1. BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

References herein to “Novelis,” the “Company,” “we,” “our,” or “us” refer to Novelis Inc. and its subsidiaries unless the context specifically indicates otherwise. References herein to “Hindalco” refer to Hindalco Industries Limited. Hindalco acquired Novelis in May 2007. All of the common shares of Novelis are owned directly by AV Metals Inc. and indirectly by Hindalco Industries Limited.

Organization and Description of Business

We produce aluminum sheet and light gauge products for use in the packaging market, which includes beverage and food can and foil products, as well as for use in the automotive, transportation, electronics, architectural and industrial product markets. We have recycling operations in many of our plants to recycle post-consumer aluminum, such as used-beverage cans and post-industrial aluminum, such as class scrap. As of June 30, 2015, we had manufacturing operations in eleven countries on four continents: North America, South America, Asia and Europe, through 25 operating facilities, including recycling operations in eleven of these plants.

The March 31, 2015 condensed consolidated balance sheet data was derived from audited financial statements, but does not include all disclosures required by accounting principles generally accepted in the United States of America (U.S. GAAP). The accompanying unaudited condensed consolidated financial statements should be read in conjunction with our audited consolidated financial statements and accompanying notes in our Annual Report on Form 10-K for the year ended March 31, 2015 filed with the United States Securities and Exchange Commission (SEC) on May 12, 2015. Management believes that all adjustments necessary for the fair statement of results, consisting of normally recurring items, have been included in the unaudited condensed consolidated financial statements for the interim periods presented.

Consolidation Policy

Our condensed consolidated financial statements include the assets, liabilities, revenues and expenses of all wholly-owned subsidiaries, majority-owned subsidiaries over which we exercise control and entities in which we have a controlling financial interest or are deemed to be the primary beneficiary. We eliminate all significant intercompany accounts and transactions from our condensed consolidated financial statements.

We use the equity method to account for our investments in entities that we do not control, but where we have the ability to exercise significant influence over operating and financial policies. Consolidated “Net (loss) income attributable to our common shareholder” includes our share of net income (loss) of these entities. The difference between consolidation and the equity method impacts certain of our financial ratios because of the presentation of the detailed line items reported in the condensed consolidated financial statements for consolidated entities, compared to a two-line presentation of “Investment in and advances to non-consolidated affiliate” and “Equity in net loss of non-consolidated affiliates.”

Use of Estimates and Assumptions

The preparation of our condensed consolidated financial statements in conformity with U.S. GAAP requires us to make estimates and assumptions. These estimates and assumptions affect the reported amounts of assets and liabilities and the disclosures of contingent assets and liabilities as of the date of the financial statements, and the reported amounts of revenues and expenses during the reporting periods. The principal areas of judgment relate to (1) the fair value of derivative financial instruments; (2) impairment of goodwill; (3) impairment of long lived assets and other intangible assets; (4) impairment and assessment of consolidation of equity investments; (5) actuarial assumptions related to pension and other postretirement benefit plans; (6) tax uncertainties and valuation allowances; and (7) assessment of loss contingencies, including environmental and litigation liabilities. Future events and their effects cannot be predicted with certainty, and accordingly, our accounting estimates require the exercise of judgment. The accounting estimates used in the preparation of our condensed consolidated financial statements may change as new events occur, as more experience is acquired, as additional information is obtained and as our operating environment changes. We evaluate and update our assumptions and estimates on an ongoing basis and may employ outside experts to assist in our evaluations. Actual results could differ from the estimates we have used.

Recently Adopted Accounting Standards

Effective for the first quarter of fiscal 2016, we adopted Financial Accounting Standards Board (FASB) ASU No. 2013-05, *Foreign Currency Matters (Topic 830): Parent's Accounting for the Cumulative Translation Adjustment upon Derecognition of Certain Subsidiaries or Groups of Assets within a Foreign Entity or of an Investment in a Foreign Entity*. The amendments in this update provide clarification regarding the release of a cumulative translation adjustment into net income when a parent either sells a part or all of its investment in a foreign entity or no longer holds a controlling financial interest in a subsidiary or group of assets within a foreign entity. Our existing accounting policy complies with this guidance; therefore, there was no impact on our financial statements.

Effective for the first quarter fiscal 2016, we adopted FASB issued ASU No. 2014-08, *Presentation of Financial Statements (Topic 205) and Property, Plant, and Equipment (Topic 360): Reporting Discontinued Operations and Disclosures of Disposals of Components of an Entity*. The amendment changes the criteria for determining which disposals can be presented as discontinued operations and modifies related disclosure requirements. Under the revised standard, a discontinued operation is (1) a component of an entity or group of components that has been disposed of by sale, disposed of other than by sale or is classified as held for sale that represents a strategic shift that has or will have a major effect on an entity's operations and financial results or (2) an acquired business or nonprofit activity that is classified as held for sale on the date of the acquisition. There was no impact upon adoption; however, the accounting treatment and classification of future disposals under this new standard could differ from our previous treatment and classification of disposals.

Recently Issued Accounting Standards

In May 2014, the FASB issued ASU 2014-09, *Revenue from Contracts with Customers (Topic 606)*, which, when effective, will supersede the guidance in former ASC 605, *Revenue Recognition*. The new guidance requires entities to recognize revenue based on the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The guidance is effective for annual periods beginning after December 15, 2016 and interim periods within that year. Early adoption is not permitted. In July 2015, the FASB approved an optional one-year deferral of the effective date. We are currently evaluating the impact of this standard on our consolidated financial position and results of operations.

In February 2015, the FASB issued ASU No. 2015-02, *Consolidations (Topic 810): Amendments to the Consolidations Analysis*, which when effective, will (i) modify the evaluation of whether limited partnerships and similar legal entities are variable interest entities or voting interest entities, (ii) eliminate the presumption that a general partner should consolidate a limited partnership, (iii) affect the consolidation analysis of reporting entities that are involved with variable interest entities, particularly those that have fee arrangements and related party relationships, and (iv) provide a scope exception from consolidation guidance for reporting entities with interests in legal entities that are required to comply with or operate in accordance with requirements that are similar to those in Rule 2a-7 of the Investment Company Act of 1940 for registered money market funds. The guidance is effective for annual periods beginning after December 15, 2015 and interim periods within that year. Early adoption is permitted. We will adopt this standard in our first quarter ending June 30, 2016. We are currently evaluating the impact on our consolidated financial position, results of operations, and disclosures.

In April 2015, the FASB issued ASU 2015-03, *Interest - Imputation of Interest (Subtopic 835-30): Simplifying the Presentation of Debt Issuance Costs*, which, when effective, will require that debt issuance costs related to a recognized debt liability be presented in the balance sheet as a direct deduction from the carrying amount of that debt liability, consistent with debt discounts. The recognition and measurement guidance for debt issuance costs are not affected by the amendments in this update. The guidance is effective for annual periods beginning after December 15, 2015 and interim periods within that year. An entity should apply the new guidance on a retrospective basis, wherein the balance sheet or each individual period presented should be adjusted to reflect the period-specific effects of applying the new guidance. Early adoption is permitted. We will adopt this standard in our first quarter ending June 30, 2016. Adoption of this standard will impact the presentation of deferred debt issuance costs on our consolidated financial position.

In May 2015, the FASB issued ASU 2015-07, *Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent)*, which, when effective, will remove the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value per share practical expedient. The guidance is effective for annual periods beginning after December 15, 2015 and interim periods within those fiscal years. An entity should apply the amendments retrospectively to all periods presented. Early adoption is permitted. We will adopt this standard in our annual period ending March 31, 2017. Adoption of this standard may impact the presentation of certain pension plan assets in our postretirement benefit plans footnote disclosure.

Certain charges associated with this closure are reflected within the "Ouro Preto smelter closures" section above, along with our closure of a pot line in Ouro Preto, Brazil, in fiscal 2013. As of June 30, 2015, the restructuring liability for the South America segment was \$26 million and relates to \$18 million of environmental charges, \$1 million of severance costs, \$1 million of certain labor related charges and \$6 million of other exit related costs.

4. ASSETS HELD FOR SALE

We are focused on capturing the global growth we see in our premium product markets of beverage can, automotive and high-end specialties. We continually analyze our product portfolio to ensure we are focused on growing in attractive market segments. The following transaction relates to exiting certain non-core operations and are steps to align our growth strategy in the premium product markets.

In April 2014, we entered into agreements to sell the hydroelectric generation operations and our share of the joint venture of the Consorcio Candonga to two separate parties. In December 2014, we sold our share of the joint venture of the Consorcio Candonga to a third party. Additionally, we sold certain hydroelectric power generation operations fully owned by the Company in February 2015. The remaining hydroelectric generation operation assets which are Property, plant and equipment, totaling \$5 million as of June 30, 2015 and \$6 million as of March 31, 2015, were classified as "Assets held for sale" in our condensed consolidated balance sheet.

"Gain on assets held for sale" includes \$7 million from the sale of our consumer foil operations in North America and \$4 million from a property and mining rights sale agreement in South America during the three months ended June 30, 2014, with no comparable sales during the three months ended June 30, 2015.

5. CONSOLIDATION

Variable Interest Entities (VIE)

The entity that has a controlling financial interest in a VIE is referred to as the primary beneficiary and consolidates the VIE. An entity is deemed to have a controlling financial interest and is the primary beneficiary of a VIE if it has both the power to direct the activities of the VIE that most significantly impact the VIE's economic performance and an obligation to absorb losses or the right to receive benefits that could potentially be significant to the VIE.

We have a joint interest in Logan Aluminum Inc. (Logan) with Tri-Arrows Aluminum Inc. (Tri-Arrows). Logan processes metal received from Novelis and Tri-Arrows and charges the respective partner a fee to cover expenses. Logan is thinly capitalized and relies on the regular reimbursement of costs and expenses by Novelis and Tri-Arrows to fund its operations. This reimbursement is considered a variable interest as it constitutes a form of financing of the activities of Logan. Other than these contractually required reimbursements, we do not provide other material support to Logan. Logan's creditors do not have recourse to our general credit.

We have a majority voting right on Logan's board of directors and have the ability to direct the majority of Logan's production operations. We also have the ability to take the majority share of production and associated costs. These facts qualify us as Logan's primary beneficiary and this entity is consolidated for all periods presented. All significant intercompany transactions and balances have been eliminated.

The following table summarizes the carrying value and classification of assets and liabilities owned by the Logan joint venture and consolidated in our condensed consolidated balance sheets (in millions). There are significant other assets used in the operations of Logan that are not part of the joint venture, as they are directly owned and consolidated by Novelis or Tri-Arrows.

6. INVESTMENT IN AND ADVANCES TO NON-CONSOLIDATED AFFILIATES AND RELATED PARTY TRANSACTIONS

We had operations with two non-consolidated affiliates, Aluminium Norf GmbH (Alunorf) and Consorcio Candonga (Candonga) during the three months ended June 30, 2014, and one unconsolidated affiliate, Aluorf, during the three months ended June 30, 2015. Included in the accompanying condensed consolidated financial statements are transactions and balances arising from business we conduct with these non-consolidated affiliates, which we classify as related party transactions and balances. We account for these affiliates using the equity method.

The following table summarizes the results of operations of these equity method affiliates for the three months ended June 30, 2015 and 2014; and the nature and amounts of significant transactions we had with our non-consolidated affiliates (in millions). The amounts in the table below are disclosed at 100% of the operating results of these affiliates.

	Three Months Ended June 30,	
	2015	2014
Net sales	\$ 117	\$ 138
Costs and expenses related to net sales	118	146
Benefit for taxes on income	(1)	(2)
Net loss	\$ —	\$ (6)
Purchases of tolling services from Alunorf	\$ 58	\$ 69

In December 2014, we sold our share of the joint venture of Candonga to a third party. The following table describes the period-end account balances that we had with our remaining non-consolidated affiliate, Alunorf, shown as related party balances in the accompanying condensed consolidated balance sheets (in millions). We had no other material related party balances with Alunorf.

	June 30, 2015	March 31, 2015
Accounts receivable-related parties	\$ 55	\$ 53
Other long-term assets-related parties	\$ 17	\$ 15
Accounts payable-related parties	\$ 46	\$ 44

We earned less than \$1 million of interest income on a loan, presented in "Other long-term assets-related parties" during each of the periods in the table above, due from Alunorf. We believe collection of the full receivable from Alunorf is probable; thus no allowance for loan loss was provided for this loan as of June 30, 2015 and March 31, 2015.

We have guaranteed the indebtedness for a credit facility on behalf of Alunorf. The guarantee is limited to 50% of the outstanding debt, not to exceed 6 million euros. As of June 30, 2015, there were no amounts outstanding under our guarantee with Alunorf. We have also guaranteed the payment of early retirement benefits on behalf of Alunorf. As of June 30, 2015, this guarantee totaled \$2 million.

Transactions with Hindalco and AV Metals Inc.

We occasionally have related party transactions with Hindalco. During the three months ended June 30, 2015 and 2014, "Net sales" were less than \$1 million between Novelis and Hindalco. As of June 30, 2015 and March 31, 2015, there was \$1 million in "Accounts receivable, net" outstanding related to transactions with Hindalco (included within the related party balances above).

On April 30, 2014, we paid a return of capital to our direct shareholder, AV Metals Inc., in the amount of \$250 million.

- (A) Interest rates are the fixed or variable rates as specified in the debt instruments (not the effective interest rate) as of June 30, 2015, and therefore, exclude the effects of related interest rate swaps, accretion/amortization of fair value adjustments as a result of purchase accounting in connection with Hindalco's purchase of Novelis and accretion/amortization of debt issuance costs related to the debt exchange completed in fiscal 2009 and the series of refinancing transactions and additional borrowings we completed in fiscal 2011 through 2016. We present stated rates of interest because they reflect the rate at which cash will be paid for future debt service.
- (B) Debt existing at the time of Hindalco's purchase of Novelis was recorded at fair value. In connection with a series of refinancing transactions, a portion of the historical fair value adjustments was allocated to the Term Loan Facility, resulting in carrying value adjustments on this debt obligation. The unamortized carrying value also includes an issuance discount.
- (C) Debt existing at the time of Hindalco's purchase of Novelis was recorded at fair value resulting in carrying value adjustments to our capital lease obligations in Novelis Switzerland.
- (D) The unamortized carrying value includes issuance discounts related to the difference resulting from the contractual rates of interest specified in the instruments that are lower than the market rates of interest upon issuance.

Principal repayment requirements for our total debt over the next five years and thereafter (excluding unamortized carrying value adjustments and using exchange rates as of June 30, 2015 for our debt denominated in foreign currencies) are as follows (in millions).

Senior Secured Credit Facilities

As of June 30, 2015, the senior secured credit facilities consisted of (1) a \$1.8 billion seven-year secured term loan credit facility (Term Loan Facility), (2) a \$1.2 billion five-year asset based loan facility (ABL Revolver) and (3) a \$200 million 15-month subordinated secured lien revolving facility (Subordinated Lien Revolver). As of June 30, 2015, \$18 million of the Term Loan Facility was due within one year.

In June 2015, we entered into the Subordinated Lien Revolver with a maturity date of September 10, 2016. The interest rate for the Subordinated Lien Revolver is equal to the higher of LIBOR and 0.75% plus a spread of 3.50% or 3.25% depending on the total net leverage ratio then in effect. The Subordinated Lien Revolver requires us to maintain a secured net leverage ratio of 4 to 1. Pursuant to the terms of the Term Loan Facility, such secured net leverage maintenance covenant will automatically apply to the Term Loan Facility as well for so long as the Subordinated Lien Revolver is in effect.

In June 2015, we entered into a Refinancing Amendment Agreement with respect to our Term Loan Facility. The Amendment increases the principal amount of the Term Loan Facility from \$1.7 billion to \$1.8 billion and extends the final maturity from December 17, 2017 to June 2, 2022; provided that, in the event that any series of our senior unsecured notes remain outstanding 92 days prior to its maturity date, then the Term Loan Facility will mature on such date, subject to limited exceptions. The loans under the Term Loan Facility accrue interest at the higher of LIBOR and 0.75% plus a 3.25% spread. The Amendment eliminates the senior secured net leverage covenant that requires us to maintain a minimum senior secured net leverage ratio. In addition, certain negative covenants were amended to increase the Company's operational flexibility, including increasing flexibility to enter into working capital management programs and incur other debt.

Novelis Inc.
NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (unaudited) - (Continued)

In October 2014, we amended and extended our ABL Revolver by entering into a \$1.2 billion, five-year, senior secured ABL Revolver bearing an interest rate of LIBOR plus a spread of 1.50% to 2.00% plus a prime spread of 0.50% to 1.00% based on excess availability. The ABL Revolver has a provision that allows the facility to be increased by an additional \$500 million. The ABL Revolver has various customary covenants including maintaining a minimum fixed charge coverage ratio of 1.25 to 1 if excess availability is less than the greater of (1) \$110 million and (2) 12.5% of the lesser of (a) the maximum size of the ABL Revolver and (b) the borrowing base. The fixed charge coverage ratio will be equal to the ratio of (1) (a) ABL Revolver defined Earnings Before Interest, Taxes, Depreciation and Amortization less (b) maintenance capital expenditures less (c) cash taxes; to (2) (a) interest expense plus (b) scheduled principal payments plus (c) dividends to the Company's direct holding company to pay certain taxes, operating expenses and management fees and repurchases of equity interests from employees, officers and directors. The ABL Revolver matures on October 6, 2019; provided that, in the event that any of the Notes, the Term Loan Facility, or certain other indebtedness are outstanding (and not refinanced with a maturity date later than April 6, 2020) 90 days prior to their respective maturity dates, then the ABL Revolver will mature 90 days prior to the maturity date for the Notes, the Term Loan Facility or such other indebtedness, as applicable; unless excess availability under the ABL Revolver is at least (i) 25% of the lesser of (x) the total ABL Revolver commitment and (y) the then applicable borrowing base and (ii) 20% of the lesser of (x) the total ABL Revolver commitment and (y) the then applicable borrowing base, and a minimum fixed charged ratio test of at least 1.25 to 1 is met.

The senior secured credit facilities contain various affirmative covenants, including covenants with respect to our financial statements, litigation and other reporting requirements, insurance, payment of taxes, employee benefits and (subject to certain limitations) causing new subsidiaries to pledge collateral and guarantee our obligations. The senior secured credit facilities also include various customary negative covenants and events of default, including limitations on our ability to (1) make certain restricted payments, (2) incur additional indebtedness, (3) sell certain assets, (4) enter into sale and leaseback transactions, (5) make investments, loans and advances, (6) pay dividends or returns of capital and distributions beyond certain amounts, (7) engage in mergers, amalgamations or consolidations, (8) engage in certain transactions with affiliates, and (9) prepay certain indebtedness. Substantially all of our assets are pledged as collateral under the senior secured credit facilities. As of June 30, 2015, we were in compliance with the covenants in the Term Loan Facility, ABL Revolver and Subordinated Lien Revolver.

In fiscal year 2015, Novelis China entered into a committed facility. As of June 30, 2015, we had \$7 million (CNY 41 million) in remaining availability under this facility.

Senior Notes

On December 17, 2010, we issued \$1.1 billion in aggregate principal amount of 8.375% Senior Notes Due 2017 (the 2017 Notes) and \$1.4 billion in aggregate principal amount of 8.75% Senior Notes Due 2020 (the 2020 Notes, and together with the 2017 Notes, the Notes).

Novelis Inc.
NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (unaudited) - (Continued)

The Notes contain customary covenants and events of default that will limit our ability and, in certain instances, the ability of certain of our subsidiaries to (1) incur additional debt and provide additional guarantees, (2) pay dividends or return capital beyond certain amounts and make other restricted payments, (3) create or permit certain liens, (4) make certain asset sales, (5) use the proceeds from the sales of assets and subsidiary stock, (6) create or permit restrictions on the ability of certain of the Company's subsidiaries to pay dividends or make other distributions to the Company, (7) engage in certain transactions with affiliates, (8) enter into sale and leaseback transactions, (9) designate subsidiaries as unrestricted subsidiaries and (10) consolidate, merge or transfer all or substantially all of our assets and the assets of certain of our subsidiaries. During any future period in which either Standard & Poor's Ratings Group, Inc. or Moody's Investors Service, Inc. have assigned an investment grade credit rating to the Notes and no default or event of default under the indenture has occurred and is continuing, most of the covenants will be suspended. The Notes include a cross-acceleration event of default triggered if (1) any other indebtedness with an aggregate principal amount of more than \$100 million is (1) accelerated prior to its maturity or (2) not repaid at its maturity. As of June 30, 2015, we were in compliance with the covenants in the Notes. The Notes also contain customary call protection provisions for our bond holders that extend through December 2016 for the 2017 Notes and through December 2018 for the 2020 Notes.

Korean Bank Loans

As of June 30, 2015, Novelis Korea had \$77 million of outstanding long-term loans with various banks due within one year. All loans have variable interest rates with base rates tied to Korea's 91-day CD rate plus an applicable spread ranging from 0.80% to 1.58%.

Brazil BNDES Loans

Novelis Brazil entered into loan agreements with Brazil's National Bank for Economic and Social Development (the BNDES long-term loans) related to the plant expansion in Pindamonhangaba, Brazil (Pinda). As of June 30, 2015 there are \$2 million of BNDES long-term loans due within one year.

Other Long-term debt

In December 2004, we entered into a 15-year capital lease obligation with Alcan for assets in Sierre, Switzerland, which has an interest rate of 7.5% and fixed quarterly payments of CHF 1.7 million, (USD \$1.8 million).

During fiscal 2013 and 2014, Novelis Inc. entered into various capital lease arrangements to upgrade and expand our information technology infrastructure.

As of June 30, 2015, we had \$4 million of other debt, including certain capital lease obligations, with due dates through December 2020.

Interest Rate Swaps

We use interest rate swaps to manage our exposure to changes in benchmark interest rates which impact our variable-rate debt. See Note 11- Financial Instruments and Commodity Contracts for further information about these interest rate swaps.

8. SHARE-BASED COMPENSATION

The Company's board of directors has authorized long term incentive plans (LTIPs), under which Hindalco stock appreciation rights (Hindalco SARs), Novelis stock appreciation rights (Novelis SARs), and phantom restricted stock units (RSUs) are granted to certain executive officers and key employees. The Hindalco SARs and Novelis SARs vest at the rate of 25% per year, subject to the achievement of an annual performance target, and expire 7 years from their original grant date. The performance criterion for vesting of both the Hindalco SARs and Novelis SARs is based on the actual overall Novelis operating EBITDA compared to the target established and approved each fiscal year. The RSUs vest in full three years from the grant date, subject to continued employment with the Company, but are not subject to performance criteria.

During the three months ended June 30, 2015, we granted 1,780,370 RSUs, 6,203,196 Hindalco SARs, and 596,169 Novelis SARs. Total compensation (benefit) expense related to these plans for the respective periods is \$(7) million and \$4 million for the three months ended June 30, 2015, and 2014, respectively. These amounts are included in "Selling, general and administrative expenses" or "Cost of goods sold (exclusive of depreciation and amortization)" in our condensed consolidated statements of operations. As the performance criteria for fiscal years 2017, 2018 and 2019 have not yet been established, measurement periods for Hindalco SARs and Novelis SARs relating to those periods have not yet commenced. As a result, only compensation expense for vested and current year Hindalco SARs and Novelis SARs has been recorded.

The cash payments made to settle SAR liabilities were \$1 million and \$5 million in the three months ended June 30, 2015 and 2014, respectively. Total cash payments made to settle Hindalco RSUs were \$5 million and \$2 million in the three months ended June 30, 2015 and 2014, respectively. Unrecognized compensation expense related to the non-vested Hindalco SARs (assuming all future performance criteria are met) was \$8 million, which is expected to be recognized over a weighted average period of 2.1 years. Unrecognized compensation expense related to the non-vested Novelis SARs (assuming all future performance criteria are met) was \$16 million, which is expected to be recognized over a weighted average period of 2.3 years. Unrecognized compensation expense related to the RSUs was \$6 million, which will be recognized over the remaining weighted average vesting period of 1.9 years.

9. POSTRETIREMENT BENEFIT PLANS

Our pension obligations relate to: (1) funded defined benefit pension plans in the U.S., Canada, Switzerland and the U.K.; (2) unfunded defined benefit pension plans in Germany; (3) unfunded lump sum indemnities payable upon retirement to employees in France, Malaysia and Italy; and (4) partially funded lump sum indemnities in South Korea. Our other postretirement obligations (Other Benefits, as shown in certain tables below) include unfunded health care and life insurance benefits provided to retired employees in the U.S., Canada and Brazil.

Components of net periodic benefit cost (credit) for all of our significant postretirement benefit plans are shown in the tables below (in millions).

Employer Contributions to Plans

For pension plans, our policy is to fund an amount required to provide for contractual benefits attributed to service to date, and amortize unfunded actuarial liabilities typically over periods of 15 years or less. We also participate in savings plans in Canada and the U.S., as well as defined contribution pension plans in the U.S., U.K., Canada, Germany, Italy, Switzerland, Malaysia and Brazil. We contributed the following amounts to all plans (in millions).

	2015	2014
Funded pension plans	\$ 3	\$ 4
Unfunded pension plans	2	1
Savings and defined contribution pension plans	7	6

During the remainder of fiscal 2016, we expect to contribute an additional \$24 million to our funded pension plans, \$7 million to our unfunded pension plans and \$15 million to our savings and defined contribution plans.

Aluminum

We use derivative instruments to preserve our conversion margins and manage the timing differences associated with metal price lag. We use over-the-counter derivatives indexed to the London Metals Exchange (LME) and from time to time we also use over-the-counter derivatives indexed to the Midwest transaction premium (collectively referred to as our "aluminum derivative forward contracts") to reduce our exposure to fluctuating metal prices associated with the period of time between the pricing of our purchases of inventory and the pricing of the sale of that inventory to our customers, which is known as "metal price lag." We also purchase forward LME aluminum contracts simultaneously with our sales contracts with customers that contain fixed metal prices. These LME aluminum forward contracts directly hedge the economic risk of future metal price fluctuations to better match the selling price of the metal with the purchase price of the metal. The volatility in local market premiums also results in metal price lag, although we do not have derivatives contracts associated with local market premiums as these are not prevalent in the market.

Price risk exposure arises from commitments to sell aluminum in future periods at fixed prices. We identify and designate certain LME aluminum forward contracts as fair value hedges of the metal price risk associated with fixed price sales commitments that qualify as firm commitments. Such exposures do not extend beyond two years in length. We had 7 kt and 2 kt of outstanding aluminum forward purchase contracts designated as fair value hedges as of June 30, 2015 and March 31, 2015, respectively. One kilotonne (kt) is 1,000 metric tonnes.

Novelis Inc.
NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (unaudited) - (Continued)

The following table summarizes the amount of gain (loss) recognized on fair value hedges of metal price risk (in millions).

	Amount of Gain (Loss) Recognized on Changes in Fair Value

(A) Effective portion is recorded in "Net sales" and net ineffectiveness in "Other (income) expense, net." There was no amount excluded from the assessment of hedge effectiveness related to Fair Value Hedges.

Price risk arises due to fluctuating aluminum prices between the time the sales order is committed and the time the order is shipped. We identify and designate certain LME aluminum forward purchase contracts as cash flow hedges of the metal price risk associated with our future metal purchases that vary based on changes in the price of aluminum. Such exposures do not extend beyond two years in length. We had 4 kt and 1 kt of outstanding aluminum forward purchase contracts designated as cash flow hedges as of June 30, 2015 and March 31, 2015, respectively.

Price risk exposure arises due to the timing lag between the LME based pricing of raw material aluminum purchases and the LME based pricing of finished product sales. We identify and designate certain LME aluminum forward sales contracts as cash flow hedges of the metal price risk associated with our future metal sales that vary based on changes in the price of aluminum. Such exposures do not extend beyond one year in length. We had 235 kt and 285 kt of outstanding aluminum forward sales contracts designated as cash flow hedges as of June 30, 2015 and March 31, 2015, respectively.

The remaining balance of our aluminum derivative contracts are not designated as accounting hedges. As of June 30, 2015 and March 31, 2015, we had 188 kt and 36 kt, respectively, of outstanding aluminum sales contracts not designated as hedges. The increase in the level of undesignated aluminum derivatives was driven by recent volatility in the local market premium component of our net selling prices. The average duration of undesignated contracts is less than six months.

The following table summarizes our notional amount (in kt).

Hedge Type	June 30, 2015	March 31, 2015
<i>Purchase (Sale)</i>		
Cash flow purchases	4	1
Cash flow sales	(235)	(285)
Fair value	7	2
Not designated	(188)	(36)
Total, net	(412)	(318)

Foreign Currency

We use foreign exchange forward contracts, cross-currency swaps and options to manage our exposure to changes in exchange rates. These exposures arise from recorded assets and liabilities, firm commitments and forecasted cash flows denominated in currencies other than the functional currency of certain operations.

We use foreign currency contracts to hedge expected future foreign currency transactions, which include capital expenditures. These contracts cover the same periods as known or expected exposures. We had total notional amounts of \$459 million and \$590 million in outstanding foreign currency forwards designated as cash flow hedges as of June 30, 2015 and March 31, 2015, respectively.

We use foreign currency contracts to hedge our foreign currency exposure to our net investment in foreign subsidiaries. We had \$26 million and \$28 million of outstanding foreign currency forwards designated as net investment hedges as of June 30, 2015 and March 31, 2015, respectively.

As of June 30, 2015 and March 31, 2015, we had outstanding currency exchange contracts with a total notional amount of \$752 million and \$868 million, respectively, which were not designated as hedges. Contracts representing the majority of this notional amount will mature during the second quarter of fiscal 2016.

Energy

We own an interest in an electricity swap which we formerly designated as a cash flow hedge of our exposure to fluctuating electricity prices. As of March 31, 2011, due to significant credit deterioration of our counterparty, we discontinued hedge accounting for this electricity swap. Less than 1 million of notional megawatt hours remained outstanding as of June 30, 2015, and the fair value of this swap was a liability of \$15 million as of June 30, 2015. As of March 31, 2015, the fair value of this electricity swap was a liability of \$16 million.

We use natural gas forward purchase contracts to manage our exposure to fluctuating energy prices in North America. We had 7 million MMBTUs designated as cash flow hedges as of June 30, 2015, and the fair value was a liability of \$6 million. There were 7 million MMBTUs of natural gas forward purchase contracts designated as cash flow hedges as of March 31, 2015 and the fair value was a liability of \$8 million. As of June 30, 2015 and March 31, 2015, we had 2 million of MMBTUs of natural gas forward purchase contracts that were not designated as hedges. The fair value as of June 30, 2015 and March 31, 2015 was a liability of \$2 million and a liability of \$3 million, respectively, for the forward purchase contracts not designated as hedges. The average duration of undesignated contracts is approximately one year in length. One MMBTU is the equivalent of one decatherm, or one million British Thermal Units.

Interest Rate

As of June 30, 2015, we swapped \$77 million (KRW 86 billion) floating rate loans to a weighted average fixed rate of 3.69%. All swaps expire concurrent with the maturity of the related loans. As of June 30, 2015 and March 31, 2015, \$77 million (KRW 86 billion) and \$78 million (KRW 86 billion), respectively, were designated as cash flow hedges.

13. FAIR VALUE MEASUREMENTS

We record certain assets and liabilities, primarily derivative instruments, on our condensed consolidated balance sheets at fair value. We also disclose the fair values of certain financial instruments, including debt and loans receivable, which are not recorded at fair value. Our objective in measuring fair value is to estimate an exit price in an orderly transaction between market participants on the measurement date. We consider factors such as liquidity, bid/offer spreads and nonperformance risk, including our own nonperformance risk, in measuring fair value. We use observable market inputs wherever possible. To the extent observable market inputs are not available, our fair value measurements will reflect the assumptions we used. We grade the level of the inputs and assumptions used according to a three-tier hierarchy:

Level 1 — Unadjusted quoted prices in active markets for identical, unrestricted assets or liabilities we have the ability to access at the measurement date.

Level 2 — Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 — Unobservable inputs for which there is little or no market data, which require us to develop our own assumptions based on the best information available as what market participants would use in pricing the asset or liability.

The following section describes the valuation methodologies we use to measure our various financial instruments at fair value, including an indication of the level in the fair value hierarchy in which each instrument is generally classified.

Derivative Contracts

For certain derivative contracts with fair values based upon trades in liquid markets, such as aluminum, foreign exchange and natural gas forward contracts and options, valuation model inputs can generally be verified and valuation techniques do not involve significant judgment. The fair values of such financial instruments are generally classified within Level 2 of the fair value hierarchy.

The majority of our derivative contracts are valued using industry-standard models with observable market inputs as their basis, such as time value, forward interest rates, volatility factors, and current (spot) and forward market prices. We generally classify these instruments within Level 2 of the valuation hierarchy. Such derivatives include interest rate swaps, cross-currency swaps, foreign currency contracts, aluminum derivative contracts and natural gas forward contracts.

We classify derivative contracts that are valued based on models with significant unobservable market inputs as Level 3 of the valuation hierarchy. Our electricity swap, which is our only Level 3 derivative contract, represents an agreement to buy electricity at a fixed price at our Oswego, New York facility. Forward prices are not observable for this market, so we must make certain assumptions based on available information we believe to be relevant to market participants. We use observable forward prices for a geographically nearby market and adjust for 1) historical spreads between the cash prices of the two markets, and 2) historical spreads between retail and wholesale prices.

The average forward price at June 30, 2015, estimated using the method described above, was \$48 per megawatt hour, which represented a \$4 premium over forward prices in the nearby observable market. The actual rate from the most recent swap settlement was approximately \$34 per megawatt hour. Each \$1 per megawatt hour decline in price decreases the valuation of the electricity swap by less than \$1 million.

For Level 2 and 3 of the fair value hierarchy, where appropriate, valuations are adjusted for various factors such as liquidity, bid/offer spreads and credit considerations (nonperformance risk). We regularly monitor these factors along with significant market inputs and assumptions used in our fair value measurements and evaluate the level of the valuation input according to the fair value hierarchy. This may result in a transfer between levels in the hierarchy from period to period. As of June 30, 2015 and March 31, 2015, we did not have any Level 1 derivative contracts. No amounts were transferred between levels in the fair value hierarchy.

All of the Company's derivative instruments are carried at fair value in the statements of financial position prior to considering master netting agreements. The table below also discloses the net fair value of the derivative instruments after considering the impact of master netting agreements.

Financial Instruments Not Recorded at Fair Value

The table below presents the estimated fair value of certain financial instruments not recorded at fair value on a recurring basis (in millions). The table excludes short-term financial assets and liabilities for which we believe carrying value approximates fair value. The fair value of long-term receivables is based on anticipated cash flows, which approximates carrying value and is classified as Level 2. We value long-term debt using Level 2 inputs. Valuations are based on either market and/or broker ask prices when available or on a standard credit adjusted discounted cash flow model using market observable inputs.

(D) We experienced an outage at the hotmill in the Logan facility in North America due to an unexpected failure of a motor, which resulted in lost shipments and profits during the fourth quarter of fiscal 2015. A repaired motor was installed and operations at the hotmill resumed, within approximately three weeks of the outage. We recognized gains of \$5 million and \$13 million during the first quarter of fiscal 2016 and fourth quarter of fiscal 2015, respectively, as partial settlements of the related business interruption recovery claim.

15. INCOME TAXES

A reconciliation of the Canadian statutory tax rate to our effective tax rate was as follows (in millions, except percentages).

	Three Months Ended June 30,	
	2015	2014
Pre-tax (loss) income before equity in net loss of non-consolidated affiliates and noncontrolling interests	\$ (44)	\$ 61
Canadian statutory tax rate	25 %	25%
(Benefit) provision at the Canadian statutory rate	\$ (11)	\$ 15
Increase (decrease) for taxes on income (loss) resulting from:		
Exchange translation items	8	4
Exchange remeasurement of deferred income taxes	2	4
Change in valuation allowances	21	11
Income items not subject to tax	—	(1)
Dividends not subject to tax	(5)	(10)
Tax rate differences on foreign earnings	1	1
Other, net	(1)	—
Income tax provision	\$ 15	\$ 24
Effective tax rate	(33)%	39%

Exchange translation items relate to U.S. dollar denominated debt and other monetary items which will ultimately be taxed in local currency. The exchange remeasurement of deferred income taxes relates to deferred tax assets and liabilities in Brazil which get remeasured for currency fluctuations against the U.S. dollar. The change in valuation allowances primarily relates to tax losses in certain jurisdictions where we believe it is more likely than not that we will not be able to utilize those losses.

As of June 30, 2015, we had a net deferred tax liability of \$113 million. This amount included gross deferred tax assets of approximately \$1.1 billion and a valuation allowance of \$551 million. It is reasonably possible that our estimates of future taxable income may change within the next 12 months, resulting in a change to the valuation allowance in one or more jurisdictions.

Tax authorities continue to examine certain of our tax filings for fiscal years 2005 through 2013. As a result of audit settlements, judicial decisions, the filing of amended tax returns or the expiration of statutes of limitations, our reserves for unrecognized tax benefits, as well as reserves for interest and penalties, may decrease in the next 12 months by an amount up to approximately \$14 million.

16. COMMITMENTS AND CONTINGENCIES

We are party to, and may in the future be involved in, or subject to, disputes, claims and proceedings arising in the ordinary course of our business, including some we assert against others, such as environmental, health and safety, product liability, employee, tax, personal injury and other matters. We have established a liability with respect to contingencies for which a loss is probable and estimable. While the ultimate resolution of and liability and costs related to these matters cannot be determined with certainty, we do not believe any of these pending actions, individually or in the aggregate, will materially impair our operations or materially affect our financial condition or liquidity.

For certain matters in which the Company is involved for which a loss is reasonably possible, we are unable to estimate a loss. For certain other matters for which a loss is reasonably possible and the loss is estimable, we have estimated the aggregated range of loss as \$0 to \$60 million. This estimated aggregate range of reasonably possible losses is based upon currently available information. The Company's estimates involve significant judgment, and therefore, the estimate will change from time to time and actual losses may differ from the current estimate. We review the status of, and estimated liability related to, pending claims and civil actions on a quarterly basis. The evaluation model includes all asserted and unasserted claims that can be reasonably identified including claims relating to our responsibility for compliance with environmental, health and safety laws and regulations in the jurisdictions in which we operate or formerly operated. The estimated costs in respect of such reported liabilities are not offset by amounts related to insurance or indemnification arrangements unless otherwise noted.

The following describes certain contingencies relating to our business, including those for which we assumed liability as a result of our spin-off from Alcan Inc.

Environmental Matters

We own and operate numerous manufacturing and other facilities in various countries around the world. Our operations are subject to environmental laws and regulations from various jurisdictions, which govern, among other things, air emissions, wastewater discharges, the handling, storage and disposal of hazardous substances and wastes, the remediation of contaminated sites, post-mining reclamation and restoration of natural resources, and employee health and safety. Future environmental regulations may impose stricter compliance requirements on the industries in which we operate. Additional equipment or process changes at some of our facilities may be needed to meet future requirements. The cost of meeting these requirements may be significant. Failure to comply with such laws and regulations could subject us to administrative, civil or criminal penalties, obligations to pay damages or other costs, and injunctions and other orders, including orders to cease operations.

We are involved in proceedings under the U.S. Comprehensive Environmental Response, Compensation, and Liability Act, also known as CERCLA or Superfund, or analogous state provisions regarding liability arising from the usage, storage, treatment or disposal of hazardous substances and wastes at a number of sites in the United States, as well as similar proceedings under the laws and regulations of the other jurisdictions in which we have operations, including Brazil and certain countries in the European Union. Many of these jurisdictions have laws that impose joint and several liability, without regard to fault or the legality of the original conduct, for the costs of environmental remediation, natural resource damages, third party claims, and other expenses. In addition, we are, from time to time, subject to environmental reviews and investigations by relevant governmental authorities. We are also involved in claims and litigation filed on behalf of persons alleging exposure to substances and other hazards at our current and former facilities.

We have established liabilities based on our estimates for the currently anticipated costs associated with these environmental matters. We estimated that the remaining undiscounted clean-up costs related to our environmental liabilities as of June 30, 2015 were approximately \$23 million, of which \$19 million was associated with restructuring actions and the remaining undiscounted clean-up costs were approximately \$4 million. Additionally, \$19 million of the environmental liability was included in "Other long-term liabilities," with the remaining \$4 million included in "Accrued expenses and other current liabilities" in our condensed consolidated balance sheet as of June 30, 2015. As of March 31, 2015, \$18 million of the environmental liability was included in "Other long-term liabilities," with the remaining \$4 million included in "Accrued expenses and other current liabilities" in our condensed consolidated balance sheet. Management has reviewed the environmental matters, including those for which we assumed liability as a result of our spin-off from Alcan Inc. As a result of management's review of these items, management has determined that the currently anticipated costs associated with these environmental matters will not, individually or in the aggregate, materially impact our operations or materially adversely affect our financial condition, results of operations or liquidity.

Brazil Tax and Legal Matters

Under a federal tax dispute settlement program established by the Brazilian government, we have settled several disputes with Brazil's tax authorities regarding various forms of manufacturing taxes and social security contributions. In most cases, we are paying the settlement amounts over a period of 180 months, although in some cases we are paying the settlement amounts over a shorter period. The assets and liabilities related to these settlements are presented in the table below (in millions).

	June 30, 2015	March 31, 2015
Cash deposits (A)	\$ 3	\$ 3
Short-term settlement liability (B)	\$ 8	\$ 7
Long-term settlement liability (B)	67	66
Total settlement liability	<u>\$ 75</u>	<u>\$ 73</u>
Liability for other disputes and claims (C)	\$ 14	\$ 12

(A) We have maintained these cash deposits as a result of legal proceedings with Brazil's tax authorities. These deposits, which are included in "Other long-term assets — third parties" in our accompanying condensed consolidated balance sheets, will be expended toward these legal proceedings.

(B) The short-term and long-term settlement liabilities are included in "Accrued expenses and other current liabilities" and "Other long-term liabilities", respectively, in our accompanying condensed consolidated balance sheets.

(C) In addition to the disputes we have settled under the federal tax dispute settlement program, we are involved in several other unresolved tax and other legal claims in Brazil. The related liabilities are included in "Other long-term liabilities" in our accompanying condensed consolidated balance sheets.

The interest cost recorded on these settlement liabilities, partially offset by interest earned on the cash deposits is included in the table below (in millions).

	Three Months Ended June 30,	
	2015	2014
Loss on Brazilian tax litigation, net	\$ 1	\$ 2

Additionally, we have included in the range of reasonably possible losses disclosed above, any unresolved tax disputes or other contingencies for which a loss is reasonably possible and estimable.

Other Commitments

As of June 30, 2015 and March 31, 2015, we sold certain inventories to third parties and have agreed to repurchase the same or similar inventory back from the third parties at market prices subsequent to the balance sheet dates. Our estimated outstanding repurchase obligations for this inventory as of June 30, 2015 were \$55 million and as of March 31, 2015 were approximately \$206 million, based on market prices as of these dates. We sell and repurchase inventory with third parties in an attempt to better manage inventory levels and to better match the purchasing of inventory with the demand for our products. As of June 30, 2015 and March 31, 2015, there was no liability related to these repurchase obligations on our accompanying condensed consolidated balance sheets.

17. SEGMENT, MAJOR CUSTOMER AND MAJOR SUPPLIER INFORMATION

Segment Information

Due in part to the regional nature of supply and demand of aluminum rolled products and to best serve our customers, we manage our activities based on geographical areas and are organized under four operating segments: North America, Europe, Asia and South America. All of our segments manufacture aluminum sheet and light gauge products.

The following is a description of our operating segments:

North America. Headquartered in Atlanta, Georgia, this segment operates eight plants, including two fully dedicated recycling facilities and one facility with recycling operations, in two countries.

Europe. Headquartered in Kusknacht, Switzerland, this segment operates ten plants, including two fully dedicated recycling facilities and two facilities with recycling operations, in four countries.

Asia. Headquartered in Seoul, South Korea, this segment operates five plants, including three facilities with recycling operations, in four countries.

South America. Headquartered in Sao Paulo, Brazil, this segment comprises power generation operations, and operates two plants, including a facility with recycling operations, in Brazil. Our remaining smelting operations facilities ceased operations in December 2014. The majority of our power generation operations were sold during the fourth quarter of fiscal 2015.

Net sales and expenses are measured in accordance with the policies and procedures described in Note 1 — Business and Summary of Significant Accounting Policies.

We measure the profitability and financial performance of our operating segments based on “Segment income.” “Segment income” provides a measure of our underlying segment results that is in line with our approach to risk management. We define “Segment income” as earnings before (a) “depreciation and amortization”; (b) “interest expense and amortization of debt issuance costs”; (c) “interest income”; (d) unrealized gains (losses) on change in fair value of derivative instruments, net, except for foreign currency remeasurement hedging activities, which are included in segment income; (e) impairment of goodwill; (f) gain or loss on extinguishment of debt; (g) noncontrolling interests' share; (h) adjustments to reconcile our proportional share of “Segment income” from non-consolidated affiliates to income as determined on the equity method of accounting; (i) “restructuring and impairment, net”; (j) gains or losses on disposals of property, plant and equipment and businesses, net; (k) other costs, net; (l) litigation settlement, net of insurance recoveries; (m) sale transaction fees; (n) provision or benefit for taxes on income (loss) and (o) cumulative effect of accounting change, net of tax.

The tables below show selected segment financial information (in millions). The “Eliminations and Other” column in the table below includes eliminations and functions that are managed directly from our corporate office that have not been allocated to our operating segments, as well as the adjustments for proportional consolidation, and eliminations of intersegment “Net sales.” The financial information for our segments includes the results of our affiliates on a proportionately consolidated basis, which is consistent with the way we manage our business segments. In order to reconcile the financial information for the segments shown in the tables below to the relevant U.S. GAAP-based measures, we must adjust proportional consolidation of each line item. The “Eliminations and Other” in “Net sales – third party” includes the net sales attributable to our joint venture party, Tri-Arrows, for our Logan affiliate because we consolidate 100% of the Logan joint venture for U.S. GAAP, but we manage our Logan affiliate on a proportionately consolidated basis. See Note 5 - Consolidation and Note 6 - Investment in and Advances to Non-Consolidated Affiliates and Related Party Transactions for further information about these affiliates. Additionally, we eliminate intersegment sales and intersegment income for reporting on a consolidated basis.

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations

FORWARD LOOKING STATEMENTS

The following information should be read together with our unaudited condensed consolidated financial statements and accompanying notes included elsewhere in this Quarterly Report for a more complete understanding of our financial condition and results of operations. The following discussion contains forward-looking statements that reflect our plans, estimates and beliefs. Our actual results could differ materially from those discussed in these forward-looking statements. Factors that could cause or contribute to these differences include, but are not limited to, those discussed below, particularly in "SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS AND MARKET DATA."

OVERVIEW AND REFERENCES

Novelis is the world's leading aluminum rolled products producer based on shipment volume in fiscal 2015. We produce aluminum sheet and light gauge products for use in the packaging market, which includes beverage and food can and foil products, as well as for use in the automotive, transportation, electronics, architectural and industrial product markets. We are also the world's largest recycler of aluminum and have recycling operations in many of our plants to recycle both post-consumer aluminum and post-industrial aluminum. As of June 30, 2015, we had manufacturing operations in eleven countries on four continents, which include 25 operating plants, and recycling operations in 11 of these plants. We are the only company of our size and scope focused solely on the aluminum rolled products markets and capable of local supply of technologically sophisticated products in all of our geographic regions, but with the global footprint to service global customers.

In this Quarterly Report on Form 10-Q, unless otherwise specified, the terms "we," "our," "us," "Company," and "Novelis" refer to Novelis Inc., a company incorporated in Canada under the Canadian Business Corporations Act (CBCA) and its subsidiaries. References herein to "Hindalco" refer to Hindalco Industries Limited, our indirect parent company, which acquired Novelis in May 2007, through its indirect wholly-owned subsidiary, AV Metals Inc., our direct parent company.

As used in this Quarterly Report, consolidated "aluminum rolled product shipments" or "flat rolled product shipments" refers to aluminum rolled products shipments to third parties. Regional "aluminum rolled product shipments" or "flat rolled product shipments" refers to aluminum rolled products shipments to third parties and intersegment shipments to other Novelis regions. Shipment amounts also include tolling shipments. References to "total shipments" include aluminum rolled products as well as certain other non-rolled product shipments, primarily scrap, UBCs, ingot, billets and primary remelt. The term "aluminum rolled products" is synonymous with the terms "flat rolled products" and "FRP" commonly used by manufacturers and third party analysts in our industry. All tonnages are stated in metric tonnes. One metric tonne is equivalent to 2,204.6 pounds. One kilotonne (kt) is 1,000 metric tonnes.

References to our Form 10-K made throughout this document refer to our Annual Report on Form 10-K for the year ended March 31, 2015, filed with the United States Securities and Exchange Commission (SEC) on May 12, 2015.

HIGHLIGHTS

We reported "Segment income" of \$127 million for the first quarter of fiscal 2016, which is down 46% compared to the first quarter in the prior year. The decrease in "Segment income" was largely driven by \$87 million of metal price lag caused by sharp declines in local market premiums. Period-to-period comparisons were also affected by higher costs associated with the commissioning of our expansion projects, partially offset by favorable product mix due to a strategic shift to grow automotive shipments.

Shipments of flat rolled products were flat when compared to the prior year comparable period, with 768 kt in shipments during the first quarter of 2016 compared to 770 kt during the first quarter of fiscal 2015. Regional shipments increased in North America by 5%, in Europe by 2%, and in Asia by 3%, while declining by 6% in South America. Global automotive shipments increased by 68% year over year.

We continue to make significant investments in our automotive sheet finishing operations as the automotive industry is using more aluminum in vehicles to improve vehicle performance and fuel efficiency by reducing vehicle weight. The two new automotive sheet finishing lines in our Oswego, New York facility are now quickly ramping up production, which is helping to contribute to record global automotive shipment levels. We have also commissioned a new automotive sheet finishing plant in Changzhou, China. In addition, a third automotive finishing line is under construction at our Oswego, New York facility, as is a second automotive finishing line at our Nachterstedt, Germany facility.

We reported a "Net loss" of \$60 million in the three months ended June 30, 2015, compared with "Net income" of \$35 million in the three months ended June 30, 2014. Net cash used in operating activities was \$288 million for the three months ended June 30, 2015, reflecting lower earnings and higher working capital levels. Capital expenditures related to strategic expansion projects have declined as some of our larger projects have either recently commissioned or are in the commissioning phase. We spent \$129 million on capital expenditures globally for the three months ended June 30, 2015 compared to \$138 million in the same period in prior year.

BUSINESS AND INDUSTRY CLIMATE

The demand for aluminum by the automotive industry continues to grow rapidly. This demand has been driven by the benefits that result from using lighter weight materials in vehicles, as companies respond to government regulations, which are driving improved emissions and better fuel economy; while also maintaining or improving vehicle handling, braking, and safety. We expect the automotive aluminum market to grow significantly through the end of the decade, which is driving the investments we have made in our automotive sheet finishing capacity in North America, Europe and Asia.

Base aluminum prices and local market premiums fell sharply in the first quarter of fiscal 2016, continuing a declining trend which began during the fourth quarter of fiscal 2015. These price declines are contractually passed through to the majority of our customers, although recognition in net selling prices precedes the recognition of metal price movements in our cost of goods sold. Although we use derivatives contracts to minimize the price lag associated with LME base aluminum prices, we do not use derivative contracts for local market premiums, as these are not prevalent in the market.

While economic growth and material substitution continues to drive increasing global demand for aluminum beverage cans, consumer demand for carbonated soft drinks in North America has declined, creating excess capacity in the can market in the region. We expect the overcapacity for can products in North America to eventually lessen as producers of flat rolled aluminum products shift more hot mill rolling capacity toward automotive products. Slower economic growth and uncertainty in China and increased competition from Chinese suppliers of flat rolled aluminum products has put downward pressure on conversion premiums, primarily in can and specialty products. Additionally, the local market premium in Asia has been higher on average compared to historical levels, increasing our cost of metal to levels we have not been able to pass through to some of our customers, due to competitive conditions in the region.

Business Model and Key Concepts

Conversion Business Model

A significant amount of our business is conducted under a conversion model, which allows us to pass through increases or decreases in the price of aluminum to our customers. Nearly all of our flat-rolled products have a price structure with three components: (i) a base aluminum price quoted off the LME; (ii) local market premiums; and (iii) a “conversion premium” to produce the rolled product which reflects, among other factors, the competitive market conditions for that product. Base aluminum prices are typically driven by macroeconomic factors and global supply and demand of aluminum. The local market premiums tend to vary based on the supply and demand for metal in a particular region and associated transportation costs.

LME Base Aluminum Prices and Local Market Premiums

The average (based on the simple average of the monthly averages) and closing prices based upon the LME prices for aluminum for the three months ended June 30, 2015 and 2014 are as follows:

	Three Months Ended June 30,		Percent Change
	2015	2014	
London Metal Exchange Prices			
Aluminum (per metric tonne, and presented in U.S. dollars):			
Closing cash price as of beginning of period	\$ 1,789	\$ 1,731	3 %
Average cash price during the period	\$ 1,769	\$ 1,798	(2)%
Closing cash price as of end of period	\$ 1,647	\$ 1,851	(11)%

LME base aluminum prices began a declining trend in the fourth quarter of fiscal 2015. This trend continued during the first quarter of fiscal 2016 and on average, LME base aluminum prices were 2% lower compared to the prior year.

The prices we pay for aluminum also include local market premiums, which we pass through to most of our customers. These premiums globally have historically been fairly stable but increased steadily over the past two years. However, during the first quarter of fiscal 2016, the weighted average local market premium declined sharply. The weighted average local market premium was as follows:

	Three Months Ended June 30,		Percent Change
	2015	2014	
Weighted average Local Market Premium (per metric tonne, and presented in U.S. dollars)	\$ 265	\$ 434	(39)%

In North America, Europe and South America, we pass through local market premiums to our customers which are recorded through "Net sales." We purchase our metal inputs in Asia based on the LME and incur a local market premium, which has been significantly higher on average compared to historical levels. Many of our competitors in this region price their metal off the Shanghai Futures Exchange, which does not include a local market premium, making it difficult for us to fully pass through this component of our metal input cost to some of our customers. The combination of slower economic growth in China and the increased competition from Chinese suppliers has put downward pressure on conversion premiums, primarily in can and specialty products in Asia.

Metal Price Lag and Related Hedging Activities

Increases or decreases in the average price of aluminum based on the LME directly impact “Net sales,” “Cost of goods sold (exclusive of depreciation and amortization)” and working capital. The timing of these impacts varies based on contractual arrangements with customers and metal suppliers in each region. These timing impacts are referred to as metal price lag. Metal price lag exists due to: 1) the period of time between the pricing of our purchases of metal, holding and processing the metal, and the pricing of the sale of finished inventory to our customers, and 2) certain customer contracts containing fixed forward price commitments which result in exposure to changes in metal prices for the period of time between when our sales price fixes and the sale actually occurs.

We use LME aluminum forward contracts to preserve our conversion margins and manage the timing differences associated with metal price lag. These derivatives directly hedge the economic risk of future metal price fluctuations to better match the purchase price of metal with the sales price of metal. The volatility in local market premiums also results in metal price lag, although we do not have derivatives contracts associated with local market premiums as these are not prevalent in the market.

We elect to apply hedge accounting to better match the recognition of gains or losses on certain derivative instruments with the recognition of the underlying exposure being hedged in the statement of operations. For undesignated metal derivatives, there are timing differences between the recognition of unrealized gains or losses on the derivatives and the recognition of the underlying exposure in the statement of operations. The recognition of unrealized gains and losses on undesignated metal derivative positions typically precedes inventory cost recognition, customer delivery and revenue recognition. The timing difference between the recognition of unrealized gains and losses on undesignated metal derivatives and cost or revenue recognition impacts “Income before income taxes” and “Net income.” Gains and losses on metal derivative contracts are not recognized in “Segment income” until realized.

See *Segment Review* below for the impact of metal price lag on each of our segments.

Foreign Currency and Related Hedging Activities

We operate a global business and conduct business in various currencies around the world. We have exposure to foreign currency risk as fluctuations in foreign exchange rates impact our operating results as we translate the operating results from various functional currencies into our U.S. dollar reporting currency at the current average rates. We also record foreign exchange remeasurement gains and losses when business transactions are denominated in currencies other than the functional currency of that operation. Global economic uncertainty is contributing to higher levels of volatility among the currency pairs in which we conduct business. The devaluation of the Euro against the U.S. dollar and the Swiss Franc for the three months ended June 30, 2015 compared to the three months ended June 30, 2014 have had a negative impact on our financial results. In Brazil, where our functional currency is the U.S. dollar, the devaluation of the Brazilian real against the U.S. dollar has had a positive impact on our financial results. The following table presents the exchange rates as of the end of each period and the average of the month-end exchange rates for the three months ended June 30, 2015 and 2014:

	Exchange Rate as of		Average Exchange Rate	
	June 30, 2015	March 31, 2015	Three Months Ended June 30, 2015	2014
U.S. dollar per Euro	1.115	1.075	1.112	1.373
Swiss franc per Euro	1.042	1.045	1.041	1.218
Brazilian real per U.S. dollar	3.103	3.208	3.092	2.226
South Korean won per U.S. dollar	1,124	1,105	1,100	1,023
Canadian dollar per U.S. dollar	1.249	1.267	1.233	1.082

In both South Korea and Europe, operations are recorded in their local currency and translated into the U.S. dollar reporting currency. When comparing the first quarter of fiscal 2016 operating results with the first quarter of fiscal 2015, in South Korea and Europe, the stronger U.S. dollar resulted in unfavorable foreign exchange translation.

In Brazil and Canada, the U.S. dollar is the functional currency due to predominantly U.S. dollar selling prices while our operating costs are predominately denominated in the Brazilian real and the Canadian dollar. The stronger U.S. dollar compared to the Brazilian real and the Canadian dollar resulted in a favorable remeasurement of local currency operating costs and liabilities into the U.S. dollar in the first quarter of fiscal 2016 compared to the first quarter of fiscal 2015.

In January 2015, the Swiss National Bank discontinued its policy to support a minimum exchange rate between the Euro and the Swiss franc. Following this announcement, the Swiss franc rapidly appreciated in value. This adversely impacted our Swiss operations, where operating costs are incurred primarily in the Swiss franc, and a large portion of revenues are denominated in the Euro.

We use foreign exchange forward contracts and cross-currency swaps to manage our exposure arising from recorded assets and liabilities, firm commitments, and forecasted cash flows denominated in currencies other than the functional currency of certain operations, which include capital expenditures and net investment in foreign subsidiaries. In the first quarter of fiscal 2016, remeasurement hedging losses on the currency exchange contracts partially offset the foreign currency exchange balance sheet remeasurement gains arising from the non-functional currency denominated assets and liabilities being remeasured to the functional currency of certain operations. The increased volatility in the daily Brazilian real, Swiss Franc and Euro exchange rates versus the U.S. dollar resulted in a portion of the balance sheet remeasurement gains and losses not being fully offset by the foreign currency exchange hedges. In South America, the foreign currency exchange hedging gains offset the foreign currency remeasurement losses on the Brazilian real denominated liabilities being remeasured to the U.S. dollar. In Europe, a majority of foreign currency exchange remeasurement gains were offset by foreign currency exchange hedging losses on the U.S dollar denominated liabilities being remeasured to the Euro. In South Korea, the foreign currency exchange hedging losses partially offset the foreign currency remeasurement gains on the U.S. dollar denominated receivables. For other foreign currency hedging programs, the unrealized gains or losses on other undesignated derivatives will be recognized in the statement of operations prior to the hedged transaction. The movement of currency exchange rates during the first quarter of fiscal 2016 and the first quarter of fiscal 2015 resulted in \$1 million of net unrealized losses and \$1 million of net unrealized gains, respectively, on undesignated foreign currency derivatives.

See *Segment Review* below for the impact of foreign currency on each of our segments.

RESULTS OF OPERATIONS FOR THE THREE MONTHS ENDED JUNE 30, 2015 COMPARED TO THE THREE MONTHS ENDED JUNE 30, 2014

“Net sales” decreased \$46 million, or 2%, driven by a 2% decrease in average base aluminum prices, a 39% decrease in weighted average local market premiums, and the sale of our North American consumer foil operations, partially offset by the impact from our strategic shift to higher margin automotive products. Shipments of flat rolled products on a consolidated basis were essentially flat for the three months ended June 30, 2015 compared to the three months ended June 30, 2014.

“Cost of goods sold (exclusive of depreciation and amortization)” increased \$71 million, or 3%, due to higher costs related to our strategic expansion projects, volume growth in the automotive sector and metal price lag, partially offset by the sale of our North American consumer foil operations. Total metal input costs included in “Cost of goods sold (exclusive of depreciation and amortization)” increased \$64 million.

“Loss before income taxes” for the three months ended June 30, 2015 was \$45 million, compared to “Income before income taxes” of \$59 million in the three months ended June 30, 2014, driven by significant unfavorable metal price lag of \$87 million. The following additional items affected “Income before income taxes:”

- “Selling, general and administrative expenses” decreased \$8 million primarily due to various cost containment initiatives;
- “Gain on assets held for sale” includes \$7 million from the sale of our consumer foil operations in North America and \$4 million from a property and mining rights sale agreement in South America during the three months ended June 30, 2014;
- “Loss on extinguishment of debt” includes a \$13 million loss on the partial extinguishment of our Term Loan Facility, which was amended during the quarter ended June 30, 2015;
- “Restructuring and impairment, net” of \$15 million for the three months ended June 30, 2015 includes \$12 million of severance and impairment charges related to business restructuring events in our corporate headquarters. We also incurred \$3 million of additional charges related to past restructuring actions in South America and Europe. We incurred \$6 million for the three months ended June 30, 2014, which primarily included severance charges in our European region and environmental and other charges related to certain non-core assets in Brazil; and
- Unrealized gains of \$35 million for the three months ended June 30, 2015 includes an increase in the number of undesignated aluminum derivative transactions due to the recent volatility in local market premiums compared to \$1 million of gains in the same period in the prior year, which is reported as “Other (income) expense, net.”

Our effective tax rate for the three months ended June 30, 2015 was (33)%, primarily due to changes in our valuation allowances related to tax losses in certain jurisdictions where we believe it is more likely than not that we will not be able to utilize those losses, unfavorable foreign exchange translation, and unfavorable remeasurement of deferred income taxes, partially offset by dividends not subject to tax and decreases in certain of our uncertain tax positions. Our effective tax rate for the three months ended June 30, 2014 was 39%, driven by low pre-tax income combined with changes in foreign currency rates on deferred income taxes in Brazil, partially offset by lower operating losses in the current period in a tax jurisdiction in which we have a 100% tax valuation allowance on the net operating losses.

We reported “Net loss attributable to our common shareholder” of \$60 million for the three months ended June 30, 2015 as compared to “Net income attributable to our common shareholder” of \$35 million for the three months ended June 30, 2014, primarily as a result of the factors discussed above.

Segment Review

Due in part to the regional nature of supply and demand of aluminum rolled products and in order to best serve our customers, we manage our activities on the basis of geographical regions and are organized under four operating segments: North America, Europe, Asia and South America.

We measure the profitability and financial performance of our operating segments based on "Segment income." We define "Segment income" as earnings before (a) "depreciation and amortization"; (b) "interest expense and amortization of debt issuance costs"; (c) "interest income"; (d) unrealized gains (losses) on changes in fair value of derivative instruments, net, except for foreign currency remeasurement hedging activities, which are included in segment income; (e) impairment of goodwill; (f) gain or loss on extinguishment of debt; (g) noncontrolling interests' share; (h) adjustments to reconcile our proportional share of "Segment income" from non-consolidated affiliates to income as determined on the equity method of accounting; (i) "restructuring and impairment, net"; (j) gains or losses on disposals of property, plant and equipment and businesses, net; (k) other costs, net; (l) litigation settlement, net of insurance recoveries; (m) sale transaction fees; (n) provision or benefit for taxes on income (loss) and (o) cumulative effect of accounting changes, net of tax. The financial information for our segments includes the results of our affiliates on a proportionately consolidated basis, which is consistent with the way we manage our business segments. See Note 5 — Consolidation and Note 6 — Investment in and Advances to Non-Consolidated Affiliates and Related Party Transactions for further information about these affiliates. Our presentation of "Segment income" on a consolidated basis is a non-GAAP financial measure. See "Non-GAAP Financial Measures" below for additional discussion about our use of "Total Segment income."

The tables below show selected segment financial information (in millions, except shipments which are in kt). For additional financial information related to our operating segments, see Note 17 — Segment, Major Customer and Major Supplier Information. In order to reconcile the financial information for the segments shown in the tables below to the relevant U.S. GAAP-based measures, "Eliminations and other" must adjust for proportional consolidation of each line item, and eliminate intersegment shipments (in kt) and intersegment "Net sales."

(A) Included in the North America "Segment income" for the three months ended June 30, 2014 were the operating results of our consumer foil operations in North America we sold on June 30, 2014. The change to "Segment income" attributable to these operations for the three months ended June 30, 2015 compared to the prior year was unfavorable by \$1 million. The following table reconciles changes in "Segment income" for the three months ended June 30, 2014 to the three months ended June 30, 2015 (in millions), with the impact of the consumer foil operations separately identified.

(B) The recognition of "Segment income" by a region on an intersegment shipment could occur in a period prior to the recognition of "Segment income" on a consolidated basis, depending on the timing of when the inventory is sold to the third party customer. The "Eliminations" column adjusts regional "Segment income" for intersegment shipments that occur in a period prior to recognition of "Segment income" on a consolidated basis. The "Eliminations" column also reflects adjustments for changes in regional volume, conversion premium and product mix, and conversion costs related to intersegment shipments for consolidation.

(C) Conversion costs include expenses incurred in production such as direct and indirect labor, energy, freight, scrap usage, alloys and hardeners, coatings, alumina, melt loss, the benefit of utilizing scrap and other metal costs. Conversion costs are excluding costs related to changes in mix. Fluctuations in this component reflect cost efficiencies (inefficiencies) during the period as well as cost (inflation) deflation.

(D) Selling, general & administrative costs and research & development costs include costs incurred directly by each segment and all corporate related costs, which are allocated to each of our segments.

North America

“Net sales” increased \$67 million, or 8%, reflecting higher automotive shipments partially offset by lower average base aluminum prices, lower local market premiums, lower can and industrial shipments and the sale of our consumer foil operations. As a result of our continued ramp-up of our new automotive lines in the region and higher demand in the automotive sector, we expect to see positive year over year automotive shipment growth in the remainder of fiscal year 2016.

“Segment income” was \$42 million, a decrease of 34%, reflecting significant unfavorable metal price lag of \$26 million, lower shipments of can and industrial products, and higher costs associated with the start-up and support of new automotive capacity, partially offset by higher conversion premiums from the related product mix shift. Excluding the impact of our North American foil business, which was sold in June 2014, conversion premiums and conversion costs increased during the period. We also recognized a \$5 million insurance settlement gain in the current quarter for a business interruption which occurred in the fourth quarter of fiscal 2015.

We have two new automotive sheet finishing lines at our Oswego, New York facility, which are ramping up production and contributing to automotive shipment growth. We are constructing a third automotive finishing line in our Oswego, New York facility, which is expected to begin commissioning at the end of calendar year 2015.

Europe

“Net sales” decreased \$34 million, or 4%, due to unfavorable changes in foreign currency rates, lower average base aluminum prices, lower local market premiums and lower shipments of non-rolled products, partially offset by higher shipments of can and automotive products. We continue to experience strong market demand for automotive products.

“Segment loss” was \$9 million, reflecting significant unfavorable metal price lag of \$59 million, higher conversion costs, and unfavorable changes in foreign currency rates, partially offset by higher shipment levels for automotive products. Conversion premiums were higher due to automotive products making up a larger share of our overall product mix. The year over year impact from foreign exchange was unfavorable by \$18 million. Conversion costs were unfavorable, primarily related to the higher fixed cost base associated with the ramp-up of our new recycling facility in Nachterstedt, Germany, where operational issues are temporarily constraining the facility's output.

We are in the process of constructing a second automotive finishing line in our Nachterstedt, Germany facility, which is expected to become operational at the end of calendar year 2015.

Asia

“Net sales” increased \$10 million, or 2%, reflecting and higher shipments of can and automotive products, partially offset by lower average base aluminum prices. The increase in can volumes was driven by shipments to customers in the Middle East and Africa. We also increased intersegment shipments to Novelis North America and Novelis Europe.

“Segment income” was \$36 million, a decrease of 3%, reflecting higher conversion costs and unfavorable metal price lag, partially offset by higher shipments, as discussed above. Higher conversion costs were driven by an increase in labor costs and higher energy rates. Many of our competitors in China price their metal off the Shanghai Metal Exchange, which does not have a local market premium. The purchase price for our metal inputs is based on the LME and results in us paying a local market premium, which we are unable to fully pass along to some of our customers.

We have commissioned a new automotive sheet finishing plant in Changzhou, China.

South America

“Net sales” decreased \$29 million, or 7%, driven by lower average base aluminum prices, lower local market premiums, and lower shipments. Shipments of can products decreased compared to prior year largely due to demand associated with the FIFA World Cup in Brazil in June 2014, as well as slowing economic conditions in Brazil.

“Segment income” was \$59 million, an increase of 7%, primarily reflecting favorable foreign currency, partially offset by lower shipment volumes, discussed above. Conversion costs were flat due to operational efficiencies, which were offset by higher labor, maintenance, and energy costs.

Reconciliation of segment results to “Net income attributable to our common shareholder”

Costs such as depreciation and amortization, interest expense and unrealized gains (losses) on changes in the fair value of derivatives (except for derivatives used to manage our foreign currency remeasurement activities) are not utilized by our chief operating decision maker in evaluating segment performance. The table below reconciles income from reportable segments to “Net income attributable to our common shareholder” for the three months ended June 30, 2015 and 2014 (in millions).

	Three Months Ended June 30,	
	2015	2014

Income tax provision	15	24
Net (loss) income	(60)	35
Net income attributable to noncontrolling interests	—	—
Net (loss) income attributable to our common shareholder	\$ (60)	\$ 35

“Adjustment to eliminate proportional consolidation” relates to depreciation and amortization and income taxes at our Aluminium Norf GmbH (Alunorf) joint venture. Income taxes related to our equity method investments are reflected in the carrying value of the investment and not in our consolidated “Income tax provision.”

“Realized (losses) gains on derivative instruments not included in segment income” represents realized gains on foreign currency derivatives related to capital expenditures.

“Other costs, net” related primarily to losses on certain indirect tax expenses in Brazil, partially offset by interest income.

Liquidity and Capital Resources

Over the past four years, we have been in a transitional period in which we invested heavily in strategically expanding rolling capacity, recycling operations and automotive finishing capabilities. Several of our expansion projects are ramping up operations, and we expect others to begin commissioning within the next year which, when operational, will generate additional operating cash flows. Our significant investments in the business were funded through cash flows generated by our operations, and a combination of local financing and our senior secured credit facilities. We expect to be able to fund our continued expansions, service our debt obligations and provide sufficient liquidity to run our business through one or more of the following: the generation of operating cash flows; our existing debt facilities, including refinancing; and new debt issuances, as necessary.

Our Term Loan Facility was refinanced on June 2, 2015 and extended to June 2, 2022. Additionally, we entered into a new Subordinated Lien Revolver on June 10, 2015.

Available Liquidity

Our available liquidity as of June 30, 2015 and March 31, 2015 is as follows (in millions):

	June 30, 2015	March 31, 2015
Cash and cash equivalents	\$ 456	\$ 628
Availability under committed credit facilities	708	510
Total liquidity	<u>\$ 1,164</u>	<u>\$ 1,138</u>

Available liquidity increased \$26 million to \$1.2 billion as of June 30, 2015. The increase is primarily attributable to new committed credit facilities of \$247 million, an increase in the ABL borrowing base of \$142 million and net proceeds under our debt instruments of \$64 million, offset by negative free cash flow of \$425 million and a decrease from the impact of foreign currency on cash and other of \$2 million. As of June 30, 2015, our availability under committed credit facilities of \$708 million was comprised of \$271 million under our ABL Revolver, \$237 million under our Korea, China, and Middle East and Africa loan facilities and \$200 million under our new Subordinated Lien Revolver.

The "Cash and cash equivalents" balance above includes cash held in foreign countries in which we operate. As of June 30, 2015, we held approximately \$4 million of "Cash and cash equivalents" in Canada, where we are incorporated, with the rest held in other countries in which we operate. As of June 30, 2015, we held \$84 million of cash in jurisdictions for which we have asserted that earnings are indefinitely reinvested and we plan to continue to fund operations and local expansions with cash held in those jurisdictions. Our significant future uses of cash include funding our expansion projects globally, which we plan to fund with cash flows from operating activities and local financing, and servicing our debt obligations domestically, which we plan to fund with cash flows from operating activities and, if necessary, by repatriating cash from jurisdictions for which we have not asserted that earnings are indefinitely reinvested. Cash held outside of Canada is free from significant restrictions that would prevent the cash from being accessed to meet the Company's liquidity needs including, if necessary, to fund operations and service debt obligations in Canada. Upon the repatriation of any earnings to Canada, in the form of dividends or otherwise, we could be subject to Canadian income taxes (subject to adjustment for foreign taxes paid and the utilization of the large cumulative net operating losses we have in Canada) and withholding taxes payable to the various foreign jurisdictions. As of June 30, 2015, we do not believe adverse tax consequences exist that restrict our use of "Cash or cash equivalents" in a material manner.

Free Cash Flow

We define "Free cash flow" (which is a non-GAAP measure) as: (a) "net cash provided by (used in) operating activities," (b) plus "net cash provided by (used in) investing activities" and (c) less "proceeds from sales of assets, net of transaction fees and hedging." Management believes "Free cash flow" is relevant to investors as it provides a measure of the cash generated internally that is available for debt service and other value creation opportunities. However, "Free cash flow" does not necessarily represent cash available for discretionary activities, as certain debt service obligations must be funded out of "Free cash flow." Our method of calculating "Free cash flow" may not be consistent with that of other companies.

The following table shows "Free cash flow" for the three months ended June 30, 2015 and 2014, the change between periods, and the ending balances of cash and cash equivalents (in millions).

	Three Months Ended June 30,		Change
	2015	2014	
Net cash used in operating activities	\$ (288)	\$ (24)	\$ (264)
Net cash used in investing activities	(137)	(119)	(18)
Less: Proceeds from sales of assets, net of transaction fees and hedging	—	(34)	34
Free cash flow	\$ (425)	\$ (177)	\$ (248)
Ending cash and cash equivalents	\$ 456	\$ 337	\$ 119

"Free cash flow" was negative \$425 million for the three months ended June 30, 2015, which was unfavorable by \$248 million as compared to the three months ended June 30, 2014. The changes in "Free cash flow" are described in greater detail below.

Operating Activities

Net cash used in operating activities was \$288 million for the three months ended June 30, 2015, which was unfavorable compared to net cash used in operating activities of \$24 million in the three months ended June 30, 2014. The unfavorable variance relates to sharply lower "Segment income", driven by significant unfavorable impacts from metal price lag, as well as a higher level of cash used for working capital. The following summarizes changes in working capital accounts (in millions).

	Three Months Ended June 30,		Change
	2015	2014	
Net cash (used in) provided by operating activities due to changes in working capital:			
Accounts receivable	\$ (130)	\$ (169)	\$ 39
Inventories	(75)	(116)	41
Accounts payable	(29)	245	(274)
Other current assets and liabilities	(81)	(98)	17
Net change in working capital	\$ (315)	\$ (138)	\$ (177)

Three Months Ended June 30, 2015

"Accounts receivable, net" increased due to the timing of payments from our customers partially offset by 2% lower sales and higher forfeiting and factoring (collectively referred to as factoring) of accounts receivable. As of June 30, 2015 and March 31, 2015, we had factored, without recourse, certain trade receivable aggregating \$628 million and \$591 million, respectively, which had a favorable impact to net cash provided by operating activities of \$37 million for the three months ended June 30, 2015. We determine the need to factor our receivables based on local cash needs including the need to fund our strategic investments, as well as attempting to balance the timing of cash flows of trade payables and receivables. "Inventories" were higher due to product mix and higher quantities on hand, partially offset by lower average metal costs. The higher quantities of inventory on hand at June 30, 2015 is the result of recent capacity expansions, as well as longer supply chains to support the auto sector and expand our scrap procurement network. As of June 30, 2015, we had sold certain inventories to third parties and have agreed to repurchase the same or similar inventory back from the third parties at market prices subsequent to June 30, 2015. Our estimated repurchase obligation for this inventory as of June 30, 2015 is \$55 million compared to \$206 million as of March 31, 2015, based on market prices as of these dates. We sell and repurchase inventory with third parties in an attempt to better manage inventory levels and to better match the purchasing of inventory with the demand for our products. "Accounts payable" declined \$29 million in the first quarter of fiscal 2016 due to lower base aluminum prices and lower local market premiums, partially offset by obtaining longer payment terms with certain vendors.

Included in cash flows from operating activities for the three months ended June 30, 2015 were \$123 million of interest payments, \$10 million of cash paid for income taxes, \$10 million of payments on restructuring programs, and \$12 million of contributions to our pension plans. As of June 30, 2015, we had \$37 million of outstanding restructuring liabilities,

of which \$21 million we estimate will result in cash outflows within the next twelve months. We also expect to incur restructuring charges in future periods as we fully dismantle the smelter site in South America.

Three Months Ended June 30, 2014

We experienced an increase in "Accounts receivable, net" due to an increase in shipments, higher base aluminum prices and local market premiums compared to the end of the fourth quarter of prior year, partially offset by higher forfaiting and factoring (collectively referred to as factoring) of accounts receivable. As of June 30, 2014 and March 31, 2014, we had factored, without recourse, certain trade receivable aggregating \$300 million and \$245 million, respectively, which had a favorable impact to net cash used in operating activities of \$55 million for the quarter ended June 30, 2014. "Inventories" were higher due to an increase in quantities on hand, higher base aluminum prices and local market premiums when compared to the fourth quarter of fiscal 2014. The higher quantities of inventory on hand at June 30, 2014 is the result of additional capacity from our expansions which is resulting in higher purchase and shipment levels. As of June 30, 2014, we had sold approximately \$70 million of prime, sheet ingot and scrap inventory to third parties and have agreed to repurchase the same or similar inventory back from the third parties subsequent to June 30, 2014, based on market prices at the time of repurchase. We experienced an increase in "Accounts payable" due to higher purchases of inventory, higher base aluminum prices and higher local market premiums when compared to the end of the fourth quarter of fiscal 2014, the timing of payments on vendor payables outstanding as of June 30, 2014, and obtaining longer payment terms with certain vendors. "Other current liabilities" declined due to our semi-annual interest payment and annual incentive payments for fiscal 2014 made during the quarter.

Included in cash flows from operating activities for the three months ended June 30, 2014 were \$127 million of interest payments, \$39 million of cash paid on income taxes, \$7 million of payments on restructuring programs, and \$11 million of contributions to our pension plans.

Hedging Activities

We use derivative contracts to manage risk as well as liquidity. Under our terms of credit with counterparties to our derivative contracts, we do not have any material margin call exposure. No material amounts have been posted by Novelis nor do we hold any material amounts of margin posted by our counterparties. We settle derivative contracts in advance of billing on the underlying physical inventory and collecting payment from our customers, which temporarily impacts our liquidity position. The lag between derivative settlement and customer collection typically ranges from 30 to 90 days. Based on our outstanding derivative instruments and their respective valuations as of June 30, 2015, we estimate there will be a net cash inflow of \$9 million on the instruments that will settle in the three months ended September 30, 2015.

More details on our operating activities can be found above in "Results of operations for the three months ended June 30, 2015 compared to the three months ended June 30, 2014."

Investing Activities

The following table presents information regarding our "Net cash used in investing activities" (in millions).

	Three Months Ended June 30,		Change
	2015	2014	
Capital expenditures	\$ (129)	\$ (138)	\$ 9
(Outflows) proceeds from settlement of other undesignated derivative instruments, net	(7)	1	(8)
Proceeds from sales of assets, third party, net of transaction fees and hedging	—	34	(34)
Outflows from investment in and advances to non-consolidated affiliates, net	(1)	(16)	15
Net cash used in investing activities	\$ (137)	\$ (119)	\$ (18)

We had \$129 million of cash outflows for "Capital expenditures" for the three months ended June 30, 2015, compared to \$138 million for the three months ended June 30, 2014. For the three months ended June 30, 2015, our "Capital expenditures" were primarily attributable to our automotive sheet finishing expansions in the U.S. and Germany. For the three months ended June 30, 2014, our "Capital expenditures" were primarily attributable to our automotive sheet finishing expansions in the U.S., China and Germany and our recycling expansion in Germany. Also included in both periods presented above are maintenance related capital expenditures.

As of June 30, 2015, we had \$69 million of outstanding accounts payable and accrued liabilities related to capital expenditures in which the cash outflows will occur subsequent to June 30, 2015. We expect capital expenditures for fiscal 2016 to total approximately \$400 million.

The settlement of undesignated derivative instruments resulted in cash outflow of \$7 million and cash inflow of \$1 million, in the three months ended June 30, 2015 and 2014, respectively. The variance in these cash flows related primarily to changes in average aluminum prices and foreign currency rates which impact gains or losses we realize on the settlement of derivatives.

During the three months ended June 30, 2014, proceeds from asset sales were \$30 million related to the sale of our consumer foil operations in North America and \$4 million related to an arrangement to sell property and mining rights in Brazil.

"Outflows from investments in and advances to non-consolidated affiliates, net" for three months ended June 30, 2015 was primarily comprised of loans made to our non-consolidated affiliate, Aluminium Norf GmbH (Alunorf), to fund capital expenditures.

Financing Activities

The following table presents information regarding our "Net cash provided by financing activities" (in millions).

	Three Months Ended June 30,		Change
	2015	2014	
Proceeds from issuance of long-term and short-term borrowings	\$ 139	\$ 105	\$ 34
Principal payments of long-term and short-term borrowings	(68)	(53)	(15)

Debt issuance costs	(10)	—	(10)
Net cash provided by (used in) financing activities	\$ 243	\$ (32)	\$ 275

Three Months Ended June 30, 2015

During the three months ended June 30, 2015, we received proceeds of \$60 million related to the refinancing of the Term Loan as well as issuances of new short-term loans in Brazil, Korea and Vietnam of \$45 million, \$27 million and \$7 million, respectively. We made principal repayments of \$58 million on short-term loans in Brazil, \$6 million on Vietnam principal repayments, \$3 million on capital leases, and \$1 million in other principal repayments. The change in our credit facilities balance is related to a net increase of \$182 million on our ABL Revolver. In June 2015, we amended and extended our Term Loan by entering into a \$1.8 billion seven-year secured term loan credit facility. Additionally, in June 2015, we entered into a new Subordinated Lien Revolver, which is a \$200 million 15-month secured revolving facility.

As of June 30, 2015, our short-term borrowings were \$1,021 million consisting of \$788 million of loans under our ABL Revolver, \$153 million in Novelis Brazil loans, \$51 million in Novelis Korea bank loans, \$18 million in Novelis China loans, \$10 million in Novelis Vietnam loans, and \$1 million in other short-term borrowings. The weighted average interest rate on our total short-term borrowings was 3.08% as of June 30, 2015. As of June 30, 2015, we had \$271 million in remaining availability under the ABL Revolver, \$237 million in availability under our Korea and China loan facilities, \$200 million under the new Subordinated Lien Revolver and \$20 million under our Middle East and Africa facilities. As of June 30, 2015, \$6 million of the ABL Revolver was utilized for letters of credit, reducing our availability under that facility.

Three Months Ended June 30, 2014

During the three months ended June 30, 2014, we received proceeds of \$95 million related to the issuance of new short-term loans in Brazil, \$7 million related to the issuance of new short-term loans in Korea, and \$3 million related to the issuance of new short-term loans in Vietnam. We made principal repayments of \$32 million on short-term loans in Brazil, \$7 million on long-term loans in Korea, \$5 million on our Term Loan Facility, \$3 million on capital leases, and \$6 million on other principal repayments. On April 30, 2014, we made a return of capital payment to our direct shareholder, AV Metals Inc., in the amount of \$250 million. As of June 30, 2014, we had \$278 million in remaining availability under the ABL Revolver and \$176 million in availability under five Korean loan facilities.

OFF-BALANCE SHEET ARRANGEMENTS

In accordance with SEC rules, the following qualify as off-balance sheet arrangements:

- any obligation under certain derivative instruments;
- any obligation under certain guarantees or contracts;
- a retained or contingent interest in assets transferred to an unconsolidated entity or similar entity or similar arrangement that serves as credit, liquidity or market risk support to that entity for such assets; and
- any obligation under a material variable interest held by the registrant in an unconsolidated entity that provides financing, liquidity, market risk or credit risk support to the registrant, or engages in leasing, hedging or research and development services with the registrant.

The following discussion addresses the applicable off-balance sheet items for our Company.

Derivative Instruments

See Note 11 — Financial Instruments and Commodity Contracts to our accompanying unaudited condensed consolidated financial statements for a full description of derivative instruments.

Guarantees of Indebtedness

We have issued guarantees on behalf of certain of our subsidiaries. The indebtedness guaranteed is for trade accounts payable to third parties. Some of the guarantees have annual terms while others have no expiration and have termination notice requirements. Neither we nor any of our subsidiaries holds any assets of any third parties as collateral to offset the potential settlement of these guarantees. Since we consolidate wholly-owned and majority-owned subsidiaries in our condensed consolidated financial statements, all liabilities associated with trade payables and short-term debt facilities for these entities are already included in our condensed consolidated balance sheets.

We have guaranteed the indebtedness for a credit facility and loan on behalf of Alunorf. We have also guaranteed the payment of early retirement benefits on behalf of Alunorf.

Other Arrangements

Factoring of Trade Receivables

We factor and forfeit trade receivables (collectively, we refer to these as "factoring" programs) based on local cash needs including the need to fund our strategic investments, as well as attempting to balance the timing of cash flows of trade payables and receivables, fund strategic investments, and fund other business needs. Factored invoices are not included in our condensed consolidated balance sheets when we do not retain a financial or legal interest. If a financial or legal interest is retained, we classify these factorings as secured borrowings.

Other

As part of our ongoing business, we do not participate in transactions that generate relationships with unconsolidated entities or financial partnerships, such as entities often referred to as structured finance or special purpose entities (SPEs), which would have been established for the purpose of facilitating off-balance sheet arrangements or other contractually narrow or limited purposes. As of June 30, 2015 and March 31, 2015, we are not involved in any unconsolidated SPE transactions.

CONTRACTUAL OBLIGATIONS

We have future obligations under various contracts relating to debt and interest payments, capital and operating leases, long-term purchase obligations, postretirement benefit plans and uncertain tax positions. See Note 7 — Debt to our accompanying condensed consolidated financial statements and "Contractual Obligations" in Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations in our Annual Report on Form 10-K for the year ended March 31, 2015 for more details.

RETURN OF CAPITAL

Payments to our shareholder are at the discretion of the board of directors and will depend on, among other things, our financial resources, cash flows generated by our business, our cash requirements, restrictions under the instruments governing our indebtedness, being in compliance with the appropriate indentures and covenants under the instruments that govern our indebtedness and other relevant factors.

On April 30, 2014, we made a return of capital payment to our direct shareholder, AV Metals Inc., in the amount of \$250 million.

CRITICAL ACCOUNTING POLICIES AND ESTIMATES

During the three months ended June 30, 2015, there were no significant changes to our critical accounting policies and estimates as reported in our Annual Report on Form 10-K for the year ended March 31, 2015.

RECENTLY ISSUED ACCOUNTING STANDARDS

See Note 1 — Business and Summary of Significant Accounting Policies to our accompanying condensed consolidated financial statements for a full description of recent accounting pronouncements including the respective expected dates of adoption and expected effects on results of operations and financial condition.

NON-GAAP FINANCIAL MEASURES

Total "Segment income" presents the sum of the results of our four operating segments on a consolidated basis. We believe that total "Segment income" is an operating performance measure that measures operating results unaffected by differences in capital structures, capital investment cycles and ages of related assets among otherwise comparable companies. In reviewing our corporate operating results, we also believe it is important to review the aggregate consolidated performance of all of our segments on the same basis we review the performance of each of our regions and to draw comparisons between periods based on the same measure of consolidated performance.

Management believes investors' understanding of our performance is enhanced by including this non-GAAP financial measure as a reasonable basis for comparing our ongoing results of operations. Many investors are interested in understanding the performance of our business by comparing our results from ongoing operations from one period to the next and would ordinarily add back items that are not part of normal day-to-day operations of our business. By providing total "Segment income," together with reconciliations, we believe we are enhancing investors' understanding of our business and our results of operations, as well as assisting investors in evaluating how well we are executing strategic initiatives.

However, total "Segment income" is not a measurement of financial performance under U.S. GAAP, and our total "Segment income" may not be comparable to similarly titled measures of other companies. Total "Segment income" has important limitations as an analytical tool and should not be considered in isolation or as a substitute for analysis of our results as reported under U.S. GAAP. For example, total "Segment income":

- does not reflect the company's cash expenditures or requirements for capital expenditures or capital commitments;
- does not reflect changes in, or cash requirements for, the company's working capital needs; and
- does not reflect any costs related to the current or future replacement of assets being depreciated and amortized.

We also use total "Segment income":

- as a measure of operating performance to assist us in comparing our operating performance on a consistent basis because it removes the impact of items not directly resulting from our core operations;
- for planning purposes, including the preparation of our internal annual operating budgets and financial projections;
- to evaluate the performance and effectiveness of our operational strategies; and
- as a basis to calculate incentive compensation payments for our key employees.

Total "Segment income" is equivalent to our Adjusted EBITDA, which we refer to in our earnings announcements and other external presentations to analysts and investors.

"Free cash flow" consists of: (a) net cash provided by (used in) operating activities; (b) plus net cash provided by (used in) investing activities and (c) less proceeds from sales of assets, net of transaction fees and hedging. Management believes "Free cash flow" is relevant to investors as it provides a measure of the cash generated internally that is available for debt service and other value creation opportunities. However, "Free cash flow" is not a measurement of financial performance or liquidity under U.S. GAAP and does not necessarily represent cash available for discretionary activities, as certain debt service obligations must be funded out of "Free cash flow." In addition, the company's method of calculating "Free cash flow" may not be consistent with that of other companies.

SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS AND MARKET DATA

This document contains forward-looking statements that are based on current expectations, estimates, forecasts and projections about the industry in which we operate, and beliefs and assumptions made by our management. Such statements include, in particular, statements about our plans, strategies and prospects. Words such as “expect,” “anticipate,” “intend,” “plan,” “believe,” “seek,” “estimate” and variations of such words and similar expressions are intended to identify such forward-looking statements. Examples of forward-looking statements in this Quarterly Report on Form 10-Q include, but are not limited to, our expectations with respect to the impact of metal price movements on our financial performance and the effectiveness of our hedging programs and controls. These statements are based on beliefs and assumptions of Novelis’ management, which in turn are based on currently available information. These statements are not guarantees of future performance and involve assumptions and risks and uncertainties that are difficult to predict. Therefore, actual outcomes and results may differ materially from what is expressed, implied or forecasted in such forward-looking statements. We do not intend, and we disclaim any obligation, to update any forward-looking statements, whether as a result of new information, future events or otherwise.

This document also contains information concerning our markets and products generally, which is forward-looking in nature and is based on a variety of assumptions regarding the ways in which these markets and product categories will develop. These assumptions have been derived from information currently available to us and to the third party industry analysts quoted herein. This information includes, but is not limited to, product shipments and share of production. Actual market results may differ from those predicted. We do not know what impact any of these differences may have on our business, our results of operations, financial condition, and cash flow. Factors that could cause actual results or outcomes to differ from the results expressed or implied by forward-looking statements include, among other things:

- relationships with, and financial and operating conditions of, our customers, suppliers and other stakeholders;
- changes in the prices and availability of aluminum (or premiums associated with aluminum prices) or other materials and raw materials we use;
- fluctuations in the supply of, and prices for, energy in the areas in which we maintain production facilities;
- our ability to access financing to fund current operations and for future capital requirements;
- the level of our indebtedness and our ability to generate cash to service our indebtedness;
- lowering of our ratings by a credit rating agency;
- changes in the relative values of various currencies and the effectiveness of our currency hedging activities;
- union disputes and other employee relations issues;
- factors affecting our operations, such as litigation (including product liability claims), environmental remediation and clean-up costs, breakdown of equipment and other events;
- changes in general economic conditions, including deterioration in the global economy;
- the capacity and effectiveness of our hedging activities;
- impairment of our goodwill, other intangible assets, and long-lived assets;
- loss of key management and other personnel, or an inability to attract such management and other personnel;
- risks relating to future acquisitions or divestitures;
- our inability to successfully implement our growth initiatives;
- changes in interest rates that have the effect of increasing the amounts we pay under our senior secured credit facilities, other financing agreements and our defined benefit pension plans;
- risks relating to certain joint ventures and subsidiaries that we do not entirely control;
- the effect of derivatives legislation on our ability to hedge risks associated with our business;
- competition from other aluminum rolled products producers as well as from substitute materials such as steel, glass, plastic and composite materials;
- demand and pricing within the principal markets for our products as well as seasonality in certain of our customers’ industries;
- economic, regulatory and political factors within the countries in which we operate or sell our products, including changes in duties or tariffs; and
- changes in government regulations, particularly those affecting taxes and tax rates, health care reform, climate change, environmental, health or safety compliance.

The above list of factors is not exhaustive. These and other factors are discussed in more detail under “Item 1A. Risk Factors” and “Item 7. Management’s Discussion and Analysis of Financial Condition and Results of Operations” in our Annual Report on Form 10-K for the year ended March 31, 2015.

Item 3. *Quantitative and Qualitative Disclosures About Market Risk*

We are exposed to certain market risks as part of our ongoing business operations, including risks from changes in commodity prices (primarily LME aluminum prices and natural gas), local market premiums, electricity rates, foreign currency exchange rates and interest rates that could impact our results of operations and financial condition. We manage our exposure to these and other market risks through regular operating and financing activities and derivative financial instruments. We use derivative financial instruments as risk management tools only, and not for speculative purposes.

By their nature, all derivative financial instruments involve risk, including the credit risk of non-performance by counterparties. All derivative contracts are executed with counterparties that, in our judgment, are creditworthy. Our maximum potential loss may exceed the amount recognized in the accompanying June 30, 2015 condensed consolidated balance sheet.

The decision of whether and when to execute derivative instruments, along with the duration of the instrument, can vary from period to period depending on market conditions and the relative costs of the instruments. The duration is linked to the timing of the underlying exposure, with the connection between the two being regularly monitored.

The market risks we are exposed to as part of our ongoing business operations are materially consistent with our risk exposures in the prior year, as we have not entered into any new material hedging programs.

Commodity Price Risks

We have commodity price risk with respect to purchases of certain raw materials including aluminum, electricity, natural gas and transport fuel.

Aluminum

A significant amount of our business is conducted under a conversion model, which allows us to pass through increases or decreases in the price of aluminum to our customers. Nearly all of our flat-rolled products have a price structure with three components: (i) a base aluminum price quoted off the LME; (ii) local market premiums; and (iii) a "conversion premium" to produce the rolled product which reflects, among other factors, the competitive market conditions for that product. Base aluminum prices are typically driven by macroeconomic factors and global supply and demand of aluminum. The local market premiums tend to vary based on the supply and demand for metal in a particular region and associated transportation costs.

Increases or decreases in the average price of aluminum based on the LME directly impact "Net sales," "Cost of goods sold (exclusive of depreciation and amortization)" and working capital. The timing of these impacts varies based on contractual arrangements with customers and metal suppliers in each region. These timing impacts are referred to as metal price lag. Metal price lag exists due to: 1) certain customer contracts containing fixed forward price commitments which result in exposure to changes in metal prices for the period of time between when our sales price fixes and the sale actually occurs, and 2) the period of time between the pricing of our purchases of metal, holding and processing the metal, and the pricing of the sale of finished inventory to our customers.

We use derivative instruments to preserve our conversion margins and manage the timing differences associated with metal price lag. We use over-the-counter derivatives indexed to the London Metals Exchange (LME) and from time to time we also use over-the-counter derivatives indexed to the Midwest transaction premium (collectively referred to as our "aluminum derivative contracts") to reduce our exposure to fluctuating metal prices associated with the period of time between the pricing of our purchases of inventory and the pricing of the sale of that inventory to our customers. We also purchase forward LME aluminum contracts simultaneous with our sales contracts with customers that contain fixed metal prices. These LME aluminum forward contracts directly hedge the economic risk of future metal price fluctuations to ensure we sell metal for the same price at which we purchase metal.

Sensitivities

The following table presents the estimated potential effect on the fair values of these derivative instruments as of June 30, 2015, given a 10% increase in prices.

	Change in Price		Change in Fair Value
LME aluminum	10%	\$	(70)

Energy

We use several sources of energy in the manufacturing and delivery of our aluminum rolled products. For the quarter ended June 30, 2015, natural gas and electricity represented approximately 98% of our energy consumption by cost. We also use fuel oil and transport fuel. The majority of energy usage occurs at our casting centers and during the hot rolling of aluminum. Prior to the smelter facilities in South America ceasing operations, our smelter operations also required a significant amount of energy. Our cold rolling facilities require relatively less energy.

We purchase our natural gas on the open market, subjecting us to market price fluctuations. We seek to stabilize our future exposure to natural gas prices through the use of forward purchase contracts.

A portion of our electricity requirements are purchased pursuant to long-term contracts in the local regions in which we operate. A number of our facilities are located in regions with regulated prices, which affords relatively stable costs. In North America, we have entered into an electricity swap to fix a portion of the cost of our electricity requirements.

Fluctuating energy costs worldwide, due to the changes in supply and demand, and international and geopolitical events, expose us to earnings volatility as changes in such costs cannot be immediately recovered under existing contracts and sales agreements, and may only be mitigated in future periods under future pricing arrangements.

Sensitivities

Foreign Currency Exchange Risks

Exchange rate movements, particularly the Euro, the Swiss franc, the Brazilian real and the Korean won against the U.S. dollar, have an impact on our operating results. In Europe, where we have predominantly local currency selling prices and operating costs, we benefit as the Euro strengthens, but are adversely affected as the Euro weakens. In January 2015, the Swiss National Bank discontinued its policy to support a minimum exchange rate between the Euro and the Swiss franc. Following this announcement, the Swiss franc rapidly appreciated in value. This adversely impacted our Swiss operations, where operating costs are incurred primarily in the Swiss franc, and a large portion of revenues are denominated in the Euro. In South Korea, where we have local currency operating costs and U.S. dollar denominated selling prices for exports, we benefit as the won weakens but are adversely affected as the won strengthens. In Brazil, where we have predominately U.S. dollar selling prices and local currency operating costs, we benefit as the real weakens, but are adversely affected as the real strengthens.

It is our policy to minimize exposures from non-functional currency denominated transactions within each of our operating segments. We use foreign exchange forward contracts, options and cross-currency swaps to manage exposure arising from recorded assets and liabilities, firm commitments, and forecasted cash flows denominated in currencies other than the functional currency of certain operations, which include forecasted net sales, forecasted purchase commitments, capital expenditures and net investment in foreign subsidiaries. Our most significant non-U.S. dollar functional currency operations have the Euro and the Korean won as their functional currencies, respectively. Our Brazilian operations are U.S. dollar functional.

We also face translation risks related to the changes in foreign currency exchange rates which are generally not hedged. Amounts invested in these foreign operations are translated into U.S. dollars at the exchange rates in effect at the balance sheet date. The resulting translation adjustments are recorded as a component of "Accumulated other comprehensive loss" in the Shareholder's deficit section of the accompanying condensed consolidated balance sheets. Net sales and expenses at these non-U.S. dollar functional currency entities are translated into varying amounts of U.S. dollars depending upon whether the U.S. dollar weakens or strengthens against other currencies. Therefore, changes in exchange rates may either positively or negatively affect our net sales and expenses as expressed in U.S. dollars.

Any negative impact of currency movements on the currency contracts we have entered into to hedge foreign currency commitments to purchase or sell goods and services would be offset by an approximately equal and opposite favorable exchange impact on the commitments being hedged. For a discussion of accounting policies and other information relating to currency contracts, see Note 1 - Business and Summary of Significant Accounting Policies and Note 11 - Financial Instruments and Commodity Contracts.

Sensitivities

The following table presents the estimated potential effect on the fair values of these derivative instruments as of June 30, 2015, given a 10% change in rates (\$ in millions).

Interest Rate Risks

We use interest rate swaps to manage our exposure to changes in benchmark interest rates which impact our variable-rate debt.

Our Term Loan Facility is a floating rate obligation with a floor feature. Our interest rate paid is a spread of 3.25% plus the higher of LIBOR or 75 basis points (0.75% floor). As of June 30, 2015, this floor feature was in effect, which resulted in an interest rate of 4.00%. Due to the floor feature of the Term Loan Facility as of June 30, 2015, a 10 basis point increase or decrease in LIBOR interest rates would have had no impact on our annual pre-tax income. To be above the Term Loan Facility floor, future interest rates would have to increase by 47 basis points (bps).

From time to time, we have used interest rate swaps to manage our debt cost. As of June 30, 2015, there were no USD LIBOR based interest rate swaps outstanding.

In Korea, we periodically enter into interest rate swaps to fix the interest rate on various floating rate debt in order to manage our exposure to changes in the 3M-CD interest rate. See Note 11- Financial Instruments and Commodity Contracts for further information on the amounts outstanding as of June 30, 2015.

Item 4. Controls and Procedures**Evaluation of Disclosure Controls and Procedures**

We maintain disclosure controls and procedures designed to ensure that information required to be disclosed in the reports that we file or submit under the Securities Exchange Act of 1934, as amended (the "Exchange Act") is recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms. Disclosure controls and procedures, as defined in Rules 13a-15(e) and 15d-15(e) under the Exchange Act, include controls and procedures designed to ensure that information required to be disclosed in the reports we file or submit under the Exchange Act is accumulated and communicated to our management, including the Principal Executive Officer and the Principal Financial Officer, as appropriate, to allow timely decisions regarding required disclosure. Any system of controls, however well designed and operated, can provide only reasonable, and not absolute, assurance that the objectives of the system are met.

We have carried out an evaluation, with the participation of our Principal Executive Officer and Principal Financial Officer, of the effectiveness of the Company's disclosure controls and procedures pursuant to Rule 13a-15 of the Exchange Act. Based upon such evaluation, management has concluded that the Company's disclosure controls and procedures were effective as of June 30, 2015.

Changes in Internal Control Over Financial Reporting

There have been no changes in our internal control over financial reporting (as defined in Rule 13a-15(f) under the Exchange Act) during the most recently completed fiscal quarter that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

Appointment of President and Chief Executive Officer

On August 10, 2015, the Company appointed Steven Fisher as its President and Chief Executive Officer and entered into an agreement with Mr. Fisher in respect of his service as the Company's President and Chief Executive Officer. The agreement provides for a base salary of \$750,000, a target annual incentive opportunity of 100% of base salary and a target long-term incentive opportunity of \$2.5 million for fiscal year 2016 and certain other benefits. The agreement also entitles Mr. Fisher to a lump sum payment if his employment is terminated by the Company without cause (as defined in the agreement) or by Mr. Fisher for good reason (as defined in the agreement) equal to 2.0 times the sum of his annual base salary plus target short-term incentive for the year, in each case as in effect at the date of the agreement. Upon such termination, Mr. Fisher would also be entitled to receive (i) a special one-time payment to assist with post-employment medical coverage; (ii) continuation of coverage under the Company's group life insurance plan for a period of 12 months; (iii) 12 months of additional credit for benefit accrual or contribution purposes under the Company's retirement plans; and (iv) accelerated vesting, if applicable, under the Company's retirement plans. The agreement contains customary non-competition and non-solicitation provisions that prohibit Mr. Fisher from competing with us or soliciting our customers, suppliers or employees for a period of 24 months following termination. Prior to his appointment, Mr. Fisher served as Interim President and Chief Executive Officer since April 2015 and Chief Financial Officer since 2007.

ARTICLE II

THE CREDITS

Section 2.01 Commitments.

(a) Subject to the terms and conditions and relying upon the representations and warranties herein set forth and set forth in the 2015 Refinancing Amendment, each Lender agrees, severally and not jointly, to make a Term Loan in Dollars to the Borrower on the Closing Date as set forth herein and in the 2015 Refinancing Amendment in the principal amount not to exceed its Term Loan Commitment.

(b) Amounts paid or prepaid in respect of Term Loans may not be reborrowed.

Section 2.02 Loans.

(a) Each Loan shall be made as part of a Borrowing consisting of Loans made by the Lenders ratably in accordance with their applicable Commitments; provided that the failure of any Lender to make its Loan shall not in itself relieve any other Lender of its obligation to lend hereunder (it being understood, however, that no Lender shall be responsible for the failure of any other Lender

to make any Loan required to be made by such other Lender). Each Borrowing shall be in an aggregate principal amount that is not less than (and in integral amounts consistent with) the Minimum Amount.

(b) Subject to Section 2.11 and Section 2.12, each Borrowing shall be comprised entirely of Base Rate Loans or Eurodollar Rate Loans as the Borrower may request pursuant to Section 2.03; provided that all Loans comprising the same Borrowing shall at all times be of the same Type. Each Lender may at its option make any Eurodollar Rate Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement. Borrowings of more than one Type may be outstanding at the same time; provided that the Borrower shall not be entitled to request any Borrowing that, if made, would result in more than eight (8) Eurodollar Rate Borrowings hereunder at any one time. For purposes of the foregoing, Borrowings having different Interest Periods, regardless of whether they commence on the same date, shall be considered separate Borrowings.

(c) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds to such account in New York City as the Administrative Agent may designate not later than 11:00 a.m., New York City time, and the Administrative Agent shall promptly credit the amounts so received to an account of the Borrower as directed by the Borrower in the applicable Borrowing Request maintained with the Administrative Agent or, if a Borrowing shall not occur on such date because any condition precedent herein specified shall not have been met, return the amounts so received to the respective Lenders.

(d) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's portion of such Borrowing, the Administrative Agent may assume that such Lender has made such portion available to the Administrative Agent on the date of such Borrowing in accordance with paragraph (c) above, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If the Administrative Agent shall have so made funds available, then, to the extent that such Lender shall not have made such portion available to the Administrative Agent, each of such Lender and the Borrower severally agrees to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent at (i) in the case of the Borrower, the interest rate applicable at the time to the Loans comprising such Borrowing and (ii) in the case of such Lender, the greater of the Interbank Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. If such Lender shall repay to the Administrative Agent such corresponding amount, such amount shall constitute such Lender's Loan as part of such Borrowing for purposes of this Agreement, and the Borrower's obligation to repay the Administrative Agent such corresponding amount pursuant to this Section 2.02(d) shall cease.

(e) Notwithstanding anything to the contrary contained herein, the Borrower shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Maturity Date of such Loans.

Section 2.03 Borrowing Procedure.

(a) To request a Borrowing, the Borrower shall deliver, by hand delivery, telecopier or, to the extent separately agreed by the Administrative Agent, by an electronic communication in accordance with the second sentence of Section 11.01(b) and the second paragraph of Section 11.01(d), a duly completed and executed Borrowing Request to the Administrative Agent (i) in the case of a Eurodollar Rate Borrowing, not later than 11:00 a.m., New York City time, three (3) Business Days before the date of the proposed Borrowing, or (ii) in the case of a Base Rate Borrowing, not later than 11:00 a.m., New York City time, on the date of the proposed Borrowing. Each Borrowing Request shall be irrevocable and shall specify the following information in compliance with Section 2.02:

- (i) the aggregate amount of such Borrowing;
- (ii) the date of such Borrowing, which shall be a Business Day;
- (iii) [intentionally omitted];
- (iv) whether such Borrowing is to be a Base Rate Borrowing or a Eurodollar Rate Borrowing;
- (v) in the case of a Eurodollar Rate Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period";
- (vi) the location and number of the Borrower's account to which funds are to be disbursed, which shall comply with the requirements of Section 2.02(c); and
- (vii) in the case of the initial Credit Extension hereunder or under any Incremental Term Loan Commitments, that the conditions set forth in Section 4.02(b) - (d) have been satisfied as of the date of the notice.

If no election as to the Type of Borrowing is specified, then the requested Borrowing shall be a Base Rate Borrowing. If no Interest Period is specified with respect to any requested Eurodollar Rate Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. Promptly following receipt of a Borrowing Request in accordance with this Section, the Administrative Agent shall advise each Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

Section 2.04 Repayment of Loans; Evidence of Debt

(a) Promise to Repay. The Borrower hereby unconditionally promises to pay to the Administrative Agent, for the account of each applicable Lender, the then unpaid principal amount of each Term Loan of such Lender on the Maturity Date of such Term Loans. All payments or repayments of Loans made pursuant to this Section 2.04(a) shall be made in Dollars.

(b) Lender and Administrative Agent Records. Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the Indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender from time to time, including the amounts of

principal and interest payable and paid to such Lender from time to time under this Agreement. The Administrative Agent shall maintain accounts in which it will record (i) the amount of each Loan made hereunder, the Type and Class thereof and the Interest Period applicable thereto; (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder; and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof. The entries made in the accounts maintained pursuant to this paragraph shall be *prima facie* evidence of the existence and amounts of the obligations therein recorded; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligations of the Borrower to repay the Loans in accordance with their terms.

(c) Promissory Notes. Any Lender by written notice to Borrower (with a copy to the Administrative Agent) may request that Loans of any Class made by it be evidenced by a promissory note. In such event, the Borrower shall prepare, execute and deliver to such Lender one or more promissory notes payable to such Lender or its registered assigns in the form of Exhibit K (with, in the case of Loans other than the Initial Term Loans, such changes as are appropriate, in the Administrative Agent's reasonable discretion, to reflect the terms of such Loans). Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 11.04) be represented by one or more promissory notes in such form payable to such payee or its registered assigns.

Section 2.05 Fees.

(a) Fees. The Borrower agrees to pay all Fees payable pursuant to the Fee Letters, in the amounts and on the dates set forth therein.

(b) Upfront Fees. The Borrower agrees to pay each Lender on the Closing Date an upfront fee equal to 0.50% of the aggregate amount of Term Loan Commitments of such Lender (the "**Upfront Fees**").

(c) All Fees shall be paid on the dates due, in immediately available funds in dollars, to the Administrative Agent. Once paid, none of the Fees shall be refundable under any circumstances.

Section 2.06 Interest on Loans.

(a) Base Rate Loans. Subject to the provisions of Section 2.06(c), the Loans comprising each Base Rate Borrowing shall bear interest at a rate per annum equal to the Base Rate plus the Applicable Margin; provided that Incremental Term Loans and Other Term Loans may have a different Applicable Margin as provided for in Sections 2.23 and 2.24, subject to the provisions thereof.

(b) Eurodollar Rate Loans. Subject to the provisions of Section 2.06(c), the Loans comprising each Eurodollar Rate Borrowing shall bear interest at a rate per annum equal to the Eurodollar Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin; provided that Incremental Term Loans and Other Term Loans may have a different Applicable Margin as provided for in Sections 2.23 and 2.24, subject to the provisions thereof.

(c) **Default Rate.** Notwithstanding the foregoing, if at any time any principal of or interest on any Loan or any fee or other amount payable by the Loan Parties hereunder has not been paid when due, whether at stated maturity, upon acceleration or otherwise and for so long as such amounts have not been paid, such overdue amount shall, to the extent permitted by applicable law, bear interest, after as well as before judgment, at a per annum rate equal to (i) in the case of principal of or interest on any Loan, 2% plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section 2.06 or (ii) in the case of any other amount, 2% plus the rate applicable to Base Rate Loans as provided in Section 2.06(a) (in either case, the “**Default Rate**”).

(d) **Interest Payment Dates.** Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan; provided that (i) interest accrued pursuant to Section 2.06(c) shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Eurodollar Rate Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) **Interest Calculation.** All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Base Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year) and, in each case, shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Base Rate or Eurodollar Rate shall be determined by the Administrative Agent in accordance with the provisions of this Agreement and such determination shall be conclusive absent manifest error.

(f) **Currency for Payment of Interest.** All interest paid or payable pursuant to this Section 2.06 shall be paid in Dollars.

Section 2.07 Termination of Commitments. The Term Loan Commitments shall automatically terminate at 5:00 p.m., New York City time, on the Closing Date.

Thereafter, the Borrower may elect to convert such Borrowing to a Base Rate Borrowing or to rollover or continue such Borrowing and, in the case of a Eurodollar Rate Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrower may elect different options with respect to different portions (not less than the Minimum Amount) of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. Notwithstanding anything to the contrary, the Borrower shall not be entitled to request any conversion, rollover or continuation that, if made, would result in more than eight (8) Eurodollar Rate Borrowings outstanding hereunder at any one time.

(b) **Interest Election Notice.** To make an election pursuant to this Section, the Borrower shall deliver, by hand delivery or telecopier, a duly completed and executed Interest Election Request to the Administrative Agent not later than the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type resulting from such election to

be made on the effective date of such election. Each Interest Election Request shall be irrevocable. Each Interest Election Request shall specify the following information in compliance with Section 2.02:

- (i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, or if outstanding Borrowings are being combined, allocation to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);
- (ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;
- (iii) whether such Borrowing is to be a Base Rate Borrowing or a Eurodollar Rate Borrowing; and
- (iv) if the resulting Borrowing is a Eurodollar Rate Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated, as applicable, by the definition of the term "Interest Period".

If any such Interest Election Request requests a Eurodollar Rate Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(c) Automatic Conversion to Base Rate Borrowings. If an Interest Election Request with respect to a Eurodollar Rate Borrowing is not timely delivered prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to a Base Rate Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing, the Administrative Agent or the Required Lenders may require, by notice to the Borrower, that (i) no outstanding Borrowing may be converted to or continued as a Eurodollar Rate Borrowing and (ii) unless repaid, each Eurodollar Rate Borrowing shall be converted to an Base Rate Borrowing at the end of the Interest Period applicable thereto.

Section 2.09 Amortization of Term Loan Borrowings

(a) The Borrower shall pay to the Administrative Agent, for the account of the Lenders, on the dates set forth on Annex I, or if any such date is not a Business Day, on the immediately preceding Business Day (each such date, a "**Term Loan Repayment Date**"), a principal amount of the Initial Term Loans equal to the amount set forth on Annex I for such date (as adjusted from time to time pursuant to Section 2.10(g)), together in each case with accrued and unpaid interest on the principal amount to be paid to but excluding the date of such payment. Notwithstanding anything to the contrary contained herein or in any other Loan Document, all outstanding Initial Term Loans shall be deemed to constitute Term Loans of the same Class and shall all amortize as set forth on Annex I.

(b) The principal amount of Incremental Term Loans and Other Term Loans shall be repaid by the Borrower as provided in the applicable Increase Joinder or Refinancing Amendment, as the case may be, in each case subject to the requirements of this Agreement.

(c) To the extent not previously paid, all Term Loans shall be due and payable on the Maturity Date of such Term Loans.

Section 2.10 Optional and Mandatory Prepayments of Loans.

(a) Optional Prepayments. The Borrower shall have the right at any time and from time to time to prepay any Borrowing, in whole or in part, subject to the requirements of this Section 2.10; provided that each partial prepayment shall be in a principal amount that is not less than (and in integral amounts consistent with) the Minimum Amount or, if less, the outstanding principal amount of such Borrowing.

(b) Net Cash Proceeds Account. Subject to the terms of the Intercreditor Agreement, the Net Cash Proceeds of any Pari Passu Priority Collateral arising from an Asset Sale or Casualty Event by the Borrower or any Subsidiary Guarantor which Net Cash Proceeds are being reinvested in accordance with Sections 2.10(c) or (e), respectively, shall be deposited in one or more Net Cash Proceeds Accounts pending final application of such proceeds (and any products of such proceeds) in accordance with the terms hereof (provided that prior to such final application, and without affecting the Borrower's obligations under Sections 2.10(c) and (e), such proceeds may be utilized to make repayments of the Revolving Credit Loans without reducing Revolving Credit Commitments).

(c) Asset Sales. Not later than three (3) Business Days following the receipt of any Net Cash Proceeds of any Asset Sale by the Borrower or any of its Restricted Subsidiaries, the Borrower shall make prepayments of the Term Loans in accordance with Section 2.10(g) and (h) in an aggregate amount equal to 100% of such Net Cash Proceeds; provided, that if at the time that any such prepayment would be required, the Borrower is required to prepay or offer to repurchase Permitted First Priority Refinancing Debt or any Additional Senior Secured Indebtedness that is secured on a pari passu basis with the Secured Obligations pursuant to the terms of the documentation governing such Indebtedness with the Net Cash Proceeds of such Asset Sale (such Permitted First Priority Refinancing Debt or Additional Senior Secured Indebtedness required to be prepaid or offered to be so repurchased, "**Other Applicable Indebtedness**"), then the Borrower may apply such Net Cash Proceeds on a pro rata basis (determined on the basis of the aggregate outstanding principal amount of the Term Loans and Other Applicable Indebtedness at such time; provided, that the portion of such net proceeds allocated to the Other Applicable Indebtedness shall not exceed the amount of such Net Cash Proceeds required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof, and the remaining amount, if any, of such Net Cash Proceeds shall be allocated to the Term Loans in accordance with the terms hereof) to the prepayment of the Term Loans and to the prepayment or repurchase of Other Applicable Indebtedness, and the amount of prepayment of the Term Loans that would have otherwise been required pursuant to this Section 2.10(c) shall be reduced accordingly; provided further, that to the extent the holders of Other Applicable Indebtedness decline to have such indebtedness prepaid or repurchased, the declined amount shall promptly (and in any event within 10 Business Days after the date of such rejection) be applied to prepay the Term Loans in accordance with the terms hereof; provided further that:

(i) no such prepayment shall be required under this Section 2.10(c) with respect to (A) any Asset Sale permitted by Section 6.06 other than

clauses (b) and (i) thereof, (B) the disposition of property which constitutes a Casualty Event, or (C) Asset Sales for fair market value resulting in less than \$50,000,000 in Net Cash Proceeds in any fiscal year; and

(ii) so long as no Event of Default shall then exist or would arise therefrom, such proceeds shall not be required to be so applied on such date to the extent that the Borrower shall have delivered an Officers' Certificate to the Administrative Agent on or prior to such date stating that such Net Cash Proceeds are expected to be reinvested in fixed or capital assets or to make Permitted Acquisitions (and (x) in the case of Net Cash Proceeds received from the arm's length sale or disposition for cash of Equity Interests in a Joint Venture Subsidiary for fair market value or the issuance of Equity Interests in a Joint Venture Subsidiary, in each case as permitted under Section 6.06 hereof, such Net Cash Proceeds may also be used to make investments in joint ventures so long as a Company owns at least 50% of the Equity Interests in such joint venture and (y) in the case of Net Cash Proceeds from an Asset Sale by a Joint Venture Subsidiary, such Net Cash Proceeds may also be used by such Joint Venture to reinvest in property (other than cash, Cash Equivalents and securities) to be owned by such Joint Venture and used in an activity permitted under Section 6.15) within 365 days (or in the event the Borrower or any Restricted Subsidiary has entered into a binding agreement to make such reinvestment within such 365 day period, such period shall be extended for an additional 365 days with respect to the portion of such Net Cash Proceeds so committed to be reinvested) following the date of such Asset Sale (which Officers' Certificate shall set forth the estimates of the proceeds to be so expended); provided that if all or any portion of such Net Cash Proceeds is not so reinvested within such 365-day period (as such period may be extended pursuant to the foregoing), such unused portion shall be applied on the last day of such period to mandatory prepayments as provided in this Section 2.10(c).

(d) Debt Issuance. Not later than one (1) Business Day following the receipt of any Net Cash Proceeds of any Debt Issuance or issuance of Disqualified Capital Stock by Holdings, the Borrower or any of its Restricted Subsidiaries (other than in the case of an issuance of Disqualified Capital Stock, as permitted by Section 6.13), the Borrower shall make prepayments in accordance with Section 2.10(g) and (h) in an aggregate amount equal to 100% of such Net Cash Proceeds.

(e) Casualty Events. Not later than three (3) Business Days following the receipt of any Net Cash Proceeds from a Casualty Event by the Borrower or any of its Restricted Subsidiaries, the Borrower shall make prepayments in accordance with Section 2.10(g) and (h) in an aggregate amount equal to 100% of such Net Cash Proceeds; provided that:

(i) so long as no Event of Default shall then exist or arise therefrom, such proceeds shall not be required to be so applied on such date to the extent that the Borrower shall have delivered an Officers' Certificate to the Administrative Agent on or prior to such date stating that such proceeds are expected to be used (or have been used) to repair, replace or restore any property in respect of which such Net Cash Proceeds were paid or to reinvest in other fixed or capital assets, no later than 365 days (or in the event the Borrower or any Restricted Subsidiary has entered into a binding agreement to make such repair,

replacement, restoration or reinvestment within such 365 day period, such period shall be extended for an additional 365 days with respect to the portion of such Net Cash Proceeds committed for such repair, replacement, restoration or reinvestment, so long as such binding agreement is in effect at the end of such additional 365 day period) following the date of receipt of such proceeds; and

(ii) if any portion of such Net Cash Proceeds shall not be so applied within such 365-day period (as such period may be extended pursuant to clause (i), above), such unused portion shall be applied on the last day of such period to mandatory prepayments as provided in this Section 2.10(e).

(f) Excess Cash Flow. No later than 105 days after the end of each Excess Cash Flow Period, the Borrower shall make prepayments in accordance with Sections 2.10(g) and (h) in an aggregate amount equal to the amount by which (A) the Excess Cash Flow Percentage (defined below) of such Excess Cash Flow for such Excess Cash Flow Period exceeds (B) the aggregate amount of all voluntary prepayments of Term Loans made pursuant to Section 2.10(a) with Internally Generated Cash Flow during such Excess Cash Flow Period and voluntary prepayments of Revolving Credit Loans made with Internally Generated Cash Flow during such Excess Cash Flow Period (but, in the case of Revolving Credit Loans, only to the extent such prepayments are accompanied by a simultaneous permanent reduction of the Revolving Loan Commitments in an equal amount (and excluding any such reduction to the extent relating to the entering into of a replacement Revolving Credit Agreement)). “**Excess Cash Flow Percentage**” shall mean 50%. No payment of any Loans shall be required under this Section 2.10(f) if (i) on the date such prepayment is required to be made, no Event of Default has occurred and is continuing and (ii) the Senior Secured Net Leverage Ratio, as of the last day of such Excess Cash Flow Period, is less than or equal to 3.0:1.0.

(g) Application of Prepayments. (i) Prior to any optional or mandatory prepayment hereunder, the Borrower shall select the Borrowing or Borrowings to be prepaid and shall specify such selection in the notice of such prepayment pursuant to Section 2.10(h), subject to the provisions of this Section 2.10(g); provided that after an Event of Default has occurred and is continuing or after the acceleration of the Obligations, Section 8.03 shall apply and provided further, such prepayment shall be applied ratably to each Class of Loans.

(ii) Any prepayments of any Class of Term Loans (x) pursuant to Section 2.10(a) shall be applied as directed by the Borrower and (y) pursuant to Section 2.10(c), (d), (e), (f) and (i) shall be applied (i) in direct order of maturity to the next eight scheduled repayments of such Class of Term Loans and (ii) to the extent of any excess, ratably to the remaining scheduled repayments of Term Loans.

(iii) Amounts to be applied pursuant to this Section 2.10 to the prepayment of Term Loans shall be applied first to reduce outstanding Base Rate Loans. Any amounts remaining after each such application shall be applied to prepay Eurodollar Rate Loans.

(iv) Notwithstanding any of the foregoing, if the amount of any prepayment of Loans required under this Section 2.10 shall be in excess of the amount of the Base Rate Loans at the time outstanding (an “**Excess Amount**”), only the portion of the amount of such prepayment as is equal to the amount of

such outstanding Base Rate Loans shall be immediately prepaid and, at the election of the Borrower, the Excess Amount shall be either (1) deposited in an escrow account on terms satisfactory to the Collateral Agent and applied to the prepayment of Eurodollar Rate Loans on the last day of the then next-expiring Interest Period for Eurodollar Rate Loans; provided that (i) interest in respect of such Excess Amount shall continue to accrue thereon at the rate provided hereunder for the Loans which such Excess Amount is intended to repay until such Excess Amount shall have been used in full to repay such Loans and (ii) at any time while a Default has occurred and is continuing, the Administrative Agent may, and upon written direction from the Required Lenders shall, apply any or all proceeds then on deposit to the payment of such Loans in an amount equal to such Excess Amount or (2) prepaid immediately, together with any amounts owing to the Lenders under Section 2.13.

(v) Notwithstanding anything herein to the contrary, with respect to each such prepayment pursuant to Section 2.10(c), (e), (f) or (i), (i) not later than the date three Business Days prior to the date specified in Section 2.10 for making such prepayment, the Borrower shall give the Administrative Agent telephonic notice (promptly confirmed in writing) requesting that the Administrative Agent provide notice of such prepayment to each Lender, (ii) each Lender will have the right to refuse any such prepayment by giving written notice of such refusal to the Borrower and the Administrative Agent within two Business Days after such Lender's receipt of notice from the Administrative Agent of such prepayment and (iii) the Borrower will make all such prepayments not so refused upon the applicable date specified in Section 2.10 for making such prepayment. Any Lender that does not decline such prepayment in writing on or prior to the date referenced in clause (ii) above shall be deemed to have accepted such prepayment.

(h) Notice of Prepayments. (i) The Borrower shall notify the Administrative Agent by written notice of any prepayment hereunder (A) in the case of prepayment of a Eurodollar Rate Borrowing, not later than 11:00 a.m., New York City time, three (3) Business Days before the date of prepayment, and (B) in the case of prepayment of a Base Rate Borrowing, not later than 11:00 a.m., New York City time, one (1) Business Day before the date of prepayment. Each such notice shall be irrevocable. Each such notice shall specify the prepayment date, the principal amount of each Borrowing or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof.

(ii) [Intentionally Omitted]

(iii) Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of a Credit Extension of the same Type as provided in Section 2.02(a), except as necessary to apply fully the required amount of a mandatory prepayment. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing and otherwise in accordance with this Section 2.10. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.06.

(i) Foreign Asset Sales. Notwithstanding any other provisions of Section 2.10(b), (c) or (e) (i) to the extent that any of or all the Net Cash Proceeds of any Asset Sale or Casualty Event subject to such sections are received by a Restricted Subsidiary that is not organized under the United States or any State or political subdivision thereof or of Canada or any province or political subdivision thereof (a “**Foreign Asset Sale**”) and such Net Cash Proceeds are prohibited, restricted or otherwise delayed (each, a “**Repatriation Limitation**”) by applicable local law from being repatriated to the United States or Canada, the portion of such Net Cash Proceeds so affected will not be required to be applied to repay Term Loans at the times provided in this Section 2.10 but may be retained by the applicable Restricted Subsidiary so long as such Repatriation Limitation exists (provided, that such Restricted Subsidiary shall use its commercially reasonable efforts to overcome any Repatriation Limitation) and once such Repatriation Limitation no longer exists, such Restricted Subsidiary shall promptly repatriate an amount equal to such Net Cash Proceeds to the Borrower which shall promptly (and in any event not later than five Business Days after such repatriation) apply such amount to the repayment of the Term Loans pursuant to this Section 2.10 and (ii) to the extent that the Borrower has reasonably determined in good faith that repatriation of any of or all of such Net Cash Proceeds of any Asset Sale or Casualty Event subject to Section 2.10(c) or (e) would have a material adverse tax cost consequence with respect to such Net Cash Proceeds for such Restricted Subsidiary or any other Loan Party, the Net Cash Proceeds so affected may be retained by the applicable Restricted Subsidiary.

(j) Prepayment Premium. In the event that there shall occur any amendment, amendment and restatement or other modification of this Agreement that reduces the Applicable Margin or interest rate with respect to any Term Loans or any prepayment or refinancing of any Term Loans, in whole or in part with proceeds of Indebtedness having lower applicable total yield than the applicable total yield for the Term Loans as of the Closing Date, then each such amendment, amendment and restatement, modification, prepayment or refinancing that occurs on or prior to the six-month anniversary of the Closing Date, as the case may be, shall be accompanied by a fee or prepayment premium, as applicable, equal to 1.00% of the outstanding principal amount of the Term Loans affected by such amendment, amendment and restatement or modification, or subject to such prepayment or refinancing. As a condition to effectiveness of any required assignment by any non-consenting Lender of its Term Loans pursuant to Section 2.16 in respect of any amendment, amendment and restatement or modification to this Agreement effective prior to the six-month anniversary of the Closing Date that has the effect of reducing the Applicable Margin or interest rate for any Term Loans from the Applicable Margin or interest rate in effect on the Closing Date, the Borrower shall pay to such non-consenting Lender of Term Loans a premium or fee equal to the premium or fee that would apply pursuant to the preceding sentence if such non-consenting Lender’s Term Loans being assigned were being prepaid.

Section 2.11 Alternate Rate of Interest. If prior to the commencement of any Interest Period for a Eurodollar Rate Borrowing:

(a) the Administrative Agent determines (which determination shall be final and conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Eurodollar Rate for such Interest Period; or

(b) the Administrative Agent is advised in writing by the Required Lenders that the Eurodollar Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give written notice thereof to the Borrower and the Lenders as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the

Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurodollar Rate Borrowing shall be ineffective and (ii) if any Borrowing Request requests a Eurodollar Rate Borrowing, such Borrowing shall be made as a Base Rate Borrowing.

Section 2.12 Yield Protection; Change in Law Generally.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in, by any Lender (except any reserve requirement reflected in the Eurodollar Rate); or

(ii) impose on any Lender or the interbank market any other condition, cost or expense affecting this Agreement or Eurodollar Rate Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Eurodollar Rate Loan (or of maintaining its obligation to make any such Loan), or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or any other amount), then, upon request of such Lender, the Borrower will pay to such Lender, as the case may be, such additional amount or amounts as will compensate such Lender, as the case may be, for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender determines (in good faith, but in its sole absolute discretion) that any Change in Law affecting such Lender or any lending office of such Lender or such Lender's holding company, if any, regarding capital requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by such Lender, to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time the Borrower will pay to such Lender, as the case may be, such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section 2.12 and delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender, as the case may be, the amount shown as due on any such certificate within ten (10) Business Days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to this Section 2.12 shall not constitute a waiver of such Lender's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender pursuant to this Section for any increased costs incurred or reductions suffered more than nine months prior to the date that such Lender, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then

the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

(e) Change in Legality Generally. Notwithstanding any other provision of this Agreement, if any Change in Law shall make it unlawful for any Lender to make or maintain any Eurodollar Rate Loan or to give effect to its obligations as contemplated hereby with respect to any Eurodollar Rate Loan, then, upon written notice by such Lender to the Borrower and the Administrative Agent:

(i) the Commitments of such Lender (if any) to fund the affected Type of Loan shall immediately terminate; and

(ii) (x) such Lender may declare that Eurodollar Rate Loans will not thereafter (for the duration of such unlawfulness) be continued for additional Interest Periods and Base Rate Loans will not thereafter (for such duration) be converted into Eurodollar Rate Loans, whereupon any request to convert a Base Rate Borrowing to a Eurodollar Rate Borrowing or to continue a Eurodollar Rate Borrowing for an additional Interest Period shall, as to such Lender only, be deemed a request to continue a Base Rate Loan as such, or to convert a Eurodollar Rate Loan into a Base Rate Loan, as the case may be, unless such declaration shall be subsequently withdrawn and (y) all such outstanding Eurodollar Rate Loans made by such Lender shall be automatically converted to Base Rate Loans on the last day of the then current Interest Period therefor or, if earlier, on the date specified by such Lender in such notice (which date shall be no earlier than the last day of any applicable grace period permitted by applicable law).

(f) Increased Tax Costs. If any Change in Law shall subject any Lender to any (i) Tax of any kind whatsoever with respect to this Agreement or any Loan made by it, or change the basis of taxation of payments to such Lender in respect thereof, or (ii) Tax imposed on it that is specially (but not necessarily exclusively) applicable to lenders such as such Lender as a result of the general extent and/or nature of their activities, assets, liabilities, leverage, other exposures to risk, or other similar factors, including but not limited to the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, regulations, guidelines or directives thereunder or issued in connection therewith, the United Kingdom Tax known as the "bank levy" in such form as it may be imposed and as amended or reenacted, and similar legislation (except, in each case of the foregoing clauses (i) and (ii), for Indemnified Taxes or Other Taxes covered by Section 2.15 and the imposition of, or any change in the rate of, any Excluded Tax payable by such Lender; provided, however, for purposes of this Section 2.12(f), a franchise tax in lieu of or in substitute of net income taxes shall be treated as an Excluded Tax only if such franchise tax in lieu of or in substitute of net income taxes is imposed by a state, city or political subdivision of a state, in each case in the United States, for the privilege of being organized or chartered in, or doing business in, such state, city or political subdivision of such state or city in the United States), and the result of any of the foregoing shall be to increase the cost to such Lender of making, converting to, continuing or maintaining any Loan (or of maintaining its obligation to make any such Loan), or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or any other amount), then, upon request of such Lender, the Borrower will pay to such Lender, as the case may be, such additional amount or amounts as will compensate such Lender, as the case may be, for such additional costs incurred or reduction suffered.

(g) Notwithstanding anything to the contrary contained herein, no Lender shall be entitled to seek compensation for costs incurred under this Section 2.12 unless it is the general policy of such Lender at such time to seek compensation from other borrowers whose transactions with such Lender are similarly affected by the change in circumstances giving rise to such costs and the applicable Lender is generally seeking such compensation from such borrowers (but no Lender shall be required to disclose any confidential or proprietary information to confirm the foregoing).

Section 2.13 Breakage Payments. In the event of (a) the payment or prepayment, whether optional or mandatory, of any principal of any Eurodollar Rate Loan earlier than the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurodollar Rate Loan earlier than the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Term Loan on the date specified in any notice delivered pursuant hereto or (d) the assignment of any Eurodollar Rate Loan earlier than the last day of the Interest Period applicable thereto as a result of a request by Borrower pursuant to Section 2.16(c), then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. In the case of any Eurodollar Rate Loan, such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Eurodollar Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan) (excluding, however, the Applicable Margin included therein, if any, and the effect of clause (ii), of each of the sentences contained in the “Eurodollar Base Rate” definition), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits of a comparable currency, amount and period from other banks in the applicable interbank market. A certificate of any Lender setting forth in reasonable detail any amount or amounts that such Lender is entitled to receive pursuant to this Section 2.13 shall be delivered to the Borrower (with a copy to the Administrative Agent) and shall be conclusive and binding absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within five (5) days after receipt thereof.

Section 2.14 Payments Generally; Pro Rata Treatment; Sharing of Setoffs

(a) Payments Generally. Each Loan Party shall make each payment required to be made by it hereunder or under any other Loan Document (whether of principal, interest or fees, or of amounts payable under Section 2.12, Section 2.13, Section 2.15, Section 2.16 or Section 11.03, or otherwise) on or before the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 2:00 p.m., New York City time), on the date when due, in immediately available funds, without condition or deduction for any counterclaim, defense, recoupment or setoff. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All payments by any Loan Party shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the Administrative Agent’s Office, except that payments pursuant to Section 2.12, Section 2.13, Section 2.15, Section 2.16 and Section 11.03 shall be made directly to the persons entitled thereto and payments pursuant to other Loan Documents shall be made to the persons specified therein. The Administrative Agent shall distribute any such payments received by it for the account of any other person to the

appropriate recipient promptly following receipt thereof in like funds as received by the Administrative Agent. If any payment under any Loan Document shall be due on a day that is not a Business Day, unless specified otherwise, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments under each Loan Document shall be made in Dollars, except as expressly specified otherwise.

(b) Pro Rata Treatment.

(i) Each payment by the Borrower of interest in respect of the Loans of any Class shall be applied to the amounts of such obligations owing to the Lenders *pro rata* according to the respective amounts then due and owing to the Lenders.

(ii) Each payment by the Borrower on account of principal of the Borrowings of any Class shall be made *pro rata* according to the respective outstanding principal amounts of the Loans then held by the Lenders.

(c) Insufficient Funds. If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest and fees then due hereunder, such funds shall be applied (i) *first*, toward payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) *second*, toward payment of principal then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties.

(d) Sharing of Set-Off. Subject to the terms of the Intercreditor Agreement, if any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or other Obligations resulting in such Lender's receiving payment of a proportion of the aggregate amount of its Loans and accrued interest thereon or other Obligations greater than its *pro rata* share thereof as provided herein, then the Lender receiving such greater proportion shall (a) notify the Administrative Agent of such fact, and (b) purchase (for cash at face value) participations in the Loans and such other obligations of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them, provided that:

(i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(ii) the provisions of this paragraph shall not be construed to apply to (x) any payment made by any Loan Party pursuant to and in accordance with the express terms of this Agreement or (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, other than to any Loan Party or any Subsidiary thereof (as to which the provisions of this paragraph shall apply); provided, that this paragraph shall not apply to purchases or other payments pursuant to the Dutch Auction provisions of this Agreement, as provided in Section 11.04(b)(v).

Each Loan Party consents to the foregoing and agrees, to the extent it may effectively do so under applicable Requirements of Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Loan Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Loan Party in the amount of such participation. If under applicable bankruptcy, insolvency or any similar law any Secured Party receives a secured claim in lieu of a setoff or counterclaim to which this Section 2.14(d) applies, such Secured Party shall to the extent practicable, exercise its rights in respect of such secured claim in a manner consistent with the rights to which the Secured Party is entitled under this Section 2.14(d) to share in the benefits of the recovery of such secured claim.

(e) Borrower Default. Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders, as the case may be, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Interbank Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this Section 2.14(e) shall be conclusive, absent manifest error.

(f) Lender Default. If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.02(c), Section 2.14(e) or Section 11.03(c), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

(g) Obligations of Lenders Several. The obligations of the Lenders hereunder to make Loans and to make payments pursuant to Section 11.03 are several and not joint. The failure of any Lender to make any Loan or to make any payment under Section 11.03 on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or to make its payment under Section 11.03.

(h) Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

Section 2.15 Taxes

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of the Loan Parties hereunder or under any other Loan Document shall be made free and clear of and without reduction or withholding for any Indemnified Taxes or Other Taxes; provided that if any Loan Party shall be required by applicable Requirements of Law to deduct any Indemnified Taxes or any Other Taxes from such payments, then (i) the applicable Loan Party shall increase the sum payable as necessary so that after all such required deductions and withholdings (including any such deductions

and withholdings applicable to additional sums payable under this Section) each Agent or Lender, as the case may be, receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the applicable Loan Party shall make such deductions or withholdings and (iii) the applicable Loan Party shall timely pay the full amount deducted or withheld to the relevant Taxing Authority in accordance with applicable Requirements of Law.

(b) Payment of Other Taxes by Borrower. Without limiting the provisions of paragraph (a) above, each Loan Party shall timely pay any Other Taxes to the relevant Taxing Authority in accordance with applicable Requirements of Law.

(c) Indemnification by Loan Parties. Each Loan Party shall indemnify each Agent and each Lender, within ten (10) Business Days after demand therefor, for the full amount of any Indemnified Taxes imposed or asserted on or attributable to amounts payable by any of the Loan Parties hereunder or under any other Loan Document or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.15) paid by such Agent or such Lender, as the case may be, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Taxing Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by such Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error. The Borrower shall not be obliged to provide indemnity under this Section where the Indemnified Tax or Other Tax in question is compensated for by an increased payment under Sections 2.12(f) or 2.15(a).

(d) Evidence of Payments. As soon as practicable after any payment of Indemnified Taxes or Other Taxes by any Loan Party to a Taxing Authority, the applicable Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Taxing Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Status of Lenders. Any Lender that is entitled to an exemption from or reduction of withholding tax under the law of the jurisdiction in which the applicable Loan Party is resident for tax purposes, or any treaty to which such jurisdiction is a party, with respect to payments hereunder or under any other Loan Document shall, to the extent it may lawfully do so, deliver to the Borrower (with a copy to the Administrative Agent), if reasonably requested by the Borrower or the Administrative Agent (and from time to time thereafter, as requested by the Borrower or Administrative Agent), such properly completed and executed documentation prescribed by applicable Requirements of Law or any subsequent replacement or substitute form that it may lawfully provide as will permit such payments to be made without withholding or at a reduced rate of withholding; provided, however, that no Lender shall be required to provide any such documentation or form if, in the relevant Lender's reasonable judgment, doing so would subject such Lender to any material unreimbursed costs or otherwise be disadvantageous to it in any material respect. In addition, any Lender, if requested by the Borrower or the Administrative Agent, shall, to the extent it may lawfully do so, deliver such other documentation reasonably requested by the Borrower or the Administrative Agent as will enable the applicable Loan Parties or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements; provided, however, that no Lender shall be required to provide any such documentation if, in the relevant Lender's reasonable judgment, doing so would subject such Lender to any material unreimbursed costs or otherwise be disadvantageous to it in any material respect.

Each Lender which so delivers any document requested by the Borrower or Administrative Agent in this Section 2.15(e) further undertakes to deliver to the Borrower (with a copy to Administrative Agent), upon request of the Borrower or Administrative Agent, copies of such requested form (or a successor form) on or before the date that such form expires or becomes obsolete or after the occurrence of any event requiring a change in the most recent form so delivered by it, and such amendments thereto or extensions or renewals thereof as may be reasonably requested by the Borrower or Administrative Agent, in each case, unless an event (including any change in treaty, law or regulation) has occurred prior to the date on which any such delivery would otherwise be required that renders all such forms inapplicable or that would prevent such Lender from duly completing and delivering any such form with respect to it. For avoidance of doubt, the Borrower shall not be required to pay additional amounts to any Lender or Agent pursuant to Section 2.15 to the extent the obligation to pay such additional amount would not have arisen but for the failure of such Lender or Agent to comply with this paragraph.

(f) Treatment of Certain Refunds. If an Agent or a Lender determines, in its sole discretion, that it has received a refund of, credit against, relief or remission for any Indemnified Taxes or Other Taxes as to which it has been indemnified by the Loan Parties or with respect to which any Loan Party has paid additional amounts pursuant to this Section or Section 2.12(f), it shall pay to such Loan Party an amount equal to such refund, credit, relief or remission (but only to the extent of indemnity payments made, or additional amounts paid, by such Loan Party under this Section with respect to the Indemnified Taxes or Other Taxes giving rise to such refund or any additional amounts under Section 2.12(f)), net of all reasonable and customary out-of-pocket expenses of such Agent or Lender, as the case may be, and without interest (other than any interest paid by the relevant Taxing Authority with respect to such refund or any additional amounts under Section 2.12(f)); provided that each Loan Party, upon the request of such Agent or such Lender, agrees to repay the amount paid over to such Loan Party (plus any penalties, interest or other charges imposed by the relevant Taxing Authority) to such Agent or such Lender in the event such Agent or such Lender is required to repay such refund to such Taxing Authority. Nothing in this Agreement shall be construed to require any Agent or any Lender to make available its tax returns (or any other information relating to its taxes that it deems confidential) to any Loan Party or any other person. Notwithstanding anything to the contrary, in no event will any Agent or any Lender be required to pay any amount to any Loan Party the payment of which would place such Agent or such Lender in a less favorable net after-tax position than such Agent or such Lender would have been in if the additional amounts giving rise to such refund of any Indemnified Taxes or Other Taxes had never been paid.

(g) Co-operation. Notwithstanding anything to the contrary in Section 2.15(e), with respect to non-U.S. withholding taxes, the relevant Agent, the relevant Lender(s) (at the written request of the relevant Loan Party) and the relevant Loan Party shall, co-operate in completing any procedural formalities necessary (including delivering any documentation prescribed by the applicable Requirement of Law and making any necessary reasonable approaches to the relevant Taxing Authorities) for the relevant Loan Party to obtain authorization to make a payment to which such Agent or such Lender(s) is entitled without any, or a reduced rate of, deduction or withholding for, or on account of, Taxes; provided, however, that none of the Agents or any Lender shall be required to provide any documentation that it is not legally entitled to provide, or take any action that, in the relevant Agent's or the relevant Lender's reasonable judgment, would subject such Agent or such Lender to any material unreimbursed costs or otherwise be disadvantageous to it in any material respect.

(h) Tax Returns. If, as a result of executing a Loan Document, entering into the transactions contemplated thereby or with respect thereto, receiving a payment or enforcing its rights thereunder, any Agent or any Lender is required to file a Tax Return in a jurisdiction in which it would not otherwise

be required file, the Loan Parties shall promptly provide such information necessary for the completion and filing of such Tax Return as the relevant Agent or Lender shall reasonably request with respect to the completion and filing of such Tax Return. For clarification, any expenses incurred in connection with such filing shall be subject to Section 11.03.

(i) Value Added Tax. All amounts set out, or expressed to be payable under a Loan Document by any party to a Lender or Agent which (in whole or in part) constitute the consideration for value added tax purposes shall be deemed to be exclusive of any applicable value added tax, and accordingly, if value added tax is chargeable on any supply or service made by any Lender or Agent to any party under a Loan Document, that party shall pay to the Lender or Agent (in addition to and at the same time as paying the consideration) an amount equal to the amount of the value added tax (and such Lender or Agent shall promptly provide an appropriate value added invoice to such party).

Where a Loan Document requires any party to reimburse a Lender or Agent for any costs or expenses, that party shall also at the same time pay and indemnify the Lender or Agent against all value added tax incurred by the Lender or Agent in respect of the costs or expenses to the extent that the party reasonably determines that neither it nor any other member of any group of which it is a member for value added tax purposes is entitled to credit or repayment from the relevant Taxing Authority in respect of the value added tax.

If any Lender or Agent requires any Loan Party to pay any additional amount pursuant to Section 2.15(i), then such Lender or Agent and Loan Party shall use reasonable efforts to co-operate to minimize the amount such Loan Party is required to pay if, in the judgment of such Lender or Agent, such co-operation would not subject such Lender or Agent to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender or Agent.

Section 2.16 Mitigation Obligations; Replacement of Lenders

(a) Designation of a Different Lending Office. Each Lender may at any time or from time to time designate, by written notice to the Administrative Agent, one or more lending offices (which, for this purpose, may include Affiliates of the respective Lender) for the various Loans made by such Lender; provided that to the extent such designation shall result, as of the time of such designation, in increased costs under Section 2.12 or Section 2.15 in excess of those which would be charged in the absence of the designation of a different lending office (including a different Affiliate of the respective Lender), then the Borrower shall not be obligated to pay such excess increased costs (although the Borrower, in accordance with and pursuant to the other provisions of this Agreement, shall be obligated to pay the costs which would apply in the absence of such designation and any subsequent increased costs of the type described above resulting from changes after the date of the respective designation). Each lending office and Affiliate of any Lender designated as provided above shall, for all purposes of this Agreement, be treated in the same manner as the respective Lender (and shall be entitled to all indemnities and similar provisions in respect of its acting as such hereunder). Each lending office and Affiliate of any Lender designated as provided above shall, for all purposes of this Agreement, be treated in the same manner as the respective Lender (and shall be entitled to all indemnities and similar provisions in respect of its acting as such hereunder). The proviso to the first sentence of this Section 2.16(a) shall not apply to changes in a lending office pursuant to Section 2.16(b) if such change was made upon the written request of the Borrower.

(b) Mitigation Obligations. If any Lender requests compensation under Section 2.12, or requires any Loan Party to pay any additional amount to any Lender or any Taxing Authority for the

account of any Lender pursuant to Section 2.15, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.12 or Section 2.15, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. Each Loan Party hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment. A certificate setting forth such costs and expenses submitted by such Lender to the Borrower shall be conclusive absent manifest error.

(c) Replacement of Lenders. If any Lender requests compensation under Section 2.12, or if the Borrower is required to pay any additional amount to any Lender or any Taxing Authority for the account of any Lender pursuant to Section 2.15, or if any Lender is a Defaulting Lender, or if the Borrower exercises its replacement rights under Section 11.02(d), then the Borrower may, at its sole expense and effort, upon notice by the Borrower to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 11.04), all of its interests, rights and obligations under this Agreement and the other Loan Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that:

(i) the Borrower or the assignee shall have paid to the Administrative Agent the processing and recordation fee specified in Section 11.04(b);

(ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 2.13), from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts, including any amounts under Section 2.10(j));

(iii) in the case of any such assignment resulting from a claim for compensation under Section 2.12 or payments required to be made pursuant to Section 2.15, such assignment will result in a reduction in such compensation or payments thereafter; and

(iv) such assignment does not conflict with applicable Requirements of Law.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

Section 2.17 [INTENTIONALLY OMITTED].

Section 2.18 [INTENTIONALLY OMITTED].

Section 2.19 Interest Act (Canada); Criminal Rate of Interest; Nominal Rate of Interest.

(a) Notwithstanding anything to the contrary contained in this Agreement or in any other Loan Document, solely to the extent that a court of competent jurisdiction finally determines that the calculation or determination of interest or any fee payable by any Canadian Loan Party in respect of the Obligations pursuant to this Agreement and the other Loan Documents shall be governed by the laws of any province of Canada or the federal laws of Canada, in no event shall the aggregate interest (as defined in Section 347 of the Criminal Code, R.S.C. 1985, c. C-46, as the same shall be amended, replaced or re-enacted from time to time, “**Section 347**”) payable by the Canadian Loan Parties to the Agents or any Lender under this Agreement or any other Loan Document exceed the effective annual rate of interest on the Credit advances (as defined in Section 347) under this Agreement or such other Loan Document lawfully permitted under Section 347 and, if any payment, collection or demand pursuant to this Agreement or any other Loan Document in respect of Interest (as defined in Section 347) is determined to be contrary to the provisions of Section 347, such payment, collection or demand shall be deemed to have been made by mutual mistake of the Agents, the Lenders and the Canadian Loan Parties and the amount of such payment or collection shall be refunded by the relevant Agents and Lenders to the applicable Canadian Loan Parties. For the purposes of this Agreement and each other Loan Document to which the Canadian Loan Parties are a party, the effective annual rate of interest payable by the Canadian Loan Parties shall be determined in accordance with generally accepted actuarial practices and principles over the term of the loans on the basis of annual compounding for the lawfully permitted rate of interest and, in the event of dispute, a certificate of a Fellow of the Canadian Institute of Actuaries appointed by the Administrative Agent for the account of the Canadian Loan Parties will be conclusive for the purpose of such determination in the absence of evidence to the contrary.

(b) For the purposes of the Interest Act (Canada) and with respect to Canadian Loan Parties only:

(i) whenever any interest or fee payable by the Canadian Loan Parties is calculated using a rate based on a year of 360 days or 365 days, as the case may be, the rate determined pursuant to such calculation, when expressed as an annual rate, is equivalent to (x) the applicable rate based on a year of 360 days or 365 days, as the case may be, (y) multiplied by the actual number of days in the calendar year in which such rate is to be ascertained and (z) divided by 360 or 365, as the case may be; and

(ii) all calculations of interest payable by the Canadian Loan Parties under this Agreement or any other Loan Document are to be made on the basis of the nominal interest rate described herein and therein and not on the basis of effective yearly rates or on any other basis which gives effect to the principle of deemed reinvestment of interest.

The parties hereto acknowledge that there is a material difference between the stated nominal interest rates and the effective yearly rates of interest and that they are capable of making the calculations required to determine such effective yearly rates of interest.

Section 2.20 [INTENTIONALLY OMITTED].

Section 2.21 [INTENTIONALLY OMITTED].

Section 2.22 Cashless Rollover of Term Loans. Notwithstanding anything to the contrary in this Agreement, any Lender may exchange, continue or rollover all or a portion of its Loans in connection with any refinancing, extension, loan modification or similar transaction permitted by the terms of this Agreement, pursuant to a cashless settlement mechanism approved by the Borrower, the Administrative Agent and such Lender.

Section 2.23 Incremental Term Loan Commitments.

(a) Borrower Request. The Borrower may by written notice to the Administrative Agent, elect to request the establishment of one or more new Term Loan Commitments (each, an “**Incremental Term Loan Commitment**”) (x) in an aggregate principal amount of not less than \$25,000,000 individually and (y) an integral multiple of \$1,000,000 in excess thereof. Each such notice shall specify (i) date on which the Borrower proposes that such Incremental Term Loan Commitments shall be effective (each, an “**Increase Effective Date**”), which shall be a date not less than 10 Business Days after the date on which such notice is delivered to the Administrative Agent and (ii) the identity of each Lender or Additional Lender to whom the Borrower proposes any portion of such Incremental Term Loan Commitments be allocated and the amount of such allocations; provided that any existing Lender approached to provide all or a portion of any Incremental Term Loan Commitments may elect or decline, in its sole discretion, to provide such Incremental Term Loan Commitments.

(b) Conditions. Such Incremental Term Loan Commitments shall become effective, as of such Increase Effective Date; provided that:

(i) each of the conditions set forth in Section 4.02 shall be satisfied;

(ii) no Default shall have occurred and be continuing or would result from the borrowings to be made on the Increase Effective Date;

(iii) the aggregate amount of all Incremental Term Loans permitted to be made pursuant to such Incremental Term Loan Commitments shall not exceed the sum of (A) \$300,000,000 plus (B) an additional unlimited amount so long as, after giving effect to the borrowings to be made on the Increase Effective Date and to the consummation of any Permitted Acquisition or other Investment or application of funds made with the proceeds of such borrowings, on a Pro Forma Basis, the Senior Secured Net Leverage Ratio at such date is not greater than 3.00 to 1.0 (provided that in calculating the Senior Secured Net Leverage Ratio, the proceeds of Incremental Term Loans shall be excluded from Unrestricted Cash) (it being understood that the Borrower may elect to utilize amounts under clause (B) (to the extent compliant therewith) prior to utilization of amounts under clause (A)); and

(iv) the Borrower shall deliver or cause to be delivered and legal opinions or other documents reasonably requested by the Administrative Agent in connection with any such transaction;

provided, further that if the proceeds of any Incremental Term Loans are being used to finance an Acquisition that is not conditioned on the obtaining of any financing, then, except to the extent

otherwise required by the Lenders or Additional Lenders making such Incremental Term Loans, (x) the representations and warranties referred to in Section 4.02(c), shall be limited to those contained in Sections 3.01, 3.02, 3.03(b), 3.03(c), 3.10, 3.11, 3.12, 3.16, 3.20, 3.22 and 3.24 and (y) the Defaults referred to in Section 4.02(b) and Section 2.23(b)(ii), shall be limited to Significant Events of Default.

(c) Terms of Incremental Term Loans and Commitments. The terms and provisions of Loans made pursuant to the new Commitments shall be as follows:

(i) terms and provisions of Loans made pursuant to Incremental Term Loan Commitments (“**Incremental Term Loans**”) shall be, except as otherwise set forth herein or in the Increase Joinder, identical to the existing Term Loans;

(ii) the Weighted Average Life to Maturity of all Incremental Term Loans shall be no shorter than the Weighted Average Life to Maturity of the existing Term Loans;

(iii) the maturity date of Incremental Term Loans (the “**Incremental Term Loan Maturity Date**”) shall not be earlier than the Latest Maturity Date; and

(iv) the Applicable Margins for the Incremental Term Loans shall be determined by the Borrower and the applicable new Lenders and the interest rate for the Incremental Term Loans shall be determined by reference to the Base Rate and Eurodollar Rate; provided, however, that with respect to any Incremental Term Loans, if the initial yield on such Incremental Term Loans (as determined by the Administrative Agent to be equal to the sum of (x) the margin above the Eurodollar Rate on such Incremental Term Loans, (y) if such Incremental Term Loans are initially made at a discount or the Lenders making the same receive an upfront fee (other than any customary arrangement, underwriting or similar fees that are paid to the arranger of such Incremental Term Loans in its capacity as such) directly or indirectly from Holdings, the Borrower or any Subsidiary for doing so (the amount of such discount or fee, expressed as a percentage of the Incremental Term Loans, being referred to herein as “**Incremental OID**”), the amount of such Incremental OID divided by the lesser of (A) the average life to maturity of such Incremental Term Loans and (B) four, and (z) the greater of (A) any amount by which the minimum Eurodollar Rate applicable to such Incremental Term Loans exceeds the minimum Eurodollar Rate then applicable to the Initial Term Loans, and (B) any amount by which the minimum Base Rate applicable to such Incremental Term Loans exceeds the minimum Base Rate then applicable to the Initial Term Loans) exceeds the sum of (1) the Applicable Margin then in effect for Eurodollar Rate Loans that are Initial Term Loans, and (2) the Upfront Fees divided by four, by more than 50 basis points (the amount of such excess above 50 basis points being referred to herein as the “**Incremental Net Yield**”), then the Applicable Margin then in effect for Initial Term Loans shall automatically be increased by the Incremental Net Yield, effective upon the making of the Incremental Term Loans, provided that to the extent the Applicable Margin applicable to the Initial Term Loans is so

increased, the Applicable Margin on the Term Loans advanced after the Closing Date but prior to the relevant Increase Effective Date shall be increased such that the difference between the Applicable Margin applicable to the Initial Term Loans and such Term Loans remains constant (or, if such Applicable Margin of both such series of Term Loans was equal, such Applicable Margin remains equal)). All determinations by the Administrative Agent as to Incremental Net Yield or other matters contemplated by this Section 2.23 shall be conclusive absent manifest error.

The Incremental Term Loan Commitments shall be effected by a joinder agreement (the “**Increase Joinder**”) executed by the Loan Parties, the Administrative Agent and each Lender or Additional Lender making such Incremental Term Loan Commitment, in form and substance satisfactory to each of them. The Increase Joinder may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, to effect the provisions of this Section 2.23. This Section 2.23 (including clause (f) hereof) shall supersede any provision in Section 2.14 or Section 11.02 to the contrary. In addition, unless otherwise specifically provided herein, all references in Loan Documents to Term Loans shall be deemed, unless the context otherwise requires, to include references to Term Loans made pursuant to Incremental Term Loan Commitments made pursuant to this Agreement, and all references in Loan Documents to Commitments of a Class shall be deemed, unless the context otherwise requires, to include references to new Commitments of such Class made pursuant to this Agreement.

(d) Making of Incremental Term Loans. On any Increase Effective Date on which Incremental Term Loan Commitments are effective, subject to the satisfaction of the foregoing terms and conditions, each Lender of such Incremental Term Loan Commitments shall make a Term Loan to the Borrower in an amount equal to its new Commitment.

(e) Equal and Ratable Benefit. The Loans and Commitments established pursuant to this Section 2.23 shall constitute Loans and Commitments under, and shall be entitled to all the benefits afforded by, this Agreement and the other Loan Documents, and shall, without limiting the foregoing, benefit equally and ratably from the Guarantees and security interests created by the Security Documents. The Loan Parties shall take any actions reasonably required by the Administrative Agent to ensure and/or demonstrate that the Lien and security interests granted by the Security Documents continue to be perfected under the UCC, the PPSA or otherwise after giving effect to the establishment of any such Incremental Term Loan Commitments or any such new Term Loans.

(f) Alternative Currency Term Loans. Subject to the conditions set forth above, the Borrower may elect to establish Incremental Term Loan Commitments denominated in an Alternative Currency. In such event, the Increase Joinder may additionally effect such amendments and modifications to this Agreement or the other Loan Documents, and the Administrative Agent and the Loan Parties may enter into such additional Loan Documents, in each case, deemed necessary or appropriate by the Administrative Agent in connection with such Incremental Term Loan Commitments denominated in Alternative Currencies to modify or add provisions relating to (i) the reference source for the determination of the Eurodollar Rate applicable to Term Loans made in any Alternative Currency or alternative interest rate benchmark for any applicable Alternative Currency, (ii) the notice periods for borrowing requests with respect to Term Loans made in any Alternative Currency, (iii) the minimum borrowing or prepayments amounts applicable to any Term Loan denominated in an Alternative Currency, (iv) the timing and manner of delivery of funds in any Alternative Currency, (v) gross-up and/or indemnity with respect to withholding tax matters and (vi) other provisions customarily

applicable to loans in an Alternative Currency. With respect to the calculations set for in clause (c)(iv) above for any Incremental Net Yield with respect to Incremental Term Loans denominated in an Alternative Currency, such calculations shall be made by the Administrative Agent based on the margin above the appropriate benchmark component of the interest rate for the Alternative Currency, as well as any applicable minimum rates or floors and original issue discount or up front fees (which original issue discount and upfront fees shall be given effect as provided above).

Section 2.24 Refinancing Amendments.

(a) At any time after the Closing Date, the Borrower may obtain, from any Lender or any Additional Lender, Credit Agreement Refinancing Indebtedness in respect of all or any portion of the Term Loans then outstanding under this Agreement (which will be deemed to include any then outstanding Other Term Loans), in the form of Other Term Loans or Other Loan Term Commitments, in each case pursuant to a Refinancing Amendment; provided that such Credit Agreement Refinancing Indebtedness (i) will rank pari passu in right of payment and of security with the other Loans and Commitments hereunder, (ii) will have such pricing and optional prepayment terms as may be agreed by the Borrower and the Lenders thereof, (iii) will have a maturity date that is not prior to the maturity date of, and will have a Weighted Average Life to Maturity that is not shorter than the Term Loans being refinanced, (iv) subject to clause (ii) above, will have terms and conditions that are substantially identical to, or less favorable to the investors providing such Credit Agreement Refinancing Indebtedness than, the Refinanced Debt and (v) the proceeds of such Credit Agreement Refinancing Indebtedness shall be applied, substantially concurrently with the incurrence thereof, to the prepayment of outstanding Term Loans being so refinanced; provided further that the terms and conditions applicable to such Credit Agreement Refinancing Indebtedness may provide for any additional or different financial or other covenants or other provisions that are agreed between the Borrower and the Lenders thereof and applicable only during periods after the Latest Maturity Date that is in effect on the date such Credit Agreement Refinancing Indebtedness is issued, incurred or obtained. The effectiveness of any Refinancing Amendment shall be subject to the satisfaction on the date thereof of each of the conditions set forth in Section 4.02 and, to the extent reasonably requested by the Administrative Agent, receipt by the Administrative Agent of legal opinions, board resolutions, officers' certificates and/or reaffirmation agreements consistent with those delivered on the Closing Date under Section 4.01. Each Class of Credit Agreement Refinancing Indebtedness incurred under this Section 2.24 shall be in an aggregate principal amount that is (x) not less than \$50,000,000 in the case of Other Term Loans and (y) an integral multiple of \$1,000,000 in excess thereof. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Credit Agreement Refinancing Indebtedness incurred pursuant thereto (including any amendments necessary to treat the Loans and Commitments subject thereto as Other Term Loans and/or Other Term Loan Commitments). Any Refinancing Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section.

(b) This Section 2.24 shall supersede any provisions in Section 2.14 or Section 11.02 to the contrary.

ARTICLE III

REPRESENTATIONS AND WARRANTIES

Each Loan Party represents and warrants to the Administrative Agent, the Collateral Agent and each of the Lenders that:

Section 3.01 Organization; Powers. Each Company (a) is duly organized or incorporated (as applicable) and validly existing under the laws of the jurisdiction of its organization or incorporation (as applicable), (b) has all requisite organizational or constitutional power and authority to carry on its business as now conducted and to own and lease its property and (c) is qualified and in good standing (to the extent such concept is applicable in the applicable jurisdiction) to do business in every jurisdiction where such qualification is required, except in such jurisdictions where the failure to so qualify or be in good standing, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

Section 3.02 Authorization; Enforceability. The Transactions to be entered into by each Loan Party are within such Loan Party's organizational or constitutional powers and have been duly authorized by all necessary organizational or constitutional action on the part of such Loan Party. This Agreement has been duly executed and delivered by each Loan Party and constitutes, and each other Loan Document to which any Loan Party is to be a party, when executed and delivered by such Loan Party, will constitute, a legal, valid and binding obligation of such Loan Party, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

Section 3.03 No Conflicts. The Transactions (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except (i) such as have been obtained or made and are in full force and effect, (ii) filings necessary to perfect Liens created by the Loan Documents (as reflected in the applicable Perfection Certificate) and (iii) consents, approvals, registrations, filings, permits or actions the failure to obtain or perform which could not reasonably be expected to result in a Material Adverse Effect, (b) will not violate the Organizational Documents of any Company, (c) will not violate any material Requirement of Law, (d) will not violate or result in a default or require any consent or approval under any indenture, agreement or other instrument binding upon any Company or its property, or give rise to a right thereunder to require any payment to be made by any Company, except for violations, defaults or the creation of such rights that could not reasonably be expected to result in a Material Adverse Effect, and (e) will not result in the creation or imposition of any Lien on any property of any Company, except Liens created by the Loan Documents and Permitted Liens. The execution, delivery and performance of the Loan Documents will not violate, or result in a default under, or require any consent or approval under, the Senior Notes, the Senior Note Documents, or the Revolving Credit Loan Documents.

Section 3.04 Financial Statements; Projections.

(a) **Historical Financial Statements.** The Borrower has heretofore delivered to the Lenders the consolidated balance sheets and related statements of income, stockholders' equity and cash flows of the Borrower as of and for the fiscal years ended March 31, 2014 and March 31, 2015, audited by and accompanied by the unqualified opinion of PricewaterhouseCoopers, independent public accountants and certified by the chief financial officer of the Borrower. Such financial statements and

all financial statements delivered pursuant to Section 5.01(a) and Section 5.01(b) have been prepared in accordance with US GAAP and present fairly in all material respects the financial condition and results of operations and cash flows of the Borrower as of the dates and for the periods to which they relate.

(b) No Liabilities. Except as set forth in the most recent financial statements referred to in Section 3.04(a), as of the Closing Date there are no liabilities of any Company of any kind, whether accrued, contingent, absolute, determined, determinable or otherwise, which could reasonably be expected to result in a Material Adverse Effect, other than liabilities under the Loan Documents and any Third Lien Credit Agreement. Since March 31, 2015, there has been no event, change, circumstance or occurrence that, individually or in the aggregate, has had or could reasonably be expected to result in a Material Adverse Effect.

(c) Pro Forma Financial Statements. The Borrower has heretofore delivered to the Lenders in the Confidential Information Memorandum, the Borrower's unaudited *pro forma* consolidated capitalization table as of March 31, 2015, after giving effect to the Transactions as if they had occurred on such date. Such capitalization table has been prepared in good faith by the Loan Parties, based on the assumptions stated therein (which assumptions are believed by the Loan Parties on the Closing Date to be reasonable), are based on the best information available to the Loan Parties as of the date of delivery thereof, accurately reflect all adjustments required to be made to give effect to the Transactions and present fairly in all material respects the *pro forma* capitalization of Holdings as of such date assuming the Transactions had occurred at such date.

(d) Forecasts. The forecasts of financial performance of the Borrower and its subsidiaries furnished to the Lenders have been prepared in good faith by the Loan Parties and based on assumptions believed by the Loan Parties to be reasonable, it being understood that any such forecasts may vary from actual results and such variations could be material.

Section 3.05 Properties

(a) Generally. Each Company has good title to, valid leasehold interests in, or license of, all its property material to its business, free and clear of all Liens except for Permitted Liens. The property that is material to the business of the Companies, taken as a whole, (i) is in good operating order, condition and repair in all material respects (ordinary wear and tear excepted) and (ii) constitutes all the property which is required for the business and operations of the Companies as presently conducted.

(b) Real Property. Schedules 8(a) and 8(b) to the Perfection Certificate dated the Closing Date contain a true and complete list of each interest in Real Property (i) owned by any Loan Party as of the Closing Date having fair market value of \$1,000,000 or more and describes the type of interest therein held by such Loan Party and whether such owned Real Property is leased to a third party and (ii) leased, subleased or otherwise occupied or utilized by any Loan Party, as lessee, sublessee, franchisee or licensee, as of the Closing Date having annual rental payments of \$1,000,000 or more and describes the type of interest therein held by such Loan Party.

(c) No Casualty Event. No Company has as of the Closing Date received any notice of, nor has any knowledge of, the occurrence or pendency or contemplation of any Casualty Event affecting all or any material portion of its property. No Mortgage encumbers improved Real Property located in the United States that is located in an area that has been identified by the Secretary of Housing and

Urban Development as an area having special flood hazards within the meaning of the National Flood Insurance Act of 1968 unless flood insurance available under such Act has been obtained in accordance with Section 5.04.

(d) Collateral. Each Company owns or has rights to use all of the Collateral used in, necessary for or material to each Company's business as currently conducted, except where the failure to have such ownership or rights of use could not reasonably be expected to have a Material Adverse Effect. The use by each Company of such Collateral does not infringe on the rights of any person other than such infringement which could not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect. No claim has been made and remains outstanding that any Company's use of any Collateral does or may violate the rights of any third party that could, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect.

Section 3.06 Intellectual Property

(a) Ownership/No Claims. Each Loan Party owns, or is licensed to use, all patents, trademarks, copyrights and other intellectual property (including intellectual property in software, mask works, inventions, designs, trade names, service marks, technology, trade secrets, proprietary information and data, domain names, know-how and processes) necessary for the conduct of such Loan Party's business as currently conducted ("**Intellectual Property**"), except for those the failure to own or license which, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect. As of the Closing Date, no material claim has been asserted and is pending by any person, challenging or questioning the validity of any Loan Party's Intellectual Property or the validity or enforceability of any such Intellectual Property, nor does any Loan Party know of any valid basis for any such claim. The use of any Intellectual Property by each Loan Party, and the conduct of each Loan Party's business as currently conducted, does not infringe or otherwise violate the rights of any third party in respect of Intellectual Property, except for such claims and infringements that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

(b) Registrations. Except pursuant to non-exclusive licenses and other non-exclusive use agreements entered into by each Loan Party in the ordinary course of business, and except as set forth on Schedule 12(c) to the Perfection Certificate, on and as of the Closing Date each Loan Party owns and possesses the right to use and has not authorized or enabled any other person to use, any Intellectual Property listed on any schedule to the relevant Perfection Certificate or any other Intellectual Property that is material to its business, except for such authorizations and enablements as could not reasonably be expected to result in a Material Adverse Effect. All registrations listed on Schedule 12(a) and 12(b) to the Perfection Certificate are valid and in full force and effect, in each case, except where the absence of such validity or full force and effect, individually or collectively, could not reasonably be expected to have a Material Adverse Effect.

(c) No Violations or Proceedings. To each Loan Party's knowledge, on and as of the Closing Date, (i) there is no material infringement or other violation by others of any right of such Loan Party with respect to any Intellectual Property listed on any schedule to the relevant Perfection Certificate, or any other Intellectual Property that is material to its business, except as may be set forth on Schedule 3.06(c), and (ii) no claims are pending or threatened to such effect except as set forth on Schedule 3.06(c).

Section 3.07 Equity Interests and Subsidiaries

(a) Equity Interests. Schedules 1(a) and 10 to the Perfection Certificate dated the Closing Date set forth a list of (i) all the Subsidiaries of Holdings and their jurisdictions of organization as of the Closing Date and (ii) the number of each class of its Equity Interests authorized, and the number outstanding, on the Closing Date and the number of shares covered by all outstanding options, warrants, rights of conversion or purchase and similar rights at the Closing Date. As of the Closing Date, all Equity Interests of each Company held by Holdings or a Subsidiary thereof are duly and validly issued and are fully paid and non-assessable, and, other than the Equity Interests of Holdings, are owned by Holdings, directly or indirectly through Wholly Owned Subsidiaries except as indicated on Schedules 1(a) and 10 to the Perfection Certificate. At all times prior to a Qualified Borrower IPO, the Equity Interests of the Borrower will be owned directly by Holdings. As of the Closing Date, each Loan Party is the record and beneficial owner of, and has good and marketable title to, the Equity Interests pledged by it under the Security Documents, free of any and all Liens, rights or claims of other persons, except Permitted Liens, and as of the Closing Date there are no outstanding warrants, options or other rights to purchase, or shareholder, voting trust or similar agreements outstanding with respect to, or property that is convertible into, or that requires the issuance or sale of, any such Equity Interests other than with respect to the Forward Share Sale Agreement.

(b) No Consent of Third Parties Required. Except as have previously been obtained, no consent of any person including any other general or limited partner, any other member of a limited liability company, any other shareholder or any other trust beneficiary is necessary in connection with the creation, perfection or First Priority status of the security interest of the Collateral Agent in any Equity Interests pledged to the Collateral Agent for the benefit of the Secured Parties under the Security Documents or the exercise by the Collateral Agent of the voting or other rights provided for in the Security Documents or the exercise of remedies in respect thereof, other than any restrictions on transfer of the Equity Interests in NKL or its direct parents, 4260848 Canada Inc., 4260856 Canada Inc. and 8018227 Canada Inc., imposed by any lock-up or listing agreement, rule or regulation in connection with any listing or offering of Equity Interests in NKL to the extent required by applicable Requirements of Law or listing or stock exchange requirements.

(c) Organizational Chart. An accurate organizational chart, showing the ownership structure of Holdings, the Borrower and each Subsidiary on the Closing Date is set forth on Schedule 10 to the Perfection Certificate dated the Closing Date. No Loan Party which is a party to an Irish Security Agreement or has otherwise created a Lien over any asset situate in Ireland pursuant to the Security Documents is a Relevant External Company.

Section 3.08 Litigation; Compliance with Laws. There are no actions, suits or proceedings at law or in equity by or before any Governmental Authority now pending or, to the knowledge of any Company, threatened against or affecting any Company or any business, property or rights of any Company (i) that involve any Loan Document or (ii) as to which there is a reasonable possibility of an adverse determination and that, if adversely determined, could reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect. No Company or any of its property is in violation of, nor will the continued operation of its property as currently conducted violate, any Requirements of Law (including any zoning or building ordinance, code or approval or any building permits) or any restrictions of record or agreements affecting any Company's Real Property or is in default with respect to any Requirement of Law, where such violation or default, individually or in the aggregate, could reasonably be expected to result in a Material Adverse Effect. The Loan Parties have implemented and maintain in effect policies and procedures designed to ensure compliance by the Loan Parties, their Subsidiaries, and their respective directors, officers, employees and agents with

applicable Anti-Corruption Laws, and the Loan Parties and their Subsidiaries are in compliance with applicable Anti-Corruption Laws in all material respects.

Section 3.09 Agreements. No Company is a party to any agreement or instrument or subject to any corporate or other constitutional restriction that has resulted or could reasonably be expected to result in a Material Adverse Effect. No Company is in default in any manner under any provision of any indenture or other agreement or instrument evidencing Indebtedness, or any other agreement or instrument to which it is a party or by which it or any of its property is or may be bound, where such default could reasonably be expected to result in a Material Adverse Effect. There is no existing default under any Organizational Document of any Company or any event which, with the giving of notice or passage of time or both, would constitute a default by any party thereunder that could reasonably be expected to have a Material Adverse Effect. No event or circumstance has occurred or exists that constitutes a Default or Event of Default.

Section 3.10 Federal Reserve Regulations. No Company is engaged principally, or as one of its important activities, in the business of extending credit for the purpose of buying or carrying Margin Stock. No part of the proceeds of any Loan will be used, whether directly or indirectly, and whether immediately, incidentally or ultimately, for any purpose that entails a violation of, or that is inconsistent with, the provisions of the regulations of the Board, including Regulation T, U or X. The pledge of the Securities Collateral pursuant to the Security Documents does not violate such regulations.

Section 3.11 Investment Company Act. No Company is an “investment company” or a company “controlled” by an “investment company,” as defined in, or subject to regulation under, the Investment Company Act of 1940, as amended.

Section 3.12 Use of Proceeds. The Borrower will use the proceeds of (a) the Loans on the Closing Date for the Refinancing and for payment of fees, premiums and expenses in connection with the Transactions, (b) any Incremental Term Loans after the Closing Date for general corporate purposes (including to effect Permitted Acquisitions and other Investments and Dividends permitted hereunder) and (c) any Other Term Loans after the Closing Date to refinance Term Loans and pay related fees and expenses; provided that in no event shall any proceeds of any Loans (including any Incremental Term Loans or Other Term Loans) be remitted, directly or indirectly, to any Swiss tax resident Company or Swiss tax resident permanent establishment, where this remittance could be viewed as a use of such proceeds in Switzerland (whether through an intercompany loan or advance by any other Company or otherwise) as per the practice of the Swiss Federal Tax Administration, unless the Swiss Federal Tax Administration confirms in a written advance tax ruling (based on a fair description of the fact pattern in the tax ruling request made by a Loan Party) that such use of proceeds in Switzerland does not lead to Swiss Withholding Tax becoming due on or in respect any Loans (including any Incremental Term Loans or Other Term Loans) or parts thereof.

Section 3.13 Taxes. Each Company has (a) timely filed or caused to be timely filed all material Tax Returns required by applicable Requirements of Law to have been filed by it and (b) duly and timely paid, collected or remitted or caused to be duly and timely paid, collected or remitted all material Taxes due and payable, collectible or remittable by it and all assessments received by it, except Taxes (i) that are being contested in good faith by appropriate proceedings and for which such Company has set aside on its books adequate reserves in accordance with US GAAP or other applicable accounting rules and (ii) which could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Each Company has made adequate provision in accordance with US GAAP or other applicable accounting rules for all material Taxes not yet due and payable. No Company has

received written notice of any proposed or pending tax assessments, deficiencies or audits that could be reasonably expected to, individually or in the aggregate, result in a Material Adverse Effect. No Company has ever been a party to any understanding or arrangement constituting a “tax shelter” within the meaning of Section 6111(c), Section 6111(d) or Section 6662(d)(2)(C)(iii) of the Code, or has ever “participated” in a “reportable transaction” within the meaning of Treasury Regulation Section 1.6011-4, except as could not be reasonably expected to, individually or in the aggregate, result in a Material Adverse Effect.

Section 3.14 No Material Misstatements. The written information (including the Confidential Information Memorandum), reports, financial statements, certificates, exhibits or schedules furnished by or on behalf of any Company to any Agent or any Lender in connection with the negotiation of any Loan Document or included therein or delivered pursuant thereto, taken as a whole, did not and does not contain any material misstatement of fact and, taken as a whole, did not and does not omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were or are made, not materially misleading in their presentation of Holdings, the Borrower and its Subsidiaries taken as a whole as of the date such information is dated or certified; provided that to the extent any such information, report, financial statement, exhibit or schedule was based upon or constitutes a forecast or projection, each Loan Party represents only that it was prepared in good faith and based on assumptions believed by the applicable Loan Parties to be reasonable.

Section 3.15 Labor Matters. As of the Closing Date, there are no material strikes, lockouts or labor slowdowns against any Company pending or, to the knowledge of any Company, threatened in writing. The hours worked by and payments made to employees of any Company have not been in violation of the Fair Labor Standards Act of 1938, as amended, or any other applicable federal, state, provincial, local or foreign law dealing with such matters in any manner which could reasonably be expected to result in a Material Adverse Effect. All payments due from any Company, or for which any claim may be made against any Company, on account of wages and employee health and welfare insurance and other benefits, have been paid or accrued as a liability on the books of such Company except where the failure to do so could not reasonably be expected to result in a Material Adverse Effect. The consummation of the Transactions will not give rise to any right of termination or right of renegotiation on the part of any union under any collective bargaining agreement to which any Company is bound, except as could not reasonably be expected to result in a Material Adverse Effect.

Section 3.16 Solvency. At the time of and immediately after the consummation of the Transactions to occur on the Closing Date, and at the time of and immediately following the making of the initial Credit Extension under any Incremental Term Loan Commitments and after giving effect to the application of the proceeds of each Loan and the operation of the Contribution, Intercompany, Contracting and Offset Agreement, (a) the fair value of the assets of the Borrower and of the Loan Parties (on a consolidated basis with their Subsidiaries) will exceed their debts and liabilities, subordinated, contingent, prospective or otherwise; (b) the present fair saleable value of the property of the Borrower and the Loan Parties (on a consolidated basis with their Subsidiaries) will be greater than the amount that will be required to pay the probable liability of their debts and other liabilities, subordinated, contingent, prospective or otherwise, as such debts and other liabilities become absolute and matured; (c) the Borrower and the Loan Parties (on a consolidated basis with their Subsidiaries) will be able to pay their debts and liabilities, subordinated, contingent, prospective or otherwise, as such debts and liabilities become absolute and matured; (d) the Borrower and the Loan Parties (on a consolidated basis with their Subsidiaries) will not have unreasonably small assets with which to conduct their business in which they are engaged as such business is now conducted and is proposed to be conducted following the Closing Date; and (e) the Borrower and the Loan Parties (on a

consolidated basis with their Subsidiaries) are not “insolvent” as such term is defined under any bankruptcy, insolvency or similar laws of any jurisdiction in which any Loan Party is organized or incorporated (as applicable), or otherwise unable to pay their debts as they fall due.

Section 3.17 Employee Benefit Plans. Each Company and its ERISA Affiliates is in compliance in all material respects with the applicable provisions of ERISA and the Code and the regulations and published interpretations thereunder except for such non-compliance that in the aggregate would not have a Material Adverse Effect. No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events, could reasonably be expected to result in a Material Adverse Effect or the imposition of a Lien on any of the property of any Company. The present value of all accumulated benefit obligations of all underfunded Plans (based on the assumptions used in the most recent actuarial valuations used for the respective Plans) did not, as of the date of the most recent financial statements reflecting such amounts, exceed the fair market value of the property of all such underfunded Plans in an amount which could reasonably be expected to have a Material Adverse Effect. Using actuarial assumptions and computation methods consistent with subpart I of subtitle E of Title IV of ERISA, the aggregate liabilities of each Company or its ERISA Affiliates to all Multiemployer Plans in the event of a complete withdrawal therefrom, as of the close of the most recent fiscal year of each such Multiemployer Plan, could not reasonably be expected to result in a Material Adverse Effect.

To the extent applicable, each Foreign Plan has been maintained in compliance with its terms and with the requirements of any and all Requirements of Law and has been maintained, where required, in good standing with applicable Governmental Authority and Taxing Authority, except for such non-compliance that in the aggregate would not have a Material Adverse Effect. No Company has incurred any obligation in connection with the termination of or withdrawal from any Foreign Plan, except to the extent of liabilities which could not reasonably be expected to have a Material Adverse Effect. Each Foreign Plan which is required to be funded is funded in accordance with Requirements of Law, and for each Foreign Plan which is not required to be funded, the obligations of such Foreign Plan are properly accrued in the financial statements of the Borrower and its Subsidiaries, in each case in an amount that could not reasonably be expected to have a Material Adverse Effect.

Except as specified on Schedule 3.17, (i) no Company is or has at any time been an employer (for the purposes of Sections 38 to 51 of the Pensions Act 2004) of an occupational pension scheme which is not a money purchase scheme (both terms as defined in the Pensions Schemes Act 1993), and (ii) no Company is or has at any time been “connected” with or an “associate” of (as those terms are used in Sections 39 and 43 of the Pensions Act 2004) such an employer.

Section 3.18 Environmental Matters.

(a) Except as, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect:

(i) The Companies and their businesses, operations and Real Property are in compliance with, and the Companies have no liability under, any applicable Environmental Law;

(ii) The Companies have obtained all Environmental Permits required for the conduct of their businesses and operations, and the

ownership, operation and use of their property, under Environmental Law, and all such Environmental Permits are valid and in good standing;

(iii) There has been no Release or threatened Release of Hazardous Material on, at, under or from any Real Property or facility presently or formerly owned, leased or operated by the Companies or their predecessors in interest that could reasonably be expected to result in liability of the Companies under any applicable Environmental Law;

(iv) There is no Environmental Claim pending or, to the knowledge of any Company, threatened against the Companies, or relating to the Real Property currently or formerly owned, leased or operated by the Companies or their predecessors in interest or relating to the operations of the Companies, and, to the knowledge of any Company, there are no actions, activities, circumstances, conditions, events or incidents that could reasonably be expected to form the basis of such an Environmental Claim;

(v) No Lien has been recorded or, to the knowledge of any Company, threatened under any Environmental Law with respect to any Real Property or other assets of the Companies;

(vi) The execution, delivery and performance of this Agreement and the consummation of the transactions contemplated hereby will not require any notification, registration, filing, reporting, disclosure, investigation, remediation or cleanup pursuant to any Governmental Real Property Disclosure Requirements or any other applicable Environmental Law; and

(vii) No person with an indemnity or contribution obligation to the Companies relating to compliance with or liability under Environmental Law is in default with respect to such obligation.

(b) As of the Closing Date:

(i) Except as could not reasonably be expected to have a Material Adverse Effect, no Company is obligated to perform any action or otherwise incur any expense under Environmental Law pursuant to any order, decree, judgment or agreement by which it is bound or has assumed by contract, agreement or operation of law, and no Company is conducting or financing any Response pursuant to any Environmental Law with respect to any Real Property or any other location; and

(ii) No Real Property or facility owned, operated or leased by the Companies and, to the knowledge of the Companies, no Real Property or facility formerly owned, operated or leased by the Companies or any of their predecessors in interest is (i) listed or proposed for listing on the National Priorities List promulgated pursuant to CERCLA, or (ii) listed on the Comprehensive Environmental Response, Compensation and Liability Information System promulgated pursuant to CERCLA and is reasonably likely

to result in any material liability to any Company, or (iii) included on any other publicly available list of contaminated sites maintained by any Governmental Authority analogous to CERCLA or the Resource Conservation and Recovery Act, 42 U.S.C. §6901 et seq., including any such list relating to the management or clean up of petroleum and is reasonably likely to result in any material liability to a Company.

Section 3.19 Insurance. Schedule 3.19 sets forth a true and correct description of all insurance policies maintained by each Company as of the Closing Date. All insurance maintained by the Companies to the extent required by Section 5.04 is in full force and effect, and all premiums thereon have been duly paid. As of the Closing Date, no Company has received notice of violation or cancellation thereof, the Mortgaged Property, and the use, occupancy and operation thereof, comply in all material respects with all Insurance Requirements, and there exists no material default under any Insurance Requirement. Each Company has insurance in such amounts and covering such risks and liabilities as are customary for companies of a similar size engaged in similar businesses in similar locations.

Deliver or cause to be delivered (using commercially reasonable efforts with respect to delivery of items from Persons who are not in the control of any Loan Party) to the Administrative Agent and the Collateral Agent from time to time such other documentation, consents, authorizations, approvals and orders in form and substance reasonably satisfactory to the Administrative Agent and the Collateral Agent as the Administrative Agent and the Collateral Agent shall reasonably deem necessary to perfect or maintain the Liens on the Collateral pursuant to the Security Documents. Upon the exercise by the Administrative Agent, the Collateral Agent or any Lender of any power, right, privilege or remedy pursuant to any Loan Document that requires any consent, approval, registration, qualification or authorization of any Governmental Authority, execute and deliver all applications, certifications, instruments and other documents and papers that the Administrative Agent, the Collateral Agent or such Lender may reasonably require in connection therewith. Administrative Agent not less than ten (10) Business Days' prior written notice (in the form of an Officers' Certificate) of its intention to do so, or such lesser notice period agreed to by the Administrative Agent and the Collateral Agent, clearly describing such change and providing such other information in connection therewith as the Collateral Agent or the Administrative Agent may reasonably request and (B) it shall have taken all action reasonably satisfactory to the Administrative Agent and the Collateral Agent to maintain the perfection and priority of the security interest of the Collateral Agent for the benefit of the Secured Parties in the Collateral, if applicable. With respect to each Lease to which a Loan Party is party as landlord or lessor, the respective Loan Party shall perform all the obligations imposed upon the landlord under such Lease and enforce all of the tenant's obligations thereunder, except where the failure to so perform or enforce could not reasonably be expected to result in a Property Material Adverse Effect.

Section 5.15 Post-Closing Covenants. Execute and deliver the documents and complete the tasks and take the other actions set forth on Schedule 5.15, in each case within the time limits specified on such Schedule.

Section 5.16 Designation of Subsidiaries. The designation of any Unrestricted Subsidiary as a Restricted Subsidiary shall constitute (i) the incurrence at the time of designation of any Investment, Indebtedness or Liens of such Subsidiary existing at such time and (ii) a return on any Investment by the Borrower or any of its Restricted Subsidiaries in Unrestricted Subsidiaries pursuant to the preceding sentence in an amount equal to the lesser of (x) the fair market value at the date of such designation of the Borrower's or its Restricted Subsidiary's (as applicable) Investment in such Subsidiary and (y) the amount of Investments made by the Borrower or its Restricted Subsidiaries in such Unrestricted Subsidiary from and after the date of such Subsidiary was designated as an Unrestricted Subsidiary.

Section 6.19 No Further Negative Pledge. Enter into or suffer to exist any consensual agreement, instrument, deed or lease which prohibits or limits the ability of any Loan Party to create, incur, assume or suffer to exist any Lien upon any of their respective properties or revenues, whether now owned or hereafter acquired to secure the Secured Obligations, or which requires the grant of any security for an obligation if security is granted to secure the Secured Obligations, except the following: (1) this Agreement and the other Loan Documents; (2) covenants in documents creating Liens permitted by Section 6.02 prohibiting further Liens on the properties encumbered thereby; (3) the Revolving Credit Loan Documents, (4) the Additional Senior Secured Indebtedness Documents, and documents relating to any Permitted First Priority Refinancing Debt, Permitted Second Priority Refinancing Debt and Junior Secured Indebtedness (so long as such documents permit Liens to secure the Secured Obligations); and (5) any prohibition or limitation that (a) exists pursuant to applicable Requirements of Law, (b) consists of customary restrictions and conditions contained in any agreement relating to the sale of any property permitted under Section 6.06 pending the consummation of such sale, (c) restricts subletting or assignment of any lease governing a leasehold interest of a Loan Party or a Subsidiary, (d) is permitted under Section 6.02(s), (e) exists in any agreement or other instrument of a person acquired in an Investment permitted hereunder in existence at the time of such Investment (but not created in connection therewith or in contemplation thereof), which prohibition or limitation is not applicable to any person, or the properties or assets of any person, other than the person, or the property or assets of the person so acquired, (f) is contained in any joint venture, shareholders agreement, limited liability operating agreement or other Organizational Document governing a Joint Venture or Joint Venture Subsidiary which limits the ability of an owner of an interest in a Joint Venture or Joint Venture Subsidiary from encumbering its ownership interest therein or (g) is imposed by any amendments or refinancings that are otherwise permitted by the Loan Documents of the contracts, instruments or obligations referred to in clause (3), (4) or (5)(e); provided that such amendments and refinancings are no more materially restrictive with respect to such prohibitions and limitations than those prior to such amendment or refinancing.

(b) Cause or permit any of the funds of such Loan Party that are used to repay the Loans to be derived from any unlawful activity with the result that the making of the Loans would be in violation of any Requirement of Law.

Section 6.21 Embargoed Persons. App. 1 *et seq.*, and any Executive Order or Requirement of Law promulgated thereunder, with the result that the investment in the Loan Parties (whether directly or indirectly) is prohibited by a Requirement of Law, or the Loans made by the Lenders would be in violation of a Requirement of Law, or (2) the Executive Order, any related enabling legislation or any other similar Executive Orders or (b) any Embargoed Person to have any direct or indirect interest, of any nature whatsoever in the Loan Parties, with the result that the investment in the Loan Parties (whether directly or indirectly) is prohibited by a Requirement of Law or the Loans are in violation of a Requirement of Law.

ARTICLE VII

GUARANTEE

Section 7.01 The Guarantee. The Guarantors hereby jointly and severally guarantee, as a primary obligor and not as a surety to each Secured Party and their respective successors and permitted assigns, the prompt payment in full when due (whether at stated maturity, by required prepayment, declaration, demand, by acceleration or otherwise) of the principal of and interest (including any interest, fees, costs or charges that would accrue after the commencement of a case under Title 11 of the United States Code or any other Debtor Relief Law or after any bankruptcy or insolvency petition is filed under Title 11 of the United States Code (or any other Debtor Relief Law) but for the provisions of the Title 11 of the United States Code (or other Debtor Relief Law) or that accrues after the commencement of a case under Title 11 of the United States Code or any other Debtor Relief Law or after any bankruptcy or insolvency petition is filed under Title 11 of the United States Code (or any other Debtor Relief Law), whether or not allowed) on the Loans made by the Lenders to, and the Notes held by each Lender of, the Borrower, and all other Secured Obligations from time to time owing to the Secured Parties by any Loan Party under any Loan Document (including any Hedging Agreement entered into with a counterparty that is a Secured Party), and the performance of all obligations under any of the foregoing, in each case strictly in accordance with the terms thereof (such obligations being herein collectively called the “**Guaranteed Obligations**”). In addition to the guarantee contained

herein, each Guarantor that is a Foreign Subsidiary, as well as Holdings, shall execute a Guarantee governed by the applicable law of such Person's jurisdiction of organization (each such Guarantee, a "**Foreign Guarantee**") and to the extent that the provisions of this Article VII shall duplicate or conflict with the provisions thereof, the terms of the Foreign Guarantees shall govern the obligations of such Guarantors. The Guarantors hereby jointly and severally agree that if the Borrower or other Guarantor(s) shall fail to pay in full when due (whether at stated maturity, by acceleration or otherwise) any of the Guaranteed Obligations, the Guarantors will promptly pay the same in cash, without any demand or notice whatsoever as if it was the principal obligor, and that in the case of any extension of time of payment or renewal of any of the Guaranteed Obligations, the same will be promptly paid in full when due (whether at extended maturity, by acceleration or otherwise) in accordance with the terms of such extension or renewal. The Borrower hereby guarantees, as a primary obligor and not as a surety to each Secured Party and their respective successors and permitted assigns, the payment and performance of all obligations of any other Loan Party under any Hedging Agreement entered into with a counterparty that is a Secured Party and agrees if any such Loan Party shall fail to pay in full when due (whether at stated maturity, by acceleration or otherwise) any amount due under such Hedging Agreement, the Borrower will promptly pay the same in cash, without any demand or notice whatsoever as if it was the principal obligor, and that in the case of any extension of time of payment or renewal of any obligation of such Loan Party, the same will be promptly paid in full when due (whether at extended maturity, by acceleration or otherwise) in accordance with the terms of such extension or renewal. Without prejudice to the generality of Section 7.01 and Section 7.02, each Guarantor expressly confirms that it intends that this guarantee shall extend from time to time to any (however fundamental and of whatsoever nature and whether or not more onerous) variation, increase, extension or addition of or to any of the Loan Documents and/or any facility or amount made available under any of the Loan Documents for the purposes of or in connection with any of the following: acquisitions of any nature; increasing working capital; enabling investor distributions or Dividends to be made; carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making facilities available to new borrower; any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and any fees, costs and/or expenses associated with any of the foregoing.

Section 7.02 Obligations Unconditional. The obligations of the Guarantors and the Borrower under Section 7.01 shall constitute a guaranty of payment and not of collection and to the fullest extent permitted by applicable Requirements of Law, are absolute, irrevocable and unconditional, joint and several, irrespective of the value, genuineness, validity, regularity or enforceability of the Guaranteed Obligations of the Borrower or any other Loan Party under this Agreement, the Notes, if any, or any other agreement or instrument referred to herein or therein, or any substitution, release or exchange of any other guarantee of or security for any of the Guaranteed Obligations, and, irrespective of any other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense of a surety or Guarantor or Borrower (except for payment in full). Without limiting the generality of the foregoing, it is agreed that the occurrence of any one or more of the following shall not alter or impair the liability of the Guarantors hereunder which shall remain absolute, irrevocable and unconditional under any and all circumstances as described above:

- (i) at any time or from time to time, without notice to the Guarantors, the time for any performance of or compliance with any of the Guaranteed Obligations shall be extended, or such performance or compliance shall be waived or the Maturity Date shall be extended with respect to all or a portion of the Guaranteed Obligations;
-

(ii) any of the acts mentioned in any of the provisions of this Agreement or the Notes, if any, or any other agreement or instrument referred to herein or therein shall be done or omitted;

(iii) the maturity of any of the Guaranteed Obligations shall be accelerated, or any of the Guaranteed Obligations shall be amended in any respect, or any right under the Loan Documents or any other agreement or instrument referred to herein or therein shall be amended or waived in any respect or any other guarantee of any of the Guaranteed Obligations or any security therefor shall be released or exchanged in whole or in part or otherwise dealt with;

(iv) any Lien or security interest granted to, or in favor of, any Lender or Agent as security for any of the Guaranteed Obligations shall fail to be perfected; or

(v) the release of any other Guarantor pursuant to Section 7.09.

The Guarantors and the Borrower hereby expressly waive diligence, presentment, demand of payment, protest and all notices whatsoever, and any requirement that any Secured Party exhaust any right, power or remedy or proceed against the Borrower or any other Loan Party under this Agreement or the Notes, if any, or any other agreement or instrument referred to herein or therein, or against any other person under any other guarantee of, or security for, any of the Guaranteed Obligations. The Guarantors and the Borrower waive any and all notice of the creation, renewal, extension, waiver, termination or accrual of any of the Guaranteed Obligations and notice of or proof of reliance by any Secured Party upon this Guarantee or acceptance of this Guarantee, and the Guaranteed Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred in reliance upon this Guarantee, and all dealings between the Borrower and the Secured Parties shall likewise be conclusively presumed to have been had or consummated in reliance upon this Guarantee. This Guarantee shall be construed as a continuing, absolute, irrevocable and unconditional guarantee of payment without regard to any right of offset with respect to the Guaranteed Obligations at any time or from time to time held by Secured Parties, and the obligations and liabilities of the Guarantors and the Borrower hereunder shall not be conditioned or contingent upon the pursuit by the Secured Parties or any other person at any time of any right or remedy against the Borrower or any other Loan Party, or against any other person which may be or become liable in respect of all or any part of the Guaranteed Obligations or against any collateral security or guarantee therefor or right of offset with respect thereto. This Guarantee shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon the Guarantors and the Borrower and the respective successors and assigns thereof, and shall inure to the benefit of the Lenders and the other Secured Parties, and their respective successors and assigns, notwithstanding that from time to time during the term of this Agreement there may be no Guaranteed Obligations outstanding.

Section 7.03 Reinstatement. The obligations of the Guarantors under this ARTICLE VII shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of the Borrower or other Loan Party in respect of the Guaranteed Obligations is rescinded or must be otherwise restored by any holder of any of the Guaranteed Obligations, whether as a result of any proceedings in bankruptcy or reorganization pursuant to any Debtor Relief Law or otherwise. The Guarantors and the Borrower jointly and severally agree that they will indemnify each Secured Party on demand for

all reasonable costs and expenses (including reasonable fees of counsel) incurred by such Secured Party in connection with such rescission or restoration, including any such costs and expenses incurred in defending against any claim alleging that such payment constituted a preference, fraudulent transfer or similar payment under any bankruptcy, insolvency or similar law, other than any costs or expenses resulting from the bad faith or willful misconduct of such Secured Party.

Section 7.04 Subrogation; Subordination. Each Guarantor and the Borrower hereby agrees that until the indefeasible and irrevocable payment and satisfaction in full in cash of all Guaranteed Obligations and the expiration and termination of the Commitments of the Lenders under this Agreement it shall waive any claim and shall not exercise any right or remedy, direct or indirect, arising by reason of any performance by it of its guarantee in Section 7.01, whether by subrogation or otherwise, against the Borrower or any other Guarantor of any of the Guaranteed Obligations or any security for any of the Guaranteed Obligations. Any Indebtedness of any Loan Party permitted pursuant to Section 6.01(d) shall be subordinated to such Loan Party's Secured Obligations a manner reasonably satisfactory to the Administrative Agent.

Section 7.05 Remedies. The Guarantors jointly and severally agree that, as between the Guarantors and the Lenders, the obligations of the Borrower under this Agreement and the Notes, if any, may be declared to be forthwith due and payable as provided in Section 8.01 (and shall be deemed to have become automatically due and payable in the circumstances provided in Section 8.01) for purposes of Section 7.01, notwithstanding any stay, injunction or other prohibition preventing such declaration (or such obligations from becoming automatically due and payable) as against the Borrower and that, in the event of such declaration (or such obligations being deemed to have become automatically due and payable), such obligations (whether or not due and payable by the Borrower) shall forthwith become due and payable by the Guarantors for purposes of Section 7.01.

Section 7.06 Instrument for the Payment of Money. Each Guarantor and the Borrower hereby acknowledges that the guarantee in this ARTICLE VII constitutes an instrument for the payment of money, and consents and agrees that any Lender or Agent, at its sole option, in the event of a dispute by such Guarantor in the payment of any moneys due hereunder, shall have the right to bring a motion-action under New York CPLR Section 3213.

Section 7.07 Continuing Guarantee. The guarantee in this ARTICLE VII is a continuing guarantee of payment, and shall apply to all Guaranteed Obligations whenever arising.

Section 7.08 General Limitation on Guarantee Obligations. In any action or proceeding involving any state corporate limited partnership or limited liability company law, or any applicable state, federal or foreign bankruptcy, insolvency, reorganization or other law affecting the rights of creditors generally, if the obligations of any Guarantor or the Borrower under Section 7.01 would otherwise be held or determined to be void, voidable, invalid or unenforceable, or subordinated to the claims of any other creditors, on account of the amount of its liability under Section 7.01, then, notwithstanding any other provision to the contrary, the amount of such liability shall, without any further action by such Guarantor, any Loan Party or any other person, be automatically limited and reduced to the highest amount (after giving effect to the rights of contribution established in the Contribution, Intercompany, Contracting and Offset Agreement) that are valid and enforceable and not subordinated to the claims of other creditors as determined in such action or proceeding.

Section 7.09 Release of Guarantors. If, in compliance with the terms and provisions of the Loan Documents, (a) Equity Interests of any Subsidiary Guarantor are issued, sold or transferred such that

it ceases to be a Restricted Subsidiary (a “**Transferred Guarantor**”) to a person or persons, none of which is a Loan Party or a Subsidiary, (b) a Guarantor is designated as an Unrestricted Subsidiary in accordance with the Loan Documents, (c) a Restricted Subsidiary that becomes a Loan Party after the Closing Date is subsequently designated as an Excluded Collateral Subsidiary in accordance with the definition thereof, or (d) a Qualified Borrower IPO shall occur, then, such Transferred Guarantor (in the case of clause (a)), such Unrestricted Subsidiary (in the case of clause (b)), such Restricted Subsidiary (in the case of clause (c)), or Holdings (in the case of clause (d)), shall, upon the consummation of such issuance, sale or transfer or upon such designation as an Unrestricted Subsidiary or Excluded Collateral Subsidiary or upon the completion of the Qualified Borrower IPO, be released from its obligations under this Agreement (including under Section 11.03 hereof) and any other Loan Documents to which it is a party and its obligations to pledge and grant any Collateral owned by it pursuant to any Security Document, and the Collateral Agent shall take such actions as are within its powers to effect each release described in this Section 7.09 in accordance with the relevant provisions of the Security Documents and the Intercreditor Agreement; provided that such Guarantor is also released from its obligations, if any, under the Revolving Credit Loan Documents, the Senior Note Documents, the Additional Senior Secured Indebtedness Documents and other Material Indebtedness guaranteed by such Person on the same terms.

Section 7.10 Certain Tax Matters. Notwithstanding the provisions of Section 2.15 if a Loan Party (other than the Borrower) makes a payment hereunder that is subject to withholding tax in excess of the withholding tax that would have been imposed on payments made by the Borrower with respect to whose obligation it is making a payment, the relevant Loan Party shall increase the amount of such payment such that, after deduction and payment of all such withholding taxes (including withholding taxes applicable to additional sums payable under this Section), the payee receives an amount equal to the amount it would have received if no such excess withholding tax had been imposed; provided that the Agent or Lender provides, as reasonably requested by the relevant Loan Party and as required under Sections 2.15(e) or 2.15(g), as the case may be, such forms, certificates and documentation that it is legally entitled to furnish and would be required to reduce or eliminate withholding and, with respect to non-U.S. withholding taxes, would not, in the Administrative Agent’s or the relevant Lender’s reasonable judgment, subject it to any material unreimbursed costs or otherwise be disadvantageous to it in any material respect.

Section 7.11 German Guarantor.

(a) Subject to Section 7.11(b) through Section 7.11(e) below, the Secured Parties shall not enforce the guarantee obligations of a German Guarantor existing in the form of a German limited liability company or limited partnership with a limited liability company as partner (*GmbH* or *GmbH & Co. KG*) under this Article VII to the extent (i) such German Guarantor guarantees obligations of one of its shareholders or of an affiliated company (*verbundenes Unternehmen*) of a shareholder within the meaning of Section 15 of the German Stock Corporation Act (*Aktiengesetz*) (other than a Subsidiary of that German Guarantor or the German Guarantor itself), and (ii) the enforcement of such guarantee for shareholder obligations would reduce, in violation of Section 30 of the German Limited Liability Companies Act (*GmbHG*), the net assets (assets minus liabilities minus provisions and liability reserves (*Reinvermögen*), in each case as calculated in accordance with generally accepted accounting principles in Germany (*Grundsätze ordnungsmäßiger Buchführung*) as consistently applied by such German Guarantor in preparing its unconsolidated balance sheets (*Jahresabschluss gem. § 42 GmbH - Act, §§ 242, 264 HGB*) of the German Guarantor (or in the case of a *GmbH & Co. KG*, its general partner) to an amount that is insufficient to maintain its (or in the case of a *GmbH & Co. KG*, its general partner’s) registered share capital (*Stammkapital*) (or would increase an existing shortage in its net assets below

its registered share capital); provided that for the purpose of determining the relevant registered share capital and the net assets, as the case may be:

(i) The amount of any increase of registered share capital (*Stammkapital*) of such German Guarantor (or its general partner in the form of a GmbH) implemented after the date of this Agreement that is effected without the prior written consent of the Administrative Agent shall be deducted from the registered share capital of the German Guarantor (or its general partner in the form of a GmbH);

(ii) any loans provided to the German Guarantor by a direct or indirect shareholder or an affiliate thereof (other than a Subsidiary of such German Guarantor) shall be disregarded and not accounted for as a liability to the extent that such loans are subordinated pursuant to Section 39(1) Nr. 1 through Nr. 5 of the German Insolvency Code (*Insolvenzordnung*) or subordinated in any other way by law or contract;

(iii) any shareholder loans, other loans and contractual obligations and liabilities incurred by the German Guarantor in violation of the provisions of any of the Loan Documents shall be disregarded and not accounted for as liabilities;

(iv) any assets that are shown in the balance sheet with a book value that, in the opinion of the Administrative Agent, is significantly lower than their market value and that are not necessary for the business of the German Guarantor (*nicht betriebsnotwendig*) shall be accounted for with their market value; and

(v) the assets of the German Guarantor will be assessed at liquidation values (*Liquidationswerte*) if, at the time the managing directors prepare the balance sheet in accordance with paragraph (b) below and absent the demand a positive going concern prognosis (*positive Fortbestehensprognose*) cannot be established.

(b) The limitations set out in Section 7.11(a) only apply:

(i) if and to the extent that the managing directors of the German Guarantor (or in the case of a GmbH Co. KG, its general partner) have confirmed in writing to the Administrative Agent within ten (10) Business Days of a demand for payment under this Article VII the amount of the obligations under this Article VII which cannot be paid without causing the net assets of such German Guarantor (or in the case of a GmbH Co. KG, its general partner) to fall below its registered share capital, or increase an existing shortage in net assets below its registered share capital (taking into account the adjustments set out above) and such confirmation is supported by a current balance sheet and other evidence satisfactory to the Administrative Agent and neither the Administrative Agent nor any Lender raises any objections against that confirmation within five Business Days after its receipt; or

(ii) if, within twenty Business Days after an objection under clause (i) has been raised by the Administrative Agent or a Lender, the Administrative Agent receives a written audit report (“**Auditor’s Determination**”) prepared at the expense of the relevant German Guarantor by a firm of auditors of international standing and reputation that is appointed by the German Guarantor and reasonably acceptable to the Administrative Agent, to the extent such report identifies the amount by which the net assets of that German Guarantor (or in the case of a *GmbH & Co. KG*, its general partner in the form of a GmbH) are necessary to maintain its registered share capital as at the date of the demand under this Article VII (taking into account the adjustments set out above). The Auditor’s Determination shall be prepared in accordance with generally accepted accounting principles applicable in Germany (*Grundsätze ordnungsgemäßer Buchführung*) as consistently applied by the German Guarantor in the preparation of its most recent annual balance sheet. The Auditor’s Determination shall be binding for all Parties except for manifest error.

(c) In any event, the Secured Parties shall be entitled to enforce the guarantee up to those amounts that are undisputed between them and the relevant German Guarantor or determined in accordance with Section 7.11(a) and Section 7.11(b). In respect of the exceeding amounts, the Secured Parties shall be entitled to further pursue their claims (if any) and the German Guarantor shall be entitled to provide evidence that the excess amounts are necessary to maintain its registered share capital (calculated as at the date of demand under this Article VII and taking into account the adjustments set out above). The Secured Parties are entitled to pursue those parts of the guarantee obligations of the German Guarantor that are not enforced by operation of Section 7.11(a) above at any subsequent point in time. This Section 7.11 shall apply again as of the time such additional demands are made.

(d) Section 7.11(a) shall not apply as to the amount of Loans borrowed under this Agreement and passed on (whether by way of shareholder loan or equity contribution) to the respective German Guarantor or any of its Subsidiaries as long as the respective shareholder loan is outstanding or the respective equity contribution has not been dissolved or otherwise repaid.

(e) Should it become legally permissible for managing directors of a German Guarantor to enter into guarantees in support of obligations of their shareholders without limitations, the limitations set forth in Section 7.11(a) shall no longer apply. Should any such guarantees become subject to legal restrictions that are less stringent than the limitations set forth in Section 7.11(a) above, such less stringent limitations shall apply. Otherwise, Section 7.11(a) shall remain unaffected by changes in applicable law.

(f) The limitations provided for in paragraph (a) above shall not apply where (i) the relevant German Guarantor has a fully valuable (*vollwertig*) recourse claim (*Gegenleistungs- oder Rückgewähranspruch*) vis-à-vis the relevant shareholder or (ii) a domination agreement (*Beherrschungsvertrag*) or a profit and loss pooling agreement (*Ergebnisabführungsvertrag*) is or will be in existence with the relevant German Guarantor (or the relevant general partner) and the relevant German Guarantor has a fully valuable (*vollwertig*) compensation claim (*Ausgleichsanspruch*).

Section 7.12 Swiss Guarantors. If and to the extent that (i) the obligations under this ARTICLE VII of any Swiss Guarantor are for the exclusive benefit of any of such Swiss Guarantor’s Affiliates (other than such Swiss Guarantor’s direct or indirect Subsidiaries) and (ii) complying with the

obligations under this ARTICLE VII would constitute a repayment of capital (*restitution des apports*) or the payment of a (constructive) dividend (*distribution de dividende*), the following shall apply:

(a) The aggregate obligations under this ARTICLE VII of any Swiss Guarantor shall be limited to the maximum amount of such Swiss Guarantor's profits and reserves available for distribution, in each case in accordance with, without limitation, articles 671 para.1 to 3 and 675 para.2 of the Swiss Code of Obligations (the "**Available Amount**") at the time any Swiss Guarantor makes a payment under this ARTICLE VII (provided such limitation is still a legal requirement under Swiss law at that time).

(b) Immediately after having been requested to make a payment under this ARTICLE VII (the "**Guarantee Payment**"), each Swiss Guarantor shall (i) provide the Administrative Agent, within thirty (30) Business Days from being requested to make the Guarantee Payment, with (1) an interim audited balance sheet prepared by the statutory auditors of the applicable Swiss Guarantor, (2) the determination of the Available Amount based on such interim audited balance sheet as computed by the statutory auditors, and (3) a confirmation from the statutory auditors that the Available Amount is the maximum amount which can be paid by the Swiss Guarantor under this ARTICLE VII without breaching the provisions of Swiss corporate law, which are aimed at protecting the share capital and legal reserves, and (ii) upon receipt of the confirmation referred to in the preceding sentence under (3) and after having taken all actions required pursuant to paragraph (d) below, make such Guarantee Payment in full (less, if required, any Swiss Withholding Tax).

(c) If so required under Swiss law (including double tax treaties to which Switzerland is a party) at the time it is required to make a payment under this ARTICLE VII or the Security Documents, the applicable Swiss Guarantor (1) may deduct the Swiss Withholding Tax at the rate of 35% (or such other rate as may be in force at such time) from any payment under this ARTICLE VII or the Security Documents, (2) may pay the Swiss Withholding Tax to the Swiss Federal Tax Administration, and (3) shall notify and provide evidence to the Administrative Agent that the Swiss Withholding Tax has been paid to the Swiss Federal Tax Administration. To the extent the Guarantee Payment due is less than the Available Amount, the applicable Swiss Guarantor shall be required to make a gross-up, indemnify or otherwise hold harmless the Secured Parties for the deduction of the Swiss Withholding Tax, it being understood that at no time shall the Guarantee Payment (including any gross-up or indemnification payment pursuant to this paragraph (c) and including any Swiss Withholding Tax levied thereon) exceed the Available Amount. The applicable Swiss Guarantor shall use its best efforts to ensure that any person which is, as a result of a payment under this ARTICLE VII, entitled to a full or partial refund of the Swiss Withholding Tax, shall as soon as possible after the deduction of the Swiss Withholding Tax (i) request a refund of the Swiss Withholding Tax under any applicable law (including double tax treaties) and (ii) pay to the Administrative Agent for distribution to the applicable Secured Parties upon receipt any amount so refunded. The Secured Obligations will only be considered as discharged to the extent of the effective payment received by the Secured Parties under this ARTICLE VII. This subsection (c) is without prejudice to the gross-up or indemnification obligations of any Guarantor other than the Swiss Guarantors.

(d) The Swiss Guarantors shall use reasonable efforts to take and cause to be taken all and any other action, including the passing of any shareholders' resolutions to approve any Guarantee Payment under this ARTICLE VII or the Security Documents, which may be required as a matter of Swiss mandatory law or standard business practice as existing at the time it is required to make a Guarantee Payment under this ARTICLE VII or the Security Documents in order to allow for a prompt payment of the Guarantee Payment or Available Amount, as applicable.

Section 7.13 Irish Guarantor. This Guarantee does not apply to any liability to the extent that it would result in this Guarantee constituting unlawful financial assistance within the meaning of, in respect of any Irish Guarantor, Section 82 of the Irish Companies Act 2014 of Ireland.

Section 7.14 Brazilian Guarantor. The Brazilian Guarantor waives and shall not exercise any and all rights and privileges granted to guarantors which might otherwise be deemed applicable, including but not limited to the rights and privileges referred to in Articles 827, 834, 835, 836, 837, 838 and 839 of the Brazilian Civil Code and the provisions of Article 595 of the Brazilian Civil Procedure Code.

Section 7.15 French Guarantor.

(a) The obligations and liabilities of a French Guarantor under the Loan Documents and in particular under Article VII (*Guarantee*) of this Agreement shall not include any obligation or liability which if incurred would constitute the provision of financial assistance within the meaning of article L. 225-216 of the French *Code de commerce* and/or would constitute a misuse of corporate assets within the meaning of article L. 241-3 or L. 242-6 of the French *Code de commerce* or any other laws or regulations having the same effect, as interpreted by French courts.

(b) The obligations and liabilities of a French Guarantor under Article VII (*Guarantee*) of this Agreement for the obligations under the Loan Documents of any other Guarantor which is not a French Subsidiary of such French Guarantor, shall be limited at any time to an amount equal to the aggregate of all amounts borrowed under this Agreement by such other Guarantor as Borrower to the extent directly or indirectly on-lent to the French Guarantor under inter-company loan agreements and outstanding at the date a payment is to be made by such French Guarantor under Article VII (*Guarantee*) of this Agreement, it being specified that any payment made by a French Guarantor under Article VII (*Guarantee*) of the Credit Agreement in respect of the obligations of such Guarantor as Borrower shall reduce *pro tanto* the outstanding amount of the inter-company loans due by the French Guarantor under the inter-company loan arrangements referred to above.

(c) The obligations and liabilities of a French Guarantor under Article VII (*Guarantee*) of this Agreement for the obligations under the Loan Documents of any Guarantor which is its Subsidiary shall not be limited and shall therefore cover all amounts due by such Guarantor as Borrower and/or as Guarantor, as applicable. However, where such Subsidiary is not incorporated in France, the amounts payable by the French Guarantor under this paragraph (c) in respect of obligations of this Subsidiary as Borrower and/or Guarantor, shall be limited as set out in paragraph (b) above.

Section 7.16 Keepwell. Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Loan Party to honor all of its obligations under this Guaranty in respect of Swap Obligations (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 7.16 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 7.16, or otherwise under this Article VII, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section shall remain in full force and effect until the termination of all Commitments and the repayment in full of all outstanding Obligations. Each Qualified ECP Guarantor intends that this Section 7.16 constitute, and this Section 7.16 shall be deemed to constitute, a “keepwell, support, or other agreement” for the benefit of each other Loan Party for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

ARTICLE VIII
EVENTS OF DEFAULT

Section 8.01 Events of Default. Upon the occurrence and during the continuance of the following events (“**Events of Default**”):

(a) default shall be made in the payment of any principal of any Loan when and as the same shall become due and payable, whether at the due date thereof (including a Term Loan Repayment Date) or at a date fixed for prepayment (whether voluntary or mandatory) thereof or by acceleration thereof or otherwise;

(b) default shall be made in the payment of any interest on any Loan or any Fee or any other amount (other than an amount referred to in paragraph (a) above) due under any Loan Document, when and as the same shall become due and payable, and such default shall continue unremedied for a period of five (5) Business Days;

(c) any representation or warranty made or deemed made in or in connection with any Loan Document or the borrowings hereunder, or which is contained in any certificate furnished by or on behalf of a Loan Party pursuant to this Agreement or any other Loan Document, shall prove to have been false or misleading in any material respect when so made or deemed made;

(d) default shall be made in the due observance or performance by any Company of any covenant, condition or agreement contained in (x) Section 5.02(a), Section 5.03(a), Section 5.08, Section 5.16 or ARTICLE VI or (y) Section 5.04(a) or Section 5.04(b) (provided that in the case of defaults under Sections 5.04(a) or (b) which do not impair in any material respect the insurance coverage maintained on the Collateral or the Companies’ assets taken as a whole, then such default will not constitute an Event of Default unless such default has continued unremedied for a period of three (3) Business Days;

(e) (i) default shall be made in the due observance or performance by any Company of any covenant, condition or agreement contained in Section 5.02 (other than Section 5.02(a)), and such default shall continue unremedied or shall not be waived for a period of five (5) Business Days after written notice thereof from the Administrative Agent or any Lender to the Borrower, or (ii) default shall be made in the due observance or performance by any Company of any covenant, condition or agreement contained in any Loan Document (other than those specified in paragraphs (a), (b), (d) or (e)(i) immediately above) and such default shall continue unremedied or shall not be waived for a period of thirty (30) days after written notice thereof from the Administrative Agent or any Lender to the Borrower;

(f) any Company shall (i) fail to pay any principal or interest, regardless of amount, due in respect of any Indebtedness (other than the Obligations), when and as the same shall become due and payable beyond any applicable grace period, (ii) fail to observe or perform any other term, covenant, condition or agreement contained in any agreement or instrument evidencing or governing any Indebtedness if the effect of any failure referred to in this clause (ii) is to cause, or to permit the holder or holders of such Indebtedness or a trustee or other representative on its or their behalf to cause, such Indebtedness to become due prior to its stated maturity or become subject to a mandatory offer purchase by the obligor; provided that, other than in the case of the Revolving Credit Agreement, it shall not

constitute an Event of Default pursuant to this paragraph (f) unless the aggregate Dollar Equivalent amount of all such Indebtedness referred to in clauses (i) and (ii) exceeds \$100,000,000 at any one time (provided that, in the case of Hedging Obligations, the amount counted for this purpose shall be the net amount payable by all Companies if such Hedging Obligations were terminated at such time); provided, further that this clause (f) (ii) shall not apply to (x) a failure to comply with a financial maintenance covenant under the Revolving Credit Agreement in the form of an asset based loan facility, (y) secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness, if such sale or transfer is permitted hereunder and under the documents providing for such Indebtedness and such Indebtedness is repaid or discharged to the extent required under the terms governing such Indebtedness or (z) Indebtedness that becomes due as a result of a notice of voluntary refinancing, exchange, or conversion thereof that is permitted thereunder, so long as such refinancing, exchange or conversion is consummated, or such notice duly withdrawn, in accordance with the terms of such Indebtedness, or (iii) fail to observe or perform any financial maintenance covenant under a Revolving Credit Agreement which is an asset based loan facility and such failure results in the Indebtedness under such Revolving Credit Agreement becoming due prior to its stated maturity;

(g) an involuntary proceeding shall be commenced or an involuntary petition shall be filed in a court of competent jurisdiction seeking (i) relief in respect of any Loan Party or Material Subsidiary, or of a substantial part of the property of any Loan Party or Material Subsidiary, under Title 11 of the U.S. Code, as now constituted or hereafter amended, or any other federal, state, provincial or foreign bankruptcy, insolvency, receivership, reorganization or other Debtor Relief Law, including any proceeding under applicable corporate law; (ii) the appointment of a receiver, trustee, custodian, sequestrator, conservator, examiner or similar official for any Loan Party or Material Subsidiary or for a substantial part of the property of any Loan Party or Material Subsidiary; or (iii) the winding-up, liquidation or examination of any Loan Party or Material Subsidiary; and such proceeding or petition shall continue undismissed for sixty (60) days or an order or decree approving or ordering any of the foregoing shall be entered;

(h) any Loan Party or Material Subsidiary shall (i) voluntarily commence any proceeding or file any petition seeking relief under Title 11 of the United States Code, as now constituted or hereafter amended, or any other federal, state or foreign bankruptcy, insolvency, receivership or other Debtor Relief Law; (ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or the filing of any petition described in clause (g) above; (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator, conservator, examiner or similar official for any Loan Party or Material Subsidiary or for a substantial part of the property of any Loan Party or Material Subsidiary; (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding; (v) make a general assignment for the benefit of creditors; (vi) become unable, admit in writing its insolvency or inability or fail generally to pay its debts as they become due; (vii) take any action for the purpose of effecting any of the foregoing; (viii) wind up or liquidate (except in accordance with Section 6.05) or put into examination, or (ix) take any step with a view to a moratorium or a composition or similar arrangement with any creditors of any Loan Party or Material Subsidiary, or a moratorium is declared or instituted in respect of the indebtedness of any Loan Party or Material Subsidiary;

(i) one or more judgments, orders or decrees for the payment of money in an aggregate Dollar Equivalent amount in excess of \$100,000,000, to the extent not covered by insurance or supported by a letter of credit or appeal bonds posted in cash, shall be rendered against any Company or any combination thereof and the same shall remain undischarged, unvacated or unbonded for a

period of thirty (30) consecutive days during which execution shall not be effectively stayed, or any action shall be legally taken by a judgment creditor to levy upon properties of any Company to enforce any such judgment;

(j) one or more ERISA Events or noncompliance with respect to Foreign Plans or Compensation Plans shall have occurred that, when taken together with all other such ERISA Events and noncompliance with respect to Foreign Plans or Compensation Plans that have occurred, could reasonably be expected to result in liability of any Company and its ERISA Affiliates that could reasonably be expected to result in a Material Adverse Effect;

(k) any security interest and Lien purported to be created by any Security Document shall cease to be in full force and effect, or shall cease to give the Collateral Agent, for the benefit of the Secured Parties, a valid, perfected First Priority security interest in and Lien on all of the Collateral thereunder (except as otherwise expressly provided in such Security Document) in favor of the Collateral Agent, or shall be asserted by the Borrower or any other Loan Party not to be a valid, perfected, First Priority (except as otherwise expressly provided in this Agreement, the Intercreditor Agreement or such Security Document) security interest in or Lien on the Collateral covered thereby;

(l) any Loan Document or any material provision thereof shall at any time and for any reason be declared by a court of competent jurisdiction to be null and void, or a proceeding shall be commenced by any Loan Party or by any Governmental Authority, seeking to establish the invalidity or unenforceability thereof (exclusive of questions of interpretation of any provision thereof), or any Loan Party shall repudiate or deny any portion of its liability or obligation for the Obligations;

(m) there shall have occurred a Change in Control;

(n) the Intercreditor Agreement or any material provision thereof shall cease to be in full force or effect other than (i) as expressly permitted hereunder or thereunder, (ii) by a consensual termination or modification thereof agreed to by the Agent party thereto, the Revolving Credit Agents party thereto and all other creditors of the Borrower and its Restricted Subsidiaries (or any trustee, agent or representative acting on their behalf) that is a party thereto, or (iii) as a result of satisfaction in full of the obligations under the Revolving Credit Loan Documents, the Additional Senior Secured Indebtedness Documents (if any), the Junior Secured Indebtedness (if any) and any other Material Indebtedness subject to the terms of the Intercreditor Agreement; or

(o) any Company shall be prohibited or otherwise restrained from conducting the business theretofore conducted by it in any manner that has or could reasonably be expected to result in a Material Adverse Effect by virtue of any determination, ruling, decision, decree or order of any court or Governmental Authority of competent jurisdiction;

then, and in every such event (other than an event with respect to any Loan Party described in paragraph (g) or (h) above), and at any time thereafter during the continuance of such event the Administrative Agent may, and at the request of the Required Lenders shall, by notice to the Borrower, take either or both of the following actions, at the same or different times: (i) terminate forthwith the Commitments and (ii) declare the Loans then outstanding to be forthwith due and payable in whole or in part, whereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and any unpaid accrued Fees and all other Obligations of the Loan Parties accrued hereunder and under any other Loan Document, shall become forthwith due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly

waived by each of the Loan Parties, anything contained herein or in any other Loan Document to the contrary notwithstanding; and in any event, with respect to any Loan Party described in paragraph (g) or (h) above, the Commitments shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon and any unpaid accrued Fees and all other Obligations of the Loan Parties accrued hereunder and under any other Loan Document, shall automatically become due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by each of the Loan Parties, anything contained herein or in any other Loan Document to the contrary notwithstanding.

Section 8.02 Rescission. If at any time after termination of the Commitments or acceleration of the maturity of the Loans, the Loan Parties shall pay all arrears of interest and all payments on account of principal of the Loans owing by them that shall have become due otherwise than by acceleration (with interest on principal and, to the extent permitted by law, on overdue interest, at the rates specified herein) and all Defaults (other than non-payment of principal of and accrued interest on the Loans due and payable solely by virtue of acceleration) shall be remedied or waived pursuant Section 11.02, then upon the written consent of the Required Lenders and written notice to the Borrower, the termination of the Commitments or the acceleration and their consequences may be rescinded and annulled; but such action shall not affect any subsequent Default or impair any right or remedy consequent thereon. The provisions of the preceding sentence are intended merely to bind the Lenders to a decision that may be made at the election of the Required Lenders, and such provisions are not intended to benefit any Loan Party and do not give any Loan Party the right to require the Lenders to rescind or annul any acceleration hereunder, even if the conditions set forth herein are met.

Section 8.03 Application of Proceeds. Subject to the terms of the Intercreditor Agreement, the proceeds received by any of the Agents in respect of any sale of, collection from or other realization upon all or any part of the Collateral, whether pursuant to the exercise by the Collateral Agent of its remedies or otherwise (including any payments received with respect to adequate protection payments or other distributions relating to the Obligations during the pendency of any reorganization or proceeding under any Debtor Relief Law) after an Event of Default has occurred and is continuing or after the acceleration of the Obligations, shall be applied, in full or in part, together with any other sums then held by the Agents or any Receiver pursuant to this Agreement, promptly by the Agents or any Receiver as follows:

(a) *First*, to the payment of all reasonable costs and expenses, fees, commissions and taxes of such sale, collection or other realization including compensation to the Agents or any Receiver and their agents and counsel, and all expenses, liabilities and advances made or incurred by the Agents or any Receiver in connection therewith, and all amounts for which the Agents or any Receiver are entitled to indemnification or reimbursement pursuant to the provisions of any Loan Document, together with interest on each such amount at the highest rate then in effect under this Agreement from and after the date such amount is due, owing or unpaid until paid in full;

(b) *Second*, to the payment of all other reasonable costs and expenses of such sale, collection or other realization including any compensation payable to the other Secured Parties and their agents and counsel and all costs, liabilities and advances made or incurred by the other Secured Parties in connection therewith, together with interest on each such amount at the highest rate then in effect under this Agreement from and after the date such amount is due, owing or unpaid until paid in full;

(c) *Third*, without duplication of amounts applied pursuant to clauses (a) and (b) above, to the indefeasible payment in full in cash, *pro rata*, of interest and other amounts constituting Obligations

which are then due and owing (other than principal) and any fees, premiums and scheduled periodic payments due under Hedging Agreements constituting Secured Obligations and any interest accrued thereon, in each case equally and ratably in accordance with the respective amounts thereof then due and owing with respect to such Obligations;

(d) *Fourth*, to the indefeasible payment in full in cash, *pro rata*, of the principal amount of the Obligations and any premium thereon and any breakage, termination or other payments under Hedging Agreements constituting Secured Obligations and any interest accrued thereon and any remaining Secured Obligations, in each case equally and ratably in accordance with the respective amounts thereof then due and owing; and

(e) *Fifth*, the balance, if any, to the person lawfully entitled thereto (including the applicable Loan Party or its successors or assigns) or as a court of competent jurisdiction may direct.

In the event that any such proceeds are insufficient to pay in full the items described in clauses (a) through (d) of this Section 8.03, the Loan Parties shall remain liable, jointly and severally, for any deficiency.

Notwithstanding the foregoing, Obligations arising under Hedging Agreements constituting Secured Obligations shall be excluded from the application described above if the Administrative Agent has not received written notice thereof, together with such supporting documentation as the Administrative Agent may request, from the applicable Secured Hedge Provider. Each Secured Hedge Provider not a party to the Credit Agreement that has given the notice contemplated by the preceding sentence shall, by such notice, be deemed to have acknowledged and accepted the appointment of the Administrative Agent and the Collateral Agent pursuant to the terms of Article X hereof for itself and its Affiliates as if a "Lender" party hereto.

ARTICLE IX

[INTENTIONALLY OMITTED]

ARTICLE X

THE ADMINISTRATIVE AGENT AND THE COLLATERAL AGENT

Section 10.01 Appointment and Authority. Each of the Lenders hereby irrevocably appoints Bank of America to act on its behalf as the Administrative Agent and the Collateral Agent hereunder and under the other Loan Documents and authorizes each Agent to take such actions on its behalf and to exercise such powers as are delegated to such Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article are solely for the benefit of the Agents and the Lenders and neither the Borrower nor any other Loan Party shall have rights as a third party beneficiary of any of such provisions.

Section 10.02 Rights as a Lender. Each person serving an Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include each person serving as an Agent hereunder in its individual capacity. Such person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business

with the Borrower or other Loan Party, or any Subsidiary or other Affiliate thereof, as if such person were not an Agent hereunder and without any duty to account therefor to the Lenders.

Section 10.03 Exculpatory Provisions.

(a) No Agent shall have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, no Agent:

(i) shall be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(ii) shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); provided that such Agent shall not be required to take any action that, in its judgment or the judgment of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable Requirements of Law; and

(iii) shall, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or other Loan Party or any of its Affiliates that is communicated to or obtained by the person serving as such Agent or any of its Affiliates in any capacity.

(b) No Agent shall be liable for any action taken or not taken by it (x) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as such Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 8.01 and 11.02) or (y) in the absence of its own gross negligence or willful misconduct. No Agent shall be deemed to have knowledge of any Default unless and until notice describing such Default is given to such Agent by the Borrower or a Lender.

(c) No Agent shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document or (v) the satisfaction of any condition set forth in ARTICLE IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to such Agent. Without limiting the generality of the foregoing, the use of the term “agent” in this Agreement with reference to the Administrative Agent or the Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom and is intended to create or reflect only an administrative relationship between independent contracting parties.

(d) No Agent shall be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Institutions. Without limiting the generality of the foregoing, the Agents shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Institution or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Institution.

Section 10.04 Reliance by the Administrative Agent. Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper person. Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. Each Agent may consult with legal counsel (who may be counsel for the Borrower or other Loan Party), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 10.05 Delegation of Duties. Each Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through, or delegate any and all such rights and powers to, any one or more sub-agents appointed by such Agent, including a sub-agent which is a non-U.S. affiliate of such Agent. Each Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of each Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Agent.

Section 10.06 Resignation of Agent. Each Agent may at any time give notice of its resignation to the Lenders and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, in consultation with the Borrower, to appoint a successor, which (i) shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States and (ii) for the Administrative Agent, shall be a commercial bank or other financial institution having assets in excess of \$1,000,000,000. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Agent gives notice of its resignation, then the retiring Agent may on behalf of the Lenders, appoint a successor Agent meeting the qualifications set forth above, provided that if the Agent shall notify the Borrower and the Lenders that no qualifying person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (1) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Collateral Agent on behalf of the Lenders under any of the Loan Documents, the retiring Collateral Agent shall continue to hold such collateral security as nominee until such time as a successor Collateral Agent is appointed) and (2) all payments, communications and determinations provided to be made by, to or through an Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders appoint a successor Agent

as provided for above in this paragraph. Upon the acceptance of a successor's appointment as Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Agent, and the retiring Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this paragraph). The fees payable by the Borrower to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Agent's resignation hereunder and under the other Loan Documents, the provisions of this ARTICLE X and Section 11.03 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Agent was acting as Agent.

Section 10.07 Non-Reliance on Agent and Other Lenders. Each Lender acknowledges that it has, independently and without reliance upon any Agent, syndication agent, co-documentation agent, arranger or bookrunner listed on the cover page hereto or acting in such capacity in connection with any amendment or in connection with any Incremental Term Loans made hereunder, or any other Lender, and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon any Agent, syndication agent, co-documentation agent, arranger or bookrunner listed on the cover page hereto or acting in such capacity in connection with any amendment or in connection with any Incremental Term Loans made hereunder, or any other Lender, and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

Section 10.08 No Other Duties, etc. Notwithstanding anything to the contrary contained herein, none of the Arrangers or Co-Documentation Agents listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent, Collateral Agent or as a Lender hereunder.

Section 10.09 Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Agents (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the any Agent shall have made any demand on the Borrower or any Guarantor) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Secured Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Agents and the other Secured Parties (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Agents and their respective agents and counsel and all other amounts due the Secured Parties and the Agents hereunder) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Secured Party to make such payments to the

Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Secured Parties, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due the Agents hereunder. Nothing contained herein shall be deemed to authorize any Agent to authorize or consent to or accept or adopt on behalf of any Secured Party any plan of reorganization, arrangement, adjustment or composition affecting the Secured Obligations or the rights of any Secured Party to authorize any Agent to vote in respect of the claim of any Secured Party in any such proceeding.

Section 10.10 Concerning the Collateral and the Related Loan Documents. Each Lender authorizes and directs the Agents to enter into this Agreement and the other Loan Documents, including the Intercreditor Agreement and to perform their obligations thereunder. Each Lender agrees that any action taken by the Agents or Required Lenders in accordance with the terms of this Agreement or the other Loan Documents, including the Intercreditor Agreement, and the exercise by the Agents or Required Lenders of their respective powers set forth therein or herein, together with such other powers that are reasonably incidental thereto, shall be binding upon all of the Lenders.

Section 10.11 Release. Each Lender and each Issuer hereby releases each Agent acting on its behalf pursuant to the terms of this Agreement or any other Loan Document from the restrictions of Section 181 of the German Civil Code (*Bürgerliches Gesetzbuch*) (restriction on self-dealing).

Section 10.12 Acknowledgment of Security Trust Deed. Each Secured Party acknowledges the terms of the Security Trust Deed and, in particular, the terms, basis and limitation on which the Collateral Agent holds the “Transaction Security” (as defined therein) and specifically agrees and accepts (i) such terms, basis and limitation; (ii) that the Collateral Agent shall, as trustee, have only those duties, obligations and responsibilities expressly specified in the Security Trust Deed; (iii) the limitation and exclusion of the Collateral Agent’s liability as set out therein; and (iv) all other provisions of the Security Trust Deed as if it were a party thereto.

Section 10.13 Secured Hedging Agreements. Except as otherwise expressly set forth herein or in any Guarantee or any Security Document, no Secured Hedge Provider that obtains the benefits of Section 8.03, any Guarantee or any Collateral by virtue of the provisions hereof or of any Guarantee or any Security Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article X to the contrary, no Agent shall be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Hedging Obligations owing to Secured Hedge Providers unless such Agent has received written notice of such Obligations, together with such supporting documentation as such Agent may request, from the applicable Secured Hedge Provider.

(b) Electronic Communications. Notices and other communications to the Lenders hereunder may (subject to Section 11.01(d)) be delivered or furnished by electronic communication (including e-mail, FpML messaging and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender pursuant to ARTICLE II if such Lender, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent, the Collateral Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it (including as set forth in Section 11.01(d)); provided that approval of such procedures may be limited to particular notices or communications.

(c) Change of Address, Etc. Any party hereto (other than a Lender) may change its address or telecopier number for notices and other communications hereunder by notice to the other parties hereto. Each Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the Borrower and the Administrative Agent. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, telecopier number and

electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender.

(d) **Posting.** Each Loan Party hereby agrees that it will provide to the Administrative Agent all information, documents and other materials that it is obligated to furnish to the Administrative Agent pursuant to this Agreement and any other Loan Document, including all notices, requests, financial statements, financial and other reports, certificates and other information materials, but excluding any such communication that (i) relates to a request for a new, or a conversion of an existing, Borrowing or other extension of credit (including any election of an interest rate or interest period relating thereto), (ii) relates to the payment of any principal or other amount due under this Agreement prior to the scheduled date therefor, (iii) provides notice of any Default under this Agreement or (iv) is required to be delivered to satisfy any condition precedent to the effectiveness of this Agreement and/or any borrowing or other extension of credit hereunder (all such non-excluded communications, collectively, the “**Communications**”), by transmitting the Communications in an electronic/soft medium in a format reasonably acceptable to the Administrative Agent at anthony.w.kell@baml.com or at such other e-mail address(es) provided to the Borrower from time to time or in such other form, including hard copy delivery thereof, as the Administrative Agent shall reasonably require. Nothing in this Section 11.01(d) shall prejudice the right of the Agents, any Lender or any Loan Party to give any notice or other communication pursuant to this Agreement or any other Loan Document in any other manner specified in this Agreement or any other Loan Document.

To the extent consented to by the Administrative Agent from time to time, Administrative Agent agrees that receipt of the Communications by the Administrative Agent at its e-mail address(es) set forth above shall constitute effective delivery of the Communications to the Administrative Agent for purposes of the Loan Documents; provided that the Borrower shall also deliver to the Administrative Agent an executed original of each Compliance Certificate and an executed copy (which may be by pdf or similar electronic transmission) of each notice or request of the type described in clauses (i) through (iv) of paragraph (d) above required to be delivered hereunder.

Each Loan Party further agrees that Administrative Agent may make the Communications available to the Lenders by posting the Communications on Intralinks, Syndtrak, ClearPar or a substantially similar electronic transmission system (the “**Platform**”). THE PLATFORM IS PROVIDED “AS IS” AND “AS AVAILABLE.” THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS (AS DEFINED BELOW) OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the “Agent Parties”) have any liability to the Borrower, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower’s, any Loan Party’s or the Administrative Agent’s transmission of Borrower Materials or notices through the Platform, any other electronic messaging service, or through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Agent Party; provided, however, that in no event shall any Agent Party have any liability to

the Borrower, any Lender or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

Each Loan Party further agrees and acknowledges that certain of the Lenders (each, a “**Public Lender**”) may have personnel who do not wish to receive material non-public information with respect to the Borrower or its Affiliates, or the respective securities of any of the foregoing, and who may be engaged in investment and other market-related activities with respect to such persons’ securities. The Borrower and each other Loan Party hereby agree that it will use commercially reasonable efforts to identify that portion of the materials and/or information provided by or on behalf of the Borrower hereunder (the “**Borrower Materials**”) that may be distributed to the Public Lenders and that (w) all such Borrower Materials shall be clearly and conspicuously marked “PUBLIC” which, at a minimum, shall mean that the word “PUBLIC” shall appear prominently on the first page thereof; (x) by marking Borrower Materials hereunder “PUBLIC,” the Loan Parties shall be deemed to have authorized the Arrangers, the Agents and the Lenders to treat such materials as not containing any material non-public information (although it may be sensitive and proprietary) with respect to the Borrower, the other Loan Parties or their respective securities for purposes of United States Federal and state securities laws (provided, however, that to the extent such materials constitute Information, they shall be treated as set forth in Section 11.12); (y) all Borrower Materials marked “PUBLIC” are permitted to be made available through a portion of the Platform designated “Public Side Information;” and (z) the Agents and the Arrangers shall be entitled to treat any Borrower Materials that are not marked “PUBLIC” as being suitable only for posting on a portion of the Platform not designated “Public Side Information”. Each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the “Private Side Information” or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender’s compliance procedures and applicable law, including United States Federal and state securities Laws, to make reference to Borrower Materials that are not made available through the “Public Side Information” portion of the Platform and that may contain material non-public information with respect to the Borrower, the other Loan Parties or their respective securities for purposes of United States Federal or state securities laws.

(e) Reliance by the Administrative Agent, the Collateral Agent and Lenders. The Administrative Agent, the Collateral Agent and the Lenders shall be entitled to rely and act upon any notices purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify the Administrative Agent, the Collateral Agent, each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such person on each notice purportedly given by or on behalf of the Borrower. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

Section 11.02 Waivers; Cumulative Remedies; Amendment.

(a) Waivers; Cumulative Remedies. No failure or delay by the Administrative Agent, the Collateral Agent or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of each Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are

not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by this Section 11.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default, regardless of whether any Agent or any Lender may have had notice or knowledge of such Default at the time. No notice or demand on any Loan Party in any case shall entitle any Loan Party to any other or further notice or demand in similar or other circumstances.

(b) Required Consents. Subject to the terms of the Intercreditor Agreement and to Section 11.02(c) and (d), neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended, supplemented or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrower and the Required Lenders (or by the Administrative Agent with the written consent of the Required Lenders) or, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent (or, in the case of any applicable Security Document, the Collateral Agent) and the Loan Party or Loan Parties that are party thereto, in each case with the written consent of the Required Lenders; provided that no such agreement shall be effective if the effect thereof would:

(i) increase the Commitment of any Lender without the written consent of such Lender (it being understood that no amendment, modification, termination, waiver or consent with respect to any condition precedent, covenant or Default shall constitute an increase in the Commitment of any Lender);

(ii) reduce the principal amount of any Loan or reduce the rate of interest thereon (other than interest pursuant to Section 2.06(c)), or reduce any Fees payable hereunder, or change the form or currency of payment of any Obligation, without the written consent of each Lender directly affected thereby;

(iii) (A) change the scheduled final maturity of any Loan, or any scheduled date of payment of or the installment otherwise due on the principal amount of any Loan under Section 2.09, (B) postpone the date for payment of any interest or fees payable hereunder, (C) change the amount of, waive or excuse any such payment (other than waiver of any increase in the interest rate pursuant to Section 2.06(c)), or (D) postpone the scheduled date of expiration of any Commitment without the written consent of each Lender directly affected thereby;

(iv) increase the maximum duration of Interest Periods hereunder, without the written consent of each Lender directly affected thereby;

(v) permit the assignment or delegation by the Borrower of any of its rights or obligations under any Loan Document, without the written consent of each Lender (provided that the Permitted Holdings Amalgamation shall not constitute an assignment or delegation by the Borrower of its rights or obligations under the Loan Documents);

(vi) except pursuant to the Intercreditor Agreement, release Holdings or all or substantially all of the Subsidiary Guarantors from their

Guarantees (except as expressly provided in this Agreement or as otherwise expressly provided by any such Guarantee), or limit their liability in respect of such Guarantees, without the written consent of each Lender;

(vii) except pursuant to the Intercreditor Agreement or the express terms hereof, release all or a substantial portion of the Collateral from the Liens of the Security Documents or alter the relative priorities of a material portion of the Secured Obligations entitled to the Liens of the Security Documents, in each case without the written consent of each Lender (it being understood that additional Indebtedness consented to by the Required Lenders and additional Loans pursuant to Section 2.23 or Section 2.24 and Additional Senior Secured Indebtedness or Permitted First Priority Refinancing Debt may be equally and ratably secured by the Collateral with the then existing Secured Obligations under the Security Documents);

(viii) change Section 2.14(b), (c) or (d) in a manner that would alter the *pro rata* sharing of payments or setoffs required thereby or any other provision in a manner that would alter the *pro rata* allocation among the Lenders of Loan disbursements, including the requirements of Section 2.02(a), without the written consent of each Lender directly affected thereby (it being understood that additional Indebtedness consented to by the Required Lenders and additional Loans pursuant to Section 2.23 and Section 2.24 may be equally and ratably secured by the Collateral with the then existing Secured Obligations under the Security Documents and may share payments and setoffs ratably with other Loans);

(ix) change any provision of this Section 11.02(b), (c), or (d), without the written consent of each Lender directly affected thereby (except for additional restrictions on amendments or waivers for the benefit of Lenders of additional Indebtedness consented to by the Required Lenders and additional Loans pursuant to Section 2.23 and Section 2.24);

(x) change the percentage set forth in the definition of “Required Lenders” or any other provision of any Loan Document (including this Section) specifying the number or percentage of Lenders required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender, other than to increase such percentage or number or to give any additional Lender or group of Lenders such right to waive, amend or modify or make any such determination or grant any such consent;

(xi) amend, modify or waive any provision of: (A) Section 2.1 of the Intercreditor Agreement to the extent such amendment, modification or waiver would adversely affect the priority of the Liens on the Collateral held by the Collateral Agent for the benefit of the Secured Parties or (B) Section 6.3 of the Intercreditor Agreement in a manner that adversely affects the priority of payments of Collateral proceeds, in each case without the written consent of each affected Lender; provided that this clause (xi) shall not apply to amending, modifying or waiving any provision of Section 2.1 or 6.3 of the Intercreditor

Agreement in order to (1) give effect to any additional Indebtedness, including the designation of any such Indebtedness as Pari Passu Debt (as defined in the Intercreditor Agreement), Subordinated Lien Debt (as defined in the Intercreditor Agreement) or Indebtedness under any Revolving Credit Loan Document and the granting of security interests to the holders of such Pari Passu Debt, Subordinated Lien Debt or Indebtedness under any Revolving Credit Loan Document in the Collateral to secure the obligations under such Pari Passu Debt, Subordinated Lien Debt or Indebtedness under any Revolving Credit Loan Document that is permitted pursuant to Section 6.01 hereof (or would be permitted pursuant to an amendment, modification or waiver of this Agreement that is otherwise permitted by this Section 11.02) or (2) to enable any other Indebtedness to constitute Pari Passu Debt, Subordinated Lien Debt or Indebtedness under any Revolving Credit Loan Document to the extent not prohibited by this Agreement; and

(xii) change or waive any provision of ARTICLE X as the same applies to any Agent, or any other provision hereof as the same applies to the rights or obligations of any Agent, in each case without the written consent of such Agent;

provided, further, that

(1) any waiver, amendment or modification of the Intercreditor Agreement (and any related definitions) may be effected by an agreement or agreements in writing entered into among the Collateral Agent, the Administrative Agent, the Revolving Credit Collateral Agent and the Revolving Credit Administrative Agent (in each case, with the consent of the Required Lenders but without the consent of any Loan Party, so long as such amendment, waiver or modification does not impose any additional duties or obligations on the Loan Parties or alter or impair any right of any Loan Party under the Loan Documents); and

(2) upon the effectiveness of any Refinancing Amendment or any Incremental Term Loan Commitment or any Incremental Term Loan, the Administrative Agent, the Borrower and the Lenders providing the relevant Credit Agreement Refinancing Indebtedness or Incremental Term Loan Commitment may amend this Agreement to the extent (but only to the extent) necessary to reflect the existence and terms of the Credit Agreement Refinancing Indebtedness or Incremental Term Loans incurred pursuant thereto (including any amendments necessary to treat the Loans and Commitments subject thereto as Other Term Loans and/or Other Term Loan Commitments and any Incremental Term Loan Commitments or Incremental Term Loans, as applicable). The Administrative Agent and the Borrower may effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the terms of any Refinancing Amendment;

provided, further, that, notwithstanding anything to the contrary contained herein, each Agent is hereby authorized by each Lender to enter into any amendment to or modification of the Intercreditor Agreement or the Security Documents in connection with the issuance or incurrence of Pari Passu Secured Obligations or Subordinated Lien Secured Obligations (each as defined under the Intercreditor

Agreement) or any Permitted Revolving Credit Facility Refinancings, solely to the extent necessary to effect such amendments as may be necessary or appropriate, in the reasonable opinion of such Agent, in connection with any such issuance or incurrence expressly permitted hereunder, so long as such amendment or modification does not adversely affect the rights of any Lender (it being understood that allowing Pari Passu Secured Obligations, Subordinated Lien Secured Obligations and Permitted Revolving Credit Facility Refinancings to be secured by Collateral on the terms set forth in the Intercreditor Agreement will not be deemed to adversely affect the rights of any Lender);

and provided, further, that any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders, except that (x) the Commitment of any Defaulting Lender may not be increased or extended, the principal owed to such Lender reduced or this proviso amended, without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender more adversely than other affected Lenders shall require the consent of such Defaulting Lender.

(c) Collateral. Without the consent of any other person, the Administrative Agent and/or Collateral Agent may (in its or their respective sole discretion or shall, to the extent required by any Loan Document) enter into any amendment or waiver of any Security Document (subject to the consent of the Loan Parties party thereto except as otherwise provided in such Security Document) or enter into any new agreement or instrument, to (i) effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, (ii) as required by local law to give effect to, or protect any security interest for the benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable Requirements of Law or (iii) to cure any inconsistency with this Agreement (other than, solely in the case of clause (iii), amendments or waivers to provisions in such Security Documents that are required to create or perfect the security interests created thereby or cause such Security Document or security interest to be enforceable).

(d) Dissenting Lenders. If, in connection with any proposed change, waiver, consent, discharge or termination of the provisions of this Agreement as contemplated by Section 11.02(b), the consent of the Required Lenders is obtained but the consent of one or more of such other Lenders whose consent is required is not obtained, then the Borrower shall have the right, upon notice by the Borrower to such Lender and the Administrative Agent, to replace all, but not less than all, of such non-consenting Lender or Lenders (so long as all non-consenting Lenders are so replaced) with one or more persons pursuant to Section 2.16 so long as at the time of such replacement each such new Lender consents to the proposed change, waiver, consent, discharge or termination. Each Lender agrees that, if the Borrower elects to replace such Lender in accordance with this Section, it shall promptly execute and deliver to the Administrative Agent an Assignment and Assumption to evidence such sale and purchase and shall deliver to the Administrative Agent any Note (if Notes have been issued in respect of such Lender's Loans) subject to such Assignment and Assumption; provided that the failure of any such non-consenting Lender to execute an Assignment and Assumption shall not render such sale and purchase (and the corresponding assignment) invalid and such assignment shall be recorded in the Register.

(e) Holdings Amalgamation and Increased Commitments. Notwithstanding the foregoing, the Administrative Agent and the Borrower (without the consent of any Lenders) may amend or amend and restate this Agreement and the other Loan Documents if necessary or advisable in connection with

or to effectuate (i) the Permitted Holdings Amalgamation and (ii) any additional Loans contemplated by Section 2.23 and Section 2.24.

(f) Loan Modification Offers.

(i) The Borrower may, by written notice to the Administrative Agent from time to time, make one or more offers (each, a “**Loan Modification Offer**”) to all the Lenders of one or more Classes of Loans (each Class subject to such a Loan Modification Offer, an “**Affected Class**”) to make one or more Permitted Amendments (as defined below) pursuant to procedures reasonably specified by the Administrative Agent and reasonably acceptable to the Borrower. Such notice shall set forth (i) the terms and conditions of the requested Permitted Amendment and (ii) the date on which such Permitted Amendment is requested to become effective (which shall not be less than 10 Business Days nor more than 30 Business Days after the date of such notice) (or such shorter periods as are acceptable to the Administrative Agent). Permitted Amendments shall become effective only with respect to the Loans of the Lenders of the Affected Class that accept the applicable Loan Modification Offer (such Lenders, the “**Accepting Lenders**”) and, in the case of any Accepting Lender, only with respect to such Lender’s Loans of such Affected Class as to which such Lender’s acceptance has been made.

(ii) The Borrower and each Accepting Lender shall execute and deliver to the Administrative Agent an agreement in form and substance satisfactory to the Administrative Agent giving effect to the Permitted Amendment (a “**Loan Modification Agreement**”) and such other documentation as the Administrative Agent shall reasonably specify to evidence the acceptance of the Permitted Amendments and the terms and conditions thereof. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Loan Modification Agreement. Each of the parties hereto hereby agrees that, upon the effectiveness of any Loan Modification Agreement, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Permitted Amendment evidenced thereby and only with respect to the Loans and Commitments of the Accepting Lenders of the Affected Class. Notwithstanding the foregoing, no Permitted Amendment shall become effective under this Section 11.02 unless the Administrative Agent, to the extent so reasonably requested by the Administrative Agent, shall have received corporate documents, officers’ certificates or legal opinions consistent with those delivered on the Closing Date under Section 4.01.

(iii) “**Permitted Amendments**” shall be (A) an extension of the final maturity date of the applicable Loans of the Accepting Lenders (provided that such extensions may not result in having more than two additional final maturity dates in any year, or more than three additional final maturity dates at any time, under this Agreement without the consent of the Administrative Agent), (B) a reduction, elimination or extension, of the scheduled amortization of the applicable Loans of the Accepting Lenders, (C) a change in rate of interest (including a change to the Applicable Margin and any provision establishing a minimum rate), premium, or other amount with respect to the applicable Loans

of the Accepting Lenders and/or a change in the payment of fees to the Accepting Lenders (such change and/or payments to be in the form of cash, Equity Interests or other property to the extent not prohibited by this Agreement), and (D) any other amendment to a Loan Document required to give effect to the Permitted Amendments described in clauses (A) to (C) of this Section 11.02(g).

(g) Most Favored Nation Provision. The Administrative Agent is authorized to enter into any amendment to this Agreement contemplated under Section 6.10 with the Borrower, and without the approval of any other Person, notwithstanding anything in this Agreement to the contrary.

Section 11.03 Expenses; Indemnity; Damage Waiver.

(a) Costs and Expenses. The Borrower shall pay or cause the applicable Loan Party to pay (i) all reasonable out-of-pocket expenses incurred by the Administrative Agent, the Collateral Agent, the Arrangers, the Co-Documentation Agents and their respective Affiliates (including the reasonable fees, charges and disbursements of one primary transaction counsel (plus local counsel in each applicable jurisdiction) for the Administrative Agent and/or the Collateral Agent, all fees and time charges for attorneys who may be employees of the Administrative Agent and/or Collateral Agent, expenses incurred in connection with due diligence, inventory appraisal and collateral audit and reporting fees, travel, courier, reproduction, printing and delivery expenses, and the obtaining and maintaining of CUSIP numbers for the Loans) in connection with the syndication of the credit facilities provided for herein, the preparation, negotiation, execution, delivery and administration of this Agreement and the other Loan Documents, or in connection with any amendment, amendment and restatement, modification or waiver of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), including in connection with post-closing searches to confirm that security filings and recordations have been properly made, (ii) all out-of-pocket expenses incurred by the Administrative Agent, the Collateral Agent, any Lender or any Receiver (including the fees, charges and disbursements of one primary counsel (plus local or special counsel in each applicable jurisdiction) for the Administrative Agent and/or the Collateral Agent (and all fees and time charges for attorneys who may be employees of the Administrative Agent and/or the Collateral Agent) and one primary counsel (plus local or special counsel in each applicable jurisdiction) for the Lenders, and one primary counsel (plus local or special counsel in each applicable jurisdiction) for any Receiver), in connection with the enforcement or protection of its rights (A) in connection with this Agreement and the other Loan Documents, including its rights under this Section 11.03, (B) in enforcing, preserving and protecting, or attempting to enforce, preserve or protect its interests in the Collateral or (C) in connection with the Loans issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans and (iv) all documentary and similar taxes and charges in respect of the Loan Documents.

(b) Indemnification by Borrower. Each Loan Party shall indemnify each Agent (and any sub-agent thereof), each Lender and Receiver, and each Related Party of any of the foregoing persons (each such person being called an “**Indemnitee**”) against, and hold each Indemnitee harmless from, any and all reasonable out-of-pocket losses, claims, damages, liabilities and related expenses (including the reasonable fees, charges and disbursements of any counsel for any Indemnitee) incurred by any Indemnitee or asserted against any Indemnitee by any third party or by the Borrower or any other Loan Party arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document, or any amendment, amendment and restatement, modification or waiver of the provisions hereof or thereof, or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the

consummation of the transactions contemplated hereby or thereby, (ii) any Loan or the use or proposed use of the proceeds therefrom, (iii) any actual or alleged presence or Release or threatened Release of Hazardous Materials on, at, under or from any property owned, leased or operated by any Company at any time, or any Environmental Claim related in any way to any Company, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrower or any other Loan Party, and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee or (y) result from a claim brought by the Borrower or any other Loan Party against an Indemnitee for breach in bad faith of such Indemnitee's obligations hereunder or under any other Loan Document, if the Borrower or such Loan Party has obtained a final and nonappealable judgment in its favor on such claim as determined by a court of competent jurisdiction. WITHOUT LIMITATION OF THE FOREGOING, IT IS THE INTENTION OF THE LOAN PARTIES, AND THE LOAN PARTIES AGREE, THAT THE FOREGOING INDEMNITIES SHALL APPLY TO EACH INDEMNITEE WITH RESPECT TO LOSSES, CLAIMS, DAMAGES, PENALTIES, LIABILITIES AND RELATED EXPENSES (INCLUDING, WITHOUT LIMITATION, ALL EXPENSES OF LITIGATION OR PREPARATION THEREFOR), WHICH IN WHOLE OR IN PART ARE CAUSED BY OR ARISE OUT OF THE COMPARATIVE, CONTRIBUTORY OR SOLE NEGLIGENCE OF SUCH (AND/OR ANY OTHER) INDEMNITEE.

(c) Reimbursement by Lenders. To the extent that any Loan Party for any reason fails to indefeasibly pay any amount required under paragraph (a) or (b) of this Section 11.03 to be paid by it to the Administrative Agent (or any sub-agent thereof), the Collateral Agent (or any sub-agent thereof) or any Receiver or any Related Party thereof, each Lender severally agrees to pay to the Administrative Agent (or any such sub-agent), the Collateral Agent (or any such sub-agent) such Receiver or such Related Party, as the case may be, such Lender's *pro rata* share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent), the Collateral Agent (or any such sub-agent) or the Receiver, in each case, in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent), the Collateral Agent (or any such sub-agent) or the Receiver in connection with such capacity. The obligations of the Lenders under this paragraph (c) are subject to the provisions of Section 2.14(g). For purposes hereof, a Lender's "*pro rata share*" shall be determined based upon its share of the sum of the total outstanding Term Loans and unused Commitments of all Lenders at the time (or if the Term Loans have been repaid in full and the Commitments have been terminated, based upon its share of the Term Loans immediately prior to such repayment).

(d) Waiver of Consequential Damages, Etc. To the fullest extent permitted by applicable Requirements of Law, no Loan Party shall assert, and each Loan Party hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof. No Indemnitee referred to in paragraph (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other

information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(e) Payments. All amounts due under this Section shall be payable not later than three (3) Business Days after demand therefore accompanied by reasonable particulars of amounts due.

(f) Survival. The agreements in this Section shall survive the resignation of either or both of the Administrative Agent or the Collateral Agent, the replacement of any Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all the Obligations

Section 11.04 Successors and Assigns.

(a) Successors and Assigns Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither the Borrower nor any other Loan Party may (except as a result of a transaction expressly permitted by Section 6.05(c) or 6.05(e)) assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent, the Collateral Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Eligible Assignee in accordance with the provisions of paragraph (b) of this Section 11.04, (ii) by way of participation in accordance with the provisions of paragraph (d) of this Section 11.04 or (iii) by way of pledge or assignment of a security interest subject to the restrictions of paragraph (f) of this Section (and any other attempted assignment or transfer by the Borrower or any Lender shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in paragraph (d) of this Section and, to the extent expressly contemplated hereby, the other Indemnitees) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it); provided that

(i) except in the case of any assignment made in connection with the primary syndication of the Commitment and Loans by the Arrangers or their Affiliates up to 45 days after the Closing Date or an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans at the time owing to it or in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund with respect to a Lender, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the applicable Commitment is not then in effect, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date) shall be an integral multiple of \$1,000,000, unless each of the Administrative Agent and, so long as no Event of Default under Section 8.01 (a), (b), (g) or (h) has occurred and is continuing, the Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed) and, with respect to the Borrower, such consent shall be deemed given if no objection is made by the Borrower within five

Business Days after notice of the proposed assignment; provided, however, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met;

(ii) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loan or the Commitment assigned;

(iii) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with (except in the case of any such assignments by the Arrangers or their respective Affiliates) a processing and recordation fee of \$3,500 (provided that only one such fee shall be imposed in the case of simultaneous assignments by related Approved Funds or Affiliates of the assigning Lender), and the Eligible Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire; and

(iv) *Auction Purchases and Open Market Purchases*. Each Lender acknowledges that the Borrower is an Eligible Assignee hereunder and may purchase or acquire Term Loans hereunder from Lenders from time to time pursuant to an open market purchase or a Dutch Auction in accordance with the terms of this Agreement (including, without limitation, Section 11.04 hereof), subject to the restrictions set forth in the definitions of "Dutch Auction" (in the case of a Dutch Auction) and "Eligible Assignee" and the following limitations:

(A) [intentionally omitted];

(B) the Borrower agrees that, notwithstanding anything herein or in any of the other Loan Documents to the contrary, (1) under no circumstances, whether or not any Loan Party is subject to a bankruptcy or other insolvency proceeding, shall the Borrower be permitted to exercise any voting rights or other privileges with respect to any Term Loans and any Term Loans that are assigned to the Borrower shall have no voting rights or other privileges under this Agreement and the other Loan Documents and shall not be taken into account in determining any required vote or consent and (2) the Borrower shall not receive information provided solely to Lenders by the Administrative Agent or any Lender and shall not be permitted to attend or participate in meetings attended solely by Lenders and the Administrative Agent and their advisors; rather, all Loans held by the Borrower shall be automatically cancelled immediately upon the purchase or acquisition thereof in accordance with the terms of this Agreement (including, without limitation, Section 11.04 hereof);

(C) at the time the Borrower is making purchases of Loans it shall enter into an agreement with the Administrative Agent for the benefit of the Administrative Agent and Lenders (in the case of a Dutch Auction) or the assigning Lender (in the case of an open market purchase), setting forth the agreements, representations and warranties set forth in this paragraph (iv) that are applicable to it, in a manner reasonably satisfactory to the Administrative Agent and in any case identifying the Borrower as the purchaser;

(D) immediately upon the effectiveness of each Auction Purchase or open market purchase, a Cancellation (it being understood that such cancellation shall not constitute a voluntary repayment of Loans for purposes of this Agreement) shall be automatically irrevocably effected with respect to all of the Loans and related Obligations subject to such Auction Purchase or open market purchase for no consideration, with the effect that such Loans and related Obligations shall for all purposes of this Agreement and the other Loan Documents no longer be outstanding, and the Borrower and the Guarantors shall no longer have any Obligations relating thereto, it being understood that such forgiveness and cancellation shall result in the Borrower and the Guarantors being irrevocably and unconditionally released from all claims and liabilities relating to such Obligations which have been so cancelled and forgiven, and the Collateral shall cease to secure any such Obligations which have been so cancelled and forgiven; and

(E) at the time of such Purchase Notice and Auction Purchase or open market purchase, (x) no Default or Event of Default shall have occurred and be continuing or would result therefrom, and (y) no proceeds of Revolving Credit Loans are used to consummate the Auction Purchase or open market purchase.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to paragraph (c) of this Section 11.04, from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Section 2.12, Section 2.13, Section 2.15, Section 2.16, Section 7.10 and Section 11.03 with respect to facts and circumstances occurring prior to the effective date of such assignment. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this paragraph shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (d) of this Section 11.04. In the event of a transfer by novation of all or part of its rights and obligations under this Agreement by a Lender, such Lender expressly reserves the rights, powers, privileges and actions that it enjoys under any Security Documents governed by French law in favor of its Eligible Assignee, in accordance with the provisions of article 1278 *et seq.* of the French *Code civil*.

(c) Register. The Administrative Agent, acting solely for this purpose as an agent of the Borrower (and such agency being solely for tax purposes), shall, at all times at the Administrative Agent's Office, while any Loans are outstanding, maintain a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive, and the Borrower, the Administrative Agent and the Lenders shall treat each person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. In addition, the Administrative Agent shall maintain in the Register information regarding the designation, and revocation of designation, of any Lender as a Defaulting Lender. The Register shall be available for inspection by the Collateral Agent, the Borrower and any Lender (with respect to its own interest only), at any reasonable time and from time to time upon reasonable prior notice. The requirements of this Section 11.04(c) are intended to result in any

and all Loans being in “registered form” for purposes of Section 871, Section 881 and any other applicable provision of the Code, and shall be interpreted and applied in a manner consistent therewith. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Commitments and Loans or other obligations under the Loan Documents (the “**Participant Register**”); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Participations. Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent sell participations to any person (other than a natural person, a Defaulting Lender or the Borrower, any of the Borrower's or any other Company's Affiliates or Subsidiaries) (each, a “**Participant**”) in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) each Loan Party, the Administrative Agent and the Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement.

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce the Loan Documents and to approve any amendment, modification or waiver of any provision of the Loan Documents; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in clause (i), (ii) or (iii) of the first proviso to Section 11.02(b) that affects such Participant. Subject to paragraph (e) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Section 2.12, Section 2.13, Section 2.15, Section 2.16 and Section 7.10 (subject to the requirements of those Sections) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 11.08 as though it were a Lender, provided such Participant agrees to be subject to such Section 2.14 as though it were a Lender.

(e) Limitations on Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 2.12, Section 2.13, Section 2.15, Section 2.16 and Section 7.10 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent.

(f) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge

or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Disqualified Institutions.

(i) No assignment or participation shall be made to any Person that was a Disqualified Institution as of the date (the “**Trade Date**”) on which the assigning Lender entered into a binding agreement to sell and assign all or a portion of its rights and obligations under this Agreement to such Person (unless the Borrower has consented to such assignment in writing in its sole and absolute discretion, in which case such Person will not be considered a Disqualified Institution for the purpose of such assignment or participation). For the avoidance of doubt, with respect to any assignee that becomes a Disqualified Institution after the applicable Trade Date (including as a result of the delivery of a notice pursuant to, and/or the expiration of the notice period referred to in, the definition of “Disqualified Institution”), (x) such assignee shall not retroactively be disqualified from becoming a Lender and (y) the execution by the Borrower of an Assignment and Assumption with respect to such assignee will not by itself result in such assignee no longer being considered a Disqualified Institution. Any assignment or participation in violation of this clause (g)(i) shall not be void, but the other provisions of this clause (g) shall apply.

(ii) If any assignment (but not participation) is made to any Disqualified Institution without the Borrower’s prior written consent in violation of clause (i) above, or if any Person (other than a Participant) becomes a Disqualified Institution after the applicable Trade Date, the Borrower may, at its sole expense and effort, upon notice to the applicable Disqualified Institution and the Administrative Agent, (A) purchase or prepay such Term Loan by paying the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Institution paid to acquire such Term Loans, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder (and, in the case of a purchase, effect an immediate Cancellation) and/or (B) require such Disqualified Institution to assign, without recourse (in accordance with and subject to the restrictions contained in this Section 11.04), all of its interest, rights and obligations under this Agreement to one or more Eligible Assignees at the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Institution paid to acquire such interests, rights and obligations, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder.

(iii) Notwithstanding anything to the contrary contained in this Agreement, Disqualified Institutions (A) will not (x) have the right to receive information, reports or other materials provided to Lenders by the Borrower, the Administrative Agent or any other Lender, (y) attend or participate in meetings attended by the Lenders and the Administrative Agent, or (z) access any electronic site established for the Lenders or confidential communications from counsel to or financial advisors of the Administrative Agent or the Lenders and (B) (x) for purposes of any consent to any amendment, waiver or modification of, or any action under, and for the purpose of any direction to the Administrative Agent or

any Lender to undertake any action (or refrain from taking any action) under this Agreement or any other Loan Document, each Disqualified Institution will be deemed to have consented in the same proportion as the Lenders that are not Disqualified Institutions consented to such matter, and (y) for purposes of voting on any plan of reorganization or plan of liquidation pursuant to any Debtor Relief Laws (“**Reorganization Plan**”), each Disqualified Institution party hereto hereby agrees (1) not to vote on such Reorganization Plan, (2) if such Disqualified Institution does vote on such Reorganization Plan notwithstanding the restriction in the foregoing clause (1), such vote will be deemed not to be in good faith and shall be “designated” pursuant to Section 1126(e) of the Bankruptcy Code of the United States (or any similar provision in any other Debtor Relief Laws), and such vote shall not be counted in determining whether the applicable class has accepted or rejected such Reorganization Plan in accordance with Section 1126(c) of the Bankruptcy Code of the United States (or any similar provision in any other Debtor Relief Laws) and (3) not to contest any request by any party for a determination by the bankruptcy court (or other applicable court of competent jurisdiction) effectuating the foregoing clause (2).

(iv) The Administrative Agent shall have the right, and the Borrower hereby expressly authorizes the Administrative Agent, to (A) post the list of Disqualified Institutions provided by the Borrower and any updates thereto from time to time (collectively, the “**DQ List**”) on the Platform, including that portion of the Platform that is designated for “public side” Lenders and/or (B) provide the DQ List to each Lender requesting the same.

Section 11.05 Survival of Agreement. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Agents or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any Commitments have not expired or terminated. The provisions of Section 2.12, Section 2.14, Section 2.15, Section 2.16 and ARTICLE X and Section 11.03 shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Commitments or the termination of this Agreement or any provision hereof.

Section 11.06 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents and any separate letter agreements with respect to fees payable to any Agent or the Arrangers constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the

other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by telecopier shall be effective as delivery of a manually executed counterpart of this Agreement. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.

Section 11.07 Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 11.08 Right of Setoff. Subject to the Intercreditor Agreement, if an Event of Default shall have occurred and be continuing, each Lender and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable Requirements of Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender or any such Affiliate to or for the credit or the account of the Borrower or any other Loan Party against any and all of the obligations of the Borrower or such Loan Party now or hereafter existing under this Agreement or any other Loan Document to such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or any other Loan Document and although such obligations of the Borrower or such Loan Party may be contingent or unmatured or are owed to a branch or office of such Lender different from the branch or office holding such deposit or obligated on such indebtedness. The rights of each Lender and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender or its respective Affiliates may have. Each Lender agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application; provided that the failure to give such notice shall not affect the validity of such setoff and application.

Section 11.09 Governing Law; Jurisdiction; Consent to Service of Process.

(a) GOVERNING LAW. This Agreement shall be construed in accordance with and governed by the law of the State of New York, without regard to conflicts of law principles that would require the application of the laws of another jurisdiction.

(b) SUBMISSION TO JURISDICTION. Each Loan Party hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State court or, to the fullest extent permitted by applicable law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Loan Document shall affect any right that ANY Agent or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Loan Party or its properties in the courts of any jurisdiction.

(c) Waiver of Venue. Each Loan Party hereby irrevocably and unconditionally waives, to the fullest extent permitted by applicable Requirements of Law, any objection which it may now or

hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in Section 11.09(b). EACH FRENCH GUARANTOR AND EACH OTHER FRENCH SUBSIDIARY HEREBY WAIVES THE BENEFIT OF THE PROVISIONS OF ARTICLE 14 OF THE FRENCH *CODE CIVIL*. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by applicable Requirements of Law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Service of Process. Each party hereto irrevocably consents to service of process in any action or proceeding arising out of or relating to any Loan Document, in the manner provided for notices (other than telecopier, e-mail or other electronic transmission) in Section 11.01. Each Loan Party hereby irrevocably designates, appoints and empowers CSC Corporation, 1180 Ave of the Americas, Suite 210, New York, New York, 10036 (telephone no: 212-299-5600) (telex no: 212-299-5656) (electronic mail address: mwiener@cscinfo.com)] (the “**Process Agent**”), in the case of any suit, action or proceeding brought in the United States as its designee, appointee and agent to receive, accept and acknowledge for and on its behalf, and in respect of its property, service of any and all legal process, summons, notices and documents that may be served in any action or proceeding arising out of or in connection with this Agreement or any Loan Document. Nothing in this Agreement or any other Loan Document will affect the right of any party hereto to serve process in any other manner permitted by applicable Requirements of Law.

Section 11.10 Waiver of Jury Trial. Each Loan Party hereby irrevocably waives, to the fullest extent permitted by applicable Requirements of Law, any right it may have to a trial by jury in any legal proceeding directly or indirectly arising out of or relating to this Agreement, any other Loan Document or the transactions contemplated hereby (whether based on contract, tort or any other theory). Each party hereto (a) certifies that no representative, agent or attorney of any other party has represented, expressly or otherwise, that such other party would not, in the event of litigation, seek to enforce the foregoing waiver and (b) acknowledges that it and the other parties hereto have been induced to enter into this Agreement and the other Loan Documents by, among other things, the mutual waivers and certifications in this Section.

Section 11.11 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

Section 11.12 Treatment of Certain Information; Confidentiality. Each Agent and each Lender agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates’ respective partners, directors, officers, employees, agents, trustees, advisors and other representatives (it being understood that the persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable Requirements of Law or by any subpoena or similar legal process, (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section 11.12, to (i) any assignee of or Participant in, or any prospective Lender, or prospective assignee of or Participant in, any of its rights or obligations under this Agreement, (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to any Loan Party and its

obligations or (iii) any rating agency for the purpose of obtaining a credit rating applicable to any Lender, (g) with the consent of the Borrower or the applicable Loan Party or (h) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section or (y) becomes available to the Administrative Agent, any Lender or any of their respective Affiliates on a nonconfidential basis from a source other than the Loan Parties. For purposes of this Section, “**Information**” shall mean all information received from a Loan Party or any of its Subsidiaries relating to the Loan Parties or any of their Subsidiaries or any of their respective businesses, other than any such information that is available to any Agent or any Lender on a nonconfidential basis prior to disclosure by any Loan Party or any of their Subsidiaries, provided that, in the case of information received from any Loan Party or any of their Subsidiaries after the Closing Date, such information is clearly identified at the time of delivery as confidential. Any person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such person has exercised the same degree of care to maintain the confidentiality of such Information as such person would accord to its own confidential information.

Section 11.13 USA PATRIOT Act Notice. Each Lender that is subject to the Patriot Act (as hereinafter defined) and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower and the other Loan Parties that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the “**Patriot Act**”), it is required to obtain, verify and record information that identifies the Borrower and the other Loan Parties, which information includes the name, address and tax identification number of the Borrower and the other Loan Parties and other information regarding the Borrower and the other Loan Parties that will allow such Lender or the Administrative Agent, as applicable, to identify the Borrower and the other Loan Parties in accordance with the Patriot Act. This notice is given in accordance with the requirements of the Patriot Act and is effective as to the Lenders and the Administrative Agent.

Section 11.14 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the “**Maximum Rate**”). If the Administrative Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Section 11.15 Lender Addendum. Each Lender to become a party to this Agreement on the Closing Date shall do so by delivering to the Administrative Agent a Lender Addendum duly executed by such Lender, the Borrower and the Administrative Agent.

Section 11.16 Obligations Absolute. To the fullest extent permitted by applicable Requirements of Law, all obligations of the Loan Parties hereunder shall be absolute and unconditional irrespective of:

- (a) any bankruptcy, insolvency, reorganization, arrangement, readjustment, composition, liquidation or the like of any Loan Party;
-

(b) any lack of validity or enforceability of any Loan Document or any other agreement or instrument relating thereto against any Loan Party;

(c) any change in the time, manner or place of payment of, or in any other term of, all or any of the Obligations, or any other amendment or waiver of or any consent to any departure from any Loan Document or any other agreement or instrument relating thereto;

(d) any exchange, release or non-perfection of any other Collateral, or any release or amendment or waiver of or consent to any departure from any guarantee, for all or any of the Obligations;

(e) any exercise or non-exercise, or any waiver of any right, remedy, power or privilege under or in respect hereof or any Loan Document; or

(f) any other circumstances which might otherwise constitute a defense available to, or a discharge of, the Loan Parties.

Section 11.17 Intercreditor Agreement. Notwithstanding anything to the contrary contained herein, each Lender acknowledges that the Lien and security interest granted to the Collateral Agent pursuant to the Security Documents and the exercise of any right or remedy by such Collateral Agent thereunder are subject to the provisions of the Intercreditor Agreement. In the event of any conflict between the terms of the Intercreditor Agreement, on the one hand, and the Security Documents, on the other hand, the terms of the Intercreditor Agreement shall govern and control.

Section 11.18 Judgment Currency.

(a) Each Loan Party's obligations hereunder and under the other Loan Documents to make payments in Dollars (the "**Obligation Currency**") shall not be discharged or satisfied by any tender or recovery pursuant to any judgment expressed in or converted into any currency other than the Obligation Currency, except to the extent that such tender or recovery results in the effective receipt by the Administrative Agent or the respective Lender of the full amount of the Obligation Currency expressed to be payable to the Administrative Agent or such Lender under this Agreement or the other Loan Documents. If, for the purpose of obtaining or enforcing judgment against any Loan Party in any court or in any jurisdiction, it becomes necessary to convert into or from any currency other than the Obligation Currency (such other currency being hereinafter referred to as the "**Judgment Currency**") an amount due in the Obligation Currency, the conversion shall be made at the spot selling rate at which the Administrative Agent (or if the Administrative Agent does not quote a rate of exchange on such currency, by a known dealer in such currency designated by the Administrative Agent) offers to sell such Judgment Currency for the Obligation Currency in the London foreign exchange market at approximately 11:00 a.m. London time on such date for delivery two (2) Business Days later (such date of determination of such spot selling rate, being hereinafter referred to as the "**Judgment Currency Conversion Date**").

(b) If there is a change in the rate of exchange prevailing between the Judgment Currency Conversion Date and the date of actual payment of the amount due, the Borrower covenants and agrees to pay, or cause to be paid, such additional amounts, if any (but in any event not a lesser amount) as may be necessary to ensure that the amount paid in the Judgment Currency, when converted at the rate of exchange prevailing on the date of payment, will produce the amount of the Obligation Currency

which could have been purchased with the amount of Judgment Currency stipulated in the judgment or judicial award at the rate of exchange prevailing on the Judgment Currency Conversion Date.

(c) For purposes of determining any rate of exchange for this Section 11.18, such amounts shall include any premium and costs payable in connection with the purchase of the Obligation Currency.

Section 11.19 Enforcement. Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, any of the Administrative Agent and the Collateral Agent, as the relevant Loan Document may provide, in accordance with the terms of the Loan Documents; provided, however, that the foregoing shall not prohibit (a) the Administrative Agent or the Collateral Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent and the Collateral Agent, as the case may be) hereunder and under the other Loan Documents, (b) any Lender from exercising setoff rights in accordance with the terms hereof (subject to Section 2.14), (c) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any bankruptcy, insolvency or Debtor Relief Law or (d) any Person authorized under the Intercreditor Agreement to exercise rights and remedies with respect to the Collateral; and provided, further, that if at any time there is no person acting as Administrative Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent regarding the enforcement of rights and remedies under the Loan Documents and (ii) in addition to the matters set forth in clauses (b), (c) and (d) of the preceding proviso and subject to Section 2.14, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

Section 11.20 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrower and each other Loan Party acknowledges and agrees that: (i) (A) the arranging and other services regarding this Agreement provided by the Administrative Agent, the Collateral Agent and the Arrangers are arm's-length commercial transactions between the Borrower and each other Loan Party and their respective Affiliates, on the one hand, and the Administrative Agent, the Collateral Agent and the Arrangers, on the other hand, (B) each of the Borrower and the other Loan Parties has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) the Borrower and each other Loan Party is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) the Administrative Agent, the Collateral Agent, and the Arrangers each is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower, any other Loan Party or any of their respective Affiliates, or any other Person and (B) neither the Administrative Agent, the Collateral Agent nor the Arrangers has any obligation to the Borrower, any other Loan Party or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Administrative Agent, the Collateral Agent and the Arrangers and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower, the other Loan Parties and their respective Affiliates, and neither the Administrative Agent, the Collateral Agent nor any of the

Arrangers has any obligation to disclose any of such interests to the Borrower, any other Loan Party or any of their respective Affiliates. To the fullest extent permitted by law, each of the Borrower and the other Loan Parties hereby waives and releases any claims that it may have against the Administrative Agent, the Collateral Agent and the Arrangers with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 11.21 Abstract Acknowledgment of Indebtedness and Joint Creditorship.

(a) Notwithstanding any other provision of this Agreement, each Loan Party hereby irrevocably and unconditionally agrees and covenants with the Collateral Agent by way of an abstract acknowledgment of indebtedness (*abstraktes Schuldversprechen*) that it owes to the Collateral Agent as creditor in its own right and not as a representative of the other Secured Parties, sums equal to, and in the currency of, each amount payable by such Loan Party to each of the Secured Parties under each of the Loan Documents relating to any Secured Obligations, as and when that amount falls due for payment under the relevant Secured Debt Agreement or would have fallen due but for any discharge resulting from failure of another Secured Party to take appropriate steps, in insolvency proceedings affecting such Loan Party, to preserve its entitlement to be paid that amount.

(b) Each Loan Party undertakes to pay to the Collateral Agent upon first written demand the amount payable by such Loan Party to each of the Secured Parties under each of the Secured Debt Agreements as such amount has become due and payable.

(c) The Collateral Agent has the independent right to demand and receive full or partial payment of the amounts payable by each Loan Party under this Section 11.21, irrespective of any discharge of such Loan Party's obligation to pay those amounts to the other Secured Parties resulting from failure by them to take appropriate steps, in insolvency proceedings affecting such Loan Party, to preserve their entitlement to be paid those amounts.

(d) Any amount due and payable by a Loan Party to the Collateral Agent under this Section 11.21 shall be decreased to the extent that the other Secured Parties have received (and are able to retain) payment in full of the corresponding amount under the other provisions of the Secured Debt Agreements and any amount due and payable by a Loan Party to the other Secured Parties under those provisions shall be decreased to the extent that the Collateral Agent has received (and is able to retain) payment in full of the corresponding amount under this Section 11.21; provided that no Loan Party may consider its obligations towards a Secured Party to be so discharged by virtue of any set-off, counterclaim or similar defense that it may invoke vis-à-vis the Collateral Agent.

(e) The rights of the Secured Parties (other than the Collateral Agent) to receive payment of amounts payable by each Loan Party under the Secured Debt Agreements are several and are separate and independent from, and without prejudice to, the rights of the Collateral Agent to receive payment under this Section 11.21.

(f) In addition, but without prejudice to the foregoing, the Collateral Agent shall be the joint creditor (together with the relevant Secured Parties) of all obligations of each Loan Party towards each of the Secured Parties under the Secured Debt Agreements.

Section 11.22 Special Appointment of Collateral Agent for German Security and other German Matters.

(a) (i) Each Secured Party that is or will become party to this Agreement hereby appoints the Collateral Agent as trustee (*Treuhaender*) and administrator for the purpose of holding on trust (*Treuhand*), administering, enforcing and releasing the German Security (as defined below) for the Secured Parties, (ii) the Collateral Agent accepts its appointment as a trustee and administrator of the German Security on the terms and subject to the conditions set out in this Agreement and (iii) the Secured Parties, the Collateral Agent and all other parties to this Agreement agree that, in relation to the German Security, no Secured Party shall exercise any independent power to enforce any German Security or take any other action in relation to the enforcement of the German Security, or make or receive any declarations in relation thereto.

(b) To the extent possible, the Collateral Agent shall hold and administer any German Security which is security assigned, transferred or pledged under German law to it as a trustee for the benefit of the Secured Parties, where “**German Security**” shall mean the assets which are the subject of a security document which is governed by German law.

(c) Each Secured Party hereby authorizes and instructs the Collateral Agent (with the right of sub delegation) to enter into any documents evidencing German Security and to make and accept all declarations and take all actions as it considers necessary or useful in connection with any German Security on behalf of the Secured Parties. The Collateral Agent shall further be entitled to rescind, release, amend and/or execute new and different documents securing the German Security.

(d) The Secured Parties and the Collateral Agent agree that all rights and claims constituted by the abstract acknowledgment of indebtedness pursuant to this Section 11.22 and all proceeds held by the Collateral Agent pursuant to or in connection with such abstract acknowledgment of indebtedness are held by the Collateral Agent with effect from the date of such abstract acknowledgment of indebtedness in trust for the Secured Parties and will be administered in accordance with the Loan Documents. The Secured Parties and the Collateral Agent agree further that the respective Loan Party’s obligations under such abstract acknowledgment of indebtedness shall not increase the total amount of the Secured Obligations (as defined in the respective agreement governing German Security) and shall not result in any additional liability of any of the Loan Parties or otherwise prejudice the rights of any of the Loan Parties. Accordingly, payment of the obligations under such abstract acknowledgment of indebtedness shall, to the same extent, discharge the corresponding Secured Obligations and vice versa.

(e) The representations and warranties in Section 3.22 and the covenants in Section 6.21, in each case, given by any Loan Party resident in Germany (*Inländer*) within the meaning of Section 2 para. 15 of the German Foreign Trade Act (*Außenwirtschaftsgesetz*) (or any Loan Party in relation to a Loan Party so resident in Germany) are made only to the extent that they do not result in a violation of or conflict with Section 7 of the German Foreign Trade and Payments Regulation (*Außenwirtschaftsverordnung*).

Section 11.23 Special Appointment of Collateral Agent in Relation to South Korea.

(a) Notwithstanding any other provision of this Agreement, each Loan Party hereby irrevocably and unconditionally undertakes to pay to the Collateral Agent, as creditor in its own right and not as representative of the other Secured Parties, sums equal to and in the currency of each amount payable by such Loan Party to each of the Secured Parties under each of the Loan Documents as and when that amount falls due for payment under the relevant Loan Document or would have fallen due

but for any discharge resulting from failure of another Secured Party to take appropriate steps, in insolvency proceedings affecting that Loan Party, to preserve its entitlement to be paid that amount.

(b) The Collateral Agent shall have its own independent right to demand payment of the amounts payable by each Loan Party under this Section 11.23, irrespective of any discharge of such Loan Party's obligation to pay those amounts to the Secured Parties resulting from failure by them to take appropriate steps, in insolvency proceedings affecting that Loan Party, to preserve their entitlement to be paid those amounts.

(c) Any amount due and payable by a Loan Party to the Collateral Agent under this Section 11.23 shall be decreased to the extent that the other Secured Parties have received (and are able to retain) payment in full of the corresponding amount under the other provisions of the Loan Documents and any amount due and payable by a Loan Party to the other Secured Parties under those provisions shall be decreased to the extent that the Collateral Agent has received (and is able to retain) payment in full of the corresponding amount under this Section 11.23.

(d) Subject to paragraph (c) above, the rights of the Secured Parties (in each case, other than the Collateral Agent) to receive payment of amounts payable by each Loan Party under the Loan Documents are several and are separate and independent from, and without prejudice to, the rights of the Collateral Agent to receive payment under this Section 11.23.

(e) The Administrative Agent and the Collateral Agent are authorized to enter into consents to any lock-up or listing agreement required by any applicable rule or regulation in connection with any listing or offering of Equity Interests in NKL and may consent to such Equity Interests being held by a depository or securities intermediary; provided, that the Collateral Agent's Liens in the Equity Interests of NKL or its direct parents, 4260848 Canada Inc. and 4260856 Canada Inc., are not impaired.

Section 11.24 Special Appointment of Collateral Agent in Relation to France. For the purpose of any French Security Agreements and all security interests created thereunder:

(a) Notwithstanding any other provision of this Agreement, each Loan Party hereby irrevocably and unconditionally undertakes insofar as necessary, in advance, to pay to the Collateral Agent, as creditor in its own right and not as representative of the other Secured Parties, sums equal to and in the currency of each amount payable by such Loan Party to each of the Secured Parties under each of the Loan Documents as and when that amount falls due for payment under the relevant Loan Document or would have fallen due but for any discharge resulting from failure of another Secured Party to take appropriate steps to preserve its entitlement to be paid that amount (such payment undertakings, obligations and liabilities which are the result thereof, hereinafter referred to as the "**Parallel Debt**").

(b) The Collateral Agent shall have its own independent right to demand payment of the amounts payable by each Loan Party under this Section 11.24, irrespective of any discharge of such Loan Party's obligation to pay those amounts to the other Secured Parties resulting from failure by them to take appropriate steps to preserve their entitlement to be paid those amounts.

(c) Any amount due and payable by a Loan Party to the Collateral Agent under this Section 11.24 shall be decreased to the extent that the other Secured Parties have received (and are able to retain) payment in full of the corresponding amount under the other provisions of the Loan Documents and any amount due and payable by a Loan Party to the other Secured Parties under those provisions

shall be decreased to the extent that the Collateral Agent has received (and is able to retain) payment in full of the corresponding amount under this Section 11.24.

(d) The Collateral Agent shall apply any amounts received in payment of any Parallel Debt in accordance with the terms and conditions of this Agreement governing the application of proceeds in payment of any Secured Obligations.

The rights of the Secured Parties (other than any Parallel Debt) to receive payment of amounts payable by each Loan Party under the Loan Documents are several and are separate and independent from, and without prejudice to, the rights of the Collateral Agent to receive payment under this Section 11.24.

Section 11.25 Swiss Tax Ruling. The Borrower shall obtain subsequent to the Closing Date (but within a reasonable time frame) (a) a ruling from the Wallis cantonal tax authority confirming that the payment of Interests under this Agreement shall not be subject to federal, cantonal, and municipal direct taxes levied at source in Switzerland as per Article 51 § 1 lit. d and Article 94 of the Swiss Federal Direct Tax Act of December 14, 1990 and as per Article 21 § 2 lit. a and Article 35 § lit. e of the Swiss Federal Harmonization Direct Tax Act of December 14, 1990, and (b) a ruling from the Zurich cantonal tax authority confirming that the aforesaid direct taxes levied at source may be solely ruled with the Canton where the Swiss real estate is located. In the event that the aforementioned confirmation is not granted, the Borrower further acknowledges that the gross-up mechanism provided for under Section 2.15 shall apply with respect to any such direct taxes levied at source.

Section 11.26 Designation of Collateral Agent under Civil Code of Quebec. Each of the parties hereto (including each Lender, acting for itself and on behalf of each of its Affiliates which are or become Secured Parties from time to time) confirms that the Collateral Agent (or any successor thereto) is the hypothecary representative (within the meaning of Article 2692 of the *Civil Code of Québec*) of the Secured Parties from time to time for the purposes of the hypothecary security granted or to be granted by the Loan Parties or any one of them under the laws of the Province of Québec. The execution by the Collateral Agent in its capacity as *fondé de pouvoir* or hypothecary representative prior to the Closing Date of any document creating or evidencing any such hypothec is hereby ratified and confirmed. Notwithstanding the provisions of Section 32 of *the Act respecting the special powers of legal persons (Québec)*, the Collateral Agent may acquire and be the holder of any of the bonds secured by any such hypothec.

Section 11.27 Maximum Liability. Subject to Section 7.08 and Sections 7.11 through 7.16, it is the desire and intent of (i) each Loan Party and the Lenders, that, in each case, the liability of such Loan Party shall be enforced against such Loan Party to the fullest extent permissible under the laws and public policies applied in each jurisdiction in which enforcement is sought after giving effect to the rights of contribution established in the Contribution, Intercompany, Contracting and Offset Agreement that are valid and enforceable and not subordinated to the claims of other creditors as determined in such action or proceeding. If, however, and to the extent that, the obligations of any Loan Party under any Loan Document shall be adjudicated to be invalid or unenforceable for any reason (including, without limitation, because of any applicable state, provincial or federal law relating to fraudulent conveyances or transfers), then the amount of such Loan Party's obligations (in the case of any invalidity or unenforceability with respect such Loan Party's obligations) under the Loan Documents shall be deemed to be reduced and such Loan Party shall pay the maximum amount of the Secured Obligations which would be permissible under applicable law; provided that any guarantees of any such obligations that are subject to deemed reduction pursuant to this Section 11.27 shall, to

the fullest extent permitted by applicable Requirements of Law, be absolute and unconditional in respect of the full amount of such obligations without giving effect to any such deemed reduction.

Section 11.28 NO ORAL AGREEMENT. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS BETWEEN THE PARTIES. THERE ARE NO UNWRITTEN AGREEMENTS BETWEEN THE PARTIES.

Section 11.29 Collateral Matters. The Lenders irrevocably agree:

(a) that the Collateral Agent is authorized to release any Lien on any property granted to or held by the Collateral Agent under any Loan Document, (i) at the time the property subject to such Lien is pledged pursuant to Section 6.02(n)(x) or Section 6.02(n)(y) (but solely to the extent such property consists of Revolving Credit Priority Collateral and Hedging Agreements related to the value of such Revolving Credit Priority Collateral) or sold, leased, licensed, consigned, transferred or otherwise disposed of as part of or in connection with any Asset Sale permitted under Section 6.06 to any Person other than a Loan Party (provided that no Lien shall be released in any Series of Cash Neutral Transactions) (or, if such transferee is a Loan Party, the Collateral Agent is authorized to release such Lien on such asset in connection with the transfer so long as (w) except as permitted by Section 6.06(q) or Section 6.06(s), the transferee grants a new Lien to the Collateral Agent on such asset substantially concurrently with the transfer of such asset, (x) the transfer is between parties organized under the laws of different countries, (y) the priority of the new Lien is the same as that of the original Lien and (z) the Liens on such property held by or on behalf of the holders of Indebtedness under the Revolving Credit Loan Documents or any Permitted Revolving Credit Facility Refinancing, Permitted First Priority Refinancing Debt, Permitted Secured Priority Refinancing Debt, Additional Senior Secured Indebtedness and Junior Secured Indebtedness are also released), (ii) subject to Section 11.02, if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders (or such other number of Lenders whose consent is required under Section 11.02), (iii) if the property subject to such Lien is owned by a Guarantor, upon release of such Guarantor from its obligations under its Guarantee pursuant to Section 7.09, (iv) upon termination of all Commitments and the repayment in full of all outstanding principal and accrued interest with respect to the Loans, all Fees and other Obligations, (v) in connection with the grant of Liens permitted hereunder under Section 6.02(k) and subject to the Intercreditor Agreement, if the applicable Loan Party grants a Lien to the Collateral Agent or for the benefit of the Collateral Agent in a manner reasonably satisfactory to the Collateral Agent, substantially concurrently with the release of such asset, to the extent such release or termination and re-grant is necessary or advisable under applicable law; and (vi) to the extent such property is Excluded Property.

(b) to release or subordinate any Lien on any property granted to or held by the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(i), to the extent required by the terms of the obligations secured by such Liens;

Each Lender irrevocably authorizes the Collateral Agent to, at the Borrower's expense, execute and deliver documents to authorize the release or subordination of such items of Collateral from the Liens granted under the Security Documents, in each case in accordance with the terms of the Loan Documents and this Section 11.29.

Section 11.30 Electronic Execution of Assignments and Certain other Documents. The words "execution," "execute," "signed," "signature," and words of like import in or related to any document

to be signed in connection with this Agreement and the transactions contemplated hereby (including, without limitation, Assignment and Assumptions, amendments or other modifications, waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Requirement of Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that notwithstanding anything contained herein to the contrary, the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it.

Section 11.31 Payments Set Aside. To the extent that any payment by or on behalf of any Loan Party is made to any Agent or any Lender, or any Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Agents upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Agents, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Federal Funds Rate from time to time in effect. The obligations of the Lenders under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.
