## **ARTICLE 5 GENERAL**

### **Section 5.1 Notices.**

Any notices, directions or other communications provided for in this Agreement must be in writing and given in accordance with the Credit Agreement.

### **Section 5.2 Discharge.**

The Security Interest will be discharged upon the Discharge of Term Loan Secured Obligations. Upon the Discharge of Term Loan Secured Obligations and at the request and expense of the Obligors, the Collateral Agent will execute and deliver to each of the Obligors such releases, discharges, financing statements and other documents or instruments as the Obligors may reasonably require and the Collateral Agent will redeliver to the Obligors, or as the Obligors may otherwise direct the Collateral Agent, any Collateral in its possession.

### **Section 5.3 No Merger, Survival of Representations and Warranties.**

This Agreement does not operate by way of merger of any of the Secured Obligations and no judgment recovered by the Collateral Agent or any of the Secured Parties will operate by way of merger of, or in any way affect, the Security Interest, which is in addition to, and not in substitution for, any other security now or hereafter held by the Collateral Agent and the Secured Parties in respect of the Secured Obligations. The representations, warranties and covenants of the Obligors in this Agreement survive the execution and delivery of this Agreement and any advances under the Credit Agreement. Notwithstanding any investigation made by

or on behalf of the Collateral Agent or the Secured Parties these covenants, representations and warranties continue in full force and effect.

**Section 5.4 Further Assurances.**

Each of the Obligors will do all acts and things and execute and deliver, or cause to be executed and delivered, all agreements, documents and instruments that the Collateral Agent may require and take all further steps relating to the Collateral or any other property or assets of the Obligors that the Collateral Agent may require for (i) protecting the Collateral, (ii) perfecting the Security Interest, and (iii) exercising all powers, authorities and discretions conferred upon the Collateral Agent. After the Security Interest becomes enforceable, the Obligors will do all acts and things and execute and deliver all documents and instruments that the Collateral Agent may require for facilitating the sale or other disposition of the Collateral in connection with its realization.

**Section 5.5 Supplemental Security.**

This Agreement is in addition to, without prejudice to and supplemental to all other security now held or which may hereafter be held by the Collateral Agent or the Secured Parties.

**Section 5.6 Successors and Assigns.**

This Agreement is binding on each of the Obligors and their successors and permitted assigns, and enures to the benefit of the Collateral Agent, the Secured Parties and their respective successors and assigns. This Agreement may be assigned by the Collateral Agent without the consent of, or notice to, the Obligors, to such Person as the Collateral Agent may determine and, in such event, such Person will be entitled to all of the rights and remedies of the Collateral Agent as set forth in this Agreement or otherwise. In any action brought by an assignee to enforce any such right or remedy, the Obligors will not assert against the assignee any claim or defence which the Obligors now have or may have against the Collateral Agent or any of the Secured Parties. No Obligor may assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Collateral Agent which may be unreasonably withheld.

**Section 5.7 Amalgamation.**

Each Obligor acknowledges and agrees that in the event it amalgamates with any other corporation or corporations, it is the intention of the parties that the Security Interest (i) subject to Section 2.4, extends to: (A) all of the property and undertaking that any of the amalgamating corporations then owns, (B) all of the property and undertaking that the amalgamated corporation thereafter acquires, (C) all of the property and undertaking in which any of the amalgamating corporations then has any interest and (D) all of the property and undertaking in which the amalgamated corporation thereafter acquires any interest; and (ii) secures

the payment and performance of all Obligations, at any time or from time to time due or accruing due and owing by or otherwise payable by each of the amalgamating corporations and the amalgamated corporation to the Secured Parties in any currency, however or wherever incurred, and whether incurred alone or jointly with another or others and whether as principal, guarantor or surety and whether incurred prior to, at the time of or subsequent to the amalgamation. The Security Interest attaches to the additional collateral at the time of amalgamation and to any collateral thereafter owned or acquired by the amalgamated corporation when such becomes owned or is acquired. Upon any such amalgamation, the defined term “**Obligors**” shall also include, collectively, each of the amalgamating corporations and the amalgamated corporation, the defined term “**Collateral**” means all of the property and undertaking and interests described in (i) above, and the defined term “**Secured Obligations**” includes the obligations described in (ii) above.

**Section 5.8 Severability.**

If any court of competent jurisdiction from which no appeal exists or is taken, determines any provision of this Agreement to be illegal, invalid or unenforceable, that provision will be severed from this Agreement and the remaining provisions will remain in full force and effect.

**Section 5.9 Amendment.**

This Agreement may only be amended, supplemented or otherwise modified by written agreement executed by the Collateral Agent and the Obligors.

**Section 5.10 Waivers, etc.**

- (1) No consent or waiver by the Collateral Agent or the Secured Parties in respect of this Agreement is binding unless made in writing and signed by an authorized officer of the Collateral Agent. Any consent or waiver given under this Agreement is effective only in the specific instance and for the specific purpose for which given. No waiver of any of the provisions of this Agreement constitutes a waiver of any other provision.
- (2) A failure or delay on the part of the Collateral Agent or the Secured Parties in exercising a right under this Agreement does not operate as a waiver of, or impair, any right of the Collateral Agent or the Secured Parties however arising. A single or partial exercise of a right on the part of the Collateral Agent or the Secured Parties does not preclude any other or further exercise of that right or the exercise of any other right by the Collateral Agent or the Secured Parties.

**Section 5.11 Application of Proceeds of Security.**

All monies collected by the Collateral Agent upon the enforcement of the Collateral Agent's or the Secured Parties' rights and remedies under the Security Documents and the Liens created by them including any sale or other disposition of the Collateral, together with all other monies received by the Collateral Agent and the Secured Parties under the Security Documents, will be applied as provided in the Credit Agreement. To the extent any other Loan Document requires proceeds of collateral under such Loan Document to be applied in accordance with the provisions of this Agreement, the Collateral Agent or holder under such other Loan Document shall apply such proceeds in accordance with this Section.

**Section 5.12 Conflict.**

- (1) Subject to Subsection (2) below, in the event of any conflict between the terms and provisions contained in this Agreement and the terms and provisions contained in the Credit Agreement, it is the intention of the parties hereto that such terms and provisions in such documents shall be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of the Credit Agreement shall control and govern.
- (2) NOTWITHSTANDING ANYTHING HEREIN TO THE CONTRARY, THE LIEN AND SECURITY INTEREST GRANTED TO THE COLLATERAL AGENT, FOR THE BENEFIT OF THE SECURED PARTIES, PURSUANT TO THIS AGREEMENT AND THE EXERCISE OF ANY RIGHT OR REMEDY BY THE COLLATERAL AGENT AND THE OTHER SECURED PARTIES HEREUNDER ARE SUBJECT TO THE PROVISIONS OF THE INTERCREDITOR AGREEMENT. EXCEPT AS PROVIDED FOR IN THIS PARAGRAPH, NOTWITHSTANDING ANYTHING HEREIN TO THE CONTRARY, THE CREDIT AGREEMENT, INCLUDING SECTION 11.19 THEREOF, SHALL GOVERN AND CONTROL THE EXERCISE OF REMEDIES BY COLLATERAL AGENT.

### **Section 2.1 Guarantee.**

Each of the Guarantors irrevocably and unconditionally guarantees to the Secured Parties the due and punctual payment, and the due performance, whether at stated maturity, by acceleration or otherwise, of the Obligations. Each of the Guarantors agrees that the Obligations will be paid to the Collateral Agent and Secured Parties strictly in accordance with their terms and conditions.

### **Section 2.2 Indemnity.**

If any or all of the Obligations are not duly performed by the Borrower and are not performed by the Guarantors under Section 2.1 for any reason whatsoever, each of the Guarantors will, as a separate and distinct obligation, indemnify and save harmless the Collateral Agent and the Secured Parties from and against all losses resulting from the failure of the Borrower to duly perform such Obligations.

### **Section 2.3 Primary Obligation**

If any or all of the Obligations are not duly performed by the Borrower and are not performed by the Guarantors under Section 2.1 or the Collateral Agent and the Secured Parties are not indemnified under Section 2.2, in each case, for any reason whatsoever, such Obligations will, as a separate and distinct obligation, be performed by each Guarantor as primary obligor.

### **Section 2.4 Absolute Liability.**

Each of the Guarantors agrees that the liability of each of the Guarantors under Section 2.1 and Section 2.3 and, for greater certainty, under Section 2.2, is absolute and unconditional irrespective of:

- (a) the lack of validity or enforceability of any terms of any of the Loan Documents;
- (b) any contest by the Borrower or any other Person as to the amount of the Obligations, the validity or enforceability of any terms of the Loan Documents or the perfection or priority of any security granted to the Collateral Agent or the Secured Parties;
- (c) any defence, counter claim or right of set-off available to the Borrower;
- (d) any release, compounding or other variance of the liability of the Borrower or any other Person liable in any manner under or in respect

- (e) any change in the time or times for, or place or manner or terms of payment or performance of the Obligations or any consent, waiver, renewal, alteration, extension, compromise, arrangement, concession, release, discharge or other indulgences which the Secured Parties or the Collateral Agent may grant to the Borrower or any other Person;
- (f) any amendment or supplement to, or alteration or renewal of, or restatement, replacement, refinancing or modification or variation of (including any increase in the amounts available thereunder or the inclusion of an additional borrower thereunder), or other action or inaction under, the Credit Agreement, the other Loan Documents or any other related document or instrument, or the Obligations;
- (g) any discontinuance, termination, reduction, renewal, increase, abstention from renewing or other variation of any credit or credit facilities to, or the terms or conditions of any transaction with, the Borrower or any other Person;
- (h) any change in the ownership, control, name, objects, businesses, assets, capital structure or constitution of the Borrower, the Guarantors or any other Loan Party or any reorganization (whether by way of reconstruction, consolidation, amalgamation, merger, transfer, sale, lease or otherwise) of the Borrower, the Guarantors or any other Loan Party or their respective businesses;
- (i) any dealings with the security which the Secured Parties or the Collateral Agent hold or may hold pursuant to the terms and conditions of the Loan Documents, including the taking, giving up or exchange of securities, their variation or realization, the accepting of compositions and the granting of releases and discharges;
- (j) any limitation of status or power, disability, incapacity or other circumstance relating to the Borrower, the Guarantors, any other Loan Party or any other Person, including any bankruptcy, insolvency, reorganization, composition, adjustment, dissolution, liquidation, winding-up or other like proceeding involving or affecting the Borrower, the Guarantors, any other Loan Party or any other Person or any action taken with respect to this Guarantee by any trustee or receiver, or by any court, in any such proceeding, whether or not the Guarantors shall have notice or knowledge of any of the foregoing;

- (k) the assignment of all or any part of the benefits of this Guarantee;
- (l) any impossibility, impracticability, frustration of purpose, force majeure or illegality of any Loan Document, or the occurrence of any change in the laws, rules, regulations or ordinances of any jurisdiction or by any present or future action of (i) any Governmental Authority that amends, varies, reduces or otherwise affects, or purports to amend, vary, reduce or otherwise affect, any of the Obligations or the obligations of the Guarantors under this Guarantee, or (ii) any court order that amends, varies, reduces or otherwise affects any of the Obligations;
- (m) any taking or failure to take security, any loss of, or loss of value of, any security, or any invalidity, non-perfection or unenforceability of any security held by the Secured Parties or the Collateral Agent, or any exercise or enforcement of, or failure to exercise or enforce, security, or irregularity or defect in the manner or procedure by which the Collateral Agent and the Secured Parties realize on such security;
- (n) any application of any sums received to the Obligations, or any part thereof, and any change in such application; and
- (o) any other circumstances which might otherwise constitute a defence available to, or a discharge of, the Borrower, the Guarantors or any other Person in respect of the Obligations or this Guarantee.

### **ARTICLE 3 ENFORCEMENT**

#### **Section 3.1 Remedies.**

The Secured Parties and the Collateral Agent are not bound to exhaust their recourse against the Borrower or any other Person or realize on any security they may hold in respect of the Obligations before being entitled to (i) enforce payment and performance under this Guarantee, or (ii) pursue any other remedy against the Guarantors, or any of them, and each of the Guarantors renounces all benefits of discussion and division.

#### **Section 3.2 Amount of Obligations.**

Any account settled or stated by or between the Collateral Agent and any of the Loan Parties, or if any such account has not been settled or stated immediately before demand for payment under this Guarantee, any account stated by the Collateral Agent shall, in the absence of manifest mathematical error, be accepted by each of the Guarantors as conclusive evidence of the amount of the Obligations

which is due by such Loan Party to the Secured Parties and the Collateral Agent or remains unpaid by such Loan Party to the Secured Parties and the Collateral Agent.

**Section 3.3 Payment on Demand.**

Each of the Guarantors will pay and perform the Obligations and pay all other amounts payable by it to the Secured Parties or the Collateral Agent under this Guarantee, and the obligation to do so arises, immediately after demand for such payment or performance is made in writing to such Guarantor. The liabilities of each of the Guarantors bear interest from the date of such demand at the rate or rates of interest then applicable to the Obligations under and calculated in the manner provided in the Loan Documents (including any adjustment to give effect to the provisions of the *Interest Act* (Canada)).

**Section 3.4 Costs and Expenses.**

All Taxes and Other Taxes, charges, costs, and expenses (including legal fees courts, costs, receivers or agent's remuneration and notarial fees) including withholding taxes, relating to, resulting from, or otherwise connected with, this Guarantee, the execution, amendment and/or the enforcement of this Guarantee shall, for greater certainty, be for the account of the applicable Guarantor and shall be paid in accordance with Section 2.15 of the Credit Agreement.

**Section 3.5 Assignment and Postponement.**

- (1) All obligations, liabilities and indebtedness of the Borrower to the Guarantors, or any of them, of any nature whatsoever and all security therefor (the "**Intercorporate Indebtedness**") are assigned and transferred to the Collateral Agent as continuing and collateral security for the applicable Guarantor's obligations under this Guarantee and postponed to the payment in full of all Obligations. Until the occurrence of an Event of Default that is continuing, the Guarantors may receive payments in respect of the Intercorporate Indebtedness as permitted under the Credit Agreement. The Guarantors will not assign all or any part of the Intercorporate Indebtedness to any Person other than the Collateral Agent or the Secured Parties.
- (2) Upon the occurrence and during the continuation of an Event of Default, all Intercorporate Indebtedness will be held in trust for the Secured Parties and the Collateral Agent and will be collected, enforced or proved subject to, and for the purpose of, this Guarantee. In such event, any payments received by any Guarantor in respect of Intercorporate Indebtedness will be held in trust for the Secured Parties and the Collateral Agent and segregated from other funds and property held by such Guarantor and immediately paid to the Collateral Agent on account of the Obligations.
- (3) Intercorporate Indebtedness shall not be released or withdrawn by any Guarantor without the prior written consent of the Collateral Agent. Such

Guarantor will not allow a limitation period to expire on the Intercorporate Indebtedness or ask for or obtain any security or negotiable paper for, or other evidence of, the Intercorporate Indebtedness except for the purpose of delivering the same to the Collateral Agent.

- (4) In the event of any insolvency, bankruptcy or other proceeding involving the liquidation, arrangement, compromise, reorganization or other relief with respect to the Borrower or its debts, each of the Guarantors will, upon the request of the Collateral Agent, make and present a proof of claim or commence such other proceedings against the Borrower on account of the Intercorporate Indebtedness as may be reasonably necessary to establish such Guarantor's entitlement to payment of any Intercorporate Indebtedness. Such proof of claim or other proceeding must be made or commenced prior to the earlier of (i) the day which is 30 days after notice requesting such action is delivered by or on behalf of the Collateral Agent to such Guarantor and (ii) the day which is 10 days preceding the date when such proof of claim or other proceeding is required by applicable law to be made or commenced. Such proof of claim or other proceeding must be in form and substance acceptable to the Collateral Agent.
- (5) If any Guarantor fails to make and file such proof of claim or commence such other proceeding in accordance with this Section 3.5, the Collateral Agent is irrevocably authorized, empowered and directed and appointed the true and lawful attorney of such Guarantor (but is not obliged): (i) to make and present for and on behalf of such Guarantor proofs of claims or other such proceedings against the Borrower on account of the Intercorporate Indebtedness, (ii) to demand, sue for, receive and collect any and all dividends or other payments or disbursements made in respect of the Intercorporate Indebtedness in whatever form the same may be paid or issued and to apply the same on account of the Obligations, and (iii) to demand, sue for, collect and receive each such payment and distribution and give acquittance therefor and to file claims and take such other actions, in its own name or in the name of such Guarantor or otherwise, as the Collateral Agent may deem necessary or advisable to enforce its rights under this Guarantee.
- (6) Each of the Guarantors will execute all subordinations, postponements, assignments and other agreements as the Collateral Agent may reasonably request to more effectively subordinate and postpone the Intercorporate Indebtedness to the payment and performance of the Obligations.
- (7) The provisions of this Section 3.5 survive the termination of this Guarantee and remain in full force and effect until the Discharge of Term Loan Secured Obligations.

**Section 3.6 Suspension of Guarantor Rights.**

Prior to the occurrence of the Discharge of Term Loan Secured Obligations, no Guarantor will exercise any rights which it may at any time have by reason of the performance of any of its obligations under this Guarantee (i) to be indemnified by the Borrower, (ii) to claim contribution from any other guarantor of the debts, liabilities or obligations of the Borrower, or (iii) subject to Section 3.8, to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Secured Parties or the Collateral Agent under any of the Loan Documents.

**Section 3.7 No Prejudice to Secured Parties or Collateral Agent.**

The Secured Parties and the Collateral Agent are not prejudiced in any way in the right to enforce any provision of this Guarantee by any act or failure to act on the part of the Borrower, the Secured Parties or the Collateral Agent. The Collateral Agent and the Secured Parties may, at any time and from time to time, in such manner as any of them may determine is expedient, without any consent of, or notice to, the Guarantors and without impairing or releasing the obligations of the Guarantors (i) change the manner, place, time or terms of payment or performance of the Obligations, (ii) renew or alter the Obligations, (iii) amend, vary, modify, supplement or replace any Loan Document or any other related document or instrument, (iv) discontinue, reduce, renew, increase, abstain from renewing or otherwise vary any credit or credit facilities to, any transaction with, the Borrower or any other Person, (v) release, compound or vary the liability of the Borrower or any other Person liable in any manner under or in respect of the Obligations, (vi) take or abstain from taking securities or collateral from any other Person, or from perfecting securities or collateral of any other Person, (vii) exercise or enforce or refrain from exercising or enforcing any right or security against the Borrower, the Guarantors or any other Person, (viii) accept compromises or arrangement from any Person, (ix) apply any sums from time to time received to the Obligations, or any part thereof, and change any such application in whole or in part from time to time, (x) otherwise deal with, or waiver or modify their right to deal with, any Person and security. In their dealings with the Borrower, the Collateral Agent and the Secured Parties need not enquire into the authority or power of any Person purporting to act for or on behalf of the Borrower.

**Section 3.8 No Subrogation**

Each of the Guarantors irrevocably waives any claim, remedy or other right which it may now have or hereafter acquire against the Borrower that arises from the existence, payment, performance or enforcement of such Guarantor's obligations under this Guarantee, including any right of subrogation, reimbursement, exoneration, indemnification or any right to participate in any claim or remedy of the Secured Parties or the Collateral Agent against the Borrower or any collateral which the Secured Parties or the Collateral Agent now have or hereafter acquire,

whether or not such claim, remedy or other right is reduced to judgment or is liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, secured or unsecured, and whether or not such claim, remedy or other right arises in equity or under contract, statute or common law. Each of the Guarantors further agrees that the Borrower is an intended third party beneficiary of such Guarantor's waiver contained in this Section 3.8. If any amount is paid to any of the Guarantors in violation of this Section 3.8 and, at such time, the Secured Parties' and the Collateral Agent's claims against the Borrower in respect of the Obligations have not been paid in full, any amount paid to any of the Guarantors is deemed to have been paid to such Guarantor for the benefit of, and held in trust for, the Secured Parties and the Collateral Agent, and will immediately be paid to the Collateral Agent to be credited and applied to such Obligations. Each of the Guarantors acknowledges that it will receive direct and indirect benefits from the transactions contemplated by this Guarantee and that the waiver in this Section 3.8 is knowingly made in contemplation of such benefits.

**Section 3.9 No Set-off.**

To the fullest extent permitted by law, each of the Guarantors makes all payments under this Guarantee without regard to any defence, counter-claim or right of set-off available to it.

**Section 3.10 Successors of the Borrower.**

This Guarantee will not be revoked by any change in the constitution of any of the Borrower. This Guarantee and the Guarantor Security Documents extend to any person, firm or corporation acquiring, or from time to time carrying on, the business of any of the Borrower.

**Section 3.11 Continuing Guarantee and Continuing Obligations.**

The obligation of each of the Guarantors under Section 2.1 is a continuing guarantee, and the obligations of each of the Guarantors under Section 2.2 and Section 2.3 are continuing obligations. Each of Section 2.1, Section 2.2 and Section 2.3 extends to all present and future Obligations, applies to and secures the ultimate balance of the Obligations due or remaining due to the Collateral Agent and the Secured Parties and is binding as a continuing obligation of each of the Guarantors until the Collateral Agent and the Secured Parties release such Guarantor. This Guarantee will continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Obligations is rescinded or must otherwise be returned by the Secured Parties or the Collateral Agent upon the insolvency, bankruptcy or reorganization of the Borrower or otherwise, all as though the payment had not been made.

**Section 3.12 Supplemental Security.**

This Guarantee is in addition and without prejudice to and supplemental to all other guarantees, indemnities, obligations and security now held or which may hereafter be held by the Secured Parties or the Collateral Agent.

**Section 3.13 Security for Guarantee.**

Each of the Guarantors acknowledges that this Guarantee is intended to secure payment and performance of the Obligations and that the payment and performance of the Obligations and the other obligations of each of the Guarantors under this Guarantee are secured pursuant to the terms and provisions of the Guarantor Security Documents.

**Section 3.14 Right of Set-off.**

Upon the occurrence and during the continuance of any Event of Default, the Collateral Agent and each of the Secured Parties are authorized by each of the Guarantors at any time and from time to time and may, to the fullest extent permitted by law, set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by the Collateral Agent or the Secured Parties to or for the credit or the account of any of the Guarantors against any and all of the obligations of such Guarantor now or hereafter existing irrespective of whether or not (i) the Secured Parties or the Collateral Agent have made any demand under this Guarantee, or (ii) any of the obligations comprising the Obligations are contingent or unmatured. The rights of the Collateral Agent and the Secured Parties under this Section 3.14 are in addition and without prejudice to and supplemental to other rights and remedies which the Collateral Agent and the Secured Parties may have.

**Section 3.15 Interest Act (Canada).**

Each of the Guarantors acknowledges that certain of the rates of interest applicable to the Obligations may be computed on the basis of a year of 360 days or 365 days, as the case may be and paid for the actual number of days elapsed. For purposes of the *Interest Act* (Canada), whenever any interest is calculated using a rate based on a year of 360 days or 365 days, as the case may be, such rate determined pursuant to such calculation, when expressed as an annual rate is equivalent to (i) the applicable rate based on a year of 360 days or 365 days, as the case may be, (ii) multiplied by the actual number of days in the calendar year in which the period for such interest is payable (or compounded) ends, and (iii) divided by 360 or 365, as the case may be.

**Section 3.16 Taxes.**

The provisions of Sections 2.12 (with respect to Taxes) and 2.15 of the Credit Agreement are hereby incorporated, *mutatis mutandi*, and shall apply to this Guarantee, the Guarantors, the Lenders, the Collateral Agent and the Administrative Agent as if set forth herein.

**Section 3.17 Judgment Currency.**

- (1) If for the purposes of obtaining judgment in any court it is necessary to convert all or any part of the Obligations or any other amount due to a Secured Party or the Collateral Agent in respect of any Guarantor's obligations under this Guarantee in any currency (the "**Original Currency**") into another currency (the "**Other Currency**"), each of the Guarantors, to the fullest extent that it may effectively do so, agrees that the rate of exchange used shall be that at which, in accordance with normal banking procedures, the Secured Party or Collateral Agent, as the case may be, could purchase the Original Currency with the Other Currency on the Business Day preceding that on which final judgment is paid or satisfied.
- (2) The obligations of each of the Guarantors in respect of any sum due in the Original Currency from it to any Secured Party or the Collateral Agent shall, notwithstanding any judgment in any Other Currency, be discharged only to the extent that on the Business Day following receipt by such Secured Party or the Collateral Agent, as the case may be, of any sum adjudged to be so due in such Other Currency such Secured Party or Collateral Agent, as the case may be, may, in accordance with its normal banking procedures, purchase the Original Currency with such Other Currency. If the amount of the Original Currency so purchased is less than the sum originally due to the Secured Party in the Original Currency, each of the Guarantors agrees, as separate obligations and notwithstanding any such judgment, to indemnify the Secured Party or Collateral Agent, as the case may be, against such loss, and if the amount of the Original Currency so purchased exceeds the sum originally due to the Secured Party or Collateral Agent, as the case may be, in the Original Currency, the Secured Party or Collateral Agent, as the case may be, agrees to remit such excess to the applicable Guarantor.

**ARTICLE 4  
GENERAL**

**Section 4.1 Notices, etc.**

Any notice, direction or other communication (each a "**Notice**") given regarding the matters contemplated by this Guarantee must be in writing in accordance with the Credit Agreement.

**Section 4.2 No Merger, Survival of Representations and Warranties.**

The representations, warranties and covenants of each of the Guarantors in this Guarantee survive the execution and delivery of this Guarantee and each advance under the Credit Agreement. Notwithstanding any investigation made by or on behalf of the Collateral Agent or the Secured Parties, the representations, warranties and covenants in this Guarantee continue in full force and effect.

**Section 4.3 Further Assurances.**

- (1) Each of the Guarantors will do all acts and things and execute and deliver, or cause to be executed and delivered, all documents and instruments that the Collateral Agent may reasonably request to give full effect to this Guarantee and to perfect and preserve the rights and powers of the Collateral Agent and the Secured Parties under this Guarantee, including any acknowledgements and confirmations of this Guarantee and the Guarantor Security Documents.
- (2) Each of the Guarantors acknowledges and confirms that it has established its own adequate means of obtaining from the Borrower on a continuing basis all information desired by such Guarantor concerning the financial condition of the Borrower and that it will look to the Borrower and not to the Collateral Agent or the Secured Parties, in order to keep adequately informed of changes in the Borrower's financial condition.

**Section 4.4 Successors and Assigns.**

This Guarantee is binding upon each of the Guarantors, their respective successors and permitted assigns, and enures to the benefit of the Secured Parties, the Collateral Agent and their respective successors and assigns. This Guarantee may be assigned by the Collateral Agent without the consent of, or notice to, the Guarantors, to such Person as the Collateral Agent may determine and, in such event, such Person will be entitled to all of the rights and remedies of the Collateral Agent as set forth in this Guarantee or otherwise. In any action brought by an assignee to enforce any such right or remedy, no Guarantor will assert against the assignee any claim or defence which such Guarantor now has or may have against the Collateral Agent or any of the Secured Parties. No Guarantor may assign, transfer or delegate any of its rights or obligations under this Guarantee without the prior written consent of the Collateral Agent which may be unreasonably withheld.

**Section 4.5 Amendment.**

This Guarantee may only be amended, supplemented or otherwise modified by written agreement executed by the Collateral Agent and the Guarantors.

**Section 4.6 Waivers, etc.**

- (1) No consent or waiver by the Collateral Agent or the Secured Parties in respect of this Guarantee is binding unless made in writing and signed by an authorized officer of the Collateral Agent (with the consent of the Required Secured Parties). Any consent or waiver given under this Guarantee is effective only in the specific instance and for the specific purpose for which given. No waiver of any of the provisions of this Guarantee constitutes a waiver of any other provision.
- (2) A failure or delay on the part of the Collateral Agent or the Secured Parties in exercising a right under this Guarantee does not operate as a waiver of, or

impair, any right of the Collateral Agent or the Secured Parties however arising. A single or partial exercise of a right on the part of the Collateral Agent or the Secured Parties does not preclude any other or further exercise of that right or the exercise of any other right by the Collateral Agent or the Secured Parties.

**Section 4.7 Severability.**

If any court of competent jurisdiction from which no appeal exists or is taken, determines that any provision of this Guarantee is illegal, invalid or unenforceable, that provision will be severed from this Guarantee and the remaining provisions will remain in full force and effect.

**Section 4.8 Collateral Agent.**

By accepting the benefits of this Guarantee, the Secured Parties agree that this Guarantee may be enforced only by the action of the Collateral Agent and that no other Secured Party shall have any right individually to seek to enforce this Guarantee or to realize upon the security to be granted hereby, it being understood and agreed that such rights and remedies may be exercised by the Collateral Agent for the benefit of the Secured Parties upon the terms of the Credit Agreement.

**Section 4.9 Application of Proceeds.**

All monies collected by the Collateral Agent or any Secured Party under this Guarantee will be applied as provided in the Credit Agreement. To the extent any other Loan Document requires proceeds of collateral under such Loan Document to be applied in accordance with the provisions of this Guarantee, the Collateral Agent or holder under such other Loan Document shall apply such proceeds in accordance with this Section.

**Section 4.10 Governing Law.**

This Guarantee will be governed by, interpreted and enforced in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein.

8.3 If any securities, whether certificated or uncertificated, or other investment property or financial asset (as such term is defined in the Transfer Act) now or hereafter acquired by the Grantor are held by the Grantor or its nominee through a securities intermediary or commodity intermediary or other intermediary, the Grantor shall notify the Trustee thereof in writing and, at the request of the Trustee, deliver to the Trustee any and all such documents, agreements and other materials as may be required from time to time to provide the Trustee with control over all such Mortgaged Property in the manner provided under Section 113 of the Transfer Act.

8.4 The Grantor shall not cause or permit any person other than the Trustee and the Revolving Loan Collateral Agent (as such term is defined in the Intercreditor Agreement) to have control (as understood in the Transfer Act) of any of the securities forming part of the Mortgaged Property other than control (as understood in the Transfer Act) in favour of any depository bank or securities intermediary which has subordinated its encumbrance to the encumbrance of the Trustee pursuant to documentation in form and substance satisfactory to the Trustee.

8.5 Until the occurrence of an Event of Default which is continuing, the Grantor shall be entitled to exercise all rights attached to such securities, investment property and financial assets owned by it, including any right to vote and any right of conversion or redemption, provided such rights are not exercised in a manner which would impair the value of such securities.

Such rights of the Trustee shall survive and have effect notwithstanding the dissolution of the Grantor or the appointment of any trustee or receiver to its assets.

8.8 The Trustee may, upon the occurrence of an Event of Default which is continuing, transfer any Securities or any part thereof into its own name or that of a third party appointed by it so that, the Trustee or its nominee(s) may appear as the sole registered holder thereof, in which case:

- (a) All voting rights and any other right attached to such Securities may be exercised by the Trustee (without any obligation of the Trustee to do so) or on behalf of the Trustee.
- (b) The Trustee shall collect revenues, dividends and capital distributions and the Grantor shall cease to have any right thereto and the Trustee may either hold same as Mortgaged Property or apply them in reduction of the Obligations.
- (c) The Trustee may give the Grantor a proxy, revocable at any time, authorizing it to exercise, in whole or in part, all voting rights and any other rights attached to such Securities.

#### 9. EVENTS OF DEFAULT

The hypothecary rights hereby constituted shall become enforceable upon the occurrence of an Event of Default.

#### 10. EXERCISE OF HYPOTHECARY RIGHTS

10.1 Upon the occurrence of an Event of Default which is continuing, the Trustee may request, in accordance with what is provided by law, from the Grantor the voluntary surrender of the Mortgaged Property and the Grantor hereby undertakes to do so. To that end, the Grantor covenants not to oppose the measures initiated by the Trustee for the purpose of taking possession of the assets surrendered by the Grantor, but to facilitate the same. The Grantor shall also execute any deed or document which may be necessary or useful to evidence such surrender or to give it full effect. Notwithstanding the foregoing, the Grantor shall not be prevented from contesting before a court of competent jurisdiction the existence of an Event of Default and asserting

[*Novelis Term Hypothec*]

that, as a result, the Trustee does not have the right to avail itself of the rights and recourses contemplated in this Article 10.

10.2 The Trustee shall not be bound to exercise the same hypothecary rights against all of the Mortgaged Property. Whatever hypothecary rights the Trustee elects to exercise, the following provisions shall apply:

- (a) The Trustee shall have the right, at the expense of the Grantor and in order to conserve or realize upon the Mortgaged Property:

- (d) The Trustee may from time to time in the course of the exercise of its rights, renounce, with or without consideration, any right of the Grantor.
- (e) The Trustee shall not be bound to make the Mortgaged Property productive or to conserve the same.
- (f) Should the Trustee at any time abandon the exercise of its rights, hypothecary or otherwise, against the Mortgaged Property, the Trustee may elect, at its option, to return to the Grantor without any representation or warranty, any Mortgaged Property which the Grantor had surrendered to the Trustee, or the remainder thereof if any, the whole without prejudice to its other rights and recourses.
- (g) The Trustee shall be deemed to have acted in the best interest of the Grantor and its successors if the Trustee has acted in accordance with its standard methods of assessing and managing financial risks in the ordinary course of its business.

10.3 Where the Trustee exercises a right of taking in payment and the Grantor, inasmuch as it has the right to do so, requires that the Trustee sell

[*Novelis Term Hypothec*]

the Mortgaged Property upon which such recourse was exercised, the Grantor acknowledges that the Trustee shall not be bound to abandon the right of taking in payment unless the Trustee has obtained, before the end of the period allowed for surrender, (i) a satisfactory security guaranteeing that the sale will be made at a sufficiently high price to enable the Trustee's claim to be paid in full, (ii) the full reimbursement of all costs thus incurred by it, and (iii) an advance of the funds needed for the sale of the said properties.

10.4 If the Trustee itself sells any Mortgaged Property, it shall not be required to obtain any prior appraisal thereof.

10.5 The sale by the Trustee of any Mortgaged Property may be concluded by the Trustee without legal warranty or, at its option, without any warranty whatsoever.

10.6 The Trustee hereby irrevocably renounces to all rights or recourses of a hypothecary creditor including, the right to follow contemplated in Article 2700 of the Civil Code, with respect to any property which is Excluded Property and/or otherwise becomes Excluded Property during the term of this Deed.

#### 11. REDUCTION AND CANCELLATION

The Trustee may unilaterally at its entire discretion consent to the reduction or cancellation of the security hereby constituted. However, the Trustee shall not be bound to consent to any such reduction or cancellation unless and until it has received the full and final payment of all amounts hereby secured and there is no outstanding commitment on the part of any Secured Party to advance further sums or extend further credits to the Grantor.

If the Collateral Agent is authorized under the Credit Agreement to release, in whole or in part, the security hereby constituted, then the Trustee is authorized to release such security under this Deed.

Upon the Discharge of Term Loan Secured Obligations (as such term is defined in the Intercreditor Agreement), the Trustee shall grant an acquittance and consent to the reduction or cancellation of the hypothecary rights hereby constituted and, concurrently, shall return the Pledged Certificated Securities to the Grantor, together with all other relevant share transfer powers, endorsements or other documents in connection with the Pledged Certificated Securities.

12.3 Any notices, directions or other communications provided for in this Deed must be in writing and given in accordance with the Credit Agreement.

12.4 Subject to the provisions of the Credit Agreement, the Trustee may waive any covenant in its favour herein contained and any Event of Default and may also grant extensions, take and give up security, accept arrangements and otherwise deal with the Grantor or with any other party as the Trustee may see fit, the whole without prejudice to the Obligations or to any other right of the Trustee and of the Secured Parties. No failure or delay on the part of the Trustee in exercising any right hereunder shall operate as a waiver thereof nor shall any waiver be effective unless the same be in writing.

12.5 The Grantor shall be “en demeure” by the mere lapse of time, or may be put “en demeure” by any other method provided by law.

12.6 This hypothec is a continuous security which will subsist notwithstanding any fluctuation of the amounts hereby secured. The Grantor shall be deemed to obligate itself again as provided in Article 2797 of the Civil Code with respect to any future obligation hereby secured.

12.7 The Trustee shall have the right, at the expense of the Grantor, to perform all acts and things and to execute all documents as may be necessary to ensure that this hypothec remains effective and opposable to third parties, including the execution and filing of any document required for the renewal hereof.

12.8 If the term “Grantor” includes more than one person, each of them shall be jointly liable for the performance of the obligations herein stipulated.

12.9 Subject to the provisions of the Credit Agreement, any amount received by the Trustee in the exercise of its rights hereunder or under any law may, at its option, be retained by it as part of the Mortgaged Property, or may be applied by it towards the partial payment of the Obligations, as the Trustee shall alone determine notwithstanding the rules governing the application of payments.

12.10 The Trustee is not bound by any degree of care beyond a reasonable diligence in the exercise of its rights or in the performance of its duties, and it shall not be liable for any loss or damage resulting therefrom except as a result of its own intentional or gross fault.

12.12 The property or sums of money received or held by the Trustee by reason of these presents may be invested by the Trustee in such manner as it shall deem appropriate without regard to rules governing the administration of the property of others.

12.13 Neither the execution of this Deed nor the fact that the Trustee or the Secured Parties may have already granted any part of the credits the repayment of which are hereby secured, shall be deemed to oblige the Trustee or the Secured Parties either to keep such credits available or to grant further credits.

12.14 The Grantor shall continue to be bound by all the obligations expressed herein notwithstanding any transfer of the Mortgaged Property or any part thereof.

12.15 Except as may be otherwise apparent from the context, the word "Grantor" shall be interpreted as referring to the Grantor itself and to all subsequent owners of the Mortgaged Property as well as to any other person or persons having assumed the Grantor's liabilities to the Trustee.

12.16 Unless there is something in the context inconsistent therewith, words importing the singular shall include the plural and vice versa, and words importing the neuter gender shall include the masculine and feminine genders and vice versa.

12.17 IN THE EVENT OF A DIRECT CONFLICT BETWEEN THE TERMS AND PROVISIONS CONTAINED IN THIS DEED AND THE TERMS AND PROVISIONS CONTAINED IN THE CREDIT AGREEMENT, IT IS THE INTENTION OF THE PARTIES HERETO THAT SUCH TERMS AND PROVISIONS IN SUCH DOCUMENTS SHALL BE READ TOGETHER AND CONSTRUED, TO THE FULLEST EXTENT POSSIBLE, TO BE IN CONCERT WITH EACH OTHER. *Term Loan*

**Section 6 Effectiveness and Attachment.**

- (1) The Security is effective whether or not any monies or liabilities so secured are advanced or incurred before or after or at the same time as this Debenture is issued. The Security will remain effective until such time as this Debenture is discharged as provided in Section 20, irrespective of whether, at any prior time, there may have been no indebtedness, liabilities or obligations (direct, indirect, absolute, contingent or otherwise) of the Obligor to the Holder outstanding.
- (2) The Obligor acknowledges that (i) value has been given, (ii) it has rights in the Charged Premises (other than after-acquired Charged Premises), (iii) it has not agreed to postpone the time of attachment of the Security and (iv) it has received a copy of this Debenture.

**Section 7 Scope of Security.**

- (1) To the extent that an assignment of amounts payable and other proceeds arising under or in connection with, or the grant of a security interest in any agreement, lease, licence, permit or quota of the Obligor would constitute a default under or breach of or would result in the termination of such agreement, lease, licence, permit or quota (each, a "**Restricted Asset**"), the Security with respect to each Restricted Asset will constitute a trust created in favour of the Holder, pursuant to which the Obligor holds as trustee all proceeds arising under or in connection with the Restricted Asset in trust for the Holder, on the following basis:
  - (a) until the Security is enforceable, the Obligor is entitled to receive all such proceeds; and
  - (b) whenever the Security is enforceable, (i) all rights of the Obligor to receive such proceeds cease and all such proceeds will be immediately paid over to the Holder and (ii) the Obligor will take all actions requested by the Holder to collect and enforce payment and other rights arising under the Restricted Asset.
- (2) Upon the request of the Holder, the Obligor will use commercially reasonable efforts to obtain the consent of each other party to any and all Restricted Assets to the assignment of such Restricted Asset to the Holder in accordance with this Debenture. The Obligor will also use all commercially reasonable efforts to ensure that all agreements entered into on and after the date of this Debenture expressly permit assignments of the benefits of such agreements as collateral security to the Holder in accordance with the terms of this Debenture.

*Term Loan*

- (3) The Security does not extend to consumer goods at any time owned by or otherwise held by the Obligor.
- (4) The Security does not extend or apply to the last day of the term of any lease or sublease of real property or agreement for a lease or sublease of real property, now held or hereafter acquired by the Obligor, but the Obligor will stand possessed of any such last day upon trust to assign and dispose of it as the Holder may direct.

**Section 8 Protective Disbursements.**

If the Obligor fails to perform any of its covenants in this Debenture, then the Holder may, in its absolute discretion, perform any covenant capable of being performed by it and, if the covenant requires the payment or expenditure of money, the Holder may make the payment but is under no obligation to do so. All sums paid or expended by the Holder are immediately payable by the Obligor, bear interest at the rate set forth in this Debenture and are secured by this Debenture, having the benefit of the Security in priority to the indebtedness evidenced by this Debenture. No such performance or payment will relieve the Obligor from any default under this Debenture or the consequences of such default.

**Section 9 Covenants.**

The Obligor will not sell, assign, convey, exchange, lease, charge, mortgage, pledge, release or abandon or otherwise dispose of any Charged Premises or any interest therein except as permitted by the Holder in writing. The Obligor will not create or suffer to exist any Lien on the Charged Premises, except as permitted by the Holder in writing and shall discharge any such Lien which is not so permitted forthwith. The Obligor will immediately upon demand by the Holder, create and grant as and by way of a fixed and specific mortgage and charge to and in favour of the Holder, further security over any of the Charged Premises referred to in Section 5.

**Section 10 Enforcement.**

The Security becomes and is enforceable against the Obligor if and when the Obligor fails to repay the principal amount, interest and other amounts owing under this Debenture on demand or otherwise when the same become due and payable or if and when the Obligor breaches any other agreement or covenant it has given to the Holder (after the expiry of any applicable notice and/or cure periods given to the Obligor under such other agreement or covenant).

**Section 11 Remedies.**

Whenever the Security is enforceable, the Holder may realize upon the Charged Premises and enforce its rights by:

*Term Loan*

- (a) entry into possession of the Charged Premises by any method permitted by law;
- (b) sale, grant of options to purchase, or lease of all or any part of the Charged Premises;

- (e) pay any liability secured by any Lien against any Charged Premises (the Obligor will immediately on demand reimburse the Holder for all such payments);
- (f) carry on all or any part of the business of the Obligor and, to the exclusion of all others including the Obligor, enter upon, occupy and use all or any of the premises, buildings and other property of or used by the Obligor for such time as the Holder sees fit, free of charge, and the Holder is not liable to the Obligor for any act, omission or negligence in so doing or for any rent, charges, depreciation or damages incurred in connection with or resulting from such action;
- (g) borrow for the purpose of carrying on the business of the Obligor or for the maintenance, preservation or protection of the Charged Premises and mortgage, charge or grant a security interest in the Charged Premises, whether or not in priority to the Security, to secure repayment;
- (h) commence, continue or defend any judicial or administrative proceedings for the purpose of protecting, seizing, collecting, realizing or obtaining possession or payment of the Charged Premises, and give good and valid receipts and discharges and compromise or give time for the payment or performance of all or any part of any other obligation of any third party to the Obligor; and

In any such sale to the Holder, the Holder may, for the purpose of making payment for all or any part of the Charged Premises so purchased, use any claim for the principal, interest and other amounts owing under this Debenture then due and payable to it as a credit against the purchase price.

*Term Loan*

**Section 13 Exercise of Remedies.**

The remedies under Section 11 and Section 12 may be exercised from time to time separately or in combination and are in addition to, and not in substitution for, any other rights of the Holder however arising or created. The Holder is not bound to exercise any right or remedy and the exercise of any right or remedy is without prejudice to any other rights of the Holder including the right to claim for any deficiency. The taking of any action or proceeding or refraining from so doing, or any other dealings with any other security for the monies secured by this Debenture shall not release or affect the Security.

**Section 14 Receiver's Powers.**

- (1) Any receiver appointed by the Holder is vested with the rights and remedies which could have been exercised by the Holder in respect of the Obligor or the Charged Premises and such other powers and discretions as are granted in the instrument of appointment and any supplemental instruments. The identity of the receiver, any replacement and any remuneration are within the sole and unfettered discretion of the Holder.
- (2) Any receiver appointed by the Holder will act as agent for the Holder for the purposes of taking possession of the Charged Premises, but otherwise and for all other purposes (except as provided below), as agent for the Obligor. The Obligor agrees to ratify and confirm all actions of the receiver acting as agent for the Obligor, and to release and indemnify the receiver in respect of all such actions.
- (3) The Holder, in appointing or refraining from appointing any receiver, does not incur liability to the receiver, the Obligor or otherwise and is not responsible for any misconduct or negligence of such receiver.
- (4) All moneys from time to time received by the receiver may be applied as follows (i) first, in discharge of all operating expenses and other outgoings affecting the Charged Premises, (ii) second, in keeping in good standing all charges and liens on the Charged Premises having priority over the Security, (iii) third, in payment of the remuneration and disbursements of the receiver, (iv) fourth, in payment to the Holder of the moneys payable hereunder, and (v) the balance, if any, shall be paid to the Obligor or as a court of competent jurisdiction may otherwise direct.

**Section 15 Appointment of Attorney.**

The Obligor hereby irrevocably constitutes and appoints the Holder (and any officer of the Holder) the true and lawful attorney of the Obligor. As the attorney of

*Term Loan*

the Obligor, the Holder has the power, upon this Debenture becoming enforceable, to exercise for and in the name of the Obligor with full power of substitution, any of the Obligor's right (including the right of disposal), title and interest in and to the Charged Premises including the execution, endorsement, delivery and transfer of the Charged Premises to the Holder, its nominees or transferees, and upon this Debenture becoming enforceable, the Holder and its nominees or transferees are hereby empowered to exercise all rights and powers and to perform all acts of ownership with respect to the Charged Premises to the same extent as the Obligor might do. This power of attorney is irrevocable, is coupled with an interest, has been given for valuable consideration (the receipt and adequacy of which is acknowledged) and survives, and does not terminate upon, the bankruptcy, dissolution, winding up or insolvency of the Obligor. This power of attorney extends to and is binding upon the Obligor's successors and permitted assigns. The Obligor authorizes the Holder to delegate in writing to another Person any power and authority of the Holder under this power of attorney as may be necessary or desirable in the opinion of the Holder, and to revoke or suspend such delegation.

**Section 16 Dealing with the Charged Premises.**

- (1) The Holder is not obliged to exhaust its recourse against the Obligor or any other Person or against any other security it may hold before realizing upon or otherwise dealing with the Charged Premises in such manner as it may consider desirable.
- (2) The Holder may grant extensions or other indulgences, take and give up securities, accept compositions, grant releases and discharges and otherwise deal with the Obligor and with other Persons, sureties or securities as it may see fit without prejudice to the obligations and liability of the Obligor or the rights of the Holder in respect of the Charged Premises.
- (3) The Holder is not (i) liable or accountable for any failure to collect, realize or obtain payment in respect of the Charged Premises, (ii) bound to institute proceedings for the purpose of collecting, enforcing, realizing or obtaining payment of the Charged Premises or for the purpose of preserving any rights of any Persons in respect of the Charged Premises, (iii) responsible for any loss occasioned by any sale or other dealing with the Charged Premises or by the retention of or failure to sell or otherwise deal with the Charged Premises, or (iv) bound to protect the Charged Premises from depreciating in value or becoming worthless.
- (4) The Holder has no obligation to keep the Charged Premises in its possession identifiable.
- (5) The Holder may, after the Security is enforceable, (i) notify any Person obligated on an account or on chattel paper or any obligor on an instrument

*Term Loan*

to make payments to the Holder, whether or not the Obligor was previously making collections on such accounts, chattel paper, instruments, and (ii) assume control of any proceeds arising from the Charged Premises.

**Section 17 Standards of Sale.**

Without prejudice to the ability of the Holder to dispose of the Charged Premises in any manner which is commercially reasonable, the Obligor acknowledges that:

- (a) the Charged Premises may be disposed of in whole or in part;
- (b) the Charged Premises may be disposed of by public auction, public tender or private contract, with or without advertising and without any other formality;
- (c) any assignee of the Charged Premises may be a customer of the Holder;
- (d) any sale conducted by the Holder will be at such time and place, on such notice and in accordance with such procedures as the Holder, in its sole discretion, may deem advantageous;
- (e) the Charged Premises may be disposed of in any manner and on any terms necessary to avoid violation of applicable law (including compliance with such procedures as may restrict the number of prospective bidders and purchasers, require that the prospective bidders and purchasers have certain qualifications, and restrict the prospective bidders and purchasers to Persons who will represent and agree that they are purchasing for their own account for investment and not with a view to the distribution or resale of the Charged Premises) or in order to obtain any required approval of the disposition (or of the resulting purchase) by any governmental or regulatory authority or official;
- (f) a disposition of the Charged Premises may be on such terms and conditions as to credit or otherwise as the Holder, in its sole discretion, deems advantageous; and
- (g) the Holder may establish an upset or reserve bid or price in respect of the Charged Premises.

**Section 18 Dealings by Third Parties.**

*Term Loan*

which the Holder or its agent or a receiver is purporting to exercise have become exercisable, (iii) whether any money remains due upon the Security, (iv) the necessity or expediency of the stipulations and conditions subject to which any sale or lease is made, (v) the propriety or regularity of any sale or any other dealing by the Holder or its agent or a receiver with the Charged Premises, or (vi) how any money paid to the Holder has been applied. Any *bona fide* purchaser of all or any part of the Charged Premises from the Holder or any receiver or agent will hold the Charged Premises absolutely, free from any claim or right of whatever kind, including any equity of redemption, of the Obligor, which it specifically waives (to the fullest extent permitted by law) as against any such purchaser and all rights of redemption, stay or appraisal which the Obligor has or may have under any rule of law now existing or hereafter adopted.

**Section 19 No Right of Set-Off.**

The principal, interest and other amounts and liabilities secured by this Debenture will be paid by the Obligor when due without regard to any equities existing between the Obligor and any other party including the Holder and without regard to any right of set-off or cross-claim or of any other claim or demand of the Obligor against the Holder or otherwise.

**Section 20 Discharge.**

The Security will not be discharged except by a written release or discharge signed by the Holder. The Obligor will be entitled to require a discharge by notice to the Holder upon, but only upon, (i) full and indefeasible payment of all principal, interest and other amounts secured, (ii) performance of all obligations of the Obligor to the Holder and (iii) the Holder having no obligations to the Obligor. Upon discharge of the Security and at the request and expense of the Obligor, the Holder will execute and deliver to the Obligor such financing change statements and other documents or instruments as the Obligor may reasonably require to effect the discharge of the Security.

A failure or delay on the part of the Holder in exercising a right under this Debenture does not operate as a waiver of, or impair, any right of the Holder however arising. A single or partial exercise of a right on the part of the Holder does not preclude any other or further exercise of that right or the exercise of any other right by the Holder. The Holder of this Debenture is required to present and surrender this Debenture against payment.

#### **15.7 Additional security**

- (a) This Deed is in addition to and is not in any way prejudiced by any other security now or subsequently held by any Secured Party; and

#### **15.8 Delivery of documents**

To the extent the Chargor is required hereunder to deliver any deed, certificate, document of title or other document relating to the Security to the Collateral Agent for purposes of possession or control and is unable to do so as a result of having previously delivered such to the Term Loan Collateral Agent in accordance with the terms of the Term Loan Documents, the Chargor's obligations hereunder with respect to such delivery shall be deemed satisfied by the delivery to the Term Loan Collateral Agent.

Neither the Collateral Agent nor any Receiver will be liable, by reason of entering into possession of a Security Asset:

- (a) Subject to Clause 9.7(b) through Clause 9.7(f) below, the Collateral Agent shall not enforce the Security to the extent (i) the Security secures obligations of one of the Chargor's shareholders or of an affiliated company (*verbundenes Unternehmen*) of a shareholder within the meaning of Section 15 of the German Stock Corporation Act (*Aktiengesetz*) (other than a Subsidiary of the Chargor or the Chargor itself), and (ii) the enforcement of the Security for such obligations would reduce, in violation of Section 30 of the German Limited Liability Companies Act (*GmbHG*), the net assets (assets minus liabilities minus provisions and liability reserves (*Reinvermögen*), in each case as calculated in accordance with generally accepted accounting principles in Germany (*Grundsätze ordnungsmäßiger Buchführung*) as consistently applied by the Chargor in preparing its unconsolidated balance sheets (*Jahresabschluß gemäß § 42 GmbHG, ff 242, 264 HGB*) of the Chargor to an amount that is insufficient to maintain its registered share capital (*Stammkapital*) (or would increase an existing shortage in its net assets below its registered share capital); provided that for the purpose of determining the relevant registered share capital and the net assets, as the case may be:
  - (i) the amount of any increase of the Chargor's registered share capital (*Stammkapital*) implemented after the date of this Deed that is effected without the prior written consent of the Collateral Agent shall be deducted from the registered share capital of the Chargor;
  - (ii) any loans provided to the Chargor by a direct or indirect shareholder or an affiliate thereof (other than a Subsidiary of the Chargor) shall be disregarded and not accounted for as a liability to the extent that such loans are subordinated pursuant to Section 39(1) Nr. 1 through Nr. 5 of the German Insolvency Code (*Insolvenzordnung*) or subordinated in any other way by law or contract;

- (iii) any shareholder loans, other loans and contractual obligations and liabilities incurred by the Chargor in violation of the provisions of any of the Loan Documents shall be disregarded and not accounted for as liabilities;
  - (iv) any assets that are shown in the balance sheet with a book value that, in the opinion of the Collateral Agent, is significantly lower than their market value and that are not necessary for the business of the Chargor (*nicht betriebsnotwendig*) shall be accounted for with their market value; and
  - (v) the assets of the Chargor will be assessed at liquidation values (*Liquidationswerte*) if, at the time the managing directors prepare the balance sheet in accordance with paragraph (b) below and absent the demand a positive going concern prognosis (*positive Fortbestehensprognose*) cannot be established.
- (b) The limitations set out in Clause 9.7(a) only apply:
- (i) if and to the extent that the managing directors of the Chargor have confirmed in writing to the Collateral Agent within ten (10) Business Days of receipt of the Realisation Notice or the commencement of enforcement under this Deed the value of the Security which cannot be enforced without causing the net assets of the Chargor to fall below its registered share capital, or increase an existing shortage in net assets below its registered share capital (taking into account the adjustments set out above) and such confirmation is supported by a current balance sheet and other evidence satisfactory to the Collateral Agent and neither the Collateral Agent nor any of the Secured Parties raises any objections against that confirmation within five (5) Business Days after its receipt; or
  - (ii) if, within twenty (20) Business Days after an objection under paragraph 9(b)(ii) has been raised by the Collateral Agent or a Secured Party, the Collateral Agent receives a written audit report (**Auditor's Determination**) prepared at the expense of the Chargor by a firm of auditors of international standing and reputation that is appointed by the Chargor and reasonably acceptable to the Collateral Agent, to the extent such report identifies the amount by which the net assets of the Chargor are necessary to maintain its registered share capital as at the date of the Realisation Notice or the commencement of enforcement (taking into account the adjustments set out above). The Auditor's Determination shall be prepared in accordance with generally accepted accounting principles applicable in Germany (*Grundsätze ordnungsgemäßer Buchführung*) as consistently applied by the Chargor in the preparation of its most recent annual balance sheet. The Auditor's Determination shall be binding for all Parties except for manifest error.
- (c) In any event, the Collateral Agent, for and on behalf of the Secured Parties, shall be entitled to enforce the Security up to those amounts that are undisputed between them and the Chargor or determined in accordance with Clause 9.7(a) and Clause 9.7(b). In respect of the exceeding amounts, the Secured Parties shall be entitled to further pursue their claims (if any) and the Chargor shall be entitled to provide evidence that the excess amounts are necessary to maintain its registered share capital (calculated as at the date of the Realisation Notice or the commencement of enforcement and taking into account the adjustments set out above). The Secured Parties are entitled to pursue those parts of the

Security that are not enforced by operation of Clause 9.7(a) above at any subsequent point in time. This Clause shall apply again as of the time such additional enforcements are made.

- (d) Clause 9.7(a) shall not apply as to the amount of loans borrowed and passed on (whether by way of shareholder loan or equity contribution) to the Chargor or any of its Subsidiaries as long as the respective shareholder loan is outstanding or the respective equity contribution has not been dissolved or otherwise repaid but excluding, for the avoidance of doubt, any purchase price payment received by the Chargor under the Receivables Purchase Agreement.
- (e) The limitations provided for in Clause 9.7(a) above shall not apply where (i) the Chargor has a fully valuable (*vollwertig*) recourse claim (*Gegenleistungs- oder Rückgewähranspruch*) vis-à-vis the relevant shareholder or (ii) a domination agreement (*Beherrschungsvertrag*) or a profit and loss pooling agreement (*Gewinnabführungsvertrag*) is or will be in existence with the Chargor and the Chargor has a fully valuable (*vollwertig*) compensation claim (*Ausgleichsanspruch*).
- (f) Should it become legally permissible for managing directors of a German GmbH (*Gesellschaft mit beschränkter Haftung*, Limited Liability Company) to enter into guarantees in support of obligations of their shareholders without limitations, the limitations set forth in Clause 9.7(a) shall no longer apply. Should any such guarantees become subject to legal restrictions that are less stringent than the limitations set forth in Clause 9.7(a) above, such less stringent limitations shall apply. Otherwise, Clause 9.7(a) shall remain unaffected by changes in applicable law.

- (b) undertakes with each Secured Party that whenever another Loan Party does not pay or discharge any Secured Obligation now or in the future due, owing or incurred by that Loan Party, it shall immediately on the Collateral Agent's written demand pay or discharge such Secured Obligation as if it was the principal obligor; and

The amount of the cost, loss or liability shall be equal to the amount which the Collateral Agent or such other Secured Party would otherwise have been entitled to recover.

## **2.2 Continuing Guarantee**

This guarantee is a continuing guarantee and will extend to the ultimate balance of sums payable by any Loan Party under the Loan Documents, regardless of any intermediate payment or discharge in whole or in part.

## **2.3 Reinstatement**

If any payment by a Loan Party or any discharge given by the Collateral Agent or other Secured Party (whether in respect of the obligations of any Loan Party or any security for those obligations or otherwise) is avoided or reduced as a result of insolvency or any similar event:

- (a) the liability of each Chargor shall continue as if the payment, discharge, avoidance or reduction had not occurred; and
- (b) the Collateral Agent and each other Secured Party shall be entitled to recover the value or amount of that security or payment from each Chargor, as if the payment, discharge, avoidance or reduction had not occurred.

## **2.4 Waiver of defences**

The obligations of each Chargor under this Clause will not be affected by an act, omission, matter or thing which, but for this Clause, would reduce, release or prejudice any of its obligations under this Clause (without limitation and whether or not known to it or any Secured Party) including:

- (a) any time, waiver or consent granted to, or composition with, any Chargor or other person;

This waiver applies irrespective of any law or any provision of a Loan Document to the contrary.

## **2.8 Deferral of Chargors' rights**

- (a) Until all amounts which may be or become payable by the Loan Parties under or in connection with the Loan Documents have been irrevocably paid in full and unless the Collateral Agent otherwise directs (in which case it shall take such action as it is directed), no Chargor will exercise any rights which it may have by reason of performance by it of its obligations under the Loan Documents:
  - (i) to be indemnified by a Loan Party;
  - (ii) to claim any contribution from any other Chargor of any Loan Party's obligations under the Loan Documents; and/or
  - (iii) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of any Secured Party under the Loan Documents or of any other guarantee or security taken pursuant to, or in connection with, the Loan Documents by any Secured Party.
- (b) If a Chargor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Secured Parties by the Loan Parties under or in connection with the Loan Documents to be repaid in

full on trust for the Secured Parties and shall promptly pay or transfer the same to the Collateral Agent or as the Collateral Agent may direct.

## **2.9 Additional security**

This guarantee is in addition to and is not in any way prejudiced by any other guarantee or security now or subsequently held by any Secured Party.

## **2.10 Credit Agreement**

The provisions of Sections 2.06(f), 2.12 (with respect to Taxes), 2.15, 2.23 and 7.10 of the Credit Agreement are hereby incorporated, *mutatis mutandi*, and shall apply to this Deed, the Chargors, the Lenders, the Collateral Agent and the Administrative Agent as if set forth herein.

Subject to and in accordance with the terms and conditions of the Credit Agreements, the Assignor shall be authorized to use its bank accounts and any balance on its bank accounts freely without restriction for as long as no Event of Default has occurred and is continuing, except in the circumstances set forth in Section 2.6 below.
- 2.6** Upon an Activation Notice (as this term is defined in the Revolving Credit Agreement) being sent in accordance with Section 9.01 of the Revolving Credit Agreement, the Assignor shall not longer be authorized to use its bank accounts and the Collateral Agent shall be entitled to transfer any balance out of such bank accounts and apply such monies in accordance with Section 9.01 of the Revolving Credit Agreement.
- 2.7** In the event where any bank would refuse to countersign the Notice of Assignment to Banks listed in Schedule 5 and thereby would refuse to waive any first ranking security interest and/or any right of set-off such bank may have in relation to the Assigned Bank Accounts, the Assignor shall close the Assigned Bank Accounts and open new bank account(s) (not subject to such first ranking security interest or right of set-off) with one or more banking institutions,

which would then be assigned by way of security to the Collateral Agent as per the terms of this Agreement.

- 2.8** Within 5 Business Days from the Closing Date, the Assignor shall notify its respective Affiliates of the assignment by way of security of the Assigned Intercompany Receivables by delivering to such Affiliate a Notice of Assignment to Affiliates substantially in the form of Schedule 4. The Assignor shall simultaneously send a copy of any Notice of Assignment to Affiliates to the Collateral Agent.
- 2.9** Subject to and in accordance with the terms and conditions of the Credit Agreements, the Assignor shall be authorized to collect any Assigned Receivables for as long as no Event of Default has occurred and is continuing, and until such time as notified by the Collateral Agent, provided the proceeds of such Assigned Receivables are credited on the Assigned Bank Accounts.
- 2.10** With respect to any Assigned Intercompany Receivable and any Assigned Bank Account arising after the date hereof, the Assignor undertakes to:
  - 2.10.1** notify immediately the appropriate debtor of Assigned Intercompany Receivables or Assigned Bank Accounts by using the appropriate notification form; and
  - 2.10.2** transfer to the Collateral Agent all documents evidencing such Assigned Intercompany Receivables and Assigned Bank Accounts (whether incorporated in a title or not), including but not limited to any written agreement, acknowledgment of debt, certificate, intercompany note, exchange of letters, fax or e-mail).
- 2.11** With respect to any Assigned Receivable arising after the date hereof, the Assignor undertakes to:
  - 2.11.1** instruct the debtor of such Assigned Receivable to discharge its obligations in relation thereto exclusively on one of the Assigned Bank Accounts; and
  - 2.11.2** upon the reasonable request of the Collateral Agent in accordance with the Credit Agreements and upon giving appropriate prior notice, allow representatives of the Collateral Agent to inspect, during normal business hours, all documents evidencing such Assigned Receivable (whether incorporated in a title or not), including but not limited to any written agreement, acknowledgment of debt, certificate, intercompany note, exchange of letters, fax or e-mail.
- 2.12** Within 5 calendar days after the Collateral Agent has notified the Assignor that an Event of Default has occurred and is continuing, the Assignor shall notify its current and future debtors of Assigned Receivables of the Assignment by delivering to such debtors a Notice of

Assignment to Debtors substantially in the form of Schedule 6 but, where necessary or appropriate, in the respective language of the addressee. The Assignor shall simultaneously send a copy of any Notice of Assignment to Debtors to the Collateral Agent.

- 2.13 After the Collateral Agent has notified the Assignor that an Event of Default has occurred and is continuing, the Assignor shall co-operate with the Collateral Agent and use its best commercially reasonable endeavors in assisting the Collateral Agent in collecting the Assigned Receivables, Assigned Intercompany Receivables and Assigned Bank Accounts.
- 2.14 Before the Collateral Agent has notified the Assignor that an Event of Default has occurred and is continuing, the Assignor undertakes that the Assigned Receivables and the Assigned Intercompany Receivables be paid onto the Assigned Bank Accounts as set out in Schedule 1.
- 2.15 After the Collateral Agent has notified the Assignor that an Event of Default has occurred and is continuing, the Assigned Receivables, the Assigned Intercompany Receivables and the Assigned Bank Accounts shall be paid to the Collateral Agent or as directed by the Collateral Agent.

**3. UP-STREAM AND CROSS-STREAM SECURITIES: LIMITATION AND WITHHOLDING TAX**

- 3.1 If and to the extent (i) the obligations of the Assignor under this Agreement are for the exclusive benefit of the Affiliates of such Assignor (except for the (direct or indirect) Subsidiaries of such Assignor) and (ii) that complying with such obligations would constitute a repayment of capital (“*Kapitalrückzahlung*”) or the payment of a (constructive) dividend (“*Dividendenausschüttung*”), then the limitations set forth in Section 3 of the Term Loan Guarantee and the Revolving Guarantee entered into by the Assignor shall apply to any enforcement of the security interest created hereunder and the proceeds of such enforcement.

**4. RIGHTS AND OBLIGATIONS OF THE COLLATERAL AGENT**

- 4.1 Provided the Assignor has not complied with the obligations set out in Section 2.5 and 2.8 within the time limits set forth therein, the Collateral Agent shall be entitled, at any time on or after the sixth Business Day after the Closing Date, to notify or to request the Assignor to notify to the relevant debtor, the Assignment in respect of all or part of the Assigned Intercompany Receivables or the Assigned Bank Accounts:
  - 4.1.1 in the form of Schedule 4 to this Agreement with respect to Assigned Intercompany Receivables;
  - 4.1.2 in the form of Schedule 5 to this Agreement with respect to Assigned Bank Accounts.

- 4.2 The Collateral Agent shall be entitled to notify, or request the Assignor to notify, the Assignment in respect of all or part of the Assigned Bank Accounts and Assigned Intercompany Receivables to the relevant debtors following the receipt of up-dated Schedule 1 or Schedule 2 in accordance with Section 2.4.4.
- 4.3 The Collateral Agent has the right to request that the Assignor transfers to the Collateral Agent all documents evidencing the Assigned Receivables, the Assigned Intercompany Receivables and the Assigned Bank Accounts (whether incorporated in a title or not), including but not limited to any written agreement, acknowledgment of debt, certificate, intercompany note, exchange of letters, fax or e-mail).
- 4.4 After the Collateral Agent has notified the Assignor that an Event of Default has occurred and is continuing, the Collateral Agent shall be entitled to request immediately the Assignor to notify the debtors of the Assigned Receivables of the Assignment, and, if the Collateral Agent has not received evidence of such notification within five calendar days in accordance with Section 2.12, the Collateral Agent shall be entitled to notify on its own, the Assignment in respect of all or part of the Assigned Receivables to the relevant debtors by a Notice of Assignment to Debtors substantially in the form of Schedule 6 to this Agreement.
- 4.5 After the Collateral Agent has notified the Assignor that an Event of Default has occurred and is continuing or, with respect to the Assigned Receivables exclusively, 5 calendar days after such notification:
  - 4.5.1 the Collateral Agent shall be entitled, but not obligated, to collect any Assigned Receivable, any Assigned Intercompany Receivable and any Assigned Bank Account and to apply the amounts collected towards the discharge of the Secured Obligations in accordance with the Intercreditor Agreement;
  - 4.5.2 the Collateral Agent shall have the right to access the premises of the Assignor to the full extent necessary during ordinary business hours, at the sole discretion of the Collateral Agent, to ascertain the existence and particulars of the Assigned Receivables, the Assigned Intercompany Receivables and the Assigned Bank Accounts;
  - 4.5.3 the Collateral Agent shall be entitled, but not obligated, to undertake on its own initiative and cost any acts it deems appropriate to collect any overdue or bad claim under the Assigned Receivables, the Assigned Intercompany Receivables and the Assigned Bank Accounts and shall apply the amounts so collected towards the discharge of the Secured Obligations in accordance with the Intercreditor Agreement; and
  - 4.5.4 to the extent that collection of any Assigned Receivable, any Assigned Intercompany Receivable and/or any Assigned Bank Account is not possible or is deemed unduly

burdensome in the reasonable opinion of the Collateral Agent, the latter shall be entitled to sell such Assigned Receivables, Assigned Intercompany Receivables and/or Assigned Bank Accounts by private sale (*“Private Verwertung (Selbstverkauf)”*), without regard to the enforcement procedure provided for by the Swiss Federal Law on Debt Collection and Bankruptcy, and apply the proceeds (less all costs and expenses) of such sale towards the discharge of the Secured Obligations. The Collateral Agent shall apply such proceeds in accordance with the Intercreditor Agreement. The Collateral Agent shall discharge its rights under this Agreement with the same degree of care it would use in respect of its own property.

- 4.6 Upon repayment and discharge in full of the Secured Obligations, the Collateral Agent, at the costs of the Assignor, shall promptly, and in any event within 5 Business Days from the full discharge of the Secured Obligations, re-assign the remainder, if any, of the Assigned Receivables, Assigned Intercompany Receivables and/or Assigned Bank Accounts to the Assignor. Notwithstanding the above, if the Collateral Agent is authorized to release in whole or in part any assigned collateral under both the Term Loan Credit Agreement and the Revolving Credit Agreement, the Collateral Agent is authorized to release such collateral under this Agreement.

5. **REPRESENTATIONS AND WARRANTIES**

- 5.1 Without prejudice to the representations and warranties made under the Credit Agreements, the Assignor represents and warrants to the Collateral Agent that:
- 5.1.1 it is a company duly established, validly existing and registered under the laws of Switzerland, capable of suing and being sued in its own right and having the power and authority and all necessary governmental and other material consents, approvals, licenses and authorizations under any applicable jurisdiction to own its property and assets and to carry on its business as currently conducted;
- 5.1.2 as long as this Agreement remains in force, the Assigned Receivables, the Assigned Intercompany Receivables and the Assigned Bank Accounts are and will continue to be (and any Assigned Receivable, any Assigned Intercompany Receivable and any Assigned Bank Account coming into existence in the future will be) free and clear of any pledge, encumbrance or other third party interests, with the exception of any liens permitted under the Credit Agreements;
- 5.1.3 subject to the qualifications set out in the legal opinion of Borrowers’ Swiss counsel, this Agreement constitutes (i) its legal, valid and binding obligations enforceable against it pursuant to its terms and (ii) a valid and effective transfer of the Assigned Receivables, the

Assigned Intercompany Receivables and the Assigned Bank Accounts from Assignor to the Collateral Agent and the Secured Parties.

**6. FURTHER ASSURANCES OF THE ASSIGNOR**

The Assignor shall promptly do all things and execute all documents that are required by the Collateral Agent for the purpose of securing or perfecting the Assignment provided for in this Agreement.

**7. POWERS OF ATTORNEY**

The Assignor authorizes the Collateral Agent to be its attorney and in its name, on its behalf and as its act to execute, deliver and perfect all documents (including giving notifications and instructions to customers of the Assignor) and do all things that are necessary for carrying out any obligation imposed on the Assignor under this Agreement, provided that the Assignor does not carry out such obligation in due time in accordance with the terms of this Agreement, or exercising any of the rights conferred on the Collateral Agent by this Agreement or by law, in particular in connection with a private realization ("*Private Verwertung (Selbstverkauf)*") but in any case only after the Collateral Agent has notified the Assignor that an Event of Default has occurred and is continuing.

**8. ASSIGNMENTS AND TRANSFERS**

The rights and obligations of the Assignor under this Agreement may not be assigned or transferred without the prior written consent of the Collateral Agent. The assignment of the rights and obligations of the Collateral Agent under this Agreement shall be restricted to and made in accordance with Section 12 below. Nothing in this Agreement shall be construed as limiting the right of the Secured Parties to assign their rights and obligations under the Credit Agreements in accordance with the relevant provisions thereof.

**9. EFFECTIVENESS OF ASSIGNMENT**

- 9.1** The security constituted by the Assignments under this Agreement shall be cumulative, in addition to and independent of every other security which the Collateral Agent and/or Secured Parties may at any time hold for the Secured Obligations or any rights, powers and remedies provided by law.
- 9.2** No failure on the part of the Collateral Agent and/or Secured Parties to exercise, or delay on its part in exercising, any rights hereunder shall operate as waiver thereof, nor shall any single

or partial exercise of any rights hereunder preclude any further or other exercise of that or any other rights.

**9.3** The Collateral Agent and/or Secured Parties shall not be liable by reason of taking any action permitted by this Agreement.

**10. COSTS AND EXPENSES**

The Assignor shall bear all reasonable costs and expenses (including, without limitation, legal fees, stamp duties or other duties) incurred in connection with the execution, perfection or implementation of the Assignment hereby constituted or the exercise of any rights hereunder and the Assignor shall reimburse and indemnify the Collateral Agent for any such costs or expenses reasonably incurred by it.

In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of the Credit Agreements shall control and govern.
2. **GUARANTEE**
- 2.1 In accordance with Article 111 of the Swiss Code of Obligations, the Guarantor, acting as primary and independent obligor **and not** merely as a surety ("*Bürge*") ("*Caution*") within the meaning of Articles 492 ss. of the Swiss Code of Obligations), hereby unconditionally (subject to Section 3 below) and absolutely guarantees, on a first demand basis, the prompt and complete payment and performance by the Loan Parties of the Guaranteed Obligations.

**2.15** After the Collateral Agent has notified the Assignor that an Event of Default has occurred and is continuing, the Assigned Receivables, the Assigned Intercompany Receivables and the Assigned Bank Accounts shall be paid to the Collateral Agent or as directed by the Collateral Agent.

**3. UP-STREAM AND CROSS-STREAM SECURITIES: LIMITATION AND WITHHOLDING TAX**

**3.1** If and to the extent (i) the obligations of the Assignor under this Agreement are for the exclusive benefit of the Affiliates of such Assignor (except for the (direct or indirect) Subsidiaries of such Assignor) and (ii) that complying with such obligations would constitute a repayment of capital ("*Kapitalrückzahlung*") or the payment of a (constructive) dividend ("*Dividendenausschüttung*"), then the limitations set forth in Section 3 of the Term Loan Guarantee and the Revolving Guarantee entered into by the Assignor shall apply to any enforcement of the security interest created hereunder and the proceeds of such enforcement.

**4. RIGHTS AND OBLIGATIONS OF THE COLLATERAL AGENT**

**4.1** Provided the Assignor has not complied with the obligations set out in Section 2.5 and 2.8 within the time limits set forth therein, the Collateral Agent shall be entitled, at any time on or after the sixth Business Day after the Closing Date, to notify or to request the Assignor to notify to the relevant debtor, the Assignment in respect of all or part of the Assigned Intercompany Receivables or the Assigned Bank Accounts:

**4.1.1** in the form of Schedule 4 to this Agreement with respect to Assigned Intercompany Receivables;

**4.1.2** in the form of Schedule 5 to this Agreement with respect to Assigned Bank Accounts.

**4.2** The Collateral Agent shall be entitled to notify, or request the Assignor to notify, the Assignment in respect of all or part of the Assigned Bank Accounts and Assigned Intercompany Receivables to the relevant debtors following the receipt of up-dated Schedule 1 or Schedule 2 in accordance with Section 2.4.4.

**4.3** The Collateral Agent has the right to request that the Assignor transfers to the Collateral Agent all documents evidencing the Assigned Receivables, the Assigned Intercompany Receivables and the Assigned Bank Accounts (whether incorporated in a title or not), including but not limited to any written agreement, acknowledgment of debt, certificate, intercompany note, exchange of letters, fax or e-mail).

- 4.4 After the Collateral Agent has notified the Assignor that an Event of Default has occurred and is continuing, the Collateral Agent shall be entitled to request immediately the Assignor to notify the debtors of the Assigned Receivables of the Assignment, and, if the Collateral Agent has not received evidence of such notification within five calendar days in accordance with Section 2.12, the Collateral Agent shall be entitled to notify on its own, the Assignment in respect of all or part of the Assigned Receivables to the relevant debtors by a Notice of Assignment to Debtors substantially in the form of Schedule 6 to this Agreement.
- 4.5 After the Collateral Agent has notified the Assignor that an Event of Default has occurred and is continuing or, with respect to the Assigned Receivables exclusively, 5 calendar days after such notification:
- 4.5.1 the Collateral Agent shall be entitled, but not obligated, to collect any Assigned Receivable, any Assigned Intercompany Receivable and any Assigned Bank Account and to apply the amounts collected towards the discharge of the Secured Obligations in accordance with the Intercreditor Agreement;
- 4.5.2 the Collateral Agent shall have the right to access the premises of the Assignor to the full extent necessary during ordinary business hours, at the sole discretion of the Collateral Agent, to ascertain the existence and particulars of the Assigned Receivables, the Assigned Intercompany Receivables and the Assigned Bank Accounts;
- 4.5.3 the Collateral Agent shall be entitled, but not obligated, to undertake on its own initiative and cost any acts it deems appropriate to collect any overdue or bad claim under the Assigned Receivables, the Assigned Intercompany Receivables and the Assigned Bank Accounts and shall apply the amounts so collected towards the discharge of the Secured Obligations in accordance with the Intercreditor Agreement; and
- 4.5.4 to the extent that collection of any Assigned Receivable, any Assigned Intercompany Receivable and/or any Assigned Bank Account is not possible or is deemed unduly burdensome in the reasonable opinion of the Collateral Agent, the latter shall be entitled to sell such Assigned Receivables, Assigned Intercompany Receivables and/or Assigned Bank Accounts by private sale ("*Private Verwertung (Selbstverkauf)*"), without regard to the enforcement procedure provided for by the Swiss Federal Law on Debt Collection and Bankruptcy, and apply the proceeds (less all costs and expenses) of such sale towards the discharge of the Secured Obligations. The Collateral Agent shall apply such proceeds in accordance with the Intercreditor Agreement. The Collateral Agent shall discharge its rights under this Agreement with the same degree of care it would use in respect of its own property.

4.6 Upon repayment and discharge in full of the Secured Obligations, the Collateral Agent, at the costs of the Assignor, shall promptly, and in any event within 5 Business Days from the full discharge of the Secured Obligations, re-assign the remainder, if any, of the Assigned Receivables, Assigned Intercompany Receivables and/or Assigned Bank Accounts to the Assignor. Notwithstanding the above, if the Collateral Agent is authorized to release in whole or in part any assigned collateral under both the Term Loan Credit Agreement and the Revolving Credit Agreement, the Collateral Agent is authorized to release such collateral under this Agreement.

5. **REPRESENTATIONS AND WARRANTIES**

5.1 Without prejudice to the representations and warranties made under the Credit Agreements, the Assignor represents and warrants to the Collateral Agent that:

5.1.1 it is a company duly established, validly existing and registered under the laws of Switzerland, capable of suing and being sued in its own right and having the power and authority and all necessary governmental and other material consents, approvals, licenses and authorizations under any applicable jurisdiction to own its property and assets and to carry on its business as currently conducted;

5.1.2 as long as this Agreement remains in force, the Assigned Receivables, the Assigned Intercompany Receivables and the Assigned Bank Accounts are and will continue to be (and any Assigned Receivable, any Assigned Intercompany Receivable and any Assigned Bank Account coming into existence in the future will be) free and clear of any pledge, encumbrance or other third party interests, with the exception of any liens permitted under the Credit Agreements;

5.1.3 subject to the qualifications set out in the legal opinion of Borrowers' Swiss counsel, this Agreement constitutes (i) its legal, valid and binding obligations enforceable against it pursuant to its terms and (ii) a valid and effective transfer of the Assigned Receivables, the Assigned Intercompany Receivables and the Assigned Bank Accounts from Assignor to the Collateral Agent and the Secured Parties.

6. **FURTHER ASSURANCES OF THE ASSIGNOR**

The Assignor shall promptly do all things and execute all documents that are required by the Collateral Agent for the purpose of securing or perfecting the Assignment provided for in this Agreement.

**7. POWERS OF ATTORNEY**

**8. ASSIGNMENTS AND TRANSFERS**

The rights and obligations of the Assignor under this Agreement may not be assigned or transferred without the prior written consent of the Collateral Agent. The assignment of the rights and obligations of the Collateral Agent under this Agreement shall be restricted to and made in accordance with Section 12 below. Nothing in this Agreement shall be construed as limiting the right of the Secured Parties to assign their rights and obligations under the Credit Agreements in accordance with the relevant provisions thereof.

**9. EFFECTIVENESS OF ASSIGNMENT**

- 9.1** The security constituted by the Assignments under this Agreement shall be cumulative, in addition to and independent of every other security which the Collateral Agent and/or Secured Parties may at any time hold for the Secured Obligations or any rights, powers and remedies provided by law.
- 9.2** No failure on the part of the Collateral Agent and/or Secured Parties to exercise, or delay on its part in exercising, any rights hereunder shall operate as waiver thereof, nor shall any single or partial exercise of any rights hereunder preclude any further or other exercise of that or any other rights.
- 9.3** The Collateral Agent and/or Secured Parties shall not be liable by reason of taking any action permitted by this Agreement.

**10. COSTS AND EXPENSES**

The Assignor shall bear all reasonable costs and expenses (including, without limitation, legal fees, stamp duties or other duties) incurred in connection with the execution, perfection or implementation of the Assignment hereby constituted or the exercise of any rights hereunder and the Assignor shall reimburse and indemnify the Collateral Agent for any such costs or expenses reasonably incurred by it.

**4. RIGHTS AND OBLIGATIONS OF THE PLEDGEE**

- 4.1** Save as otherwise agreed hereunder, the Collateral Agent shall keep the Pledged Assets in its possession for itself and in the name of and on behalf of the Secured Parties. - 5.1.3 acquire from the Pledgor all or part of the Pledged Assets for cash consideration equal to the fair market value of the Pledged Assets, such fair market value to be computed by an independent expert using a valuation methodology generally recognized as standard market practice in the field of corporate finance (i.e. discounted cash flow method and variations thereof), it being understood that the Collateral Agent will be entitled to set off the proceeds of such acquisition against the Secured Obligations.

The Pledgor expressly confirms its agreement with the remedy granted to the Collateral Agent under Section 5.1.3. The Pledgor acknowledges that the price at which all or part of the Pledged Assets may be purchased by the Collateral Agent pursuant to Section 5.1.3 will be based on the value of the Company as computed by an independent expert using a valuation methodology, which is known to the Pledgor and considered by it to be fair and which is customarily used at that time to establish the value of businesses in that industry. The Pledgor recognizes that should the Collateral Agent decide to pursue the remedy granted under Section 5.1.3, their interests as Pledgor and debtor would be protected in an appropriate manner. If the parties cannot agree on the person or entity acting as independent expert in accordance with this Section 5.1.3, the independent expert shall be an experienced international accounting firm appointed by the President of the Zurich Chamber of Commerce.

A realization of the Pledged Assets pursuant to Section 5.1.1 or Section 5.1.3 shall only be permitted after having given the Pledgor five (5) Business Days prior notice thereof.

The Collateral Agent shall exercise its remedies under this provision and its rights under this Agreement respectively with the same degree of care as it would use in respect of its own property.

- 5.2 After the sale or disposal of the Pledged Assets, the Collateral Agent shall account for the sale in accordance with the provisions of the Intercreditor Agreement and provided that there has been a Discharge of the Senior Lien Secured Obligations, any surplus of the sale or disposal shall be returned promptly, and in any event within 5 Business Days

of the Discharge of the Senior Lien Secured Obligations, to the Pledgor, together with interest thereon at a rate of 5% computed as from the date of such sale or disposal.

**5.3** The Collateral Agent shall allocate the proceeds collected pursuant to Section 5.1 and 5.2 towards discharging the Secured Obligations in accordance with the Intercreditor Agreement.

**6. RELEASE OF THE PLEDGED ASSETS**

**6.1** Upon the date of the Discharge of Senior Lien Secured Obligations, the Pledged Assets or any remainder thereof shall be released promptly, and in any event within 5 Business Days from such date, to the Pledgor or such other party as designated by the Pledgor. The Pledged Assets shall be delivered or remitted to the Pledgor free and clear of this Agreement and any and all liens created hereby.

**6.2** Any Pledged Assets to be released to the Pledgor (or to any third party designated by the Pledgor) shall be delivered, net of any transfer taxes or other expenses in connection with such return or release. The Collateral Agent shall not be deemed to have made any representation or warranty with respect to any Pledged Assets so released, except that such Pledged Assets are free and clear, on the date of the release, of any and all liens, charges and encumbrances arising from the Collateral Agent's acts (acting for itself, in the name of, on behalf of and for the benefit of the Secured Parties).

**6.3** If the Collateral Agent is authorized to release in whole or in part any of the Pledged Assets under both of the Term Loan Agreement and the Revolving Credit Agreement, the Collateral Agent is authorized to release such Pledged Assets under this Agreement.

**7. REPRESENTATIONS AND WARRANTIES**

**7.1** Without prejudice to the representations and warranties made under the Credit Agreements, the Pledgor represents and warrants to the Collateral Agent that:

  - 2.4.1 except for liens permitted under the Credit Agreements, the Assignor shall refrain from granting any pledge, encumbrance or other third party rights affecting the Assigned Bank Accounts and shall refrain from any other act or omission that would adversely affect the Collateral Agent's and Secured Parties' rights under this Agreement or, except as permitted under the Credit Agreements, any amounts that are or will become due under any of the Assigned Bank Accounts;
  - 2.4.2 without the prior written consent of the Collateral Agent, the Assignor shall not enter into any kind of arrangement that would provide for the non-assignability of any of the Assigned Bank Accounts or subject the assignability to the consent of a party other than the Collateral Agent;

- 2.4.3** except as permitted by the Credit Agreements, the Assignor shall not enter into any arrangement by which the Assigned Bank Accounts would be assigned to a party other than the Collateral Agent and/or Secured Parties;
- 2.4.4** the Assignor shall deliver to the Collateral Agent within 10 Business Days following the end of each calendar quarter (the first time 10 Business Days following December 31, 2010 ), a list of all its Assigned Bank Accounts outstanding as of the end of the relevant calendar quarter and assigned substantially in the same form as set forth in Schedule 1 as appropriate;

- 2.10** After the Collateral Agent has notified the Assignor that an Event of Default has occurred and is continuing, the Assigned Bank Accounts shall be paid to the Collateral Agent or as directed by the Collateral Agent.
- 3. UP-STREAM AND CROSS-STREAM SECURITIES: LIMITATION**
- 3.1** Subject to Clause 3.2 through Clause 3.6 below, the Collateral Agent shall not enforce the collateral granted under this Agreement (the “**Collateral**”) to the extent (i) the Collateral secures obligations of one of the Assignor’s shareholders or of an affiliated company (*verbundenes Unternehmen*) of a shareholder within the meaning of Section 15 of the German Stock Corporation Act (*Aktiengesetz*) (other than a Subsidiary of the Assignor or the Assignor itself), and (ii) the enforcement of the Collateral for such obligations would reduce, in violation of Section 30 of the German Limited Liability Companies Act (*GmbHG*), the net assets (assets minus liabilities minus provisions and liability reserves (*Reinvermögen*), in each case as calculated in accordance with generally accepted accounting principles in Germany (*Grundsätze ordnungsmäßiger Buchführung*) as consistently applied by the Assignor in preparing its unconsolidated balance sheets (*Jahresabschluß gemäß § 42 GmbHG, ff 242, 264 HGB*)) of the Assignor to an amount that is insufficient to maintain its registered share capital (*Stammkapital*) (or would increase an existing shortage in its net assets below its registered share capital); provided that for the purpose of determining the relevant registered share capital and the net assets, as the case may be:
- 3.1.1** the amount of any increase of the Assignor’s registered share capital (*Stammkapital*) implemented after the date of this Agreement that is effected without the prior written consent of the Collateral Agent shall be deducted from the registered share capital of the Assignor;
- 3.1.2** any loans provided to the Assignor by a direct or indirect shareholder or an affiliate thereof (other than a Subsidiary of the Assignor) shall be disregarded and not accounted for as a

liability to the extent that such loans are subordinated pursuant to Section 39(1) Nr. 1 through Nr. 5 of the German Insolvency Code (*Insolvenzordnung*) or subordinated in any other way by law or contract;

- 3.1.3 any shareholder loans, other loans and contractual obligations and liabilities incurred by the Assignor in violation of the provisions of any of the Loan Documents shall be disregarded and not accounted for as liabilities;
  - 3.1.4 any assets that are shown in the balance sheet with a book value that, in the opinion of the Collateral Agent, is significantly lower than their market value and that are not necessary for the business of the Assignor (*nicht betriebsnotwendig*) shall be accounted for with their market value; and
  - 3.1.5 the assets of the Assignor will be assessed at liquidation values (*Liquidationswerte*) if, at the time the managing directors prepare the balance sheet in accordance with paragraph (b) below and absent the demand a positive going concern prognosis (*positive Fortbestehensprognose*) cannot be established.
- 3.2 The limitations set out in Clause 3.1 only apply:
- 3.2.1 if and to the extent that the managing directors of the Assignor have confirmed in writing to the Collateral Agent within ten (10) Business Days of receipt of the request to realize the Collateral or the commencement of enforcement under this Agreement the value of the Collateral which cannot be enforced without causing the net assets of the Assignor to fall below its registered share capital, or increase an existing shortage in net assets below its registered share capital (taking into account the adjustments set out above) and such confirmation is supported by a current balance sheet and other evidence satisfactory to the Collateral Agent and neither the Collateral Agent nor any of the Secured Parties raises any objections against that confirmation within five (5) Business Days after its receipt; or
  - 3.2.2 if, within twenty (20) Business Days after an objection under paragraph (A) has been raised by the Collateral Agent or a Secured Party, the Collateral Agent receives a written audit report (“**Auditor’s Determination**”) prepared at the expense of the Assignor by a firm of auditors of international standing and reputation that is appointed by the Assignor and reasonably acceptable to the Collateral Agent, to the extent such report identifies the amount by which the net assets of the Assignor are necessary to maintain its registered share capital as at the date of the Realization Notice or the commencement of enforcement (taking into account the adjustments set out above). The Auditor’s Determination shall be prepared in accordance with generally accepted accounting principles applicable in Germany (*Grundsätze ordnungsgemäßer Buchführung*) as consistently applied by the Assignor in the preparation of

its most recent annual balance sheet. The Auditor's Determination shall be binding for all Parties except for manifest error.

- 3.3** In any event, the Collateral Agent, for and on behalf of the Secured Parties, shall be entitled to enforce the Collateral up to those amounts that are undisputed between them and the Assignor or determined in accordance with Clause 3.1 and Clause 3.2. In respect of the exceeding amounts, the Collateral Agent shall be entitled to further pursue the Secured Parties' claims (if any) and the Assignor shall be entitled to provide evidence that the excess amounts are necessary to maintain its registered share capital (calculated as at the date of the receipt of the request to realize the Collateral or the commencement of enforcement and taking into account the adjustments set out above). The Collateral Agent is entitled to pursue those parts of the Collateral that are not enforced by operation of Clause 3.1 above at any subsequent point in time. This Clause 3 shall apply again as of the time such additional enforcements are made.
- 3.4** Clause 3.1 shall not apply as to the amount of Loans borrowed and passed on (whether by way of shareholder loan or equity contribution) to the Assignor or any of its Subsidiaries as long as the respective shareholder loan is outstanding or the respective equity contribution has not been dissolved or otherwise repaid, but excluding, for the avoidance of doubt, any purchase price payment received by the Assignor under the Receivables Purchase Agreement.
- 3.5** The limitations provided for in Clause 3.1 above shall not apply where (i) the Assignor has a fully valuable (*vollwertig*) recourse claim (*Gegenleistungs- oder Rückgewähranspruch*) vis-à-vis the relevant shareholder or (ii) a domination agreement (*Beherrschungsvertrag*) or a profit and loss pooling agreement (*Gewinnabführungsvertrag*) is or will be in existence with the Assignor and the Assignor has a fully valuable (*vollwertig*) compensation claim (*Ausgleichsanspruch*).
- 3.6** Should it become legally permissible for managing directors of a German GmbH (*Gesellschaft mit beschränkter Haftung*, Limited Liability Company) to enter into guarantees in support of obligations of their shareholders without limitations, the limitations set forth in Clause 3.1 shall no longer apply. Should any such guarantees become subject to legal restrictions that are less stringent than the limitations set forth in Clause 3.1 above, such less stringent limitations shall apply. Otherwise, Clause 3.1 shall remain unaffected by changes in applicable law.

**4. RIGHTS AND OBLIGATIONS OF THE COLLATERAL AGENT**

- 4.1** Provided the Assignor has not complied with the obligations set out in Section 2.5 and 2.8 within the time limits set forth therein, the Collateral Agent shall be entitled, at any time on or after the sixth Business Day after the Closing Date, to notify or to request the Assignor to

notify to the relevant debtor, the Assignment in respect of all or part of the Assigned Bank Accounts in the form of Schedule 2 to this Agreement;

- 4.2** The Collateral Agent shall be entitled to notify, or request the Assignor to notify, the Assignment in respect of all or part of the Assigned Bank Accounts to the relevant debtors following the receipt of up-dated Schedule 1 in accordance with Section 2.4.4.
- 4.3** After the Collateral Agent has notified the Assignor that an Event of Default has occurred and is continuing:
- 4.3.1** the Collateral Agent shall be entitled, but not obligated, to collect any Assigned Bank Account and to apply the amounts collected towards the discharge of the Secured Obligations in accordance with the Intercreditor Agreement;
- 4.3.2** the Collateral Agent shall have the right to access the premises of the Assignor to the full extent necessary during ordinary business hours, at the sole discretion of the Collateral Agent, to ascertain the existence and particulars of the Assigned Bank Accounts;
- 4.3.3** the Collateral Agent shall be entitled, but not obligated, to undertake on its own initiative and cost any acts it deems appropriate to collect any overdue or bad claim under the Assigned Bank Accounts and shall apply the amounts so collected towards the discharge of the Secured Obligations in accordance with the Intercreditor Agreement; and
- 4.3.4** to the extent that collection of any Assigned Bank Account is not possible or is deemed unduly burdensome in the reasonable opinion of the Collateral Agent, the latter shall be entitled to sell such Assigned Bank Accounts by private sale ("*Private Verwertung (Selbstverkauf)*"), without regard to the enforcement procedure provided for by the Swiss Federal Law on Debt Collection and Bankruptcy, and apply the proceeds (less all costs and expenses) of such sale towards the discharge of the Secured Obligations. The Collateral Agent shall apply such proceeds in accordance with the Intercreditor Agreement. The Collateral Agent shall discharge its rights under this Agreement with the same degree of care it would use in respect of its own property.
- 4.4** Upon repayment and discharge in full of the Secured Obligations, the Collateral Agent, at the costs of the Assignor, shall promptly, and in any event within 5 Business Days from the full discharge of the Secured Obligations, re-assign the remainder, if any, of the Assigned Bank Accounts to the Assignor. Notwithstanding the above, if the Collateral Agent is authorized to release in whole or in part any assigned collateral under both the Term Loan Credit Agreement and the Revolving Credit Agreement, the Collateral Agent is authorized to release such collateral under this Agreement.

**5. REPRESENTATIONS AND WARRANTIES**

- 5.1** Without prejudice to the representations and warranties made under the Credit Agreements, the Assignor represents and warrants to the Collateral Agent that:

- 4.5.1** the Collateral Agent shall be entitled, but not obligated, to collect any Assigned Receivable, any Assigned Intercompany Receivable and any Assigned Bank Account and to apply the amounts collected towards the discharge of the Secured Obligations in accordance with the Intercreditor Agreement;
- 4.5.2** the Collateral Agent shall have the right to access the premises of the Assignor to the full extent necessary during ordinary business hours, at the sole discretion of the Collateral Agent, to ascertain the existence and particulars of the Assigned Receivables, the Assigned Intercompany Receivables and the Assigned Bank Accounts;
- 4.5.3** the Collateral Agent shall be entitled, but not obligated, to undertake on its own initiative and cost any acts it deems appropriate to collect any overdue or bad claim under the Assigned Receivables, the Assigned Intercompany Receivables and the Assigned Bank Accounts and shall apply the amounts so collected towards the discharge of the Secured Obligations in accordance with the Intercreditor Agreement; and
- 4.5.4** to the extent that collection of any Assigned Receivable, any Assigned Intercompany Receivable and/or any Assigned Bank Account is not possible or is deemed unduly burdensome in the reasonable opinion of the Collateral Agent, the latter shall be entitled to sell such Assigned Receivables, Assigned Intercompany Receivables and/or Assigned Bank Accounts by private sale ("*Private Verwertung (Selbstverkauf)*"), without regard to the enforcement procedure provided for by the Swiss Federal Law on Debt Collection and

Bankruptcy, and apply the proceeds (less all costs and expenses) of such sale towards the discharge of the Secured Obligations. The Collateral Agent shall apply such proceeds in accordance with the Intercreditor Agreement. The Collateral Agent shall discharge its rights under this Agreement with the same degree of care it would use in respect of its own property.

- 4.6 Upon repayment and discharge in full of the Secured Obligations, the Collateral Agent, at the costs of the Assignor, shall promptly, and in any event within 5 Business Days from the full discharge of the Secured Obligations, re-assign the remainder, if any, of the Assigned Receivables, Assigned Intercompany Receivables and/or Assigned Bank Accounts to the Assignor. Notwithstanding the above, if the Collateral Agent is authorized to release in whole or in part any assigned collateral under both the Term Loan Credit Agreement and the Revolving Credit Agreement, the Collateral Agent is authorized to release such collateral under this Agreement.

5. **REPRESENTATIONS AND WARRANTIES**

- 5.1 Without prejudice to the representations and warranties made under the Credit Agreements, the Assignor represents and warrants to the Collateral Agent that:
- 5.1.1 it is a company duly established, validly existing and registered under the laws of Switzerland, capable of suing and being sued in its own right and having the power and authority and all necessary governmental and other material consents, approvals, licenses and authorizations under any applicable jurisdiction to own its property and assets and to carry on its business as currently conducted;
- 5.1.2 as long as this Agreement remains in force, the Assigned Receivables, the Assigned Intercompany Receivables and the Assigned Bank Accounts are and will continue to be (and any Assigned Receivable, any Assigned Intercompany Receivable and any Assigned Bank Account coming into existence in the future will be) free and clear of any pledge, encumbrance or other third party interests, with the exception of any liens permitted under the Credit Agreements;
- 5.1.3 subject to the qualifications set out in the legal opinion of Borrowers' Swiss counsel, this Agreement constitutes (i) its legal, valid and binding obligations enforceable against it pursuant to its terms and (ii) a valid and effective transfer of the Assigned Receivables, the Assigned Intercompany Receivables and the Assigned Bank Accounts from Assignor to the Collateral Agent and the Secured Parties.

**6. FURTHER ASSURANCES OF THE ASSIGNOR**

The Assignor shall promptly do all things and execute all documents that are required by the Collateral Agent for the purpose of securing or perfecting the Assignment provided for in this Agreement.

**7. POWERS OF ATTORNEY**

The Assignor authorizes the Collateral Agent to be its attorney and in its name, on its behalf and as its act to execute, deliver and perfect all documents (including giving notifications and instructions to customers of the Assignor) and do all things that are necessary for carrying out any obligation imposed on the Assignor under this Agreement, provided that the Assignor does not carry out such obligation in due time in accordance with the terms of this Agreement, or exercising any of the rights conferred on the Collateral Agent by this Agreement or by law, in particular in connection with a private realization ("*Private Verwertung (Selbstverkauf)*") but in any case only after the Collateral Agent has notified the Assignor that an Event of Default has occurred and is continuing.

**8. ASSIGNMENTS AND TRANSFERS**

The rights and obligations of the Assignor under this Agreement may not be assigned or transferred without the prior written consent of the Collateral Agent. The assignment of the rights and obligations of the Collateral Agent under this Agreement shall be restricted to and made in accordance with Section 12 below. Nothing in this Agreement shall be construed as limiting the right of the Secured Parties to assign their rights and obligations under the Credit Agreements in accordance with the relevant provisions thereof.

**9. EFFECTIVENESS OF ASSIGNMENT**

**9.1** The security constituted by the Assignments under this Agreement shall be cumulative, in addition to and independent of every other security which the Collateral Agent and/or Secured Parties may at any time hold for the Secured Obligations or any rights, powers and remedies provided by law.

**9.2** No failure on the part of the Collateral Agent and/or Secured Parties to exercise, or delay on its part in exercising, any rights hereunder shall operate as waiver thereof, nor shall any single or partial exercise of any rights hereunder preclude any further or other exercise of that or any other rights.

9.3 The Collateral Agent and/or Secured Parties shall not be liable by reason of taking any action permitted by this Agreement.

10. **COSTS AND EXPENSES**

The Assignor shall bear all reasonable costs and expenses (including, without limitation, legal fees, stamp duties or other duties) incurred in connection with the execution, perfection or implementation of the Assignment hereby constituted or the exercise of any rights hereunder and the Assignor shall reimburse and indemnify the Collateral Agent for any such costs or expenses reasonably incurred by it.

## **1. DEFINITIONS AND INTERPRETATION**

### **1.1** In this Guarantee:

“**Business Day**” means one day on which the commercial banks in Zurich are open for normal business transactions;

“**Guaranteed Obligations**” means the prompt payment in full when due (whether at stated maturity, by required prepayment, declaration, demand, by acceleration or otherwise) of the principal of and interest (including any interest, fees, costs or charges that would accrue after the commencement of a case under Title 11 of the United States

Code or any other Debtor Relief Law or after any bankruptcy or insolvency petition is filed under Title 11 of the United States Code (or any other Debtor Relief Law) but for the provisions of the Title 11 of the United States Code (or other Debtor Relief Law) or that accrue after the commencement of a case under Title 11 of the United States Code or any other Debtor Relief Law or after any bankruptcy or insolvency petition is filed under Title 11 of the United States Code (or any other Debtor Relief Law, whether or not allowed) on the Loans made by the Lenders to, and the Notes held by each Lender of, the Borrower, and all other Secured Obligations from time to time owing to the Secured Parties by any Loan Party under any Loan Document (including any Hedging Agreement entered into with a counterparty that is a Secured Party), and the performance of all obligations under any of the foregoing, in each case strictly in accordance with the terms thereof (such obligations being herein collectively called the “**Guaranteed Obligations**”).

- 1.2 Unless defined otherwise herein, capitalized terms and expressions used herein shall have the meaning ascribed to them in the Term Loan Agreement.
  - 1.3 In this Guarantee, (a) a person includes its successors and assigns; (b) headings are for convenience of reference only and are to be ignored in construing this Guarantee and (c) references to any agreement or document are references to that agreement or document as amended, varied, supplemented, substituted or novated from time to time, in accordance with its terms.
  - 1.4 In the event of a direct conflict between the terms and provisions contained in this Agreement and the terms and provisions contained in the Credit Agreements, it is the intention of the parties hereto that such terms and provisions in such documents shall be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of the Credit Agreements shall control and govern.
2. **GUARANTEE**
- 2.1 In accordance with Article 111 of the Swiss Code of Obligations, the Guarantor, acting as primary and independent obligor **and not** merely as a surety (“*Bürge*”/“*Caution*” within the meaning of Articles 492 ss. of the Swiss Code of Obligations), hereby unconditionally (subject to Section 3 below) and absolutely guarantees, on a first demand basis, the prompt and complete payment and performance by the Loan Parties of the Guaranteed Obligations.

- 2.2** The Guarantor hereby expressly acknowledges that the meaning of the term “Guaranteed Obligations” used in this Guarantee (and consequently the extent of its undertaking under this Guarantee) is defined by reference to the Term Loan Agreement, and the Guarantor expressly confirms that it fully understands and accepts such definition of the terms “Guaranteed Obligations” used in this Guarantee.
- 2.3** In the event where any Loan Party fails to pay or perform timely any Guaranteed Obligation, (subject to Section 3 below) the Collateral Agent will be entitled to claim from the Guarantor, on a first demand basis, damages for an amount equal to, as applicable, (i) such Guaranteed Obligation, and (ii) any additional amount (including but not limited to the Collateral Agent’s costs) to the extent necessary to put the Secured Parties in the position in which they would have been, had such Guaranteed Obligation been timely paid or performed.
- 2.4** The Collateral Agent will make any demand for damages under Section 2.3 above towards the Guarantor by registered letter with acknowledgement of receipt. The Collateral Agent will confirm in such demand that the Guaranteed Obligations have not been timely paid or performed and to what extent. Subject to Section 3, the Guarantor so notified by the Collateral Agent shall pay within 5 Business Days of that first demand.
- 2.5** The Guarantor understands and agrees that the Guarantee is a continuing, absolute and unconditional (subject to Section 3 below) guarantee of payment without regard to (a) the validity or enforceability of the Term Loan Agreement or any other applicable Loan Document, any of the Guaranteed Obligations, or any collateral security therefor or guarantee or right of set-off with respect thereto at any time or from time to time held by the Collateral Agent or any applicable Secured Party, (b) any defense, set-off or counterclaim which may at any time be available to or be asserted by the Loan Parties against the Collateral Agent or any applicable Secured Party (including, but not limited to, any right the Loan Parties may have to first require the Collateral Agent to proceed against or enforce any other rights, security or claim payment from a person before claiming payment from the Guarantor under this Guarantee), or (c) any other circumstance whatsoever which constitutes, or might be construed to constitute, a discharge of the Guaranteed Obligations.
- 2.6** When making any demand hereunder or otherwise pursuing its rights and remedies hereunder against the Guarantor, the Collateral Agent may, but shall be under no obligation to, make a similar demand on or otherwise pursue such rights and remedies as

it may have against the Loan Parties, or any other person or against any collateral security or guarantee for the Guaranteed Obligations, or any right of set-off with respect thereto, and any failure by the Collateral Agent to make any such demand, to pursue such other rights or remedies or to collect any payments from the Loan Parties or any other person or to realize upon any such collateral security or guarantee or to exercise any such right of set-off shall not relieve the Guarantor of any applicable obligation or liability under this Guarantee, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of the Collateral Agent or any applicable Secured Party against the Guarantor.

- 2.7** Subject to Section 3 below, the Guarantor's obligations under this Guarantee will not be discharged, suspended or in any way affected by:
- (i) any failure or delay by the Collateral Agent to realize upon or seek to enforce against the Loan Parties any liability or obligation arising under the Term Loan Agreement;
  - (ii) any default, failure or delay in the performance by the Loan Parties of the Guaranteed Obligations;
  - (iii) any waiver of or consent to departure from the provisions of, or any amendment to this Guarantee, the Term Loan Agreement or any applicable Loan Document, except when made in writing and executed by the Guarantor and the Collateral Agent;
  - (iv) any bankruptcy, receivership or any other insolvency proceeding related to any Loan Party or its property or any merger, reorganization, dissolution, sale of assets, or other winding up of any Loan Party; or
  - (v) any other circumstance which may otherwise constitute a defense available to, or a discharge of, the Guarantor in respect of its obligations under this Guarantee.
- 2.8** This Guarantee will be valid and will remain in full force until such time as the Guaranteed Obligations, as applicable have been paid and discharged in full, and no further Guaranteed Obligations are capable of arising thereafter.
- 2.9** The provisions of Sections 2.12 (with respect to Taxes), 2.15, 2.23 and 7.10 of the Term Loan Agreement are hereby incorporated, *mutatis mutandis*, and shall apply to this Agreement, the parties hereto and the Secured Parties as if set forth herein.
- 2.10** Notwithstanding anything herein to the contrary, this Guarantee and the exercise of any

right or remedy by the Collateral Agent hereunder are subject to the provisions of the Intercreditor Agreement, dated as of or about December 17, 2010 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Intercreditor Agreement**”) among Novelis Inc., a corporation amalgamated under the Canada Business Corporations Act, Novelis Corporation, a Texas corporation, Novelis Pae Corporation, a Delaware corporation, Novelis Brand LLC, a Delaware limited liability company, Novelis South America Holdings LLC, a Delaware limited liability company, Aluminium Upstream Holdings LLC, a Delaware limited liability company, Novelis UK Limited, a limited liability company incorporated under the laws of England and Wales with registered number 00279596, AV Metals Inc., a corporation formed under the Canada Business Corporations Act, the Guarantor and other guarantors party thereto, Bank of America, N.A., as Revolving Credit Administrative Agent and Revolving Credit Collateral Agent, and Bank of America, N.A., as Term Loan Administrative Agent and Term Loan Collateral Agent and certain other persons which may be or become parties thereto or become bound thereto from time to time. In the event of any conflict or inconsistency between the provisions of the Intercreditor Agreement and this Agreement, the provisions of the Intercreditor Agreement shall govern and control. Except as provided for in this paragraph, notwithstanding anything herein to the contrary, the Term Loan Agreement, including Section 11.19 thereof shall govern and control the exercise of remedies by Collateral Agent.

**3. UP-STREAM AND CROSS-STREAM GUARANTEES; LIMITATION AND WITHHOLDING TAX**

- 3.1** If and to the extent that (i) the obligations of the Guarantor under this Agreement are for the exclusive benefit of the Guarantor’s Affiliates (except the Guarantor’s (direct or indirect) Subsidiaries) and (ii) complying with the obligations under this Agreement would constitute a repayment of capital (“restitution des apports”/“Einlagerückgewähr”) or the payment of a (constructive) dividend (“distribution de dividende”/“Gewinnausschüttung”), the following shall apply:
- (i) The aggregate obligations under the Guarantee of the Guarantor shall be limited to the maximum amount of the Guarantor’s profits and reserves available for distribution, in each case in accordance with, without limitation, articles 671 para.1 to 3 and 675 para.2 of the Swiss Code of Obligations (the “**Available Amount**”) at the time such company makes a payment under the Guarantee (provided such limitation is still a legal requirement under Swiss law at that time);

- (ii) Immediately after having been requested to make a payment under the Guarantee (the “**Guarantee Payment**”), the Guarantor will (a) provide the Collateral Agent, within twenty (20) Business Days from being requested to make the Guarantee Payment, with (1) an interim audited balance sheet prepared by the statutory auditors of the Guarantor, (2) the determination of the Available Amount based on such interim audited balance sheet as computed by the statutory auditors, and (3) a confirmation from the statutory auditors that the Available Amount is the maximum amount which can be paid by the Guarantor under the Guarantee without breaching the provisions of Swiss corporate law, which are aimed at protecting the share capital and legal reserves, and (b) upon receipt of the confirmation referred to in the preceding sentence under (3) and after having taken all actions required pursuant to Section 3.2 below, pay (i) the Guarantee Payment in full or (ii) the Available Amount, whichever is less (in any case, less, if required, any withholding tax under the Swiss Federal Act on Withholding Tax of October 13, 1965 (the “**Swiss Withholding Tax**”).
- (iii) If so required under Swiss law (including double tax treaties to which Switzerland is a party) at the time it is required to make a payment under this Guarantee or the Security Documents, the Guarantor (1) may deduct the Swiss Withholding Tax at the rate of 35% (or such other rate as may be in force at such time) from any payment under this Guarantee or the Security Documents, (2) may pay the Swiss Withholding Tax to the Swiss Federal Tax Administration, and (3) shall notify and provide evidence to the Collateral Agent that the Swiss Withholding Tax has been paid to the Swiss Federal Tax Administration, and the Guarantor shall not be required to make a gross-up, indemnify or otherwise hold harmless the Secured Parties for the deduction of the Swiss Withholding Tax. The Guarantor shall use its best efforts to ensure that any person which is, as a result of a payment under this Guarantee, entitled to a full or partial refund of the Swiss Withholding Tax, shall as soon as possible after the deduction of the Swiss Withholding Tax (i) request a refund of the Swiss Withholding Tax under any applicable law (including double tax treaties) and (ii) pay to the Secured Parties upon receipt any amount so refunded. The Guaranteed Obligations will only be considered as discharged to the extent of the effective payment received by the Secured Parties under this Guarantee. This subsection (iii) is without prejudice to the gross-up or indemnification obligations under the Term Loan Agreement.

**3.2** The Swiss Guarantor shall use reasonable efforts to take and cause to be taken all and any

other action, including the passing of any shareholders' resolutions to approve any Guarantee Payment under this Guarantee or the Security Documents, which may be required as a matter of Swiss mandatory law or standard business practice as existing at the time it is required to make a Guarantee Payment under this Guarantee or the Security Documents in order to allow for a prompt payment of the Guarantee Payment or Available Amount, as applicable.

**4. GUARANTOR'S UNDERTAKINGS**

4.1 The Guarantor agrees and undertakes:

- 4.1.1 to execute all such documents or instruments and do any act (including registrations, filings or the like) that the Collateral Agent may reasonably request for the protection or perfection of the Guarantee conferred herewith in favor of the applicable Secured Parties;
- 4.1.2 not to sell, transfer or otherwise dispose of its assets, unless otherwise permitted by the applicable Loan Documents; and
- 4.1.3 not to create or allow to subsist any security interest, except as permitted under the Term Loan Agreement or as provided for by mandatory provisions of Swiss law over or in respect of its assets or permit to be done, anything which would foreseeably depreciate, jeopardize or otherwise directly or indirectly prejudice the value to the applicable Secured Parties of the Guarantor's assets, unless otherwise permitted by the applicable Loan Documents.

Copies of notification letters with confirmation of receipt shall be considered as appropriate evidence.

3. **UP-STREAM AND CROSS-STREAM GUARANTEES: LIMITATION AND WITHHOLDING TAX**

If and to the extent (i) the obligations of the Pledgor under this Agreement are for the exclusive benefit of the Affiliates of such Pledgor (except for the (direct or indirect) Subsidiaries of such Pledgor) and (ii) that complying with such obligations would constitute a repayment of capital ("*Kapitalrückzahlung*") or the payment of a (constructive) dividend ("*Dividendenausüttung*"), then the limitations set forth in Section 3 of the Term Loan Guarantee and the Revolving Guarantee provided by the Pledgor shall apply to any enforcement of the security interest created hereunder.

4. **PLEDGOR'S OBLIGATIONS**

4.1 The Pledgor agrees and undertakes as follows:

- 4.1.1 to execute all such documents or instruments and do any act (including registrations, filings or the like) that the Collateral Agent may reasonably request for the protection or perfection of the Pledge conferred herewith in favor of the Secured Parties, in particular in relation to Intellectual Property Rights for which the Pledgor has filed or will file an application and/or for which the Pledgor is or will be registered as owner. The Pledgor undertakes to register the Collateral Agent as pledgee and licensee (as provided under Section 7 below) of the Intellectual Property Rights in the registers of those jurisdictions in which such registration is legally required or deemed necessary or desirable by the Collateral Agent in order to enable the Collateral Agent to exercise and enforce all its rights under the Pledge. The costs incurred in connection with such measures, written instruments or declarations, including the fees for the registration of

the Collateral Agent as pledgee of the Intellectual Property Rights in the appropriate registers shall be exclusively borne by the Pledgor;

- 4.1.2 except as provided for by mandatory provisions of Swiss law or as permitted under the Credit Agreements, not to create or allow to subsist any security interest over or in respect of the Pledged Assets or otherwise sell, transfer, license or dispose of the Pledged Assets or permit to be done, anything which would foreseeably depreciate, jeopardize or otherwise directly or indirectly prejudice the value of the Pledged Assets and the security interest created hereunder;
- 4.1.3 to fulfill all obligations necessary to maintain the registration and validity of the Intellectual Property Rights, including without limitation, payment of all due renewal fees and making actual use of the Intellectual Property Rights to the extent necessary to maintain their validity, except to the extent such Intellectual Property Rights are not material to the use and operation of any material Collateral or to the business, results of operation, prospects or condition, financial or otherwise, of any Pledgor;
- 4.1.4 to cooperate with the Collateral Agent (acting, for itself, in the name of, on behalf of and for the benefit of the Secured Parties) in case of Enforcement with regard to the transfer of the Pledged Assets to a purchaser in accordance with the terms of Section 6 of this Agreement;

5. **RIGHTS AND OBLIGATIONS OF THE COLLATERAL AGENT**

- 5.1 Save as otherwise agreed hereunder, the Collateral Agent shall keep the Pledged Assets in its possession acting for itself, in the name of, on behalf of and for the benefit of the Secured Parties.
- 5.2 The Collateral Agent shall not misuse any of its rights hereunder or as possessor of the Pledged Assets and shall not take any action which would be inconsistent with the terms of this Agreement or the Credit Agreements.

6. **ENFORCEMENT**

- 6.1 After the Collateral Agent has notified the Pledgor that an Event of Default has occurred and is continuing, the Collateral Agent shall be entitled to the following remedies, notwithstanding the provisions of article 41 the Swiss Federal Law on Debt Collection and Bankruptcy:

- 6.1.1** sell to third parties not affiliated to the Pledgor and/or the Secured Parties, respectively, all or part of the Pledged Assets in public or private sale and apply the proceeds thereof to the discharge of the Secured Obligations; or
- 6.1.2** initiate enforcement proceedings with respect to the Pledged Assets pursuant to any applicable official Swiss enforcement procedure including, as the case may be, pursuant to the Swiss Federal Law on Debt Collection and Bankruptcy and apply the proceeds thereof to the discharge of the Secured Obligations; or
- 6.1.3** acquire from the Pledgor all or part of the Pledged Assets for cash consideration equal to the fair market value of the Pledged Assets, such fair market value to be computed by an independent expert using a valuation methodology generally recognized as standard market practice for the valuation of intellectual property rights (i.e. Discounted Cash Flow method, comparable method and variations thereof), it being understood that the Collateral Agent (acting for itself, in the name of, on behalf of and for the benefit of the Secured Parties) will be entitled to set off the proceeds of such acquisition against the Secured Obligations.
- 6.2** The Pledgor expressly confirms its agreement with the remedy granted to the Collateral Agent under Section 6.1.3. The Pledgor acknowledges that the price at which all or part of the Pledged Assets may be purchased by the Collateral Agent pursuant to Section 6.1.3 will be based on the value of the Intellectual Property Rights as computed by an independent expert using a valuation methodology, which is known to the Pledgor and considered by it to be fair and which is customarily used at that time to establish the value of businesses in that industry. The Pledgor recognizes that should the Collateral Agent decide to pursue the remedy granted under Section 6.1.3, its interests as Pledgor and debtor would be protected in an appropriate manner. If the parties cannot agree on the person or entity acting for itself as independent expert in accordance with this Section 6.1.3, the independent expert shall be an experienced international accounting firm appointed by the President of the Zurich Chamber of Commerce.
- 6.3** After the sale or disposal of the Pledged Assets, the Collateral Agent shall account for the sale in accordance with the provisions of the Intercreditor Agreement and provided that there has been the Discharge of Senior Lien Secured Obligations, any surplus of the sale or disposal shall be returned promptly, and in any event within 5 Business Days of the full satisfaction of the Secured Obligations, to the Pledgor, together with interest thereon at a rate of 5% computed as from the date of such sale or disposal.

**6.4** The Collateral Agent shall allocate the proceeds collected pursuant to Section 6.1 and 6.2 towards discharging the Secured Obligations in accordance with the Intercreditor Agreement.

**7. GRANT OF INTELLECTUAL PROPERTY LICENSE**

For the purpose of enabling the Collateral Agent, during the continuance of an Event of Default, to exercise rights and remedies under Section 6 hereof at such time as the Collateral Agent shall be lawfully entitled to exercise such rights and remedies, and for no other purpose, each Pledgor hereby grants to the Collateral Agent an irrevocable, non-exclusive license and, to the extent permitted under Intellectual Property Licenses granting such Pledgor rights in Intellectual Property, sublicense (in each case, exercisable without payment of royalties or other compensation to such Pledgor) to use, license or sublicense any of the Intellectual Property Collateral now owned or hereafter acquired by such Pledgor, wherever the same may be located; provided that the quality of any products in connection with which the Trademarks are used will not be materially inferior to the quality of such products prior to such Event of Default. Such license shall include access to all media in which any of the licensed items may be recorded or stored and to all computer programs used for the compilation or printout hereof.

**8. RELEASE OF THE PLEDGED ASSETS**

**8.1** Upon repayment and discharge in full of the Secured Obligations, the Pledged Assets or any remainder thereof shall be released promptly, and in any event within 5 Business Days from the full discharge of the Secured Obligations, to the Pledgor or such other party as designated by the Pledgor. The Pledged Assets shall be delivered or remitted to the Pledgor free and clear of this Agreement and any and all liens created hereby.

**8.2** Any Pledged Assets to be released to the Pledgor (or to any third party designated by the Pledgor) shall be delivered, net of any transfer taxes or other expenses in connection with such return or release. The Collateral Agent shall not be deemed to have made any representation or warranty with respect to any Pledged Assets so released, except that such Pledged Assets are free and clear, on the date of the release, of any and all liens, charges and encumbrances arising from the Collateral Agent's acts (acting for itself, in the name of, on behalf of and for the benefit of the Secured Parties).

**8.3** If the Collateral Agent is authorized to release in whole or in part any Pledged Assets under both the Term Loan Credit Agreement and the Revolving Credit Agreement, the Collateral Agent is authorized to release such Pledged Assets under this Agreement.

**9. REPRESENTATIONS AND WARRANTIES**

- 9.1** Without prejudice to the representations and warranties made under the Credit Agreements, the Pledgor represents and warrants to the Collateral Agent that as of the date hereof:
- 9.1.1** it is a company duly established, validly existing and registered under the laws of Switzerland, capable of suing and being sued in its own right and having the power and authority and all necessary governmental and other material consents, approvals, licenses and authorizations under any applicable jurisdiction to own its property and assets and to carry on its business as currently conducted;
  - 9.1.2** it is the sole, legal and beneficial owner of the Intellectual Property Rights and such Intellectual Property Rights are free of any lien, except as permitted under the Credit Agreements or statutory liens as provided for by mandatory provisions of Swiss law, and are free of third party security interest or other charge or encumbrance of any kind or any other type of preferential arrangement except for the security interest created by the present Agreement or as otherwise permitted by the Credit Agreements;
  - 9.1.3** subject to the qualifications set out in the legal opinion of Borrowers' Swiss counsel, this Agreement constitutes (i) the Pledgor's legal, valid and binding obligations enforceable against it pursuant to its terms and (ii) a valid and effective pledge of the Pledged Assets in favor of the Collateral Agent and the Secured Parties;
  - 9.1.4** the Intellectual Property Rights listed in Schedule 1 are validly existing and have been validly registered or applied for in the name of the Pledgor who is the sole, legal and beneficial owner of such Intellectual Property Rights;
  - 9.1.5** to the best knowledge of the Pledgor, no claims, actions, proceedings (including, but not limited to, opposition or objection proceedings), arbitrations or investigations are pending or threatened against or relating to any of the Intellectual Property Rights, which could lead to the (total or partial) annulment of any of the Intellectual Property Rights.

**10. FURTHER ASSURANCES OF THE PLEDGOR**

The Pledgor shall promptly do all things and execute all documents that are required by the Collateral Agent for the purpose of securing or perfecting the Pledge provided for in this Agreement.

**11. AVOIDANCES OF PAYMENTS**

Any settlement, discharge or release between the Pledgor and the Collateral Agent (acting for itself, in the name of, on behalf of and for the benefit of the Secured Parties) shall be conditional upon no security or payment granted or made to the Collateral Agent by the Pledgor or any other person being avoided or reduced by virtue of any mandatory provisions or enactments relating to bankruptcy, insolvency or liquidation for the time being in force and, in the event of such security or payment being so avoided or reduced, the Collateral Agent (acting for itself, in the name of, on behalf of and for the benefit of the Secured Parties) shall be entitled to recover from the Pledgor the value or amount of such security or payment as if such settlement, discharge or release had not occurred.

**12. POWER OF ATTORNEY**

The Pledgor authorizes the Collateral Agent to be its attorney and in its name, on its behalf and as its act to execute, deliver and perfect all documents and do all things that are necessary for carrying out any obligation imposed on the Pledgor under this Agreement, provided that the Pledgor does not carry out such obligation in due time in accordance with the terms of this Agreement, or exercising any of the rights conferred on the Collateral Agent by this Agreement or by law, in particular in connection with a private realization (*Private Verwertung (Selbstverkauf)*) but in any case only after the Collateral Agent has notified the Pledgor that an Event of Default has occurred and is continuing.

**13. ASSIGNMENT AND TRANSFERS**

The rights and obligations of the Pledgor under this Agreement may not be assigned or transferred without the prior written consent of the Collateral Agent. The Assignment of the rights and obligations of the Collateral Agent shall be restricted to and made in accordance with Section 17 below. Nothing in this Agreement shall be construed as

limiting the right of the Secured Parties to assign their rights and obligations under the Loan Documents in accordance with the Credit Agreements.

**14. EFFECTIVENESS OF PLEDGE**

- 14.1** The security constituted by the Pledge under this Agreement shall be cumulative, in addition to and independent of every other security which the Collateral Agent or the Secured Parties may at any time hold for the Secured Obligations or any rights, powers and remedies provided by law.
- 14.2** No failure on the part of the Collateral Agent to exercise, or delay on its part in exercising, any rights hereunder shall operate as waiver thereof, nor shall any single or partial exercise of any rights hereunder preclude any further or other exercise of that or any other rights.
- 14.3** The Collateral Agent shall not be liable by reason of taking any action permitted by this Agreement.

**15. COSTS AND EXPENSES**

The Pledgor shall bear all reasonable costs and expenses (including, without limitation, legal fees, stamp duties or other duties) incurred in connection with the execution, perfection or implementation of the Pledge hereby constituted or the exercise of any rights hereunder and the Pledgor shall reimburse and indemnify the Collateral Agent for any such costs or expenses reasonably incurred by it.

  - 3.1.4 upon reasonable notice, to allow representatives of the Collateral Agent to view the condition of the Property during local business hours to the extent necessary for the assessment of the market value of the Property;
  - 3.1.5 to promptly inform the Collateral Agent of any fact or event of which the Transferor may become aware and which is likely to jeopardize or adversely affect the security interest on the Notes created hereunder or its Enforcement;
  - 3.1.6 except as permitted by the Credit Agreements, not to create or permit to subsist any security interest, encumbrance or third party right over the Properties, except the existing encumbrances and third party rights mentioned in the extracts from the Land Registry relating to the Property attached to this Agreement as Schedule 1;
  - 3.1.7 not to do, or permit to be done (to the extent it is under its control), anything which could have an adverse impact on the security interest on the Notes created hereunder or its Enforcement. Without limiting the generality of the foregoing, the Transferor shall not change, or permit to be changed (to the extent under its control), the use, allocation, purpose or zoning of the Property in a manner that would adversely affect the security interest on the Notes, including by having the effect of rendering the Enforcement prohibited by, or subject to an authorization under, the LFAIE or the LDFR.
- 3.2 The Collateral Agent may, no more than once per financial year or at any time upon occurrence of an Enforcement Event, require the Transferor to increase the aggregate face value of the Claims to an amount not exceeding the lower of (i) the market value of the Property as determined by the Collateral Agent (acting reasonably) and (ii) the sum of (a) the aggregate amount of all outstanding loans (and all accrued interest) made to the Transferor as borrower under the Credit Agreements and (b) the amount of freely

**5. ENFORCEMENT**

- 5.1 After the Collateral Agent has notified the Transferor that an Event of Default has occurred and is continuing, the Collateral Agent shall be entitled to the following remedies, at its election, notwithstanding the provisions of article 41 DEBA:
- 5.1.1 to sell to third parties not affiliated to the Transferor and/or the Secured Parties, respectively, the Notes in a private sale (*Private Verwertung*) without having to initiate proceedings under, and without regard to the formalities provided in, the DEBA, and apply the proceeds thereof towards the discharge of the Secured Obligations in accordance with the Intercreditor Agreement; or
- 5.1.2 to initiate the enforcement of the Claims by means of regular debt enforcement proceedings (*ordentliche Betreuung*) or by means of enforcement in the mortgaged Property pursuant (*Betreibung auf Grundpfandverwertung*), both pursuant to the DEBA, and, in each case, apply the proceeds thereof towards the discharge of the Secured Obligations in accordance with the Intercreditor Agreement; or

proceedings under, and without regard to the formalities provided, in the DEBA for cash consideration equal to the lower of (i) the face value of the Notes and (ii) the fair market value of the Property, such fair market value to be computed by an independent expert using a valuation methodology generally recognized as standard market practice for real estate properties of the same type as the Property, it being understood that the Collateral Agent (acting for itself and on behalf of the Secured Parties) will be entitled to set off the proceeds of such acquisition against the Secured Obligations.

- 5.2 The Transferor expressly confirms its agreement with the remedy granted to the Collateral Agent under Section 5.1.3. The Transferor acknowledges that the price at which the Notes may be purchased by the Collateral Agent pursuant to Section 5.1.3 may in certain circumstances be based on the value of the Property as computed by an independent expert using a valuation methodology, which is known to the Transferor and considered by it to be fair and which is customarily used at that time to establish the value of real estate properties of the same type as the Property. The Transferor recognizes that should the Collateral Agent decide to pursue the remedy granted under Section 5.1.3, its interests as Transferor and debtor would be protected in an appropriate manner. If the Parties cannot agree on the person or entity acting as independent expert in accordance with this Section 5.1.3, the independent expert shall be an experienced international accounting firm appointed by the President of the Zurich Chamber of Commerce.
- 5.3 The Collateral Agent shall exercise its remedies under this Section 5 and its rights under this Agreement respectively with the same degree of care as it would use in respect of its own property.
- 5.4 After the sale or disposal of the Notes or the Property, the Collateral Agent shall account for the sale in accordance with the provisions of the Intercreditor Agreement and provided that the Secured Obligations have been satisfied in full, any surplus of the sale or disposal shall be returned to the Transferor promptly, and in any event within 5 Business Days of the full satisfaction of the Secured Obligations, together with interest thereon at a rate of 5% computed as from the date of such sale or disposal.
- 6. RELEASE OF THE NOTES**
- 6.1 Upon the Discharge of Senior Lien Secured Obligations, the Notes or, in case of enforcement of the security interest in respect of the Notes, the remainder thereof, shall be released and the Notes or, in case of enforcement of the security interest in respect of the Notes, the remainder thereof, returned to, the Transferor, or such other party as designated by the Transferor, at the cost and risk of the Collateral Agent.

- 6.2 The Notes to be released to the Transferor or any third party as designated by the Transferor in accordance with Section 6.1 shall be delivered, net of any transfer taxes or other expenses in connection with such return or release. The Collateral Agent shall not be deemed to have made any representation or warranty with respect to the Notes so released, except that the Notes are free and clear, on the date of release, of any and all liens, charges and encumbrances arising from the Collateral Agent's acts.
- 6.3 If the Collateral Agent is authorized to release in whole or in part the Notes under both the Term Loan Credit Agreement and the Revolving Credit Agreement, the Collateral Agent is authorized to release the Notes under this Agreement.

**7. REPRESENTATIONS AND WARRANTIES**

- 7.1 Without prejudice to the representations and warranties made under the Credit Agreements, the Transferor represents and warrants to the Collateral Agent that as of the date hereof:
- 7.1.1 it is the sole, legal and beneficial owner of the Property and such Property is free of any security interest, charge or encumbrance of any kind except for the security interest created by the present Agreement, other security interests permitted by the Credit Agreements and the security interests set forth in the extract from the Land Registry relating to the Property attached to this Agreement as Schedule 1, and this extracts is true, complete and up-to-date as of the date of this Agreement;
- 7.1.2 the Property is capable of being charged with the Notes;
- 7.1.3 this Agreement constitutes (i) the Transferor's legal, valid and binding obligations enforceable against it pursuant to its terms and (ii) a valid and effective security interest on the Notes in favor of the Collateral Agent and the Secured Parties;
- 7.1.4 the issue and transfer to the Collateral Agent of the Notes in accordance with the terms of this Agreement is not, and the Enforcement of the security interest on the Notes created hereunder will not be, prohibited by, or subject to an approval under, the LFAIE or the LDFR. In particular, without limitation, none of the Property (or part thereof or the underlying property), is or may be used for residential purposes.

**8. POWER OF ATTORNEY**

The Transferor authorizes the Collateral Agent to be its attorney and in its name, on its behalf and as its act to execute, deliver and perfect all documents and do all things that are necessary for carrying out any obligation imposed on the Transferor under this Agreement, provided that the Transferor does not carry out such obligation in due time

in accordance with the terms of this Agreement, or exercising any of the rights conferred on the Collateral Agent by this Agreement or by law, in particular in connection with a private realization ("*Private Verwertung (Selbstverkauf)*") but in any case only after the Collateral Agent has notified the Transferor that an Event of Default has occurred and is continuing.

**9. ASSIGNMENT AND TRANSFERS**

The rights and obligations of the Transferor under this Agreement may not be assigned or transferred without the prior written consent of the Collateral Agent. The assignment of the rights and obligations of the Collateral Agent under this Agreement shall be restricted to and made in accordance with Section 13 below. Nothing in this Agreement shall be construed as limiting the right of the Secured Parties to assign their rights and obligations under the Credit Agreements in accordance with the relevant provisions thereof.

**10. EFFECTIVENESS OF TRANSFER**

- 10.1 The security constituted by the transfer of the Notes for security purposes under this Agreement shall be cumulative, in addition to and independent of every other security which the Collateral Agent or the Secured Parties may at any time hold for the Secured Obligations or any rights, powers and remedies provided by law.
- 10.2 The Collateral Agent and/or Secured Parties shall not be liable by reason of taking any action permitted by this Agreement.

- 2.5** All rights of the Pledgor to vote or give consent or take any other action as shareholder of the Company, or to receive Dividends directly from, the Company shall cease after the Collateral Agent has notified the Pledgor that an Event of Default has occurred and is continuing, in which case the Collateral Agent or the new acquiror, as the case may be, shall be entitled to receive Dividends and to vote or give consent or take any other action as shareholder of the Company.

- 2.6 Subscription Rights shall remain with the Pledgor, provided, however, that all Shares, Participation Rights and other rights acquired by the Pledgor upon exercise of Subscription Rights shall be deemed to be pledged pursuant to Section 2.1 and all share certificates and other documents representing such Shares, Participation Rights and other rights shall be transferred to the Collateral Agent pursuant to Section 2.2, in the case of registered shares by share certificates duly endorsed.
3. **RIGHTS AND OBLIGATIONS OF THE PLEDGEE**
- 3.1 Save as otherwise agreed hereunder, the Collateral Agent shall keep the Pledged Assets in its possession for itself and in the name of and on behalf of the Secured Parties. The Collateral Agent shall deposit the Pledged Assets in a safe-deposit box with a reputable bank in New York or Chicago. The Collateral Agent is obliged to take all actions necessary and appropriate for the safekeeping and management of the Pledged Assets.
- 3.2 The Collateral Agent shall not misuse any of its rights hereunder or as possessor of the Pledged Assets and shall not take any action being inconsistent with the terms of this Agreement or the Credit Agreements or violating the Pledgor's rights as shareholder of the Company.
4. **REMEDIES UPON OCCURRENCE OF AN EVENT OF DEFAULT**
- 4.1 After the Collateral Agent has notified the Pledgor that an Event of Default has occurred and is continuing, it shall be entitled to the following remedies, at the election of the Collateral Agent:
- 4.1.1 sell to non-affiliated third parties of Pledgor and/or the Secured Parties, respectively, all or part of the Pledged Assets in public or private sale and apply the proceeds thereof to the discharge of the Secured Obligations; or
- 4.1.2 initiate enforcement proceedings with respect to the Pledged Assets pursuant to any applicable official Swiss enforcement procedure including, as the case may be, pursuant to the Swiss Federal Law on Debt Collection and Bankruptcy and apply the proceeds thereof to the discharge of the Secured Obligations; or
- 4.1.3 acquire from the Pledgor all or part of the Pledged Assets for cash consideration equal to the fair market value of the Pledged Assets, such fair market value to be computed by an independent expert using a valuation methodology generally recognized as standard

market practice in the field of corporate finance (i.e. discounted cash flow method and variations thereof), it being understood that the Collateral Agent will be entitled to set off the proceeds of such acquisition against the Secured Obligations.

The Pledgor expressly confirms its agreement with the remedy granted to the Collateral Agent under Section 4.1.3. The Pledgor acknowledges that the price at which all or part of the Pledged Assets may be purchased by the Collateral Agent pursuant to Section 4.1.3 will be based on the value of the Company as computed by an independent expert using a valuation methodology, which is known to the Pledgor and considered by it to be fair and which is customarily used at that time to establish the value of businesses in that industry. The Pledgor recognizes that should the Collateral Agent decide to pursue the remedy granted under Section 4.1.3, their interests as Pledgor and debtor would be protected in an appropriate manner. If the parties cannot agree on the person or entity acting as independent expert in accordance with this Section 4.1.3, the independent expert shall be an experienced international accounting firm appointed by the President of the Zurich Chamber of Commerce.

A realization of the Pledged Assets pursuant to Section 4.1.1 or Section 4.1.3 shall only be permitted after having given the Pledgor five (5) Business Days prior notice thereof.

The Collateral Agent shall exercise its remedies under this provision and its rights under this Agreement respectively with the same degree of care as it would use in respect of its own property.

- 4.2** After the sale or disposal of the Pledged Assets, the Collateral Agent shall account for the sale in accordance with the provisions of the Intercreditor Agreement and provided that there has been a Discharge of the Senior Lien Secured Obligations, any surplus of the sale or disposal shall be returned promptly, and in any event within 5 Business Days of the Discharge of the Senior Lien Secured Obligations, to the Pledgor, together with interest thereon at a rate of 5% computed as from the date of such sale or disposal
- 4.3** The Collateral Agent shall allocate the proceeds collected pursuant to Section 5.1 and 5.2 towards discharging the Secured Obligations in accordance with the Intercreditor Agreement.

**5. RELEASE OF THE PLEDGED ASSETS**

- 5.1** If the Collateral Agent is authorized to release in whole or in part any of the Pledged Assets under both of the Term Loan Agreement and the Revolving Credit Agreement, the Collateral Agent is authorized to release such Pledged Assets under this Agreement. Upon the date of the Discharge of Senior Lien Secured Obligations, the Pledged Assets or any remainder thereof shall be released promptly and in any event within 5 Business Days from such date, to the Pledgor or such other party as designated by the Pledgor. The Pledged Assets shall be delivered or remitted to the Pledgor free and clear of this Agreement and any and all liens created hereby.
- 5.2** Any Pledged Assets to be released to the Pledgor (or to any third party designated by the Pledgor) shall be delivered, net of any transfer taxes or other expenses in connection with such return or release. The Collateral Agent shall not be deemed to have made any representation or warranty with respect to any Pledged Assets so released, except that such Pledged Assets are free and clear, on the date of the release, of any and all liens, charges and encumbrances arising from the Collateral Agent's acts (acting for itself, in the name of, on behalf of and for the benefit of the Secured Parties).

**6. REPRESENTATIONS AND WARRANTIES**

- 6.1** Without prejudice to the representations and warranties made under the Credit Agreements, the Pledgor represents and warrants to the Collateral Agent that:
- 6.1.1** it is a company duly established, validly existing and registered under the laws of Switzerland, capable of suing and being sued in its own right and having the power and authority and all necessary governmental and other material consents, approvals, licenses and authorizations under any applicable jurisdiction to own its property and assets and to carry on its business as currently conducted;
- 6.1.2** it is the sole, legal and beneficial owner of the Shares and such Shares are free of any lien, except as permitted under the Credit Agreements or statutory liens as provided for by mandatory provisions of Swiss law, or third party security interest or other charge or encumbrance of any kind or any other type of preferential arrangement except for the security interest created by the present Agreement or as permitted under the Credit Agreements; the comments on the Company's share register regarding directors' qualifying shares are reserved;

- 6.1.3 subject to the qualifications set out in the legal opinion of Borrowers' Swiss counsel, this Agreement constitutes (i) its legal, valid and binding obligations enforceable against it pursuant to its terms and (ii) a valid and effective pledge of the Pledged Assets in favor of the Collateral Agent and the Secured Parties;
- 6.1.4 the Shares have been validly issued and are fully paid; and
- 6.1.5 no approval is required under the Lex Friedrich to grant a valid, binding and legally enforceable Pledge in respect of the Pledged Assets to the Collateral Agent.

7. **FURTHER ASSURANCES OF THE PLEDGOR**

The Pledgor shall promptly do all things and execute all documents that are required by the Collateral Agent for the purpose of securing or perfecting the Pledge provided for in this Agreement.

8. **AVOIDANCES OF PAYMENTS**

Any settlement, discharge or release between the Pledgor and the Collateral Agent (for itself and on behalf of the Secured Parties) shall be conditional upon no security or payment granted or made to the Collateral Agent by the Pledgor or any other person being avoided or reduced by virtue of any mandatory provisions or enactments relating to bankruptcy, insolvency or liquidation for the time being in force and, in the event of such security or payment being so avoided or reduced, the Collateral Agent (acting for itself, in the name of, on behalf of and for the benefit of the Secured Parties) shall be entitled to recover from the Pledgor the value or amount of such security or payment as if such settlement, discharge or release had not occurred.

9. **POWERS OF ATTORNEY**

The Pledgor authorizes the Collateral Agent to be its attorney in its name, on its behalf and for its benefit as its act to execute, deliver and perfect all documents and do all things that are necessary for carrying out any obligation imposed on the Pledgor under this Agreement, provided that the Pledgor does not carry out such obligation in due time in accordance with the terms of this Agreement, or exercising any of the rights conferred on the Collateral Agent by this Agreement or by law, in particular in connection with a private realization (*Private Verwertung (Selbstverkauf)*) but in any

case only after the Collateral Agent has notified the Pledgor that an Event of Default has occurred and is continuing.

**10. ASSIGNMENTS AND TRANSFERS**

The rights and obligations of the Pledgor under this Agreement may not be assigned or transferred without the prior written consent of the Collateral Agent. The assignment of the rights and obligations of the Collateral Agent under this Agreement shall be restricted to and made in accordance with Section 14 below. Nothing in this Agreement shall be construed as limiting the right of the Secured Parties to assign their rights and obligations under the Credit Agreements in accordance with the relevant provisions thereof.

**11. EFFECTIVENESS OF PLEDGE**

- 11.1** The security constituted by the Pledge under this Agreement shall be cumulative, in addition to and independent of every other security which the Collateral Agent or the Secured Parties may at any time hold for the Secured Obligations or any rights, powers and remedies provided by law.
- 11.2** No failure on the part of the Collateral Agent to exercise, or delay on its part in exercising, any rights hereunder shall operate as waiver thereof, nor shall any single or partial exercise of any rights hereunder preclude any further or other exercise of that or any other rights.
- 11.3** The Collateral Agent shall not be liable by reason of taking any action permitted by this Agreement.

**12. COSTS AND EXPENSES**

The Pledgor shall bear all reasonable costs and expenses (including, without limitation, legal fees, stamp duties or other duties) incurred in connection with the execution, perfection or implementation of the Pledge hereby constituted or the exercise of any rights hereunder and the Pledgor shall reimburse and indemnify the Collateral Agent for any such costs or expenses reasonably incurred by it.

2.1 The Pledgor hereby pledges to each of the Pledges:

2.1.1 any present and future credit balances, including interest, standing from time to time to the credit of,

(A) its Accounts;

Term Loan: Account Pledge Agreement / Novelis Deutschland GmbH

- (B) any present and future replacement accounts, sub-accounts, re-designated accounts and renumbered accounts which are opened or will be opened in the future in replacement of, or in connection with, its Accounts (including, for the avoidance of doubt, the Deutsche Bank Accounts to be opened after the date hereof); and
- 2.1.2 all other present and future rights to receive payments in connection with its Accounts, including claims for damages or unjust enrichment.
- 2.2 Each of the Original Pledges hereby accepts the Pledges for itself.
- 2.3 The Collateral Agent accepts, as representative without power of attorney (*Vertreter ohne Vertretungsmacht*) the respective Pledges for and on behalf of each Future Pledgee. Each Future Pledgee will ratify and confirm the declarations and acts so made by the Collateral Agent on its behalf by accepting the transfer or assignment (including by way of novation or assumption (*Vertragsübernahme*)) of the Secured Obligations (or part of them) from a Pledgee or by becoming party to any Loan Document. Upon such ratification (*Genehmigung*) such Future Pledgee becomes a party to this Agreement, it being understood that any future or conditional claim (*zukünftiger oder bedingter Anspruch*) of such Future Pledgee arising under the Term Loan Credit Agreement or any other Loan Document shall be secured by the Pledges constituted hereunder.
- 2.4 All parties hereby confirm that the validity of the Pledges granted hereunder shall not be affected by the Collateral Agent acting as representative without power of attorney for each Future Pledgee.
- 2.5 The validity and effect of each of the Pledges shall be independent of the validity and the effect of the other Pledges created hereunder. The Pledges to each of the Pledgees shall be separate and individual pledges ranking *pari passu* with the other Pledges created hereunder.
- 2.6 The Pledges created hereunder shall be subordinated to any pledges created over the Accounts in connection with the ABL Credit Agreement, but shall rank ahead of any other security interest or third party right currently in existence or created in the future over any of the Accounts, including the Account Banks' pledges.

Term Loan: Account Pledge Agreement / Novelis Deutschland GmbH

- 2.7 Each of the Pledges is in addition, and without prejudice, to any other security the Pledgees may now or hereafter hold in respect of the Secured Obligations.
- 2.8 For the avoidance of doubt, the parties agree that nothing in this Agreement shall exclude a transfer of all or part of the Pledges created hereunder by operation of law upon the transfer or assignment (including by way of novation or assumption (*Vertragsübernahme*)) of all or part of the Secured Obligations by any Pledgee to a Future Pledgee.

### 3. SECURED OBLIGATIONS

The security created hereunder secures the payment of all Secured Obligations. The Pledgor hereby expressly agrees that the provisions of Section 1210 para. 1 sentence 2 of the German Civil Code shall not apply to this Agreement.

### 4. DISPOSALS OVER ACCOUNTS

- 4.1 In relation to the Account Banks, the Pledgor shall be authorized to dispose over (*verfügen*) its respective Accounts in the ordinary course of business. This authorization shall, in particular, include the right to withdraw and transfer funds from its respective Accounts. The Accounts may only be closed to the extent and under the conditions permitted under the Term Loan Credit Agreement (including, for the avoidance of doubt, as permitted in connection with any changes to the Cash Pooling Arrangements). The Pledgees, acting through the Collateral Agent, shall be entitled to revoke the authorization granted under this Clause 4 at any time after any of the events described in Clauses 5.1 or 5.4 has occurred.
- 4.2 Upon the occurrence of an Event of Default which is continuing, unremedied and unwaived, the Collateral Agent, on behalf of the Pledgees, shall irrevocably and at any and all times be entitled to (i) notify each Account Bank of the forthcoming enforcement of the Pledges and (ii) instruct each and every Account Bank that as of receipt of such notice it shall no longer allow any dispositions by the Pledgor over any amounts standing to the credit on the respective Account. The Collateral Agent shall notify the Pledgor accordingly.

Term Loan: Account Pledge Agreement / Novelis Deutschland GmbH

## 5. REALISATION OF THE PLEDGES

- 5.1 The Pledges shall become enforceable if an Event of Default is continuing, unremedied and unwaived, the requirements set forth in Section 1273 para. 2, 1204 *et seq.* of the German Civil Code with regard to the enforcement of any of the Pledges are met (*Pfandreife*) and the Collateral Agent, acting on behalf of the Pledgees, gives notice to the Pledgor that the Pledges in question are enforceable. After the Pledges have become enforceable, the Collateral Agent may in its absolute discretion enforce all or any part of these Pledges in any manner it sees fit.
- 5.2 The realization of the Pledges (or any part thereof) shall not require a prior court ruling or any other enforceable title (*vollstreckbarer Titel*). Section 1277 of the German Civil Code (*Bürgerliches Gesetzbuch*) is thus excluded.
- 5.3 The Collateral Agent, acting on behalf of the Pledgees, shall be entitled to realize the Pledges — either in whole or in part — in any legally permissible manner.
- 5.4 The Collateral Agent shall give the Pledgor at least 10 (ten) Business Days prior written notice of the intention to realize any of the Pledges (the “**Realization Notice**”). Such Realization Notice is not necessary if the observance of the notice period will have a materially adversely affect the security interests of the Pledgees. Such Realization Notice shall in particular not be required, if:
  - 5.4.1 the Pledgor ceases to make payments to third parties generally (within the meaning of Section 17 (2), Sentence 2 of the German Insolvency Regulation, *Insolvenzordnung*);
  - 5.4.2 the Pledgor becomes over-indebted (within the meaning of Section 19 of the German Insolvency Regulation), or illiquid (within the meaning of Section 17 of the German Insolvency Regulation);
  - 5.4.3 the Pledgor files an application for the institution of insolvency proceedings or similar proceedings over its assets;

Term Loan: Account Pledge Agreement / Novelis Deutschland GmbH

- 5.4.4 any third party files an application for the institution of insolvency proceedings or similar proceedings over the assets of the Pledgor, provided such application is not unfounded; or
- 5.4.5 a preliminary insolvency administrator (*vorläufiger Insolvenzverwalter*) or an insolvency administrator or any similar kind of receiver, liquidator or administrator has been appointed over the assets of the Pledgor.
- 5.5 If the Collateral Agent, acting on behalf of the Pledgees, decides not to enforce the Pledges over all of the Accounts, it shall be entitled to determine, in its sole discretion, which of the Accounts shall be realized.
- 5.6 The Collateral Agent, acting on behalf of the Pledgees, may take all measures and enter into all agreements with the Account Banks or any third-party creditor which it considers necessary or expedient in connection with the realization of the balances on the Accounts, taking into account the legitimate interests of the Pledgor. In particular, the Collateral Agent may, on behalf of the Pledgor, declare the termination of time deposits or similar contractual arrangements made in respect of the Accounts.
- 5.7 For the purpose of realizing the balances on the Accounts, the Pledgor shall, upon the Collateral Agent's request, acting on behalf of the Pledgees, promptly (*unverzüglich*) furnish the Collateral Agent with all documents of title and other relevant documents held by the Pledgor, and shall, at its own expense, forthwith render all assistance which is necessary or expedient in respect of the realization of the balances on the Accounts.
- 5.8 Following the realization of all or part of the Pledges, the net proceeds (net proceeds shall mean proceeds less any taxes and costs) shall be used to satisfy the Secured Obligations.

**6. WAIVER OF PLEDGORS' DEFENSES AND OF SUBROGATION RIGHTS**

- 6.1 The Pledgor hereby waives all defenses against enforcement that may be raised on the basis of potential avoidance (*Anfechtbarkeit*) and set-off pursuant to Sections 1211, 770 of the German Civil Code. This waiver shall not apply to a set-off with counterclaims that are (i) uncontested (*unbestritten*) or (ii) based on a binding non-appealable court decision (*rechtskräftig festgestellt*).

Term Loan: Account Pledge Agreement / Novelis Deutschland GmbH

6.2 If the Pledges are enforced, or if the Pledgor has discharged any of the Secured Obligations (or any part of them), Section 1225 of the German Civil Code (legal subrogation of claims to a pledgor — *Forderungsübergang auf den Verpfänder*) shall not apply, and no rights of the Pledgees shall pass to the Pledgor by subrogation or otherwise. Further, the Pledgor shall not at any time before, on or after an enforcement of the Pledges and as a result of the Pledgor entering into this Agreement, be entitled to demand indemnification or compensation from any Borrower, any Guarantor or any of its affiliates or to assign any of these claims.

## 7. RELEASE OF THE PLEDGES

7.1 Upon full and final satisfaction of all Secured Obligations, the Collateral Agent, acting on behalf of the Pledgees, shall at the cost and expense of the Pledgor confirm to the Pledgor in writing the release of the Pledges, do everything necessary to effect that release, and surrender the surplus proceeds, if any, resulting from any realization of the Pledges to the Pledgor. This shall not apply to the extent that the Pledgees have to surrender the Accounts or such proceeds to a third party who is entitled to the Accounts or to such proceeds. For the avoidance of doubt, the Parties are aware that, upon the complete and final satisfaction of all Secured Obligations, the Pledges will expire and cease to exist due to their accessory nature (*Akzessorietät*) by operation of German law. If the Collateral Agent is authorized to release in whole or in part any of the pledges under the Term Loan Credit Agreement, the Collateral Agent is authorized to release such Pledges under this Agreement.

7.2 At any time when the total value of the aggregate security granted by the Pledgor to secure the Secured Obligations (the “**Security**”) which can be expected to be realised in the event of an enforcement of the Security (*realisierbarer Wert*) exceeds 110% of the Secured Obligations (the “**Limit**”) not only temporarily, the Pledgees shall on demand of the Pledgor release such part of the Security (*Sicherheitenfreigabe*) as the Pledgees may in their reasonable discretion determine so as to reduce the realisable value of the Security to the Limit.

## 8. DURATION AND INDEPENDENCE

8.1 Without prejudice to Clause 8.2, in no event shall the Pledges expire before and unless all Secured Obligations have been fully and finally discharged and

Term Loan: Account Pledge Agreement / Novelis Deutschland GmbH

there is no amount outstanding under the Secured Obligations, whether for principal, interest, fees, discounts or other costs, expenses, charges or otherwise.

- 8.2 The Pledges shall provide a continuing security and, to the largest extent possible under applicable law, no change or amendment whatsoever in and to the Secured Obligations and to any document relating to the Secured Obligations shall affect the validity of this Agreement nor shall it limit the obligations which are imposed on the Pledgor hereunder.
- 8.3 This Agreement is in addition to, and independent of, any other security or guarantee the Pledgees may now or hereafter hold in respect of the Secured Obligations. None of such security or guarantee shall prejudice, or shall be prejudiced by, the Pledges in any way.

#### **9. REPRESENTATIONS AND WARRANTIES**

The Pledgor represents and warrants (*sichert zu*) to each of the Pledgees by way of an independent guarantee (*selbständiges Garantiewersprechen*) that, at the date hereof:

- 9.1 except for the rights of the Trust Account Beneficiary with respect to the Trust Accounts created under the Trust Agreement, it is the unrestricted legal and economic owner of its respective Accounts;
- 9.2 except for the foreign accounts listed in Exhibit 1 to **Schedule 2** (which are not subject to the Pledges created herein, and the details of which are attached for informational purposes only), it does not own any other accounts in or outside the Federal Republic of Germany other than its respective Accounts;
- 9.3 the information provided in this Agreement relating to its respective Accounts is accurate and complete in all material respects;
- 9.4 except for the rights of the Trust Account Beneficiary with respect to the Trust Accounts created under the Trust Agreement, except for security for the ABL Credit Agreement, its respective Accounts are free from any liens, rights of retention (*Zurückbehaltungsrechte*), other encumbrances and other third party rights and except to the extent permitted as a Permitted Lien (as defined in the Term Loan Credit Agreement);

Term Loan: Account Pledge Agreement / Novelis Deutschland GmbH

- 9.5 the Pledges granted to the Pledgees will (upon effectiveness of this Agreement but subject to receipt of the executed schedule confirmation by the Account Banks) be subordinated only to the pledges over the Accounts created in connection with the ABL Credit Agreement but will rank ahead of any other current or future third party security interest over the Accounts (except for pledges over accounts to customers or other third parties in a manner permitted by Section 6.02 of the Term Loan Credit Agreement);
- 9.6 the Pledges constituted hereunder are valid and enforceable without enforceable judgment or other instrument (*vollstreckbarer Titel*) subject to any qualification in the legal opinion to be issued by the law firm of Noerr LLP in relation hereto; and
- 9.7 it has not ceased payments within the meaning of Section 17 (2), Sentence 2 of the German Insolvency Regulation, nor is it over-indebted within the meaning of Section 19 of the German Insolvency Regulation or in terms of the German generally accepted accounting principles (*Grundsätze ordnungsmäßiger Buchführung*), nor is it illiquid within the meaning of Section 17 of the German Insolvency Regulation, nor is its illiquidity imminent within the meaning of Section 18 of the German Insolvency Regulation.

#### 10. UNDERTAKINGS OF THE PLEDGOR

The Pledgor undertakes:

- 10.1 to notify promptly (*unverzüglich*), substantially in the form set out in **Schedule 3** (Notice of Pledge), its Account Banks of the creation of the Pledges, and to obtain from each such Account Bank a confirmation of receipt of notice *vis-à-vis* the Original Pledgee 1;
- 10.2 to ensure that its Account Banks release the Accounts from any charges (pledges, rights of retention, rights of set-off, etc.), including charges created pursuant to the respective Account Bank's standard terms and conditions (*Allgemeine Geschäftsbedingungen*), or subordinate such rights, by the relevant Account Bank signing a confirmation substantially in the form set out in **Schedule 4** (Form of Acknowledgement). It is understood among the Parties that a failure by an Account Bank to submit such confirmation to the Original Pledgee 1 does not affect the validity or enforceability of the Pledges;

Term Loan: Account Pledge Agreement / Novelis Deutschland GmbH

- 10.3 upon the occurrence of an Event of Default which is continuing, the Pledgor shall upon the request of the Collateral Agent, acting on behalf of the Pledgees, to deliver to the Collateral Agent information on the current status of the Accounts;
- 10.4 to provide (and to instruct the Account Banks to provide) the Collateral Agent, on behalf of the Pledgees, with all information, evidence and documentation which the Collateral Agent, acting on behalf of the Pledgees, may reasonably request in connection with the administration and realization of the Accounts. After any of the events described in Clauses 5.1 or 5.4 has occurred, (i) the Collateral Agent, acting on behalf of the Pledgees, is hereby authorized to obtain all information and documents (including bank account extracts and other information on the current status of the Accounts) directly from the Account Banks in its own name and at the Pledgor's costs, and (ii) the Pledgees and their designees are permitted to inspect, audit and make copies of, and extracts from, all records and all other papers in the possession of the Pledgor which pertain to the Accounts;
- 10.5 at the request of the Collateral Agent, acting on behalf of the Pledgees, to promptly (*unverzüglich*) grant to the Collateral Agent, on behalf of the Pledgees, pledges (substantially in the form of this Agreement) over any new accounts governed by German law. Notwithstanding the foregoing, accounts pledged to customers or other third parties in a manner permitted by Section 6.02 of the Term Loan Credit Agreement need not be pledged hereunder;
- 10.6 not to close or to terminate the Accounts except as permitted under, and under the conditions provided in the Term Loan Credit Agreement (including, for the avoidance of doubt, as permitted in connection with any changes to the Cash Pooling Arrangements);
- 10.7 not to transfer any of the Accounts to another bank or relocate any of the Accounts to another branch of the relevant Account Bank unless such transfer does not affect the Pledges and except as permitted under, and under the conditions provided in the Term Loan Credit Agreement (including, for the avoidance of doubt, as permitted in connection with any changes to the Cash Pooling Arrangements);
- 10.8 to obtain the Collateral Agent's written consent, unless otherwise provided in the Term Loan Credit Agreement (including, for the avoidance of doubt, as

Term Loan: Account Pledge Agreement / Novelis Deutschland GmbH

provided in connection with any changes to the Cash Pooling Arrangements), prior to the establishment of a new account, including any sub-account, re-designated account or re-numbered account pursuant to Clause 2.1.1(B) above. Upon the Pledgees' request, the Pledgor shall give all declarations and render all reasonable assistance which is necessary in order to perfect the Pledgees' pledge over the so established account;

- 10.9 not to create or permit to subsist any encumbrance, except for any Permitted Lien, over any of the Accounts, or knowingly do or permit to be done, anything which is likely to be expected to jeopardize or otherwise prejudice the existence, validity or ranking of the Pledges;
- 10.10 to inform the Collateral Agent, on behalf of the Pledgees, promptly (*unverzüglich*) upon gaining knowledge of any attachments (*Pfändungen*) of third parties that relate to the Accounts or any other third-party measures, except for the creation of a Permitted Lien, which impair or jeopardize the Pledges. In the event of any such attachment, the Pledgor shall provide the Collateral Agent with a copy of the attachment and/or transfer order (*Pfändungs- und/oder Überweisungsbeschluss*) and any other documents which the Collateral Agent, on behalf of the Pledgees, requests that are necessary or expedient for a defense against such attachment. In addition, the Pledgor shall inform the third party promptly (*unverzüglich*) in writing of the Pledges and render, at its own expense, to the Collateral Agent, acting on behalf of the Pledgees, all assistance required or expedient to protect its Pledges; and
- 10.11 The Pledgor shall, at its own expense, execute and do all such assurances, acts and things as the Collateral Agent, acting on behalf of the Pledgees, may reasonably require
  - 10.11.1 for perfecting or protecting the security under this Agreement; and

## 11. LIMITATION OF ENFORCEMENT

- 11.1 Subject to Clause 11.2 through Clause 11.6 below, the Collateral Agent shall not enforce the Pledges to the extent (i) the Pledges secure obligations of one of the Pledgor's shareholders or of an affiliated company (*verbundenes Unternehmen*) of a shareholder within the meaning of Section 15 of the German Stock Corporation Act (*Aktiengesetz*) (other than a Subsidiary of the Pledgor or the Pledgor itself), and (ii) the enforcement of the Pledges for such obligations would reduce, in violation of Section 30 of the German Limited Liability Companies Act (*GmbHG*), the net assets (assets minus liabilities minus provisions and liability reserves (*Reinvermögen*), in each case as calculated in accordance with generally accepted accounting principles in Germany (*Grundsätze ordnungsmäßiger Buchführung*) as consistently applied by the Pledgor in preparing its unconsolidated balance sheets (*Jahresabschluss gemäß § 42 GmbHG, §§ 242, 264 HGB*) of the Pledgor to an amount that is insufficient to maintain its registered share capital (*Stammkapital*) (or would increase an existing shortage in its net assets below its registered share capital); provided that for the purpose of determining the relevant registered share capital and the net assets, as the case may be:
- 11.1.1 The amount of any increase of the Pledgor's registered share capital (*Stammkapital*) implemented after the date of this Agreement that is effected without the prior written consent of the Collateral Agent shall be deducted from the registered share capital of the Pledgor;
  - 11.1.2 any loans provided to the Pledgor by a direct or indirect shareholder or an affiliate thereof (other than a Subsidiary of the Pledgor) shall be disregarded and not accounted for as a liability to the extent that such loans are subordinated pursuant to Section 39 (1) Nr. 1 through Nr. 5 of the German Insolvency Code (*Insolvenzordnung*) or subordinated in any other way by law or contract;
  - 11.1.3 any shareholder loans, other loans and contractual obligations and liabilities incurred by the Pledgor in violation of the provisions of any of the Loan Documents shall be disregarded and not accounted for as liabilities;
  - 11.1.4 any assets that are shown in the balance sheet with a book value that, in the opinion of the Collateral Agent, is significantly lower

Term Loan: Account Pledge Agreement / Novelis Deutschland GmbH

than their market value and that are not necessary for the business of the Pledgor (*nicht betriebsnotwendig*) shall be accounted for with their market value; and

11.1.5 the assets of the Pledgor will be assessed at liquidation values (*Liquidationswerte*) if, at the time the managing directors prepare the balance sheet in accordance with paragraph (b) below and absent the demand a positive going concern prognosis (*positive Fortbestehensprognose*) cannot be established.

11.2 The limitations set out in Clause 11.1 only apply:

11.2.1 If and to the extent that the managing directors of the Pledgor have confirmed in writing to the Collateral Agent within ten (10) Business Days of receipt of the Realization Notice or the commencement of enforcement under this Agreement the value of the Pledges which cannot be enforced without causing the net assets of the Pledgor to fall below its registered share capital, or increase an existing shortage in net assets below its registered share capital (taking into account the adjustments set out above) and such confirmation is supported by a current balance sheet and other evidence satisfactory to the Collateral Agent and neither the Collateral Agent nor any of the Secured Parties raises any objections against that confirmation within five (5) Business Days after its receipt; or

11.2.2 if, within twenty (20) Business Days after an objection under paragraph 11.2.1 has been raised by the Collateral Agent or a Secured Party, the Collateral Agent receives a written audit report ("**Auditor's Determination**") prepared at the expense of the Pledgor by a firm of auditors of international standing and reputation that is appointed by the Pledgor and reasonably acceptable to the Collateral Agent, to the extent such report identifies the amount by which the net assets of the Pledgor are necessary to maintain its registered share capital as at the date of the Realization Notice or the commencement of enforcement (taking into account the adjustments set out above). The Auditor's Determination shall be prepared in accordance with generally accepted accounting principles applicable in Germany (*Grundsätze ordnungsgemäßer Buchführung*) as consistently applied by the

Term Loan: Account Pledge Agreement / Novelis Deutschland GmbH

Pledgor in the preparation of its most recent annual balance sheet. The Auditor's Determination shall be binding for all Parties except for manifest error.

- 11.3 In any event, the Collateral Agent, for and on behalf of the Secured Parties, shall be entitled to enforce the Pledges up to those amounts that are undisputed between them and the Pledgor or determined in accordance with Clause 11.1 and Clause 11.2. In respect of the exceeding amounts, the Secured Parties shall be entitled to further pursue their claims (if any) and the Pledgor shall be entitled to provide evidence that the excess amounts are necessary to maintain its registered share capital (calculated as at the date of the Realization Notice or the commencement of enforcement and taking into account the adjustments set out above). The Secured Parties are entitled to pursue those parts of the Pledges that are not enforced by operation of Clause 11.1 above at any subsequent point in time. This Clause 11 shall apply again as of the time such additional enforcements are made.
- 11.4 Clause 11.1 shall not apply as to the amount of Loans borrowed and passed on (whether by way of shareholder loan or equity contribution) to the Pledgor or any of its Subsidiaries as long as the respective shareholder loan is outstanding or the respective equity contribution has not been dissolved or otherwise repaid, but excluding, for the avoidance of doubt, any purchase price payment received by the Pledgor under the Receivables Purchase Agreement.
- 11.5 Should it become legally permissible for managing directors of a German GmbH (*Gesellschaft mit beschränkter Haftung*, Limited Liability Company) to enter into guarantees in support of obligations of their shareholders without limitations, the limitations set forth in Clause 11.1 shall no longer apply. Should any such guarantees become subject to legal restrictions that are less stringent than the limitations set forth in Clause 11.1 above, such less stringent limitations shall apply. Otherwise, Clause 11.1 shall remain unaffected by changes in applicable law.
- 11.6 The limitations provided for in Clause 11.1 above shall not apply where (i) the Pledgor has a fully valuable (*vollwertig*) recourse claim (*Gegenleistungs- oder Rückgewähranspruch*) vis-à-vis the relevant shareholder or (ii) a domination agreement (*Beherrschungsvertrag*) or a profit and loss pooling agreement (*Ergebnisabführungsvertrag*) is or will be in existence with the Pledgor and the Pledgor has a fully valuable (*vollwertig*) recourse claim (*Ausgleichsanspruch*).

Term Loan: Account Pledge Agreement / Novelis Deutschland GmbH

## 12. ECONOMIC OWNERSHIP OF THE ACCOUNTS

The Pledgor hereby declares pursuant to Section 8 of the German Money Laundering Act (*Geldwäschegesetz*) (i) that it is the economic owner (*wirtschaftlicher Berechtigter*) of its Accounts other than the Trust Accounts and that it did not, and still does not, act for the account of third parties in connection with the establishment and the maintenance of such Accounts other than the Trust Accounts and (ii) that Novelis AG is the economic owner (*wirtschaftlicher Berechtigter*) of its Trust Accounts.

## 13. INTERCREDITOR AGREEMENT AND TERM LOAN CREDIT AGREEMENT

In the event of a direct conflict between the terms and provisions contained in this Agreement and the terms and provisions contained in the Term Loan Credit Agreement, it is the intention of the parties hereto that such terms and provisions in such documents shall be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of the Term Loan Credit Agreement shall govern and control. Notwithstanding anything herein to the contrary, the Collateral granted to the Collateral Agent, for the benefit of the Secured Parties, pursuant to this Agreement and the exercise of any right or remedy by the Collateral Agent and the other Secured Parties hereunder are subject to (a) the provisions of the intercreditor agreement, dated on or about December 17, 2010 (the "**Intercreditor Agreement**"), among the grantors party thereto; Bank of America, N.A., as Revolving Credit Administrative Agent and Revolving Credit Collateral Agent; and Bank of America, N.A., as Term Loan Administrative Agent and Term Loan Collateral Agent (each term as defined therein) and (b) the provisions of section 11.22 of the Term Loan Credit Agreement; for the avoidance of doubt, the in rem aspects of the security granted under this Agreement shall be exclusively governed by this Agreement. In the event of any conflict or inconsistency between the provisions of the Intercreditor Agreement and this Agreement, the provisions of the Intercreditor Agreement shall govern and control. Except as provided for in this paragraph, notwithstanding anything herein to the contrary, the Term Loan Credit Agreement, including Section 11.19 thereof, shall govern and control the exercise of remedies by Collateral Agent.

## **2. CREATION OF PLEDGES**

2.1 The Pledgor hereby pledges to each of the Pledgees:

2.1.1 any present and future credit balances, including interest, standing from time to time to the credit of,

(A) its Accounts;

(B) any present and future replacement accounts, sub-accounts, re-designated accounts and renumbered accounts which are opened or will be opened in the future in replacement of, or in connection with, its Accounts (including, for the

- avoidance of doubt, the Deutsche Bank Accounts to be opened after the date hereof); and
- 2.1.2 all other present and future rights to receive payments in connection with its Accounts, including claims for damages or unjust enrichment.
  - 2.2 Each of the Original Pledges hereby accepts the Pledges for itself.
  - 2.3 The Collateral Agent accepts, as representative without power of attorney (*Vertreter ohne Vertretungsmacht*) the respective Pledges for and on behalf of each Future Pledgee. Each Future Pledgee will ratify and confirm the declarations and acts so made by the Collateral Agent on its behalf by accepting the transfer or assignment (including by way of novation or assumption (*Vertragsübernahme*)) of the Secured Obligations (or part of them) from a Pledgee or by becoming party to any Loan Document. Upon such ratification (*Genehmigung*) such Future Pledgee becomes a party to this Agreement, it being understood that any future or conditional claim (*zukünftiger oder bedingter Anspruch*) of such Future Pledgee arising under the Term Loan Credit Agreement or any other Loan Document shall be secured by the Pledges constituted hereunder.
  - 2.4 All parties hereby confirm that the validity of the Pledges granted hereunder shall not be affected by the Collateral Agent acting as representative without power of attorney for each Future Pledgee.
  - 2.5 The validity and effect of each of the Pledges shall be independent of the validity and the effect of the other Pledges created hereunder. The Pledges to each of the Pledgees shall be separate and individual pledges ranking *pari passu* with the other Pledges created hereunder.
  - 2.6 The Pledges created hereunder shall be subordinated to any pledges created over the Accounts in connection with the ABL Credit Agreement, but shall rank ahead of any other security interest or third party right currently in existence or created in the future over any of the Accounts, including the Account Banks' pledges.
  - 2.7 Each of the Pledges is in addition, and without prejudice, to any other security the Pledgees may now or hereafter hold in respect of the Secured Obligations.

2.8 For the avoidance of doubt, the parties agree that nothing in this Agreement shall exclude a transfer of all or part of the Pledges created hereunder by operation of law upon the transfer or assignment (including by way of novation or assumption (*Vertragsübernahme*)) of all or part of the Secured Obligations by any Pledgee to a Future Pledgee.

### 3. SECURED OBLIGATIONS

The security created hereunder secures the payment of all Secured Obligations. The Pledgor hereby expressly agrees that the provisions of Section 1210 para. 1 sentence 2 of the German Civil Code shall not apply to this Agreement.

### 4. DISPOSALS OVER ACCOUNTS

4.1 In relation to the Account Banks, the Pledgor shall be authorized to dispose over (*verfügen*) its respective Accounts in the ordinary course of business. This authorization shall, in particular, include the right to withdraw and transfer funds from its respective Accounts. The Accounts may only be closed to the extent and under the conditions permitted under the Term Loan Credit Agreement (including, for the avoidance of doubt, as permitted in connection with any changes to the Cash Pooling Arrangements). The Pledgees, acting through the Collateral Agent, shall be entitled to revoke the authorization granted under this Clause 4 at any time after any of the events described in Clauses 5.1 or 5.4 has occurred.

4.2 Upon the occurrence of an Event of Default which is continuing, unremedied and unwaived, the Collateral Agent, on behalf of the Pledgees, shall irrevocably and at any and all times be entitled to (i) notify each Account Bank of the forthcoming enforcement of the Pledges and (ii) instruct each and every Account Bank that as of receipt of such notice it shall no longer allow any dispositions by the Pledgor over any amounts standing to the credit on the respective Account. The Collateral Agent shall notify the Pledgor accordingly.

### 5. REALISATION OF THE PLEDGES

5.1 The Pledges shall become enforceable if an Event of Default is continuing, unremedied and unwaived, the requirements set forth in Section 1273 para. 2, 1204 *et seq.* of the German Civil Code with regard to the enforcement of any of the Pledges are met (*Pfandreife*) and the Collateral Agent, acting on behalf of

the Pledgees, gives notice to the Pledgor that the Pledges in question are enforceable. After the Pledges have become enforceable, the Collateral Agent may in its absolute discretion enforce all or any part of these Pledges in any manner it sees fit.

- 5.2 The realization of the Pledges (or any part thereof) shall not require a prior court ruling or any other enforceable title (*vollstreckbarer Titel*). Section 1277 of the German Civil Code (*Bürgerliches Gesetzbuch*) is thus excluded.
  - 5.3 The Collateral Agent, acting on behalf of the Pledgees, shall be entitled to realize the Pledges — either in whole or in part — in any legally permissible manner.
  - 5.4 The Collateral Agent shall give the Pledgor at least 10 (ten) Business Days prior written notice of the intention to realize any of the Pledges (the “**Realization Notice**”). Such Realization Notice is not necessary if the observance of the notice period will have a materially adversely affect the security interests of the Pledgees. Such Realization Notice shall in particular not be required, if:
    - 5.4.1 the Pledgor ceases to make payments to third parties generally within the meaning of Section 190 para. 1 no. 2 of the Swiss Debt Collection and Bankruptcy Act);
    - 5.4.2 the Pledgor becomes over-indebted within the meaning of Section 725 para 2 of the Swiss Code of Obligations;
    - 5.4.3 the Pledgor files an application for the institution of insolvency proceedings or similar proceedings over its assets;
    - 5.4.4 any third party files an application for the institution of insolvency proceedings or similar proceedings over the assets of the Pledgor, provided such application is not unfounded; or
    - 5.4.5 a preliminary insolvency administrator or an insolvency administrator or any similar kind of receiver, liquidator or administrator has been appointed over the assets of the Pledgor.
-

- 5.5 If the Collateral Agent, acting on behalf of the Pledgees, decides not to enforce the Pledges over all of the Accounts, it shall be entitled to determine, in its sole discretion, which of the Accounts shall be realized.
- 5.6 The Collateral Agent, acting on behalf of the Pledgees, may take all measures and enter into all agreements with the Account Banks or any third-party creditor which it considers necessary or expedient in connection with the realization of the balances on the Accounts, taking into account the legitimate interests of the Pledgor. In particular, the Collateral Agent may, on behalf of the Pledgor, declare the termination of time deposits or similar contractual arrangements made in respect of the Accounts.
- 5.7 For the purpose of realizing the balances on the Accounts, the Pledgor shall, upon the Collateral Agent's request, acting on behalf of the Pledgees, promptly (*unverzüglich*) furnish the Collateral Agent with all documents of title and other relevant documents held by the Pledgor, and shall, at its own expense, forthwith render all assistance which is necessary or expedient in respect of the realization of the balances on the Accounts.
- 5.8 Following the realization of all or part of the Pledges, the net proceeds (net proceeds shall mean proceeds less any taxes and costs) shall be used to satisfy the Secured Obligations.

**6. WAIVER OF PLEDGORS' DEFENCES AND OF SUBROGATION RIGHTS**

- 6.1 The Pledgor hereby waives all defenses against enforcement that may be raised on the basis of potential avoidance (*Anfechtbarkeit*) and set-off pursuant to Sections 1211, 770 of the German Civil Code. This waiver shall not apply to a set-off with counterclaims that are (i) uncontested (*unbestritten*) or (ii) based on a binding non-appealable court decision (*rechtskräftig festgestellt*).
- 6.2 If the Pledges are enforced, or if the Pledgor has discharged any of the Secured Obligations (or any part of them), Section 1225 of the German Civil Code (legal subrogation of claims to a pledgor — *Forderungsübergang auf den Verpfänder*) shall not apply, and no rights of the Pledgees shall pass to the Pledgor by subrogation or otherwise. Further, the Pledgor shall not at any time before, on or after an enforcement of the Pledges and as a result of the Pledgor entering into this Agreement, be entitled to demand indemnification or

compensation from any Borrower, any Guarantor or any of its affiliates or to assign any of these claims.

## 7. RELEASE OF THE PLEDGES

- 7.1 Upon full and final satisfaction of all Secured Obligations, the Collateral Agent, acting on behalf of the Pledgees, shall at the cost and expense of the Pledgor confirm to the Pledgor in writing the release of the Pledges, do everything necessary to effect that release, and surrender the surplus proceeds, if any, resulting from any realization of the Pledges to the Pledgor. This shall not apply to the extent that the Pledgees have to surrender the Accounts or such proceeds to a third party who is entitled to the Accounts or to such proceeds. For the avoidance of doubt, the Parties are aware that, upon the complete and final satisfaction of all Secured Obligations, the Pledges will expire and cease to exist due to their accessory nature (*Akzessorietät*) by operation of German law. If the Collateral Agent is authorized to release in whole or in part any pledges under the Term Loan Credit Agreement, the Collateral Agent is authorized to release such Pledges under this Agreement.
- 7.2 At any time when the total value of the aggregate security granted by the Pledgor to secure the Secured Obligations (the “**Security**”) which can be expected to be realised in the event of an enforcement of the Security (*realisierbarer Wert*) exceeds 110% of the Secured Obligations (the “**Limit**”) not only temporarily, the Pledgees shall on demand of the Pledgor release such part of the Security (*Sicherheitenfreigabe*) as the Pledgees may in their reasonable discretion determine so as to reduce the realisable value of the Security to the Limit.

## 8. DURATION AND INDEPENDENCE

- 8.1 Without prejudice to Clause 8.2, in no event shall the Pledges expire before and unless all Secured Obligations have been fully and finally discharged and there is no amount outstanding under the Secured Obligations, whether for principal, interest, fees, discounts or other costs, expenses, charges or otherwise.
- 8.2 The Pledges shall provide a continuing security and, to the largest extent possible under applicable law, no change or amendment whatsoever in and to the Secured Obligations and to any document relating to the Secured

Obligations shall affect the validity of this Agreement nor shall it limit the obligations which are imposed on the Pledgor hereunder.

8.3 This Agreement is in addition to, and independent of, any other security or guarantee the Pledgees may now or hereafter hold in respect of the Secured Obligations. None of such security or guarantee shall prejudice, or shall be prejudiced by, the Pledges in any way.

#### **9. REPRESENTATIONS AND WARRANTIES**

The Pledgor represents and warrants (*sichert zu*) to each of the Pledgees by way of an independent guarantee (*selbständiges Garantieverprechen*) that, at the date hereof:

- 9.1 it is the unrestricted legal and economic owner of its respective German Accounts and is the unrestricted beneficial owner of the Trust Accounts;
- 9.2 it does not own any accounts in the Federal Republic of Germany other than its respective German Accounts and is not the beneficial owner of any other accounts in the Federal Republic of Germany other than its respective Trust Accounts;
- 9.3 the information provided in this Agreement relating to its respective Accounts is accurate and complete in all material respects;
- 9.4 its respective Accounts are free from any liens, rights of retention (*Zurückbehaltungsrechte*), other encumbrances and other third party rights (except the rights of Novelis Deutschland GmbH as owner of the Trust Accounts, except for security for the ABL Credit Agreements and except to the extent permitted as a Permitted Lien (as defined in the Term Loan Credit Agreement));
- 9.5 the Pledges granted to Pledgees will (upon effectiveness of this Agreement but subject to receipt of the executed schedule confirmation by the Account Banks) will be subordinated only to the pledges over the Accounts created in connection with the ABL Credit Agreement but will rank ahead of any other current or future third party security interest over the Accounts (except for pledges over accounts to customers or other third parties in a manner permitted by Section 6.02 of the Term Loan Credit Agreement);

- 9.6 the Pledges constituted hereunder are valid and enforceable without enforceable judgment or other instrument (*vollstreckbarer Titel*) subject to any qualification in the legal opinion to be issued by the law firm of Noerr LLP in relation hereto; and
- 9.7 it has not ceased payments within the meaning of Section 190 para. 1 no. 2 of the Swiss Debt Collection and Bankruptcy Act, nor is it over-indebted within the meaning of Section 725 para. no. 2 of the Swiss Code of obligations or in terms of the Swiss generally accepted accounting principles (*Grundsätze ordnungsmäßiger Buchführung*), nor it is unable, or has admitted inability, to pay its debts as they fall due and is not deemed to, or declared to be, unable to pay its debts.

#### 10. UNDERTAKINGS OF THE PLEDGOR

The Pledgor undertakes:

- 10.1 to notify promptly (*unverzüglich*), substantially in the form set out in **Schedule 3** (Notice of Pledge), its Account Banks of the creation of the Pledges over the Accounts, and to obtain from each such Account Bank a confirmation of the receipt of the notice *vis-à-vis* the Collateral Agent;
- 10.2 to ensure that its Account Banks release the Accounts from any charges (pledges, rights of retention, rights of set-off, etc.), including charges created pursuant to the respective Account Bank's standard terms and conditions (*Allgemeine Geschäftsbedingungen*), or subordinate such rights, by the relevant Account Bank signing a confirmation substantially in the form set out in **Schedule 4** (Form of Acknowledgement). It is understood among the Parties that a failure by an Account Bank to submit such confirmation to the Collateral Agent does not affect the validity or enforceability of the Pledges;
- 10.3 upon the occurrence of an Event of Default which is continuing, the Pledgor shall upon the request of the Collateral Agent, acting on behalf of the Pledgees, to deliver to the Collateral Agent information on the current status of the Accounts;
- 10.4 to provide (and to instruct the Account Banks to provide) the Collateral Agent, on behalf of the Pledgees, with all information, evidence and documentation which the Collateral Agent, acting on behalf of the Pledgees, may reasonably

request in connection with the administration and realization of the Accounts. After any of the events described in Clauses 5.1 or 5.4 has occurred, (i) the Collateral Agent, acting on behalf of the Pledgees, is hereby authorized to obtain all information and documents (including bank account extracts and other information on the current status of the Accounts) directly from the Account Banks in its own name and at the Pledgor's costs, and (ii) the Pledgees and their designees are permitted to inspect, audit and make copies of, and extracts from, all records and all other papers in the possession of the Pledgor which pertain to the Accounts;

- 10.5 at the request of the Collateral Agent, acting on behalf of the Pledgees, to promptly (*unverzüglich*) grant to the Collateral Agent, on behalf of the Pledgees, pledges (substantially in the form of this Agreement) over any new accounts governed by German law. Notwithstanding the foregoing, accounts pledged to customers or other third parties in a manner permitted by Section 6.02 of the Term Loan Credit Agreement need not be pledged hereunder;
- 10.6 not to close or to terminate the Accounts except as permitted under, and under the conditions provided in the Term Loan Credit Agreement (including, for the avoidance of doubt, as permitted in connection with any changes to the Cash Pooling Arrangements);
- 10.7 not to transfer any of the Accounts to another bank or relocate any of the Accounts to another branch of the relevant Account Bank unless such transfer does not affect the Pledges and except as permitted under, and under the conditions provided in the Term Loan Credit Agreement (including, for the avoidance of doubt, as permitted in connection with any changes to the Cash Pooling Arrangements);
- 10.8 to obtain the Collateral Agent's written consent, unless otherwise provided in the Term Loan Credit Agreement (including, for the avoidance of doubt, as provided in connection with any changes to the Cash Pooling Arrangements), prior to the establishment of a new account, including any sub-account, re-designated account or re-numbered account pursuant to Clause 2.1.1(B) above. Upon the Pledgees' request, the Pledgor shall give all declarations and render all reasonable assistance which is necessary in order to perfect the Pledgees' pledge over the so established account;

- 10.9 not to create or permit to subsist any encumbrance, except for any Permitted Lien, over any of the Accounts, or knowingly do or permit to be done, anything which is likely to be expected to jeopardize or otherwise prejudice the existence, validity or ranking of the Pledges;
- 10.10 to inform the Collateral Agent, on behalf of the Pledgees, promptly (*unverzüglich*) upon gaining knowledge of any attachments (*Pfändungen*) of third parties that relate to the Accounts or any other third-party measures, except for the creation of a Permitted Lien, which impair or jeopardize the Pledges. In the event of any such attachment, the Pledgor shall provide the Collateral Agent with a copy of the attachment and/or transfer order (*Pfändungs- und/oder Überweisungsbeschluss*) and any other documents which the Collateral Agent, on behalf of the Pledgees, requests that are necessary or expedient for a defense against such attachment. In addition, the Pledgor shall inform the third party promptly (*unverzüglich*) in writing of the Pledges and render, at its own expense, to the Collateral Agent, acting on behalf of the Pledgees, all assistance required or expedient to protect its Pledges; and
- 10.11 The Pledgor shall, at its own expense, execute and do all such assurances, acts and things as the Collateral Agent, acting on behalf of the Pledgees, may reasonably require
- 10.11.1.1 for perfecting or protecting the security under this Agreement; and
  - 10.11.1.2 in the case of the enforcement of security, to facilitate the realization of all or any part of the collateral which is subject to this Agreement and the exercise of all powers, authorities and discretions vested in the Pledgees.

## 11. LIMITATION OF ENFORCEMENT

If and to the extent (i) the obligations of the Pledgor under this Agreement are for the exclusive benefit of the Affiliates of the Pledgor (except for the (direct or indirect) Subsidiaries of the Pledgor) and (ii) that complying with such obligations would constitute a repayment of capital ("*Kapitalrückzahlung*") or the payment of a (constructive) dividend ("*Dividendenausschüttung*"), then the limitations set forth in Section 7.12 (Swiss Guarantors) of the Term Loan Credit Agreement shall apply to any enforcement of the Pledges and to the proceeds of such enforcement.

## 12. ECONOMIC OWNERSHIP OF THE ACCOUNTS

The Pledgor hereby declares pursuant to Section 8 of the German Money Laundering Act (*Geldwäschegesetz*) that (i) it is the economic owner (*wirtschaftlicher Berechtigter*) of its German Accounts and that it did not, and still does not, act for the account of third parties in connection with the establishment and the maintenance of the German Accounts, and that (ii) it is the economic owner (*wirtschaftlicher Berechtigter*) of the Trust Accounts owned by Novelis Deutschland GmbH.

## 13. INTERCREDITOR AGREEMENT AND TERM LOAN CREDIT AGREEMENT

In the event of a direct conflict between the terms and provisions contained in this Agreement and the terms and provisions contained in the Term Loan Credit Agreement, it is the intention of the parties hereto that such terms and provisions in such documents shall be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of the Term Loan Credit Agreement shall govern and control. Notwithstanding anything herein to the contrary, the Collateral granted to the Collateral Agent, for the benefit of the Secured Parties, pursuant to this Agreement and the exercise of any right or remedy by the Collateral Agent and the other Secured Parties hereunder are subject to (a) the provisions of the intercreditor agreement, dated on or about December 17, 2010 (the "**Intercreditor Agreement**"), among the grantors party thereto; Bank of America, N.A., as Revolving Credit Administrative Agent and Revolving Credit Collateral Agent; and Bank of America, N.A., as Term Loan Administrative Agent and Term Loan Collateral Agent (each term as defined therein) and (b) the provisions of section 11.22 of the Term Loan Credit Agreement; for the avoidance of doubt, the in rem aspects of the security granted under this Agreement shall be exclusively governed by this Agreement. In the event of any conflict or inconsistency between the provisions of the Intercreditor Agreement and this Agreement, the provisions of the Intercreditor Agreement shall govern and control. Except as provided for in this paragraph, notwithstanding anything herein to the contrary, the Term Loan Credit Agreement, including Section 11.19 thereof, shall govern and control the exercise of remedies by Collateral Agent.

**21. SEVERABILITY**

- 21.1 Should any provision of this Agreement be or become invalid or unenforceable, or should this Agreement be accidentally incomplete or become incomplete, this shall not affect the validity or enforceability of the remaining provisions hereof. Dear Sirs,

We acknowledge receipt of the above notice and confirm that we have neither received any previous notice of pledge relating to the Account nor are we aware of any third party rights in relation to the Account which rank in priority before the pledges over the Account granted to the Collateral Agent by the Pledgor, except for the pledges granted under the Account Pledge Agreement in connection with the ABL Credit Agreement dated on or about 17 December 2010 We have not assessed the validity of the pledge.

We hereby agree not to make any set-off or deduction from the Account or invoke any rights of retention in relation to the Account during the existence of the pledge, other than in relation to charges payable in connection with the maintenance of the Account or other bank charges or fees payable in the ordinary course of business or in relation to amounts arising from the return of direct debits or cheques credited to the above Account.

- 1.6 Any reference in this Agreement to a “**Clause**”, “**sub-clause**” or “**Schedule**” shall, subject to any contrary indication, be construed as a reference to a clause, a sub-clause or a schedule hereof.

## **2. CREATION OF PLEDGES**

2.1 The Pledgor hereby pledges to each of the Pledgees:

2.1.1 any present and future credit balances, including interest, standing from time to time to the credit of,

(A) its Accounts;

(B) any present and future replacement accounts, sub-accounts, re-designated accounts and renumbered accounts which are opened or will be opened in the future in replacement of, or in connection with, its Accounts (including, for the avoidance of doubt, the Deutsche Bank Accounts to be opened after the date hereof); and

2.1.2 all other present and future rights to receive payments in connection with its Accounts, including claims for damages or unjust enrichment.

2.2 Each of the Original Pledgees hereby accepts the Pledges for itself.

2.3 The Collateral Agent accepts, as representative without power of attorney (*Vertreter ohne Vertretungsmacht*) the respective Pledges for and on behalf of each Future Pledgee. Each Future Pledgee will ratify and confirm the declarations and acts so made by the Collateral Agent on its behalf by accepting the transfer or assignment (including by way of novation or assumption (*Vertragsübernahme*)) of the Secured Obligations (or part of them) from a Pledgee or by becoming party to any Loan Document. Upon such ratification (*Genehmigung*) such Future Pledgee becomes a party to this Agreement, it being understood that any future or conditional claim (*zukünftiger oder*

Term Loan: Account Pledge by Novelis Switzerland SA

*bedingter Anspruch*) of such Future Pledgee arising under the Term Loan Credit Agreement or any other Loan Document shall be secured by the Pledges constituted hereunder.

- 2.4 All parties hereby confirm that the validity of the Pledges granted hereunder shall not be affected by the Collateral Agent acting as representative without power of attorney for each Future Pledgee.
- 2.5 The validity and effect of each of the Pledges shall be independent of the validity and the effect of the other Pledges created hereunder. The Pledges to each of the Pledgees shall be separate and individual pledges ranking *pari passu* with the other Pledges created hereunder.
- 2.6 The Pledges created hereunder shall be subordinated to any pledges created over the Accounts in connection with the ABL Credit Agreement, but shall rank ahead of any other security interest or third party right currently in existence or created in the future over any of the Accounts, including the Account Banks' pledges.
- 2.7 Each of the Pledges is in addition, and without prejudice, to any other security the Pledgees may now or hereafter hold in respect of the Secured Obligations.
- 2.8 For the avoidance of doubt, the parties agree that nothing in this Agreement shall exclude a transfer of all or part of the Pledges created hereunder by operation of law upon the transfer or assignment (including by way of novation or assumption (*Vertragsübernahme*)) of all or part of the Secured Obligations by any Pledgee to a Future Pledgee.

### **3. SECURED OBLIGATIONS**

The security created hereunder secures the payment of all Secured Obligations. The Pledgor hereby expressly agrees that the provisions of Section 1210 para. 1 sentence 2 of the German Civil Code shall not apply to this Agreement.

### **4. DISPOSALS OVER ACCOUNT**

- 4.1 In relation to the Account Banks, the Pledgor shall be authorized to dispose over (*verfügen*) its Accounts in the ordinary course of business. This

Term Loan: Account Pledge by Novelis Switzerland SA

authorization shall, in particular, include the right to withdraw and transfer funds from the Accounts. The Accounts may only be closed to the extent and under the conditions permitted under the Term Loan Credit Agreement (including, for the avoidance of doubt, as permitted in connection with any changes to the Cash Pooling Arrangements). The Pledges, acting through the Collateral Agent, shall be entitled to revoke the authorization granted under this Clause 4 at any time after any of the events described in Clauses 5.1 or 5.4 has occurred.

4.2 Upon the occurrence of an Event of Default which is continuing, unremedied and unwaived, the Collateral Agent, on behalf of the Pledges, shall irrevocably and at any and all times be entitled to (i) notify each Account Bank of the forthcoming enforcement of the Pledges and (ii) instruct each and every Account Bank that as of receipt of such notice it shall no longer allow any dispositions by the Pledgor over any amounts standing to the credit on the Accounts. The Collateral Agent shall notify the Pledgor accordingly.

## 5. REALISATION OF THE PLEDGES

5.1 The Pledges shall become enforceable if an Event of Default is continuing, unremedied and unwaived, the requirements set forth in Section 1273 para. 2, 1204 *et seq.* of the German Civil Code with regard to the enforcement of any of the Pledges are met (*Pfandreife*) and the Collateral Agent, acting on behalf of the Pledges, gives notice to the Pledgor that the Pledges in question are enforceable. After the Pledges have become enforceable, the Collateral Agent may in its absolute discretion enforce all or any part of these Pledges in any manner it sees fit.

5.2 The realization of the Pledges (or any part thereof) shall not require a prior court ruling or any other enforceable title (*vollstreckbarer Titel*). Section 1277 of the German Civil Code (*Bürgerliches Gesetzbuch*) is thus excluded.

5.3 The Collateral Agent, acting on behalf of the Pledges, shall be entitled to realize the Pledges — either in whole or in part — in any legally permissible manner.

5.4 The Collateral Agent shall give the Pledgor at least 10 (ten) Business Days prior written notice of the intention to realize any of the Pledges (the “**Realization Notice**”). Such Realization Notice is not necessary if the

Term Loan: Account Pledge by Novelis Switzerland SA

observance of the notice period will have a materially adversely affect the security interests of the Pledgees. Such Realization Notice shall in particular not be required, if:

- 5.4.1 the Pledgor ceases to make payments to third parties generally within the meaning of Section 190 para. 1 no. 2 of the Swiss Debt Collection and Bankruptcy Act);
- 5.4.2 the Pledgor becomes over-indebted within the meaning of Section 725 para 2 of the Swiss Code of Obligations;
- 5.4.3 the Pledgor files an application for the institution of insolvency proceedings or similar proceedings over its assets;
- 5.4.4 any third party files an application for the institution of insolvency proceedings or similar proceedings over the assets of the Pledgor, provided such application is not unfounded; or
- 5.4.5 a preliminary insolvency administrator or an insolvency administrator or any similar kind of receiver, liquidator or administrator has been appointed over the assets of the Pledgor.
- 5.5 The Collateral Agent, acting on behalf of the Pledgees, may take all measures and enter into all agreements with the Account Banks or any third-party creditor which it considers necessary or expedient in connection with the realization of the balances on the Accounts, taking into account the legitimate interests of the Pledgor. In particular, the Collateral Agent may, on behalf of the Pledgor, declare the termination of time deposits or similar contractual arrangements made in respect of the Accounts.
- 5.6 For the purpose of realizing the balances on the Accounts, the Pledgor shall, upon the Collateral Agent's request, acting on behalf of the Pledgees, promptly (*unverzüglich*) furnish the Collateral Agent with all documents of title and other relevant documents held by the Pledgor, and shall, at its own expense, forthwith render all assistance which is necessary or expedient in respect of the realization of the balances on the Accounts.

Term Loan: Account Pledge by Novelis Switzerland SA

5.7 Following the realization of all or part of the Pledges, the net proceeds (net proceeds shall mean proceeds less any taxes and costs) shall be used to satisfy the Secured Obligations.

#### **6. WAIVER OF PLEDGORS' DEFENCES AND OF SUBROGATION RIGHTS**

6.1 The Pledgor hereby waives all defenses against enforcement that may be raised on the basis of potential avoidance (*Anfechtbarkeit*) and set-off pursuant to Sections 1211, 770 of the German Civil Code. This waiver shall not apply to a set-off with counterclaims that are (i) uncontested (*unbestritten*) or (ii) based on a binding non-appealable court decision (*rechtskräftig festgestellt*).

6.2 If the Pledges are enforced, or if the Pledgor has discharged any of the Secured Obligations (or any part of them), Section 1225 of the German Civil Code (legal subrogation of claims to a pledgor — *Forderungsübergang auf den Verpfänder*) shall not apply, and no rights of the Pledgees shall pass to the Pledgor by subrogation or otherwise. Further, the Pledgor shall not at any time before, on or after an enforcement of the Pledges and as a result of the Pledgor entering into this Agreement, be entitled to demand indemnification or compensation from any Borrower, any Guarantor or any of its affiliates or to assign any of these claims.

#### **7. RELEASE OF THE PLEDGES**

7.1 Upon full and final satisfaction of all Secured Obligations, the Collateral Agent, acting on behalf of the Pledgees, shall at the cost and expense of the Pledgor confirm to the Pledgor in writing the release of the Pledges, do everything necessary to effect that release, and surrender the surplus proceeds, if any, resulting from any realization of the Pledges to the Pledgor. This shall not apply to the extent that the Pledgees have to surrender the Accounts or such proceeds to a third party who is entitled to the Accounts or to such proceeds. For the avoidance of doubt, the Parties are aware that, upon the complete and final satisfaction of all Secured Obligations, the Pledges will expire and cease to exist due to their accessory nature (*Akzessorietät*) by operation of German law. If the Collateral Agent is authorized to release in whole or in part any pledges under the Term Loan Credit Agreement, the Collateral Agent is authorized to release such Pledge under this Agreement.

Term Loan: Account Pledge by Novelis Switzerland SA

7.2 At any time when the total value of the aggregate security granted by the Pledgor to secure the Secured Obligations (the “**Security**”) which can be expected to be realised in the event of an enforcement of the Security (*realisierbarer Wert*) exceeds 110% of the Secured Obligations (the “**Limit**”) not only temporarily, the Pledgees shall on demand of the Pledgor release such part of the Security (*Sicherheitenfreigabe*) as the Pledgees may in their reasonable discretion determine so as to reduce the realisable value of the Security to the Limit.

#### **8. DURATION AND INDEPENDENCE**

- 8.1 Without prejudice to Clause 8.2, in no event shall the Pledges expire before and unless all Secured Obligations have been fully and finally discharged and there is no amount outstanding under the Secured Obligations, whether for principal, interest, fees, discounts or other costs, expenses, charges or otherwise.
- 8.2 The Pledges shall provide a continuing security and, to the largest extent possible under applicable law, no change or amendment whatsoever in and to the Secured Obligations and to any document relating to the Secured Obligations shall affect the validity of this Agreement nor shall it limit the obligations which are imposed on the Pledgor hereunder.
- 8.3 This Agreement is in addition to, and independent of, any other security or guarantee the Pledgees may now or hereafter hold in respect of the Secured Obligations. None of such security or guarantee shall prejudice, or shall be prejudiced by, the Pledges in any way.

#### **9. REPRESENTATIONS AND WARRANTIES**

The Pledgor represents and warrants (*sichert zu*) to each of the Pledgees by way of an independent guarantee (*selbständiges Garantieverprechen*) that, at the date hereof:

- 9.1 it is the unrestricted legal and economic owner of the Accounts;
- 9.2 it does not own any other accounts in the Federal Republic of Germany other than the Accounts;

Term Loan: Account Pledge by Novelis Switzerland SA

- 9.3 the information provided in this Agreement relating to its Accounts is accurate and complete in all material respects;
- 9.4 its Accounts are free from any liens, rights of retention (*Zurückbehaltungsrechte*), other encumbrances and other third party rights (except for the lien as security for the ABL Credit Agreements and except to the extent permitted as a Permitted Lien (as defined in the Term Loan Credit Agreement));
- 9.5 the Pledges granted to the Pledgees will (upon effectiveness of this Agreement but subject to receipt of the executed schedule confirmation by the Account Banks) be subordinated only to the pledges over the Accounts created in connection with the ABL Credit Agreement but will rank ahead of any other current or future third party security interest over the Accounts (except for pledges over accounts to customers or other third parties in a manner permitted by Section 6.02 of the Term Loan Credit Agreement);
- 9.6 the Pledges constituted hereunder are valid and enforceable without enforceable judgment or other instrument (*vollstreckbarer Titel*) subject to any qualification in the legal opinion to be issued by the law firm of Noerr LLP in relation hereto; and

- 10.2 to ensure that its Account Banks releases the Accounts from any charges (pledges, rights of retention, rights of set-off, etc.), including charges created pursuant to the Account Bank's standard terms and conditions (*Allgemeine Geschäftsbedingungen*), or subordinate such rights, by the relevant Account Bank signing a confirmation substantially in the form set out in **Schedule 4** (Form of Acknowledgement). It is understood among the parties that a failure by an Account Bank to submit such confirmation to the Collateral Agent does not affect the validity or enforceability of the Pledges;
- 10.3 upon the occurrence of an Event of Default which is continuing, and upon the request of the Collateral Agent, acting on behalf of the Pledgees, to deliver to the Collateral Agent information on the current status of the Accounts;
- 10.4 to provide (and to instruct the Account Banks to provide) the Collateral Agent, on behalf of the Pledgees, with all information, evidence and documentation which the Collateral Agent, acting on behalf of the Pledgees, may reasonably request in connection with the administration and realization of the Accounts. After any of the events described in Clauses 5.1 or 5.4 has occurred, (i) the Collateral Agent, acting on behalf of the Pledgees, is hereby authorized to obtain all information and documents (including bank account extracts and other information on the current status of the Accounts) directly from the Account Banks in its own name and at the Pledgor's costs, and (ii) the Pledgees and their designees are permitted to inspect, audit and make copies of, and extracts from, all records and all other papers in the possession of the Pledgor which pertain to the Accounts;
- 10.5 at the request of the Collateral Agent, acting on behalf of the Pledgees, to promptly (*unverzüglich*) grant to the Collateral Agent, on behalf of the Pledgees, pledges (substantially in the form of this Agreement) over any new accounts governed by German law. Notwithstanding the foregoing, accounts pledged to customers or other third parties in a manner permitted by Section 6.02 of the Term Loan Credit Agreement need not be pledged hereunder;

Term Loan: Account Pledge by Novelis Switzerland SA

- 10.7 not to transfer the Accounts to another bank or relocate the Accounts to another branch of the relevant Account Bank unless such transfer does not affect the Pledges and except as permitted under, and under the conditions provided in the Term Loan Credit Agreement (including, for the avoidance of doubt, as permitted in connection with any changes to the Cash Pooling Arrangements);
- 10.8 to obtain the Collateral Agent's written consent, unless otherwise provided in the Term Loan Credit Agreement (including, for the avoidance of doubt, as provided in connection with any changes to the Cash Pooling Arrangements), prior to the establishment of a new account, including any sub-account, re-designated account or re-numbered account pursuant to Clause 2.1.1(B) above. Upon the Pledgees' request, the Pledgor shall give all declarations and render all reasonable assistance which is necessary in order to perfect the Pledgees' pledge over the so established account;
- 10.9 not to create or permit to subsist any encumbrance, except for any Permitted Lien, over the Accounts, or knowingly do or permit to be done, anything which is likely to be expected to jeopardize or otherwise prejudice the existence, validity or ranking of the Pledges;

In the event of any such attachment, the Pledgor shall provide the Collateral Agent with a copy of the attachment and/or transfer order (*Pfändungs- und/oder Überweisungsbeschluss*) and any other documents which the Collateral Agent, on behalf of the Pledgees, requests that are necessary or expedient for a defense against such attachment. In addition, the Pledgor shall inform the third party promptly (*unverzüglich*) in writing of the Pledges and render, at its own expense, to the Collateral Agent, acting on behalf of the Pledgees, all assistance required or expedient to protect its Pledges; and
- 10.11 The Pledgor shall, at its own expense, execute and do all such assurances, acts and things as the Collateral Agent, acting on behalf of the Pledgees, may reasonably require
- 10.11.1 for perfecting or protecting the security under this Agreement; and

If and to the extent (i) the obligations of the Pledgor under this Agreement are for the exclusive benefit of the Affiliates of the Pledgor (except for the (direct or indirect) Subsidiaries of the Pledgor) and (ii) that complying with such obligations would constitute a repayment of capital (“*Kapitalrückzahlung*”) or the payment of a (constructive) dividend (“*Dividendenausschüttung*”), then the limitations set forth in Section 7.12 (Swiss Guarantors) of the Term Loan Credit Agreement shall apply to any enforcement of the Pledges and to the proceeds of such enforcement.

#### **12. ECONOMIC OWNERSHIP OF THE ACCOUNTS**

In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of the Term Loan Credit Agreement shall govern and control. Notwithstanding anything herein to the contrary, the Collateral granted to the Collateral Agent, for the benefit of the Secured Parties, pursuant to this Agreement and the exercise of any right or remedy by the Collateral Agent and the other Secured Parties hereunder are subject to (a) the provisions of the intercreditor agreement, dated on or about December 17, 2010 (the “**Intercreditor Agreement**”), among the grantors party thereto; Bank of America, N.A., as Revolving Credit Administrative Agent and Revolving Credit Collateral Agent; and Bank of America, N.A., as Term Loan Administrative Agent and Term Loan Collateral Agent (each term as defined therein) and (b) the provisions of section 11.22 of the Term Loan Credit Agreement; for the avoidance of doubt, the in rem aspects of the security granted under this Agreement shall be exclusively governed by this Agreement. - 2.7 Each of the Pledges is in addition, and without prejudice, to any other security the Pledgees may now or hereafter hold in respect of the Secured Obligations.
- 2.8 For the avoidance of doubt, the parties agree that nothing in this Agreement shall exclude a transfer of all or part of the Pledges created hereunder by operation of law upon the transfer or assignment (including by way of

novation or assumption (*Vertragsübernahme*) of all or part of the Secured Obligations by any Pledgee to a Future Pledgee.

### **3. SECURED OBLIGATIONS**

The security created hereunder secures the payment of all Secured Obligations. The Pledgors hereby expressly agrees that the provisions of Section 1210 para. 1 sentence 2 of the German Civil Code shall not apply to this Agreement.

### **4. DISPOSALS OVER ACCOUNTS**

- 4.1 In relation to the Account Banks, each Pledgor shall be authorized to dispose over (*verfügen*) its respective Accounts in the ordinary course of business. This authorization shall, in particular, include the right to withdraw and transfer funds from its respective Accounts. The Accounts may only be closed to the extent and under the conditions permitted under the Term Loan Credit Agreement (including, for the avoidance of doubt, as permitted in connection with any changes to the Cash Pooling Arrangements). The Pledgees, acting through the Collateral Agent, shall be entitled to revoke the authorization granted under this Clause 4 at any time after any of the events described in Clauses 5.1 or 5.4 has occurred.
- 4.2 Upon the occurrence of an Event of Default which is continuing, unremedied and unwaived, the Collateral Agent, on behalf of the Pledgees, shall irrevocably and at any and all times be entitled to (i) notify each Account Bank of the forthcoming enforcement of the Pledges and (ii) instruct each and every Account Bank that as of receipt of such notice it shall no longer allow any dispositions by the relevant Pledgor over any amounts standing to the credit on the respective Account. The Collateral Agent shall notify the relevant Pledgor accordingly.

### **5. REALISATION OF THE PLEDGES**

- 5.1 The Pledges shall become enforceable if an Event of Default is continuing, unremedied and unwaived, the requirements set forth in Section 1273 para. 2, 1204 *et seq.* of the German Civil Code with regard to the enforcement of any of the Pledges are met (*Pfandreife*) and the Collateral Agent, acting on behalf of the Pledgees, gives notice to the relevant Pledgor that the Pledges in question are enforceable. After the Pledges have become enforceable, the

Collateral Agent may in its absolute discretion enforce all or any part of these Pledges in any manner it sees fit.

- 5.2 The realization of the Pledges (or any part thereof) shall not require a prior court ruling or any other enforceable title (*vollstreckbarer Titel*). Section 1277 of the German Civil Code (*Bürgerliches Gesetzbuch*) is thus excluded.
- 5.3 The Collateral Agent, acting on behalf of the Pledgees, shall be entitled to realize the Pledges — either in whole or in part — in any legally permissible manner.
- 5.4 The Collateral Agent shall give the relevant Pledgor at least 10 (ten) Business Days prior written notice of the intention to realize any of the Pledges (the “**Realization Notice**”). Such Realization Notice is not necessary if the observance of the notice period will have a materially adversely affect the security interests of the Pledgees. Such Realization Notice shall in particular not be required, if:
  - 5.4.1 the relevant Pledgor ceases to make payments to third parties generally (within the meaning of the relevant rules of the applicable insolvency regime);
  - 5.4.2 the relevant Pledgor becomes over-indebted (within the meaning of the relevant rules of the applicable insolvency regime);
  - 5.4.3 any Pledgor files an application for the institution of insolvency proceedings, examinerships or similar proceedings over its assets;
  - 5.4.4 any third party files an application for the institution of insolvency proceedings or similar proceedings over the assets of any Pledgor, provided such application is not unfounded; or
  - 5.4.5 a preliminary insolvency administrator or an insolvency administrator or any similar kind of receiver, liquidator or administrator has been appointed over the assets of any Pledgor.
- 5.5 If the Collateral Agent, acting on behalf of the Pledgees, decides not to enforce the Pledges over all of the Accounts, it shall be entitled to determine, in its sole discretion, which of the Accounts shall be realized.

- 5.6 The Collateral Agent, acting on behalf of the Pledgees, may take all measures and enter into all agreements with the Account Banks or any third-party creditor which it considers necessary or expedient in connection with the realization of the balances on the Accounts, taking into account the legitimate interests of the relevant Pledgor. In particular, the Collateral Agent may, on behalf of the Pledgors, declare the termination of time deposits or similar contractual arrangements made in respect of the Accounts.
- 5.7 For the purpose of realizing the balances on the Accounts, each Pledgor shall, upon the Collateral Agent's request, acting on behalf of the Pledgees, promptly (*unverzüglich*) furnish the Collateral Agent with all documents of title and other relevant documents held by the relevant Pledgor, and shall, at its own expense, forthwith render all assistance which is necessary or expedient in respect of the realization of the balances on the Accounts.
- 5.8 Following the realization of all or part of the Pledges, the net proceeds (net proceeds shall mean proceeds less any taxes and costs) shall be used to satisfy the Secured Obligations.

#### **6. WAIVER OF PLEDGORS' DEFENSES AND OF SUBROGATION RIGHTS**

- 6.1 The Pledgors hereby waive all defenses against enforcement that may be raised on the basis of potential avoidance (*Anfechtbarkeit*) and set-off pursuant to Sections 1211, 770 of the German Civil Code. This waiver shall not apply to a set-off with counterclaims that are (i) uncontested (*unbestritten*) or (ii) based on a binding non-appealable court decision (*rechtskräftig festgestellt*).
- 6.2 If the Pledges are enforced, or if a Pledgor has discharged any of the Secured Obligations (or any part of them), Section 1225 of the German Civil Code (legal subrogation of claims to a pledgor — *Forderungsübergang auf den Verpfänder*) shall not apply, and no rights of the Pledgees shall pass to the relevant Pledgor by subrogation or otherwise. Further, no Pledgor shall at any time before, on or after an enforcement of the Pledges and as a result of the relevant Pledgor entering into this Agreement, be entitled to demand indemnification or compensation from any Borrower, any Guarantor or any of its affiliates or to assign any of these claims.

## 7. RELEASE OF THE PLEDGES

- 7.1 Upon full and final satisfaction of all Secured Obligations, the Collateral Agent, acting on behalf of the Pledgees, shall at the cost and expense of the Pledgors confirm to the Pledgors in writing the release of the Pledges, do everything necessary to effect that release, and surrender the surplus proceeds, if any, resulting from any realization of the Pledges to the relevant Pledgor. This shall not apply to the extent that the Pledgees have to surrender the Accounts or such proceeds to a third party who is entitled to the Accounts or to such proceeds. For the avoidance of doubt, the Parties are aware that, upon the complete and final satisfaction of all Secured Obligations, the Pledges will expire and cease to exist due to their accessory nature (*Akzessorietät*) by operation of German law. If the Collateral Agent is authorized to release in whole or in part any of the pledges under the Term Loan Credit Agreement, the Collateral Agent is authorized to release the Pledges under this Agreement.
- 7.2 At any time when the total value of the aggregate security granted by a Pledgor to secure the Secured Obligations (the "**Security**") which can be expected to be realised in the event of an enforcement of the Security (*realisierbarer Wert*) exceeds 110% of the Secured Obligations (the "**Limit**") not only temporarily, the Pledgees shall on demand of such Pledgor release such part of the Security (*Sicherheitenfreigabe*) as the Pledgees may in their reasonable discretion determine so as to reduce the realisable value of the Security to the Limit.

## 8. DURATION AND INDEPENDENCE

- 8.1 Without prejudice to Clause 8.2, in no event shall the Pledges expire before and unless all Secured Obligations have been fully and finally discharged and there is no amount outstanding under the Secured Obligations, whether for principal, interest, fees, discounts or other costs, expenses, charges or otherwise.
- 8.2 The Pledges shall provide a continuing security and, to the largest extent possible under applicable law, no change or amendment whatsoever in and to the Secured Obligations and to any document relating to the Secured Obligations shall affect the validity of this Agreement nor shall it limit the obligations which are imposed on the Pledgors hereunder.

8.3 This Agreement is in addition to, and independent of, any other security or guarantee the Pledgees may now or hereafter hold in respect of the Secured Obligations. None of such security or guarantee shall prejudice, or shall be prejudiced by, the Pledges in any way.

## 9. REPRESENTATIONS AND WARRANTIES

Each Pledgor represents and warrants (*sichert zu*) to each of the Pledgees by way of an independent guarantee (*selbständiges Garantieverprechen*) that, at the date hereof:

- 9.1 it is the unrestricted legal and economic owner of its respective Accounts;
- 9.2 it does not own any other accounts in the Federal Republic of Germany other than the Accounts;
- 9.3 the information provided in this Agreement relating to its respective Accounts is accurate and complete in all material respects;
- 9.4 except for any security for the ABL Credit Agreement or to the extent permitted as a Permitted Lien (as defined in the Term Loan Credit Agreement), its respective Accounts are free from any liens, rights of retention (*Zurückbehaltungsrechte*), other encumbrances and other third party rights ;
- 9.5 the Pledges granted by it to the Pledgees will (upon effectiveness of this Agreement but subject to receipt of the executed schedule confirmation by the Account Banks) be subordinated only to the pledges over the Accounts created in connection with the ABL Credit Agreement but will rank ahead of any other current or future third party security interest over the Accounts (except for pledges over accounts to customers or other third parties in a manner permitted by Section 6.02 of the Term Loan Credit Agreement);
- 9.6 the Pledges constituted by it hereunder are valid and enforceable without enforceable judgment or other instrument (*vollstreckbarer Titel*) subject to any qualification in the legal opinion to be issued by the law firm of Noerr LLP in relation hereto; and
- 9.7 it has not ceased payments within the meaning of the relevant rules of the applicable insolvency regime nor is it over-indebted within the meaning of the

relevant rules of the applicable insolvency regime, nor is it illiquid/imminently illiquid within the meaning of the relevant rules of the applicable insolvency regime.

## 10. UNDERTAKINGS OF THE PLEDGORS

Each Pledgor undertakes:

- 10.1 to notify promptly (*unverzüglich*), substantially in the form set out in **Schedule 3** (Notice of Pledge), its Account Banks of the creation of the Pledges, and to obtain from each such Account Bank a confirmation of receipt of notice *vis-à-vis* the Collateral Agent;
- 10.2 to ensure that its Account Banks release the Accounts from any charges (pledges, rights of retention, rights of set-off, etc.), including charges created pursuant to the respective Account Bank's standard terms and conditions (*Allgemeine Geschäftsbedingungen*), or subordinate such rights, by the relevant Account Bank signing a confirmation substantially in the form set out in **Schedule 4** (Form of Acknowledgement). It is understood among the Parties that a failure by an Account Bank to submit such confirmation to the Collateral Agent does not affect the validity or enforceability of the Pledges;
- 10.3 upon the occurrence of an Event of Default which is continuing, the relevant Pledgor shall upon the request of the Collateral Agent, acting on behalf of the Pledgees, deliver to the Collateral Agent information on the current status of the Accounts;
- 10.4 to provide (and to instruct the Account Banks to provide) the Collateral Agent, on behalf of the Pledgees, with all information, evidence and documentation which the Collateral Agent, acting on behalf of the Pledgees, may reasonably request in connection with the administration and realization of the Accounts. After any of the events described in Clauses 5.1 or 5.4 has occurred, (i) the Collateral Agent, acting on behalf of the Pledgees, is hereby authorized to obtain all information and documents (including bank account extracts and other information on the current status of the Accounts) directly from the Account Banks in its own name and at the Pledgors' costs, and (ii) the Pledgees and their designees are permitted to inspect, audit and make copies of, and extracts from, all records and all other papers in the possession of the Pledgors which pertain to the Accounts;

- 10.5 at the request of the Collateral Agent, acting on behalf of the Pledgees, to promptly (*unverzüglich*) grant to the Collateral Agent, on behalf of the Pledgees, pledges (substantially in the form of this Agreement) over any new accounts governed by German law. Notwithstanding the foregoing, accounts pledged to customers or other third parties in a manner permitted by Section 6.02 of the Term Loan Credit Agreement need not be pledged hereunder;
- 10.6 not to close or to terminate the Accounts except as permitted under, and under the conditions provided in the Term Loan Credit Agreement (including, for the avoidance of doubt, as permitted in connection with any changes to the Cash Pooling Arrangements);
- 10.7 not to transfer any of the Accounts pledged by it to another bank or relocate any of the Accounts pledged by it to another branch of the relevant Account Bank unless such transfer does not affect the Pledges and except as permitted under, and under the conditions provided in the Term Loan Credit Agreement (including, for the avoidance of doubt, as permitted in connection with any changes to the Cash Pooling Arrangements);
- 10.8 to obtain the Collateral Agent's written consent, unless otherwise provided in the Term Loan Credit Agreement (including, for the avoidance of doubt, as provided in connection with any changes to the Cash Pooling Arrangements), prior to the establishment of a new account, including any sub-account, re-designated account or re-numbered account pursuant to Clause 2.1.1(B) above. Upon the Pledgees' request, each Pledgor shall give all declarations and render all reasonable assistance which is necessary in order to perfect the Pledgees' pledge over the so established account;
- 10.9 not to create or permit to subsist any encumbrance, except for any Permitted Lien, over any of the Accounts, or knowingly do or permit to be done, anything which is likely to be expected to jeopardize or otherwise prejudice the existence, validity or ranking of the Pledges;
- 10.10 to inform the Collateral Agent, on behalf of the Pledgees, promptly (*unverzüglich*) upon gaining knowledge of any attachments (*Pfändungen*) of third parties that relate to the Accounts or any other third-party measures, except for the creation of a Permitted Lien, which impair or jeopardize the Pledges. In the event of any such attachment, the relevant Pledgor shall provide the Collateral Agent with a copy of the attachment and/or transfer

order (*Pfändungs- und/oder Überweisungsbeschluss*) and any other documents which the Collateral Agent, on behalf of the Pledgees, requests that are necessary or expedient for a defense against such attachment. In addition, the relevant Pledgor shall inform the third party promptly (*unverzüglich*) in writing of the Pledges and render, at its own expense, to the Collateral Agent, acting on behalf of the Pledgees, all assistance required or expedient to protect its Pledges; and

10.11 each Pledgor shall, at its own expense, execute and do all such assurances, acts and things as the Collateral Agent, acting on behalf of the Pledgees, may reasonably require

10.11.1 for perfecting or protecting the security under this Agreement; and

10.11.2 in the case of the enforcement of security, to facilitate the realization of all or any part of the collateral which is subject to this Agreement and the exercise of all powers, authorities and discretions vested in the Pledgees.

#### **11. ECONOMIC OWNERSHIP OF THE ACCOUNTS**

Each Pledgor hereby declares pursuant to Section 8 of the German Money Laundering Act (*Geldwäschegesetz*) that it is the economic owner (*wirtschaftlicher Berechtigter*) of its Accounts and that it did not, and still does not, act for the account of third parties in connection with the establishment and the maintenance of such Accounts.

#### **12. INTERCREDITOR AGREEMENT AND TERM LOAN CREDIT AGREEMENT**

In the event of a direct conflict between the terms and provisions contained in this Agreement and the terms and provisions contained in the Term Loan Credit Agreement, it is the intention of the parties hereto that such terms and provisions in such documents shall be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of the Term Loan Credit Agreement shall govern and control. Notwithstanding anything herein to the contrary, the Collateral granted to the Collateral Agent, for the benefit of the Secured Parties, pursuant to this Agreement and the exercise of any right or remedy by the Collateral Agent and the other Secured Parties hereunder are subject to (a) the provisions of the intercreditor agreement, dated on or about December 17, 2010 (the “**Intercreditor**”

**Agreement**”), among the grantors party thereto; Bank of America, N.A., as Revolving Credit Administrative Agent and Revolving Credit Collateral Agent; and Bank of America, N.A., as Term Loan Administrative Agent and Term Loan Collateral Agent (each term as defined therein) and (b) the provisions of section 11.22 of the Term Loan Credit Agreement; for the avoidance of doubt, the in rem aspects of the security granted under this Agreement shall be exclusively governed by this Agreement. In the event of any conflict or inconsistency between the provisions of the Intercreditor Agreement and this Agreement, the provisions of the Intercreditor Agreement shall govern and control. Except as provided for in this paragraph, notwithstanding anything herein to the contrary, the Term Loan Credit Agreement, including Section 11.19 thereof, shall govern and control the exercise of remedies by Collateral Agent.

**Acknowledgement of Receipt of Notification of Pledge according to Account Pledge Agreement dated ( ) — Bank Account No. ( )**

Dear Sirs,

We acknowledge receipt of the above notice and confirm that we have neither received any previous notice of pledge relating to the Account nor are we aware of any third party rights in relation to the Account which rank in priority before the pledges over the Account granted to the Collateral Agent by the Pledgor, except for the pledges granted under the Account Pledge Agreement in connection with the ABL Credit Agreement dated on or about 17 December 2010 We have not assessed the validity of the pledge.

We hereby agree not to make any set-off or deduction from the Account or invoke any rights of retention in relation to the Account during the existence of the pledge, other than in relation to charges payable in connection with the maintenance of the Account or other bank charges or fees payable in the ordinary course of business or in relation to amounts arising from the return of direct debits or cheques credited to the above Account.

We agree that the pledge in our favor over the Account granted pursuant to our General Business Conditions shall rank behind all the pledges over the Account granted to the Collateral Agent by the Pledgor pursuant to the Account Pledge Agreement dated December 17, 2010 of which we have been notified by the Pledgor.

We take note of the fact that until notice to the contrary from the Collateral Agent to be served to us as Account Bank, the Pledgor may continue to operate the Account and in particular may dispose over the amounts standing to the credit of the Account.

- 2.2 The Collateral Agent who is acting as Collateral Agent for and on behalf of the Secured Parties hereby accepts the assignment and transfer of the Collateral and of the present and future rights relating thereto.
- 2.3 Title to present Collateral shall pass over to the Collateral Agent upon execution of this Agreement and all future Collateral shall be assigned and transferred to the Collateral Agent upon its creation.

- 2.5 Delivery of possession of physical evidence of the Collateral to the Collateral Agent is hereby replaced by the agreement that the Transferor holds such physical evidence in gratuitous custody (*unentgeltliche Vewahrung*) for the Collateral Agent (*Besitzkonstitut*). The Transferor further assigns all present and future claims against third parties obtaining actual possession of such physical evidence to the Collateral Agent who accepts such assignment.
- 2.6 Notwithstanding anything else contained herein, it is hereby clarified that the security assignment agreed hereunder shall be construed and interpreted to the effect that the Collateral Agent is not granted an assignment of any Canadian Intellectual Property, United States Intellectual Property, or United Kingdom Intellectual Property, but is pledged and granted a lien on, and security interest in — or, in the case of the United Kingdom Intellectual Property, a first fixed charge over — such Intellectual Property, in accordance with the applicable local laws. The foregoing shall be without prejudice to the provisions agreed hereunder, which shall apply to such pledge, lien, and security interest *mutatis mutandis*.

In all other respects, the terms of this Agreement shall prevail over the US Patent Security Agreement and the US Trademark Security Agreement in the event of contradictions.
- 2.8 The Collateral Agent and the Transferor shall enter into a security agreement governed by the laws of England and Wales under which the Transferor will grant a fixed charge over United Kingdom Intellectual Property.
- 3. Use of the Collateral/License**
- 3.1 Until the realization of the Collateral pursuant to Clause 9 (Right to Realization), the Transferor shall be entitled to use the Collateral in the ordinary course of business and on arm’s length terms. For this purpose, the Collateral Agent hereby grants to the Transferor an exclusive license (which shall only be transferable and sublicensable with the prior written consent of the Collateral Agent or as otherwise permitted by the Credit Agreements) to use the Collateral which has been assigned to the Collateral Agent without any royalties being due therefore. Such license shall be granted without any warranty or representation whatsoever with respect to the existence, validity, merchantability of the respective rights and freedom from third party rights to the Collateral. - 5.4 The Transferor may deliver any Updated Collateral Lists on a CD-Rom as a Microsoft Excel file or any other readable and compatible electronic medium satisfactory by the Collateral Agent.

#### 6. BOOKKEEPING AND DATA PROCESSING

- 6.1 If any information or documents which are necessary to identify the Collateral have been handed over by the Transferor to a third party for its bookkeeping, the Transferor hereby assigns to the Collateral Agent, who accepts such assignment, its right to demand from such third party the return of such information or documents. The Collateral Agent may only exercise the right to demand referred to above upon becoming entitled, in accordance with Clause 9 (Right of Realization) hereof, to enforce the security interest created hereunder and at any time thereafter. Upon the Collateral Agent becoming entitled to exercise the right to demand, the Transferor hereby undertakes to then instruct the third party to provide the Collateral Agent upon the Collateral Agent demand with such information and documents which are necessary to enforce the security created hereby.

6.2 If details concerning the Collateral or any part thereof have been stored in an electronic data processing system or on a disk, then on the Collateral Agent becoming entitled, in accordance with Clause 9 (Right of Realization) hereof, to enforce the security interest created hereunder and at all times thereafter, the Transferor shall allow the Collateral Agent access to such computer system or disk, including the peripheral equipment and all data concerning the Collateral or the relevant part thereof to the extent necessary or expedient to enforce the security interests created hereunder. In addition, software operators and other required personnel shall be made available to the extent reasonably required and any assistance required shall be provided to the Collateral Agent. If a third party handles the electronic processing of data, the Transferor hereby assigns to the Collateral Agent, who accepts such assignment, all rights against such third party relating to such access and services. The Collateral Agent may only exercise the rights referred to above upon becoming entitled, in accordance with Clause 9 (Right of Realization) hereof, to enforce the security interest created hereunder and at any time thereafter. Upon the Collateral Agent becoming entitled to exercise the rights vis-à-vis a third party as referred to above, the Transferor hereby undertakes to then instruct such third party to handle the processing of data on behalf of the Collateral Agent upon its request, provided that the Transferor shall be given access to any data it requires in its ordinary course of business.

#### **7. RIGHT OF INSPECTION**

7.1 The Transferor undertakes to provide the Collateral Agent promptly at its reasonable request with all information and documents which are necessary for perfecting and/or enforcing the security created hereby.

7.2 The Transferor permits the representative designated by the respective Administrative Agent during the term of this Agreement and in reasonable intervals, to inspect upon reasonable notice its records during normal business hours, or to have them inspected by a duly authorized representative for the purpose of inspecting and checking any of the Collateral, in accordance with the provisions in the Credit Agreement.

#### **8. REGISTRATION OF THE COLLATERAL**

8.1 At the reasonable request of the Collateral Agent in order to protect its legitimate interests, the Transferor shall execute and deliver to the Collateral Agent without undue delay (however, not later than forty five (45) Business Days after such request) declarations of consent which must be certified (*notariell beglaubigte Übertragungserklärungen*) or in writing, each substantially in the form of Schedule 8 hereto, as required for the registration of the assignment, pledge or lien — as the case may be in the respective jurisdiction — of the material Collateral to the Collateral Agent in the US, the UK, Canada, Switzerland and Germany, and IP registries covering the European Union, to the exclusion of any other jurisdiction.

8.2 At the reasonable request of the Collateral Agent in order to protect its legitimate interests (however, not later than forty five (45) Business Days after such request), and subject to the proviso below, the Transferor shall execute, deliver, and submit to the relevant government office(s) for filing or registration, and pay the requisite fee for such filing or registration, all documents reasonably requested by the Collateral Agent and necessary to validate or perfect the security interest of the Collateral Agent created hereunder for the Secured Parties in any material Collateral that the Transferor owns in Switzerland, Canada, the UK and the US, and IP registries covering the European Union ,to the exclusion of any other jurisdiction. In particular:

- (i) with respect to Collateral established under U.S. law, other than abandoned Collateral, the Transferor will (a) execute, deliver, and submit an agreement substantially in the form of the US Patent Security Agreement or the US Trademark Security Agreement, as applicable, for recording in the U.S. Patent and Trademark Office and U.S. Copyright Office with respect to the United States Intellectual Property which is the subject of an application or issued registration, (b) execute and deliver and file Form UCC-1s in the applicable Secretary of State's Office and (c) record in the U.S. Patent and Trademark Office and U.S. Copyright Office, as applicable, documentation necessary to bring title to such material Collateral current into the name of the Transferor;

such documents and instruments for recording the security granted to the Collateral Agent hereunder;

provided that, in each of the foregoing sub-clauses (iii) and (iv), the cost of recording such documents and instruments, or of bringing the title to such material Collateral current, is not unreasonable when compared to the value of the Collateral and its materiality to the business of the Transferor.

- 8.3 Upon the occurrence of an Event of Default which is continuing, unremedied and unwaived, the Collateral Agent shall be entitled to be registered in the public registers of all jurisdictions other than set forth in sub-clause 8.2, subject to the specific requirements of each jurisdiction, either as the owner of the Collateral (for example in Germany) or as the pledgee of the Collateral, as the case may be. Insofar as additional declarations or actions by the Transferor are necessary for the transfer of title or the establishment of a pledge in the Collateral to the Collateral Agent, the Transferor shall, upon the Collateral Agent's request, make such declarations and undertake such actions at its own expense. The foregoing is not intended to limit any rights that the Collateral Agent may have with respect to the realization of any security granted hereunder in any jurisdiction upon the occurrence of an Event of Default which is continuing, unremedied and unwaived.
- 8.4 Without limiting any of the Collateral Agent's rights under Clause 9 (Right to Realization) hereof, the Collateral Agent shall, in the event of its registration as owner of the Collateral and to the extent reasonable, maintain the Collateral at the expense of the Transferor and exercise the rights deriving from the Collateral at the expense of the Transferor.

- 9.1 The Collateral Agent shall be entitled to terminate the license granted pursuant to Clause 3 hereof with immediate effect and to enforce this Agreement and realize the Collateral, subject to the limitations set forth in Clause 10 (Preservation of the Transferor's Nominal Share Capital). Following the termination of the license granted pursuant to Clause 3 hereof, the Transferor agrees not to assert against the Collateral Agent, the Collateral Agent's licensees (if any) or acquirers of the Collateral or any other legal successor to the Collateral or parts thereof, any rights which would limit or preclude a realization or use of the Collateral or parts thereof. In particular, without limitation, the Transferor shall not assert any rights out of its company name against the use of the Trademarks.

- 9.2 The Collateral Agent has the right to sell the Collateral or part thereof by way of private sale (*freier Verkauf*) (or in respect of rights under Licenses also to notify the licensees of the assignment or other rights granted hereunder and to collect any payment claims thereunder) to the extent necessary to satisfy any outstanding Secured Obligations.
- 9.3 In the case of a realization of the Collateral, the Transferor shall promptly provide the Collateral Agent with all documents of title and other documents relating to the Collateral and shall render all assistance which is necessary in respect of such realization.
- 9.4 When realizing the Collateral, the Collateral Agent may take all measures and enter into all agreements which it considers necessary or expedient in connection therewith, taking into account legitimate interests of the Transferor. The Collateral Agent may request the Transferor to sell the Collateral for and on behalf of the Collateral Agent or in strict accordance with the Collateral Agent's directions and the Transferor shall promptly comply with such request or directions. Any proceeds derived by the Transferor of such sale shall be delivered to the Collateral Agent without undue delay.

- 9.6 The Collateral Agent will notify the Transferor in writing at least ten (10) Business Days prior to the realization of the Collateral (the "**Realization Notice**"). Such Realization Notice is not necessary if the observance of the notice period will materially adversely affect the security interests of the Secured Parties. Such Realization Notice shall in particular not be required if:

- 9.6.1 the Transferor ceases to make payments to third parties generally (within the meaning of Section 17 (2), Sentence 2 of the German Insolvency Regulation, *Insolvenzordnung*);
- 9.6.2 the Transferor becomes over-indebted (within the meaning of Section 19 of the German Insolvency Regulation), or illiquid (within the meaning of Section 17 of the German Insolvency Regulation);

#### **10. PRESERVATION OF TRANSFEROR'S NOMINAL SHARE CAPITAL**

- 10.1 Subject to Clause 10.2 through Clause 10.6 below, the Collateral Agent shall not enforce the Collateral to the extent (i) the Collateral secures obligations of one of the Transferor's shareholders or of an affiliated company (*verbundenes Unternehmen*) of a shareholder within the meaning of Section 15 of the German Stock Corporation Act (*Aktiengesetz*) (other than a Subsidiary of the Transferor, or the Transferor itself), and (ii) the enforcement of the Collateral for such obligations would reduce, in violation of Section 30 of the German Limited Liability Companies Act (*GmbHG*), the net assets (assets minus liabilities minus provisions and liability reserves (*Reinvermögen*), in each case as calculated in accordance with generally accepted accounting principles in Germany (*Grundsätze ordnungsmäßiger Buchführung*) as consistently applied) of the Transferor to an amount that is insufficient to maintain its registered share capital (*Stammkapital*) (or would increase an existing shortage in its net assets below its registered share capital); provided that for the purpose of determining the relevant registered share capital and the net assets, as the case may be:
  - 10.1.1 The amount of any increase of the Transferor's registered share capital (*Stammkapital*) implemented after the date of this Agreement that is effected without the prior written consent of the Collateral Agent shall be deducted from the registered share capital of the Transferor;
  - 10.1.2 any loans provided to the Transferor by a direct or indirect shareholder or an affiliate thereof (other than a Subsidiary of the Transferor) shall be disregarded and not accounted for as a liability to the extent that such loans

- 10.1.3 any shareholder loans, other loans and contractual obligations and liabilities incurred by the Transferor in violation of the provisions of any of the Loan Documents shall be disregarded and not accounted for as liabilities;
- 10.1.4 any assets that are shown in the balance sheet with a book value that, in the opinion of the Collateral Agent, is significantly lower than their market value and that are not necessary for the business of the Transferor (*nicht betriebsnotwendig*) shall be accounted for with their market value; and
- 10.1.5 the assets of the Transferor will be assessed at liquidation values (*Liquidationswerte*) if, at the time the managing directors prepare the balance sheet in accordance with Clause 10.2.1 below and absent the demand a positive going concern prognosis (*positive Fortbestehensprognose*) cannot be established.

10.2 The limitations set out in Clause 10.1 only apply:

- 10.2.1 if and to the extent that the managing directors of the Transferor have confirmed in writing to the Collateral Agent within ten (10) Business Days a Realization Notice or the commencement of enforcement under this Agreement the value of the Collateral which cannot be enforced without causing the net assets of the Transferor to fall below its registered share capital, or increase an existing shortage in net assets below its registered share capital (taking into account the adjustments set out above) and such confirmation is supported by a current balance sheet and other evidence satisfactory to the Collateral Agent and neither the Collateral Agent nor any of the Secured Parties raises any objections against that confirmation within five (5) Business Days after its receipt; or
- 10.2.2 if, within twenty (20) Business Days after an objection under Clause 10.2.1 has been raised by the Collateral Agent or a Secured Party, the Collateral Agent receives a written audit report (“**Auditor’s Determination**”) prepared at the expense of the Transferor by a firm of auditors of international standing and reputation that is appointed by the Transferor and reasonably acceptable to the Collateral Agent, to the extent such report identifies the amount by which the net assets of the Transferor are necessary to maintain its registered share capital as at the date of the Realization Notice or the commencement of enforcement (taking into account the adjustments set out above). The Auditor’s Determination shall be prepared in accordance with generally accepted accounting principles applicable in Germany (*Grundsätze*

*ordnungsgemäßer Buchführung*) as consistently applied by the Transferor in the preparation of its most recent annual balance sheet. The Auditor's Determination shall be binding for all Parties except for manifest error.

- 10.3 In any event, the Collateral Agent, for and on behalf of the Secured Parties, shall be entitled to enforce the Collateral up to those amounts that are undisputed between them and the Transferor or determined in accordance with Clause 10.1 and Clause 10.2. In respect of the exceeding amounts, the Collateral Agent shall be entitled to further pursue the Secured Parties' claims (if any) and the Transferor shall be entitled to provide evidence that the excess amounts are necessary to maintain its registered share capital (calculated as at the date of the Realization Notice or the commencement of enforcement and taking into account the adjustments set out above). The Collateral Agent is entitled to enforce those parts of the Collateral that are not enforced by operation of Clause 10.1 above at any subsequent point in time. This Clause 10 shall apply again as of the time such additional enforcement is made.
- 10.4 Clause 10.1 shall not apply as to the amount of Loans borrowed and passed on (whether by way of shareholder loan or equity contribution) to the Transferor or any of its Subsidiaries as long as the respective shareholder loan is outstanding or the respective equity contribution has not been dissolved or otherwise repaid, but excluding, for the avoidance of doubt, any purchase price payment received by the Transferor under the Receivables Purchase Agreement.
- 10.5 Should it become legally permissible for managing directors of a German GmbH (*Gesellschaft mit beschränkter Haftung*, Limited Liability Company) to enter into security arrangements in support of obligations of their shareholders without limitations, the limitations set forth in Clause 10.1 shall no longer apply. Should any such guarantees become subject to legal restrictions that are less stringent than the limitations set forth in Clause 10.1 above, such less stringent limitations shall apply. Otherwise, Clause 10.1 shall remain unaffected by changes in applicable law.
- 10.6 The limitations provided for in Clause 10.1 above shall not apply where (i) the Transferor has a fully valuable (*vollwertig*) recourse claim (*Gegenleistungs- oder Rückgewähranspruch*) vis-à-vis the relevant shareholder or (ii) a domination agreement (*Beherrschungsvertrag*) or a profit and loss pooling agreement (*Gewinnabführungsvertrag*) is or will be in existence with the Transferor and the Transferor has a fully valuable (*vollwertig*) reimbursement claim (*Ausgleichsanspruch*).

#### **11. WAIVER OF ASSIGNOR'S DEFENSES AND OF SUBROGATION RIGHTS**

- 11.1 The Transferor hereby waives all defenses against enforcement that may be raised on the basis of potential avoidance (*Anfechtbarkeit*) and set-off (*Aufrechenbarkeit*) of the Secured Obligations. This waiver shall not apply to a set-off with counterclaims that

are (i) uncontested (*unbestritten*) or (ii) based on a binding non-appealable court decision (*rechtskräftig festgestellt*).

- 11.2 If the security created hereunder is enforced, or if the Transferor has discharged any of the Secured Obligations (or any part of them), no rights of the Secured Parties shall pass to the Transferor by subrogation or otherwise. Further, the Transferor shall not at any time before, on or after an enforcement of the security created hereunder and as a result of the Transferor entering into this Agreement, be entitled to demand indemnification or compensation from any Borrower, Guarantor or any of its affiliates or to assign any of these claims.

## 12. RELEASE OF COLLATERAL

- 12.1 Upon the expiry of the Security Period, the Collateral Agent shall promptly at the cost and expense of the Transferor retransfer the Collateral and all other rights and claims assigned or transferred to it pursuant to this Agreement to the Transferor, and release any liens and security interests granted to it by the Transferor pursuant to the Agreement, and any supplementary security agreements, including those pertaining to United States Intellectual Property and United Kingdom Intellectual Property and surrender the excess proceeds, if any, resulting from any realization thereof. The Collateral Agent will, however, transfer any Collateral to a third person if and to the extent so required by applicable mandatory law, provided that the Collateral Agent will inform the Transferor of such transfer in advance. If the Collateral Agent is authorized to release in whole or in part any transferred collateral under both the Term Loan Credit Agreement and the ABL Credit Agreement, the Collateral Agent is authorized to release the Collateral under this Agreement.
- 12.2 At any time when the total value of the aggregate security granted by the Transferor to secure the Secured Obligations (the “**Security**”) which can be expected to be realised in the event of an enforcement of the Security (*realisierbarer Wert*) exceeds 110% of the Secured Obligations (the “**Limit**”) not only temporarily, the Collateral Agent shall on demand of the Transferor release such part of the Security (*Sicherheitenfreigabe*) as the Collateral Agent may in its reasonable discretion determine so as to reduce the realisable value of the Security to the Limit.

## 13. NEGATIVE UNDERTAKINGS

At all times during the Security Period, the Transferor undertakes vis-à-vis the Collateral Agent and the Secured Parties:

- 13.1 not to dispose of, encumber, abandon, weaken the strength of (such as the good reputation of a trademark) or allow the Collateral or parts thereof to lapse, including any lapse of rights due to non-use or allow the forfeiture (*Verwirkung*) of any rights to the Patents, Utility Models, Design Models or Trademarks with respect to third parties,

except as reasonably required in the ordinary course of business and upon giving prior notice thereof to the Collateral Agent, or as permitted under the Credit Agreement or under this Agreement;

- 13.2 not to amend or to re-file specifications of the Collateral or parts thereof and not to grant further licenses or other rights with respect to the Collateral or parts thereof to third parties, except as reasonably required in the ordinary course of business and upon giving prior notice thereof to the Collateral Agent, or as permitted under the Credit Agreement or under this Agreement;
- 13.3 not to dispute the validity of the Collateral or of new applications for registration with regard to the Collateral;
- 13.4 not to take or participate in any action which would impair the enforceability, legality or validity of the security interest of the Collateral Agent created hereunder or the security purpose as described in Clause 4 (Security Purpose) hereof; and
- 13.5 not to create or agree or attempt to create or permit to exist (in favor of any person other than the Collateral Agent), any Lien over the whole or any part of the Collateral or agree to do so, except as permitted under the Credit Agreement or under this Agreement.

#### **14. POSITIVE UNDERTAKINGS**

At all times during the Security Period, the Transferor undertakes *vis-à-vis* the Collateral Agent and the Secured Parties:

- 14.1 to inform the Collateral Agent immediately of any attachment and/or garnished claims (*Pfändung und/oder Überweisung von Forderungen*) of which it becomes aware in respect of the Collateral or any part thereof or any other measures which may materially impair or jeopardize the Collateral Agent's and/or Secured Parties' rights relating thereto. In the event of an attachment, the Transferor undertakes to forward to the Collateral Agent without undue delay a copy of the record of attachment (*Pfändungsprotokoll*), the attachment order (*Pfändungsbeschuß*), the garnishee order (*Überweisungsbeschuß*), as the case may be, and any other documents which the Collateral Agent may reasonably request and that are necessary or expedient for a defense against such attachment. The Transferor shall further be obliged to inform as soon as possible the attaching creditors or other third parties asserting rights with respect to the transferred rights and claims in writing of the Collateral Agent's rights in respect of the claims and the existence of this Agreement. All costs and expenses reasonably incurred for necessary countermeasures of the Collateral Agent shall be borne by the Transferor;

- 14.2 to promptly inform the Collateral Agent if it becomes aware that third parties infringe any of the Collateral or parts thereof, dispute the validity of the Collateral or parts hereof or allege that the Collateral or parts hereof violate the rights of third parties in a way which materially impairs or jeopardizes or can reasonably be expected to materially impair or jeopardize the Collateral Agent's and/or the Secured Parties' rights relating to the Collateral and assert all claims and to litigate if, at the reasonable discretion of the Transferor, this is required for the defense against the alleged claims in the ordinary course of business. All expenses incurred in this respect are to be borne by the Transferor. All compensation claims becoming due after the date hereof, become part of the Collateral. Upon the occurrence of an Event of Default which is continuing, unremedied and unwaived the Collateral Agent may take over any judicial or extra judicial proceedings upon reasonable request and at the Transferor's expense to the extent necessary to preserve legitimate interests of the Collateral Agent;
- 14.3 to identify the assignment and transfer by way of security of the Collateral immediately in its books and records in the exhibit (*Anhang*) to its Financial Statements and to refrain from any acts or omissions which could prevent third parties who may have a legitimate interest in obtaining knowledge of the assignment from obtaining knowledge thereof;
- 14.4 to make all statements and take all actions at its own expense which are required and appropriate in the ordinary course of business in order to maintain the registration of the material Collateral, as shall be consistent with commercially reasonable business judgment, including payment of renewal fees, and have the Collateral registered if not registered so far and to deliver to the Collateral Agent at its reasonable request copies of respective documents evidencing such actions;
- 14.5 to establish, and, to the extent already existing, to continue, at its own cost and expenses a permanent surveillance of reasonable extent for publications of applications and/or registrations of intellectual property rights which may infringe or otherwise legally collide with the Collateral;
- 14.6 to inform the Collateral Agent promptly of the occurrence of any event which may result in any of the representations and warranties included in Clause 15 (Representations and Warranties) hereof being untrue; and
- 14.7 to notify the Collateral Agent without undue delay of any event or circumstance which might be expected to have a material adverse effect on the validity or enforceability hereof.

## 15. REPRESENTATIONS AND WARRANTIES

The Transferor hereby represents and warrants to the Collateral Agent and the Secured Parties by way of an independent guarantee (*selbständiges Garantiersprechen*) the following:

- 15.2 The obligations of the Transferor hereunder are legal, valid, binding and enforceable against the Transferor in accordance with their terms (with respect to the right assigned pursuant to Clause 6 (Bookkeeping and Data-Processing) hereof, subject to any qualifications in the legal opinion to be rendered by the law firm of Noerr LLP in relation hereto, and subject to any confidentiality agreements).
- 15.3 With the exception of the registration contemplated in Clause 8, no consents, licenses, approvals or authorizations of, registrations with or declarations to any governmental, authority are required in connection with the execution and performance hereof.
- 15.4 Subject to the Licenses, if any, the Transferor has valid rights in and good title to the relevant Collateral and has full power and authority (corporate and otherwise) to grant to the Collateral Agent the security interest in the Collateral and to execute and perform its obligations in accordance with the terms hereof, without the consent or approval of any other person.
- 15.5 Any material claims of third parties (including employees of the Transferor as inventors) with respect to the Collateral have been satisfied by the Transferor at its expense.
- 15.6 To the Transferor's best knowledge, the lists attached to this Agreement as Schedule 1 through Schedule 6 on the date of this Agreement include any and all material Collateral existing on such date, with the exception of Copyrights.
- 15.7 The Collateral is owned by the Transferor free and clear of any Liens, except for Permitted Liens, charges or other encumbrances in favor of third parties and has not been transferred nor assigned to third parties (except as permitted under the Credit Agreement).

- 15.8 The Collateral is at the date hereof not subject to any infringement, opposition, nullity or cancellation proceedings before any registration authority or court in any jurisdiction, and at the date hereof the Transferor has no reason to believe and is not aware of any circumstances pursuant to which any such challenge might be anticipated other than those proceedings set out in Schedule 7 hereto.
- 15.9 Except for Permitted Liens, the security interest created hereby constitutes a valid, first priority security interest in the Collateral enforceable against the Transferor and third parties.
- 15.10 Neither the Transferor nor any of its German subsidiaries is in a state of insolvency (*Zahlungsunfähigkeit*) or over-indebtedness (*Überschuldung*) pursuant to the German Insolvency Code (*Insolvenzordnung*) or the German Limited Liability Companies Act (*Gesetz betreffend die Gesellschaften mit beschränkter Haftung*), or in a state of imminent insolvency (*drohende Zahlungsunfähigkeit*) pursuant to the German Insolvency Code.
- 15.11 The Transferor has its “centre of main interest” (as that term is used in Article 3 (1) of The Council of the European Union Regulation No. 1346/2000 on Insolvency Proceedings) in its jurisdiction of incorporation.

**16. FURTHER ASSURANCE**

The Transferor shall at its own expense do all such things as the Collateral Agent may reasonably require to perfect or protect the security intended to be created hereby or any part thereof, or to facilitate the realization of the Collateral or any part thereof; or to facilitate the exercise by the Collateral Agent of any of the rights, powers, authorities and discretions vested in it. The Transferor hereby authorizes the Collateral Agent to take any such action on behalf of the Transferor upon the occurrence of an Event of Default which is continuing, unremedied and unwaived.

**17. SUCCESSORS AND ASSIGNS**

- 17.1 The Transferor shall not assign or delegate any of its rights and duties hereunder.
- 17.2 All covenants, promises and agreements of the Transferor hereunder shall inure to the benefit of the Collateral Agent, the Secured Parties and their successors and assigns.

18.2 In the event of a direct conflict between the terms and provisions contained in this Agreement and the terms and provisions contained in the Credit Agreements, it is the intention of the parties hereto that such terms and provisions in such documents shall be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of the Credit Agreements shall control and govern. ## 19. INDEMNITY

- 19.1 Without extending the liability of the Collateral Agent or of the Secured Parties under the Loan Documents, neither the Collateral Agent nor the Secured Parties shall be liable for any loss or damage suffered by the Transferor in connection herewith save in respect of such loss or damage which is suffered as a result of the willful misconduct or gross negligence of the Collateral Agent or the Secured Parties.
- 19.2 The Transferor shall indemnify the Collateral Agent and the Secured Parties and keep the Collateral Agent and the Secured Parties indemnified against any and all damages, losses, actions, claims, expenses, demands and liabilities which may be incurred by or made against the Collateral Agent or the Secured Parties for anything done or omitted by the Collateral Agent or the Secured Parties in the exercise or purported exercise of the powers contained herein and occasioned by any breach of the Transferor of any of its obligations or undertakings herein contained other than to the extent that such damages, losses, actions, claims, expenses, demands and liabilities are incurred or made against the Collateral Agent or the Secured Parties as a result of the gross negligence or willful misconduct of the Collateral Agent or, as the case may be, the Secured Parties.

- (A) Pursuant to a credit agreement dated on or about December 17, 2010 (the "**Term Loan Credit Agreement**") among, *inter alios*, NOVELIS INC., a corporation amalgamated under the Canada Business Corporations Act (the "**Borrower**"), AV METALS INC., a corporation formed under the Canada Business Corporations Act, the Subsidiary Guarantors and the lenders party thereto, and BANK OF AMERICA, N.A., as administrative agent (in such capacity, "**Administrative Agent**") and as Collateral Agent, the lenders thereunder have agreed to extend to the Borrower credit in the form of initial term loans (the "**Initial Term Loans**"), and, if so requested by the Borrower by written notice to the Administrative Agent and provided the approached existing lender elects to provide the respective commitment, in the form of incremental term loans effected by joinder agreements to the Credit Agreement (the "**Incremental Term Loans**"), and certain refinancing indebtedness in respect of all or any portion of the Term Loans then outstanding (the "**Other Term Loans**" and, together with the Initial Term Loans and the Incremental Term Loans referred to as the "**Term Loans**").
- (B) In order to induce the Lenders to make extensions of credit to the Borrower under the Term Loan Credit Agreement, the Debtors have agreed to issue an

abstract acknowledgement of debt to further secure the obligations of the Borrower to the Secured Parties under the Loan Documents.

**NOW IT IS HEREBY AGREED** as follows:

**1. DEFINITIONS AND LANGUAGE**

1.1 In this Agreement, references to a person include its successors and assigns, and references to a document are references to that document as amended, restated, novated and/or supplemented from time to time.

1.2 Unless otherwise defined herein, capitalized terms shall have the meanings ascribed to them in the Term Loan Credit Agreement.

1.3 The following terms, as used herein, shall have the following meanings:

“**Debtors**” shall mean collectively the Irish Debtor and the German Debtor, each being a “**Debtor**”.

“**Lenders**” shall mean the Lenders under the Term Loan Credit Agreement.

“**Loan Documents**” shall mean the “Loan Documents” as defined in the Term Loan Credit Agreement and “**Loan Document**” shall mean any of them.

“**Loan Parties**” shall comprise the Loan Parties as defined in the Term Loan Credit Agreement.

“**Receivables Purchase Agreement**” shall mean the agreement (as amended from time to time) between Novelis Deutschland GmbH and Novelis AG pursuant to which certain receivables owned or to be created by the Pledgor under certain of its supply contracts have been sold and assigned to Novelis AG by way of a true sale.

“**Secured Obligations**” shall mean (a) obligations of the Borrower and the other Loan Parties from time to time arising under or in respect of the due and punctual payment of (i) the principal of and premium, if any, and interest (including interest accruing (and interest that would have accrued but for such proceeding) during the pendency of any bankruptcy, insolvency, receivership or other similar proceeding, regardless of whether allowed or allowable in such proceeding) on the Term Loans, when and as due, whether at maturity, by acceleration, upon one or more dates set for prepayment or otherwise and (ii) all other monetary obligations, including fees, costs, expenses and indemnities, whether primary, secondary, direct, contingent, fixed or otherwise (including monetary obligations incurred during the pendency of any bankruptcy, insolvency, receivership or other similar proceeding, regardless of

whether allowed or allowable in such proceeding), of the Borrower and the other Loan Parties under the Term Loan Credit Agreement and the other Loan Documents, and (b) the due and punctual payment of all obligations of the Borrower and the other Loan Parties under each Hedging Agreement entered into with any counterparty that is a Secured Party under the Secured Hedge Provider.

## 2. ABSTRACT ACKNOWLEDGEMENT OF INDEBTEDNESS

- 2.1 Each of the Debtors hereby acknowledges by way of an abstract acknowledgement of indebtedness (*in Form eines abstrakten Schuldanerkenntnisses*) that it owes to the Collateral Agent sums equal to, and in the currency of, the Secured Obligations owed by it (the “**Abstract Acknowledgement of Indebtedness**”).
- 2.2 Each of the Debtors undertakes to pay to the Collateral Agent the amount referred to in clause 2.1 above upon first written demand after the Secured Obligations have become due.
- 2.3 The Collateral Agent shall have its own independent right to demand and receive full or partial payment of the obligations under this Agreement from each of the Debtors, irrespective of the rights of the Secured Parties under the Loan Documents.
- 2.4 The Debtors’ obligations under this Agreement shall not affect the existence of the Secured Obligations for which the Secured Parties shall have an independent right to demand payment according to the terms applicable to the Secured Obligations, nor any of the Debtors’ obligations, promises and other liabilities under the other Loan Documents as the same are supplemented or amended from time to time.
- 2.5 The Collateral Agent and the Debtors agree that the Debtors’ obligations under this Agreement shall not increase the total amount of the Secured Obligations. Accordingly, payment of the Secured Obligations and payment of the obligations under this Agreement may be collected only once and any discharge of any obligations under this Agreement shall, to the same extent, discharge the corresponding Secured Obligations and vice versa.

## 3. GUARANTEE

- 3.1 Each of the Debtors, acting as joint and several debtors (*Gesamtschuldner*), hereby irrevocably and unconditionally guarantees by way of an independent guarantee (*Garantie*) (the “**Guarantee**”) to the Collateral Agent, each existing lender under the Term Loan Credit Agreement, each party that becomes a

lender thereunder in the future by way of assignment, novation or accession to the Term Loan Credit Agreement, and each other Secured Party the due and punctual fulfillment of all Secured Obligations.

- 3.2 Each of the Debtors shall effect payment under the Guarantee promptly upon the Collateral Agent's demand and confirmation (*Garantie auferstes Anfordern*) that any amount claimed from the Debtors hereunder is equal to the monies not paid under the Secured Obligations when due.
- 3.3 Any sum falling within the ambit of Clause 3.1 which may not be recoverable from the Debtors on the basis of this Guarantee for any reason whatsoever shall nonetheless be recoverable from the Debtors hereunder on the basis of a primary obligation to the Collateral Agent and the Lenders to indemnify them against any loss (including loss of profit) incurred by them or any of them in consequence of any party (other than the Lenders) to the Term Loan Credit Agreement or another Loan Document failing to perform any obligation thereunder.
- 3.4 The Collateral Agent may at any time without thereby discharging, impairing or otherwise affecting the obligations of the Debtors hereunder (i) give or agree to give any time or other indulgence to any party in respect of the Secured Obligations, (ii) (to the extent this is not to the detriment of the Debtors) offer or agree to or enter into any agreement for any variation of the Secured Obligations, (iii) settle with any party with respect to Secured Obligations or any of them or (iv) prove or abstain from proving (*anmelden*) a Secured Obligation in a bankruptcy, winding-up, liquidation or reorganization of a Loan Party.
- 3.5 The obligation of the Debtors hereunder are (and are intended to be) a continuing and independent security to the Collateral Agent, each Secured Party and each Lender, as the case may be, for the due and punctual payment of each and every sum of principal, interest and all other moneys payable with respect to the Secured Obligations and accordingly the Guarantee (i) shall be in addition to and not in substitution for or derogation from any other encumbrance, guarantee or other security now or at any time hereafter held by or on behalf of the Collateral Agent such Secured Party or such Lender in respect of the Secured Obligations, (ii) shall not be or be construed to be satisfied by any discharge of or payment of or on account of the Secured Obligations which has not resulted in a final and irrevocable settlement of the respective obligation, and (iii) shall at all times extend to cover the balance of principal, interest and all other moneys which are now or may at any time hereafter be due and payable with respect to the Secured Obligations.

- 3.6 The Collateral Agent shall not be obliged before asserting or enforcing the obligations of the Guarantors hereunder (i) to take action or obtain judgment against any Loan Party in any court, (ii) to make or file any claim or proof in any bankruptcy, winding-up, liquidation or reorganization of any such party or (iii) to enforce or seek to enforce any other encumbrance, guarantee or other security now or at any time hereafter held by or on behalf of the Collateral Agent or such Lender in respect of the Secured Obligations.
- 3.7 Where any payment has been made by the Debtors to the Collateral Agent, any Secured Party or any Lender hereunder the Debtors shall not take the benefit of subrogation (*Übergang von Rechten*) (if any) of any rights or any encumbrance, guarantee or other security now or any time hereafter held by or on behalf of the Collateral Agent or any Lender in respect of the Secured Obligations until the Secured Obligations have been discharged in full.
- 3.8 This agreement may be enforced against the Debtors by the Collateral Agent, as agent for the Lenders, in any proceedings, including enforcement proceedings.

#### **4. LIMITATION AS TO THE OBLIGATION OF THE GERMAN DEBTOR**

- 4.1 Subject to Clause 4.2 through Clause 4.6 below, the Collateral Agent shall not enforce the obligations created hereunder (the “**Guarantee Obligations**”) to the extent (i) the Guarantee Obligations secure obligations of one of the German Debtor’s shareholders or of an affiliated company (*verbundenes Unternehmen*) of a shareholder within the meaning of Section 15 of the German Stock Corporation Act (*Aktiengesetz*) (other than a Subsidiary of the German Debtor, or the German Debtor itself), and (ii) the enforcement of the Guarantee Obligations for such obligations would reduce, in violation of Section 30 of the German Limited Liability Companies Act (*GmbHG*), the net assets (assets minus liabilities minus provisions and liability reserves (*Reinvermögen*), in each case as calculated in accordance with generally accepted accounting principles in Germany (*Grundsätze ordnungsmäßiger Buchführung*) as consistently applied by the German Debtor in preparing its unconsolidated balance sheets (*Jahresabschluß gemäß § 42 GmbHG, §§ 242, 264 HGB*) of the German Debtor to an amount that is insufficient to maintain its registered share capital (*Stammkapital*) (or would increase an existing shortage in its net assets below its registered share capital); provided that for the purpose of determining the relevant registered share capital and the net assets, as the case may be:

- 4.1.1 The amount of any increase of the German Debtor's registered share capital (*Stammkapital*) implemented after the date of this Agreement that is effected without the prior written consent of the Collateral Agent shall be deducted from the registered share capital of the German Debtor;
  - 4.1.2 any loans provided to the German Debtor by a direct or indirect shareholder or an affiliate thereof (other than a Subsidiary of the German Debtor) shall be disregarded and not accounted for as a liability to the extent that such loans are subordinated pursuant to Section 39(1) Nr. 1 through Nr. 5 of the German Insolvency Code (*Insolvenzordnung*) or subordinated in any other way by law or contract;
  - 4.1.3 any shareholder loans, other loans and contractual obligations and liabilities incurred by the German Debtor in violation of the provisions of any of the Loan Documents shall be disregarded and not accounted for as liabilities;
  - 4.1.4 any assets that are shown in the balance sheet with a book value that, in the opinion of the Collateral Agent, is significantly lower than their market value and that are not necessary for the business of the German Debtor (*nicht betriebsnotwendig*) shall be accounted for with their market value; and
  - 4.1.5 the assets of the German Debtor will be assessed at liquidation values (*Liquidationswerte*) if, at the time the managing directors prepare the balance sheet in accordance with Clause 4.2.1 below and absent the demand a positive going concern prognosis (*positive Fortbestehensprognose*) cannot be established.
- 4.2 The limitations set out in Clause 4.1 only apply:
- 4.2.1 if and to the extent that the managing directors of the German Debtor have confirmed in writing to the Collateral Agent within ten (10) Business Days of a demand for payment or the commencement of enforcement under this Agreement the value of the Guarantee Obligations which cannot be enforced without causing the net assets of the German Debtor to fall below its registered share capital, or increase an existing shortage in net assets below its registered share capital (taking into account the adjustments set out above) and such confirmation is supported by a current balance sheet and other evidence satisfactory to the Collateral Agent and neither the Collateral

Agent nor any of the Secured Parties raises any objections against that confirmation within five (5) Business Days after its receipt; or

- 4.2.2 if, within twenty (20) Business Days after an objection under Clause 4.2.1 has been raised by the Collateral Agent or a Secured Party, the Collateral Agent receives a written audit report (“**Auditor’s Determination**”) prepared at the expense of the German Debtor by a firm of auditors of international standing and reputation that is appointed by the German Debtor and reasonably acceptable to the Collateral Agent, to the extent such report identifies the amount by which the net assets of the German Debtor are necessary to maintain its registered share capital as at the date of the Realization Notice or the commencement of enforcement (taking into account the adjustments set out above). The Auditor’s Determination shall be prepared in accordance with generally accepted accounting principles applicable in Germany (*Grundsätze ordnungsgemäßer Buchführung*) as consistently applied by the German Debtor in the preparation of its most recent annual balance sheet. The Auditor’s Determination shall be binding for all Parties except for manifest error.
- 4.3 In any event, the Collateral Agent, for and on behalf of the Secured Parties, shall be entitled to enforce the Guarantee Obligations up to those amounts that are undisputed between them and the German Debtor or determined in accordance with Clause 4.1 and Clause 4.2. In respect of the exceeding amounts, the Secured Parties shall be entitled to further pursue their claims (if any) and the German Debtor shall be entitled to provide evidence that the excess amounts are necessary to maintain its registered share capital (calculated as at the date of the Realization Notice or the commencement of enforcement and taking into account the adjustments set out above). The Secured Parties are entitled to enforce those parts of the Guarantee Obligations that are not enforced by operation of Clause 4.1 above at any subsequent point in time. This Clause 4 shall apply again as of the time such additional enforcement is made.
- 4.4 Clause 4.1 shall not apply as to the amount of Loans borrowed and passed on (whether by way of shareholder loan or equity contribution) to the German Debtor or any of its Subsidiaries as long as the respective shareholder loan is outstanding or the respective equity contribution has not been dissolved or otherwise repaid but excluding, for the avoidance of doubt, any purchase price payment received by the German Debtor under the Receivables Purchase Agreement.

4.5 Should it become legally permissible for managing directors of a German GmbH (*Gesellschaft mit beschränkter Haftung*, Limited Liability Company) to enter into security arrangements in support of obligations of their shareholders without limitations, the limitations set forth in Clause 4.1 shall no longer apply. Should any such guarantees become subject to legal restrictions that are less stringent than the limitations set forth in Clause 4.1 above, such less stringent limitations shall apply. Otherwise, Clause 4.1 shall remain unaffected by changes in applicable law.

4.6 The limitations provided for in Clause 4.1 above shall not apply where (i) the German Debtor has a fully valuable (*vollwertig*) recourse claim (*Gegenleistungs- oder Rückgewähranspruch*) vis-à-vis the relevant shareholder or (ii) a domination agreement (*Beherrschungsvertrag*) or a profit and loss pooling agreement (*Ergebnisabführungsvertrag*) is or will be in existence with the German Debtor and the German Debtor has a fully valuable (*vollwertig*) compensation claim (*Ausgleichsanspruch*).

## 5. SECURITY PURPOSE

The purpose of the Abstract Acknowledgement of Indebtedness and Guarantee is to secure the prompt, full and irrevocable discharge of any and all Secured Obligations.

## 6. ASSIGNMENT AND TRANSFER

6.1 The Collateral Agent shall, at any time, have the right to assign and to transfer all or any part of its rights or obligations or both under this Agreement to any of the Secured Parties or any person becoming a Secured Party and the respective Debtor shall execute and deliver all such documents and take all such actions and make all such declarations which the Collateral Agent may reasonably require in connection with such transfer and assignment. For the avoidance of doubt, it is hereby set forth that, if an assignment and transfer occurs, all accessory rights (*akzessorische Nebenrechte*) connected with or related to the Abstract Acknowledgement of Indebtedness, in particular any guaranty (*Bürgschaft*) or pledge (*Pfandrecht*), shall also be assigned or transferred to the respective assignee or transferee.

6.2 The Debtors shall not be entitled to assign or transfer all or any part of their rights or obligations or both hereunder.

6.3 Each of the Debtors hereby agrees and consents to any accession of any new party, and any change to the parties to the Term Loan Credit Agreement, any other Loan Document (by way of transfer, assignment or novation) or any

transfer or assignment to the terms as contemplated under the respective provisions in the Term Loan Credit Agreement or any other Loan Document.

- 6.4 Each of the Debtors furthermore agrees that notwithstanding any such accession, change, transfer or assignment, this Agreement shall remain in full force and shall continue to secure the Secured Obligations for the benefit of the Secured Parties or any assignee, transferee, or any other successor in the same manner as if such assignee, transferee, or any other successor in title had been named in this (a) Agreement or (b) the Term Loan Credit Agreement, or any other Loan Document, respectively, instead of, or in addition to, the (y) Collateral Agent or (z) the present parties to the Term Loan Credit Agreement or any other Loan Document, respectively.

#### **7. WAIVERS**

Each of the Debtors hereby waives all defences (*Einwendungen*) it may have, including the defences of revocation (*Anfechtbarkeit*), set-off (*Aufrechenbarkeit*) and comparable defences under foreign law. The waiver shall not apply to set-off with counterclaims that are uncontested (*unbestritten*) or based on an unappealable court decision (*rechtskräftig festgestellt*).

#### **8. SUCCESSORS AND ASSIGNS**

All covenants, promises and agreements of each of the Debtors hereunder shall inure to the benefit of the Secured Parties and their successors and assigns.

#### **9. CONTRACT FOR BENEFIT OF THIRD PARTIES**

The Pledgor undertakes that no resolutions are passed which constitute a breach of its obligations under Clause 9 below.

#### **7. ENFORCEMENT OF THE PLEDGES**

- 7.1. If a Default exists and is continuing and, in addition, the requirements set forth in Sections 1273 para 2, 1204 *et seq.* of the German Civil Code with regard to the

enforcement of any of the Pledges are met (*Pfandreife*), then in order to enforce the Pledges (or any of them), the Pledgees, acting through the Collateral Agent, may at any time thereafter avail themselves of all rights and remedies that a pledgee has against a pledgor under the laws of the Federal Republic of Germany.

- 7.2. Notwithstanding Section 1277 of the German Civil Code, the Pledgees are entitled to exercise their rights, in particular to sell the Shares, without obtaining enforceable judgment or other instrument (*vollstreckbarer Titel*). The Pledgees shall be entitled to have the Shares sold at public auction.
- 7.3. The Collateral Agent shall, as soon as known to him, without undue delay, inform the Pledgor in writing of the place and time of any such public auction. The Pledgor, however, hereby agrees that in any case ten (10) Business Days' prior written notice to the Pledgor shall be sufficient for the realisation of the Pledges and the Collateral Agent shall not be obliged to deliver any further notices that would otherwise be required by law as a prerequisite to enforcement of a pledge (including, but not limited to the notices set out under Section 1234 of the German Civil Code) to the Pledgor prior to such public auction. For the avoidance of doubt, the Collateral Agent, shall, as soon as known to the Collateral Agent, inform the Pledgor of any changes to the date and time of the public auction and otherwise keep the Pledgor reasonably informed about the enforcement proceedings. The public auction may take place at any place in the Federal Republic of Germany designated by the Collateral Agent.
- 7.4. If the Pledgees, acting through the Collateral Agent, should seek to enforce the Pledges under Sub-clause 7.1, the Pledgor shall, at its own expense, render forthwith all necessary assistance in order to facilitate the prompt sale of the Shares or any part thereof and/or the exercise by the Pledgees, acting through the Collateral Agent, of any other right they may have as Pledgees.
- 7.5. Following satisfaction of the requirements for enforcement under Sub-clause 7.1 above, all subsequent dividend payments and all payments based on similar ancillary rights attributed to the Shares may be applied by the Pledgees, acting through the Collateral Agent, in whole or in part in satisfaction of the Secured Obligations or treated as additional collateral.
- 7.6. The Collateral Agent may, in its sole discretion, determine which of several security interests, if applicable, shall be used to satisfy the Secured Obligations. The Pledgor hereby expressly waives its right pursuant to Section 1230 sentence 2 of the German Civil Code to limit the realisation of the Pledges and pledges over shares in any other companies to such number of pledges as are necessary to satisfy the Secured Obligations and agrees further that the Collateral Agent may decide to enforce the Pledges over the Shares in the Company individually at separate public auctions or together with pledges over shares in any other companies at one single public auction

(*Gesamtverwertung*). When enforcing the Pledges, the Collateral Agent shall take into account the legitimate interests of the Pledgor (to the extent not prejudicial to the interests of the Pledgees in obtaining satisfaction of the Secured Obligations).

- 7.7. The Pledgor hereby expressly waives all defenses of revocation (*Einrede der Anfechtbarkeit*) and set-off (*Einrede der Aufrechnung*) pursuant to Sections 770, 1211 of the German Civil Code.
- 7.8. The Pledgor hereby expressly waives its defenses based on defenses the Borrowers or other Loan Parties might have against any of the Secured Obligations (*Einreden des Hauptschuldners*) pursuant to Section 1211 para 1 sentence 1 alternative 1 of the German Civil Code.
- 7.9. If the Pledges are enforced, or if the Pledgor has discharged any of the Secured Obligations (or any part of them), Section 1225 of the German Civil Code (legal subrogation of claims to a pledgor — *Forderungsübergang auf den Verpfänder*) shall not apply, and no rights of the Pledgees shall pass to the Pledgor by subrogation or otherwise. Further, the Pledgor shall not at any time before, on or after an enforcement of the Pledges and as a result of the Pledgor entering into this Agreement, be entitled to demand indemnification or compensation from the Company or any of its affiliates or to assign any of these claims.

#### **8. REPRESENTATIONS AND WARRANTIES**

The Pledgor represents and warrants to the Pledgees by way of an independent guarantee (*selbständiges Garantieverprechen*) that:

- 8.1. the Company and the Pledgor itself are validly existing and neither unable to pay their respective debt when due (*zahlungsunfähig*), over-indebted (*überschuldet*) or deemed unable to pay their respective debt as it falls due (*drohend zahlungsunfähig*) (all within the meaning of Sections 17 to 19 of the German Insolvency Act (*Insolvenzordnung*)) nor subject to any insolvency proceedings (*Insolvenzverfahren*) or any refusal of opening insolvency proceedings for lacking assets (*Abweisung mangels Masse*) (within the meaning of Section 26 of the German Insolvency Act);
- 8.2. the statements made in Clause 2 above are true and correct;
- 8.3. the Existing Shares are fully paid in and there is no obligation of a shareholder to make additional contributions (*keine Nachschusspflicht*);
- 8.4. the Existing Shares have not been repaid in any way;
- 8.5. all facts capable of being entered into the commercial register of the Company have been entered into, or, pending entry, submitted for registration to, the commercial

- register, and, in particular, no shareholder resolutions regarding changes in the articles of association of the Company have been passed which are not entered into the commercial register;
- 8.6. all necessary authorisations, if any, including but not limited to the shareholders consent required pursuant to the articles of association of the Company, to enable or entitle the Pledgor to enter into this Agreement have been obtained and are in full force and effect and are attached as photocopy to this Agreement in **Schedule 3**;
  - 8.7. except for the PLPA, there are no silent partnership agreements or similar arrangements by which a third party is entitled to a participation in the profits or revenue of the Company;
  - 8.8. the place from which the Company is in fact administered and where all material managerial decisions are taken (*tatsächlicher Verwaltungssitz*) is situated in the Federal Republic of Germany;
  - 8.9. the Pledgor is the sole legal and beneficial owner of the Existing Shares, free of any encumbrances, liens, charges and restrictions on pledge or transfer (other than the Pledges created hereunder and the pledges created in connection with or as permitted by the Term Loan Credit Agreement);
  - 8.10. the execution and performance hereof, do not and will not (i) violate any provisions of law or the articles of association of the Pledgor or the Company, or any order of any court or any rule, regulation or order of any governmental agency, authority, instrumentality or regulatory body by which the Pledgor and/ or the Company is bound, (ii) violate in any material way any provision or any agreement or other instrument by which the Pledgor and/ or the Company is bound, (iii) result in a breach of or constitute (with notice or lapse of time or both) a default under any such agreement or other instrument, or (iv) result in the creation or imposition of any lien upon any property or assets of the Pledgor or the Company, except for liens created hereby;
  - 8.11. the obligations of the Pledgor hereunder are legal, valid, binding and enforceable against the Pledgor in accordance with their terms; subject to any qualification in the legal opinion to be issued by the law firm of Noerr LLP in relation hereto, and
  - 8.12. the Pledges constitute legal, valid and binding pledges under the laws of the Federal Republic of Germany in the Shares, the Proceeds and the rights pledged pursuant to Clauses 4.1.2 and 4.1.3, enforceable against the Pledgor and third parties in accordance with the terms hereof and in particular without enforceable judgment (*vollstreckbarer Titel*), subject to any qualification in the legal opinion to be issued by the law firm of Noerr LLP in relation hereto.

## 9. UNDERTAKINGS OF THE PLEDGOR

The Pledgor undertakes to each of the Pledgees, during the term of this Agreement,

- 9.1. not to encumber, permit to subsist (to the extent possible), create or agree to create any other security interest or third party right in or over the Shares except as set out in this Agreement and in connection with or as permitted by the Term Loan Credit Agreement;
- 9.2. to promptly effect any contributions in cash (*Bareinlage*) or kind (*Sacheinlage*) to be made in respect of the Shares;
- 9.3. to promptly notify the Collateral Agent of any change in the shareholding in or capital of the Company or any encumbrance over the Shares (or part of them) (unless such encumbrance is permitted under the Term Loan Credit Agreement). In the case of any attachment (*Pfändung*) in respect of any of the Shares, the Proceeds or the rights pledged in clauses 4.1.2 or 4.1.3, the Pledgor shall promptly notify the Collateral Agent, such notice to be accompanied by any documents the Pledgees might need to defend themselves against any claim of a third party. In particular, the Pledgor shall promptly forward to the Collateral Agent a copy of the attachment order (*Pfändungsbeschluss*), any transfer order (*Überweisungsbeschluss*) and all other documents necessary for a defense against the attachment;
- 9.4. not to amend, vary, supplement or waive any provision of the constitutional documents of the Company in a manner which could reasonably be expected to be materially prejudicial to the interest of the Pledgees;
- 9.5. to notify the Collateral Agent forthwith of any shareholders' meeting at which a shareholders' resolution is intended to be adopted which could reasonably be expected to be materially prejudicial to the interest of the Pledgees. The Pledgor shall allow, following the occurrence of any of the circumstances which permit the Pledgees to enforce the Pledges in accordance with Clause 7 above, the Pledgees or, as the case may be, their proxy or any other person designated by the Pledgees, to participate in all such shareholders' meetings of the Company. Subject to the provision contained in sub-clause 11.1, the Pledgees' right to attend the shareholders' meeting shall lapse immediately upon complete satisfaction and discharge of the Secured Obligations. In any event, as long as any of the Pledges remains in effect, the Pledgor shall send, upon request of the Collateral Agent, to the Collateral Agent, for and on behalf of the Pledgees, a copy of the protocol of any shareholders' meeting during which any resolutions have been passed that have, or may have, an effect on the Shares or affect the Pledges in any way.

- 9.6. in the event of any increase in the capital of the Company not to allow, without the prior written consent of the Pledgees, acting through the Collateral Agent, any party other than itself to subscribe for any Future Shares;
- 9.7. not to change the articles of association of the Company to the effect that any transfer of Shares shall only be possible with the consent of any other person, other than the shareholders, and
- 9.8. insofar as additional declarations or actions are necessary for the creation of the Pledges (or any of them) in favour of the Pledgees (or any of them), the Pledgor shall at the Collateral Agent's request make such declarations and undertake such actions at the Pledgor's costs and expenses.

**10. INDEMNITY**

- 10.1. Neither of the Pledgees nor the Collateral Agent shall be liable for any loss or damage suffered by the Pledgor except for such loss or damage which is incurred as a result of the wilful misconduct or gross negligence of a Pledgee or the Collateral Agent.
- 10.2. The Pledgor will indemnify the Pledgees and the Collateral Agent and keep the Pledgees and the Collateral Agent indemnified against any and all damages, losses, actions, claims, reasonable expenses (including reasonable attorney fees), demands and liabilities which may be incurred by or made against the Pledgees (or any of them) or the Collateral Agent for anything done or omitted in the exercise or purported exercise of the powers contained herein or occasioned by any breach of the Pledgor of any of its obligations or undertakings herein contained other than to the extent that such damages, losses, actions, claims, expenses, demands and liabilities are incurred by or made against the Pledgees (or any of them) as a result of the gross negligence or wilful misconduct of such Pledgee or, as the case may be, the Collateral Agent.

**11. DURATION AND INDEPENDENCE**

- 11.1. This Agreement shall remain in full force and effect until complete satisfaction of the Secured Obligations. The Pledges shall not cease to exist, if the Borrowers or any of the other Loan Parties have only temporarily discharged the Secured Obligations.
- 11.2. This Agreement shall create a continuing security and no change, amendment, or supplement whatsoever in the Term Loan Credit Agreement or in any document or agreement related thereto shall affect the validity or the scope of this Agreement nor the obligations which are imposed on the Pledgor pursuant to it.
- 11.3. This Agreement is independent from any other security or guarantee which may have been or will be given to the Pledgees or the Collateral Agent. None of such other

security or guarantee shall prejudice, or shall be prejudiced by, or shall be merged in any way with this Agreement.

- 11.4. Waiving Section 418 of the German Civil Code, the Pledgor hereby agrees that the security created hereunder shall not be affected by any transfer or assumption of the Secured Obligations to, or by, any third party.
- 12. RELEASE (PFANDFREIGABE)**
- 12.1. Upon complete and irrevocable satisfaction of the Secured Obligations, the Pledgees will as soon as reasonably practical declare the release of the Pledges (*Pfandfreigabe*) to the Pledgor as a matter of record. For the avoidance of doubt, the parties are aware that upon full and complete satisfaction of the Secured Obligations the Pledges, due to their accessory nature (*Akzessorietät*), cease to exist by operation of German mandatory law. If the Collateral Agent is authorized to release in whole or in part any pledges under the Term Loan Credit Agreement, the Collateral Agent is authorized to release such Pledges under this Agreement.
- 12.2. At any time when the total value of the aggregate security granted by the Pledgor to secure the Secured Obligations (the “**Security**”) which can be expected to be realised in the event of an enforcement of the Security (*realisierbarer Wert*) exceeds 110% of the Secured Obligations (the “**Limit**”) not only temporarily, the Pledgees shall on demand of the Pledgor release such part of the Security (*Sicherheitenfreigabe*) as the Pledgees may in their reasonable discretion determine so as to reduce the realisable value of the Security to the Limit.
- 13. PARTIAL INVALIDITY, WAIVER**
- 13.1. If at any time, any one or more of the provisions hereof is or becomes invalid, illegal or unenforceable in any respect under the law of any jurisdiction, such provision shall as to such jurisdiction, be ineffective to the extent necessary without affecting or impairing the validity, legality and enforceability of the remaining provisions hereof or of such provisions in any other jurisdiction. The invalid, illegal or unenforceable provision shall be deemed to be replaced with such valid, legal or enforceable provision which comes as close as possible to the original intent of the parties and the invalid, illegal or unenforceable provision. Should a gap (*Regelungslücke*) become evident in this Agreement, such gap shall, without affecting or impairing the validity, legality and enforceability of the remaining provisions hereof, be deemed to be filled in with a valid, legal and enforceable provision which comes as close as possible to the original intent of the parties.
- 13.2. No failure to exercise, or any delay in exercising any right or remedy hereunder shall be deemed as a waiver thereof, nor shall any single or partial exercise of any right or

remedy prevent any further or other exercise thereof or the exercise of any other right or remedy. The rights and remedies provided hereunder are cumulative and not exclusive of any rights or remedies provided by law.

- 13.3. In particular, the Pledges shall not be affected and shall in any event extend to any and all Shares in the Company even if the number or nominal value of the Existing Shares or the aggregate share capital of the Company as stated in Clause 2 are inaccurate or deviate from the actual facts.

#### 14. AMENDMENTS

Changes and amendments to this Agreement including this Clause 14 shall be made in writing, unless notarial form by operation of law is required.

#### 15. NOTICES AND THEIR LANGUAGE

- 15.1. All notices and communications under or in connection with this Agreement shall be in writing and shall be delivered by letter, posted or delivered by hand, or fax. - 16.1. This Agreement is governed by the laws of the Federal Republic of Germany.
- 16.2. The place of jurisdiction for any and all disputes arising under or in connection with this Agreement shall be the district court (*Landgericht*) in Frankfurt am Main. The Pledges, however, shall also be entitled to take action against the Pledgor in any other court of competent jurisdiction, in which case the Pledgor shall also be entitled to initiate counterclaims (*Widerklage*) in such other court. Further, the taking of proceedings against the Pledgor in any one or more jurisdictions shall not preclude the taking of proceedings in any other jurisdiction (whether concurrently or not) if and to the extent permitted by applicable law.

**17. INTERCREDITOR AGREEMENT AND TERM LOAN CREDIT AGREEMENT**

In the event of a direct conflict between the terms and provisions contained in this Agreement and the terms and provisions contained in the Term Loan Credit Agreement, it is the intention of the parties hereto that such terms and provisions in such documents shall be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of the Term Loan Credit Agreement shall govern and control. Except as provided for in this Clause 17, notwithstanding anything herein to the contrary, the Term Loan Credit Agreement, including Article X thereof, shall govern and control the exercise of remedies by the Collateral Agent.

In the event of any conflict or inconsistency between the provisions of the Intercreditor Agreement and this Agreement, the provisions of the Intercreditor Agreement shall govern and control.

to § 4 of the Company's Articles of Association

**Transacted**

in Frankfurt am Main, this 17th day of December, 2010.

Before me, the undersigning  
Dr. Karl-Heinz Schmiegelt,  
civil law notary  
with offices in Frankfurt/Main

appeared today:

1. Ms Katja Findeisen, Attorney-at-Law, born 24 November 1979, with business address at Skadden, Arps, Slate, Meagher & Flom LLP, An der Welle 3, 60322 Frankfurt am Main.

Deponent no. 1 stated that in the following she would not act for herself but in the name and on behalf of

based upon a power of attorney dated 14 December 2010, a faxed copy of which is attached hereto as appendix A.d.

- e) **Commerzbank Aktiengesellschaft**, a company organized under the laws of Germany with its corporate seat in Frankfurt/Main, acting through its **New York and Grand Cayman Branches**,

as proxy without power of attorney;

2. Mr Rudolf Grunwald, Director, born 23 March 1960, with business address at The Royal Bank of Scotland N.V. Niederlassung Deutschland, Junghofstraße 22, 60311 Frankfurt am Main.

Deponent no. 2 stated that in the following he would not act for himself but in the name and on behalf of

**The Royal Bank of Scotland plc**, a company organized under the laws of Scotland under company registration number SC090312 with registered address at 36 St Andrew Square, Edinburgh, EH2 2YB, Scotland,

based upon a power of attorney dated 27 October 2010, a faxed copy of which is attached hereto as appendix B.

To the extent that deponent number 1 is acting as agent without power of attorney, she shall not be liable for the non-ratification of her declarations for any reason, and the parties confirm that they waive any rights, if any, against deponent number 1 in this respect. The declaration of ratification shall become effective upon receipt by the notary Dr Schmiegelt of the original or of a copy of the declaration, whether transmitted on paper, by telefax or as a scan file. The originals of the above-mentioned powers of attorney and of the declaration of ratification by Commerzbank Aktiengesellschaft will be provided to the notary in due course with the exception of the power of attorney referred to by deponent no. 2. Certified copies of the originals filed subsequently shall be sealed to the present deed.

The proxies do not assume any liability as to the validity or the scope of the powers of attorney presented. The notary advised the deponents that he is obliged to verify the powers of representation of the deponents and to examine the documents presented with respect to a proof of such powers. After a discussion of the documentation presented today and promised to be submitted in due course, the deponents declared that they did not wish any further proof of their power of representation and asked the notary to continue with the notarisation.

Both deponents identified themselves to the notary by submission of their valid German identification cards.

The notary asked the deponents regarding a prior involvement according to sec. 3 para. 1 sent. 1 no. 7 of the German Notarisation Act (*Beurkundungsgesetz*). After having been instructed by the notary the deponents and the notary answered this question in the negative.

The deponents requested the notary to notarise this deed in the English language for the convenience of the parties represented by them and confirmed that they are in adequate command of the English language. The notary declared that he is in adequate command of the English language as well.

The deponents, acting as aforesaid, then asked the notary to record the following declarations:

In a deed notarised today by the acting notary under no. 1023/2010-S (the “**Reference Deed**”), Novelis Aluminium Holding Company, a company incorporated under the laws of Ireland, with its registered office at 25/28 North Wall Quay, Dublin 1, Ireland, registered with the Irish Companies Registration Office with registration number 316911 (the **Pledgor**), offered to Bank of America, N.A., and the other parties represented in this deed (the **Offerees**) to conclude a junior ranking share pledge agreement regarding all its present and future shares (the **Shares**) in Novelis Deutschland GmbH, Göttingen (the **Company**) (the **Offer**). Counterpart copies (*Ausfertigungen*) of the Reference Deed have been delivered to the Offerees to the attention of the deponents.

The Offerees hereby accept the Offer. Furthermore, the Offerees formally repeat all unilateral declarations (*einseitige Erklärungen*) provided for in Attachment 2 of the Reference Deed, including the instruction to the notary concerning the notification of the Company of the pledge. For this purpose, the deponents refer to (*verweist auf*) the Reference Deed. A counterpart copy (*Ausfertigung*) of the Reference Deed was at hand at notarisisation. The deponents declared that they are aware of the content of the Reference Deed and that they waive their right to have the Reference Deed attached to this deed.

As the pledge over the Shares granted by the Pledgor by way of the agreement contained in Attachment 1 to the Reference Deed (the **Term Loan Pledge**) came into existence with the completion of the Reference Deed and the pledge in favour of the Offerees (the **ABL Pledge**) is created by acceptance of the Offer with the completion of the present deed, the ABL Pledge will rank junior to the Term Loan Pledge, which is hereby expressly acknowledged by the Offerees.

The parties make it clear for the avoidance of doubt that the invalidity of the declaration of any party (e.g. in case of the non-ratification by Commerzbank Aktiengesellschaft of the acceptance of the offer) shall not affect the validity of the declarations of the other parties.

According to the Offer, the costs of this deed shall be borne by the Pledgor.

All approvals, consents and similar declarations that may still be required shall take effect for and against all parties upon receipt by the officiating notary.

The notary advised the deponents

- that the pledge is a security instrument of strictly accessory nature (i.e. that it comes into legal existence only if, to the extent that, and as long as, the underlying secured claims do in fact exist, and that the owners of the secured claims and the pledgees must be identical);
- that if the underlying secured claims are novated this will cause the pledge to lapse by operation of law in relation to such novated claims;
- that the articles of association may impose restrictions on a transfer or pledge of shares;
- that there is no bona fide creation, acquisition nor ranking of a pledge of shares (i.e. the pledgees are not protected if the shares purported to be pledged do not exist, have been previously transferred to a third party or have been previously encumbered for the benefit of a third party) if not otherwise provided for in sec. 16 para.3 German Limited Liability Companies Act (*Gesetz betreffend die Gesellschaften mit beschränkter Haftung*);

- that there is no court ruling of the German Federal High Court of Justice (Bundesgerichtshof) in relation to the validity of a pledge for the benefit of future pledgees created by way of the agent bank acting as agent without power of attorney for all future pledgees who will become members of the group of lenders after the notarization in accordance with the terms of the underlying credit agreements and that, if the pledges in favour of the future pledgees are validly created herein, it may be questioned whether such pledges shall have the same rank as the pledges in favour of the Pledgee; and
- that the parties hereto are, by operation of law, jointly and severally liable with respect to the payment of all notarial fees, irrespective of any internal agreement passed in that respect.

This deed was read aloud by the notary to the deponents, was approved by the deponents and was signed by the deponents and the notary at 13:00 CET in their own hands as follows:
