Explanation of Responses:

1. Issuer lost its foreign private issuer status as of February 27, 2006 and therefore became subject to Section 16 of the Securities Exchange Act of 1934. Issuer lost its foreign private issuer status as of February 27, 2006 and therefore became subject to Section 16 of the Securities Exchange Act of 1934. Each phantom unit issuable under the issuer's Directors' Deferred Share Unit Plan for Non-Executive Directors ("DSU Plan") is the economic equivalent of one common share of the issuer and the balance is the amount that has been credited to the reporting person's account up to the date of becoming subject to Section 16. The phantom units become payable, in cash or common shares or a combination thereof, at the election of the reporting person, upon the reporting person's termination of service as a director. Such payment will be made in compliance with the terms of the DSU Plan.

2. At distribution date, if cash is elected, the price per share paid will be the market price of the issuer's common shares at the date of distribution (computed in accordance with the terms of the DSU Plan) multiplied by the number of phantom units. If common shares are elected, each phantom unit will be converted into a share of issuer common shares with fractional shares being paid in cash.
