**Section XIII — Waivers and Amendments**

13.1. Notwithstanding any provisions of this Agreement to the contrary, no amendment of any provision of this Agreement (including any waiver or consent relating thereto) shall be effective unless it shall be made by means of a written and signed consent by the Collateral Agent, acting on the instructions of the Administrative Agent.

**Section XIV — Severability**

14.1. If any provision of this Agreement shall be held to be invalid, illegal or unenforceable under applicable law, such provision shall be ineffective only to the extent of the invalidity, illegality or unenforceability of such provision, and shall not affect any other provisions hereof.

**Section XV — Authority of the Collateral Agent**

15.1. Pledgor acknowledges that the rights and responsibilities of the Collateral Agent under this Agreement with respect to any action taken by the Collateral Agent or the exercise or non-exercise by the Collateral Agent of any option, request, judgment or other right or remedy provided for herein or resulting from this Agreement shall, as between the Collateral Agent and the Secured Parties, be governed by the Revolving Credit Agreement, the Intercreditor Agreement and by other agreements with respect thereto as may exist from time to time among them, but, as between the Collateral Agent and Pledgor, the Collateral Agent shall be conclusively presumed to be acting as representative of the Secured Parties, with full and valid authority so to act or refrain from acting, and Pledgor shall be under no entitlement to make any inquiry with respect to such authority.

Subject to the provisions of Section 2.06(f) of the Revolving Credit Agreement, the Loans comprising each Base Rate Borrowing, including each U.S. Swingline Loan, shall bear interest at a rate per annum equal to the Base Rate plus the Applicable Margin in effect from time to time.

B. Eurocurrency Loans. Subject to the provisions of Section 2.06(f) of the Revolving Credit Agreement, the Loans comprising each Eurocurrency Borrowing, including each European Swingline Loan, shall bear interest at a rate per annum equal to the Adjusted LIBOR Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin in effect from time to time.

---

<sup>1</sup> "Secured Obligations" means the "Secured Obligations" as defined in the Revolving Credit Agreement (as defined herein).

<sup>2</sup> All of the capitalized terms in this Exhibit 1 will have the meanings ascribed to such terms in the Credit Agreement dated December 17, 2010 (as amended, restated, supplemented or otherwise modified, the "Revolving Credit Agreement") entered into by and among, *inter alios*, the Borrowers, AV Metals Inc., the Subsidiary Guarantors, the Lenders, the Issuing Bank, the U.S. Swingline Lender, the Administrative Agent, the Collateral Agent, and the European Swingline Lender (as the foregoing capitalized terms are defined in the Revolving Credit Agreement). C. EURIBOR Loans. Subject to the provisions of Section 2.06(f) of the Revolving Credit Agreement, the Loans comprising each EURIBOR Borrowing shall bear interest at a rate per annum equal to the Adjusted EURIBOR Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin in effect from time to time.

D. Default Rate. Notwithstanding the foregoing, during an Event of Default of the type specified in Sections 8.01(a), (b), (g) or (h) of the Revolving Credit Agreement, or during any other Event of Default if the Required Lenders in their discretion so elect by notice to the Administrative Agent, all Obligations shall, to the extent permitted by Applicable Law, bear interest, after as well as before judgment, at a per annum rate equal to (i) in the case of principal of or interest on any Loan, 2% plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs or (ii) in the case of any other amount, 2% plus the rate applicable to Base Rate Loans as provided in Section 2.06(a) of the Revolving Credit Agreement (in either case, the "Default Rate").

E. Interest Payment Dates. Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan; provided that (i) interest accrued pursuant to Section 2.06(f) of the Revolving Credit Agreement shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of a Base Rate Revolving Loan or a U.S. Swingline Loan without a permanent reduction in Revolving Commitments), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any EURIBOR Loan or Eurocurrency Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

F. Interest Calculation. All interest hereunder shall be computed on the basis of a year of 360 days, except that (i) interest computed by reference to the Base Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and (ii) interest computed with regard to Eurocurrency Loans by way of GBP shall be computed on the basis of a year of 365 days, and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Base Rate, Adjusted EURIBOR Rate or Adjusted LIBOR Rate shall be determined by the Administrative Agent in accordance with the provisions of the Revolving Credit Agreement and such determination shall be conclusive absent manifest error.

Dear Sirs:

First of all, we would like to stress and inform you that the Company (Novelis do Brasil Ltda.) is actually an active, operative and economically sustainable corporation, which is not in debt to whoever, except in regard to those ordinary liabilities resulting from its own daily business.

- 9.2. Any proceeds of enforcement received by the Pledgee and the Secured Parties shall be applied in accordance with the order and priority set forth under the Revolving Credit Agreement.
- 9.3. SECOND PRIORITY PLEDGE AGREEMENT — EXECUTION COPY

- 10.4. The Pledge shall be cumulative, in addition to and independent of every other security which the Pledgee or any Secured Party may at any time hold as security for the Secured Obligations or any rights, powers and remedies provided by law and shall not operate so as in any way to prejudice or affect or be prejudiced or affected by any security interest or other right or remedy which the Pledgee or any Secured Party may now or at any time in the future have in respect of the Secured Obligations.
- 10.5. This Pledge shall not be prejudiced by any time or indulgence granted to any person, or any abstention or delay by the Pledgee or any Secured Party in perfecting or enforcing any security interest or rights or remedies that the Pledgee or any Secured Party may now or at any time in the future have from or against the Pledgor or any other person.
- 10.6. No failure on the part of the Pledgee or any Secured Party, to exercise, or delay on its part in exercising, any of their rights under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any such right preclude any further or other exercise of that or any other rights.
- 10.7. Neither the obligations of the Pledgor contained in this Agreement nor the rights, powers and remedies conferred to the Pledgee and the Secured Parties under this Agreement or by law, nor the pledge created hereby shall be discharged, impaired or otherwise affected by:

**11. PARTIAL ENFORCEMENT**

The Pledgee shall have the right to request enforcement of all or part of the Pledged Portfolio in its most absolute discretion. **14. SUCCESSORS**

- 14.1. This Agreement shall remain in effect despite any amalgamation or merger or replacement (however effected) relating to the Pledgee or any of the Secured Parties, and without prejudice to the provision of the Revolving Credit Agreement, references to the Pledgee or any of the Secured Parties shall be deemed to include any assignee or successor in title of the Pledgee or any of the Secured Parties and any person who, under any applicable law, has assumed the rights and obligations of the Pledgee or any of the Secured Parties hereunder or under the Revolving Credit Agreement or to which under such laws the same have been transferred or novated or assigned in any manner. To the extent a further notification or registration or any other step is required by law to give effect to the above, such further registration shall be made and the Pledgor and the Company hereby give power of attorney to the Pledgee to make any notifications and/or to require any required registrations to be made in the share register of the Company, or to take any other steps, and each undertakes to do so itself if so requested by the Pledgee.

**15. LIABILITY**

Neither the Pledgee nor any of the Secured Parties shall be liable for the loss or wrongful delivery of, or damage to, the Pledged Portfolio, howsoever arising, save to the extent that such loss, wrongful delivery or damage is caused by the gross negligence of wilful misconduct of the relevant Pledgee or Secured Party, any and all joint liability being excluded.

**16. SEVERABILITY**

Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

**17. NO WAIVER; CUMULATIVE REMEDIES**

Neither the Pledgee nor any of the Secured Parties shall by any act, delay, and omission or otherwise be deemed to have waived any of its rights or its remedies hereunder and no waiver shall be valid unless in writing, signed by or on behalf of the Pledgee, acting on its own behalf or on behalf of the Secured Parties, and then only to the extent therein set forth. A waiver by or on behalf of the Pledgee, acting on its own behalf or on behalf of the Secured Parties, of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which the Pledgee would otherwise have on any future occasion. No failure to exercise nor any delay in exercising on the part of the Pledgee, any right, power or privileges hereunder, shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided are cumulative and may be exercised singly or concurrently, and are not exclusive of any rights or remedies provided by law.

**18. WAIVERS, AMENDMENTS**

Neither this Agreement nor any terms or conditions hereof may be amended, changed, waived, discharged, terminated or otherwise modified unless such

The Pledgor hereby formally undertakes not to exercise the Rights of Recourse or any other rights against the Loan Parties or any other company in any manner (including for the avoidance of doubt, by way of provisional measures such as provisional attachment (“*saisie-arrêt conservatoire*”) or by way of set-off), or to take any action or do anything in relation to such Rights of Recourse or other similar rights, for so long as any amounts remain outstanding under the Secured Obligations.
- 5.3 Each representation and warranty set out in this Clause 5 is made on the date hereof and is deemed to be reiterated until the Secured Obligations shall have been satisfied in full, on the same days as the representations and warranties are repeated under the Revolving Credit Agreement.

## **6. COVENANTS**

The Pledgor hereby covenants that, for as long as this Agreement will be in force:

- 6.1. it will take any measures, accomplish any formalities and, generally, or otherwise do all that is requested by the Pledgee and necessary at its own cost to permit the exercise, at any time, by the Pledgee of any rights, actions and privileges of the Pledgee and the Secured Parties pursuant to applicable law and this Agreement;
- 6.2. except as permitted under the Revolving Credit Agreement and subject to the prior written consent the Pledgee, the Pledgor shall not create, grant or permit to exist (a) any security interest over or (b) any restriction on the ability to transfer or enforce or (c) assign or dispose of all or any part of the Pledged Assets; and
- 6.3. it shall cooperate with the Pledgee and sign or cause to be signed all such further documents and take all such further action as the Pledgee may from time to time reasonably request to perfect and protect this Pledge and to carry out the provisions and purposes of this Agreement.

## **7. POWER OF ATTORNEY**

The Pledgor irrevocably appoints the Pledgee to be its attorney and in its name and on its behalf to execute, deliver and perfect all documents (including any share transfer forms and other instruments of transfer) and do all things that the Collateral Agent, acting for itself and on behalf of the Secured Parties, may consider to be requisite for (a) carrying out any obligation imposed on the Pledgor under this Agreement or (b)

exercising any of the rights conferred to the Pledgee and the Secured Parties under this Agreement or by law, it being understood that the enforcement of the Pledge over the Pledged Assets must be carried out as described in Clause 8 hereunder. The Pledgor shall ratify and confirm all things done and all documents executed by the Pledgee in the exercise of this power of attorney.

#### **8. ENFORCEMENT OF PLEDGE**

- 8.1. Subject always to and in compliance with the provisions of the Intercreditor Agreement, following the occurrence of an Event of Default, the Pledgee shall be entitled, without prior notice to the Pledgor, to enforce the Pledge in the most favourable manner provided for by Luxembourg law at that time and in particular to require the Account Bank to make payment of all amounts deposited for the credit of the Pledged Account directly to the Pledgee, acting on behalf of the Pledgee and the Secured Parties; in that respect the Pledgee may terminate any term deposit prior to its maturity.
- 8.2. The Pledgee will have total and unlimited discretion as to the manner or manners of enforcement and will not be required to have regard to the interests of the Pledgor.

#### **9. EFFECTIVENESS OF SECURITY**

- 9.1. The Pledge shall be a continuing security and shall not be considered as satisfied or discharged or prejudiced by any intermediate payment or by the settlement of any part of the Secured Obligations and shall remain in full force and effect until it has been released in accordance with the terms of this Agreement upon the Discharge of Revolving Credit Secured Obligations.
- 9.2. The Pledgor shall not be entitled to require the release of the Pledge until the Discharge of Revolving Credit Secured Obligations, and the Pledgee hereby undertakes, at the request of the Pledgor, to give release of the Pledge no later than five Business Days after the Discharge of Revolving Credit Secured Obligations, subject to delivery of any documents or certificates which the Pledgee may reasonably request (including in particular, any certificates in relation to the absence of voidness or voidability of payments under any applicable laws).
- 9.3. This Pledge shall be discharged by, and only by, the express release thereof granted by the Pledgee pursuant to the terms of Clause 9.2 hereabove. All reasonable costs and expenses associated with the release and discharge of Pledge shall be borne by the Pledgor.
- 9.4. The Pledge shall be cumulative, in addition to and independent of every other security which the Pledgee or any Secured Party may at any time hold as security for the Secured Obligations or any rights, powers and remedies provided by law and shall not

- operate so as in any way to prejudice or affect or be prejudiced or affected by any security interest or other right or remedy which the Pledgee or any Secured Party may now or at any time in the future have in respect of the Secured Obligations.
- 9.5. This Pledge shall not be prejudiced by any time or indulgence granted to any person, or any abstention or delay by the Pledgee or any Secured Party in perfecting or enforcing any security interest or rights or remedies that the Pledgee or any Secured Party may now or at any time in the future have from or against the Pledgor or any other person.
- 9.6. No failure on the part of the Pledgee or any Secured Party, to exercise, or delay on its part in exercising, any of its rights under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any such right preclude any further or other exercise of that or any other rights.
- 9.7. Neither the obligations of the Pledgor contained in this Agreement nor the rights, powers and remedies conferred to the Pledgee and the Secured Parties under this Agreement or by law, nor the pledge created hereby shall be discharged, impaired or otherwise affected by:
- 9.7.1 any amendment to, or any variation, waiver or release of, any Secured Obligation under the Revolving Credit Agreement or any other Revolving Credit Loan Documents;
  - 9.7.2 any failure to take, or to fully take, any security contemplated by the Revolving Credit Agreement or otherwise agreed to be taken in respect of the Secured Obligations;
  - 9.7.3 any failure to realise or to fully realise the value of, or any release, discharge, exchange or substitution of, any security taken in respect of the Secured Obligations; or
  - 9.7.4 any other act, event or omission which, but for this Clause 9.7, might operate to discharge, impair or otherwise affect any of the obligations of the Pledgor contained in this Agreement, the rights, powers and remedies conferred to the Pledgee and the Secured Parties under this Agreement, the Pledge or by law.
- 9.8. For the avoidance of doubt, the Pledgor hereby waives any rights arising (if any) under Article 2037 of the Luxembourg Civil Code.
- 9.9. The Pledgor waives its right to the benefit of both “division” and “discussion”.
- 9.10. Neither the Pledgee nor any of the Secured Parties nor any of their respective agents shall be liable by reason of (a) taking any action permitted by this Agreement or (b)

any neglect or default in connection with the Pledged Assets or (c) the realisation of all or any part of the Pledged Assets, except in the case of gross negligence or wilful misconduct of such Pledgee or Secured Party (as determined by the final, non-appealable judgment of a court of competent jurisdiction), any and all joint liability being excluded.

#### **10. PARTIAL ENFORCEMENT**

The Pledgee shall have the right to request enforcement of all or part of the Pledged Assets in its most absolute discretion. No action, choice or absence of action in this respect, or partial enforcement, shall in any manner affect the security interest created hereunder over the Pledged Assets as it then shall be (and in particular those Pledged Assets which have not been subject to enforcement). The security interest thereover shall continue to remain in full and valid existence until discharge or termination thereof, as the case may be.

#### **11. COSTS AND EXPENSES**

All reasonable costs, fees, stamp duties and other amounts incurred by the Secured Parties or the Pledgee in connection with the negotiation, execution or enforcement of this Agreement will be for the account of the Pledgor subject to and in accordance with the provisions of the Revolving Credit Agreement.

**13. SUCCESSORS**

- 13.1. This Agreement shall remain in effect despite any amalgamation or merger or replacement (however effected) relating to the Pledgee or any of the Secured Parties, and without prejudice to the provision of the Revolving Credit Agreement, references to the Pledgee or any of the Secured Parties shall be deemed to include any assignee or successor in title of the Pledgee or any of the Secured Parties and any person who, under any applicable law, has assumed the rights and obligations of the Pledgee or any of the Secured Parties hereunder or under the Revolving Credit Agreement or to which under such laws the same have been transferred or novated or assigned in any manner. To the extent a further notification or registration or any other step is required by law to give effect to the above, such further registration shall be made and the Pledgor hereby gives power of attorney to the Pledgee to make any notifications and/or to submit any required registrations, or to take any other steps, and undertakes to do so itself if so requested by the Pledgee.
- 13.2. For the purpose of Article 1278 of the Luxembourg Civil Code, to the extent required under applicable law and without prejudice to any other terms hereof or of the Revolving Credit Agreement and in particular of Clause 13.1 hereabove, in the event of any assignment, transfer, novation or disposal of a part or all of its rights and obligations by the Pledgee under the Revolving Credit Agreement, such Pledgee hereby expressly maintains, which the Pledgor accepts, all its rights and privileges hereunder for the benefit of its successor and assignees, so that the Pledge herein created will secure the Secured Obligations to the benefit of such successor and/or assignee (as the case may be), without further formalities.

**14. LIABILITY**

Neither the Pledgee nor any of the Secured Parties shall be liable for the loss or wrongful delivery of, or damage to, the Pledged Assets, howsoever arising, save to the extent that such loss, wrongful delivery or damage is caused by the gross negligence

of wilful misconduct of the relevant Pledgee or Secured Party, any and all joint liability being excluded.

**15. SEVERABILITY**

Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

**16. NO WAIVER; CUMULATIVE REMEDIES**

Neither the Pledgee nor any of the Secured Parties shall by any act, delay, and omission or otherwise be deemed to have waived any of its rights or its remedies hereunder and no waiver shall be valid unless in writing, signed by or on behalf of the Pledgee, acting on its own behalf or on behalf of the Secured Parties, and then only to the extent therein set forth. A waiver by or on behalf of the Pledgee, acting on its own behalf or on behalf of the Secured Parties, of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which the Pledgee would otherwise have on any future occasion. No failure to exercise nor any delay in exercising on the part of the Pledgee, any right, power or privileges hereunder, shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided are cumulative and may be exercised singly or concurrently, and are not exclusive of any rights or remedies provided by law.

**17. WAIVERS, AMENDMENTS**

Neither this Agreement nor any terms or conditions hereof may be amended, changed, waived, discharged, terminated or otherwise modified unless such amendment, change, waiver, discharge, termination or modification is in writing duly executed by the Pledgee, and is otherwise in accordance with the terms of the Revolving Credit Agreement. This Agreement and all obligations of the Pledgor hereunder shall be binding upon the successors and assigns of the Pledgor, and shall, together with the rights and remedies of the Pledgee and Secured Parties hereunder, inure to the benefit of the Pledgee and the Secured Parties and their respective successors and assigns.

**18. ASSIGNMENT**

The Pledgor may not assign or transfer all or any part of their rights or obligations hereunder. The Pledgee may assign or transfer all or any of its respective rights and obligations hereunder. Clause 13.2 shall apply *mutatis mutandis*.

**19. GOVERNING LAW**

This Agreement shall be governed by and be construed in accordance with Luxembourg law.

**20. JURISDICTION**

With respect to any proceedings arising in connection with this Agreement, the Pledgor irrevocably submits to the jurisdiction of the Luxembourg courts, notwithstanding the right of the Pledgee to take proceedings in any other jurisdiction.

**21. CONFLICTING PROVISIONS**

- 21.1. In the event of a direct conflict between the terms and provisions contained in this Agreement and the terms and provisions contained in the Revolving Credit Agreement, it is the intention of the parties hereto that such terms and provisions in such documents shall be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of the Revolving Credit Agreement shall control and govern.
- 21.2. Notwithstanding anything herein to the contrary, the lien and security interest granted to the Collateral Agent, for the benefit of the Secured Parties, pursuant to this Agreement and the exercise of any right or remedy by the Collateral Agent and the other Secured Parties hereunder are subject to the provisions of the Intercreditor Agreement. In the event of any conflict or inconsistency between the provisions of the Intercreditor Agreement and this Agreement, the provisions of the Intercreditor Agreement shall govern and control. Except as provided for in this paragraph, notwithstanding anything herein to the contrary, the Revolving Credit Agreement, including Article X thereof, shall govern and control the exercise of remedies by Collateral Agent.

IN WITNESS THEREOF the parties hereto have executed this Agreement in one or multiple original counterparts, all of which together evidence the same Agreement, on the day and year first written above.

Notice of pledge over bank account held  
by NOVELIS LUXEMBOURG (as Pledgor)  
with [•] (as Account Bank)

Dear Madam, Dear Sir,

(1) We hereby notify you that we have pledged the assets credited now or in the future on our following account held with your bank as follows: IBAN LU[•] (the "Pledged Account") in favour of BANK OF AMERICA, N.A. acting as Pledgee and Collateral Agent for itself and for the Secured Parties under the Revolving Credit Agreement in accordance with a First Ranking Account Pledge Agreement dated December 17, 2010 between Novelis Luxembourg S.A. as Pledgor and BANK OF AMERICA, N.A. as Pledgee (the "Account Pledge Agreement"). For your information we attach a copy of the Account Pledge Agreement.

So long as no Event of Default (as defined in the Account Pledge Agreement) has occurred which is continuing, unremedied or unwaived, the Pledgor shall be entitled to debit the Pledged Account of any cash monies held thereon subject to the provisions of the Revolving Credit Agreement (as defined in the Account Pledge Agreement). Following the occurrence of an Event of Default, the Pledgee shall be entitled to receive and freely apply all sums paid or payable in respect of the Pledged Assets. It is at the charge of the Pledgee to inform the Account Bank that an Event of Default has occurred.

(2) The Account Bank is hereby expressly notified of, and instructed to inscribe, the pledge on the Pledged Account in favour of the Pledgee for itself and for the Secured Parties in accordance with the Account Pledge Agreement.

---

To the extent applicable, if the assets held on the Pledged Account comprise fungible securities and other financial instruments, the Account Bank should immediately upon receipt of this notice earmark such securities and other financial instruments as being pledged in favour of the Secured Parties represented by the Pledgee by way of an inscription of the security interest created under the Account Pledge Agreement in the Account Bank's books.

- (3) The Pledgor and the Pledgee expressly accept that the Account Bank shall not assume any liabilities in the execution on the Account Pledge Agreement and shall also not be liable for any loss or damage suffered by the Pledgor or the Pledgee save in respect of such loss or damage which is suffered as a result of wilful misconduct or gross negligence of the Account Bank. It is specifically agreed that the Account Bank shall have no responsibility nor duty to check that the conditions set out in the Account Pledge Agreement or any other agreement and defined in these agreements as "Default" or "Event of Default", "Enforcement" or "Enforcement Event" are fulfilled.
- (4) The parties to the Account Pledge Agreement expressly agreed that acceptance of the terms of the Account Pledge Agreement by the Account Bank does not imply any obligation for the Account Bank to guarantee any commitments of the Pledgor towards the Pledgee or towards any other party to any agreement mentioned in the Account Pledge Agreement.
- (5) The Account Bank hereby expressly disclaims any warranty, guarantee, conditions, covenant and representations regarding any other agreement referred to in the Account Pledge Agreement as well as to the conformity of the provisions of the Account Pledge Agreement with Luxembourg law. Any transfers, realisations or enforcement that the Account Bank may conduct in favour of or on behalf of the Pledgee shall in any event be limited to the value of the cash claims, securities and credit balances of the Account on the date of any transfer, realisation or enforcement.
- (6) The Pledgor will indemnify the Account Bank and keep the Account Bank indemnified against all reasonable and duly documented damages, losses, actions, claims, expenses, demands and liabilities which may be incurred by or made against the Account Bank for anything done or omitted in the exercise or purported exercise of the powers contained herein other than to the extent that such damages, losses, actions, claims, expenses, demands and liabilities are incurred or made against the Account Bank as a result of gross negligence or wilful misconduct of the Account Bank.
- (7) The Account Bank hereby confirms that it is not aware of any prior encumbrances over the Pledged Account or the Pledged Assets. The Account Bank hereby releases any pledge or lien (resulting from the application of its general terms and conditions or any other agreement) over the Pledged Account or Pledged Assets and waives any

right of retention, set-off and, more generally, any rights that may adversely affect the Pledge and waives any option to create new pledges or liens over the Pledged Account

- (8) In case of discrepancies between the Account Pledge Agreement and this Acknowledgement, the latter shall prevail.
- (9) These undertakings are for the benefit of the Account Bank only and shall not in any way affect the relation between the Pledgor and the Pledgee. This Acknowledgement shall in no way affect the rights of the Pledgee or the obligations of the Pledgor under the Account Pledge Agreement, or the existence, perfection, continuity or enforceability of the Pledge constituted thereunder.
- (10) We would like to invite you to accept and acknowledge the creation of the pledge over the Pledged Account.

Yours faithfully,

- (E) The Collateral Agent and Secured Parties require the Guarantor to unconditionally and irrevocably guarantee the prompt and complete payment and performance by the Loan Parties of their obligations under the Revolving Credit Agreement, as further set forth in this Guarantee.

**1. DEFINITIONS AND INTERPRETATION**

**1.1** In this Guarantee:

“**Business Day**” means one day on which the commercial banks in Luxembourg are open for normal business transactions;

“**Discharge of Revolving Credit Secured Obligations**” shall have the meaning ascribed to it in the Intercreditor Agreement.

“**Guaranteed Obligations**” shall have the meaning given that term in Section 7.01 of the Revolving Credit Agreement.

**1.2** Unless defined otherwise herein, capitalized terms and expressions used herein shall have the meaning ascribed to them in the Revolving Credit Agreement.

**1.3** In this Guarantee, (a) a person includes its successors and assigns; (b) headings are for convenience of reference only and are to be ignored in construing this Guarantee and (c) references to any agreement or document are references to that agreement or document as amended, varied, supplemented, substituted or novated from time to time, in accordance with its terms.

## 2. GUARANTEE

- 2.1 The Guarantor irrevocably commits in the event any of the other Loan Parties shall at any time fail to perform any of the Guaranteed Obligations, to perform at first demand and as an independent obligation (“*garantie à première demande*”) and without the right to dispute payment on grounds pertaining to the obligations or the personal situation of such other Loan Parties (“*bénéfice de discussion*”) or to require the division of payments between itself and such other Loan Parties (“*bénéfice de division*”), any such payment obligations in place of such other Loan Parties. The Guarantor irrevocably and unconditionally waives expressly its right to benefit of articles 2021 (*discussion*), 2026 (*division*) and article 2037 of the Luxembourg Civil Code and further waives as right or requirement that the Collateral Agent in the event of any default by any of the other Loan Parties first make a demand or seek enforcement against any of the other Loan Parties or any other party.

For the avoidance of doubt, this Guarantee does not constitute a “*cautionnement*” within the meaning of articles 2011 ff. of the Luxembourg Civil Code, but an independent first demand guarantee, and references to the indebtedness are only for the assessment of the amounts payable under this Guarantee and for the determination of the time when this Guarantee may be called upon.

- 2.2 In order to secure its obligations under this Guarantee and the Revolving Credit Agreement, the Guarantor has agreed to provide the Collateral Agent with the Collateral represented by the following Luxembourg security documents:

- a first ranking pledge over its bank accounts;
- a second ranking pledge over its receivables;
- a transfer for security purposes over receivables.

If the Guarantor is to acquire further real property, either as full legal owner or under a land lease, or other Collateral at any time in the future and as long as this Guarantee is effective, it shall comply with clause 5.11 (c) of the Revolving Credit Agreement.

- 2.3 The Guarantor hereby expressly acknowledges that the meaning of the term “Guaranteed Obligations” used in this Guarantee (and consequently the extent of its undertaking under this Guarantee) is defined by reference to the Revolving Credit Agreement and the Guarantor expressly confirms that it fully understands and accepts such definition of the terms “Guaranteed Obligations” used in this Guarantee.

- 2.4** In the event where any Loan Party fails to pay or perform timely any Guaranteed Obligation, subject to Section 3 below, the Collateral Agent will be entitled to claim from the Guarantor, on a first demand basis, damages for an amount equal to, as applicable, (i) such Guaranteed Obligation, and (ii) any additional amount (including but not limited to the Collateral Agent's costs) to the extent necessary to put the Secured Parties in the position in which they would have been, had such Guaranteed Obligation been timely paid or performed.
- 2.5** The Collateral Agent will make any demand for damages under Section 2.4 above towards the Guarantor by registered letter with acknowledgement of receipt. The Collateral Agent will confirm in such demand that the Guaranteed Obligations have not been timely paid or performed and to what extent. Subject to Section 3 below, the Guarantor so notified by the Collateral Agent shall pay within 5 Business Days of that first demand.
- 2.6** The Guarantor understands and agrees that the Guarantee is a continuing, absolute and unconditional (subject to Section 3 below) guarantee of payment without regard to (a) the validity or enforceability of the Revolving Credit Agreement or any other applicable Revolving Loan Document, any of the Guaranteed Obligations, or any collateral security therefor or guarantee or right of set-off with respect thereto at any time or from time to time held by the Collateral Agent or any applicable Secured Party, (b) any defense, set-off or counterclaim which may at any time be available to or be asserted by the Loan Parties against the Collateral Agent or any applicable Secured Party (including, but not limited to, any right the Loan Parties may have to first require the Collateral Agent to proceed against or enforce any other rights, security or claim payment from a person before claiming payment from the Guarantor under this Guarantee), or (c) any other circumstance whatsoever which constitutes, or might be construed to constitute, a discharge of the Guaranteed Obligations.
- 2.7** When making any demand hereunder or otherwise pursuing its rights and remedies hereunder against the Guarantor, the Collateral Agent may, but shall be under no obligation to, make a similar demand on or otherwise pursue such rights and remedies as it may have against the Loan Parties, or any other person or against any collateral security or guarantee for the Guaranteed Obligations, or any right of set-off with respect thereto, and any failure by the Collateral Agent to make any such demand, to pursue such other rights or remedies or to collect any payments from the Loan Parties or any other person or to realize upon any such collateral security or guarantee or to exercise any such right of set-off shall not relieve the Guarantor of any applicable obligation or liability under this

Guarantee, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of the Collateral Agent or any applicable Secured Party against the Guarantor.

- 2.8** Subject to Section 3 below, the Guarantor's obligations under this Guarantee will not be discharged, suspended or in any way affected by:
- (i) any failure or delay by the Collateral Agent to realize upon or seek to enforce against the Loan Parties any liability or obligation arising under the Revolving Credit Agreement;
  - (ii) any default, failure or delay in the performance by the Loan Parties of the Guaranteed Obligations;
  - (iii) any waiver of or consent to departure from the provisions of, or any amendment to this Guarantee, the Revolving Credit Agreement or any applicable Revolving Loan Document, except when made in writing and executed by the Guarantor and the Collateral Agent;
  - (iv) any bankruptcy, receivership or any other insolvency proceeding related to any Loan Party or its property or any merger, reorganization, dissolution, sale of assets, or other winding up of any Loan Party; or
  - (v) any other circumstance which may otherwise constitute a defense available to, or a discharge of, the Guarantor in respect of its obligations under this Guarantee.
- 2.9** This Guarantee will be valid and will remain in full force until the Discharge of Revolving Credit Secured Obligations, and no further Guaranteed Obligations are capable of arising thereafter.
- 2.10** The provisions of Sections 2.12 (with respect to Taxes), 2.15, 2.22, 2.23 and 7.10 of the Revolving Credit Agreement are hereby incorporated, *mutatis mutandis*, and shall apply to this Agreement, the parties hereto and the Secured Parties as if set forth herein.

- 10.3 Such release shall be promptly given in the case of the Discharge of Senior Lien Secured Obligations, subject to delivery of any documents or certificates which the Transferee may reasonably request (including in particular, any certificates in relation to the absence of voidness or voidability of payments under any applicable laws). All reasonable costs and expenses associated with the release and discharge of the security created hereunder shall be borne by the Transferor.
- 10.4 Any discharge of the security interest created hereunder shall be null and void and without effect if any payment received by the Transferee and applied towards satisfaction of all or part of the Secured Obligations (i) is avoided or declared invalid as against the creditors of the maker of such payment, (ii) becomes repayable by the Transferee to a third party, or (iii) proves not to have been effectively received by the Transferee, and the Transferee shall be entitled upon notice to the Transferor to enforce the Transfer as if such discharge had not occurred.
- 10.5 The security interest created hereunder shall be cumulative in addition to and independent of every other security which the Transferee or any Secured Party may at any time hold as security for the Secured Obligations or any rights, powers and remedies provided by law and shall not operate so as in any way to prejudice or affect or be prejudiced or affected by any security interest or other right or remedy

which the Transferee or any Secured Party may now or at any time in the future have in respect of the Secured Obligations.

- 10.6 This security interest created hereunder shall not be prejudiced by any time or indulgence granted to any person, or any abstention or delay by the Transferee or any Secured Party in perfecting or enforcing any security interest or rights or remedies that the Transferee or any Secured Party may now or at any time in the future have from or against the Transferor or any other person.
- 10.7 No failure on the part of the Transferee to exercise, or delay on its part in exercising, any of its rights under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any such right preclude any further or other exercise of that or any other rights.
- 10.8 Neither the obligations of the Transferor contained in this Agreement nor the rights, powers and remedies conferred upon the Transferee by this Agreement or by law, nor the security interest created hereby shall be discharged, impaired or otherwise affected by:
- 10.8.1 any amendment to, or any variation, waiver or release of, any Secured Obligation;
  - 10.8.2 any failure to take, or fully to take, any security contemplated by the Term Loan Agreement, the Revolving Credit Agreement or any Loan Document or otherwise agreed to be taken in respect of the Secured Obligations;
  - 10.8.3 any failure to realise or fully to realise the value of, or any release, discharge, exchange or substitution of, any security taken in respect of the Secured Obligations; or
  - 10.8.4 any other act, event or omission which, but for this Clause might operate to discharge, impair or otherwise affect any of the obligations of the Transferor contained in this Agreement, the rights, powers and remedies conferred upon the Transferee by this Agreement, the Transfer or by law.
- 10.9 The Transferor waives its right to the benefit of both “division” and “discussion” (if any).

**(11) LIABILITY, INDEMNITY**

- 11.1 Neither the Transferee nor any of the Secured Parties shall be liable for any failure to collect or realise the Secured Obligations or any collateral security or guarantee therefor, or any part thereof, or for any delay in so doing, nor shall the Transferee (or any Secured Party) be under any obligation to take any action whatsoever with regard thereto.
- 11.2 Neither the Transferee nor any of the Secured Parties shall be liable for the loss or misdelivery of, or damage to, the Secured Assets, howsoever arising, save to the extent that such loss, misdelivery or damage is evidenced by the Transferor to have been caused by the gross negligence or wilful misconduct of the Transferee (or the relevant Secured Party) or a servant or agent thereof (in each case as determined by the final, non-appealable judgement of a court of competent jurisdiction), any joint liability being excluded, and provided that any liability of the Transferee (or any Secured Party) shall not extend to consequential loss and shall not in any event exceed the value of the Secured Assets, or the part of the Secured Assets lost, misdelivered, or damaged.
- 11.3 Neither the Transferee nor any of the Secured Parties nor any of their respective agents shall be liable by reason of (a) taking any action permitted by this Agreement or (b) any neglect or default in connection with the Secured Assets or (c) the realisation of all or any part of the Secured Assets, except in the case of gross negligence or wilful misconduct of such Transferee or Secured Party (as determined by a final, non-appealable judgement of a court of competent jurisdiction), any joint liability being excluded.
- 11.4 For the avoidance of doubt, the Transferee (or any Secured Party) shall not be liable for any loss or damage suffered by the Transferor in connection with this Agreement, save in respect of such loss or damage which is suffered as a result of wilful misconduct or gross negligence such Transferee or Secured Party (as determined by a final, non-appealable judgement of a court of competent jurisdiction).
- 11.5 The Transferor shall upon first demand indemnify the Transferee (and any Secured Party) its agent and officers and keep the Transferee (and any Secured Party) indemnified against all costs, losses and liabilities resulting from the Transferor's conduct in relation to the Secured Assets which may be reasonably incurred by the Transferee (or any Secured Party) acting in accordance with the provisions of the Loan Documents save in the case of gross negligence or wilful misconduct of the Transferee or the relevant Secured Party.

**(12) NO WAIVER, CUMULATIVE REMEDIES, AMENDMENTS**

- 12.1 The Transferee (or any Secured Party) shall not by any act, delay, omission or

otherwise be deemed to have waived any of its rights or remedies hereunder and no waiver shall be valid unless in writing, signed by or on behalf of the Transferee, and then only to the extent therein set forth. A waiver by or on behalf of the Transferee of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which the Transferee would otherwise have on any future occasion. No failure to exercise, nor any delay in exercising on the part of the Transferee, any right, power or privileges hereunder, shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The right and remedies herein provided are cumulative and may be exercised singly or concurrently and are not exclusive of any rights or remedies provided by law.

- 12.2 None of the terms or provisions of this Agreement may be waived, altered, modified or amended except by an instrument in writing, duly executed by or on behalf of the Transferee and the Transferor to this Agreement and is otherwise in accordance with the terms of the Loan Documents. This Agreement and all obligations of the Transferor hereunder shall be binding upon the successors and assigns of the Transferor, and shall, together with the rights and remedies of the Transferee hereunder, inure to the benefit of the Transferee (and the Secured Parties) and the successors and assigns thereof.

**(13) ASSIGNMENT, SUCCESSORS OF THE TRANSFEREE**

- 13.1 If a successor of the Collateral Agent is appointed pursuant to the relevant provisions of the Term Loan Agreement and or the Revolving Credit Agreement, the Collateral Agent will hereunder automatically be replaced by the successor Collateral Agent as party to this Agreement, upon notice to the Transferor of the appointment of the successor Collateral Agent.
- 13.2 The Transferee may assign or transfer all or any of its respective rights or obligations hereunder. Any successor to or assignee of the Transferee shall be entitled to the full benefits hereof. This Agreement shall remain in effect despite any amalgamation or merger (however effected) relating to the Transferee or any of the Secured Parties, and without prejudice to the provision of the Term Loan Agreement and/or the Credit Agreement, references to the Transferee or any of the Secured Parties shall be deemed to include any assignee or successor in title of the Transferee or any Secured Party and any person who, under any applicable law, has assumed the rights and obligations of the Transferee or any other Secured Party hereunder or under the Loan Documents or to which under such laws the same have been transferred or novated or assigned in any manner. To the extent a further notification or registration or any other step is required by law to give effect to the above, such further registration shall be made and the Transferor hereby gives

power of attorney to the Transferee to make any notifications and/or to require any required registrations to be made or to take any other steps, and undertakes to do so itself if so requested by the Transferee.

- 13.3 For the purpose of article 1278 of the Luxembourg Civil Code, to the extent required under applicable law and without prejudice to the provisions in the Loan Documents, the Transferee hereby expressly reserves the preservation of this Transfer and the security interest created thereunder in case of assignment, novation, amendment or any other transfer of the Secured Obligations or any other rights arising for it or the Secured Parties under the Loan Documents.

**(14) EXPENSES AND STAMP DUTY**

The Transferor shall, within three (3) Business Days of demand, pay (or procure payment) to the Transferee of the amount of reasonable all out of pocket costs and expenses (including reasonable legal fees and notarial fees) incurred by the Transferee in relation to the enforcement or preservation of any rights under or in connection with this Agreement and/or any amendment, waiver, consent or release under or in connection with this Agreement.

## **SECTION II**

### **QUOTA PLEDGE**

#### **Clause 2**

##### **(Pledge Over Quota and Canadian Borrower Credits)**

1. As security for the punctual payment of each and all of the Revolving Secured Obligations, the Canadian Borrower hereby creates and grants in favour of the Collateral Agent, for itself and for the benefit of the Revolving Secured Parties, a pledge, to the fullest extent permitted by law, over the Quota, including each and all of the Ancillary Rights concerning the Quota, ranking after the pledge, to the fullest extent permitted by law, over the Quota created and granted on the present date in favour of the Term Loan Collateral Agent for its own benefit and for the benefit of the Term Loan Secured Parties.
2. For the avoidance of doubt and without prejudice to Clause 6 of this Agreement, the pledge over the Quota includes (and any pledge over New Quotas shall include) the right of the Canadian Borrower to exercise each and all of the relevant Ancillary Rights.
3. While the pledge over the Quota is in force, and except as otherwise permitted by the Revolving Credit Agreement, the Canadian Borrower may not sell, assign, transfer, convert or dispose of the Quota in any way whatsoever or create charges, encumbrances or third party rights, pledges, usufructs, or any other option right or restriction of free transfer.
4. As security for the punctual payment of each and all of the Revolving Secured Obligations, the Canadian Borrower hereby creates and grants a pledge in favour of the Collateral Agent, for itself and for the benefit of the Revolving Secured Parties, a pledge, to the fullest extent permitted by law, over the Canadian Borrower Credits, ranking after the pledge, to the fullest extent permitted by law, over the Canadian Borrower Credits created and granted on the present date in favour of the Term Loan Collateral Agent for its own benefit and for the benefit of the Term Loan Secured Parties.
5. The Madeira Guarantor hereby acknowledges and agrees, in accordance and for the purposes of article 681, no. 2, of the Portuguese civil code, with the terms of the pledge over the Canadian Borrower Credits created under number 4 above.

capital of the Madeira Guarantor by way of an increase of the nominal value of the Quota.

**Clause 3**

**(Registration of the Pledge)**

1. The Madeira Guarantor undertakes to present the pledge over the Quota hereby created for registration with the competent Commercial Register Office and to present sufficient evidence thereof to the Collateral Agent within fifteen (15) Business Days of the date of this Agreement, and to provide promptly thereafter, and in any circumstances within a period of thirty (30) Business Days of the date of this Agreement, evidence of such registration in the terms provided for in Appendix 1.
2. All expenses incurred in connection with the registration of the pledge over the Quota shall be paid by the Canadian Borrower.
3. The Canadian Borrower agrees that it will maintain, at its sole cost and expense, the pledge over the Quota created by this Agreement by taking all applicable actions (including, without limitation, the presentation of the pledge for registration with the competent Commercial Register Office, and the delivery or filing of agreements, instruments or other documents) as may have been reasonably requested by the Collateral Agent in order to perfect, maintain or enforce the pledge over the Quota under the laws of the Portuguese Republic as a perfect pledge over the Quota with priorities set out in Clause 2.1. above.

**Clause 4**

**(New Quotas)**

As security for the punctual payment of the Revolving Secured Obligations, the Canadian Borrower promises to execute, at its sole cost and expense, a pledge over any New Quotas substantially similar to the terms and conditions in this Agreement with respect to the pledge over the Quota, ranking after the pledge, to the fullest extent permitted by law, over such New Quotas created and granted for the benefit of the Term Loan Collateral Agent and the Term Loan Secured Parties for the punctual payment of each and all of the Term Loan Secured Obligations.
2. All pledges to be created pursuant to Clause 4.1 above shall be executed within ten (10) Business Days of registration of the New Quotas in the name of the Canadian Borrower, failing which the Collateral Agent shall be entitled, in its sole discretion, to execute the

For such purpose, the Canadian Borrower shall deliver within ten (10) Business Days of the date hereof (or by such later date as may be agreed to in writing by the Collateral Agent in its sole discretion) to the Collateral Agent an irrevocable power of attorney substantially in the form of Appendix 2.

3. The execution of the pledges on behalf of the Canadian Borrower pursuant to Clause 4.2 of this Agreement shall not release the Canadian Borrower from any liability to the Collateral Agent for any damage incurred due to the Canadian Borrower's failure to execute a pledge over New Quotas under the terms set forth in Clauses 4.1 and 4.2 of this Agreement, as determined by applicable law, nor does it, by any means, prevent the Collateral Agent from claiming specific payment, discharge of any such obligations and compensation for damage incurred due to late performance in accordance with the Intercreditor Agreement.

#### **Clause 5**

##### **(Transformation of the Madeira Guarantor)**

1. In the event that the Madeira Guarantor is, subject to any consent required under the Revolving Credit Agreement, transformed ("*transformada*") into a "*sociedade anónima*", the pledges hereby executed will be maintained over the shares ("*acções*") issued as a result of the transformation ("*transformação*"), in which case the Canadian Borrower shall register the pledges created over such shares under the terms of articles 101 or 102 and 103 of the Portuguese Securities Code ("*Código dos Valores Mobiliários*") and in accordance with the terms of this Agreement and this registration cannot be cancelled before the Termination Date.

by the Collateral Agent in accordance with the terms of the Revolving Credit Agreement and the Intercreditor Agreement, as applicable, is delivered to the Canadian Borrower notifying the Canadian Borrower that the exercise of the Ancillary Rights have become vested in the Collateral Agent.

2. Immediately upon receiving notice in accordance with Clause 6.1, the Canadian Borrower shall refrain from exercising any of the Ancillary Rights, shall discontinue the exercise of any of those rights which may be pending and shall further abstain from taking any action that may jeopardise or be inconsistent with the exercise of the mentioned Ancillary Rights by the Collateral Agent.

#### **Clause 7**

##### **(Enforcement of the Pledge of Quota and Pledge over Canadian Borrower Credits)**

1. The security granted under this Section may be enforced upon the occurrence of and during the continuation of an Event of Default.
2. The Collateral Agent may enforce the Pledge Over Quota and/or the Pledge over Canadian Borrower Credits in respect any Event of Default by whatever means available under the law as the Collateral Agent may elect to ensure an expeditious payment of the Revolving Secured Obligations, respectively, and specifically through:
  - (i) a judicial sale of the Quota and/or of the Canadian Borrower Credits;
  - (ii) an extra-judicial sale (“*venda extra-judicial ou extra-processual*”) of the Quota and/or of the Canadian Borrower Credits ; or
  - (iii) a request to the court that the Quota and/or Canadian Borrower Credits be vested in the Collateral Agent or in one of them in an amount to be established by such court.
3. No failure on the part of the Collateral Agent to exercise, and no delay on its part in exercising, any right or remedy under this Agreement shall operate as a waiver thereof, nor will any single or partial exercise of any right or remedy preclude any other or further exercise of that or any other right or remedy.
4. If an extra-judicial sale (“*venda extra-judicial ou extra-processual*”) of the Quota and/or of the Canadian Borrower Credits occurs, the price of the Quota and/or of the Canadian Borrower Credits shall be determined according to the best price offered to the Collateral Agent by a willing buyer within a procedure of extra-judicial sale (“*venda extra-judicial ou extra-processual*”)

*Revolving Quota Pledge Agreement*

organized by the Collateral Agent and the Canadian Borrower acknowledges that the price so determined corresponds to a price determined according to reasonable commercial criteria.

## **SECTION II**

### **ASSIGNMENT BY WAY OF SECURITY OF THE CREDITS**

#### **Clause 2**

##### **(Assignment by way of security of the Credits)**

1. The Assignors hereby reassign the Credits to the Madeira Guarantor, assigned to them on June 11, 2008 pursuant to a quota and account pledge and assignment of credits agreement entered into between the Parent Borrower, the Madeira Guarantor, UBS and La Salle Business Credit LLC (which assigned its contractual position to Bank of America, N.A.).
2. Pursuant to the reassignment referred in number 1 above, the Madeira Guarantor hereby assigns, as security for the punctual payment of the Revolving Secured Obligations and as security for the punctual payment of the Term Loan Secured Obligations, the Credits to the Collateral Agent for its own benefit and for the benefit of the Revolving Secured Parties and for the benefit of the Term Loan Secured Parties.
3. The assignment of receivables pursuant to this Agreement is made by way of security for the punctual payment of the Revolving Secured Obligations and the Term Loan Secured Obligations (“*cessão de créditos com escopo de garantia*”) and therefore: (i) does not extinguish the Revolving Secured Obligations nor the Term Loan Secured Obligations; (ii) upon their creation each of such receivables will be assigned to the Collateral Agent without the need of a further specific or express declaration by the Madeira Guarantor or acceptance by the Collateral Agent and (iii) is subject to the termination condition (“*condição resolutive*”) set out below in number 5. of this Clause.
4. By this Agreement the Collateral Agent grants the Madeira Guarantor powers to exercise, on the Collateral Agent’s behalf and representation, each and all acts required to claim, collect and exercise all rights inherent to the Credits assigned pursuant to number 2. above.
5. If on the date when the Credits assigned pursuant to this Clause become due and payable and no Event of Default has occurred, the assignment as to such maturing Credits only shall be extinguished, at the moment of collection, in respect of amounts collected by the Madeira Guarantor under the power of attorney granted in number 4. above.

*Assignment of Credits*

---

6. Upon the occurrence of an Event of Default and notice to such effect from the Collateral Agent, the Madeira Guarantor will be prohibited from exercising the rights relating to the Credits assigned in accordance with this Clause, which will be exclusively exercised by the Collateral Agent, who may, subject to the Intercreditor Agreement, affect any amounts to the payment of the Revolving Secured Obligations and to the payment of the Term Loan Secured Obligations, as applicable, and the power of attorney granted in number 4. above shall lapse on the same date.
7. The Collateral Agent shall return to the Madeira Guarantor all amounts collected and not used to repay, respectively, the Revolving Secured Obligations and the Term Loan Secured Obligations under this Clause on the Termination Date.
8. The Madeira Guarantor undertakes to notify the assignment of the Credits under this Clause, with copy to the Collateral Agent, to the relevant debtor of the Credits promptly upon being instructed for that purpose by the Collateral Agent upon the occurrence of an Event of Default which is continuing.
9. The Madeira Guarantor shall update Appendix 1 and provide notification to the Collateral Agent, which notice may be served by the Madeira Guarantor, or by any other entity of the corporate group of the Madeira Guarantor, promptly after a new entity becomes a buyer of aluminum and related products from the Madeira Guarantor (or from any company within the corporate group of the Madeira Guarantor) and shall instruct the buyer to pay the Madeira Guarantor.
10. The Madeira Guarantor shall notify the Collateral Agent of receivables it may be entitled to (other than the ones arising from the sale of aluminum) and update Appendix 1 (so that such other receivables are included thereto) through the means provided for in number 9. above and, in that case, the definition of Credits provided for in Clause 1.1. above shall be deemed to include such other receivables.

For so long as no Event of Default has occurred and is continuing, the Pledgor shall be free, subject to the terms of, and the limitations set forth in, the Revolving Credit Agreement, to use any amounts standing to the credit of a Cash Account, provided however that such Cash Account may never present a debit balance.

4.2.2 Unavailability of Cash Distributions after an Event of Default

Upon the occurrence of an Event of Default which is continuing, the amounts standing to the credit of the Cash Accounts will become unavailable to the Pledgor and the Cash Account Holder will be entitled to block such Cash Accounts. To that effect, the French Collateral Agent will be entitled (and the Pledgor hereby expressly gives mandate to the French Collateral Agent to that effect) to notify the same to the Cash Account Holder by notice, a form of which is set out in Schedule D hereto, requesting it to freeze the Cash Accounts until a notification to the contrary is received from the French Collateral Agent, or until the French Collateral Agent requests the transfer to its benefit of the amounts standing to the credit of such Cash Accounts in accordance with Clause 9 (*Remedies upon an Event of Default*), in each case in accordance with and subject to the terms of the Intercreditor Agreement.

**5. REPAYMENT OR REDEMPTION OF PLEDGED SECURITIES**

At any time after an Event of Default has occurred, and in accordance with and subject to the terms of the Intercreditor Agreement, the French Collateral Agent, acting for its own account and for the account and on behalf of the Revolving Credit Secured Parties, shall be entitled to exercise all rights, and take all actions in relation to the Pledged Assets as may be permitted by applicable law in France and, in particular, may:

- (a) in accordance with the provisions of article 2348 of the French Civil Code, upon five (5) days' prior written notice (*mise en demeure*) sent by recorded delivery to the Pledgor, and without requesting judicial attribution (*attribution judiciaire*), enforce the Pledges by becoming the owner of the Securities;
- (b) at any time after all or part of the Revolving Credit Secured Obligations have become due and payable (*créance certaine, liquide et exigible*), and after a period of three (3) clear days (*jours francs*) starting on the date on which upon five (5) days' prior written notice (*mise en demeure*), complying with the provisions of paragraph V of article L. 211-20 of the *Code monétaire et financier* and of articles D. 211-1 and following of the same code, sent by recorded delivery to the Pledgor, the relevant Securities Account Holder and the Cash Account Holder, require the transfer to it of the amounts standing to the credit of the relevant Cash Account, up to the amount of the Revolving Credit Secured Obligations.

The value of the relevant Pledged Securities will be estimated at the date of the transfer of title thereto to the French Collateral Agent by an expert appointed in good faith by the French Collateral Agent and the Pledgor within eight (8) days following transfer of title on the list of experts listed on the register of the Court of Appeal of Paris (*liste des experts près la Cour d'appel de Paris*), under section “*Economie et Finance*”, sub-section “*Comptabilité*” or “*Finances*” and the specialization of which is the valuation of shares (“*évaluation de droits sociaux — fusions, scissions et apports*”), or any list coming to replace such list. If the parties fail to agree on the name of the expert within this period, the expert will be nominated by the President of the Commercial Court of Paris (*statuant en référé*) seized by any of the parties.

If, at any time, any provision of this Agreement is or becomes illegal, invalid or unenforceable in any respect under the law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions of this Agreement nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired.

#### 10.3 Additional security

The Pledges are in addition to, and are not in any way prejudiced by, any other security now or hereafter held by the French Collateral Agent and the Revolving Credit Secured Parties to secure all or part of the Revolving Credit Secured Obligations. The French Collateral Agent and the Revolving Credit Secured Parties shall not be obliged, before exercising any rights conferred on them by this Agreement or by law, to exercise or enforce any other rights or security they may have or hold in respect of all or part of the Revolving Credit Secured Obligations.

#### 10.4 Amendment to Revolving Credit Secured Obligations

  - 11.2.2 the preparation and execution of any Statement of Pledge; and
  - 11.2.3 the preservation and/or enforcement of any of their rights, powers or remedies under this Agreement or any of the Pledges or any proceedings instituted by or against any of them as a consequence of taking or holding the security created by the Pledges or the total or partial release of the Pledges.

#### 13.3 Novation

In case of a novation (*novation*) of the Revolving Credit Secured Obligations, the Revolving Credit Agreement or any other Loan Document, the Revolving Credit Secured Parties expressly maintain, in accordance with article 1278 of the *Code civil*, the benefit of the Pledges, which will therefore remain in full force and effect in favor of the French Collateral Agent for the benefit of the Revolving Credit Secured Parties or any successor.

In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of the Revolving Credit Agreement shall govern and control.

Notwithstanding anything herein to the contrary, the liens and security interests granted in favor of the French Collateral Agent for the benefit of the Revolving Credit Secured Parties pursuant to this Agreement and the exercise of any right or remedy by the French Collateral Agent and the Revolving Credit Secured Parties hereunder are subject to the provisions of the Intercreditor Agreement. In the event of any conflict or inconsistency between the provisions of the Intercreditor Agreement and this Agreement, the provisions of the Intercreditor Agreement shall govern and control. Except as provided for in this paragraph, notwithstanding anything herein to the contrary, the Revolving Credit Agreement, including Article X thereof, shall govern and control the exercise of the remedies by the French Collateral Agent.

Subject to the express terms herein, the obligations of the Guarantor hereunder shall be unconditional and absolute and, without limiting the generality of the foregoing, shall not be released, discharged or otherwise affected by:

**4. CONTINUING GUARANTEE**

This Guarantee is a continuing guarantee of payment, and shall apply to all Guaranteed Obligations whenever arising.

**5. REINSTATEMENT**

The obligations of the Guarantor under this Guarantee shall be, to the extent permitted by applicable laws, automatically reinstated if and to the extent that for any reason any payment by or on behalf of any Borrower or other Loan Party in respect of the Guaranteed Obligations is rescinded or must be otherwise restored by any holder of any of the Guaranteed Obligations, whether as a result of any proceedings in bankruptcy or reorganization or otherwise. The Guarantor agrees that it will indemnify the Revolving Credit Collateral Agent and the other Revolving Credit Secured Parties on demand for all reasonable costs and expenses (including reasonable fees of counsel) incurred by the Revolving Credit Collateral Agent and the other Revolving Credit Secured Parties in connection with such rescission or restoration, including any such costs and expenses incurred in defending against any claim alleging that such payment constituted a preference, fraudulent transfer or similar payment under any bankruptcy, insolvency or similar law, other than any costs or expenses resulting from the bad faith or willful misconduct of the Revolving Credit Collateral Agent and the other Revolving Credit Secured Parties.

**6. SUBROGATION; SUBORDINATION**

The Guarantor hereby agrees that until the indefeasible and irrevocable payment and satisfaction in full in cash of all Guaranteed Obligations, it shall waive any claim and

- (b) The obligations and liabilities of the Guarantor under this Guarantee for the obligations under the Loan Documents of any other Loan Party which is not a Subsidiary of the Guarantor, shall be limited at any time to an amount equal to the aggregate of all amounts borrowed under the Revolving Credit Agreement by such other Loan Party as Borrower to the extent directly or indirectly on-lent to the Guarantor under inter-company loan agreements and outstanding at the date a payment

(iv) the Contribution, Intercompany, Contracting and Offset Agreement, dated as of December 14, 2010 (as amended, supplemented, amended and restated or otherwise modified and in effect from time to time, the “*Term Loan CICO Agreement*” and, together with the Revolving Credit CICO Agreement, the “*CICO Agreements*”), among Holdings, the subsidiaries of Holdings party thereto, BANK OF AMERICA, N.A., as administrative agent and as collateral agent under the Term Loan Agreement.

1. **Loan.** The principal amount stated above (the “*Advances*”) has been loaned to the Borrower by the Lender subject to the terms and conditions hereof and of the Subordination Agreements, the CICO Agreements, the Intercreditor Agreement, the Revolving Credit Agreement and the Term Loan Agreement. Subject to the terms and conditions hereof and of the Subordination Agreements, the CICO Agreements, the Intercreditor Agreement, the Revolving Credit Agreement and the Term Loan Agreement, the Borrower may prepay the Advances under this Promissory Note without premium or penalty.

2. **Interest.** (a) The Advances shall bear interest at a rate per annum equal to [ ]% (computed on the basis of year of [360]<sup>1</sup>[365]<sup>2</sup> days), payable until the Maturity Date. The Borrower promises to pay interest on the unpaid principal amount of Advances from the date hereof until such principal amount is paid in full. Interest accrued on the amount of all other obligations hereunder shall be payable on demand from and after the time such obligation becomes due and payable (whether by acceleration or otherwise). [Interest on the amount of all obligations hereunder shall continue to accrue after the beginning of any bankruptcy or insolvency proceeding involving the Borrower, whether or not allowed in such proceeding.]<sup>3</sup> [In the event that accrued interest is not paid cash, it will compound on an annual basis in accordance with article 1154 of the French Civil Code.]<sup>4</sup>

[ (b) To comply with the provisions of article L. 314 of the French Monetary and Financial Code (*Code Monétaire et Financier*), the Borrower and the Lender agree that the effective global rate for the facility is [ ]% per annum and [ ]% per quarter.]<sup>5</sup>

[ (b) Notwithstanding any other provision of this Promissory Note, it is understood that the interest rate applicable hereunder in no event shall exceed the maximum interest rate permitted by Law no. 108 of March 7, 1996 (*disposizioni in materia di usura*) and related implementation regulations and subsequent amendments and/or repeals. Should, by any means, the interest rate due pursuant to the *Section 2* above exceed the maximum rate permitted

under applicable law, the interest rate applicable shall be automatically reduced as necessary to allow the interest rate applicable to be in compliance with any applicable law.]<sup>6</sup>

[(b) Notwithstanding any other provisions of this Promissory Note, in no such event shall, if applicable, any: (i) an increase of the applicable interest rate triggered by the late payment of an overdue amount exceed 0.5% per annum on the outstanding principal amount due (*article 1907 Belgian Civil Code*); (ii) prepayment and related fees exceed six months of interest on the pre-paid amount, calculated at the rate of interest accruing on the principal amount (*1907 bis Belgian Civil Code*); (iii) interest be claimed on overdue interest, unless (A) the overdue interest has accrued over a period of at least one year, and (B) the interest has formally been claimed by the Lender, or the Borrower has agreed to it, after such period has effectively passed (*article 1154 Belgian Civil Code*); and (iv) the aggregate annual interest rate applicable in this Promissory Note exceed the maximum permitted by the *Belgian Civil Code* and other Requirements of Law from time to time in force in Belgium.]<sup>7</sup>

[(b) [*Interest Act (Canada)*]. For purposes of the *Interest Act (Canada)*, whenever in this Promissory Note any interest is calculated on the basis of a period of time other than a year of 365 or 366 days, as applicable, the annual rate of interest to which each rate of interest utilized pursuant to such calculation is equivalent is such rate so utilized multiplied by the actual number of days in the calendar year in which the same is to be ascertained and divided by the number of days used in such calculation. For the purposes of the *Interest Act (Canada)*, the principle of deemed reinvestment of interest will not apply to any interest calculation under this Promissory Note, and the rates of interest stipulated in this Promissory Note are intended to be nominal rates and not effective rates or yields.

(c) *Criminal Interest Rate*. (i) If any provision of this Promissory Note would obligate the Borrower to make any payment of interest or other amount payable to the Lender hereunder in an amount or calculated at a rate which would be prohibited by law or would result in a receipt by the Lender of interest at a criminal rate (as construed under the *Criminal Code (Canada)*), then notwithstanding that provision, that amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by law or result in a receipt by the Lender of interest at a criminal rate, the adjustment to be effected, to the extent necessary, (A) *first*, by reducing the amount or rate of interest required to be paid to the Lender under this *Section 2* and (B) thereafter, by reducing any fees, commissions, premiums and other amounts required to be paid to the Lender which would constitute interest for purposes of *Section 347* of the *Criminal Code (Canada)*.

(ii) Notwithstanding clause (c)(i), and after giving effect to all adjustments contemplated thereby, if the Lender shall have received an amount in excess of the maximum permitted by the *Criminal Code (Canada)*, then the Borrower, shall be entitled, by notice in writing to the Lender, to obtain reimbursement from the Lender in an amount equal to the excess, and pending reimbursement, the amount of the excess shall be deemed to be an amount payable by the Lender to the Borrower.

(iii) Any amount or rate of interest referred to in this *Section 2* shall be determined in accordance with generally accepted actuarial practices and principles as an effective annual rate of interest over the term of this Promissory Note on the assumption that any charges, fees or expenses that fall within the meaning of interest (as defined in the *Criminal Code* (Canada)) shall be pro-rated over that period of time and, in the event of a dispute, a certificate of a Fellow of the Canadian Institute of Actuaries appointed by the Authorized Pari Passu Collateral Agent (or following the Discharge of Pari Passu Secured Obligations, the Revolving Credit Administrative Agent) shall be conclusive for the purposes of that determination.<sup>8</sup>

3. **Payments; Record of Debt.** Both principal and interest are payable in the currency in which Advances are made to Lender in same day funds. The Advances made by Lender to the Borrower pursuant to the terms hereof, and all payments made on account of principal thereof, shall be recorded by Lender[, acting for this purpose solely as an agent of the Borrower,<sup>9</sup> in its books and records, such books and records constituting prima facie evidence of the accuracy of the information contained therein; *provided* that the failure of Lender to make any such recordation or endorsement shall not affect the obligations of the Borrower hereunder.

4. **Waivers.** The Borrower hereby waives presentment, demand, protest and notice of any kind. No failure to exercise, and no delay in exercising, any rights hereunder on the part of the holder hereof shall operate as a waiver of such rights.

5. **Event of Default.** In the event (each, an “*Event of Default*”) that:

(a) a Revolving Credit Default shall have occurred and is continuing, and/or

(b) a Pari Passu Default shall have occurred and is continuing, and/or

(c) the Borrower shall fail to pay any principal of any Advance or interest thereon pursuant to this Promissory Note when the same becomes due and payable,

then, and in any such event, the Lender may, by notice to the Borrower, declare the Advances, all interest thereon and all other amounts payable under this Promissory Note to be forthwith due and payable, whereupon the Advances, all such interest and all such amounts shall become and be forthwith due and payable, without presentment, demand, protest or further notice of any kind, all of which are hereby expressly waived by the Borrower; *provided* that in the case of the occurrence of (i) a Revolving Credit Default of the type referred to in *Section 8.01(g)* or *(h)* of the Revolving Credit Agreement in effect on the date hereof, or any similar provisions of any other Revolving Credit Agreement, (ii) a Pari Passu Default of the type referred to in *Section 8.01(g)* or *(h)* of the Term Loan Agreement in effect on the date hereof, or any similar provisions of any other Pari Passu Loan Document or (iii) an Event of Default under *clause (c)* above [or in the case that any financial statements of the Borrower show the book value of the net assets of the Borrower have fallen to below half of its stated share capital (*Stammkapital*)]<sup>10</sup>, the Advances, and all such interest and all other amounts owing hereunder shall automatically become and be due and payable, without presentment, demand, protest or any notice of any kind, all of which are

hereby expressly waived by the Borrower. [The Borrower represents and warrants that it has obtained shareholder approval by resolution authorizing the Borrower to permit the Lender to terminate this Promissory Note and to claim immediate repayment of all sums due hereunder in case of a change of control as contemplated by the Revolving Credit Agreement and/or the Pari Passu Loan Documents and that such resolution will be timely filed with the Clerk's Office of the competent Commercial Court (*article 556 Belgian Companies Code*).]<sup>11</sup>

6. **Governing Law.** This Promissory Note shall be governed by, and construed in accordance with, the laws of **[Intercompany Borrower Jurisdiction]**, without giving effect to principles of conflict of laws thereof.

7. **Amendments.** This Promissory Note cannot be amended without the consent of each of (i) the parties hereto and (ii) prior to the Discharge of Revolving Credit Secured Obligations, the Revolving Credit Administrative Agent and (iii) prior to the Discharge of Pari Passu Secured Obligations, the Authorized Pari Passu Collateral Agent.

8. **Expenses.** The Borrower agrees to pay all costs and expenses, including reasonable attorneys' fees and legal expenses, incurred by the Lender in endeavoring to collect any amounts payable hereunder which are not paid when due, whether by acceleration or otherwise.

9. **No Set Off.** Unless required by applicable law, and subject to the terms of the Subordination Agreements, at no time may the Lender appropriate and apply toward the payment of all or any part of the obligations of the Borrower under this Promissory Note (i) any other indebtedness due or to become due from the Borrower to the Lender, and (ii) any moneys, credits or other property belonging to the Borrower, at any time held by or coming into the possession of the Lender.

10. **Taxes.** (a) In the event that a Revolving Credit Default and/or a Pari Passu Default has occurred and is continuing, any and all payments by the Borrower under this Promissory Note shall be made free and clear of and without deduction for any and all present or future taxes, levies, duties, imposts, deductions, charges or withholdings, and all liabilities with respect thereto, excluding (i) in the case of the Lender taxes measured by its net income and franchise taxes imposed on it, and similar taxes imposed by the jurisdiction (or any political subdivision thereof) under the laws of which the Lender is organized, and (ii) in the case of the Lender, except to the extent arising solely as a result of entering into this Promissory Note, taxes measured by its net income and franchise taxes imposed on it as a result of a present or former connection between the Lender and the jurisdiction of the governmental authority imposing such tax or any taxing authority thereof or therein, other than the entering into of the Promissory Note (all such non-excluded taxes, levies, duties, imposts, deductions, charges, withholdings and liabilities being hereinafter referred to as "*Taxes*"). If any Taxes shall be required by law to be withheld or deducted from or in respect of any sum payable hereunder to the Lender (w) the sum payable shall be increased as may be necessary so that after making all required deductions or withholdings in respect of Taxes (including deductions applicable to additional sums payable under this *Section 10*) the Lender receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (x) the Borrower shall make such deductions or withholdings, (y) the Borrower shall pay the full amount deducted or withheld to the relevant

taxing authority or other authority in accordance with applicable law and (z) the Borrower shall deliver to the Lender evidence of such payment.

(b) In addition, if a Revolving Credit Default and/or a Pari Passu Default has occurred and is continuing, the Borrower shall pay any present or future stamp, registration, notarization or documentary or similar taxes or any other excise or property taxes, charges or similar levies, and all liabilities with respect thereto, in each case arising from any payment made or credited under or in connection with this Promissory Note or from the execution, delivery, registration or enforcement of, or otherwise with respect to, this Promissory Note (collectively, "*Other Taxes*").

(c) The Borrower shall indemnify the Lender for the full amount of Taxes and Other Taxes (including any Taxes and Other Taxes imposed by any jurisdiction on amounts payable under this *Section 10*) paid by the Lender and any liability (including for penalties, interest and expenses) that arises from any payment made or crediting of amounts hereunder or from the execution, delivery, performance or enforcement of, or otherwise with respect to, this Promissory Note, whether or not such Taxes or Other Taxes were correctly or legally asserted. This indemnification shall be made within 30 days from the date the Lender makes written demand therefor.

(d) Within 30 days after the date of any payment of Taxes or Other Taxes by the Borrower, the Borrower shall furnish the Lender, pursuant to the indemnity set forth in *clause (c)* above, the original or a certified copy of a receipt evidencing payment thereof or other evidence of payment thereof reasonably acceptable to Lender.

(e) The Borrower and the Lender will use reasonable good faith efforts to eliminate or reduce any Taxes or Other Taxes to which a payment hereunder may be subject and will provide any certificates or other evidence of an exemption from or reduced rate of Taxes or Other Taxes in this regard.

(f) Without prejudice to the survival of any other agreement of the Borrower, the Lender hereunder, the agreements and obligations of the Borrower contained in this *Section 10* shall survive the payment in full of all other obligations of the Borrower under this Promissory Note.

(g) If the Lender determines in its sole discretion exercised reasonably that it has received or has been granted a credit against, or remission for, or a refund or a repayment of any Taxes (i) as a result of the Borrower's deduction or withholding and payment to a taxing authority of an amount pursuant to *clause (a)* above or (ii) with respect to which the Borrower has paid an amount to the Lender or any of its transferees or assignees, as the case may be, pursuant to *clause (c)* above, then the Lender, as the case may be, shall, within 30 days, pay the Borrower the lesser of (y) the credit, remission, refund or repayment of Taxes received or granted and (z) the amount paid by the Borrower pursuant to this *Section 10*.

11. **Judgment Currency.** (a) This is an international loan transaction in which the specification of [**Currency**] is of the essence, and [**Currency**] shall in each instance be the currency of account and payment in all instances.

(b) Borrower's obligations hereunder to make payments in [**Currency**] shall not be discharged or satisfied by any tender or recovery pursuant to any judgment expressed

in or converted into any currency other than [**Currency**] or in another place, except to the extent that such tender or recovery results in the effective receipt by the Lender of the full amount of [**Currency**] expressed to be payable to the Lender under this Promissory Note.

(c) If, for the purpose of obtaining or enforcing judgment against Lender in any court or in any jurisdiction, it becomes necessary to convert into or from any currency other than [**Currency**] (such other currency being hereinafter referred to as the "Other Currency") an amount due in [**Currency**], the conversion shall be made at the spot selling rate at which the Authorized Pari Passu Collateral Agent (or following the Discharge of Pari Passu Secured Obligations, the Revolving Credit Administrative Agent) (or if the Authorized Pari Passu Collateral Agent (or, following the Discharge of Pari Passu Secured Obligations, the Revolving Credit Administrative Agent) does not quote a rate of exchange on such currency, by a known dealer in such currency designated by the Authorized Pari Passu Collateral Agent (or, following the Discharge of Pari Passu Secured Obligations, the Revolving Credit Administrative Agent)) offers to sell such Other Currency for [**Currency**] in the London foreign exchange market at approximately 11:00 a.m. London time on such date for delivery two (2) Business Days later (such date of determination of such spot selling rate, being hereinafter referred to as the "Other Currency Conversion Date").

(d) If there is a change in the rate of exchange prevailing between the Other Currency Conversion Date and the date of actual payment of the amount due, the Borrower covenants and agrees to pay, or cause to be paid, as a separate obligation and notwithstanding any such judgment or judicial award, such additional amounts, if any (but in any event not a lesser amount) as may be necessary to ensure that the amount paid in the Other Currency, when converted at the rate of exchange prevailing on the date of payment, will produce the amount of [**Currency**] which could have been purchased with the amount of Other Currency stipulated in the judgment or judicial award at the rate of exchange prevailing on the Other Currency Conversion Date.

**12. Submission to Jurisdiction; Service of Process.** (a) Any legal action or proceeding with respect to this Promissory Note, and any other Revolving Credit Loan Document or Pari Passu Loan Document to which the Borrower is a party, may be brought in the courts of the State of New York or of the United States of America for the Southern District of New York, and, by execution and delivery of this Promissory Note, the Borrower (in consideration of similar submissions made by the Lender in the Revolving Credit Loan Documents and the Pari Passu Loan Documents) hereby accepts for itself and in respect of its property, generally and unconditionally, the jurisdiction of the aforesaid courts. The parties hereto hereby irrevocably waive any objection, including any objection to the laying of venue or based on the grounds of *forum non conveniens*, that any of them may now or hereafter have to the bringing of any such action or proceeding in such respective jurisdictions.

(b) The Borrower hereby irrevocably designates, appoints and empowers CSC Corporation, 1180 Ave of the Americas, Suite 210, New York, New York, 10036 (telephone no: 212-299-5600) (facsimile no: 212-299-5656) (electronic mail address: mwiener@cscinfo.com) (the "Process Agent"), in the case of any suit, action or proceeding brought in the United States of America as its designee, appointee and agent to receive, accept and acknowledge for and on its behalf, and in respect of its property, service of any and all legal process, summons, notices and documents that may be served in any action or proceeding arising out of or in connection with, this Promissory Note. Such service may be made by mailing (by registered or certified mail, postage prepaid) or delivering a copy of such process to the Borrower

in care of the Process Agent at the Process Agent's above address, and the Borrower hereby irrevocably authorizes and directs the Process Agent to accept such service on its behalf. As an alternative method of service, the Borrower irrevocably consents to the service of any and all process in any such action or proceeding by the mailing (by registered or certified mail, postage prepaid) of copies of such process to the Process Agent or the Borrower care of the Parent Borrower at the Parent Borrower's address specified in *Section 11.01* of the Term Loan Agreement or at such other address as the Parent Borrower may specify pursuant to such *Section 11.01*. The Borrower agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

(c) Nothing contained in this *Section 12* shall affect the right of the Lender thereof to serve process in any other manner permitted by law or commence legal proceedings or otherwise proceed against the Borrower in any other jurisdiction.

13. ***Pledge of Note.*** Pursuant to the Pari Passu Security Documents, the Lender has pledged and granted a security interest in all of its rights and remedies under and in respect of this Promissory Note in favor of the Pari Passu Collateral (for the benefit of the Pari Passu Secured Parties) and pursuant to the Revolving Credit Security Documents, the Lender has pledged and granted a security interest in all of its rights and remedies under and in respect of this Promissory Note in favor of the Revolving Credit Collateral Agent (for the benefit of the Revolving Credit Claimholders) and pursuant to the Intercreditor Agreement the Authorized Pari Passu Collateral Agent has agreed to act as sub-agent and as bailee for the Revolving Credit Agents and the Subordinated Lien Secured Parties, and the Borrower hereby (i) acknowledges and consents to each such pledge and security interest, (ii) agrees that upon the occurrence and during the continuance of any Pari Passu Default the Authorized Pari Passu Collateral Agent may exercise any remedies provided for by the Pari Passu Security Documents in accordance with the terms thereof or any other remedies provided by applicable law, and upon the occurrence and during the continuance of any Revolving Credit Default the Revolving Credit Collateral Agent may exercise any remedies provided for by the Revolving Credit Security Documents in accordance with the terms thereof or any other remedies provided by applicable law, in each case, in accordance with the terms of the Intercreditor Agreement, (iii) agrees that this Promissory Note may not be assigned by the Borrower without the prior written consent of the Authorized Pari Passu Collateral Agent and the Revolving Credit Collateral Agent (each of which is expressly made a third party beneficiary hereof) and (iv) agrees and acknowledges that subject to the terms of the Intercreditor Agreement, this Promissory Note may be assigned or otherwise transferred by the Authorized Pari Passu Collateral Agent in accordance with the terms of the Pari Passu Security Documents or by the Revolving Credit Collateral Agent in accordance with the terms of the Revolving Credit Security Documents.

14. ***Waiver of Jury Trial.*** Each of the Borrower and the Lender irrevocably waives trial by jury in any action or proceeding with respect to this Promissory Note and any other Loan Document.

15. ***Notices.*** Any notice or other communication herein required or permitted shall be given to the Borrower or the Lender care of the Parent Borrower as set forth in *Section 11.01* of the Revolving Credit Agreement, and to each Pari Passu Representative as set forth on such Pari Passu Representative's signature page to the Intercreditor Agreement.

16. **Severability.** Wherever possible, each provision of this Promissory Note shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Promissory Note shall be prohibited by or invalid by any applicable legally binding requirements of any governmental authority (including, without limitation, any applicable laws, judgments, orders, decrees, ordinances, rules, regulations, statutes or case law), such provision shall be ineffective to the extent of such prohibition or invalidity without invalidating (a) the remainder of such provision or (b) the remaining provisions of this Promissory Note.

**Conflicts.** In the event of a direct conflict between the terms and provisions contained in this Promissory Note and the terms and provisions contained in the Subordination Agreements, it is the intention of the parties hereto that such terms and provisions in such documents shall be read together and construed, to the fullest extent possible, to be in concord with each other. <u>Pricing Level</u>	<u>Total Net Leverage Ratio</u>	<u>Eurodollar Rate</u>	<u>Base Rate</u>
1	Greater than 3.5 to 1.00	3.75%	2.75%
2	Equal to or less than 3.5 to 1.00	3.50%	2.50%

For purposes of the foregoing, (a) the Applicable Margin shall be determined as of the end of each fiscal quarter of the Borrower based upon the Borrower’s Compliance Certificate delivered pursuant to Section 5.01(d) for such fiscal quarter and (b) each change in the Applicable Rate resulting from a change in the Total Net Leverage Ratio shall be effective during the period commencing on and including the date of delivery to the Administrative Agent of such Compliance Certificate indicating such change and ending on the date immediately preceding the effective date of the next such change, provided that Total Net Leverage Ratio shall be deemed to be in Pricing Level 2 (i) from the Closing Date until the Borrower’s delivery of a Compliance Certificate with respect to the first full fiscal quarter of Borrower commencing after the Closing Date, (ii) if the Borrower fails to deliver the Compliance Certificate required to be delivered by it pursuant to Section 5.01(d), during the period from the expiration of the time for delivery thereof until such Compliance Certificate is delivered, (iii) as of the first Business Day after an Event of Default under Section 8.01(a) or (b) shall have occurred and be continuing, and shall continue to so apply to but excluding the date on which such Event of Default is cured or waived (and thereafter the Pricing Level otherwise determined in accordance with this definition shall apply) and (iv) upon and after the occurrence of an Event of Default under Section 8.01(g) or (h). In the event that the Borrower has actual knowledge or receives notice from the Administrative Agent that any financial statement or certificate delivered pursuant to clause (a), (b) or (d) of Section 5.01 is discovered to be inaccurate, and such inaccuracy, if corrected, would have led to the application of a higher Applicable Margin for Term Loans for any period (an “**Applicable Calculation Period**”) than the Applicable Margin applied for such Applicable Calculation Period, then (i) the Borrower shall promptly (and in no event later than five Business Days following either (x) the date upon which the Borrower has actual knowledge of such inaccuracy or (y) the receipt of written notice from the Administrative Agent of such inaccuracy) deliver to the Administrative Agent a correct certificate for such Applicable Calculation Period, (ii) the Borrower and the Administrative Agent shall, in consultation

with each other, recalculate the Applicable Margin and the additional amount of interest that would have been paid based on such Applicable Margin for such Applicable Calculation Period taking into account the Total Net Leverage Ratio at the corrected level (such amount, the “**Additional Accrued Interest**”) and (iii) the Borrower shall promptly pay any Additional Accrued Interest (and in no event later than five Business Days after determination thereof) (and, for the avoidance of doubt, the Default Rate shall not be applied to such Additional Accrued Interest).

The “prime rate” is a rate set by Bank of America based upon various factors including Bank of America’s costs and desired return, general economic conditions and other factors, and is used as a reference point for pricing some loans, which may be priced at, above, or below such announced rate. Any change in such prime rate announced by Bank of America shall take effect at the opening of business on the day specified in the public announcement of such change. ## ARTICLE II THE CREDITS

### **Section 2.01 Commitments.**

(a) Subject to the terms and conditions and relying upon the representations and warranties herein set forth, each Lender agrees, severally and not jointly, to make a Term Loan in Dollars to the Borrower on the Closing Date in the principal amount not to exceed its Term Loan Commitment.

(b) Amounts paid or prepaid in respect of Term Loans may not be reborrowed.

### **Section 2.02 Loans.**

(a) Each Loan shall be made as part of a Borrowing consisting of Loans made by the Lenders ratably in accordance with their applicable Commitments; provided that the failure of any Lender to make its Loan shall not in itself relieve any other Lender of its obligation to lend hereunder (it being understood, however, that no Lender shall be responsible for the failure of any other Lender to make any Loan required to be made by such other Lender). Each Borrowing shall be in an aggregate principal amount that is not less than (and in integral amounts consistent with) the Minimum Amount.

(b) Subject to Section 2.11 and Section 2.12, each Borrowing shall be comprised entirely of Base Rate Loans or Eurodollar Rate Loans as the Borrower may request pursuant to Section 2.03; provided that all Loans comprising the same Borrowing shall at all times be of the same Type. Each Lender may at its option make any Eurodollar Rate Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in

accordance with the terms of this Agreement. Borrowings of more than one Type may be outstanding at the same time; provided that the Borrower shall not be entitled to request any Borrowing that, if made, would result in more than eight (8) Eurodollar Rate Borrowings hereunder at any one time. For purposes of the foregoing, Borrowings having different Interest Periods, regardless of whether they commence on the same date, shall be considered separate Borrowings.

(c) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds to such account in New York City as the Administrative Agent may designate not later than 11:00 a.m., New York City time, and the Administrative Agent shall promptly credit the amounts so received to an account of the Borrower as directed by the Borrower in the applicable Borrowing Request maintained with the Administrative Agent or, if a Borrowing shall not occur on such date because any condition precedent herein specified shall not have been met, return the amounts so received to the respective Lenders.

(d) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's portion of such Borrowing, the Administrative Agent may assume that such Lender has made such portion available to the Administrative Agent on the date of such Borrowing in accordance with paragraph (c) above, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If the Administrative Agent shall have so made funds available, then, to the extent that such Lender shall not have made such portion available to the Administrative Agent, each of such Lender and the Borrower severally agrees to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent at (i) in the case of the Borrower, the interest rate applicable at the time to the Loans comprising such Borrowing and (ii) in the case of such Lender, the greater of the Interbank Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. If such Lender shall repay to the Administrative Agent such corresponding amount, such amount shall constitute such Lender's Loan as part of such Borrowing for purposes of this Agreement, and the Borrower's obligation to repay the Administrative Agent such corresponding amount pursuant to this Section 2.02(d) shall cease.

(e) Notwithstanding anything to the contrary contained herein, the Borrower shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Maturity Date of such Loans.

**Section 2.03 Borrowing Procedure.**

(a) To request a Borrowing, the Borrower shall deliver, by hand delivery, telecopier or, to the extent separately agreed by the Administrative Agent, by an electronic communication in accordance with the second sentence of Section 11.01(b) and the second paragraph of Section

11.01(d), a duly completed and executed Borrowing Request to the Administrative Agent (i) in the case of a Eurodollar Rate Borrowing, not later than 11:00 a.m., New York City time, three (3) Business Days before the date of the proposed Borrowing, or (ii) in the case of a Base Rate Borrowing, not later than 11:00 a.m., New York City time, on the date of the proposed Borrowing. Each Borrowing Request shall be irrevocable and shall specify the following information in compliance with Section 2.02:

- (i) the aggregate amount of such Borrowing;
- (ii) the date of such Borrowing, which shall be a Business Day;
- (iii) [Reserved];
- (iv) whether such Borrowing is to be a Base Rate Borrowing or a Eurodollar Rate Borrowing;
- (v) in the case of a Eurodollar Rate Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period";
- (vi) the location and number of the Borrower's account to which funds are to be disbursed, which shall comply with the requirements of Section 2.02(c); and
- (vii) in the case of the initial Credit Extension hereunder or under any Incremental Term Loan Commitments, that the conditions set forth in Section 4.02(b) — (d) have been satisfied as of the date of the notice.

If no election as to the Type of Borrowing is specified, then the requested Borrowing shall be a Base Rate Borrowing. If no Interest Period is specified with respect to any requested Eurodollar Rate Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. Promptly following receipt of a Borrowing Request in accordance with this Section, the Administrative Agent shall advise each Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

**Section 2.04 Repayment of Loans; Evidence of Debt.**

(a) Promise to Repay. The Borrower hereby unconditionally promises to pay to the Administrative Agent, for the account of each applicable Lender, the then unpaid principal

amount of each Term Loan of such Lender on the Maturity Date of such Term Loans. All payments or repayments of Loans made pursuant to this Section 2.04(a) shall be made in Dollars.

(b) Lender and Administrative Agent Records. Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the Indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time under this Agreement. The Administrative Agent shall maintain accounts in which it will record (i) the amount of each Loan made hereunder, the Type and Class thereof and the Interest Period applicable thereto; (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder; and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof. The entries made in the accounts maintained pursuant to this paragraph shall be *prima facie* evidence of the existence and amounts of the obligations therein recorded; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligations of the Borrower to repay the Loans in accordance with their terms.

(c) Promissory Notes. Any Lender by written notice to Borrower (with a copy to the Administrative Agent) may request that Loans of any Class made by it be evidenced by a promissory note. In such event, the Borrower shall prepare, execute and deliver to such Lender one or more promissory notes payable to such Lender or its registered assigns in the form of Exhibit K (with, in the case of Loans other than the Initial Term Loans, such changes as are appropriate, in the Administrative Agent's reasonable discretion, to reflect the terms of such Loans). Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 11.04) be represented by one or more promissory notes in such form payable to such payee or its registered assigns.

**Section 2.05 Fees.**

(a) Fees. The Borrower agrees to pay all Fees payable pursuant to the Fee Letter, in the amounts and on the dates set forth therein.

(b) Upfront Fees. The Borrower agrees to pay each Lender on the Closing Date an upfront fee equal to 1.0% of the aggregate amount of Term Loan Commitments of such Lender (the "**Upfront Fees**").

(c) All Fees shall be paid on the dates due, in immediately available funds in dollars, to the Administrative Agent. Once paid, none of the Fees shall be refundable under any circumstances.

**Section 2.06 Interest on Loans.**

(a) Base Rate Loans. Subject to the provisions of Section 2.06(c), the Loans comprising each Base Rate Borrowing shall bear interest at a rate per annum equal to the Base Rate plus the Applicable Margin in effect from time to time; provided that Incremental Term Loans and Other Term Loans may have a different Applicable Margin as provided for in Sections 2.23 and 2.24, subject to the provisions thereof.

(b) Eurodollar Rate Loans. Subject to the provisions of Section 2.06(c), the Loans comprising each Eurodollar Rate Borrowing shall bear interest at a rate per annum equal to the Eurodollar Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin in effect from time to time provided that Incremental Term Loans and Other Term Loans may have a different Applicable Margin as provided for in Sections 2.23 and 2.24, subject to the provisions thereof.

(c) Default Rate. Notwithstanding the foregoing, if at any time any principal of or interest on any Loan or any fee or other amount payable by the Loan Parties hereunder has not been paid when due, whether at stated maturity, upon acceleration or otherwise and for so long as such amounts have not been paid, such overdue amount shall, to the extent permitted by applicable law, bear interest, after as well as before judgment, at a per annum rate equal to (i) in the case of principal of or interest on any Loan, 2% plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section 2.06 or (ii) in the case of any other amount, 2% plus the rate applicable to Base Rate Loans as provided in Section 2.06(a) (in either case, the “**Default Rate**”).

(d) Interest Payment Dates. Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan; provided that (i) interest accrued pursuant to Section 2.06(c) shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Eurodollar Rate Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) Interest Calculation. All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Base Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year) and, in each case, shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Base Rate or Eurodollar Rate shall be determined by the Administrative Agent in accordance with the provisions of this Agreement and such determination shall be conclusive absent manifest error.

(f) Currency for Payment of Interest. All interest paid or payable pursuant to this Section 2.06 shall be paid in Dollars.

**Section 2.07 Termination of Commitments.** The Term Loan Commitments shall automatically terminate at 5:00 p.m., New York City time, on the Closing Date.

**Section 2.08 Interest Elections.**

Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a Eurodollar Rate Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Borrower may elect to convert such Borrowing to a Base Rate Borrowing or to rollover or continue such Borrowing and, in the case of a Eurodollar Rate Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrower may elect different options with respect to different portions (not less than the Minimum Amount) of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. Notwithstanding anything to the contrary, the Borrower shall not be entitled to request any conversion, rollover or continuation that, if made, would result in more than eight (8) Eurodollar Rate Borrowings outstanding hereunder at any one time.

(b) Interest Election Notice. To make an election pursuant to this Section, the Borrower shall deliver, by hand delivery or telecopier, a duly completed and executed Interest Election Request to the Administrative Agent not later than the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each Interest Election Request shall be irrevocable. Each Interest Election Request shall specify the following information in compliance with Section 2.02:

Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the details thereof and of such Lender’s portion of each resulting Borrowing.

(c) **Automatic Conversion to Base Rate Borrowings.** If an Interest Election Request with respect to a Eurodollar Rate Borrowing is not timely delivered prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to a Base Rate Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing, the Administrative Agent or the Required Lenders may require, by notice to the Borrower, that (i) no outstanding Borrowing may be converted to or continued as a Eurodollar Rate Borrowing and (ii) unless repaid, each Eurodollar Rate Borrowing shall be converted to an Base Rate Borrowing at the end of the Interest Period applicable thereto.

**Section 2.09 Amortization of Term Loan Borrowings.**

(a) The Borrower shall pay to the Administrative Agent, for the account of the Lenders, on the dates set forth on Annex I, or if any such date is not a Business Day, on the immediately preceding Business Day (each such date, a “**Term Loan Repayment Date**”), a principal amount of the Term Loans equal to the amount set forth on Annex I for such date (as adjusted from time to time pursuant to Section 2.10(g)), together in each case with accrued and unpaid interest on the principal amount to be paid to but excluding the date of such payment.

(b) To the extent not previously paid, all Term Loans shall be due and payable on the Maturity Date of such Term Loans.

**Section 2.10 Optional and Mandatory Prepayments of Loans.**

(a) **Optional Prepayments.** The Borrower shall have the right at any time and from time to time to prepay any Borrowing, in whole or in part, subject to the requirements of this Section 2.10; provided that each partial prepayment shall be in a principal amount that is not less than (and in integral amounts consistent with) the Minimum Amount or, if less, the outstanding principal amount of such Borrowing.

(b) Net Cash Proceeds Account. Subject to the terms of the Intercreditor Agreement, the Net Cash Proceeds of any Pari Passu Priority Collateral arising from an Asset Sale or Casualty Event by the Borrower or any Subsidiary Guarantor which Net Cash Proceeds are being reinvested in accordance with Sections 2.10(c) or (e), respectively, shall be deposited in one or more Net Cash Proceeds Accounts pending final application of such proceeds (and any products of such proceeds) in accordance with the terms hereof (provided that prior to such final application, and without affecting the Borrower's obligations under Sections 2.10(c) and (e), such proceeds may be utilized to make repayments of the Revolving Credit Loans without reducing Revolving Credit Commitments).

(c) Asset Sales. Not later than three (3) Business Days following the receipt of any Net Cash Proceeds of any Asset Sale by the Borrower or any of its Restricted Subsidiaries, the Borrower shall make prepayments of the Term Loans in accordance with Section 2.10(g) and (h) in an aggregate amount equal to 100% of such Net Cash Proceeds; provided, that if at the time that any such prepayment would be required, the Borrower is required to prepay or offer to repurchase Permitted First Priority Refinancing Debt or any Additional Senior Secured Indebtedness that is secured on a pari passu basis with the Secured Obligations pursuant to the terms of the documentation governing such Indebtedness with the Net Cash Proceeds of such Asset Sale (such Permitted First Priority Refinancing Debt or Additional Senior Secured Indebtedness required to be prepaid or offered to be so repurchased, "**Other Applicable Indebtedness**"), then the Borrower may apply such Net Cash Proceeds on a pro rata basis (determined on the basis of the aggregate outstanding principal amount of the Term Loans and Other Applicable Indebtedness at such time; provided, that the portion of such net proceeds allocated to the Other Applicable Indebtedness shall not exceed the amount of such Net Cash Proceeds required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof, and the remaining amount, if any, of such Net Cash Proceeds shall be allocated to the Term Loans in accordance with the terms hereof) to the prepayment of the Term Loans and to the prepayment or repurchase of Other Applicable Indebtedness, and the amount of prepayment of the Term Loans that would have otherwise been required pursuant to this Section 2.10(c) shall be reduced accordingly; provided further, that to the extent the holders of Other Applicable Indebtedness decline to have such indebtedness prepaid or repurchased, the declined amount shall promptly (and in any event within 10 Business Days after the date of such rejection) be applied to prepay the Term Loans in accordance with the terms hereof; provided further that:

(i) no such prepayment shall be required under this Section 2.10(c) with respect to (A) any Asset Sale permitted by Section 6.06 other than clauses (b), (i), (k) and (l) thereof, (B) the disposition of property which constitutes a Casualty Event, or (C) Asset Sales for fair market value resulting in less than \$10,000,000 in Net Cash Proceeds in any fiscal year; and

(ii) so long as no Event of Default shall then exist or would arise therefrom, such proceeds shall not be required to be so applied on such date to the extent that the Borrower shall have delivered an

Officers' Certificate to the Administrative Agent on or prior to such date stating that such Net Cash Proceeds are expected to be reinvested in fixed or capital assets or to make Permitted Acquisitions (and (x) in the case of Net Cash Proceeds from an Asset Sale made pursuant to Section 6.06(k), such Net Cash Proceeds may also be used to make investments in joint ventures so long as a Company owns at least 50% of the Equity Interests in such joint venture and (y) in the case of Net Cash Proceeds from an Asset Sale by a Joint Venture Subsidiary, such Net Cash Proceeds may also be used by such Joint Venture to reinvest in property (other than cash, Cash Equivalents and securities) to be owned by such Joint Venture and used in an activity permitted under Section 6.15) within 365 days (or in the event the Borrower or any Restricted Subsidiary has entered into a binding agreement to make such reinvestment within such 365 day period, such period shall be extended for an additional 180 days with respect to the portion of such Net Cash Proceeds so committed to be reinvested) following the date of such Asset Sale (which Officers' Certificate shall set forth the estimates of the proceeds to be so expended); provided that if all or any portion of such Net Cash Proceeds is not so reinvested within such 365-day period (as such period may be extended pursuant to the foregoing) , such unused portion shall be applied on the last day of such period to mandatory prepayments as provided in this Section 2.10(c).

(d) Debt Issuance. Not later than one (1) Business Day following the receipt of any Net Cash Proceeds of any Debt Issuance or issuance of Disqualified Capital Stock by Holdings, the Borrower or any of its Restricted Subsidiaries (other than in the case of an issuance of Disqualified Capital Stock, as permitted by Section 6.13), the Borrower shall make prepayments in accordance with Section 2.10(g) and (h) in an aggregate amount equal to 100% of such Net Cash Proceeds.

(e) Casualty Events. Not later than three (3) Business Days following the receipt of any Net Cash Proceeds from a Casualty Event by the Borrower or any of its Restricted Subsidiaries, the Borrower shall make prepayments in accordance with Section 2.10(g) and (h) in an aggregate amount equal to 100% of such Net Cash Proceeds; provided that:

(i) so long as no Event of Default shall then exist or arise therefrom, such proceeds shall not be required to be so applied on such date to the extent that the Borrower shall have delivered an Officers' Certificate to the Administrative Agent on or prior to such date stating that such proceeds are expected to be used to repair, replace or restore any property in respect of which such Net Cash Proceeds were paid or to reinvest in other fixed or capital assets, no later than 365 days (or in the event the Borrower or any Restricted Subsidiary has entered into a binding agreement to make such repair, replacement, restoration or reinvestment within such 365 day period, such period shall be extended for an additional

180 days with respect to the portion of such Net Cash Proceeds committed for such repair, replacement, restoration or reinvestment) following the date of receipt of such proceeds; and

(ii) if any portion of such Net Cash Proceeds shall not be so applied within such 365-day period (as such period may be extended pursuant to clause (i), above), such unused portion shall be applied on the last day of such period to mandatory prepayments as provided in this Section 2.10(e).

(f) Excess Cash Flow. No later than 105 days after the end of each Excess Cash Flow Period, the Borrower shall make prepayments in accordance with Sections 2.10(g) and (h) in an aggregate amount equal to the amount by which (A) the Excess Cash Flow Percentage (defined below) of such Excess Cash Flow for such Excess Cash Flow Period exceeds (B) the aggregate amount of all voluntary prepayments of Term Loans made pursuant to Section 2.10(a), with Internally Generated Cash Flow during such Excess Cash Flow Period and voluntary prepayments of Revolving Credit Loans made with Internally Generated Cash Flow during such Excess Cash Flow Period (but, in the case of Revolving Credit Loans, only to the extent such prepayments are accompanied by a simultaneous permanent reduction of the Revolving Loan Commitments in an equal amount (and excluding any such reduction to the extent relating to the entering into of a replacement Revolving Credit Agreement)). “**Excess Cash Flow Percentage**” shall mean 50%; provided, however, that if (i) on the date such prepayment is required to be made, no Event of Default has occurred and is continuing, and (ii) the Senior Secured Net Leverage Ratio, as of the last day of such Excess Cash Flow Period, is less than or equal to 1.75 to 1.0 but greater than 1.50 to 1.0, then such percentage shall be 25%. No payment of any Loans shall be required under this Section 2.10(f) if (i) on the date such prepayment is required to be made, no Event of Default has occurred and is continuing and (ii) the Senior Secured Net Leverage Ratio, as of the last day of such Excess Cash Flow Period, is less than or equal to 1.50:1.0.

(g) Application of Prepayments. (i) [Intentionally Omitted].

(ii) [Intentionally Omitted]

(iii) Prior to any optional or mandatory prepayment hereunder, the Borrower shall select the Borrowing or Borrowings to be prepaid and shall specify such selection in the notice of such prepayment pursuant to Section 2.10(i), subject to the provisions of this Section 2.10(h); provided that after an Event of Default has occurred and is continuing or after the acceleration of the Obligations, Section 8.03 shall apply and provided further, such prepayment shall be applied ratably to each Class of Loans.

(iv) Any prepayments of any Class of Term Loans (x) pursuant to Section 2.10(a) shall be applied as directed by the Borrower and (y) pursuant to Section 2.10(c), (d), (e), (f) and (i) shall be applied (i) in direct order of maturity to the next eight scheduled repayments of such Class of Term Loans and (ii) to the extent of any excess, ratably to the remaining scheduled repayments of Term Loans.

(v) Amounts to be applied pursuant to this Section 2.10 to the prepayment of Term Loans shall be applied first to reduce outstanding Base Rate Loans. Any amounts remaining after each such application shall be applied to prepay Eurodollar Rate Loans.

(vi) Notwithstanding any of the foregoing, if the amount of any prepayment of Loans required under this Section 2.10 shall be in excess of the amount of the Base Rate Loans at the time outstanding (an “**Excess Amount**”), only the portion of the amount of such prepayment as is equal to the amount of such outstanding Base Rate Loans shall be immediately prepaid and, at the election of the Borrower, the Excess Amount shall be either (1) deposited in an escrow account on terms satisfactory to the Collateral Agent and applied to the prepayment of Eurodollar Loans on the last day of the then next-expiring Interest Period for Eurodollar Loans; provided that (i) interest in respect of such Excess Amount shall continue to accrue thereon at the rate provided hereunder for the Loans which such Excess Amount is intended to repay until such Excess Amount shall have been used in full to repay such Loans and (ii) at any time while a Default has occurred and is continuing, the Administrative Agent may, and upon written direction from the Required Lenders shall, apply any or all proceeds then on deposit to the payment of such Loans in an amount equal to such Excess Amount or (2) prepaid immediately, together with any amounts owing to the Lenders under Section 2.13.

(h) Notice of Prepayments. (i) The Borrower shall notify the Administrative Agent by written notice of any prepayment hereunder (A) in the case of prepayment of a Eurodollar Rate Borrowing, not later than 11:00 a.m., New York City time, three (3) Business Days before the date of prepayment, and (B) in the case of prepayment of a Base Rate Borrowing, not later than 11:00 a.m., New York City time, one (1) Business Day before the date of prepayment. Each such notice shall be irrevocable. Each such notice shall specify the prepayment date, the principal amount of each Borrowing or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof.

(ii) [Intentionally Omitted]

(iii) Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of a Credit Extension of the same Type as provided in Section 2.02(a), except as necessary to apply fully the required amount of a mandatory prepayment. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing and otherwise in accordance with this Section 2.10. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.06.

(i) Foreign Asset Sales. Notwithstanding any other provisions of Section 2.10(b), (c) or (e) (i) to the extent that any of or all the Net Cash Proceeds of any Asset Sale or Casualty Event subject to such sections are received by a Restricted Subsidiary that is not organized under the United States or any State or political subdivision thereof or of Canada or any province or political subdivision thereof (a “**Foreign Asset Sale**”) and such Net Cash Proceeds are prohibited, restricted or otherwise delayed (each, a “**Repatriation Limitation**”) by applicable local law from being repatriated to the United States or Canada, the portion of such Net Cash Proceeds so affected will not be required to be applied to repay Term Loans at the times provided in this Section 2.10 but may be retained by the applicable Restricted Subsidiary so long as such Repatriation Limitation exists (provided, that such Restricted Subsidiary shall use its commercially reasonable efforts to overcome any Repatriation Limitation) and once such Repatriation Limitation no longer exists, such Restricted Subsidiary shall promptly repatriate an amount equal to such Net Cash Proceeds to the Borrower which shall promptly (and in any event not later than five Business Days after such repatriation) apply such amount to the repayment of the Term Loans pursuant to this Section 2.10 and (ii) to the extent that the Borrower has reasonably determined in good faith that repatriation of any of or all of such Net Cash Proceeds of any Asset Sale or Casualty Event subject to Section 2.10(c) or (e) would have a material adverse tax cost consequence with respect to such Net Cash Proceeds for such Restricted Subsidiary or any other Loan Party, the Net Cash Proceeds so affected may be retained by the applicable Restricted Subsidiary.

(j) Prepayment Premium. In the event that, prior to the first anniversary of the Closing Date, there shall occur any amendment, amendment and restatement or other modification of this Agreement that reduces the Applicable Margin or interest rate (excluding changes in the calculation of the Total Net Leverage Ratio) with respect to any Term Loans or any prepayment or refinancing of any Term Loans, in whole or in part with proceeds of Indebtedness having lower applicable total yield than the applicable total yield for the Term Loans as of the Closing Date, each such amendment, amendment and restatement, modification, prepayment or refinancing, as the case may be, shall be accompanied by a fee or prepayment premium, as applicable, equal to 1.00% of the outstanding principal amount of the Term Loans affected by such amendment, amendment and restatement or modification, or subject to such prepayment or refinancing. As a condition to effectiveness of any required assignment by any non-consenting Lender of its Term Loans pursuant to Section 2.16 in respect of any amendment, amendment and restatement or modification to this Agreement effective prior to the first anniversary of the Closing Date that has the effect of reducing the Applicable Margin or interest rate for any Term Loans from the Applicable Margin or interest rate in effect on the Closing

Date, the Borrower shall pay to such non-consenting Lender of Term Loans a premium or fee equal to the premium or fee that would apply pursuant to the preceding sentence if such non-consenting Lender's Term Loans being assigned were being prepaid and subject to the premium or fee set forth in the immediately preceding sentence.

**Section 2.11 Alternate Rate of Interest.** If prior to the commencement of any Interest Period for a Eurodollar Rate Borrowing:

(a) the Administrative Agent determines (which determination shall be final and conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Eurodollar Rate for such Interest Period; or

(b) the Administrative Agent is advised in writing by the Required Lenders that the Eurodollar Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give written notice thereof to the Borrower and the Lenders as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurodollar Rate Borrowing shall be ineffective and (ii) if any Borrowing Request requests a Eurodollar Rate Borrowing, such Borrowing shall be made as a Base Rate Borrowing.

**Section 2.12 Yield Protection; Change in Law Generally.**

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in, by any Lender (except any reserve requirement reflected in the Eurodollar Rate); or

(ii) impose on any Lender or the interbank market any other condition, cost or expense affecting this Agreement or Eurodollar Rate Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Eurodollar Rate Loan (or of maintaining its obligation to make any such Loan),

or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or any other amount), then, upon request of such Lender, the Borrower will pay to such Lender, as the case may be, such additional amount or amounts as will compensate such Lender, as the case may be, for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender determines (in good faith, but in its sole absolute discretion) that any Change in Law affecting such Lender or any lending office of such Lender or such Lender's holding company, if any, regarding capital requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by such Lender, to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time the Borrower will pay to such Lender, as the case may be, such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section 2.12 and delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender, as the case may be, the amount shown as due on any such certificate within ten (10) Business Days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to this Section 2.12 shall not constitute a waiver of such Lender's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender pursuant to this Section for any increased costs incurred or reductions suffered more than nine months prior to the date that such Lender, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

(e) Change in Legality Generally. Notwithstanding any other provision of this Agreement, if any Change in Law shall make it unlawful for any Lender to make or maintain any Eurodollar Rate Loan or to give effect to its obligations as contemplated hereby with respect to any Eurodollar Rate Loan, then, upon written notice by such Lender to the Borrower and the Administrative Agent:

- (i) the Commitments of such Lender (if any) to fund the affected Type of Loan shall immediately terminate; and

(ii) (x) such Lender may declare that Eurodollar Rate Loans will not thereafter (for the duration of such unlawfulness) be continued for additional Interest Periods and Base Rate Loans will not thereafter (for such duration) be converted into Eurodollar Rate Loans, whereupon any request to convert a Base Rate Borrowing to a Eurodollar Rate Borrowing or to continue a Eurodollar Rate Borrowing for an additional Interest Period shall, as to such Lender only, be deemed a request to continue a Base Rate Loan as such, or to convert a Eurodollar Rate Loan into a Base Rate Loan, as the case may be, unless such declaration shall be subsequently withdrawn and (y) all such outstanding Eurodollar Rate Loans made by such Lender shall be automatically converted to Base Rate Loans on the last day of the then current Interest Period therefor or, if earlier, on the date specified by such Lender in such notice (which date shall be no earlier than the last day of any applicable grace period permitted by applicable law).

(f) Increased Tax Costs. If any Change in Law shall subject any Lender to any (i) Tax of any kind whatsoever with respect to this Agreement or any Loan made by it, or change the basis of taxation of payments to such Lender in respect thereof, or (ii) Tax imposed on it that is specially (but not necessarily exclusively) applicable to lenders such as such Lender as a result of the general extent and/or nature of their activities, assets, liabilities, leverage, other exposures to risk, or other similar factors, including but not limited to the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, regulations, guidelines or directives thereunder or issued in connection therewith, the proposed United Kingdom Tax to be known as the "bank levy" (in respect of which draft legislation was last published on December 9, 2010) in such form as it may be imposed and as amended or reenacted, and similar legislation (except, in each case of the foregoing clauses (i) and (ii), for Indemnified Taxes or Other Taxes covered by Section 2.15 and the imposition of, or any change in the rate of, any Excluded Tax payable by such Lender; provided, however, for purposes of this Section 2.12(f), a franchise tax in lieu of or in substitute of net income taxes shall be treated as an Excluded Tax only if such franchise tax in lieu of or in substitute of net income taxes is imposed by a state, city or political subdivision of a state, in each case in the United States, for the privilege of being organized or chartered in, or doing business in, such state, city or political subdivision of such state or city in the United States), and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Loan (or of maintaining its obligation to make any such Loan), or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or any other amount), then, upon request of such Lender, the Borrower will pay to such Lender, as the case may be, such additional amount or amounts as will compensate such Lender, as the case may be, for such additional costs incurred or reduction suffered.

**Section 2.13 Breakage Payments**. In the event of (a) the payment or prepayment, whether optional or mandatory, of any principal of any Eurodollar Rate Loan earlier than the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurodollar Rate Loan earlier than the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Term Loan on the date specified in any notice delivered pursuant hereto or (d) the assignment of any Eurodollar Rate

Loan earlier than the last day of the Interest Period applicable thereto as a result of a request by Borrower pursuant to Section 2.16(c), then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. In the case of any Eurodollar Rate Loan, such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Eurodollar Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan) (excluding, however, the Applicable Margin included therein, if any, and the effect of clause (ii) of each of the sentences contained in the "Eurodollar Base Rate" definition), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits of a comparable currency, amount and period from other banks in the applicable interbank market. A certificate of any Lender setting forth in reasonable detail any amount or amounts that such Lender is entitled to receive pursuant to this Section 2.13 shall be delivered to the Borrower (with a copy to the Administrative Agent) and shall be conclusive and binding absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within five (5) days after receipt thereof.

**Section 2.14 Payments Generally; Pro Rata Treatment; Sharing of Setoffs.**

(a) Payments Generally. Each Loan Party shall make each payment required to be made by it hereunder or under any other Loan Document (whether of principal, interest or fees, or of amounts payable under Section 2.12, Section 2.13, Section 2.15, Section 2.16 or Section 11.03, or otherwise) on or before the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 2:00 p.m., New York City time), on the date when due, in immediately available funds, without condition or deduction for any counterclaim, defense, recoupment or setoff. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All payments by any Loan Party shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the Administrative Agent's Office, except that payments pursuant to Section 2.12, Section 2.13, Section 2.15, Section 2.16 and Section 11.03 shall be made directly to the persons entitled thereto and payments pursuant to other Loan Documents shall be made to the persons specified therein. The Administrative Agent shall distribute any such payments received by it for the account of any other person to the appropriate recipient promptly following receipt thereof in like funds as received by the Administrative Agent. If any payment under any Loan Document shall be due on a day that is not a Business Day, unless specified otherwise, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments under each Loan Document shall be made in Dollars, except as expressly specified otherwise.

(b) Pro Rata Treatment

(i) Each payment by the Borrower of interest in respect of the Loans of any Class shall be applied to the amounts of such obligations owing to the Lenders *pro rata* according to the respective amounts then due and owing to the Lenders.

(ii) Each payment by the Borrower on account of principal of the Borrowings of any Class shall be made *pro rata* according to the respective outstanding principal amounts of the Loans then held by the Lenders.

(c) Insufficient Funds. If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest and fees then due hereunder, such funds shall be applied (i) *first*, toward payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) *second*, toward payment of principal then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties.

(d) Sharing of Set-Off. Subject to the terms of the Intercreditor Agreement, if any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or other Obligations resulting in such Lender's receiving payment of a proportion of the aggregate amount of its Loans and accrued interest thereon or other Obligations greater than its *pro rata* share thereof as provided herein, then the Lender receiving such greater proportion shall (a) notify the Administrative Agent of such fact, and (b) purchase (for cash at face value) participations in the Loans and such other obligations of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them, provided that:

(i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(ii) the provisions of this paragraph shall not be construed to apply to (x) any payment made by any Loan Party pursuant to and in accordance with the express terms of this Agreement or (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, other than to any Loan Party or any Subsidiary thereof (as to which the provisions of this paragraph shall apply); provided, that this paragraph shall not apply

to purchases or other payments pursuant to the Dutch Auction provisions of this Agreement, as provided in Section 11.04(b)(v).

Each Loan Party consents to the foregoing and agrees, to the extent it may effectively do so under applicable Requirements of Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Loan Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Loan Party in the amount of such participation. If under applicable bankruptcy, insolvency or any similar law any Secured Party receives a secured claim in lieu of a setoff or counterclaim to which this Section 2.14(d) applies, such Secured Party shall to the extent practicable, exercise its rights in respect of such secured claim in a manner consistent with the rights to which the Secured Party is entitled under this Section 2.14(d) to share in the benefits of the recovery of such secured claim.

(e) Borrower Default. Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders, as the case may be, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Interbank Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this Section 2.14(e) shall be conclusive, absent manifest error.

(f) Lender Default. If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.02(c), Section 2.14(e) or Section 11.03(c), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

(g) Obligations of Lenders Several. The obligations of the Lenders hereunder to make Loans and to make payments pursuant to Section 11.03 are several and not joint. The failure of any Lender to make any Loan or to make any payment under Section 11.03 on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or to make its payment under Section 11.03.

(h) Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

**Section 2.15 Taxes.**

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of the Loan Parties hereunder or under any other Loan Document shall be made free and clear of and without reduction or withholding for any Indemnified Taxes or Other Taxes; provided that if any Loan Party shall be required by applicable Requirements of Law to deduct any Indemnified Taxes or any Other Taxes from such payments, then (i) the applicable Loan Party shall increase the sum payable as necessary so that after all such required deductions and withholdings (including any such deductions and withholdings applicable to additional sums payable under this Section) each Agent or Lender, as the case may be, receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the applicable Loan Party shall make such deductions or withholdings and (iii) the applicable Loan Party shall timely pay the full amount deducted or withheld to the relevant Taxing Authority in accordance with applicable Requirements of Law.

(b) Payment of Other Taxes by Borrower. Without limiting the provisions of paragraph (a) above, each Loan Party shall timely pay any Other Taxes to the relevant Taxing Authority in accordance with applicable Requirements of Law.

(c) Indemnification by Loan Parties. Each Loan Party shall indemnify each Agent and each Lender, within ten (10) Business Days after demand therefor, for the full amount of any Indemnified Taxes or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.15) paid by such Agent or such Lender, as the case may be, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Taxing Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by such Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error. The Borrower shall not be obliged to provide indemnity under this Section where the Indemnified Tax or Other Tax in question is compensated for by an increased payment under Sections 2.12(f) or 2.15(a).

(d) Evidence of Payments. As soon as practicable after any payment of Indemnified Taxes or Other Taxes by any Loan Party to a Taxing Authority, the applicable Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Taxing Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Status of Lenders. Any Lender that is entitled to an exemption from or reduction of withholding tax under the law of the jurisdiction in which the applicable Loan Party is resident for tax purposes, or any treaty to which such jurisdiction is a party, with respect to payments hereunder or under any other Loan Document shall, to the extent it may lawfully do so, deliver to the Borrower (with a copy to the Administrative Agent), if reasonably requested by the Borrower or the Administrative Agent (and from time to time thereafter, as requested by the Borrower or Administrative Agent), such properly completed and executed documentation prescribed by applicable Requirements of Law or any subsequent replacement or substitute form that it may lawfully provide as will permit such payments to be made without withholding or at a reduced rate of withholding; provided, however, that no Lender shall be required to provide any such documentation or form if, in the relevant Lender's reasonable judgment, doing so would subject such Lender to any material unreimbursed costs or otherwise be disadvantageous to it in any material respect. In addition, any Lender, if requested by the Borrower or the Administrative Agent, shall, to the extent it may lawfully do so, deliver such other documentation reasonably requested by the Borrower or the Administrative Agent as will enable the applicable Loan Parties or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements; provided, however, that no Lender shall be required to provide any such documentation if, in the relevant Lender's reasonable judgment, doing so would subject such Lender to any material unreimbursed costs or otherwise be disadvantageous to it in any material respect.

Each Lender which so delivers any document requested by the Borrower or Administrative Agent in this Section 2.15(e) further undertakes to deliver to the Borrower (with a copy to Administrative Agent), upon request of the Borrower or Administrative Agent, copies of such requested form (or a successor form) on or before the date that such form expires or becomes obsolete or after the occurrence of any event requiring a change in the most recent form so delivered by it, and such amendments thereto or extensions or renewals thereof as may be reasonably requested by the Borrower or Administrative Agent, in each case, unless an event (including any change in treaty, law or regulation) has occurred prior to the date on which any such delivery would otherwise be required that renders all such forms inapplicable or that would prevent such Lender from duly completing and delivering any such form with respect to it. For avoidance of doubt, the Borrower shall not be required to pay additional amounts to any Lender or Agent pursuant to Section 2.15 to the extent the obligation to pay such additional amount would not have arisen but for the failure of such Lender or Agent to comply with this paragraph.

(f) Treatment of Certain Refunds. If an Agent or a Lender determines, in its sole discretion, that it has received a refund of, credit against, relief or remission for any Indemnified Taxes or Other Taxes as to which it has been indemnified by the Loan Parties or with respect to which any Loan Party has paid additional amounts pursuant to this Section or Section 2.12(f), it shall pay to such Loan Party an amount equal to such refund, credit, relief or remission (but only to the extent of indemnity payments made, or additional amounts paid, by such Loan Party under this Section with respect to the Indemnified Taxes or Other Taxes giving rise to such refund or any additional amounts under Section 2.12(f)), net of all reasonable and customary out-of-pocket

expenses of such Agent or Lender, as the case may be, and without interest (other than any interest paid by the relevant Taxing Authority with respect to such refund or any additional amounts under Section 2.12(f)); provided that each Loan Party, upon the request of such Agent or such Lender, agrees to repay the amount paid over to such Loan Party (plus any penalties, interest or other charges imposed by the relevant Taxing Authority) to such Agent or such Lender in the event such Agent or such Lender is required to repay such refund to such Taxing Authority. Nothing in this Agreement shall be construed to require any Agent or any Lender to make available its tax returns (or any other information relating to its taxes that it deems confidential) to any Loan Party or any other person. Notwithstanding anything to the contrary, in no event will any Agent or any Lender be required to pay any amount to any Loan Party the payment of which would place such Agent or such Lender in a less favorable net after-tax position than such Agent or such Lender would have been in if the additional amounts giving rise to such refund of any Indemnified Taxes or Other Taxes had never been paid.

(g) Co-operation. Notwithstanding anything to the contrary in Section 2.15(e), with respect to non-U.S. withholding taxes, the relevant Agent, the relevant Lender(s) (at the written request of the relevant Loan Party) and the relevant Loan Party shall, co-operate in completing any procedural formalities necessary (including delivering any documentation prescribed by the applicable Requirement of Law and making any necessary reasonable approaches to the relevant Taxing Authorities) for the relevant Loan Party to obtain authorization to make a payment to which such Agent or such Lender(s) is entitled without any, or a reduced rate of, deduction or withholding for, or on account of, Taxes; provided, however, that none of the Agents or any Lender shall be required to provide any documentation that it is not legally entitled to provide, or take any action that, in the relevant Agent's or the relevant Lender's reasonable judgment, would subject such Agent or such Lender to any material unreimbursed costs or otherwise be disadvantageous to it in any material respect.

(h) Tax Returns. If, as a result of executing a Loan Document, entering into the transactions contemplated thereby or with respect thereto, receiving a payment or enforcing its rights thereunder, any Agent or any Lender is required to file a Tax Return in a jurisdiction in which it would not otherwise be required file, the Loan Parties shall promptly provide such information necessary for the completion and filing of such Tax Return as the relevant Agent or Lender shall reasonably request with respect to the completion and filing of such Tax Return. For clarification, any expenses incurred in connection with such filing shall be subject to Section 11.03.

(i) Value Added Tax. All amounts set out, or expressed to be payable under a Loan Document by any party to a Lender or Agent which (in whole or in part) constitute the consideration for value added tax purposes shall be deemed to be exclusive of any value added tax which is chargeable on such supply, and accordingly, if value added tax is chargeable on any supply made by any Lender or Agent to any party under a Loan Document, that party shall pay to the Lender or Agent (in addition to and at the same time as paying the consideration) an amount equal to the amount of the value added tax (and such Lender or Agent shall promptly provide an appropriate value added invoice to such party).

Where a Loan Document requires any party to reimburse a Lender or Agent for any costs or expenses, that party shall also at the same time pay and indemnify the Lender or Agent against all value added tax incurred by the Lender or Agent in respect of the costs or expenses to the extent that the party reasonably determines that neither it nor any other member of any group of which it is a member for value added tax purposes is entitled to credit or repayment from the relevant tax authority in respect of the value added tax.

If any Lender or Agent requires any Loan Party to pay any additional amount pursuant to Section 2.15(i), then such Lender or Agent and Loan Party shall use reasonable efforts to co-operate to minimize the amount such Loan Party is required to pay if, in the judgment of such Lender or Agent, such co-operation would not subject such Lender or Agent to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender or Agent.

**Section 2.16 Mitigation Obligations: Replacement of Lenders.**

(a) Designation of a Different Lending Office. Each Lender may at any time or from time to time designate, by written notice to the Administrative Agent, one or more lending offices (which, for this purpose, may include Affiliates of the respective Lender) for the various Loans made by such Lender; provided that to the extent such designation shall result, as of the time of such designation, in increased costs under Section 2.12 or Section 2.15 in excess of those which would be charged in the absence of the designation of a different lending office (including a different Affiliate of the respective Lender), then the Borrower shall not be obligated to pay such excess increased costs (although the Borrower, in accordance with and pursuant to the other provisions of this Agreement, shall be obligated to pay the costs which would apply in the absence of such designation and any subsequent increased costs of the type described above resulting from changes after the date of the respective designation). Each lending office and Affiliate of any Lender designated as provided above shall, for all purposes of this Agreement, be treated in the same manner as the respective Lender (and shall be entitled to all indemnities and similar provisions in respect of its acting as such hereunder). Each lending office and Affiliate of any Lender designated as provided above shall, for all purposes of this Agreement, be treated in the same manner as the respective Lender (and shall be entitled to all indemnities and similar provisions in respect of its acting as such hereunder). The proviso to the first sentence of this Section 2.16(a) shall not apply to changes in a lending office pursuant to Section 2.16(b) if such change was made upon the written request of the Borrower.

(b) Mitigation Obligations. If any Lender requests compensation under Section 2.12, or requires any Loan Party to pay any additional amount to any Lender or any Taxing Authority for the account of any Lender pursuant to Section 2.15, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.12 or Section 2.15, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. Each Loan Party hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment. A

certificate setting forth such costs and expenses submitted by such Lender to the Borrower shall be conclusive absent manifest error.

(c) Replacement of Lenders. If any Lender requests compensation under Section 2.12, or if the Borrower is required to pay any additional amount to any Lender or any Taxing Authority for the account of any Lender pursuant to Section 2.15, or if any Lender is a Defaulting Lender, or if the Borrower exercises its replacement rights under Section 11.02(d), then the Borrower may, at its sole expense and effort, upon notice by the Borrower to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 11.04), all of its interests, rights and obligations under this Agreement and the other Loan Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that:

(i) the Borrower or the assignee shall have paid to the Administrative Agent the processing and recordation fee specified in Section 11.04(b);

(ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 2.13), from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts, including any amounts under Section 2.10(j));

(iii) in the case of any such assignment resulting from a claim for compensation under Section 2.12 or payments required to be made pursuant to Section 2.15, such assignment will result in a reduction in such compensation or payments thereafter; and

(iv) such assignment does not conflict with applicable Requirements of Law.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

**Section 2.17 [INTENTIONALLY OMITTED].**

**Section 2.18 [INTENTIONALLY OMITTED].**

**Section 2.19 Interest Act (Canada); Criminal Rate of Interest; Nominal Rate of Interest**

(a) Notwithstanding anything to the contrary contained in this Agreement or in any other Loan Document, solely to the extent that a court of competent jurisdiction finally determines that the calculation or determination of interest or any fee payable by any Canadian Loan Party in respect of the Obligations pursuant to this Agreement and the other Loan Documents shall be governed by the laws of any province of Canada or the federal laws of Canada, in no event shall the aggregate interest (as defined in Section 347 of the Criminal Code, R.S.C. 1985, c. C-46, as the same shall be amended, replaced or re-enacted from time to time, "**Section 347**") payable by the Canadian Loan Parties to the Agents or any Lender under this Agreement or any other Loan Document exceed the effective annual rate of interest on the Credit advances (as defined in Section 347) under this Agreement or such other Loan Document lawfully permitted under Section 347 and, if any payment, collection or demand pursuant to this Agreement or any other Loan Document in respect of Interest (as defined in Section 347) is determined to be contrary to the provisions of Section 347, such payment, collection or demand shall be deemed to have been made by mutual mistake of the Agents, the Lenders and the Canadian Loan Parties and the amount of such payment or collection shall be refunded by the relevant Agents and Lenders to the applicable Canadian Loan Parties. For the purposes of this Agreement and each other Loan Document to which the Canadian Loan Parties are a party, the effective annual rate of interest payable by the Canadian Loan Parties shall be determined in accordance with generally accepted actuarial practices and principles over the term of the loans on the basis of annual compounding for the lawfully permitted rate of interest and, in the event of dispute, a certificate of a Fellow of the Canadian Institute of Actuaries appointed by the Administrative Agent for the account of the Canadian Loan Parties will be conclusive for the purpose of such determination in the absence of evidence to the contrary.

(b) For the purposes of the Interest Act (Canada) and with respect to Canadian Loan Parties only:

(i) whenever any interest or fee payable by the Canadian Loan Parties is calculated using a rate based on a year of 360 days or 365 days, as the case may be, the rate determined pursuant to such calculation, when expressed as an annual rate, is equivalent to (x) the applicable rate based on a year of 360 days or 365 days, as the case may be, (y) multiplied by the actual number of days in the calendar year in which such rate is to be ascertained and (z) divided by 360 or 365, as the case may be; and

(ii) all calculations of interest payable by the Canadian Loan Parties under this Agreement or any other Loan Document are to be made on the basis of the nominal interest rate described herein and therein and not on the basis of effective yearly rates or on any other basis which gives effect to the principle of deemed reinvestment of interest.

The parties hereto acknowledge that there is a material difference between the stated nominal interest rates and the effective yearly rates of interest and that they are capable of making the calculations required to determine such effective yearly rates of interest.

**Section 2.20 [INTENTIONALLY OMITTED].**

**Section 2.21 [INTENTIONALLY OMITTED].**

**Section 2.22 [INTENTIONALLY OMITTED].**

**Section 2.23 Incremental Term Loan Commitments.**

(a) Borrower Request. The Borrower may by written notice to the Administrative Agent, elect to request the establishment of one or more new Term Loan Commitments (each, an “**Incremental Term Loan Commitment**”) (x) in an aggregate principal amount of not less than \$50,000,000 individually and (y) an integral multiple of \$1,000,000 in excess thereof. Each such notice shall specify (i) date on which the Borrower proposes that such Incremental Term Loan Commitments shall be effective (each, an “**Increase Effective Date**”), which shall be a date not less than 10 Business Days after the date on which such notice is delivered to the Administrative Agent and (ii) the identity of each Lender or Additional Lender to whom the Borrower proposes any portion of such Incremental Term Loan Commitments be allocated and the amount of such allocations; provided that any existing Lender approached to provide all or a portion of any Incremental Term Loan Commitments may elect or decline, in its sole discretion, to provide such Incremental Term Loan Commitments.

(b) Conditions. Such Incremental Term Loan Commitments shall become effective, as of such Increase Effective Date; provided that:

(i) each of the conditions set forth in Section 4.02 shall be satisfied;

(ii) no Default shall have occurred and be continuing or would result from the borrowings to be made on the Increase Effective Date;

(iii) after giving effect to the borrowings to be made on the Increase Effective Date and to the consummation of any Permitted Acquisition or other Investment or application of funds made with the proceeds of such borrowings, on a Pro Forma Basis, the Senior Secured Net Leverage Ratio at such date shall be not greater than 2.5 to 1.0 (provided that in calculating the Senior Secured Net Leverage Ratio, the proceeds of Incremental Term Loans shall be excluded from Unrestricted Cash); and

(iv) the Borrower shall deliver or cause to be delivered any legal opinions or other documents reasonably requested by the Administrative Agent in connection with any such transaction.

(c) Terms of Incremental Term Loans and Commitments. The terms and provisions of Loans made pursuant to the new Commitments shall be as follows:

(i) terms and provisions of Loans made pursuant to Incremental Term Loan Commitments (“**Incremental Term Loans**”) shall be, except as otherwise set forth herein or in the Increase Joinder, identical to the existing Term Loans;

(ii) the Weighted Average Life to Maturity of all Incremental Term Loans shall be no shorter than the Weighted Average Life to Maturity of the existing Term Loans;

(iii) the maturity date of Incremental Term Loans (the “**Incremental Term Loan Maturity Date**”) shall not be earlier than the Latest Maturity Date; and

(iv) the Applicable Margins for the Incremental Term Loans shall be determined by the Borrower and the applicable new Lenders and the interest rate for the Incremental Term Loans shall be determined by reference to the Base Rate and Eurodollar Rate; provided, however, that if the initial yield on such Incremental Term Loans (as determined by the Administrative Agent to be equal to the sum of (x) the margin above the Eurodollar Rate on such Incremental Term Loans, (y) if such Incremental Term Loans are initially made at a discount or the Lenders making the same receive an upfront fee (other than any customary arrangement, underwriting or similar fees that are paid to the arranger of such Incremental Term Loans in its capacity as such) directly or indirectly from Holdings, the Borrower or any Subsidiary for doing so (the amount of such discount or fee, expressed as a percentage of the Incremental Term Loans, being referred to herein as “**Incremental OID**”), the amount of such Incremental OID divided by the lesser of (A) the average life to maturity of such Incremental Term Loans and (B) four, and (z) the greater of (A) any amount by which the minimum Eurodollar Rate applicable to such Incremental Term Loans exceeds the minimum Eurodollar Rate then applicable to the Initial Term Loans, and (B) any amount by which the minimum Base Rate applicable to such Incremental Term Loans exceeds the minimum Base Rate then applicable to the Initial Term Loans) exceeds the sum of (1) the Applicable Margin then in effect for Eurodollar Rate Loans that are Initial Term Loans, and (2) the Upfront Fees divided by four, by more than 50 basis points (the amount of

such excess above 50 basis points being referred to herein as the “**Incremental Net Yield**”), then the Applicable Margin then in effect for Initial Term Loans shall automatically be increased by the Incremental Net Yield, effective upon the making of the Incremental Term Loans, provided that to the extent the Applicable Margin applicable to the Initial Term Loans is so increased, the Applicable Margin on the Term Loans advanced after the Closing Date but prior to the relevant Increase Effective Date shall be increased such that the difference between the Applicable Margin applicable to the Initial Term Loans and such Term Loans remains constant (or, if such Applicable Margin of both such series of Term Loans was equal, such Applicable Margin remains equal). All determinations by the Administrative Agent as to Incremental Net Yield or other matters contemplated by this Section 2.23 shall be conclusive absent manifest error.

The Incremental Term Loan Commitments shall be effected by a joinder agreement (the “**Increase Joinder**”) executed by the Loan Parties, the Administrative Agent and each Lender or Additional Lender making such Incremental Term Loan Commitment, in form and substance satisfactory to each of them. The Increase Joinder may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, to effect the provisions of this Section 2.23. This Section 2.23 (including clause (f) hereof) shall supersede any provision in Section 2.14 or Section 11.02 to the contrary. In addition, unless otherwise specifically provided herein, all references in Loan Documents to Term Loans shall be deemed, unless the context otherwise requires, to include references to Term Loans made pursuant to Incremental Term Loan Commitments made pursuant to this Agreement, and all references in Loan Documents to Commitments of a Class shall be deemed, unless the context otherwise requires, to include references to new Commitments of such Class made pursuant to this Agreement.

(d) Making of Incremental Term Loans. On any Increase Effective Date on which Incremental Term Loan Commitments are effective, subject to the satisfaction of the foregoing terms and conditions, each Lender of such Incremental Term Loan Commitments shall make a Term Loan to the Borrower in an amount equal to its new Commitment.

(e) Equal and Ratable Benefit. The Loans and Commitments established pursuant to this Section 2.23 shall constitute Loans and Commitments under, and shall be entitled to all the benefits afforded by, this Agreement and the other Loan Documents, and shall, without limiting the foregoing, benefit equally and ratably from the Guarantees and security interests created by the Security Documents. The Loan Parties shall take any actions reasonably required by the Administrative Agent to ensure and/or demonstrate that the Lien and security interests granted by the Security Documents continue to be perfected under the UCC, the PPSA or otherwise after giving effect to the establishment of any such Incremental Term Loan Commitments or any such new Term Loans.

(f) Alternative Currency Term Loans. Subject to the conditions set forth above, the Borrower may elect to establish Incremental Term Loan Commitments denominated in an Alternative Currency. In such event, the Increase Joinder may additionally effect such amendments and modifications to this Agreement or the other Loan Documents, and the Administrative Agent and the Loan Parties may enter into such additional Loan Documents, in each case, deemed necessary or appropriate by the Administrative Agent in connection with such Incremental Term Loan Commitments denominated in Alternative Currencies to modify or add provisions relating to (i) the reference source for the determination of the Eurodollar Rate applicable to Term Loans made in any Alternative Currency or alternative interest rate benchmark for any applicable Alternative Currency, (ii) the notice periods for borrowing requests with respect to Term Loans made in any Alternative Currency, (iii) the minimum borrowing or prepayments amounts applicable to any Term Loan denominated in an Alternative Currency, (iv) the timing and manner of delivery of funds in any Alternative Currency, (v) gross-up and/or indemnity with respect to withholding tax matters and (vi) other provisions customarily applicable to loans in an Alternative Currency. With respect to the calculations set for in clause (c)(iv) above for any Incremental Net Yield with respect to Incremental Term Loans denominated in an Alternative Currency, such calculations shall be made by the Administrative Agent based on the margin above the appropriate benchmark component of the interest rate for the Alternative Currency, as well as any applicable minimum rates or floors and original issue discount or up front fees (which original issue discount and upfront fees shall be given effect as provided above).

**Section 2.24 Refinancing Amendments.**

(a) At any time after the Closing Date, the Borrower may obtain, from any Lender or any Additional Lender, Credit Agreement Refinancing Indebtedness in respect of all or any portion of the Term Loans then outstanding under this Agreement (which will be deemed to include any then outstanding Other Term Loans), in the form of Other Term Loans or Other Loan Term Commitments, in each case pursuant to a Refinancing Amendment; provided that such Credit Agreement Refinancing Indebtedness (i) will rank pari passu in right of payment and of security with the other Loans and Commitments hereunder, (ii) will have such pricing and optional prepayment terms as may be agreed by the Borrower and the Lenders thereof, (iii) will have a maturity date that is not prior to the maturity date of, and will have a Weighted Average Life to Maturity that is not shorter than the Term Loans being refinanced, (iv) subject to clause (ii) above, will have terms and conditions that are substantially identical to, or less favorable to the investors providing such Credit Agreement Refinancing Indebtedness than, the Refinanced Debt and (v) the proceeds of such Credit Agreement Refinancing Indebtedness shall be applied, substantially concurrently with the incurrence thereof, to the prepayment of outstanding Term Loans being so refinanced; provided further that the terms and conditions applicable to such Credit Agreement Refinancing Indebtedness may provide for any additional or different financial or other covenants or other provisions that are agreed between the Borrower and the Lenders thereof and applicable only during periods after the Latest Maturity Date that is in effect on the date such Credit Agreement Refinancing Indebtedness is issued, incurred or obtained. The effectiveness of any Refinancing Amendment shall be subject to the satisfaction on the date thereof of each of the conditions set forth in Section 4.02 and, to the extent reasonably requested by the Administrative Agent, receipt by the Administrative Agent of legal opinions, board

resolutions, officers' certificates and/or reaffirmation agreements consistent with those delivered on the Closing Date under Section 4.01. Each Class of Credit Agreement Refinancing Indebtedness incurred under this Section 2.24 shall be in an aggregate principal amount that is (x) not less than \$50,000,000 in the case of Other Term Loans and (y) an integral multiple of \$1,000,000 in excess thereof. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Credit Agreement Refinancing Indebtedness incurred pursuant thereto (including any amendments necessary to treat the Loans and Commitments subject thereto as Other Term Loans and/or Other Term Loan Commitments). Any Refinancing Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section.

(b) This Section 2.24 shall supersede any provisions in Section 2.14 or Section 11.02 to the contrary.

### ARTICLE III REPRESENTATIONS AND WARRANTIES

Each Loan Party represents and warrants to the Administrative Agent, the Collateral Agent and each of the Lenders that:

**Section 3.01 Organization; Powers.** Each Company (a) is duly organized or incorporated (as applicable) and validly existing under the laws of the jurisdiction of its organization or incorporation (as applicable), (b) has all requisite organizational or constitutional power and authority to carry on its business as now conducted and to own and lease its property and (c) is qualified and in good standing (to the extent such concept is applicable in the applicable jurisdiction) to do business in every jurisdiction where such qualification is required, except in such jurisdictions where the failure to so qualify or be in good standing, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

**Section 3.02 Authorization; Enforceability.** The Transactions to be entered into by each Loan Party are within such Loan Party's organizational or constitutional powers and have been duly authorized by all necessary organizational or constitutional action on the part of such Loan Party. This Agreement has been duly executed and delivered by each Loan Party and constitutes, and each other Loan Document to which any Loan Party is to be a party, when executed and delivered by such Loan Party, will constitute, a legal, valid and binding obligation of such Loan Party, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

**Section 3.03 No Conflicts.** The Transactions (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except (i) such as have been obtained or made and are in full force and effect, (ii) filings necessary to perfect Liens created by the Loan Documents (as reflected in the applicable Perfection Certificate) and (iii) consents, approvals, registrations, filings, permits or actions the failure to obtain or perform which could not reasonably be expected to result in a Material Adverse Effect, (b) will not violate the Organizational Documents of any Company, (c) will not violate any material Requirement of Law, (d) will not violate or result in a default or require any consent or approval under any indenture, agreement or other instrument binding upon any Company or its property, or give rise to a right thereunder to require any payment to be made by any Company, except for violations, defaults or the creation of such rights that could not reasonably be expected to result in a Material Adverse Effect and except for consents received pursuant to the Debt Tender Offer, and (e) will not result in the creation or imposition of any Lien on any property of any Company, except Liens created by the Loan Documents and Permitted Liens. The execution, delivery and performance of the Loan Documents will not violate, or result in a default under, or require any consent or approval under, the Senior Notes, the Senior Note Documents, or the Revolving Credit Loan Documents.

**Section 3.04 Financial Statements; Projections.**

(a) **Historical Financial Statements.** The Borrower has heretofore delivered to the Lenders the consolidated balance sheets and related statements of income, stockholders' equity and cash flows of the Borrower (i) as of and for the fiscal years ended March 31, 2009 and March 31, 2010, audited by and accompanied by the unqualified opinion of PricewaterhouseCoopers, independent public accountants, and (ii) as of and for the six-month period ended September 30, 2010, and for the comparable period of the preceding fiscal year, in each case, certified by the chief financial officer of the Borrower. Such financial statements and all financial statements delivered pursuant to [Section 5.01\(a\)](#) and [Section 5.01\(b\)](#) have been prepared in accordance with US GAAP and present fairly in all material respects the financial condition and results of operations and cash flows of the Borrower as of the dates and for the periods to which they relate.

(b) **No Liabilities.** Except as set forth in the most recent financial statements referred to in [Section 3.04\(a\)](#), as of the Closing Date there are no liabilities of any Company of any kind, whether accrued, contingent, absolute, determined, determinable or otherwise, which could reasonably be expected to result in a Material Adverse Effect, other than liabilities under the Loan Documents, the Revolving Credit Loan Documents and the Senior Notes. Since March 31, 2010, there has been no event, change, circumstance or occurrence that, individually or in the aggregate, has had or could reasonably be expected to result in a Material Adverse Effect.

(c) **Pro Forma Financial Statements.** The Borrower has heretofore delivered to the Lenders in the Confidential Information Memorandum, the Borrower's unaudited *pro forma* consolidated capitalization table as of September 30, 2010, after giving effect to the Transactions as if they had occurred on such date. Such capitalization table has been prepared in good faith

by the Loan Parties, based on the assumptions stated therein (which assumptions are believed by the Loan Parties on the date hereof to be reasonable), are based on the best information available to the Loan Parties as of the date of delivery thereof, accurately reflect all adjustments required to be made to give effect to the Transactions and present fairly in all material respects the *pro forma* capitalization of Holdings as of such date assuming the Transactions had occurred at such date.

(d) Forecasts. The forecasts of financial performance of the Borrower and its subsidiaries furnished to the Lenders have been prepared in good faith by the Loan Parties and based on assumptions believed by the Loan Parties to be reasonable, it being understood that any such forecasts may vary from actual results and such variations could be material.

### **Section 3.05 Properties**

(a) Generally. Each Company has good title to, valid leasehold interests in, or license of, all its property material to its business, free and clear of all Liens except for Permitted Liens. The property that is material to the business of the Companies, taken as a whole, (i) is in good operating order, condition and repair in all material respects (ordinary wear and tear excepted) and (ii) constitutes all the property which is required for the business and operations of the Companies as presently conducted.

(b) Real Property. Schedules 8(a) and 8(b) to the Perfection Certificate dated the Closing Date contain a true and complete list of each interest in Real Property (i) owned by any Loan Party as of the date hereof having fair market value of \$1,000,000 or more and describes the type of interest therein held by such Loan Party and whether such owned Real Property is leased to a third party and (ii) leased, subleased or otherwise occupied or utilized by any Loan Party, as lessee, sublessee, franchisee or licensee, as of the date hereof having annual rental payments of \$1,000,000 or more and describes the type of interest therein held by such Loan Party.

(c) No Casualty Event. No Company has as of the date hereof received any notice of, nor has any knowledge of, the occurrence or pendency or contemplation of any Casualty Event affecting all or any material portion of its property. No Mortgage encumbers improved Real Property located in the United States that is located in an area that has been identified by the Secretary of Housing and Urban Development as an area having special flood hazards within the meaning of the National Flood Insurance Act of 1968 unless flood insurance available under such Act has been obtained in accordance with Section 5.04.

(d) Collateral. Each Company owns or has rights to use all of the Collateral used in, necessary for or material to each Company's business as currently conducted, except where the failure to have such ownership or rights of use could not reasonably be expected to have a Material Adverse Effect. The use by each Company of such Collateral does not infringe on the rights of any person other than such infringement which could not, individually or in the

aggregate, reasonably be expected to result in a Material Adverse Effect. No claim has been made and remains outstanding that any Company's use of any Collateral does or may violate the rights of any third party that could, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect.

**Section 3.06 Intellectual Property.**

(a) Ownership/No Claims. Each Loan Party owns, or is licensed to use, all patents, trademarks, copyrights and other intellectual property (including intellectual property in software, mask works, inventions, designs, trade names, service marks, technology, trade secrets, proprietary information and data, domain names, know-how and processes) necessary for the conduct of such Loan Party's business as currently conducted ("**Intellectual Property**"), except for those the failure to own or license which, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect. As of the date hereof, no material claim has been asserted and is pending by any person, challenging or questioning the validity of any Loan Party's Intellectual Property or the validity or enforceability of any such Intellectual Property, nor does any Loan Party know of any valid basis for any such claim. The use of any Intellectual Property by each Loan Party, and the conduct of each Loan Party's business as currently conducted, does not infringe or otherwise violate the rights of any third party in respect of Intellectual Property, except for such claims and infringements that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

(b) Registrations. Except pursuant to non-exclusive licenses and other non-exclusive use agreements entered into by each Loan Party in the ordinary course of business, and except as set forth on Schedule 12(c) to the Perfection Certificate, on and as of the date hereof each Loan Party owns and possesses the right to use and has not authorized or enabled any other person to use, any Intellectual Property listed on any schedule to the relevant Perfection Certificate or any other Intellectual Property that is material to its business, except for such authorizations and enablements as could not reasonably be expected to result in a Material Adverse Effect. All registrations listed on Schedule 12(a) and 12(b) to the Perfection Certificate are valid and in full force and effect, in each case, except where the absence of such validity or full force and effect, individually or collectively, could not reasonably be expected to have a Material Adverse Effect.

(c) No Violations or Proceedings. To each Loan Party's knowledge, on and as of the date hereof, (i) there is no material infringement or other violation by others of any right of such Loan Party with respect to any Intellectual Property listed on any schedule to the relevant Perfection Certificate, or any other Intellectual Property that is material to its business, except as may be set forth on Schedule 3.06(c), and (ii) no claims are pending or threatened to such effect except as set forth on Schedule 3.06(c).

**Section 3.07 Equity Interests and Subsidiaries.**

(a) Equity Interests. Schedules 1(a) and 10 to the Perfection Certificate dated the Closing Date set forth a list of (i) all the Subsidiaries of Holdings and their jurisdictions of

organization as of the Closing Date and (ii) the number of each class of its Equity Interests authorized, and the number outstanding, on the Closing Date and the number of shares covered by all outstanding options, warrants, rights of conversion or purchase and similar rights at the Closing Date. As of the Closing Date, all Equity Interests of each Company held by Holdings or a Subsidiary thereof are duly and validly issued and are fully paid and non-assessable, and, other than the Equity Interests of Holdings, are owned by Holdings, directly or indirectly through Wholly Owned Subsidiaries except as indicated on Schedules 1(a) and 10 to the Perfection Certificate. At all times prior to a Qualified Borrower IPO, the Equity Interests of the Borrower will be owned directly by Holdings. As of the Closing Date, each Loan Party is the record and beneficial owner of, and has good and marketable title to, the Equity Interests pledged by it under the Security Documents, free of any and all Liens, rights or claims of other persons, except Permitted Liens, and as of the Closing Date there are no outstanding warrants, options or other rights to purchase, or shareholder, voting trust or similar agreements outstanding with respect to, or property that is convertible into, or that requires the issuance or sale of, any such Equity Interests other than with respect to the Forward Share Sale Agreement.

(b) No Consent of Third Parties Required. Except as have previously been obtained, no consent of any person including any other general or limited partner, any other member of a limited liability company, any other shareholder or any other trust beneficiary is necessary in connection with the creation, perfection or First Priority status of the security interest of the Collateral Agent in any Equity Interests pledged to the Collateral Agent for the benefit of the Secured Parties under the Security Documents or the exercise by the Collateral Agent of the voting or other rights provided for in the Security Documents or the exercise of remedies in respect thereof, other than any restrictions on transfer of the Equity Interests in NKL or its direct parents, 4260848 Canada Inc. and 4260856 Canada Inc., imposed by any lock-up or listing agreement, rule or regulation in connection with any listing or offering of Equity Interests in NKL to the extent required by applicable Requirements of Law or listing or stock exchange requirements.

(c) Organizational Chart. An accurate organizational chart, showing the ownership structure of Holdings, the Borrower and each Subsidiary on the Closing Date is set forth on Schedule 10 to the Perfection Certificate dated the Closing Date.

**Section 3.08 Litigation; Compliance with Laws**. There are no actions, suits or proceedings at law or in equity by or before any Governmental Authority now pending or, to the knowledge of any Company, threatened against or affecting any Company or any business, property or rights of any Company (i) that involve any Loan Document or (ii) as to which there is a reasonable possibility of an adverse determination and that, if adversely determined, could reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect. No Company or any of its property is in violation of, nor will the continued operation of its property as currently conducted violate, any Requirements of Law (including any zoning or building ordinance, code or approval or any building permits) or any restrictions of record or agreements affecting any Company's Real Property or is in default with respect to any Requirement of Law, where such violation or default, individually or in the aggregate, could reasonably be expected to result in a Material Adverse Effect.

**Section 3.09 Agreements.** No Company is a party to any agreement or instrument or subject to any corporate or other constitutional restriction that has resulted or could reasonably be expected to result in a Material Adverse Effect. No Company is in default in any manner under any provision of any indenture or other agreement or instrument evidencing Indebtedness, or any other agreement or instrument to which it is a party or by which it or any of its property is or may be bound, where such default could reasonably be expected to result in a Material Adverse Effect. There is no existing default under any Organizational Document of any Company or any event which, with the giving of notice or passage of time or both, would constitute a default by any party thereunder that could reasonably be expected to have a Material Adverse Effect.

**Section 3.10 Federal Reserve Regulations.** No Company is engaged principally, or as one of its important activities, in the business of extending credit for the purpose of buying or carrying Margin Stock. No part of the proceeds of any Loan will be used, whether directly or indirectly, and whether immediately, incidentally or ultimately, for any purpose that entails a violation of, or that is inconsistent with, the provisions of the regulations of the Board, including Regulation T, U or X. The pledge of the Securities Collateral pursuant to the Security Documents does not violate such regulations.

**Section 3.11 Investment Company Act.** No Company is an “investment company” or a company “controlled” by an “investment company,” as defined in, or subject to regulation under, the Investment Company Act of 1940, as amended.

**Section 3.12 Use of Proceeds.** The Borrower will use the proceeds of (a) the Loans on the Closing Date for the Refinancing and the Closing Date Distribution and for payment of fees, premiums and expenses in connection with the Transactions, (b) any Incremental Term Loans after the Closing Date for general corporate purposes (including to effect Permitted Acquisitions and other Investments and Dividends permitted hereunder) and (c) any Other Term Loans after the Closing Date to refinance Term Loans and pay related fees and expenses; provided that in no event shall any proceeds of any Loans (including any Incremental Term Loans or Other Term Loans) be remitted, directly or indirectly, to any Swiss tax resident Company or Swiss tax resident permanent establishment, where this remittance could be viewed as a use of such proceeds in Switzerland (whether through an intercompany loan or advance by any other Company or otherwise) as per the practice of the Swiss Federal Tax Administration, unless the Swiss Federal Tax Administration confirms in a written advance tax ruling (based on a fair description of the fact pattern in the tax ruling request made by a Loan Party) that such use of proceeds in Switzerland does not lead to Swiss Withholding Tax becoming due on or in respect any Loans (including any Incremental Term Loans or Other Term Loans) or parts thereof.

**Section 3.13 Taxes.** Each Company has (a) timely filed or caused to be timely filed all material Tax Returns required by applicable Requirements of Law to have been filed by it and (b) duly and timely paid, collected or remitted or caused to be duly and timely paid, collected or remitted all material Taxes due and payable, collectible or remittable by it and all assessments received by it, except Taxes (i) that are being contested in good faith by appropriate proceedings and for which such Company has set aside on its books adequate reserves in accordance with US GAAP or other applicable accounting rules and (ii) which could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Each Company has made adequate provision in accordance with US GAAP or other applicable accounting rules for all

material Taxes not yet due and payable. No Company has received written notice of any proposed or pending tax assessments, deficiencies or audits that could be reasonably expected to, individually or in the aggregate, result in a Material Adverse Effect. No Company has ever been a party to any understanding or arrangement constituting a “tax shelter” within the meaning of Section 6111(c), Section 6111(d) or Section 6662(d)(2)(C)(iii) of the Code, or has ever “participated” in a “reportable transaction” within the meaning of Treasury Regulation Section 1.6011-4, except as could not be reasonably expected to, individually or in the aggregate, result in a Material Adverse Effect.

**Section 3.14 No Material Misstatements.** The written information (including the Confidential Information Memorandum), reports, financial statements, certificates, exhibits or schedules furnished by or on behalf of any Company to any Agent or any Lender in connection with the negotiation of any Loan Document or included therein or delivered pursuant thereto, taken as a whole, did not and does not contain any material misstatement of fact and, taken as a whole, did not and does not omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were or are made, not materially misleading in their presentation of Holdings, the Borrower and its Subsidiaries taken as a whole as of the date such information is dated or certified; provided that to the extent any such information, report, financial statement, exhibit or schedule was based upon or constitutes a forecast or projection, each Loan Party represents only that it was prepared in good faith and based on assumptions believed by the applicable Loan Parties to be reasonable.

**Section 3.15 Labor Matters.** As of the Closing Date, there are no material strikes, lockouts or labor slowdowns against any Company pending or, to the knowledge of any Company, threatened in writing. The hours worked by and payments made to employees of any Company have not been in violation of the Fair Labor Standards Act of 1938, as amended, or any other applicable federal, state, provincial, local or foreign law dealing with such matters in any manner which could reasonably be expected to result in a Material Adverse Effect. All payments due from any Company, or for which any claim may be made against any Company, on account of wages and employee health and welfare insurance and other benefits, have been paid or accrued as a liability on the books of such Company except where the failure to do so could not reasonably be expected to result in a Material Adverse Effect. The consummation of the Transactions will not give rise to any right of termination or right of renegotiation on the part of any union under any collective bargaining agreement to which any Company is bound, except as could not reasonably be expected to result in a Material Adverse Effect.

**Section 3.16 Solvency.** At the time of and immediately after the consummation of the Transactions to occur on the Closing Date, and at the time of and immediately following the making of the initial Credit Extension under any Incremental Term Loan Commitments and after giving effect to the application of the proceeds of each Loan, the Closing Date Distribution and the operation of the Contribution, Intercompany, Contracting and Offset Agreement, (a) the fair value of the assets of each Loan Party (individually and on a consolidated basis with its Subsidiaries) will exceed its debts and liabilities, subordinated, contingent, prospective or otherwise; (b) the present fair saleable value of the property of each Loan Party (individually and on a consolidated basis with its Subsidiaries) will be greater than the amount that will be required to pay the probable liability of its debts and other liabilities, subordinated, contingent, prospective or otherwise, as such debts and other liabilities become absolute and matured;

(c) each Loan Party (individually and on a consolidated basis with its Subsidiaries) will be able to pay its debts and liabilities, subordinated, contingent, prospective or otherwise, as such debts and liabilities become absolute and matured; (d) each Loan Party (individually and on a consolidated basis with its Subsidiaries) will not have unreasonably small capital with which to conduct its business in which it is engaged as such business is now conducted and is proposed to be conducted following the Closing Date; and (e) each Loan Party is not “insolvent” as such term is defined under any bankruptcy, insolvency or similar laws of any jurisdiction in which any Loan Party is organized or incorporated (as applicable), or otherwise unable to pay its debts as they fall due.

**Section 3.17 Employee Benefit Plans.** Each Company and its ERISA Affiliates is in compliance in all material respects with the applicable provisions of ERISA and the Code and the regulations and published interpretations thereunder except for such non-compliance that in the aggregate would not have a Material Adverse Effect. No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events, could reasonably be expected to result in a Material Adverse Effect or the imposition of a Lien on any of the property of any Company. The present value of all accumulated benefit obligations of all underfunded Plans (based on the assumptions used in the most recent actuarial valuations used for the respective Plans) did not, as of the date of the most recent financial statements reflecting such amounts, exceed the fair market value of the property of all such underfunded Plans in an amount which could reasonably be expected to have a Material Adverse Effect. Using actuarial assumptions and computation methods consistent with subpart I of subtitle E of Title IV of ERISA, the aggregate liabilities of each Company or its ERISA Affiliates to all Multiemployer Plans in the event of a complete withdrawal therefrom, as of the close of the most recent fiscal year of each such Multiemployer Plan, could not reasonably be expected to result in a Material Adverse Effect.

To the extent applicable, each Foreign Plan has been maintained in compliance with its terms and with the requirements of any and all Requirements of Law and has been maintained, where required, in good standing with applicable Governmental Authority and Taxing Authority, except for such non-compliance that in the aggregate would not have a Material Adverse Effect. No Company has incurred any obligation in connection with the termination of or withdrawal from any Foreign Plan, except to the extent of liabilities which could not reasonably be expected to have a Material Adverse Effect. Each Foreign Plan which is required to be funded is funded in accordance with Requirements of Law, and for each Foreign Plan which is not required to be funded, the obligations of such Foreign Plan are properly accrued in the financial statements of the Borrower and its Subsidiaries, in each case in an amount that could not reasonably be expected to have a Material Adverse Effect.

Except as specified on Schedule 3.17, (i) no Company is or has at any time been an employer (for the purposes of Sections 38 to 51 of the Pensions Act 2004) of an occupational pension scheme which is not a money purchase scheme (both terms as defined in the Pensions Schemes Act 1993), and (ii) no Company is or has at any time been “connected” with or an “associate” of (as those terms are used in Sections 39 and 43 of the Pensions Act 2004) such an employer.

(vii) No person with an indemnity or contribution obligation to the Companies relating to compliance with or liability under Environmental Law is in default with respect to such obligation.

(b) As of the Closing Date:

(i) Except as could not reasonably be expected to have a Material Adverse Effect, no Company is obligated to perform any action or otherwise incur any expense under Environmental Law pursuant to any order, decree, judgment or agreement by which it is bound or has assumed by contract, agreement or operation of law, and no Company is conducting or financing any Response pursuant to any Environmental Law with respect to any Real Property or any other location; and

(ii) No Real Property or facility owned, operated or leased by the Companies and, to the knowledge of the Companies, no Real Property or facility formerly owned, operated or leased by the Companies or any of their predecessors in interest is (i) listed or proposed for listing on the National Priorities List promulgated pursuant to CERCLA, or (ii) listed on the Comprehensive Environmental Response, Compensation and Liability Information System promulgated pursuant to CERCLA and is reasonably likely to result in any material liability to any Company, or (iii) included on any other publicly available list of contaminated sites maintained by any Governmental Authority analogous to CERCLA or the Resource Conservation and Recovery Act, 42 U.S.C. §6901 et seq., including any such list relating to the management or clean up of petroleum and is reasonably likely to result in any material liability to a Company.

The Borrower may designate a Subsidiary Guarantor that was not a Restricted Subsidiary of the Borrower on the Closing Date as an Excluded Collateral Subsidiary subject to the terms of the definition thereof, in which event the Guarantee by such Restricted Subsidiary shall be released in accordance with [Section 7.09](#) and the Collateral Agent shall release the Collateral pledged by such Person.

(e) Any Foreign Subsidiary that is a Loan Party that has in the United States at any time (i) a deposit account that is part of the Cash Pooling Arrangements or (ii) property (other than Excluded Property) having an aggregate fair market value in excess of \$5,000,000 for any such foreign Loan Party, shall execute a joinder agreement to the U.S. Security Agreement reasonably satisfactory to the Administrative Agent.

Deliver or cause to be delivered (using commercially reasonable efforts with respect to delivery of items from Persons who are not in the control of any Loan Party) to the Administrative Agent and the Collateral Agent from time to time such other documentation, consents, authorizations, approvals and orders in form and substance reasonably satisfactory to the Administrative Agent and the Collateral Agent as the Administrative Agent and the Collateral Agent shall reasonably deem necessary to perfect or maintain the Liens on the Collateral pursuant to the Security Documents. Upon the exercise by the Administrative Agent, the Collateral Agent or any Lender of any power, right, privilege or remedy pursuant to any Loan Document that requires any consent, approval, registration, qualification or authorization of any Governmental Authority, execute and deliver all applications, certifications, instruments and other documents and papers that the Administrative Agent, the Collateral Agent or such Lender may reasonably require in connection therewith. (3) so long as the Total Net Leverage Ratio, calculated on a Pro Forma Basis after giving effect to such Permitted Prepayments, would not exceed 3.0 to 1.0, such additional amounts as the Borrower may determine (the cumulative amount of Permitted Prepayments made after the Closing Date under this clause (3) at any time that the Total Net Leverage Ratio, calculated on a Pro Forma Basis after giving effect to such Permitted Prepayments, would exceed 2.0 to 1.0, referred to as the “**Prepayments Recapture Amount**”); or

(d) amend or modify, or permit the amendment or modification of, any provision of any document governing any Indebtedness under the Revolving Credit Loan Documents (or any Permitted Revolving Credit Facility Refinancings thereof) if such amendment or modification would (i) cause the aggregate principal amount (or accreted value, if applicable) of all such Indebtedness, after giving effect to such amendment or modification, to at any time exceed the Maximum Revolving Credit Facility Amount, (ii) cause such Indebtedness to have a final maturity date earlier than the final maturity date of such Indebtedness immediately prior to such amendment or modification or (iii) result in the persons that are (or are required to be) obligors under such Indebtedness to be different from the persons that are (or are required to be) obligors under such Indebtedness being so amended or modified (unless such persons required to be obligors under such Indebtedness are or are required to be or become obligors under the Loan Documents); or

## ARTICLE VII GUARANTEE

**Section 7.01 The Guarantee.** The Guarantors hereby jointly and severally guarantee, as a primary obligor and not as a surety to each Secured Party and their respective successors and permitted assigns, the prompt payment in full when due (whether at stated maturity, by required prepayment, declaration, demand, by acceleration or otherwise) of the principal of and interest (including any interest, fees, costs or charges that would accrue after the commencement of a case under Title 11 of the United States Code or any other Debtor Relief Law or after any bankruptcy or insolvency petition is filed under Title 11 of the United States Code (or any other Debtor Relief Law) but for the provisions of the Title 11 of the United States Code (or other Debtor Relief Law) or that accrues after the commencement of a case under Title 11 of the United States Code or any other Debtor Relief Law or after any bankruptcy or insolvency petition is filed under Title 11 of the United States Code (or any other Debtor Relief Law), whether or not allowed) on the Loans made by the Lenders to, and the Notes held by each Lender of, the Borrower, and all other Secured Obligations from time to time owing to the Secured Parties by any Loan Party under any Loan Document (including any Hedging Agreement entered into with a counterparty that is a Secured Party), and the performance of all obligations under any of the foregoing, in each case strictly in accordance with the terms thereof (such obligations being herein collectively called the “**Guaranteed Obligations**”). In addition to the guarantee contained herein, each Guarantor that is a Foreign Subsidiary, as well as Holdings, shall execute a Guarantee governed by the applicable law of such Person’s jurisdiction of organization (each such Guarantee, a “**Foreign Guarantee**”) and to the extent that the provisions of this Article VII shall duplicate or conflict with the provisions thereof, the terms of the Foreign Guarantees shall govern the obligations of such Guarantors. The Guarantors hereby jointly and severally agree that if the Borrower or other Guarantor(s) shall fail to pay in full when due (whether at stated maturity, by acceleration or otherwise) any of the Guaranteed Obligations, the Guarantors will promptly pay the same in cash, without any demand or notice whatsoever as if it was the principal obligor, and that in the case of any extension of time of payment or renewal of any of the Guaranteed Obligations, the same will be promptly paid in full when due (whether at extended maturity, by acceleration or otherwise) in accordance with the terms of such extension or renewal. Without prejudice to the generality of Section 7.01 and Section 7.02, each Guarantor expressly confirms that it intends that this guarantee shall extend from time to time to any (however fundamental and of whatsoever nature and whether or not more onerous) variation, increase, extension or addition of or to any of the Loan Documents and/or any facility or amount made available under any of the Loan Documents for the purposes of or in connection with any of the following: acquisitions of any nature; increasing working capital; enabling investor distributions or Dividends to be made (including the Closing Date

Distribution); carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making facilities available to new borrower; any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and any fees, costs and/or expenses associated with any of the foregoing.

**Section 7.02 Obligations Unconditional.** The obligations of the Guarantors under Section 7.01 shall constitute a guaranty of payment and not of collection and to the fullest extent permitted by applicable Requirements of Law, are absolute, irrevocable and unconditional, joint and several, irrespective of the value, genuineness, validity, regularity or enforceability of the Guaranteed Obligations of the Borrower or any other Loan Party under this Agreement, the Notes, if any, or any other agreement or instrument referred to herein or therein, or any substitution, release or exchange of any other guarantee of or security for any of the Guaranteed Obligations, and, irrespective of any other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense of a surety or Guarantor (except for payment in full). Without limiting the generality of the foregoing, it is agreed that the occurrence of any one or more of the following shall not alter or impair the liability of the Guarantors hereunder which shall remain absolute, irrevocable and unconditional under any and all circumstances as described above:

(i) at any time or from time to time, without notice to the Guarantors, the time for any performance of or compliance with any of the Guaranteed Obligations shall be extended, or such performance or compliance shall be waived or the Maturity Date shall be extended with respect to all or a portion of the Guaranteed Obligations;

(ii) any of the acts mentioned in any of the provisions of this Agreement or the Notes, if any, or any other agreement or instrument referred to herein or therein shall be done or omitted;

(iii) the maturity of any of the Guaranteed Obligations shall be accelerated, or any of the Guaranteed Obligations shall be amended in any respect, or any right under the Loan Documents or any other agreement or instrument referred to herein or therein shall be amended or waived in any respect or any other guarantee of any of the Guaranteed Obligations or any security therefor shall be released or exchanged in whole or in part or otherwise dealt with;

(iv) any Lien or security interest granted to, or in favor of, any Lender or Agent as security for any of the Guaranteed Obligations shall fail to be perfected; or

(v) the release of any other Guarantor pursuant to Section 7.09.

The Guarantors hereby expressly waive diligence, presentment, demand of payment, protest and all notices whatsoever, and any requirement that any Secured Party exhaust any right, power or remedy or proceed against the Borrower or any other Loan Party under this Agreement or the Notes, if any, or any other agreement or instrument referred to herein or therein, or against any other person under any other guarantee of, or security for, any of the Guaranteed Obligations. The Guarantors waive any and all notice of the creation, renewal, extension, waiver, termination or accrual of any of the Guaranteed Obligations and notice of or proof of reliance by any Secured Party upon this Guarantee or acceptance of this Guarantee, and the Guaranteed Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred in reliance upon this Guarantee, and all dealings between the Borrower and the Secured Parties shall likewise be conclusively presumed to have been had or consummated in reliance upon this Guarantee. This Guarantee shall be construed as a continuing, absolute, irrevocable and unconditional guarantee of payment without regard to any right of offset with respect to the Guaranteed Obligations at any time or from time to time held by Secured Parties, and the obligations and liabilities of the Guarantors hereunder shall not be conditioned or contingent upon the pursuit by the Secured Parties or any other person at any time of any right or remedy against the Borrower or any other Loan Party, or against any other person which may be or become liable in respect of all or any part of the Guaranteed Obligations or against any collateral security or guarantee therefor or right of offset with respect thereto. This Guarantee shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon the Guarantors and the successors and assigns thereof, and shall inure to the benefit of the Lenders and the other Secured Parties, and their respective successors and assigns, notwithstanding that from time to time during the term of this Agreement there may be no Guaranteed Obligations outstanding.

**Section 7.03 Reinstatement.** The obligations of the Guarantors under this ARTICLE VII shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of the Borrower or other Loan Party in respect of the Guaranteed Obligations is rescinded or must be otherwise restored by any holder of any of the Guaranteed Obligations, whether as a result of any proceedings in bankruptcy or reorganization pursuant to any Debtor Relief Law or otherwise. The Guarantors jointly and severally agree that they will indemnify each Secured Party on demand for all reasonable costs and expenses (including reasonable fees of counsel) incurred by such Secured Party in connection with such rescission or restoration, including any such costs and expenses incurred in defending against any claim alleging that such payment constituted a preference, fraudulent transfer or similar payment under any bankruptcy, insolvency or similar law, other than any costs or expenses resulting from the bad faith or willful misconduct of such Secured Party.

**Section 7.04 Subrogation; Subordination.** Each Guarantor hereby agrees that until the indefeasible and irrevocable payment and satisfaction in full in cash of all Guaranteed Obligations and the expiration and termination of the Commitments of the Lenders under this Agreement it shall waive any claim and shall not exercise any right or remedy, direct or indirect, arising by reason of any performance by it of its guarantee in Section 7.01, whether by subrogation or otherwise, against the Borrower or any other Guarantor of any of the Guaranteed Obligations or any security for any of the Guaranteed Obligations. Any Indebtedness of any Loan Party permitted pursuant to Section 6.01(d) shall be subordinated to such Loan Party's Secured Obligations a manner reasonably satisfactory to the Administrative Agent.

**Section 7.05 Remedies.** The Guarantors jointly and severally agree that, as between the Guarantors and the Lenders, the obligations of the Borrower under this Agreement and the Notes, if any, may be declared to be forthwith due and payable as provided in Section 8.01 (and shall be deemed to have become automatically due and payable in the circumstances provided in Section 8.01) for purposes of Section 7.01, notwithstanding any stay, injunction or other prohibition preventing such declaration (or such obligations from becoming automatically due and payable) as against the Borrower and that, in the event of such declaration (or such obligations being deemed to have become automatically due and payable), such obligations (whether or not due and payable by the Borrower) shall forthwith become due and payable by the Guarantors for purposes of Section 7.01.

**Section 7.06 Instrument for the Payment of Money.** Each Guarantor hereby acknowledges that the guarantee in this ARTICLE VII constitutes an instrument for the payment of money, and consents and agrees that any Lender or Agent, at its sole option, in the event of a dispute by such Guarantor in the payment of any moneys due hereunder, shall have the right to bring a motion-action under New York CPLR Section 3213.

**Section 7.07 Continuing Guarantee.** The guarantee in this ARTICLE VII is a continuing guarantee of payment, and shall apply to all Guaranteed Obligations whenever arising.

**Section 7.08 General Limitation on Guarantee Obligations.** In any action or proceeding involving any state corporate limited partnership or limited liability company law, or any applicable state, federal or foreign bankruptcy, insolvency, reorganization or other law affecting the rights of creditors generally, if the obligations of any Guarantor under Section 7.01 would otherwise be held or determined to be void, voidable, invalid or unenforceable, or subordinated to the claims of any other creditors, on account of the amount of its liability under Section 7.01, then, notwithstanding any other provision to the contrary, the amount of such liability shall, without any further action by such Guarantor, any Loan Party or any other person, be automatically limited and reduced to the highest amount (after giving effect to the rights of contribution established in the Contribution, Intercompany, Contracting and Offset Agreement) that are valid and enforceable and not subordinated to the claims of other creditors as determined in such action or proceeding.

**Section 7.09 Release of Guarantors.** If, in compliance with the terms and provisions of the Loan Documents, (a) Equity Interests of any Subsidiary Guarantor are issued, sold or transferred such that it ceases to be a Restricted Subsidiary (a “**Transferred Guarantor**”) to a person or persons, none of which is a Loan Party or a Subsidiary, (b) a Guarantor is designated as an Unrestricted Subsidiary in accordance with the Loan Documents, (c) a Restricted Subsidiary that becomes a Loan Party after the Closing Date is subsequently designated as an Excluded Collateral Subsidiary in accordance with the definition thereof, or (d) a Qualified Borrower IPO shall occur, then, such Transferred Guarantor (in the case of clause (a)), such Unrestricted Subsidiary (in the case of clause (b)), such Restricted Subsidiary (in the case of clause (c)), and Holdings (in the case of clause (d)), shall, upon the consummation of such issuance, sale or transfer or upon such designation as an Unrestricted Subsidiary or Excluded Collateral Subsidiary or upon the completion of the Qualified Borrower IPO, be released from its obligations under this Agreement (including under Section 11.03 hereof) and any other Loan Documents to which it is a party and its obligations to pledge and grant any Collateral owned by

it pursuant to any Security Document, and the Collateral Agent shall take such actions as are within its powers to effect each release described in this Section 7.09 in accordance with the relevant provisions of the Security Documents and the Intercreditor Agreement; provided that such Guarantor is also released from its obligations, if any, under the Revolving Credit Loan Documents, the Senior Note Documents, the Additional Senior Secured Indebtedness Documents and other Material Indebtedness guaranteed by such Person on the same terms.

**Section 7.10 Certain Tax Matters.** Notwithstanding the provisions of Section 2.15 if a Loan Party (other than the Borrower) makes a payment hereunder that is subject to withholding tax in excess of the withholding tax that would have been imposed on payments made by the Borrower with respect to whose obligation it is making a payment, the relevant Loan Party shall increase the amount of such payment such that, after deduction and payment of all such withholding taxes (including withholding taxes applicable to additional sums payable under this Section), the payee receives an amount equal to the amount it would have received if no such excess withholding tax had been imposed; provided that the Agent or Lender provides, as reasonably requested by the relevant Loan Party and as required under Sections 2.15(e) or 2.15(g), as the case may be, such forms, certificates and documentation that it is legally entitled to furnish and would be required to reduce or eliminate withholding and, with respect to non-U.S. withholding taxes, would not, in the Administrative Agent's or the relevant Lender's reasonable judgment, subject it to any material unreimbursed costs or otherwise be disadvantageous to it in any material respect.

**Section 7.11 German Guarantor.**

(a) Subject to Section 7.11(b) through Section 7.11(e) below, the Secured Parties shall not enforce the guarantee obligations of a German Guarantor existing in the form of a German limited liability company or limited partnership with a limited liability company as partner (*GmbH* or *GmbH & Co. KG*) under this Article VII to the extent (i) such German Guarantor guarantees obligations of one of its shareholders or of an affiliated company (*verbundenes Unternehmen*) of a shareholder within the meaning of Section 15 of the German Stock Corporation Act (*Aktiengesetz*) (other than a Subsidiary of that German Guarantor or the German Guarantor itself), and (ii) the enforcement of such guarantee for shareholder obligations would reduce, in violation of Section 30 of the German Limited Liability Companies Act (*GmbHG*), the net assets (assets minus liabilities minus provisions and liability reserves (*Reinvermögen*), in each case as calculated in accordance with generally accepted accounting principles in Germany (*Grundsätze ordnungsmäßiger Buchführung*) as consistently applied by such German Guarantor in preparing its unconsolidated balance sheets (*Jahresabschluss gem. § 42 GmbH — Act, §§ 242, 264 HGB*) of the German Guarantor (or in the case of a *GmbH & Co. KG*, its general partner) to an amount that is insufficient to maintain its (or in the case of a *GmbH & Co. KG*, its general partner's) registered share capital (*Stammkapital*) (or would increase an existing shortage in its net assets below its registered share capital); provided that for the purpose of determining the relevant registered share capital and the net assets, as the case may be:

(i) The amount of any increase of registered share capital (*Stammkapital*) of such German Guarantor (or its general partner in the form of a GmbH) implemented after the date of this Agreement that is

effected without the prior written consent of the Administrative Agent shall be deducted from the registered share capital of the German Guarantor (or its general partner in the form of a GmbH);

(ii) any loans provided to the German Guarantor by a direct or indirect shareholder or an affiliate thereof (other than a Subsidiary of such German Guarantor) shall be disregarded and not accounted for as a liability to the extent that such loans are subordinated pursuant to Section 39(1) Nr. 1 through Nr. 5 of the German Insolvency Code (*Insolvenzordnung*) or subordinated in any other way by law or contract;

(iii) any shareholder loans, other loans and contractual obligations and liabilities incurred by the German Guarantor in violation of the provisions of any of the Loan Documents shall be disregarded and not accounted for as liabilities;

(iv) any assets that are shown in the balance sheet with a book value that, in the opinion of the Administrative Agent, is significantly lower than their market value and that are not necessary for the business of the German Guarantor (*nicht betriebsnotwendig*) shall be accounted for with their market value; and

(v) the assets of the German Guarantor will be assessed at liquidation values (*Liquidationswerte*) if, at the time the managing directors prepare the balance sheet in accordance with paragraph (b) below and absent the demand a positive going concern prognosis (*positive Fortbestehensprognose*) cannot be established.

(b) The limitations set out in Section 7.11(a) only apply:

(i) if and to the extent that the managing directors of the German Guarantor (or in the case of a GmbH Co. KG, its general partner) have confirmed in writing to the Administrative Agent within ten (10) Business Days of a demand for payment under this Article VII the amount of the obligations under this Article VII which cannot be paid without causing the net assets of such German Guarantor (or in the case of a GmbH Co. KG, its general partner) to fall below its registered share capital, or increase an existing shortage in net assets below its registered share capital (taking into account the adjustments set out above) and such confirmation is supported by a current balance sheet and other evidence satisfactory to the Administrative Agent and neither the Administrative

Agent nor any Lender raises any objections against that confirmation within five Business Days after its receipt; or

(ii) if, within twenty Business Days after an objection under clause (i) has been raised by the Administrative Agent or a Lender, the Administrative Agent receives a written audit report (“**Auditor’s Determination**”) prepared at the expense of the relevant German Guarantor by a firm of auditors of international standing and reputation that is appointed by the German Guarantor and reasonably acceptable to the Administrative Agent, to the extent such report identifies the amount by which the net assets of that German Guarantor (or in the case of a *GmbH & Co. KG*, its general partner in the form of a GmbH) are necessary to maintain its registered share capital as at the date of the demand under this Article VII (taking into account the adjustments set out above). The Auditor’s Determination shall be prepared in accordance with generally accepted accounting principles applicable in Germany (*Grundsätze ordnungsgemäßer Buchführung*) as consistently applied by the German Guarantor in the preparation of its most recent annual balance sheet. The Auditor’s Determination shall be binding for all Parties except for manifest error.

(c) In any event, the Secured Parties shall be entitled to enforce the guarantee up to those amounts that are undisputed between them and the relevant German Guarantor or determined in accordance with Section 7.11(a) and Section 7.11(b). In respect of the exceeding amounts, the Secured Parties shall be entitled to further pursue their claims (if any) and the German Guarantor shall be entitled to provide evidence that the excess amounts are necessary to maintain its registered share capital (calculated as at the date of demand under this Article VII and taking into account the adjustments set out above). The Secured Parties are entitled to pursue those parts of the guarantee obligations of the German Guarantor that are not enforced by operation of Section 7.11(a) above at any subsequent point in time. This Section 7.11 shall apply again as of the time such additional demands are made.

(d) Section 7.11(a) shall not apply as to the amount of Loans borrowed under this Agreement and passed on (whether by way of shareholder loan or equity contribution) to the respective German Guarantor or any of its Subsidiaries as long as the respective shareholder loan is outstanding or the respective equity contribution has not been dissolved or otherwise repaid.

(e) Should it become legally permissible for managing directors of a German Guarantor to enter into guarantees in support of obligations of their shareholders without limitations, the limitations set forth in Section 7.11(a) shall no longer apply. Should any such guarantees become subject to legal restrictions that are less stringent than the limitations set forth in Section 7.11(a) above, such less stringent limitations shall apply. Otherwise, Section 7.11(a) shall remain unaffected by changes in applicable law.

(f) The limitations provided for in paragraph (a) above shall not apply where (i) the relevant German Guarantor has a fully valuable (*vollwertig*) recourse claim (*Gegenleistungs-oder Rückgewähranspruch*) vis-à-vis the relevant shareholder or (ii) a domination agreement (*Beherrschungsvertrag*) or a profit and loss pooling agreement (*Ergebnisabführungsvertrag*) is or will be in existence with the relevant German Guarantor (or the relevant general partner) and the relevant German Guarantor has a fully valuable (*vollwertig*) compensation claim (*Ausgleichsanspruch*).

**Section 7.12 Swiss Guarantors.** If and to the extent that (i) the obligations under this ARTICLE VII of any Swiss Guarantor are for the exclusive benefit of any of such Swiss Guarantor's Affiliates (other than such Swiss Guarantor's direct or indirect Subsidiaries) and (ii) complying with the obligations under this ARTICLE VII would constitute a repayment of capital (*restitution des apports*) or the payment of a (constructive) dividend (*distribution de dividende*), the following shall apply:

(a) The aggregate obligations under this ARTICLE VII of any Swiss Guarantor shall be limited to the maximum amount of such Swiss Guarantor's profits and reserves available for distribution, in each case in accordance with, without limitation, articles 671 para.1 to 3 and 675 para.2 of the Swiss Code of Obligations (the "**Available Amount**") at the time any Swiss Guarantor makes a payment under this ARTICLE VII (*provided* such limitation is still a legal requirement under Swiss law at that time).

(b) Immediately after having been requested to make a payment under this ARTICLE VII (the "**Guarantee Payment**"), each Swiss Guarantor shall (i) provide the Administrative Agent, within thirty (30) Business Days from being requested to make the Guarantee Payment, with (1) an interim audited balance sheet prepared by the statutory auditors of the applicable Swiss Guarantor, (2) the determination of the Available Amount based on such interim audited balance sheet as computed by the statutory auditors, and (3) a confirmation from the statutory auditors that the Available Amount is the maximum amount which can be paid by the Swiss Guarantor under this ARTICLE VII without breaching the provisions of Swiss corporate law, which are aimed at protecting the share capital and legal reserves, and (ii) upon receipt of the confirmation referred to in the preceding sentence under (3) and after having taken all actions required pursuant to paragraph (d) below, make such Guarantee Payment in full (less, if required, any Swiss Withholding Tax).

(c) If so required under Swiss law (including double tax treaties to which Switzerland is a party) at the time it is required to make a payment under this ARTICLE VII or the Security Documents, the applicable Swiss Guarantor (1) may deduct the Swiss Withholding Tax at the rate of 35% (or such other rate as may be in force at such time) from any payment under this ARTICLE VII or the Security Documents, (2) may pay the Swiss Withholding Tax to the Swiss Federal Tax Administration, and (3) shall notify and provide evidence to the Administrative Agent that the Swiss Withholding Tax has been paid to the Swiss Federal Tax Administration. To the extent the Guarantee Payment due is less than the Available Amount, the applicable Swiss Guarantor shall be required to make a gross-up, indemnify or otherwise hold harmless the

Secured Parties for the deduction of the Swiss Withholding Tax, it being understood that at no time shall the Guarantee Payment (including any gross-up or indemnification payment pursuant to this paragraph (c) and including any Swiss Withholding Tax levied thereon) exceed the Available Amount. The applicable Swiss Guarantor shall use its best efforts to ensure that any person which is, as a result of a payment under this ARTICLE VII, entitled to a full or partial refund of the Swiss Withholding Tax, shall as soon as possible after the deduction of the Swiss Withholding Tax (i) request a refund of the Swiss Withholding Tax under any applicable law (including double tax treaties) and (ii) pay to the Administrative Agent for distribution to the applicable Secured Parties upon receipt any amount so refunded. The Secured Obligations will only be considered as discharged to the extent of the effective payment received by the Secured Parties under this ARTICLE VII. This subsection (c) is without prejudice to the gross-up or indemnification obligations of any Guarantor other than the Swiss Guarantors.

(d) The Swiss Guarantors shall use reasonable efforts to take and cause to be taken all and any other action, including the passing of any shareholders' resolutions to approve any Guarantee Payment under this ARTICLE VII or the Security Documents, which may be required as a matter of Swiss mandatory law or standard business practice as existing at the time it is required to make a Guarantee Payment under this ARTICLE VII or the Security Documents in order to allow for a prompt payment of the Guarantee Payment or Available Amount, as applicable.

**Section 7.13 Irish Guarantor.** This Guarantee does not apply to any liability to the extent that it would result in this Guarantee constituting unlawful financial assistance within the meaning of, in respect of any Irish Guarantor, Section 60 of the Companies Act 1963 of Ireland.

**Section 7.14 Brazilian Guarantor.** The Brazilian Guarantor waives and shall not exercise any and all rights and privileges granted to guarantors which might otherwise be deemed applicable, including but not limited to the rights and privileges referred to in Articles 827, 834, 835, 836, 837, 838 and 839 of the Brazilian Civil Code and the provisions of Article 595 of the Brazilian Civil Procedure Code.

**Section 7.15 French Guarantor.**

(a) The obligations and liabilities of a French Guarantor under the Loan Documents and in particular under Article VII (*Guarantee*) of this Agreement shall not include any obligation or liability which if incurred would constitute the provision of financial assistance within the meaning of article L. 225-216 of the French *Code de commerce* and/or would constitute a misuse of corporate assets within the meaning of article L. 241-3 or L. 242-6 of the French *Code de commerce* or any other laws or regulations having the same effect, as interpreted by French courts.

(b) The obligations and liabilities of a French Guarantor under Article VII (*Guarantee*) of this Agreement for the obligations under the Loan Documents of any other Guarantor which is not a French Subsidiary of such French Guarantor, shall be limited at any

time to an amount equal to the aggregate of all amounts borrowed under this Agreement by such other Guarantor as Borrower to the extent directly or indirectly on-lent to the French Guarantor under inter-company loan agreements and outstanding at the date a payment is to be made by such French Guarantor under Article VII (*Guarantee*) of this Agreement, it being specified that any payment made by a French Guarantor under Article VII (*Guarantee*) of the Credit Agreement in respect of the obligations of such Guarantor as Borrower shall reduce *pro tanto* the outstanding amount of the inter-company loans due by the French Guarantor under the inter-company loan arrangements referred to above.

(c) The obligations and liabilities of a French Guarantor under Article VII (Guarantee) of this Agreement for the obligations under the Loan Documents of any Guarantor which is its Subsidiary shall not be limited and shall therefore cover all amounts due by such Guarantor as Borrower and/or as Guarantor, as applicable. However, where such Subsidiary is not incorporated in France, the amounts payable by the French Guarantor under this paragraph (c) in respect of obligations of this Subsidiary as Borrower and/or Guarantor, shall be limited as set out in paragraph (b) above.

**Section 7.16 Luxembourg Guarantor.** The obligations and liabilities of a Luxembourg Guarantor under Article VII (Guarantee) of this Agreement and the Secured Obligations secured by the Collateral granted by such Luxembourg Guarantor pursuant to the Loan Documents shall at no time, in the aggregate, exceed an amount equal to the maximum financial capacity of such Luxembourg Guarantor, such maximum financial capacity being limited to ninety-five percent (95%) of the net Luxembourg Guarantor's capitaux propres (as referred to in article 34 of the Luxembourg law of 19th December 2002 on the commercial register and annual accounts, where the capitaux propres mean the shareholders' equity (including the share capital, share premium, legal and statutory reserves, other reserves, profit and losses carried forward, investment subsidies and regulated provisions) of such Luxembourg Guarantor as shown in the latest financial statements (*comptes annuels*) available at the date of the relevant payment hereunder and approved by the shareholders of such Luxembourg Guarantor and certified by the statutory auditor as the case may be or as applicable its external auditor ("*réviseur d'entreprises*"), if required by law; provided that these restrictions shall not apply to the extent of (i) the total payment obligations of such Luxembourg Guarantor's Subsidiaries under the Loan Documents; and (ii) the payment obligations of any Loan Party where that Loan Party is not a subsidiary of the Luxembourg Guarantor, up to an amount equal to the amounts borrowed (directly or indirectly) by way of intra-group loans from such Loan Party by such Luxembourg Guarantor or such Luxembourg Guarantor's Subsidiaries. The obligations and liabilities of a Luxembourg Guarantor under Article VII (Guarantee) of this Agreement shall not include any obligation which, if incurred, would constitute either (a) a misuse of corporate assets as defined under Article 171-1 of the Luxembourg Company Act of August 10, 1915, as amended from time to time, (the "Luxembourg Company Act") or (b) financial assistance.

**ARTICLE VIII**  
**EVENTS OF DEFAULT**

**Section 8.01 Events of Default** Upon the occurrence and during the continuance of the following events (“**Events of Default**”):

(a) default shall be made in the payment of any principal of any Loan when and as the same shall become due and payable, whether at the due date thereof (including a Term Loan Repayment Date) or at a date fixed for prepayment (whether voluntary or mandatory) thereof or by acceleration thereof or otherwise;

(b) default shall be made in the payment of any interest on any Loan or any Fee or any other amount (other than an amount referred to in paragraph (a) above) due under any Loan Document, when and as the same shall become due and payable, and such default shall continue unremedied for a period of three (3) Business Days;

(c) any representation or warranty made or deemed made in or in connection with any Loan Document or the borrowings hereunder, or which is contained in any certificate furnished by or on behalf of a Loan Party pursuant to this Agreement or any other Loan Document, shall prove to have been false or misleading in any material respect when so made or deemed made;

(d) default shall be made in the due observance or performance by any Company of any covenant, condition or agreement contained in (x) Section 5.02(a), Section 5.03(a), Section 5.08, Section 5.16 or ARTICLE VI or (y) Section 5.04(a) or Section 5.04(b) (provided that in the case of defaults under Sections 5.04(a) or (b) which do not impair in any material respect the insurance coverage maintained on the Collateral or the Companies’ assets taken as a whole, then such default will not constitute an Event of Default unless such default has continued unremedied for a period of three (3) Business Days;

(e) (i) default shall be made in the due observance or performance by any Company of any covenant, condition or agreement contained in Section 5.02 (other than Section 5.02(a)), and such default shall continue unremedied or shall not be waived for a period of five (5) Business Days after written notice thereof from the Administrative Agent or any Lender to the Borrower, or (ii) default shall be made in the due observance or performance by any Company of any covenant, condition or agreement contained in any Loan Document (other than those specified in paragraphs (a), (b), (d) or (e)(i) immediately above) and such default shall continue unremedied or shall not be waived for a period of thirty (30) days after written notice thereof from the Administrative Agent or any Lender to the Borrower;

(f) any Company shall (i) fail to pay any principal or interest, regardless of amount, due in respect of any Indebtedness (other than the Obligations), when and as the same shall become due and payable beyond any applicable grace period, or (ii) fail to observe or perform any other term, covenant, condition or agreement contained in any agreement or instrument evidencing or governing any such Indebtedness if the effect of any failure referred to in this clause (ii) is to cause, or to permit the holder or holders of such Indebtedness or a trustee or other representative on its or their behalf to cause, such Indebtedness to become due prior to its stated maturity or become subject to a mandatory offer purchase by the obligor; provided that, other than in the case of the Revolving Credit Agreement, it shall not constitute an Event of Default pursuant to this paragraph (f) unless the aggregate Dollar Equivalent amount of all such Indebtedness referred to in clauses (i) and (ii) exceeds \$100,000,000 at any one time (provided that, in the case of Hedging Obligations, the amount counted for this purpose shall be the net amount payable by all Companies if such Hedging Obligations were terminated at such time);

(g) an involuntary proceeding shall be commenced or an involuntary petition shall be filed in a court of competent jurisdiction seeking (i) relief in respect of any Loan Party or Material Subsidiary, or of a substantial part of the property of any Loan Party or Material Subsidiary, under Title 11 of the U.S. Code, as now constituted or hereafter amended, or any other federal, state, provincial or foreign bankruptcy, insolvency, receivership, reorganization or other Debtor Relief Law, including any proceeding under applicable corporate law; (ii) the appointment of a receiver, trustee, custodian, sequestrator, conservator, examiner or similar official for any Loan Party or Material Subsidiary or for a substantial part of the property of any Loan Party or Material Subsidiary; or (iii) the winding-up, liquidation or examination of any Loan Party or Material Subsidiary; and such proceeding or petition shall continue undismissed for sixty (60) days or an order or decree approving or ordering any of the foregoing shall be entered;

(h) any Loan Party or Material Subsidiary shall (i) voluntarily commence any proceeding or file any petition seeking relief under Title 11 of the United States Code, as now constituted or hereafter amended, or any other federal, state or foreign bankruptcy, insolvency, receivership or other Debtor Relief Law; (ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or the filing of any petition described in clause (g) above; (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator, conservator, examiner or similar official for any Loan Party or Material Subsidiary or for a substantial part of the property of any Loan Party or Material Subsidiary; (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding; (v) make a general assignment for the benefit of creditors; (vi) become unable, admit in writing its insolvency or inability or fail generally to pay its debts as they become due; (vii) take any action for the purpose of effecting any of the foregoing; (viii) wind up or liquidate (except in accordance with Section 6.05) or put into examination, or (ix) take any step with a view to a moratorium or a composition or similar arrangement with any creditors of any Loan Party or Material Subsidiary, or a moratorium is declared or instituted in respect of the indebtedness of any Loan Party or Material Subsidiary;

(i) one or more judgments, orders or decrees for the payment of money in an aggregate Dollar Equivalent amount in excess of \$100,000,000, to the extent not covered by insurance or supported by a letter of credit or appeal bonds posted in cash, shall be rendered against any Company or any combination thereof and the same shall remain undischarged, unvacated or unbonded for a period of thirty (30) consecutive days during which execution shall not be effectively stayed, or any action shall be legally taken by a judgment creditor to levy upon properties of any Company to enforce any such judgment;

(j) one or more ERISA Events or noncompliance with respect to Foreign Plans or Compensation Plans shall have occurred that, when taken together with all other such ERISA Events and noncompliance with respect to Foreign Plans or Compensation Plans that have occurred, could reasonably be expected to result in liability of any Company and its ERISA Affiliates that could reasonably be expected to result in a Material Adverse Effect;

(k) any security interest and Lien purported to be created by any Security Document shall cease to be in full force and effect, or shall cease to give the Collateral Agent, for the benefit of the Secured Parties, a valid, perfected First Priority security interest in and Lien on all of the Collateral thereunder (except as otherwise expressly provided in such Security Document) in favor of the Collateral Agent, or shall be asserted by the Borrower or any other Loan Party not to be a valid, perfected, First Priority (except as otherwise expressly provided in this Agreement, the Intercreditor Agreement or such Security Document) security interest in or Lien on the Collateral covered thereby;

(l) any Loan Document or any material provisions thereof shall at any time and for any reason be declared by a court of competent jurisdiction to be null and void, or a proceeding shall be commenced by any Loan Party or by any Governmental Authority, seeking to establish the invalidity or unenforceability thereof (exclusive of questions of interpretation of any provision thereof), or any Loan Party shall repudiate or deny any portion of its liability or obligation for the Obligations;

(m) there shall have occurred a Change in Control;

(n) the Intercreditor Agreement or any material provision thereof shall cease to be in full force or effect other than (i) as expressly permitted hereunder or thereunder, (ii) by a consensual termination or modification thereof agreed to by the Agent party thereto, the Revolving Credit Agents party thereto and all other creditors of the Borrower and its Restricted Subsidiaries (or any trustee, agent or representative acting on their behalf) that is a party thereto, or (iii) as a result of satisfaction in full of the obligations under the Revolving Credit Loan Documents, the Additional Senior Secured Indebtedness Documents (if any), the Junior Secured Indebtedness (if any) and any other Material Indebtedness subject to the terms of the Intercreditor Agreement; or

(o) any Company shall be prohibited or otherwise restrained from conducting the business theretofore conducted by it in any manner that has or could reasonably be expected to result in a Material Adverse Effect by virtue of any determination, ruling, decision, decree or order of any court or Governmental Authority of competent jurisdiction;

then, and in every such event (other than an event with respect to any Loan Party described in paragraph (g) or (h) above), and at any time thereafter during the continuance of such event the Administrative Agent may, and at the request of the Required Lenders shall, by notice to the Borrower, take either or both of the following actions, at the same or different times: (i) terminate forthwith the Commitments and (ii) declare the Loans then outstanding to be forthwith due and payable in whole or in part, whereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and any unpaid accrued Fees and all other Obligations of the Loan Parties accrued hereunder and under any other Loan Document, shall become forthwith due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by each of the Loan Parties, anything contained herein or in any other Loan Document to the contrary notwithstanding; and in any event, with respect to any Loan Party described in paragraph (g) or (h) above, the Commitments shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon and any unpaid accrued Fees and all other Obligations of the Loan Parties accrued hereunder and under any other Loan Document, shall automatically become due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by each of the Loan Parties, anything contained herein or in any other Loan Document to the contrary notwithstanding.

**Section 8.02 Rescission.** If at any time after termination of the Commitments or acceleration of the maturity of the Loans, the Loan Parties shall pay all arrears of interest and all payments on account of principal of the Loans owing by them that shall have become due otherwise than by acceleration (with interest on principal and, to the extent permitted by law, on overdue interest, at the rates specified herein) and all Defaults (other than non-payment of principal of and accrued interest on the Loans due and payable solely by virtue of acceleration) shall be remedied or waived pursuant Section 11.02, then upon the written consent of the Required Lenders and written notice to the Borrower, the termination of the Commitments or the acceleration and their consequences may be rescinded and annulled; but such action shall not affect any subsequent Default or impair any right or remedy consequent thereon. The provisions of the preceding sentence are intended merely to bind the Lenders to a decision that may be made at the election of the Required Lenders, and such provisions are not intended to benefit any Loan Party and do not give any Loan Party the right to require the Lenders to rescind or annul any acceleration hereunder, even if the conditions set forth herein are met.

**Section 8.03 Application of Proceeds.** Subject to the terms of the Intercreditor Agreement, the proceeds received by any of the Agents in respect of any sale of, collection from or other realization upon all or any part of the Collateral, whether pursuant to the exercise by the Collateral Agent of its remedies or otherwise (including any payments received with respect to adequate protection payments or other distributions relating to the Obligations during the pendency of any reorganization or proceeding under any Debtor Relief Law) after an Event of Default has occurred and is continuing or after the acceleration of the Obligations, shall be

applied, in full or in part, together with any other sums then held by the Agents or any Receiver pursuant to this Agreement, promptly by the Agents or any Receiver as follows:

(a) *First*, to the payment of all reasonable costs and expenses, fees, commissions and taxes of such sale, collection or other realization including compensation to the Agents or any Receiver and their agents and counsel, and all expenses, liabilities and advances made or incurred by the Agents or any Receiver in connection therewith, and all amounts for which the Agents or any Receiver are entitled to indemnification or reimbursement pursuant to the provisions of any Loan Document, together with interest on each such amount at the highest rate then in effect under this Agreement from and after the date such amount is due, owing or unpaid until paid in full;

(b) *Second*, to the payment of all other reasonable costs and expenses of such sale, collection or other realization including any compensation payable to the other Secured Parties and their agents and counsel and all costs, liabilities and advances made or incurred by the other Secured Parties in connection therewith, together with interest on each such amount at the highest rate then in effect under this Agreement from and after the date such amount is due, owing or unpaid until paid in full;

(c) *Third*, without duplication of amounts applied pursuant to clauses (a) and (b) above, to the indefeasible payment in full in cash, *pro rata*, of interest and other amounts constituting Obligations which are then due and owing (other than principal) and any fees, premiums and scheduled periodic payments due under Hedging Agreements constituting Secured Obligations and any interest accrued thereon, in each case equally and ratably in accordance with the respective amounts thereof then due and owing with respect to such Obligations;

(d) *Fourth*, to the indefeasible payment in full in cash, *pro rata*, of the principal amount of the Obligations and any premium thereon and any breakage, termination or other payments under Hedging Agreements constituting Secured Obligations and any interest accrued thereon and any remaining Secured Obligations, in each case equally and ratably in accordance with the respective amounts thereof then due and owing; and

(e) *Fifth*, the balance, if any, to the person lawfully entitled thereto (including the applicable Loan Party or its successors or assigns) or as a court of competent jurisdiction may direct.

In the event that any such proceeds are insufficient to pay in full the items described in clauses (a) through (d) of this Section 8.03, the Loan Parties shall remain liable, jointly and severally, for any deficiency.

Notwithstanding the foregoing, Obligations arising under Hedging Agreements constituting Secured Obligations shall be excluded from the application described above if the

Administrative Agent has not received written notice thereof, together with such supporting documentation as the Administrative Agent may request, from the applicable Secured Hedge Provider. Each Secured Hedge Provider not a party to the Credit Agreement that has given the notice contemplated by the preceding sentence shall, by such notice, be deemed to have acknowledged and accepted the appointment of the Administrative Agent and the Collateral Agent pursuant to the terms of Article X hereof for itself and its Affiliates as if a “Lender” party hereto.

**Section 8.04 Borrower’s Right to Cure.**

(a) Notwithstanding anything to the contrary contained in Section 8.01, in the event the Borrower fails to comply with the Financial Performance Covenant with respect to a period of four consecutive fiscal quarters, then at any time after the end of the last fiscal quarter (the “**Cure Amount**”) of such period of four consecutive fiscal quarters until the expiration of the tenth (10th) day after the date on which financial statements are required to be delivered with respect to such fiscal quarter hereunder, any Specified Holder may make a Specified Equity Contribution to Holdings, and Holdings shall immediately contribute such amount to the Borrower. The Borrower may apply the amount of the Net Cash Proceeds thereof received by the Borrower to increase Consolidated EBITDA with respect to such applicable quarter; provided that such Net Cash Proceeds (i) are actually received by the Borrower (including through capital contribution of such Net Cash Proceeds by Holdings to the Borrower) no later than ten (10) days after the date on which financial statements are required to be delivered with respect to such fiscal quarter hereunder and (ii) do not exceed the aggregate amount necessary for purposes of complying (by addition to Consolidated EBITDA) with the Financial Performance Covenant for such period. The parties hereby acknowledge and agree that notwithstanding anything to the contrary contained elsewhere in this Agreement, this Section 8.04(a) (and any Specified Equity Contribution or the proceeds thereof) may not be relied on for purposes of calculating any financial ratios (other than as applicable to the Financial Performance Covenant for purposes of increasing Consolidated EBITDA as provided herein) or any available basket or thresholds under this Agreement and shall not result in any adjustment to any amounts or calculations other than the amount of the Consolidated EBITDA referred to in the immediately preceding sentence.

(b) The parties hereto agree that (i) in each period of four consecutive fiscal quarters, there shall be at least two (2) fiscal quarters in which no Specified Equity Contribution is made, (ii) during the term of this Agreement, no more than four Specified Equity Contributions will be made, and (iii) the cash contributed or received pursuant to such Specified Equity Contribution (A) shall be disregarded for any purpose other than increasing Consolidated EBITDA solely for the purposes of measuring the Financial Performance Covenant (and, for the avoidance of doubt, such cash shall not constitute “cash and Cash Equivalents” or Unrestricted Cash for purposes of the definition of “Consolidated Total Net Debt” and shall not increase Consolidated EBITDA for the purpose of determining compliance with the Financial Performance Covenant on a Pro Forma Basis in determining whether another transaction will be permitted) and (B) for purposes of calculating the Total Net Leverage Ratio, the Senior Secured Net Leverage Ratio and the Financial Performance Covenant, shall not be deemed to reduce any Indebtedness or other

obligations of the Loan Parties that would otherwise be included in the definition of “Consolidated Total Net Debt” (except, with respect to periods after the fiscal quarter with respect to which such Equity Issuance is made, to the extent such Specified Equity Contribution is applied to repay Indebtedness).

**ARTICLE IX**

**[INTENTIONALLY OMITTED]**

**ARTICLE X**

**THE ADMINISTRATIVE AGENT AND THE COLLATERAL AGENT**

**Section 10.01 Appointment and Authority.** Each of the Lenders hereby irrevocably appoints Bank of America to act on its behalf as the Administrative Agent and the Collateral Agent hereunder and under the other Loan Documents and authorizes each Agent to take such actions on its behalf and to exercise such powers as are delegated to such Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article are solely for the benefit of the Agents and the Lenders and neither the Borrower nor any other Loan Party shall have rights as a third party beneficiary of any of such provisions.

**Section 10.02 Rights as a Lender.** Each person serving an Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include each person serving as an Agent hereunder in its individual capacity. Such person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or other Loan Party, or any Subsidiary or other Affiliate thereof, as if such person were not an Agent hereunder and without any duty to account therefor to the Lenders.

**Section 10.03 Exculpatory Provisions.**

(a) No Agent shall have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, no Agent:

- (i) shall be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(ii) shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); provided that such Agent shall not be required to take any action that, in its judgment or the judgment of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable Requirements of Law; and

(iii) shall, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or other Loan Party or any of its Affiliates that is communicated to or obtained by the person serving as such Agent or any of its Affiliates in any capacity.

(b) No Agent shall be liable for any action taken or not taken by it (x) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as such Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 8.01 and 11.02) or (y) in the absence of its own gross negligence or willful misconduct. No Agent shall be deemed to have knowledge of any Default unless and until notice describing such Default is given to such Agent by the Borrower or a Lender.

(c) No Agent shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document or (v) the satisfaction of any condition set forth in ARTICLE IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to such Agent. Without limiting the generality of the foregoing, the use of the term “agent” in this Agreement with reference to the Administrative Agent or the Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom and is intended to create or reflect only an administrative relationship between independent contracting parties.

**Section 10.04 Reliance by the Administrative Agent.** Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper person. Each Agent also may rely upon

any statement made to it orally or by telephone and believed by it to have been made by the proper person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. Each Agent may consult with legal counsel (who may be counsel for the Borrower or other Loan Party), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

**Section 10.05 Delegation of Duties.** Each Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through, or delegate any and all such rights and powers to, any one or more sub-agents appointed by such Agent, including a sub-agent which is a non-U.S. affiliate of such Agent. Each Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of each Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Agent.

**Section 10.06 Resignation of Agent.** Each Agent may at any time give notice of its resignation to the Lenders and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, in consultation with the Borrower, to appoint a successor, which (i) shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States and (ii) for the Administrative Agent, shall be a commercial bank or other financial institution having assets in excess of \$1,000,000,000. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Agent gives notice of its resignation, then the retiring Agent may on behalf of the Lenders, appoint a successor Agent meeting the qualifications set forth above, provided that if the Agent shall notify the Borrower and the Lenders that no qualifying person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (1) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Collateral Agent on behalf of the Lenders under any of the Loan Documents, the retiring Collateral Agent shall continue to hold such collateral security as nominee until such time as a successor Collateral Agent is appointed) and (2) all payments, communications and determinations provided to be made by, to or through an Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders appoint a successor Agent as provided for above in this paragraph. Upon the acceptance of a successor's appointment as Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Agent, and the retiring Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this paragraph). The fees payable by the Borrower to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Agent's resignation hereunder and under the other Loan Documents, the provisions of this ARTICLE X and Section 11.03 shall continue in effect for the benefit of such retiring Agent,

its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Agent was acting as Agent.

**Section 10.07 Non-Reliance on Agent and Other Lenders.** Each Lender acknowledges that it has, independently and without reliance upon any Agent or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon any Agent or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

**Section 10.08 No Other Duties, etc.** Notwithstanding anything to the contrary contained herein, none of the Bookrunners, Arrangers, Syndication Agent, or Co-Documentation Agents listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent, Collateral Agent or as a Lender hereunder.

**Section 10.09 Administrative Agent May File Proofs of Claim.** In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Agents (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the any Agent shall have made any demand on the Borrower or any Guarantor) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Secured Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Agents and the other Secured Parties (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Agents and their respective agents and counsel and all other amounts due the Secured Parties and the Agents hereunder) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Secured Party to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Secured Parties, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due the Agents hereunder. Nothing contained herein shall be deemed to authorize any Agent to authorize or consent to or accept or adopt on behalf of any Secured Party any plan of reorganization, arrangement, adjustment or composition affecting the Secured Obligations or the rights of any Secured Party

to authorize any Agent to vote in respect of the claim of any Secured Party in any such proceeding.

**Section 10.10 Concerning the Collateral and the Related Loan Documents.** Each Lender authorizes and directs the Agents to enter into this Agreement and the other Loan Documents, including the Intercreditor Agreement and to perform their obligations thereunder. Each Lender agrees that any action taken by the Agents or Required Lenders in accordance with the terms of this Agreement or the other Loan Documents, including the Intercreditor Agreement, and the exercise by the Agents or Required Lenders of their respective powers set forth therein or herein, together with such other powers that are reasonably incidental thereto, shall be binding upon all of the Lenders.

**Section 10.11 Release.** Each Lender and each Issuer hereby releases each Agent acting on its behalf pursuant to the terms of this Agreement or any other Loan Document from the restrictions of Section 181 of the German Civil Code (*Bürgerliches Gesetzbuch*) (restriction on self-dealing).

**Section 10.12 Acknowledgment of Security Trust Deed.** Each Secured Party acknowledges the terms of the Security Trust Deed and, in particular, the terms, basis and limitation on which the Collateral Agent holds the “Transaction Security” (as defined therein) and specifically agrees and accepts (i) such terms, basis and limitation; (ii) that the Collateral Agent shall, as trustee, have only those duties, obligations and responsibilities expressly specified in the Security Trust Deed; (iii) the limitation and exclusion of the Collateral Agent’s liability as set out therein; and (iv) all other provisions of the Security Trust Deed as if it were a party thereto.

**Section 10.13 Secured Hedging Agreements.** Except as otherwise expressly set forth herein or in any Guarantee or any Security Document, no Secured Hedge Provider that obtains the benefits of [Section 8.03](#), any Guarantee or any Collateral by virtue of the provisions hereof or of any Guarantee or any Security Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this [Article X](#) to the contrary, no Agent shall be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Hedging Obligations owing to Secured Hedge Providers unless such Agent has received written notice of such Obligations, together with such supporting documentation as such Agent may request, from the applicable Secured Hedge Provider.

Notices and other communication sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices delivered through electronic communications to the extent provided in paragraph (b) below, shall be effective as provided in said paragraph (b).

(b) Electronic Communications. Notices and other communications to the Lenders hereunder may (subject to Section 11.01(d)) be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender pursuant to ARTICLE II if such Lender, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent, the Collateral Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it (including as set forth in Section 11.01(d)); provided that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement); provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at

its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(c) Change of Address, Etc. Any party hereto (other than a Lender) may change its address or telecopier number for notices and other communications hereunder by notice to the other parties hereto. Each Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the Borrower and the Administrative Agent. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender.

(d) Posting. Each Loan Party hereby agrees that it will provide to the Administrative Agent all information, documents and other materials that it is obligated to furnish to the Administrative Agent pursuant to this Agreement and any other Loan Document, including all notices, requests, financial statements, financial and other reports, certificates and other information materials, but excluding any such communication that (i) relates to a request for a new, or a conversion of an existing, Borrowing or other extension of credit (including any election of an interest rate or interest period relating thereto), (ii) relates to the payment of any principal or other amount due under this Agreement prior to the scheduled date therefor, (iii) provides notice of any Default under this Agreement or (iv) is required to be delivered to satisfy any condition precedent to the effectiveness of this Agreement and/or any borrowing or other extension of credit hereunder (all such non-excluded communications, collectively, the “**Communications**”), by transmitting the Communications in an electronic/soft medium in a format reasonably acceptable to the Administrative Agent at \_\_\_\_\_@\_\_\_\_\_ .com or at such other e-mail address(es) provided to the Borrower from time to time or in such other form, including hard copy delivery thereof, as the Administrative Agent shall reasonably require. Nothing in this Section 11.01(d) shall prejudice the right of the Agents, any Lender or any Loan Party to give any notice or other communication pursuant to this Agreement or any other Loan Document in any other manner specified in this Agreement or any other Loan Document.

To the extent consented to by the Administrative Agent from time to time, Administrative Agent agrees that receipt of the Communications by the Administrative Agent at its e-mail address(es) set forth above shall constitute effective delivery of the Communications to the Administrative Agent for purposes of the Loan Documents; provided that the Borrower shall also deliver to the Administrative Agent an executed original of each Compliance Certificate and an executed copy (which may be by pdf or similar electronic transmission) of each notice or request of the type described in clauses (i) through (iv) of paragraph (d) above required to be delivered hereunder.

Each Loan Party further agrees that Administrative Agent may make the Communications available to the Lenders by posting the Communications on Intralinks or a substantially similar electronic transmission system (the “**Platform**”). THE PLATFORM IS

PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS (AS DEFINED BELOW) OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "Agent Parties") have any liability to the Borrower, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's, any Loan Party's or the Administrative Agent's transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Agent Party; provided, however, that in no event shall any Agent Party have any liability to the Borrower, any Lender or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

Each Loan Party further agrees and acknowledges that certain of the Lenders (each, a "**Public Lender**") may have personnel who do not wish to receive material non-public information with respect to the Borrower or its Affiliates, or the respective securities of any of the foregoing, and who may be engaged in investment and other market-related activities with respect to such persons' securities. The Borrower and each other Loan Party hereby agree that it will use commercially reasonable efforts to identify that portion of the materials and/or information provided by or on behalf of the Borrower hereunder (the "**Borrower Materials**") that may be distributed to the Public Lenders and that (w) all such Borrower Materials shall be clearly and conspicuously marked "PUBLIC" which, at a minimum, shall mean that the word "PUBLIC" shall appear prominently on the first page thereof; (x) by marking Borrower Materials hereunder "PUBLIC," the Loan Parties shall be deemed to have authorized the Arrangers, the Bookrunners, the Agents and the Lenders to treat such materials as not containing any material non-public information (although it may be sensitive and proprietary) with respect to the Borrower, the other Loan Parties or their respective securities for purposes of United States Federal and state securities laws (provided, however, that to the extent such materials constitute Information, they shall be treated as set forth in Section 11.12); (y) all Borrower Materials marked "PUBLIC" are permitted to be made available through a portion of the Platform designated "Public Side Information;" and (z) the Agents, the Bookrunners and the Arrangers shall be entitled to treat any Borrower Materials that are not marked "PUBLIC" as being suitable only for posting on a portion of the Platform not designated "Public Side Information". Each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable law, including United States Federal and state securities Laws, to make reference to Borrower Materials that are not made available through the "Public Side Information" portion of the

Platform and that may contain material non-public information with respect to the Borrower, the other Loan Parties or their respective securities for purposes of United States Federal or state securities laws.

(e) Reliance by the Administrative Agent, the Collateral Agent and Lenders. The Administrative Agent, the Collateral Agent and the Lenders shall be entitled to rely and act upon any notices purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify the Administrative Agent, the Collateral Agent, each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such person on each notice purportedly given by or on behalf of the Borrower. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

**Section 11.02 Waivers; Cumulative Remedies; Amendment**

(a) Waivers; Cumulative Remedies. No failure or delay by the Administrative Agent, the Collateral Agent or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of each Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by this Section 11.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default, regardless of whether any Agent or any Lender may have had notice or knowledge of such Default at the time. No notice or demand on any Loan Party in any case shall entitle any Loan Party to any other or further notice or demand in similar or other circumstances.

(b) Required Consents. Subject to the terms of the Intercreditor Agreement and to Section 11.02(c) and (d), neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended, supplemented or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrower and the Required Lenders (or by the Administrative Agent with the written consent of the Required Lenders) or, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent (or, in the case of any applicable Security Document, the Collateral Agent) and the Loan Party or Loan Parties that are party thereto, in each case with the written consent of the Required Lenders; provided that no such agreement shall be effective if the effect thereof would:

(i) increase the Commitment of any Lender without the written consent of such Lender (it being understood that no amendment, modification, termination, waiver or consent with respect to any condition precedent, covenant or Default shall constitute an increase in the Commitment of any Lender);

(ii) reduce the principal amount of any Loan or reduce the rate of interest thereon (other than interest pursuant to Section 2.06(c)), or reduce any Fees payable hereunder, or change the form or currency of payment of any Obligation, without the written consent of each Lender directly affected thereby (it being understood that any amendment or modification relating to the calculation of the Total Net Leverage Ratio will not constitute a reduction in the rate of interest);

(iii) (A) change the scheduled final maturity of any Loan, or any scheduled date of payment of or the installment otherwise due on the principal amount of any Loan under Section 2.09, (B) postpone the date for payment of any interest or fees payable hereunder, (C) change the amount of, waive or excuse any such payment (other than waiver of any increase in the interest rate pursuant to Section 2.06(c) (it being understood that any amendment or modification relating to the calculation of the Total Net Leverage Ratio will not constitute a change the amount of interest)), or (D) postpone the scheduled date of expiration of any Commitment without the written consent of each Lender directly affected thereby;

(iv) increase the maximum duration of Interest Periods hereunder, without the written consent of each Lender directly affected thereby;

(v) permit the assignment or delegation by the Borrower of any of its rights or obligations under any Loan Document, without the written consent of each Lender (provided that the Permitted Holdings Amalgamation shall not constitute an assignment or delegation by the Borrower of its rights or obligations under the Loan Documents);

(vi) except pursuant to the Intercreditor Agreement, release Holdings or all or substantially all of the Subsidiary Guarantors from their Guarantees (except as expressly provided in this Agreement or as otherwise expressly provided by any such Guarantee), or limit their liability in respect of such Guarantees, without the written consent of each Lender;

(vii) except pursuant to the Intercreditor Agreement or the express terms hereof, release all or a substantial portion of the Collateral from the Liens of the Security Documents or alter the relative priorities of a material portion of the Secured Obligations entitled to the Liens of the Security Documents, in each case without the written consent of each Lender (it being understood that additional Indebtedness consented to by the Required Lenders and additional Loans pursuant to Section 2.23 or Section 2.24 and Additional Senior Secured Indebtedness or Permitted First Priority Refinancing Debt may be equally and ratably secured by the Collateral with the then existing Secured Obligations under the Security Documents);

(viii) change Section 2.14(b), (c) or (d) in a manner that would alter the *pro rata* sharing of payments or setoffs required thereby or any other provision in a manner that would alter the *pro rata* allocation among the Lenders of Loan disbursements, including the requirements of Section 2.02(a), without the written consent of each Lender directly affected thereby (it being understood that additional Indebtedness consented to by the Required Lenders and additional Loans pursuant to Section 2.23 and Section 2.24 may be equally and ratably secured by the Collateral with the then existing Secured Obligations under the Security Documents and may share payments and setoffs ratably with other Loans);

(ix) change any provision of this Section 11.02(b), (c), or (d), without the written consent of each Lender directly affected thereby (except for additional restrictions on amendments or waivers for the benefit of Lenders of additional Indebtedness consented to by the Required Lenders and additional Loans pursuant to Section 2.23 and Section 2.24);

(x) change the percentage set forth in the definition of “Required Lenders” or any other provision of any Loan Document (including this Section) specifying the number or percentage of Lenders required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender, other than to increase such percentage or number or to give any additional Lender or group of Lenders such right to waive, amend or modify or make any such determination or grant any such consent;

(xi) amend, modify or waive any provision of: (A) Section 2.1 of the Intercreditor Agreement to the extent such amendment, modification or waiver would adversely affect the priority of the Liens on the Collateral held by the Collateral Agent for the benefit of the Secured Parties or (B) Section 6.3 of the Intercreditor Agreement in a manner that

adversely affects the priority of payments of Collateral proceeds, in each case without the written consent of each affected Lender; provided that this clause (xi) shall not apply to amending, modifying or waiving any provision of Section 2.1 or 6.3 of the Intercreditor Agreement in order to (1) give effect to any additional Indebtedness, including the designation of any such Indebtedness as Pari Passu Debt (as defined in the Intercreditor Agreement), Subordinated Lien Debt (as defined in the Intercreditor Agreement) or Indebtedness under any Revolving Credit Loan Document and the granting of security interests to the holders of such Pari Passu Debt, Subordinated Lien Debt or Indebtedness under any Revolving Credit Loan Document in the Collateral to secure the obligations under such Pari Passu Debt, Subordinated Lien Debt or Indebtedness under any Revolving Credit Loan Document that is permitted pursuant to Section 6.01 hereof (or would be permitted pursuant to an amendment, modification or waiver of this Agreement that is otherwise permitted by this Section 11.02) or (2) to enable any other Indebtedness to constitute Pari Passu Debt, Subordinated Lien Debt or Indebtedness under any Revolving Credit Loan Document to the extent not prohibited by this Agreement; and

(xii) change or waive any provision of ARTICLE X as the same applies to any Agent, or any other provision hereof as the same applies to the rights or obligations of any Agent, in each case without the written consent of such Agent;

provided, further, that

(1) any waiver, amendment or modification of the Intercreditor Agreement (and any related definitions) may be effected by an agreement or agreements in writing entered into among the Collateral Agent, the Administrative Agent, the Revolving Credit Collateral Agent and the Revolving Credit Administrative Agent (in each case, with the consent of the Required Lenders but without the consent of any Loan Party, so long as such amendment, waiver or modification does not impose any additional duties or obligations on the Loan Parties or alter or impair any right of any Loan Party under the Loan Documents); and

(2) upon the effectiveness of any Refinancing Amendment or any Incremental Term Loan Commitment or any Incremental Term Loan, the Administrative Agent, the Borrower and the Lenders providing the relevant Credit Agreement Refinancing Indebtedness or Incremental Term Loan Commitment may amend this Agreement to the extent (but only to the extent) necessary to reflect the existence and terms of the Credit Agreement Refinancing Indebtedness or Incremental Term Loans incurred pursuant thereto (including any amendments necessary to treat the Loans and Commitments subject thereto as Other Term Loans and/or Other Term Loan Commitments and any

Incremental Term Loan Commitments or Incremental Term Loans, as applicable). The Administrative Agent and the Borrower may effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the terms of any Refinancing Amendment;

provided, further, that, notwithstanding anything to the contrary contained herein, each Agent is hereby authorized by each Lender to enter into any amendment to or modification of the Intercreditor Agreement or the Security Documents in connection with the issuance or incurrence of Pari Passu Secured Obligations or Subordinated Lien Secured Obligations (each as defined under the Intercreditor Agreement) or any Permitted Revolving Credit Facility Refinancings, solely to the extent necessary to effect such amendments as may be necessary or appropriate, in the reasonable opinion of such Agent, in connection with any such issuance or incurrence expressly permitted hereunder, so long as such amendment or modification does not adversely affect the rights of any Lender (it being understood that allowing Pari Passu Secured Obligations, Subordinated Lien Secured Obligations and Permitted Revolving Credit Facility Refinancings to be secured by Collateral on the terms set forth in the Intercreditor Agreement will not be deemed to adversely affect the rights of any Lender);

and provided, further, that any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders, except that (x) the Commitment of any Defaulting Lender may not be increased or extended, the principal owed to such Lender reduced or this proviso amended, without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender more adversely than other affected Lenders shall require the consent of such Defaulting Lender.

(c) Collateral. Without the consent of any other person, the Administrative Agent and/or Collateral Agent may (in its or their respective sole discretion or shall, to the extent required by any Loan Document) enter into any amendment or waiver of any Security Document (subject to the consent of the Loan Parties party thereto except as otherwise provided in such Security Document) or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, or as required by local law to give effect to, or protect any security interest for the benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable Requirements of Law.

(d) Dissenting Lenders. If, in connection with any proposed change, waiver, consent, discharge or termination of the provisions of this Agreement as contemplated by Section 11.02(b), the consent of the Required Lenders is obtained but the consent of one or more of such other Lenders whose consent is required is not obtained, then the Borrower shall have the right,

upon notice by the Borrower to such Lender and the Administrative Agent, to replace all, but not less than all, of such non-consenting Lender or Lenders (so long as all non-consenting Lenders are so replaced) with one or more persons pursuant to Section 2.16 so long as at the time of such replacement each such new Lender consents to the proposed change, waiver, consent, discharge or termination. Each Lender agrees that, if the Borrower elects to replace such Lender in accordance with this Section, it shall promptly execute and deliver to the Administrative Agent an Assignment and Assumption to evidence such sale and purchase and shall deliver to the Administrative Agent any Note (if Notes have been issued in respect of such Lender's Loans) subject to such Assignment and Assumption; provided that the failure of any such non-consenting Lender to execute an Assignment and Assumption shall not render such sale and purchase (and the corresponding assignment) invalid and such assignment shall be recorded in the Register.

(e) Holdings Amalgamation and Increased Commitments. Notwithstanding the foregoing, the Administrative Agent and the Borrower (without the consent of any Lenders) may amend or amend and restate this Agreement and the other Loan Documents if necessary or advisable in connection with or to effectuate (i) the Permitted Holdings Amalgamation and (ii) any additional Loans contemplated by Section 2.23 and Section 2.24.

(f) Loan Modification Offers.

(i) The Borrower may, by written notice to the Administrative Agent from time to time, make one or more offers (each, a "**Loan Modification Offer**") to all the Lenders of one or more Classes of Loans (each Class subject to such a Loan Modification Offer, an "**Affected Class**") to make one or more Permitted Amendments (as defined below) pursuant to procedures reasonably specified by the Administrative Agent and reasonably acceptable to the Borrower. Such notice shall set forth (i) the terms and conditions of the requested Permitted Amendment and (ii) the date on which such Permitted Amendment is requested to become effective (which shall not be less than 10 Business Days nor more than 30 Business Days after the date of such notice) (or such shorter periods as are acceptable to the Administrative Agent). Permitted Amendments shall become effective only with respect to the Loans of the Lenders of the Affected Class that accept the applicable Loan Modification Offer (such Lenders, the "**Accepting Lenders**") and, in the case of any Accepting Lender, only with respect to such Lender's Loans of such Affected Class as to which such Lender's acceptance has been made.

(ii) The Borrower and each Accepting Lender shall execute and deliver to the Administrative Agent an agreement in form and substance satisfactory to the Administrative Agent giving effect to the Permitted Amendment (a "**Loan Modification Agreement**") and such

other documentation as the Administrative Agent shall reasonably specify to evidence the acceptance of the Permitted Amendments and the terms and conditions thereof. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Loan Modification Agreement. Each of the parties hereto hereby agrees that, upon the effectiveness of any Loan Modification Agreement, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Permitted Amendment evidenced thereby and only with respect to the Loans and Commitments of the Accepting Lenders of the Affected Class. Notwithstanding the foregoing, no Permitted Amendment shall become effective under this Section 11.02 unless the Administrative Agent, to the extent so reasonably requested by the Administrative Agent, shall have received corporate documents, officers' certificates or legal opinions consistent with those delivered on the Closing Date under Section 4.01.

(iii) "**Permitted Amendments**" shall be (A) an extension of the final maturity date of the applicable Loans of the Accepting Lenders (provided that such extensions may not result in having more than two additional final maturity dates in any year, or more than three additional final maturity dates at any time, under this Agreement without the consent of the Administrative Agent), (B) a reduction, elimination or extension, of the scheduled amortization of the applicable Loans of the Accepting Lenders, (C) a change in rate of interest (including a change to the Applicable Margin and any provision establishing a minimum rate), premium, or other amount with respect to the applicable Loans of the Accepting Lenders and/or a change in the payment of fees to the Accepting Lenders (such change and/or payments to be in the form of cash, Equity Interests or other property to the extent not prohibited by this Agreement), and (D) any other amendment to a Loan Document required to give effect to the Permitted Amendments described in clauses (A) to (C) of this Section 11.02(g).

**Section 11.03 Expenses; Indemnity; Damage Waiver.**

(a) Costs and Expenses. The Borrower shall pay or cause the applicable Loan Party to pay (i) all reasonable out-of-pocket expenses incurred by the Administrative Agent, the Collateral Agent, the Arrangers, the Bookrunners, the Syndication Agent, the Co-Documentation Agents and their respective Affiliates (including the reasonable fees, charges and disbursements of one primary transaction counsel (plus local counsel in each applicable jurisdiction) for the Administrative Agent and/or the Collateral Agent, all fees and time charges for attorneys who may be employees of the Administrative Agent and/or Collateral Agent, expenses incurred in connection with due diligence, inventory appraisal and collateral audit and reporting fees, travel, courier, reproduction, printing and delivery expenses, and the obtaining and maintaining of CUSIP numbers for the Loans) in connection with the syndication of the credit facilities provided for herein, the preparation, negotiation, execution, delivery and administration of this

Agreement and the other Loan Documents, or in connection with any amendment, amendment and restatement, modification or waiver of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), including in connection with post-closing searches to confirm that security filings and recordations have been properly made, (ii) all out-of-pocket expenses incurred by the Administrative Agent, the Collateral Agent, any Lender or any Receiver (including the fees, charges and disbursements of one primary counsel (plus local or special counsel in each applicable jurisdiction) for the Administrative Agent and/or the Collateral Agent (and all fees and time charges for attorneys who may be employees of the Administrative Agent and/or the Collateral Agent) and one primary counsel (plus local or special counsel in each applicable jurisdiction) for the Lenders, and one primary counsel (plus local or special counsel in each applicable jurisdiction) for any Receiver), in connection with the enforcement or protection of its rights (A) in connection with this Agreement and the other Loan Documents, including its rights under this Section 11.03, (B) in enforcing, preserving and protecting, or attempting to enforce, preserve or protect its interests in the Collateral or (C) in connection with the Loans issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans and (iv) all documentary and similar taxes and charges in respect of the Loan Documents.

(b) Indemnification by Borrower. Each Loan Party shall indemnify each Agent (and any sub-agent thereof), each Lender and Receiver, and each Related Party of any of the foregoing persons (each such person being called an “**Indemnitee**”) against, and hold each Indemnitee harmless from, any and all reasonable out-of-pocket losses, claims, damages, liabilities and related expenses (including the reasonable fees, charges and disbursements of any counsel for any Indemnitee) incurred by any Indemnitee or asserted against any Indemnitee by any third party or by the Borrower or any other Loan Party arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document, or any amendment, amendment and restatement, modification or waiver of the provisions hereof or thereof, or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, (ii) any Loan or the use or proposed use of the proceeds therefrom, (iii) any actual or alleged presence or Release or threatened Release of Hazardous Materials on, at, under or from any property owned, leased or operated by any Company at any time, or any Environmental Claim related in any way to any Company, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrower or any other Loan Party, and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee or (y) result from a claim brought by the Borrower or any other Loan Party against an Indemnitee for breach in bad faith of such Indemnitee’s obligations hereunder or under any other Loan Document, if the Borrower or such Loan Party has obtained a final and nonappealable judgment in its favor on such claim as determined by a court of competent jurisdiction. WITHOUT LIMITATION OF THE FOREGOING, IT IS THE INTENTION OF THE LOAN PARTIES, AND THE LOAN PARTIES AGREE, THAT THE FOREGOING INDEMNITIES SHALL APPLY TO EACH

INDEMNITEE WITH RESPECT TO LOSSES, CLAIMS, DAMAGES, PENALTIES, LIABILITIES AND RELATED EXPENSES (INCLUDING, WITHOUT LIMITATION, ALL EXPENSES OF LITIGATION OR PREPARATION THEREFOR), WHICH IN WHOLE OR IN PART ARE CAUSED BY OR ARISE OUT OF THE COMPARATIVE, CONTRIBUTORY OR SOLE NEGLIGENCE OF SUCH (AND/OR ANY OTHER) INDEMNITEE.

(c) Reimbursement by Lenders. To the extent that any Loan Party for any reason fails to indefeasibly pay any amount required under paragraph (a) or (b) of this Section 11.03 to be paid by it to the Administrative Agent (or any sub-agent thereof), the Collateral Agent (or any sub-agent thereof) or any Receiver or any Related Party thereof, each Lender severally agrees to pay to the Administrative Agent (or any such sub-agent), the Collateral Agent (or any such sub-agent) such Receiver or such Related Party, as the case may be, such Lender's *pro rata* share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent), the Collateral Agent (or any such sub-agent) or the Receiver, in each case, in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent), the Collateral Agent (or any such sub-agent) or the Receiver in connection with such capacity. The obligations of the Lenders under this paragraph (c) are subject to the provisions of Section 2.14(g). For purposes hereof, a Lender's "*pro rata share*" shall be determined based upon its share of the sum of the total outstanding Term Loans and unused Commitments of all Lenders at the time (or if the Term Loans have been repaid in full and the Commitments have been terminated, based upon its share of the Term Loans immediately prior to such repayment).

(d) Waiver of Consequential Damages, Etc. To the fullest extent permitted by applicable Requirements of Law, no Loan Party shall assert, and each Loan Party hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof. No Indemnitee referred to in paragraph (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(e) Payments. All amounts due under this Section shall be payable not later than three (3) Business Days after demand therefore accompanied by reasonable particulars of amounts due.

(f) Survival. The agreements in this Section shall survive the resignation of either or both of the Administrative Agent or the Collateral Agent, the replacement of any Lender, the

termination of the Commitments and the repayment, satisfaction or discharge of all the Obligations

**Section 11.04 Successors and Assigns.**

(a) Successors and Assigns Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither the Borrower nor any other Loan Party may (except as a result of a transaction expressly permitted by Section 6.05(c) or 6.05(e)) assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent, the Collateral Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Eligible Assignee in accordance with the provisions of paragraph (b) of this Section 11.04, (ii) by way of participation in accordance with the provisions of paragraph (d) of this Section 11.04 or (iii) by way of pledge or assignment of a security interest subject to the restrictions of paragraph (f) of this Section (and any other attempted assignment or transfer by the Borrower or any Lender shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in paragraph (d) of this Section and, to the extent expressly contemplated hereby, the other Indemnitees) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it); provided that

(i) except in the case of any assignment made in connection with the primary syndication of the Commitment and Loans by the Arrangers or their Affiliates up to 45 days after the Closing Date or an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans at the time owing to it or in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund with respect to a Lender, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the applicable Commitment is not then in effect, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date) shall be an integral multiple of \$1,000,000, unless each of the Administrative Agent and, so long as no Event of Default under Section 8.01 (a), (b), (g) or (h) has occurred and is continuing, the Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed) and, with respect to the Borrower, such consent shall be deemed given if no objection is made by

the Borrower within five Business Days after notice of the proposed assignment; provided, however, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met;

(ii) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loan or the Commitment assigned;

(iii) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with (except in the case of any such assignments by the Arrangers or the Bookrunners or their respective Affiliates) a processing and recordation fee of \$3,500 (provided that only one such fee shall be imposed in the case of simultaneous assignments by related Approved Funds or Affiliates of the assigning Lender), and the Eligible Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire; and

(iv) *Auction Purchases*. Each Lender acknowledges that the Borrower is an Eligible Assignee hereunder and may purchase or acquire Term Loans hereunder from Lenders from time to time pursuant to a Dutch Auction in accordance with the terms of this Agreement (including, without limitation, Section 11.04 hereof), subject to the restrictions set forth in the definitions of "Eligible Assignee" and "Dutch Auction" and the following limitations:

(A) in connection with each Purchase Notice and each Auction Purchase, the Borrower represents and warrants, as of the date of each Purchase Notice and the effective date of any Auction Purchase, to the Administrative Agent and each Lender that the Borrower is not in possession of any information with respect to the Loan Parties, their Subsidiaries and Affiliates of the foregoing and their respective securities or any of the Obligations that (x) has not been disclosed by or on behalf of the Loan Parties either (1) publicly, (2) to Lenders generally or (3) otherwise been posted to that portion of the Intralinks site for the Loans that has been designated for "private-side" Lenders and (y) would reasonably be expected to have a material effect on the market price of the Loans or otherwise be material with respect to the Loan Parties for purposes of United States federal and state securities laws;

(B) the Borrower agrees that, notwithstanding anything herein or in any of the other Loan Documents to the contrary, with respect to any Auction Purchase, (1) under no circumstances, whether or not any Loan Party is subject to a bankruptcy or other insolvency proceeding, shall the Borrower be permitted to exercise any voting rights or other privileges with respect to any Term Loans and any Term Loans that are assigned to the Borrower shall have no voting rights or other privileges under this Agreement and the other Loan Documents and shall not be taken into account in determining any required vote or consent and (2) the Borrower shall not receive information provided solely to Lenders by the Administrative Agent or any Lender and shall not be permitted to attend or participate in meetings attended solely by Lenders and the Administrative Agent and their advisors; rather, all Loans held by the Borrower shall be automatically cancelled immediately upon the purchase or acquisition thereof in accordance with the terms of this Agreement (including, without limitation, Section 11.04 hereof);

(C) at the time the Borrower is making purchases of Loans pursuant to a Dutch Auction it shall enter into an agreement with the Administrative Agent for the benefit of the Administrative Agent and Lenders, setting forth the agreements, representations and warranties set forth in this paragraph (iii) that are applicable to it, in a manner reasonably satisfactory to the Administrative Agent;

(D) immediately upon the effectiveness of each Auction Purchase, a Cancellation (it being understood that such cancellation shall not constitute a voluntary repayment of Loans for purposes of this Agreement) shall be automatically irrevocably effected with respect to all of the Loans and related Obligations subject to such Auction Purchase for no consideration, with the effect that such Loans and related Obligations shall for all purposes of this Agreement and the other Loan Documents no longer be outstanding, and the Borrower and the Guarantors shall no longer have any Obligations relating thereto, it being understood that such forgiveness and cancellation shall result in the Borrower and the Guarantors being irrevocably and unconditionally released from all claims and liabilities relating to such Obligations which have been so cancelled and forgiven, and the Collateral shall cease to secure any such Obligations which have been so cancelled and forgiven; and

(E) at the time of such Purchase Notice and Auction Purchase, (x) no Default or Event of Default shall have occurred and be continuing or would result therefrom, and (y) no proceeds of Revolving Credit Loans are used to consummate the Auction Purchase.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to paragraph (c) of this Section 11.04, from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights

and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of [Section 2.12](#), [Section 2.13](#), [Section 2.15](#), [Section 2.16](#), [Section 7.10](#) and [Section 11.03](#) with respect to facts and circumstances occurring prior to the effective date of such assignment. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this paragraph shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (d) of this [Section 11.04](#). In the event of a transfer by novation of all or part of its rights and obligations under this Agreement by a Lender, such Lender expressly reserves the rights, powers, privileges and actions that it enjoys under any Security Documents governed by French law in favor of its Eligible Assignee, in accordance with the provisions of article 1278 *et seq.* of the French *Code civil*.

(c) **Register.** The Administrative Agent, acting solely for this purpose as an agent of the Borrower (and such agency being solely for tax purposes), shall, at all times at the Administrative Agent's Office, while any Loans are outstanding, maintain a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive, and the Borrower, the Administrative Agent and the Lenders shall treat each person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. In addition, the Administrative Agent shall maintain in the Register information regarding the designation, and revocation of designation, of any Lender as a Defaulting Lender. The Register shall be available for inspection by the Collateral Agent, the Borrower and any Lender (with respect to its own interest only), at any reasonable time and from time to time upon reasonable prior notice. The requirements of this [Section 11.04\(c\)](#) are intended to result in any and all Loans being in "registered form" for purposes of Section 871, Section 881 and any other applicable provision of the Code, and shall be interpreted and applied in a manner consistent therewith.

(d) **Participations.** Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent sell participations to any person (other than a natural person, a Defaulting Lender or the Borrower, any of the Borrower's or any other Company's Affiliates or Subsidiaries) (each, a "**Participant**") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); **provided** that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) each Loan Party, the Administrative Agent and the Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement.

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce the Loan Documents and to approve any amendment, modification or waiver of any provision of the Loan Documents; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in clause (i), (ii) or (iii) of the first proviso to Section 11.02(b) that affects such Participant. Subject to paragraph (e) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Section 2.12, Section 2.13, Section 2.15, Section 2.16 and Section 7.10 (subject to the requirements of those Sections) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 11.08 as though it were a Lender, provided such Participant agrees to be subject to such Section 2.14 as though it were a Lender.

(e) Limitations on Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 2.12, Section 2.13, Section 2.15, Section 2.16 and Section 7.10 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent.

(f) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

**Section 11.05 Survival of Agreement**. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Agents or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any Commitments have not expired or terminated. The provisions of Section 2.12, Section 2.14, Section 2.15, Section 2.16 and ARTICLE X and Section 11.03 shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Commitments or the termination of this Agreement or any provision hereof.

**Section 11.06 Counterparts; Integration; Effectiveness**. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents and any separate letter agreements with respect

to fees payable to any Agent, the Bookrunners or the Arrangers constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by telecopier shall be effective as delivery of a manually executed counterpart of this Agreement. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.

**Section 11.07 Severability.** Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

**Section 11.08 Right of Setoff.** Subject to the Intercreditor Agreement, if an Event of Default shall have occurred and be continuing, each Lender and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable Requirements of Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender or any such Affiliate to or for the credit or the account of the Borrower or any other Loan Party against any and all of the obligations of the Borrower or such Loan Party now or hereafter existing under this Agreement or any other Loan Document to such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or any other Loan Document and although such obligations of the Borrower or such Loan Party may be contingent or unmatured or are owed to a branch or office of such Lender different from the branch or office holding such deposit or obligated on such indebtedness. The rights of each Lender and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender or its respective Affiliates may have. Each Lender agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application; provided that the failure to give such notice shall not affect the validity of such setoff and application.

**SECTION 11.09 GOVERNING LAW; JURISDICTION; CONSENT TO SERVICE OF PROCESS.**

(a) GOVERNING LAW. THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES THAT WOULD REQUIRE THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION.

(b) SUBMISSION TO JURISDICTION. EACH LOAN PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE NONEXCLUSIVE JURISDICTION OF THE SUPREME COURT OF

EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT SHALL AFFECT ANY RIGHT THAT ANY AGENT OR ANY LENDER MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AGAINST ANY LOAN PARTY OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(C) WAIVER OF VENUE. EACH LOAN PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE REQUIREMENTS OF LAW, ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN SECTION 11.09(B). EACH FRENCH GUARANTOR AND EACH OTHER FRENCH SUBSIDIARY HEREBY WAIVES THE BENEFIT OF THE PROVISIONS OF ARTICLE 14 OF THE FRENCH *CODE CIVIL*. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE REQUIREMENTS OF LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(D) SERVICE OF PROCESS. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO ANY LOAN DOCUMENT, IN THE MANNER PROVIDED FOR NOTICES (OTHER THAN TELECOPIER, E-MAIL OR OTHER ELECTRONIC TRANSMISSION) IN SECTION 11.01. AGREEMENT OR ANY LOAN DOCUMENT. NOTHING IN THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE REQUIREMENTS OF LAW.

**SECTION 11.10 WAIVER OF JURY TRIAL.** EACH LOAN PARTY HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE REQUIREMENTS OF LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

**Section 11.11 Headings.** Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

**Section 11.12 Treatment of Certain Information; Confidentiality.** Each Agent and each Lender agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, agents, trustees, advisors and other representatives (it being understood that the persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable Requirements of Law or by any subpoena or similar legal process, (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section 11.12, to (i) any assignee of or Participant in, or any prospective Lender, or prospective assignee of or Participant in, any of its rights or obligations under this Agreement, (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to any Loan Party and its obligations or (iii) any rating agency for the purpose of obtaining a credit rating applicable to any Lender, (g) with the consent of the Borrower or the applicable Loan Party or (h) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section or (y) becomes available to the Administrative Agent, any Lender or any of their respective Affiliates on a nonconfidential basis from a source other than the Loan Parties. For purposes of this Section, "**Information**" shall mean all information received from a Loan Party or any of its Subsidiaries relating to the Loan Parties or any of their Subsidiaries or

any of their respective businesses, other than any such information that is available to any Agent or any Lender on a nonconfidential basis prior to disclosure by any Loan Party or any of their Subsidiaries, provided that, in the case of information received from any Loan Party or any of their Subsidiaries after the date hereof, such information is clearly identified at the time of delivery as confidential. Any person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such person has exercised the same degree of care to maintain the confidentiality of such Information as such person would accord to its own confidential information.

**Section 11.13 USA PATRIOT Act Notice.** Each Lender that is subject to the Act (as hereinafter defined) and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower and the other Loan Parties that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the “Act”), it is required to obtain, verify and record information that identifies the Borrower and the other Loan Parties, which information includes the name, address and tax identification number of the Borrower and the other Loan Parties and other information regarding the Borrower and the other Loan Parties that will allow such Lender or the Administrative Agent, as applicable, to identify the Borrower and the other Loan Parties in accordance with the Act. This notice is given in accordance with the requirements of the Act and is effective as to the Lenders and the Administrative Agent.

**Section 11.14 Interest Rate Limitation.** Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the “Maximum Rate”). If the Administrative Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

**Section 11.15 Lender Addendum.** Each Lender to become a party to this Agreement on the date hereof shall do so by delivering to the Administrative Agent a Lender Addendum duly executed by such Lender, the Borrower and the Administrative Agent.

**Section 11.16 Obligations Absolute.** To the fullest extent permitted by applicable Requirements of Law, all obligations of the Loan Parties hereunder shall be absolute and unconditional irrespective of:

- (a) any bankruptcy, insolvency, reorganization, arrangement, readjustment, composition, liquidation or the like of any Loan Party;

- (b) any lack of validity or enforceability of any Loan Document or any other agreement or instrument relating thereto against any Loan Party;
- (c) any change in the time, manner or place of payment of, or in any other term of, all or any of the Obligations, or any other amendment or waiver of or any consent to any departure from any Loan Document or any other agreement or instrument relating thereto;
- (d) any exchange, release or non-perfection of any other Collateral, or any release or amendment or waiver of or consent to any departure from any guarantee, for all or any of the Obligations;
- (e) any exercise or non-exercise, or any waiver of any right, remedy, power or privilege under or in respect hereof or any Loan Document; or
- (f) any other circumstances which might otherwise constitute a defense available to, or a discharge of, the Loan Parties.

**Section 11.17 Intercreditor Agreement.** Notwithstanding anything to the contrary contained herein, each Lender acknowledges that the Lien and security interest granted to the Collateral Agent pursuant to the Security Documents and the exercise of any right or remedy by such Collateral Agent thereunder are subject to the provisions of the Intercreditor Agreement. In the event of any conflict between the terms of the Intercreditor Agreement, on the one hand, and the Security Documents, on the other hand, the terms of the Intercreditor Agreement shall govern and control.

**Section 11.18 Judgment Currency.**

(a) Each Loan Party's obligations hereunder and under the other Loan Documents to make payments in Dollars (the "**Obligation Currency**") shall not be discharged or satisfied by any tender or recovery pursuant to any judgment expressed in or converted into any currency other than the Obligation Currency, except to the extent that such tender or recovery results in the effective receipt by the Administrative Agent or the respective Lender of the full amount of the Obligation Currency expressed to be payable to the Administrative Agent or such Lender under this Agreement or the other Loan Documents. If, for the purpose of obtaining or enforcing judgment against any Loan Party in any court or in any jurisdiction, it becomes necessary to convert into or from any currency other than the Obligation Currency (such other currency being hereinafter referred to as the "**Judgment Currency**") an amount due in the Obligation Currency, the conversion shall be made at the spot selling rate at which the Administrative Agent (or if the Administrative Agent does not quote a rate of exchange on such currency, by a known dealer in such currency designated by the Administrative Agent) offers to sell such Judgment Currency for the Obligation Currency in the London foreign exchange market at approximately 11:00 a.m. London time on such date for delivery two (2) Business Days later (such date of determination of

such spot selling rate, being hereinafter referred to as the “**Judgment Currency Conversion Date**”).

(b) If there is a change in the rate of exchange prevailing between the Judgment Currency Conversion Date and the date of actual payment of the amount due, the Borrower covenants and agrees to pay, or cause to be paid, such additional amounts, if any (but in any event not a lesser amount) as may be necessary to ensure that the amount paid in the Judgment Currency, when converted at the rate of exchange prevailing on the date of payment, will produce the amount of the Obligation Currency which could have been purchased with the amount of Judgment Currency stipulated in the judgment or judicial award at the rate of exchange prevailing on the Judgment Currency Conversion Date.

(c) For purposes of determining any rate of exchange for this Section 11.18, such amounts shall include any premium and costs payable in connection with the purchase of the Obligation Currency.

**Section 11.19 Enforcement.** Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, any of the Administrative Agent and the Collateral Agent, as the relevant Loan Document may provide, in accordance with the terms of the Loan Documents; provided, however, that the foregoing shall not prohibit (a) the Administrative Agent or the Collateral Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent and the Collateral Agent, as the case may be) hereunder and under the other Loan Documents, (b) any Lender from exercising setoff rights in accordance with the terms hereof (subject to Section 2.14), (c) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any bankruptcy, insolvency or Debtor Relief Law or (d) any Person authorized under the Intercreditor Agreement to exercise rights and remedies with respect to the Collateral; and provided, further, that if at any time there is no person acting as Administrative Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent regarding the enforcement of rights and remedies under the Loan Documents and (ii) in addition to the matters set forth in clauses (b), (c) and (d) of the preceding proviso and subject to Section 2.14, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

**Section 11.20 No Advisory or Fiduciary Responsibility.** In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrower and each other Loan Party acknowledges and agrees that: (i) (A) the arranging and other services regarding this Agreement provided by the Administrative Agent, the Collateral Agent, the Bookrunners and the Arrangers are arm’s-length commercial transactions between the Borrower and each other Loan Party and their respective Affiliates, on the one hand, and the Administrative Agent, the Collateral Agent,

the Bookrunners and the Arrangers, on the other hand, (B) each of the Borrower and the other Loan Parties has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) the Borrower and each other Loan Party is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) the Administrative Agent, the Collateral Agent, and the Arrangers each is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower, any other Loan Party or any of their respective Affiliates, or any other Person and (B) neither the Administrative Agent, the Collateral Agent, the Bookrunners nor the Arrangers has any obligation to the Borrower, any other Loan Party or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Administrative Agent, the Collateral Agent, the Bookrunners and the Arrangers and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower, the other Loan Parties and their respective Affiliates, and neither the Administrative Agent, the Collateral Agent, the Bookrunners nor any of the Arrangers has any obligation to disclose any of such interests to the Borrower, any other Loan Party or any of their respective Affiliates. To the fullest extent permitted by law, each of the Borrower and the other Loan Parties hereby waives and releases any claims that it may have against the Administrative Agent, the Collateral Agent, the Bookrunners and the Arrangers with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

**Section 11.21 Abstract Acknowledgment of Indebtedness and Joint Creditorship.**

(a) Notwithstanding any other provision of this Agreement, each Loan Party hereby irrevocably and unconditionally agrees and covenants with the Collateral Agent by way of an abstract acknowledgment of indebtedness (*abstraktes Schuldversprechen*) that it owes to the Collateral Agent as creditor in its own right and not as a representative of the other Secured Parties, sums equal to, and in the currency of, each amount payable by such Loan Party to each of the Secured Parties under each of the Loan Documents relating to any Secured Obligations, as and when that amount falls due for payment under the relevant Secured Debt Agreement or would have fallen due but for any discharge resulting from failure of another Secured Party to take appropriate steps, in insolvency proceedings affecting such Loan Party, to preserve its entitlement to be paid that amount.

(b) Each Loan Party undertakes to pay to the Collateral Agent upon first written demand the amount payable by such Loan Party to each of the Secured Parties under each of the Secured Debt Agreements as such amount has become due and payable.

(c) The Collateral Agent has the independent right to demand and receive full or partial payment of the amounts payable by each Loan Party under this Section 11.21, irrespective of any discharge of such Loan Party's obligation to pay those amounts to the other Secured

Parties resulting from failure by them to take appropriate steps, in insolvency proceedings affecting such Loan Party, to preserve their entitlement to be paid those amounts.

(d) Any amount due and payable by a Loan Party to the Collateral Agent under this Section 11.21 shall be decreased to the extent that the other Secured Parties have received (and are able to retain) payment in full of the corresponding amount under the other provisions of the Secured Debt Agreements and any amount due and payable by a Loan Party to the other Secured Parties under those provisions shall be decreased to the extent that the Collateral Agent has received (and is able to retain) payment in full of the corresponding amount under this Section 11.21; provided that no Loan Party may consider its obligations towards a Secured Party to be so discharged by virtue of any set-off, counterclaim or similar defense that it may invoke vis-à-vis the Collateral Agent.

(e) The rights of the Secured Parties (other than the Collateral Agent) to receive payment of amounts payable by each Loan Party under the Secured Debt Agreements are several and are separate and independent from, and without prejudice to, the rights of the Collateral Agent to receive payment under this Section 11.21.

(f) In addition, but without prejudice to the foregoing, the Collateral Agent shall be the joint creditor (together with the relevant Secured Parties) of all obligations of each Loan Party towards each of the Secured Parties under the Secured Debt Agreements.

**Section 11.22 Special Appointment of Collateral Agent for German Security.**

(a) (i) Each Secured Party that is or will become party to this Agreement hereby appoints the Collateral Agent as trustee (*Treuhänder*) and administrator for the purpose of holding on trust (*Treuhand*), administering, enforcing and releasing the German Security (as defined below) for the Secured Parties, (ii) the Collateral Agent accepts its appointment as a trustee and administrator of the German Security on the terms and subject to the conditions set out in this Agreement and (iii) the Secured Parties, the Collateral Agent and all other parties to this Agreement agree that, in relation to the German Security, no Secured Party shall exercise any independent power to enforce any German Security or take any other action in relation to the enforcement of the German Security, or make or receive any declarations in relation thereto.

(b) To the extent possible, the Collateral Agent shall hold and administer any German Security which is security assigned, transferred or pledged under German law to it as a trustee for the benefit of the Secured Parties, where “**German Security**” shall mean the assets which are the subject of a security document which is governed by German law.

(c) Each Secured Party hereby authorizes and instructs the Collateral Agent (with the right of sub delegation) to enter into any documents evidencing German Security and to make and accept all declarations and take all actions as it considers necessary or useful in connection

with any German Security on behalf of the Secured Parties. The Collateral Agent shall further be entitled to rescind, release, amend and/or execute new and different documents securing the German Security.

(d) The Secured Parties and the Collateral Agent agree that all rights and claims constituted by the abstract acknowledgment of indebtedness pursuant to this [Section 11.22](#) and all proceeds held by the Collateral Agent pursuant to or in connection with such abstract acknowledgment of indebtedness are held by the Collateral Agent with effect from the date of such abstract acknowledgment of indebtedness in trust for the Secured Parties and will be administered in accordance with the Loan Documents. The Secured Parties and the Collateral Agent agree further that the respective Loan Party's obligations under such abstract acknowledgment of indebtedness shall not increase the total amount of the Secured Obligations (as defined in the respective agreement governing German Security) and shall not result in any additional liability of any of the Loan Parties or otherwise prejudice the rights of any of the Loan Parties. Accordingly, payment of the obligations under such abstract acknowledgment of indebtedness shall, to the same extent, discharge the corresponding Secured Obligations and vice versa.

**Section 11.23 [Special Appointment of Collateral Agent in Relation to South Korea](#).**

(a) Notwithstanding any other provision of this Agreement, each Loan Party hereby irrevocably and unconditionally undertakes to pay to the Collateral Agent, as creditor in its own right and not as representative of the other Secured Parties, sums equal to and in the currency of each amount payable by such Loan Party to each of the Secured Parties under each of the Loan Documents as and when that amount falls due for payment under the relevant Loan Document or would have fallen due but for any discharge resulting from failure of another Secured Party to take appropriate steps, in insolvency proceedings affecting that Loan Party, to preserve its entitlement to be paid that amount.

(b) The Collateral Agent shall have its own independent right to demand payment of the amounts payable by each Loan Party under this [Section 11.23](#), irrespective of any discharge of such Loan Party's obligation to pay those amounts to the Secured Parties resulting from failure by them to take appropriate steps, in insolvency proceedings affecting that Loan Party, to preserve their entitlement to be paid those amounts.

(c) Any amount due and payable by a Loan Party to the Collateral Agent under this [Section 11.23](#) shall be decreased to the extent that the other Secured Parties have received (and are able to retain) payment in full of the corresponding amount under the other provisions of the Loan Documents and any amount due and payable by a Loan Party to the other Secured Parties under those provisions shall be decreased to the extent that the Collateral Agent has received (and is able to retain) payment in full of the corresponding amount under this [Section 11.23](#).

(d) Subject to paragraph (c) above, the rights of the Secured Parties (in each case, other than the Collateral Agent) to receive payment of amounts payable by each Loan Party under the Loan Documents are several and are separate and independent from, and without prejudice to, the rights of the Collateral Agent to receive payment under this Section 11.23.

(e) The Administrative Agent and the Collateral Agent are authorized to enter into consents to any lock-up or listing agreement required by any applicable rule or regulation in connection with any listing or offering of Equity Interests in NKL and may consent to such Equity Interests being held by a depository or securities intermediary; provided, that the Collateral Agent's Liens in the Equity Interests of NKL or its direct parents, 4260848 Canada Inc. and 4260856 Canada Inc., are not impaired.

**Section 11.24 Special Appointment of Collateral Agent in Relation to France**

(a) Notwithstanding any other provision of this Agreement, each French Guarantor hereby irrevocably and unconditionally undertakes insofar as necessary, in advance, to pay to the Collateral Agent, as creditor in its own right and not as representative of the other Secured Parties, sums equal to and in the currency of each amount payable by such French Guarantor to each of the Secured Parties under each of the Loan Documents as and when that amount falls due for payment under the relevant Loan Document or would have fallen due but for any discharge resulting from failure of another Secured Party to take appropriate steps to preserve its entitlement to be paid that amount (such payment undertakings, obligations and liabilities which are the result thereof, hereinafter referred to as the "**Parallel Debt**").

(b) The Collateral Agent shall have its own independent right to demand payment of the amounts payable by each French Guarantor under this Section 11.24, irrespective of any discharge of such French Guarantor's obligation to pay those amounts to the other Secured Parties resulting from failure by them to take appropriate steps to preserve their entitlement to be paid those amounts.

(c) Any amount due and payable by a French Guarantor to the Collateral Agent under this Section 11.24 shall be decreased to the extent that the other Secured Parties have received (and are able to retain) payment in full of the corresponding amount under the other provisions of the Loan Documents and any amount due and payable by a French Guarantor to the other Secured Parties under those provisions shall be decreased to the extent that the Collateral Agent has received (and is able to retain) payment in full of the corresponding amount under this Section 11.24.

(d) The Collateral Agent shall apply any amounts received in payment of any Parallel Debt in accordance with the terms and conditions of this Agreement governing the application of proceeds in payment of any Secured Obligations.

(e) The rights of the Secured Parties (other than any Parallel Debt) to receive payment of amounts payable by each French Guarantor under the Loan Documents are several and are separate and independent from, and without prejudice to, the rights of the Collateral Agent to receive payment under this Section 11.24.

**Section 11.25 Swiss Tax Ruling.** The Borrower shall obtain subsequent to the Closing Date (but within a reasonable time frame) (a) a ruling from the Wallis cantonal tax authority confirming that the payment of Interests under this Agreement shall not be subject to federal, cantonal, and municipal direct taxes levied at source in Switzerland as per Article 51 § 1 lit. d and Article 94 of the Swiss Federal Direct Tax Act of December 14, 1990 and as per Article 21 § 2 lit. a and Article 35 § lit. e of the Swiss Federal Harmonization Direct Tax Act of December 14, 1990, and (b) a ruling from the Zurich cantonal tax authority confirming that the aforesaid direct taxes levied at source may be solely ruled with the Canton where the Swiss real estate is located. In the event that the aforementioned confirmation is not granted, the Borrower further acknowledges that the gross-up mechanism provided for under Section 2.15 shall apply with respect to any such direct taxes levied at source.

**Section 11.26 Designation of Collateral Agent under Civil Code of Quebec.** Each of the parties hereto (including each Lender, acting for itself and on behalf of each of its Affiliates which are or become Secured Parties from time to time) confirms the appointment and designation of the Collateral Agent (or any successor thereto) as the person holding the power of attorney (*fondé de pouvoir*) within the meaning of Article 2692 of the Civil Code of Québec for the purposes of the hypothecary security to be granted by the Loan Parties or any one of them under the laws of the Province of Québec and, in such capacity, the Collateral Agent shall hold the hypothecs granted under the laws of the Province of Québec as such *fondé de pouvoir* in the exercise of the rights conferred thereunder. The execution by the Collateral Agent in its capacity as *fondé de pouvoir* prior to the date hereof of any document creating or evidencing any such hypothecs is hereby ratified and confirmed. Notwithstanding the provisions of Section 32 of the Act respecting the special powers of legal persons (Québec), the Collateral Agent may acquire and be the holder of any of the bonds secured by any such hypothec. Each future Secured Party, whether a Lender or any other holder of any Secured Obligation, shall be deemed to have ratified and confirmed (for itself and on behalf of each of its Affiliates that are or become Secured Parties from time to time) the appointment of the Collateral Agent as *fondé de pouvoir*.

**Section 11.27 Maximum Liability.** Subject to Section 7.08 and Sections 7.11 through 7.16, it is the desire and intent of (i) each Loan Party and the Lenders, that, in each case, the liability of such Loan Party shall be enforced against such Loan Party to the fullest extent permissible under the laws and public policies applied in each jurisdiction in which enforcement is sought after giving effect to the rights of contribution established in the Contribution, Intercompany, Contracting and Offset Agreement that are valid and enforceable and not subordinated to the claims of other creditors as determined in such action or proceeding. If, however, and to the extent that, the obligations of any Loan Party under any Loan Document shall be adjudicated to be invalid or unenforceable for any reason (including, without limitation, because of any applicable state, provincial or federal law relating to fraudulent conveyances or transfers), then the amount of such Loan Party's obligations (in the case of any invalidity or unenforceability with respect such Loan Party's obligations) under the Loan Documents shall be deemed to be reduced and such Loan Party shall pay the maximum amount of the Secured Obligations which

would be permissible under applicable law; provided that any guarantees of any such obligations that are subject to deemed reduction pursuant to this Section 11.27 shall, to the fullest extent permitted by applicable Requirements of Law, be absolute and unconditional in respect of the full amount of such obligations without giving effect to any such deemed reduction.

**Section 11.28 NO ORAL AGREEMENT.** THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS BETWEEN THE PARTIES. THERE ARE NO UNWRITTEN AGREEMENTS BETWEEN THE PARTIES.

**Section 11.29 Collateral Matters.** The Lenders irrevocably agree:

(a) that the Collateral Agent is authorized to release any Lien on any property granted to or held by the Collateral Agent under any Loan Document, (i) at the time the property subject to such Lien is sold as part of or in connection with any Asset Sale permitted under Section 6.06 to any Person other than a Loan Party (provided that no Lien shall be released in any Series of Cash Neutral Transactions) (or, if such transferee is a Loan Party, the Collateral Agent is authorized to release such Lien on such asset in connection with the transfer so long as (w) the transferee grants a new Lien to the Collateral Agent on such asset substantially concurrently with the transfer of such asset, (x) the transfer is between parties organized under the laws of different countries, (y) the priority of the new Lien is the same as that of the original Lien and (z) the Liens on such property held by or on behalf of the holders of Indebtedness under the Revolving Credit Loan Documents or any Permitted Revolving Credit Facility Refinancing, Permitted First Priority Refinancing Debt, Permitted Secured Priority Refinancing Debt, Additional Senior Secured Indebtedness and Junior Secured Indebtedness are also released), (ii) subject to Section 11.02, if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders (or such other number of Lenders whose consent is required under Section 11.02), (iii) if the property subject to such Lien is owned by a Guarantor, upon release of such Guarantor from its obligations under its Guarantee pursuant to Section 7.09 or (iv) upon termination of all Commitments and the repayment in full of all outstanding principal and accrued interest with respect to the Loans, all Fees and other Obligations; and

(b) to release or subordinate any Lien on any property granted to or held by the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(i), to the extent required by the terms of the obligations secured by such Liens;

Each Lender irrevocably authorizes the Collateral Agent to, at the Borrower's expense, execute and deliver documents to authorize the release or subordination of such items of Collateral from the Liens granted under the Security Documents, in each case in accordance with the terms of the Loan Documents and this Section 11.29.

**Section 11.30 Electronic Execution of Assignments and Certain other Documents.** The words "execution," "signed," "signature," and words of like import in any Assignment and

Assumption or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Requirement of Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

**Section 11.31 Payments Set Aside.** To the extent that any payment by or on behalf of any Loan Party is made to any Agent or any Lender, or any Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Agents upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Agents, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Federal Funds Rate from time to time in effect. The obligations of the Lenders under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

Landlord acknowledges and agrees that Lessee's granting of a security interest in the Personal Property [and the granting of a mortgage lien in and upon Lessee's interest in the Leased Premises, in each case,]<sup>6</sup> in favor of Collateral Agent (for its benefit and the benefit of the Secured Parties) shall not constitute a default under the Lease nor permit Landlord to terminate the Lease or re-enter or repossess the Leased Premises or otherwise be the basis for the exercise of any remedy by Landlord and Landlord hereby expressly consents to the granting of such security interest [and mortgage lien.]<sup>7</sup>

5. Notwithstanding anything to the contrary contained in this Agreement or the Lease, in the event of a default by Lessee under the Lease, Landlord agrees that (i) it shall provide to Collateral Agent at the address set forth in the introductory paragraph hereof a copy of any notice of default delivered to Lessee under the Lease and (ii) it shall not exercise any of its remedies against Lessee provided in favor of Landlord under the Lease or at law or in equity until, in the case of a monetary default, the date which is 45 days after the date Landlord delivers written notice of such monetary default to Collateral Agent, and in the case of a non-monetary default, the date which is 60 days after the date Landlord delivers written notice of such non-monetary default to Collateral Agent (such 45-day period for monetary defaults and such 60 day period for non-monetary defaults, as applicable, being referred to as the "Standstill Period"), provided, however, if such non-monetary default by its nature cannot reasonably be cured by Collateral Agent within such 60 day period, Collateral Agent shall have such additional period of time as may be reasonably necessary to cure such non-monetary default, so long as Lessee commences such curative measures within such 60 day period and thereafter proceeds diligently to complete such curative measures. In the event that any such non-monetary default by its nature cannot reasonably be cured by Collateral Agent, Landlord shall, provided Collateral Agent has theretofore cured all monetary defaults (if any), upon the request of Collateral Agent enter into a new lease with Collateral Agent (or its nominee) on the same terms and conditions as the Lease. Collateral Agent shall have the right, but not the obligation, during the Standstill Period, to cure any such default and Landlord shall accept any such cure by Collateral Agent or Lessee. If, during the Standstill Period, Collateral Agent or Lessee or any other Person cures any such default, then Landlord shall rescind the notice of default.

<sup>7</sup> Include bracketed language if Leased Premises are to be mortgaged.

6. In the event of a termination, disaffirmance or rejection of the Lease for any reason, including, without limitation, pursuant to any laws (including any bankruptcy or other insolvency laws) by Lessee or the termination of the Lease for any reason by Landlord, Landlord will give Collateral Agent the right, within sixty (60) days of such event, provided all monetary defaults under the Lease have been cured, to enter into a new lease of the Leased Premises, in the name of Collateral Agent (or a designee to be named by Collateral Agent at the time), for the remainder of the term of the Lease and upon all of the terms and conditions thereof, or, if Collateral Agent shall elect not to exercise such right (such election to be made by Collateral Agent at its sole discretion), Landlord will give Collateral Agent the right to enter upon the Leased Premises during such sixty (60) day period for the purpose of removing Tenant's personal property therefrom.

7. Notwithstanding any provision to the contrary contained in the Lease, any acquisition of Lessee's interest by Collateral Agent, its nominee, shall not create a default under, or require Landlord's consent under, the Lease.

8. The terms and provisions of this Agreement shall inure to the benefit of and be binding upon the successors and assigns of Landlord (including, without limitation, any successor owner of the Real Property) and Collateral Agent. 10. The provisions of this Agreement shall continue in effect until Landlord shall have received Collateral Agent's written certification that the Loans have been paid in full and all of Lessee's other Obligations under the Credit Agreement and the other Loan Documents have been satisfied.

11. THE INTERPRETATION, VALIDITY AND ENFORCEMENT OF THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED UNDER THE LAW OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO THE CONFLICTS OF LAW PRINCIPLES THEREOF THAT WOULD REQUIRE THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION.

12. Landlord agrees to execute, acknowledge and deliver such further instruments as Collateral Agent may request to allow for the proper recording of this Agreement (including, without limitation, a revised landlord's waiver in form and substance sufficient for recording) or to otherwise accomplish the purposes of this Agreement.

13. Landlord agrees that, so long as the Loans and Lessee's Obligations under the Credit Agreement remain outstanding and Collateral Agent retains an interest in the Personal Property

[and/or Lessee's interest in the Leased Premises]<sup>8</sup>, no modification, alteration or amendment shall be made to the Lease without the prior written consent of Collateral Agent if such modification, alteration or amendment could have a material adverse effect on the value or use of the Leased Premises or Lessee's obligations or rights under the Lease.

SECTION 2.7. No Release. Nothing set forth in this Mortgage shall relieve the Mortgagor from the performance of any term, covenant, condition or agreement on the Mortgagor's part to be performed or observed under or in respect of any of the Mortgaged Property or from any liability to any person under or in respect of any of the Mortgaged Property or shall impose any obligation on the Mortgagee or any other Secured Party to perform or observe any such term, covenant, condition or agreement on the Mortgagor's part to be so performed or observed or shall impose any liability on the Mortgagee or any other Secured Party for any act or omission on the part of the Mortgagor relating thereto or for any breach of any representation or warranty on the part of the Mortgagor contained in this Mortgage or any other Loan Document, or under or in respect of the Mortgaged Property or made in connection herewith or therewith. SECTION 3.2. Condition of Mortgaged Property. The Mortgagor represents and warrants that:

- (i) the Premises and the present and contemplated use and occupancy thereof comply with all applicable zoning ordinances, building codes, land use and subdivision laws, setback or other development and use requirements of Governmental Authorities and with all private restrictions and agreements affecting the Mortgaged Property whether or not recorded, except where the failure so to comply could not result in a Property Material Adverse Effect;
- (ii) as of the date hereof, Mortgagor has neither received any notice of nor has any knowledge of any disputes regarding boundary lines, location, encroachments or possession of any portions of the Mortgaged Property and has no knowledge of any state of facts that may exist which could give rise to any such claims;
- (iii) no portion of the Premises is located in an area identified by the Federal Emergency Management Agency or any successor thereto as an area having special flood hazards pursuant to the Flood Insurance Acts promulgated by the Federal Emergency Management Agency or any successor thereto or, if any portion of the Premises is located within such area as evidenced by the Federal Emergency Management Agency Standard Flood Hazard Determination provided to the Mortgagee by the Mortgagor pursuant to Section 4.01(o)(ix) of the Credit Agreement, the Mortgagor has obtained the flood insurance prescribed in Section 5.04(c) of the Credit Agreement;

(iv) the Premises are assessed for real estate tax purposes as one or more wholly independent tax lot or lots, separate from any adjoining land or improvements not constituting a portion of such lot or lots, and no other land or improvement is assessed and taxed together with the Premises or any portion thereof; and

(v) there are no options or rights of first refusal to purchase or acquire all or any portion of the Mortgaged Property.

SECTION 3.3. Property Charges. The Mortgagor represents and warrants that all Property Charges imposed upon or assessed against the Mortgaged Property have been paid (or will be paid in Mortgagor's ordinary course of business) and discharged except to the extent such Property Charges constitute, as of the date hereof and hereafter, a Permitted Lien.

#### ARTICLE IV.

##### CERTAIN COVENANTS OF MORTGAGOR

SECTION 4.1. Payment and Performance. The Mortgagor shall pay and perform the Secured Obligations in full as and when the same shall become due under the Loan Documents and when they are required to be performed thereunder.

SECTION 4.2. Title. The Mortgagor shall

(i) (A) keep in effect all rights and appurtenances to or that constitute a part of the Mortgaged Property except where the failure to keep in effect the same could not result in a Property Material Adverse Effect and (B) protect, preserve and defend its interest in the Mortgaged Property and title thereto;

(ii) (A) comply with each of the terms, conditions and provisions of any obligation of the Mortgagor which is secured by the Mortgaged Property or the noncompliance with which may result in the imposition of a Lien on the Mortgaged Property, subject to Permitted Liens, (B) forever warrant and defend to the Mortgagee the Lien and security interests created and evidenced hereby and the validity and priority hereof in any action or proceeding against the claims of any and all persons whomsoever affecting or purporting to affect the Mortgaged Property or any of the rights of the Mortgagee hereunder and (C) maintain this Mortgage as a valid and enforceable Lien on the Mortgaged Property and, to the extent any of the Mortgaged Property shall consist of Fixtures, a security interest in the Mortgaged Property, which Lien and security interest shall be subject only to Permitted Liens; and

(iii) promptly upon obtaining knowledge of the pendency of any proceedings for the eviction of the Mortgagor from the Mortgaged Property or any part thereof by paramount title or otherwise questioning the Mortgagor's right, title and interest in, to and under the Mortgaged Property as warranted in this Mortgage, or of any condition that could give rise to any such proceedings, notify the Mortgagee thereof in writing. The Mortgagee may participate in such proceedings and the Mortgagor will deliver or cause

to be delivered to the Mortgagee all instruments requested by the Mortgagee to permit such participation. In any such proceedings, the Mortgagee may be represented by counsel satisfactory to the Mortgagee at the reasonable expense of the Mortgagor. If, upon the resolution of such proceedings, the Mortgagor shall suffer a loss of the Mortgaged Property or any part thereof or interest therein and title insurance proceeds shall be payable in connection therewith, such proceeds are hereby assigned to and shall be paid to the Mortgagee to be applied as Net Cash Proceeds to the payment of the Secured Obligations or otherwise in accordance with the provisions of Section 2.10 of the Credit Agreement.

(iv) not initiate, join in or consent to any change in the zoning or any other permitted use classification of the Premises which would have a Property Material Adverse Effect without the prior written consent of the Mortgagee.

SECTION 4.3. Inspection. Mortgagor shall permit Mortgagee, and its agents, representatives and employees, upon reasonable prior notice to Mortgagor, to inspect the Mortgaged Property and all books and records located thereon; provided, that such inspections shall not materially interfere with the use and operation of the Mortgaged Property.

SECTION 4.4. Limitation on Liens; Transfer Restrictions.

(i) Except for the Permitted Liens and the Lien of this Mortgage, the Mortgagor may not, without the prior written consent of the Mortgagee, permit to exist or grant any Lien on all or any part of the Mortgaged Property or suffer or allow any of the foregoing to occur by operation of law or otherwise.

(ii) Except to the extent permitted by the Credit Agreement, the Mortgagor may not, without the prior written consent of the Mortgagee, sell, convey, assign, lease or otherwise transfer all or any part of the Mortgaged Property.

SECTION 4.5. Insurance. The Mortgagor shall obtain and keep in full force and effect the Insurance Policies required by the Credit Agreement pursuant to the terms thereof.

#### ARTICLE V.

#### CONCERNING ASSIGNMENT OF LEASES AND RENTS

SECTION 5.1. Present Assignment; License to the Mortgagor.

(i) Section 2.2 of this Mortgage constitutes a present, absolute, effective, irrevocable and complete assignment by Mortgagor to Mortgagee of the Leases and Rents and the right, subject to applicable law, to collect all sums payable to Mortgagor thereunder and apply the same as Mortgagee may, in its sole discretion, determine to be appropriate to protect the security afforded by this Mortgage (including the payment of reasonable costs and expenses in connection with the maintenance, operation, improvement, insurance, taxes and upkeep of the Mortgaged Property), which is not conditioned upon Mortgagee being in possession of the

Premises. This assignment is an absolute assignment and not an assignment for additional security only. The Mortgagee hereby grants to the Mortgagor, however, a license to collect and apply the Rents and to enforce the obligations of Tenants under the Leases. Immediately upon the occurrence of and during the continuance of any Event of Default, whether or not legal proceedings have commenced and without regard to waste, adequacy of security for the Secured Obligations or solvency of Mortgagor, the license granted in the immediately preceding sentence shall automatically cease and terminate without any notice by Mortgagee (such notice being hereby expressly waived by Mortgagor to the extent permitted by applicable law), or any action or proceeding or the intervention of a receiver appointed by a court.

(ii) Mortgagor acknowledges that Mortgagee has taken all reasonable actions necessary to obtain, and that upon recordation of this Mortgage, Mortgagee shall have, to the extent permitted under applicable law, a valid and fully perfected, present assignment of the Rents arising out of the Leases and all security for such Leases subject only to the Permitted Liens and in the case of security deposits, rights of depositors and Requirements of Law. Mortgagor acknowledges and agrees that upon recordation of this Mortgage, Mortgagee's interest in the Rents shall be deemed to be fully perfected, "choate" and enforced as to Mortgagor and all third parties, including, without limitation, any subsequently appointed trustee in any case under Title 11 of the United States Code (the "Bankruptcy Code"), without the necessity of commencing a foreclosure action with respect to this Mortgage, making formal demand for the Rents, obtaining the appointment of a receiver or taking any other affirmative action.

(iii) Without limitation of the absolute nature of the assignment of the Rents hereunder, Mortgagor and Mortgagee agree that (a) this Mortgage shall constitute a "security agreement" for purposes of Section 552(b) of the Bankruptcy Code, (b) the security interest created by this Mortgage extends to property of Mortgagor acquired before the commencement of a case in bankruptcy and to all amounts paid as Rents, and (c) such security interest shall extend to all Rents acquired by the estate after the commencement of any case in bankruptcy.

**SECTION 5.2. Collection of Rents by the Mortgagee.**

(i) Any Rents receivable by the Mortgagee hereunder, after payment of all proper costs and expenses as Mortgagee may, in its sole discretion, determine to be appropriate (including the payment of reasonable costs and expenses in connection with the maintenance, operation, improvement, insurance, taxes and upkeep of the Mortgaged Property), shall be applied in accordance with the provisions of Section 8.03 of the Credit Agreement. The Mortgagee shall be accountable to the Mortgagor only for Rents actually received by the Mortgagee. The collection of such Rents and the application thereof shall not cure or waive any Event of Default or waive, modify or affect notice of any Event of Default or invalidate any act done pursuant to such notice.

(ii) The Mortgagor hereby irrevocably authorizes and directs Tenant under each Lease to rely upon and comply with any and all notices or demands from the Mortgagee for payment of Rents to the Mortgagee and the Mortgagor shall have no claim against Tenant for Rents paid by Tenant to the Mortgagee pursuant to such notice or demand.

SECTION 5.3. Irrevocable Interest. All rights, powers and privileges of the Mortgagee herein set forth are coupled with an interest and are irrevocable, subject to the terms and conditions hereof, and the Mortgagor shall not take any action under the Leases or otherwise which is inconsistent with this Mortgage or any of the terms hereof and any such action inconsistent herewith or therewith shall be void.

ARTICLE VI.

TAXES AND CERTAIN STATUTORY LIENS

SECTION 6.1. Payment of Property Charges. Unless and to the extent contested by the Mortgagor in accordance with the provisions of the Credit Agreement, the Mortgagor shall pay and discharge, or cause to be paid and discharged, from time to time prior to same becoming delinquent, all Property Charges. The Mortgagor shall, upon the Mortgagee's request, deliver to the Mortgagee receipts evidencing the payment of all such Property Charges.

SECTION 6.2. Stamp and Other Taxes. The Mortgagor shall pay any United States documentary stamp taxes, with interest and fines and penalties, and any mortgage recording taxes, with interest and fines and penalties, that may hereafter be levied, imposed or assessed under or upon this Mortgage or the Secured Obligations or any instrument or transaction affecting or relating to the same and in default thereof, the Mortgagee may advance the same and the amount so advanced shall be payable by the Mortgagor to the Mortgagee in accordance with the provisions of Section 2.15(c) of the Credit Agreement.

SECTION 6.3. Certain Tax Law Changes. In the event of the passage after the date hereof of any law deducting from the value of real property, for the purpose of taxation, amounts in respect of any Lien thereon or changing in any way the laws for the taxation of mortgages or debts secured by mortgages for state or local purposes or the manner of the collection of any taxes, and imposing any taxes, either directly or indirectly, on this Mortgage or any other Loan Document which are payable by or assessed on the Mortgagee, the Mortgagor shall promptly pay to the Mortgagee or the appropriate tax authority such amount or amounts as may be necessary from time to time to pay any such taxes, assessments or other charges resulting therefrom; provided, that if any such payment or reimbursement to the Mortgagee shall be unlawful or taxable, or would constitute usury or render the indebtedness wholly or partially usurious under applicable law, the Mortgagor shall pay or reimburse Mortgagee for payment of the lawful and non-usurious portion thereof.

SECTION 6.4. Proceeds of Tax Claim. In the event that the proceeds of any tax claim are paid after the Mortgagee has exercised its right to foreclose the Lien hereof, such proceeds shall be paid to the Mortgagee to satisfy any deficiency remaining after such foreclosure. The Mortgagee shall retain its interest in the proceeds of any tax claim during any redemption period. The amount of any such proceeds in excess of any deficiency claim of the Mortgagee shall in a reasonably prompt manner be released to the Mortgagor.

ARTICLE VII.

CASUALTY EVENTS AND RESTORATION

SECTION 7.1. Casualty Event. If there shall occur any Casualty Event (or, in the case of any condemnation, taking or other proceeding in the nature thereof, upon the occurrence thereof or notice of the commencement of any proceedings therefor), the Mortgagor shall promptly send to the Mortgagee a written notice setting forth the nature and extent thereof. The proceeds payable in respect of any such Casualty Event are hereby assigned and shall be paid to the Mortgagee. The Net Cash Proceeds of each Casualty Event shall be applied, allocated and distributed in accordance with the provisions of Section 2.10 of the Credit Agreement.

SECTION 7.2. Condemnation. In the case of any taking, condemnation or other proceeding in the nature thereof, the Mortgagee may, at its option, participate in any proceedings or negotiations which might result in any taking or condemnation and the Mortgagor shall deliver or cause to be delivered to the Mortgagee all instruments reasonably requested by it to permit such participation. The Mortgagee may be represented by counsel satisfactory to it at the reasonable expense of the Mortgagor in connection with any such participation. The Mortgagor shall pay all reasonable fees, costs and expenses incurred by the Mortgagee in connection therewith and in seeking and obtaining any award or payment on account thereof. The Mortgagor shall take all steps necessary to notify the condemning authority of such participation.

SECTION 7.3. Restoration. In the event the Mortgagor is permitted or required to perform any repairs or restoration to the Premises in accordance with the provisions of the Credit Agreement, the Mortgagor shall complete such repairs or restoration in accordance with provisions thereof.

ARTICLE VIII.

EVENTS OF DEFAULT AND REMEDIES

SECTION 8.1. Remedies in Case of an Event of Default. If any Event of Default shall have occurred and be continuing, the Mortgagee may at its option, in addition to any other action permitted under this Mortgage or the Credit Agreement or by law, statute or in equity, take one or more of the following actions to the greatest extent permitted by local law:

(i) personally, or by its agents or attorneys, (A) enter into and upon and take possession of all or any part of the Premises together with the books, records and accounts of the Mortgagor relating thereto and, exclude the Mortgagor, its agents and servants wholly therefrom, (B) use, operate, manage and control the Premises and conduct the business thereof, (C) maintain and restore the Premises, (D) make all necessary or proper repairs, renewals and replacements and such useful alterations thereto and thereon as the Mortgagee may deem advisable, (E) manage, lease and operate the

Premises and carry on the business thereof and exercise all rights and powers of the Mortgagor with respect thereto either in the name of the Mortgagor or otherwise or (F) collect and receive all Rents. The Mortgagee shall be under no liability for or by reason of any such taking of possession, entry, removal or holding, operation or management except that any amounts so received by the Mortgagee shall be applied in accordance with the provisions of Section 8.03 of the Credit Agreement.

(ii) with or without entry, personally or by its agents or attorneys (A) sell the Mortgaged Property and all estate, right, title and interest, claim and demand therein at one or more sales in one or more parcels, in accordance with the provisions of Section 8.2 hereof or (B) institute and prosecute proceedings for the complete or partial foreclosure of the Lien and security interests created and evidenced hereby; or

(iii) take such steps to protect and enforce its rights whether by action, suit or proceeding at law or in equity for the specific performance of any covenant, condition or agreement in the Credit Agreement and the other Loan Documents, or in aid of the execution of any power granted in this Mortgage, or for any foreclosure hereunder, or for the enforcement of any other appropriate legal or equitable remedy or otherwise as the Mortgagee shall elect.

SECTION 8.2. Sale of Mortgaged Property if Event of Default Occurs; Proceeds of Sale.

(i) If any Event of Default shall have occurred and be continuing, the Mortgagee may institute an action to foreclose this Mortgage or take such other action as may be permitted and available to the Mortgagee at law or in equity for the enforcement of the Credit Agreement and realization on the Mortgaged Property and proceeds thereon through power of sale (if then available under applicable law) or to final judgment and execution thereof for the Secured Obligations, and in furtherance thereof the Mortgagee may sell the Mortgaged Property at one or more sales, as an entirety or in parcels, at such time and place, upon such terms and after such notice thereof as may be required or permitted by law or statute or in equity. The Mortgagee may execute and deliver to the purchaser at such sale a conveyance of the Mortgaged Property in fee simple and an assignment or conveyance of all the Mortgagor's Interest in the Leases and the Mortgaged Property, each of which conveyances and assignments shall contain recitals as to the Event of Default upon which the execution of the power of sale herein granted depends, and the Mortgagor hereby constitutes and appoints the Mortgagee the true and lawful attorney(s) in fact of the Mortgagor to make any such recitals, sale, assignment and conveyance, and all of the acts of the Mortgagee as such attorney in fact are hereby ratified and confirmed. The Mortgagor agrees that such recitals shall be binding and conclusive upon the Mortgagor and that any assignment or conveyance to be made by the Mortgagee shall divest the Mortgagor of all right, title, interest, equity and right of redemption, including any statutory redemption, in and to the Mortgaged Property. The power and agency hereby granted are coupled with an interest and are irrevocable by death or dissolution, or otherwise, and are in addition to any and all other remedies which the Mortgagee may have hereunder, at law or in equity. So long as the Secured Obligations, or any part thereof, remain unpaid, the Mortgagor agrees that possession of the Mortgaged Property by the Mortgagor, or any person claiming under the Mortgagor, shall be as tenant, and, in case of a sale under power or upon foreclosure as provided in this Mortgage, the

Mortgagor and any person in possession under the Mortgagor, as to whose interest such sale was not made subject, shall, at the option of the purchaser at such sale, then become and be tenants holding over, and shall forthwith deliver possession to such purchaser, or be summarily dispossessed in accordance with the laws applicable to tenants holding over. In case of any sale under this Mortgage by virtue of the exercise of the powers herein granted, or pursuant to any order in any judicial proceeding or otherwise, the Mortgaged Property may be sold as an entirety or in separate parcels in such manner or order as the Mortgagee in its sole discretion may elect. One or more exercises of powers herein granted shall not extinguish or exhaust such powers, until the entire Mortgaged Property is sold or all amounts secured hereby are paid in full.

(ii) The proceeds of any sale made under or by virtue of this Article VIII, together with any other sums which then may be held by the Mortgagee under this Mortgage, whether under the provisions of this Article VIII or otherwise, shall be applied in accordance with the provisions of Section 8.03 of the Credit Agreement.

(iii) The Mortgagee (on behalf of any Secured Party or on its own behalf) or any Lender or any of their respective Affiliates may bid for and acquire the Mortgaged Property or any part thereof at any sale made under or by virtue of this Article VIII and, in lieu of paying cash therefor, may make settlement for the purchase price by crediting against the purchase price the unpaid amounts (whether or not then due) owing to the Mortgagee, or such Lender in respect of the Secured Obligations, after deducting from the sales price the expense of the sale and the costs of the action or proceedings and any other sums that the Mortgagee or such Lender is authorized to deduct under this Mortgage.

(iv) The Mortgagee may adjourn from time to time any sale by it to be made under or by virtue hereof by announcement at the time and place appointed for such sale or for such adjourned sale or sales, and, the Mortgagee, without further notice or publication, may make such sale at the time and place to which the same shall be so adjourned.

(v) If the Premises are comprised of more than one parcel of land, the Mortgagee may take any of the actions authorized by this Section 8.2 in respect of any or a number of individual parcels.

#### SECTION 8.3. Additional Remedies in Case of an Event of Default.

(i) The Mortgagee shall be entitled to recover judgment as aforesaid either before, after or during the pendency of any proceedings for the enforcement of the provisions hereof and, to the extent permitted by applicable law, the right of the Mortgagee to recover such judgment shall not be affected by any entry or sale hereunder, or by the exercise of any other right, power or remedy for the enforcement of the provisions hereof, or the foreclosure of, or absolute conveyance pursuant to, this Mortgage. In case of proceedings against the Mortgagor in insolvency or bankruptcy or any proceedings for its reorganization or involving the liquidation of its assets, the Mortgagee shall be entitled to prove the whole amount of principal and interest and other payments, charges and costs due in respect of the Secured Obligations to the full amount thereof without deducting therefrom any proceeds obtained from the sale of the whole or any part of the Mortgaged Property; provided, however, that in no case shall the Mortgagee receive a greater amount than the aggregate of such principal, interest and such other payments, charges

and costs (with interest at the Default Rate) from the proceeds of the sale of the Mortgaged Property and the distribution from the estate of the Mortgagor.

(ii) Any recovery of any judgment by the Mortgagee and any levy of any execution under any judgment upon the Mortgaged Property shall not affect in any manner or to any extent the Lien and security interests created and evidenced hereby upon the Mortgaged Property or any part thereof, or any conveyances, powers, rights and remedies of the Mortgagee hereunder, but such conveyances, powers, rights and remedies shall continue unimpaired as before.

(iii) Any monies collected by the Mortgagee under this Section 8.3 shall be applied in accordance with the provisions of Section 8.2(ii).

**SECTION 8.4. Legal Proceedings After an Event of Default.**

(i) After the occurrence of any Event of Default and immediately upon the commencement of any action, suit or legal proceedings to obtain judgment for the Secured Obligations or any part thereof, or of any proceedings to foreclose the Lien and security interest created and evidenced hereby or otherwise to enforce the provisions hereof or of any other proceedings in aid of the enforcement hereof, the Mortgagor shall enter its voluntary appearance in such action, suit or proceeding.

(ii) Upon the occurrence and during the continuance of an Event of Default, the Mortgagee shall be entitled forthwith as a matter of right, concurrently or independently of any other right or remedy hereunder either before or after declaring the Secured Obligations or any part thereof to be due and payable, to the appointment of a receiver without giving notice to any party and without regard to the adequacy or inadequacy of any security for the Secured Obligations or the solvency or insolvency of any person or entity then legally or equitably liable for the Secured Obligations or any portion thereof. The Mortgagor hereby consents to the appointment of such receiver. Notwithstanding the appointment of any receiver, the Mortgagee shall be entitled as pledgee to the possession and control of any cash, deposits or instruments at the time held by or payable or deliverable under the terms of the Credit Agreement to the Mortgagee.

(iii) The Mortgagor shall not (A) at any time insist upon, or plead, or in any manner whatsoever claim or take any benefit or advantage of any stay or extension or moratorium law, any exemption from execution or sale of the Mortgaged Property or any part thereof, wherever enacted, now or at any time hereafter in force, which may affect the covenants and terms of performance hereof, (B) claim, take or insist on any benefit or advantage of any law now or hereafter in force providing for the valuation or appraisal of the Mortgaged Property, or any part thereof, prior to any sale or sales of the Mortgaged Property which may be made pursuant to this Mortgage, or pursuant to any decree, judgment or order of any court of competent jurisdiction or (C) after any such sale or sales, claim or exercise any right under any statute heretofore or hereafter enacted to redeem the property so sold or any part thereof. To the extent permitted by applicable law, the Mortgagor hereby expressly (X) waives all benefit or advantage of any such law or laws, including, without limitation, any statute of limitations applicable to this Mortgage, (Y) waives any objection which it may now or hereafter have to the

laying of venue of any action, suit or proceeding brought in connection with this Mortgage and further waives and agrees not to plead that any such action, suit or proceeding brought in any such court has been brought in an inconvenient forum and (Z) covenants not to hinder, delay or impede the execution of any power granted or delegated to the Mortgagee by this Mortgage but to suffer and permit the execution of every such power as though no such law or laws had been made or enacted. The Mortgagee shall not be liable for any incorrect or improper payment made pursuant to this Article VIII in the absence of gross negligence or willful misconduct.

SECTION 8.5. Remedies Not Exclusive. No remedy conferred upon or reserved to the Mortgagee by this Mortgage is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Mortgage or now or hereafter existing at law or in equity. Any delay or omission of the Mortgagee to exercise any right or power accruing on any Event of Default shall not impair any such right or power and shall not be construed to be a waiver of or acquiescence in any such Event of Default. Every power and remedy given by this Mortgage may be exercised from time to time concurrently or independently, when and as often as may be deemed expedient by the Mortgagee in such order and manner as the Mortgagee, in its sole discretion, may elect. If the Mortgagee or any Lender accepts any monies required to be paid by the Mortgagor under this Mortgage or any other Loan Document after the same become due, such acceptance shall not constitute a waiver of the right either to require prompt payment, when due, of all other sums secured by this Mortgage or to declare an Event of Default with regard to subsequent defaults. If the Mortgagee or any Lender accepts any monies required to be paid by the Mortgagor under this Mortgage or any other Loan Document in an amount less than the sum then due, such acceptance shall be deemed an acceptance on account only and on the condition that it shall not constitute a waiver of the obligation of the Mortgagor to pay the entire sum then due, and the Mortgagor's failure to pay the entire sum then due shall be and continue to be a default hereunder notwithstanding acceptance of such amount on account.

#### ARTICLE IX.

##### SECURITY AGREEMENT AND FIXTURE FILING

SECTION 9.1. Security Agreement. To the extent that the Mortgaged Property includes personal property or items of personal property which are or are to become fixtures under applicable law, this Mortgage shall also be construed as a security agreement under the UCC; and, upon and during the continuance of an Event of Default, the Mortgagee shall be entitled with respect to such personal property to exercise all remedies hereunder, all remedies available under the UCC with respect to fixtures and all other remedies available under applicable law. Without limiting the foregoing, such personal property may, at the Mortgagee's option, (i) be sold hereunder together with any sale of any portion of the Mortgaged Property or otherwise, (ii) be sold pursuant to the UCC, or (iii) be dealt with by the Mortgagee in any other manner permitted under applicable law. The Mortgagee may require the Mortgagor to assemble such personal property and make it available to the Mortgagee at a place to be designated by the Mortgagee. The Mortgagor acknowledges and agrees that a disposition of the personal property in accordance with the Mortgagee's rights and remedies in respect to the Mortgaged Property as

heretofore provided is a commercially reasonable disposition thereof; provided, however, that the Mortgagee shall give the Mortgagor not less than ten (10) days' prior notice of the time and place of any intended disposition.

SECTION 9.2. Fixture Filing. To the extent that the Mortgaged Property includes items of personal property which are or are to become fixtures under applicable law, and to the extent permitted under applicable law, the filing hereof in the real estate records of the county in which such Mortgaged Property is located shall also operate from the time of filing as a fixture filing with respect to such Mortgaged Property, and the following information is applicable for the purpose of such fixture filing, to wit:

**Name and Address of the debtor:**

The name of the record owner of the Premises on which such fixtures are or are to be located is the Mortgagor.

In addition, Mortgagor authorizes the Mortgagee to file appropriate financing and continuation statements under the UCC in effect in the jurisdiction in which the Mortgaged Property is located as may be required by law in order to establish, preserve and protect the liens and security interests intended to be granted to the Mortgagee pursuant to this Mortgage in the Mortgaged Property.

ARTICLE X.

FURTHER ASSURANCES

SECTION 10.1. Recording Documentation To Assure Security. The Mortgagor shall, forthwith after the execution and delivery hereof and thereafter, from time to time, cause this Mortgage and any financing statement, continuation statement or similar instrument relating to any thereof or to any property intended to be subject to the Lien hereof to be filed, registered

and recorded in such manner and in such places as may be required by any present or future law in order to publish notice of and fully to protect the validity and priority thereof or the Lien hereof purported to be created upon the Mortgaged Property and the interest and rights of the Mortgagee therein. The Mortgagor shall pay or cause to be paid all taxes and fees incident to such filing, registration and recording, and all expenses incident to the preparation, execution and acknowledgment thereof, and of any instrument of further assurance, and all federal or state stamp taxes or other taxes, duties and charges arising out of or in connection with the execution and delivery of such instruments.

SECTION 10.2. Further Acts. The Mortgagor shall, at the sole cost and expense of the Mortgagor, do, execute, acknowledge and deliver all and every such further acts, deeds, conveyances, mortgages, assignments, notices of assignment, transfers, financing statements, continuation statements, instruments and assurances as the Mortgagee shall from time to time request, which may be necessary in the judgment of the Mortgagee from time to time to assure, perfect, convey, assign, pledge, transfer and confirm unto the Mortgagee, the property and rights hereby conveyed or assigned or which the Mortgagor may be or may hereafter become bound to convey or assign to the Mortgagee or for carrying out the intention or facilitating the performance of the terms hereof or the filing, registering or recording hereof. Without limiting the generality of the foregoing, in the event that the Mortgagee desires to exercise any remedies, consensual rights or attorney-in-fact powers set forth in this Mortgage and determines it necessary to obtain any approvals or consents of any Governmental Authority or any other person therefor, then, upon the reasonable request of the Mortgagee, the Mortgagor agrees to use its best efforts to assist and aid the Mortgagee to obtain as soon as practicable any necessary approvals or consents for the exercise of any such remedies, rights and powers. In the event the Mortgagor shall fail after demand to execute any instrument or take any action required to be executed or taken by the Mortgagor under this Section 10.2, the Mortgagee may execute or take the same as the attorney-in-fact for the Mortgagor, such power of attorney being coupled with an interest and is irrevocable.

SECTION 10.3. Additional Security. Without notice to or consent of the Mortgagor and without impairment of the Lien and rights created by this Mortgage, the Mortgagee may accept (but the Mortgagor shall not be obligated to furnish) from the Mortgagor or from any other person, additional security for the Secured Obligations. Neither the giving hereof nor the acceptance of any such additional security shall prevent the Mortgagee from resorting, first, to such additional security, and, second, to the security created by this Mortgage without affecting the Mortgagee's Lien and rights under this Mortgage.

#### ARTICLE XI.

SECTION 11.1. Covenants To Run with the Land. All of the grants, covenants, terms, provisions and conditions in this Mortgage shall run with the Land and shall apply to, and bind the successors and assigns of, the Mortgagor. If there shall be more than one mortgagor

The Mortgagee may employ agents and attorneys-in-fact in connection herewith and shall not be liable for the negligence or misconduct of any such agents or attorneys-in-fact selected by it in good faith. The Mortgagee may resign and a successor Mortgagee may be appointed in the manner provided in the Credit Agreement. Upon the acceptance of any appointment as the Mortgagee by a successor Mortgagee, that successor Mortgagee shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Mortgagee under this Mortgage, and the retiring Mortgagee shall thereupon be discharged from its duties and obligations under this Mortgage. After any retiring Mortgagee's resignation, the provisions hereof shall inure to its benefit as to any actions taken or omitted to be taken by it under this Mortgage while it was the Mortgagee.

(ii) The Mortgagee shall be deemed to have exercised reasonable care in the custody and preservation of the Mortgaged Property in its possession if such Mortgaged Property is accorded treatment substantially equivalent to that which the Mortgagee, in its individual capacity, accords its own property consisting of similar instruments or interests, it being understood that neither the Mortgagee nor any of the Secured Parties shall have responsibility for taking any necessary steps to preserve rights against any person with respect to any Mortgaged Property.

(iii) The Mortgagee shall be entitled to rely upon any written notice, statement, certificate, order or other document or any telephone message believed by it to be genuine and correct and to have been signed, sent or made by the proper person, and, with respect to all matters pertaining to this Mortgage and its duties hereunder, upon advice of counsel selected by it.

(iv) With respect to any of its rights and obligations as a Lender, the Mortgagee shall have and may exercise the same rights and powers hereunder. The term "Lenders," "Lender" or any similar terms shall, unless the context clearly otherwise indicates, include the Mortgagee in its individual capacity as a Lender, if the Mortgagee shall be a Lender. The Mortgagee may accept deposits from, lend money to, and generally engage in any kind of

banking, trust or other business with the Mortgagor or any Affiliate of the Mortgagor to the same extent as if the Mortgagee were not acting as Collateral Agent.

(v) If any portion of the Mortgaged Property also constitutes collateral granted by Mortgagor to the Mortgagee to secure the Secured Obligations under any other deed of trust, mortgage, security agreement, pledge or instrument of any type, in the event of any conflict between the provisions hereof and the provisions of such other deed of trust, mortgage, security agreement, pledge or instrument of any type in respect of such collateral, the Mortgagee, in its sole discretion, shall select which provision or provisions shall control.

SECTION 11.4. Mortgagee May Perform. If the Mortgagor shall fail to perform any covenants contained in this Mortgage (including, without limitation, the Mortgagor's covenants to (i) pay the premiums in respect of all required insurance policies hereunder or under the Credit Agreement, (ii) pay Property Charges, (iii) make repairs, (iv) discharge Liens or (v) pay or perform any obligations of the Mortgagor under any Mortgaged Property) or if any warranty on the part of the Mortgagor contained herein shall be breached, the Mortgagee may (but shall not be obligated to), after five (5) Business Days notice to Mortgagor, do the same or cause it to be done or remedy any such breach, and may expend funds for such purpose; provided, however, that the Mortgagee shall in no event be bound to inquire into the validity of any tax, lien, imposition or other obligation which the Mortgagor fails to pay or perform as and when required hereby and which the Mortgagor does not contest in accordance with the provisions of the Credit Agreement. Any and all amounts so expended by the Mortgagee shall be paid by the Mortgagor in accordance with the provisions of Section 11.03 of the Credit Agreement. Neither the provisions of this Section 11.4 nor any action taken by the Mortgagee pursuant to the provisions of this Section 11.4 shall prevent any such failure to observe any covenant contained in this Mortgage nor any breach of warranty from constituting an Event of Default.

SECTION 11.5. Continuing Security Interest; Assignment. This Mortgage shall create a continuing Lien on and security interest in the Mortgaged Property and shall (i) be binding upon the Mortgagor, its successors and assigns, (ii) inure, together with the rights and remedies of the Mortgagee hereunder, to the benefit of the Mortgagee for the benefit of the Secured Parties and each of their respective successors, transferees and assigns and (iii) in the event there is more than one mortgagor party hereto, all undertakings hereunder shall be deemed joint and several. No other persons (including, without limitation, any other creditor of any Loan Party) shall have any interest herein or any right or benefit with respect hereto. Without limiting the generality of the foregoing clause (ii), but subject, however, to the provisions of the Credit Agreement, any Lender may assign or otherwise transfer any indebtedness held by it secured by this Mortgage to any other person, and such other person shall thereupon become vested with all the benefits in respect thereof granted to such Lender, herein or otherwise.

SECTION 11.6. Termination; Release. When all the Secured Obligations have been paid in full and the Commitments of the Lenders to make any Loan under the Credit Agreement shall have expired or been sooner terminated and all Letters of Credit have been terminated or cash collateralized in accordance with the provisions of the Credit Agreement, this Mortgage shall terminate. Upon termination hereof or any release of the Mortgaged Property or any portion thereof in accordance with the provisions of the Credit Agreement, the Mortgagee

shall, upon the request and at the sole cost and expense of the Mortgagor, forthwith assign, transfer and deliver to the Mortgagee, against receipt and without recourse to or warranty by the Mortgagee, such of the Mortgaged Property to be released (in the case of a release) as may be in possession of the Mortgagee and as shall not have been sold or otherwise applied pursuant to the terms hereof, and, with respect to any other Mortgaged Property, proper documents and instruments (including UCC-3 termination statements or releases) acknowledging the termination hereof or the release of such Mortgaged Property, as the case may be.

SECTION 11.7. Modification in Writing. No amendment, modification, supplement, termination or waiver of or to any provision hereof, nor consent to any departure by the Mortgagor therefrom, shall be effective unless the same shall be done in accordance with the terms of the Credit Agreement and unless in writing and signed by the Mortgagee. Any amendment, modification or supplement of or to any provision hereof, any waiver of any provision hereof and any consent to any departure by the Mortgagor from the terms of any provision hereof shall be effective only in the specific instance and for the specific purpose for which made or given. Except where notice is specifically required by this Mortgage or any other Loan Document, no notice to or demand on the Mortgagor in any case shall entitle the Mortgagee to any other or further notice or demand in similar or other circumstances.

SECTION 11.8. Notices. Unless otherwise provided herein or in the Credit Agreement, any notice or other communication herein required or permitted to be given shall be given in the manner and become effective as set forth in the Credit Agreement, if to the Mortgagor or the Mortgagee, addressed to it at the address set forth in the Credit Agreement, or in each case at such other address as shall be designated by such party in a written notice to the other party complying as to delivery with the terms of this Section 11.8.

SECTION 11.9. GOVERNING LAW; SERVICE OF PROCESS; WAIVER OF JURY TRIAL. THIS MORTGAGE SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE IN WHICH THE PREMISES ARE LOCATED, WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAWS, EXCEPT TO THE EXTENT THAT THE VALIDITY OR PERFECTION OF THE SECURITY INTEREST HEREUNDER, OR REMEDIES HEREUNDER, IN RESPECT OF ANY PARTICULAR ITEM OR TYPE OF MORTGAGED PROPERTY ARE GOVERNED BY THE LAWS OF A JURISDICTION OTHER THAN SUCH STATE. MORTGAGOR AGREES THAT SERVICE OF PROCESS IN ANY PROCEEDING MAY BE EFFECTED BY MAILING A COPY THEREOF BY REGISTERED OR CERTIFIED MAIL (OR ANY SUBSTANTIALLY SIMILAR FORM OF MAIL), POSTAGE PREPAID, TO BORROWER AT ITS ADDRESS SET FORTH IN THE CREDIT AGREEMENT OR AT SUCH OTHER ADDRESS OF WHICH THE MORTGAGEE SHALL HAVE BEEN NOTIFIED PURSUANT THERETO. IF ANY AGENT APPOINTED BY MORTGAGOR REFUSES TO ACCEPT SERVICE, MORTGAGOR HEREBY AGREES THAT SERVICE UPON IT BY MAIL SHALL CONSTITUTE SUFFICIENT NOTICE. NOTHING HEREIN SHALL AFFECT THE RIGHT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR SHALL LIMIT THE RIGHT OF MORTGAGEE TO BRING PROCEEDINGS AGAINST MORTGAGOR IN THE COURTS OF ANY OTHER JURISDICTION. THE MORTGAGOR HEREBY IRREVOCABLY WAIVES ALL RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING

OUT OF OR RELATING TO THIS MORTGAGE OR THE TRANSACTIONS CONTEMPLATED HEREBY.

SECTION 11.10. Severability of Provisions. Any provision hereof which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof or affecting the validity or enforceability of such provision in any other jurisdiction.

SECTION 11.11. Relationship. The relationship of the Mortgagee to the Mortgagor hereunder is strictly and solely that of lender and borrower and mortgagor and mortgagee and nothing contained in the Credit Agreement, this Mortgage or any other document or instrument now existing and delivered in connection therewith or otherwise in connection with the Secured Obligations is intended to create, or shall in any event or under any circumstance be construed as creating a partnership, joint venture, tenancy-in-common, joint tenancy or other relationship of any nature whatsoever between the Mortgagee and the Mortgagor other than as lender and borrower and mortgagor and mortgagee.

SECTION 11.12. No Credit for Payment of Taxes or Impositions. The Mortgagor shall not be entitled to any credit against the principal, premium, if any, or interest payable under the Credit Agreement, and the Mortgagor shall not be entitled to any credit against any other sums which may become payable under the terms thereof or hereof, by reason of the payment of any Property Charges on the Mortgaged Property or any part thereof.

SECTION 11.13. No Claims Against the Mortgagee. Nothing contained in this Mortgage shall constitute any consent or request by the Mortgagee, express or implied, for the performance of any labor or services or the furnishing of any materials or other property in respect of the Premises or any part thereof, nor as giving the Mortgagor any right, power or authority to contract for or permit the performance of any labor or services or the furnishing of any materials or other property in such fashion as would permit the making of any claim against the Mortgagee in respect thereof or any claim that any Lien based on the performance of such labor or services or the furnishing of any such materials or other property is prior to the Lien hereof.

SECTION 11.14. Mortgagee's Right To Sever Indebtedness.

(i) The Mortgagor acknowledges that (A) the Mortgaged Property does not constitute the sole source of security for the payment and performance of the Secured Obligations and that the Secured Obligations are also secured by property of the Mortgagor and its Affiliates in other jurisdictions (all such property, collectively, the "Collateral"), (B) the number of such jurisdictions and the nature of the transaction of which this instrument is a part are such that it would have been impracticable for the parties to allocate to each item of Collateral a specific loan amount and to execute in respect of such item a separate credit agreement and (C) the Mortgagor intends that the Mortgagee have the same rights with respect to the Mortgaged Property, in foreclosure or otherwise, that the Mortgagee would have had if each item of Collateral had been secured, mortgaged or pledged pursuant to a separate credit agreement, mortgage or security instrument. In furtherance of such intent, the Mortgagor agrees that the Mortgagee may at any time by notice (an "Allocation Notice") to the Mortgagor allocate

a portion (the "Allocated Indebtedness") of the Secured Obligations to the Mortgaged Property and sever from the remaining Secured Obligations the Allocated Indebtedness. From and after the giving of an Allocation Notice with respect to the Mortgaged Property, the Secured Obligations hereunder shall be limited to the extent set forth in the Allocation Notice and (as so limited) shall, for all purposes, be construed as a separate loan obligation of the Mortgagor unrelated to the other transactions contemplated by the Credit Agreement, any other Loan Document or any document related to any thereof. To the extent that the proceeds on any foreclosure of the Mortgaged Property shall exceed the Allocated Indebtedness, such proceeds shall belong to the Mortgagor and shall not be available hereunder to satisfy any Secured Obligations of the Mortgagor other than the Allocated Indebtedness. In any action or proceeding to foreclose the Lien hereof or in connection with any power of sale, foreclosure or other remedy exercised under this Mortgage commenced after the giving by the Mortgagee of an Allocation Notice, the Allocation Notice shall be conclusive proof of the limits of the Secured Obligations hereby secured, and the Mortgagor may introduce, by way of defense or counterclaim, evidence thereof in any such action or proceeding. Notwithstanding any provision of this Section 11.14, the proceeds received by the Mortgagee pursuant to this Mortgage shall be applied by the Mortgagee in accordance with the provisions of Section 8.03 of the Credit Agreement.

(ii) The Mortgagor hereby waives to the greatest extent permitted under law the right to a discharge of any of the Secured Obligations under any statute or rule of law now or hereafter in effect which provides that foreclosure of the Lien hereof or other remedy exercised under this Mortgage constitutes the exclusive means for satisfaction of the Secured Obligations or which makes unavailable a deficiency judgment or any subsequent remedy because the Mortgagee elected to proceed with a power of sale, foreclosure or such other remedy or because of any failure by the Mortgagee to comply with laws that prescribe conditions to the entitlement to a deficiency judgment. In the event that, notwithstanding the foregoing waiver, any court shall for any reason hold that the Mortgagee is not entitled to a deficiency judgment, the Mortgagor shall not (A) introduce in any other jurisdiction such judgment as a defense to enforcement against the Mortgagor of any remedy in the Credit Agreement or any other Loan Document or (B) seek to have such judgment recognized or entered in any other jurisdiction, and any such judgment shall in all events be limited in application only to the state or jurisdiction where rendered.

(iii) In the event any instrument in addition to the Allocation Notice is necessary to effectuate the provisions of this Section 11.14, including, without limitation, any amendment to this Mortgage, any substitute promissory note or affidavit or certificate of any kind, the Mortgagee may execute, deliver or record such instrument as the attorney-in-fact of the Mortgagor. Such power of attorney is coupled with an interest and is irrevocable.

(iv) Notwithstanding anything set forth herein to the contrary, the provisions of this Section 11.14 shall be effective only to the maximum extent permitted by law.

ARTICLE XII.

SECTION 12.2. Credit Agreement. In the event of any conflict between the Credit Agreement and this Mortgage, the provisions of the Credit Agreement shall govern and control.

- (A) in connection with the execution and delivery of such Lease (or of any amendment to such Lease), Rent thereunder may be collected and received in advance in an amount not in excess of three (3) months Rent;
- (B) the amount held by Landlord as a reasonable security deposit thereunder; and
- (C) any amount received and collected for escalation and other charges in accordance with the terms of such Lease;

(ii) assign, transfer or hypothecate (other than to the Mortgagee, and subject to the terms of the Intercreditor Agreement) any Rent under such Lease whether then due or to accrue in the future or the interest of the Mortgagor as Landlord under such Lease;

(iii) enter into any amendment or modification of any Lease if the same would not comply with the definition of Permitted Liens or could reasonably be expected to result in a Property Material Adverse Effect;

(iv) (a) terminate (whether by exercising any contractual right of the Mortgagor to recapture leased space or otherwise) or (b) permit the termination of such Lease or (c) accept surrender of all or any portion of the space demised under such Lease prior to the end of the term thereof or (d) accept assignment of such Lease to the Mortgagor unless the same would not cause a Property Material Adverse Effect (but with respect to clauses (b) and (c) hereof, Mortgagor shall not be required to obtain Mortgagee's prior written consent if the tenant under any such Lease possesses such rights as of the date hereof);

(v) waive, excuse, condone or in any manner discharge or release any Tenants of or from the obligations of such Tenants under their respective Leases or guarantors of Tenants from obligations under any guarantees of the Leases unless the same would not cause a Property Material Adverse Effect.

No Pledgor shall hereafter establish and maintain any Deposit Account unless such Bank and such Pledgor shall have duly executed and delivered to the Collateral Agent a Deposit Account Control Agreement with respect to such Deposit Account (other than Excluded Deposit Accounts and Deposit Accounts constituting Excluded Collateral). The Collateral Agent agrees with each Pledgor that the Collateral Agent shall not give any instructions directing the disposition of funds from time to time credited to any Deposit Account or withhold any withdrawal rights from such Pledgor with respect to funds from time to time credited to any Deposit Account unless an Event of Default has occurred and is continuing. The Collateral Agent agrees with each Pledgor that the Collateral Agent shall not give any Entitlement Orders or instructions or directions to any issuer of uncertificated securities, Securities Intermediary or Commodity Intermediary, and shall not withhold its consent to the exercise of any withdrawal or dealing rights by such Pledgor, unless an Event of Default has occurred and is continuing or, after giving effect to any such investment and withdrawal rights, would occur. The two immediately preceding sentences shall not apply to any Financial Assets credited to a Securities Account for which the Collateral Agent or any of its affiliates is the Securities Intermediary. No Pledgor shall grant Control over any Investment Property to any Person other than (i) the Collateral Agent, (ii) subject to the terms of the Intercreditor Agreement, the Revolving Credit Agent and (iii) in respect of any Deposit Account that holds only deposits posted by customers described in clause (j) of the definition of Excluded Collateral, such customers.

The requirement in the preceding sentence shall not apply to the extent that such amount, together with all amounts payable evidenced by Electronic Chattel Paper or any transferable record in which the Collateral Agent has not been vested control within the meaning of the statutes described in the immediately preceding sentence, does not exceed \$2,000,000 in the aggregate for all Pledgors. The Collateral Agent agrees with such Pledgor that the Collateral Agent will arrange, pursuant to procedures satisfactory to the Collateral Agent and so long as such procedures will not result in the Collateral Agent’s loss of control, for the Pledgor to make alterations to the Electronic Chattel Paper or transferable record permitted under Section 9-105 of the UCC or, as the case may be, Section 201 of the Federal Electronic Signatures in Global and National Commerce Act or Section 16 of the Uniform Electronic Transactions Act for a party in control to allow without loss of control, unless an Event of Default has occurred and is continuing or would occur after taking into account any action by such Pledgor with respect to such Electronic Chattel Paper or transferable record.

(e) Letter-of-Credit Rights. If any Pledgor is at any time a beneficiary under a Letter of Credit now or hereafter issued, such Pledgor shall promptly notify the Collateral Agent thereof and such Pledgor shall, at the request of the Collateral Agent, pursuant to an agreement in form and substance reasonably satisfactory to the Collateral Agent, either use commercially reasonable efforts to (i) arrange for the issuer and any confirmer of such Letter of Credit to consent to an assignment to the Collateral Agent of the proceeds of any drawing under the Letter of Credit or (ii) arrange for the Collateral Agent to become the transferee beneficiary of such Letter of Credit, with the Collateral Agent agreeing, in each case, that the proceeds of any drawing under the Letter of Credit are to be applied as provided in the Credit Agreement. The actions in the preceding sentence shall not be required to the extent that the amount of any such Letter of Credit, together with the aggregate amount of all other Letters of Credit for which the actions described above in clauses (i) and (ii) have not been taken, does not exceed \$2,500,000 in the aggregate for all Pledgors. No Pledgor shall grant Control of any Letter-of-Credit Right to any Person other than the Collateral Agent and, subject to the terms of the Intercreditor Agreement, the Revolving Credit Agents.

As of the date hereof, each Pledgor hereby represents and warrants that it holds no Commercial Tort Claims other than those listed in Schedule 13 to the Perfection Certificate and other than Commercial Tort Claims which do not exceed \$1,000,000 in the aggregate for all Pledgors. The requirement in the preceding sentence shall not apply to the extent that the amount of such Commercial Tort Claim, together with the amount of all other Commercial Tort Claims held by any Pledgor in which the Collateral Agent does not have a security interest, does not exceed \$5,000,000 in the aggregate for all Pledgors.

(g) Landlord's Access Agreements/Bailee Letters. If and to the extent reasonably requested by the Collateral Agent, each Pledgor shall use its commercially reasonable efforts to obtain as soon as practicable after such request with respect to each location where such Pledgor maintains Pledged Collateral, a Bailee Letter and/or Landlord Access Agreement, as applicable, and use commercially reasonable efforts to obtain a Bailee Letter, Landlord Access Agreement and/or landlord's lien waiver, as applicable, from all such bailees and landlords, as applicable, who from time to time have possession of any Pledged Collateral. A waiver of bailee's lien shall not be required if the value of the Pledged Collateral held by such bailee is less than \$500,000, provided that the aggregate value of the Pledged Collateral held by all bailees who have not delivered a Bailee Letter is less than \$2,500,000 in the aggregate.

SECTION 3.5. Joinder of Additional Guarantors. The Pledgors shall cause each Subsidiary of the Borrower that is either (x) organized under the laws of the United States or any state thereof or the District of Columbia and required to become a party to this Agreement or to otherwise pledge any assets to the Collateral Agent for the benefit of the Secured Parties pursuant to the provisions of the Credit Agreement or (y) a Foreign Subsidiary and is required to become a party to this Agreement pursuant to Section 5.11(e) of the Credit Agreement to execute and deliver to the Collateral Agent (i) a Joinder Agreement substantially in the form of Exhibit 3 hereto within thirty days (or such longer period as may be determined by the Collateral Agent in its sole discretion) of the date on which it became a wholly owned Restricted Subsidiary, ceased to be an Excluded Collateral Subsidiary or was required to become a Loan Party or a party to this Agreement by operation of the provisions of Sections 5.11(b), (d) or (e) of the Credit Agreement, as the case may be, and (ii) a Perfection Certificate, in each case, within thirty days (or such longer period as may be determined by the Collateral Agent in its sole discretion) of the date on which it became a wholly owned Restricted Subsidiary, ceased to be an Excluded Collateral Subsidiary or was required to become a Loan Party or a party to this Agreement by operation of the provisions of Sections 5.11(b), (d) or (e) of the Credit Agreement, as the case may be, and, in each case, upon such execution and delivery, such Restricted Subsidiary shall constitute a "Guarantor" and a "Pledgor" for all purposes hereunder with the same force and effect as if originally named as a Guarantor and Pledgor herein. In the case of a wholly owned Restricted Subsidiary organized outside of the United States that is required to become a party to this Agreement pursuant to Section 5.11(e) of the Credit Agreement, such Restricted Subsidiary shall also execute and deliver to the Collateral Agent such additional documentation as the Collateral Agent shall reasonably request to provide for perfected and valid liens on its assets in the jurisdiction where it is organized or doing business. The execution and delivery of such Joinder Agreement shall not require the consent of any Pledgor hereunder. The rights and obligations of each Pledgor hereunder shall remain in full force and effect notwithstanding the addition of any new Guarantor and Pledgor as a party to this Agreement.

SECTION 3.6. Supplements; Further Assurances. Each Pledgor shall take such further actions, and execute and/or deliver to the Collateral Agent such additional financing statements, amendments, assignments, agreements, supplements, powers and instruments, as the Collateral Agent may in its reasonable judgment deem necessary or appropriate in order to create, perfect, preserve and protect the security interest in the Pledged Collateral as provided herein and the rights and interests granted to the Collateral Agent hereunder, to carry into effect the purposes hereof or better to assure and confirm the validity, enforceability and priority of the Collateral Agent's security interest in the Pledged Collateral or permit the Collateral Agent to exercise and enforce its rights, powers and remedies hereunder with respect to any Pledged Collateral, including the filing of financing statements, continuation statements and other documents (including this Agreement) under the Uniform Commercial Code (or other similar laws) in effect in any jurisdiction with respect to the security interest created hereby and the execution and delivery of Control Agreements, all in form and substance reasonably satisfactory to the Collateral Agent and in such offices (including the United States Patent and Trademark Office and the United States Copyright Office) wherever required by law to perfect, continue and maintain the validity, enforceability and priority of the security interest in the Pledged Collateral as provided herein and to preserve the other rights and interests granted to the Collateral Agent hereunder, as against third parties, with respect to the Pledged Collateral. Without limiting the generality of the foregoing, each Pledgor shall make, execute, endorse, acknowledge, file or refile and/or deliver to the Collateral Agent from time to time upon reasonable request by the Collateral Agent such lists, schedules, descriptions and designations of the Pledged Collateral, copies of warehouse receipts, receipts in the nature of warehouse receipts, bills of lading, documents of title, vouchers, invoices, schedules, confirmatory assignments, supplements, additional security agreements, conveyances, financing statements, transfer endorsements, powers of attorney, certificates, reports and other assurances or instruments as the Collateral Agent shall reasonably request. If an Event of Default has occurred and is continuing, the Collateral Agent may institute and maintain, in its own name or in the name of any Pledgor, such suits and proceedings as the Collateral Agent may be advised by counsel shall be necessary or expedient to prevent any impairment of the security interest in or the perfection thereof in the Pledged Collateral. All of the foregoing shall be at the sole cost and expense of the Pledgors.

ARTICLE IV  
REPRESENTATIONS, WARRANTIES AND COVENANTS

Each Pledgor represents, warrants and covenants as follows:

SECTION 4.1. Title. Except for the security interest granted to the Collateral Agent for the ratable benefit of the Secured Parties pursuant to this Agreement and Permitted Liens, such Pledgor owns and has rights and, as to Pledged Collateral acquired by it from time to time after the date hereof, will own and have rights in each item of Pledged Collateral pledged by it hereunder, free and clear of any and all Liens or claims of others. In addition, no Liens or claims exist on the Securities Collateral, other than Permitted Liens that are permitted to attach to Securities Collateral pursuant to Section 6.02 of the Credit Agreement.

SECTION 4.2. Validity of Security Interest. The security interest in and Lien on the Pledged Collateral granted to the Collateral Agent for the benefit of the Secured Parties hereunder constitutes (a) a legal and valid security interest in all the Pledged Collateral securing the payment and

The security interest and Lien granted to the Collateral Agent for the benefit of the Secured Parties pursuant to this Agreement in and on the Pledged Collateral will at all times constitute a perfected, continuing First Priority security interest therein (other than any Pledged Collateral the cost of which the Collateral Agent reasonably determines, in its sole discretion, outweighs the benefit of obtaining such perfection).

SECTION 4.3. Defense of Claims; Transferability of Pledged Collateral. Except to the extent otherwise permitted by Section 5.05 of the Credit Agreement, each Pledgor shall, at its own cost and expense, defend title to the Pledged Collateral pledged by it hereunder and the security interest therein and Lien thereon granted to the Collateral Agent and the priority thereof against all claims and demands of all Persons, at its own cost and expense, at any time claiming any interest therein adverse to the Collateral Agent or any other Secured Party other than Permitted Encumbrances. Except as permitted by the Credit Agreement, there is no agreement, order, judgment or decree, and no Pledgor shall enter into any agreement or take any other action, that would restrict the transferability of any of the Pledged Collateral or otherwise impair or conflict with such Pledgor's obligations or the rights of the Collateral Agent hereunder.

SECTION 4.4. Other Financing Statements. It has not filed, nor authorized any third party to file, any valid or effective financing statement (or similar statement, instrument of registration or public notice under the law of any jurisdiction) covering or purporting to cover any interest of any kind in the Pledged Collateral, except such as have been filed in favor of the Collateral Agent pursuant to this Agreement, in favor of the Revolving Credit Collateral Agent or in favor of any holder of a Permitted Encumbrance with respect to such Permitted Encumbrance or financing statements or public notices relating to the termination statements listed on Schedule 7 to the Perfection Certificate or relating to Liens permitted by Section 6.02 of the Credit Agreement.

SECTION 4.5. [INTENTIONALLY OMITTED]

SECTION 4.6. Due Authorization and Issuance. All of the Pledged Securities existing on the date hereof have been, and to the extent any Pledged Securities are hereafter issued, such Pledged Securities will be, upon such issuance, duly authorized, validly issued and fully paid and non-assessable to the extent applicable. There is no amount or other obligation owing by any Pledgor to any issuer of the Pledged Securities in exchange for or in connection with the issuance of the Pledged Securities or any Pledgor's status as a partner or a member of any issuer of the Pledged Securities.

SECTION 4.7. Consents, etc. In the event that the Collateral Agent desires to exercise any remedies, voting or consensual rights or attorney-in-fact powers set forth in this Agreement and determines it necessary to obtain any approvals or consents of any Governmental Authority or any other Person therefor, then, upon the reasonable request of the Collateral Agent, such Pledgor agrees to use its best efforts to assist and aid the Collateral Agent to obtain as soon as practicable any necessary approvals or consents for the exercise of any such remedies, rights and powers.

In the event that the proceeds of any insurance claim are paid to any Pledgor after the Collateral Agent has exercised its right to foreclose after an Event of Default, such Net Cash Proceeds shall be held in trust for the benefit of the Collateral Agent and immediately after receipt thereof shall be paid to the Collateral Agent for application in accordance with the Credit Agreement.

For the purpose of enabling the Collateral Agent, during the continuance of an Event of Default, to exercise rights and remedies under Article IX hereof at such time as the Collateral Agent shall be lawfully entitled to exercise such rights and remedies, and for no other purpose, each Pledgor hereby grants to the Collateral Agent an irrevocable, non-exclusive license and, to the extent permitted under Intellectual Property Licenses granting such Pledgor rights in Intellectual Property, sublicense (in each case, exercisable without payment of royalties or other compensation to such Pledgor) to use, license or sublicense any of the Intellectual Property Collateral now owned or hereafter acquired by such Pledgor, wherever the same may be located; provided that the quality of any products in connection with which the Trademarks are used will not be materially inferior to the quality of such products prior to such Event of Default. Such license shall include access to all media in which any of the licensed items may be recorded or stored and to all computer programs used for the compilation or printout hereof.

SECTION 6.2. Protection and Maintenance of Intellectual Property Collateral. On a continuing basis, each Pledgor shall, at its sole cost and expense, (i) within thirty (30) days of its becoming aware thereof, notify the Collateral Agent of any adverse determination in any proceeding (not including office or other matters in the ordinary course of prosecution before the United States Patent and Trademark Office or the United States Copyright Office or any foreign counterpart) or the institution of any proceeding in any federal, state or local court or administrative body or in the United States Patent and Trademark Office or the United States Copyright Office regarding any Material Intellectual Property Collateral, such Pledgor's right to register such Material Intellectual Property Collateral or its right to keep and maintain such Material Intellectual Property Collateral in full force and effect, (ii) maintain all Material Intellectual Property Collateral as presently used and operated, except as shall be consistent with commercially reasonable business judgment, (iii) not permit to lapse or become abandoned any Material Intellectual Property Collateral, (iv) take action to prosecute infringers and violators of Material Intellectual Property Collateral, and not settle or compromise any pending or future litigation or administrative proceeding with respect to any Material Intellectual Property Collateral, in each case, except as shall be consistent with commercially reasonable business judgment, (v) not license (a) any Material Intellectual Property Collateral in a manner that would materially impair the value of such Material Intellectual Property Collateral or (b) any Intellectual Property Collateral in a manner that impairs the Lien on and security interest in the Intellectual Property Collateral created hereby, in each case without the consent of the Collateral Agent, (vi) diligently keep adequate records respecting all Intellectual Property Collateral, (vii) without limiting the Collateral Agent's rights and each Pledgor's obligations under Section 6.3 below, furnish to the Collateral Agent from time to time upon the Collateral

SECTION 6.3. After-Acquired Property. If any Pledgor shall at any time after the date hereof (i) obtain any ownership or other rights in and/or to any additional Intellectual Property (including trademark applications for which evidence of the use of such trademarks in interstate commerce has been submitted to and accepted by the United States Patent and Trademark Office pursuant to 15 U.S.C. Section 1060(a) (or a successor provision)) or (ii) become entitled to the benefit of any additional Intellectual Property or any renewal or extension thereof, including any reissue, division, continuation, or continuation-in-part of any Intellectual Property Collateral, or any improvement on any Intellectual Property Collateral, the provisions of this Agreement shall automatically apply thereto and any such item described in the preceding clause (i) or (ii) (other than any Excluded Property) shall automatically constitute Intellectual Property Collateral as if such would have constituted Intellectual Property Collateral at the time of execution hereof and such Intellectual Property (other than any Excluded Property) shall be subject to the Lien and security interest created by this Agreement without further action by any party. Concurrently with the delivery of each Compliance Certificate pursuant to Section 5.01(d) of the Credit Agreement, each Pledgor shall provide to the Collateral Agent written notice of any of the foregoing Intellectual Property owned by such Pledgor which is the subject of a registration or application and confirm the attachment of the Lien and security interest created by this Agreement to any rights described in clauses (i) and (ii) above by the delivery of an executed instrument or other statement(s) in form and substance reasonably acceptable to the Collateral Agent as shall be reasonably necessary to create, record, preserve, protect or perfect the Collateral Agent's lien and security interest in such Intellectual Property. Further, each Pledgor authorizes the Collateral Agent to modify this Agreement by amending Schedules 12(a) and 12(b) to the Perfection Certificate to include any Intellectual Property Collateral of such Pledgor acquired or arising after the date hereof.

SECTION 6.4. Litigation. Upon the occurrence and during the continuance of any Event of Default, the Collateral Agent shall have the right but shall in no way be obligated to file applications for protection of the Intellectual Property Collateral and/or bring suit in the name of any Pledgor, the Collateral Agent or the Secured Parties to enforce the Intellectual Property Collateral and any license thereunder. In the event of such suit, after an Event of Default, each Pledgor shall, at the reasonable request of the Collateral Agent, do any and all lawful acts and execute any and all documents requested by the Collateral Agent in aid of such enforcement and the Pledgors shall promptly reimburse and indemnify the Collateral Agent for all costs and expenses incurred by the Collateral Agent in the exercise of its rights under this Section 6.4 in accordance with Section 11.03 of the Credit Agreement. In

the event that the Collateral Agent shall elect not to bring suit to enforce the Intellectual Property Collateral, each Pledgor agrees, at the reasonable request of the Collateral Agent, to take all commercially reasonable actions necessary, whether by suit, proceeding or other action, to prevent the infringement, counterfeiting, unfair competition, dilution, diminution in value of or other damage to any of the Intellectual Property Collateral by any Person.

## ARTICLE VII

### CERTAIN PROVISIONS CONCERNING RECEIVABLES

Each Pledgor shall keep and maintain at its own cost and expense complete records of Receivables in all material respects, in a manner consistent with prudent business practice, including records of all payments received, all credits granted thereon, all merchandise returned and all other documentation relating thereto. Each Pledgor shall, at such Pledgor's sole cost and expense, upon the Collateral Agent's demand made at any time after the occurrence and during the continuance of any Event of Default, deliver all tangible evidence of Receivables, including all documents evidencing Receivables and any books and records relating thereto to the Collateral Agent or to its representatives (copies of which evidence and books and records may be retained by such Pledgor). Upon the occurrence and during the continuance of any Event of Default, the Collateral Agent may transfer a full and complete copy of any Pledgor's books, records, credit information, reports, memoranda and all other writings relating to the Receivables to and for the use by any Person that has acquired or is contemplating acquisition of an interest in the Receivables or the Collateral Agent's security interest therein without the consent of any Pledgor.

SECTION 7.2. Modification of Terms, etc. No Pledgor shall rescind or cancel any obligations evidenced by any Receivable or modify any term thereof or make any adjustment, discount, credit, rebate or reduction with respect thereto except in the ordinary course of business consistent with prudent business practice except as may be permitted by any Loan Document, or extend or renew any such obligations except in the ordinary course of business consistent with prudent business practice or compromise or settle any dispute, claim, suit or legal proceeding relating thereto or sell any Receivable or interest therein except in the ordinary course of business consistent with prudent business practice except as may be permitted by any Loan Documents, without the prior written consent of the Collateral Agent. Each Pledgor shall timely fulfill all obligations on its part to be fulfilled under or in connection with the Receivables except as may be otherwise consistent with the exercise of reasonable business judgment in the ordinary course of business.

SECTION 7.3. Collection. collection practices as in effect from time to time. The costs and expenses (including attorneys' fees) of collection, in any case, whether incurred by any Pledgor, the Collateral Agent or any Secured Party, shall be paid by the Pledgors.

ARTICLE VIII  
TRANSFERS

SECTION 8.1. Transfers of Pledged Collateral. No Pledgor shall sell, convey, assign or otherwise dispose of, or grant any option with respect to, any of the Pledged Collateral pledged by it hereunder except as not prohibited by the Credit Agreement.

ARTICLE IX  
REMEDIES

SECTION 9.1. Remedies. Upon the occurrence and during the continuance of any Event of Default, the Collateral Agent may from time to time (alternatively, successively or concurrently on any one or more occasions) exercise in respect of the Pledged Collateral, in addition to the other rights and remedies provided for herein, under the other Loan Documents, or otherwise available to it, the following remedies:

(i) Personally, or by agents or attorneys, immediately take possession of the Pledged Collateral or any part thereof, from any Pledgor or any other Person who then has possession of any part thereof with or without notice or process of law, and for that purpose may enter upon any Pledgor's premises where any of the Pledged Collateral is located, remove such Pledged Collateral, remain present at such premises to receive copies of all communications and remittances relating to the Pledged Collateral and use in connection with such removal and possession any and all services, supplies, aids and other facilities of any Pledgor;

(ii) Demand, sue for, collect or receive any money or property at any time payable or receivable in respect of the Pledged Collateral including instructing the obligor or obligors on any agreement, instrument or other obligation constituting part of the Pledged Collateral to make any payment required by the terms of such agreement, instrument or other obligation directly to the Collateral Agent, and in connection with any of the foregoing, compromise, settle, extend the time for payment and make other modifications with respect thereto; provided, however, that in the event that any such payments are made directly to any Pledgor, prior to receipt by any such obligor of such instruction, such Pledgor shall segregate all amounts received pursuant thereto in trust for the benefit of the Collateral Agent and shall promptly (but in no event later than one Business Day after receipt thereof) pay such amounts to the Collateral Agent;

(iii) Sell, assign, grant a license to use or otherwise liquidate and dispose of, or direct any Pledgor to sell, assign, grant a license to use or otherwise liquidate and dispose of, any and all investments made in whole or in part with the Pledged Collateral or any part thereof, and take possession of the proceeds of any such sale, assignment, license, liquidation or disposition;

(iv) Take possession of the Pledged Collateral or any part thereof, by directing any Pledgor in writing to deliver the same to the Collateral Agent at any place or places so designated by the Collateral Agent, in which event such Pledgor shall at its own expense: (A) forthwith cause the same to be moved to the place or places designated by the Collateral Agent and therewith delivered to the Collateral Agent, (B) store and keep any Pledged Collateral so delivered to the Collateral Agent at such place or places pending further action by the Collateral Agent and (C) while the Pledged Collateral shall be so stored and kept, provide such security and maintenance services as shall be necessary to protect the same and to preserve and maintain them in good condition. Each Pledgor's obligation to deliver the Pledged Collateral as contemplated in this Section 9.1(iv) is of the essence hereof. Upon application to a court of equity having jurisdiction, the Collateral Agent shall be entitled to a decree requiring specific performance by any Pledgor of such obligation;

(v) Withdraw all moneys, instruments, securities and other property in any bank, financial securities, deposit or other account of any Pledgor constituting Pledged Collateral for application to the Secured Obligations as provided in Article X hereof;

(vi) Retain and apply the Distributions to the Secured Obligations as provided in Article X hereof;

(vii) Exercise any and all rights as beneficial and legal owner of the Pledged Collateral, including perfecting assignment of and exercising any and all voting, consensual and other rights and powers with respect to any Pledged Collateral;

(viii) In the Collateral Agent's own name, in the name of a nominee of the Collateral Agent, or in the name of any Pledgor, communicate (by mail, telephone, facsimile or otherwise) with the Account Debtors and other obligors in respect of Receivables of such Pledgor and parties to contracts with such Pledgor, to verify with such Persons, to the Collateral Agent's satisfaction, the existence, amount, terms of, and any other matter relating to, Accounts, Chattel Paper, Payment Intangibles, General Intangibles, Instruments and other Receivables that are Pledged Collateral; and

(ix) Exercise all the rights and remedies of a secured creditor upon a default under the UCC, and the Collateral Agent may also in its sole discretion, without notice except as specified in Section 9.2 hereof, sell, assign or grant a license to use the Pledged Collateral or any part thereof in one or more parcels at public or private sale, at any exchange, broker's board or at any of the Collateral Agent's offices or elsewhere, for cash, on credit or for future delivery, and at such price or prices and upon such other terms as the Collateral Agent may deem commercially reasonable. The Collateral Agent may be the purchaser, licensee, assignee or recipient of the Pledged Collateral or any part thereof at any such sale and shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Pledged Collateral sold, assigned or licensed at such sale, to use and apply any of the Secured Obligations as a credit on account of the purchase price of the Pledged Collateral or any part thereof payable at such sale. Each purchaser, assignee, licensee or recipient at any such sale shall acquire the property sold, assigned or licensed absolutely free from any claim or right on the part of any Pledgor, and each Pledgor hereby waives, to the fullest extent permitted by law, all rights of redemption, stay and/or appraisal which it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. The Collateral Agent shall not be obligated to make any sale of the Pledged Collateral or any part thereof regardless of notice of sale having been given. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. Each Pledgor hereby waives, to the fullest extent permitted by law, any claims against the

Collateral Agent arising by reason of the fact that the price at which the Pledged Collateral or any part thereof may have been sold, assigned or licensed at such a private sale was less than the price which might have been obtained at a public sale, even if the Collateral Agent accepts the first offer received and does not offer such Pledged Collateral to more than one offeree.

SECTION 9.2. Notice of Sale. Each Pledgor acknowledges and agrees that, to the extent notice of sale or other disposition of the Pledged Collateral or any part thereof shall be required by law, 10 days' prior notice to such Pledgor of the time and place of any public sale or of the time after which any private sale or other intended disposition is to take place shall be commercially reasonable notification of such matters. No notification need be given to any Pledgor if it has signed, after the occurrence of an Event of Default, a statement renouncing or modifying any right to notification of sale or other intended disposition.

SECTION 9.3. Waiver of Notice and Claims. Each Pledgor hereby waives, to the fullest extent permitted by applicable law, notice or judicial hearing in connection with the Collateral Agent's taking possession or the Collateral Agent's disposition of the Pledged Collateral or any part thereof, including any and all prior notice and hearing for any prejudgment remedy or remedies and any such right which such Pledgor would otherwise have under law, and each Pledgor hereby further waives, to the fullest extent permitted by applicable law: (i) all damages occasioned by such taking of possession, (ii) all other requirements as to the time, place and terms of sale or other requirements with respect to the enforcement of the Collateral Agent's rights hereunder and (iii) all rights of redemption, appraisal, valuation, stay, extension or moratorium now or hereafter in force under any applicable law. The Collateral Agent shall not be liable for any incorrect or improper payment made pursuant to this Article IX in the absence of gross negligence or willful misconduct on the part of the Collateral Agent. Any sale of, or the grant of options to purchase, or any other realization upon, any Pledged Collateral shall operate to divest all right, title, interest, claim and demand, either at law or in equity, of the applicable Pledgor therein and thereto, and shall be a perpetual bar both at law and in equity against such Pledgor and against any and all Persons claiming or attempting to claim the Pledged Collateral so sold, optioned or realized upon, or any part thereof, from, through or under such Pledgor.

SECTION 9.4. Certain Sales of Pledged Collateral.

(a) Each Pledgor recognizes that, by reason of certain prohibitions contained in law, rules, regulations or orders of any Governmental Authority, the Collateral Agent may be compelled, with respect to any sale of all or any part of the Pledged Collateral, to limit purchasers to those who meet the requirements of such Governmental Authority. Each Pledgor acknowledges that any such sales may be at prices and on terms less favorable to the Collateral Agent than those obtainable through a public sale without such restrictions, and, notwithstanding such circumstances, agrees that any such restricted sale shall be deemed to have been made in a commercially reasonable manner and that, except as may be required by applicable law, the Collateral Agent shall have no obligation to engage in public sales.

(b) Each Pledgor recognizes that, by reason of certain prohibitions contained in the Securities Act, and applicable state securities laws, the Collateral Agent may be compelled, with respect to any sale of all or any part of the Securities Collateral and Investment Property, to limit purchasers to Persons who will agree, among other things, to acquire such Securities Collateral or Investment Property for their own account, for investment and not with a view to the distribution or resale thereof. Each Pledgor acknowledges that any such private sales may be at prices and on terms less favorable to the Collateral Agent than those obtainable through a public sale without such restrictions (including a public offering made pursuant to a registration statement under the Securities Act), and, notwithstanding such

circumstances, agrees that any such private sale shall be deemed to have been made in a commercially reasonable manner and that the Collateral Agent shall have no obligation to engage in public sales and no obligation to delay the sale of any Securities Collateral or Investment Property for the period of time necessary to permit the issuer thereof to register it for a form of public sale requiring registration under the Securities Act or under applicable state securities laws, even if such issuer would agree to do so.

(c) Notwithstanding the foregoing, each Pledgor shall, upon the occurrence and during the continuance of any Event of Default, at the reasonable request of the Collateral Agent, for the benefit of the Secured Parties, cause any registration, qualification under or compliance with any federal or state securities law or laws to be effected with respect to all or any part of the Securities Collateral as soon as practicable and at the sole cost and expense of the Pledgors. Each Pledgor will use its commercially reasonable efforts to cause such registration to be effected (and be kept effective) and will use its commercially reasonable efforts to cause such qualification and compliance to be effected (and be kept effective) as may be so requested and as would permit or facilitate the sale and distribution of such Securities Collateral including registration under the Securities Act (or any similar statute then in effect), appropriate qualifications under applicable blue sky or other state securities laws and appropriate compliance with all other requirements of any Governmental Authority. Each Pledgor shall use its commercially reasonable efforts to cause the Collateral Agent to be kept advised in writing as to the progress of each such registration, qualification or compliance and as to the completion thereof, shall furnish to the Collateral Agent such number of prospectuses, offering circulars or other documents incident thereto as the Collateral Agent from time to time may request, and shall indemnify and shall cause the issuer of the Securities Collateral to indemnify the Collateral Agent and all others participating in the distribution of such Securities Collateral against all claims, losses, damages and liabilities caused by any untrue statement (or alleged untrue statement) of a material fact contained therein (or in any related registration statement, notification or the like) or by any omission (or alleged omission) to state therein (or in any related registration statement, notification or the like) a material fact required to be stated therein or necessary to make the statements therein not misleading.

(d) If the Collateral Agent determines to exercise its right to sell any or all of the Securities Collateral or Investment Property, upon written request, the applicable Pledgor shall from time to time furnish to the Collateral Agent all such information as the Collateral Agent may request in order to determine the number of securities included in the Securities Collateral or Investment Property which may be sold by the Collateral Agent as exempt transactions under the Securities Act and the rules of the Securities and Exchange Commission thereunder, as the same are from time to time in effect.

(e) Each Pledgor further agrees that a breach of any of the covenants contained in this Section 9.4 will cause irreparable injury to the Collateral Agent and the other Secured Parties, that the Collateral Agent and the other Secured Parties have no adequate remedy at law in respect of such breach and, as a consequence, that each and every covenant contained in this Section 9.4 shall be specifically enforceable against such Pledgor, and such Pledgor hereby waives and agrees not to assert any defenses against an action for specific performance of such covenants except for a defense that no Event of Default has occurred and is continuing.

**SECTION 9.5. No Waiver; Cumulative Remedies.**

(a) No failure on the part of the Collateral Agent to exercise, no course of dealing with respect to, and no delay on the part of the Collateral Agent in exercising, any right, power or remedy hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any such right, power, privilege or remedy hereunder preclude any other or further exercise thereof or the exercise of any

other right, power, privilege or remedy; nor shall the Collateral Agent be required to look first to, enforce or exhaust any other security, collateral or guaranties. All rights and remedies herein provided are cumulative and are not exclusive of any rights or remedies provided by law or otherwise available.

(b) In the event that the Collateral Agent shall have instituted any proceeding to enforce any right, power, privilege or remedy under this Agreement or any other Loan Document by foreclosure, sale, entry or otherwise, and such proceeding shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Collateral Agent, then and in every such case, the Pledgors, the Collateral Agent and each other Secured Party shall be restored to their respective former positions and rights hereunder with respect to the Pledged Collateral, and all rights, remedies, privileges and powers of the Collateral Agent and the other Secured Parties shall continue as if no such proceeding had been instituted.

SECTION 9.6. Certain Additional Actions Regarding Intellectual Property. If any Event of Default shall have occurred and be continuing, upon the written demand of the Collateral Agent, each Pledgor shall execute and deliver to the Collateral Agent an assignment or assignments of such Pledgor's rights in the Intellectual Property Collateral, in recordable form with respect to those items of the Intellectual Property Collateral consisting of registered Patents, Trademarks and/or Copyrights (or applications therefor) and such other documents as are necessary or appropriate to carry out the intent and purposes hereof. Within five Business Days of written notice thereafter from the Collateral Agent, each Pledgor shall make available to the Collateral Agent, to the extent within such Pledgor's power and authority, such personnel in such Pledgor's employ on the date of the Event of Default as the Collateral Agent may reasonably designate to permit such Pledgor to continue, directly or indirectly, to produce, advertise and sell the products and services sold by such Pledgor under the registered Patents, Trademarks and/or Copyrights of such Pledgor, and such Persons shall be available to perform their prior functions on the Collateral Agent's behalf.

## ARTICLE X

### APPLICATION OF PROCEEDS

SECTION 10.1. Application of Proceeds. Subject to the terms of the Intercreditor Agreement, the proceeds received by the Collateral Agent in respect of any sale of, collection from or other realization upon all or any part of the Pledged Collateral pursuant to the exercise by the Collateral Agent of its remedies shall be applied, together with any other sums then held by the Collateral Agent pursuant to this Agreement, in accordance with the Credit Agreement.

## ARTICLE XI

### MISCELLANEOUS

#### SECTION 11.1. Concerning Collateral Agent.

(a) The Collateral Agent has been appointed as collateral agent pursuant to the Credit Agreement. The actions of the Collateral Agent hereunder are subject to the provisions of the Credit Agreement. The Collateral Agent shall have the right hereunder to make demands, to give notices,

to exercise or refrain from exercising any rights, and to take or refrain from taking action (including the release or substitution of the Pledged Collateral), in accordance with this Agreement and the Credit Agreement. The Collateral Agent may employ agents and attorneys-in-fact in connection herewith and shall not be liable for the negligence or misconduct of any such agents or attorneys-in-fact selected by it in good faith. The Collateral Agent may resign and a successor Collateral Agent may be appointed in the manner provided in the Credit Agreement. Upon the acceptance of any appointment as the Collateral Agent by a successor Collateral Agent, that successor Collateral Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Collateral Agent under this Agreement, and the retiring Collateral Agent shall thereupon be discharged from its duties and obligations under this Agreement. After any retiring Collateral Agent's resignation, the provisions hereof shall inure to its benefit as to any actions taken or omitted to be taken by it under this Agreement while it was the Collateral Agent.

(b) The Collateral Agent shall be deemed to have exercised reasonable care in the custody and preservation of the Pledged Collateral in its possession if such Pledged Collateral is accorded treatment substantially equivalent to that which the Collateral Agent, in its individual capacity, accords its own property consisting of similar instruments or interests, it being understood that neither the Collateral Agent nor any of the Secured Parties shall have responsibility for (i) ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relating to any Securities Collateral, whether or not the Collateral Agent or any other Secured Party has or is deemed to have knowledge of such matters or (ii) taking any necessary steps to preserve rights against any Person with respect to any Pledged Collateral.

(c) The Collateral Agent shall be entitled to rely upon any written notice, statement, certificate, order or other document or any telephone message believed by it to be genuine and correct and to have been signed, sent or made by the proper Person, and, with respect to all matters pertaining to this Agreement and its duties hereunder, upon advice of counsel selected by it.

(d) Except as otherwise provided in Sections 11.17 and 11.18 hereof, if any item of Pledged Collateral also constitutes collateral granted to the Collateral Agent under any other deed of trust, mortgage, security agreement, pledge or instrument of any type, in the event of any conflict between the provisions hereof and the provisions of such other deed of trust, mortgage, security agreement, pledge or instrument of any type in respect of such collateral, the Collateral Agent, in its sole discretion, shall select which provision or provisions shall control.

(e) The Collateral Agent may rely on advice of counsel as to whether any or all UCC financing statements of the Pledgors need to be amended as a result of any of the changes described in Section 5.13 of the Credit Agreement. If any Pledgor fails to provide information to the Collateral Agent about such changes on a timely basis, the Collateral Agent shall not be liable or responsible to any party for any failure to maintain a perfected security interest in such Pledgor's property constituting Pledged Collateral, for which the Collateral Agent needed to have information relating to such changes. The Collateral Agent shall have no duty to inquire about such changes if any Pledgor does not inform the Collateral Agent of such changes, the parties acknowledging and agreeing that it would not be feasible or practical for the Collateral Agent to search for information on such changes if such information is not provided by any Pledgor.

SECTION 11.2. Collateral Agent May Perform; Collateral Agent Appointed Attorney-in-Fact. If any Pledgor shall fail to perform any covenants contained in this Agreement (including such Pledgor's covenants to (i) pay the premiums in respect of all required insurance policies

hereunder, (ii) pay and discharge any taxes, assessments and special assessments, levies, fees and governmental charges imposed upon or assessed against, and landlords', carriers', mechanics', workmen's, repairmen's, laborers', materialmen's, suppliers' and warehousemen's Liens and other claims arising by operation of law against, all or any portion of the Pledged Collateral, (iii) make repairs, (iv) discharge Liens or (v) pay or perform any obligations of such Pledgor under any Pledged Collateral) or if any representation or warranty on the part of any Pledgor contained herein shall be breached, the Collateral Agent may (but shall not be obligated to) do the same or cause it to be done or remedy any such breach, and may expend funds for such purpose; provided, however, that the Collateral Agent shall in no event be bound to inquire into the validity of any tax, Lien, imposition or other obligation which such Pledgor fails to pay or perform as and when required hereby and which such Pledgor does not contest in accordance with the provisions of the Credit Agreement. Any and all amounts so expended by the Collateral Agent shall be paid by the Pledgors in accordance with the provisions of Section 11.03 of the Credit Agreement. Neither the provisions of this Section 11.2 nor any action taken by the Collateral Agent pursuant to the provisions of this Section 11.2 shall prevent any such failure to observe any covenant contained in this Agreement nor any breach of representation or warranty from constituting an Event of Default. Each Pledgor hereby appoints the Collateral Agent its attorney-in-fact, with full power and authority in the place and stead of such Pledgor and in the name of such Pledgor, or otherwise, from time to time in the Collateral Agent's discretion to take any action and to execute any instrument consistent with the terms of the Credit Agreement, this Agreement and the other Security Documents which the Collateral Agent may deem necessary or advisable to accomplish the purposes hereof (but the Collateral Agent shall not be obligated to and shall have no liability to such Pledgor or any third party for failure to so do or take action). The foregoing grant of authority is a power of attorney coupled with an interest and such appointment shall be irrevocable for the term hereof. Each Pledgor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof.

SECTION 11.3. Continuing Security Interest; Assignment. This Agreement shall create a continuing security interest in the Pledged Collateral and shall (i) be binding upon the Pledgors, their respective successors and assigns and (ii) inure, together with the rights and remedies of the Collateral Agent hereunder, to the benefit of the Collateral Agent and the other Secured Parties and each of their respective successors, transferees and assigns. No other Persons (including any other creditor of any Pledgor) shall have any interest herein or any right or benefit with respect hereto. Without limiting the generality of the foregoing clause (ii), any Secured Party may assign or otherwise transfer any indebtedness held by it secured by this Agreement to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to such Secured Party, herein or otherwise, subject however, to the provisions of the Credit Agreement and, in the case of a Secured Party that is a party to a Hedging Agreement, such Hedging Agreement. Each of the Pledgors agrees that its obligations hereunder and the security interest created hereunder shall continue to be effective or be reinstated, as applicable, if at any time payment, or any part thereof, of all or any part of the Secured Obligations is rescinded or must otherwise be restored by the Secured Party upon the bankruptcy or reorganization of any Pledgor or otherwise.

SECTION 11.4. Termination; Release. Upon full payment of the Secured Obligations, this Agreement shall terminate. Upon termination of this Agreement the Pledged Collateral shall be released from the Lien of this Agreement. Upon such release or any release of Pledged Collateral or any part thereof in accordance with the provisions of the Credit Agreement, the Collateral Agent shall upon the request and at the sole cost and expense of the Pledgors (subject to the terms of the Intercreditor Agreement), assign, transfer and deliver to the relevant Pledgor, against receipt and without recourse to or warranty by the Collateral Agent except as to the fact that the Collateral Agent has not encumbered the released assets, such of the Pledged Collateral or any part thereof to be released (in the case of a release)

as may be in possession of the Collateral Agent and as shall not have been sold or otherwise applied pursuant to the terms hereof, and, with respect to any other Pledged Collateral, proper documents and instruments (including any necessary UCC-3 termination financing statements or releases) acknowledging the termination hereof or the release of such Pledged Collateral, as the case may be, in each case pursuant to the Credit Agreement.

SECTION 11.5. Modification in Writing. No amendment, modification, supplement, termination or waiver of or to any provision hereof, nor consent to any departure by any Pledgor therefrom, shall be effective unless the same shall be made in accordance with the terms of the Credit Agreement and unless in writing and signed by the Collateral Agent. Any amendment, modification or supplement of or to any provision hereof, any waiver of any provision hereof and any consent to any departure by any Pledgor from the terms of any provision hereof in each case shall be effective only in the specific instance and for the specific purpose for which made or given. Except where notice is specifically required by this Agreement or any other document evidencing the Secured Obligations, no notice to or demand on any Pledgor in any case shall entitle any Pledgor to any other or further notice or demand in similar or other circumstances.

SECTION 11.6. Notices. Unless otherwise provided herein or in the Credit Agreement, any notice or other communication herein required or permitted to be given shall be given in the manner and become effective as set forth in the Credit Agreement. Notices to any Pledgor or the Collateral Agent shall be addressed to such party at the address set forth in the Credit Agreement, or in each case at such other address as shall be designated by such party in a written notice to the other party complying as to delivery with the terms of this Section 11.6.

SECTION 11.7. Governing Law, Consent to Jurisdiction and Service of Process; Waiver of Jury Trial. Sections 11.09 and 11.10 of the Credit Agreement are incorporated herein, *mutatis mutandis*, as if a part hereof.

SECTION 11.8. Severability of Provisions. Any provision hereof which is invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without invalidating the remaining provisions hereof or affecting the validity, legality or enforceability of such provision in any other jurisdiction.

SECTION 11.9. Execution in Counterparts. This Agreement and any amendments, waivers, consents or supplements hereto may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed to be an original, but all such counterparts together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page of this Agreement by facsimile, e-mail or other electronic transmission (including in pdf format or other similar format) shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 11.10. Business Days. In the event any time period or any date provided in this Agreement ends or falls on a day other than a Business Day, then such time period shall be deemed to end and such date shall be deemed to fall on the next succeeding Business Day, and performance herein may be made on such Business Day, with the same force and effect as if made on such other day.

SECTION 11.11. No Credit for Payment of Taxes or Imposition. Such Pledgor shall not be entitled to any credit against the principal, premium, if any, or interest payable under the Credit Agreement, and such Pledgor shall not be entitled to any credit against any other sums which may

become payable under the terms thereof or hereof, by reason of the payment of any Tax on the Pledged Collateral or any part thereof.

SECTION 11.12. No Claims Against Collateral Agent. Nothing contained in this Agreement shall constitute any consent or request by the Collateral Agent, express or implied, for the performance of any labor or services or the furnishing of any materials or other property in respect of the Pledged Collateral or any part thereof, nor as giving any Pledgor any right, power or authority to contract for or permit the performance of any labor or services or the furnishing of any materials or other property in such fashion as would permit the making of any claim against the Collateral Agent in respect thereof or any claim that any Lien based on the performance of such labor or services or the furnishing of any such materials or other property is prior to the Lien hereof.

SECTION 11.13. No Release. Nothing set forth in this Agreement or any other Loan Document, nor the exercise by the Collateral Agent of any of the rights or remedies hereunder, shall relieve any Pledgor from the performance of any term, covenant, condition or agreement on such Pledgor's part to be performed or observed under or in respect of any of the Pledged Collateral or from any liability to any Person under or in respect of any of the Pledged Collateral or shall impose any obligation on the Collateral Agent or any other Secured Party to perform or observe any such term, covenant, condition or agreement on such Pledgor's part to be so performed or observed or shall impose any liability on the Collateral Agent or any other Secured Party for any act or omission on the part of such Pledgor relating thereto or for any breach of any representation or warranty on the part of such Pledgor contained in this Agreement, the Credit Agreement or the other Loan Documents, or under or in respect of the Pledged Collateral or made in connection herewith or therewith. Anything herein to the contrary notwithstanding, neither the Collateral Agent nor any other Secured Party shall have any obligation or liability under any contracts, agreements and other documents included in the Pledged Collateral by reason of this Agreement, nor shall the Collateral Agent or any other Secured Party be obligated to perform any of the obligations or duties of any Pledgor thereunder or to take any action to collect or enforce any such contract, agreement or other document included in the Pledged Collateral hereunder. The obligations of each Pledgor contained in this Section 11.13 shall survive the termination hereof and the discharge of such Pledgor's other obligations under this Agreement, the Credit Agreement and the other Loan Documents.

SECTION 11.14. Obligations Absolute. All obligations of each Pledgor hereunder shall be absolute and unconditional irrespective of:

- (i) any bankruptcy, insolvency, reorganization, arrangement, readjustment, composition, liquidation or the like of any other Pledgor;
- (ii) any lack of validity or enforceability of the Credit Agreement, any Hedging Agreement or any other Loan Document, or any other agreement or instrument relating thereto;
- (iii) any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Obligations, or any other amendment or waiver of or any consent to any departure from the Credit Agreement, any Hedging Agreement or any other Loan Document or any other agreement or instrument relating thereto;
- (iv) any pledge, exchange, release or non-perfection of any other collateral, or any release or amendment or waiver of or consent to any departure from any guarantee, for all or any of the Secured Obligations;

(v) any exercise, non-exercise or waiver of any right, remedy, power or privilege under or in respect hereof, the Credit Agreement, any Hedging Agreement or any other Loan Document; or

(vi) any other circumstances which might otherwise constitute a defense available to, or a discharge of, any Pledgor.

SECTION 11.15. INTERCREDITOR AGREEMENT GOVERNS. NOTWITHSTANDING ANYTHING HEREIN TO THE CONTRARY, THE LIEN AND SECURITY INTEREST GRANTED TO THE COLLATERAL AGENT, FOR THE BENEFIT OF THE SECURED PARTIES, PURSUANT TO THIS AGREEMENT AND THE EXERCISE OF ANY RIGHT OR REMEDY BY THE COLLATERAL AGENT AND THE OTHER SECURED PARTIES HEREUNDER ARE SUBJECT TO THE PROVISIONS OF THE INTERCREDITOR AGREEMENT. ANY REFERENCE IN THIS AGREEMENT TO A "FIRST PRIORITY SECURITY INTEREST" OR WORDS OF SIMILAR EFFECT IN DESCRIBING THE SECURITY INTERESTS CREATED HEREUNDER SHALL BE UNDERSTOOD TO REFER TO SUCH PRIORITY SUBJECT TO THE CLAIMS OF THE REVOLVING CREDIT CLAIMHOLDERS ON REVOLVING CREDIT PRIORITY COLLATERAL (AS DEFINED IN THE INTERCREDITOR AGREEMENT) AS PROVIDED IN THE INTERCREDITOR AGREEMENT. IN THE EVENT OF ANY CONFLICT OR INCONSISTENCY BETWEEN THE PROVISIONS OF THE INTERCREDITOR AGREEMENT AND THIS AGREEMENT, THE PROVISIONS OF THE INTERCREDITOR AGREEMENT SHALL GOVERN AND CONTROL.

SECTION 11.16. Delivery of Collateral. Prior to the Discharge of Revolving Credit Secured Obligations, to the extent any Pledgor is required hereunder to deliver Pledged Collateral that is Revolving Credit Priority Collateral to the Collateral Agent for purposes of possession and control and is unable to do so as a result of having previously delivered such Pledged Collateral to any of the Revolving Credit Agents in accordance with the terms of the Revolving Credit Security Documents, such Pledgor's obligations hereunder with respect to such delivery shall be deemed satisfied by the delivery to such Revolving Credit Agents, acting as a gratuitous bailee and/or sub-agent of the Collateral Agent in accordance with the terms of the Intercreditor Agreement.

SECTION 11.17. Mortgages. In the case of a conflict between this Agreement and the Mortgages with respect to Pledged Collateral that is real property (including Fixtures), the Mortgages shall govern. In all other conflicts between this Agreement and the Mortgages, this Agreement shall govern.

SECTION 11.18. Conflicts with Canadian Security Agreement.

(a) In the event of a direct conflict between the terms and provisions contained in this Agreement and the terms and provisions contained in the Credit Agreement, it is the intention of the parties hereto that such terms and provisions in such documents shall be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of the Credit Agreement shall control and govern. In the event of a direct conflict between the terms and provisions contained in this Agreement and the terms and provisions contained in the Canadian Security Agreement, solely with respect to the Borrower, it is the intention of the parties hereto that such terms and provisions in such documents shall be read together and construed, to the fullest extent possible, to be in concert with each other. In the

event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of the Canadian Security Agreement shall control and govern.

[REMAINDER OF THIS PAGE INTENTIONALLY LEFT BLANK.]

IN WITNESS WHEREOF, each Pledgor and the Collateral Agent have caused this Agreement to be duly executed and delivered by their duly authorized officers as of the date first above written.

JOINDER AGREEMENT

Ladies and Gentlemen:

Reference is made to the Security Agreement (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Security Agreement;" capitalized terms used but not otherwise defined herein shall have the meanings assigned to such terms in the Security Agreement), dated as of December 17, 2010, made by NOVELIS INC., a corporation amalgamated under the Canada Business Corporations Act, and the Guarantors party thereto, in favor of BANK OF AMERICA, N.A., as collateral agent (in such capacity and together with any successors in such capacity, the "Collateral Agent").

This Joinder Agreement ("Joinder Agreement") supplements the Security Agreement and is delivered by the undersigned, [ ] (the "New Pledgor"), pursuant to Section 3.5 of the Security Agreement. The New Pledgor hereby agrees to be bound as a Guarantor and as a Pledgor party to the Security Agreement by all of the terms, covenants and conditions set forth in the Security Agreement to the same extent that it would have been bound if it had been a signatory to the Security Agreement on the date of the Security Agreement. The New Pledgor also hereby agrees to be bound as a Pledgor by all of the terms, covenants and conditions applicable to it set forth in Articles V, VI and VII of the Credit Agreement to the same extent that it would have been bound if it had been a signatory to the Credit Agreement on the execution date of the Credit Agreement (provided that for purposes of this sentence, references in such Articles to "Closing Date" or "the date hereof" shall be deemed to be the date of execution of this Joinder Agreement). Without limiting the generality of the foregoing, the New Pledgor hereby grants and pledges to the Collateral Agent, as collateral security for the full, prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations, a lien on and security interest in, all of its right, title and interest in, to and under the Pledged Collateral and expressly assumes all obligations and liabilities of a Guarantor and Pledgor thereunder. The New Pledgor hereby makes each of the representations and warranties and agrees to each of the covenants applicable to the Pledgors contained in the Security Agreement and the Credit Agreement.

---

Annexed hereto are supplements to each of the schedules to the Security Agreement and the Credit Agreement, as applicable, with respect to the New Pledgor. Such supplements shall be deemed to be part of the Security Agreement or the Credit Agreement, as applicable.

This Joinder Agreement and any amendments, waivers, consents or supplements hereto may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed to be an original, but all such counterparts together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page of this Joinder Agreement by facsimile, e-mail or other electronic transmission (including in pdf format or other similar format) shall be effective as delivery of a manually executed counterpart of this Joinder Agreement.

THIS JOINDER AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES THAT WOULD REQUIRE THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION.

FORM OF BAILEE LETTER

Re: [\_\_\_\_\_]

[\_\_\_\_\_] (the "Bailor"), a [\_\_\_\_\_] [and a subsidiary of Novelis Inc.] (the "Borrower"), now does or hereafter may deliver to certain premises [managed] [owned] by [\_\_\_\_\_] (the "Bailee"), a [\_\_\_\_\_] , on behalf of the Bailor as owner and located at [\_\_\_\_\_] (the "Premises"), certain of its [DESCRIBE PROPERTY SUBJECT TO BAILMENT] for [DESCRIBE PURPOSE FOR WHICH PROPERTY HAS BEEN DELIVERED TO BAILEE].

The Borrower and certain of its Subsidiaries (collectively, the "Companies") have entered into financing arrangements with certain financial institutions (the "Lenders"), pursuant to a Credit Agreement, dated as of December 17, 2010 (as amended, restated, supplemented, extended, renewed, refunded, replaced, refinanced or otherwise modified from time to time in one or more agreements, the "Credit Agreement") for which Bank of America, N.A. shall act as administrative agent and collateral agent (collectively in such capacities, the "Agent"). As a condition to the Agent's and the Lenders' loans and other financial accommodations to the Companies, the Agent and the Lenders require, among other things, liens on all of the Bailor's property located on the Premises, and the proceeds thereof (the "Collateral"). Capitalized terms used but not otherwise defined herein shall have the meanings assigned to such terms in the Credit Agreement

To induce the Agent and the Lenders (together with their respective agents and assigns) to enter into said financing arrangements, and for other good and valuable consideration, the Bailee hereby acknowledges receipt of the above notice, and hereby further agrees that:

(i) title to the Collateral remains with the Bailor while the Collateral is in the custody, control or possession of the Bailee, the undersigned, to the best of its knowledge without special inquiry, does not know of any security interest or claim with respect to such goods or proceeds, other than the security interest which is the subject of this letter agreement, and the Bailee will not assert against the Collateral any lien, right of distraint or levy, right of offset, claim, deduction, counterclaim, security or other interest in the Collateral, including any of the foregoing which might arise or exist in its favor pursuant to any agreement, common law, statute (including the Federal Bankruptcy Code) or otherwise, all of which the undersigned hereby subordinates in favor of the Agent;

(ii) the Collateral shall be clearly identified or identifiable as being owned by the Bailor and is distinguishable from the property of the Bailee and other property in its possession;

---

(iii) none of the Collateral located on the Premises shall be permitted to become a fixture to the Premises;

(iv) the Bailee has not issued, and shall not issue, any negotiable documents or other negotiable instruments in respect of any Collateral;

(v) if the Borrower defaults on its obligations to the Agent and the Lenders, subject to any grace period, and, as a result, the Agent undertakes to enforce its security interest in the Collateral, the Bailee, upon receipt of reasonable written confirmation of the currency and existence of a default (a) will hold the Collateral for the Agent's account for the benefit of the Secured Parties, and release the Collateral only to the Agent or its designee, (b) will permit the Agent to enter the Premises upon reasonable notice and during regular business hours and without unduly interrupting the Bailee's operations, to inspect, assemble, take possession of, and remove all of the Collateral located on the Premises and will reasonably cooperate with the Agent in its efforts to do so; (c) will permit the Collateral to remain on the Premises for forty-five (45) days after the Agent notifies the Bailee in writing of the default, or, at the Agent's option, to remove the Collateral from the Premises within a reasonable time, not to exceed forty-five (45) days after the Agent notifies the undersigned in writing of the default; (d) will not hinder the Agent's actions in enforcing its liens on the Collateral; and (e) after the Agent notifies the Bailee in writing of the default, will, without further consent or agreement of the Bailor, abide solely by Agent's lawful instructions with respect to the Collateral, and not those of the Bailor; and

(vi) the Bailee hereby waives and releases, for Agent's benefit, any and all claims, liens, including bailee's liens, and demands of every kind which Bailee has or may later have against the Collateral (including any right to include such goods in any secured financing to which Bailee may become party).

The Bailee hereby irrevocably and unconditionally authorizes Agent (or its designee) to file at any time prior to the payment in full of the Secured Obligations (as defined in the Credit Agreement) in any jurisdiction and with such filing offices as the Agent so chooses such financing statements naming the Bailee as the debtor consignee, the Bailor as the secured party consignor, and the Agent as assignee, describing the Collateral in a manner that Agent believes is reasonably necessary or desirable to protect its security interest in the Bailor's property, and including any other information with respect to the Bailee required under the Uniform Commercial Code for the sufficiency of such financing statement or for it to be accepted by the filing office of any applicable jurisdiction (and any amendments or continuations with respect thereto); provided, however, Agent shall provide to Bailor for review copies of any such filings to be made, sufficiently in advance of filing and once filed, final copies of such filings.

Any notice(s) required or desired to be given hereunder shall be directed to the party to be notified at the address stated herein.

The agreements contained herein shall continue in force until the Borrower's obligations and liabilities to the Agent and the Lenders are paid and satisfied in full and all financing arrangements among the Agent, the Lenders and the Borrower have been terminated.

The consent of the Bailor hereto constitutes its acknowledgment that Agent may assert any of the rights set forth or referred to herein, without objection by the Bailor, and that the Bailee may act in accordance with this letter agreement without liability to the Bailor. By its signature below, the

Bailor agrees to reimburse the Bailee for all reasonable costs and expenses incurred by the Bailee as a direct result of compliance with this letter agreement.

The Bailee will notify all successor owners, transferees, purchasers and mortgagees of the Premises of the existence of this waiver. The agreements contained herein may not be modified or terminated orally and shall be binding upon the successors, assigns and personal representatives of the undersigned.

*[Signature pages follow]*

This letter agreement may be executed in any number of counterparts and by different parties to this letter agreement on separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page of this letter agreement by facsimile, e-mail or other electronic transmission (including in pdf format or other similar format) shall be effective as delivery of a manually executed counterpart of this letter agreement. The undersigned hereby waives notice of acceptance of this letter agreement by Agent.

**Section 2.4 Scope of Security Interest.**

- (1) To the extent that an assignment of amounts payable and other proceeds arising under or in connection with, or the grant of a security interest in any

agreement, licence, lease, permit or quota of any Obligor would constitute a default under or a breach of or would result in the termination or loss of rights in respect of such agreement, licence, lease, permit or quota (each, a “**Restricted Asset**”), the Security Interest with respect to each Restricted Asset will constitute a trust created in favour of the Collateral Agent, for the benefit of the Secured Parties, pursuant to which the applicable Obligor holds as trustee all proceeds arising under or in connection with the Restricted Asset in trust for the Collateral Agent, for the benefit of the Secured Parties, on the following basis:

- (a) subject to the Credit Agreement, until the Security Interest is enforceable the Obligor is entitled to receive all such proceeds; and

Upon request by the Collateral Agent, the Obligors will use all commercially reasonable efforts to obtain the consent of each other party to any and all Restricted Assets to the assignment of such Restricted Asset to the Collateral Agent in accordance with this Agreement. The Obligors will also use all commercially reasonable efforts to ensure that all agreements entered into on and after the date of this Agreement expressly permit assignments of the benefits of such agreements as collateral security to the Collateral Agent in accordance with the terms of this Agreement.

- (2) The Security Interest with respect to trade-marks and other Intellectual Property established under the laws of the United States including any state, territory or political subdivision thereof, constitutes a lien on and security interest in, and a charge, hypothecation and pledge of, such Collateral in favour of the Collateral Agent for the benefit of the Secured Parties, but does not constitute an assignment or mortgage of such Collateral to the Collateral Agent or any Secured Party.
- (3) Until the Security Interest is enforceable, the grant of the Security Interest in the Intellectual Property does not affect in any way the Obligors’ rights to commercially exploit the Intellectual Property, defend it, enforce such Obligor’s rights in it or with respect to it against third parties in any court or claim and be entitled to receive any damages with respect to any infringement of it.
- (4) The Security Interest does not extend to consumer goods or ULC Shares.

- (5) The Security Interest does not extend or apply to the last day of the term of any lease or sublease of real property or any agreement for a lease or sublease of real property, now held or hereafter acquired by any of the Obligors, but the Obligors will stand possessed of any such last day upon trust to assign and dispose of it as the Collateral Agent may reasonably direct.
- (6) The Security Interest does not extend to Excluded Property.

**Section 2.5 Grant of Licence to Use Intellectual Property.**

Each Obligor hereby grants to the Collateral Agent an irrevocable, nonexclusive licence (exercisable without payment of royalty or other compensation to such Obligor) to use, or sublicense any Intellectual Property in which such Obligor has rights wherever the same may be located, provided that the quality of products in connection with which any trade-mark is used will not be materially inferior to the quality of such products prior to such Event of Default. Such licence includes access to (i) all media in which any of the licensed items may be recorded or stored, and (ii) all software and computer programs used for compilation or print-out. - (3) The Collateral Agent has no obligation to collect dividends, distributions or interest payable on, or exercise any option or right in connection with, any Securities or Instruments. The Collateral Agent has no obligation to protect or preserve any Securities or Instruments from depreciating in value or becoming worthless and is released from all responsibility for any loss of value. In the physical keeping of any Securities, the Collateral Agent is only obliged to exercise the same degree of care as it would exercise with respect to its own Securities kept at the same place.
- (4) The Collateral Agent may, upon the occurrence and during the continuance of an Event of Default, sell, transfer, use or otherwise deal with any investment property included in the Collateral over which the Collateral

Agent has control, on such conditions and in such manner as the Collateral Agent in its sole discretion may determine.

**Section 2.7 Rights of the Obligor.**

- (1) Until the occurrence of an Event of Default which is continuing, each Obligor, as applicable, is entitled to vote the Securities and other financial assets that are part of the Collateral and to receive dividends and distributions on such Securities and financial assets, as may be permitted by the Credit Agreement. Upon the occurrence and during the continuance of an Event of Default, all rights of the Obligors to vote (under any proxy given by the Collateral Agent (or its nominee) or otherwise) or to receive distributions or dividends cease and all such rights become vested solely and absolutely in the Collateral Agent.
- (2) Any distributions or dividends received by any of the Obligors contrary to Section 2.7(1) or any other moneys or property received by any of the Obligors after the Security Interest is enforceable will be received as trustee for the Collateral Agent and the Secured Parties and shall be immediately paid over to the Collateral Agent.

**Section 2.8 Expenses.**

- (1) All Taxes and Other Taxes, charges, costs, and expenses (including legal fees and notarial fees) including withholding taxes, relating to, resulting from, or otherwise connected with, this Agreement, the execution, amendment and/or the enforcement of this Agreement shall, for greater certainty be for the account of the applicable Obligor and all shall be paid in accordance with Section 2.15 of the Credit Agreement.
- (2) Each of the Obligors is liable for and will pay on demand by the Collateral Agent any and all expenses.
