong demand across all our regions over the nine months ended December 31, 2010, and were operating at or near capacity in all regions for the past six months of that period. Net sales for the nine months ended December 31, 2010 increased \$1.4 billion, or 22%, as compared to the nine months ended December 31, 2009 primarily as a result of increases in volumes and LME aluminum prices. Additionally, conversion premiums, volumes and mix of flat rolled products, and sales of scrap and primary aluminum, all had positive effects on our Net sales. The prior year Net sales amount includes \$152 million of non-cash accretion on can price ceiling contracts which did not benefit the current year.

Cost of goods sold (exclusive of depreciation and amortization) for the nine months ended December 31, 2010 increased \$1.6 billion, or 31%, as compared to the nine months ended December 31, 2009 which reflects the increased volume and higher average LME prices, partially offset by sustained cost cutting measures.

Additionally, we had \$95 million of gains on realized derivatives during the nine months ended December 31, 2010 as compared to \$424 million of losses on realized derivatives during the same period of the prior year. These amounts are reported in Gain in change in fair value of derivative instruments, net and offset negative year-over-year impacts of changes in metal prices, foreign currency exchange rates and other input costs on Net sales and Cost of goods sold (exclusive of depreciation and amortization).

[Table of Contents](#)

Income before income taxes for the nine months ended December 31, 2010 was \$201 million, a decrease of \$502 million, or 71%, compared to the \$703 million reported in the same period a year ago. The positive effects from operations discussed above were more than offset by the following items:

- \$37 million of losses on unrealized derivatives for the nine months ended December 31, 2010 compared to \$615 million of gains for the nine months ended December 31, 2009
- \$74 million of loss on early extinguishment of debt related to the refinancing of our Term Loan facility, our 7.25% Notes and our 11.5% Notes during the nine months ended December 31, 2010
- \$35 million of restructuring charges for the nine months ended December 31, 2010 primarily as a result of the announced shutdowns of our Bridgnorth, UK and Aratu, Brazil facilities and the relocation of our North American headquarters to Atlanta, US, as compared to \$7 million of restructuring charges for the same period in the prior year
- foreign exchange losses of \$10 million as compared to gains of \$9 million for the nine months ended December 31, 2009
- \$11 million gain on sale of fixed assets in Brazil for the nine months ended December 31, 2010 and a gain on the settlement of certain tax litigation in South America of \$6 million for the nine months ended December 31, 2009.

We reported net income attributable to our common shareholder of \$66 million for the nine months ended December 31, 2010 as compared to \$406 million for the nine months ended December 31, 2009, primarily as a result of the factors above. We also recorded an income tax provision of \$104 million in the nine months ended December 31, 2010, as compared to \$247 million income tax provision in the same period of the prior year.

## Table of Contents

The following table reconciles changes in Segment income for the nine months ended December 31, 2009 to nine months ended December 31, 2010 (in millions):

<u>Changes in Segment income</u>	<u>North America</u>	<u>Europe</u>	<u>Asia</u>	<u>South America</u>

- (A) Conversion costs include expenses incurred in production such as direct and indirect labor, energy, freight, scrap usage, alloys and hardeners, coatings, alumina and melt loss. Fluctuations in this component reflect cost efficiencies during the period as well as cost inflation (deflation).
- (B) Other changes include selling, general & administrative costs and research and development for all segments and certain other items which impact one or more regions, including such items as the impact of purchase accounting and metal price ceiling contracts. Significant fluctuations in these items are discussed below.

### *North America*

Our North American operations experienced strong demand across all sectors with favorable volumes in can, automotive and other industrial products. Shipments in the nine months ended December 31, 2010 increased 9% as compared to the nine months ended December 31, 2009, as the region operated at or near capacity during the period. Net sales for the nine months ended December 31, 2010 were up \$488 million, or 21%, as compared to the nine months ended December 31, 2009 despite the \$152 million of accretion on can price ceiling contracts included in sales for the nine months ended December 31, 2009. This increase reflects the strong demand previously mentioned as well as higher LME prices and improved conversion premiums.

Segment income for the nine months ended December 31, 2010 was \$323 million, up \$92 million as compared to the prior year period. This increase was driven primarily by the volume, price and conversion premium effects discussed above, as well as favorable operating cost performance including increased UBC spreads. The operating cost performance was partially offset by higher energy rates, increased labor costs and unfavorable changes in melt loss. Other changes includes the negative effect of the accretion of can price ceiling contracts in fiscal 2010, offset by the effects of related derivative instruments.

### *Europe*

Our European operations have experienced strong demand across all sectors with the automotive sector providing particularly strong results as it also supplies the demand for products in Asia. Flat rolled product shipments and net sales are up 16% and 20%, respectively, as compared to the nine months ended December 31, 2009. Capacity utilization was at or near 100% for the year-to-date.

Segment income for the nine months ended December 31, 2010 was \$246 million, up \$61 million compared to the same period of the prior year. Higher volumes across all sectors contributed to the increase. Segment income also increased due to favorable metal price lag as compared to the prior year, partially offset by unfavorable changes in foreign currency exchange rates of the Euro, Swiss franc and British pound to the U.S. dollar as well as an unfavorable change in melt loss, metal premiums and discounts and a negative variance related to our usage of coatings.

### *Asia*

During the nine months ended December 31, 2010, the Asian markets experienced strong demand for all product categories. Flat rolled product shipments are up 6% as compared to the prior year period. Sales increased \$242 million, or 22%, for the nine months ended December 31, 2010 as compared to the same period in the prior year primarily as a result of the increased volume and higher LME prices.

## [Table of Contents](#)

Segment income for the nine months ended December 31, 2010 was \$173 million, up \$48 million as compared to the prior year period due primarily to volume increases, increased conversion premiums and improved product mix. These increases were offset by higher conversion costs such as energy, labor and melt loss. Foreign currency exchange rate changes had a positive impact on segment income for the nine months ended December 31, 2010 as the US dollar to Korean won exchange rate remained fairly stable in the current period and the Korean won strengthened against the US dollar by 15% in the prior period.

### **South America**

Total shipments for the nine months ended December 31, 2010 increased 12% to 312 kt for the nine months ended December 31, 2010 as compared to the same period in fiscal 2010, while net sales increased 27% as compared to the same period in fiscal 2010 primarily as a result of higher LME prices, conversion premiums and improved mix of our flat rolled products. Demand for our flat rolled products in South America remained strong across all our sectors.

Segment income for the nine months ended December 31, 2010 was \$127 million, up \$74 million as compared to the prior year period. Segment income for the rolling business increased \$58 million primarily as a result of the factors noted above, as well as the increased use of UBC's. These positive effects were partially offset by the effects of foreign exchange rates as the Brazilian real appreciated against the US dollar. Because our Brazilian operations are a US dollar functional entity, and local operating costs are primarily in Brazilian real, the appreciation resulted in negative effects on segment income. Additionally, the negative contribution from our primary business lessened by \$16 million in fiscal 2011 as a result of higher aluminum prices.

### **Reconciliation of segment results to Net income attributable to our common shareholder**

Costs such as depreciation and amortization, interest expense and unrealized gains (losses) on changes in the fair value of derivatives are not utilized by our chief operating decision maker in evaluating segment performance. The table below reconciles income from reportable segments to Net income attributable to our common shareholder for the nine months ended December 31, 2010 and 2009 (in millions).

	Nine Months Ended December 31,	
	2010	2009

Net income (loss)	97	456
Net income attributable to noncontrolling interests	31	50
<b>Net income (loss) attributable to our common shareholder</b>	<b>\$ 66</b>	<b>\$ 406</b>

Corporate and other costs increased from \$59 million to \$78 million primarily due to increases in employee costs, including incentives, and professional fees.

Interest expense and amortization of debt issuance costs decreased primarily due to lower average interest rates on our variable rate debt, offset by a higher principal balance for the second half of December 2010.

## [Table of Contents](#)

For the nine months ended December 31, 2010, we had \$37 million of losses in Unrealized gains (losses) on change in fair value of derivative instruments, net which consist of unrealized losses on changes in fair value of metal, foreign currency, interest rate and energy derivatives. We recorded \$615 million of unrealized gains for the nine months ended December 31, 2009.

Adjustment to eliminate proportional consolidation was \$32 million of loss for the nine months ended December 31, 2010 as compared to a \$31 million loss in the nine months ended December 31, 2009. This adjustment primarily relates to depreciation, amortization and income taxes at our Aluminium Norf GmbH (Norf) joint venture. Income taxes related to our equity method investments are reflected in the carrying value of the investment and not in our consolidated income tax provision.

Restructuring charges during the nine months ended December 31, 2010 primarily related to the previously announced shutdown of our Bridgnorth, UK and Aratu, Brazil facilities and the relocation of our North American headquarters to Atlanta, US. See Note 2 — Restructuring Programs.

Other income, net includes a gain of \$13 million on the sale of unused land in South America for the nine months ended December 31, 2010. The nine month period ended December 31, 2009 includes a gain of \$6 million on the settlement of certain tax litigation in Brazil.

For the nine months ended December 31, 2010, we recorded a \$104 million income tax provision on our pre-tax income of \$212 million, before our equity in net income of non-consolidated affiliates, which represented an effective tax rate of 49%. Our effective tax rate differs from the expense at the Canadian statutory rate primarily due to the following factors: (1) an \$15 million expense for exchange remeasurement of deferred income taxes, (2) a \$30 million increase in valuation allowances primarily related to tax losses in certain jurisdictions where we believe it is more likely than not that we will not be able to utilize those losses, (3) a \$5 million benefit from differences between the Canadian statutory and foreign effective tax rates applied to entities in different jurisdictions, and (4) a \$2 million benefit related to decreases in uncertain tax positions.

### LIQUIDITY AND CAPITAL RESOURCES

See Financing Activities below and Note 6—Debt of our financial statements for a discussion of certain refinancing transactions during the period. Our new debt facilities contain certain restrictive covenants; however, we do not feel that those covenants will restrict our ability to carry out our plans for the business for the foreseeable future. The first measurement period for our financial covenants is the four quarters ending March 31, 2011. We believe we have adequate liquidity to meet our operational and capital requirements for the foreseeable future. Our primary sources of liquidity are cash and cash equivalents, borrowing availability under our revolving credit facility and cash generated by operating activities.

#### *Available Liquidity*

As of December 31, 2010, we have available liquidity of \$848 million. This reflects our continued efforts to preserve liquidity through cost and capital spending controls and effective management of working capital, which we believe are sustainable. Our available liquidity allows us to make strategic investments in our business as opportunities are identified that are aligned with our strategic plan. Our estimated liquidity as of December 31, 2010 and March 31, 2010 is as follows (in millions):

	<u>December 31,</u> <u>2010</u>	<u>March 31,</u> <u>2010</u>
Cash and cash equivalents	\$ 297	\$ 437
Overdrafts	(22)	(14)
Availability under the ABL facility	573	603
Total estimated liquidity	<u>\$ 848</u>	<u>\$ 1,026</u>

The cash and cash equivalents balance above includes cash held in foreign countries in which we operate. These amounts are generally available on a short-term basis, subject to regulatory requirements, in the form of a dividend or inter-company loan. Borrowings under the ABL Facility are generally based on 85% of eligible accounts receivable and 75% of eligible inventories.

**Free Cash Flow**

Free cash flow (which is a non-US GAAP measure) consists of: (a) net cash provided by (used in) operating activities; plus (b) net cash provided by (used in) investing activities, less (c) proceeds from sales of assets. Management believes that Free cash flow is relevant to investors as it provides a measure of the cash generated internally that is available for debt service and other value creation opportunities. However, Free cash flow does not necessarily represent cash available for discretionary activities, as certain debt service obligations must be funded out of Free cash flow. Our method of calculating Free cash flow may not be consistent with that of other companies.

The following table shows the Free cash flow for the nine months ended December 31, 2010 and 2009, the change between periods as well as the ending balances of cash and cash equivalents (in millions).

	<b>Nine Months Ended December 31,</b>		<b>Change</b>
	<b>2010</b>	<b>2009</b>	
Net cash provided by operating activities	\$ 218	\$ 630	\$ (412)
Net cash used in investing activities	(14)	(484)	470
Less: Proceeds from sales of assets	(28)	(4)	(24)
Free cash flow	<u>\$ 176</u>	<u>\$ 142</u>	<u>\$ 34</u>
Ending cash and cash equivalents	<u>\$ 297</u>	<u>\$ 252</u>	<u>\$ 45</u>

Free cash flow increased \$34 million in the first nine months of fiscal 2011 as compared to the first nine months of fiscal 2010. The changes in free cash flow are described in greater detail below.

**Operating Activities**

Overall operating results were strong for the nine months ended December 31, 2010, reflecting the increase in volumes and our lower fixed cost structure as a result of our prior cost cutting measures. In conjunction with our recently completed refinancing activities, we made \$35 million of accelerated interest payments on our old senior notes and paid \$17 million of withholding taxes during the third quarter of fiscal 2011. Additionally, cash flow from operations for the nine months ended December 31, 2010 benefited from cash receipts of \$20 million related to customer-directed derivatives, as compared to \$39 million of cash inflows for the nine months ended December 31, 2009. However, higher working capital balances as a result of higher LME prices during the nine months ended December 31, 2010 as compared to the nine months ended December 31, 2009 had a negative effect on cash flows from operations on a comparative basis.

**Investing Activities**

The following table presents information regarding our Net cash provided by (used in) investing activities (in millions).

	<b>Nine Months Ended December 31,</b>		<b>Change</b>
	<b>2010</b>	<b>2009</b>	
Capital expenditures	\$ (132)	\$ (74)	\$ (58)
Net proceeds (outflow) from settlement of derivative instruments	81	(432)	513
Proceeds from sales of assets, third parties	18	4	14
Proceeds from sales of assets, related parties	10	—	10
Changes to investment in and advances to non-consolidated affiliates	1	3	(2)
Proceeds from related parties loans receivable, net	8	15	(7)
Net cash used in investing activities	<u>\$ (14)</u>	<u>\$ (484)</u>	<u>\$ 470</u>

As our liquidity position has improved, we have increased our capital expenditure plan to include certain strategic investments. We expect that our total annual capital expenditures for fiscal 2011 to be between \$240 and \$260 million, including approximately \$49 million related to our previously announced expansion in South America. The majority of our capital expenditures in fiscal 2010 and the first nine months of fiscal 2011 related to projects devoted to product quality, technology, productivity enhancement and increased capacity. In response to the economic downturn, we reduced our capital spending in the third half of fiscal 2009, with a focus on preserving maintenance and safety and maintained that level of spending throughout fiscal 2010 with an annual capital expenditure of approximately \$100 million.

## [Table of Contents](#)

The settlement of derivative instruments resulted in an inflow of \$81 million in the nine months ended December 31, 2010 as compared to \$432 million in cash outflow in the prior year period. The net inflow in the first nine months of fiscal 2011 was primarily related to metal derivatives. Based on forward curves for metal, foreign currencies, interest rates and energy as of December 31, 2010, we forecast approximately \$14 million of cash inflows related to the settlement of derivative instruments in the fourth quarter.

The majority of proceeds from asset sales in the nine months ended December 31, 2010 relate to asset sales in South America and the sale of certain of our assets in Europe to Hindalco.

Proceeds from loans receivable, net during all periods are primarily comprised of payments we received related to a loan due from our non-consolidated affiliate, Aluminium Norf GmbH.

### ***Financing Activities***

The following table presents information regarding our Net cash provided by (used in) financing activities (in millions).

	Nine Months Ended December 31,		Change
	2010	2009

On December 17, 2010, we completed a series of refinancing transactions. The refinancing transactions consisted of the sale of \$1.1 billion in aggregate principal amount of 8.375% Senior Notes Due 2017 and \$1.4 billion in aggregate principal amount of 8.75% Senior Notes Due 2020 (collectively, the “Notes”) and a new \$1.5 billion secured term loan credit facility.

The proceeds from the refinancing transactions were used to refinance our prior secured term loan credit facility, to fund our tender offers and related consent solicitations for our old 7.25% Senior Notes due 2015 and our old 11.50% Senior Notes due 2015 and to pay premiums, fees and expenses associated with the refinancing. In addition, a portion of the proceeds were used to fund a distribution of \$1.7 billion as a return of capital to Hindalco. See Note 6 — Debt for a further discussion of the refinancing transactions and the tender offers and related consent solicitations.

We also replaced our existing \$800 million asset based loan (“ABL”) facility with a new \$800 million ABL facility.

As of December 31, 2010, our short-term borrowings were \$121 million consisting of bank overdrafts and borrowings under the new ABL Facility. As of December 31, 2010, \$28 million of the ABL Facility was utilized for letters of credit and we had \$573 million in remaining availability under this revolving credit facility. The weighted average interest rate on our total short-term borrowings was 2.74% and 1.71% as of December 31, 2010 and March 31, 2010, respectively. We repaid \$100 million related to a bank loan in Korea when it came due on October 25, 2010.

### **OFF-BALANCE SHEET ARRANGEMENTS**

The following discussion addresses the applicable off-balance sheet items for our Company.

#### ***Derivative Instruments***

See Note 10 — Financial Instruments and Commodity Contracts to our accompanying condensed consolidated financial statements for a full description of derivative instruments

**Guarantees of Indebtedness**

We have issued guarantees on behalf of certain of our wholly-owned subsidiaries. The indebtedness guaranteed is for trade accounts payable to third parties. Some of the guarantees have annual terms while others have no expiration and have termination notice requirements. Neither we nor any of our subsidiaries hold any assets of any third parties as collateral to offset the potential settlement of these guarantees.

Since we consolidate wholly-owned subsidiaries in our consolidated financial statements, all liabilities associated with trade payables for these entities are already included in our consolidated balance sheets.

The following table discloses information about our obligations under guarantees of indebtedness related to our wholly-owned subsidiaries as of December 31, 2010 (in millions).

<u>Type of Entity</u>	<u>Maximum Potential Future Payment</u>	<u>Liability Carrying Value</u>
Wholly-owned subsidiaries	\$ 142	\$ 40

We have no retained or contingent interest in assets transferred to an unconsolidated entity or similar entity or similar arrangement that serves as credit, liquidity or market risk support to that entity for such assets.

**Other**

As part of our ongoing business, we do not participate in transactions that generate relationships with unconsolidated entities or financial partnerships, such as entities often referred to as structured finance or special purpose entities (SPEs), which would have been established for the purpose of facilitating off-balance sheet arrangements or other contractually narrow or limited purposes. As of December 31, 2010 and March 31, 2010, we are not involved in any unconsolidated SPE transactions.

**CONTRACTUAL OBLIGATIONS**

We have future obligations under various contracts relating to debt and interest payments, capital and operating leases, long-term purchase obligations, postretirement benefit plans and uncertain tax positions. During the nine months ended December 31, 2010, we completed a series of refinancing transactions and completed a cash tender offer and consent solicitation for our 7.25% Senior Notes due 2015 and our 11.50% Senior Notes due 2015. See Note 6 — Debt for the disclosure of our contractually obligated payments on our debt. There were no other significant changes to our other contractual obligations as reported in our Annual Report on Form 10-K for the year ended March 31, 2010.

**RETURN OF CAPITAL**

On December 17, 2010, we paid \$1.7 billion to our shareholder as a return of capital.

Dividends are at the discretion of the board of directors and will depend on, among other things, our financial resources, cash flows generated by our business, our cash requirements, restrictions under the instruments governing our indebtedness, being in compliance with the appropriate indentures and covenants under the instruments that govern our indebtedness that would allow us to legally pay dividends and other relevant factors.

**CRITICAL ACCOUNTING POLICIES AND ESTIMATES**

During the nine months ended December 31, 2010, there were no significant changes to our critical accounting policies and estimates as reported in our Annual Report on Form 10-K for the year ended March 31, 2010.

**RECENT ACCOUNTING STANDARDS**

See Note 1 — Business and Summary of Significant Accounting Policies to our accompanying condensed consolidated financial statements for a full description of accounting pronouncements including the respective dates of adoption and expected effects on results of operations, financial condition and liquidity.

## SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS AND MARKET DATA

This document contains forward-looking statements that are based on current expectations, estimates, forecasts and projections about the industry in which we operate, and beliefs and assumptions made by our management. Such statements include, in particular, statements about our plans, strategies and prospects. Words such as “expect,” “anticipate,” “intend,” “plan,” “believe,” “seek,” “estimate” and variations of such words and similar expressions are intended to identify such forward-looking statements. Examples of forward-looking statements in this Quarterly Report on Form 10-Q include, but are not limited to, our expectations with respect to the impact of metal price movements on our financial performance and the effectiveness of our hedging programs and controls. These statements are based on beliefs and assumptions of Novelis’ management, which in turn are based on currently available information. These statements are not guarantees of future performance and involve assumptions and risks and uncertainties that are difficult to predict. Therefore, actual outcomes and results may differ materially from what is expressed, implied or forecasted in such forward-looking statements. We do not intend, and we disclaim any obligation, to update any forward-looking statements, whether as a result of new information, future events or otherwise.

This document also contains information concerning our markets and products generally, which is forward-looking in nature and is based on a variety of assumptions regarding the ways in which these markets and product categories will develop. These assumptions have been derived from information currently available to us and publicly available third party industry journals. This information includes, but is not limited to, product shipments and share of production. Actual market results may differ from those predicted. While we do not know what impact any of these differences may have on our business, our results of operations, financial condition, cash flow and the market price of our securities may be materially adversely affected. Factors that could cause actual results or outcomes to differ from the results expressed or implied by forward-looking statements include, among other things:

- relationships with, and financial and operating conditions of, our customers, suppliers and other stakeholders;
- changes in the prices and availability of aluminum (or premiums associated with aluminum prices) or other materials and raw materials we use;
- fluctuations in the supply of, and prices for, energy in the areas in which we maintain production facilities;
- our ability to access financing to fund current operations and for future capital requirements;
- the level of our indebtedness and our ability to generate cash;
- deterioration of our ratings by a credit rating agency and our borrowing costs;
- changes in the relative values of various currencies and the effectiveness of our currency hedging activities;
- union disputes and other employee relations issues;
- factors affecting our operations, such as litigation (including product liability claims), environmental remediation and clean-up costs, labor relations and negotiations, breakdown of equipment and other events;
- changes in general economic conditions, including deterioration in the global economy;
- changes in the fair value of derivative instruments or the failure of counterparties to our derivative instruments to honor their agreements;
- the capacity and effectiveness of our metal hedging activities;
- availability of production capacity;
- impairment of our goodwill and other intangible assets;
- loss of key management and other personnel, or an inability to attract such management and other personnel;
- risks relating to future acquisitions or divestitures;

## [Table of Contents](#)

- our inability to successfully implement our growth initiatives;
- changes in interest rates that have the effect of increasing the amounts we pay under our senior secured credit facilities, other financing agreements and our defined benefit pension plans;
- risks relating to certain joint ventures and subsidiaries that we do not entirely control;
- Hindalco's interests as equity holder, which may conflict with our interest or your interests as holders of the notes;
- the effect of new derivatives legislation on our ability to hedge risks associated with our business;
- competition from other aluminum rolled products producers as well as from substitute materials such as steel, glass, plastic and composite materials;
- cyclical demand and pricing within the principal markets for our products as well as seasonality in certain of our customers' industries;
- economic, regulatory and political factors within the countries in which we operate or sell our products, including changes in duties or tariffs;
- changes in government regulations, particularly those affecting taxes and tax rates, health care reform, climate change, environmental, health or safety compliance; and
- the effect of taxes and changes in tax rates.

The above list of factors is not exhaustive. Some of these and other factors are discussed in more detail under "Item 1A. Risk Factors" in our Annual Report on Form 10-K for the year ended March 31, 2010.

**Item 3. *Quantitative and Qualitative Disclosures About Market Risk***

We are exposed to certain market risks as part of our ongoing business operations, including risks from changes in commodity prices (primarily aluminum, electricity and natural gas), foreign currency exchange rates and interest rates that could impact our results of operations and financial condition. We manage our exposure to these and other market risks through regular operating and financing activities and derivative financial instruments. We use derivative financial instruments as risk management tools only, and not for speculative purposes. Except where noted, the derivative contracts are marked-to-market and the related gains and losses are included in earnings in the current accounting period.

By their nature, all derivative financial instruments involve risk, including the credit risk of non-performance by counterparties. All derivative contracts are executed with counterparties that, in our judgment, are creditworthy. Our maximum potential loss may exceed the amount recognized in the accompanying December 31, 2010 condensed consolidated balance sheet.

The decision of whether and when to execute derivative instruments, along with the duration of the instrument, can vary from period to period depending on market conditions and the relative costs of the instruments. The duration is always linked to the timing of the underlying exposure, with the connection between the two being regularly monitored.

**Commodity Price Risks**

We have commodity price risk with respect to purchases of certain raw materials including aluminum, electricity, natural gas and transport fuel.

*Aluminum*

Most of our business is conducted under a conversion model that allows us to pass through increases or decreases in the price of aluminum to our customers. Nearly all of our products have a price structure with two components: (i) a pass through aluminum price based on the LME plus local market premiums and (ii) a “conversion premium” based on the conversion cost to produce the rolled product and the competitive market conditions for that product.

A key component of our conversion model is the use of derivative instruments on projected aluminum requirements to preserve our conversion margin. We enter into forward metal purchases simultaneous with the sales contracts that contain fixed metal prices. These forward metal purchases directly hedge the economic risk of future metal price fluctuation associated with these contracts. The recognition of unrealized gains and losses on metal derivative positions typically precedes customer delivery and revenue recognition under the related fixed forward priced contracts. The timing difference between the recognition of unrealized gains and losses on metal derivatives and recognition of revenue impacts income (loss) before income taxes and net income (loss). Gains and losses on metal derivative contracts are not recognized in segment income until realized.

Metal price lag exposes us to potential losses in periods of falling aluminum prices. We sell short-term LME futures contracts to reduce our exposure to this risk. We expect the gain or loss on the settlement of the derivative to offset the effect of changes in aluminum prices on future product sales. These hedges generally generate losses in periods of increasing aluminum prices.

*Sensitivities*

As of December 31, 2010, we estimate that a 10% decline in LME aluminum prices would decrease the value of our aluminum contracts by \$41 million.

*Energy*

We use several sources of energy in the manufacture and delivery of our aluminum rolled products. In the nine months ended December 31, 2010, natural gas and electricity represented approximately 89% of our energy consumption by cost. We also use fuel oil and transport fuel. The majority of energy usage occurs at our casting centers, at our smelters in South America and during the hot rolling of aluminum. Our cold rolling facilities require relatively less energy.

## [Table of Contents](#)

We purchase our natural gas on the open market, which subjects us to market pricing fluctuations. We seek to stabilize our future exposure to natural gas prices through the use of forward purchase contracts. Natural gas prices in Europe, Asia and South America have historically been more stable than in the United States. As of December 31, 2010, we have a nominal amount of forward purchases outstanding related to natural gas.

A portion of our electricity requirements are purchased pursuant to long-term contracts in the local regions in which we operate. A number of our facilities are located in regions with regulated prices, which affords relatively stable costs. In South America, we own and operate hydroelectric facilities that meet approximately 27% of our total electricity requirements in that segment. Additionally, we have entered into an electricity swap in North America to fix a portion of the cost of our electricity requirements.

We purchase a nominal amount of heating oil forward contracts to hedge against fluctuations in the price of our transport fuel.

Fluctuating energy costs worldwide, due to the changes in supply and international and geopolitical events, expose us to earnings volatility as such changes in such costs cannot immediately be recovered under existing contracts and sales agreements, and may only be mitigated in future periods under future pricing arrangements.

### Sensitivities

The following table presents the estimated potential effect on the fair values of these derivative instruments as of December 31, 2010, given a 10% decline in spot prices for energy contracts (\$ in millions).

	<u>Change in Price</u>	<u>Change in Fair Value</u>
Electricity	(10)%	\$ (1)
Natural Gas	(10)%	(3)

### **Foreign Currency Exchange Risks**

Exchange rate movements, particularly the euro, the Brazilian real and the Korean won against the U.S. dollar, have an impact on our operating results. In Europe, where we have predominantly local currency selling prices and operating costs, we benefit as the euro strengthens, but are adversely affected as the euro weakens. In Korea, where we have local currency selling prices for local sales and U.S. dollar denominated selling prices for exports, we benefit slightly as the won weakens, but are adversely affected as the won strengthens, due to a slightly higher percentage of exports compared to local sales. In Brazil, where we have predominately U.S. dollar selling prices, metal costs and local currency operating costs, we benefit as the local currency weakens, but are adversely affected as the local currency strengthens. Foreign currency contracts may be used to hedge the economic exposures at our foreign operations.

It is our policy to minimize functional currency exposures within each of our key regional operating segments. As such, the majority of our foreign currency exposures are from either forecasted net sales or forecasted purchase commitments in non-functional currencies. Our most significant non-U.S. dollar functional currency operating segments are Europe and Asia, which have the euro and the Korean won as their functional currencies, respectively. South America is U.S. dollar functional with Brazilian real transactional exposure.

We face translation risks related to the changes in foreign currency exchange rates. Amounts invested in our foreign operations are translated into U.S. dollars at the exchange rates in effect at the balance sheet date. The resulting translation adjustments are recorded as a component of Accumulated other comprehensive income (loss) in the Shareholders' equity section of the accompanying condensed consolidated balance sheets. Net sales and expenses in our foreign operations' foreign currencies are translated into varying amounts of U.S. dollars depending upon whether the U.S. dollar weakens or strengthens against other currencies. Therefore, changes in exchange rates may either positively or negatively affect our net sales and expenses from foreign operations as expressed in U.S. dollars.

Any negative impact of currency movements on the currency contracts that we have entered into to hedge foreign currency commitments to purchase or sell goods and services would be offset by an equal and opposite favorable exchange impact on the commitments being hedged. For a discussion of accounting policies and other information relating to currency contracts, see Note 1 — Business and Summary of Significant Accounting Policies and Note 10 — Financial Instruments and Commodity Contracts.

### **Interest Rate Risks**

We use interest rate swaps to manage our exposure to changes in the benchmark LIBOR interest rate which impacts our variable-rate debt. Prior to the completion of the December 17, 2010 refinancing transactions, these swaps were designated as cash flow hedges. Upon completion of the refinancing transaction, our exposure to changes in the benchmark LIBOR interest rate was limited. The 2010 Term Loan Facility contains a floor feature of the higher of LIBOR or 150 basis points applied to a spread of 3.75%. As of December 31, 2010, this floor feature was in effect, changing our variable rate debt to fixed rate debt. Due to the nature of fixed-rate debt, there would be no significant impact on our interest expense or cash flows from either a 10% increase or decrease in market rates of interest.

Due to the floor feature of our 2010 Term Loan Facility mentioned above, a 10 basis point increase in the interest rates on our outstanding variable rate debt as of December 31, 2010 would have no impact on our annual pre-tax income. To be above the 2010 Term Loan Facility floor feature, as of December 31, 2010, interest rates would have to increase by 125 basis points (bp). From time to time, we have used interest rate swaps to manage our debt cost. In Korea, we entered into interest rate swaps to fix the interest rate on various floating rate debt. See Note 6 — Debt for further information.

## **Item 4. Controls and Procedures**

### **Evaluation of Disclosure Controls and Procedures**

We maintain disclosure controls and procedures designed to ensure that information required to be disclosed in the reports that we file or submit under the Securities Exchange Act of 1934, as amended (the “Exchange Act”) is recorded, processed, summarized and reported within the time periods specified in the SEC’s rules and forms. Disclosure controls and procedures, as defined in Rules 13a-15(e) and 15d-15(e) under the Exchange Act, include controls and procedures designed to ensure that information required to be disclosed in the reports we file or submit under the Exchange Act is accumulated and communicated to our management, including the Principal Executive Officer and the Principal Financial Officer, as appropriate, to allow timely decisions regarding required disclosure. Any system of controls, however well designed and operated, can provide only reasonable, and not absolute, assurance that the objectives of the system are met.

We have carried out an evaluation, with the participation of our Principal Executive Officer and Principal Financial Officer, of the effectiveness of the Company’s disclosure controls and procedures pursuant to Rule 13a-15 of the Exchange Act. Based upon such evaluation, management has concluded that the Company’s disclosure controls and procedures were effective as of December 31, 2010.

### **Changes in Internal Control Over Financial Reporting**

There have been no changes in our internal control over financial reporting (as defined in Rule 13a-15(f) under the Exchange Act) during the most recently completed fiscal quarter that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

## PART II. OTHER INFORMATION

### Item 1. *Legal Proceedings*

We are a party to litigation incidental to our business from time to time. For additional information regarding litigation to which we are a party, see Note 14 — Commitments and Contingencies to our accompanying condensed consolidated financial statements.

### Item 1A. *Risk Factors*

We have identified the following risk factors in addition to those included in the Form 10-K filed with the Securities and Exchange Commission for the year ended March 31, 2010.

***Our results and short term liquidity can be negatively impacted by timing differences between the prices we pay under purchase contracts and metal prices we charge our customers.***

Most of our purchase and sales contracts are based on the LME price for high grade aluminum, and there are typically timing differences between the pricing periods for purchases and sales where purchase prices tend to be fixed earlier than sales prices. This creates a price exposure that we call “metal price lag.” To mitigate this exposure, we sell short-term LME futures contracts to protect the value of priced metal purchases and inventory until the sale price is established. We settle these derivative contracts in advance of collecting from our customers, which impacts our short-term liquidity position.

In addition, from time to time, customers request fixed prices for longer term sales commitments, and we in turn enter into futures purchase contracts to hedge against these fixed forward priced sales to customers. The mismatch between the settlement of these derivative contracts and the recognition of revenue from shipments hedged with these derivative contracts also leads to volatility in our GAAP operating results. The lag between derivative settlement and customer collection typically ranges from 30 to 60 days.

***During many operating periods, we utilize substantially all of our production capacity, which may put us at a competitive disadvantage since we may be unable to take on additional volumes to meet our customers’ needs or acquire new business. Therefore, we may lose future business to competitors with available capacity.***

During the nine months ended December 31, 2010, we operated at or near capacity across our system of plants worldwide. We anticipate that we will continue to make capital investments in our facilities to upgrade our technology and processes and attempt to expand the output capacity of our existing equipment and facilities, but our capacity expansion may not be sufficient to match the level of future demand increases. To the extent other rolled aluminum products manufacturers have available capacity at levels that exceed ours, we may be at a competitive disadvantage in our efforts to increase volumes from a current customer or to win significant new customer opportunities.

***Capital investments in debottlenecking or other organic growth initiatives may not produce the returns we anticipate.***

A significant element of our strategy is to invest in opportunities to increase the production capacity of our operating facilities through modifications of and investments in existing facilities and equipment and to evaluate other investments in organic growth in our target markets. These projects involve numerous risks and uncertainties, including the risk that actual capital investment requirements exceed projected levels, that our forecasted demand levels prove to be inaccurate, that we do not realize the production increases or other benefits anticipated, that we experience scheduling delays in connection with the commencement or completion of the project, that the project disrupts existing plant operations causing us to temporarily lose a portion of our available production capacity, or that key management devotes significant time and energy focused on one or more initiatives that divert attention from other business activities.

***If we are unable to obtain sufficient quantities of primary aluminum, recycled aluminum, sheet ingot and other raw materials used in the production of our products, our ability to produce and deliver products or to manufacture products on a timely basis could be adversely affected.***

We rely on a limited number of suppliers for our raw materials requirements. Based on CRU estimates, aluminum demand levels were expected to increase over 15% from December 31, 2008 levels through the end of 2010. Increasing aluminum demand levels have caused supply constraints in the industry. Further increases in demand levels could exacerbate these supply issues. If we are unable to obtain sufficient quantities of primary aluminum, recycled aluminum, sheet ingot and other raw materials used in the production of our rolled aluminum products due to supply constraints in the future, our ability to produce and deliver products or to manufacture products on a timely basis could be adversely affected.

## [Table of Contents](#)

Our sheet ingot requirements have historically been, in part, supplied by Rio Tinto Alcan pursuant to agreements with us. For the year ended March 31, 2010, we purchased the majority of our third party sheet ingot requirements from Rio Tinto Alcan's primary metal group. If Rio Tinto Alcan or any other significant supplier of sheet ingot is unable to deliver sufficient quantities of this material on a timely basis, our production may be disrupted and our net sales, profitability and cash flows could be materially adversely affected. Although aluminum is traded on the world markets, developing alternative suppliers of sheet ingot could be time consuming and expensive.

In addition, our continuous casting operations at our Saguenay Works, Canada facility depend upon a local supply of molten aluminum from Rio Tinto Alcan. For the fiscal year ended March 31, 2010, Rio Tinto Alcan's primary metal group supplied most of the molten aluminum used at Saguenay Works. If this supply were to be disrupted, our Saguenay Works production could be interrupted and our net sales, profitability and cash flows materially adversely affected.

### *We may see increased costs arising from health care reform.*

In March 2010, the United States government enacted comprehensive health care reform legislation which, among other things, includes guaranteed coverage requirements, eliminates pre-existing condition exclusions and annual and lifetime maximum limits, restricts the extent to which policies can be rescinded and imposes new and significant taxes on health insurers and health care benefits. The legislation imposes implementation effective dates beginning in 2010 and extending through 2020, and many of the changes require additional guidance from government agencies or federal regulations. Therefore, due to the phased-in nature of the implementation and the lack of interpretive guidance, it is difficult to determine at this time what impact the health care reform legislation will have on our financial results. Possible adverse effects of the health reform legislation include increased costs, exposure to expanded liability and requirements for us to revise ways in which we provide healthcare and other benefits to our employees. In addition, our results of operations, financial position and cash flows could be materially adversely affected.

### *Income tax payments may ultimately differ from amounts currently recorded by the Company. Future tax law changes may materially increase the Company's prospective income tax expense.*

We are subject to income taxation in many jurisdictions in the U.S. as well as numerous foreign jurisdictions. Judgment is required in determining our worldwide income tax provision and accordingly there are many transactions and computations for which our final income tax determination is uncertain. We are routinely audited by income tax authorities in many tax jurisdictions. Although we believe the recorded tax estimates are reasonable, the ultimate outcome from any audit (or related litigation) could be materially different from amounts reflected in our income tax provisions and accruals. Future settlements of income tax audits may have a material effect on earnings between the period of initial recognition of tax estimates in the financial statements and the point of ultimate tax audit settlement. Additionally, it is possible that future income tax legislation in any jurisdiction to which we are subject may be enacted that could have a material impact on our worldwide income tax provision beginning with the period that such legislation becomes effective.

## ARTICLE II THE CREDITS

### SECTION 2.01 Commitments.

(a) Subject to the terms and conditions and relying upon the representations and warranties herein set forth, each Lender with a Revolving Commitment agrees, severally and not jointly, at any time and from time to time on or after the Closing Date until the earlier of the Business Day prior to the Maturity Date and the termination of the Revolving Commitment of such Lender in accordance with the terms hereof, to make revolving loans (x) to the U.S. Borrowers, jointly and severally, or to the Parent Borrower, in any Approved Currency (each, a “**U.S. Revolving Loan**”), (y) to the Swiss Borrower, in euros or GBP (each, a “**Swiss Revolving Loan**”), and (z) to the U.K. Borrower, in euros or GBP (each, a “**U.K. Revolving Loan**” and, collectively with the Swiss Revolving Loans and the U.S. Revolving Loans, each a “**Revolving Loan**”), in an aggregate principal amount that does not result in:

(i) such Lender’s Revolving Exposure exceeding such Lender’s Revolving Commitment less such Lender’s ratable portion of Availability Reserves;

(ii) the Total Adjusted Revolving Exposure exceeding the Total Adjusted Borrowing Base (subject to the Administrative Agent’s authority in its sole discretion to make Overadvances pursuant to the terms of Section 2.01(e)); or

(iii) the Total Revolving Exposure exceeding the lesser of (I) the Total Borrowing Base (subject to the Administrative Agent’s authority in its sole discretion to make Overadvances pursuant to the terms of Section 2.01(e)), and (II) the Total Revolving Commitment less Availability Reserves.

(b) [intentionally omitted.]

(c) Within the limits set forth above and subject to the terms, conditions and limitations set forth herein, the Borrowers may borrow, pay or prepay and reborrow Revolving Loans.

(d) Notwithstanding anything to the contrary in this Agreement, the Administrative Agent shall have the right to establish Availability Reserves against the Commitments, and/or Availability Reserves and other Reserves against the Borrowing Base, in each case in such amounts, and with respect to such matters, as the Administrative Agent in its Permitted Discretion shall deem necessary, including, without limitation (but without duplication), (i) sums that the respective Borrowers or Borrowing Base Guarantors are or will be required to pay (such as taxes (including payroll and sales taxes), assessments, insurance premiums, or, in the case of leased assets, rents or other amounts payable under such leases) and have not yet paid, (ii) amounts owing by the respective Borrowers or Borrowing Base Guarantors or, without duplication, their respective Subsidiaries to any Person in respect of any Lien of the type described in the definition of "First Priority" on any of the Collateral, which Lien, in the Permitted Discretion of the Administrative Agent, is reasonably likely to rank senior in priority to or pari passu with one or more of the Liens granted in the Security Documents in and to such item of the Collateral, (iii) an Unpaid Supplier Reserve and a Reserve against prior claims of Logan, in each case, against Eligible Inventory included in the Borrowing Base, (iv) an Inventory Reserve, in each case, against Eligible Inventory included in the Borrowing Base, (v) Rent Reserves and Reserves for Priority Payables, (vi) a Bank Product Reserve, and (vii) a Dilution Reserve; provided, however, that (y) the amount of any Reserve established by the Administrative Agent shall have a reasonable relationship to the event, condition or other matter that is the basis for the Reserve, and (z) Reserves shall not duplicate eligibility criteria contained in the definitions of "Eligible Accounts" or "Eligible Inventory" or reserves or criteria deducted in computing the cost of Eligible Inventory or the Net Recovery Cost Percentage of Eligible Inventory. The Administrative Agent shall provide the Administrative Borrower with at least three (3) Business Days' prior written notice of any such establishment. Upon delivery of written notice to Administrative Borrower, the Administrative Agent shall be available to discuss the proposed Reserve, and the applicable Borrower or Borrowing Base Guarantor may take such action as may be required so that the event, condition or matter that is the basis for such Reserve no longer exists, in a manner and to the extent reasonably satisfactory to the Administrative Agent in the exercise of its Permitted Discretion. In no event shall such notice and opportunity limit the right of the Administrative Agent to establish such Reserve, unless the Administrative Agent shall have determined in its Permitted Discretion that the event, condition or other matter that is the basis for such new Reserve no longer exists or has otherwise been adequately addressed.

(e) The Administrative Agent shall not, without the prior consent of the Required Lenders, make (and shall use its reasonable best efforts to prohibit the Issuing Banks and Swingline Lenders, as applicable, from making) any Revolving Loans or Swingline Loans, or provide any Letters of Credit, to the Borrowers on behalf of Lenders intentionally and with actual knowledge that such Revolving Loans, Swingline Loans, or Letters of Credit would either (i) cause the Total Revolving Exposure to exceed the lesser of (a) the Total Borrowing Base, and (b) the Total Revolving Commitment less Availability Reserves, (ii) cause the Total Adjusted Revolving Exposure to exceed the Total Adjusted Borrowing Base, or (iii) be made when one or more of the other conditions precedent to the making of Loans hereunder cannot

be satisfied, except that Administrative Agent may make (or cause to be made) such additional Revolving Loans (including U.S. Swingline Loans) or European Swingline Loans or provide such additional Letters of Credit on behalf of Lenders (each an “**Overadvance**” and collectively, the “**Overadvances**”), intentionally and with actual knowledge that such Loans or Letters of Credit will be made without the satisfaction of the foregoing conditions precedent, if the Administrative Agent deems it necessary or advisable in its discretion to do so; provided, that: (A) the total principal amount outstanding at any time of Overadvances to the Borrowers which Administrative Agent may make or provide (or cause to be made or provided) after obtaining such actual knowledge that the conditions precedent have not been satisfied, shall not (I) exceed the amount equal to 5% of the Total Borrowing Base, or, when aggregated with all Credit Protective Advances then outstanding, 7.5% of the Total Borrowing Base, and (II) shall not, without the consent of all Lenders, cause the Total Revolving Exposure to exceed the Total Revolving Commitment of all of the Lenders less Availability Reserves, or such Lender’s Pro Rata Percentage of the Total Revolving Exposure to exceed such Lender’s Revolving Commitment less such Lender’s Pro Rata Percentage of Availability Reserves, (B) without the consent of all Lenders, (I) no Overadvance shall be outstanding for more than sixty (60) days and (II) after all Overadvances have been repaid, Administrative Agent shall not make any additional Overadvance unless sixty (60) days or more have elapsed since the last date on which any Overadvance was outstanding and (C) Administrative Agent shall be entitled to recover such funds on demand from the applicable Borrower or Borrowers together with interest thereon for each day from the date such payment was due until the date such amount is paid to Administrative Agent at the interest rate otherwise applicable to Loans of such Class and Type (including interest at the Default Rate, if applicable). Each Lender of the applicable Class shall be obligated to pay Administrative Agent the amount of its Pro Rata Percentage of any such Overadvance, provided, that such Administrative Agent is acting in accordance with the terms of this Section 2.01(e). Overadvances shall constitute Revolving Loans (or European Swingline Loans), shall be payable on demand and shall constitute Obligations secured by the Collateral entitled to all the benefits of the Loan Documents. Any funding of an Overadvance or sufferance of an Overadvance shall not constitute a waiver by any Agent or any Lender of the Event of Default caused thereby. In no event shall any Borrower be deemed a beneficiary of this Section 2.01(e) nor authorized to enforce any of its terms.

(f) The Administrative Agent shall be authorized, in its discretion, at any time that any conditions in Section 4.02 are not satisfied, to make Base Rate Loans (“**Protective Advances**”) (i) if the Administrative Agent deems such Loans necessary or desirable to preserve or protect Collateral, or to enhance the collectibility or repayment of Obligations (“**Credit Protective Advances**”), provided, that the total principal amount outstanding at any time of Credit Protective Advances shall not exceed the amount equal to 5% of the Total Borrowing Base, or, when aggregated with all Overadvances then outstanding, 7.5% of the Total Borrowing Base, or (ii) to pay any other amounts chargeable to the Loan Parties under any Loan Documents, including costs, fees and expenses; provided further, that the total principal amount outstanding at any time of Protective Advances shall not, without the consent of all Lenders, cause the Total Revolving Exposure to exceed the Total Revolving Commitment of all of the Lenders less Availability Reserves, or such Lender’s Pro Rata Percentage of the Total Revolving Exposure to exceed such Lender’s Revolving Commitment less such Lender’s Pro Rata Percentage of Availability Reserves. Each Lender shall

participate in each Protective Advance in accordance with its Pro Rata Percentage. Required Lenders may at any time revoke Administrative Agent's authority to make further Protective Advances by written notice to the Administrative Agent. Absent such revocation, the Administrative Agent's determination that funding of a Protective Advance is appropriate shall be conclusive.

**SECTION 2.02 Loans.**

(a) Each Loan (other than Swingline Loans) shall be made as part of a Borrowing consisting of Loans made by the Lenders ratably in accordance with their applicable Commitments; provided, that the failure of any Lender to make its Loan shall not in itself relieve any other Lender of its obligation to lend hereunder (it being understood, however, that no Lender shall be responsible for the failure of any other Lender to make any Loan required to be made by such other Lender). Except for Swingline Loans, Protective Advances and Loans deemed made pursuant to Section 2.18, each Borrowing shall be in an aggregate principal amount that is not less than (and in integral amounts consistent with) the Minimum Currency Threshold or, if less, equal to the remaining available balance of the applicable Commitments.

(b) Subject to Section 2.11 and Section 2.12, (i) each Borrowing of Dollar Denominated Loans shall be comprised entirely of Base Rate Loans or Eurocurrency Loans as Administrative Borrower may request pursuant to Section 2.03 (provided that Base Rate Loans shall be available only with respect to Dollar Denominated Loans borrowed by U.S. Borrowers or Parent Borrower), (ii) each Borrowing of GBP Denominated Loans or Swiss Franc Denominated Loans shall be comprised entirely of Eurocurrency Loans, and (iii) each Borrowing of Euro Denominated Loans shall be comprised entirely of EURIBOR Loans; provided that all Loans comprising the same Borrowing shall at all times be of the same Type. Each Lender may at its option make any Eurocurrency Loan or EURIBOR Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the applicable Borrower to repay such Loan in accordance with the terms of this Agreement; and provided, further, that with respect to any Loan (and so long as no Event of Default shall have occurred and is continuing), if such Lender is a Swiss Qualifying Bank, such branch or Affiliate must also qualify as a Swiss Qualifying Bank. Borrowings of more than one Type may be outstanding at the same time; provided that Borrower shall not be entitled to request any Borrowing that, if made, would result in more than eight Eurocurrency Borrowings in Dollars, five Eurocurrency Borrowings in GBP, or eight EURIBOR Borrowings outstanding hereunder at any one time. For purposes of the foregoing, Borrowings having different Interest Periods, regardless of whether they commence on the same date, shall be considered separate Borrowings.

(c) Except with respect to Loans deemed made pursuant to Section 2.18(b) and Swingline Loans, each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds to such account in Chicago, or to such account in a European jurisdiction, as the Administrative Agent may designate, not later than 12:00 noon, New York time (11:00 a.m., London time in the case of Revolving Loans made in GBP or Euros), and the Administrative Agent shall promptly credit the amounts so received to an account of the applicable Borrower as directed by the

Administrative Borrower in the applicable Borrowing Request maintained with the Administrative Agent or, if a Borrowing shall not occur on such date because any condition precedent herein specified shall not have been met, return the amounts so received to the respective Lenders.

(d) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's portion of such Borrowing, the Administrative Agent may assume that such Lender has made such portion available to the Administrative Agent on the date of such Borrowing in accordance with paragraph (c) above, and the Administrative Agent may, in reliance upon such assumption, make available to the applicable Borrower on such date a corresponding amount. If the Administrative Agent shall have so made funds available, then, to the extent that such Lender shall not have made such portion available to the Administrative Agent, each of such Lender and such Borrower severally agrees to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to such Borrower until the date such amount is repaid to the Administrative Agent at (i) in the case of such Borrower, the interest rate applicable at the time to the Loans comprising such Borrowing and (ii) in the case of such Lender, the greater of the Interbank Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. If such Lender shall repay to the Administrative Agent such corresponding amount, such amount shall constitute such Lender's Loan as part of such Borrowing for purposes of this Agreement, and the applicable Borrower's obligation to repay the Administrative Agent such corresponding amount pursuant to this Section 2.02(d) shall cease.

(e) Notwithstanding anything to the contrary contained herein, no Borrower shall be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Maturity Date.

### **SECTION 2.03 Borrowing Procedure.**

(a) To request a Borrowing (subject to Section 2.17(e) with respect to European Swingline Loans), the Administrative Borrower, on behalf of the applicable Borrower, shall deliver, by hand delivery, telecopier or, to the extent separately agreed by the Administrative Agent, by an electronic communication in accordance with the second sentence of Section 11.01(b) and the second paragraph of Section 11.01(d), a duly completed and executed Borrowing Request to the Administrative Agent (i) in the case of a Eurocurrency Borrowing (other than a Eurocurrency Borrowing made in GBP), not later than 12:00 noon, New York time, three (3) Business Days before the date of the proposed Borrowing, (ii) in the case of a EURIBOR Borrowing, or a Eurocurrency Borrowing made in GBP, not later than 11:00 a.m., London time, three (3) Business Days before the date of the proposed Borrowing, or (iii) in the case of a Base Rate Borrowing, not later than 12:00 a.m., New York time, on the date of the proposed Borrowing. Each Borrowing Request shall be irrevocable and shall specify the following information in compliance with Section 2.02:

- (i) the aggregate amount of such Borrowing;

- (ii) the date of such Borrowing, which shall be a Business Day;
- (iii) whether such Borrowing shall constitute a Borrowing of U.S. Revolving Loans, U.K. Revolving Loans or Swiss Revolving Loans;
- (iv) in the case of Dollar Denominated Loans made to U.S. Borrowers or to Parent Borrower, whether such Borrowing is to be a Base Rate Borrowing or a Eurocurrency Borrowing;
- (v) in the case of U.S. Revolving Loans, whether such Borrowing is to be made to the U.S. Borrowers or the Parent Borrower;
- (vi) in the case of a Eurocurrency Borrowing or EURIBOR Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated, as applicable, by the definition of the term “Eurocurrency Interest Period” or “EURIBOR Interest Period”;
- (vii) the location and number of the applicable Borrower’s account to which funds are to be disbursed, which shall comply with the requirements of Section 2.02(c);
- (viii) that the conditions set forth in Section 4.02(b) — (d) have been satisfied as of the date of the notice; and
- (ix) in the case of a Eurocurrency Borrowing in an Alternate Currency, the Approved Currency for such Borrowing.

If no election as to the Type of Borrowing is specified with respect to a Borrowing of Dollar Denominated Loans made to U.S. Borrowers or to Parent Borrower, then the requested Borrowing shall be a Base Rate Borrowing. If no Interest Period is specified with respect to any requested EURIBOR Borrowing or Eurocurrency Borrowing, then the Administrative Borrower on behalf of the applicable Borrower shall be deemed to have selected an Interest Period of one month’s duration. Promptly following receipt of a Borrowing Request in accordance with this Section, the Administrative Agent shall advise each applicable Lender of the details thereof and of the amount of such Lender’s Loan to be made as part of the requested Borrowing.

(b) Appointment of Administrative Borrower. Each Borrower hereby irrevocably appoints and constitutes Administrative Borrower as its agent to request Loans and Letters of Credit pursuant to this Agreement in the name or on behalf of such Borrower. The Administrative Agent and Lenders may disburse the Loans to such bank account of Administrative Borrower or a Borrower or otherwise make such Loans to a Borrower and provide such Letters of Credit to a Borrower as Administrative Borrower may designate or direct, without notice to any other Borrower or Guarantor. Each Loan Party hereby irrevocably appoints and constitutes Administrative Borrower as its agent to receive statements of account and all other notices from the Agents and Lenders with respect to the Obligations or otherwise under or in connection with this Agreement and the other Loan Documents, including the Intercreditor Agreement. Any notice, election, representation, warranty, agreement or undertaking by or on behalf of any other Loan Party by Administrative Borrower shall be deemed for all purposes to have been made by such Loan

Party, as the case may be, and shall be binding upon and enforceable against such Loan Party to the same extent as if made directly by such Loan Party. Administrative Borrower hereby accepts the appointment by Borrowers and the other Loan Parties to act as the agent of Borrowers and the other Loan Parties and agrees to ensure that the disbursement of any Loans to a Borrower requested by or paid to or for the account of such Borrower, or the issuance of any Letter of Credit for a Borrower hereunder, shall be paid to or for the account of such Borrower. No purported termination of the appointment of Administrative Borrower as agent as aforesaid shall be effective, except after ten (10) days' prior written notice to Administrative Agent and appointment by the Borrowers of a replacement Administrative Borrower.

(c) Appointment of European Administrative Borrower. Each U.K. Borrower and Swiss Borrower hereby irrevocably appoints and constitutes European Administrative Borrower as its agent to request Loans and Letters of Credit pursuant to this Agreement in the name or on behalf of such Borrower. The Administrative Agent and Lenders may disburse the Loans to such bank account of European Administrative Borrower or a U.K. Borrower or Swiss Borrower or otherwise make such Loans to a U.K. Borrower or Swiss Borrower and provide such Letters of Credit to a U.K. Borrower or Swiss Borrower as European Administrative Borrower may designate or direct, without notice to any other Borrower or Guarantor. Each U.K. Borrower and Swiss Borrower hereby irrevocably appoints and constitutes European Administrative Borrower as its agent to receive statements of account and all other notices from the Agents and Lenders with respect to the Obligations or otherwise under or in connection with this Agreement and the other Loan Documents. Any notice, election, representation, warranty, agreement or undertaking by or on behalf of any other Borrower by European Administrative Borrower shall be deemed for all purposes to have been made by such Borrower, as the case may be, and shall be binding upon and enforceable against such Borrower to the same extent as if made directly by such Borrower. European Administrative Borrower hereby accepts the appointment by the U.K. Borrowers and Swiss Borrowers to act as the agent of such Borrowers and agrees to ensure that the disbursement of any Loans to a U.K. Borrower or Swiss Borrower requested by or paid to or for the account of such Borrower, or the issuance of any Letter of Credit for a U.K. Borrower or Swiss Borrower hereunder, shall be paid to or for the account of such Borrower. No purported termination of the appointment of European Administrative Borrower as agent as aforesaid shall be effective, except after ten (10) days' prior written notice to Administrative Agent and appointment by the U.K. Borrowers and Swiss Borrowers of a replacement European Administrative Borrower.

(d) Unless payment is otherwise timely made by Borrowers within three (3) Business Days of the due date (after the lapse of any applicable grace periods) of any Secured Obligations (whether principal, interest, fees or other charges, including Extraordinary Expenses, LC Obligations, cash collateral and Secured Bank Product Obligations), Borrower shall be deemed to have requested Base Rate Revolving Loans on such third Business Day in the amount of such Secured Obligations. The proceeds of such Revolving Loans shall be disbursed as direct payment of the relevant Secured Obligation.

**SECTION 2.04 Evidence of Debt.**

(a) Promise to Repay. Each U.S. Borrower, jointly and severally, hereby unconditionally promises to pay on the Maturity Date to the Administrative Agent, for the account of each applicable Revolving Lender (or, in the case of U.S. Swingline Loans, the U.S. Swingline Lender in accordance with Section 2.17(a)), the then unpaid principal amount of each U.S. Revolving Loan of such Revolving Lender made to any U.S. Borrower. The Parent Borrower hereby unconditionally promises to pay on the Maturity Date to the Administrative Agent, for the account of each applicable Revolving Lender, the then unpaid principal amount of each U.S. Revolving Loan of such Revolving Lender made to the Parent Borrower. The Swiss Borrower hereby unconditionally promises to pay (i) on the Maturity Date to the Administrative Agent, for the account of each applicable Revolving Lender, the then unpaid principal amount of each Swiss Revolving Loan of such Revolving Lender and (ii) on the earlier of the Maturity Date and the last day of the Interest Period for such Loan, to the European Swingline Lender, the then unpaid principal amount of each European Swingline Loan. The U.K. Borrower hereby unconditionally promises to pay on the Maturity Date to the Administrative Agent, for the account of each applicable Revolving Lender, the then unpaid principal amount of each U.K. Revolving Loan of such Revolving Lender. All payments or repayments of Loans made pursuant to this Section 2.04(a) shall be made in the Approved Currency in which such Loan is denominated.

(b) Lender and Administrative Agent Records. Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the Indebtedness of each Borrower to such Lender resulting from each Loan made by such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time under this Agreement. The Administrative Agent shall maintain accounts in which it will record (i) the amount and Approved Currency of each Loan made hereunder, the Borrower or Borrowers to which such Loan is made, the Type, Class and Sub-Class thereof and the Interest Period applicable thereto; (ii) the amount of any principal or interest due and payable or to become due and payable from each Borrower to each Lender hereunder; and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof. The entries made in the accounts maintained pursuant to this paragraph shall be prima facie evidence of the existence and amounts of the obligations therein recorded as well as the Borrower or Borrowers which received such Loans or Letters of Credit; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligations of any Borrower to repay the Loans in accordance with their terms.

(c) Promissory Notes. Any Lender by written notice to the Administrative Borrower (with a copy to the Administrative Agent) may request that Loans of any Class and Sub-Class made by it be evidenced by a promissory note. In such event, the applicable Borrower or Borrowers shall prepare, execute and deliver to such Lender one or more promissory notes payable to such Lender or its registered assigns in the form of Exhibit K-1 or K-2, as the case may be. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 11.04) be represented by one or more promissory notes in such form payable to such payee or its registered assigns. If, because of fluctuations in exchange rates after the date of issuance thereof, any such Note would not be at least as great as the Dollar Equivalent of the outstanding principal amount of the Loans made by such Lender evidenced thereby at any

time outstanding, such Lender may request (and in such case the applicable Borrowers shall promptly execute and deliver) a new Note in an amount equal to the Dollar Equivalent of the aggregate principal amount of such Loans of such Lender outstanding on the date of the issuance of such new Note.

**SECTION 2.05 Fees.**

(a) Commitment Fee. The Borrowers, jointly and severally, agree to pay to the Administrative Agent for the account of each Lender having a Revolving Commitment a commitment fee (a "**Commitment Fee**") denominated in Dollars on the actual daily amount by which the Total Revolving Commitment exceeds the Total Revolving Exposure, from and including the date hereof to but excluding the date on which such Revolving Commitment terminates at a rate per annum equal to the Applicable Fee. Accrued Commitment Fees shall be payable in arrears (A) on the first Business Day of each month, commencing January 1, 2011, and (B) on the date on which such Revolving Commitment terminates. Commitment Fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day). For purposes of computing Commitment Fees with respect to Revolving Commitments, a Revolving Commitment of a Lender shall be deemed to be used to the extent of the outstanding Revolving Loans, Swingline Exposure and LC Exposure of such Lender.

(b) Fee Letter. Parent Borrower agrees to pay or to cause the applicable Borrower to pay all Fees payable pursuant to the Fee Letter, in the amounts and on the dates set forth therein.

(c) LC and Fronting Fees. The applicable Borrower agrees to pay (i) to the Administrative Agent for the account of each Lender having a Revolving Commitment a participation fee ("**LC Participation Fee**") with respect to its participations in Letters of Credit, which shall accrue at a rate equal to the Applicable Margin from time to time used to determine the interest rate on (A) with regard to Letters of Credit denominated in Dollars, Canadian Dollars or GBP, Eurocurrency Loans, and (B) with regard to Letters of Credit denominated in euros, EURIBOR Loans, in each case pursuant to Section 2.06 on the average daily amount of such Lender's LC Exposure (excluding any portion thereof attributable to Reimbursement Obligations) during the period from and including the Closing Date to but excluding the later of the date on which such Lender's Revolving Commitment terminates and the date on which such Lender ceases to have any LC Exposure, and (ii) to the applicable Issuing Bank a fronting fee ("**Fronting Fee**"), which shall accrue at the rate of 0.125% per annum on the average daily amount of the LC Exposure of such Issuing Bank (excluding any portion thereof attributable to Reimbursement Obligations) during the period from and including the Closing Date to but excluding the later of the date of termination of the Revolving Commitments and the date on which such Issuing Bank ceases to have any LC Exposure, as well as such Issuing Bank's customary fees with respect to the issuance, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder. Accrued LC Participation Fees and Fronting Fees shall be payable in arrears (i) on the first Business Day of each month, commencing on January 1, 2011, and (ii) on the date on which the Revolving Commitments terminate. Any such fees accruing after the date on which the Revolving Commitments terminate shall be payable on demand. Any other fees

payable to an Issuing Bank pursuant to this paragraph shall be payable within ten (10) days after demand therefor. All LC Participation Fees and Fronting Fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day). If at any time any principal of or interest on any Loan or any fee or other amount payable by the Loan Parties hereunder has not been paid when due, whether at stated maturity, upon acceleration or otherwise, the LC Participation Fee shall be increased to a per annum rate equal to 2% plus the otherwise applicable rate with respect thereto for so long as such overdue amounts have not been paid.

(d) All Fees shall be paid on the dates due, in immediately available funds in Dollars, to the Administrative Agent for distribution, if and as appropriate, among the Lenders, except that Borrowers shall pay the Fronting Fees directly to the applicable Issuing Bank. Once paid, none of the Fees shall be refundable under any circumstances.

#### **SECTION 2.06 Interest on Loans.**

(a) Base Rate Loans. Subject to the provisions of Section 2.06(f), the Loans comprising each Base Rate Borrowing, including each U.S. Swingline Loan, shall bear interest at a rate per annum equal to the Base Rate plus the Applicable Margin in effect from time to time.

(b) Eurocurrency Loans. Subject to the provisions of Section 2.06(f), the Loans comprising each Eurocurrency Borrowing, including each European Swingline Loan, shall bear interest at a rate per annum equal to the Adjusted LIBOR Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin in effect from time to time.

(c) [intentionally omitted].

(d) [intentionally omitted].

(e) EURIBOR Loans. Subject to the provisions of Section 2.06(f), the Loans comprising each EURIBOR Borrowing shall bear interest at a rate per annum equal to the Adjusted EURIBOR Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin in effect from time to time.

(f) Default Rate. Notwithstanding the foregoing, during an Event of Default of the type specified in Sections 8.01(a), (b), (g) or (h), or during any other Event of Default if the Required Lenders in their discretion so elect by notice to the Administrative Agent, all Obligations shall, to the extent permitted by Applicable Law, bear interest, after as well as before judgment, at a per annum rate equal to (i) in the case of principal of or interest on any Loan, 2% plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section 2.06 or (ii) in the case of any other amount, 2% plus the rate applicable to Base Rate Loans as provided in Section 2.06(a) (in either case, the “**Default Rate**”).

(g) Interest Payment Dates. Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan; provided that (i) interest accrued pursuant to Section 2.06(f) shall be payable on demand, (ii) in the event of any repayment or

prepayment of any Loan (other than a prepayment of a Base Rate Revolving Loan or a U.S. Swingline Loan without a permanent reduction in Revolving Commitments), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any EURIBOR Loan or Eurocurrency Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(h) Interest Calculation. All interest hereunder shall be computed on the basis of a year of 360 days, except that (i) interest computed by reference to the Base Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and (ii) interest computed with regard to Eurocurrency Loans by way of GBP shall be computed on the basis of a year of 365 days, and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Base Rate, Adjusted EURIBOR Rate or Adjusted LIBOR Rate shall be determined by the Administrative Agent in accordance with the provisions of this Agreement and such determination shall be conclusive absent manifest error.

(i) Currency for Payment of Interest. All interest paid or payable pursuant to this Section 2.06 shall be paid in the Approved Currency in which the Loan giving rise to such interest is denominated.

(j) Swiss Minimum Interests Rates and Payments. The various rates of interests provided for in this Agreement (including, without limitation, under this Section 2.06) are minimum interest rates.

(i) When entering into this Agreement, each party hereto has assumed that the payments required under this Agreement are not and will not become subject to Swiss Withholding Tax. Notwithstanding that the parties hereto do not anticipate that any payment will be subject to Swiss Withholding Tax, they agree that, if (A) Swiss Withholding Tax should be imposed on interest or other payments (the “**Relevant Amount**”) by a Swiss Loan Party and (B) Section 2.15 should be held unenforceable, then the applicable interest rate in relation to that interest payment shall be: (x) the interest rate which would have been applied to that interest payment (as provided for in the absence of this Section 2.06(j)); divided by (y) 1 minus the minimal permissible rate at which the relevant Tax Deduction is required to be made in view of domestic tax law and/or applicable treaties (where the rate at which the relevant Tax Deduction is required to be made is, for this purpose, expressed as a fraction of one (1)) and all references to a rate of interest under such Loan shall be construed accordingly. For this purpose, the Swiss Withholding Tax shall be calculated on the amount so recalculated.

(ii) The Swiss Borrower shall not be required to make an increased payment to any specific Lender (but without prejudice to the rights of all other Lenders hereunder) under paragraph (i) above or under Section 2.15 in connection with a Swiss Withholding Tax if the Swiss Borrower has breached the Ten Non-Bank Regulations and/or Twenty Non-Bank Regulations as a direct result of (A) the incorrectness of the representation made by such Lender pursuant to Section 2.21 if such Lender specified that it was a Swiss Qualifying Bank or (B) such Lender, as assignee or participant, breaching the requirements and limitations for transfers,

assignments or participations pursuant to Section 11.04 or (C) if Section 2.15 does not provide for an obligation to make increased payments.

(iii) For the avoidance of doubt, the Swiss Borrower shall be required to make an increased payment to a specific Lender under paragraph (i) above in connection with the imposition of a Swiss Withholding Tax (A) if the Swiss Borrower has breached the Ten Non-Bank Regulations and/or the Twenty Non-Bank Regulations as a result of its failure to comply with the provisions of Section 5.15 or, (B) if after an Event of Default, lack of compliance with the Ten Non-Bank Regulations and/or the Twenty Non-Bank Regulations as a result of assignments or participation effected in accordance herewith, or (C) following a change of law or practice in relation with the Ten Non-Bank Regulations and/or the Twenty Non-Bank Regulations Swiss Withholding Tax becomes due on interest payments made by Swiss Borrower and Section 2.15 is not enforceable.

(iv) If requested by the Administrative Agent, a Swiss Loan Party shall provide to the Administrative Agent those documents which are required by law and applicable double taxation treaties to be provided by the payer of such tax for each relevant Lender to prepare a claim for refund of Swiss Withholding Tax. In the event Swiss Withholding Tax is refunded to the Lender by the Swiss Federal Tax Administration, the relevant Lender shall forward, after deduction of costs, such amount to the Swiss Loan Party; provided, however, that (i) the relevant Swiss Loan Party has fully complied with its obligations under this Section 2.06(j); (ii) the relevant Lender may determine, in its sole discretion, consistent with the policies of such Lender, the amount of the refund attributable to Swiss Withholding Tax paid by the relevant Swiss Loan Party; (iii) nothing in this Agreement shall require the Lender to disclose any confidential information to the Swiss Loan Party (including, without limitation, its tax returns); and (iv) no Lender shall be required to pay any amounts pursuant to this Section 2.06(j)(iv) at any time during which a Default or Event of Default exists.

**SECTION 2.07 Termination and Reduction of Commitments.**

(a) Termination of Commitments. The Revolving Commitments, the European Swingline Commitment and the LC Commitment shall automatically terminate on the Maturity Date.

(b) Optional Terminations and Reductions. At its option, Administrative Borrower may at any time terminate, or from time to time permanently reduce, the Commitments of any Class; provided that (i) each reduction of the Commitments of any Class shall be in an amount that is an integral multiple of \$1,000,000 and not less than \$5,000,000 and (ii) the Revolving Commitments shall not be terminated or reduced if, after giving effect to any concurrent prepayment of the Revolving Loans in accordance with Section 2.10, the aggregate amount of Revolving Exposure would exceed the aggregate amount of Revolving Commitments, or the Total Revolving Exposure would exceed the Total Revolving Commitment.

(c) Borrower Notice. Administrative Borrower shall notify the Administrative Agent in writing of any election to terminate or reduce the Commitments under Section 2.07(b) at least three (3) Business Days prior to the effective date of such termination or

reduction, specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each notice delivered by Administrative Borrower pursuant to this Section shall be irrevocable; provided that a notice of termination of the Commitments delivered by Administrative Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities, in which case such notice may be (subject to payment of any amount pursuant to Section 2.13) revoked by Administrative Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Commitments of any Class shall be permanent. Each reduction of the Commitments of any Class shall be made ratably among the Lenders in accordance with their respective Commitments of such Class.

#### **SECTION 2.08 Interest Elections.**

(a) Generally. Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a EURIBOR Borrowing or Eurocurrency Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, Administrative Borrower may elect to convert such Borrowing to a different Type (in the case of Dollar Denominated Loans made to U.S. Borrowers or to Parent Borrower, to a Base Rate Borrowing or a Eurocurrency Borrowing) or to rollover or continue such Borrowing and, in the case of a EURIBOR Borrowing or Eurocurrency Borrowing, may elect Interest Periods therefor, all as provided in this Section. Borrowings consisting of Alternate Currency Revolving Loans may not be converted to a different Type. Administrative Borrower may elect different options with respect to different portions (not less than the Minimum Currency Threshold) of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. Notwithstanding anything to the contrary, Borrowers shall not be entitled to request any conversion, rollover or continuation that, if made, would result in more than eight Eurocurrency Borrowings in Dollars, five Eurocurrency Borrowings in GBP, or eight EURIBOR Borrowings outstanding hereunder at any one time. This Section shall not apply to Swingline Loans, which may not be converted or continued.

(b) Interest Election Notice. To make an election pursuant to this Section, Administrative Borrower shall deliver, by hand delivery or telecopier, a duly completed and executed Interest Election Request to the Administrative Agent not later than the time that a Borrowing Request would be required under Section 2.03 if Administrative Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each Interest Election Request shall be irrevocable. Each Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, or if outstanding Borrowings are being combined, allocation to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (v) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) in the case of Dollar Denominated Loans made to U.S. Borrowers or to Parent Borrower, whether such Borrowing is to be a Base Rate Borrowing or a Eurocurrency Borrowing;

(iv) [intentionally omitted];

(v) if the resulting Borrowing is a EURIBOR Borrowing or a Eurocurrency Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated, as applicable, by the definition of the term “EURIBOR Interest Period” or “Eurocurrency Interest Period”; and

(vi) in the case of a Borrowing consisting of Alternate Currency Revolving Loans, the Alternate Currency of such Borrowing.

If any such Interest Election Request requests a EURIBOR Borrowing or Eurocurrency Borrowing but does not specify an Interest Period, then Borrowers shall be deemed to have selected an Interest Period of one month’s duration.

Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the details thereof and of such Lender’s portion of each resulting Borrowing.

(c) Automatic Conversion to Base Rate Borrowing. If an Interest Election Request with respect to a Eurocurrency Borrowing made to U.S. Borrowers or to Parent Borrower in Dollars is not timely delivered prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to a Base Rate Borrowing. EURIBOR Borrowings and Eurocurrency Borrowings denominated in an Alternate Currency, and Eurocurrency Borrowings made to Swiss Borrower or U.K. Borrower and denominated in Dollars, shall not be converted to a Base Rate Borrowing, but shall be continued as Loans of the same Type with a one month Interest Period. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing, the Administrative Agent or the Required Lenders may require, by notice to Administrative Borrower, that (i) no outstanding Borrowing may be converted to or continued as a EURIBOR Borrowing or Eurocurrency Borrowing and (ii) unless repaid, each Eurocurrency Borrowing (other than a Borrowing of Alternate Currency Loans or a Eurocurrency Borrowing made to Swiss Borrower or U.K. Borrower and denominated in Dollars) shall be converted to a Base Rate Borrowing at the end of the Interest Period applicable thereto.

**SECTION 2.09 [intentionally omitted].**

**SECTION 2.10 Optional and Mandatory Prepayments of Loans.**

(a) Optional Prepayments. Borrowers shall have the right at any time and from time to time to prepay any Borrowing, in whole or in part, subject to the requirements of this

Section 2.10 and subject to the provisions of Section 9.01(e); provided that each partial prepayment shall be in a principal amount that is not less than (and in integral amounts consistent with) the Minimum Currency Threshold or, if less, the outstanding principal amount of such Borrowing.

(b) Certain Revolving Loan Prepayments.

(i) In the event of the termination of all the Revolving Commitments, each Borrower shall, on the date of such termination, repay or prepay all its outstanding Borrowings and all its outstanding Swingline Loans and replace all outstanding Letters of Credit or cash collateralize all its outstanding Letters of Credit in accordance with the procedures set forth in Section 2.18.

(ii) [intentionally omitted].

(iii) [intentionally omitted].

(iv) In the event of any partial reduction of the Revolving Commitments, then (x) at or prior to the effective date of such reduction, the Administrative Agent shall notify Administrative Borrower and the applicable Revolving Lenders of the Total Revolving Exposure after giving effect thereto and (y) if the Total Revolving Exposure would exceed the Total Revolving Commitment less Availability Reserves after giving effect to such reduction, each applicable Borrower shall, on the date of such reduction, act in accordance with Section 2.10(b)(vi) below.

(v) [intentionally omitted].

(vi) In the event that the Total Revolving Exposure at any time exceeds the Total Revolving Commitment less Availability Reserves then in effect (including on any date on which Dollar Equivalents are determined pursuant to the definition thereof), each applicable Borrower shall, without notice or demand, immediately *first*, repay or prepay its Borrowings and *second*, replace its outstanding Letters of Credit or cash collateralize its outstanding Letters of Credit in accordance with the procedures set forth in Section 2.18, in an aggregate amount sufficient to eliminate such excess.

(vii) [intentionally omitted].

(viii) In the event that the aggregate LC Exposure exceeds the LC Commitment then in effect (including on any date on which Dollar Equivalents are determined pursuant to the definition thereof), each applicable Borrower shall, without notice or demand, immediately replace its outstanding Letters of Credit or cash collateralize its outstanding Letters of Credit in accordance with the procedures set forth in Section 2.18, in an aggregate amount sufficient to eliminate such excess.

(ix) In the event that (A) the Total Revolving Exposure exceeds the Total Borrowing Base then in effect, or (B) the Total Adjusted Revolving Exposure exceeds the Total Adjusted Borrowing Base then in effect, each applicable Borrower shall, without notice or demand, immediately *first*, repay or prepay its Borrowings, and *second*, replace its outstanding

Letters of Credit or cash collateralize its outstanding Letters of Credit in accordance with the procedures set forth in Section 2.18, in an aggregate amount sufficient to eliminate such excess; provided that to the extent such excess results solely by reason of a change in exchange rates, unless a Default or an Event of Default has occurred and is continuing, no Borrower shall be required to make such repayment, replacement or cash collateralization unless the amount of such excess is greater than 5% of the Total Borrowing Base or Total Adjusted Borrowing Base, as the case may be (in which event the applicable Borrowers shall make such replacements or cash collateralization so as to eliminate such excess in its entirety).

(x) [intentionally omitted].

(xi) In the event an Activation Notice has been given (as contemplated by Section 9.01), Borrowers shall pay all proceeds of Collateral (other than proceeds of Pari Passu Priority Collateral) into the Collection Account, for application in accordance with Section 9.01(e).

(c) Asset Sales. Not later than three (3) Business Days following the receipt of any Net Cash Proceeds of any Asset Sale of Revolving Credit Priority Collateral by any Loan Party (i) outside of the ordinary course of business, (ii) occurring during the existence of any Event of Default or (iii) at any time after the occurrence of a Cash Dominion Trigger Event and prior to the subsequent occurrence of a Cash Dominion Recovery Event, Borrowers shall make (in addition to any prepayments required by Section 2.10(b)) (which shall be made regardless of whether any prepayment is required under this paragraph (c)), prepayments in accordance with Section 2.10(h) and (i) in an aggregate amount equal to 100% of such Net Cash Proceeds; provided that no such prepayment shall be required under this Section 2.10(c) with respect to (A) the disposition of property which constitutes a Casualty Event (in which event Section 2.10(f) shall apply), or (B) Asset Sales for fair market value resulting in less than \$5,000,000 in Net Cash Proceeds in any fiscal year.

(d) [intentionally omitted]

(e) [intentionally omitted]

(f) Casualty Events. Not later than three (3) Business Days following the receipt of any Net Cash Proceeds from a Casualty Event in respect of Revolving Credit Priority Collateral by any Loan Party during the occurrence of an Event of Default or at any time after the occurrence of a Cash Dominion Trigger Event and prior to the subsequent occurrence of a Cash Dominion Recovery Event, Borrowers shall make (in addition to any prepayments required by Section 2.10(b)) (which shall be made regardless of whether any prepayment is required under this paragraph (c)), prepayments in accordance with Section 2.10(h) and (i) in an aggregate amount equal to 100% of such Net Cash Proceeds; provided that no such prepayment shall be required under this Section 2.10(f) with respect to Casualty Events resulting in less than \$5,000,000 in Net Cash Proceeds in any fiscal year.

(g) [intentionally omitted]

(h) Application of Prepayments. (i) Prior to any optional or mandatory prepayment hereunder, Administrative Borrower shall select the Borrowing or Borrowings to

be prepaid and shall specify such selection in the notice of such prepayment pursuant to Section 2.10(i), subject to the provisions of this Section 2.10(h), provided that after an Activation Notice has been delivered, Section 9.01(e) shall apply, provided, further, that notwithstanding the foregoing, after an Event of Default has occurred and is continuing or after the acceleration of the Obligations, Section 8.03 shall apply. Any mandatory prepayment shall be made without reduction to the Revolving Commitments.

(ii) Amounts to be applied pursuant to this Section 2.10 to the prepayment of Revolving Loans by a Borrower shall be applied, as applicable, first to reduce outstanding U.S. Swingline Loans, and then to reduce other outstanding Base Rate Loans of that Borrower. Any amounts remaining after each such application shall be applied to prepay EURIBOR Loans or Eurocurrency Loans, as applicable, of that Borrower. Notwithstanding the foregoing, if the amount of any prepayment of Loans required under this Section 2.10 shall be in excess of the amount of the Base Rate Loans (including U.S. Swingline Loans) at the time outstanding (an "Excess Amount"), only the portion of the amount of such prepayment as is equal to the amount of such outstanding Base Rate Loans (including U.S. Swingline Loans) shall be immediately prepaid and, at the election of Administrative Borrower, the Excess Amount shall be either (A) deposited in an escrow account on terms satisfactory to the Administrative Agent and applied to the prepayment of EURIBOR Loans or Eurocurrency Loans on the last day of the then next-expiring Interest Period for EURIBOR Loans or Eurocurrency Loans; provided that (i) interest in respect of such Excess Amount shall continue to accrue thereon at the rate provided hereunder for the Loans which such Excess Amount is intended to repay until such Excess Amount shall have been used in full to repay such Loans and (ii) at any time while an Event of Default has occurred and is continuing, the Administrative Agent may, and upon written direction from the Required Lenders shall, apply any or all proceeds then on deposit to the payment of such Loans in an amount equal to such Excess Amount or (B) prepaid immediately, together with any amounts owing to the Lenders under Section 2.13.

(i) Notice of Prepayment. Administrative Borrower or European Administrative Borrower, as applicable, shall notify the Administrative Agent (and, in the case of prepayment of a Swingline Loan, the Swingline Lender) by written notice of any prepayment hereunder (i) in the case of prepayment of a Eurocurrency Borrowing (other than a Eurocurrency Borrowing made in GBP), not later than 12:00 noon, New York time, three (3) Business Days before the date of prepayment, (ii) in the case of prepayment of a EURIBOR Borrowing, or a Eurocurrency Borrowing made in GBP (in each case other than a European Swingline Loan), not later than 11:00 a.m., London time, three (3) Business Days before the date of prepayment, (iii) in the case of prepayment of a Base Rate Borrowing, not later than 12:00 noon, New York time, one (1) Business Day before the date of prepayment, (iv) in the case of prepayment of a U.S. Swingline Loan, not later than 12:00 noon, New York time, on the date of prepayment, and (v) in the case of prepayment of a European Swingline Loan, not later than 11:00 a.m., Zurich time, on the date of prepayment. Each such notice shall be irrevocable; provided that, if a notice of prepayment is given in connection with a conditional notice of termination of the Commitments as contemplated by Section 2.07, then such notice of prepayment may be revoked if such termination is revoked in accordance with Section 2.07. Each such notice shall specify the prepayment date, the principal amount of each Borrowing or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment. Promptly following receipt of any

such notice (other than a notice relating solely to Swingline Loans), the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of a Credit Extension of the same Type as provided in Section 2.02, except as necessary to apply fully the required amount of a mandatory prepayment. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing and otherwise in accordance with this Section 2.10. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.06.

**SECTION 2.11 Alternate Rate of Interest.** If prior to the commencement of any Interest Period for a EURIBOR Borrowing or Eurocurrency Borrowing:

(a) the Administrative Agent determines (which determination shall be final and conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted EURIBOR Rate or Adjusted LIBOR Rate for such Interest Period or that any Alternate Currency is not available to the Lenders in sufficient amounts to fund any Borrowing consisting of Alternate Currency Revolving Loans; or

(b) the Administrative Agent is advised in writing by the Required Lenders that the Adjusted EURIBOR Rate or Adjusted LIBOR Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give written notice thereof to Administrative Borrower and the Lenders as promptly as practicable thereafter and, until the Administrative Agent notifies Administrative Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a EURIBOR Borrowing or Eurocurrency Borrowing, as applicable, shall be ineffective and (ii) if any Borrowing Request requests a Eurocurrency Borrowing in Dollars, such Borrowing shall be made as a Base Rate Borrowing, and Borrowing Requests for any affected Alternate Currency Revolving Loans or European Swingline Loans shall not be effective.

**SECTION 2.12 Yield Protection; Change in Law Generally.**

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in, by any Lender (except any reserve requirement reflected in the Adjusted LIBOR Rate or the Adjusted EURIBOR Rate, as applicable) or any Issuing Bank; or

(ii) impose on any Lender or any Issuing Bank or the interbank market any other condition, cost or expense affecting this Agreement or EURIBOR Loans or Eurocurrency Loans made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any EURIBOR Loan or any Eurocurrency Loan (or of maintaining its obligation to

make any such Loan), or to increase the cost to such Lender, such Issuing Bank or such Lender's or such Issuing Bank's holding company, if any, of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by such Lender or such Issuing Bank hereunder (whether of principal, interest or any other amount), then, upon request of such Lender or such Issuing Bank, Borrowers will pay to such Lender or such Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or such Issuing Bank, as the case may be, for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender or any Issuing Bank determines (in good faith, but in its sole absolute discretion) that any Change in Law affecting such Lender or such Issuing Bank or any lending office of such Lender or such Lender's or such Issuing Bank's holding company, if any, regarding capital requirements has or would have the effect of reducing the rate of return on such Lender's or such Issuing Bank's capital or on the capital of such Lender's or such Issuing Bank's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Bank's policies and the policies of such Lender's or such Issuing Bank's holding company with respect to capital adequacy), then from time to time Borrowers will pay to such Lender or such Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender or an Issuing Bank setting forth the amount or amounts necessary to compensate such Lender or such Issuing Bank or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section 2.12 and delivered to Administrative Borrower shall be conclusive absent manifest error. Borrowers shall pay such Lender or such Issuing Bank, as the case may be, the amount shown as due on any such certificate within ten (10) Business Days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender or any Issuing Bank to demand compensation pursuant to this Section 2.12 shall not constitute a waiver of such Lender's or such Issuing Bank's right to demand such compensation; provided that Borrowers shall not be required to compensate a Lender or an Issuing Bank pursuant to this Section for any increased costs incurred or reductions suffered more than nine months prior to the date that such Lender or such Issuing Bank, as the case may be, notifies Administrative Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or such Issuing Bank's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

(e) Change in Legality Generally. Notwithstanding any other provision of this Agreement, if any Change in Law shall make it unlawful for any Lender to make or maintain any Eurocurrency Loan or any EURIBOR Loan, or to give effect to its obligations as

contemplated hereby with respect to any Eurocurrency Loan or any EURIBOR Loan, then, upon written notice by such Lender to Administrative Borrower and the Administrative Agent:

(i) the Commitments of such Lender (if any) to fund the affected Type of Loan shall immediately terminate;

(ii) in the case of Dollar Denominated Loans, (x) such Lender may declare that Eurocurrency Loans will not thereafter (for the duration of such unlawfulness) be continued for additional Interest Periods and Base Rate Loans will not thereafter (for such duration) be converted into Eurocurrency Loans, whereupon any request to convert a Base Rate Borrowing to a Eurocurrency Borrowing or to continue a Eurocurrency Borrowing for an additional Interest Period shall, as to such Lender only, be deemed a request to continue a Base Rate Loan as such, or to convert a Eurocurrency Loan into a Base Rate Loan, as the case may be, unless such declaration shall be subsequently withdrawn and (y) all such outstanding Eurocurrency Loans made by such Lender shall be automatically converted to Base Rate Loans on the last day of the then current Interest Period therefor or, if earlier, on the date specified by such Lender in such notice (which date shall be no earlier than the last day of any applicable grace period permitted by Applicable Law); and

(iii) in the case of Eurocurrency Loans that are GBP Denominated Loans or Swiss Franc Denominated Loans, or Dollar Denominated Loans of Swiss Borrower or U.K. Borrower, and in the case of EURIBOR Loans, the applicable Borrower shall repay all such outstanding Eurocurrency Loans or EURIBOR Loans, as the case may be, of such Lender on the last day of the then current Interest Period therefor or, if earlier, on the date specified by such Lender in such notice (which date shall be no earlier than the last day of any applicable grace period permitted by Applicable Law).

(f) Change in Legality in Relation to Issuing Bank. Notwithstanding any other provision of this Agreement, if any Change in Law shall make it unlawful for any Issuing Bank to issue or allow to remain outstanding any Letter of Credit, then, by written notice to Administrative Borrower and the Administrative Agent:

(i) such Issuing Bank shall no longer be obligated to issue any Letters of Credit; and

(ii) each Borrower shall use its commercially reasonable best efforts to procure the release of each outstanding Letter of Credit issued by such Issuing Bank.

(g) Increased Tax Costs. If any Change in Law shall subject any Lender or any Issuing Bank to any (i) Tax of any kind whatsoever with respect to this Agreement, any Letter of Credit, any participation in a Letter of Credit or any Loan made by it, or change the basis of taxation of payments to such Lender or such Issuing Bank in respect thereof, or (ii) Tax imposed on it that is specially (but not necessarily exclusively) applicable to lenders such as such Lender as a result of the general extent and/or nature of their activities, assets, liabilities, leverage, other exposures to risk, or other similar factors, including but not limited to the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, regulations, guidelines or directives thereunder or issued in connection therewith, the

proposed United Kingdom Tax to be known as the “bank levy” (in respect of which draft legislation was last published on December 9, 2010) in such form as it may be imposed and as amended or reenacted, and similar legislation (except, in each case of the foregoing clauses (i) and (ii), for Indemnified Taxes or Other Taxes covered by Section 2.15 and the imposition of, or any change in the rate of, any Excluded Tax payable by such Lender; provided, however, for purposes of this Section 2.12(g), a franchise tax in lieu of or in substitute of net income taxes shall be treated as an Excluded Tax only if such franchise tax in lieu of or in substitute of net income taxes is imposed by a state, city or political subdivision of a state, in each case in the United States, for the privilege of being organized or chartered in, or doing business in, such state, city or political subdivision of such state or city in the United States), and the result of any of the foregoing shall be to increase the cost to such Lender such Issuing Bank of making or maintaining any Loan (or of maintaining its obligation to make any such Loan), or to increase the cost to such Lender, such Issuing Bank or such Lender’s or such Issuing Bank’s holding company, if any, of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by such Lender or such Issuing Bank hereunder (whether of principal, interest or any other amount), then, upon request of such Lender or such Issuing Bank, Borrowers will pay to such Lender or such Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or such Issuing Bank, as the case may be, for such additional costs incurred or reduction suffered.

**SECTION 2.13 Breakage Payments.** In the event of (a) the payment or prepayment, whether optional or mandatory, of any principal of any Eurocurrency Loan or EURIBOR Loan earlier than the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurocurrency Loan or EURIBOR Loan earlier than the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Revolving Loan on the date specified in any notice delivered pursuant hereto (whether or not such notice was validly revoked pursuant to Section 2.07(c)) or (d) the assignment of any Eurocurrency Loan or EURIBOR Loan earlier than the last day of the Interest Period applicable thereto as a result of a request by Administrative Borrower pursuant to Section 2.16(c), then, in any such event, the applicable Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. In the case of a Eurocurrency Loan or EURIBOR Loan, such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBOR Rate or the Adjusted EURIBOR Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan) (excluding, however, the Applicable Margin included therein, if any), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits of a comparable currency, amount and period from other banks in the applicable interbank market. A certificate of any Lender setting forth in reasonable detail any amount or amounts that such Lender is entitled to receive pursuant to this Section 2.13 shall be delivered to Administrative Borrower (with a copy to the Administrative Agent) and shall be conclusive and binding absent manifest error. The applicable Borrower shall pay such Lender the amount shown as due on any such certificate within five (5) days after receipt thereof.

**SECTION 2.14 Payments Generally; Pro Rata Treatment; Sharing of Setoffs.**

(a) Payments Generally. Each Loan Party shall make each payment required to be made by it hereunder or under any other Loan Document (whether of principal, interest, fees or Reimbursement Obligations, or of amounts payable under Section 2.12, Section 2.13, Section 2.15, Section 2.16, Section 2.22 or Section 11.03, or otherwise) on or before the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to (i) in the case of payments with respect to Revolving Loans made in GBP or Euros, 12:00 noon, London time, (ii) in the case of European Swingline Loans, 11:00 a.m. Zurich time), and (iii) with respect to all other payments, 3:00 p.m., New York time, on the date when due, in immediately available funds, without condition or deduction for any counterclaim, defense, recoupment or setoff. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All payments by any Loan Party shall be made to the Administrative Agent at Agent's Account, for the account of the respective Lenders to which such payment is owed, except payments to be made directly to an Issuing Bank or a Swingline Lender as expressly provided herein and except that payments pursuant to Section 2.12, Section 2.13, Section 2.15, Section 2.16, Section 2.22 and Section 11.03 shall be made directly to the persons entitled thereto and payments pursuant to other Loan Documents shall be made to the persons specified therein. The Administrative Agent shall distribute any such payments received by it for the account of any other person to the appropriate recipient promptly following receipt thereof in like funds as received by the Administrative Agent. If any payment under any Loan Document shall be due on a day that is not a Business Day, unless specified otherwise, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments under each Loan Document shall be made in Dollars, except as expressly specified otherwise.

(b) Pro Rata Treatment.

(i) Each payment by Borrowers of interest in respect of the Loans of any Class shall be applied to the amounts of such obligations owing to the Lenders *pro rata* according to the respective amounts then due and owing to the Lenders having Commitments of such Class.

(ii) Each payment by Borrowers on account of principal of the Borrowings of any Class shall be made *pro rata* according to the respective outstanding principal amounts of the Loans of such Class then held by the Lenders.

(c) Insufficient Funds. If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, Reimbursement Obligations, interest and fees then due hereunder, such funds shall be applied (i) *first*, toward payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) *second*, toward payment of principal and Reimbursement Obligations then due hereunder, ratably

among the parties entitled thereto in accordance with the amounts of principal and Reimbursement Obligations then due to such parties.

(d) Sharing of Set-Off. Subject to the terms of the Intercreditor Agreement, if any Lender (and/or any Issuing Bank, which shall be deemed a "Lender" for purposes of this Section 2.14(d)) shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or other Obligations resulting in such Lender's receiving payment of a proportion of the aggregate amount of its Loans and accrued interest thereon or other Obligations greater than its pro rata share thereof as provided herein, then the Lender receiving such greater proportion shall (a) notify the Administrative Agent of such fact, and (b) purchase (for cash at face value) participations in the Loans and such other obligations of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them, provided that:

(i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(ii) the provisions of this paragraph shall not be construed to apply to (x) any payment made by any Loan Party pursuant to and in accordance with the express terms of this Agreement or (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements to any assignee or participant, other than to any Loan Party or any Subsidiary thereof (as to which the provisions of this paragraph shall apply).

Each Loan Party consents to the foregoing and agrees, to the extent it may effectively do so under Applicable Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Loan Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Loan Party in the amount of such participation. If under applicable Debtor Relief Laws any Secured Party receives a secured claim in lieu of a setoff or counterclaim to which this Section 2.14(d) applies, such Secured Party shall to the extent practicable, exercise its rights in respect of such secured claim in a manner consistent with the rights to which the Secured Party is entitled under this Section 2.14(d), to share in the benefits of the recovery of such secured claim.

(e) Borrower Default. Unless the Administrative Agent shall have received notice from Administrative Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or any Issuing Bank hereunder that the applicable Borrower will not make such payment, the Administrative Agent may assume that the applicable Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or such Issuing Bank, as the case may be, the amount due. In such event, if the applicable Borrower has not in fact made such payment, then each of the Lenders or each Issuing Bank, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or such Issuing Bank with interest thereon, for each day from and including the

date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Interbank Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. A notice of the Administrative Agent to any Lender or the Administrative Borrower with respect to any amount owing under this Section 2.14(e) shall be conclusive, absent manifest error.

(f) Lender Default. If any Lender shall fail to make any payment required to be made by it hereunder, including pursuant to Section 2.02(c), Section 2.14(d), Section 2.14(e), Section 2.17(c), Section 2.17(g), Section 2.18, Section 10.05, or Section 10.09, then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid. Administrative Agent may (but shall not be required to), in its discretion, retain any payments or other funds received by any Agent that are to be provided to a Defaulting Lender hereunder, and may apply such funds to such Lender's defaulted obligations or readvance the funds to Borrowers in accordance with this Agreement. The failure of any Lender to fund a Loan, to make any payment in respect of any LC Obligation or to otherwise perform its obligations hereunder shall not relieve any other Lender of its obligations, and no Lender shall be responsible for default by another Lender. Lenders and each Agent agree (which agreement is solely among them, and not for the benefit of or enforceable by any Borrower) that, solely for purposes of determining a Defaulting Lender's right to vote on matters relating to the Loan Documents (other than those matters that would (i) increase or extend the Commitment of such Lender, (ii) reduce the amount of or extend the time for final payment of principal owing to such Lender, (iii) modify provisions affecting a Defaulting Lender's voting rights or (iv) treat or affect a Defaulting Lender more adversely than the other Lenders) and to share in payments, fees and Collateral proceeds thereunder, a Defaulting Lender shall not be deemed to be a "Lender" until all its defaulted obligations have been cured.

#### **SECTION 2.15 Taxes.**

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of the Loan Parties hereunder or under any other Loan Document shall be made free and clear of and without reduction or withholding for any Indemnified Taxes or Other Taxes; provided that if any Loan Party shall be required by Applicable Law to deduct any Indemnified Taxes or Other Taxes from such payments, then (i) the applicable Loan Party shall increase the sum payable as necessary so that after all such required deductions and withholdings (including any such deductions and withholdings applicable to additional sums payable under this Section) each Agent, Lender or Issuing Bank, as the case may be, receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the applicable Loan Party shall make such deductions or withholdings and (iii) the applicable Loan Party shall timely pay the full amount deducted or withheld to the relevant Taxing Authority in accordance with Applicable Law.

The U.K. Borrower is not required to make an increased payment to any Agent, Lender or Issuing Bank, under this Section for a deduction on account of an Indemnified Tax imposed by

the United Kingdom with respect to a payment of interest on a Loan, if on the date on which the payment falls due:

(i) the payment could have been made to that Agent, Lender or Issuing Bank without deduction if it was a U.K. Qualifying Lender, but on that date that Agent, Lender or Issuing Bank is not or has ceased to be a U.K. Qualifying Lender other than as a result of any change after the date of this Agreement in (or in the interpretation, administration, or application of) any law or treaty, or any published practice or concession of any relevant Taxing Authority; or

(ii) the relevant lender is a U.K. Qualifying Lender solely under part (B) of the definition of that term and it has not confirmed in writing to the U.K. Borrower that it falls within that part (this subclause shall not apply where the Lender has not so confirmed and a change after the date of this Agreement in (or in the interpretation, administration or application of) any law, or any published practice or concession of any relevant Taxing Authority either: (I) renders such confirmation unnecessary in determining whether the U.K. Borrower is required to make a withholding or deduction for, or on account of Tax, or (II) prevents the Lender from giving such confirmation); or

(iii) a payment is due to a Treaty Lender and the U.K. Borrower is able to demonstrate that the payment could have been made to the Lender without deduction had the Lender complied with its obligations under Section 2.15(g).

(b) Payment of Other Taxes by Borrowers. Without limiting the provisions of paragraph (a) above, each Loan Party shall timely pay any Other Taxes to the relevant Taxing Authority in accordance with Applicable Law.

(c) Indemnification by Borrowers. Each Loan Party shall indemnify each Agent, Lender and Issuing Bank, within ten (10) Business Days after demand therefor, for the full amount of any Indemnified Taxes or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) paid by such Agent, Lender or Issuing Bank, as the case may be, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Taxing Authority. A certificate as to the amount of such payment or liability delivered to Administrative Borrower by a Lender or an Issuing Bank (with a copy to the Administrative Agent), or by an Agent on its own behalf or on behalf of a Lender or an Issuing Bank, shall be conclusive absent manifest error. No Borrower shall be obliged to provide indemnity under this Section where the Indemnified Tax or Other Tax in question is (i) compensated for by an increased payment under Sections 2.15(a) or 2.12(g) or (ii) would have been compensated for by an increased payment under Section 2.15(a) but was not so compensated solely because of one of the exclusions in that Section.

(d) Evidence of Payments. As soon as practicable after any payment of Indemnified Taxes or Other Taxes by any Loan Party to a Taxing Authority, the applicable Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Taxing Authority evidencing such payment, a copy of the return

reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Status of Lenders. Except with respect to U.K. withholding taxes, any Lender lending to a non-U.K. Borrower that is entitled to an exemption from or reduction of withholding tax under the law of the jurisdiction in which the applicable Loan Party is resident for tax purposes, or any treaty to which such jurisdiction is a party, with respect to payments hereunder or under any other Loan Document shall, to the extent it may lawfully do so, deliver to Administrative Borrower (with a copy to the Administrative Agent) if reasonably requested by Administrative Borrower or the Administrative Agent (and from time to time thereafter, as requested by Administrative Borrower or Administrative Agent), such properly completed and executed documentation prescribed by Applicable Law or any subsequent replacement or substitute form that it may lawfully provide as will permit such payments to be made without withholding or at a reduced rate of withholding; provided, however, that no Lender shall be required to provide any such documentation or form if, in the relevant Lender's reasonable judgment, doing so would subject such Lender to any material unreimbursed costs or otherwise be disadvantageous to it in any material respect. In addition, any Lender, if requested by Administrative Borrower or the Administrative Agent, shall, to the extent it may lawfully do so, deliver such other documentation reasonably requested by Administrative Borrower or the Administrative Agent as will enable the applicable Loan Parties or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements; provided, however, that no Lender shall be required to provide any such documentation if, in the relevant Lender's reasonable judgment, doing so would subject such Lender to any material unreimbursed costs or otherwise be disadvantageous to it in any material respect; and provided, further, that the Administrative Borrower may treat any Agent, Lender or Issuing Bank as an "exempt recipient" based on the indicators described in Treasury Regulations Section 1.6049-4(c) and if it may be so treated, such Agent, Lender or Issuing Bank shall not be required to provide such documentation, except to the extent such documentation is required pursuant to the Treasury Regulations promulgated under the Code Section 1441.

Each Lender which so delivers any document requested by Administrative Borrower or Administrative Agent in Section 2.15(e) herein further undertakes to deliver to Administrative Borrower (with a copy to Administrative Agent), upon request of Administrative Borrower or Administrative Agent, copies of such requested form (or a successor form) on or before the date that such form expires or becomes obsolete or after the occurrence of any event requiring a change in the most recent form so delivered by it, and such amendments thereto or extensions or renewals thereof as may be reasonably requested by Administrative Borrower or Administrative Agent, in each case, unless an event (including any change in treaty, law or regulation) has occurred prior to the date on which any such delivery would otherwise be required that renders all such forms inapplicable or that would prevent such Lender from duly completing and delivering any such form with respect to it. For avoidance of doubt, Borrowers shall not be required to pay additional amounts to any Lender or Administrative Agent pursuant to this Section 2.15 to the extent the obligation to pay such additional amount would not have arisen but for the failure of such Lender or Administrative Agent to comply with this paragraph.

Each Lender and Issuing Bank shall promptly notify the Administrative Borrower and the Administrative Agent of any change in circumstances that would change any claimed Tax exemption or reduction. Each Lender and Issuing Bank shall indemnify, hold harmless and reimburse (within 10 days after demand therefor) Borrowers and the Administrative Agent for any Taxes, losses, claims, liabilities, penalties, interest and expenses (including reasonable attorneys' fees) incurred by or asserted against a Borrower or Administrative Agent by any Governmental Authority due to such Lender's or Issuing Bank's failure to deliver, or inaccuracy or deficiency in, any documentation required to be delivered by it pursuant to this Section. Each Lender and Issuing Bank authorizes the Administrative Agent to set off any amounts due to the Administrative Agent or the Borrower under this Section against any amounts payable to such Lender or Issuing Bank under any Loan Document.

(f) Treatment of Certain Refunds. If an Agent, a Lender or an Issuing Bank determines, in its sole discretion, that it has received a refund of, credit against, relief or remission for any Indemnified Taxes or Other Taxes as to which it has been indemnified by the Loan Parties or with respect to which any Loan Party has paid additional amounts pursuant to this Section, Section 2.12(g), or Section 2.06(j), it shall pay to such Loan Party an amount equal to such refund, credit, relief or remission (but only to the extent of indemnity payments made, or additional amounts paid, by such Loan Party under this Section with respect to the Indemnified Taxes or Other Taxes giving rise to such refund or any additional amounts under Section 2.12(g), or Section 2.06(j)), net of all reasonable and customary out-of-pocket expenses of such Agent, Lender or Issuing Bank, as the case may be, and without interest (other than any interest paid by the relevant Taxing Authority with respect to such refund or any additional amounts under Section 2.12(g), or Section 2.06(j)); provided that each Loan Party, upon the request of such Agent, such Lender or such Issuing Bank, agrees to repay the amount paid over to such Loan Party (plus any penalties, interest or other charges imposed by the relevant Taxing Authority) to such Agent, Lender or Issuing Bank in the event such Agent, Lender or Issuing Bank is required to repay such refund to such Taxing Authority. Nothing in this Agreement shall be construed to require any Agent, any Lender or any Issuing Bank to make available its tax returns (or any other information relating to its taxes that it deems confidential) to any Loan Party or any other person. Notwithstanding anything to the contrary, in no event will any Agent, Lender or Issuing Bank be required to pay any amount to any Loan Party the payment of which would place such Agent, Lender or Issuing Bank in a less favorable net after-tax position than such Agent, Lender or Issuing Bank would have been in if the additional amounts giving rise to such refund of any Indemnified Taxes or Other Taxes had never been paid.

(g) Cooperation. Notwithstanding anything to the contrary in Section 2.15(e), with respect to non-U.S. withholding taxes, the relevant Agent, the relevant Lender(s) (at the written request of the relevant Loan Party) and the relevant Loan Party, shall cooperate in completing any procedural formalities necessary (including delivering any documentation prescribed by Applicable Law and making any necessary reasonable approaches to the relevant Taxing Authorities) for the relevant Loan Party to obtain authorization to make a payment to which such Agent or such Lender(s) is entitled without any, or a reduced rate of, deduction or withholding for, or on account of, Taxes; provided, however, that no Agent nor any Lender shall be required to provide any documentation that it is not legally entitled to provide, or take any action that, in the relevant Agent's or the relevant Lender's reasonable

judgment, would subject such Agent or such Lender to any material unreimbursed costs or otherwise be disadvantageous to it in any material respect; and provided, however, that nothing in this Section 2.15(g) shall require a Treaty Lender to: (A) register under the HMRC DT Treaty Passport Scheme; (B) apply the HMRC DT Treaty Passport Scheme to any Borrowing if it has so registered; or (C) file Treaty forms if it is registered under the HMRC DT Treaty Passport Scheme and has indicated to the U.K. Borrower that it wishes the HMRC DT Treaty Passport Scheme to apply to this Agreement.

(h) Treaty Relief Time Limit Obligations. Subject to Section 2.15(g), a Treaty Lender in respect of an advance to the U.K. Borrower shall within 30 days of becoming a Lender in respect of that advance, (unless it is unable to do so as a result of any change after the date of this Agreement in (or in the interpretation, administration, or application of) any law or treaty, or any published practice or concession of any relevant Taxing Authority), and except where it is registered under the HMRC DT Treaty Passport Scheme and has indicated to the U.K. Borrower that it wishes the HMRC DT Treaty Passport Scheme to apply to this Agreement), file with the appropriate Taxing Authority for certification a duly completed U.K. double taxation relief application form for the U.K. Borrower to obtain authorization to pay interest to that Lender in respect of such advance without a deduction for Taxes in respect of Tax imposed by the United Kingdom on interest and provide the U.K. Borrower with reasonably satisfactory evidence that such form has been filed. If a Treaty Lender fails to comply with its obligations under this Section 2.15(h), the U.K. Borrower shall not be required to make an increased payment to that Lender under Section 2.15(a) until such time as such Lender has filed such relevant documentation. This Section 2.15(h) shall not apply to a Treaty Lender if a filing under the SL Scheme has been made in respect of that Treaty Lender in accordance with Section 2.15(j) and HM Revenue & Customs have confirmed that the SL Scheme is applicable in respect of that Treaty Lender. The Administrative Agent and/or the relevant Treaty Lender, as applicable, shall use reasonable efforts to promptly provide to HM Revenue & Customs any additional information or documentation requested by HM Revenue & Customs from the Administrative Agent or the relevant Treaty Lender (as the case may be) in connection with a treaty relief claim under this paragraph; provided, however that neither the Administrative Agent nor any Treaty Lender shall be required to provide any information or documentation that it is not legally entitled to provide, or take any action that, in the Administrative Agent's or the relevant Lender's reasonable judgment would subject the Administrative Agent or such Lender to any material unreimbursed costs or otherwise be disadvantageous to it in any material respect;

(i) Requirement to Seek Refund in Respect of an Increased Payment. If the U.K. Borrower makes a tax deduction (a "**Tax Deduction**") in respect of tax imposed by the United Kingdom on interest from a payment of interest to a Treaty Lender, and Section 2.15(a) applies to increase the amount of the payment due to that Treaty Lender from the U.K. Borrower, the U.K. Borrower shall promptly provide the Treaty Lender with an executed original certificate, in the form required by HM Revenue & Customs, evidencing the Tax Deduction. The Treaty Lender shall, within a reasonable period following receipt of such certificate, apply to HM Revenue & Customs for a refund of the amount of the tax deduction and, upon receipt by the Treaty Lender of such amount from HM Revenue & Customs, Section 2.15(f) shall apply in relation thereto and for the avoidance of doubt, a refund obtained pursuant to this Section 2.15(i) shall be considered as received by the Treaty Lender

for the purposes of Section 2.15(f) and no Agent, Lender or Issuing Bank shall have discretion to determine otherwise; provided, however, that this Section 2.15(i) shall not require a Treaty Lender to apply for a refund of the amount of the Tax Deduction if the procedural formalities required in relation to making such an application are materially more onerous or require the disclosure of materially more information than the procedural formalities required by HM Revenue & Customs as at the date of this Agreement in relation to such an application.

(j) U.K. Syndicated Loan Scheme.

For the avoidance of doubt, this Section 2.15(j) shall apply only if and to the extent that the SL Scheme is available to Treaty Lenders.

Each Treaty Lender:

(i) irrevocably appoints the U.K. Borrower to act as syndicate manager under, and authorizes the U.K. Borrower to operate, and take any action necessary or desirable under, the SL Scheme in connection with the Loan Documents and Loans;

(ii) shall cooperate with the U.K. Borrower in completing any procedural formalities necessary under the SL Scheme, and shall promptly supply to the U.K. Borrower such information as the U.K. Borrower may reasonably request in connection with the operation of the SL Scheme;

(iii) without limiting the liability of any Loan Party under this Agreement, shall, within five (5) Business Days of demand, indemnify the U.K. Borrower for any liability or loss incurred by the U.K. Borrower as a result of the U.K. Borrower acting as syndicate manager under the SL Scheme in connection with the Treaty Lender's participation in any Loan (except to the extent that the liability or loss arises directly from the U.K. Borrower's gross negligence or willful misconduct); and

(iv) shall, within five (5) Business Days of demand, indemnify the U.K. Borrower for any tax which the U.K. Borrower becomes liable to pay in respect of any payments made to such Treaty Lender arising as a result of any incorrect information supplied by such Treaty Lender under paragraph (ii) above which results in a provisional authority issued by the HM Revenue & Customs under the SL Scheme being withdrawn.

The U.K. Borrower acknowledges that it is fully aware of its contingent obligations under the SL Scheme and shall act in accordance with any provisional notice issued by the HM Revenue & Customs under the SL Scheme.

All parties acknowledge that the U.K. Borrower (acting as syndicate manager):

(v) is entitled to rely completely upon information provided to it in connection with this Section 2.15(j);

(vi) is not obliged to undertake any enquiry into the accuracy of such information, nor into the status of the Treaty Lender providing such information; and

(vii) shall have no liability to any person for the accuracy of any information it submits in connection with this Section 2.15(j).

(k) Tax Returns. Except as otherwise provided in Section 2.15(h) or (j), if, as a result of executing a Loan Document, entering into the transactions contemplated thereby or with respect thereto, receiving a payment or enforcing its rights thereunder, an Agent, Lender or Issuing Bank is required to file a Tax Return in a jurisdiction in which it would not otherwise be required to file, the Loan Parties shall promptly provide such information necessary for the completion and filing of such Tax Return as the relevant Agent, Lender or Issuing Bank shall reasonably request with respect to the completion and filing of such Tax Return. For clarification, any expenses incurred in connection with such filing shall be subject to Section 11.03.

(l) Value Added Tax. All amounts set out, or expressed to be payable under a Loan Document by any party to a Lender, Agent or Issuing Bank which (in whole or in part) constitute the consideration for value added tax purposes shall be deemed to be exclusive of any value added tax which is chargeable on such supply, and accordingly, if value added tax is chargeable on any supply made by any Lender, Agent or Issuing Bank to any party under a Loan Document, that party shall pay to the Lender, Agent or Issuing Bank (in addition to and at the same time as paying the consideration) an amount equal to the amount of the value added tax (and such Lender, Agent or Issuing Bank shall promptly provide an appropriate value added invoice to such party).

Where a Loan Document requires any party to reimburse a Lender, Agent or Issuing Bank for any costs or expenses, that party shall also at the same time pay and indemnify the Lender, Agent or Issuing Bank against all value added tax incurred by the Lender, Agent or Issuing Bank in respect of the costs or expenses to the extent that the party reasonably determines that neither it nor any other member of any group of which it is a member for value added tax purposes is entitled to credit or repayment from the relevant tax authority in respect of the value added tax.

If any Lender, Agent or Issuing Bank requires any Loan Party to pay any additional amount pursuant to Section 2.15(l), then such Lender, Agent or Issuing Bank and Loan Party shall use reasonable efforts to cooperate to minimize the amount such Loan Party is required to pay if, in the judgment of such Lender, Agent or Issuing Bank, such cooperation would not subject such Lender, Agent or Issuing Bank to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender, Agent or Issuing Bank.

(m) FATCA. If a payment made by Borrowers hereunder or under any other Loan Document would be subject to U.S. federal withholding tax imposed pursuant to FATCA if any Lender fails to comply with applicable reporting and other requirements of FATCA (including those contained in section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall use commercially reasonable efforts to deliver to Administrative Borrower and the Administrative Agent, at the time or times prescribed by applicable law or as reasonably requested by Administrative Borrower or the Administrative Agent, (A) two accurate, complete and signed certifications prescribed by applicable law and/or reasonably satisfactory to Administrative Borrower and the Administrative Agent that establish that such payment is exempt from United States federal withholding tax imposed pursuant to FATCA and (B) any

other documentation reasonably requested by Administrative Borrower or the Administrative Agent sufficient for Administrative Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such applicable reporting and other requirements of FATCA.

**SECTION 2.16 Mitigation Obligations; Replacement of Lenders.**

(a) Designation of a Different Lending Office. Each Lender may at any time or from time to time designate, by written notice to the Administrative Agent, one or more lending offices (which, for this purpose, may include Affiliates of the respective Lender) for the various Loans made, and Letters of Credit participated in, by such Lender; provided that, to the extent such designation shall result, as of the time of such designation, in increased costs under Section 2.12 or Section 2.15 in excess of those which would be charged in the absence of the designation of a different lending office (including a different Affiliate of the respective Lender), then the Borrowers shall not be obligated to pay such excess increased costs (although the Borrowers, in accordance with and pursuant to the other provisions of this Agreement, shall be obligated to pay the costs which would apply in the absence of such designation and any subsequent increased costs of the type described above resulting from changes after the date of the respective designation); and provided, further, that with respect to any Loan (and so long as no Event of Default shall have occurred and is continuing), if such Lender is a Swiss Qualifying Bank, such branch or Affiliate must also qualify as a Swiss Qualifying Bank. Each lending office and Affiliate of any Lender designated as provided above shall, for all purposes of this Agreement, be treated in the same manner as the respective Lender (and shall be entitled to all indemnities and similar provisions in respect of its acting as such hereunder). The first proviso to the first sentence of this Section 2.16(a) shall not apply to changes in a lending office pursuant to Section 2.16(b) if such change was made upon the written request of the Administrative Borrower.

(b) Mitigation Obligations. If any Lender requests compensation under Section 2.12, or requires any Loan Party to pay any additional amount to any Lender or any Taxing Authority for the account of any Lender pursuant to Section 2.15, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.12 or Section 2.15, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. Each Loan Party hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment. A certificate setting forth such costs and expenses submitted by such Lender to Administrative Borrower shall be conclusive absent manifest error.

(c) Replacement of Lenders. If any Lender requests compensation under Section 2.12, or if any Borrower is required to pay any additional amount to any Lender or any Taxing Authority for the account of any Lender pursuant to Section 2.15, or if any Lender is a Defaulting Lender, then, in addition to any other rights and remedies that any Person may have, Administrative Agent may, by notice to such Lender within 120 days after such event, require such Lender to assign all of its rights and obligations under the Loan Documents to

Eligible Assignee(s) specified by Administrative Agent, pursuant to appropriate Assignment and Assumption(s) and within 20 days after Agent's notice. Administrative Agent is irrevocably appointed as attorney-in-fact to execute any such Assignment and Assumption if the Lender fails to execute same. Such Lender shall be entitled to receive, in cash, concurrently with such assignment, all amounts owed to it under the Loan Documents, including all principal, interest and fees through the date of assignment (but excluding any prepayment charge).

**SECTION 2.17 Swingline Loans.**

(a) U.S. Swingline Loans. The Administrative Agent, the U.S. Swingline Lender and the Revolving Lenders agree that in order to facilitate the administration of this Agreement and the other Loan Documents, promptly after the Administrative Borrower requests a Base Rate Revolving Loan, the U.S. Swingline Lender may elect to have the terms of this Section 2.17(a) apply to up to \$50,000,000 of such Borrowing Request by crediting, on behalf of the Revolving Lenders and in the amount requested, same day funds to the U.S. Borrowers, in the case of U.S. Revolving Loans made to them, or the Parent Borrower, in the case of U.S. Revolving Loans made to it (or, in the case of a U.S. Swingline Loan made to finance the reimbursement of an LC Disbursement in respect of a U.S. Letter of Credit as provided in Section 2.18, by remittance to the applicable Issuing Bank), on the applicable Borrowing date as directed by the Administrative Borrower in the applicable Borrowing Request maintained with the Administrative Agent (each such Loan made solely by the U.S. Swingline Lender pursuant to this Section 2.17(a) is referred to in this Agreement as a "U.S. Swingline Loan"), with settlement among them as to the U.S. Swingline Loans to take place on a periodic basis as set forth in Section 2.17(c). Each U.S. Swingline Loan shall be subject to all the terms and conditions applicable to other Base Rate Revolving Loans funded by the Revolving Lenders, except that all payments thereon shall be payable to the U.S. Swingline Lender solely for its own account. U.S. Swingline Loans shall be made in minimum amounts of \$1,000,000 and integral multiples of \$500,000 above such amount.

(b) U.S. Swingline Loan Participations. Upon the making of a U.S. Swingline Loan (whether before or after the occurrence of a Default and regardless of whether a Settlement has been requested with respect to such U.S. Swingline Loan), each Revolving Lender shall be deemed, without further action by any party hereto, to have unconditionally and irrevocably purchased from the U.S. Swingline Lender, without recourse or warranty, an undivided interest and participation in such U.S. Swingline Loan in proportion to its Pro Rata Percentage of the Revolving Commitment. The U.S. Swingline Lender may, at any time, require the Revolving Lenders to fund their participations. From and after the date, if any, on which any Revolving Lender is required to fund its participation in any U.S. Swingline Loan purchased hereunder, the Administrative Agent shall promptly distribute to such Lender, such Lender's Pro Rata Percentage of all payments of principal and interest and all proceeds of Collateral received by the Administrative Agent that are payable to such Lender in respect of such Loan.

(c) U.S. Swingline Loan Settlement. The Administrative Agent, on behalf of the U.S. Swingline Lender, shall request settlement (a "Settlement") with the Revolving Lenders on at least a weekly basis or on any date that the Administrative Agent elects, by notifying the

Revolving Lenders of such requested Settlement by facsimile, telephone, or e-mail no later than 12:00 noon, New York time on the date of such requested Settlement (the “**Settlement Date**”). Each Revolving Lender (other than the U.S. Swingline Lender, in the case of the U.S. Swingline Loans) shall transfer the amount of such Revolving Lender’s Pro Rata Percentage of the outstanding principal amount of the applicable Loan with respect to which Settlement is requested to the Administrative Agent, to such account of the Administrative Agent as the Administrative Agent may designate, not later than 3:00 p.m., New York time, on such Settlement Date. Settlements may occur during the existence of a Default and whether or not the applicable conditions precedent set forth in Section 4.02 have then been satisfied. Such amounts transferred to the Administrative Agent shall be applied against the amounts of the U.S. Swingline Lender’s U.S. Swingline Loans and, together with U.S. Swingline Lender’s Pro Rata Percentage of such U.S. Swingline Loan, shall constitute U.S. Revolving Loans of such Revolving Lenders. If any such amount is not transferred to the Administrative Agent by any Revolving Lender on such Settlement Date, each of such Lender and the U.S. Borrowers severally agrees to repay to the U.S. Swingline Lender forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to such Borrowers until the date such amount is repaid to the U.S. Swingline Lender at (i) in the case of such U.S. Borrowers, the interest rate applicable at the time to the Loans comprising such Borrowing and (ii) in the case of such Lender, the greater of the Interbank Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. If such Lender shall repay to the U.S. Swingline Bank such corresponding amount, such amount shall constitute such Lender’s Loan as part of such Borrowing for purposes of this Agreement, and the applicable Borrowers’ obligations to repay the Administrative Agent such corresponding amount pursuant to this Section 2.17(c) shall cease.

(d) European Swingline Commitment. Subject to the terms and conditions set forth herein, the European Swingline Lender agrees to make European Swingline Loans to the European Administrative Borrower from time to time during the Revolving Availability Period, in an aggregate principal amount at any time outstanding that will not (subject to the provisions of Section 2.01(e)) result in (i) the aggregate principal amount of outstanding European Swingline Loans exceeding the European Swingline Commitment, (ii) the Total Adjusted Revolving Exposure exceeding the Total Adjusted Borrowing Base, or (iii) the Total Revolving Exposure exceeding the lesser of (A) the Total Revolving Commitment and (B) the Total Borrowing Base then in effect; provided that the European Swingline Lender shall not be required to make a European Swingline Loan (i) to refinance an outstanding European Swingline Loan, or if another European Swingline Loan is then outstanding or (ii) if a European Swingline Loan has been outstanding within three (3) Business Days prior to the date of such requested European Swingline Loan. Within the foregoing limits and subject to the terms and conditions set forth herein, the European Administrative Borrower may borrow, repay and reborrow European Swingline Loans.

(e) European Swingline Loans. To request a European Swingline Loan, the European Administrative Borrower shall deliver, by hand delivery or telecopier, a duly completed and executed Borrowing Request to the Administrative Agent and the European Swingline Lender, not later than 11:00 a.m., Zurich time, on the day of a proposed European Swingline Loan. Each such notice shall be irrevocable and shall specify the requested date

(which shall be a Business Day), currency, Interest Period, and the amount of the requested European Swingline Loan. Each European Swingline Loan shall be a Eurocurrency Loan with an Interest Period between two days and seven days and shall be made in Euros, GBP or Swiss francs. The European Swingline Lender shall make each European Swingline Loan available to the European Administrative Borrower to an account as directed by the European Administrative Borrower in the applicable Borrowing Request maintained with the Administrative Agent (or, in the case of a Swingline Loan made to finance the reimbursement of an LC Disbursement as provided in [Section 2.18](#), by remittance to the applicable Issuing Bank) by 4:00 p.m., Zurich time, on the requested date of such European Swingline Loan. The European Administrative Borrower shall not request a European Swingline Loan if at the time of or immediately after giving effect to the extension of credit contemplated by such request a Default has occurred and is continuing or would result therefrom. European Swingline Loans shall be made in minimum amounts of €1,000,000 (for Loans denominated in Euros), GBP1,000,000 (for Loans denominated in GBP), or CHF1,000,000 (for Loans denominated in Swiss Francs) and integral multiples of €500,000, GBP500,000 or CHF500,000, respectively, above such amount.

(f) Prepayment. The European Administrative Borrower shall have the right at any time and from time to time to repay any European Swingline Loan, in whole or in part, upon giving written notice to the European Swingline Lender and the Administrative Agent before 11:00 a.m., Zurich time, on the proposed date of repayment. All payments in respect of the European Swingline Loans shall be made to the European Swingline Lender at Agent's Account.

(g) Participations. The European Swingline Lender may at any time in its discretion by written notice given to the Administrative Agent (provided such notice requirement shall not apply if the European Swingline Lender and the Administrative Agent are the same entity) not later than 11:00 a.m., Zurich time, on the third succeeding Business Day following such notice require the Revolving Lenders to acquire participations on such Business Day in all or a portion of the European Swingline Loans then outstanding; provided that European Swingline Lender shall not give such notice prior to the occurrence of an Event of Default; provided further, that if (x) such Event of Default is cured or waived in writing in accordance with the terms hereof, (y) no Obligations have yet been declared due and payable under [Article 8](#) (or a rescission has occurred under [Section 8.02](#)) and (z) the European Swingline Lender has actual knowledge of such cure or waiver, all prior to the European Swingline Lender's giving (or being deemed to give) such notice, then the European Swingline Lender shall not give any such notice based upon such cured or waived Event of Default. Such notice shall specify the aggregate amount of European Swingline Loans in which Revolving Lenders will participate. Promptly upon receipt of such notice, the Administrative Agent will give notice thereof to each Revolving Lender, specifying in such notice such Lender's Pro Rata Percentage of such European Swingline Loan or Loans. Each Revolving Lender hereby absolutely and unconditionally agrees, upon receipt of notice as provided above, to pay to the Administrative Agent, for the account of the European Swingline Lender, such Lender's Pro Rata Percentage of such European Swingline Loan or Loans. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations in European Swingline Loans pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the

occurrence and continuance of a Default or reduction or termination of the Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever (so long as such payment shall not cause such Lender's Pro Rata Percentage of the Total Revolving Exposure to exceed such Lender's Revolving Commitment). Each Revolving Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 2.02(c) with respect to Loans made by such Lender (and Section 2.02 shall apply, *mutatis mutandis*, to the payment obligations of the Revolving Lenders), and the Administrative Agent shall promptly pay to the European Swingline Lender the amounts so received by it from the Revolving Lenders. The Administrative Agent shall notify the European Administrative Borrower of any participations in any European Swingline Loan acquired by the Revolving Lenders pursuant to this paragraph, and thereafter payments in respect of such European Swingline Loan shall be made to the Administrative Agent and not to the European Swingline Lender. Any amounts received by the European Swingline Lender from the European Administrative Borrower (or other party on behalf of the European Administrative Borrower) in respect of a European Swingline Loan after receipt by the European Swingline Lender of the proceeds of a sale of participations therein shall be promptly remitted to the Administrative Agent. Any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the Revolving Lenders that shall have made their payments pursuant to this paragraph, as their interests may appear. The purchase of participations in a European Swingline Loan pursuant to this paragraph shall not relieve the European Administrative Borrower of any default in the payment thereof.

(h) Notwithstanding any provisions of this Agreement to the contrary, no Person shall be or become European Swingline Lender hereunder unless such Person is a Swiss Qualifying Bank.

#### **SECTION 2.18 Letters of Credit.**

(a) (i) The Initial Issuing Bank shall (and other Issuing Banks may, in accordance with the terms and conditions set forth in this Section 2.18) issue Letters of Credit from time to time at the request of the Administrative Borrower (or, as provided below with respect to Canadian Dollar Denominated Letters of Credit, Parent Borrower) (each, a "**U.S. Letter of Credit**") denominated in any Approved Currency (Canadian Dollars in the case of a Canadian Dollar Denominated Letters of Credit) for the account of a Loan Party (with respect to Canadian Dollar Denominated Letters of Credit, a Canadian Loan Party) until 30 days prior to the Maturity Date applicable to Revolving Loans (provided that Administrative Borrower (or, with respect to Canadian Dollar Denominated Letters of Credit, Parent Borrower) shall be a co-applicant, and be jointly and severally liable, with respect to each U.S. Letter of Credit issued for the account of another Loan Party; and provided, further that U.S. Letters of Credit denominated in Canadian Dollars may be issued an Issuing Bank (in accordance with the terms and conditions set forth in this Section 2.18) for the account of a Canadian Loan Party (with Parent Borrower as applicant or co-applicant) (each, a "**Canadian Dollar Denominated Letter of Credit**") and (ii) the Initial Issuing Bank shall (and other Issuing Banks may, in accordance with the terms and conditions set forth in this Section 2.18) issue Letters of Credit from time to time at the request of the European Administrative Borrower (each, a "**European Letter of Credit**") denominated in any Approved Currency for the account of a

Loan Party until 30 days prior to the Maturity Date applicable to Revolving Loans (provided that the European Administrative Borrower shall be a co-applicant, and be jointly and severally liable, with respect to each European Letter of Credit issued for the account of another Loan Party), in each case on the terms set forth herein, including the following:

(i) Each Borrower acknowledges that each Issuing Bank's issuance of any Letter of Credit is conditioned upon such Issuing Bank's receipt of an LC Application with respect to the requested Letter of Credit, as well as such other instruments and agreements as such Issuing Bank may customarily require for issuance of a letter of credit of similar type and amount. No Issuing Bank shall have any obligation to issue any Letter of Credit unless (i) such Issuing Bank receives an LC Request and LC Application at least two Business Days prior to the requested date of issuance (or such shorter period as may be acceptable to the such Issuing Bank); (ii) each LC Condition is satisfied; and (iii) if a Defaulting Lender exists, such Lender or Borrowers have entered into arrangements satisfactory to Administrative Agent and each applicable Issuing Bank to eliminate any funding risk associated with the Defaulting Lender. If an Issuing Bank receives written notice from a Lender at least five Business Days before issuance of a Letter of Credit that any LC Condition has not been satisfied, such Issuing Bank shall have no obligation to issue the requested Letter of Credit (or any other) until such notice is withdrawn in writing by that Lender or until Required Lenders have waived such condition in accordance with this Agreement. Prior to receipt of any such notice, no Issuing Bank shall be deemed to have knowledge of any failure of LC Conditions.

(ii) Letters of Credit may be requested by Administrative Borrower, European Administrative Borrower or Parent Borrower only (i) to support obligations of such Borrower or another Loan Party (which shall be a Canadian Loan Party in the case of Canadian Dollar Denominated Letters of Credit). The renewal or extension of any Letter of Credit shall be treated as the issuance of a new Letter of Credit, except that delivery of a new LC Application shall be required at the discretion of the applicable Issuing Bank.

(iii) The Loan Parties assume all risks of the acts, omissions or misuses of any Letter of Credit by the beneficiary. In connection with issuance of any Letter of Credit, none of Administrative Agent, any other Agent, Issuing Bank or any Lender shall be responsible for the existence, character, quality, quantity, condition, packing, value or delivery of any goods purported to be represented by any LC Documents; any differences or variation in the character, quality, quantity, condition, packing, value or delivery of any goods from that expressed in any LC Documents; the form, validity, sufficiency, accuracy, genuineness or legal effect of any LC Documents or of any endorsements thereon; the time, place, manner or order in which shipment of goods is made; partial or incomplete shipment of, or failure to ship, any goods referred to in a Letter of Credit or LC Documents; any deviation from instructions, delay, default or fraud by any shipper or other Person in connection with any goods, shipment or delivery; any breach of contract between a shipper or vendor and a Loan Party; errors, omissions, interruptions or delays in transmission or delivery of any messages, by mail, cable, telegraph, telex, telecopy, e-mail, telephone or otherwise; errors in interpretation of technical terms; the misapplication by a beneficiary of any Letter of Credit or the proceeds thereof; or any consequences arising from causes beyond the control of any Issuing Bank, any Agent or any Lender, including any act or omission of a Governmental Authority. The rights and remedies of each Issuing Bank under the Loan Documents and the LC Documents shall be cumulative. Each Issuing Bank shall be fully

subrogated to the rights and remedies of each beneficiary whose claims against Borrowers are discharged with proceeds of any Letter of Credit.

(iv) In connection with its administration of and enforcement of rights or remedies under any Letters of Credit or LC Documents, each Issuing Bank shall be entitled to act, and shall be fully protected in acting, upon any certification, documentation or communication in whatever form believed by such Issuing Bank, in good faith, to be genuine and correct and to have been signed, sent or made by a proper Person. Each Issuing Bank may consult with and employ legal counsel, accountants and other experts to advise it concerning its obligations, rights and remedies, and shall be entitled to act upon, and shall be fully protected in any action taken in good faith reliance upon, any advice given by such experts. Each Issuing Bank may employ agents and attorneys-in-fact in connection with any matter relating to Letters of Credit or LC Documents, and shall not be liable for the negligence or misconduct of agents and attorneys-in-fact selected with reasonable care.

(v) If Borrower so requests in any applicable Letter of Credit application, the applicable Issuing Bank may, in its discretion, agree to issue a Letter of Credit that has automatic extension provisions (each, an “**Auto-Extension Letter of Credit**”), provided that any such Auto-Extension Letter of Credit must permit such Issuing Bank to prevent any such extension at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the “**Non-Extension Notice Date**”) in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by such Issuing Bank, the applicable Borrower shall not be required to make a specific request to such Issuing Bank for any such extension. Once an Auto-Extension Letter of Credit has been issued, the Lenders shall be deemed to have authorized (but may not require) such Issuing Bank to permit the extension of such Letter of Credit at any time to an expiry date at least 20 Business Days prior to the Maturity Date; provided, however, that such Issuing Bank shall not permit any such extension if (A) such Issuing Bank has determined that it would not be permitted, or would have no obligation at such time to issue such Letter of Credit in its revised form (as extended) under the terms hereof, or (B) it has received notice (which may be by telephone or in writing) on or before the day that is seven Business Days before the Non-Extension Notice Date (1) from Administrative Agent that the Required Lenders have elected not to permit such extension or (2) from Administrative Agent, any Lender or any Loan Party that one or more of the applicable conditions specified in Section 4.02 is not then satisfied, and in each such case directing such Issuing Bank not to permit such extension.

(b) Reimbursement: Participations.

(i) If an Issuing Bank honors any request for payment under a Letter of Credit, the Applicable LC Applicant shall pay to such Issuing Bank, (A) if the Administrative Agent provides notice of such payment to the Administrative Borrower before 11:00 a.m., New York time, on the same day, and (B) if the Administrative Agent provides such notice after such time, on the next Business Day (such applicable date, the “**Reimbursement Date**”), the amount paid by such Issuing Bank under such Letter of Credit, together with interest at the interest rate for Base Rate Revolving Loans from the Reimbursement Date until payment by Borrowers; provided that, in the case of any payment on a Canadian Dollar Denominated Letter of Credit, such payment shall be the Dollar Equivalent of the amount paid by such Issuing Bank under such

Letter of Credit, together with interest in Dollars at the interest rate for Base Rate Revolving Loans from the Reimbursement Date until payment by Borrowers. The obligation of Borrowers to reimburse the applicable Issuing Bank for any payment made under a Letter of Credit shall be absolute, unconditional, irrevocable, and joint and several, and shall be paid without regard to any lack of validity or enforceability of any Letter of Credit or the existence of any claim, setoff, defense or other right that Borrowers may have at any time against the beneficiary. Whether or not the Applicable Administrative Borrower submits a Notice of Borrowing, the Applicable Administrative Borrower shall be deemed to have requested Base Rate Revolving Loans in Dollars in the Dollar Equivalent amount of such LC Disbursement, or with respect to LC Disbursements in euros or GBP, European Swingline Loans in an equivalent amount of such currency, in an amount necessary to pay all amounts due to an Issuing Bank on any Reimbursement Date and each Lender agrees to fund its Pro Rata share of such Borrowing whether or not the Commitments have terminated, an Overadvance exists or is created thereby, or the conditions in Section 4 are satisfied.

(ii) Upon issuance of a Letter of Credit, each Lender shall be deemed to have irrevocably and unconditionally purchased from the applicable Issuing Bank, without recourse or warranty, an undivided Pro Rata interest and participation in all LC Obligations relating to the Letter of Credit; provided that, in the case of LC Obligations in respect of any Canadian Dollar Denominated Letter of Credit, such undivided Pro Rata interest and participation shall be in the Dollar Equivalent thereof. If an Issuing Bank makes any payment under a Letter of Credit and Borrowers do not reimburse such payment on the Reimbursement Date, Administrative Agent shall promptly notify Lenders and each Lender shall promptly (within one Business Day) and unconditionally pay to Administrative Agent, for the benefit of the applicable Issuing Bank, the Lender's Pro Rata share of such payment; provided that, in the case of any payment by Lenders with respect to a Canadian Dollar Denominated Letter of Credit, such payment shall be the Dollar Equivalent of such unreimbursed payment. Upon request by a Lender, each Issuing Bank shall furnish copies of any Letters of Credit and LC Documents in its possession at such time.

(iii) The obligation of each Lender to make payments to Administrative Agent for the account of an Issuing Bank in connection with such Issuing Bank's payment under a Letter of Credit shall be absolute, unconditional and irrevocable, not subject to any counterclaim, setoff, qualification or exception whatsoever, and shall be made in accordance with this Agreement under all circumstances, irrespective of any lack of validity or unenforceability of any Loan Documents; any draft, certificate or other document presented under a Letter of Credit having been determined to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or the existence of any setoff or defense that any Loan Party may have with respect to any Obligations. No Issuing Bank assumes any responsibility for any failure or delay in performance or any breach by any Borrower or other Person of any obligations under any LC Documents. No Issuing Bank makes to Lenders any express or implied warranty, representation or guaranty with respect to the Collateral, LC Documents or any Loan Party. No Issuing Bank shall be responsible to any Lender for any recitals, statements, information, representations or warranties contained in, or for the execution, validity, genuineness, effectiveness or enforceability of any LC Documents; the validity, genuineness, enforceability, collectibility, value or sufficiency of any Collateral or the perfection of any Lien therein; or the assets, liabilities, financial condition, results of operations, business, creditworthiness or legal status of any Loan Party.

(iv) No Issuing Bank Indemnitee shall be liable to any Lender or other Person for any action taken or omitted to be taken in connection with any LC Documents except as a result of its actual gross negligence or willful misconduct. No Issuing Bank shall have any liability to any Lender if such Issuing Bank refrains from any action under any Letter of Credit or LC Documents until it receives written instructions from Required Lenders.

(c) Cash Collateral. If any LC Obligations, whether or not then due or payable, shall for any reason be outstanding at any time (a) that an Event of Default exists, (b) that Excess Availability is less than zero, or (c) within 20 Business Days prior to the Maturity Date, then Borrowers shall, at Issuing Bank's or Administrative Agent's request, cash collateralize all outstanding Letters of Credit in an amount equal to 105% of all LC Exposure. Borrowers shall, on demand by at Issuing Bank's or Administrative Agent from time to time, cash collateralize 105% of the LC Exposure of any Defaulting Lender. If Borrowers fail to provide any cash collateral as required hereunder, Lenders may (and shall upon direction of Administrative Agent) advance, as Loans, the amount of the cash collateral required (whether or not the Commitments have terminated, an Overadvance exists or the conditions in Section 4 are satisfied).

(d) Resignation of Initial Issuing Bank. Initial Issuing Bank may resign at any time upon notice to Administrative Agent and Administrative Borrower. On the effective date of such resignation, Initial Issuing Bank shall have no further obligation to issue, amend, renew, extend or otherwise modify any Letter of Credit, but shall continue to have the benefits of Sections 2.18, 10.05 and 11.03 with respect to any Letters of Credit issued or other actions taken while Issuing Bank. Administrative Agent shall promptly appoint a replacement Initial Issuing Bank and, as long as no Default or Event of Default exists, such replacement shall be reasonably acceptable to Administrative Borrower.

(e) Additional Issuing Banks. The Applicable Administrative Borrower may, at any time and from time to time, designate one or more additional Lenders to act as an Issuing Bank with respect to Letters of Credit under the terms of this Agreement, in each case with the consent of the Administrative Agent (which consent shall not be unreasonably withheld) and such Lender(s). Any Lender designated as an Issuing Bank pursuant to this paragraph (e) shall be deemed (in addition to being a Lender) to be the Issuing Bank with respect to Letters of Credit issued or to be issued by such Lender, and all references herein and in the other Loan Documents to the term "**Issuing Bank**" shall, with respect to such Letters of Credit, be deemed to refer to such Lender in its capacity as Issuing Bank, as the context shall require. Notwithstanding any provisions of this Agreement to the contrary, no Person shall be or become an Issuing Bank hereunder unless such Person is a Swiss Qualifying Bank.

(f) Existing Letters of Credit. On the Closing Date, (i) each Existing Letter of Credit, to the extent outstanding, shall be automatically and without further action by the parties thereto deemed converted into Letters of Credit issued pursuant to this Section 2.18 for the account of the Loan Parties set forth on Schedule 2.18(a) and subject to the provisions hereof, and for this purpose fees in respect thereof pursuant to Section 2.05(c) shall be payable (in substitution for any fees set forth in the applicable letter of credit reimbursement agreements or applications relating to such Existing Letters of Credit, except to the extent that such fees are also payable pursuant to Section 2.05(c)) as if such Existing Letters of Credit

had been issued on the Closing Date, (ii) the Lenders set forth on Schedule 2.18(a), or their designated Affiliates who are eligible to be Issuing Banks, shall be deemed to be the Issuing Bank with respect to each such Existing Letter of Credit, (iii) such Letters of Credit shall each be included in the calculation of LC Exposure and U.S. LC Exposure or European LC Exposure, as applicable, and (iv) all liabilities of the Loan Parties with respect to such Existing Letters of Credit shall constitute Obligations. Notwithstanding the foregoing, the Loan Parties shall not be required to pay any additional issuance fees with respect to the issuance of such Existing Letter of Credit solely as a result of such letter of credit being converted to a Letter of Credit hereunder, it being understood that the fronting, participation and other fees set forth in Section 2.05(c) shall otherwise apply to such Existing Letters of Credit. No Existing Letter of Credit converted in accordance with this clause (f) shall be amended, extended or renewed except in accordance with the terms hereof.

(g) Existing Commerzbank Letters of Credit. On the Closing Date, (i) each Existing Commerzbank Letter of Credit, to the extent outstanding, shall be automatically and without further action by the parties thereto deemed converted into Letters of Credit issued pursuant to this Section 2.18 for the account of the Loan Parties set forth on Schedule 2.18(b) and subject to the provisions hereof, and for this purpose fees in respect thereof pursuant to Section 2.05(c) shall be payable (in substitution for any fees set forth in the applicable letter of credit reimbursement agreements or applications relating to such Existing Commerzbank Letters of Credit, except to the extent that such fees are also payable pursuant to Section 2.05(c)) as if such Existing Commerzbank Letters of Credit had been issued on the Closing Date, (ii) the designated Affiliates of Commerzbank listed on Schedule 2.18(b) shall be deemed to be the Issuing Bank with respect to their respective Existing Commerzbank Letters of Credit, (iii) such Letters of Credit shall each be included in the calculation of LC Exposure, and either U.S. LC Exposure or European LC Exposure, as applicable, and (iv) all liabilities of the Loan Parties with respect to such Existing Commerzbank Letters of Credit shall constitute Obligations. Notwithstanding the foregoing, the Loan Parties shall not be required to pay any additional issuance fees with respect to the issuance of such Existing Commerzbank Letter of Credit solely as a result of such letter of credit being converted to a Letter of Credit hereunder, it being understood that the fronting, participation and other fees set forth in Section 2.05(c) shall otherwise apply to such Existing Commerzbank Letters of Credit. No Existing Commerzbank Letter of Credit converted in accordance with this clause (g) shall be amended, extended or renewed. In the event that Commerzbank or any of its Affiliates becomes a Lender hereunder, the Existing Commerzbank Letters of Credit shall be deemed to be converted on such day to Existing Letters of Credit pursuant to Section 2.18(f). Upon (i) the expiration of all Existing Commerzbank Letter of Credit, (ii) cash collateralization thereof (or delivery of a standby letter of credit reasonably acceptable to Commerzbank, in the amount of required cash collateral) in an amount equal to 105% of all LC Exposure in respect thereof or (iii) the full and indefeasible cash payment of all Obligations in respect thereof (including all reimbursement obligations, interest, fees and other amounts payable, other than indemnity obligations with respect to which no claim has been asserted), Commerzbank shall be discharged from its duties and obligations hereunder in its capacity as Issuing Bank (other than with respect to provisions stated pursuant to Section 11.05 to survive termination of this Agreement), but shall continue to have the benefits of the exculpatory provisions of this Section 2.18 and the indemnification set forth in Sections 10.05

and 11.03 with respect to matters originating during the time period from the Closing Date through such discharge.

(h) Other. Notwithstanding any provisions of this Agreement to the contrary, no Person shall be or become an Issuing Bank hereunder unless such Person is a Swiss Qualifying Bank. No Issuing Bank shall be under any obligation to issue any Letter of Credit if:

(i) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Issuing Bank from issuing such Letter of Credit, or any requirement of Applicable Law applicable to such Issuing Bank or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Issuing Bank shall prohibit, or request that such Issuing Bank refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such Issuing Bank with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Bank is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon such Issuing Bank any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which such Issuing Bank in good faith deems material to it;

(ii) the issuance of such Letter of Credit would violate one or more policies of such Issuing Bank; or

(iii) where the Letter of Credit is a Standby Letter of Credit, if the beneficiary of such Letter of Credit is resident in Ireland or, where the beneficiary is a legal person, its place of establishment to which the Letter of Credit relates is in Ireland, unless such Issuing Bank is duly authorized to carry on the business of issuing contracts of suretyship in Ireland (or is otherwise exempted under the laws of Ireland from the requirement to have any such authorization).

**SECTION 2.19 ~~Interest Act (Canada); Criminal Rate of Interest; Nominal Rate of Interest.~~**

(a) Notwithstanding anything to the contrary contained in this Agreement or in any other Loan Document, solely to the extent that a court of competent jurisdiction finally determines that the calculation or determination of interest or any fee payable by any Canadian Loan Party in respect of the Obligations pursuant to this Agreement and the other Loan Documents shall be governed by the laws of any province of Canada or the federal laws of Canada, in no event shall the aggregate interest (as defined in Section 347 of the Criminal Code, R.S.C. 1985, c. C-46, as the same shall be amended, replaced or re-enacted from time to time, "Section 347") payable by the Canadian Loan Parties to the Agents or any Lender under this Agreement or any other Loan Document exceed the effective annual rate of interest on the Credit advances (as defined in Section 347) under this Agreement or such other Loan Document lawfully permitted under Section 347 and, if any payment, collection or demand pursuant to this Agreement or any other Loan Document in respect of Interest (as defined in Section 347) is determined to be contrary to the provisions of Section 347, such payment, collection or demand shall be deemed to have been made by mutual mistake of the Agents,

the Lenders and the Canadian Loan Parties and the amount of such payment or collection shall be refunded by the relevant Agents and Lenders to the applicable Canadian Loan Parties. For the purposes of this Agreement and each other Loan Document to which the Canadian Loan Parties are a party, the effective annual rate of interest payable by the Canadian Loan Parties shall be determined in accordance with generally accepted actuarial practices and principles over the term of the loans on the basis of annual compounding for the lawfully permitted rate of interest and, in the event of dispute, a certificate of a Fellow of the Canadian Institute of Actuaries appointed by the Administrative Agent for the account of the Canadian Loan Parties will be conclusive for the purpose of such determination in the absence of evidence to the contrary.

(b) For the purposes of the Interest Act (Canada) and with respect to Canadian Loan Parties only:

(i) whenever any interest or fee payable by the Canadian Loan Parties is calculated using a rate based on a year of 360 days or 365 days, as the case may be, the rate determined pursuant to such calculation, when expressed as an annual rate, is equivalent to (x) the applicable rate based on a year of 360 days or 365 days, as the case may be, (y) multiplied by the actual number of days in the calendar year in which such rate is to be ascertained and (z) divided by 360 or 365, as the case may be; and

(ii) all calculations of interest payable by the Canadian Loan Parties under this Agreement or any other Loan Document are to be made on the basis of the nominal interest rate described herein and therein and not on the basis of effective yearly rates or on any other basis which gives effect to the principle of deemed reinvestment of interest.

The parties hereto acknowledge that there is a material difference between the stated nominal interest rates and the effective yearly rates of interest and that they are capable of making the calculations required to determine such effective yearly rates of interest.

**SECTION 2.20 [intentionally omitted].**

**SECTION 2.21 Representation to Swiss Borrower.**

(a) Each Lender on the Closing Date represents that it is a Swiss Qualifying Bank or a Swiss Non-Qualifying Bank as further indicated on Schedule 2.21. Each Lender represents to Swiss Borrower on the date on which it becomes a party to this Agreement in its capacity as such whether it is a Swiss Qualifying Bank or a Swiss Non-Qualifying Bank, as indicated on the applicable Assignment and Assumption.

(b) Each Lender shall, if requested to do so by Swiss Borrower, within ten (10) Business Days of receiving such request confirm, as at the date on which it gives such confirmation whether it is a Swiss Qualifying Bank or a Swiss Non-Qualifying Bank (or, if it requires a confirmation by the Swiss Federal Tax Administration in order to be able to give such confirmation, a request for such a confirmation shall be filed by the relevant Lender with the Swiss Federal Tax Administration within ten (10) Business Days of it receiving such request and, upon receipt of the required confirmation from the Swiss Federal Tax

Administration, the necessary confirmation by the relevant Lender shall be made within ten (10) Business Days of such confirmation being received by it).

(c) Any Lender that ceases to be a Swiss Qualifying Bank shall provide written notice to Administrative Borrower and Administrative Agent at least twenty (20) Business Days' prior to the time that it ceases to be a Swiss Qualifying Bank. If as a result of such event the number of Swiss Non-Qualifying Banks under this Agreement exceeds the number ten, then, so long as no Significant Event of Default is in existence, Administrative Borrower shall have the right to request that the relevant Lender assign or transfer by novation all of its rights and obligations under this Agreement to an Eligible Assignee qualifying as a Swiss Qualifying Bank or another Lender qualifying as a Swiss Qualifying Bank, all in accordance with Section 11.04. The Administrative Agent shall have no responsibility for determining whether or not an entity is a Swiss Qualified Bank, but shall track the number of Lenders from time to time that were unable to represent that they were Swiss Qualifying Banks in order to determine whether the number of Swiss Non-Qualifying Banks under this Agreement exceeds the number ten; provided that the Administrative Agent shall have no liability for any determinations made hereunder unless such liability arises from its gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a non-appealable decision).

(d) This Section 2.21, Section 2.06(j), Section 5.15 and Section 11.04(f) shall apply accordingly to any Borrower (other than Swiss Borrower), which is incorporated or established under the laws of, or for tax purposes resident in, Switzerland, or for tax purposes having a permanent establishment in Switzerland with which a Loan is effectively connected.

**SECTION 2.22 Blocked Loan Parties.** If a Loan Party would have been required to make any payment or perform any action under any provision of the Loan Documents but the relevant provision(s) (or any portion thereof) is (are) not enforceable against that Loan Party or for any other reason that Loan Party is unable to fulfill its obligations under the Loan Documents (a "**Blocked Loan Party**"), the Administrative Borrower may designate which Loan Party shall fulfill the Blocked Loan Party's obligations, but only so long as the designated Loan Party is duly and promptly fulfilling such obligations, failing which all Loan Parties shall be jointly and severally liable for the performance thereof.

**SECTION 2.23 Increase in Commitments.**

(a) Borrowers Request. The Borrowers may by written notice to the Administrative Agent and each Lender elect to request prior to the Maturity Date, one or more increases to the existing Revolving Commitments by an amount not in excess of \$200,000,000 in the aggregate, each in a minimum amount of \$25,000,000 (and increments of \$1,000,000 above that minimum) (each such increase, an "**Incremental Revolving Commitment**"). Such notice shall specify the date on which the Borrowers propose that the Incremental Revolving Commitments shall be effective (each, an "Increase Effective Date"), and the time period within which each Lender is requested to respond, which in each case shall be a date not less than ten (10) Business Days after the date on which such notice is delivered to the Administrative Agent and the Lenders of the applicable Class. Each Lender of such Class (other than Lenders subject to replacement pursuant to Section 2.16 or a Defaulting Lender) in its sole and absolute discretion may notify the Administrative Agent

within such time period whether or not it agrees to increase its Commitment and, if so, whether by an amount equal to, greater than, or less than its Pro Rata Percentage of such requested increase. Any Lender not responding within such time period shall be deemed to have declined to increase its Commitment. The Administrative Agent shall notify the Administrative Borrower and each Lender of such Class of the Lenders' responses to each request made hereunder. If the existing Lenders do not agree to the full amount of a requested Incremental Revolving Commitment, the Administrative Borrower may then invite a Lender or any Lenders to increase their Commitments or invite additional financial institutions (each, an "Additional Lender") (reasonably satisfactory to Administrative Agent and solely to the extent permitted by Section 11.04 (including Section 11.04(h)) and each other applicable requirement hereof, including Sections 2.21 and 5.15) to become Lenders and provide Incremental Revolving Commitments pursuant to an Increase Joinder.

(b) Conditions. The increased or new Commitments shall become effective, as of such Increase Effective Date; provided that:

(i) each of the conditions set forth in Section 4.02 shall be satisfied;

(ii) no Default shall have occurred and be continuing or would result from the borrowings to be made on the Increase Effective Date;

(iii) after giving pro forma effect to the borrowings to be made on the Increase Effective Date and to any change in Consolidated EBITDA and any increase in Indebtedness resulting from the consummation of any Permitted Acquisition or other Investment or application of funds made with the proceeds of such borrowings, the Borrowers shall, as of such date, be in compliance with the covenant set forth in Section 6.10, to the extent applicable;

(iv) the Borrowers shall make any payments required pursuant to Section 2.12 in connection with any adjustment of Revolving Loans pursuant to Section 2.23(d); and

(v) the Borrowers shall deliver or cause to be delivered any legal opinions or other documents reasonably requested by the Administrative Agent in connection with any such transaction.

(c) Terms of New Loans and Commitments. The terms and provisions of Loans made pursuant to Incremental Revolving Commitments shall be identical to the Revolving Loans of the same Class (subject to the payment of any customary arrangement, underwriting or similar fees that are paid to the arranger of such Incremental Revolving Commitments in its capacity as such). The increased or new Commitments shall be effected by a joinder agreement (the "Increase Joinder") executed by the Loan Parties, the Administrative Agent and each Lender and Additional Lender making such Incremental Revolving Commitment, in form and substance satisfactory to each of them. The Increase Joinder may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, to effect the provisions of this Section 2.23. In addition, unless otherwise specifically provided herein, all references in Loan Documents to Revolving Loans shall be deemed, unless the context otherwise requires, to include references to Revolving Loans made pursuant to

Incremental Revolving Commitments made pursuant to this Agreement, and all references in Loan Documents to Commitments of a Class shall be deemed, unless the context otherwise requires, to include references to Incremental Revolving Commitments of such Class made pursuant to this Agreement.

(d) Adjustment of Revolving Loans. Each of the Revolving Lenders having a Revolving Commitment of an applicable Class prior to such Increase Effective Date (the “**Pre-Increase Revolving Lenders**”) shall assign to any Revolving Lender which is acquiring a new or additional Revolving Commitment of such Class on the Increase Effective Date (the “**Post-Increase Revolving Lenders**”), and such Post-Increase Revolving Lenders shall purchase from each Pre-Increase Revolving Lender, at the principal amount thereof, such interests in the Revolving Loans of such Class and participation interests in LC Exposure and Swingline Loans of such Class outstanding on such Increase Effective Date as shall be necessary in order that, after giving effect to all such assignments and purchases, such Revolving Loans and participation interests in LC Exposure and Swingline Loans will be held by Pre-Increase Revolving Lenders and Post-Increase Revolving Lenders of such Class ratably in accordance with their Revolving Commitments of such Class after giving effect to such increased Revolving Commitments.

(e) Equal and Ratable Benefit. The Loans and Commitments established pursuant to this Section 2.23 shall constitute Loans and Commitments under, and shall be entitled to all the benefits afforded by, this Agreement and the other Loan Documents, and shall, without limiting the foregoing, benefit equally and ratably from the Guarantees and security interests created by the Security Documents. The Loan Parties shall take any actions reasonably required by the Administrative Agent to ensure and/or demonstrate that the Lien and security interests granted by the Security Documents continue to be perfected under the UCC, the PPSA or otherwise after giving effect to the establishment of any such new Commitments.

### ARTICLE III

Each Loan Party represents and warrants to the Administrative Agent, the Collateral Agent, each Issuing Bank and each of the Lenders that:

**SECTION 3.01 Organization; Powers**. Each Company (a) is duly organized or incorporated (as applicable) and validly existing under the laws of the jurisdiction of its organization or incorporation (as applicable), (b) has all requisite organizational or constitutional power and authority to carry on its business as now conducted and to own and lease its property and (c) is qualified and in good standing (to the extent such concept is applicable in the applicable jurisdiction) to do business in every jurisdiction where such qualification is required, except in such jurisdictions where the failure to so qualify or be in good standing, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

**SECTION 3.02 Authorization; Enforceability**. The Transactions to be entered into by each Loan Party are within such Loan Party’s organizational or constitutional powers and have

been duly authorized by all necessary constitutional or organizational action on the part of such Loan Party. This Agreement has been duly executed and delivered by each Loan Party and constitutes, and each other Loan Document to which any Loan Party is to be a party, when executed and delivered by such Loan Party, will constitute, a legal, valid and binding obligation of such Loan Party, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

**SECTION 3.03 No Conflicts.** The Transactions (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except (i) such as have been obtained or made and are in full force and effect, (ii) filings necessary to perfect Liens created by the Loan Documents (as reflected in the applicable Perfection Certificate) and (iii) consents, approvals, registrations, filings, permits or actions the failure to obtain or perform which could not reasonably be expected to result in a Material Adverse Effect, (b) will not violate the Organizational Documents of any Company, (c) will not violate any material requirement of Applicable Law, (d) will not violate or result in a default or require any consent or approval under any indenture, agreement or other instrument binding upon any Company or its property, or give rise to a right thereunder to require any payment to be made by any Company, except for violations, defaults or the creation of such rights that could not reasonably be expected to result in a Material Adverse Effect and except for consents received pursuant to the Debt Tender Offer, and (e) will not result in the creation or imposition of any Lien on any property of any Company, except Liens created by the Loan Documents and Permitted Liens. The execution, delivery and performance of the Loan Documents will not violate, or result in a default under, or require any consent or approval under, the Senior Notes, the Senior Note Documents, or the Term Loan Documents. The Total Revolving Commitment and Obligations constitute Indenture Permitted Debt.

**SECTION 3.04 Financial Statements; Projections.**

(a) **Historical Financial Statements.** The Administrative Borrower has heretofore delivered to the Lenders the consolidated balance sheets and related statements of income, stockholders' equity and cash flows of Parent Borrower (i) as of and for the fiscal years ended March 31, 2009, and March 31, 2010, audited by and accompanied by the unqualified opinion of PricewaterhouseCoopers, independent public accountants, and (ii) as of and for the six-month period ended September 30, 2010, and for the comparable period of the preceding fiscal year, in each case, certified by the chief financial officer of Parent Borrower. Such financial statements and all financial statements delivered pursuant to Section 5.01(a) and Section 5.01(b) have been prepared in accordance with U.S. GAAP and present fairly in all material respects the financial condition and results of operations and cash flows of Parent Borrower as of the dates and for the periods to which they relate.

(b) **No Liabilities.** Except as set forth in the most recent financial statements referred to in Section 3.04(a), as of the Closing Date there are no liabilities of any Company of any kind, whether accrued, contingent, absolute, determined, determinable or otherwise, which could reasonably be expected to result in a Material Adverse Effect, other than liabilities under the Loan Documents, the Term Loan Documents and the Senior Notes. Since

March 31, 2010, there has been no event, change, circumstance or occurrence that, individually or in the aggregate, has had or could reasonably be expected to result in a Material Adverse Effect.

(c) Pro Forma Financial Statements. Borrowers have heretofore delivered to the Lenders in the Confidential Information Memorandum, the Parent Borrower's unaudited *pro forma* consolidated capitalization table as of September 30, 2010, after giving effect to the Transactions as if they had occurred on such date. Such capitalization table has been prepared in good faith by the Loan Parties, based on the assumptions stated therein (which assumptions are believed by the Loan Parties on the date hereof to be reasonable), are based on the best information available to the Loan Parties as of the date of delivery thereof, accurately reflect all adjustments required to be made to give effect to the Transactions and present fairly in all material respects the pro forma capitalization of Holdings as of such date assuming the Transactions had occurred at such date.

(d) Forecasts. The forecasts of financial performance of the Parent Borrower and its subsidiaries furnished to the Lenders have been prepared in good faith by the Loan Parties and based on assumptions believed by the Loan Parties to be reasonable, it being understood that any such forecasts may vary from actual results and such variations may be material.

#### **SECTION 3.05 Properties.**

(a) Generally. Each Company has good title to, valid leasehold interests in, or license of, all its property material to its business, free and clear of all Liens except for Permitted Liens. The property that is material to the business of the Companies, taken as a whole, (i) is in good operating order, condition and repair in all material respects (ordinary wear and tear excepted) and (ii) constitutes all the property which is required for the business and operations of the Companies as presently conducted.

(b) Real Property. Schedules 8(a) and 8(b) to the Perfection Certificate dated the Closing Date contain a true and complete list of each interest in Real Property (i) owned by any Loan Party as of the date hereof having fair market value of \$1,000,000 or more and describes the type of interest therein held by such Loan Party and whether such owned Real Property is leased to a third party and (ii) leased, subleased or otherwise occupied or utilized by any Loan Party, as lessee, sublessee, franchisee or licensee, as of the date hereof having annual rental payments of \$1,000,000 or more and describes the type of interest therein held by such Loan Party.

(c) No Casualty Event. No Company has as of the date hereof received any notice of, nor has any knowledge of, the occurrence or pendency or contemplation of any Casualty Event affecting all or any material portion of its property. No Mortgage encumbers improved Real Property located in the United States that is located in an area that has been identified by the Secretary of Housing and Urban Development as an area having special flood hazards within the meaning of the National Flood Insurance Act of 1968 unless flood insurance available under such Act has been obtained in accordance with Section 5.04.

(d) Collateral. Each Company owns or has rights to use all of the Collateral used in, necessary for or material to each Company's business as currently conducted, except where the failure to have such ownership or rights of use could not reasonably be expected to have a Material Adverse Effect. The use by each Company of such Collateral does not infringe on the rights of any person other than such infringement which could not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect. No claim has been made and remains outstanding that any Company's use of any Collateral does or may violate the rights of any third party that could, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect.

**SECTION 3.06 Intellectual Property.**

(a) Ownership/No Claims. Each Loan Party owns, or is licensed to use, all patents, trademarks, copyrights and other intellectual property (including intellectual property in software, mask works, inventions, designs, trade names, service marks, technology, trade secrets, proprietary information and data, domain names, know-how and processes) necessary for the conduct of such Loan Party's business as currently conducted ("**Intellectual Property**"), except for those the failure to own or license which, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect. As of the date hereof, no material claim has been asserted and is pending by any person, challenging or questioning the validity of any Loan Party's Intellectual Property or the validity or enforceability of any such Intellectual Property, nor does any Loan Party know of any valid basis for any such claim. The use of any Intellectual Property by each Loan Party, and the conduct of each Loan Party's business as currently conducted, does not infringe or otherwise violate the rights of any third party in respect of Intellectual Property, except for such claims and infringements that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

(b) Registrations. Except pursuant to non-exclusive licenses and other non-exclusive use agreements entered into by each Loan Party in the ordinary course of business, and except as set forth on Schedule 12(c) to the Perfection Certificate, on and as of the date hereof each Loan Party owns and possesses the right to use and has not authorized or enabled any other person to use, any Intellectual Property listed on any schedule to the relevant Perfection Certificate or any other Intellectual Property that is material to its business, except for such authorizations and enablements as could not reasonably be expected to result in a Material Adverse Effect. All registrations listed on Schedule 12(a) and 12(b) to the Perfection Certificate are valid and in full force and effect, in each case, except where the absence of such validity or full force and effect, individually or collectively, could not reasonably be expected to have a Material Adverse Effect.

(c) No Violations or Proceedings. To each Loan Party's knowledge, on and as of the date hereof, (i) there is no material infringement or other violation by others of any right of such Loan Party with respect to any Intellectual Property listed on any schedule to the relevant Perfection Certificate, or any other Intellectual Property that is material to its business, except as may be set forth on Schedule 3.06(c), and (ii) no claims are pending or threatened to such effect except as set forth on Schedule 3.06(c).

**SECTION 3.07 Equity Interests and Subsidiaries.**

(a) Equity Interests, Schedules 1(a), and 10 to the Perfection Certificate dated the Closing Date set forth a list of (i) all the Subsidiaries of Holdings and their jurisdictions of organization as of the Closing Date and (ii) the number of each class of its Equity Interests authorized, and the number outstanding, on the Closing Date and the number of shares covered by all outstanding options, warrants, rights of conversion or purchase and similar rights at the Closing Date. As of the Closing Date, all Equity Interests of each Company held by Holdings or a Subsidiary thereof are duly and validly issued and are fully paid and non-assessable, and, other than the Equity Interests of Holdings, are owned by Holdings, directly or indirectly through Wholly Owned Subsidiaries except as indicated on Schedules 1(a) and 10 to the Perfection Certificate. At all times prior to a Qualified Parent Borrower IPO, the Equity Interests of the Parent Borrower will be owned directly by Holdings. As of the Closing Date, each Loan Party is the record and beneficial owner of, and has good and marketable title to, the Equity Interests pledged by it under the Security Documents, free of any and all Liens, rights or claims of other persons, except Permitted Liens, and as of the Closing Date there are no outstanding warrants, options or other rights to purchase, or shareholder, voting trust or similar agreements outstanding with respect to, or property that is convertible into, or that requires the issuance or sale of, any such Equity Interests other than with respect to the Forward Share Sale Agreement.

(b) No Consent of Third Parties Required. Except as have previously been obtained, no consent of any person including any other general or limited partner, any other member of a limited liability company, any other shareholder or any other trust beneficiary is necessary in connection with the creation, perfection or First Priority (subject to the Intercreditor Agreement) status of the security interest of the Collateral Agent in any Equity Interests pledged to the Collateral Agent for the benefit of the Secured Parties under the Security Documents or the exercise by the Collateral Agent of the voting or other rights provided for in the Security Documents or the exercise of remedies in respect thereof, other than any restrictions on transfer of the Equity Interests in NKL or its direct parents, 4260848 Canada Inc. and 4260856 Canada Inc., imposed by any lock-up or listing agreement, rule or regulation in connection with any listing or offering of Equity Interests in NKL to the extent required by Applicable Law or listing or stock exchange requirements.

(c) Organizational Chart. An accurate organizational chart, showing the ownership structure of Holdings, Borrowers and each Subsidiary on the Closing Date is set forth on Schedule 10 to the Perfection Certificate dated the Closing Date.

**SECTION 3.08 Litigation; Compliance with Laws.** There are no actions, suits or proceedings at law or in equity by or before any Governmental Authority now pending or, to the knowledge of any Company, threatened against or affecting any Company or any business, property or rights of any Company (i) that involve any Loan Document or (ii) as to which there is a reasonable possibility of an adverse determination and that, if adversely determined, could reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect. No Company or any of its property is in violation of, nor will the continued operation of its property as currently conducted violate, any Applicable Law (including any zoning or building ordinance, code or approval or any building permits) or any restrictions of record or agreements

affecting any Company's Real Property or is in default with respect to any requirement of Applicable Law, where such violation or default, individually or in the aggregate, could reasonably be expected to result in a Material Adverse Effect.

**SECTION 3.09 Agreements.** No Company is a party to any agreement or instrument or subject to any corporate or other constitutional restriction that has resulted or could reasonably be expected to result in a Material Adverse Effect. No Company is in default in any manner under any provision of any indenture or other agreement or instrument evidencing Indebtedness, or any other agreement or instrument to which it is a party or by which it or any of its property is or may be bound, where such default could reasonably be expected to result in a Material Adverse Effect. There is no existing default under any Organizational Document of any Company or any event which, with the giving of notice or passage of time or both, would constitute a default by any party thereunder that could reasonably be expected to have a Material Adverse Effect. No event or circumstance has occurred or exists that constitutes a Default or Event of Default.

**SECTION 3.10 Federal Reserve Regulations.** No Company is engaged principally, or as one of its important activities, in the business of extending credit for the purpose of buying or carrying Margin Stock. No part of the proceeds of any Loan or any Letter of Credit will be used, whether directly or indirectly, and whether immediately, incidentally or ultimately, for any purpose that entails a violation of, or that is inconsistent with, the provisions of the regulations of the Board, including Regulation T, U or X. The pledge of the Securities Collateral pursuant to the Security Documents does not violate such regulations.

**SECTION 3.11 Investment Company Act.** No Company is an "investment company" or a company "controlled" by an "investment company," as defined in, or subject to regulation under, the Investment Company Act of 1940, as amended.

**SECTION 3.13 Taxes.** Each Company has (a) timely filed or caused to be timely filed all material Tax Returns required by Applicable Law to have been filed by it and (b) duly and timely paid, collected or remitted or caused to be duly and timely paid, collected or remitted all material Taxes due and payable, collectible or remittable by it and all assessments received by it, except Taxes (i) that are being contested in good faith by appropriate proceedings and for which such Company has set aside on its books adequate reserves in accordance with U.S. GAAP or other applicable accounting rules and (ii) which could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Each Company has made adequate provision in accordance with U.S. GAAP or other applicable accounting rules for all material Taxes not yet due and payable. No Company has received written notice of any proposed or pending tax assessments, deficiencies or audits that could be reasonably expected to, individually or in the aggregate, result in a Material Adverse Effect. The hours worked by and payments made to employees of any Company have not been in violation of the Fair Labor Standards Act of 1938, as amended, or any other applicable federal, state, provincial, local or foreign law dealing with such matters in any manner which could reasonably be expected to result in a Material Adverse Effect. All payments due from any Company, or for which any claim may be made against any Company, on account of wages and employee health and welfare insurance and other benefits, have been paid or accrued as a liability on the books of such Company except where the failure to do so could not reasonably be expected to result in a Material Adverse Effect. The consummation of the Transactions will not give rise to any right of termination or right of renegotiation on the part of any union under any collective bargaining agreement to which any Company is bound, except as could not reasonably be expected to result in a Material Adverse Effect.

**SECTION 3.16 Solvency.** (i) At the time of and immediately after the consummation of the Transactions to occur on the Closing Date and after giving effect to the application of the proceeds of each Loan made on such date, the Closing Date Distribution and the operation of the Contribution, Intercompany, Contracting and Offset Agreement, (a) the fair value of the assets of each Loan Party (individually and on a consolidated basis with its Subsidiaries) will exceed its debts and liabilities, subordinated, contingent, prospective or otherwise; (b) the present fair saleable value of the property of each Loan Party (individually and on a consolidated basis with its Subsidiaries) will be greater than the amount that will be required to pay the probable liability of its debts and other liabilities, subordinated, contingent, prospective or otherwise, as such debts and other liabilities become absolute and matured; (c) each Loan Party (individually and on a consolidated basis with its Subsidiaries) will be able to pay its debts and liabilities, subordinated, contingent, prospective or otherwise, as such debts and liabilities become absolute and matured; (d) each Loan Party (individually and on a consolidated basis with its Subsidiaries) will not have unreasonably small capital with which to conduct its business in which it is engaged as such business is now conducted and is proposed to be conducted following the Closing Date; and (e)

each Loan Party is not “insolvent” as such term is defined under any Debtor Relief Laws of any jurisdiction in which any Loan Party is organized or incorporated (as applicable), or otherwise unable to pay its debts as they fall due.

(ii) At the time of and immediately following the making of each Loan and after giving effect to the application of the proceeds of each Loan and the operation of the Contribution, Intercompany, Contracting and Offset Agreement, (a) the fair value of the assets of each Borrower, Borrowing Base Guarantor and Receivables Seller (for purposes of this [Section 3.16](#), a “Principal Loan Party”) (individually and on a consolidated basis with its Subsidiaries) will exceed its debts and liabilities, subordinated, contingent, prospective or otherwise; (b) the present fair saleable value of the property of each Principal Loan Party (individually and on a consolidated basis with its Subsidiaries) will be greater than the amount that will be required to pay the probable liability of its debts and other liabilities, subordinated, contingent, prospective or otherwise, as such debts and other liabilities become absolute and matured; (c) each Principal Loan Party (individually and on a consolidated basis with its Subsidiaries) will be able to pay its debts and liabilities, subordinated, contingent, prospective or otherwise, as such debts and liabilities become absolute and matured; (d) each Principal Loan Party (individually and on a consolidated basis with its Subsidiaries) will not have unreasonably small capital with which to conduct its business in which it is engaged as such business is now conducted and is proposed to be conducted following the Closing Date; and (e) each Principal Loan Party is not “insolvent” as such term is defined under any Debtor Relief Laws of any jurisdiction in which such Principal Loan Party is organized or incorporated (as applicable), or otherwise unable to pay its debts as they fall due.

No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events, could reasonably be expected to result in a Material Adverse Effect or the imposition of a Lien on any of the property of any Company. The present value of all accumulated benefit obligations of all underfunded Plans (based on the assumptions used in the most recent actuarial valuations used for the respective Plans) did not, as of the date of the most recent financial statements reflecting such amounts, exceed the fair market value of the property of all such underfunded Plans in an amount which could reasonably be expected to have a Material Adverse Effect. Using actuarial assumptions and computation methods consistent with subpart I of subtitle E of Title IV of ERISA, the aggregate liabilities of each Company or its ERISA Affiliates to all Multiemployer Plans in the event of a complete withdrawal therefrom, as of the close of the most recent fiscal year of each such Multiemployer Plan, could not reasonably be expected to result in a Material Adverse Effect.

To the extent applicable, each Foreign Plan has been maintained in compliance with its terms and with the requirements of Applicable Law and has been maintained, where required, in good standing with applicable Governmental Authority and Taxing Authority, except for such non-compliance that in the aggregate would not have a Material Adverse Effect. No Company has incurred any obligation in connection with the termination of or withdrawal from any Foreign Plan, except to the extent of liabilities which could not reasonably be expected to have a

Material Adverse Effect. Each Foreign Plan that is required to be funded is funded in accordance with the requirements of Applicable Law, and with respect to each Foreign Plan that is not required to be funded, the obligations of such Foreign Plan are properly accrued in the financial statements of the Parent Borrower and its Subsidiaries, in each case in an amount that could not reasonably be expected to have a Material Adverse Effect.

Except as specified on Schedule 3.17, (i) no Company is or has at any time been an employer (for the purposes of Sections 38 to 51 of the Pensions Act 2004) of an occupational pension scheme which is not a money purchase scheme (both terms as defined in the Pensions Schemes Act 1993), and (ii) no Company is or has at any time been “connected” with or an “associate” of (as those terms are used in Sections 39 and 43 of the Pensions Act 2004) such an employer.

(b) As of the Closing Date:

(i) Except as could not reasonably be expected to have a Material Adverse Effect, no Company is obligated to perform any action or otherwise incur any expense under Environmental Law pursuant to any order, decree, judgment or agreement by which it is bound or has assumed by contract, agreement or operation of law, and no Company is conducting or financing any Response pursuant to any Environmental Law with respect to any Real Property or any other location; and

(ii) No Real Property or facility owned, operated or leased by the Companies and, to the knowledge of the Companies, no Real Property or facility formerly owned, operated or leased by the Companies or any of their predecessors in interest is (i) listed or proposed for listing on the National Priorities List promulgated pursuant to CERCLA, or (ii) listed on the Comprehensive Environmental Response, Compensation and Liability Information System promulgated pursuant to CERCLA and is reasonably likely to result in any material liability to any Company, or (iii) included on any other publicly available list of contaminated sites maintained by any Governmental Authority analogous to CERCLA or the Resource Conservation and Recovery Act, 42 U.S.C. §6901 et seq., including any such list relating to the management or clean-up of petroleum and is reasonably likely to result in any material liability to a Company.

Notwithstanding the foregoing, (1) clause (i) of this paragraph (b) shall not apply to the Equity Interests of (w) any Company listed on Schedule 5.11(b) to the extent any requirement

of Applicable Law continues to prohibit the pledging of its Equity Interests to secure the Secured Obligations and any Company acquired or created after the Closing Date to the extent any requirement of Applicable Law prohibits the pledging of its Equity Interests to secure the Secured Obligations, (x) any non-Wholly Owned Subsidiary to the extent that the pledge or perfection of a Lien on such Equity Interests would violate any anti-assignment or negative pledge provisions of any contract to which such non-Wholly Owned Subsidiary is a party or the organizational documents or shareholders' agreement of such non-Wholly Owned Subsidiary (but only to the extent such anti-assignment or negative pledge clause is enforceable under Applicable Law), (y) any Joint Venture Subsidiary, to the extent the terms of any contract to which such Joint Venture Subsidiary is a party or any applicable joint venture, stockholders', partnership, limited liability company or similar agreement (other than any of the foregoing entered into with any Company or any Affiliate of any Company) prohibits or conditions the pledging of its Equity Interests to secure the Secured Obligations and (z) any Restricted Subsidiary to the extent such pledge would result in materially adverse tax consequences, as determined by the Administrative Agent in its reasonable discretion (after consultation with its counsel) and (2) clause (ii) of this paragraph (b) shall not apply to any Company listed on Schedule 5.11(b) to the extent any requirement of Applicable Law prohibits it from becoming a Loan Party.

(c) Subject to the terms of the Intercreditor Agreement, promptly grant to the Collateral Agent, within sixty (60) days of the acquisition thereof, a security interest in and Mortgage on each Real Property owned in fee by such Loan Party as is acquired by such Loan Party after the Closing Date and that, together with any improvements thereon, individually has a fair market value the Dollar Equivalent of which is at least \$10,000,000 (unless the subject property is already mortgaged to a third party to the extent permitted by Section 6.02 hereof or the costs of doing so are excessive in relation to the benefits afforded thereby, as determined by the Administrative Agent in its reasonable discretion), as additional security for the Secured Obligations. Subject to the terms of the Intercreditor Agreement, such Mortgages shall be granted pursuant to documentation reasonably satisfactory in form and substance to the Administrative Agent and the Collateral Agent and shall constitute valid, perfected and enforceable First Priority Liens subject only to Permitted Liens. Subject to the terms of the Intercreditor Agreement, the Mortgages or instruments related thereto shall be duly recorded or filed in such manner and in such places as are required by law to establish, perfect, preserve and protect the First Priority Liens in favor of the Collateral Agent required to be granted pursuant to the Mortgages and all taxes, fees and other charges payable in connection therewith shall be paid in full. Such Loan Party shall otherwise take such actions and execute and/or deliver to the Collateral Agent such documents as the Administrative Agent or the Collateral Agent shall reasonably require to confirm the validity, perfection and priority of the Lien of any existing Mortgage or new Mortgage against such after-acquired Real Property (including a Title Policy (or title opinion reasonably satisfactory to the Collateral Agent), a Survey (if applicable in the respective jurisdiction), and a local counsel opinion (in form and substance reasonably satisfactory to the Administrative Agent and the Collateral Agent) in respect of such Mortgage). For purposes of this Section 5.11(c) Real Property owned by a Company that becomes a Loan Party following the Closing Date in accordance with the terms of this Agreement shall be deemed to have been acquired on the later of (x) the date of acquisition of such Real Property and (y) the date such Company becomes a Loan Party.

The Administrative Borrower may designate a Subsidiary Guarantor that was not a Restricted Subsidiary of the Parent Borrower on the Closing Date as an Excluded Collateral Subsidiary subject to the terms of the definition thereof, in which event the Guarantee by such Restricted Subsidiary shall be released in accordance with Section 7.09 and the Collateral Agent shall release the Collateral pledged by such Person.

(e) Any Foreign Subsidiary that is a Loan Party that has in the United States at any time (i) a deposit account that is part of the Cash Management System or the Cash Pooling Arrangements or (ii) property (other than Excluded Property) having an aggregate fair market value in excess of \$5,000,000 for any such foreign Loan Party, shall execute a joinder agreement to the U.S. Security Agreement reasonably satisfactory to the Administrative Agent.

(f) Notwithstanding any other provision of this Section 5.11 to the contrary, in no event shall this Section 5.11 obligate any Loan Party to grant a Lien to the Collateral Agent on any Excluded Property.

**SECTION 5.12 Security Interests; Further Assurances.** Subject to the terms of the Intercreditor Agreement, promptly, upon the reasonable request of the Administrative Agent or the Collateral Agent, at Borrowers' expense, execute, acknowledge and deliver, or cause the execution, acknowledgment and delivery of, and thereafter register, file or record, or cause to be registered, filed or recorded, in an appropriate governmental office, any document or instrument supplemental to or confirmatory of the Security Documents or otherwise deemed by the Administrative Agent or the Collateral Agent reasonably necessary for the continued validity, perfection and priority of the Liens on the Collateral covered thereby subject to no other Liens except Permitted Liens, or use commercially reasonable efforts to obtain any consents or waivers as may be reasonably required in connection therewith. Deliver or cause to be delivered (using commercially reasonable efforts with respect to delivery of items from Persons who are not in the control of any Loan Party) to the Administrative Agent and the Collateral Agent from time to time such other documentation, consents, authorizations, approvals and orders in form and substance reasonably satisfactory to the Administrative Agent and the Collateral Agent as the Administrative Agent and the Collateral Agent shall reasonably deem necessary to perfect or maintain the Liens on the Collateral pursuant to the Security Documents. Upon the exercise by the Administrative Agent, the Collateral Agent or any Lender of any power, right, privilege or remedy pursuant to any Loan Document that requires any consent, approval, registration, qualification or authorization of any Governmental Authority, execute and deliver all applications, certifications, instruments and other documents and papers that the Administrative

Agent, the Collateral Agent or such Lender may reasonably require in connection therewith. If the Administrative Agent, the Collateral Agent or the Required Lenders determine that they are required by a requirement of Applicable Law to have appraisals prepared in respect of the Real Property of any Loan Party constituting Collateral, Borrowers shall provide to the Administrative Agent appraisals that satisfy the applicable requirements of the Real Estate Appraisal Reform Amendments of FIRREA (or other applicable requirements) and are otherwise in form reasonably satisfactory to the Administrative Agent and the Collateral Agent.

Each Loan Party agrees to promptly provide the Administrative Agent, upon request therefor, with certified Organizational Documents reflecting any of the changes described in the preceding sentence. **SECTION 5.14 Affirmative Covenants with Respect to Leases.** With respect to each Lease to which a Loan Party is party as landlord or lessor, the respective Loan Party shall perform all the obligations imposed upon the landlord under such Lease and enforce all of the tenant’s obligations thereunder, except where the failure to so perform or enforce could not reasonably be expected to result in a Property Material Adverse Effect.

**SECTION 5.15 Ten Non-Bank Regulations and Twenty Non-Bank Regulations.**

(a) Swiss Borrower shall ensure that while it is a Borrower:

(i) the aggregate number of Lenders of Swiss Borrower under this Agreement which are not Swiss Qualifying Banks must not exceed ten (10), (as per Ten Non-Bank Regulations); and

(b) Swiss Borrower will for the purposes of determining the total number of creditors which are Swiss Non-Qualifying Banks for the purposes of the 20 Non-Bank Creditor Rule ensure that at all times at least 10 Lenders that are Swiss Non-Qualifying Banks are permitted as Lenders (the “**Permitted Swiss Non-Qualifying Banks**”) (irrespective of whether or not there are, at any time, any such Permitted Swiss Non-Qualifying Bank).

**SECTION 5.16 Post-Closing Covenants.** Execute and deliver the documents and complete the tasks and take the other actions set forth on Schedule 5.16, in each case within the time limits specified on such Schedule.

## ARTICLE VII

### GUARANTEE

**SECTION 7.01 The Guarantee.** The Guarantors hereby jointly and severally guarantee, as a primary obligor and not as a surety to each Secured Party and their respective successors and permitted assigns, the prompt payment in full when due (whether at stated maturity, by required prepayment, declaration, demand, by acceleration or otherwise) of the principal of and interest (including any interest, fees, costs or charges accruing after the commencement of an Insolvency Proceeding, whether or not allowed (or which would have accrued, but for the commencement of such an Insolvency Proceeding)) on the Loans made by the Lenders to, and the Notes held by each Lender of, each Borrower, and all other Secured Obligations from time to time owing to the Secured Parties by any Loan Party under any Loan Document or Bank Product Agreement entered into with a counterparty that is a Secured Party, and the performance of all obligations under any of the foregoing, in each case strictly in accordance with the terms thereof (such obligations being herein collectively called the “**Guaranteed Obligations**”). In addition to the guarantee contained herein, each Guarantor that is a Foreign Subsidiary, as well as Holdings, shall execute a Guarantee governed by the Applicable Law of such Person’s jurisdiction of organization (each such Guarantee, a “**Foreign Guarantee**”) and to the extent that the provisions of this ARTICLE VII shall duplicate or conflict with the provisions thereof, the terms of the Foreign Guarantees shall govern the obligations of such Guarantors. The Guarantors hereby

jointly and severally agree that if Borrower(s) or other Guarantor(s) shall fail to pay in full when due (whether at stated maturity, by acceleration or otherwise) any of the Guaranteed Obligations, the Guarantors will promptly pay the same in cash, without any demand or notice whatsoever as if it was the principal obligor, and that in the case of any extension of time of payment or renewal of any of the Guaranteed Obligations, the same will be promptly paid in full when due (whether at extended maturity, by acceleration or otherwise) in accordance with the terms of such extension or renewal. Without prejudice to the generality of Section 7.01 and Section 7.02, each Guarantor expressly confirms that it intends that this guarantee shall extend from time to time to any (however fundamental and of whatsoever nature and whether or not more onerous) variation, increase, extension or addition of or to any of the Loan Documents and/or any facility or amount made available under any of the Loan Documents for the purposes of or in connection with any of the following: acquisitions of any nature; increasing working capital; enabling investor distributions or Dividends to be made (including the Closing Date Distribution); carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making facilities available to new borrowers; any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and any fees, costs and/or expenses associated with any of the foregoing.

**SECTION 7.02 Obligations Unconditional.** The obligations of the Guarantors under Section 7.01 shall constitute a guaranty of payment and not of collection and to the fullest extent permitted by Applicable Law, are absolute, irrevocable and unconditional, joint and several, irrespective of the value, genuineness, validity, regularity or enforceability of the Guaranteed Obligations of Borrowers or any other Loan Party under this Agreement, the Notes, if any, or any other agreement or instrument referred to herein or therein, or any substitution, release or exchange of any other guarantee of or security for any of the Guaranteed Obligations, and, irrespective of any other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense of a surety or Guarantor (except for payment in full). Without limiting the generality of the foregoing, it is agreed that the occurrence of any one or more of the following shall not alter or impair the liability of the Guarantors hereunder which shall remain absolute, irrevocable and unconditional under any and all circumstances as described above:

(i) at any time or from time to time, without notice to the Guarantors, the time for any performance of or compliance with any of the Guaranteed Obligations shall be extended, or such performance or compliance shall be waived or the Maturity Date shall be extended with respect to all or a portion of the Guaranteed Obligations;

(ii) any of the acts mentioned in any of the provisions of this Agreement or the Notes, if any, or any other agreement or instrument referred to herein or therein shall be done or omitted;

(iii) the maturity of any of the Guaranteed Obligations shall be accelerated, or any of the Guaranteed Obligations shall be amended in any respect, or any right under the Loan Documents or any other agreement or instrument referred to herein or therein shall be amended or waived in any respect or any other guarantee of any of the Guaranteed Obligations or any security therefor shall be released or exchanged in whole or in part or otherwise dealt with;

(iv) any Lien or security interest granted to, or in favor of, any Issuing Bank, Lender or Agent as security for any of the Guaranteed Obligations shall fail to be perfected; or

(v) the release of any other Guarantor pursuant to Section 7.09.

The Guarantors hereby expressly waive diligence, presentment, demand of payment, protest and all notices whatsoever, and any requirement that any Secured Party exhaust any right, power or remedy or proceed against any Borrower or any other Loan Party under this Agreement or the Notes, if any, or any other agreement or instrument referred to herein or therein, or against any other person under any other guarantee of, or security for, any of the Guaranteed Obligations. The Guarantors waive any and all notice of the creation, renewal, extension, waiver, termination or accrual of any of the Guaranteed Obligations and notice of or proof of reliance by any Secured Party upon this Guarantee or acceptance of this Guarantee, and the Guaranteed Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred in reliance upon this Guarantee, and all dealings between Borrowers and the Secured Parties shall likewise be conclusively presumed to have been had or consummated in reliance upon this Guarantee. This Guarantee shall be construed as a continuing, absolute, irrevocable and unconditional guarantee of payment without regard to any right of offset with respect to the Guaranteed Obligations at any time or from time to time held by Secured Parties, and the obligations and liabilities of the Guarantors hereunder shall not be conditioned or contingent upon the pursuit by the Secured Parties or any other person at any time of any right or remedy against any Borrower or any other Loan Party, or against any other person which may be or become liable in respect of all or any part of the Guaranteed Obligations or against any collateral security or guarantee therefor or right of offset with respect thereto. This Guarantee shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon the Guarantors and the successors and assigns thereof, and shall inure to the benefit of the Lenders and the other Secured Parties, and their respective successors and assigns, notwithstanding that from time to time during the term of this Agreement there may be no Guaranteed Obligations outstanding.

**SECTION 7.03 Reinstatement.** The obligations of the Guarantors under this ARTICLE VII shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of any Borrower or other Loan Party in respect of the Guaranteed Obligations is rescinded or must be otherwise restored by any holder of any of the Guaranteed Obligations, whether as a result of any Insolvency Proceeding or otherwise. The Guarantors jointly and severally agree that they will indemnify each Secured Party on demand for all reasonable costs and expenses (including reasonable fees of counsel) incurred by such Secured Party in connection with such rescission or restoration, including any such costs and expenses incurred in defending against any claim alleging that such payment constituted a preference, fraudulent transfer or similar payment under any Debtor Relief Law, other than any costs or expenses resulting from the bad faith or willful misconduct of such Secured Party.

**SECTION 7.04 Subrogation; Subordination.** Each Guarantor hereby agrees that until the indefeasible and irrevocable payment and satisfaction in full in cash of all Guaranteed Obligations and the expiration and termination of the Commitments of the Lenders under this Agreement it shall waive any claim and shall not exercise any right or remedy, direct or indirect, arising by reason of any performance by it of its guarantee in Section 7.01, whether by

subrogation or otherwise, against any Borrower or any other Guarantor of any of the Guaranteed Obligations or any security for any of the Guaranteed Obligations. Any Indebtedness of any Loan Party permitted pursuant to Section 6.01(d) (or any other loan or advance between Loan Parties other than the Forward Share Sale Agreement) shall be subordinated to such Loan Party's Secured Obligations a manner reasonably satisfactory to the Administrative Agent.

**SECTION 7.05 Remedies.** The Guarantors jointly and severally agree that, as between the Guarantors and the Lenders, the obligations of Borrowers under this Agreement and the Notes, if any, may be declared to be forthwith due and payable as provided in Section 8.01 (and shall be deemed to have become automatically due and payable in the circumstances provided in Section 8.01) for purposes of Section 7.01, notwithstanding any stay, injunction or other prohibition preventing such declaration (or such obligations from becoming automatically due and payable) as against Borrowers and that, in the event of such declaration (or such obligations being deemed to have become automatically due and payable), such obligations (whether or not due and payable by Borrowers) shall forthwith become due and payable by the Guarantors for purposes of Section 7.01.

**SECTION 7.06 Instrument for the Payment of Money.** Each Guarantor hereby acknowledges that the guarantee in this ARTICLE VII constitutes an instrument for the payment of money, and consents and agrees that any Lender or Agent, at its sole option, in the event of a dispute by such Guarantor in the payment of any moneys due hereunder, shall have the right to bring a motion-action under New York CPLR Section 3213.

**SECTION 7.07 Continuing Guarantee.** The guarantee in this ARTICLE VII is a continuing guarantee of payment, and shall apply to all Guaranteed Obligations whenever arising.

**SECTION 7.08 General Limitation on Guarantee Obligations.** In any action or proceeding involving any state corporate limited partnership or limited liability company law, or any Debtor Relief Law, if the obligations of any Guarantor under Section 7.01 would otherwise be held or determined to be void, voidable, invalid or unenforceable, or subordinated to the claims of any other creditors, on account of the amount of its liability under Section 7.01, then, notwithstanding any other provision to the contrary, the amount of such liability shall, without any further action by such Guarantor, any Loan Party or any other person, be automatically limited and reduced to the highest amount after giving effect to the rights of contribution established in the Contribution, Intercompany, Contracting and Offset Agreement that are valid and enforceable and not subordinated to the claims of other creditors as determined in such action or proceeding.

**SECTION 7.09 Release of Guarantors.** If, in compliance with the terms and provisions of the Loan Documents, (a) Equity Interests of any Subsidiary Guarantor are issued, sold or transferred such that it ceases to be a Restricted Subsidiary (a "**Transferred Guarantor**") to a person or persons, none of which is a Loan Party or a Subsidiary, (b) a Guarantor is designated as an Unrestricted Subsidiary in accordance with the Loan Documents, (c) a Restricted Subsidiary that becomes a Loan Party after the Closing Date is subsequently designated as an Excluded Collateral Subsidiary in accordance with the definition thereof, or (d) a Qualified Parent Borrower IPO shall occur, then, such Transferred Guarantor (in the case of clause (a)), such Unrestricted Subsidiary (in the case of clause (b)), such Restricted Subsidiary (in the case of

clause (c)), or Holdings (in the case of clause (d)), shall, upon the consummation of such issuance, sale or transfer or upon such designation as an Unrestricted Subsidiary or Excluded Collateral Subsidiary or upon the completion of the Qualified Parent Borrower IPO, be released from its obligations under this Agreement (including under Section 11.03 hereof) and any other Loan Documents to which it is a party and its obligations to pledge and grant any Collateral owned by it pursuant to any Security Document, and the Collateral Agent shall take such actions as are within its powers to effect each release described in this Section 7.09 in accordance with the relevant provisions of the Security Documents and the Intercreditor Agreement; provided that such Guarantor is also released from its obligations, if any, under the Term Loan Documents, the Senior Note Documents, the Additional Senior Secured Indebtedness Documents and other Material Indebtedness guaranteed by such Person on the same terms.

**SECTION 7.10 Certain Tax Matters.** Notwithstanding the provisions of Sections 2.06(j), 2.15, 2.21 or 2.22, if a Loan Party makes a payment hereunder that is subject to withholding tax in excess of the withholding tax that would have been imposed on payments made by the Borrower with respect to whose obligation it is making a payment, the Loan Parties shall increase the amount of such payment such that, after deduction and payment of all such withholding taxes (including withholding taxes applicable to additional sums payable under this Section), the payee receives an amount equal to the amount it would have received if no such excess withholding tax had been imposed; provided, that the Agent or Lender provides, as reasonably requested by the relevant Loan Party and as required under Sections 2.15(e), 2.15(g), or 2.15(h), as the case may be, such forms, certificates and documentation that it is legally entitled to furnish and would be required to reduce or eliminate withholding and, with respect to non-U.S. withholding taxes, would not, in the Administrative Agent's or the relevant Lender's reasonable judgment, subject it to any material unreimbursed costs or otherwise be disadvantageous to it in any material respect.

## SECTION 7.11 German Guarantor.

(a) Subject to Section 7.11(b) through Section 7.11(e) below, the Secured Parties shall not enforce the guarantee obligations of a German Guarantor existing in the form of a German limited liability company or limited partnership with a limited liability company as partner (*GmbH* or *GmbH & Co. KG*) under this Article VII to the extent (i) such German Guarantor guarantees obligations of one of its shareholders or of an affiliated company (*verbundenes Unternehmen*) of a shareholder within the meaning of Section 15 of the German Stock Corporation Act (*Aktiengesetz*) (other than a Subsidiary of that German Guarantor or the German Guarantor itself), and (ii) the enforcement of such guarantee for shareholder obligations would reduce, in violation of Section 30 of the German Limited Liability Companies Act (*GmbHG*), the net assets (assets minus liabilities minus provisions and liability reserves (*Reinvermögen*), in each case as calculated in accordance with generally accepted accounting principles in Germany (*Grundsätze ordnungsmäßiger Buchführung*) as consistently applied by such German Guarantor in preparing its unconsolidated balance sheets (*Jahresabschluss gem. § 42 GmbH — Act, §§ 242, 264 HGB*) of the German Guarantor (or in the case of a GmbH & Co. KG, its general partner) to an amount that is insufficient to maintain its (or in the case of a GmbH & Co. KG, its general partner's) registered share capital (*Stammkapital*) (or would increase an existing shortage in its net assets below its registered share capital); provided that for the purpose of determining the relevant registered share capital and the net assets, as the case may be:

(i) The amount of any increase of registered share capital (*Stammkapital*) of such German Guarantor (or its general partner in the form of a GmbH) implemented after the date of this Agreement that is effected without the prior written consent of the Administrative Agent shall be deducted from the registered share capital of the German Guarantor (or its general partner in the form of a GmbH);

(ii) any loans provided to the German Guarantor by a direct or indirect shareholder or an affiliate thereof (other than a Subsidiary of such German Guarantor) shall be disregarded and not accounted for as a liability to the extent that such loans are subordinated pursuant to Section 39(1) Nr. 1 through Nr. 5 of the German Insolvency Code (*Insolvenzordnung*) or subordinated in any other way by law or contract;

(iii) any shareholder loans, other loans and contractual obligations and liabilities incurred by the German Guarantor in violation of the provisions of any of the Loan Documents shall be disregarded and not accounted for as liabilities;

(iv) any assets that are shown in the balance sheet with a book value that, in the opinion of the Administrative Agent, is significantly lower than their market value and that are not necessary for the business of the German Guarantor (*nicht betriebsnotwendig*) shall be accounted for with their market value; and

(v) the assets of the German Guarantor will be assessed at liquidation values (*Liquidationswerte*) if, at the time the managing directors prepare the balance sheet in accordance with paragraph (b) below and absent the demand a positive going concern prognosis (*positive Fortbestehensprognose*) cannot be established.

(b) The limitations set out in Section 7.11(a) only apply:

(i) if and to the extent that the managing directors of the German Guarantor (or in the case of a GmbH Co. KG, its general partner) have confirmed in writing to the Administrative Agent within ten Business Days of a demand for payment under this Article VII the amount of the obligations under this Article VII which cannot be paid without causing the net assets of such German Guarantor (or in the case of a GmbH Co. KG, its general partner) to fall below its registered share capital, or increase an existing shortage in net assets below its registered share capital (taking into account the adjustments set out above) and such confirmation is supported by a current balance sheet and other evidence satisfactory to the Administrative Agent and neither the Administrative Agent nor any Lender raises any objections against that confirmation within five Business Days after its receipt; or

(ii) if, within twenty Business Days after an objection under clause (i) has been raised by the Administrative Agent or a Lender, the Administrative Agent receives a written audit report (“**Auditor’s Determination**”) prepared at the expense of the relevant German Guarantor by a firm of auditors of international standing and reputation that is appointed by the German Guarantor and reasonably acceptable to the Administrative Agent, to the extent such report identifies the amount by which the net assets of that German Guarantor (or in the case of a GmbH & Co. KG, its general partner in the form of a GmbH) are necessary to maintain its registered share capital as at the date of the demand under this Article VII (taking into account the adjustments set out above). The Auditor’s Determination shall be prepared in accordance with generally accepted accounting principles applicable in Germany (*Grundsätze ordnungsgemäßer Buchführung*) as consistently applied by the German Guarantor in the preparation of its most recent annual balance sheet. The Auditor’s Determination shall be binding for all Parties except for manifest error.

(c) In any event, the Secured Parties shall be entitled to enforce the guarantee up to those amounts that are undisputed between them and the relevant German Guarantor or determined in accordance with Section 7.11(a) and Section 7.11(b). In respect of the exceeding amounts, the Secured Parties shall be entitled to further pursue their claims (if any) and the German Guarantor shall be entitled to provide evidence that the excess amounts are necessary to maintain its registered share capital (calculated as at the date of demand under this Article VII and taking into account the adjustments set out above). The Secured Parties are entitled to pursue those parts of the guarantee obligations of the German Guarantor that are not enforced by operation of Section 7.11(a) above at any subsequent point in time. This Section 7.11 shall apply again as of the time such additional demands are made.

(d) Section 7.11(a) shall not apply as to the amount of Loans borrowed under this Agreement and passed on (whether by way of shareholder loan or equity contribution) to the respective German Guarantor or any of its Subsidiaries as long as the respective shareholder loan is outstanding or the respective equity contribution has not been dissolved or otherwise repaid.

(e) Should it become legally permissible for managing directors of a German Guarantor to enter into guarantees in support of obligations of their shareholders without limitations, the limitations set forth in Section 7.11(a) shall no longer apply. Should any such

guarantees become subject to legal restrictions that are less stringent than the limitations set forth in Section 7.11(a) above, such less stringent limitations shall apply. Otherwise, Section 7.11(a) shall remain unaffected by changes in Applicable Law.

(f) The limitations provided for in paragraph (a) above shall not apply where (i) the relevant German Guarantor has a fully valuable (*vollwertig*) recourse claim (*Gegenleistungs- oder Rückgewähranspruch*) vis-à-vis the relevant shareholder or (ii) a domination agreement (*Beherrschungsvertrag*) or a profit and loss pooling agreement (*Ergebnisabführungsvertrag*) is or will be in existence with the relevant German Guarantor (or the relevant general partner) and the relevant German Guarantor has a fully valuable (*vollwertig*) compensation claim (*Ausgleichsanspruch*).

**SECTION 7.12 Swiss Guarantors.** If and to the extent that (i) the obligations under this ARTICLE VII of any Swiss Guarantor are for the exclusive benefit of any of such Swiss Guarantor's Affiliates (other than such Swiss Guarantor's direct or indirect Subsidiaries) and (ii) complying with the obligations under this ARTICLE VII would constitute a repayment of capital (*restitution des apports*) or the payment of a (constructive) dividend (*distribution de dividende*), the following shall apply:

(a) The aggregate obligations under this ARTICLE VII of any Swiss Guarantor shall be limited to the maximum amount of such Swiss Guarantor's profits and reserves available for distribution, in each case in accordance with, without limitation, articles 671 para.1 to 3 and 675 para.2 of the Swiss Code of Obligations (the "**Available Amount**") at the time any Swiss Guarantor makes a payment under this ARTICLE VII (provided such limitation is still a legal requirement under Swiss law at that time).

(b) Immediately after having been requested to make a payment under this ARTICLE VII (the "**Guarantee Payment**"), each Swiss Guarantor shall (i) provide the Administrative Agent, within thirty (30) Business Days from being requested to make the Guarantee Payment, with (1) an interim audited balance sheet prepared by the statutory auditors of the applicable Swiss Guarantor, (2) the determination of the Available Amount based on such interim audited balance sheet as computed by the statutory auditors, and (3) a confirmation from the statutory auditors that the Available Amount is the maximum amount which can be paid by the Swiss Guarantor under this ARTICLE VII without breaching the provisions of Swiss corporate law, which are aimed at protecting the share capital and legal reserves, and (ii) upon receipt of the confirmation referred to in the preceding sentence under (3) and after having taken all actions required pursuant to paragraph (d) below, make such Guarantee Payment in full (less, if required, any Swiss Withholding Tax).

(c) If so required under Swiss law (including double tax treaties to which Switzerland is a party) at the time it is required to make a payment under this ARTICLE VII or the Security Documents, the applicable Swiss Guarantor (1) may deduct the Swiss Withholding Tax at the rate of 35% (or such other rate as may be in force at such time) from any payment under this ARTICLE VII or the Security Documents, (2) may pay the Swiss Withholding Tax to the Swiss Federal Tax Administration, and (3) shall notify and provide evidence to the Administrative Agent that the Swiss Withholding Tax has been paid to the Swiss Federal Tax Administration. To the extent the Guarantee Payment due is less than the

Available Amount, the applicable Swiss Guarantor shall be required to make a gross-up, indemnify or otherwise hold harmless the Secured Parties for the deduction of the Swiss Withholding Tax, it being understood that at no time shall the Guarantee Payment (including any gross-up or indemnification payment pursuant to this paragraph (c) and including any Swiss Withholding Tax levied thereon) exceed the Available Amount. The applicable Swiss Guarantor shall use its best efforts to ensure that any person which is, as a result of a payment under this ARTICLE VII, entitled to a full or partial refund of the Swiss Withholding Tax, shall as soon as possible after the deduction of the Swiss Withholding Tax (i) request a refund of the Swiss Withholding Tax under any Applicable Law (including double tax treaties) and (ii) pay to the Administrative Agent for distribution to the Secured Parties upon receipt any amount so refunded. The Secured Obligations will only be considered as discharged to the extent of the effective payment received by the Secured Parties under this ARTICLE VII. This subsection (c) is without prejudice to the gross-up or indemnification obligations of any Guarantor other than the Swiss Guarantors.

(d) The Swiss Guarantors shall use reasonable efforts to take and cause to be taken all and any other action, including the passing of any shareholders' resolutions to approve any Guarantee Payment under this ARTICLE VII or the Security Documents, which may be required as a matter of Swiss mandatory law or standard business practice as existing at the time it is required to make a Guarantee Payment under this ARTICLE VII or the Security Documents in order to allow for a prompt payment of the Guarantee Payment or Available Amount, as applicable.

(e) To the extent (i) the Swiss Borrower is jointly and severally liable towards the Lenders for obligations under this Agreement of the Swiss Borrower's Affiliates (other than the Swiss Borrower's direct or indirect Subsidiaries) which were incurred for the exclusive benefit of such Swiss Borrower's Affiliates and (ii) complying with such joint and several obligations would constitute a repayment of capital (*restitution des apports*) or the payment of a (constructive) dividend (*distribution de dividende*), then paragraphs (a) to (d) of this Section 7.12 shall be applicable to such obligations. For the avoidance of doubt this paragraph is without prejudice to the joint and several liability of any Loan Party (other than the Swiss Borrower) for any obligations arising under this Agreement.

**SECTION 7.13 Irish Guarantor.** This Guarantee does not apply to any liability to the extent that it would result in this Guarantee constituting unlawful financial assistance within the meaning of, in respect of any Irish Guarantor, Section 60 of the Companies Act 1963 of Ireland.

**SECTION 7.14 Brazilian Guarantor.** The Brazilian Guarantor waives and shall not exercise any and all rights and privileges granted to guarantors which might otherwise be deemed applicable, including but not limited to the rights and privileges referred to in Articles 827, 834, 835, 836, 837, 838 and 839 of the Brazilian Civil Code and the provisions of Article 595 of the Brazilian Civil Procedure Code.

**SECTION 7.15 French Guarantor.**

(a) The obligations and liabilities of a French Guarantor under the Loan Documents and in particular under Article VII (Guarantee) of this Agreement shall not

include any obligation or liability which if incurred would constitute the provision of financial assistance within the meaning of article L. 225-216 of the French Code *de commerce* and/or would constitute a misuse of corporate assets within the meaning of article L. 241-3 or L. 242-6 of the French *Code de commerce* or any other laws or regulations having the same effect, as interpreted by French courts.

(b) The obligations and liabilities of a French Guarantor under Article VII (Guarantee) of this Agreement for the obligations under the Loan Documents of any other Guarantor which is not a French Subsidiary of such French Guarantor, shall be limited at any time to an amount equal to the aggregate of all amounts borrowed under this Agreement by such other Guarantor as Borrower to the extent directly or indirectly on-lent to the French Guarantor under inter-company loan agreements and outstanding at the date a payment is to be made by such French Guarantor under Article VII (Guarantee) of this Agreement, it being specified that any payment made by a French Guarantor under Article VII (Guarantee) of the Credit Agreement in respect of the obligations of such Guarantor as Borrower shall reduce *pro tanto* the outstanding amount of the inter-company loans due by the French Guarantor under the inter-company loan arrangements referred to above.

(c) The obligations and liabilities of a French Guarantor under Article VII (Guarantee) of this Agreement for the obligations under the Loan Documents of any Guarantor which is its Subsidiary shall not be limited and shall therefore cover all amounts due by such Guarantor as Borrower and/or as Guarantor, as applicable. However, where such Subsidiary is not incorporated in France, the amounts payable by the French Guarantor under this paragraph (c) in respect of obligations of this Subsidiary as Borrower and/or Guarantor, shall be limited as set out in paragraph (b) above.

#### **SECTION 7.16 Luxembourg Guarantor.**

(a) If and to the extent that the obligations of the Luxembourg Guarantor under this Guarantee are for the exclusive benefit of the Luxembourg Guarantor's direct and indirect parent entities and Affiliates (except the Luxembourg Guarantor's (direct or indirect) Subsidiaries), the following shall apply:

(i) Notwithstanding any thing to the contrary, (A) the obligations and liabilities of the Luxembourg Guarantor under this Guarantee and (B) the obligations secured by the Collateral granted by such Luxembourg Guarantor pursuant to this Agreement and any other Loan Documents, shall at no time, in aggregate, exceed an amount equal to the maximum financial capacity of such Luxembourg Guarantor, such maximum financial capacity being limited to ninety-five per cent (95%) of the net Luxembourg Guarantor's *capitaux propres* (as referred to in article 34 of the Luxembourg law of December 19, 2002, on the commercial register and annual accounts, where the *capitaux propres* mean the shareholders' equity (including the share capital, share premium, legal and statutory reserves, other reserves, profit and losses carried forward, investment subsidies and regulated provisions) of such Luxembourg Guarantor as shown in the latest financial statements (*comptes annuels*) available at the date of the relevant payment hereunder and approved by the shareholders of such Luxembourg Guarantor and certified by the statutory auditor, as the case may be, or as applicable its external auditor (*réviseur d'entreprises*), if required by law.

(ii) None of the above restrictions shall apply to the extent of: (A) the total payment obligations of such Luxembourg Guarantor's Subsidiaries under this Agreement and any other Loan Documents; and (B) the payment obligations of any Loan Party where that Loan Party is not a subsidiary of the Luxembourg Guarantor, up to an amount equal to the amounts borrowed (directly or indirectly) by way of intra-group loans from such Loan Party by the Luxembourg Guarantor or such Luxembourg Guarantor's Subsidiaries.

The obligations and liabilities of the Luxembourg Guarantor under this Guarantee shall not include any obligation which, if incurred, would constitute either (a) a misuse of corporate assets as defined under Article 171-1 of the Luxembourg Company Act of August 10, 1915, as amended from time to time, (the "**Luxembourg Company Act**") or (b) financial assistance.

(b) The Luxembourg Guarantor shall use reasonable efforts to take and cause to be taken all and any other action, including if required the passing of any shareholders' resolutions to approve any payment under this Guarantee or otherwise under this Agreement and the other Loan Documents, which may be required as a matter of Luxembourg law or standard business practice as existing at the time it is required to make a payment under this Guarantee or otherwise under this Agreement and the other Loan Documents in order to allow for prompt payment of such payments under this Guarantee or otherwise under this Agreement and other Loan Documents, as applicable.

(g) an involuntary proceeding shall be commenced or an involuntary petition shall be filed in a court of competent jurisdiction seeking (i) relief in respect of any Loan Party or Material Subsidiary, or of a substantial part of the property of any Loan Party or Material Subsidiary, under Title 11 of the U.S. Code, as now constituted or hereafter amended, or any other federal, state, provincial or foreign bankruptcy, insolvency, receivership, reorganization or other Debtor Relief Law, including any proceeding under applicable corporate law; (ii) the appointment of a receiver, trustee, custodian, sequestrator, conservator, examiner or similar official for any Loan Party or Material Subsidiary or for a substantial part of the property of any Loan Party or Material Subsidiary; or (iii) the winding-up, liquidation or examination of any Loan Party or Material Subsidiary; and such proceeding or petition

shall continue undismissed for sixty (60) days or an order or decree approving or ordering any of the foregoing shall be entered;

(h) any Loan Party or Material Subsidiary shall (i) voluntarily commence any proceeding or file any petition seeking relief under Title 11 of the United States Code, as now constituted or hereafter amended, or any other federal, state or foreign bankruptcy, insolvency, receivership or other Debtor Relief Law; (ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or the filing of any petition described in clause (g) above; (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator, conservator, examiner or similar official for any Loan Party or Material Subsidiary or for a substantial part of the property of any Loan Party or Material Subsidiary; (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding; (v) make a general assignment for the benefit of creditors; (vi) become unable, admit in writing its insolvency or inability or fail generally to pay its debts as they become due; (vii) take any action for the purpose of effecting any of the foregoing; (viii) wind up or liquidate (except in accordance with Section 6.05) or put into examination, or (ix) take any step with a view to a moratorium or a composition or similar arrangement with any creditors of any Loan Party or Material Subsidiary, or a moratorium is declared or instituted in respect of the indebtedness of any Loan Party or Material Subsidiary;

(k) any security interest and Lien purported to be created by any Security Document shall cease to be in full force and effect, or shall cease to give the Collateral Agent (or its co-agent or subagent), for the benefit of the Secured Parties, a valid, perfected First Priority (subject to the Intercreditor Agreement) security interest in and Lien on all of the Collateral thereunder (except as otherwise expressly provided in such Security Document) in favor of the Collateral Agent (or its co-agent or subagent), or shall be asserted by any Borrower or any other Loan Party not to be a valid, perfected, First Priority (except as otherwise expressly provided in this Agreement, the Intercreditor Agreement or such Security Document) security interest in or Lien on the Collateral covered thereby;

(l) any Loan Document or any material provision thereof shall at any time and for any reason be declared by a court of competent jurisdiction to be null and void, or a proceeding shall be commenced by any Loan Party or by any Governmental Authority,

(m) there shall have occurred a Change in Control;

(n) the Intercreditor Agreement or any material provision thereof shall cease to be in full force or effect other than (i) as expressly permitted hereunder or thereunder, (ii) by a consensual termination or modification thereof agreed to by the Agents party thereto, the Term Loan Administrative Agent, the Term Loan Collateral Agent and all other creditors of the Parent Borrower and its Restricted Subsidiaries (or any trustee, agent or representative acting on their behalf) that are parties thereto, or (iii) as a result of satisfaction in full of the obligations under the Term Loan Documents, the Additional Senior Secured Indebtedness Documents (if any), the Junior Secured Indebtedness Documents (if any) and any other Material Indebtedness subject to the terms of the Intercreditor Agreement;

(o) any Company shall be prohibited or otherwise restrained from conducting the business theretofore conducted by it in any manner that has or could reasonably be expected to result in a Material Adverse Effect by virtue of any determination, ruling, decision, decree or order of any court or Governmental Authority of competent jurisdiction; or

(p) a "Termination Event" (as defined therein) has occurred under a Receivables Purchase Agreement;

then, and in every such event (other than an event with respect to any Loan Party described in paragraph (g) or (h) above), and at any time thereafter during the continuance of such event, the Administrative Agent may, and at the request of the Required Lenders shall, by notice to Administrative Borrower, take either or both of the following actions, at the same or different times: (i) terminate forthwith the Commitments and (ii) declare the Loans and Reimbursement Obligations then outstanding to be forthwith due and payable in whole or in part, whereupon the principal of the Loans and Reimbursement Obligations so declared to be due and payable, together with accrued interest thereon and any unpaid accrued Fees and all other Obligations of the Loan Parties accrued hereunder and under any other Loan Document, shall become forthwith due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by each of the Loan Parties, anything contained herein or in any other Loan Document to the contrary notwithstanding; and in any event, with respect to any Loan Party described in paragraph (g) or (h) above, the Commitments shall automatically terminate and the principal of the Loans and Reimbursement Obligations then outstanding, together with accrued interest thereon and any unpaid accrued Fees and all other Obligations of the Loan Parties accrued hereunder and under any other Loan Document, shall automatically become due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by each of the Loan Parties, anything contained herein or in any other Loan Document to the contrary notwithstanding.

**SECTION 8.02 Rescission.** If at any time after termination of the Commitments or acceleration of the maturity of the Loans, the Loan Parties shall pay all arrears of interest and all payments on account of principal of the Loans and Reimbursement Obligations owing by them

that shall have become due otherwise than by acceleration (with interest on principal and, to the extent permitted by law, on overdue interest, at the rates specified herein) and all Defaults (other than non-payment of principal of and accrued interest on the Loans due and payable solely by virtue of acceleration) shall be remedied or waived pursuant Section 11.02, then upon the written consent of the Required Lenders and written notice to the Administrative Borrower, the termination of the Commitments or the acceleration and their consequences may be rescinded and annulled; but such action shall not affect any subsequent Default or impair any right or remedy consequent thereon. The provisions of the preceding sentence are intended merely to bind the Lenders and the Issuing Banks to a decision that may be made at the election of the Required Lenders, and such provisions are not intended to benefit any Loan Party and do not give any Loan Party the right to require the Lenders to rescind or annul any acceleration hereunder, even if the conditions set forth herein are met.

**SECTION 8.03 Application of Proceeds.** Notwithstanding anything herein to the contrary (but subject to Section 2.14(f) and the terms of the Intercreditor Agreement), during an Event of Default, monies to be applied to the Secured Obligations, whether arising from payments by Loan Parties, realization on Collateral, setoff or otherwise, shall be allocated as follows (including any payments received with respect to adequate protection payments or other distributions relating to the Secured Obligations during the pendency of any reorganization or insolvency proceeding):

- (a) *First*, to all costs and expenses, including Extraordinary Expenses, owing to any Agent or Receiver;
- (b) *Second*, to all amounts owing to a Swingline Lender on Swingline Loans;
- (c) *Third*, to all amounts owing to Issuing Banks on LC Obligations;
- (d) *Fourth*, to all Secured Obligations constituting fees (other than Secured Bank Product Obligations);
- (e) *Fifth*, to all Secured Obligations constituting interest (other than Secured Bank Product Obligations);
- (f) *Sixth*, to cash collateralize all outstanding Letters of Credit in an amount equal to 105% of LC Exposure;
- (g) *Seventh*, to all Loans; and
- (h) *Eighth*, to all other Secured Obligations.

Amounts shall be applied to each category of Secured Obligations set forth above until Full Payment thereof and then to the next category. If amounts are insufficient to satisfy a category, they shall be applied on a pro rata basis among the Secured Obligations in the category. Amounts distributed with respect to any Secured Bank Product Obligations shall be the lesser of the maximum Secured Bank Product Obligations last reported to Administrative Agent or the actual Secured Bank Product Obligations as calculated by the methodology reported to Administrative Agent for determining the amount due. No Agent shall have any obligation to

calculate the amount to be distributed with respect to any Secured Bank Product Obligations, and Administrative Agent may request a reasonably detailed calculation of such amount from the applicable Secured Party. If a Secured Party fails to deliver such calculation within five days following request by Administrative Agent, Administrative Agent may assume the amount to be distributed is zero. The allocations set forth in this Section are solely to determine the rights and priorities of Administrative Agent and Secured Parties as among themselves, and may be changed by agreement among them without the consent of any Loan Party. This Section is not for the benefit of or enforceable by any Loan Party.

## ARTICLE IX

### COLLATERAL ACCOUNT; COLLATERAL MONITORING; APPLICATION OF COLLATERAL PROCEEDS

Each Loan Party covenants and agrees with each Lender that so long as this Agreement shall remain in effect and until Full Payment of the Obligations, unless Administrative Agent, or the Required Lenders, shall otherwise consent in writing:

#### **SECTION 9.01 Accounts; Cash Management**

The Loan Parties in the United States, Canada, England and Wales, Switzerland, and Germany (and any other jurisdiction in which a Borrower, Borrowing Base Guarantor or Receivables Seller is located) (the “**Borrowing Base Loan Parties**”) shall maintain a cash management system which is acceptable to the Administrative Agent (the “**Cash Management System**”), which shall operate as follows:

(a) All funds held by any Borrowing Base Loan Party (other than funds being collected pursuant to the provisions stated below) shall be deposited in one or more bank accounts or securities investment accounts, in form and substance reasonably satisfactory to Administrative Agent subject to the terms of the Security Agreement and applicable Control Agreements.

(b) Each Borrowing Base Loan Party shall establish and maintain, at its sole expense, blocked accounts, charged accounts, or lockboxes and related deposit accounts (in each case, “**Blocked Accounts**”), which, on the Closing Date, shall consist of the accounts listed as such on Schedule 9.01(b) and related lockboxes maintained by the financial institutions listed on such schedule (or another financial institution acceptable to Administrative Agent), with such banks as are acceptable to Administrative Agent into which each Loan Party shall promptly deposit and direct their respective Account Debtors to directly remit all payments on Accounts and all payments constituting proceeds of Inventory or other Collateral (other than proceeds of a Casualty Event or an Asset Sale that do not require a repayment under Loan Documents, and subject to the Intercreditor Agreement) in the identical form in which such payments are made, whether by cash, check or other manner and shall be identified and segregated from all other funds of the Loan Parties (except, with regard to accounts located in Europe, to the extent permitted pursuant to the applicable U.K. Security Agreement, Swiss Security Agreement, or German Security Agreement, or Control Agreements, or with respect to accounts located in any other European country, the applicable

Control Agreement or other Security Documents applicable thereto). Each Borrowing Base Loan Party shall deliver, or cause to be delivered, to Collateral Agent a Control Agreement duly authorized, executed and delivered by each bank where a Blocked Account for the benefit of any Borrowing Base Loan Party is maintained, and, except as provided in Section 9.01(d), by each bank where any other deposit account of a Borrowing Base Loan Party is from time to time maintained. Each Borrowing Base Loan Party shall further execute and deliver such agreements and documents as Administrative Agent may reasonably require in connection with such Blocked Accounts and such Control Agreements. No Borrowing Base Loan Party shall establish any deposit accounts after the Closing Date, unless such Loan Party has given the Administrative Agent 30 days' (or such shorter period as may be determined by the Administrative Agent in its sole discretion) prior written notice of its intention to establish such new account and has complied in full with the provisions of this Section 9.01(b), with respect to such deposit accounts. Each Borrowing Base Loan Party agrees that from and after the delivery of an Activation Notice (as defined below), all payments made to such Blocked Accounts or other funds received and collected by any Secured Party, whether in respect of the Accounts, as proceeds of Inventory or other Collateral (subject to the Intercreditor Agreement) or otherwise shall be treated as payments to the Secured Parties in respect of the Secured Obligations and therefore shall constitute the property of the Secured Parties to the extent of the then outstanding Secured Obligations and may be applied by the Administrative Agent in accordance with Section 9.01(e).

(c) With respect to the Blocked Accounts of the U.S. Borrowers and such other Borrowing Base Loan Parties as the Administrative Agent shall determine in its sole discretion, the applicable bank maintaining such Blocked Accounts shall agree to forward daily all amounts in each Blocked Account to one Blocked Account designated as a concentration account in the name listed on Schedule 9.01(b) (the "**Concentration Account**") at a bank acceptable to the Administrative Agent that shall be designated as the Concentration Account bank for the Loan Parties (the "**Concentration Account Bank**"), which, on the Closing Date, shall consist of the accounts listed as such on Schedule 9.01(b) maintained by the financial institutions listed on such schedule (or other financial institution acceptable to the Administrative Agent). Each Bank providing a Blocked Account shall agree to follow the instructions of the Collateral Agent with regard to each such Blocked Account, including the Concentration Account, including, from and after the receipt of a notice (an "**Activation Notice**") from the Collateral Agent (which Activation Notice may (or shall, upon the written instruction of the Required Lenders) be given by Collateral Agent at any time from and after the occurrence of a Cash Dominion Trigger Event and prior to a Cash Dominion Recovery Event) pursuant to the applicable Control Agreement, to follow only the instructions of the Collateral Agent (and not those of any Loan Party) with respect to the Blocked Accounts (including the Concentration Account), including (i) to forward daily all amounts in the Concentration Account to the account designated as the collection account (the "**Collection Account**"), which shall be under the exclusive dominion and control of the Collateral Agent (it being understood that, prior to the delivery of an Activation Notice, the respective Loan Parties shall also be authorized to issue instructions with regard to funds in the Concentration Account), and (ii) with respect to the Blocked Accounts to forward all amounts in each Blocked Account to the applicable Collection Account or as the Collateral Agent otherwise directs and to commence the process of daily sweeps from such Blocked Account into the

Collection Account or otherwise under Section 9.01 or as the Collateral Agent otherwise directs.

(d) Notwithstanding any provision of this Section 9.01 to the contrary, (A) Borrowing Base Loan Parties may maintain zero balance disbursement accounts and accounts used solely to fund payroll, payroll taxes or employee benefits in the ordinary course of business that are not a part of the Cash Management Systems, provided that no Borrowing Base Loan Parties shall accumulate or maintain cash in such accounts as of any date of determination in excess of checks outstanding against such accounts as of that date and amounts necessary to meet minimum balance requirements or Applicable Law and (B) Borrowing Base Loan Parties may maintain local cash accounts that are not a part of the Cash Management Systems which individually do not at any time contain funds in excess of \$100,000 and, together with all other such local cash accounts, do not exceed \$2,000,000.

(e) From and after the delivery of an Activation Notice, unless an Event of Default has occurred and is continuing (in which event Section 8.03 shall apply) and unless Administrative Agent determines to release such funds to the Borrowers in accordance with the following sentence, Administrative Agent shall apply all funds of a Borrower or Borrowing Base Guarantor organized under the laws of the same jurisdiction of such Borrower that are in or are received into a Collection Account or that are otherwise received under this Section 9.01 by the Administrative Agent or the Collateral Agent (except to the extent constituting Pari Passu Priority Collateral or otherwise not required to be paid pursuant to Section 2.10) on a daily basis to the repayment of (i) *first*, Fees and reimbursable expenses of the Administrative Agent and the Collateral Agent then due and payable by such Borrower and such Borrowing Base Guarantors; (ii) *second*, to interest then due and payable on all Loans to such Borrower, (iii) *third*, Overadvances to such Borrower, (iv) *fourth*, the Swingline Loans to such Borrower, (v) *fifth*, Base Rate Loans to such Borrower, pro rata, (vi) *sixth*, Eurocurrency Loans and EURIBOR Loans to such Borrower, pro rata, together with all accrued and unpaid interest thereon; provided, however, that payments on such Eurocurrency Loans and EURIBOR Loans with respect to which the application of such payment would result in the payment of the principal prior to the last day of the relevant Interest Period shall be transferred to the Cash Collateral Account to be applied to such Eurocurrency Loans or EURIBOR Loans on the last day of the relevant Interest Period of such Eurocurrency Loan or EURIBOR Loan or to the Obligations owing by such Borrower and Borrowing Base Guarantors as they come due (whether at stated maturity, by acceleration or otherwise). After payment in full has been made of the amounts required under subsections (i)-(vi) in the preceding sentence, all funds in a Collection Account or otherwise received under this Section 9.01 (except to the extent not required to be paid hereunder) shall be applied on a daily basis to all amounts described in subsections (i)-(vi) in the preceding sentence owing by any other Loan Parties, in the order set out therein. Notwithstanding the foregoing sentences, after payment in full has been made of the amounts required under subsections (i)-(vi) in the two preceding sentences, upon Administrative Borrower's request and as long as no Default has occurred and is continuing and all other conditions precedent to a Borrowing have been satisfied, any additional funds deposited in a Collection Account or a Cash Collateral Account shall be released to the applicable Borrowing Base Loan Party. In addition, if consented to by the Administrative Agent or the Required Lenders, such funds in a Cash Collateral Account may be released to the applicable Borrowing Base Loan Party. Notwithstanding the above, if

the Administrative Agent has declared the Loans and/or Reimbursement Obligations then outstanding to be forthwith due and payable in whole or in part pursuant to Section 8.01 or if an Event of Default has occurred and is continuing, the Administrative Agent shall apply all funds received in the Collection Account in accordance with Section 8.03. If this Section 9.01(e) applies, the Administrative Agent will use reasonable efforts to cooperate with the Administrative Borrower in structuring the payments under this Section 9.01(e) in a manner that would minimize withholding taxes imposed on such payments.

(f) Each Loan Party following delivery of an Activation Notice shall, acting as trustee for Collateral Agent, receive, as the property of Collateral Agent for the benefit of the Secured Parties, any monies, checks, notes, drafts or any other payment relating to and/or proceeds of Accounts, Inventory or other Collateral (subject to the Intercreditor Agreement) which come into their possession or under their control and immediately upon receipt thereof, shall deposit or cause the same to be deposited in the Blocked Accounts, or remit the same or cause the same to be remitted, in kind, to Collateral Agent. In no event shall the same be commingled with any Loan Party's own funds (except, with regard to accounts located in Europe, to the extent permitted pursuant to the applicable U.K. Security Agreement, Swiss Security Agreement, or German Security Agreement, or Control Agreements, or with respect to accounts located in any other European country, the applicable Control Agreement or other Security Documents applicable thereto). Each Loan Party agrees to reimburse Collateral Agent on demand for any amounts owed or paid to any bank at which a Blocked Account is established or any other bank or person involved in the transfer of funds to or from the Blocked Accounts arising out of Collateral Agent's payments to or indemnification of such bank or person.

(g) With regard to accounts located in Europe, the Collateral Agent may, in its sole discretion, agree pursuant to the Security Documents to vary the cash management procedures set forth herein, including as documented in the applicable U.K. Security Agreement, Swiss Security Agreement, or German Security Agreement, or Control Agreements, or with respect to accounts located in any other European country, the applicable Control Agreement or other Security Documents applicable thereto) and including, subject to Section 6.07, with regard to the Cash Pooling Arrangements. To the extent that any Security Document sets forth cash management that varies from this Section 9.01, the applicable Loan Parties shall comply with such Security Documents, and shall comply with this Section 9.01 to the extent not inconsistent therewith.

#### **SECTION 9.02 Administration of Inventory and Accounts.**

(a) Records and Reports of Inventory. Each Borrower and Borrowing Base Guarantor shall keep accurate and complete records of its Inventory, including costs and daily withdrawals and additions thereto, and shall submit to Administrative Agent inventory and reconciliation reports in form reasonably satisfactory to Administrative Agent, upon Administrative Agent's reasonable request. Each Loan Party shall conduct a physical inventory at least once per calendar year (and on a more frequent basis if requested by Administrative Agent during the continuation of an Event of Default) and periodic cycle counts consistent with historical practices, and shall provide to Administrative Agent a report based on each such inventory and count promptly upon completion thereof, together with

such supporting information as Administrative Agent may reasonably request. Administrative Agent may participate in and observe each physical count.

(b) Returns of Inventory. No Borrower or Borrowing Base Guarantor shall return any Inventory to a supplier, vendor or other Person, whether for cash, credit or otherwise, unless (i) such return is in the ordinary course of business, consistent with past practices and undertaken in good faith; (ii) no Default, Event of Default or Overadvance exists or would result therefrom; (iii) Administrative Agent is promptly notified if the aggregate value of all Inventory returned in any month exceeds \$10,000,000; and (iv) during the existence of any Event of Default or at any time after the occurrence of a Cash Dominion Trigger Event and prior to the subsequent occurrence of a Cash Dominion Recovery Event, any payment received by a Loan Party for a return is promptly remitted to Administrative Agent for application to the Secured Obligations.

(c) Acquisition, Sale and Maintenance of Inventory. The Loan Parties shall use, store and maintain all Inventory with reasonable care and caution, in accordance with applicable standards of any insurance and in conformity with all Applicable Law, and shall make current rent payments (within applicable grace periods provided for in leases) at all locations where any Collateral is located.

(d) Records and Schedules of Accounts. Each Loan Party shall keep accurate and complete records of its Accounts in all material respects, including all payments and collections thereon, and shall submit to Administrative Agent sales, collection, reconciliation and other reports in form satisfactory to Administrative Agent, on such periodic basis as Administrative Agent may reasonably request.

(e) Taxes. If an Account of any Borrower or Borrowing Base Guarantor includes a charge for any Taxes, Administrative Agent is authorized, in its discretion, upon notice to the Administrative Borrower, to pay the amount thereof to the proper Taxing Authority for the account of such Borrower or Borrowing Base Guarantor and to charge Borrowers therefor; provided, however, that neither any Agent nor any Lender shall be liable for any Taxes that may be due from any Loan Party or with respect to any Collateral.

(f) Account Verification. During a Default or Event of Default, at any time after the occurrence of a Cash Dominion Trigger Event and prior to the subsequent occurrence of a Cash Dominion Recovery Event and in connection with its field examinations, Administrative Agent shall have the right, in the name of Administrative Agent, any designee of Administrative Agent or any Loan Party, to verify the validity, amount or any other matter relating to any Accounts of any Borrower or Borrowing Base Guarantor (including Accounts purchased pursuant to a Receivables Purchase Agreement) by mail, telephone or otherwise; provided that, in the absence of an Event of Default such verification shall be limited to telephone calls made by a representative of a Loan Party, upon reasonable prior notice from Administrative Agent, in the presence of a representative of Administrative Agent to an applicable Account Debtor or a Person otherwise obligated on such Accounts, as the case may be. Loan Parties shall cooperate fully with Administrative Agent in an effort to facilitate and promptly conclude any such verification process.

**SECTION 9.03 Borrowing Base-Related Reports.** The Borrowers shall deliver or cause to be delivered (at the expense of the Borrowers) to the Collateral Agent and the Administrative Agent the following (and the Administrative Agent shall make available to the Lenders, on the Platform or otherwise, in accordance with its customary procedures):

(a) in no event less frequently than fifteen (15) days after the end of each month for the month most recently ended (or, if such day is not a Business Day, the next succeeding Business Day), a Borrowing Base Certificate from the Administrative Borrower accompanied by such supporting detail and documentation as shall be reasonably requested by the Administrative Agent in its Permitted Discretion; provided that, if during the first month of any fiscal quarter the Total Revolving Exposure (excluding LC Exposure in respect of Letters of Credit outstanding as of the Closing Date) does not at any time exceed 25% of the aggregate amount of the Lenders' Revolving Commitments and no Default is then continuing, the Administrative Borrower shall not be required to deliver a Borrowing Base Certificate with regard to such month; provided further, that after the occurrence of a Covenant Trigger Event and until the occurrence of a corresponding Covenant Recovery Event, Administrative Borrower shall deliver an additional weekly roll-forward of Accounts as referenced in paragraph (b)(i) below (both consolidated and segregated by Borrower (or Borrowing Base Guarantor) and region) within five (5) Business Days after the end of each calendar week, and, if requested by the Administrative Agent or the Required Lenders, a Borrowing Base Certificate reflecting such updated Account information (prepared weekly) within five (5) Business Days after the end of each calendar week, or, when a Default is continuing, more frequent Borrowing Base Certificates reflecting shorter periods as reasonably requested by the Administrative Agent or the Required Lenders. Each Borrowing Base Certificate shall reflect all information through the end of the appropriate period for Borrower and each Borrowing Base Guarantor, both in consolidated form and segregated by Borrower (or Borrowing Base Guarantor) and region. In addition, the Administrative Borrower shall promptly (and in any event within five (5) Business Days) provide to the Collateral Agent and the Administrative Agent an updated Borrowing Base Certificate after the occurrence of an event not in the ordinary course of business (including a casualty event, a sale or other disposition, or any other event resulting in the ineligibility of Accounts or Inventory that are included as Eligible Accounts or Eligible Inventory in the most recently delivered Borrowing Base Certificate) which causes such Accounts or Inventory in excess of \$20,000,000 included in the Total Borrowing Base no longer to be Eligible Accounts or Eligible Inventory.

(b) upon request by the Administrative Agent, and in no event less frequently than thirty (30) days after the end of (i) each month, a monthly trial balance showing Accounts outstanding aged from statement date as follows: 1 to 30 days, 31 to 60 days, 61 to 90 days and 91 days or more, accompanied by a comparison to the prior month's trial balance and such supporting detail and documentation as shall be requested by the Administrative Agent in its Permitted Discretion and (ii) each month, a summary of Inventory by location and type (differentiating raw materials, work-in-process, and finished goods) accompanied by such supporting detail and documentation as shall be requested by the Administrative Agent in its Permitted Discretion; provided that, if during the first month of any fiscal quarter the Total Revolving Exposure (excluding LC Exposure in respect of Letters of Credit outstanding as of the Closing Date) does not at any time exceed 25% of the aggregate amount of the Lenders' Revolving Commitments and no Default is then continuing, the Administrative

Borrower shall not be required to deliver such monthly trial balance or summary of Inventory with regard to such month;

(c) on or before March 31, 2011, updated field examinations and inventory appraisals, and in furtherance thereof, the Borrowers will cause such field examinations and inventory appraisals to be commenced on or before February 15, 2011; provided that if on any day prior to February 15, 2011, outstanding Loans and LC Exposure exceed \$100,000,000 in the aggregate (excluding LC Exposure in respect of Letters of Credit outstanding as of the Closing Date), the Borrowers will cause field examinations and inventory appraisals to be commenced within ten (10) days thereafter; and

(d) such other reports, statements and reconciliations with respect to the Borrowing Base or Collateral of any or all Loan Parties as the Administrative Agent shall from time to time request in its Permitted Discretion.

The delivery of each certificate and report or any other information delivered pursuant to this Section 9.03 shall constitute a representation and warranty by the Borrowers that the statements and information contained therein are true and correct in all material respects on and as of the date referred to therein.

**SECTION 9.04 Rescission of Activation Notice.** Notwithstanding any of the provisions of Section 9.01 to the contrary, after Collateral Agent has delivered an Activation Notice and upon delivery of a certificate by a Financial Officer of the Administrative Borrower to the Administrative Agent certifying that a Cash Dominion Recovery Event has occurred with respect to the outstanding Cash Dominion Trigger Event, the Collateral Agent shall rescind the Activation Notice by written notice, as necessary, to the applicable Concentration Account Banks and any such other banks to which Collateral Agent had issued such Activation Notice and following such rescission the Cash Management System shall be operated as if no such Activation Notice had been given.

## ARTICLE X

### THE ADMINISTRATIVE AGENT AND THE COLLATERAL AGENT

#### **SECTION 10.01 Appointment, Authority and Duties of Agents.**

(a) Appointment and Authority. Each Secured Party appoints and designates Bank of America as Administrative Agent and as Collateral Agent under all Loan Documents. Each Agent may, and each Secured Party authorizes each Agent to, enter into all Loan Documents to which such Agent is intended to be a party and accept all Security Documents, for the benefit of Secured Parties. Each Secured Party agrees that any action taken by any Agent or Required Lenders in accordance with the provisions of the Loan Documents, and the exercise by any Agent or Required Lenders of any rights or remedies set forth therein, together with all other powers reasonably incidental thereto, shall be authorized by and binding upon all Secured Parties. Without limiting the generality of the foregoing, the Administrative Agent and the Collateral Agent shall have the sole and exclusive authority to (a) in the case of the Administrative Agent, act as the disbursing and collecting agent for

Lenders with respect to all payments and collections arising in connection with the Loan Documents; (b) execute and deliver as Administrative Agent or as Collateral Agent, respectively, each Loan Document, including any intercreditor or subordination agreement, and accept delivery of each Loan Document from any Loan Party or other Person; (c) in the case of the Collateral Agent, act as collateral agent for Secured Parties for purposes of perfecting and administering Liens under the Loan Documents, and for all other purposes stated therein; (d) in the case of the Collateral Agent, manage, supervise or otherwise deal with Collateral; (e) in the case of the Collateral Agent, take any Enforcement Action with respect to the Collateral or otherwise exercise any rights or remedies with respect to any Collateral under the Loan Documents, Applicable Law or otherwise; and (f) take any other Enforcement Action. The duties of each Agent shall be ministerial and administrative in nature, and no Agent shall have a fiduciary relationship with any Secured Party, Participant or other Person, by reason of any Loan Document or any transaction relating thereto. Administrative Agent alone shall be authorized to determine whether any Accounts or Inventory constitute Eligible Accounts or Eligible Inventory, or whether to impose or release any reserve, and to exercise its Permitted Discretion in connection therewith, which determinations and judgments, if exercised in good faith, shall exonerate Administrative Agent from liability to any Lender or other Person for any error in judgment.

(b) Duties. No Agent shall have any duties except those expressly set forth in the Loan Documents. The conferral upon any Agent of any right shall not imply a duty on such Agent's part to exercise such right, unless instructed to do so (i) in the case of the Administrative Agent, by Required Lenders in accordance with this Agreement and (ii) in the case of the Collateral Agent, by Administrative Agent in accordance with this Agreement.

(c) Agent Professionals. Each Agent may perform its duties through agents and employees. Each Agent may consult with and employ Agent Professionals, and shall be entitled to act upon, and shall be fully protected in any action taken in good faith reliance upon, any advice given by an Agent Professional. No Agent shall be responsible for the negligence or misconduct of any agents, employees or Agent Professionals selected by it with reasonable care.

(d) Instructions of Required Lenders. The rights and remedies conferred upon each Agent under the Loan Documents may be exercised without the necessity of joinder of any other party, unless required by Applicable Law. Each Agent may request instructions from Required Lenders or other Secured Parties with respect to any act (including the failure to act) in connection with any Loan Documents, and may seek assurances to its satisfaction from Secured Parties of their indemnification obligations against all Claims that could be incurred by such Agent in connection with any act. Each Agent shall be entitled to refrain from any act until it has received such instructions or assurances, and no Agent shall incur liability to any Person by reason of so refraining. Instructions of Required Lenders shall be binding upon all Secured Parties, and no Secured Party shall have any right of action whatsoever against any Agent as a result of such Agent acting or refraining from acting in accordance with the instructions of Required Lenders. Notwithstanding the foregoing, instructions by and consent of Secured Parties shall be required in the circumstances described in Section 11.02. In no event shall any Agent be required to take any action that, in

its opinion, is contrary to Applicable Law or any Loan Documents or could subject any Agent Indemnitee to personal liability.

**SECTION 10.02 Agreements Regarding Collateral and Field Examination Reports.**

(a) Lien Releases; Care of Collateral. Secured Parties authorize Collateral Agent to release any Lien with respect to any Collateral (a) upon Full Payment of the Secured Obligations; (b) that is the subject of a sale, lease, license, consignment, transfer or other disposition which Administrative Borrower certifies in writing to Administrative Agent and Collateral Agent is permitted by Section 6.06 (provided that no Lien shall be released in any Series of Cash Neutral Transactions or in any Asset Sale to another Loan Party) (and Agent may rely conclusively on any such certificate without further inquiry); (c) that does not constitute a material part of the Collateral; (d) if the property subject to such Lien is owned by a Guarantor, upon release of such Guarantor from its obligations under its Guarantee pursuant to Section 7.09; or (e) with the written consent of the Required Lenders or such other number of Lenders whose consent is required under Section 11.02. Secured Parties authorize Collateral Agent to subordinate or release its Liens to any a Lien permitted hereunder that secures a Purchase Money Obligation or Capital Lease Obligation permitted hereunder. No Agent shall have any obligation to assure that any Collateral exists or is owned by a Loan Party, or is cared for, protected or insured, nor to assure that Collateral Agent's Liens have been properly created, perfected or enforced, or are entitled to any particular priority, nor to exercise any duty of care with respect to any Collateral.

(b) Possession of Collateral. Each Agent and Secured Party appoints each Lender as agent (for the benefit of Secured Parties) for the purpose of perfecting Liens in any Collateral held or controlled by such Lender, to the extent such Liens are perfected by possession or control. If any Lender obtains possession or control of any Collateral, it shall notify Collateral Agent thereof and, promptly upon Collateral Agent's request, deliver such Collateral to Collateral Agent or otherwise deal with it in accordance with Collateral Agent's instructions.

(c) Reports. Each Agent shall promptly forward to each Lender, when complete, copies of any field audit, examination or appraisal report prepared by or for such Agent with respect to any Loan Party or Collateral (each, a "**Report**"). Each Lender agrees (a) that neither Bank of America nor any Agent makes any representation or warranty as to the accuracy or completeness of any Report, and neither Bank of America nor any Agent shall be liable for any information contained in or omitted from any Report; (b) that the Reports are not intended to be comprehensive audits or examinations, and that any Agent or any other Person performing any audit or examination will inspect only specific information regarding Secured Obligations or the Collateral and will rely significantly upon the Loan Parties' books and records as well as upon representations of the Loan Parties' officers and employees; and (c) to keep all Reports confidential and strictly for such Lender's internal use, and not to distribute any Report (or the contents thereof) to any Person (except to such Lender's Participants, attorneys and accountants) or use any Report in any manner other than administration of the Loans and other Secured Obligations. Each Lender shall indemnify and hold harmless each Agent and any other Person preparing a Report from any action such Lender may take as a result of or any conclusion it may draw from any Report, as well as

from any Claims arising as a direct or indirect result of any Agent furnishing a Report to such Lender.

(d) Dealings with Collateral Agent. Each Secured Party (other than the Administrative Agent and the Collateral Agent and their respective co-agents and sub-agents) shall deal with the Collateral Agent exclusively through the Administrative Agent and shall not deal directly with the Collateral Agent. The Collateral Agent shall be entitled to act and rely upon the instructions of the Administrative Agent with regard to all matters relating to the Loan Documents and the Collateral.

**SECTION 10.03 Reliance by Agents**. Each Agent shall be entitled to rely, and shall be fully protected in relying, upon any certification, notice or other communication (including those by telephone, telex, telegram, telecopy or e-mail) believed by it to be genuine and correct and to have been signed, sent or made by the proper Person, and upon the advice and statements of Agent Professionals.

**SECTION 10.04 Action Upon Default**. No Agent shall be deemed to have knowledge of any Default or Event of Default unless it has received written notice from a Lender or Loan Party specifying the occurrence and nature thereof. If any Lender acquires knowledge of a Default or Event of Default, it shall promptly notify Administrative Agent and the other Lenders thereof in writing. Each Secured Party (other than the Administrative Agent and the Collateral Agent) agrees that, except as otherwise provided in any Loan Documents or with the written consent of Administrative Agent and Required Lenders, it will not (i) take any Enforcement Action, (ii) accelerate Secured Obligations (other than Secured Bank Product Obligations) or (iii) exercise any right that it might otherwise have under Applicable Law to credit bid at foreclosure sales, UCC sales or other similar dispositions of Collateral or to assert any rights relating to any Collateral. Notwithstanding the foregoing, however, a Secured Party may take action to preserve or enforce its rights against a Loan Party where a deadline or limitation period is applicable that would, absent such action, bar enforcement of Secured Obligations held by such Secured Party, including the filing of proofs of claim in an Insolvency Proceeding. No Lender shall set off against any account that is subject to a Control Agreement without the prior consent of Administrative Agent.

**SECTION 10.05 Indemnification of Agent Indemnitees**. **EACH LENDER SHALL INDEMNIFY AND HOLD HARMLESS AGENT INDEMNITEES AND ISSUING BANK INDEMNITEES, TO THE EXTENT NOT REIMBURSED BY LOAN PARTIES, IN ACCORDANCE WITH ITS PRO RATA PERCENTAGE, AGAINST ALL CLAIMS THAT MAY BE INCURRED BY OR ASSERTED AGAINST ANY AGENT INDEMNITEE OR ISSUING BANK INDEMNITEE, PROVIDED THAT ANY CLAIM AGAINST AN AGENT INDEMNITEE RELATES TO OR ARISES FROM ITS ACTING AS OR FOR AN AGENT (IN THE CAPACITY AS AN AGENT)**. In Administrative Agent's discretion, it may reserve for any Claims made against an Agent Indemnitee or Issuing Bank Indemnitee, and may satisfy any judgment, order or settlement relating thereto, from proceeds of Collateral prior to any Agent making any distribution of Collateral proceeds to Secured Parties. If any Agent is sued by any receiver, bankruptcy trustee, debtor-in-possession or other Person for any alleged preference or fraudulent transfer, then any monies paid by such Agent in settlement or satisfaction of such proceeding, together with all interest, costs and

expenses (including attorneys' fees) incurred in the defense of same, shall be promptly reimbursed to such Agent by each Lender to the extent of its Pro Rata Percentage.

**SECTION 10.06 Limitation on Responsibilities of Agents.** No Agent shall be liable to any Secured Party for any action taken or omitted to be taken under the Loan Documents, except for losses directly and solely caused by such Agent's gross negligence or willful misconduct. No Agent assumes any responsibility for any failure or delay in performance or any breach by any Loan Party, Lender or other Secured Party of any obligations under the Loan Documents. No Agent makes to Secured Parties any express or implied warranty, representation or guarantee with respect to any Secured Obligations, Collateral, Loan Documents or Loan Party. No Agent Indemnitee shall be responsible to Secured Parties for any recitals, statements, information, representations or warranties contained in any Loan Documents; the execution, validity, genuineness, effectiveness or enforceability of any Loan Documents; the genuineness, enforceability, collectibility, value, sufficiency, location or existence of any Collateral, or the validity, extent, perfection or priority of any Lien therein; the validity, enforceability or collectibility of any Secured Obligations; or the assets, liabilities, financial condition, results of operations, business, creditworthiness or legal status of any Loan Party or Account Debtor. No Agent Indemnitee shall have any obligation to any Secured Party to ascertain or inquire into the existence of any Default or Event of Default, the observance or performance by any Loan Party of any terms of the Loan Documents, or the satisfaction of any conditions precedent contained in any Loan Documents. Neither Administrative Agent nor Collateral Agent shall be liable for any application of amounts made by it in good faith and, if any such application is subsequently determined to have been made in error, the sole recourse of any Secured Party or other Person to which such amount should have been made shall be to recover the amount from the Person that actually received it (and, if such amount was received by any Secured Party, such Secured Party hereby agrees to return it).

**SECTION 10.07 Successor Agents and Co-Agents.**

(a) Resignation; Successor Agent. Subject to the appointment and acceptance of a successor Agent as provided below, any Agent may resign at any time by giving at least 30 days written notice thereof to the other Agent, Lenders and Administrative Borrower. Upon receipt of such notice, Required Lenders shall have the right to appoint a successor Agent which shall be (a) a Lender or an Affiliate of a Lender; or (b) a commercial bank that is organized under the laws of the United States or any state or district thereof, has a combined capital surplus of at least \$200,000,000 and (provided no Default or Event of Default exists) is reasonably acceptable to Administrative Borrower. If no successor Agent is appointed prior to the effective date of the resignation of an Agent, then such Agent may appoint a successor agent from among Lenders or, if no Lender accepts such role, such Agent may appoint Required Lenders as successor agent. Upon acceptance by a successor Agent of an appointment to serve as an Agent hereunder, or upon appointment of Required Lenders as successor Agent, such successor Agent shall thereupon succeed to and become vested with all the powers and duties of the retiring Agent without further act, and the retiring Agent shall be discharged from its duties and obligations hereunder in its capacity as such Agent, but shall continue to have the benefits of the indemnification set forth in Sections 10.05 and 11.03. Notwithstanding any Agent's resignation, the provisions of this Section 10.07 shall continue in effect for its benefit with respect to any actions taken or omitted to be taken by it while

Agent. Any successor to Bank of America by merger or acquisition of stock or this loan shall continue to be Administrative Agent and Collateral Agent hereunder without further act on the part of the parties hereto, unless such successor resigns as provided above.

(b) Co-Collateral Agent. It is the intent of the parties that there shall be no violation of any Applicable Law denying or restricting the right of financial institutions to transact business in any jurisdiction. If Collateral Agent believes that it may be limited in the exercise of any rights or remedies under the Loan Documents due to any Applicable Law, or for any other reason in its sole discretion, Collateral Agent (or the Lenders) may appoint an additional Person as a co-collateral agent. If Collateral Agent (or the Lenders) so appoints a co-collateral agent, each right and remedy intended to be available to Collateral Agent under the Loan Documents shall also be vested in such separate agent. Every covenant and obligation necessary to the exercise thereof by such agent shall run to and be enforceable by it as well as Collateral Agent. Secured Parties shall execute and deliver such documents as Collateral Agent deems appropriate to vest any rights or remedies in such agent. If any co-collateral agent shall die or dissolve, become incapable of acting, resign or be removed, then all the rights and remedies of such agent, to the extent permitted by Applicable Law, shall vest in and be exercised by Collateral Agent until appointment of a new agent. For the avoidance of doubt, French Collateral Agent shall be a co-collateral agent hereunder.

**SECTION 10.08 Due Diligence and Non-Reliance**. Each Lender acknowledges and agrees that it has, independently and without reliance upon any Agent or any other Lenders, and based upon such documents, information and analyses as it has deemed appropriate, made its own credit analysis of each Loan Party and its own decision to enter into this Agreement and to fund Loans and participate in LC Obligations hereunder. Each Secured Party has made such inquiries as it feels necessary concerning the Loan Documents, Collateral and Loan Parties. Each Secured Party acknowledges and agrees that the other Secured Parties have made no representations or warranties concerning any Loan Party, any Collateral or the legality, validity, sufficiency or enforceability of any Loan Documents or Obligations. Each Secured Party will, independently and without reliance upon any other Secured Party, and based upon such financial statements, documents and information as it deems appropriate at the time, continue to make and rely upon its own credit decisions in making Loans and participating in LC Obligations, and in taking or refraining from any action under any Loan Documents. Except for notices, reports and other information expressly requested by a Lender, no Agent shall have any duty or responsibility to provide any Secured Party with any notices, reports or certificates furnished to such Agent by any Loan Party or any credit or other information concerning the affairs, financial condition, business or properties of any Loan Party (or any of its Affiliates) which may come into possession of any Agent or its Affiliates.

**SECTION 10.09 Remittance of Payments and Collections**.

(a) Remittances Generally. All payments by any Lender to any Agent shall be made by the time and on the day set forth in this Agreement, in immediately available funds. If no time for payment is specified or if payment is due on demand by an Agent and request for payment is made by such Agent by 11:00 a.m., New York time, on a Business Day, payment shall be made by Lender not later than 2:00 p.m., New York time, on such day, and if request is made after 11:00 a.m., New York time, then payment shall be made by 11:00 a.m.,

New York time, on the next Business Day. Payment by any Agent to any Secured Party shall be made by wire transfer, in the type of funds received by such Agent. Any such payment shall be subject to such Agent's right of offset for any amounts due from such payee under the Loan Documents.

(b) Failure to Pay. If any Secured Party fails to pay any amount when due by it to any Agent pursuant to the terms hereof, such amount shall bear interest from the due date until paid at the rate determined by such Agent as customary in the banking industry for interbank compensation. In no event shall Borrowers be entitled to receive credit for any interest paid by a Secured Party to any Agent, nor shall any Defaulting Lender be entitled to interest on any amounts held by any Agent pursuant to Section 2.14(f).

(c) Recovery of Payments. If any Agent pays any amount to a Secured Party in the expectation that a related payment will be received by such Agent from any Loan Party and such related payment is not received, then such Agent may recover such amount from each Secured Party that received it. If any Agent determines at any time that an amount received under any Loan Document must be returned to any Loan Party or paid to any other Person pursuant to Applicable Law or otherwise, then, notwithstanding any other term of any Loan Document, such Agent shall not be required to distribute such amount to any Lender. If any amounts received and applied by any Agent to any Secured Obligations are later required to be returned by such Agent pursuant to Applicable Law, each Lender shall pay to such Agent, on demand, such Lender's share (in accordance with its Pro Rata Percentage, where applicable) of the amounts required to be returned.

**SECTION 10.10 Agent in its Individual Capacity.** As a Lender, Bank of America shall have the same rights and remedies under the other Loan Documents as any other Lender, and the terms "Lenders," "Required Lenders" or any similar term shall include Bank of America in its capacity as a Lender. Each of Bank of America and its Affiliates may accept deposits from, maintain deposits or credit balances for, invest in, lend money to, provide Bank Products to, act as trustee under indentures of, serve as financial or other advisor to, and generally engage in any kind of business with, Loan Parties and their Affiliates, as if Bank of America were any other bank, without any duty to account therefor (including any fees or other consideration received in connection therewith) to the other Lenders. In their individual capacity, Bank of America and its Affiliates may receive information regarding Loan Parties, their Affiliates and their Account Debtors (including information subject to confidentiality obligations), and each Secured Party agrees that Bank of America and its Affiliates shall be under no obligation to provide such information to any Secured Party, if acquired in such individual capacity and not as an Agent hereunder.

**SECTION 10.11 Agent Titles.** Each Lender, other than Bank of America, that is designated (on the cover page of this Agreement or otherwise) by Bank of America as an "Agent" or "Arranger" of any type shall not have any right, power, responsibility or duty under any Loan Documents other than those applicable to all Lenders, and shall in no event be deemed to have any fiduciary relationship with any other Lender.

**SECTION 10.12 Bank Product Providers.** Each Secured Bank Product Provider, by delivery of a notice to Administrative Agent of a Bank Product, agrees to be bound by Section

8.03, ARTICLES VII, X and XI, and the Intercreditor Agreement. Each Secured Bank Product Provider shall indemnify and hold harmless Agent Indemnitees, to the extent not reimbursed by Loan Parties, against all Claims that may be incurred by or asserted against any Agent Indemnitee in connection with such provider's Secured Bank Product Obligations.

**SECTION 10.13 No Third Party Beneficiaries.** This ARTICLE X is an agreement solely among Secured Parties and Agents, and shall survive Full Payment of the Secured Obligations. This ARTICLE X does not confer any rights or benefits upon the Loan Parties or any other Person. As between the Loan Parties and Agents, any action that any Agent may take under any Loan Documents or with respect to any Secured Obligations shall be conclusively presumed to have been authorized and directed by Secured Parties.

**SECTION 10.14 Release.** Each Lender and each Issuer hereby releases each Agent acting on its behalf pursuant to the terms of this Agreement or any other Loan Document from the restrictions of Section 181 of the German Civil Code (*Bürgerliches Gesetzbuch*) (restriction on self-dealing).

**SECTION 10.15 Acknowledgment of Security Trust Deed.** Each Secured Party acknowledges the terms of the Security Trust Deed and, in particular, the terms, basis and limitation on which the Collateral Agent holds the "Transaction Security" (as defined therein) and specifically agrees and accepts (i) such terms, basis and limitation; (ii) that the Collateral Agent shall, as trustee, have only those duties, obligations and responsibilities expressly specified in the Security Trust Deed; (iii) the limitation and exclusion of the Collateral Agent's liability as set out therein; and (iv) all other provisions of the Security Trust Deed as if it were a party thereto.

Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices delivered through electronic communications to the extent provided in paragraph (b) below, shall be effective as provided in said paragraph (b).

(b) Electronic Communications. Notices and other communications to the Lenders and the Issuing Banks hereunder may (subject to Section 11.01(d)) be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender or Issuing Bank pursuant to ARTICLE II if such Lender or Issuing Bank, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent, the Collateral Agent or Administrative Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it (including as set forth in Section 11.01(d)); provided that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement); provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(c) Change of Address, Etc. Any party hereto may change its address or telecopier number for notices and other communications hereunder by notice to the other parties hereto.

(d) Posting. Each Loan Party hereby agrees that it will provide to the Administrative Agent all information, documents and other materials that it is obligated to furnish to the Administrative Agent pursuant to this Agreement and any other Loan Document, including all notices, requests, financial statements, financial and other reports, certificates and other information materials, but excluding any such communication that (i) relates to a

request for a new, or a conversion of an existing, Borrowing or other extension of credit (including any election of an interest rate or interest period relating thereto), (ii) relates to the payment of any principal or other amount due under this Agreement prior to the scheduled date therefor, (iii) provides notice of any Default under this Agreement or (iv) is required to be delivered to satisfy any condition precedent to the effectiveness of this Agreement and/or any borrowing or other extension of credit hereunder (all such non-excluded communications, collectively, the “**Communications**”), by transmitting the Communications in an electronic/soft medium in a format reasonably acceptable to the Administrative Agent at [peter.walther@baml.com](mailto:peter.walther@baml.com) or at such other e-mail address(es) provided to Administrative Borrower from time to time or in such other form, including hard copy delivery thereof, as the Administrative Agent shall reasonably require. Nothing in this [Section 11.01\(d\)](#) shall prejudice the right of the Agents, any Lender or any Loan Party to give any notice or other communication pursuant to this Agreement or any other Loan Document in any other manner specified in this Agreement or any other Loan Document.

To the extent consented to by the Administrative Agent from time to time, Administrative Agent agrees that receipt of the Communications by the Administrative Agent at its e-mail address(es) set forth above shall constitute effective delivery of the Communications to the Administrative Agent for purposes of the Loan Documents; provided that Administrative Borrower shall also deliver to the Administrative Agent an executed original of each Compliance Certificate and an executed copy (which may be by pdf or similar electronic transmission) of each notice or request of the type described in clauses (i) through (iv) of paragraph (d) above required to be delivered hereunder.

Each Loan Party further agrees that Administrative Agent may make the Communications available to the Lenders by posting the Communications on Intralinks or a substantially similar electronic transmission system (the “**Platform**”). **THE PLATFORM IS PROVIDED “AS IS” AND “AS AVAILABLE.” THE AGENTS DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE COMMUNICATIONS, OR THE ADEQUACY OF THE PLATFORM AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS OR OMISSIONS IN THE COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT IN CONNECTION WITH THE COMMUNICATIONS OR THE PLATFORM.** In no event shall any Agent or any of its Related Parties have any liability to the Loan Parties, any Lender or any other person for damages of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of any Loan Party’s or any Agent’s transmission of communications through the Internet, except to the extent the liability of such person is found in a final non-appealable judgment by a court of competent jurisdiction to have resulted from such person’s gross negligence or willful misconduct.

**SECTION 11.02 Waivers; Amendment.**

(a) Generally. No failure or delay by any Agent, any Issuing Bank or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of each Agent, the Issuing Banks and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by this Section 11.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether any Agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default at the time. No notice or demand on any Loan Party in any case shall entitle any Loan Party to any other or further notice or demand in similar or other circumstances.

(b) Required Consents. Subject to the terms of the Intercreditor Agreement and to Section 11.02(c) through (h), no modification of any Loan Document, including any extension or amendment of a Loan Document or any waiver of a Default or Event of Default, shall be effective without the prior written agreement of Administrative Agent (or Collateral Agent, in the case of any Security Document) with the consent of Required Lenders, and each Loan Party party to such Loan Document; provided, however, that

(i) no modification shall be effective with respect to any provision in a Loan Document that relates to any rights, duties or discretion of any Agent, without the prior written consent of such Agent;

(ii) without the prior written consent of such Issuing Bank, no modification shall be effective with respect to any LC Obligations, Section 2.18 or any other provision in a Loan Document that relates to any rights, duties or discretion of an Issuing Bank;

(iii) without the prior written consent of each affected Lender, no modification shall be effective that would (i) increase the Commitment of such Lender; (ii) reduce the amount of, or waive or delay payment of, any principal, interest or fees payable to such Lender; or (iii) extend the Maturity Date;

(iv) without the prior written consent of all Lenders (except a Defaulting Lender as provided in Section 2.14(f)), no modification shall be effective that would (i) alter Section 8.03 or 11.02; (ii) except as provided in Section 11.02(h), amend the definition of Borrowing Base (or any defined term used in such definition), Pro Rata Percentage or Required Lenders; (iii) increase any advance rate; (iv) release all or substantially all of the Collateral, except as currently contemplated by the Loan Documents; or (v) except as expressly permitted by the Loan Documents, release any Obligor from liability for any Obligations, if such Obligor is Solvent at the time of the release;

(v) without the prior written consent of a Secured Bank Product Provider, no modification shall be effective that affects its relative payment priority under Section 8.03; and

(vi) without the written consent of each relevant Swingline Lender, no modification shall be effective that would change or waive any provision hereof relating to Swingline Loans (including the definition of “European Swingline Commitment”)

provided further, that, notwithstanding anything to the contrary contained herein, each Agent is hereby authorized by each Lender to enter into any amendment to or modification of the Intercreditor Agreement or the Security Documents in connection with the issuance or incurrence of Pari Passu Secured Obligations or Subordinated Lien Secured Obligations, solely to the extent necessary to effect such amendments as may be necessary or appropriate, in the reasonable opinion of such Agent, in connection with any such issuance or incurrence expressly permitted hereunder, so long as such amendment or modification does not adversely affect the rights of any Lender (it being understood that allowing Pari Passu Secured Obligations and Subordinated Lien Secured Obligations to be secured by Collateral on the terms set forth in the Intercreditor Agreement will not be deemed to adversely affect the rights of any Lender).

(c) Collateral. Without the consent of any other person, the applicable Loan Party or Parties and the Administrative Agent and/or Collateral Agent may (in its or their respective sole discretion, or shall, to the extent required by any Loan Document) enter into any amendment or waiver of any Loan Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, or as required by local law to give effect to, or protect any security interest for the benefit of the Secured Parties, in any property or so that the security interests therein comply with Applicable Law.

(d) Dissenting Lenders. If a Lender fails to give its consent to any amendment, waiver or action for which consent of all Lenders was required and Required Lenders have consented, then, in addition to any other rights and remedies that any Person may have, Administrative Agent may, by notice to such Lender within 120 days after such event, require such Lender to assign all of its rights and obligations under the Loan Documents to Eligible Assignee(s) specified by Administrative Agent, pursuant to appropriate Assignment and Assumption(s) and within 20 days after Administrative Agent’s notice. Administrative Agent is irrevocably appointed as attorney-in-fact to execute any such Assignment and Assumption if the Lender fails to execute same. Such Lender shall be entitled to receive, in cash, concurrently with such assignment, all amounts owed to it under the Loan Documents, including all principal, interest and fees through the date of assignment (including any amount payable pursuant to Section 2.13).

(e) Holdings Amalgamation and Increased Commitments. Notwithstanding the foregoing, the Administrative Agent and the Borrowers (without the consent of any Lenders) may amend or amend and restate this Agreement and the other Loan Documents if necessary or advisable in connection with or to effectuate (i) the Permitted Holdings Amalgamation and (ii) any increase in Commitments contemplated by Section 2.23.

(f) Limitations. The agreement of any Loan Party shall not be necessary to the effectiveness of any modification of a Loan Document that deals solely with the rights and duties of any Lender, any Agent and/or any Issuing Bank as among themselves. Only the consent of the parties to the Fee Letter or any agreement relating to a Bank Product shall be required for any modification of such agreement, and any non-Lender that is party to a Bank Product agreement shall have no right to participate in any manner in modification of any other Loan Document. Any waiver or consent granted by Agents or Lenders hereunder shall be effective only if in writing and only for the matter specified.

(g) Loan Modification Offers.

(i) The Administrative Borrower may, by written notice to the Administrative Agent, make one or more offers (a “**Loan Modification Offer**”) to all Lenders to make no more than one Permitted Amendment (as defined below) pursuant to procedures reasonably specified by the Administrative Agent and reasonably acceptable to the applicable Borrowers. Such notice shall set forth (i) the terms and conditions of the requested Permitted Amendment and (ii) the date on which such Permitted Amendment is requested to become effective (which shall not be less than 10 Business Days nor more than 30 Business Days after the date of such notice) (or such shorter periods as are acceptable to the Administrative Agent). Permitted Amendments shall become effective only with respect to the Loans of Lenders that accept the applicable Loan Modification Offer (such Lenders, the “**Accepting Lenders**”).

(ii) The Borrowers, each Accepting Lender, each Issuing Lender and each Swingline Lender shall execute and deliver to the Administrative Agent a loan modification agreement in a form acceptable to the Administrative Agent (a “**Loan Modification Agreement**”) and such other documentation as the Administrative Agent shall reasonably specify to evidence the acceptance of the Permitted Amendment and the terms and conditions thereof. The Administrative Agent shall promptly notify each Lender, each Issuing Lender and each Swingline Lender as to the effectiveness of such Loan Modification Agreement. Each of the parties hereto hereby agrees that, upon the effectiveness of the Loan Modification Agreement, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Permitted Amendment evidenced thereby and only with respect to the Loans and Commitments of the Accepting Lenders (such Commitments, the “**Extended Commitments**”). Notwithstanding the foregoing, the Permitted Amendment shall not become effective under this Section 11.02 unless the Administrative Agent, to the extent so reasonably requested by the Administrative Agent, shall have received corporate documents, officers’ certificates or legal opinions consistent with those delivered on the Closing Date under Section 4.01.

(iii) “**Permitted Amendment**” shall mean (A) an extension of the final maturity date of the applicable Commitments of the Accepting Lenders; provided that such extension may not result in having more than two different maturity dates under this Agreement; provided further, that subject to any amendments to Sections 2.17 and 2.18 or otherwise to the extent dealing with Letters of Credit and Swingline Loans which mature or expire after a maturity date when there exist Extended Commitments with a longer maturity date (which may, with the consent of the applicable Swingline Lender or Issuing Bank, provide that participations in Letters of Credit expiring on or after the Maturity Date then in effect shall be re-allocated on

the Maturity Date from existing Lenders to Accepting Lenders), all Letters of Credit and Swingline Loans shall be participated in on a pro rata basis by all Lenders with Commitments in accordance with their Pro Rata Percentage and all borrowings under the Commitments and repayments thereunder shall be made on a pro rata basis (except for (1) payments of interest and fees at different rates on Extended Commitments (and related outstandings) and (2) repayments required upon the maturity date of the non-extending Commitments), and (B) any other amendment to a Loan Document required to give effect to the Permitted Amendments described in clause (A) of this Section 11.02(g). This Section 11.02(g) shall supersede any provisions in Section 2.14 or Section 11.02 to the contrary.

(h) Certain Borrowing Base Additions. The Administrative Borrower may request that (i) Accounts of one or more Borrowers or Borrowing Base Guarantors that would otherwise not be Eligible Accounts solely because the Account Debtor either (A) maintains its Chief Executive Office in a specific jurisdiction that is not an Applicable Eligible Jurisdiction, or (B) is organized under the laws of a specific jurisdiction that is not an Applicable Eligible Jurisdiction or any state, territory, province or subdivision thereof, be treated as Eligible Accounts, or (ii) Accounts sold in a true sale by a Subsidiary Guarantor to a Borrower or Borrowing Base Guarantor (other than pursuant to the German Receivables Purchase Agreement or the Swiss Receivables Purchase Agreements) be able to be treated as Eligible Accounts of such Borrower or Borrowing Base Guarantor (subject to meeting applicable eligibility criteria), and in each case the Lenders hereby agree that the eligibility criteria may be adjusted to treat such Accounts as eligible accounts so long as (i) with regard to Accounts constituting in the aggregate less than 10% of the Total Borrowing Base, the Administrative Agent so agrees in its sole discretion, and (ii) with regard to Accounts constituting in the aggregate 10% or more (but less than 25%) of the Total Borrowing Base, the Majority Lenders so agree (provided that such an adjustment with regard to a greater portion of the Total Borrowing Base may be made only with the prior written consent of all Lenders (except a Defaulting Lender as provided in Section 2.14(f)); provided, however, that prior to any such Account being treated as eligible, (y) the Administrative Borrower shall, at Borrowers' expense, execute, acknowledge and deliver, or cause the execution, acknowledgment and delivery of, and thereafter register, file or record, or cause to be registered, filed or recorded, in an appropriate governmental office, any security agreement, guaranty, or other agreement, document or instrument supplemental to or confirmatory of the Security Documents or other Loan Documents, together with such certificates, legal opinions, and other deliverables as may be requested by the Administrative Agent in its sole discretion, and (z) such Account shall meet such additional Eligibility Criteria as the Administrative Agent may establish in its sole discretion, including requiring legal opinions from both the jurisdiction in which the applicable account is originated and the jurisdiction of the account debtor, satisfaction of any requirements to notify account debtors in a manner deemed necessary and desirable, requiring periodic scheduling of accounts subject to pledge or other actions reasonably necessary to identify Accounts subject to a pledge and a field examination with respect to such Accounts. In addition, the Administrative Agent and the Collateral Agent may enter into the agreements and documents referred to in the definition of "Eligible Swiss Subsidiary Accounts" and otherwise effect the arrangements contemplated hereby with regard to such Accounts.

**SECTION 11.03 Expenses; Indemnity; Damage Waiver.**

(a) Costs and Expenses. Borrowers shall reimburse each Agent for all Extraordinary Expenses. Borrowers shall also reimburse each Agent for all legal, accounting, appraisal, consulting, and other fees, costs and expenses incurred by it in connection with (a) negotiation and preparation of any Loan Documents, including any amendment or other modification thereof; (b) administration of and actions relating to any Collateral, Loan Documents and transactions contemplated thereby, including any actions taken to perfect or maintain priority of Collateral Agent's Liens on any Collateral, to maintain any insurance required hereunder or to verify Collateral; and (c) subject to the limits of Section 5.07(c), each inspection, audit or appraisal with respect to any Loan Party or Collateral, whether prepared by an Agent's personnel or a third party; provided that legal fees shall be limited to (together with allocated costs of internal counsel) the reasonable fees, charges and disbursements of one external counsel (plus local counsel in each applicable jurisdiction) for the Administrative Agent and/or the Collateral Agent, one external counsel (plus local counsel in each applicable jurisdiction) for the Lenders, and one external counsel (plus local counsel in each applicable jurisdiction) for any Receiver. All legal, accounting and consulting fees shall be charged to Borrowers by Agents' professionals at their full hourly rates, regardless of any reduced or alternative fee billing arrangements that Agent, any Lender or any of their Affiliates may have with such professionals with respect to this or any other transaction. If, for any reason (including inaccurate reporting on financial statements or a Compliance Certificate), it is determined that a higher Applicable Margin should have applied to a period than was actually applied, then the proper margin shall be applied retroactively and Borrowers shall immediately pay to Administrative Agent, for the *pro rata* benefit of Lenders, an amount equal to the difference between the amount of interest and fees that would have accrued using the proper margin and the amount actually paid.

(b) Indemnification by Loan Parties. **EACH LOAN PARTY SHALL INDEMNIFY AND HOLD HARMLESS THE INDEMNITEES AGAINST ANY CLAIMS THAT MAY BE INCURRED BY OR ASSERTED AGAINST ANY INDEMNITEE, INCLUDING CLAIMS ARISING FROM THE NEGLIGENCE OF AN INDEMNITEE.** In no event shall any party to a Loan Document have any obligation thereunder to indemnify or hold harmless an Indemnitee with respect to a Claim that is determined in a final, non-appealable judgment by a court of competent jurisdiction to result from the gross negligence or willful misconduct of such Indemnitee. **WITHOUT LIMITATION OF THE FOREGOING, IT IS THE INTENTION OF THE LOAN PARTIES, AND THE LOAN PARTIES AGREE, THAT THE FOREGOING INDEMNITIES SHALL APPLY TO EACH INDEMNITEE WITH RESPECT TO LOSSES, CLAIMS, DAMAGES, PENALTIES, LIABILITIES AND RELATED EXPENSES (INCLUDING, WITHOUT LIMITATION, ALL EXPENSES OF LITIGATION OR PREPARATION THEREFOR), WHICH IN WHOLE OR IN PART ARE CAUSED BY OR ARISE OUT OF THE COMPARATIVE, CONTRIBUTORY OR SOLE NEGLIGENCE OF SUCH (AND/OR ANY OTHER) INDEMNITEE.**

(c) Waiver of Consequential Damages, Etc. To the fullest extent permitted by Applicable Law, no Loan Party shall assert, and each Loan Party hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or

punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee referred to in paragraph (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(d) Payments. All amounts due under this Section shall be payable not later than three (3) Business Days after demand therefor accompanied by reasonable particulars of amounts due.

#### **SECTION 11.04 Successors and Assigns.**

(a) Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the Loan Parties, each Agent, the Lenders, the other Secured Parties, and their respective successors and assigns, except that (a) no Loan Party shall have the right to assign its rights or delegate its obligations under any Loan Documents (except as a result of a transaction expressly permitted by Section 6.05(c) or (e)); and (b) any assignment by a Lender must be made in compliance with this Section 11.04(c). Each Agent may treat the Person which made any Loan as the owner thereof for all purposes until such Person makes an assignment in accordance with Section 11.04(c). Any authorization or consent of a Lender shall be conclusive and binding on any subsequent transferee or assignee of such Lender.

#### (b) Participations.

(i) Permitted Participants; Effect. Any Lender may, in the ordinary course of its business and in accordance with Applicable Law, at any time sell to a financial institution other than a Defaulting Lender (a "**Participant**") a participating interest in the rights and obligations of such Lender under any Loan Documents. Despite any sale by a Lender of participating interests to a Participant, such Lender's obligations under the Loan Documents shall remain unchanged, such Lender shall remain solely responsible to the other parties hereto for performance of such obligations, such Lender shall remain the holder of its Loans and Commitments for all purposes, all amounts payable by Borrowers shall be determined as if such Lender had not sold such participating interests, and Borrowers and each Agent shall continue to deal solely and directly with such Lender in connection with the Loan Documents. Each Lender shall be solely responsible for notifying its Participants of any matters under the Loan Documents, and each Agent and the other Lenders shall not have any obligation or liability to any such Participant. Subject to the following sentence, each Borrower agrees that each Participant shall be entitled to the benefits of Section 2.06(j), Section 2.12, Section 2.13, Section 2.15, Section 2.16, Section 2.21, and Section 7.10 (subject to the requirements of those Sections) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (c) of this Section (and such Participant shall be deemed to be a Lender for purposes of the definition of Excluded Taxes); provided that a Participant shall not be entitled to such benefits unless (A) such Participant and its respective participation are recorded in the Register in accordance with Section 11.04(c) as if such Participant were a Lender and (B) such Participant

complies with Section 2.15 as if such Participant were a Lender. A Participant shall not be entitled to receive any greater payment under Section 2.06(j), Section 2.12, Section 2.13, Section 2.15, Section 2.16, Section 2.21, and Section 7.10 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with Administrative Borrower's prior written consent.

(ii) Voting Rights. Each Lender shall retain the sole right to approve, without the consent of any Participant, any amendment, waiver or other modification of any Loan Documents other than that which (A) forgives principal, interest or fees, (B) reduces the stated interest rate or fees payable with respect to any Loan or Commitment in which such Participant has an interest, (C) postpones the Maturity Date or any date fixed for any regularly scheduled payment of principal, interest or fees on such Loan or Commitment, (D) except pursuant to the Intercreditor Agreement, as expressly provided in this Agreement or as otherwise provided by any such Guarantee, releases all or substantially all of the Subsidiary Guarantors from their Guarantees or limits the liability of all or substantially all of the Subsidiary Guarantors in respect of such Guarantees, or (E) except pursuant to the Intercreditor Agreement or the express terms hereof, releases all or substantially all of the Collateral.

(iii) Benefit of Set-Off. Borrowers agree that each Participant shall have a right of set-off in respect of its participating interest to the same extent as if such interest were owing directly to a Lender, and each Lender shall also retain the right of set-off with respect to any participating interests sold by it. By exercising any right of set-off, a Participant agrees to share with Lenders all amounts received through its set-off, in accordance with Section 11.08 as if such Participant were a Lender.

(c) Assignments.

(i) Permitted Assignments. A Lender may assign to an Eligible Assignee any of its rights and obligations under the Loan Documents, as long as (a) each assignment is of a constant, and not a varying, percentage of the transferor Lender's rights and obligations under the Loan Documents and, in the case of a partial assignment, is in a minimum principal amount of \$10,000,000 (unless otherwise agreed by Administrative Agent in its discretion) and integral multiples of \$5,000,000 in excess of that amount; (b) except in the case of an assignment in whole of a Lender's rights and obligations, the aggregate amount of the Commitments retained by the transferor Lender is at least \$10,000,000 (unless otherwise agreed by Administrative Agent in its discretion); and (c) the parties to each such assignment shall execute and deliver to Administrative Agent, for its acceptance and recording, an Assignment and Assumption. Nothing herein shall limit the right of a Lender to pledge or assign any rights under the Loan Documents to (i) any Federal Reserve Bank or the United States Treasury as collateral security pursuant to Regulation A of the Board and any Operating Circular issued by such Federal Reserve Bank, or (ii) counterparties to swap agreements relating to any Loans; provided, however, that any payment by any Loan Party to the assigning Lender in respect of any Obligations assigned as described in this sentence shall satisfy the Loan Parties' obligations hereunder to the extent of such payment, and no such assignment shall release the assigning Lender from its obligations hereunder. So long as no Event of Default shall have occurred and is continuing, no assignment or transfer of all or a portion of rights and obligations under this Agreement (including all or a portion of its Commitment or the Loans at the time owing to it)

shall be made by a Lender that is a Swiss Qualifying Bank to any assignee that is not a Swiss Qualifying Bank.

(ii) Effect; Effective Date. Upon delivery to Administrative Agent of an Assignment and Assumption and a processing fee of \$3,500 (unless otherwise agreed by Administrative Agent in its discretion), the assignment shall become effective as specified in the notice (subject to acceptance and recording thereof by the Administrative Agent pursuant to Section 11.04(d)), if it complies with this Section 11.04. From such effective date, the Eligible Assignee shall for all purposes be a Lender under the Loan Documents, and shall have all rights and obligations of a Lender thereunder. Upon consummation of an assignment, the transferor Lender, Agents and Borrowers shall make appropriate arrangements for issuance of replacement and/or new Notes, as applicable. The transferee Lender shall comply with Section 2.15 and deliver, upon request, an administrative questionnaire satisfactory to Administrative Agent.

(iii) Certain Transfers. In the event of a transfer by novation of all or part of its rights and obligations under this Agreement by a Lender, such Lender expressly reserves the rights, powers, privileges and actions that it enjoys under any Security Documents governed by French law in favor of its Eligible Assignee, in accordance with the provisions of article 1278 *et seq.* of the French Code *civil*.

(d) Register. The Administrative Agent, acting solely for this purpose as an agent of the Borrowers, shall, at all times while the Loans and LC Disbursements (or any of them) are outstanding, maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive, and the Borrowers, the Administrative Agent, the Issuing Banks and the Lenders shall treat each person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrowers, the Issuing Banks, the Collateral Agent, the Swingline Lender and any Lender (with respect to its own interest only), at any reasonable time and from time to time upon reasonable prior notice. The requirements of this Section 11.04(c) are intended to result in any and all Loans and LC Disbursements being in "registered form" for purposes of Section 871, Section 881 and any other applicable provision of the Code, and shall be interpreted and applied in a manner consistent therewith.

(e) Electronic Execution of Assignments. The words "execution," "signed," "signature," and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any requirement of Applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

(f) Successors and Assigns.

(i) Notwithstanding anything in Sections 11.04(a) — (e), but only so long as no Event of Default shall have occurred and is continuing, no assignment or transfer of all or a portion of any Lender's rights and obligations under this Agreement (including all or a portion of its Commitment or the Loans at the time owing to it, and including assignment by way of security, novation or sub-participations) to a Swiss Non-Qualifying Bank shall be made without the prior written consent of the Swiss Borrower, except that such consent shall be given:

(1) if the transferee is an existing Lender; or

(2) if as a result of a change in Swiss Tax laws, a violation of the Ten Non-Bank Regulations and the Twenty Non-Bank Regulations no longer results in the imposition of Swiss stamp tax and/or Swiss withholding tax.

(ii) Any Lender that enters into a participation or sub-participation in relation to its Revolving Commitment or Loans in respect thereof shall ensure that, unless an Event of Default shall have occurred and is continuing:

(1) the terms of such participations or sub-participation agreement prohibit the participant or sub-participant from entering into further sub-participation agreements (in relation to the rights between it and such Lender) and transferring, assigning (including by way of security) or granting any interest over the participant or sub-participation agreement, except in each case to a person who is an existing Lender, but subject to the consent contained above in paragraph (i) of this Section 11.04(f);

(2) the identity of the participant or sub-participant is permitted to be disclosed to the Swiss Federal Tax Administration by the Swiss Borrower;

(3) the participant or sub-participant enters into a unilateral undertaking in favor of Swiss Borrower to abide by the terms included in the participations or sub-participation agreement to reflect this Section 11.04(f) and Section 2.21; and

(4) the terms of such participations or sub-participation agreement oblige the participant or sub-participant, in respect of any further sub-participation, assignment, transfer or grant, to include, *mutatis mutandis*, the provisions of this Section, including a requirement that any further sub-participant, assignee or grantee enters into such undertaking and abides by the terms of Section 2.21.

Notwithstanding the foregoing clauses (1) — (4), unless an Event of Default shall have occurred and is continuing, participations or sub-participations in relation to any Lender's Revolving Commitment or Loans in respect thereof are not permitted unless (y) such participant or sub-participant is a Swiss Qualifying Bank or, (z) if and to the extent there are in total not more than 10 Swiss Non-Qualifying Banks (including Lenders, participants and/or sub-participants), the Swiss Borrower consents to such participations or sub-participations under this Section 11.04(f)(ii), whereby such consent shall not be unreasonably withheld and the relevant participations or sub-participations shall be counted against the number of Permitted Swiss Non-Qualifying Banks.

(iii) For the avoidance of doubt, nothing in Subsection (ii) above restricts any Lender, participant or sub-participant from entering into any agreement with another person under which payments are made by reference to this Agreement or to any hereto related participation or sub-participation agreement (including without limitation credit default or total return swaps), provided such agreement is not treated as a sub-participation for the purposes of the Ten Non-Bank Regulations and the Twenty Non-Bank Regulations.

**SECTION 11.05 Survival of Agreement.** All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Agents, any Issuing Bank or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not expired or terminated. The provisions of Section 2.06(j), Section 2.12, Section 2.14, Section 2.15, Section 2.16, Section 2.18, Section 2.21, Section 7.10, Section 11.03, Section 11.33, ARTICLE X, and this Section 11.05 shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the payment of the Reimbursement Obligations, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement or any provision hereof.

**SECTION 11.06 Counterparts; Integration; Effectiveness.** This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents, any separate letter agreements with respect to fees payable to any Agent or the Arranger, and any provisions of the Commitment Letter and the Fee Letter that are explicitly stated to survive the execution and delivery of this Agreement (which surviving obligations are hereby assumed by the Borrowers constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by telecopier shall be effective as delivery of a manually executed counterpart of this Agreement. **THIS WRITTEN AGREEMENT REPRESENTS THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.**

**SECTION 11.07 Severability.** Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and

of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

**SECTION 11.08 Right of Setoff.** Subject to the Intercreditor Agreement, if an Event of Default shall have occurred and be continuing, each Lender, each Issuing Bank, and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by Applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender, such Issuing Bank or any such Affiliate to or for the credit or the account of any Borrower or any other Loan Party against any and all of the obligations of such Borrower or such Loan Party now or hereafter existing under this Agreement or any other Loan Document to such Lender or such Issuing Bank, irrespective of whether or not such Lender or such Issuing Bank shall have made any demand under this Agreement or any other Loan Document and although such obligations of such Borrower or such Loan Party may be contingent or unmatured or are owed to a branch or office of such Lender or such Issuing Bank different from the branch or office holding such deposit or obligated on such indebtedness. The rights of each Lender, each Issuing Bank and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender, such Issuing Bank or their respective Affiliates may have. Each Lender and each Issuing Bank agrees to notify the Administrative Borrower and the Administrative Agent promptly after any such setoff and application; provided that the failure to give such notice shall not affect the validity of such setoff and application.

**SECTION 11.11 Headings.** Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

**SECTION 11.12 Treatment of Certain Information; Confidentiality.** Each Agent, each Lender and each Issuing Bank shall maintain the confidentiality of all Information (as defined below), except that Information may be disclosed (a) to its Affiliates, and to its and their partners, directors, officers, employees, trustees, agents, advisors and representatives (provided such Persons are informed of the confidential nature of the Information and instructed to keep it confidential); (b) to the extent requested by any governmental, regulatory or self-regulatory authority purporting to have jurisdiction over it or its Affiliates (including any self-regulatory authority, such as the National Association of Insurance Commissioners); (c) to the extent required by Applicable Law or by any subpoena or other legal process; (d) to any other party hereto; (e) in connection with any action or proceeding, or other exercise of rights or remedies, relating to any Loan Documents or Secured Obligations; (f) subject to an agreement containing provisions substantially the same as this Section, to any actual or potential assignee, Participant or other Person acquiring an interest in any Obligations or any actual or prospective party (or its advisors) to any Bank Product or swap or derivative transaction relating to any Loan Party and its obligations, or any rating agency for the purpose of obtaining a credit rating applicable to any Lender; (g) with the consent of Administrative Borrower or the applicable Loan Party; or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) is available to any Agent, any Lender, any Issuing Bank or any of their Affiliates on a nonconfidential basis from a source other than the Loan Parties. Notwithstanding the foregoing, each Agent and each Lender may publish or disseminate general information describing this credit facility, including the names and addresses of Loan Parties and a general description of Loan Parties' businesses, and may use Loan Parties' logos, trademarks or product photographs in advertising materials. As used herein, "**Information**" means all information received from a Loan Party or Subsidiary relating to it or its business that is identified as confidential when delivered. Any Person required to maintain the confidentiality of Information pursuant to this Section shall be deemed to have complied if it exercises the same degree of care that it accords its own confidential information. Each Agent, each Lender and each Issuing Bank acknowledges that (i) Information may include material non-public information concerning a Loan Party or Subsidiary; (ii) it has developed compliance procedures regarding the use of material non-public information; and (iii) it will handle such material non-public information in accordance with Applicable Law, including federal and state securities laws.

**SECTION 11.13 USA PATRIOT Act Notice.** Each Lender that is subject to the Act (as hereinafter defined) and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrowers and the other Loan Parties that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the “Act”), it is required to obtain, verify and record information that identifies the Borrowers and the other Loan Parties, which information includes the name, address and tax identification number of the Borrowers and the other Loan Parties and other information regarding the Borrowers and the other Loan Parties that will allow such Lender or the Administrative Agent, as applicable, to identify the Borrowers and the other Loan Parties in accordance with the Act. This notice is given in accordance with the requirements of the Act and is effective as to the Lenders and the Administrative Agent.

**SECTION 11.14 Interest Rate Limitation.** Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by Applicable Law (the “Maximum Rate”). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Obligations or, if it exceeds such unpaid principal, refunded to Borrowers. In determining whether the interest contracted for, charged or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by Applicable Law, (a) characterize any payment that is not principal as an expense, fee or premium rather than interest; (b) exclude voluntary prepayments and the effects thereof; and (c) amortize, prorate, allocate and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

**SECTION 11.15 [intentionally omitted].**

**SECTION 11.16 Obligations Absolute.** To the fullest extent permitted by Applicable Law, all obligations of the Loan Parties hereunder shall be absolute and unconditional irrespective of:

- (a) any Insolvency Proceeding of any Loan Party;
- (b) any lack of validity or enforceability of any Loan Document or any other agreement or instrument relating thereto against any Loan Party;
- (c) any change in the time, manner or place of payment of, or in any other term of, all or any of the Obligations, or any other amendment or waiver of or any consent to any departure from any Loan Document or any other agreement or instrument relating thereto;
- (d) any exchange, release or non-perfection of any other Collateral, or any release or amendment or waiver of or consent to any departure from any guarantee, for all or any of the Obligations;
- (e) any exercise or non-exercise, or any waiver of any right, remedy, power or privilege under or in respect hereof or any Loan Document; or
- (f) any other circumstances which might otherwise constitute a defense available to, or a discharge of, the Loan Parties.

**SECTION 11.17 Intercreditor Agreement.** Notwithstanding anything to the contrary contained herein, each Lender acknowledges that the Lien and security interest granted to the Collateral Agent pursuant to the Security Documents and the exercise of any right or remedy by such Collateral Agent thereunder are subject to the provisions of the Intercreditor Agreement. In the event of any conflict between the terms of the Intercreditor Agreement and the Security Documents, the terms of the Intercreditor Agreement shall govern and control.

**SECTION 11.18 Judgment Currency.**

(a) Each Loan Party's obligations hereunder and under the other Loan Documents to make payments in the applicable Approved Currency (pursuant to such obligation, the "**Obligation Currency**") shall not be discharged or satisfied by any tender or recovery pursuant to any judgment expressed in or converted into any currency other than the Obligation Currency, except to the extent that such tender or recovery results in the effective receipt by the Administrative Agent or the respective Lender of the full amount of the Obligation Currency expressed to be payable to the Administrative Agent or such Lender under this Agreement or the other Loan Documents. If, for the purpose of obtaining or enforcing judgment against any Loan Party in any court or in any jurisdiction, it becomes necessary to convert into or from any currency other than the Obligation Currency (such other currency being hereinafter referred to as the "**Judgment Currency**") an amount due in the Obligation Currency, the conversion shall be made at the Relevant Currency Equivalent, and in the case of other currencies, the rate of exchange (as quoted by the Administrative Agent or if the Administrative Agent does not quote a rate of exchange on such currency, by a known dealer in such currency designated by the Administrative Agent) determined, in each case, as of the Business Day immediately preceding the day on which the judgment is given (such Business Day being hereinafter referred to as the "**Judgment Currency Conversion Date**").

(b) If there is a change in the rate of exchange prevailing between the Judgment Currency Conversion Date and the date of actual payment of the amount due, each Borrower covenants and agrees to pay, or cause to be paid, such additional amounts, if any (but in any event not a lesser amount) as may be necessary to ensure that the amount paid in the Judgment Currency, when converted at the rate of exchange prevailing on the date of payment, will produce the amount of the Obligation Currency which could have been purchased with the amount of Judgment Currency stipulated in the judgment or judicial award at the rate of exchange prevailing on the Judgment Currency Conversion Date.

(c) For purposes of determining the Relevant Currency Equivalent or any other rate of exchange for this Section 11.18, such amounts shall include any premium and costs payable in connection with the purchase of the Obligation Currency.

**SECTION 11.19 Euro.**

(a) If at any time that an Alternate Currency Revolving Loan is outstanding, the relevant Alternate Currency (other than the euro) is fully replaced as the lawful currency of the country that issued such Alternate Currency (the "**Issuing Country**") by the euro so that all payments are to be made in the Issuing Country in euros and not in the Alternate Currency previously the lawful currency of such country, then such Alternate Currency Revolving Loan

shall be automatically converted into a Loan denominated in euros in a principal amount equal to the amount of euros into which the principal amount of such Alternate Currency Revolving Loan would be converted pursuant to law and thereafter no further Loans will be available in such Alternate Currency.

(b) The Parent Borrower shall, or shall cause the applicable Loan Party from time to time, at the request of any Lender accompanied by reasonably documented particulars thereof, pay to such Lender the amount of any losses, damages, liabilities, claims, reduction in yield, additional expense, increased cost, reduction in any amount payable, reduction in the effective return of its capital, the decrease or delay in the payment of interest or any other return forgone by such Lender or its Affiliates as a result of the tax or currency exchange resulting from the introduction of, changeover to or operation of the euro in any applicable nation or eurocurrency market.

**SECTION 11.20 Special Provisions Relating to Currencies Other Than Dollars.**

(a) All funds to be made available to Administrative Agent pursuant to this Agreement in euros, Swiss francs or GBP shall be made available to Administrative Agent in immediately available, freely transferable, cleared funds to such account with such bank in such principal financial center in such Participating Member State (or in London) as Administrative Agent shall from time to time nominate for this purpose.

(b) In relation to the payment of any amount denominated in euros, Swiss francs or GBP, Administrative Agent shall not be liable to any Loan Party or any of the Lenders for any delay, or the consequences of any delay, in the crediting to any account of any amount required by this Agreement to be paid by Administrative Agent if Administrative Agent shall have taken all relevant and necessary steps to achieve, on the date required by this Agreement, the payment of such amount in immediately available, freely transferable, cleared funds (in euros, Swiss francs or GBP) to the account with the bank in the principal financial center in the Participating Member State which the Administrative Borrower or, as the case may be, any Lender shall have specified for such purpose. In this Section 11.20(b), “**all relevant steps**” means all such steps as may be prescribed from time to time by the regulations or operating procedures of such clearing or settlement system as Administrative Agent may from time to time determine for the purpose of clearing or settling payments of euros, Swiss francs or GBP. Furthermore, and without limiting the foregoing, Administrative Agent shall not be liable to any Loan Party or any of the Lenders with respect to the foregoing matters in the absence of its gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision or pursuant to a binding arbitration award or as otherwise agreed in writing by the affected parties).

**SECTION 11.21 Abstract Acknowledgment of Indebtedness and Joint Creditorship.**

(a) Notwithstanding any other provision of this Agreement, each Loan Party hereby irrevocably and unconditionally agrees and covenants with the Collateral Agent by way of an abstract acknowledgment of indebtedness (*abstraktes Schuldversprechen*) that it owes to the Collateral Agent as creditor in its own right and not as a representative of the other Secured Parties, sums equal to, and in the currency of, each amount payable by such

Loan Party to each of the Secured Parties under each of the Loan Documents and Bank Product Agreements relating to any Secured Obligations, as and when that amount falls due for payment under the relevant Secured Debt Agreement or would have fallen due but for any discharge resulting from failure of another Secured Party to take appropriate steps, in insolvency proceedings affecting such Loan Party, to preserve its entitlement to be paid that amount.

(b) Each Loan Party undertakes to pay to the Collateral Agent upon first written demand the amount payable by such Loan Party to each of the Secured Parties under each of the Secured Debt Agreements as such amount has become due and payable.

(c) The Collateral Agent has the independent right to demand and receive full or partial payment of the amounts payable by each Loan Party under this Section 11.21, irrespective of any discharge of such Loan Party's obligation to pay those amounts to the other Secured Parties resulting from failure by them to take appropriate steps, in insolvency proceedings affecting such Loan Party, to preserve their entitlement to be paid those amounts.

(d) Any amount due and payable by a Loan Party to the Collateral Agent under this Section 11.21 shall be decreased to the extent that the other Secured Parties have received (and are able to retain) payment in full of the corresponding amount under the other provisions of the Secured Debt Agreements and any amount due and payable by a Loan Party to the other Secured Parties under those provisions shall be decreased to the extent that the Collateral Agent has received (and is able to retain) payment in full of the corresponding amount under this Section 11.21; provided that no Loan Party may consider its obligations towards a Secured Party to be so discharged by virtue of any set-off, counterclaim or similar defense that it may invoke vis-à-vis the Collateral Agent.

(e) The rights of the Secured Parties (other than the Collateral Agent) to receive payment of amounts payable by each Loan Party under the Secured Debt Agreements are several and are separate and independent from, and without prejudice to, the rights of the Collateral Agent to receive payment under this Section 11.21.

(f) In addition, but without prejudice to the foregoing, the Collateral Agent shall be the joint creditor (together with the relevant Secured Parties) of all obligations of each Loan Party towards each of the Secured Parties under the Secured Debt Agreements.

**SECTION 11.22 Special Appointment of Collateral Agent for German Security.**

(a) (i) Each Secured Party that is or will become party to this Agreement hereby appoints the Collateral Agent as trustee (*Treuhaender*) and administrator for the purpose of holding on trust (*Treuhand*), administering, enforcing and releasing the German Security (as defined below) for the Secured Parties, (ii) the Collateral Agent accepts its appointment as a trustee and administrator of the German Security on the terms and subject to the conditions set out in this Agreement and (iii) the Secured Parties, the Collateral Agent and all other parties to this Agreement agree that, in relation to the German Security, no Secured Party shall exercise any independent power to enforce any German Security or take any other action in

relation to the enforcement of the German Security, or make or receive any declarations in relation thereto.

(b) To the extent possible, the Collateral Agent shall hold and administer any German Security which is security assigned, transferred or pledged under German law to it as a trustee for the benefit of the Secured Parties, where “**German Security**” shall mean the assets which are the subject of a security document which is governed by German law.

(c) Each Secured Party hereby authorizes and instructs the Collateral Agent (with the right of sub delegation) to enter into any documents evidencing German Security and to make and accept all declarations and take all actions as it considers necessary or useful in connection with any German Security on behalf of the Secured Parties. The Collateral Agent shall further be entitled to rescind, release, amend and/or execute new and different documents securing the German Security.

(d) The Secured Parties and the Collateral Agent agree that all rights and claims constituted by the abstract acknowledgment of indebtedness pursuant to this Section 11.22 and all proceeds held by the Collateral Agent pursuant to or in connection with such abstract acknowledgment of indebtedness are held by the Collateral Agent with effect from the date of such abstract acknowledgment of indebtedness in trust for the Secured Parties and will be administered in accordance with the Loan Documents and Bank Product Agreements relating to any Secured Obligations. The Secured Parties and the Collateral Agent agree further that the respective Loan Party’s obligations under such abstract acknowledgment of indebtedness shall not increase the total amount of the Secured Obligations (as defined in the respective agreement governing German Security) and shall not result in any additional liability of any of the Loan Parties or otherwise prejudice the rights of any of the Loan Parties. Accordingly, payment of the obligations under such abstract acknowledgment of indebtedness shall, to the same extent, discharge the corresponding Secured Obligations and vice versa.

**SECTION 11.23 Special Appointment of Administrative Agent in Relation to South Korea; Certain Lock-Up or Listing Agreements.**

(a) Notwithstanding any other provision of this Agreement, each Loan Party hereby irrevocably and unconditionally undertakes to pay to the Administrative Agent, as creditor in its own right and not as representative of the other Secured Parties, sums equal to and in the currency of each amount payable by such Loan Party to each of the Secured Parties under each of the Loan Documents as and when that amount falls due for payment under the relevant Loan Document or would have fallen due but for any discharge resulting from failure of another Secured Party to take appropriate steps, in insolvency proceedings affecting that Loan Party, to preserve its entitlement to be paid that amount.

(b) The Administrative Agent shall have its own independent right to demand payment of the amounts payable by each Loan Party under this Section 11.23, irrespective of any discharge of such Loan Party’s obligation to pay those amounts to the Secured Parties resulting from failure by them to take appropriate steps, in insolvency proceedings affecting that Loan Party, to preserve their entitlement to be paid those amounts.

(c) Any amount due and payable by a Loan Party to the Administrative Agent under this Section 11.23 shall be decreased to the extent that the other Secured Parties have received (and are able to retain) payment in full of the corresponding amount under the other provisions of the Loan Documents and any amount due and payable by a Loan Party to the other Secured Parties under those provisions shall be decreased to the extent that the Administrative Agent has received (and is able to retain) payment in full of the corresponding amount under this Section 11.23.

(d) Subject to paragraph (c) above, the rights of the Secured Parties (in each case, other than the Administrative Agent) to receive payment of amounts payable by each Loan Party under the Loan Documents are several and are separate and independent from, and without prejudice to, the rights of the Administrative Agent to receive payment under this Section 11.23.

(e) The Administrative Agent and the Collateral Agent are authorized to enter into consents to any lock-up or listing agreement required by any applicable rule or regulation in connection with any listing or offering of Equity Interests in NKL and may consent to such Equity Interests being held by a depository or securities intermediary; provided, that the Collateral Agent's Liens in the Equity Interests of NKL or its direct parents, 4260848 Canada Inc. and 4260856 Canada Inc., are not impaired.

**SECTION 11.24 Special Appointment of Collateral Agent in Relation to France.**

(a) Notwithstanding any other provision of this Agreement, each French Guarantor hereby irrevocably and unconditionally undertakes insofar as necessary, in advance, to pay to the Collateral Agent, as creditor in its own right and not as representative of the other Secured Parties, sums equal to and in the currency of each amount payable by such French Guarantor to each of the Secured Parties under each of the Loan Documents as and when that amount falls due for payment under the relevant Loan Document or would have fallen due but for any discharge resulting from failure of another Secured Party to take appropriate steps to preserve its entitlement to be paid that amount (such payment undertakings, obligations and liabilities which are the result thereof, hereinafter referred to as the "**Parallel Debt**").

(b) The Collateral Agent shall have its own independent right to demand payment of the amounts payable by each French Guarantor under this Section 11.24, irrespective of any discharge of such French Guarantor's obligation to pay those amounts to the other Secured Parties resulting from failure by them to take appropriate steps to preserve their entitlement to be paid those amounts.

(c) Any amount due and payable by a French Guarantor to the Collateral Agent under this Section 11.24 shall be decreased to the extent that the other Secured Parties have received (and are able to retain) payment in full of the corresponding amount under the other provisions of the Loan Documents and any amount due and payable by a French Guarantor to the other Secured Parties under those provisions shall be decreased to the extent that the Collateral Agent has received (and is able to retain) payment in full of the corresponding amount under this Section 11.24.

(d) The Collateral Agent shall apply any amounts received in payment of any Parallel Debt in accordance with the terms and conditions of this Agreement governing the application of proceeds in payment of any Secured Obligations.

(e) The rights of the Secured Parties (other than any Parallel Debt) to receive payment of amounts payable by each French Guarantor under the Loan Documents are several and are separate and independent from, and without prejudice to, the rights of the Collateral Agent to receive payment under this [Section 11.24](#).

**SECTION 11.25 Swiss Tax Ruling.** The Swiss Borrower shall obtain subsequent to the Closing Date (but within a reasonable time frame) (a) a ruling from the Wallis cantonal tax authority confirming that the payment of interests under this Agreement shall not be subject to federal, cantonal, and municipal direct taxes levied at source in Switzerland as per Article 51 § 1 lit. d and Article 94 of the Swiss Federal Direct Tax Act of December 14, 1990 and as per Article 21 § 2 lit. a and Article 35 § 1 lit. e of the Swiss Federal Harmonization Direct Tax Act of December 14, 1990, but only to the extent and limited to the interests paid by the Swiss Borrower in connection with the Swiss Revolving Loan and which are secured by the Swiss real estate mortgage in an amount of CHF 60 million, and (b) a ruling from the Zurich cantonal tax authority confirming that the aforesaid direct taxes levied at source may be solely ruled with the Canton where the Swiss real estate is located. The Swiss Borrower further acknowledges that the gross-up mechanism provided for under [Section 2.15](#) shall apply with respect to any such direct taxes levied at source.

**SECTION 11.26 Designation of Collateral Agent under Civil Code of Quebec.** Each of the parties hereto (including each Lender, acting for itself and on behalf of each of its Affiliates which are or become Secured Parties from time to time) confirms the appointment and designation of the Collateral Agent (or any successor thereto) as the person holding the power of attorney (*fondé de pouvoir*) within the meaning of Article 2692 of the Civil Code of Québec for the purposes of the hypothecary security to be granted by the Loan Parties or any one of them under the laws of the Province of Québec and, in such capacity, the Collateral Agent shall hold the hypothecs granted under the laws of the Province of Québec as such *fondé de pouvoir* in the exercise of the rights conferred thereunder. The execution by the Collateral Agent in its capacity as *fondé de pouvoir* prior to the date hereof of any document creating or evidencing any such hypothecs is hereby ratified and confirmed. Notwithstanding the provisions of Section 32 of the Act respecting the special powers of legal persons (Québec), the Collateral Agent may acquire and be the holder of any of the bonds secured by any such hypothec. Each future Secured Party, whether a Lender, an Issuer or a holder of any Secured Obligation, shall be deemed to have ratified and confirmed (for itself and on behalf of each of its Affiliates that are or become Secured Parties from time to time) the appointment of the Collateral Agent as *fondé de pouvoir*.

**SECTION 11.27 Maximum Liability.** Subject to [Section 7.08](#) and [Sections 7.11 to 7.16](#), it is the desire and intent of each Loan Party and the Secured Parties that their respective liability shall be enforced against each Loan Party to the fullest extent permissible under the laws and public policies applied in each jurisdiction in which enforcement is sought after giving effect to the rights of contribution established in the Contribution, Intercompany, Contracting and Offset Agreement that are valid and enforceable and not subordinated to the claims of other creditors as determined in such action or proceeding. If, however, and to the extent that, the obligations of

any Loan Party under any Loan Document shall be adjudicated to be invalid or unenforceable for any reason (including, without limitation, because of any applicable state or federal law relating to fraudulent conveyances or transfers), then the amount of such Loan Party's obligations under the Loan Documents shall be deemed to be reduced and such Loan Party shall pay the maximum amount of the Secured Obligations which would be permissible under Applicable Law.

**SECTION 11.28 NO ORAL AGREEMENT. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS BETWEEN THE PARTIES. THERE ARE NO UNWRITTEN AGREEMENTS BETWEEN THE PARTIES.**

**SECTION 11.29 Performance of Borrowers' Obligations.** Each Agent may, in its discretion at any time and from time to time, at Borrowers' expense, pay any amount or do any act required of a Loan Party under any Loan Documents or otherwise lawfully requested by any Agent to (a) enforce any Loan Documents or collect any Secured Obligations; (b) protect, insure, maintain or realize upon any Collateral; or (c) defend or maintain the validity or priority of Collateral Agent's Liens in any Collateral, including any payment of a judgment, insurance premium, warehouse charge, finishing or processing charge, or landlord claim, or any discharge of a Lien. All payments, costs and expenses (including Extraordinary Expenses) of any Agent under this Section shall be reimbursed to such Agent by Borrowers, **on demand**, with interest from the date incurred to the date of payment thereof at the Default Rate applicable to Base Rate Loans. Any payment made or action taken by any Agent under this Section shall be without prejudice to any right to assert an Event of Default or to exercise any other rights or remedies under the Loan Documents.

**SECTION 11.30 Credit Inquiries.** Each Loan Party hereby authorizes each Agent and each Lender (but they shall have no obligation) to respond to usual and customary credit inquiries from third parties concerning any Loan Party or Subsidiary.

**SECTION 11.31 Relationship with Lenders.** The obligations of each Lender hereunder are several, and no Lender shall be responsible for the obligations or Commitments of any other Lender. Amounts payable hereunder to each Lender shall be a separate and independent debt. It shall not be necessary for any Agent or any other Lender to be joined as an additional party in any proceeding for such purposes. Nothing in this Agreement and no action of any Agent, any Lender or any other Secured Party pursuant to the Loan Documents or otherwise shall be deemed to constitute any Agent and any Secured Party to be a partnership, association, joint venture or any other kind of entity, nor to constitute control of any Loan Party.

**SECTION 11.32 No Advisory or Fiduciary Responsibility.** In connection with all aspects of each transaction contemplated by any Loan Document, each Loan Party acknowledges and agrees that (a)(i) this credit facility and any related arranging or other services by any Agent, any Lender, any of their Affiliates or any arranger are arm's-length commercial transactions between the Loan Parties and such Person; (ii) the Loan Parties have consulted their own legal, accounting, regulatory and tax advisors to the extent they have deemed appropriate; and (iii) the Loan Parties are capable of evaluating and understanding, and do understand and accept, the terms, risks and conditions of the transactions contemplated by the Loan Documents; (b) each

Agent, each Lender, their Affiliates and any arranger is and has been acting solely as a principal in connection with this credit facility, is not the financial advisor, agent or fiduciary for the Loan Parties, any of their Affiliates or any other Person, and has no obligation with respect to the transactions contemplated by the Loan Documents except as expressly set forth therein; and (c) each Agent, each Lender, their Affiliates and any arranger may be engaged in a broad range of transactions that involve interests that differ from those of the Loan Parties and their Affiliates, and have no obligation to disclose any of such interests to the Loan Parties or their Affiliates. To the fullest extent permitted by Applicable Law, each Loan Party hereby waives and releases any claims that it may have against any Agent, any Lender, their Affiliates and any arranger with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated by a Loan Document.

**SECTION 11.33 Marshaling; Payments Set Aside.** None of the Agents or the other Secured Parties shall be under any obligation to marshal any assets in favor of any Loan Party or against any Secured Obligations. If any payment by or on behalf of any Borrower is made to any Agent or other Secured Party, or an Agent or other Secured Party exercises a right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by any Agent or other Secured Party in its discretion) to be repaid to a trustee, receiver or any other Person, then to the extent of such recovery, the Secured Obligation originally intended to be satisfied, and all Liens, rights and remedies relating thereto, shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred.

**SECTION 11.34 One Obligation.** The Loans, LC Obligations and other Secured Obligations shall constitute one general obligation of Borrowers and (unless otherwise expressly provided in any Loan Document) shall be secured by Collateral Agent's Lien upon all Collateral; provided, however, that each Agent and each other Secured Party shall be deemed to be a creditor of, and the holder of a separate claim against, each Borrower to the extent of any Secured Obligations jointly or severally owed by such Borrower.

### Mandatory Cost Formula

1. The Mandatory Cost is an addition to the interest rate to compensate Lenders for the cost of compliance with (a) the requirements of the Bank of England and/or the Financial Services Authority (or, in either case, any other authority which replaces all or any of its functions) or (b) the requirements of the European Central Bank.

2. On the first day of each Interest Period (or as soon as possible thereafter) the Administrative Agent shall calculate, as a percentage rate, a rate (the “**Additional Cost Rate**”) for each Lender, in accordance with the paragraphs set out below. The Mandatory Cost will be calculated by the Administrative Agent as a weighted average of the Lenders’ Additional Cost Rates (weighted in proportion to the percentage participation of each Lender in the relevant Loan) and will be expressed as a percentage rate per annum.

3. The Additional Cost Rate for any Lender lending from a Facility Office in a Participating Member State will be the percentage notified by that Lender to the Administrative Agent. This percentage will be certified by that Lender in its notice to the Administrative Agent to be its reasonable determination of the cost (expressed as a percentage of that Lender’s participation in all Loans made from that Facility Office) of complying with the minimum reserve requirements of the European Central Bank in respect of loans made from that Facility Office.

4. The Additional Cost Rate for any Lender lending from a Facility Office in the United Kingdom will be calculated by the Administrative Agent as follows:

(a) in relation to a GBP Denominated Loan:

$$\frac{AB + C(B-D) + Ex \ 0.01}{100 - (A+C)} \text{ per cent. per annum}$$

(b) in relation to a Loan in any currency other than GBP:

$$\frac{Ex \ 0.01}{300} \text{ per cent. per annum.}$$

Where:

A is the percentage of Eligible Liabilities (assuming these to be in excess of any stated minimum) which that Lender is from time to time required to maintain as an interest free cash ratio deposit with the Bank of England to comply with cash ratio requirements.

B is the percentage rate of interest (excluding the Applicable Margin and the Mandatory Cost and, if the Loan is an Unpaid Sum, the additional rate of interest specified in Section 2.06(f)) payable for the relevant Interest Period on the Loan.

---

C is the percentage (if any) of Eligible Liabilities which that Lender is required from time to time to maintain as interest bearing Special Deposits with the Bank of England.

D is the percentage rate per annum payable by the Bank of England to the Administrative Agent (or such other bank as may be designated by the Administrative Agent in consultation with Administrative Borrower) on interest bearing Special Deposits.

E is designed to compensate Lenders for amounts payable under the Fees Rules and is calculated by the Administrative Agent as being the average of the most recent rates of charge supplied by the Reference Banks to the Administrative Agent pursuant to paragraph 7 below and expressed in GBP per £1,000,000.

5. For the purposes of this Schedule:

(a) “**Eligible Liabilities**” and “**Special Deposits**” have the meanings given to them from time to time under or pursuant to the Bank of England Act 1998 or (as may be appropriate) by the Bank of England;

(b) “**Facility Office**” means the office or offices notified by a Lender to the Administrative Agent in writing on or before the date it becomes a Lender (or, following that date, by not less than five Business Days’ written notice) as the office or offices through which it will perform its obligations under this Agreement;

(c) “**Fees Rules**” means the rules on periodic fees contained in the FSA Supervision Manual or such other law or regulation as may be in force from time to time in respect of the payment of fees for the acceptance of deposits;

(d) “**Fee Tariffs**” means the fee tariffs specified in the Fees Rules under the activity group A. I Deposit acceptors (ignoring any minimum fee or zero rated fee required pursuant to the Fees Rules but taking into account any applicable discount rate);

(e) “**Reference Banks**” means, in relation to the EURIBOR Rate and Mandatory Cost, the principal office in Chicago, Illinois of Bank of America, N.A., or such other bank or banks as may be designated by the Administrative Agent in consultation with Administrative Borrower;

(f) “**Tariff Base**” has the meaning given to it in, and will be calculated in accordance with, the Fees Rules; and

(g) “**Unpaid Sum**” means any sum due and payable but unpaid by any Loan Party under the Loan Documents.

6. In application of the above formulae, A, B, C and D will be included in the formulae as percentages (i.e. 5 per cent. will be included in the formula as 5 and not as 0.05). A negative result obtained by subtracting D from B shall be taken as zero. The resulting figures shall be rounded to four decimal places.

7. If requested by the Administrative Agent, each Reference Bank shall, as soon as practicable after publication by the Financial Services Authority, supply to the Administrative Agent the rate of charge payable by that Reference Bank to the Financial Services Authority pursuant to the Fees Rules in respect of the relevant financial year of the Financial Services Authority (calculated for this purpose by that Reference Bank as being the average of the Fee Tariffs applicable to that Reference Bank for that financial year) and expressed in GBP per £1,000,000 of the Tariff Base of that Reference Bank.

8. Each Lender shall supply any information required by the Administrative Agent for the purpose of calculating its Additional Cost Rate. In particular, but without limitation, each Lender shall supply the following information on or prior to the date on which it becomes a Lender:

- (a) the jurisdiction of its Facility Office; and
- (b) any other information that the Administrative Agent may reasonably require for such purpose.

Each Lender shall promptly notify the Administrative Agent of any change to the information provided by it pursuant to this paragraph.

9. The percentages of each Lender for the purpose of A and C above and the rates of charge of each Reference Bank for the purpose of E above shall be determined by the Administrative Agent based upon the information supplied to it pursuant to paragraphs 7 and 8 above and on the assumption that, unless a Lender notifies the Administrative Agent to the contrary, each Lender's obligations in relation to cash ratio deposits and Special Deposits are the same as those of a typical bank from its jurisdiction of incorporation with a Facility Office in the same jurisdiction as its Facility Office.

10. The Administrative Agent shall have no liability to any person if such determination results in an Additional Cost Rate which over or under compensates any Lender and shall be entitled to assume that the information provided by any Lender or Reference Bank pursuant to paragraphs 3, 7 and 8 above is true and correct in all respects.

11. The Administrative Agent shall distribute the additional amounts received as a result of the Mandatory Cost to the Lenders on the basis of the Additional Cost Rate for each Lender based on the information provided by each Lender and each Reference Bank pursuant to paragraphs 3, 7 and 8 above.

12. Any determination by the Administrative Agent pursuant to this Schedule in relation to a formula, the Mandatory Cost, an Additional Cost Rate or any amount payable to a Lender shall, in the absence of manifest error, be conclusive and binding on all parties to this Agreement.

13. The Administrative Agent may from time to time, after consultation with Administrative Borrower and the Lenders, determine and notify to all parties to this Agreement any amendments which are required to be made to this Annex III in order to comply with any change in law, regulation or any requirements from time to time imposed by the Bank of

England, the Financial Services Authority or the European Central Bank (or, in any case, any other authority which replaces all or any of its functions) and any such determination shall, in the absence of manifest error, be conclusive and binding on all parties to this Agreement.

Collateral Agent shall not be liable for any diminution in value of the Leased Premises caused by the absence of Personal Property actually removed or by the need to replace the Personal Property after such removal. Landlord acknowledges that Collateral Agent shall have no obligation to remove the Personal Property from the Leased Premises.

Collateral Agent shall have the right, but not the obligation, during the Standstill Period, to cure any such default and Landlord shall accept any such cure by Collateral Agent or Lessee. If, during the Standstill Period, Collateral Agent or Lessee or any other Person cures any such default, then Landlord shall rescind the notice of default.

6. In the event of a termination, disaffirmance or rejection of the Lease for any reason, including, without limitation, pursuant to any laws (including any bankruptcy or other insolvency laws) by Lessee or the termination of the Lease for any reason by Landlord, Landlord will give Collateral Agent the right, within sixty (60) days of such event, provided all monetary defaults under the Lease have been cured, to enter into a new lease of the Leased Premises, in the name of Collateral Agent (or a designee to be named by Collateral Agent at the time), for the remainder of the term of the Lease and upon all of the terms and conditions thereof, or, if Collateral Agent shall elect not to exercise such right (such election to be made by Collateral Agent at its sole discretion), Landlord will give Collateral Agent the right to enter upon the Leased Premises during such sixty (60) day period for the purpose of removing Tenant's personal property therefrom.

8. The terms and provisions of this Agreement shall inure to the benefit of and be binding upon the successors and assigns of Landlord (including, without limitation, any successor owner of the Real Property) and Collateral Agent. Landlord will disclose the terms and conditions of this Agreement to any purchaser or successor to Landlord's interest in the Leased Premises. Notwithstanding that the provisions of this Agreement are self-executing, Landlord agrees, upon request by Collateral Agent, to execute and deliver a written acknowledgment confirming the provisions of this Agreement in form and substance satisfactory to Collateral Agent.

9. All notices to any party hereto under this Agreement shall be in writing and sent to such party at its respective address set forth above (or at such other address as shall be designated by such party in a written notice to the other party complying as to delivery with the terms of this Section 9) by certified mail, postage prepaid, return receipt requested or by overnight delivery service.

10. The provisions of this Agreement shall continue in effect until Landlord shall have received Collateral Agent's written certification that the Loans have been paid in full and all of Lessee's other Obligations under the Credit Agreement and the other Loan Documents have been satisfied.

11. THE INTERPRETATION, VALIDITY AND ENFORCEMENT OF THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED UNDER THE LAW OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO THE CONFLICTS OF LAW PRINCIPLES THEREOF THAT WOULD REQUIRE THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION.

12. Landlord agrees to execute, acknowledge and deliver such further instruments as Collateral Agent may request to allow for the proper recording of this Agreement (including, without limitation, a revised landlord's waiver in form and substance sufficient for recording) or to otherwise accomplish the purposes of this Agreement.

13. Landlord agrees that, so long as the Loans and Lessee's Obligations under the Credit Agreement remain outstanding and Collateral Agent retains an interest in the Personal Property [and/or Lessee's interest in the Leased Premises]<sup>8</sup>, no modification, alteration or amendment shall be made to the Lease without the prior written consent of Collateral Agent if such modification, alteration or amendment could have a material adverse effect on the value or use of the Leased Premises or Lessee's obligations or rights under the Lease.

The Credit Agreement contains a revolving credit facility that permits the Borrowers to borrow certain principal amounts, repay all or a portion of such principal amounts, and reborrow the amounts previously paid to the Lenders, all upon satisfaction of certain conditions stated in the Credit Agreement. This Mortgage secures all advances and re-advances under the revolving credit feature of the Credit Agreement. Mortgagor hereby agrees and acknowledges that the Secured Obligations secured by this Mortgage include a revolving loan and is intended to secure future advances; accordingly, this Mortgage shall not be cancelled by the full and complete repayment of the Loans, so long as the Credit Agreement remains in force and effect.

SECTION 2.5. Secured Amount. The maximum aggregate amount of all indebtedness that is, or under any contingency may be secured at the date hereof or at any time hereafter by this Mortgage is \$1,000,000,000 [*If state has mortgage tax, use the agreed upon value of the property.*] (the "Secured Amount"), plus, to the extent permitted by applicable law, collection costs, sums advanced for the payment of taxes, assessments, maintenance and repair charges, insurance premiums and any other costs incurred to protect the security encumbered hereby or the lien hereof, expenses incurred by the Mortgagee by reason of any default by the Mortgagor under the terms hereof, together with interest thereon, all of which amount shall be secured hereby.

SECTION 2.6. Last Dollar Secured. So long as the aggregate amount of the Secured Obligations exceeds the Secured Amount, any payments and repayments of the Secured Obligations shall not be deemed to be applied against or to reduce the Secured Amount.

SECTION 2.7. No Release. Nothing set forth in this Mortgage shall relieve the Mortgagor from the performance of any term, covenant, condition or agreement on the Mortgagor's part to be performed or observed under or in respect of any of the Mortgaged Property or from any liability to any person under or in respect of any of the Mortgaged Property or shall impose any obligation on the Mortgagee or any other Secured Party to perform or

observe any such term, covenant, condition or agreement on the Mortgagor's part to be so performed or observed or shall impose any liability on the Mortgagee or any other Secured Party for any act or omission on the part of the Mortgagor relating thereto or for any breach of any representation or warranty on the part of the Mortgagor contained in this Mortgage or any other Loan Document, or under or in respect of the Mortgaged Property or made in connection herewith or therewith. The obligations of the Mortgagor contained in this Section 2.7 shall survive the termination hereof and the discharge of the Mortgagor's other obligations under this Mortgage and the other Loan Documents.

#### ARTICLE IV.

##### CERTAIN COVENANTS OF MORTGAGOR

SECTION 4.1. Payment and Performance. The Mortgagor shall pay and perform the Secured Obligations in full as and when the same shall become due under the Loan Documents and when they are required to be performed thereunder.

SECTION 4.2. Title. The Mortgagor shall

(i) (A) keep in effect all rights and appurtenances to or that constitute a part of the Mortgaged Property except where the failure to keep in effect the same could not result in a Property Material Adverse Effect and (B) protect, preserve and defend its interest in the Mortgaged Property and title thereto;

(ii) (A) comply with each of the terms, conditions and provisions of any obligation of the Mortgagor which is secured by the Mortgaged Property or the noncompliance with which may result in the imposition of a Lien on the Mortgaged Property, subject to Permitted Liens, (B) forever warrant and defend to the Mortgagee the Lien and security interests created and evidenced hereby and the validity and priority hereof in any action or proceeding against the claims of any and all persons whomsoever affecting or purporting to affect the Mortgaged Property or any of the rights of the Mortgagee hereunder and (C) maintain this Mortgage as a valid and enforceable Lien on the Mortgaged Property and, to the extent any of the Mortgaged Property shall consist of

Fixtures, a security interest in the Mortgaged Property, which Lien and security interest shall be subject only to Permitted Liens; and

(iii) promptly upon obtaining knowledge of the pendency of any proceedings for the eviction of the Mortgagor from the Mortgaged Property or any part thereof by paramount title or otherwise questioning the Mortgagor's right, title and interest in, to and under the Mortgaged Property as warranted in this Mortgage, or of any condition that could give rise to any such proceedings, notify the Mortgagee thereof in writing. The Mortgagee may participate in such proceedings and the Mortgagor will deliver or cause to be delivered to the Mortgagee all instruments requested by the Mortgagee to permit such participation. In any such proceedings, the Mortgagee may be represented by counsel satisfactory to the Mortgagee at the reasonable expense of the Mortgagor. If, upon the resolution of such proceedings, the Mortgagor shall suffer a loss of the Mortgaged Property or any part thereof or interest therein and title insurance proceeds shall be payable in connection therewith, such proceeds are hereby assigned to and shall be paid to the Mortgagee to be applied as Net Cash Proceeds to the payment of the Secured Obligations or otherwise in accordance with the provisions of Section 2.10 of the Credit Agreement.

(iv) not initiate, join in or consent to any change in the zoning or any other permitted use classification of the Premises which would have a Property Material Adverse Effect without the prior written consent of the Mortgagee.

SECTION 4.3. Inspection. Mortgagor shall permit Mortgagee, and its agents, representatives and employees, upon reasonable prior notice to Mortgagor, to inspect the Mortgaged Property and all books and records located thereon; provided, that such inspections shall not materially interfere with the use and operation of the Mortgaged Property.

SECTION 4.4. Limitation on Liens; Transfer Restrictions.

(i) Except for the Permitted Liens and the Lien of this Mortgage, the Mortgagor may not, without the prior written consent of the Mortgagee, permit to exist or grant any Lien on all or any part of the Mortgaged Property or suffer or allow any of the foregoing to occur by operation of law or otherwise.

(ii) Except to the extent permitted by the Credit Agreement, the Mortgagor may not, without the prior written consent of the Mortgagee, sell, convey, assign, lease or otherwise transfer all or any part of the Mortgaged Property.

SECTION 4.5. Insurance. The Mortgagor shall obtain and keep in full force and effect the Insurance Policies required by the Credit Agreement pursuant to the terms thereof.

ARTICLE V.

CONCERNING ASSIGNMENT OF LEASES AND RENTS

SECTION 5.1. Present Assignment; License to the Mortgagor.

(i) Section 2.2 of this Mortgage constitutes a present, absolute, effective, irrevocable and complete assignment by Mortgagor to Mortgagee of the Leases and Rents and the right, subject to applicable law, to collect all sums payable to Mortgagor thereunder and apply the same as Mortgagee may, in its sole discretion, determine to be appropriate to protect the security afforded by this Mortgage (including the payment of reasonable costs and expenses in connection with the maintenance, operation, improvement, insurance, taxes and upkeep of the Mortgaged Property), which is not conditioned upon Mortgagee being in possession of the Premises. This assignment is an absolute assignment and not an assignment for additional security only. The Mortgagee hereby grants to the Mortgagor, however, a license to collect and apply the Rents and to enforce the obligations of Tenants under the Leases. Immediately upon the occurrence of and during the continuance of any Event of Default, whether or not legal proceedings have commenced and without regard to waste, adequacy of security for the Secured Obligations or solvency of Mortgagor, the license granted in the immediately preceding sentence shall automatically cease and terminate without any notice by Mortgagee (such notice being hereby expressly waived by Mortgagor to the extent permitted by applicable law), or any action or proceeding or the intervention of a receiver appointed by a court.

(ii) Mortgagor acknowledges that Mortgagee has taken all reasonable actions necessary to obtain, and that upon recordation of this Mortgage, Mortgagee shall have, to the extent permitted under applicable law, a valid and fully perfected, present assignment of the Rents arising out of the Leases and all security for such Leases subject only to the Permitted Liens and in the case of security deposits, rights of depositors and Requirements of Law. Mortgagor acknowledges and agrees that upon recordation of this Mortgage, Mortgagee's interest in the Rents shall be deemed to be fully perfected, "choate" and enforced as to Mortgagor and all third parties, including, without limitation, any subsequently appointed trustee in any case under Title 11 of the United States Code (the "Bankruptcy Code"), without the necessity of commencing a foreclosure action with respect to this Mortgage, making formal demand for the Rents, obtaining the appointment of a receiver or taking any other affirmative action.

(iii) Without limitation of the absolute nature of the assignment of the Rents hereunder, Mortgagor and Mortgagee agree that (a) this Mortgage shall constitute a "security agreement" for purposes of Section 552(b) of the Bankruptcy Code, (b) the security interest created by this Mortgage extends to property of Mortgagor acquired before the commencement of a case in bankruptcy and to all amounts paid as Rents, and (c) such security interest shall extend to all Rents acquired by the estate after the commencement of any case in bankruptcy.

SECTION 5.2. Collection of Rents by the Mortgagee.

(i) Any Rents receivable by the Mortgagee hereunder, after payment of all proper costs and expenses as Mortgagee may, in its sole discretion, determine to be appropriate (including the payment of reasonable costs and expenses in connection with the maintenance, operation, improvement, insurance, taxes and upkeep of the Mortgaged Property), shall be applied in accordance with the provisions of Section 8.03 of the Credit Agreement. The Mortgagee shall be accountable to the Mortgagor only for Rents actually received by the Mortgagee. The collection of such Rents and the application thereof shall not cure or waive any Event of Default or waive, modify or affect notice of any Event of Default or invalidate any act done pursuant to such notice.

(ii) The Mortgagor hereby irrevocably authorizes and directs Tenant under each Lease to rely upon and comply with any and all notices or demands from the Mortgagee for payment of Rents to the Mortgagee and the Mortgagor shall have no claim against Tenant for Rents paid by Tenant to the Mortgagee pursuant to such notice or demand.

SECTION 5.3. Irrevocable Interest. All rights, powers and privileges of the Mortgagee herein set forth are coupled with an interest and are irrevocable, subject to the terms and conditions hereof, and the Mortgagor shall not take any action under the Leases or otherwise which is inconsistent with this Mortgage or any of the terms hereof and any such action inconsistent herewith or therewith shall be void.

ARTICLE VI.

TAXES AND CERTAIN STATUTORY LIENS

SECTION 6.1. Payment of Property Charges. Unless and to the extent contested by the Mortgagor in accordance with the provisions of the Credit Agreement, the Mortgagor shall pay and discharge, or cause to be paid and discharged, from time to time prior to same becoming delinquent, all Property Charges. The Mortgagor shall, upon the Mortgagee's request, deliver to the Mortgagee receipts evidencing the payment of all such Property Charges.

SECTION 6.2. Stamp and Other Taxes. The Mortgagor shall pay any United States documentary stamp taxes, with interest and fines and penalties, and any mortgage recording taxes, with interest and fines and penalties, that may hereafter be levied, imposed or assessed under or upon this Mortgage or the Secured Obligations or any instrument or transaction affecting or relating to the same and in default thereof, the Mortgagee may advance the same and the amount so advanced shall be payable by the Mortgagor to the Mortgagee in accordance with the provisions of Section 2.15(c) of the Credit Agreement.

SECTION 6.3. Certain Tax Law Changes. In the event of the passage after the date hereof of any law deducting from the value of real property, for the purpose of taxation, amounts in respect of any Lien thereon or changing in any way the laws for the taxation of mortgages or debts secured by mortgages for state or local purposes or the manner of the collection of any taxes, and imposing any taxes, either directly or indirectly, on this Mortgage or

any other Loan Document which are payable by or assessed on the Mortgagee, the Mortgagor shall promptly pay to the Mortgagee or the appropriate tax authority such amount or amounts as may be necessary from time to time to pay any such taxes, assessments or other charges resulting therefrom; provided, that if any such payment or reimbursement to the Mortgagee shall be unlawful or taxable, or would constitute usury or render the indebtedness wholly or partially usurious under applicable law, the Mortgagor shall pay or reimburse Mortgagee for payment of the lawful and non-usurious portion thereof.

SECTION 6.4. Proceeds of Tax Claim. In the event that the proceeds of any tax claim are paid after the Mortgagee has exercised its right to foreclose the Lien hereof, such proceeds shall be paid to the Mortgagee to satisfy any deficiency remaining after such foreclosure. The Mortgagee shall retain its interest in the proceeds of any tax claim during any redemption period. The amount of any such proceeds in excess of any deficiency claim of the Mortgagee shall in a reasonably prompt manner be released to the Mortgagor.

## ARTICLE VII.

### CASUALTY EVENTS AND RESTORATION

SECTION 7.1. Casualty Event. If there shall occur any Casualty Event (or, in the case of any condemnation, taking or other proceeding in the nature thereof, upon the occurrence thereof or notice of the commencement of any proceedings therefor), the Mortgagor shall promptly send to the Mortgagee a written notice setting forth the nature and extent thereof. The proceeds payable in respect of any such Casualty Event are hereby assigned and shall be paid to the Mortgagee. The Net Cash Proceeds of each Casualty Event shall be applied, allocated and distributed in accordance with the provisions of Section 2.10 of the Credit Agreement.

SECTION 7.2. Condemnation. In the case of any taking, condemnation or other proceeding in the nature thereof, the Mortgagee may, at its option, participate in any proceedings or negotiations which might result in any taking or condemnation and the Mortgagor shall deliver or cause to be delivered to the Mortgagee all instruments reasonably requested by it to permit such participation. The Mortgagee may be represented by counsel satisfactory to it at the reasonable expense of the Mortgagor in connection with any such participation. The Mortgagor shall pay all reasonable fees, costs and expenses incurred by the Mortgagee in connection therewith and in seeking and obtaining any award or payment on account thereof. The Mortgagor shall take all steps necessary to notify the condemning authority of such participation.

SECTION 7.3. Restoration. In the event the Mortgagor is permitted or required to perform any repairs or restoration to the Premises in accordance with the provisions of the Credit Agreement, the Mortgagor shall complete such repairs or restoration in accordance with provisions thereof.

ARTICLE VIII.

EVENTS OF DEFAULT AND REMEDIES

SECTION 8.1. Remedies in Case of an Event of Default. If any Event of Default shall have occurred and be continuing, the Mortgagee may at its option, in addition to any other action permitted under this Mortgage or the Credit Agreement or by law, statute or in equity, take one or more of the following actions to the greatest extent permitted by local law:

(i) personally, or by its agents or attorneys, (A) enter into and upon and take possession of all or any part of the Premises together with the books, records and accounts of the Mortgagor relating thereto and, exclude the Mortgagor, its agents and servants wholly therefrom, (B) use, operate, manage and control the Premises and conduct the business thereof, (C) maintain and restore the Premises, (D) make all necessary or proper repairs, renewals and replacements and such useful alterations thereto and thereon as the Mortgagee may deem advisable, (E) manage, lease and operate the Premises and carry on the business thereof and exercise all rights and powers of the Mortgagor with respect thereto either in the name of the Mortgagor or otherwise or (F) collect and receive all Rents. The Mortgagee shall be under no liability for or by reason of any such taking of possession, entry, removal or holding, operation or management except that any amounts so received by the Mortgagee shall be applied in accordance with the provisions of Section 8.03 of the Credit Agreement.

(ii) with or without entry, personally or by its agents or attorneys (A) sell the Mortgaged Property and all estate, right, title and interest, claim and demand therein at one or more sales in one or more parcels, in accordance with the provisions of Section 8.2 hereof or (B) institute and prosecute proceedings for the complete or partial foreclosure of the Lien and security interests created and evidenced hereby; or

(iii) take such steps to protect and enforce its rights whether by action, suit or proceeding at law or in equity for the specific performance of any covenant, condition or agreement in the Credit Agreement and the other Loan Documents, or in aid of the execution of any power granted in this Mortgage, or for any foreclosure hereunder, or for the enforcement of any other appropriate legal or equitable remedy or otherwise as the Mortgagee shall elect.

SECTION 8.2. Sale of Mortgaged Property if Event of Default Occurs; Proceeds of Sale.

(i) If any Event of Default shall have occurred and be continuing, the Mortgagee may institute an action to foreclose this Mortgage or take such other action as may be permitted and available to the Mortgagee at law or in equity for the enforcement of the Credit Agreement and realization on the Mortgaged Property and proceeds thereon through power of sale (if then available under applicable law) or to final judgment and execution thereof for the Secured Obligations, and in furtherance thereof the Mortgagee may sell the Mortgaged Property at one or more sales, as an entirety or in parcels, at such time and place, upon such terms and

after such notice thereof as may be required or permitted by law or statute or in equity. The Mortgagee may execute and deliver to the purchaser at such sale a conveyance of the Mortgaged Property in fee simple and an assignment or conveyance of all the Mortgagor's Interest in the Leases and the Mortgaged Property, each of which conveyances and assignments shall contain recitals as to the Event of Default upon which the execution of the power of sale herein granted depends, and the Mortgagor hereby constitutes and appoints the Mortgagee the true and lawful attorney(s) in fact of the Mortgagor to make any such recitals, sale, assignment and conveyance, and all of the acts of the Mortgagee as such attorney in fact are hereby ratified and confirmed. The Mortgagor agrees that such recitals shall be binding and conclusive upon the Mortgagor and that any assignment or conveyance to be made by the Mortgagee shall divest the Mortgagor of all right, title, interest, equity and right of redemption, including any statutory redemption, in and to the Mortgaged Property. The power and agency hereby granted are coupled with an interest and are irrevocable by death or dissolution, or otherwise, and are in addition to any and all other remedies which the Mortgagee may have hereunder, at law or in equity. So long as the Secured Obligations, or any part thereof, remain unpaid, the Mortgagor agrees that possession of the Mortgaged Property by the Mortgagor, or any person claiming under the Mortgagor, shall be as tenant, and, in case of a sale under power or upon foreclosure as provided in this Mortgage, the Mortgagor and any person in possession under the Mortgagor, as to whose interest such sale was not made subject, shall, at the option of the purchaser at such sale, then become and be tenants holding over, and shall forthwith deliver possession to such purchaser, or be summarily dispossessed in accordance with the laws applicable to tenants holding over. In case of any sale under this Mortgage by virtue of the exercise of the powers herein granted, or pursuant to any order in any judicial proceeding or otherwise, the Mortgaged Property may be sold as an entirety or in separate parcels in such manner or order as the Mortgagee in its sole discretion may elect. One or more exercises of powers herein granted shall not extinguish or exhaust such powers, until the entire Mortgaged Property is sold or all amounts secured hereby are paid in full.

(ii) The proceeds of any sale made under or by virtue of this Article VIII, together with any other sums which then may be held by the Mortgagee under this Mortgage, whether under the provisions of this Article VIII or otherwise, shall be applied in accordance with the provisions of Section 8.03 of the Credit Agreement.

(iii) The Mortgagee (on behalf of any Secured Party or on its own behalf) or any Lender or any of their respective Affiliates may bid for and acquire the Mortgaged Property or any part thereof at any sale made under or by virtue of this Article VIII and, in lieu of paying cash therefor, may make settlement for the purchase price by crediting against the purchase price the unpaid amounts (whether or not then due) owing to the Mortgagee, or such Lender in respect of the Secured Obligations, after deducting from the sales price the expense of the sale and the costs of the action or proceedings and any other sums that the Mortgagee or such Lender is authorized to deduct under this Mortgage.

(iv) The Mortgagee may adjourn from time to time any sale by it to be made under or by virtue hereof by announcement at the time and place appointed for such sale or for such adjourned sale or sales, and, the Mortgagee, without further notice or publication, may make such sale at the time and place to which the same shall be so adjourned.

(v) If the Premises are comprised of more than one parcel of land, the Mortgagee may take any of the actions authorized by this Section 8.2 in respect of any or a number of individual parcels.

SECTION 8.3. Additional Remedies in Case of an Event of Default.

(i) The Mortgagee shall be entitled to recover judgment as aforesaid either before, after or during the pendency of any proceedings for the enforcement of the provisions hereof and, to the extent permitted by applicable law, the right of the Mortgagee to recover such judgment shall not be affected by any entry or sale hereunder, or by the exercise of any other right, power or remedy for the enforcement of the provisions hereof, or the foreclosure of, or absolute conveyance pursuant to, this Mortgage. In case of proceedings against the Mortgagor in insolvency or bankruptcy or any proceedings for its reorganization or involving the liquidation of its assets, the Mortgagee shall be entitled to prove the whole amount of principal and interest and other payments, charges and costs due in respect of the Secured Obligations to the full amount thereof without deducting therefrom any proceeds obtained from the sale of the whole or any part of the Mortgaged Property; provided, however, that in no case shall the Mortgagee receive a greater amount than the aggregate of such principal, interest and such other payments, charges and costs (with interest at the Default Rate) from the proceeds of the sale of the Mortgaged Property and the distribution from the estate of the Mortgagor.

(ii) Any recovery of any judgment by the Mortgagee and any levy of any execution under any judgment upon the Mortgaged Property shall not affect in any manner or to any extent the Lien and security interests created and evidenced hereby upon the Mortgaged Property or any part thereof, or any conveyances, powers, rights and remedies of the Mortgagee hereunder, but such conveyances, powers, rights and remedies shall continue unimpaired as before.

(iii) Any monies collected by the Mortgagee under this Section 8.3 shall be applied in accordance with the provisions of Section 8.2(ii).

SECTION 8.4. Legal Proceedings After an Event of Default.

(i) After the occurrence of any Event of Default and immediately upon the commencement of any action, suit or legal proceedings to obtain judgment for the Secured Obligations or any part thereof, or of any proceedings to foreclose the Lien and security interest created and evidenced hereby or otherwise to enforce the provisions hereof or of any other proceedings in aid of the enforcement hereof, the Mortgagor shall enter its voluntary appearance in such action, suit or proceeding.

(ii) Upon the occurrence and during the continuance of an Event of Default, the Mortgagee shall be entitled forthwith as a matter of right, concurrently or independently of any other right or remedy hereunder either before or after declaring the Secured Obligations or any part thereof to be due and payable, to the appointment of a receiver without giving notice to any party and without regard to the adequacy or inadequacy of any security for the Secured Obligations or the solvency or insolvency of any person or entity then legally or equitably liable for the Secured Obligations or any portion thereof. The Mortgagor hereby consents to the

appointment of such receiver. Notwithstanding the appointment of any receiver, the Mortgagee shall be entitled as pledgee to the possession and control of any cash, deposits or instruments at the time held by or payable or deliverable under the terms of the Credit Agreement to the Mortgagee.

(iii) The Mortgagor shall not (A) at any time insist upon, or plead, or in any manner whatsoever claim or take any benefit or advantage of any stay or extension or moratorium law, any exemption from execution or sale of the Mortgaged Property or any part thereof, wherever enacted, now or at any time hereafter in force, which may affect the covenants and terms of performance hereof, (B) claim, take or insist on any benefit or advantage of any law now or hereafter in force providing for the valuation or appraisal of the Mortgaged Property, or any part thereof, prior to any sale or sales of the Mortgaged Property which may be made pursuant to this Mortgage, or pursuant to any decree, judgment or order of any court of competent jurisdiction or (C) after any such sale or sales, claim or exercise any right under any statute heretofore or hereafter enacted to redeem the property so sold or any part thereof. To the extent permitted by applicable law, the Mortgagor hereby expressly (X) waives all benefit or advantage of any such law or laws, including, without limitation, any statute of limitations applicable to this Mortgage, (Y) waives any objection which it may now or hereafter have to the laying of venue of any action, suit or proceeding brought in connection with this Mortgage and further waives and agrees not to plead that any such action, suit or proceeding brought in any such court has been brought in an inconvenient forum and (Z) covenants not to hinder, delay or impede the execution of any power granted or delegated to the Mortgagee by this Mortgage but to suffer and permit the execution of every such power as though no such law or laws had been made or enacted. The Mortgagee shall not be liable for any incorrect or improper payment made pursuant to this Article VIII in the absence of gross negligence or willful misconduct.

SECTION 8.5. Remedies Not Exclusive. No remedy conferred upon or reserved to the Mortgagee by this Mortgage is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Mortgage or now or hereafter existing at law or in equity. Any delay or omission of the Mortgagee to exercise any right or power accruing on any Event of Default shall not impair any such right or power and shall not be construed to be a waiver of or acquiescence in any such Event of Default. Every power and remedy given by this Mortgage may be exercised from time to time concurrently or independently, when and as often as may be deemed expedient by the Mortgagee in such order and manner as the Mortgagee, in its sole discretion, may elect. If the Mortgagee or any Lender accepts any monies required to be paid by the Mortgagor under this Mortgage or any other Loan Document after the same become due, such acceptance shall not constitute a waiver of the right either to require prompt payment, when due, of all other sums secured by this Mortgage or to declare an Event of Default with regard to subsequent defaults. If the Mortgagee or any Lender accepts any monies required to be paid by the Mortgagor under this Mortgage or any other Loan Document in an amount less than the sum then due, such acceptance shall be deemed an acceptance on account only and on the condition that it shall not constitute a waiver of the obligation of the Mortgagor to pay the entire sum then due, and the Mortgagor's failure to pay the entire sum then due shall be and continue to be a default hereunder notwithstanding acceptance of such amount on account.

ARTICLE IX.

SECURITY AGREEMENT AND FIXTURE FILING

SECTION 9.1. Security Agreement. To the extent that the Mortgaged Property includes personal property or items of personal property which are or are to become fixtures under applicable law, this Mortgage shall also be construed as a security agreement under the UCC; and, upon and during the continuance of an Event of Default, the Mortgagee shall be entitled with respect to such personal property to exercise all remedies hereunder, all remedies available under the UCC with respect to fixtures and all other remedies available under applicable law. Without limiting the foregoing, such personal property may, at the Mortgagee's option, (i) be sold hereunder together with any sale of any portion of the Mortgaged Property or otherwise, (ii) be sold pursuant to the UCC, or (iii) be dealt with by the Mortgagee in any other manner permitted under applicable law. The Mortgagee may require the Mortgagor to assemble such personal property and make it available to the Mortgagee at a place to be designated by the Mortgagee. The Mortgagor acknowledges and agrees that a disposition of the personal property in accordance with the Mortgagee's rights and remedies in respect to the Mortgaged Property as heretofore provided is a commercially reasonable disposition thereof; provided, however, that the Mortgagee shall give the Mortgagor not less than ten (10) days' prior notice of the time and place of any intended disposition.

SECTION 9.2. Fixture Filing. To the extent that the Mortgaged Property includes items of personal property which are or are to become fixtures under applicable law, and to the extent permitted under applicable law, the filing hereof in the real estate records of the county in which such Mortgaged Property is located shall also operate from the time of filing as a fixture filing with respect to such Mortgaged Property, and the following information is applicable for the purpose of such fixture filing, to wit:

The Mortgagor is a corporation organized under the laws of the State of Texas whose Organization Number is 0800204347, and whose Taxpayer Identification Number is 41-2098321.

**This Financing Statement covers the following types or items of property:**

This instrument covers goods or items of personal property which are or are to become fixtures upon the Premises.

In addition, Mortgagor authorizes the Mortgagee to file appropriate financing and continuation statements under the UCC in effect in the jurisdiction in which the Mortgaged Property is located as may be required by law in order to establish, preserve and protect the liens and security interests intended to be granted to the Mortgagee pursuant to this Mortgage in the Mortgaged Property.

ARTICLE X.

FURTHER ASSURANCES

SECTION 10.1. Recording Documentation To Assure Security. The Mortgagor shall, forthwith after the execution and delivery hereof and thereafter, from time to time, cause this Mortgage and any financing statement, continuation statement or similar instrument relating to any thereof or to any property intended to be subject to the Lien hereof to be filed, registered and recorded in such manner and in such places as may be required by any present or future law in order to publish notice of and fully to protect the validity and priority thereof or the Lien hereof purported to be created upon the Mortgaged Property and the interest and rights of the Mortgagee therein. The Mortgagor shall pay or cause to be paid all taxes and fees incident to such filing, registration and recording, and all expenses incident to the preparation, execution and acknowledgment thereof, and of any instrument of further assurance, and all federal or state stamp taxes or other taxes, duties and charges arising out of or in connection with the execution and delivery of such instruments.

SECTION 10.2. Further Acts. The Mortgagor shall, at the sole cost and expense of the Mortgagor, do, execute, acknowledge and deliver all and every such further acts, deeds, conveyances, mortgages, assignments, notices of assignment, transfers, financing statements, continuation statements, instruments and assurances as the Mortgagee shall from time to time request, which may be necessary in the judgment of the Mortgagee from time to time to assure, perfect, convey, assign, pledge, transfer and confirm unto the Mortgagee, the property and rights hereby conveyed or assigned or which the Mortgagor may be or may hereafter become bound to convey or assign to the Mortgagee or for carrying out the intention or facilitating the performance of the terms hereof or the filing, registering or recording hereof. Without limiting the generality of the foregoing, in the event that the Mortgagee desires to exercise any remedies, consensual rights or attorney-in-fact powers set forth in this Mortgage and determines it necessary to obtain any approvals or consents of any Governmental Authority or any other person therefor, then, upon the reasonable request of the Mortgagee, the Mortgagor agrees to use its best efforts to assist and aid the Mortgagee to obtain as soon as practicable any necessary approvals or consents for the exercise of any such remedies, rights and powers. In the event the Mortgagor shall fail after demand to execute any instrument or take any action required to be executed or taken by the Mortgagor under this Section 10.2, the Mortgagee may execute or take the same as the attorney-in-fact for the Mortgagor, such power of attorney being coupled with an interest and is irrevocable.

SECTION 10.3. Additional Security. Without notice to or consent of the Mortgagor and without impairment of the Lien and rights created by this Mortgage, the Mortgagee may accept (but the Mortgagor shall not be obligated to furnish) from the Mortgagor or from any other person, additional security for the Secured Obligations. Neither the giving hereof nor the acceptance of any such additional security shall prevent the Mortgagee from resorting, first, to such additional security, and, second, to the security created by this Mortgage without affecting the Mortgagee's Lien and rights under this Mortgage.

#### ARTICLE XI.

#### MISCELLANEOUS

SECTION 11.1. Covenants To Run with the Land. All of the grants, covenants, terms, provisions and conditions in this Mortgage shall run with the Land and shall apply to, and bind the successors and assigns of, the Mortgagor. If there shall be more than one mortgagor with respect to the Mortgaged Property, the covenants and warranties hereof shall be joint and several.

SECTION 11.2. No Merger. The rights and estate created by this Mortgage shall not, under any circumstances, be held to have merged into any other estate or interest now owned or hereafter acquired by the Mortgagee unless the Mortgagee shall have consented to such merger in writing.

#### SECTION 11.3. Concerning Mortgagee.

(i) The Mortgagee has been appointed as Collateral Agent pursuant to the Credit Agreement. The actions of the Mortgagee hereunder are subject to the provisions of the Credit Agreement. The Mortgagee shall have the right hereunder to make demands, to give notices, to exercise or refrain from exercising any rights, and to take or refrain from taking action (including, without limitation, the release or substitution of the Mortgaged Property), in accordance with this Mortgage and the Credit Agreement. The Mortgagee may employ agents and attorneys-in-fact in connection herewith and shall not be liable for the negligence or misconduct of any such agents or attorneys-in-fact selected by it in good faith. The Mortgagee may resign and a successor Mortgagee may be appointed in the manner provided in the Credit Agreement. Upon the acceptance of any appointment as the Mortgagee by a successor Mortgagee, that successor Mortgagee shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Mortgagee under this Mortgage, and the retiring Mortgagee shall thereupon be discharged from its duties and obligations under this Mortgage. After any retiring Mortgagee's resignation, the provisions hereof shall inure to its benefit as to any actions taken or omitted to be taken by it under this Mortgage while it was the Mortgagee.

(ii) The Mortgagee shall be deemed to have exercised reasonable care in the custody and preservation of the Mortgaged Property in its possession if such Mortgaged Property is accorded treatment substantially equivalent to that which the Mortgagee, in its individual capacity, accords its own property consisting of similar instruments or interests, it being

understood that neither the Mortgagee nor any of the Secured Parties shall have responsibility for taking any necessary steps to preserve rights against any person with respect to any Mortgaged Property.

(iii) The Mortgagee shall be entitled to rely upon any written notice, statement, certificate, order or other document or any telephone message believed by it to be genuine and correct and to have been signed, sent or made by the proper person, and, with respect to all matters pertaining to this Mortgage and its duties hereunder, upon advice of counsel selected by it.

(iv) With respect to any of its rights and obligations as a Lender, the Mortgagee shall have and may exercise the same rights and powers hereunder. The term "Lenders," "Lender" or any similar terms shall, unless the context clearly otherwise indicates, include the Mortgagee in its individual capacity as a Lender, if the Mortgagee shall be a Lender. The Mortgagee may accept deposits from, lend money to, and generally engage in any kind of banking, trust or other business with the Mortgagor or any Affiliate of the Mortgagor to the same extent as if the Mortgagee were not acting as Collateral Agent.

(v) If any portion of the Mortgaged Property also constitutes collateral granted by Mortgagor to the Mortgagee to secure the Secured Obligations under any other deed of trust, mortgage, security agreement, pledge or instrument of any type, in the event of any conflict between the provisions hereof and the provisions of such other deed of trust, mortgage, security agreement, pledge or instrument of any type in respect of such collateral, the Mortgagee, in its sole discretion, shall select which provision or provisions shall control.

SECTION 11.4. Mortgagee May Perform. If the Mortgagor shall fail to perform any covenants contained in this Mortgage (including, without limitation, the Mortgagor's covenants to (i) pay the premiums in respect of all required insurance policies hereunder or under the Credit Agreement, (ii) pay Property Charges, (iii) make repairs, (iv) discharge Liens or (v) pay or perform any obligations of the Mortgagor under any Mortgaged Property) or if any warranty on the part of the Mortgagor contained herein shall be breached, the Mortgagee may (but shall not be obligated to), after five (5) Business Days notice to Mortgagor, do the same or cause it to be done or remedy any such breach, and may expend funds for such purpose; provided, however, that the Mortgagee shall in no event be bound to inquire into the validity of any tax, lien, imposition or other obligation which the Mortgagor fails to pay or perform as and when required hereby and which the Mortgagor does not contest in accordance with the provisions of the Credit Agreement. Any and all amounts so expended by the Mortgagee shall be paid by the Mortgagor in accordance with the provisions of Section 11.03 of the Credit Agreement. Neither the provisions of this Section 11.4 nor any action taken by the Mortgagee pursuant to the provisions of this Section 11.4 shall prevent any such failure to observe any covenant contained in this Mortgage nor any breach of warranty from constituting an Event of Default.

SECTION 11.5. Continuing Security Interest; Assignment. This Mortgage shall create a continuing Lien on and security interest in the Mortgaged Property and shall (i) be binding upon the Mortgagor, its successors and assigns, (ii) inure, together with the rights and remedies of the Mortgagee hereunder, to the benefit of the Mortgagee for the benefit of the

Secured Parties and each of their respective successors, transferees and assigns and (iii) in the event there is more than one mortgagor party hereto, all undertakings hereunder shall be deemed joint and several. No other persons (including, without limitation, any other creditor of any Loan Party) shall have any interest herein or any right or benefit with respect hereto. Without limiting the generality of the foregoing clause (ii), but subject, however, to the provisions of the Credit Agreement, any Lender may assign or otherwise transfer any indebtedness held by it secured by this Mortgage to any other person, and such other person shall thereupon become vested with all the benefits in respect thereof granted to such Lender, herein or otherwise.

SECTION 11.6. Termination; Release. When all the Secured Obligations have been paid in full and the Commitments of the Lenders to make any Loan or to issue any Letter of Credit under the Credit Agreement shall have expired or been sooner terminated and all Letters of Credit have been terminated or cash collateralized in accordance with the provisions of the Credit Agreement, this Mortgage shall terminate. Upon termination hereof or any release of the Mortgaged Property or any portion thereof in accordance with the provisions of the Credit Agreement, the Mortgagee shall, upon the request and at the sole cost and expense of the Mortgagor, forthwith assign, transfer and deliver to the Mortgagor, against receipt and without recourse to or warranty by the Mortgagee, such of the Mortgaged Property to be released (in the case of a release) as may be in possession of the Mortgagee and as shall not have been sold or otherwise applied pursuant to the terms hereof, and, with respect to any other Mortgaged Property, proper documents and instruments (including UCC-3 termination statements or releases) acknowledging the termination hereof or the release of such Mortgaged Property, as the case may be.

SECTION 11.7. Modification in Writing. No amendment, modification, supplement, termination or waiver of or to any provision hereof, nor consent to any departure by the Mortgagor therefrom, shall be effective unless the same shall be done in accordance with the terms of the Credit Agreement and unless in writing and signed by the Mortgagee. Any amendment, modification or supplement of or to any provision hereof, any waiver of any provision hereof and any consent to any departure by the Mortgagor from the terms of any provision hereof shall be effective only in the specific instance and for the specific purpose for which made or given. Except where notice is specifically required by this Mortgage or any other Loan Document, no notice to or demand on the Mortgagor in any case shall entitle the Mortgagor to any other or further notice or demand in similar or other circumstances.

SECTION 11.8. Notices. Unless otherwise provided herein or in the Credit Agreement, any notice or other communication herein required or permitted to be given shall be given in the manner and become effective as set forth in the Credit Agreement, if to the Mortgagor or the Mortgagee, addressed to it at the address set forth in the Credit Agreement, or in each case at such other address as shall be designated by such party in a written notice to the other party complying as to delivery with the terms of this Section 11.8.

SECTION 11.9. GOVERNING LAW; SERVICE OF PROCESS; WAIVER OF JURY TRIAL. THIS MORTGAGE SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE IN WHICH THE PREMISES ARE LOCATED, WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAWS, EXCEPT TO THE EXTENT THAT THE VALIDITY OR

PERFECTION OF THE SECURITY INTEREST HEREUNDER, OR REMEDIES HEREUNDER, IN RESPECT OF ANY PARTICULAR ITEM OR TYPE OF MORTGAGED PROPERTY ARE GOVERNED BY THE LAWS OF A JURISDICTION OTHER THAN SUCH STATE. MORTGAGOR AGREES THAT SERVICE OF PROCESS IN ANY PROCEEDING MAY BE EFFECTED BY MAILING A COPY THEREOF BY REGISTERED OR CERTIFIED MAIL (OR ANY SUBSTANTIALLY SIMILAR FORM OF MAIL), POSTAGE PREPAID, TO BORROWER AT ITS ADDRESS SET FORTH IN THE CREDIT AGREEMENT OR AT SUCH OTHER ADDRESS OF WHICH THE MORTGAGEE SHALL HAVE BEEN NOTIFIED PURSUANT THERETO. IF ANY AGENT APPOINTED BY MORTGAGOR REFUSES TO ACCEPT SERVICE, MORTGAGOR HEREBY AGREES THAT SERVICE UPON IT BY MAIL SHALL CONSTITUTE SUFFICIENT NOTICE. NOTHING HEREIN SHALL AFFECT THE RIGHT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR SHALL LIMIT THE RIGHT OF MORTGAGEE TO BRING PROCEEDINGS AGAINST MORTGAGOR IN THE COURTS OF ANY OTHER JURISDICTION. THE MORTGAGOR HEREBY IRREVOCABLY WAIVES ALL RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS MORTGAGE OR THE TRANSACTIONS CONTEMPLATED HEREBY.

SECTION 11.10. Severability of Provisions. Any provision hereof which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof or affecting the validity or enforceability of such provision in any other jurisdiction.

SECTION 11.11. Relationship. The relationship of the Mortgagee to the Mortgagor hereunder is strictly and solely that of lender and borrower and mortgagor and mortgagee and nothing contained in the Credit Agreement, this Mortgage or any other document or instrument now existing and delivered in connection therewith or otherwise in connection with the Secured Obligations is intended to create, or shall in any event or under any circumstance be construed as creating a partnership, joint venture, tenancy-in-common, joint tenancy or other relationship of any nature whatsoever between the Mortgagee and the Mortgagor other than as lender and borrower and mortgagor and mortgagee.

SECTION 11.12. No Credit for Payment of Taxes or Impositions. The Mortgagor shall not be entitled to any credit against the principal, premium, if any, or interest payable under the Credit Agreement, and the Mortgagor shall not be entitled to any credit against any other sums which may become payable under the terms thereof or hereof, by reason of the payment of any Property Charges on the Mortgaged Property or any part thereof.

SECTION 11.13. No Claims Against the Mortgagee. Nothing contained in this Mortgage shall constitute any consent or request by the Mortgagee, express or implied, for the performance of any labor or services or the furnishing of any materials or other property in respect of the Premises or any part thereof, nor as giving the Mortgagor any right, power or authority to contract for or permit the performance of any labor or services or the furnishing of any materials or other property in such fashion as would permit the making of any claim against the Mortgagee in respect thereof or any claim that any Lien based on the performance of such

labor or services or the furnishing of any such materials or other property is prior to the Lien hereof.

SECTION 11.14. Mortgagee's Right To Sever Indebtedness.

(i) The Mortgagor acknowledges that (A) the Mortgaged Property does not constitute the sole source of security for the payment and performance of the Secured Obligations and that the Secured Obligations are also secured by property of the Mortgagor and its Affiliates in other jurisdictions (all such property, collectively, the "Collateral"), (B) the number of such jurisdictions and the nature of the transaction of which this instrument is a part are such that it would have been impracticable for the parties to allocate to each item of Collateral a specific loan amount and to execute in respect of such item a separate credit agreement and (C) the Mortgagor intends that the Mortgagee have the same rights with respect to the Mortgaged Property, in foreclosure or otherwise, that the Mortgagee would have had if each item of Collateral had been secured, mortgaged or pledged pursuant to a separate credit agreement, mortgage or security instrument. In furtherance of such intent, the Mortgagor agrees that the Mortgagee may at any time by notice (an "Allocation Notice") to the Mortgagor allocate a portion (the "Allocated Indebtedness") of the Secured Obligations to the Mortgaged Property and sever from the remaining Secured Obligations the Allocated Indebtedness. From and after the giving of an Allocation Notice with respect to the Mortgaged Property, the Secured Obligations hereunder shall be limited to the extent set forth in the Allocation Notice and (as so limited) shall, for all purposes, be construed as a separate loan obligation of the Mortgagor unrelated to the other transactions contemplated by the Credit Agreement, any other Loan Document or any document related to any thereof. To the extent that the proceeds on any foreclosure of the Mortgaged Property shall exceed the Allocated Indebtedness, such proceeds shall belong to the Mortgagor and shall not be available hereunder to satisfy any Secured Obligations of the Mortgagor other than the Allocated Indebtedness. In any action or proceeding to foreclose the Lien hereof or in connection with any power of sale, foreclosure or other remedy exercised under this Mortgage commenced after the giving by the Mortgagee of an Allocation Notice, the Allocation Notice shall be conclusive proof of the limits of the Secured Obligations hereby secured, and the Mortgagor may introduce, by way of defense or counterclaim, evidence thereof in any such action or proceeding. Notwithstanding any provision of this Section 11.14, the proceeds received by the Mortgagee pursuant to this Mortgage shall be applied by the Mortgagee in accordance with the provisions of Section 8.03 of the Credit Agreement.

(ii) The Mortgagor hereby waives to the greatest extent permitted under law the right to a discharge of any of the Secured Obligations under any statute or rule of law now or hereafter in effect which provides that foreclosure of the Lien hereof or other remedy exercised under this Mortgage constitutes the exclusive means for satisfaction of the Secured Obligations or which makes unavailable a deficiency judgment or any subsequent remedy because the Mortgagee elected to proceed with a power of sale, foreclosure or such other remedy or because of any failure by the Mortgagee to comply with laws that prescribe conditions to the entitlement to a deficiency judgment. In the event that, notwithstanding the foregoing waiver, any court shall for any reason hold that the Mortgagee is not entitled to a deficiency judgment, the Mortgagor shall not (A) introduce in any other jurisdiction such judgment as a defense to enforcement against the Mortgagor of any remedy in the Credit Agreement or any other Loan Document or (B) seek to have such judgment recognized or entered in any other jurisdiction, and

any such judgment shall in all events be limited in application only to the state or jurisdiction where rendered.

(iii) In the event any instrument in addition to the Allocation Notice is necessary to effectuate the provisions of this Section 11.14, including, without limitation, any amendment to this Mortgage, any substitute promissory note or affidavit or certificate of any kind, the Mortgagee may execute, deliver or record such instrument as the attorney-in-fact of the Mortgagor. Such power of attorney is coupled with an interest and is irrevocable.

(iv) Notwithstanding anything set forth herein to the contrary, the provisions of this Section 11.14 shall be effective only to the maximum extent permitted by law.

## ARTICLE XII.

SECTION 12.2. Credit Agreement. In the event of any conflict between the Credit Agreement and this Mortgage, the provisions of the Credit Agreement shall govern and control.

## ARTICLE XIII.

(iii) enforce all of the material terms, covenants and conditions contained in such Lease upon the part of the Tenant thereunder to be observed or performed.

SECTION 13.2. Mortgagor's Negative Covenants with Respect to Leases. With respect to each Lease, the Mortgagor shall not, without the prior written consent of the Mortgagee:

(i) receive or collect, or permit the receipt or collection of, any Rent under such Lease more than three (3) months in advance of the respective period in respect of which such Rent is to accrue, except:

(A) in connection with the execution and delivery of such Lease (or of any amendment to such Lease), Rent thereunder may be collected and received in advance in an amount not in excess of three (3) months Rent;

(B) the amount held by Landlord as a reasonable security deposit thereunder; and

(C) any amount received and collected for escalation and other charges in accordance with the terms of such Lease;

(ii) assign, transfer or hypothecate (other than to the Mortgagee, and subject to the terms of the Intercreditor Agreement) any Rent under such Lease whether then due or to accrue in the future or the interest of the Mortgagor as Landlord under such Lease;

(iii) enter into any amendment or modification of any Lease if the same would not comply with the definition of Permitted Liens or could reasonably be expected to result in a Property Material Adverse Effect;

(iv) (a) terminate (whether by exercising any contractual right of the Mortgagor to recapture leased space or otherwise) or (b) permit the termination of such Lease or (c) accept surrender of all or any portion of the space demised under such Lease prior to the end of the term thereof or (d) accept assignment of such Lease to the Mortgagor unless the same would not cause a Property Material Adverse Effect (but with respect to clauses (b) and (c) hereof, Mortgagor shall not be required to obtain Mortgagee's prior written consent if the tenant under any such Lease possesses such rights as of the date hereof);

(v) waive, excuse, condone or in any manner discharge or release any Tenants of or from the obligations of such Tenants under their respective Leases or guarantors of Tenants from obligations under any guarantees of the Leases unless the same would not cause a Property Material Adverse Effect.

With respect to each such Deposit Account, as of the date hereof, the applicable Deposit Account Control Agreement listed on Schedule 14 to the Perfection Certificate has been executed and delivered and the Collateral Agent has a First Priority security interest in each such Deposit Account (other than Excluded Deposit Accounts), which security interest is (or, with respect to any such Deposit Accounts identified on Schedule 5.15 to the Credit Agreement, after completion of the actions with respect to such Deposit Accounts specified on such Schedule, will be) perfected by Control. No Pledgor shall hereafter establish and maintain any Deposit Account unless such Bank and such Pledgor shall have duly executed and delivered to the Collateral Agent a Deposit Account Control Agreement with respect to such Deposit Account (other than Excluded Deposit Accounts and Deposit Accounts constituting Excluded Collateral). The Collateral Agent agrees with each Pledgor that the Collateral Agent shall not give any instructions directing the disposition of funds from time to time credited to any Deposit Account or withhold any withdrawal rights from such Pledgor with respect to funds from time to time credited to any Deposit Account unless a Cash Dominion Trigger Event has occurred and no subsequent Cash Dominion Recovery Event has occurred. The two immediately preceding sentences shall not apply to any Deposit Accounts for which the Collateral Agent is the Bank. No Pledgor shall grant Control of any Deposit Account that is not an Excluded Deposit Account to any person other than (i) the Collateral Agent, (ii) subject to the terms of the Intercreditor Agreement, the Term Loan Collateral Agent and (iii) in respect of any Deposit Account that holds only deposits posted by customers described in clause (j) of the definition of Excluded Collateral, such customers.

(c) Securities Accounts and Commodity Accounts. (i) As of the date hereof, no Pledgor has any Securities Accounts or Commodity Accounts other than those listed in Schedule 14 to the Perfection Certificate. With respect to each such Securities Account and Commodities

Account, as of the date hereof, the applicable Securities Account Control Agreement or Commodities Account Control Agreement listed on Schedule 14 to the Perfection Certificate has been executed and delivered and the Collateral Agent has a First Priority security interest in each such Securities Account and Commodity Account (other than Excluded Securities Accounts, Excluded Commodities Accounts and Securities Accounts constituting Excluded Collateral), which security interest is perfected by Control. No Pledgor shall hereafter establish and maintain any Securities Account or Commodity Account with any Securities Intermediary or Commodity Intermediary unless such Securities Intermediary or Commodity Intermediary, as the case may be, and such Pledgor shall have duly executed and delivered a Control Agreement with respect to such Securities Account or Commodity Account (other than Excluded Securities Accounts, Excluded Commodities Accounts and Securities Accounts constituting Excluded Collateral), as the case may be. Each Pledgor shall accept any cash and Investment Property in trust for the benefit of the Collateral Agent and within five days of actual receipt thereof, deposit any and all cash and Investment Property received by it into a Deposit Account or Securities Account. The Collateral Agent agrees with each Pledgor that the Collateral Agent shall not give any Entitlement Orders or instructions or directions to any issuer of uncertificated securities, Securities Intermediary or Commodity Intermediary, and shall not withhold its consent to the exercise of any withdrawal or dealing rights by such Pledgor, unless a Cash Dominion Trigger Event has occurred and no subsequent Cash Dominion Recovery Event has occurred or, after giving effect to any such investment and withdrawal rights, a Cash Dominion Trigger Event would occur. The two immediately preceding sentences shall not apply to any Financial Assets credited to a Securities Account for which the Collateral Agent or any of its affiliates is the Securities Intermediary. No Pledgor shall grant Control over any Investment Property to any person other than (i) the Collateral Agent, (ii) subject to the terms of the Intercreditor Agreement, the Term Loan Collateral Agent and (iii) in respect of any Deposit Account that holds only deposits posted by customers described in clause (j) of the definition of Excluded Collateral, such customers.

(ii) As between the Collateral Agent and the Pledgors, the Pledgors shall bear the investment risk with respect to the Investment Property and Pledged Securities, and the risk of loss of, damage to, or the destruction of the Investment Property and Pledged Securities, whether in the possession of, or maintained as a Security Entitlement or deposit by, or subject to the Control of, the Collateral Agent, a Securities Intermediary, a Commodity Intermediary, any Pledgor or any other person.

(d) Electronic Chattel Paper and Transferable Records. As of the date hereof, no amount under or in connection with any of the Pledged Collateral is evidenced by any Electronic Chattel Paper or any "transferable record" (as that term is defined in Section 201 of the Federal Electronic Signatures in Global and National Commerce Act, or in Section 16 of the Uniform Electronic Transactions Act as in effect in any relevant jurisdiction) other than such Electronic Chattel Paper and transferable records listed in Schedule 11(a) to the Perfection Certificate. If any amount payable under or in connection with any of the Pledged Collateral shall be evidenced by any Electronic Chattel Paper or any transferable record, the Pledgor acquiring such Electronic Chattel Paper or transferable record shall promptly notify the Collateral Agent thereof and shall take such action as the Collateral Agent may reasonably request to vest in the Collateral Agent control of such Electronic Chattel Paper under Section 9-105 of the UCC or control under Section 201 of the Federal Electronic Signatures in Global and National Commerce Act or, as the case may be, Section 16 of the Uniform Electronic Transactions Act, as so in effect in such jurisdiction, of such transferable record. The requirement in the preceding sentence shall not apply to the extent that such amount, together with all amounts payable evidenced by Electronic

---

Chattel Paper or any transferable record in which the Collateral Agent has not been vested control within the meaning of the statutes described in the immediately preceding sentence, does not exceed \$2,000,000 in the aggregate for all Pledgors. The Collateral Agent agrees with such Pledgor that the Collateral Agent will arrange, pursuant to procedures satisfactory to the Collateral Agent and so long as such procedures will not result in the Collateral Agent's loss of control, for the Pledgor to make alterations to the Electronic Chattel Paper or transferable record permitted under Section 9-105 of the UCC or, as the case may be, Section 201 of the Federal Electronic Signatures in Global and National Commerce Act or Section 16 of the Uniform Electronic Transactions Act for a party in control to allow without loss of control, unless an Event of Default has occurred and is continuing or would occur after taking into account any action by such Pledgor with respect to such Electronic Chattel Paper or transferable record.

(e) Letter-of-Credit Rights. If any Pledgor is at any time a beneficiary under a Letter of Credit now or hereafter issued, such Pledgor shall promptly notify the Collateral Agent thereof and such Pledgor shall, at the request of the Collateral Agent, pursuant to an agreement in form and substance reasonably satisfactory to the Collateral Agent, either use commercially reasonable efforts to (i) arrange for the issuer and any confirmer of such Letter of Credit to consent to an assignment to the Collateral Agent of the proceeds of any drawing under the Letter of Credit or (ii) arrange for the Collateral Agent to become the transferee beneficiary of such Letter of Credit, with the Collateral Agent agreeing, in each case, that the proceeds of any drawing under the Letter of Credit are to be applied as provided in the Credit Agreement. The actions in the preceding sentence shall not be required to the extent that the amount of any such Letter of Credit, together with the aggregate amount of all other Letters of Credit for which the actions described above in clauses (i) and (ii) have not been taken, does not exceed \$2,500,000 in the aggregate for all Pledgors. No Pledgor shall grant Control of any Letter-of-Credit Right to any person other than the Collateral Agent and, subject to the terms of the Intercreditor Agreement, the Term Loan Collateral Agent.

(f) Commercial Tort Claims. As of the date hereof, each Pledgor hereby represents and warrants that it holds no Commercial Tort Claims other than those listed in Schedule 13 to the Perfection Certificate and other than Commercial Tort Claims which do not exceed \$1,000,000 in the aggregate for all Pledgors. If any Pledgor shall at any time hold or acquire a Commercial Tort Claim, such Pledgor shall promptly notify the Collateral Agent in writing signed by such Pledgor of the brief details thereof and grant to the Collateral Agent in such writing a security interest therein and in the Proceeds thereof, all upon the terms of this Agreement, with such writing to be in form and substance reasonably satisfactory to the Collateral Agent. The requirement in the preceding sentence shall not apply to the extent that the amount of such Commercial Tort Claim, together with the amount of all other Commercial Tort Claims held by any Pledgor in which the Collateral Agent does not have a security interest, does not exceed \$5,000,000 in the aggregate for all Pledgors.

(g) Landlord's Access Agreements/Bailee Letters. If and to the extent reasonably requested by the Collateral Agent, each Pledgor shall use its commercially reasonable efforts to obtain as soon as practicable after such request with respect to each location where such Pledgor maintains Pledged Collateral, a Bailee Letter and/or Landlord Access Agreement, as applicable, and use commercially reasonable efforts to obtain a Bailee Letter, Landlord Access Agreement and/or landlord's lien waiver, as applicable, from all such bailees and landlords, as applicable, who from time to time have possession of any Pledged Collateral. A waiver of bailee's lien shall not be required if the value of the Pledged Collateral held by such bailee is less than \$500,000,

---

provided that the aggregate value of the Pledged Collateral held by all bailees who have not delivered a Bailee Letter is less than \$2,500,000 in the aggregate.

SECTION 3.5. Joinder of Additional Guarantors. The Pledgors shall cause each Subsidiary of the Parent Borrower that is either (x) organized under the laws of the United States or any state thereof or the District of Columbia and required to become a party to this Agreement or to otherwise pledge any assets to the Collateral Agent for the benefit of the Secured Parties pursuant to the provisions of the Credit Agreement or (y) a Foreign Subsidiary and is required to become a party to this Agreement pursuant to Section 5.11(e) of the Credit Agreement to execute and deliver to the Collateral Agent (i) a Joinder Agreement substantially in the form of Exhibit 3 hereto within thirty days (or such longer period as may be determined by the Collateral Agent in its sole discretion) of the date on which it became a wholly owned Restricted Subsidiary, ceased to be an Excluded Collateral Subsidiary or was required to become a Loan Party or a party to this Agreement by operation of the provisions of Sections 5.11(b), (d) or (e) of the Credit Agreement, as the case may be, and (ii) a Perfection Certificate, in each case, within thirty days (or such longer period as may be determined by the Collateral Agent in its sole discretion) of the date on which it became a wholly owned Restricted Subsidiary, ceased to be an Excluded Collateral Subsidiary or was required to become a Loan Party or a party to this Agreement by operation of the provisions of Sections 5.11(b), (d) or (e) of the Credit Agreement, as the case may be, and, in each case, upon such execution and delivery, such Restricted Subsidiary shall constitute a "Guarantor" and a "Pledgor" for all purposes hereunder with the same force and effect as if originally named as a Guarantor and Pledgor herein. In the case of a wholly owned Restricted Subsidiary organized outside of the United States that is required to become a party to this Agreement pursuant to Section 5.11(e) of the Credit Agreement, such Restricted Subsidiary shall also execute and deliver to the Collateral Agent such additional documentation as the Collateral Agent shall reasonably request to provide for perfected and valid liens on its assets in the jurisdiction where it is organized or doing business. The execution and delivery of such Joinder Agreement shall not require the consent of any Pledgor hereunder. The rights and obligations of each Pledgor hereunder shall remain in full force and effect notwithstanding the addition of any new Guarantor and Pledgor as a party to this Agreement.

SECTION 3.6. Supplements; Further Assurances. Each Pledgor shall take such further actions, and execute and/or deliver to the Collateral Agent such additional financing statements, amendments, assignments, agreements, supplements, powers and instruments, as the Collateral Agent may in its reasonable judgment deem necessary or appropriate in order to create, perfect, preserve and protect the security interest in the Pledged Collateral as provided herein and the rights and interests granted to the Collateral Agent hereunder, to carry into effect the purposes hereof or better to assure and confirm the validity, enforceability and priority of the Collateral Agent's security interest in the Pledged Collateral or permit the Collateral Agent to exercise and enforce its rights, powers and remedies hereunder with respect to any Pledged Collateral, including the filing of financing statements, continuation statements and other documents (including this Agreement) under the Uniform Commercial Code (or other similar laws) in effect in any jurisdiction with respect to the security interest created hereby and the execution and delivery of Control Agreements, all in form and substance reasonably satisfactory to the Collateral Agent and in such offices (including the United States Patent and Trademark Office and the United States Copyright Office) wherever required by law to perfect, continue and maintain the validity, enforceability and priority of the security interest in the Pledged Collateral as provided herein and to preserve the other rights and interests granted to the Collateral Agent hereunder, as against third parties, with respect to the Pledged Collateral. Without limiting the generality of the foregoing, each Pledgor shall make, execute, endorse, acknowledge, file or refile and/or deliver to the Collateral Agent from time to time upon reasonable request by the Collateral Agent such lists, schedules, descriptions and designations of the Pledged Collateral, copies of warehouse receipts, receipts in the

---

nature of warehouse receipts, bills of lading, documents of title, vouchers, invoices, schedules, confirmatory assignments, supplements, additional security agreements, conveyances, financing statements, transfer endorsements, powers of attorney, certificates, reports and other assurances or instruments as the Collateral Agent shall reasonably request. If an Event of Default has occurred and is continuing, the Collateral Agent may institute and maintain, in its own name or in the name of any Pledgor, such suits and proceedings as the Collateral Agent may be advised by counsel shall be necessary or expedient to prevent any impairment of the security interest in or the perfection thereof in the Pledged Collateral. All of the foregoing shall be at the sole cost and expense of the Pledgors.

### CERTAIN PROVISIONS CONCERNING RECEIVABLES

SECTION 7.1. Maintenance of Records. Each Pledgor shall keep and maintain at its own cost and expense complete records of Receivables in all material respects, in a manner consistent with prudent business practice, including records of all payments received, all credits granted thereon, all merchandise returned and all other documentation relating thereto. Each Pledgor shall, at such Pledgor's sole cost and expense, upon the Collateral Agent's demand made at any time after the occurrence and during the continuance of any Event of Default, deliver all tangible evidence of Receivables, including all documents evidencing Receivables and any books and records relating thereto to the Collateral Agent or to its representatives (copies of which evidence and books and records may be retained by such Pledgor). Upon the occurrence and during the continuance of any Event of Default, the Collateral Agent may transfer a full and complete copy of any Pledgor's books, records, credit information, reports, memoranda and all other writings relating to the Receivables to and for the use by any person that has acquired or is contemplating acquisition of an interest in the Receivables or the Collateral Agent's security interest therein without the consent of any Pledgor.

SECTION 7.2. Modification of Terms, etc. No Pledgor shall rescind or cancel any obligations evidenced by any Receivable or modify any term thereof or make any adjustment, discount, credit, rebate or reduction with respect thereto except in the ordinary course of business consistent with prudent business practice except as may be permitted by any Loan Document, or extend or renew any such obligations except in the ordinary course of business consistent with prudent business practice or compromise or settle any dispute, claim, suit or legal proceeding relating thereto or sell any Receivable or interest therein except in the ordinary course of business consistent with prudent business practice except as may be permitted by any Loan Documents, without the prior written consent of the Collateral Agent. Each Pledgor shall timely fulfill all obligations on its part to be fulfilled under or in connection with the

---

Receivables except as may be otherwise consistent with the exercise of reasonable business judgment in the ordinary course of business.

SECTION 7.3. Collection. Each Pledgor shall use its commercially reasonable efforts to cause to be collected from the Account Debtor of each of the Receivables, as and when due in the ordinary course of business and consistent with prudent business practice (including Receivables that are delinquent, such Receivables to be collected in accordance with generally accepted commercial collection procedures), any and all amounts owing under or on account of such Receivable, and apply forthwith upon receipt thereof all such amounts as are so collected to the outstanding balance of such Receivable, except that any Pledgor may, with respect to a Receivable, allow in the ordinary course of business (i) a refund or credit due as a result of returned or damaged or defective merchandise and (ii) such extensions of time to pay amounts due in respect of Receivables and such other modifications of payment terms or settlements in respect of Receivables as shall be commercially reasonable in the circumstances, all in accordance with such Pledgor's ordinary course of business consistent with its collection practices as in effect from time to time. The costs and expenses (including attorneys' fees) of collection, in any case, whether incurred by any Pledgor, the Collateral Agent or any Secured Party, shall be paid by the Pledgors.

SECTION 7.4. Legend. Each Pledgor shall legend, at the request of the Collateral Agent and in form, substance and manner satisfactory to the Collateral Agent, the Receivables and the other books, records and documents of such Pledgor evidencing or pertaining to the Receivables with an appropriate reference to the fact that the Receivables have been assigned to the Collateral Agent for the benefit of the Secured Parties and that the Collateral Agent has a security interest therein.

SECTION 7.5. Special Representations and Warranties and Covenants.

(a) As of the time when each of its Receivables arises, each Pledgor shall be deemed to have represented and warranted that such Account and all records, papers and documents relating thereto represent the legal, valid and binding obligation of the Account Debtor or other relevant obligor, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or limiting creditors' rights generally or by equitable principles relating to enforceability, evidencing indebtedness unpaid and owed by such Account Debtor or obligor, arising out of the performance of labor or services or the sale, lease, license, assignment or other disposition and delivery of the goods or other property listed therein or out of an advance or a loan.

(b) The names of the obligors, amounts owing, due dates and other information with respect to each Pledgor's Receivables that are Pledged Collateral are and will be correctly stated, at the time furnished, in all records of such Pledgor relating thereto and in all invoices (if any) and each Collateral Report with respect thereto furnished to any Agent by such Pledgor from time to time.

(c) Except as disclosed on the most recent Collateral Report, (i) there are no setoffs, claims or disputes existing or asserted with respect to any Accounts referred to in such Collateral Report and no Pledgor has made any agreement with any Account Debtor for any extension of time for the payment thereof, any compromise or settlement for less than the full amount thereof, any release of any Account Debtor from liability therefor, or any deduction therefrom except a discount or allowance allowed by a Pledgor in the ordinary course of its business for prompt payment, (ii) to the knowledge of such Pledgor, there are no facts, events or occurrences that in any way impair the validity or enforceability thereof or could reasonably be expected to reduce the amount payable thereunder as shown on such Pledgor's books and records and any invoices, statements and the most recent Collateral Report

---

with respect thereto, (iii) no Pledgor has received any written notice of proceedings or actions that are threatened or pending against any Account Debtor that might result in any material adverse change in such Account Debtor's financial condition and (iv) no Pledgor has knowledge that any Account Debtor is unable generally to pay its debts as they become due.

### TRANSFERS

SECTION 8.1. Transfers of Pledged Collateral. No Pledgor shall sell, convey, assign or otherwise dispose of, or grant any option with respect to, any of the Pledged Collateral pledged by it hereunder except as not prohibited by the Credit Agreement.

## ARTICLE IX

### REMEDIES

SECTION 9.1. Remedies. Upon the occurrence and during the continuance of any Event of Default, the Collateral Agent may from time to time (alternatively, successively or concurrently on any one or more occasions) exercise in respect of the Pledged Collateral, in addition to the other rights and remedies provided for herein or otherwise available to it, the following remedies:

(i) Personally, or by agents or attorneys, immediately take possession of the Pledged Collateral or any part thereof, from any Pledgor or any other person who then has possession of any part thereof with or without notice or process of law, and for that purpose may enter upon any Pledgor's premises where any of the Pledged Collateral is located, remove such Pledged Collateral, remain present at such premises to receive copies of all communications and remittances relating to the Pledged Collateral and use in connection with such removal and possession any and all services, supplies, aids and other facilities of any Pledgor;

(ii) Demand, sue for, collect or receive any money or property at any time payable or receivable in respect of the Pledged Collateral including instructing the obligor or obligors on any agreement, instrument or other obligation constituting part of the Pledged Collateral to make any payment required by the terms of such agreement, instrument or other obligation directly to the Collateral Agent, and in connection with any of the foregoing, compromise, settle, extend the time for payment and make other modifications with respect thereto; provided, however, that in the event that any such payments are made directly to any Pledgor, prior to receipt by any such obligor of such instruction, such Pledgor shall segregate all amounts received pursuant thereto in trust for the benefit of the Collateral Agent and shall promptly (but in no event later than one Business Day after receipt thereof) pay such amounts to the Collateral Agent;

(iii) Sell, assign, grant a license to use or otherwise liquidate and dispose of, or direct any Pledgor to sell, assign, grant a license to use or otherwise liquidate and dispose of, any and all investments made in whole or in part with the Pledged Collateral or any part thereof, and take possession of the proceeds of any such sale, assignment, license, liquidation or disposition;

---

(iv) Take possession of the Pledged Collateral or any part thereof, by directing any Pledgor in writing to deliver the same to the Collateral Agent at any place or places so designated by the Collateral Agent, in which event such Pledgor shall at its own expense: (A) forthwith cause the same to be moved to the place or places designated by the Collateral Agent and therewith delivered to the Collateral Agent, (B) store and keep any Pledged Collateral so delivered to the Collateral Agent at such place or places pending further action by the Collateral Agent and (C) while the Pledged Collateral shall be so stored and kept, provide such security and maintenance services as shall be necessary to protect the same and to preserve and maintain them in good condition. Each Pledgor's obligation to deliver the Pledged Collateral as contemplated in this Section 9.1(iv) is of the essence hereof. Upon application to a court of equity having jurisdiction, the Collateral Agent shall be entitled to a decree requiring specific performance by any Pledgor of such obligation;

(v) Withdraw all moneys, instruments, securities and other property in any bank, financial securities, deposit or other account of any Pledgor constituting Pledged Collateral for application to the Secured Obligations as provided in Article X hereof;

(vi) Retain and apply the Distributions to the Secured Obligations as provided in Article X hereof;

(vii) Exercise any and all rights as beneficial and legal owner of the Pledged Collateral, including perfecting assignment of and exercising any and all voting, consensual and other rights and powers with respect to any Pledged Collateral;

(viii) In the Collateral Agent's own name, in the name of a nominee of the Collateral Agent, or in the name of any Pledgor communicate (by mail, telephone, facsimile or otherwise) with the Account Debtors and other obligors in respect of Receivables of such Pledgor and parties to contracts with such Pledgor, to verify with such persons, to the Collateral Agent's satisfaction, the existence, amount, terms of, and any other matter relating to, Accounts, Chattel Paper, Payment Intangibles, General Intangibles, Instruments and other Receivables that are Pledged Collateral; and

(ix) Exercise all the rights and remedies of a secured creditor upon a default under the UCC, and the Collateral Agent may also in its sole discretion, without notice except as specified in Section 9.2 hereof, sell, assign or grant a license to use the Pledged Collateral or any part thereof in one or more parcels at public or private sale, at any exchange, broker's board or at any of the Collateral Agent's offices or elsewhere, for cash, on credit or for future delivery, and at such price or prices and upon such other terms as the Collateral Agent may deem commercially reasonable. The Collateral Agent may be the purchaser, licensee, assignee or recipient of the Pledged Collateral or any part thereof at any such sale and shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Pledged Collateral sold, assigned or licensed at such sale, to use and apply any of the Secured Obligations as a credit on account of the purchase price of the Pledged Collateral or any part thereof payable at such sale. Each purchaser, assignee, licensee or recipient at any such sale shall acquire the property sold, assigned or licensed absolutely free from any claim or right on the part of any Pledgor, and each Pledgor hereby waives, to the fullest extent permitted by law, all rights of redemption, stay and/or appraisal which it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. The Collateral Agent shall not be obligated to make any sale of the Pledged Collateral or any part thereof regardless of notice of sale having been given. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. Each Pledgor hereby waives, to the fullest extent permitted by law, any claims against the

---

Collateral Agent arising by reason of the fact that the price at which the Pledged Collateral or any part thereof may have been sold, assigned or licensed at such a private sale was less than the price which might have been obtained at a public sale, even if the Collateral Agent accepts the first offer received and does not offer such Pledged Collateral to more than one offeree.

SECTION 9.2. Notice of Sale. Each Pledgor acknowledges and agrees that, to the extent notice of sale or other disposition of the Pledged Collateral or any part thereof shall be required by law, 10 days' prior notice to such Pledgor of the time and place of any public sale or of the time after which any private sale or other intended disposition is to take place shall be commercially reasonable notification of such matters. No notification need be given to any Pledgor if it has signed, after the occurrence of an Event of Default, a statement renouncing or modifying any right to notification of sale or other intended disposition.

SECTION 9.3. Waiver of Notice and Claims. Each Pledgor hereby waives, to the fullest extent permitted by applicable law, notice or judicial hearing in connection with the Collateral Agent's taking possession or the Collateral Agent's disposition of the Pledged Collateral or any part thereof, including any and all prior notice and hearing for any prejudgment remedy or remedies and any such right which such Pledgor would otherwise have under law, and each Pledgor hereby further waives, to the fullest extent permitted by applicable law: (i) all damages occasioned by such taking of possession, (ii) all other requirements as to the time, place and terms of sale or other requirements with respect to the enforcement of the Collateral Agent's rights hereunder and (iii) all rights of redemption, appraisal, valuation, stay, extension or moratorium now or hereafter in force under any applicable law. The Collateral Agent shall not be liable for any incorrect or improper payment made pursuant to this Article IX in the absence of gross negligence or willful misconduct on the part of the Collateral Agent. Any sale of, or the grant of options to purchase, or any other realization upon, any Pledged Collateral shall operate to divest all right, title, interest, claim and demand, either at law or in equity, of the applicable Pledgor therein and thereto, and shall be a perpetual bar both at law and in equity against such Pledgor and against any and all persons claiming or attempting to claim the Pledged Collateral so sold, optioned or realized upon, or any part thereof, from, through or under such Pledgor.

SECTION 9.4. Certain Sales of Pledged Collateral.

(a) Each Pledgor recognizes that, by reason of certain prohibitions contained in law, rules, regulations or orders of any Governmental Authority, the Collateral Agent may be compelled, with respect to any sale of all or any part of the Pledged Collateral, to limit purchasers to those who meet the requirements of such Governmental Authority. Each Pledgor acknowledges that any such sales may be at prices and on terms less favorable to the Collateral Agent than those obtainable through a public sale without such restrictions, and, notwithstanding such circumstances, agrees that any such restricted sale shall be deemed to have been made in a commercially reasonable manner and that, except as may be required by applicable law, the Collateral Agent shall have no obligation to engage in public sales.

(b) Each Pledgor recognizes that, by reason of certain prohibitions contained in the Securities Act, and applicable state securities laws, the Collateral Agent may be compelled, with respect to any sale of all or any part of the Securities Collateral and Investment Property, to limit purchasers to persons who will agree, among other things, to acquire such Securities Collateral or Investment Property for their own account, for investment and not with a view to the distribution or resale thereof. Each Pledgor acknowledges that any such private sales may be at prices and on terms less favorable to the Collateral Agent than those obtainable through a public sale without such restrictions (including a public offering made pursuant to a registration statement under the Securities Act), and, notwithstanding such

---

circumstances, agrees that any such private sale shall be deemed to have been made in a commercially reasonable manner and that the Collateral Agent shall have no obligation to engage in public sales and no obligation to delay the sale of any Securities Collateral or Investment Property for the period of time necessary to permit the issuer thereof to register it for a form of public sale requiring registration under the Securities Act or under applicable state securities laws, even if such issuer would agree to do so.

(c) Notwithstanding the foregoing, each Pledgor shall, upon the occurrence and during the continuance of any Event of Default, at the reasonable request of the Collateral Agent, for the benefit of the Secured Parties, cause any registration, qualification under or compliance with any federal or state securities law or laws to be effected with respect to all or any part of the Securities Collateral as soon as practicable and at the sole cost and expense of the Pledgors. Each Pledgor will use its commercially reasonable efforts to cause such registration to be effected (and be kept effective) and will use its commercially reasonable efforts to cause such qualification and compliance to be effected (and be kept effective) as may be so requested and as would permit or facilitate the sale and distribution of such Securities Collateral including registration under the Securities Act (or any similar statute then in effect), appropriate qualifications under applicable blue sky or other state securities laws and appropriate compliance with all other requirements of any Governmental Authority. Each Pledgor shall use its commercially reasonable efforts to cause the Collateral Agent to be kept advised in writing as to the progress of each such registration, qualification or compliance and as to the completion thereof, shall furnish to the Collateral Agent such number of prospectuses, offering circulars or other documents incident thereto as the Collateral Agent from time to time may request, and shall indemnify and shall cause the issuer of the Securities Collateral to indemnify the Collateral Agent and all others participating in the distribution of such Securities Collateral against all claims, losses, damages and liabilities caused by any untrue statement (or alleged untrue statement) of a material fact contained therein (or in any related registration statement, notification or the like) or by any omission (or alleged omission) to state therein (or in any related registration statement, notification or the like) a material fact required to be stated therein or necessary to make the statements therein not misleading.

(d) If the Collateral Agent determines to exercise its right to sell any or all of the Securities Collateral or Investment Property, upon written request, the applicable Pledgor shall from time to time furnish to the Collateral Agent all such information as the Collateral Agent may request in order to determine the number of securities included in the Securities Collateral or Investment Property which may be sold by the Collateral Agent as exempt transactions under the Securities Act and the rules of the Securities and Exchange Commission thereunder, as the same are from time to time in effect.

(e) Each Pledgor further agrees that a breach of any of the covenants contained in this Section 9.4 will cause irreparable injury to the Collateral Agent and the other Secured Parties, that the Collateral Agent and the other Secured Parties have no adequate remedy at law in respect of such breach and, as a consequence, that each and every covenant contained in this Section 9.4 shall be specifically enforceable against such Pledgor, and such Pledgor hereby waives and agrees not to assert any defenses against an action for specific performance of such covenants except for a defense that no Event of Default has occurred and is continuing.

**SECTION 9.5. No Waiver; Cumulative Remedies.**

(a) No failure on the part of the Collateral Agent to exercise, no course of dealing with respect to, and no delay on the part of the Collateral Agent in exercising, any right, power or remedy hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any such right, power, privilege or remedy hereunder preclude any other or further exercise thereof or the exercise of any

---

other right, power, privilege or remedy; nor shall the Collateral Agent be required to look first to, enforce or exhaust any other security, collateral or guaranties. All rights and remedies herein provided are cumulative and are not exclusive of any rights or remedies provided by law or otherwise available.

(b) In the event that the Collateral Agent shall have instituted any proceeding to enforce any right, power, privilege or remedy under this Agreement or any other Loan Document by foreclosure, sale, entry or otherwise, and such proceeding shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Collateral Agent, then and in every such case, the Pledgors, the Collateral Agent and each other Secured Party shall be restored to their respective former positions and rights hereunder with respect to the Pledged Collateral, and all rights, remedies, privileges and powers of the Collateral Agent and the other Secured Parties shall continue as if no such proceeding had been instituted.

SECTION 9.6. Certain Additional Actions Regarding Intellectual Property. If any Event of Default shall have occurred and be continuing, upon the written demand of the Collateral Agent, each Pledgor shall execute and deliver to the Collateral Agent an assignment or assignments of such Pledgor's rights in the Intellectual Property Collateral, in recordable form with respect to those items of the Intellectual Property Collateral consisting of registered Patents, Trademarks and/or Copyrights (or applications therefor) and such other documents as are necessary or appropriate to carry out the intent and purposes hereof. Within five Business Days of written notice thereafter from the Collateral Agent, each Pledgor shall make available to the Collateral Agent, to the extent within such Pledgor's power and authority, such personnel in such Pledgor's employ on the date of the Event of Default as the Collateral Agent may reasonably designate to permit such Pledgor to continue, directly or indirectly, to produce, advertise and sell the products and services sold by such Pledgor under the registered Patents, Trademarks and/or Copyrights of such Pledgor, and such persons shall be available to perform their prior functions on the Collateral Agent's behalf.

## ARTICLE X

### APPLICATION OF PROCEEDS

SECTION 10.1. Application of Proceeds. Subject to the terms of the Intercreditor Agreement, the proceeds received by the Collateral Agent in respect of any sale of, collection from or other realization upon all or any part of the Pledged Collateral pursuant to the exercise by the Collateral Agent of its remedies shall be applied, together with any other sums then held by the Collateral Agent pursuant to this Agreement, in accordance with the Credit Agreement.

## ARTICLE XI

### MISCELLANEOUS

#### SECTION 11.1. Concerning Collateral Agent.

(a) The Collateral Agent has been appointed as collateral agent pursuant to the Credit Agreement. The actions of the Collateral Agent hereunder are subject to the provisions of the Credit Agreement. The Collateral Agent shall have the right hereunder to make demands, to give notices,

---

to exercise or refrain from exercising any rights, and to take or refrain from taking action (including the release or substitution of the Pledged Collateral), in accordance with this Agreement and the Credit Agreement. The Collateral Agent may employ agents and attorneys-in-fact in connection herewith and shall not be liable for the negligence or misconduct of any such agents or attorneys-in-fact selected by it in good faith. The Collateral Agent may resign and a successor Collateral Agent may be appointed in the manner provided in the Credit Agreement. Upon the acceptance of any appointment as the Collateral Agent by a successor Collateral Agent, that successor Collateral Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Collateral Agent under this Agreement, and the retiring Collateral Agent shall thereupon be discharged from its duties and obligations under this Agreement. After any retiring Collateral Agent's resignation, the provisions hereof shall inure to its benefit as to any actions taken or omitted to be taken by it under this Agreement while it was the Collateral Agent.

(b) The Collateral Agent shall be deemed to have exercised reasonable care in the custody and preservation of the Pledged Collateral in its possession if such Pledged Collateral is accorded treatment substantially equivalent to that which the Collateral Agent, in its individual capacity, accords its own property consisting of similar instruments or interests, it being understood that neither the Collateral Agent nor any of the Secured Parties shall have responsibility for (i) ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relating to any Securities Collateral, whether or not the Collateral Agent or any other Secured Party has or is deemed to have knowledge of such matters or (ii) taking any necessary steps to preserve rights against any person with respect to any Pledged Collateral.

(c) The Collateral Agent shall be entitled to rely upon any written notice, statement, certificate, order or other document or any telephone message believed by it to be genuine and correct and to have been signed, sent or made by the proper person, and, with respect to all matters pertaining to this Agreement and its duties hereunder, upon advice of counsel selected by it.

(d) Except as otherwise provided in Sections 11.17 and 11.18 hereof, if any item of Pledged Collateral also constitutes collateral granted to the Collateral Agent under any other deed of trust, mortgage, security agreement, pledge or instrument of any type, in the event of any conflict between the provisions hereof and the provisions of such other deed of trust, mortgage, security agreement, pledge or instrument of any type in respect of such collateral, the Collateral Agent, in its sole discretion, shall select which provision or provisions shall control.

(e) The Collateral Agent may rely on advice of counsel as to whether any or all UCC financing statements of the Pledgors need to be amended as a result of any of the changes described in Section 5.13 of the Credit Agreement. If any Pledgor fails to provide information to the Collateral Agent about such changes on a timely basis, the Collateral Agent shall not be liable or responsible to any party for any failure to maintain a perfected security interest in such Pledgor's property constituting Pledged Collateral, for which the Collateral Agent needed to have information relating to such changes. The Collateral Agent shall have no duty to inquire about such changes if any Pledgor does not inform the Collateral Agent of such changes, the parties acknowledging and agreeing that it would not be feasible or practical for the Collateral Agent to search for information on such changes if such information is not provided by any Pledgor.

SECTION 11.2. Collateral Agent May Perform; Collateral Agent Appointed Attorney-in-Fact. If any Pledgor shall fail to perform any covenants contained in this Agreement (including such Pledgor's covenants to (i) pay the premiums in respect of all required insurance policies

---

hereunder, (ii) pay and discharge any taxes, assessments and special assessments, levies, fees and governmental charges imposed upon or assessed against, and landlords', carriers', mechanics', workmen's, repairmen's, laborers', materialmen's, suppliers' and warehousemen's Liens and other claims arising by operation of law against, all or any portion of the Pledged Collateral, (iii) make repairs, (iv) discharge Liens or (v) pay or perform any obligations of such Pledgor under any Pledged Collateral) or if any representation or warranty on the part of any Pledgor contained herein shall be breached, the Collateral Agent may (but shall not be obligated to) do the same or cause it to be done or remedy any such breach, and may expend funds for such purpose; provided, however, that the Collateral Agent shall in no event be bound to inquire into the validity of any tax, Lien, imposition or other obligation which such Pledgor fails to pay or perform as and when required hereby and which such Pledgor does not contest in accordance with the provisions of the Credit Agreement. Any and all amounts so expended by the Collateral Agent shall be paid by the Pledgors in accordance with the provisions of Section 11.03 of the Credit Agreement. Neither the provisions of this Section 11.2 nor any action taken by the Collateral Agent pursuant to the provisions of this Section 11.2 shall prevent any such failure to observe any covenant contained in this Agreement nor any breach of representation or warranty from constituting an Event of Default. Each Pledgor hereby appoints the Collateral Agent its attorney-in-fact, with full power and authority in the place and stead of such Pledgor and in the name of such Pledgor, or otherwise, from time to time in the Collateral Agent's discretion to take any action and to execute any instrument consistent with the terms of the Credit Agreement, this Agreement and the other Security Documents which the Collateral Agent may deem necessary or advisable to accomplish the purposes hereof (but the Collateral Agent shall not be obligated to and shall have no liability to such Pledgor or any third party for failure to so do or take action). The foregoing grant of authority is a power of attorney coupled with an interest and such appointment shall be irrevocable for the term hereof. Each Pledgor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof.

SECTION 11.3. Continuing Security Interest; Assignment. This Agreement shall create a continuing security interest in the Pledged Collateral and shall (i) be binding upon the Pledgors, their respective successors and assigns and (ii) inure, together with the rights and remedies of the Collateral Agent hereunder, to the benefit of the Collateral Agent and the other Secured Parties and each of their respective successors, transferees and assigns. No other persons (including any other creditor of any Pledgor) shall have any interest herein or any right or benefit with respect hereto. Without limiting the generality of the foregoing clause (ii), any Secured Party may assign or otherwise transfer any indebtedness held by it secured by this Agreement to any other person, and such other person shall thereupon become vested with all the benefits in respect thereof granted to such Secured Party, herein or otherwise, subject however, to the provisions of the Credit Agreement. Each of the Pledgors agrees that its obligations hereunder and the security interest created hereunder shall continue to be effective or be reinstated, as applicable, if at any time payment, or any part thereof, of all or any part of the Secured Obligations is rescinded or must otherwise be restored by the Secured Party upon the bankruptcy or reorganization of any Pledgor or otherwise.

SECTION 11.4. Termination; Release. Upon Full Payment of the Secured Obligations, this Agreement shall terminate. Upon termination of this Agreement the Pledged Collateral shall be released from the Lien of this Agreement. Upon such release or any release of Pledged Collateral or any part thereof in accordance with the provisions of the Credit Agreement, the Collateral Agent shall, upon the request and at the sole cost and expense of the Pledgors (subject to the terms of the Intercreditor Agreement), assign, transfer and deliver to the relevant Pledgor, against receipt and without recourse to or warranty by the Collateral Agent except as to the fact that the Collateral Agent has not encumbered the released assets, such of the Pledged Collateral or any part thereof to be released (in the case of a release) as may be in possession of the Collateral Agent and as shall not have been sold or otherwise applied

---

pursuant to the terms hereof, and, with respect to any other Pledged Collateral, proper documents and instruments (including any necessary UCC-3 termination financing statements or releases) acknowledging the termination hereof or the release of such Pledged Collateral, as the case may be, in each case pursuant to the Credit Agreement.

SECTION 11.5. Modification in Writing. No amendment, modification, supplement, termination or waiver of or to any provision hereof, nor consent to any departure by any Pledgor therefrom, shall be effective unless the same shall be made in accordance with the terms of the Credit Agreement and unless in writing and signed by the Collateral Agent. Any amendment, modification or supplement of or to any provision hereof, any waiver of any provision hereof and any consent to any departure by any Pledgor from the terms of any provision hereof in each case shall be effective only in the specific instance and for the specific purpose for which made or given. Except where notice is specifically required by this Agreement or any other document evidencing the Secured Obligations, no notice to or demand on any Pledgor in any case shall entitle any Pledgor to any other or further notice or demand in similar or other circumstances.

SECTION 11.6. Notices. Unless otherwise provided herein or in the Credit Agreement, any notice or other communication herein required or permitted to be given shall be given in the manner and become effective as set forth in the Credit Agreement, as to any Pledgor, addressed to it at the address of the Administrative Borrower set forth in the Credit Agreement and as to the Collateral Agent, addressed to it at the address set forth in the Credit Agreement, or in each case at such other address as shall be designated by such party in a written notice to the other party complying as to delivery with the terms of this Section 11.6.

SECTION 11.7. Governing Law, Consent to Jurisdiction and Service of Process; Waiver of Jury Trial. Sections 11.09 and 11.10 of the Credit Agreement are incorporated herein, *mutatis mutandis*, as if a part hereof.

SECTION 11.8. Severability of Provisions. Any provision hereof which is invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without invalidating the remaining provisions hereof or affecting the validity, legality or enforceability of such provision in any other jurisdiction.

SECTION 11.9. Execution in Counterparts. This Agreement and any amendments, waivers, consents or supplements hereto may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed to be an original, but all such counterparts together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page of this Agreement by facsimile, e-mail or other electronic transmission (including in pdf format or other similar format) shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 11.10. Business Days. In the event any time period or any date provided in this Agreement ends or falls on a day other than a Business Day, then such time period shall be deemed to end and such date shall be deemed to fall on the next succeeding Business Day, and performance herein may be made on such Business Day, with the same force and effect as if made on such other day.

SECTION 11.11. No Credit for Payment of Taxes or Imposition. Such Pledgor shall not be entitled to any credit against the principal, premium, if any, or interest payable under the Credit Agreement, and such Pledgor shall not be entitled to any credit against any other sums which may

---

become payable under the terms thereof or hereof, by reason of the payment of any Tax on the Pledged Collateral or any part thereof.

SECTION 11.12. No Claims Against Collateral Agent. Nothing contained in this Agreement shall constitute any consent or request by the Collateral Agent, express or implied, for the performance of any labor or services or the furnishing of any materials or other property in respect of the Pledged Collateral or any part thereof, nor as giving any Pledgor any right, power or authority to contract for or permit the performance of any labor or services or the furnishing of any materials or other property in such fashion as would permit the making of any claim against the Collateral Agent in respect thereof or any claim that any Lien based on the performance of such labor or services or the furnishing of any such materials or other property is prior to the Lien hereof.

SECTION 11.13. No Release. Nothing set forth in this Agreement or any other Loan Document, nor the exercise by the Collateral Agent of any of the rights or remedies hereunder, shall relieve any Pledgor from the performance of any term, covenant, condition or agreement on such Pledgor's part to be performed or observed under or in respect of any of the Pledged Collateral or from any liability to any person under or in respect of any of the Pledged Collateral or shall impose any obligation on the Collateral Agent or any other Secured Party to perform or observe any such term, covenant, condition or agreement on such Pledgor's part to be so performed or observed or shall impose any liability on the Collateral Agent or any other Secured Party for any act or omission on the part of such Pledgor relating thereto or for any breach of any representation or warranty on the part of such Pledgor contained in this Agreement, the Credit Agreement or the other Loan Documents, or under or in respect of the Pledged Collateral or made in connection herewith or therewith. Anything herein to the contrary notwithstanding, neither the Collateral Agent nor any other Secured Party shall have any obligation or liability under any contracts, agreements and other documents included in the Pledged Collateral by reason of this Agreement, nor shall the Collateral Agent or any other Secured Party be obligated to perform any of the obligations or duties of any Pledgor thereunder or to take any action to collect or enforce any such contract, agreement or other document included in the Pledged Collateral hereunder. The obligations of each Pledgor contained in this Section 11.13 shall survive the termination hereof and the discharge of such Pledgor's other obligations under this Agreement, the Credit Agreement and the other Loan Documents.

SECTION 11.14. Obligations Absolute. All obligations of each Pledgor hereunder shall be absolute and unconditional irrespective of:

- (i) any bankruptcy, insolvency, reorganization, arrangement, readjustment, composition, liquidation or the like of any other Pledgor;
  - (ii) any lack of validity or enforceability of the Credit Agreement or any other Loan Document, or any other agreement or instrument relating thereto;
  - (iii) any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Obligations, or any other amendment or waiver of or any consent to any departure from the Credit Agreement or any other Loan Document or any other agreement or instrument relating thereto;
  - (iv) any pledge, exchange, release or non-perfection of any other collateral, or any release or amendment or waiver of or consent to any departure from any guarantee, for all or any of the Secured Obligations;
-

- (v) any exercise, non-exercise or waiver of any right, remedy, power or privilege under or in respect hereof, the Credit Agreement or any other Loan Document; or
- (vi) any other circumstances which might otherwise constitute a defense available to, or a discharge of, any Pledgor.

SECTION 11.15. INTERCREDITOR AGREEMENT GOVERNS. NOTWITHSTANDING ANYTHING HEREIN TO THE CONTRARY, THE LIEN AND SECURITY INTEREST GRANTED TO THE COLLATERAL AGENT, FOR THE BENEFIT OF THE SECURED PARTIES, PURSUANT TO THIS AGREEMENT AND THE EXERCISE OF ANY RIGHT OR REMEDY BY THE COLLATERAL AGENT AND THE OTHER SECURED PARTIES HEREUNDER ARE SUBJECT TO THE PROVISIONS OF THE INTERCREDITOR AGREEMENT. IN THE EVENT OF ANY CONFLICT OR INCONSISTENCY BETWEEN THE PROVISIONS OF THE INTERCREDITOR AGREEMENT AND THIS AGREEMENT, THE PROVISIONS OF THE INTERCREDITOR AGREEMENT SHALL GOVERN AND CONTROL.

SECTION 11.16. Delivery of Collateral. Prior to the Discharge of Pari Passu Secured Obligations, to the extent any Pledgor is required hereunder to deliver Pledged Collateral that is Pari Passu Priority Collateral to the Collateral Agent for purposes of possession and control and is unable to do so as a result of having previously delivered such Pledged Collateral to the Term Loan Collateral Agent in accordance with the terms of the Term Loan Security Documents, such Pledgor's obligations hereunder with respect to such delivery shall be deemed satisfied by the delivery to the Term Loan Collateral Agent, acting as a gratuitous bailee and/or sub-agent of the Collateral Agent in accordance with the terms of the Intercreditor Agreement.

SECTION 11.17. Mortgages. In the case of a conflict between this Agreement and the Mortgages with respect to Pledged Collateral that is real property (including Fixtures), the Mortgages shall govern. In all other conflicts between this Agreement and the Mortgages, this Agreement shall govern.

SECTION 11.18. Conflicts.

(a) In the event of a direct conflict between the terms and provisions contained in this Agreement and the terms and provisions contained in the Credit Agreement, it is the intention of the parties hereto that such terms and provisions in such documents shall be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of the Credit Agreement shall control and govern.

(b) In the event of a direct conflict between the terms and provisions contained in this Agreement and the terms and provisions contained in the Canadian Security Agreement, solely with respect to the Parent Borrower, it is the intention of the parties hereto that such terms and provisions in such documents shall be read together and construed, to the fullest extent possible, to be in concert with

[\_\_\_\_\_] (the "Bailor"), a [\_\_\_\_\_] and a subsidiary of Novelis Inc. (the "Parent Borrower"), now does or hereafter may deliver to certain premises [managed] [owned] by [\_\_\_\_\_] (the "Bailee"), a [\_\_\_\_\_] , on behalf of the Bailor as owner and located at [\_\_\_\_\_] (the "Premises"), certain of its [DESCRIBE PROPERTY SUBJECT TO BAILMENT] for [DESCRIBE PURPOSE FOR WHICH PROPERTY HAS BEEN DELIVERED TO BAILEE].

The Parent Borrower and certain of its Subsidiaries (collectively, the "Borrowers") have entered into financing arrangements with certain financial institutions (the "Lenders"), pursuant to a Credit Agreement, dated as of December 17, 2010 (as amended, restated, supplemented, extended, renewed, refunded, replaced, refinanced or otherwise modified from time to time in one or more agreements, the "Credit Agreement") for which Bank of America, N.A. shall act as administrative agent and collateral agent (collectively in such capacities, the "Agent"). As a condition to the Agent's and the Lenders' loans and other financial accommodations to the Borrowers, the Agent and the Lenders require, among other things, liens on all of the Bailor's property located on the Premises, and the proceeds thereof (the "Collateral"). Capitalized terms used but not otherwise defined herein shall have the meanings assigned to such terms in the Credit Agreement.

To induce the Agent and the Lenders (together with their respective agents and assigns) to enter into said financing arrangements, and for other good and valuable consideration, the Bailee hereby acknowledges receipt of the above notice, and hereby further agrees that:

(i) title to the Collateral remains with the Bailor while the Collateral is in the custody, control or possession of the Bailee, the undersigned, to the best of its knowledge without special inquiry, does not know of any security interest or claim with respect to such goods or proceeds, other than the security interest which is the subject of this letter agreement, and the Bailee will not assert against the Collateral any lien, right of distraint or levy, right of offset, claim, deduction, counterclaim, security or other interest in the Collateral, including any of the foregoing which might arise or exist in its favor pursuant to any agreement, common law, statute (including the Federal Bankruptcy Code) or otherwise, all of which the undersigned hereby subordinates in favor of the Agent;

---

(ii) the Collateral shall be clearly identified or identifiable as being owned by the Bailor and is distinguishable from the property of the Bailee and other property in its possession;

(iii) none of the Collateral located on the Premises shall be permitted to become a fixture to the Premises;

(iv) the Bailee has not issued, and shall not issue, any negotiable documents or other negotiable instruments in respect of any Collateral;

(v) if any Borrower defaults on its obligations to the Agent and the Lenders, subject to any grace period, and, as a result, the Agent undertakes to enforce its security interest in the Collateral, the Bailee, upon receipt of reasonable written confirmation of the currency and existence of a default (a) will hold the Collateral for the Agent's account for the benefit of the Secured Parties, and release the Collateral only to the Agent or its designee, (b) will permit the Agent to enter the Premises upon reasonable notice and during regular business hours and without unduly interrupting the Bailee's operations, to inspect, assemble, take possession of, and remove all of the Collateral located on the Premises and will reasonably cooperate with the Agent in its efforts to do so; (c) will permit the Collateral to remain on the Premises for forty-five (45) days after the Agent notifies the Bailee in writing of the default, or, at the Agent's option, to remove the Collateral from the Premises within a reasonable time, not to exceed forty-five (45) days after the Agent notifies the undersigned in writing of the default; (d) will not hinder the Agent's actions in enforcing its liens on the Collateral; and (e) after the Agent notifies the Bailee in writing of the default, will, without further consent or agreement of the Bailor, abide solely by Agent's lawful instructions with respect to the Collateral, and not those of the Bailor; and

(vi) the Bailee hereby waives and releases, for Agent's benefit, any and all claims, liens, including bailee's liens, and demands of every kind which Bailee has or may later have against the Collateral (including any right to include such goods in any secured financing to which Bailee may become party).

The Bailee hereby irrevocably and unconditionally authorizes Agent (or its designee) to file at any time prior to the payment in full of the Secured Obligations (as defined in the Credit Agreement) in any jurisdiction and with such filing offices as the Agent so chooses such financing statements naming the Bailee as the debtor consignee, the Bailor as the secured party consignor, and the Agent as assignee, describing the Collateral in a manner that Agent believes is reasonably necessary or desirable to protect its security interest in the Bailor's property, and including any other information with respect to the Bailee required under the Uniform Commercial Code for the sufficiency of such financing statement or for it to be accepted by the filing office of any applicable jurisdiction (and any amendments or continuations with respect thereto); provided, however, Agent shall provide to Bailor for review copies of any such filings to be made, sufficiently in advance of filing and once filed, final copies of such filings.

Any notice(s) required or desired to be given hereunder shall be directed to the party to be notified at the address stated herein.

The agreements contained herein shall continue in force until each Borrower's obligations and liabilities to the Agent and the Lenders are paid and satisfied in full and all financing arrangements among the Agent, the Lenders and the Borrowers have been terminated.

The consent of the Bailor hereto constitutes its acknowledgment that Agent may assert any of the rights set forth or referred to herein, without objection by the Bailor, and that the Bailee may act in accordance with this letter agreement without liability to the Bailor. By its signature below, the Bailor agrees to reimburse the Bailee for all reasonable costs and expenses incurred by the Bailee as a direct result of compliance with this letter agreement.

The Bailee will notify all successor owners, transferees, purchasers and mortgagees of the Premises of the existence of this waiver. The agreements contained herein may not be modified or terminated orally and shall be binding upon the successors, assigns and personal representatives of the undersigned.

The Obligors will also use all commercially reasonable efforts to ensure that all agreements entered into on and after the date of this Agreement expressly permit assignments of the benefits of such agreements as collateral security to the Collateral Agent in accordance with the terms of this Agreement.

- (2) The Security Interest with respect to trade-marks and other Intellectual Property established under the laws of the United States, including any state, territory or political subdivision thereof, constitutes a lien on and security interest in, and a charge, hypothecation and pledge of, such Collateral in favour of the Collateral Agent for the benefit of the Secured Parties, but does not constitute an assignment or mortgage of such Collateral to the Collateral Agent or any Secured Party.

- (3) Until the Security Interest is enforceable, the grant of the Security Interest in the Intellectual Property does not affect in any way the Obligors' rights to commercially exploit the Intellectual Property, defend it, enforce such Obligor's rights in it or with respect to it against third parties in any court or claim and be entitled to receive any damages with respect to any infringement of it.
- (4) The Security Interest does not extend to consumer goods or ULC Shares.
- (5) The Security Interest does not extend or apply to the last day of the term of any lease or sublease of real property or any agreement for a lease or sublease of real property, now held or hereafter acquired by any of the Obligors, but the Obligors will stand possessed of any such last day upon trust to assign and dispose of it as the Collateral Agent may reasonably direct.
- (6) The Security Interest does not extend to Excluded Property.

**Section 2.5 Grant of Licence to Use Intellectual Property.**

Each Obligor hereby grants to the Collateral Agent an irrevocable, nonexclusive licence (exercisable without payment of royalty or other compensation to such Obligor) to use, or sublicense any Intellectual Property in which such Obligor has rights wherever the same may be located, provided that the quality of products in connection with which any trade-mark is used will not be materially inferior to the quality of such products prior to such Event of Default. Such licence includes access to (i) all media in which any of the licensed items may be recorded or stored, and (ii) all software and computer programs used for compilation or print-out. The license granted under this Section is to enable the Collateral Agent to exercise its rights and remedies under Article 3 and for no other purpose.

**Section 2.6 Care and Custody of Collateral.**

- (1) The Secured Parties have no obligation to keep Collateral in their possession identifiable.
- (2) The Collateral Agent may upon the occurrence and during the continuance of an Event of Default, (i) notify any Person obligated on an Instrument, Security or account to make payments to the Collateral Agent, whether or not the Obligors were previously making collections on such accounts, chattel paper, instruments, and (ii) assume control of any proceeds arising from the Collateral.
- (3) The Collateral Agent has no obligation to collect dividends, distributions or interest payable on, or exercise any option or right in connection with, any Securities or Instruments. The Collateral Agent has no obligation to protect or preserve any Securities or Instruments from depreciating in value or becoming worthless and is released from all responsibility for any loss of

value. In the physical keeping of any Securities, the Collateral Agent is only obliged to exercise the same degree of care as it would exercise with respect to its own Securities kept at the same place.

- (4) The Collateral Agent may, upon the occurrence and during the continuance of an Event of Default, sell, transfer, use or otherwise deal with any investment property included in the Collateral over which the Collateral Agent has control, on such conditions and in such manner as the Collateral Agent in its sole discretion may determine.

**Section 2.7 Rights of the Obligor.**

- (1) Until the occurrence of an Event of Default which is continuing, each Obligor, as applicable, is entitled to vote the Securities and other financial assets that are part of the Collateral and to receive dividends and distributions on such Securities and financial assets, as may be permitted by the Credit Agreement. Upon the occurrence and during the continuance of an Event of Default, all rights of the Obligors to vote (under any proxy given by the Collateral Agent (or its nominee) or otherwise) or to receive distributions or dividends cease and all such rights become vested solely and absolutely in the Collateral Agent.
- (2) Any distributions or dividends received by any of the Obligors contrary to Section 2.7(1) or any other moneys or property received by any of the Obligors after the Security Interest is enforceable will be received as trustee for the Collateral Agent and the Secured Parties and shall be immediately paid over to the Collateral Agent.

**Section 2.8 Expenses.**

- (1) All Taxes and Other Taxes, charges, costs, and expenses (including legal fees and notarial fees) including withholding taxes, relating to, resulting from, or otherwise connected with, this Agreement, the execution, amendment and/or the enforcement of this Agreement shall, for greater certainty be for the account of the applicable Obligor and all shall be paid in accordance with Section 2.15 of the Credit Agreement.
- (2) Each of the Obligors is liable for and will pay on demand by the Collateral Agent any and all expenses.

**ARTICLE 3  
ENFORCEMENT**

**Section 3.1 Enforcement.**

The Security Interest becomes and is enforceable against each of the Obligors upon the occurrence and during the continuance of an Event of Default.

### Section 3.2 Remedies.

Whenever the Security Interest is enforceable, the Collateral Agent may realize upon the Collateral and enforce the rights of the Collateral Agent and the Secured Parties by:

- (a) entry onto any premises where Collateral consisting of tangible personal property may be located;
- (b) entry into possession of the Collateral by any method permitted by law;
- (c) sale, grant of options to purchase, or lease of all or any part of the Collateral;
- (d) holding, storing and keeping idle or operating all or any part of the Collateral;
- (e) exercising and enforcing all rights and remedies of a holder of the Collateral as if the Collateral Agent were the absolute owner thereof (including, if necessary, causing the Collateral to be registered in the name of the Collateral Agent or its nominee if not already done);
- (f) collection of any proceeds arising in respect of the Collateral;
- (g) collection, realization or sale of, or other dealing with, accounts;
- (h) license or sublicense, whether on an exclusive or nonexclusive basis, of any Intellectual Property for such term and on such conditions and in such manner as the Collateral Agent in its sole judgment determines (taking into account such provisions as may be necessary to protect and preserve such Intellectual Property);
- (i) instruction or order to any issuer or securities intermediary pursuant to any control the Collateral Agent has over the Collateral;
- (j) instruction to any bank which has entered into a control agreement with the Collateral Agent to transfer all moneys, Securities and Instruments held by such depository bank to an account maintained with or by the Collateral Agent;
- (k) application of any moneys constituting Collateral or proceeds thereof in accordance with Section 5.11;
- (l) appointment by instrument in writing of a receiver (which term as used in this Agreement includes a receiver and manager) or agent of

- all or any part of the Collateral and removal or replacement from time to time of any receiver or agent;
- (m) institution of proceedings in any court of competent jurisdiction for the appointment of a receiver of all or any part of the Collateral;
- (n) institution of proceedings in any court of competent jurisdiction for sale or foreclosure of all or any part of the Collateral;
- (o) filing of proofs of claim and other documents to establish claims to the Collateral in any proceeding relating to the Obligors; and
- (p) any other remedy or proceeding authorized or permitted under the PPSA or otherwise by law or equity.

**Section 3.3 Additional Rights.**

In addition to the remedies set forth in Section 3.2 and elsewhere in this Agreement, whenever the Security Interest is enforceable, the Collateral Agent may:

- (a) require any of the Obligors, at such Obligor's expense, to assemble the Collateral at a place or places designated by notice in writing and each of the Obligors agree to so assemble the Collateral immediately upon receipt of such notice;
- (b) require the Obligors, by notice in writing, to disclose to the Collateral Agent the location or locations of the Collateral and the Obligors agree to promptly make such disclosure when so required;
- (c) repair, process, modify, complete or otherwise deal with the Collateral and prepare for the disposition of the Collateral, whether on the premises of the Obligors or otherwise;
- (d) redeem any prior security interest against any Collateral, procure the transfer of such security interest to itself, or settle and pass the accounts of the prior mortgagee, chargee or encumbrancer (any accounts to be conclusive and binding on the applicable Obligor);
- (e) pay any liability secured by any Lien against any Collateral (the Obligors will immediately on demand reimburse the Collateral Agent for all such payments);
- (f) carry on all or any part of the business of the Obligors and, to the exclusion of all others including the Obligors, enter upon, occupy and use all or any of the premises, buildings, and other property of or used by any of the Obligor for such time as the Collateral Agent sees fit, free of charge, and the Collateral Agent and the Secured Parties are not

liable to the Obligors for any act, omission or negligence in so doing or for any rent, charges, depreciation or damages incurred in connection with or resulting from such action;

- (g) borrow for the purpose of carrying on any of the businesses of the Obligors or for the maintenance, preservation or protection of the Collateral and grant a security interest in the Collateral, whether or not in priority to the Security Interest, to secure repayment;
- (h) commence, continue or defend any judicial or administrative proceedings for the purpose of protecting, seizing, collecting, realizing or obtaining possession or payment of the Collateral, and give good and valid receipts and discharges in respect of the Collateral and compromise or give time for the payment or performance of all or any part of the accounts or any other obligation of any third party to the Obligors; and
- (i) at any public sale, and to the extent permitted by law on any private sale, bid for and purchase any or all of the Collateral offered for sale and upon compliance with the terms of such sale, hold, retain and dispose of such Collateral without any further accountability to the Obligors or any other Person with respect to such holding, retention or disposition, except as required by law. In any such sale to the Collateral Agent, the Collateral Agent may, for the purpose of making payment for all or any part of the Collateral so purchased, use any claim for Secured Obligations then due and payable to it as a credit against the purchase price.

**Section 3.4 Exercise of Remedies.**

The remedies under Section 3.2 and Section 3.3 may be exercised from time to time separately or in combination and are in addition to, and not in substitution for, any other rights of the Collateral Agent and the Secured Parties however arising or created. The Collateral Agent and the Secured Parties are not bound to exercise any right or remedy, and the exercise of rights and remedies is without prejudice to the rights of the Collateral Agent and the Secured Parties in respect of the Secured Obligations including the right to claim for any deficiency.

**Section 3.5 Receiver's Powers.**

- (1) Any receiver appointed by the Collateral Agent is vested with the rights and remedies which could have been exercised by the Collateral Agent in respect of the Obligors or the Collateral and such other powers and discretions as are granted in the instrument of appointment and any supplemental instruments. The identity of the receiver, its replacement and its remuneration are within the sole and unfettered discretion of the Collateral Agent.

- (2) Any receiver appointed by the Collateral Agent will act as agent for the Collateral Agent for the purposes of taking possession of the Collateral, but otherwise and for all other purposes (except as provided below), as agent for the Obligors. The receiver may sell, lease, or otherwise dispose of Collateral as agent for the Obligors or as agent for the Collateral Agent as the Collateral Agent may determine in its discretion. The Obligors agree to ratify and confirm all actions of the receiver acting as agent for the Obligors, and to release and indemnify the receiver in respect of all such actions.
- (3) The Collateral Agent, in appointing or refraining from appointing any receiver, does not incur liability to the receiver, the Obligors or otherwise and is not responsible for any misconduct or negligence of such receiver.

**Section 3.6 Appointment of Attorney.**

Each of the Obligors hereby irrevocably constitutes and appoints the Collateral Agent (and any officer of the Collateral Agent) the true and lawful attorney of the Obligors. As the attorney of each of the Obligors, the Collateral Agent has the power to exercise for and in the name of the Obligors, upon the occurrence and during the continuation of an Event of Default, with full power of substitution, any of the Obligors' right (including the right of disposal), title and interest in and to the Collateral including the execution, endorsement, delivery and transfer of the Collateral to the Collateral Agent, its nominees or transferees, and the Collateral Agent and its nominees or transferees are hereby empowered to exercise all rights and powers and to perform all acts of ownership with respect to the Collateral to the same extent as the Obligors might do. This power of attorney is irrevocable, is coupled with an interest, has been given for valuable consideration (the receipt and adequacy of which is acknowledged) and survives, and does not terminate upon, the bankruptcy, dissolution, winding up or insolvency of any of the Obligors. This power of attorney extends to and is binding upon each of the Obligors' successors and permitted assigns. Each of the Obligors authorizes the Collateral Agent to delegate in writing to another Person any power and authority of the Collateral Agent under this power of attorney as may be necessary or desirable in the opinion of the Collateral Agent, and to revoke or suspend such delegation.

**Section 3.7 Dealing with the Collateral.**

- (1) The Collateral Agent and the Secured Parties are not obliged to exhaust their recourse against the Obligors or any other Person or against any other security they may hold in respect of the Secured Obligations before realizing upon or otherwise dealing with the Collateral in such manner as the Collateral Agent may consider desirable.
- (2) The Collateral Agent and the Secured Parties may grant extensions or other indulgences, take and give up securities, accept compositions, grant releases

and discharges and otherwise deal with the Obligors and with other Persons, sureties or securities as they may see fit without prejudice to the Secured Obligations, the liability of the Obligors or the rights of the Collateral Agent and the Secured Parties in respect of the Collateral.

- (3) Except as otherwise provided by law or this Agreement, the Collateral Agent and the Secured Parties are not (i) liable or accountable for any failure to collect, realize or obtain payment in respect of the Collateral, (ii) bound to institute proceedings for the purpose of collecting, enforcing, realizing or obtaining payment of the Collateral or for the purpose of preserving any rights of any Persons in respect of the Collateral, (iii) responsible for any loss occasioned by any sale or other dealing with the Collateral or by the retention of or failure to sell or otherwise deal with the Collateral, or (iv) bound to protect the Collateral from depreciating in value or becoming worthless.

**Section 3.8 Standards of Sale.**

Without prejudice to the ability of the Collateral Agent to dispose of the Collateral in any manner which is commercially reasonable, each Obligor acknowledges that:

- (a) the Collateral may be disposed of in whole or in part;
- (b) the Collateral may be disposed of by public auction, public tender or private contract, with or without advertising and without any other formality;
- (c) any assignee of such Collateral may be the Collateral Agent, a Secured Party or a customer of any such Person;
- (d) any sale conducted by the Collateral Agent will be at such time and place, on such notice and in accordance with such procedures as the Collateral Agent, in its sole discretion, may deem advantageous;
- (e) the Collateral may be disposed of in any manner and on any terms necessary to avoid violation of applicable law (including compliance with such procedures as may restrict the number of prospective bidders and purchasers, require that the prospective bidders and purchasers have certain qualifications, and restrict the prospective bidders and purchasers to Persons who will represent and agree that they are purchasing for their own account for investment and not with a view to the distribution or resale of the Collateral) or in order to obtain any required approval of the disposition (or of the resulting purchase) by any governmental or regulatory authority or official;

- (f) a disposition of the Collateral may be on such terms and conditions as to credit or otherwise as the Collateral Agent, in its sole discretion, may deem advantageous; and
- (g) the Collateral Agent may establish an upset or reserve bid or price in respect of the Collateral.

**Section 3.9 Dealings by Third Parties.**

- (1) No Person dealing with the Collateral Agent, any of the Secured Parties or an agent or receiver is required to determine (i) whether the Security Interest has become enforceable, (ii) whether the powers which such Person is purporting to exercise have become exercisable, (iii) whether any money remains due to the Collateral Agent or the Secured Parties by the Obligors, (iv) the necessity or expediency of the stipulations and conditions subject to which any sale or lease is made, (v) the propriety or regularity of any sale or other dealing by the Collateral Agent or any Secured Party with the Collateral, or (vi) how any money paid to the Collateral Agent or the Secured Parties have been applied.
- (2) Any bona fide purchaser of all or any part of the Collateral from the Collateral Agent or any receiver or agent will hold the Collateral absolutely, free from any claim or right of whatever kind, including any equity of redemption, of any of the Obligors, which each such Obligor specifically waives (to the fullest extent permitted by law) as against any such purchaser together with all rights of redemption, stay or appraisal which such Obligor has or may have under any rule of law or statute now existing or hereafter adopted.

**ARTICLE 4  
REPRESENTATIONS, WARRANTIES AND COVENANTS**

**Section 4.1 General Representations, Warranties and Covenants.**

Each of the Obligors represents and warrants and covenants and agrees, acknowledging and confirming that the Collateral Agent and each Secured Party is relying on such representations, warranties, covenants and agreements, that:

- (a) **Continuous Perfection.** The Perfection Certificate sets out each of the Obligor's place of business or, if more than one, each Obligor's chief executive office. Other than in the case of Novelis No. 1 Limited Partnership, such place of business or chief executive office, as the case may be, has been located at such address for the 60 days immediately preceding the date of this Agreement. The Perfection Certificate also sets out the address at which the books and records of the Obligor are located, the address at which senior management of the Obligor are

located and conduct their deliberations and make their decisions with respect to the business of each Obligor and the address from which the invoices and accounts of each Obligor are issued.

- (b) **Additional Security Perfection and Protection of Security Interest.** Each of the Obligors will grant to the Collateral Agent, for the benefit of the Secured Parties, security interests, assignments, mortgages, charges, hypothecations and pledges in such property and undertaking of such Obligor that is not subject to a valid and perfected first ranking security interest (subject only to Permitted Liens), other than Excluded Securities Accounts in respect of which a securities intermediary may have a prior ranking interest, constituted by the Security Documents, in each relevant jurisdiction as determined by the Collateral Agent. Each of the Obligors will perform all acts, execute and deliver all agreements, documents and instruments and take such other steps as are requested by the Collateral Agent at any time to register, file, signify, publish, perfect, maintain, protect, and enforce the Security Interest including: (i) executing, recording and filing of financing or other statements, and paying all taxes, fees and other charges payable, (ii) placing notations on its books of account to disclose the Security Interest, (iii) delivering or using its commercially reasonable efforts to deliver, as applicable, acknowledgements, confirmations and subordinations that may be necessary to ensure that the Security Documents constitute a valid and perfected first ranking security interest (subject only to Permitted Liens), other than Excluded Securities Accounts in respect of which a securities intermediary may have a prior ranking interest, (iv) executing and delivering any certificates, endorsements, instructions, agreements, documents and instruments that may be required under the STA, and (v) delivering opinions of counsel in respect of matters contemplated by this paragraph. The documents and opinions contemplated by this paragraph must be in form and substance satisfactory to the Collateral Agent.
- (c) **Confirmation of Registrable Intellectual Property.** The Perfection Certificate lists all Registrable Intellectual Property that is owned by each of the Obligors on the date of this Agreement. Upon the request of the Collateral Agent, the Obligors shall deliver to the Collateral Agent a Confirmation of Security Interest in the form of Schedule "C" in respect of all Registrable Intellectual Property now owned, and subsequently when acquired after the date hereof, confirming the assignment for security of such Registrable Intellectual Property to the Collateral Agent and shall within 30 days or such longer period as may

be determined by the Collateral Agent in its sole discretion make all filings, registrations and recordings as are necessary or appropriate to perfect the Security Interest granted to the Collateral Agent in the Registrable Intellectual Property.

- (d) **Location of Property.** None of the Obligors other than the Canadian Borrower and 4260848 Canada Inc., in its capacity as general partner of Novelis No. 1 Limited Partnership has any tangible property located outside of Ontario. The Canadian Borrower does not hold any tangible property outside of Ontario, Quebec, British Columbia and Alberta. 4260848 Canada Inc., in its capacity as general partner of Novelis No. 1 Limited Partnership does not hold any tangible property outside of Quebec and Ontario.
- (e) **Control Agreements.** Other than as contemplated by Section 4.1(b), none of the Obligors will grant control to any party other than the Collateral Agent and, subject to the terms of the Intercreditor Agreement, in respect of any investment property.

## **ARTICLE 5 GENERAL**

### **Section 5.1 Notices.**

Any notices, directions or other communications provided for in this Agreement must be in writing and given in accordance with the Credit Agreement.

### **Section 5.2 Discharge.**

The Security Interest will be discharged upon the Discharge of Revolving Credit Secured Obligations. Upon the Discharge of Revolving Credit Secured Obligations and at the request and expense of the Obligors, the Collateral Agent will execute and deliver to each of the Obligors such releases, discharges, financing statements and other documents or instruments as the Obligors may reasonably require and the Collateral Agent will redeliver to the Obligors, or as the Obligors may otherwise direct the Collateral Agent, any Collateral in its possession.

### **Section 5.3 No Merger, Survival of Representations and Warranties.**

This Agreement does not operate by way of merger of any of the Secured Obligations and no judgment recovered by the Collateral Agent or any of the Secured Parties will operate by way of merger of, or in any way affect, the Security Interest, which is in addition to, and not in substitution for, any other security now or hereafter held by the Collateral Agent and the Secured Parties in respect of the Secured Obligations. The representations, warranties and covenants of the Obligors in this Agreement survive the execution and delivery of this Agreement and any advances under the Credit Agreement. Notwithstanding any investigation made by

or on behalf of the Collateral Agent or the Secured Parties these covenants, representations and warranties continue in full force and effect.

**Section 5.4 Further Assurances.**

Each of the Obligors will do all acts and things and execute and deliver, or cause to be executed and delivered, all agreements, documents and instruments that the Collateral Agent may require and take all further steps relating to the Collateral or any other property or assets of the Obligors that the Collateral Agent may require for (i) protecting the Collateral, (ii) perfecting the Security Interest, and (iii) exercising all powers, authorities and discretions conferred upon the Collateral Agent. After the Security Interest becomes enforceable, the Obligors will do all acts and things and execute and deliver all documents and instruments that the Collateral Agent may require for facilitating the sale or other disposition of the Collateral in connection with its realization.

**Section 5.5 Supplemental Security.**

This Agreement is in addition to, without prejudice to and supplemental to all other security now held or which may hereafter be held by the Collateral Agent or the Secured Parties.

**Section 5.6 Successors and Assigns.**

This Agreement is binding on each of the Obligors and their successors and permitted assigns, and enures to the benefit of the Collateral Agent, the Secured Parties and their respective successors and assigns. This Agreement may be assigned by the Collateral Agent without the consent of, or notice to, the Obligors, to such Person as the Collateral Agent may determine and, in such event, such Person will be entitled to all of the rights and remedies of the Collateral Agent as set forth in this Agreement or otherwise. In any action brought by an assignee to enforce any such right or remedy, the Obligors will not assert against the assignee any claim or defence which the Obligors now have or may have against the Collateral Agent or any of the Secured Parties. No Obligor may assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Collateral Agent which may be unreasonably withheld.

**Section 5.7 Amalgamation.**

Each Obligor acknowledges and agrees that in the event it amalgamates with any other corporation or corporations, it is the intention of the parties that the Security Interest (i) subject to Section 2.4, extends to: (A) all of the property and undertaking that any of the amalgamating corporations then owns, (B) all of the property and undertaking that the amalgamated corporation thereafter acquires, (C) all of the property and undertaking in which any of the amalgamating corporations then has any interest and (D) all of the property and undertaking in which the amalgamated corporation thereafter acquires any interest; and (ii) secures the payment and performance of the Obligations, at any time or from time to time

due or accruing due and owing by or otherwise payable by each of the amalgamating corporations and the amalgamated corporation to the Secured Parties in any currency, however or wherever incurred, and whether incurred alone or jointly with another or others and whether as principal, guarantor or surety and whether incurred prior to, at the time of or subsequent to the amalgamation. The Security Interest attaches to the additional collateral at the time of amalgamation and to any collateral thereafter owned or acquired by the amalgamated corporation when such becomes owned or is acquired. Upon any such amalgamation, the defined term “**Obligors**” shall also include, collectively, each of the amalgamating corporations and the amalgamated corporation, the defined term “**Collateral**” means all of the property and undertaking and interests described in (i) above, and the defined term “**Secured Obligations**” includes the obligations described in (ii) above.

**Section 5.8 Severability.**

If any court of competent jurisdiction from which no appeal exists or is taken, determines any provision of this Agreement to be illegal, invalid or unenforceable, that provision will be severed from this Agreement and the remaining provisions will remain in full force and effect.

**Section 5.9 Amendment.**

This Agreement may only be amended, supplemented or otherwise modified by written agreement executed by the Collateral Agent and the Obligors.

**Section 5.10 Waivers, etc.**

- (1) No consent or waiver by the Collateral Agent or the Secured Parties in respect of this Agreement is binding unless made in writing and signed by an authorized officer of the Collateral Agent. Any consent or waiver given under this Agreement is effective only in the specific instance and for the specific purpose for which given. No waiver of any of the provisions of this Agreement constitutes a waiver of any other provision.
- (2) A failure or delay on the part of the Collateral Agent or the Secured Parties in exercising a right under this Agreement does not operate as a waiver of, or impair, any right of the Collateral Agent or the Secured Parties however arising. A single or partial exercise of a right on the part of the Collateral Agent or the Secured Parties does not preclude any other or further exercise of that right or the exercise of any other right by the Collateral Agent or the Secured Parties.

**Section 5.11 Application of Proceeds of Security.**

All monies collected by the Collateral Agent upon the enforcement of the Collateral Agent's or the Secured Parties' rights and remedies under the Security Documents and the Liens created by them including any sale or other disposition of

the Collateral, together with all other monies received by the Collateral Agent and the Secured Parties under the Security Documents, will be applied as provided in the Credit Agreement. To the extent any other Loan Document requires proceeds of collateral under such Loan Document to be applied in accordance with the provisions of this Agreement, the Collateral Agent or holder under such other Loan Document shall apply such proceeds in accordance with this Section.

**Section 5.12 Conflict.**

- (1) Subject to Subsection (2) below, in the event of a direct conflict between the terms and provisions contained in this Agreement and the terms and provisions contained in the Credit Agreement, it is the intentions of the parties hereto that such terms and provisions in such documents shall be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of the Credit Agreement shall control and govern.
- (2) NOTWITHSTANDING ANYTHING HEREIN TO THE CONTRARY, THE LIEN AND SECURITY INTEREST GRANTED TO THE COLLATERAL AGENT, FOR THE BENEFIT OF THE SECURED PARTIES, PURSUANT TO THIS AGREEMENT AND THE EXERCISE OF ANY RIGHT OR REMEDY BY THE COLLATERAL AGENT AND THE OTHER SECURED PARTIES HEREUNDER ARE SUBJECT TO THE PROVISIONS OF THE INTERCREDITOR AGREEMENT. IN THE EVENT OF ANY CONFLICT OR INCONSISTENCY BETWEEN THE PROVISIONS OF THE INTERCREDITOR AGREEMENT AND THIS AGREEMENT, THE PROVISIONS OF THE INTERCREDITOR AGREEMENT SHALL GOVERN AND CONTROL. EXCEPT AS PROVIDED FOR IN THIS PARAGRAPH, NOTWITHSTANDING ANYTHING HEREIN TO THE CONTRARY, THE CREDIT AGREEMENT, INCLUDING ARTICLE X THEREOF, SHALL GOVERN AND CONTROL THE EXERCISE OF REMEDIES BY THE COLLATERAL AGENT.

**Section 5.13 Governing Law.**

This Agreement will be governed by, interpreted and enforced in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein.

IN WITNESS WHEREOF the Obligors have executed this Agreement.

### **ARTICLE 3 ENFORCEMENT**

#### **Section 3.1 Remedies.**

The Secured Parties and the Collateral Agent are not bound to exhaust their recourse against the Borrowers or any other Person or realize on any security they may hold in respect of the Obligations before being entitled to (i) enforce payment and performance under this Guarantee or (ii) pursue any other remedy against the Guarantors, or any of them, and each of the Guarantors renounces all benefits of discussion and division.

#### **Section 3.2 Amount of Obligations.**

Any account settled or stated by or between the Collateral Agent and any of the Loan Parties, or if any such account has not been settled or stated immediately before demand for payment under this Guarantee, any account stated by the Collateral Agent shall, in the absence of manifest mathematical error, be accepted by each of the Guarantors as conclusive evidence of the amount of the Obligations which is due by such Loan Party to the Secured Parties and the Collateral Agent or remains unpaid by such Loan Party to the Secured Parties and the Collateral Agent.

#### **Section 3.3 Payment on Demand.**

Each of the Guarantors will pay and perform the Obligations and pay all other amounts payable by it to the Secured Parties or the Collateral Agent under this Guarantee, and the obligation to do so arises, immediately after demand for such payment or performance is made in writing to such Guarantor. The liabilities of each of the Guarantors bear interest from the date of such demand at the rate or rates of interest then applicable to the Obligations under and calculated in the manner provided in the Loan Documents (including any adjustment to give effect to the provisions of the *Interest Act* (Canada)).

#### **Section 3.4 Costs and Expenses.**

All Taxes and Other Taxes, charges, costs, and expenses (including legal fees courts, costs, receivers or agent's remuneration and notarial fees) including withholding taxes, relating to, resulting from, or otherwise connected with, this Guarantee, the execution, amendment and/or the enforcement of this Guarantee shall, for greater certainty, be for the account of the applicable Guarantor and shall be paid in accordance with Section 2.15 of the Credit Agreement.

**Section 3.5 Assignment and Postponement.**

- (1) All obligations, liabilities and indebtedness of the Borrowers, or any of them, to the Guarantors, or any of them, of any nature whatsoever and all security therefor (the **“Intercorporate Indebtedness”**) are assigned and transferred to the Collateral Agent as continuing and collateral security for the applicable Guarantor’s obligations under this Guarantee and postponed to the payment in full of all Obligations. Until the occurrence of an Event of Default that is continuing, the Guarantors may receive payments in respect of the Intercorporate Indebtedness as permitted under the Credit Agreement. The Guarantors will not assign all or any part of the Intercorporate Indebtedness to any Person other than the Collateral Agent or the Secured Parties.
- (2) Upon the occurrence and during the continuation of an Event of Default, all Intercorporate Indebtedness will be held in trust for the Secured Parties and the Collateral Agent and will be collected, enforced or proved subject to, and for the purpose of, this Guarantee. In such event, any payments received by any Guarantor in respect of Intercorporate Indebtedness will be held in trust for the Secured Parties and the Collateral Agent and segregated from other funds and property held by such Guarantor and immediately paid to the Collateral Agent on account of the Obligations.
- (3) Intercorporate Indebtedness shall not be released or withdrawn by any Guarantor without the prior written consent of the Collateral Agent. Such Guarantor will not allow a limitation period to expire on the Intercorporate Indebtedness or ask for or obtain any security or negotiable paper for, or other evidence of, the Intercorporate Indebtedness except for the purpose of delivering the same to the Collateral Agent.
- (4) In the event of any insolvency, bankruptcy or other proceeding involving the liquidation, arrangement, compromise, reorganization or other relief with respect to any of the Borrowers or their debts, each of the Guarantors will, upon the request of the Collateral Agent, make and present a proof of claim or commence such other proceedings against such Borrower on account of the Intercorporate Indebtedness as may be reasonably necessary to establish such Guarantor’s entitlement to payment of any Intercorporate Indebtedness. Such proof of claim or other proceeding must be made or commenced prior to the earlier of (i) the day which is 30 days after notice requesting such action is delivered by or on behalf of the Collateral Agent to such Guarantor and (ii) the day which is 10 days preceding the date when such proof of claim or other proceeding is required by applicable law to be made or commenced. Such proof of claim or other proceeding must be in form and substance acceptable to the Collateral Agent.

- (5) If any Guarantor fails to make and file such proof of claim or commence such other proceeding in accordance with this Section 3.5, the Collateral Agent is irrevocably authorized, empowered and directed and appointed the true and lawful attorney of such Guarantor (but is not obliged): (i) to make and present for and on behalf of such Guarantor proofs of claims or other such proceedings against such Borrower on account of the Intercorporate Indebtedness, (ii) to demand, sue for, receive and collect any and all dividends or other payments or disbursements made in respect of the Intercorporate Indebtedness in whatever form the same may be paid or issued and to apply the same on account of the Obligations, and (iii) to demand, sue for, collect and receive each such payment and distribution and give acquittance therefor and to file claims and take such other actions, in its own name or in the name of such Guarantor or otherwise, as the Collateral Agent may deem necessary or advisable to enforce its rights under this Guarantee.
- (6) Each of the Guarantors will execute all subordinations, postponements, assignments and other agreements as the Collateral Agent may reasonably request to more effectively subordinate and postpone the Intercorporate Indebtedness to the payment and performance of the Obligations.
- (7) The provisions of this Section 3.5 survive the termination of this Guarantee and remain in full force and effect until the Discharge of Revolving Credit Secured Obligations.

**Section 3.6 Suspension of Guarantor Rights.**

Prior to the occurrence of the Discharge of Revolving Credit Secured Obligations, no Guarantor will exercise any rights which it may at any time have by reason of the performance of any of its obligations under this Guarantee (i) to be indemnified by the Borrowers, (ii) to claim contribution from any other guarantor of the debts, liabilities or obligations of the Borrowers, or (iii) subject to Section 3.8, to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Secured Parties or the Collateral Agent under any of the Loan Documents.

**Section 3.7 No Prejudice to Secured Parties or Collateral Agent.**

The Secured Parties and the Collateral Agent are not prejudiced in any way in the right to enforce any provision of this Guarantee by any act or failure to act on the part of the Borrowers, the Secured Parties or the Collateral Agent. The Collateral Agent and the Secured Parties may, at any time and from time to time, in such manner as any of them may determine is expedient, without any consent of, or notice to, the Guarantors and without impairing or releasing the obligations of the Guarantors (i) change the manner, place, time or terms of payment or performance

of the Obligations, (ii) renew or alter the Obligations, (iii) amend, vary, modify, supplement or replace any Loan Document or any other related document or instrument, (iv) discontinue, reduce, renew, increase, abstain from renewing or otherwise vary any credit or credit facilities to, any transaction with, the Borrowers or any other Person, (v) release, compound or vary the liability of the Borrowers or any other Person liable in any manner under or in respect of the Obligations, (vi) take or abstain from taking securities or collateral from any other Person, or from perfecting securities or collateral of any other Person, (vii) exercise or enforce or refrain from exercising or enforcing any right or security against the Borrowers, the Guarantors or any other Person, (viii) accept compromises or arrangement from any Person, (ix) apply any sums from time to time received to the Obligations, or any part thereof, and change any such application in whole or in part from time to time, (x) otherwise deal with, or waiver or modify their right to deal with, any Person and security. In their dealings with the Borrowers, the Collateral Agent and the Secured Parties need not enquire into the authority or power of any Person purporting to act for or on behalf of the Borrowers or any one of them.

### **Section 3.8 No Subrogation**

Each of the Guarantors irrevocably waives any claim, remedy or other right which it may now have or hereafter acquire against the Borrowers that arises from the existence, payment, performance or enforcement of such Guarantor's obligations under this Guarantee, including any right of subrogation, reimbursement, exoneration, indemnification or any right to participate in any claim or remedy of the Secured Parties or the Collateral Agent against the Borrowers or any collateral which the Secured Parties or the Collateral Agent now have or hereafter acquire, whether or not such claim, remedy or other right is reduced to judgment or is liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, secured or unsecured, and whether or not such claim, remedy or other right arises in equity or under contract, statute or common law. Each of the Guarantors further agrees that each of the Borrowers are an intended third party beneficiary of such Guarantor's waiver contained in this Section 3.8. If any amount is paid to any Guarantor in violation of this Section 3.8 and, at such time, the Secured Parties' and the Collateral Agent's claims against the Borrowers in respect of the Obligations have not been paid in full, any amount paid to any of the Guarantors is deemed to have been paid to such Guarantor for the benefit of, and held in trust for, the Secured Parties and the Collateral Agent, and will immediately be paid to the Collateral Agent to be credited and applied to such Obligations. Each of the Guarantors acknowledges that it will receive direct and indirect benefits from the transactions contemplated by this Guarantee and that the waiver in this Section 3.8 is knowingly made in contemplation of such benefits.

**Section 3.9 No Set-off.**

To the fullest extent permitted by law, each of the Guarantors makes all payments under this Guarantee without regard to any defence, counter-claim or right of set-off available to it.

**Section 3.10 Successors of the Borrowers.**

This Guarantee will not be revoked by any change in the constitution of any of the Borrowers. This Guarantee and the Guarantor Security Documents extend to any person, firm or corporation acquiring, or from time to time carrying on, the business of any of the Borrowers.

**Section 3.11 Continuing Guarantee and Continuing Obligations.**

The obligation of each of the Guarantors under Section 2.1 is a continuing guarantee, and the obligations of each of the Guarantors under Section 2.2 and Section 2.3 are continuing obligations. Each of Section 2.1, Section 2.2 and Section 2.3 extends to all present and future Obligations, applies to and secures the ultimate balance of the Obligations due or remaining due to the Collateral Agent and the Secured Parties and is binding as a continuing obligation of each of the Guarantors until the Collateral Agent and the Secured Parties release such Guarantor. This Guarantee will continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Obligations is rescinded or must otherwise be returned by the Secured Parties or the Collateral Agent upon the insolvency, bankruptcy or reorganization of any of the Borrowers or otherwise, all as though the payment had not been made.

**Section 3.12 Supplemental Security.**

This Guarantee is in addition and without prejudice to and supplemental to all other guarantees, indemnities, obligations and security now held or which may hereafter be held by the Secured Parties or the Collateral Agent.

**Section 3.13 Security for Guarantee.**

Each of the Guarantors acknowledges that this Guarantee is intended to secure payment and performance of the Obligations and that the payment and performance of the Obligations and the other obligations of each of the Guarantors under this Guarantee are secured pursuant to the terms and provisions of the Guarantor Security Documents.

**Section 3.14 Right of Set-off.**

Upon the occurrence and during the continuance of any Event of Default, the Collateral Agent and each of the Secured Parties are authorized by each of the Guarantors at any time and from time to time and may, to the fullest extent permitted by law, set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time

owing by the Collateral Agent or the Secured Parties to or for the credit or the account of any of the Guarantors against any and all of the obligations of such Guarantor now or hereafter existing irrespective of whether or not (i) the Secured Parties or the Collateral Agent have made any demand under this Guarantee, or (ii) any of the obligations comprising the Obligations are contingent or unmatured. The rights of the Collateral Agent and the Secured Parties under this Section 3.14 are in addition and without prejudice to and supplemental to other rights and remedies which the Collateral Agent and the Secured Parties may have.

**Section 3.15 Interest Act (Canada).**

Each of the Guarantors acknowledges that certain of the rates of interest applicable to the Obligations may be computed on the basis of a year of 360 days or 365 days, as the case may be and paid for the actual number of days elapsed. For purposes of the *Interest Act* (Canada), whenever any interest is calculated using a rate based on a year of 360 days or 365 days, as the case may be, such rate determined pursuant to such calculation, when expressed as an annual rate is equivalent to (i) the applicable rate based on a year of 360 days or 365 days, as the case may be, (ii) multiplied by the actual number of days in the calendar year in which the period for such interest is payable (or compounded) ends, and (iii) divided by 360 or 365, as the case may be.

**Section 3.16 Taxes.**

The provisions of Sections 2.12 (with respect to Taxes) and 2.15 of the Credit Agreement are hereby incorporated, *mutatis mutandi*, and shall apply to this Guarantee, the Guarantors, the Lenders, the Collateral Agent and the Administrative Agent as if set forth herein.

**Section 3.17 Judgment Currency.**

- (1) If for the purposes of obtaining judgment in any court it is necessary to convert all or any part of the Obligations or any other amount due to a Secured Party or the Collateral Agent in respect of any Guarantor's obligations under this Guarantee in any currency (the "**Original Currency**") into another currency (the "**Other Currency**"), each of the Guarantors, to the fullest extent that it may effectively do so, agrees that the rate of exchange used shall be that at which, in accordance with normal banking procedures, the Secured Party or Collateral Agent, as the case may be, could purchase the Original Currency with the Other Currency on the Business Day preceding that on which final judgment is paid or satisfied.
- (2) The obligations of each of the Guarantors in respect of any sum due in the Original Currency from it to any Secured Party or the Collateral Agent shall, notwithstanding any judgment in any Other Currency, be discharged only to the extent that on the Business Day following receipt by such Secured Party

or the Collateral Agent, as the case may be, of any sum adjudged to be so due in such Other Currency such Secured Party or Collateral Agent, as the case may be, may, in accordance with its normal banking procedures, purchase the Original Currency with such Other Currency. If the amount of the Original Currency so purchased is less than the sum originally due to the Secured Party in the Original Currency, each of the Guarantors agrees, as separate obligations and notwithstanding any such judgment, to indemnify the Secured Party or Collateral Agent, as the case may be, against such loss, and if the amount of the Original Currency so purchased exceeds the sum originally due to the Secured Party or Collateral Agent, as the case may be, in the Original Currency, the Secured Party or Collateral Agent, as the case may be, agrees to remit such excess to the applicable Guarantor.

#### **ARTICLE 4 GENERAL**

##### **Section 4.1 Notices, etc.**

Any notice, direction or other communication (each a “Notice”) given regarding the matters contemplated by this Guarantee must be in writing and given in accordance with the Credit Agreement.

##### **Section 4.2 No Merger, Survival of Representations and Warranties.**

The representations, warranties and covenants of each of the Guarantors in this Guarantee survive the execution and delivery of this Guarantee and each advance under the Credit Agreement. Notwithstanding any investigation made by or on behalf of the Collateral Agent or the Secured Parties, the representations, warranties and covenants in this Guarantee continue in full force and effect.

##### **Section 4.3 Further Assurances.**

- (1) Each of the Guarantors will do all acts and things and execute and deliver, or cause to be executed and delivered, all documents and instruments that the Collateral Agent may reasonably request to give full effect to this Guarantee and to perfect and preserve the rights and powers of the Collateral Agent and the Secured Parties under this Guarantee, including any acknowledgements and confirmations of this Guarantee and the Guarantor Security Documents.
- (2) Each of the Guarantors acknowledges and confirms that it has established its own adequate means of obtaining from the Borrowers on a continuing basis all information desired by such Guarantor concerning the financial condition of the Borrowers and that it will look to the Borrowers and not to the Collateral Agent or the Secured Parties, in order to keep adequately informed of changes in the Borrowers financial condition.

**Section 4.4 Successors and Assigns.**

This Guarantee is binding upon each of the Guarantors, their respective successors and permitted assigns, and enures to the benefit of the Secured Parties, the Collateral Agent and their respective successors and assigns. This Guarantee may be assigned by the Collateral Agent without the consent of, or notice to, the Guarantors, to such Person as the Collateral Agent may determine and, in such event, such Person will be entitled to all of the rights and remedies of the Collateral Agent as set forth in this Guarantee or otherwise. In any action brought by an assignee to enforce any such right or remedy, no Guarantor will assert against the assignee any claim or defence which such Guarantor now has or may have against the Collateral Agent or any of the Secured Parties. No Guarantor may assign, transfer or delegate any of their rights or obligations under this Guarantee without the prior written consent of the Collateral Agent which may be unreasonably withheld.

**Section 4.5 Amendment.**

This Guarantee may only be amended, supplemented or otherwise modified by written agreement executed by the Collateral Agent and the Guarantors.

**Section 4.6 Waivers, etc.**

- (1) No consent or waiver by the Collateral Agent or the Secured Parties in respect of this Guarantee is binding unless made in writing and signed by an authorized officer of the Collateral Agent. Any consent or waiver given under this Guarantee is effective only in the specific instance and for the specific purpose for which given. No waiver of any of the provisions of this Guarantee constitutes a waiver of any other provision.
- (2) A failure or delay on the part of the Collateral Agent or the Secured Parties in exercising a right under this Guarantee does not operate as a waiver of, or impair, any right of the Collateral Agent or the Secured Parties however arising. A single or partial exercise of a right on the part of the Collateral Agent or the Secured Parties does not preclude any other or further exercise of that right or the exercise of any other right by the Collateral Agent or the Secured Parties.

**Section 4.7 Severability.**

If any court of competent jurisdiction from which no appeal exists or is taken, determines that any provision of this Guarantee is illegal, invalid or unenforceable, that provision will be severed from this Guarantee and the remaining provisions will remain in full force and effect.

**Section 4.8 Collateral Agent.**

By accepting the benefits of this Guarantee, the Secured Parties agree that this Guarantee may be enforced only by the action of the Collateral Agent and that no other Secured Party shall have any right individually to seek to enforce this Guarantee or to realize upon the security to be granted hereby, it being understood and agreed that such rights and remedies may be exercised by the Collateral Agent for the benefit of the Secured Parties upon the terms of the Credit Agreement.

**Section 4.9 Application of Proceeds.**

All monies collected by the Collateral Agent or any Secured Party under this Guarantee will be applied as provided in the Credit Agreement. To the extent any other Loan Document requires proceeds of collateral under such Loan Document to be applied in accordance with the provisions of this Guarantee, the Collateral Agent or holder under such other Loan Document shall apply such proceeds in accordance with this Section.

**Section 4.10 Governing Law.**

This Guarantee will be governed by, interpreted and enforced in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein.

[*Novelis ABL Hypothec*]

7. SPECIAL PROVISIONS RELATIVE TO THE CLAIMS

7.1 The Trustee authorizes the Grantor to manage and collect the Claims in the ordinary course of business. 8.4 The Grantor shall not cause or permit any person other than the Trustee and the Term Loan Collateral Agent (as such term is defined in the Intercreditor Agreement) to have control (as understood in the Transfer Act) of any of the securities forming part of the Mortgaged Property other than control (as understood in the Transfer Act) in favour of any depositary bank or securities intermediary which has subordinated its encumbrance to the encumbrance of the Trustee pursuant to documentation in form and substance satisfactory to the Trustee.

8.5 Until the occurrence of an Event of Default which is continuing, the Grantor shall be entitled to exercise all rights attached to such securities, investment property and financial assets owned by it, including any right to vote and any right of conversion or redemption, provided such rights are not exercised in a manner which would impair the value of such securities.

[*Novelis ABL Hypothec*]

surrender or observe the time limits prescribed by Title Three of Book Six of the Civil Code.

Such rights of the Trustee shall survive and have effect notwithstanding the dissolution of the Grantor or the appointment of any trustee or receiver to its assets.

8.8 The Trustee may, upon the occurrence of an Event of Default which is continuing, transfer any Securities or any part thereof into its own name or that of a third party appointed by it so that, the Trustee or its nominee(s) may appear as the sole registered holder thereof, in which case:

- (a) All voting rights and any other right attached to such Securities may be exercised by the Trustee (without any obligation of the Trustee to do so) or on behalf of the Trustee.
- (b) The Trustee shall collect revenues, dividends and capital distributions and the Grantor shall cease to have any right thereto and the Trustee may either hold same as Mortgaged Property or apply them in reduction of the Obligations.

8.9 For the purpose of this Article 8, the Grantor hereby irrevocably appoints any officer or employee of the Trustee as its attorney with full power of substitution and authority to execute such documents necessary to render effective the rights granted to the Trustee pursuant to this Article 8.

#### 9. EVENTS OF DEFAULT

To that end, the Grantor covenants not to oppose the measures initiated by the Trustee for the purpose of taking possession of the assets surrendered by the Grantor, but to facilitate the same. The Grantor shall also execute any deed or document which may be necessary or useful to

[*Novelis ABL Hypothec*]

evidence such surrender or to give it full effect. Notwithstanding the foregoing, the Grantor shall not be prevented from contesting before a court of competent jurisdiction the existence of an Event of Default and asserting that, as a result, the Trustee does not have the right to avail itself of the rights and recourses contemplated in this Article 10.

10.2 The Trustee shall not be bound to exercise the same hypothecary rights against all of the Mortgaged Property. Whatever hypothecary rights the Trustee elects to exercise, the following provisions shall apply:

- (a) The Trustee shall have the right, at the expense of the Grantor and in order to conserve or realize upon the Mortgaged Property:

- (e) The Trustee shall not be bound to make the Mortgaged Property productive or to conserve the same.
- (f) Should the Trustee at any time abandon the exercise of its rights, hypothecary or otherwise, against the Mortgaged Property, the Trustee may elect, at its option, to return to the Grantor without any representation or warranty, any Mortgaged Property which the Grantor had surrendered to the Trustee, or the remainder thereof if any, the whole without prejudice to its other rights and recourses.
- (g) The Trustee shall be deemed to have acted in the best interest of the Grantor and its successors if the Trustee has acted in accordance with its standard methods of assessing and managing financial risks in the ordinary course of its business.

*[Novelis ABL Hypothec]*

10.3 Where the Trustee exercises a right of taking in payment and the Grantor, inasmuch as it has the right to do so, requires that the Trustee sell the Mortgaged Property upon which such recourse was exercised, the Grantor acknowledges that the Trustee shall not be bound to abandon the right of taking in payment unless the Trustee has obtained, before the end of the period allowed for surrender, (i) a satisfactory security guaranteeing that the sale will be made at a sufficiently high price to enable the Trustee's claim to be paid in full, (ii) the full reimbursement of all costs thus incurred by it, and (iii) an advance of the funds needed for the sale of the said properties.

10.4 If the Trustee itself sells any Mortgaged Property, it shall not be required to obtain any prior appraisal thereof.

10.5 The sale by the Trustee of any Mortgaged Property may be concluded by the Trustee without legal warranty or, at its option, without any warranty whatsoever.

10.6 The Trustee hereby irrevocably renounces to all rights or recourses of a hypothecary creditor including, the right to follow contemplated in Article 2700 of the Civil Code, with respect to any property which is Excluded Property and/or otherwise becomes Excluded Property during the term of this Deed.

#### 11. REDUCTION AND CANCELLATION

The Trustee may unilaterally at its entire discretion consent to the reduction or cancellation of the security hereby constituted. However, the Trustee shall not be bound to consent to any such reduction or cancellation unless and until it has received the full and final payment of all amounts hereby secured and there is no outstanding commitment on the part of any Secured Party to advance further sums or extend further credits to the Grantor.

If the Collateral Agent is authorized under the Credit Agreement to release, in whole or in part, the security hereby constituted, then the Trustee is authorized to release such security under this Deed.

Upon the Discharge of Revolving Credit Secured Obligations (as such term is defined in the Intercreditor Agreement), the Trustee shall grant an acquittance and consent to the reduction or cancellation of the hypothecary rights hereby constituted and, concurrently, shall return the Pledged Certificated Securities to the Grantor, together with all other relevant share transfer powers, endorsements or other documents in connection with the Pledged Certificated Securities.

To that end, the Grantor covenants not to oppose the measures initiated by the Trustee for the purpose of taking possession of the assets surrendered by the Grantor, but to facilitate the same. If the Collateral Agent is authorized under the Credit Agreement to release, in whole or in part, the security hereby constituted, then the Trustee is authorized to release such security under this Deed.

## DEMAND DEBENTURE

NOVELIS INC.

### Section 1 Acknowledgement and Promise to Pay.

For value received, the Obligor acknowledges itself indebted and promises to pay **ON DEMAND**, to or to the order of the Holder the principal sum of Four Billion Dollars (\$4,000,000,000) in lawful currency of Canada in accordance with the terms of this Debenture. The principal amount outstanding from time to time bears interest both before and after demand and judgment to the date of repayment in full at the rate of twenty-five per cent (25%) per annum. Interest at such rate accrues daily and is calculated on the basis of the actual number of days elapsed in a year of 365 days or 366 days, as the case may be, and is payable monthly, in arrears, on the first Business Day of each and every month commencing the month immediately following this date. Overdue interest bears interest at the same rate, calculated in the same manner. The Obligor promises to pay the principal amount, interest and other amounts owing under this Debenture at the offices of the Holder at which any notice may be given to the Holder in connection with this Debenture or at such other place as the Holder may designate by notice in writing to the Obligor.

- (3) The division of this Debenture into Articles, Sections and other subdivisions and the insertion of headings are for convenient reference only and do not affect its interpretation. The schedules attached to this Debenture form an integral part of it for all purposes of it.

**Section 4 Grant of Security – Fixed Charge.**

Subject to Section 7, as security for the due payment of the principal amount, interest and other amounts owing under this Debenture, the Obligor grants, assigns, conveys, transfers, mortgages, pledges and charges, as and by way of a fixed and specific mortgage, charge and pledge, to and in favour of the Holder and otherwise grants to the Holder a security interest in, all of the Obligor's right, title and interest in and to:

Until the Security is enforceable, the floating charge in no way hinders or prevents the Obligor from disposing of or dealing with the subject matter of the floating charge in the ordinary course of business and for purposes of carrying on the same; provided that such action is not in breach of any specific provision of, or covenant in, this Debenture.

*ABL Debenture*

**Section 6 Effectiveness and Attachment.**

- (1) The Security is effective whether or not any monies or liabilities so secured are advanced or incurred before or after or at the same time as this Debenture is issued. The Security will remain effective until such time as this Debenture is discharged as provided in Section 20, irrespective of whether, at any prior time, there may have been no indebtedness, liabilities or obligations (direct, indirect, absolute, contingent or otherwise) of the Obligor to the Holder outstanding.
- (2) The Obligor acknowledges that (i) value has been given, (ii) it has rights in the Charged Premises (other than after-acquired Charged Premises), (iii) it has not agreed to postpone the time of attachment of the Security and (iv) it has received a copy of this Debenture.

**Section 7 Scope of Security.**

- (1) To the extent that an assignment of amounts payable and other proceeds arising under or in connection with, or the grant of a security interest in any agreement, lease, licence, permit or quota of the Obligor would constitute a default under or breach of or would result in the termination of such agreement, lease, licence, permit or quota (each, a “**Restricted Asset**”), the Security with respect to each Restricted Asset will constitute a trust created in favour of the Holder, pursuant to which the Obligor holds as trustee all proceeds arising under or in connection with the Restricted Asset in trust for the Holder, on the following basis:
  - (a) until the Security is enforceable, the Obligor is entitled to receive all such proceeds; and
  - (b) whenever the Security is enforceable, (i) all rights of the Obligor to receive such proceeds cease and all such proceeds will be immediately paid over to the Holder and (ii) the Obligor will take all actions requested by the Holder to collect and enforce payment and other rights arising under the Restricted Asset.
- (2) Upon the request of the Holder, the Obligor will use commercially reasonable efforts to obtain the consent of each other party to any and all Restricted Assets to the assignment of such Restricted Asset to the Holder in accordance with this Debenture. The Obligor will also use all commercially reasonable efforts to ensure that all agreements entered into on and after the date of this Debenture expressly permit assignments of the benefits of such agreements as collateral security to the Holder in accordance with the terms of this Debenture.

*ABL Debenture*

- (3) The Security does not extend to consumer goods at any time owned by or otherwise held by the Obligor.
- (4) The Security does not extend or apply to the last day of the term of any lease or sublease of real property or agreement for a lease or sublease of real property, now held or hereafter acquired by the Obligor, but the Obligor will stand possessed of any such last day upon trust to assign and dispose of it as the Holder may direct.

**Section 8 Protective Disbursements.**

If the Obligor fails to perform any of its covenants in this Debenture, then the Holder may, in its absolute discretion, perform any covenant capable of being performed by it and, if the covenant requires the payment or expenditure of money, the Holder may make the payment but is under no obligation to do so. All sums paid or expended by the Holder are immediately payable by the Obligor, bear interest at the rate set forth in this Debenture and are secured by this Debenture, having the benefit of the Security in priority to the indebtedness evidenced by this Debenture. No such performance or payment will relieve the Obligor from any default under this Debenture or the consequences of such default.

**Section 9 Covenants.**

The Obligor will not sell, assign, convey, exchange, lease, charge, mortgage, pledge, release or abandon or otherwise dispose of any Charged Premises or any interest therein except as permitted by the Holder in writing. The Obligor will not create or suffer to exist any Lien on the Charged Premises, except as permitted by the Holder in writing and shall discharge any such Lien which is not so permitted forthwith. The Obligor will immediately upon demand by the Holder, create and grant as and by way of a fixed and specific mortgage and charge to and in favour of the Holder, further security over any of the Charged Premises referred to in Section 5.

**Section 10 Enforcement.**

The Security becomes and is enforceable against the Obligor if and when the Obligor fails to repay the principal amount, interest and other amounts owing under this Debenture on demand or otherwise when the same become due and payable or if and when the Obligor breaches any other agreement or covenant it has given to the Holder (after the expiry of any applicable notice and/or cure periods given to the Obligor under such other agreement or covenant).

**Section 11 Remedies.**

Whenever the Security is enforceable, the Holder may realize upon the Charged Premises and enforce its rights by:

*ABL Debenture*

- (a) entry into possession of the Charged Premises by any method permitted by law;
- (b) sale, grant of options to purchase, or lease of all or any part of the Charged Premises;
- (c) holding, storing and keeping idle or operating all or any part of the Charged Premises;
- (d) collection of any proceeds arising in respect of the Charged Premises;
- (e) institution of proceedings in any court of competent jurisdiction for the appointment of a receiver (which term as used in this Debenture includes a receiver and manager) of all or any part of the Charged Premises;
- (f) institution of proceedings in any court of competent jurisdiction for sale or foreclosure of all or any part of the Charged Premises;
- (g) filing of proofs of claim and other documents to establish claims to the Charged Premises in any proceeding relating to the Obligor;
- (h) appointment by instrument in writing of a receiver or agent of all or any part of the Charged Premises and removal or replacement from time to time of any such receiver or agent; and
- (i) any other remedy or proceeding authorized or permitted in this Debenture or otherwise by law or equity.

**Section 12 Additional Rights.**

In addition to the rights of the Holder set forth in Section 11, whenever the Security is enforceable, the Holder may:

- (a) require the Obligor, at the Obligor's expense, to assemble the Charged Premises, to the extent reasonably practicable, at a place or places designated by notice in writing and the Obligor agrees to so assemble the Charged Premises immediately upon receipt of such notice;
- (b) require the Obligor, by notice in writing, to disclose to the Holder the location or locations of the Charged Premises and the Obligor agrees to make such disclosure when so required;
- (c) repair, process, modify, complete or otherwise deal with the Charged Premises, and prepare for the disposition of the Charged Premises, whether on the premises of the Obligor or otherwise;

*ABL Debenture*

- (d) redeem any prior security interest against any Charged Premises, procure the transfer of such security interest to itself, or settle and pass the accounts of the prior mortgagee, chargee or encumbrancer (any accounts to be conclusive and binding on Obligor);
- (e) pay any liability secured by any Lien against any Charged Premises (the Obligor will immediately on demand reimburse the Holder for all such payments);
- (f) carry on all or any part of the business of the Obligor and, to the exclusion of all others including the Obligor, enter upon, occupy and use all or any of the premises, buildings and other property of or used by the Obligor for such time as the Holder sees fit, free of charge, and the Holder is not liable to the Obligor for any act, omission or negligence in so doing or for any rent, charges, depreciation or damages incurred in connection with or resulting from such action;
- (g) borrow for the purpose of carrying on the business of the Obligor or for the maintenance, preservation or protection of the Charged Premises and mortgage, charge or grant a security interest in the Charged Premises, whether or not in priority to the Security, to secure repayment;
- (h) commence, continue or defend any judicial or administrative proceedings for the purpose of protecting, seizing, collecting, realizing or obtaining possession or payment of the Charged Premises, and give good and valid receipts and discharges and compromise or give time for the payment or performance of all or any part of any other obligation of any third party to the Obligor; and
- (i) at any public sale, and to the extent permitted by law on any private sale, bid for and purchase any or all of the Charged Premises offered for sale and upon compliance with the terms of such sale, hold, retain and dispose of such Charged Premises without any further accountability to the Obligor or any other Person with respect to such holding, retention or disposition, except as required by law. In any such sale to the Holder, the Holder may, for the purpose of making payment for all or any part of the Charged Premises so purchased, use any claim for the principal, interest and other amounts owing under this Debenture then due and payable to it as a credit against the purchase price.

*ABL Debenture*

**Section 13 Exercise of Remedies.**

The remedies under Section 11 and Section 12 may be exercised from time to time separately or in combination and are in addition to, and not in substitution for, any other rights of the Holder however arising or created. The Holder is not bound to exercise any right or remedy and the exercise of any right or remedy is without prejudice to any other rights of the Holder including the right to claim for any deficiency. The taking of any action or proceeding or refraining from so doing, or any other dealings with any other security for the monies secured by this Debenture shall not release or affect the Security.

**Section 14 Receiver's Powers.**

- (1) Any receiver appointed by the Holder is vested with the rights and remedies which could have been exercised by the Holder in respect of the Obligor or the Charged Premises and such other powers and discretions as are granted in the instrument of appointment and any supplemental instruments. The identity of the receiver, any replacement and any remuneration are within the sole and unfettered discretion of the Holder.
- (2) Any receiver appointed by the Holder will act as agent for the Holder for the purposes of taking possession of the Charged Premises, but otherwise and for all other purposes (except as provided below), as agent for the Obligor. The receiver may sell, lease, or otherwise dispose of the Charged Premises as agent for the Obligor or as agent for the Holder as the Holder may determine in its discretion. The Obligor agrees to ratify and confirm all actions of the receiver acting as agent for the Obligor, and to release and indemnify the receiver in respect of all such actions.
- (3) The Holder, in appointing or refraining from appointing any receiver, does not incur liability to the receiver, the Obligor or otherwise and is not responsible for any misconduct or negligence of such receiver.
- (4) All moneys from time to time received by the receiver may be applied as follows (i) first, in discharge of all operating expenses and other outgoings affecting the Charged Premises, (ii) second, in keeping in good standing all charges and liens on the Charged Premises having priority over the Security, (iii) third, in payment of the remuneration and disbursements of the receiver, (iv) fourth, in payment to the Holder of the moneys payable hereunder, and (v) the balance, if any, shall be paid to the Obligor or as a court of competent jurisdiction may otherwise direct.

**Section 15 Appointment of Attorney.**

The Obligor hereby irrevocably constitutes and appoints the Holder (and any officer of the Holder) the true and lawful attorney of the Obligor. As the attorney of

*ABL Debenture*

the Obligor, the Holder has the power, upon this Debenture becoming enforceable, to exercise for and in the name of the Obligor with full power of substitution, any of the Obligor's right (including the right of disposal), title and interest in and to the Charged Premises including the execution, endorsement, delivery and transfer of the Charged Premises to the Holder, its nominees or transferees, and upon this Debenture becoming enforceable, the Holder and its nominees or transferees are hereby empowered to exercise all rights and powers and to perform all acts of ownership with respect to the Charged Premises to the same extent as the Obligor might do. This power of attorney is irrevocable, is coupled with an interest, has been given for valuable consideration (the receipt and adequacy of which is acknowledged) and survives, and does not terminate upon, the bankruptcy, dissolution, winding up or insolvency of the Obligor. This power of attorney extends to and is binding upon the Obligor's successors and permitted assigns. The Obligor authorizes the Holder to delegate in writing to another Person any power and authority of the Holder under this power of attorney as may be necessary or desirable in the opinion of the Holder, and to revoke or suspend such delegation.

**Section 16 Dealing with the Charged Premises.**

- (1) The Holder is not obliged to exhaust its recourse against the Obligor or any other Person or against any other security it may hold before realizing upon or otherwise dealing with the Charged Premises in such manner as it may consider desirable.
- (2) The Holder may grant extensions or other indulgences, take and give up securities, accept compositions, grant releases and discharges and otherwise deal with the Obligor and with other Persons, sureties or securities as it may see fit without prejudice to the obligations and liability of the Obligor or the rights of the Holder in respect of the Charged Premises.
- (3) The Holder is not (i) liable or accountable for any failure to collect, realize or obtain payment in respect of the Charged Premises, (ii) bound to institute proceedings for the purpose of collecting, enforcing, realizing or obtaining payment of the Charged Premises or for the purpose of preserving any rights of any Persons in respect of the Charged Premises, (iii) responsible for any loss occasioned by any sale or other dealing with the Charged Premises or by the retention of or failure to sell or otherwise deal with the Charged Premises, or (iv) bound to protect the Charged Premises from depreciating in value or becoming worthless.
- (4) The Holder has no obligation to keep the Charged Premises in its possession identifiable.
- (5) The Holder may, after the Security is enforceable, (i) notify any Person obligated on an account or on chattel paper or any obligor on an instrument

*ABL Debenture*

to make payments to the Holder, whether or not the Obligor was previously making collections on such accounts, chattel paper, instruments, and (ii) assume control of any proceeds arising from the Charged Premises.

**Section 17 Standards of Sale.**

Without prejudice to the ability of the Holder to dispose of the Charged Premises in any manner which is commercially reasonable, the Obligor acknowledges that:

- (a) the Charged Premises may be disposed of in whole or in part;
- (b) the Charged Premises may be disposed of by public auction, public tender or private contract, with or without advertising and without any other formality;
- (c) any assignee of the Charged Premises may be a customer of the Holder;
- (d) any sale conducted by the Holder will be at such time and place, on such notice and in accordance with such procedures as the Holder, in its sole discretion, may deem advantageous;
- (e) the Charged Premises may be disposed of in any manner and on any terms necessary to avoid violation of applicable law (including compliance with such procedures as may restrict the number of prospective bidders and purchasers, require that the prospective bidders and purchasers have certain qualifications, and restrict the prospective bidders and purchasers to Persons who will represent and agree that they are purchasing for their own account for investment and not with a view to the distribution or resale of the Charged Premises) or in order to obtain any required approval of the disposition (or of the resulting purchase) by any governmental or regulatory authority or official;
- (f) a disposition of the Charged Premises may be on such terms and conditions as to credit or otherwise as the Holder, in its sole discretion, deems advantageous; and
- (g) the Holder may establish an upset or reserve bid or price in respect of the Charged Premises.

**Section 18 Dealings by Third Parties.**

No Person dealing with the Holder or its agent or a receiver is required to determine (i) whether the Security has become enforceable, (ii) whether the powers

*ABL Debenture*

which the Holder or its agent or a receiver is purporting to exercise have become exercisable, (iii) whether any money remains due upon the Security, (iv) the necessity or expediency of the stipulations and conditions subject to which any sale or lease is made, (v) the propriety or regularity of any sale or any other dealing by the Holder or its agent or a receiver with the Charged Premises, or (vi) how any money paid to the Holder has been applied. Any *bona fide* purchaser of all or any part of the Charged Premises from the Holder or any receiver or agent will hold the Charged Premises absolutely, free from any claim or right of whatever kind, including any equity of redemption, of the Obligor, which it specifically waives (to the fullest extent permitted by law) as against any such purchaser and all rights of redemption, stay or appraisal which the Obligor has or may have under any rule of law now existing or hereafter adopted.

**Section 19 No Right of Set-Off.**

The principal, interest and other amounts and liabilities secured by this Debenture will be paid by the Obligor when due without regard to any equities existing between the Obligor and any other party including the Holder and without regard to any right of set-off or cross-claim or of any other claim or demand of the Obligor against the Holder or otherwise.

**Section 20 Discharge.**

The Security will not be discharged except by a written release or discharge signed by the Holder. The Obligor will be entitled to require a discharge by notice to the Holder upon, but only upon, (i) full and indefeasible payment of all principal, interest and other amounts secured, (ii) performance of all obligations of the Obligor to the Holder and (iii) the Holder having no obligations to the Obligor. Upon discharge of the Security and at the request and expense of the Obligor, the Holder will execute and deliver to the Obligor such financing change statements and other documents or instruments as the Obligor may reasonably require to effect the discharge of the Security.

**Section 23 Further Assurances.**

*ABL Debenture*

In any action brought by an assignee to enforce any such right or remedy, the Obligor will not assert against the assignee any claim or defence which the Obligor now has or may have against the Holder. The Obligor may not assign, transfer or delegate any of its rights or obligations under this Debenture without the prior written consent of the Holder which may be unreasonably withheld.

**Section 25 Amendment.**

This Debenture may only be amended, supplemented or otherwise modified by written agreement executed by the Holder and the Obligor.

**Section 26 Severability.**

**Section 27 Waivers, etc.**

No consent or waiver by the Holder is binding unless made in writing and signed by an authorized officer of the Holder. Any consent or waiver given under this Debenture is effective only in the specific instance and for the specific purpose for which given. No waiver of any of the provisions of this Debenture constitutes a waiver of any other provision. A failure or delay on the part of the Holder in exercising a right under this Debenture does not operate as a waiver of, or impair, any right of the Holder however arising. A single or partial exercise of a right on the part of the Holder does not preclude any other or further exercise of that right or the exercise of any other right by the Holder. The Holder of this Debenture is required to present and surrender this Debenture against payment.
