1. BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

References herein to "Novelis," the "Company," "we," "our," or "us" refer to Novelis Inc. and its subsidiaries unless the context specifically indicates otherwise. References herein to "Hindalco" refer to Hindalco Industries Limited. Hindalco acquired Novelis in May 2007. Effective September 1, 2022, Novelis Inc. and AV Metals, Inc. (which, prior to such date, was our sole shareholder and a wholly owned subsidiary of AV Minerals (Netherlands) N.V.) completed a plan of arrangement, pursuant to which AV Metals, Inc. merged with and into Novelis Inc., with Novelis Inc. surviving the merger. As of the effectiveness of the plan of arrangement, we are a direct, wholly owned subsidiary of AV Minerals (Netherlands) N.V. and indirectly by Hindalco. Prior to the effectiveness of the plan of arrangement, AV Metals, Inc. was a holding company, with its assets being comprised solely of its investment in Novelis, and without any operations. The plan of arrangement was a combination of entities under common control and resulted in a change in the reporting entity. The opening balance of additional paid-in capital has been increased and that of retained earnings reduced by \$4 million in the earliest period presented.

All tonnages are stated in metric tonnes. One metric tonne is equivalent to 2,204.6 pounds. One kt is 1,000 metric tonnes.

Organization and Description of Business

We produce aluminum sheet and light gauge products for use in the packaging market, which includes beverage and food can and foil products, as well as for use in the automotive, transportation, aerospace, electronics, architectural, and industrial product markets. As of September 30, 2023, we had manufacturing operations in nine countries on four continents: North America, South America, Asia, and Europe, through 33 operating facilities, which may include any combination of hot or cold rolling, finishing, casting, or recycling capabilities. We have recycling operations in 15 of our operating facilities to recycle post-consumer aluminum, such as UBCs, and post-industrial aluminum, such as class scrap.

Basis of Presentation

The condensed consolidated balance sheet data as of March 31, 2023, was derived from the March 31, 2023, audited financial statements but does not include all disclosures required by U.S. GAAP. The accompanying unaudited condensed consolidated financial statements should be read in conjunction with our audited consolidated financial statements and accompanying notes in our 2023 Form 10-K. Management believes that all adjustments necessary for the fair statement of results, consisting of normally recurring items, have been included in the unaudited condensed consolidated financial statements for the interim periods presented.

Consolidation Policy

Our condensed consolidated financial statements have been prepared in accordance with U.S. GAAP and include the assets, liabilities, revenues, and expenses of all wholly owned subsidiaries, majority-owned subsidiaries over which we exercise control, and entities in which we have a controlling financial interest or are deemed to be the primary beneficiary. We eliminate intercompany accounts and transactions from our condensed consolidated financial statements.

We use the equity method to account for our investments in entities that we do not control but have the ability to exercise significant influence over operating and financial policies. Consolidated net income attributable to our common shareholder includes our share of the net income (loss) of these entities. The difference between consolidation and the equity method impacts certain of our financial ratios because of the presentation of the detailed line items reported in the condensed consolidated financial statements for consolidated entities, compared to a two-line presentation of investment in and advances to non-consolidated affiliates and equity in net income of non-consolidated affiliates.

Supplier Finance Programs

The Company participates in supply chain finance programs under which participating suppliers may elect to sell some or all of their Novelis receivables to a third-party financial institution. Supplier participation in the programs is solely up to the supplier, and participating suppliers negotiate their arrangements directly with the financial institutions. The payment terms that we have with our suppliers under these programs range up to 180 days and are considered commercially reasonable. The Company has provided a guarantee in support of the obligations of certain of its subsidiaries under one of the supply chain finance programs currently in effect pursuant to which invoices receivable from Novelis originating in North America and South America are purchased and sold. In the ordinary course of business, the Company provides operating guarantees relating to the payment obligations of certain of its subsidiaries. The Company's obligation under the guarantee referenced above is qualitatively the same as its guarantees supporting payment obligations of its subsidiaries.

On September 30, 2023 and March 31, 2023, confirmed supplier invoices that are outstanding and subject to the third-party programs included in accounts payable on the condensed consolidated balance sheets were \$651 million and \$801 million, respectively.

Novelis Inc.
NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (unaudited)

Use of Estimates and Assumptions

The preparation of our condensed consolidated financial statements in accordance with U.S. GAAP requires us to make estimates and assumptions. These estimates and assumptions affect the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities as of the date of the financial statements, and the reported amounts of revenues and expenses during the reporting periods. The principal areas of judgment relate to (1) impairment of goodwill; (2) actuarial assumptions related to pension and other postretirement benefit plans; (3) tax uncertainties and valuation allowances; and (4) assessment of loss contingencies, including environmental and litigation liabilities. Future events and their effects cannot be predicted with certainty, and accordingly, our accounting estimates require the exercise of judgment. The accounting estimates used in the preparation of our condensed consolidated financial statements may change as new events occur, more experience is acquired, additional information is obtained, and our operating environment changes. We evaluate and update our assumptions and estimates on an ongoing basis and may employ outside experts to assist in our evaluations. Actual results could differ from the estimates we have used.

Recently Adopted Accounting Standards

On April 1, 2023, we adopted ASU 2022-04, which requires a buyer in a supplier finance program to disclose qualitative and quantitative information about its supplier finance programs, including the key terms of the program, the amount of obligations outstanding at the end of the reporting period, and a description of where those obligations are presented in the balance sheet. If presented in more than one balance sheet line item, the amount in each line item should be disclosed. Further, effective April 1, 2024, a roll-forward of such amounts during the annual period should be presented. The adoption of this guidance resulted in enhanced disclosures regarding these programs (see Supplier Finance Programs above) and did not have a material impact on our consolidated financial condition, results of operations, or cash flows.

We did not adopt any other new accounting pronouncements during the six months ended September 30, 2023, that had a material impact on our consolidated financial condition, results of operations, or cash flows.

Recently Issued Accounting Standards (Not Yet Adopted)

There are no recent accounting pronouncements pending adoption that we expect will have a material impact on our consolidated financial condition, results of operations, or cash flows.

3. CONSOLIDATION

Variable Interest Entity

The entity that has a controlling financial interest in a VIE is referred to as the primary beneficiary and consolidates the VIE. An entity is deemed to have a controlling financial interest and is the primary beneficiary of a VIE if it has both the power to direct the activities of the VIE that most significantly impact the VIE's economic performance and an obligation to absorb losses or the right to receive benefits that could potentially be significant to the VIE.

Logan is a consolidated joint venture in which we hold 40% ownership. Our joint venture partner is Tri-Arrows. Logan processes metal received from Novelis and Tri-Arrows and charges the respective partner a fee to cover expenses. Logan is a thinly capitalized VIE that relies on the regular reimbursement of costs and expenses from Novelis and Tri-Arrows to fund its operations. Novelis is considered the primary beneficiary and consolidates Logan since it has the power to direct activities that most significantly impact Logan's economic performance, an obligation to absorb expected losses, and the right to receive benefits that could potentially be significant to the VIE.

Other than the contractually required reimbursements, we do not provide additional material support to Logan. Logan's creditors do not have recourse to our general credit. There are significant other assets used in the operations of Logan that are not part of the joint venture, as they are directly owned and consolidated by Novelis or Tri-Arrows.

The following table summarizes the carrying value and classification of assets and liabilities owned by the Logan joint venture and consolidated in our condensed consolidated balance sheets.

Alunorf

Alunorf is a joint venture investment between Novelis Deutschland GmbH, a subsidiary of Novelis, and Speira GmbH. Each of the parties to the joint venture holds a 50% interest in the equity, profits and losses, shareholder voting, management control, and rights to use the production capacity of the facility. Alunorf tolls aluminum and charges the respective partner a fee to cover the associated expenses.

UAL

UAL is a joint venture investment between Novelis Korea Ltd., a subsidiary of Novelis, and Kobe. UAL is a thinly capitalized VIE that relies on the regular reimbursement of costs and expenses from Novelis and Kobe. UAL is controlled by an equally represented board of directors in which neither entity has sole decision-making ability regarding production operations or other significant decisions. Furthermore, neither entity has the ability to take the majority share of production or associated costs over the life of the joint venture. Our risk of loss is limited to the carrying value of our investment in and inventory-related receivables from UAL. UAL's creditors do not have recourse to our general credit. Therefore, UAL is accounted for as an equity method investment, and Novelis is not considered the primary beneficiary. UAL currently produces flat-rolled aluminum products exclusively for Novelis and Kobe. As of September 30, 2023, Novelis and Kobe both hold a 50% interest in UAL.

AluInfra

AluInfra is a joint venture investment between Novelis Switzerland SA, a subsidiary of Novelis, and Constellium SE. Each of the parties to the joint venture holds a 50% interest in the equity, profits and losses, shareholder voting, management control, and rights to use the facility.

Short-Term Borrowings

As of September 30, 2023, our short-term borrowings totaled \$692 million, which consisted of \$495 million of borrowings on our ABL Revolver, \$150 million in short-term Brazil loans, and \$47 million in short-term China loans (CNY 336 million). The weighted average interest rate on the short-term borrowings was 6.38% and 6.67% as of September 30, 2023, and March 31, 2023, respectively.

Term Loan Facility

As of September 30, 2023, we were in compliance with the covenants of our Term Loan Facility.

On March 31, 2023, Novelis amended the Term Loan Facility, primarily to modify the reference rate used to determine interest from LIBOR to SOFR. Term loans under the Term Loan Facility will, beginning with the interest period commencing June 30, 2023, accrue interest at SOFR plus a 0.15% credit spread adjustment plus a spread of 1.75% in the case of the 2020 Term Loans, or a spread of 2.00% in the case of the 2021 Term Loans. During fiscal 2021, the Company adopted the practical expedient for Reference Rate Reform related to its debt arrangements and as such, this amendment is treated as a continuation of the existing debt agreement and no gain or loss on the modification was recorded. The Company did not record any gains or losses on the conversion of the reference rate for the borrowings under the Term Loan Facility from LIBOR to SOFR.

In September 2023, Novelis amended the Term Loan Facility and borrowed \$750 million of term loans (the "2023 Term Loans"). The proceeds of the 2023 Term Loan were used to repay the previously-issued term loans due January 2025 (the "2020 Term Loans"). The 2023 Term Loans mature on September 25, 2026, are subject to 0.25% quarterly amortization payments and accrue interest at SOFR plus 1.65%.

In accordance with ASC 470, Debt, the amendment was accounted for as a partial extinguishment of the 2020 Term Loans, whereby \$482 million of the \$750 million outstanding at the time of the transaction was deemed an extinguishment and \$268 million was deemed a modification of debt. As a result of this transaction, we recorded a loss on extinguishment of debt of \$5 million in the second quarter of fiscal 2024.

ABL Revolver

In April 2022, Novelis amended the ABL Revolver facility to increase the limit on committed letters of credit under the facility to \$275 million. There were no material costs incurred or accounting impacts as a result of this amendment.

In August 2022, Novelis amended the ABL Revolver facility to, among other things, increase the commitment under the ABL Revolver by \$500 million to \$2.0 billion and extend the maturity of the ABL Revolver until August 18, 2027. The amendment provides that new borrowings under the ABL Revolver facility made subsequent to the date of the amendment will incur interest at Term SOFR, EURIBOR, SONIA or SARON, as applicable based on the currency of the loan, plus a spread of 1.10% to 1.60% based on excess availability. The ABL Revolver facility also permits us to elect to borrow USD loans that accrue interest at a base rate (determined based on the greatest of one month Term SOFR plus 1.00%, a prime rate or an adjusted federal funds rate) plus a prime spread of 0.10% to 0.60% based on excess availability.

As of September 30, 2023, we had \$495 million in borrowings under the ABL Revolver and were in compliance with debt covenants. We utilized \$41 million of the ABL Revolver for letters of credit. We had availability of \$990 million on the ABL Revolver, including \$234 million of remaining availability that can be utilized for letters of credit.

Senior Notes

The Senior Notes are guaranteed, jointly and severally, on a senior unsecured basis, by Novelis Inc. and certain of its subsidiaries. The Senior Notes contain customary covenants and events of default that will limit our ability and, in certain instances, the ability of certain of our subsidiaries to incur additional debt and provide additional guarantees; pay dividends or return capital beyond certain amounts and make other restricted payments; create or permit certain liens; make certain asset sales; use the proceeds from the sales of assets and subsidiary stock; create or permit restrictions on the ability of certain of Novelis' subsidiaries to pay dividends or make other distributions to Novelis or certain of Novelis' subsidiaries, as applicable; engage in certain transactions with affiliates; enter into sale and leaseback transactions; designate subsidiaries as unrestricted subsidiaries; and consolidate, merge, or transfer all or substantially all of our assets and the assets of certain of our subsidiaries. During any future period in which either Standard & Poor's Ratings Group, Inc. or Moody's Investors Service, Inc. have assigned an investment grade credit rating to the Senior Notes and no default or event of default under the indenture has occurred and is continuing, certain of the covenants will be suspended. The Senior Notes include customary events of default, including a cross-acceleration event of default. The Senior Notes also contain customary call protection provisions for our bondholders that extend through November 2023 for the 3.25% Senior Notes due November 2026, through April 2024 for the 3.375% Senior Notes due April 2029, through January 2025 for the 4.75% Senior Notes due January 2030, and through August 2026 for the 3.875% Senior Notes due August 2031.

As of September 30, 2023, we were in compliance with the covenants of our Senior Notes.

6. SHARE-BASED COMPENSATION

During the six months ended September 30, 2023, we granted 1,941,778 Hindalco phantom RSUs and 2,598,668 Hindalco SARs. Total share-based compensation expense was \$8 million and \$14 million for the three and six months ended September 30, 2023, respectively. Total share-based compensation expense was \$6 million and \$4 million for the three and six months ended September 30, 2022, respectively. As of September 30, 2023, the outstanding liability related to share-based compensation was \$22 million.

The cash payments made to settle all Hindalco SAR liabilities were \$4 million and \$7 million in the six months ended September 30, 2023, and 2022, respectively. Total cash payments made to settle RSUs were \$13 million and \$15 million in the six months ended September 30, 2023, and 2022, respectively. As of September 30, 2023, unrecognized compensation expense related to the non-vested Hindalco SARs (assuming all future performance criteria are met) and the RSUs was \$9 million and \$22 million, respectively. The unrecognized expense related to the non-vested Hindalco SARs and the RSUs is expected to be recognized over weighted average periods of 1.5 years and 1.6 years, respectively.

7. POSTRETIREMENT BENEFIT PLANS

The Company recognizes actuarial gains and losses and prior service costs in the condensed consolidated balance sheet and recognizes changes in these amounts during the year in which changes occur through other comprehensive income (loss). The Company uses various assumptions when computing amounts relating to its defined benefit pension plan obligations and their associated expenses (including the discount rate and the expected rate of return on plan assets).

Components of net periodic benefit cost for all of our postretirement benefit plans are shown in the table below.

The average expected long-term rate of return on all plan assets is 6.1% in fiscal 2024.

Employer Contributions to Plans

For pension plans, our policy is to fund an amount required to provide for contractual benefits attributed to service to date and amortize unfunded actuarial liabilities typically over periods of 15 years or less. We also participate in savings plans in Canada and the U.S., as well as defined contribution pension plans in the U.S., the U.K., Canada, Germany, Italy, Switzerland, and Brazil. We contributed the following amounts to all plans.

Metal

We use derivative instruments to preserve our conversion margins and manage the timing differences associated with metal price lag. We use over-the-counter derivatives indexed to the LME (referred to as our "aluminum derivative forward contracts") to reduce our exposure to fluctuating metal prices associated with the period of time between the pricing of our purchases of inventory and the pricing of the sale of that inventory to our customers, which is known as "metal price lag." We also purchase forward LME aluminum contracts simultaneously with our sales contracts with customers that contain fixed metal prices. These LME aluminum forward contracts directly hedge the economic risk of future metal price fluctuations to better match the selling price of the metal with the purchase price of the metal. The volatility in LMPs also results in metal price lag.

Price risk arises due to fluctuating aluminum prices between the time the sales order is committed and the time the order is shipped. We identify and designate certain LME aluminum forward purchase contracts as cash flow hedges of the metal price risk associated with our future metal purchases that vary based on changes in the price of aluminum. Generally, such designated exposures do not extend beyond one year in length. The average duration of those contracts is one year.

Price risk exposure arises due to the timing lag between the LME based pricing of raw material aluminum purchases and the LME based pricing of finished product sales. We identify and designate certain LME aluminum forward sales contracts as cash flow hedges of the metal price risk associated with our future metal sales that vary based on changes in the price of aluminum. Generally, such designated exposures do not extend beyond two years in length. The average duration of those contracts is less than one year.

In addition to aluminum, we entered into LME copper and zinc forward contracts, as well as LMP forward contracts. As of September 30, 2023, and March 31, 2023, the fair value of these contracts represented a liability of less than \$1 million and an asset of less than \$1 million, respectively. These contracts are undesignated, with an average duration of one year.

The following table summarizes our notional amount.

Foreign Currency

We use foreign exchange forward contracts and cross-currency swaps to manage our exposure to changes in exchange rates. These exposures arise from recorded assets and liabilities, firm commitments, and forecasted cash flows denominated in currencies other than the functional currency of certain operations.

We use foreign currency contracts to hedge expected future foreign currency transactions, which include capital expenditures. These contracts cover the same periods as known or expected exposures. We had total notional amounts of \$1.0 billion and \$1.2 billion in outstanding foreign currency forwards designated as cash flow hedges as of September 30, 2023, and March 31, 2023, respectively.

As of September 30, 2023, and March 31, 2023, we had outstanding foreign currency exchange contracts with a total notional amount of \$1.4 billion and \$1.7 billion, respectively, to primarily hedge balance sheet remeasurement risk, which were not designated as hedges. Contracts representing the majority of this notional amount will mature by the third and fourth quarters of fiscal 2024 and offset the remeasurement impact.

NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (unaudited)

Interest rate

We use interest rate swaps to partially manage our exposure to changes in the SOFR interest rate, which impacts our variable-rate debt. During the three months ended September 30, 2023, we entered into several interest rate swaps to convert \$400 million of our variable rate exposure to a weighted average fixed rate of 4.4%. These interest rate swaps, designated as cash flow hedges, are effective from September 2023 through March 31, 2027.

Energy

We use natural gas forward purchase contracts to manage our exposure to fluctuating energy prices in North America. We had a notional of 3 million MMBtu designated as cash flow hedges as of September 30, 2023, and the fair value was an asset of less than \$1 million. There was a notional of 7 million MMBtu of natural gas forward purchase contracts designated as cash flow hedges as of March 31, 2023, and the fair value was a liability of less than \$1 million. As of September 30, 2023, we had a notional of less than \$1 million MMBtu forward contracts that were not designated as hedges, and the fair value was a liability of less than \$1 million. As of March 31, 2023, we had a notional of less than 1 million MMBtu and the fair value was a liability of less than \$1 million. The average duration for all natural gas contracts is less than three years in length.

We use diesel fuel forward purchase contracts to manage our exposure to fluctuating fuel prices in North America and Europe. We had a notional of 1 million gallons designated as cash flow hedges as of September 30, 2023, and the fair value was an asset of less than \$1 million. There was a notional of 1 million gallons designated as cash flow hedges as of March 31, 2023, and the fair value was a liability of less than \$1 million. As of September 30, 2023, we had a notional of less than 1 million metric tonnes not designated as hedges, and the fair value was an asset of less than \$1 million. As of March 31, 2023, we had a notional of less than 1 million metric tonnes of forward contracts that were not designated as hedges, and the fair value was a liability of less than \$1 million. The average duration for all diesel fuel contracts is one year in length.

The entire change in the fair value of the hedging instrument included in the assessment of hedge effectiveness is included in other comprehensive (loss) income and reclassified to earnings in the period in which earnings are impacted by the hedged items or in the period that the transaction becomes probable of not occurring. There was no amount excluded from the assessment of effectiveness recognized in earnings for the periods ended September 30, 2023, and 2022.

11. FAIR VALUE MEASUREMENTS

We record certain assets and liabilities, primarily derivative instruments, on our condensed consolidated balance sheets at fair value. We also disclose the fair values of certain financial instruments, including debt and loans receivable, which are not recorded at fair value. Our objective in measuring fair value is to estimate an exit price in an orderly transaction between market participants on the measurement date. We consider factors such as liquidity, bid/offer spreads, and nonperformance risk, including our own nonperformance risk, in measuring fair value. We use observable market inputs wherever possible. To the extent observable market inputs are not available, our fair value measurements will reflect the assumptions used. We grade the level of the inputs and assumptions used according to a three-tier hierarchy:

Level 1 — Unadjusted quoted prices in active markets for identical, unrestricted assets or liabilities we have the ability to access at the measurement date.

Level 2 — Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 — Unobservable inputs for which there is little or no market data, which require us to develop our own assumptions based on the best information available as to what market participants would use in pricing the asset or liability.

The following section describes the valuation methodologies we used to measure our various financial instruments at fair value, including an indication of the level in the fair value hierarchy in which each instrument is generally classified.

Derivative Contracts

For certain derivative contracts with fair values based upon trades in liquid markets, such as aluminum, zinc, copper, foreign exchange, natural gas, and diesel fuel forward contracts and options, valuation model inputs can generally be verified and valuation techniques do not involve significant judgment. The fair values of such financial instruments are generally classified within Level 2 of the fair value hierarchy.

The majority of our derivative contracts are valued using industry-standard models with observable market inputs as their basis, such as time value, forward interest rates, volatility factors, and current (spot) and forward market prices. We generally classify these instruments within Level 2 of the valuation hierarchy. Such derivatives include interest rate swaps, cross-currency swaps, foreign currency contracts, aluminum, copper, and zinc forward contracts, and natural gas and diesel fuel forward contracts.

For Level 2 and 3 of the fair value hierarchy, where appropriate, valuations are adjusted for various factors such as liquidity, bid/offer spreads, and credit considerations (nonperformance risk). We regularly monitor these factors along with significant market inputs and assumptions used in our fair value measurements and evaluate the level of the valuation input according to the fair value hierarchy. This may result in a transfer between levels in the hierarchy from period to period. As of September 30, 2023, and March 31, 2023, we did not have any Level 1 or Level 3 derivative contracts. No amounts were transferred between levels in the fair value hierarchy.

All of the Company's derivative instruments are carried at fair value in the statements of financial position prior to considering master netting agreements. The fair values of all derivative instruments are recognized as assets or liabilities at the balance sheet date and are reported gross.

The following table presents our derivative assets and liabilities which were measured and recognized at fair value on a recurring basis classified under the appropriate level of the fair value hierarchy as of September 30, 2023, and March 31, 2023. The table below also discloses the net fair value of the derivative instruments after considering the impact of master netting agreements.

Financial Instruments Not Recorded at Fair Value

The table below presents the estimated fair value of certain financial instruments not recorded at fair value on a recurring basis. The table excludes finance leases and short-term financial assets and liabilities for which we believe carrying value approximates fair value. We value long-term receivables and long-term debt using Level 2 inputs. Valuations are based on either market and/or broker ask prices when available or on a standard credit adjusted discounted cash flow model using market observable inputs.

<i>in millions</i>	September 30, 2023		March 31, 2023	
	Carrying Value	Fair Value	Carrying Value	Fair Value
Long-term receivables from related parties	\$ 2	\$ 2	\$ 3	\$ 3
Total debt — third parties (excluding finance leases and short-term borrowings)	4,892	4,461	4,939	4,652

Additionally, our condensed consolidated balance sheet as of September 30, 2023 includes a note receivable in the amount of \$42 million. The note receivable is not carried at fair value, but we assess its collectability on a quarterly basis. The fair value of the note receivable is determined using Level 2 inputs and is materially consistent with the carrying value.

13. INCOME TAXES

For the three months ended September 30, 2023, our effective tax rate differs from the Canadian statutory rate primarily due to the full-year forecasted effective tax rate taking into account income taxed at rates that differ from the 25% Canadian rate, including withholding taxes, offset by the availability of tax credits and income not subject to tax. For the six months ended September 30, 2023, our effective tax rate differs from the Canadian statutory rate primarily due to the full-year forecasted effective tax rate that takes into account income taxed at rates that differ from the 25% Canadian rate, including withholding taxes, offset by the availability of tax credits and income not subject to tax. For the three months ended September 30, 2022, our effective tax rate differs from the Canadian statutory rate primarily due to the full-year forecasted effective tax rate that takes into account income taxed at rates that differ from the 25% Canadian rate, including withholding taxes and changes to the Brazilian real foreign exchange rate, offset by the availability of tax credits and income not subject to tax. For the six months ended September 30, 2022, our effective tax rate differs from the Canadian statutory rate primarily due to the full-year forecasted effective tax rate taking into account income taxed at rates that differ from the 25% Canadian rate, including withholding taxes, changes to the Brazilian real foreign exchange rate, the availability of tax credits, and the change in valuation allowance. The change in valuation allowance is mainly attributable to the release of the full valuation allowance on temporary items and tax attributes of legacy Aleris entities in certain separate filer states and unitary filer states that require combined or separate reporting, resulting in a benefit of \$11 million.

As of September 30, 2023, we had a net deferred tax liability of \$119 million. This amount included gross deferred tax assets of approximately \$1.4 billion and a valuation allowance of \$709 million. It is reasonably possible that our estimates of future taxable income may change within the next twelve months resulting in a change to the valuation allowance in one or more jurisdictions.

Tax Uncertainties

Certain tax filings for fiscal years 2007 through 2020 are subject to tax examinations and judicial and administrative proceedings. As a result of further settlement of audits, judicial decisions, the filing of amended tax returns, or the expiration of statutes of limitations, our reserves for unrecognized tax benefits, as well as reserves for interest and penalties, may change in the next 12 months. With few exceptions, tax returns for all jurisdictions for all tax years before 2007 are no longer subject to examination by taxing authorities or subject to any judicial or administrative proceedings. In September 2023, we received a settlement offer for certain tax audits of Aleris Germany that were previously negotiated. We reclassified the tax contingency related to these audits to income tax payable and anticipate paying the settlement in fiscal 2024. During the three months ended September 30, 2023, certain other estimates and assumptions associated with uncertain tax positions also changed, none of which had a material impact on our financial statements for any periods presented.

14. COMMITMENTS AND CONTINGENCIES

We are party to and may in the future be involved in or subject to disputes, claims, and proceedings arising in the ordinary course of our business, including some we assert against others, such as environmental, health and safety, product liability, employee, tax, personal injury, and other matters. For certain matters in which the Company is involved in for which a loss is reasonably possible, we are unable to estimate a loss. For certain other matters for which a loss is reasonably possible and the loss is estimable, we have estimated the aggregated range of loss as \$0 to \$69 million. This estimated aggregate range of reasonably possible losses is based upon currently available information. The Company's estimates involve significant judgment. Therefore, the estimate will change from time to time and actual losses may differ from the current estimate. We review the status of, and estimated liability related to, pending claims and civil actions on a quarterly basis. The evaluation model includes all asserted and unasserted claims that can be reasonably identified, including claims relating to our responsibility for compliance with environmental, health and safety laws and regulations in the jurisdictions in which we operate or formerly operated. The estimated costs in respect of such reported liabilities are not offset by amounts related to insurance or indemnification arrangements unless otherwise noted.

Environmental Matters

We have established liabilities based on our estimates for currently anticipated costs associated with environmental matters. We estimate that the costs related to our environmental liabilities as of September 30, 2023, and March 31, 2023, were \$36 million and \$37 million, respectively. Of the total \$36 million as of September 30, 2023, \$15 million is associated with an environmental reserve, \$17 million is associated with undiscounted environmental clean-up costs, and \$4 million is associated with restructuring actions. As of September 30, 2023, \$20 million is included in accrued expenses and other current liabilities and the remainder is within other long-term liabilities in our accompanying condensed consolidated balance sheets.

Brazilian Tax Litigation

Under a federal tax dispute settlement program established by the Brazilian government, we have settled several disputes with Brazil's tax authorities regarding various forms of manufacturing taxes and social security contributions. In most cases, we are paying the settlement amounts over a period of 180 months, however, in some cases we pay the settlement amounts over a shorter period. Total settlement liabilities as of September 30, 2023, and March 31, 2023, were \$8 million and \$11 million, respectively. As of September 30, 2023, \$7 million is included in accrued expenses and other current liabilities and the remainder is within other long-term liabilities in our accompanying condensed consolidated balance sheets.

In addition to the disputes we have settled under the federal tax dispute settlement program, we are involved in several other unresolved tax and other legal claims in Brazil. Total liabilities for other disputes and claims were \$40 million as of September 30, 2023, and \$37 million as of March 31, 2023. As of September 30, 2023, the \$40 million is included within other long-term liabilities in our accompanying condensed consolidated balance sheets. Additionally, we have included in the range of reasonably possible losses disclosed above any unresolved tax disputes or other contingencies for which a loss is reasonably possible and estimable. The interest cost recorded on these settlement liabilities offset by interest earned on the cash deposits is reported in other (income) expenses, net on the condensed consolidated statement of operations.

During prior fiscal years, we received multiple favorable rulings from the Brazilian court that recognized the right to exclude certain taxes from the tax base used to calculate contributions to the social integration program and social security contributions on gross revenues, also known as PIS and COFINS. As a result of these cases, we had the right to apply for tax credits for the amounts overpaid during specified tax years. These credits and corresponding interest could be used to offset various Brazilian federal taxes in future years.

The Brazilian Office of the Attorney General of the National Treasury sought clarification from the Brazilian Supreme Court on certain matters, including the calculation methodology (i.e. gross or net credit amount) and timing of these credits. Since the Brazilian Supreme Court had not yet confirmed the appropriate methodology when these favorable rulings were received, Novelis recorded this benefit in the corresponding periods based on the net credit amount.

However, during the first quarter of fiscal 2022, the Brazilian Supreme Court ruled that the credit should be calculated using the gross methodology for lawsuits filed prior to March 2017. As such, Novelis recorded additional income of \$76 million in other (income) expenses, net, \$48 million of which is principal and \$29 million is interest, related to PIS and COFINS for the years 2009 to 2017, net of \$1 million in litigation expense.

During the third quarter of fiscal 2022, Novelis recorded \$5 million of additional income in other (income) expenses, net, \$2 million of which is principal and \$3 million of which is interest, related to PIS and COFINS for certain periods.

The credit amounts, interest calculation, and supporting documentation are subject to further validation and scrutiny by tax authorities for five years after the credits are utilized. Thus, credits recognized may differ from these amounts.

Novelis Inc.
NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (unaudited)

In order to qualify for these credits, the Company is required to compile and present verifiable support validating the credits. During fiscal 2022, Novelis applied for and received official authorization from The Special Department of Federal Revenue of Brazil ("Receita Federal") to use the PIS and COFINS credits related to certain periods. Novelis was able to utilize a majority of these credits to offset taxes paid in fiscal 2022 and utilized the remaining credits in the first quarter of fiscal 2023.

15. SEGMENT, GEOGRAPHICAL AREA, MAJOR CUSTOMER AND MAJOR SUPPLIER INFORMATION

Segment Information

Due in part to the regional nature of the supply and demand of aluminum rolled products and to best serve our customers, we manage our activities based on geographical areas and are organized under four operating segments: North America, Europe, Asia, and South America. All of our segments manufacture aluminum sheet and light gauge products. We also manufacture aluminum plate products in Europe and Asia.

The following is a description of our operating segments.

North America. Headquartered in Atlanta, Georgia, this segment operates 17 plants, including seven with recycling operations, in two countries.

Europe. Headquartered in Künsnacht, Switzerland, this segment operates 10 plants, including five with recycling operations, in four countries.

Asia. Headquartered in Seoul, South Korea, this segment operates four plants, including two with recycling operations, in two countries.

South America. Headquartered in São Paulo, Brazil, this segment operates two plants in Brazil, including one with recycling operations.

Net sales and expenses are measured in accordance with the policies and procedures described in Note 1 – Business and Summary of Significant Accounting Policies within our 2023 Form 10-K.

We measure the profitability and financial performance of our operating segments based on Adjusted EBITDA. Adjusted EBITDA provides a measure of our underlying segment results that is in line with our approach to risk management. We define Adjusted EBITDA as earnings before (a) depreciation and amortization; (b) interest expense and amortization of debt issuance costs; (c) interest income; (d) unrealized gains (losses) on change in fair value of derivative instruments, net, except for foreign currency remeasurement hedging activities, which are included in Adjusted EBITDA; (e) impairment of goodwill; (f) (gain) loss on extinguishment of debt, net; (g) noncontrolling interests' share; (h) adjustments to reconcile our proportional share of Adjusted EBITDA from non-consolidated affiliates to income as determined on the equity method of accounting; (i) restructuring and impairment expenses (reversals), net; (j) gains or losses on disposals of property, plant and equipment and businesses, net; (k) other costs, net; (l) litigation settlement, net of insurance recoveries; (m) sale transaction fees; (n) income tax provision (benefit); (o) cumulative effect of accounting change, net of tax; (p) metal price lag; (q) business acquisition and other related costs; (r) purchase price accounting adjustments; (s) income (loss) from discontinued operations, net of tax; and (t) loss on sale of discontinued operations, net of tax.

The tables that follow show selected segment financial information. "Eliminations and Other" includes eliminations and functions that are managed directly from our corporate office that have not been allocated to our operating segments as well as the adjustments for proportional consolidation and eliminations of intersegment net sales. The financial information for our segments includes the results of our affiliates on a proportionately consolidated basis, which is consistent with the way we manage our business segments. In order to reconcile the financial information for the segments shown in the tables below to the relevant U.S. GAAP based measures, we must adjust proportional consolidation of each line item. The "Eliminations and Other" in net sales – third party includes the net sales attributable to our joint venture party, Tri-Arrows, for our Logan affiliate because we consolidate 100% of the Logan joint venture for U.S. GAAP, but we manage our Logan affiliate on a proportionately consolidated basis. See [Note 3 – Consolidation](#) and [Note 4 – Investment in and Advances to Non-Consolidated Affiliates and Related Party Transactions](#) for further information about these affiliates. Additionally, we eliminate intersegment sales and intersegment income for reporting on a consolidated basis.

16. SUBSEQUENT EVENTS

In October 2023, the Company approved the plan to close the cold rolling and finishing plant in Clayton, New Jersey. The decision was based on the opportunity to optimize the product portfolio and simplify the manufacturing footprint by eliminating some low growth, low margin products and consolidating production at other sites. The Company expects to cease substantially all operations at this plant by the end of the third quarter of fiscal 2024 and estimates total pre-tax charges associated with this action to be in the range of \$25 million to \$35 million, consisting primarily of charges for accelerated depreciation and employee-related restructuring expenses, which the Company expects to record in the third quarter of fiscal 2024. Additionally, the Company will record any environmental liabilities, if applicable, when such amounts are estimable following the closure of the plant.

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations.

FORWARD-LOOKING STATEMENTS

The following information should be read together with our unaudited condensed consolidated financial statements and accompanying notes included elsewhere in this Form 10-Q for a more complete understanding of our financial condition and results of operations. The following discussion contains forward-looking statements that reflect our plans, estimates, and beliefs. Our actual results could differ materially from those discussed in these forward-looking statements. Factors that could cause or contribute to these differences include, but are not limited to, those discussed below, particularly in [SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS AND MARKET DATA](#).

OVERVIEW AND REFERENCES

In this Form 10-Q, unless otherwise specified, the terms "we," "our," "us," the "Company," and "Novelis" refer to Novelis Inc., a company incorporated in Canada under the Canadian Business Corporations Act, and its subsidiaries. References herein to "Hindalco" refer to Hindalco Industries Limited, which acquired Novelis in May 2007.

Novelis is driven by its purpose of shaping a sustainable world together. We consider ourselves a global leader in the production of innovative aluminum products and solutions and the world's largest recycler of aluminum. Our ambition is to be the leading provider of low-carbon, sustainable aluminum solutions and to achieve a fully circular economy by partnering with our suppliers and customers in beverage packaging, automotive, aerospace, and specialties (a diverse market including building and construction; signage; foil and packaging; commercial transportation; and commercial and consumer products, among others) markets throughout North America, Europe, Asia, and South America. Novelis is a subsidiary of Hindalco, an industry leader in aluminum and copper and the metals flagship company of the Aditya Birla Group, a multinational conglomerate based in Mumbai, India. As of September 30, 2023, we had manufacturing operations in nine countries on four continents: North America, South America, Asia, and Europe, through 33 operating facilities, which may include any combination of hot or cold rolling, finishing, casting, or recycling capabilities. We have recycling operations in 15 of our operating facilities to recycle post-consumer aluminum, such as UBCs, and post-industrial aluminum, such as class scrap.

As used in this Form 10-Q, consolidated "aluminum rolled product shipments," "flat-rolled product shipments," or "shipments" refers to aluminum rolled product shipments to third parties. Regional "aluminum rolled product shipments," "flat-rolled product shipments," or "shipments" refers to aluminum rolled product shipments to third parties and intersegment shipments to other Novelis regions. Shipment amounts also include tolling shipments. References to "total shipments" include aluminum rolled product shipments as well as certain other non-rolled product shipments, primarily scrap, UBCs, ingots, billets, and primary remelt. The term "aluminum rolled products" is synonymous with the terms "flat-rolled products" and "FRP," which are commonly used by manufacturers and third-party analysts in our industry. All tonnages are stated in metric tonnes. One metric tonne is equivalent to 2,204.6 pounds. One kt is 1,000 metric tonnes.

BUSINESS AND INDUSTRY CLIMATE

A little over a decade ago, we launched a strategy to transform and improve the profitability of our business through disciplined phases of significant capital investment in new capacity and capabilities. These investments enabled us to increase the amount of recycled content in our products, capitalize on favorable long-term market trends driving increased consumer demand for lightweight, sustainable aluminum products, and diversify and optimize our product portfolio. As a global leader in the aluminum flat-rolled products industry, we leveraged our new capacity, global footprint, scale, and solid customer relationships to drive volumes and capture favorable supply and demand market dynamics across all our end-use markets. Volume growth combined with improved pricing, a significant increase in scrap inputs, operational efficiencies, acquisition cost synergies, and high-capacity utilization rates, we significantly improved the profitability of our beverage packaging and specialties products and maintained high margins for automotive and aerospace products since launching this strategy.

However, rising inflation and geopolitical instability in Europe in fiscal 2023, led to increased global operating costs, including for energy, freight, labor, coatings, and alloys. While many of these operating cost pressures have lessened in recent months, some costs, including for labor and repairs, and maintenance, remain elevated. Rising interest rates have also increased interest expense on our variable interest rate loans. We believe the challenging inflationary and geopolitical environment is negatively impacting near-term demand in some specialty end markets, such as building and construction, which is more sensitive to inflation and interest rates. We expect such elevated costs and reduced demand until economic conditions stabilize. Despite our results being negatively impacted by higher costs, we have been able to partially mitigate a portion of the higher inflationary cost impact through a combination of hedging, passing through a portion of the higher costs to customers, favorable pricing environments, and utilizing recycled materials. We have also implemented cost control measures across our global operations, including a focus on employment, professional services, and travel costs. There is no assurance that we will continue to be able to mitigate these higher costs in the future.

Our management administers an Enterprise Risk Management ("ERM") program, which is a comprehensive risk assessment and mitigation process that identifies and addresses all known current and potential material risks to Novelis' global operations, including legal and regulatory risks. The ERM team is led by an executive officer who delivers an ERM report to the Audit Committee of our Board at least quarterly. The ERM team meets with or interviews approximately 80 employees each quarter to stay abreast of the latest risks we face. Throughout the escalation of the Russia-Ukraine conflict, our ERM team has monitored developments and gathered information about Novelis contracts with Russian businesses. Novelis' direct exposure to the conflict has been limited, as we have no operations, assets, or employees in either Russia or Ukraine, and we have only immaterial customer relationships in these countries. Sanctions, tariffs, a ban, or similar actions impacting the supply of Russian aluminum could disrupt global aluminum supply. While one of our suppliers of metal is UC Rusal PLC ("Rusal"), a Russian aluminum company, we purchase metal from a diverse global portfolio of metal suppliers and are not dependent on Rusal for a significant portion of our metal supply. The ERM team also monitors other potential impacts of Russia's invasion of Ukraine, including impacts on the reliability of energy supplies to our European manufacturing sites and supply chain disruptions. This information is presented to, and discussed with, the Audit Committee of our Board at least quarterly, with interim updates from our executive leadership as our Board may require. In addition, we manage sanctions compliance through a global sanctions screening program, and our Information Security team monitors cybersecurity matters and makes periodic reports at meetings of our Board.

We believe that global long-term demand for aluminum rolled products remains strong, driven by anticipated economic growth, material substitution, and sustainability considerations, including increased environmental awareness around polyethylene terephthalate ("PET") plastics. However, we saw reduced can sheet demand beginning in the second half of fiscal 2023 attributed to the beverage packaging industry reducing their excess inventory as supply chains improve and markets adjust to a more moderated level of beverage packaging demand post-COVID-19 pandemic. We believe inventory levels across the beverage packaging supply chain have now largely normalized.

Increasing customer preference for sustainable packaging options, and package mix shift toward infinitely recyclable aluminum are driving higher demand for aluminum beverage packaging worldwide. To support growing demand for aluminum beverage can sheet in North America, we broke ground on a 600 kt capacity greenfield rolling and recycling plant in Bay Minette, Alabama, in October 2022. We plan to allocate more than half of this plant's capacity to the production of beverage can sheet. We continue to evaluate opportunities for additional capacity expansion across regions where local can sheet supply is insufficient to meet the rise in demand.

We believe that long-term demand for aluminum automotive sheet will continue to grow, which drove our recently completed investments in automotive sheet finishing capacity in Guthrie, Kentucky, and Changzhou, China. This demand has been primarily driven by the benefits that result from using lightweight aluminum in vehicle structures and components, as automakers respond to stricter government regulations regarding emissions and fuel economy, while maintaining or improving vehicle safety and performance, resulting in increased competition with high-strength steel. We are also seeing increased demand for aluminum for electric vehicles, as aluminum's lighter weight can result in extended battery range.

We expect long-term demand for building and construction and other specialty products to grow due to increased customer preference for lightweight, sustainable materials and demand for aluminum plate in Asia to grow driven by the development and expansion of industries serving aerospace, rail, and other technically demanding applications.

Demand for aerospace aluminum plate and sheet has strengthened as air-travel demand has recovered toward pre-COVID levels. In the longer-term, we believe significant aircraft industry order backlogs for key OEMs, including Airbus and Boeing, will translate into growth in the future and that our multi-year supply agreements have positioned us to benefit from future expected demand.

We believe the long-term demand trends for flat-rolled aluminum products remain strong, and we have identified more than \$4.5 billion of potential organic capital investment opportunities to grow Novelis' business through debottlenecking, recycling, and new capacity investments, focused on increasing capacity and capabilities that meet growing customer demand and align with our sustainability commitments. We intend to primarily fund these organic growth investments from internally generated cash flows, and, as such, are pacing capital investments and prioritizing specific investments of approximately \$3.5 billion that are already under way.

Environmental, Social & Governance

In April 2021, we announced that we will further our longstanding sustainability commitment by aiming to become a carbon neutral company by 2050 or sooner, with an interim goal to reduce our carbon footprint by 30% by fiscal 2026, from our baseline of fiscal 2016. Carbon goals are inclusive of Scope 1 and 2, as well as Scope 3 emissions in categories 1 and 4 of the Greenhouse Gas Protocol. In addition, we have targets to reduce waste intensity to landfills by 20%, energy intensity by 10%, and water intensity by 10%, each by fiscal 2026, from our baseline of fiscal 2020.

We plan to increase the use of recycled content in our products, as appropriate, and engage with customers, suppliers, and industry peers across the value chain as we aim to drive innovation that improves aluminum's overall sustainability profile. In addition, we intend to evaluate each future expansion project's carbon impact and plan to include an appropriate carbon cost impact as part of our financial evaluation of future strategic growth investments so that we may appropriately mitigate any negative carbon impacts to meet our goals.

In support of our commitments, we are voluntarily pursuing the certification of all of our plant operations to the Aluminum Stewardship Initiatives' ("ASI") certification program. ASI works together with producers, users, and stakeholders in the aluminum value chain to collaboratively foster responsible production, sourcing, and stewardship of aluminum. Currently, we have 22 plants globally, and 14 scrap collection centers across Brazil, with both the Performance Standard Certification and the Chain of Custody Certification. In addition, to support our initiatives, in March 2021 we issued €500 million in aggregate principal amount of senior notes. We intend to allocate an amount equal to the net proceeds of these notes to eligible "green" projects, such as investments in renewable energy and pollution prevention and control projects. Through March 31, 2023, we have allocated \$280 million of the net proceeds to such projects.

Our path to a more sustainable and circular future goes beyond our environmental commitments. We have set targets to be a more diverse and inclusive workforce that reflects our local communities. Globally, we are dedicated to increasing the representation of women in senior leadership, as well as in technical roles. To achieve these goals, the Company has established a global Diversity & Inclusion board of directors, as well as supporting councils in each of our four regions. We will also continue assisting our Employee Resource Groups to help create a more inclusive environment where we seek to provide our employees with a sense of belonging and where different backgrounds and perspectives are embraced and valued.

We are also committed to supporting the communities in which our employees live and work. With firmly established community engagement programs, the Company is committed to advancing its corporate social responsibility efforts by further investing in the Novelis Neighbor program, which gives back to communities through financial contributions and employee volunteerism. The program will continue emphasizing STEM education, recycling education, and community development.

Liquidity Position

We believe we have adequate liquidity to manage the business with dynamic metal prices. Our cash and cash equivalents and availability under committed credit facilities aggregated to \$2.3 billion of liquidity as of September 30, 2023.

We maintain a disciplined approach to capital spending, prioritizing maintenance capital for our operations, and organic strategic capacity expansion projects. We are taking a prudent approach to phasing the timing of transformational organic investment spend, and we expect capital expenditures for fiscal 2024 to be in the range of approximately \$1.6 to \$1.9 billion, as spending for a number of announced strategic capital projects is now ramping up. This current guidance includes approximately \$300 million for expected maintenance spend.

Market Trends

Beverage Packaging. Can stock shipments represent the largest percentage of our total rolled product shipments. We estimate demand for can stock will increase at a global compound annual growth rate of approximately 3% from calendar year 2022 to 2031, mainly driven by sustainability trends; growth in beverage markets that increasingly use aluminum packaging; and substitution from plastic, glass, and steel. However, we have recently seen reduced can sheet demand, which began during the middle of fiscal year 2023 and has continued into early fiscal 2024. We attribute this reduced can sheet demand to the beverage packaging industry reducing excess inventory previously stocked in response to unreliable supply chains and unprecedented high levels of beverage packaging demand during the COVID-19 pandemic, as well as low promotional activity at retailers. We anticipate demand will continue to recover over the next couple of quarters as we believe industry inventory levels have now largely normalized and some level of promotional activity is beginning to resume.

Automotive. We believe aluminum utilization is positioned for long-term growth through increased adoption of electric vehicles, which utilize higher amounts of aluminum. We estimate global automotive aluminum sheet demand will grow at an 11% compound annual growth rate between calendar year 2023 and 2028. Easing supply chain challenges and pent-up consumer demand increasing vehicle levels is supporting strong near-term demand for automotive aluminum sheet.

Beginning on September 15, 2023, the United Auto Workers (UAW) commenced strikes impacting three of our North American customers, Ford Motor Company, General Motors and Stellantis. Due to our diverse customer and geographic base, we did not experience any material impact from these strikes in the second quarter of fiscal 2024. The UAW reached tentative agreements with all three automakers during the second half of October 2023, and as such we do not anticipate any material impact on our financial results in future periods as a result of these strikes, assuming the agreements are approved and finalized promptly.

Aerospace. Passenger air travel continues to increase facilitating a faster than anticipated recovery for the aerospace industry post-pandemic. We expect demand for aerospace aluminum plate and sheet to continue to grow driven by increased air traffic and a need for fleet modernization.

Specialties. Specialties includes diverse markets, including building and construction, commercial transportation, foil and packaging, and commercial and consumer products. These industries continue to increase aluminum adoption due to its many desirable characteristics. We believe these trends will keep demand high in the long-term, despite the near-term economic headwinds impacting demand for building and construction and some industrial products.

BUSINESS MODEL AND KEY CONCEPTS

Conversion Business Model

A significant amount of our business is conducted under a conversion model, which allows us to pass through increases or decreases in the price of aluminum to our customers. Nearly all of our flat-rolled products have a price structure with three components: (1) a base aluminum price quoted off the LME; (2) an LMP; and (3) a "conversion premium" to produce the rolled product, which reflects, among other factors, the competitive market conditions for that product. Base aluminum prices are typically driven by macroeconomic factors and global supply and demand for aluminum. LMPs tend to vary based on the supply and demand for metal in a particular region and associated transportation costs.

In North America, Europe, and South America, we pass through LMPs to our customers, which are recorded through net sales. In Asia, we purchase our metal inputs based on the LME and incur an LMP. Many of our competitors in this region price their metal off the Shanghai Futures Exchange, which does not include an LMP. However, in a majority of new contracts over the last several quarters, we are able to fully pass through the LMPs.

LME Base Aluminum Prices and Local Market Premiums

The average (based on the simple average of the monthly averages) and closing prices for aluminum set on the LME are as follows.

	Three Months Ended September 30,			Six Months Ended September 30,

Closing cash price as of end of period	2,308	2,180	6	2,308	2,180	6

The weighted average LMPs are as follows.

	Three Months Ended September 30,			Six Months Ended September 30,

Metal Price Lag and Related Hedging Activities

Increases or decreases in the price of aluminum based on the average LME base aluminum prices and LMPs directly impact net sales, cost of goods sold (exclusive of depreciation and amortization), and working capital. The timing of these impacts varies based on contractual arrangements with customers and metal suppliers in each region. These timing impacts are referred to as metal price lag. Metal price lag exists due to: (i) the period of time between the pricing of our purchases of metal, holding and processing the metal, and the pricing of the sale of finished inventory to our customers and (ii) certain customer contracts containing fixed forward price commitments, which result in exposure to changes in metal prices for the period of time between when our sales price fixes and the sale actually occurs.

We use LME aluminum forward contracts to preserve our conversion margins and manage the timing differences associated with the LME base metal component of net sales and cost of goods sold (exclusive of depreciation and amortization). These derivatives directly hedge the economic risk of future LME base metal price fluctuations to better match the purchase price of metal with the sales price of metal. We have exposure to multiple regional LMPs, however the derivative markets for those LMPs are generally not robust or efficient enough for us to hedge all of our exposure to price movements beyond a small volume. From time to time, we take advantage of short-term market conditions to hedge a small percentage of our exposure. As a consequence, volatility in LMPs can have a significant impact on our results of operations and cash flows.

We elect to apply hedge accounting to better match the recognition of gains or losses on certain derivative instruments with the recognition of the underlying exposure being hedged in the statement of operations. For undesignated metal derivatives, there are timing differences between the recognition of unrealized gains or losses on the derivatives and the recognition of the underlying exposure in the statement of operations. The recognition of unrealized gains and losses on undesignated metal derivative positions typically precedes inventory cost recognition, customer delivery, and revenue recognition. The timing difference between the recognition of unrealized gains and losses on undesignated metal derivatives and cost or revenue recognition impacts income from continuing operations before income tax provision and net income.

Foreign Currency and Related Hedging Activities

We operate a global business and conduct business in various currencies around the world. We have exposure to foreign currency risk as fluctuations in foreign exchange rates impact our operating results when we translate the operating results from various functional currencies into our U.S. dollar reporting currency at current average rates. We also record foreign exchange remeasurement gains and losses when business transactions are denominated in currencies other than the functional currency of that operation. Global economic uncertainty is contributing to higher levels of volatility among the currency pairs in which we conduct business. The following table presents the exchange rates as of the end of each period and the average of the month-end exchange rates.

	Exchange Rate as of		Average Exchange Rate Three Months Ended September 30,		Average Exchange Rate Six Months Ended September 30,	
	September 30, 2023	March 31, 2023	2023	2022	2023	2022
Euro per U.S. dollar	0.945	0.920	0.924	0.998	0.922	0.971
Brazilian real per U.S. dollar	5.008	5.080	4.890	5.258	4.931	5.110
South Korean won per U.S. dollar	1,345	1,304	1,315	1,362	1,320	1,316
Canadian dollar per U.S. dollar	1.352	1.354	1.340	1.321	1.343	1.299
Swiss franc per euro	0.968	0.993	0.961	0.972	0.969	0.995

Exchange rate movements have an impact on our operating results. In Europe, where we predominantly have local currency selling prices and operating costs, we benefit as the euro strengthens but are adversely affected as the euro weakens. For our Swiss operations, where operating costs are incurred primarily in the Swiss franc and a large portion of revenues are denominated in the euro, we benefit as the Swiss franc weakens but are adversely affected as the franc strengthens. In South Korea, where we have local currency operating costs and U.S. dollar denominated selling prices for exports, we benefit as the South Korean won weakens but are adversely affected as the won strengthens. In Brazil, where we have predominately U.S. dollar selling prices and local currency manufacturing costs, we benefit as the Brazilian real weakens but are adversely affected as the real strengthens. We use foreign exchange forward contracts to manage our exposure arising from recorded assets and liabilities, firm commitments, and forecasted cash flows denominated in currencies other than the functional currency of certain operations, which include capital expenditures and net investment in foreign subsidiaries.

See *Segment Review* below for the impact of foreign currency on each of our segments.

RESULTS OF OPERATIONS

For the three months ended September 30, 2023, we reported net income attributable to our common shareholder of \$157 million, a decrease of 14% compared to \$183 million in the comparable prior year period, and total Adjusted EBITDA of \$484 million, a decrease of 4% compared to \$506 million in the comparable prior year period. The decrease in operational performance compared to the comparable prior year period is primarily driven by lower beverage packaging and specialty shipments, less favorable metal benefit from recycling, and a favorable inventory timing effect from capitalizing high operating costs in the prior year period. These headwinds were largely offset by higher pricing including some cost pass-through to customers, higher automotive shipments, favorable product mix, and some settling of inflation in the current quarter on operating costs, including freight, energy, and coatings.

For the six months ended September 30, 2023, we reported net income attributable to our common shareholder of \$313 million, a decrease of 36% compared to \$490 million in the comparable prior year period, and total Adjusted EBITDA of \$905 million, a decrease of 15% compared to \$1.1 billion in the comparable prior year period. The decrease in operational performance was primarily driven by lower beverage packaging and specialty shipments and less favorable metal benefit from recycling. These headwinds were partially offset by higher pricing, including some cost pass-through to customers, higher automotive shipments, and some settling of inflationary cost pressures.

Three Months Ended September 30, 2023, Compared to the Three Months Ended September 30, 2022

Net sales was \$4.1 billion for the three months ended September 30, 2023, a decrease of 14% from \$4.8 billion in the comparable prior year period, primarily driven by lower average aluminum prices, and a 5% decrease in shipments, partially offset by higher pricing across end markets.

Income from continuing operations before income tax provision was \$208 million for the three months ended September 30, 2023, a decrease of 16% from \$249 million in the comparable prior year period. In addition to the factors noted above, the following items affected income from continuing operations before income tax provision.

Cost of Goods Sold (Exclusive of Depreciation and Amortization)

Cost of goods sold (exclusive of depreciation and amortization) was \$3.5 billion for the three months ended September 30, 2023, a decrease of 16% from \$4.1 billion in the comparable prior year period, primarily due to lower average aluminum prices and lower shipments. Total metal input costs included in cost of goods sold (exclusive of depreciation and amortization) decreased \$663 million over the comparable prior year period.

Selling, General and Administrative Expenses

SG&A was \$182 million for the three months ended September 30, 2023, compared to \$181 million for the three months ended September 30, 2022.

Depreciation and Amortization

Depreciation and amortization was \$136 million and \$134 million in the three months ended September 30, 2023, and 2022, respectively.

Interest Expense and Amortization of Debt Issuance Costs

Interest expense and amortization of debt issuance costs was \$78 million and \$65 million for the three months ended September 30, 2023, and 2022, respectively. The increase is primarily due to higher average interest rates on variable interest rate borrowings.

Loss on Extinguishment of Debt, Net

We recorded a \$5 million loss on extinguishment of debt, net for the three months ended September 30, 2023. This relates to the write-off of unamortized debt issuance costs and discount for the partial extinguishment of the 2020 Term Loan. There were no losses on extinguishments of debt for the three months ended September 30, 2022.

Restructuring and Impairment Expenses (Reversals), Net

Restructuring and impairment expenses, net was a net expense of \$4 million and \$1 million for the three months ended September 30, 2023 and 2022, respectively.

Other (Income) Expense, Net

Other (income) expenses, net was income of \$2 million and an expense of \$10 million for the three months ended September 30, 2023, and 2022, respectively. The change primarily relates to an increase in realized gains on the change in fair value of derivative instruments, net in the current period compared to the prior year period.

Taxes

We recognized \$51 million of income tax expense for the three months ended September 30, 2023. Our effective tax rate was primarily driven by the full-year forecasted effective tax rate that takes into account income taxed at rates that differ from the 25% Canadian rate, including withholding taxes, offset by the availability of tax credits and income not subject to tax. We recognized \$65 million of income tax expense in the comparable prior year period.

Segment Review

Due in part to the regional nature of supply and demand of aluminum rolled products and in order to best serve our customers, we manage our activities on the basis of geographical regions and are organized under four operating segments: North America, Europe, Asia, and South America.

The tables below illustrate selected segment financial information (in millions, except shipments, which are in kt). For additional financial information related to our operating segments including the reconciliation of net income attributable to our common shareholder to Adjusted EBITDA, see [Note 15 – Segment, Geographical Area, Major Customer and Major Supplier Information](#). In order to reconcile the financial information for the segments shown in the tables below to the relevant U.S. GAAP-based measures, "Eliminations and Other" must adjust for proportional consolidation of each line item for our Logan affiliate because we consolidate 100% of the Logan joint venture for U.S. GAAP purposes. However, we manage our Logan affiliate on a proportionately consolidated basis and eliminate intersegment shipments (in kt).

- (1) The recognition of Adjusted EBITDA by a region on an intersegment shipment could occur in a period prior to the recognition of Adjusted EBITDA on a consolidated basis, depending on the timing of when the inventory is sold to the third-party customer. The "Eliminations and Other" column adjusts regional Adjusted EBITDA for intersegment shipments that occur in a period prior to recognition of Adjusted EBITDA on a consolidated basis. The "Eliminations and Other" column also reflects adjustments for changes in regional volume, conversion premium and product mix, and conversion costs related to intersegment shipments for consolidation. In order to reconcile the financial information for the segments shown in the tables above to the relevant U.S. GAAP-based measures, "Eliminations and Other" must adjust for proportional consolidation of each line item for our Logan affiliate because we consolidate 100% of the Logan joint venture for U.S. GAAP purposes. However, we manage our Logan affiliate on a proportionately consolidated basis and eliminate intersegment shipments (in kt).

- (2) Selling, general & administrative and research & development costs include costs incurred directly by each segment and all corporate related costs.

North America

Net sales decreased \$236 million, or 12%, primarily driven by lower average aluminum prices and lower specialty shipments, mainly in building and construction, due to softer market demand, partially offset by higher automotive shipments compared to the prior year due to stronger demand and higher beverage packaging shipments as customer inventory destocking activities are complete and some level of promotional activity and demand has resumed in the region. Adjusted EBITDA was \$208 million, an increase of 9%, primarily driven by higher volume and product pricing. Total conversion costs were higher year over year despite reduced inflationary cost pressures and favorable metal benefit due to a favorable inventory timing effect from capitalizing high operating costs in prior year.

Europe

Net sales decreased \$164 million, or 12%, primarily driven by lower average aluminum prices, lower beverage packaging and specialty shipments, mainly in building and construction, due to softer market demand, partially offset by higher automotive shipments compared to the prior year due to stronger demand from automotive OEMs. Adjusted EBITDA was \$100 million, an increase of 37%, primarily driven by higher product prices, favorable metal benefits, some reduced inflationary pressures on operating costs including energy, and favorable foreign exchange, partially offset by lower volume.

Asia

Net sales decreased \$209 million, or 25%, primarily driven by lower average aluminum prices, lower beverage packaging shipments due to softer market demand in southeast Asia and the Middle East, and slightly lower automotive shipments, partially offset by higher specialty shipments mainly to support strong EV battery demand. Adjusted EBITDA was \$82 million, a decrease of 27%, primarily driven by lower volume and less favorable metal benefit, partially offset by favorable foreign exchange. Additionally, we incurred lower freight costs compared to the prior year period, which in turn resulted in a lower freight cost pass through in price to customers.

South America

Net sales decreased \$158 million, or 21%, primarily driven by lower average aluminum prices and lower beverage packaging shipments on softer local market demand. Adjusted EBITDA was \$93 million, a decrease of 27%, primarily driven by lower volume and less favorable metal benefit.

Six Months Ended September 30, 2023, Compared to the Six Months Ended September 30, 2022

Net sales were \$8.2 billion for the six months ended September 30, 2023, a decrease of 17% from \$9.9 billion in the comparable prior year period, primarily driven by lower average aluminum prices and a 6% decline in total shipments compared to the prior year period.

Income from continuing operations before income tax provision was \$418 million for the six months ended September 30, 2023, compared to \$643 million in the comparable prior year period. In addition to the factors noted above, the following items affected income from continuing operations before income tax provision.

Cost of Goods Sold (Exclusive of Depreciation and Amortization)

Cost of goods sold (exclusive of depreciation and amortization) was \$7.0 billion for the six months ended September 30, 2023, a decrease of 17% from \$8.4 billion in the comparable prior year period, driven primarily by lower average aluminum prices and lower production due to reduced demand. Total metal input costs included in cost of goods sold (exclusive of depreciation and amortization) decreased \$1.4 billion over the comparable prior year period.

Selling, General and Administrative Expenses

SG&A was \$356 million for the six months ended September 30, 2023, compared to \$345 million for the six months ended September 30, 2022. The increase is mainly due to higher employment costs, partially offset by cost control measures across our global operations, including a focus on employment, professional services, and travel costs.

Depreciation and Amortization

Depreciation and amortization was \$267 million for the six months ended September 30, 2023, compared to \$272 million for the six months ended September 30, 2022.

Interest Expense and Amortization of Debt Issuance Costs

Interest expense and amortization of debt issuance costs was \$155 million and \$123 million for the six months ended September 30, 2023, and 2022, respectively. This increase is primarily due to higher average interest rates on variable interest rate borrowings.

Loss on Extinguishment of Debt, Net

We recorded a \$5 million loss on extinguishment of debt, net for the six months ended September 30, 2023. This relates to the write-off of unamortized debt issuance costs and discount for the partial extinguishment of the 2020 Term Loan. There were no losses on extinguishments of debt for the six months ended September 30, 2022.

Restructuring and Impairment Expenses, Net

Restructuring and impairment expenses, net was a net expense of \$7 million and \$2 million for the six months ended September 30, 2023, and 2022, respectively.

Other (Income) Expenses, Net

Other (income) expenses, net was income of \$29 million and an expense of \$60 million for the six months ended September 30, 2023, and 2022, respectively. This change primarily relates to realized gains on the change in fair value of derivative instruments, net, in the current period compared to losses in the prior year period and unrealized losses on the change in fair value of derivative instruments, net, in the current period compared to gains in the prior year period.

Taxes

We recognized \$105 million of income tax provision for the six months ended September 30, 2023. Our effective tax rate was primarily driven by the full year forecasted effective tax rate that takes into account income taxed at rates that differ from the 25% Canadian rate, including withholding taxes, offset with the availability of tax credits and income not subject to tax. We recognized \$152 million of income tax provision in the prior comparable period.

North America

Net sales decreased \$600 million, or 15%, driven by lower average aluminum prices, and lower specialty shipments from a weak macro-economic environment, partially offset by higher automotive shipments on robust demand. Year-to-date beverage packaging shipments were in line with the prior year period as demand and customer inventory positions have largely normalized after a period of excess inventory reduction actions. Adjusted EBITDA was \$374 million, a decrease of 11%, primarily driven by lower volume, higher operating costs including a favorable inventory timing effect from capitalizing high operating costs in the prior year, and less favorable metal benefit. In addition, SG&A and other changes increased versus the comparable prior year period mainly due to an increase in factoring expense resulting from higher interest rates. These factors were partially offset by favorable product mix and higher product prices, as well as lower freight expense.

Europe

Net sales decreased \$377 million, or 14%, driven by lower average aluminum prices, lower beverage packaging shipments and lower specialty shipments due to softer demand, partially offset by higher automotive shipments. Adjusted EBITDA was \$188 million, an increase of 20%, primarily driven by higher product prices and favorable foreign exchange rates, partially offset by lower volume and less favorable metal benefits.

Asia

Net sales decreased \$398 million, or 23%, driven primarily by lower average aluminum prices and lower beverage packaging shipments due to softer demand, partially offset by higher specialty shipments due mainly to growing demand for EV battery components and higher automotive shipments. Adjusted EBITDA was \$169 million, a decrease of 18%, primarily due to lower volume and less favorable metal benefit, partially offset by favorable product mix and favorable foreign exchange. Additionally, we incurred lower freight costs compared to the prior year period, which in turn resulted in a lower freight cost pass through in price to customers.

South America

Net sales decreased \$455 million, or 29%, driven by lower average aluminum prices and lower beverage packaging shipments due to softer demand this year. Adjusted EBITDA was \$177 million, a decrease of 37%, primarily due to lower volume, less favorable metal benefit, and unfavorable foreign exchange, partially offset by lower operating costs such as freight and utilities, and lower SG&A due to lowering factoring expense.

LIQUIDITY AND CAPITAL RESOURCES

We believe we maintain adequate liquidity levels through a combination of cash and availability under committed credit facilities. Our cash and cash equivalents and availability under committed credit facilities aggregated to \$2.3 billion of liquidity as of September 30, 2023. Our primary liquidity sources are cash flows from operations, working capital management, cash, and liquidity under our debt agreements. Our recent business investments are being funded through cash flows generated by our operations and a combination of local financing and our senior secured credit facilities. We expect to be able to fund both our short- and long-term liquidity needs, such as our continued expansions, servicing our debt obligations, and providing sufficient liquidity to operate our business, through one or more of the following: the generation of operating cash flows, working capital management, our existing debt facilities (including refinancing), and new debt issuances, as necessary.

Available Liquidity

Our available liquidity as of September 30, 2023, and March 31, 2023, is as follows.

<i>in millions</i>	September 30, 2023	March 31, 2023
Cash and cash equivalents	\$ 1,158	\$ 1,498
Availability under committed credit facilities	1,145	1,101
Total available liquidity	<u>\$ 2,303</u>	<u>\$ 2,599</u>

The decrease in total available liquidity relates to the decrease in cash and cash equivalents, primarily resulting from investing activities during the period, partially offset by an increase in availability under our ABL Revolver facility due to an increase in the borrowing base compared to prior period. See [Note 5 – Debt](#) for more details about our availability under committed credit facilities.

Cash and cash equivalents includes cash held in foreign countries in which we operate. As of September 30, 2023, we held \$45 million of cash and cash equivalents in Canada, in which we are incorporated, with the rest held in other countries in which we operate. As of September 30, 2023, we held \$612 million of cash in jurisdictions for which we have asserted that earnings are permanently reinvested, and we plan to continue to fund operations and local expansions with cash held in those jurisdictions. Cash held outside of Canada is free from significant restrictions that would prevent the cash from being accessed to meet the Company's liquidity needs, including, if necessary, to fund operations and service debt obligations in Canada. Upon the repatriation of any earnings to Canada, in the form of dividends or otherwise, we could be subject to Canadian income taxes (subject to adjustment for foreign taxes paid and the utilization of the large cumulative net operating losses we have in Canada) and withholding taxes payable to the various foreign jurisdictions. As of September 30, 2023, we do not believe adverse tax consequences exist that restrict our use of cash and cash equivalents in a material manner.

We use derivative contracts to manage risk as well as liquidity. Under our terms of credit with counterparties to our derivative contracts, we do not have any material margin call exposure. No material amounts have been posted by Novelis nor do we hold any material amounts of margin posted by our counterparties. We settle derivative contracts in advance of billing on the underlying physical inventory and collecting payment from our customers, which temporarily impacts our liquidity position. The lag between derivative settlement and customer collection typically ranges from 30 to 90 days.

Obligations

Our material cash requirements include future contractual and other obligations arising in the normal course of business. These obligations primarily include debt and related interest payments, finance and operating lease obligations, postretirement benefit plan obligations, and purchase obligations. See [Note 5 – Debt](#) to our accompanying condensed consolidated financial statements and "Liquidity and Capital Resources" within Part II. Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations in our 2023 Form 10-K for more details.

There are no additional material off-balance sheet arrangements.

In September 2023, Novelis amended the Term Loan Facility and the amendment was accounted for as a partial extinguishment of the 2020 Term Loans, whereby \$482 million of the \$750 million outstanding at the time of the transaction was deemed an extinguishment and the remaining \$268 million was deemed a modification of debt.

In addition to the activities shown in the tables above, we paid debt issuance costs of \$3 million and \$6 million during the six months ended September 30, 2023, and 2022, respectively. We also paid a return of capital to our common shareholder in the amount of \$100 million during the six months ended September 30, 2022.

Non-Guarantor Information

As of September 30, 2023, the Company's subsidiaries that are not guarantors represented the following approximate percentages of (a) net sales (including intercompany sales), (b) Adjusted EBITDA, and (c) total assets of the Company, on a consolidated basis (including intercompany balances).

Item Description	Ratio
Net sales represented by non-guarantor subsidiaries (for the six months ended September 30, 2023)	19 %
Adjusted EBITDA represented by non-guarantor subsidiaries (for the six months ended September 30, 2023)	19 %
Assets owned by non-guarantor subsidiaries (as of September 30, 2023)	15 %

In addition, for the six months ended September 30, 2023, and 2022, the Company's subsidiaries that are not guarantors had net sales (including intercompany sales) of \$1.8 billion and \$2.3 billion, respectively, and as of September 30, 2023, those subsidiaries had assets of \$2.9 billion and debt and other liabilities of \$1.6 billion (including intercompany balances).

CAPITAL ALLOCATION FRAMEWORK

In May 2021, Novelis announced a capital allocation framework that laid out the general guidelines for use of post-maintenance capital expenditure Adjusted Free Cash Flow for the next five years. The priority at that time was to reduce long-term debt by \$2.6 billion from its recent peak in the first quarter of fiscal 2021 after the Aleris acquisition and to target a net leverage ratio of approximately 2.5x. Having achieved both targets by the end of fiscal 2022, the priority has now shifted to organic growth capital expenditures. We believe the long-term demand trends for flat-rolled aluminum products remain strong, and we have identified more than \$4.5 billion of potential organic capital investment opportunities to grow Novelis' business through debottlenecking, recycling, and new capacity investments, focused on increasing capacity and capabilities that meet growing customer demand and align with our sustainability commitments. We intend to fund these organic growth investments from internally generated cash flows, and, as such, are pacing capital investments and prioritizing specific investments of approximately \$3.5 billion that are already under way. We intend to maintain a medium-term net leverage ratio below 3x, and continue to guide approximately 8%-10% of post-maintenance capital expenditure Adjusted Free Cash Flow to be returned to our common shareholder. Payments to our common shareholder are at the discretion of our Board of Directors. Any such payments depend on, among other things, our financial resources, cash flows generated by our business, our cash requirements, restrictions under the instruments governing our indebtedness, being in compliance with the appropriate indentures and covenants under the instruments that govern our indebtedness, and other relevant factors.

On August 1, 2023, the Board of Directors approved a return of capital to our common shareholder in the amount of \$100 million, which will be paid in fiscal 2024. We paid a return of capital to our common shareholder in the amount of \$100 million during the second quarter of fiscal 2023. Past payments of return of capital should not be construed as a guarantee of future returns of capital in the same amounts or at all.

CRITICAL ACCOUNTING POLICIES AND ESTIMATES

There were no significant changes to our critical accounting policies and estimates as reported in our 2023 Form 10-K. See [Note 1 – Business and Summary of Significant Accounting Policies](#) for our principal areas of uses of estimates and assumptions.

RECENTLY ISSUED ACCOUNTING STANDARDS

See [Note 1 – Business and Summary of Significant Accounting Policies](#) to our accompanying condensed consolidated financial statements for a full description of recent accounting pronouncements, if applicable, including the respective expected dates of adoption and expected effects on results of operations and financial condition.

NON-GAAP FINANCIAL MEASURES

Total Adjusted EBITDA presents the sum of the results of our four operating segments on a consolidated basis. We believe that total Adjusted EBITDA is an operating performance measure that measures operating results unaffected by differences in capital structures, capital investment cycles, and ages of related assets among otherwise comparable companies. In reviewing our corporate operating results, we also believe it is important to review the aggregate consolidated performance of all of our segments on the same basis we review the performance of each of our regions and draw comparisons between periods based on the same measure of consolidated performance.

Management believes investors' understanding of our performance is enhanced by including this non-GAAP financial measure as a reasonable basis for comparing our ongoing results of operations. Many investors are interested in understanding the performance of our business by comparing our results from ongoing operations from one period to the next and would ordinarily add back items that are not part of normal day-to-day operations of our business. By providing total Adjusted EBITDA, together with reconciliations, we believe we are enhancing investors' understanding of our business and our results of operations, as well as assisting investors in evaluating how well we are executing strategic initiatives.

However, total Adjusted EBITDA is not a measurement of financial performance under U.S. GAAP, and our total Adjusted EBITDA may not be comparable to similarly titled measures of other companies. Total Adjusted EBITDA has important limitations as an analytical tool and should not be considered in isolation or as a substitute for analysis of our results as reported under U.S. GAAP. For example, total Adjusted EBITDA:

- does not reflect the Company's cash expenditures or requirements for capital expenditures or capital commitments;
- does not reflect changes in, or cash requirements for, the Company's working capital needs; and
- does not reflect any costs related to the current or future replacement of assets being depreciated or amortized.

We also use total Adjusted EBITDA:

- as a measure of operating performance to assist us in comparing our operating performance on a consistent basis because it removes the impact of items not directly resulting from our core operations;
- for planning purposes, including the preparation of our internal annual operating budgets and financial projections;
- to evaluate the performance and effectiveness of our operational strategies; and
- as a basis to calculate incentive compensation payments for our key employees.

Adjusted EBITDA per tonne is calculated by dividing Adjusted EBITDA by aluminum rolled product shipments (in tonnes) for the corresponding period, both on a consolidated basis and at a segment level. The term "aluminum rolled products" is synonymous with the terms "flat-rolled products" and "FRP," which are commonly used by manufacturers and third-party analysts in our industry. Shipment amounts also include tolling shipments. All tonnages are stated in metric tonnes. One metric tonne is equivalent to 2,204.6 pounds. One kt is 1,000 metric tonnes.

Management believes Adjusted EBITDA per tonne is relevant to investors as it provides a measure of aluminum rolled product shipments to third parties rather than aluminum rolled product shipments as well as certain other non-rolled product shipments, primarily scrap, UBCs, ingots, billets, and primary remelt. This is useful to investors because the incremental impact of non-rolled products shipments on our Adjusted EBITDA is marginal since the price of these products is generally set to cover the costs of raw materials not utilized in manufacturing products sold to beverage packaging customers, specialties and aerospace customers in our regions, and these non-rolled products are not part of our core operating business.

Please see [Note 15 – Segment, Geographical Area, Major Customer and Major Supplier Information](#) for our definition of Adjusted EBITDA. Under ASC 280, Adjusted EBITDA is our measure of segment profitability and financial performance of our operating segments, and when used in this context, the term Adjusted EBITDA is a financial measure prepared in accordance with U.S. GAAP. Adjusted EBITDA reported for the Company on a consolidated basis is a non-U.S. GAAP financial measure. Prior to the three months ended June 30, 2022, we also utilized the term Segment Income to refer to Adjusted EBITDA. Both terms have the same definition and there is no difference in the composition or calculation of Adjusted EBITDA for the periods presented and Segment Income previously reported.

Adjusted Free Cash Flow consists of (a) net cash provided by (used in) operating activities – continuing operations, (b) plus net cash provided by (used in) investing activities – continuing operations, (c) plus net cash provided by (used in) operating activities – discontinued operations, (d) plus net cash provided by (used in) investing activities – discontinued operations, (e) plus cash used in the acquisition of assets under a finance lease, (f) plus cash used in the acquisition of business and other investments, net of cash acquired, (g) plus accrued merger consideration, (h) less proceeds from sales of assets and business, net of transaction fees, cash income taxes and hedging, and (i) less proceeds from sales of assets and business, net of transaction fees, cash income taxes and hedging – discontinued operations. Management believes Adjusted Free Cash Flow is relevant to investors, as it provides a measure of the cash generated internally that is available for debt service and other value creation opportunities. In addition, this measure is a key consideration in determining the amounts to be paid as returns to our common shareholder. However, Adjusted Free Cash Flow does not necessarily represent cash available for discretionary activities as certain debt service obligations must be funded out of Adjusted Free Cash Flow. Our method of calculating Adjusted Free Cash Flow may not be consistent with that of other companies.

SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS AND MARKET DATA

This Quarterly Report on Form 10-Q contains forward-looking statements that are based on current expectations, estimates, forecasts and projections about the industry in which we operate, and beliefs and assumptions made by our management. Such statements include, in particular, statements about our plans, strategies, and prospects under the heading "Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations," under the Notes to the Condensed Consolidated Financial Statements, and elsewhere in this Quarterly Report. Words such as "expects," "anticipates," "intends," "plans," "believes," "seeks," "estimates," "projects," "forecasts," and variations of such words and similar expressions are intended to identify such forward-looking statements. Examples of forward-looking statements in this Quarterly Report on Form 10-Q include, but are not limited to, our belief that, the expected timing and results from investments in certain operating facilities, including our greenfield, fully-integrated rolling and recycling mill currently being built in Bay Minette, Alabama; our projections regarding financial performance, liquidity, capital expenditures, and investments; and the possible future impacts of the COVID-19 variants or any other epidemic or pandemic and the actions taken against them, including expectations about the impact of any changes in demand as well as volatility and uncertainty in general economic conditions; the possible future impacts of geopolitical instability due in part to the Russia-Ukraine conflict; statements about our belief that long-term demand for aluminum automotive sheet will continue to grow; statements about our expectation that aerospace demand and shipments will continue to grow driven by increased air traffic and a need for fleet modernization; statements about our belief that significant aircraft industry order backlogs for key OEMS, including Airbus and Boeing, will translate into growth in the future and that our multi-year supply agreements have positioned us to benefit from future expected demand; statements about our belief that long term demand for flat-rolled aluminum remains strong; and statements about our expectation that long-term demand for building and construction and other specialty products will grow. These statements are based on beliefs and assumptions of Novelis' management, which in turn are based on currently available information. These statements are not guarantees of future performance and involve assumptions and risks and uncertainties that are difficult to predict. Therefore, actual outcomes and results may differ materially from what is expressed, implied, or forecasted in such forward-looking statements. We do not intend, and we disclaim any obligation, to update any forward-looking statements, whether as a result of new information, future events, or otherwise.

Factors that could cause actual results or outcomes to differ from the results expressed or implied by forward-looking statements include, among other things:

- disruptions or changes in the business or financial condition of our significant customers or the loss of their business or reduction in their requirements;
- price and other forms of competition from other aluminum rolled products producers and potential new market entrants;
- competition in our end-markets, and the willingness of our customer to accept substitutes for our products, including steel, plastics, composite materials and glass;
- our inability to realize the anticipated benefits of strategic investments;
- increases in the cost of volatility in the availability of primary aluminum, scrap aluminum, sheet ingot, or other raw materials used in the production of our products;
- rises in energy costs or disruptions to our energy supplies;
- downturns in the automotive and ground transportation industries or changes in consumer demand;
- public health crises, such as the recently experienced COVID-19 pandemic;
- union disputes and other employee relations issues;
- the impact of labor disputes and strikes on our customers could have material adverse effects on our business and financial results;
- loss of our key management and other personnel, or an inability to attract and retain such management and other personnel;
- unplanned disruptions at our operating facilities;
- exposure to economic and political risk associated with our global operations;
- economic uncertainty, capital markets disruption and supply chain interruptions, including as a result of geopolitical instability due to the ongoing military conflict between Russia and Ukraine;
- risks relating to certain joint ventures, subsidiaries and assets that we do not entirely control;
- security breaches and other disruptions to our information technology networks and systems;

- increased freight costs on imported products;
- timing differences between the prices we pay under purchase contracts and metal prices we charge our customers;
- a deterioration of our financial condition, a downgrade of our ratings by a credit rating agency or other factors which could limit our ability to enter into, or increase our costs of, financing and hedging transactions;
- risks related to variable rate indebtedness, including interest rate risk;
- adverse changes in currency exchange rates;
- our inability to transact in derivative instruments, if our exposure to price fluctuations is not adequately hedged under derivative instruments, or if counterparties to our derivative instruments fail to honor their agreements;
- an adverse decline in the liability discount rate, lower-than-expected investment return on pension assets;
- impairments to our goodwill, other intangible assets and other long-lived assets;
- tax expense, tax liabilities or tax compliance costs;
- operating and financial restrictions imposed on us by the covenants in our credit facilities and the indentures governing our Senior Notes;
- our inability to protect our intellectual property, the confidentiality of our know-how, trade secrets, technology, and other proprietary information;
- risks related to our global operations, including the impact of complex and stringent laws and government regulations;
- global climate change or the legal, regulatory or market responses to such change;
- risks related to the broad range of environmental, health and safety laws and regulations to which we are subject, and any related exposure to substantial environmental, health and safety costs and liabilities;
- our failure to comply with laws and regulations and industry standards relating to privacy, data protection, advertising and consumer protection; and
- exposure to significant legal proceedings and investigations.

The above list of factors is not exhaustive.

This document also contains information concerning our markets and products generally, which is forward-looking in nature and is based on a variety of assumptions regarding the ways in which these markets and product categories will develop. These assumptions have been derived from information currently available to us and to the third-party industry analysts quoted herein. This information includes, but is not limited to, product shipments and share of production. Actual market results may differ from those predicted. We do not know what impact any of these differences may have on our business, our results of operations, financial condition, and cash flow. For a discussion of some of the specific factors that may cause Novelis' actual results or outcomes to differ materially from those projected in any forward-looking statements, refer to the factors discussed in Part I. Item 1A. Risk Factors and Part II. Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations of our 2023 Form 10-K, as the same may be updated from time to time in our quarterly reports on Form 10-Q or in other reports which we from time to time file with the SEC.

Item 3. Quantitative and Qualitative Disclosures About Market Risk.

We are exposed to certain market risks as part of our ongoing business operations, including risks from changes in metal prices (primarily aluminum, copper, zinc, and LMPs), energy prices (electricity, natural gas, and diesel fuel), foreign currency exchange rates, and interest rates that could impact our results of operations and financial condition. We partially manage our exposure to energy prices by entering into fixed forward purchase contracts with energy providers, predominantly in Europe. We generally apply the normal purchase and normal sale scope exception to these contracts and do not record the contracts at fair value. These energy supply contracts are not derivatives but function as a risk management tool for fluctuating energy prices. We manage our exposure to other market risks through regular operating and financing activities and derivative financial instruments. We use derivative financial instruments as risk management tools only and not for speculative purposes.

Commodity Price Risks

Foreign Currency Exchange Risks

The following table presents the estimated potential negative effect on the fair values of these derivative instruments as of September 30, 2023, given a 10% change in rates. Direction of the change in exchange rate corresponds with the direction that would cause the change in exchange rate to negatively impact the fair value of these derivative instruments.

Interest Rate Risks

We are subject to interest rate risk related to our floating rate debt. For every 100 basis point increase in the interest rates on our outstanding variable rate debt as of September 30, 2023, which includes term loan debt, net of interest rate swaps, our annual pre-tax income would be reduced by approximately \$8 million. See [Note 5 – Debt](#) to our accompanying audited consolidated financial statements for further information.

From time to time, we use interest rate swaps to manage our debt cost. During the three months ended September 30, 2023, we entered into interest rate swaps to fix the interest rate on various floating rate debt. See [Note 9 – Financial Instruments and Commodity Contracts](#) to our accompanying audited consolidated financial statements for further information. A decrease of 10% in the SOFR interest rate as of September 30, 2023, would have an estimated potential negative effect on the contracts' fair value of approximately \$5 million.

Item 4. Controls and Procedures.**Evaluation of Disclosure Controls and Procedures**

We maintain disclosure controls and procedures designed to ensure that information required to be disclosed in the reports that we file or submit under the Exchange Act is recorded, processed, summarized, and reported within the time periods specified in the SEC's rules and forms. Disclosure controls and procedures, as defined in Rules 13a-15(e) and 15d-15(e) under the Exchange Act, include controls and procedures designed to ensure that information required to be disclosed in the reports we file or submit under the Exchange Act is accumulated and communicated to our management, including the Principal Executive Officer and the Principal Financial Officer, as appropriate, to allow timely decisions regarding required disclosure. Any system of controls, however well-designed and operated, can provide only reasonable, and not absolute, assurance that the objectives of the system are met.

We have carried out an evaluation, with the participation of our Principal Executive Officer and Principal Financial Officer, of the effectiveness of the Company's disclosure controls and procedures pursuant to Rule 13a-15 of the Exchange Act. Based upon such evaluation, management has concluded that the Company's disclosure controls and procedures were effective as of September 30, 2023.

Changes in Internal Control over Financial Reporting

There have been no changes in our internal control over financial reporting (as defined in Rule 13a-15(f) under the Exchange Act) during the most recently completed fiscal quarter that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

PART II—OTHER INFORMATION

Item 1. Legal Proceedings.

We are a party to litigation incidental to our business from time to time. While the outcomes of these matters are uncertain, management does not expect that the ultimate costs to resolve these matters will have a material adverse effect on our consolidated financial position, results of operations, or cash flows. For additional information regarding litigation to which we are a party, see [Note 14 – Commitments and Contingencies](#) to our accompanying condensed consolidated financial statements.

Item 1A. Risk Factors.

See Part I. Item 1A. Risk Factors in our 2023 Form 10-K. Except as discussed below, there have been no material changes from the risk factors described in our 2023 Form 10-K.

The impact of labor disputes and strikes on our customers could have material adverse effects on our business and financial results.

Certain of our customers have a substantial number of the employees who are members of industrial trade unions and are employed under the terms of collective bargaining agreements. These customers may experience labor disputes, work stoppages or strikes if they fail to successfully negotiate collective bargaining agreements and/or labor contracts with their employees, as necessary. For example, three of our North American customers, Ford Motor Company, General Motors, and Stellantis recently experienced work stoppages at certain of their facilities as a result of the United Auto Workers strikes. The duration and scope of any future labor disputes or strikes by employees of our customers, and the resultant impact on our business and financial results cannot be predicted with any certainty at this time. However, in the event that our customers are unable to successfully negotiate collective bargaining agreements and/or other labor contracts with their employees as necessary, and their plants experience prolonged slowdowns, closures, or idling as a result of the strikes, the demand from these customers for our flat-rolled aluminum products and our financial results could be materially adversely impacted as a result. While we may be able to replace any such reduction in demand with higher demand from other customers, the ultimate impact of labor disputes and strikes on our business and financial results will depend on factors beyond our control.

Item 5. Other Information.

Election of Directors

On November 6, 2023, our sole shareholder elected Mr. Steven Fisher as a director of the Company to serve until the next regular meeting of shareholders.

Mr. Fisher, 52, has served as our President and Chief Executive Officer since 2015. Mr. Fisher joined the Company in 2006 as Vice President, Strategic Planning and Corporate Development and served as our Chief Financial Officer from 2007 to 2015. Prior to joining Novelis, Mr. Fisher served as Vice President and Controller for TXU Energy, the non-regulated subsidiary of TXU Corp., at its headquarters in Dallas, Texas. Mr. Fisher is a member of the Business Roundtable, an association of leading U.S. companies working to promote sound public policy. Section 11. Governing Law. This Amendment and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of New York, without regard to conflicts of law principles that would require the application of the laws of another jurisdiction.

Section 2.02 Loans.

(a) Each Loan shall be made as part of a Borrowing consisting of Loans made by the Lenders ratably in accordance with their applicable Commitments; provided that the failure of any Lender to make its Loan shall not in itself relieve any other Lender of its obligation to lend hereunder (it being understood, however, that no Lender shall be responsible for the failure of any other Lender to make any Loan required to be made by such other

Lender). Each Borrowing shall be in an aggregate principal amount that is not less than (and in integral amounts consistent with) the Minimum Amount.

(b) Subject to [Section 2.11](#) and [Section 2.12](#), each Borrowing shall be comprised entirely of SOFR Loans, in each case as the applicable Co-Borrower may request pursuant to [Section 2.03](#). Each Lender may at its option make any SOFR Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan (and the first proviso to [Section 2.16\(a\)](#) shall apply to such Loan *mutatis mutandis* unless such Loan is funded by such branch or Affiliate in accordance with [Section 2.16\(b\)](#)); provided that any exercise of such option shall not affect the obligation of the Co-Borrowers to repay such Loan in accordance with the terms of this Agreement. No Co-Borrower shall be entitled to request any Borrowing that, if made, would result in more than three (3) SOFR Borrowings by such Co-Borrower hereunder at any one time. For purposes of the foregoing, Borrowings having different Interest Periods and a different Co-Borrower, regardless of whether they commence on the same date, shall be considered separate Borrowings.

(c) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds to such account ~~in London~~ as the Administrative Agent may designate, not later than 3:00 p.m. (and/or, in the case of the ~~Aleris Incremental Tranche A-2~~ Term Loans ~~funded on the Aleris Incremental Escrow Date, to the Escrow Account, not later than 3:00 p.m., 2:00 p.m.~~), London time, and, ~~except as otherwise provided in Section 2.21 with respect to the Escrowed Term Loans,~~ the Administrative Agent shall promptly credit the amounts so received (x) to an account of the applicable Co-Borrower maintained with the Administrative Agent or (y) (i) in the case of a Borrowing of Tranche A-1 Term Loans, to the repayment of Initial Term Loans, or (ii) in the case of a Borrowing of Tranche A-2 Term Loans, to the repayment of Aleris Incremental Term Loans and a portion of the accrued and unpaid interest thereon, in either case, as directed by the applicable Co-Borrower in the applicable Borrowing Request or, if a Borrowing shall not occur on such date because any condition precedent herein specified or specified in the ~~Aleris Increase Joinder Amendment, the applicable Increase Joinder, or the Tranche A-1 Refinancing Amendment or Tranche A-2 Refinancing Amendment~~ shall not have been met, ~~except as otherwise provided in Section 2.21 with respect to the Escrowed Term Loans,~~ return the amounts so received to the respective Lenders.

(d) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's portion of such Borrowing, the Administrative Agent may assume that such Lender has made such portion available to the Administrative Agent on the date of such Borrowing in accordance with paragraph (c) above, and the Administrative Agent may, in reliance upon such assumption, ~~except as otherwise provided in Section 2.21 with respect to the Escrowed Term Loans,~~ make available to the applicable Co-Borrower on such date a corresponding amount. If the Administrative Agent shall have so made funds available, then, to the extent that such Lender shall not have made such portion available to the Administrative Agent, each of such Lender and such Co-Borrower severally agrees to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to such Co-Borrower until the date such amount is repaid to the Administrative Agent at (i) in the case of such Co-Borrower, the interest rate applicable at the time to the Loans comprising such Borrowing and (ii) in the case of such Lender, the greater of the Interbank Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. If such Lender shall repay to the Administrative Agent such corresponding amount, such amount shall constitute such Lender's Loan as part of such Borrowing for purposes of this Agreement,

and such Co-Borrower's obligation to repay the Administrative Agent such corresponding amount pursuant to this Section 2.02(d), shall cease.

(e) Notwithstanding anything to the contrary contained herein, the Co-Borrowers shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Maturity Date of such Loans.

(a) **Optional Prepayments.** The Co-Borrowers shall have the right at any time and from time to time to prepay any Loans, in whole or in part, subject to the requirements of this Section 2.10; provided that each partial prepayment shall be in a principal amount that is not less than (and in integral amounts consistent with) the Minimum Amount or, if less, the outstanding principal amount of such Borrowing.

(b) **Net Cash Proceeds Account.** Subject to the terms of the Intercreditor Agreement, the Net Cash Proceeds of any Pari Passu Priority Collateral arising from an Asset Sale or Casualty Event by the Designated Company or any Subsidiary Guarantor which Net Cash Proceeds are being reinvested in accordance with Sections 2.10(c) or (e), respectively, shall be deposited in one or more Net Cash Proceeds Accounts pending final application of such proceeds (and any products of such proceeds) in accordance with the terms hereof (provided that prior to such final application, and without affecting the Co-Borrowers' obligations under Sections 2.10(e) and (e), such proceeds may be utilized to make repayments of the Revolving Credit Loans without reducing Revolving Credit Commitments).

(c) **Asset Sales.** Not later than three (3) Business Days following the receipt of any Net Cash Proceeds of any Asset Sale by the Designated Company or any of its Restricted Subsidiaries, the applicable Co-Borrowers shall make prepayments of the Term Loans in accordance with Section 2.10(g) and (h) in an aggregate amount equal to 100% of such Net Cash Proceeds; provided, that if at the time that any such prepayment would be required, such Co-Borrower is required to prepay or offer to repurchase (x) Permitted Short Term Indebtedness, solely to the extent that such Asset Sale constitutes a Specified Divestiture, (y) Permitted First Priority Refinancing Debt, or (z) any Additional Senior Secured Indebtedness that is secured on a pari passu basis with the Secured Obligations pursuant to the terms of the documentation governing such Indebtedness, in the case of clauses (x) through (z), with the Net Cash Proceeds of such Asset Sale (such Permitted Short Term Indebtedness, Permitted First Priority Refinancing Debt or Additional Senior Secured Indebtedness required to be prepaid or offered to be so repurchased, "**Other Applicable Indebtedness**"), then such Co-Borrower shall apply such Net Cash Proceeds on a pro rata basis (determined on the basis of the aggregate outstanding principal amount of the Term Loans and Other Applicable Indebtedness at such time; provided, that the portion of such net proceeds allocated to the Other Applicable Indebtedness shall not exceed the amount of such Net Cash Proceeds required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof, and the remaining amount, if any, of such Net Cash Proceeds shall be allocated to the Term Loans in accordance with the terms hereof) to the prepayment of the Term Loans and to the prepayment or repurchase of Other Applicable Indebtedness, and the amount of prepayment of the Term Loans that would have otherwise been required pursuant to this Section 2.10(c) shall be reduced accordingly; provided further, that to the extent the holders of Other Applicable Indebtedness decline to have such indebtedness prepaid or repurchased, the declined amount shall promptly (and in any event within 10 Business Days after the date of such rejection) be applied to prepay the Term Loans in accordance with the terms hereof; provided further that:

(i) no such prepayment shall be required under this Section 2.10(c) with respect to (A) any Asset Sale permitted by Section 6.06 other than clauses (b) and (i) thereof, (B) the disposition of property which constitutes a Casualty Event, or (C) Asset Sales for fair market

value resulting in less than \$50,000,000 in Net Cash Proceeds in any fiscal year; and

(ii) so long as no Event of Default shall then exist or would arise therefrom, such proceeds shall not be required to be so applied on such date to the extent that the Designated Company shall have delivered an Officers' Certificate to the Administrative Agent on or prior to such date stating that such Net Cash Proceeds are expected to be reinvested in fixed or capital assets or to make Permitted Acquisitions (and (x) in the case of Net Cash Proceeds received from the arm's length sale or disposition for cash of Equity Interests in a Joint Venture Subsidiary for fair market value or the issuance of Equity Interests in a Joint Venture Subsidiary, in each case as permitted under Section 6.06 hereof, such Net Cash Proceeds may also be used to make investments in joint ventures so long as a Company owns at least 50% of the Equity Interests in such joint venture and (y) in the case of Net Cash Proceeds from an Asset Sale by a Joint Venture Subsidiary, such Net Cash Proceeds may also be used by such Joint Venture to reinvest in property (other than cash, Cash Equivalents and securities) to be owned by such Joint Venture and used in an activity permitted under Section 6.15) within 365 days (or in the event the Designated Company or any Restricted Subsidiary has entered into a binding agreement to make such reinvestment within such 365 day period, such period shall be extended for an additional 365 days with respect to the portion of such Net Cash Proceeds so committed to be reinvested) following the date of such Asset Sale (which Officers' Certificate shall set forth the estimates of the proceeds to be so expended); provided that if all or any portion of such Net Cash Proceeds is not so reinvested within such 365-day period (as such period may be extended pursuant to the foregoing), such unused portion shall be applied on the last day of such period to mandatory prepayments as provided in this Section 2.10(c).

(d) Debt Issuance. Not later than one (1) Business Day following the receipt of any Net Cash Proceeds of any Debt Issuance or issuance of Disqualified Capital Stock by Holdings, the Designated Company or any of its Restricted Subsidiaries (or, on and after the Specified AV Minerals Joinder Date, AV Minerals) (other than in the case of an issuance of Disqualified Capital Stock, as permitted by Section 6.13), the applicable Co-Borrowers shall make prepayments in accordance with Section 2.10(g) and (h) in an aggregate amount equal to 100% of such Net Cash Proceeds.

(e) Casualty Events. Not later than three (3) Business Days following the receipt of any Net Cash Proceeds from a Casualty Event by the Designated Company or any of its Restricted Subsidiaries, the applicable Co-Borrowers shall make prepayments in accordance with Section 2.10(g) and (h) in an aggregate amount equal to 100% of such Net Cash Proceeds; provided that:

(i) no such prepayment shall be required under this Section 2.10(e) with respect to Casualty Events resulting in less than \$50,000,000 in Net Cash Proceeds in any fiscal year;

(ii) so long as no Event of Default shall then exist or arise therefrom, such proceeds shall not be required to be so applied on such date to the extent that the Borrower shall have delivered an Officers' Certificate to the Administrative Agent on or prior to such date stating that such Net Cash Proceeds are expected to be reinvested in fixed or capital assets or to make Permitted Acquisitions (and (x) in the case of Net Cash Proceeds received from the arm's length sale or disposition for cash of Equity Interests in a Joint Venture Subsidiary for fair market value or the issuance of Equity Interests in a Joint Venture Subsidiary, in each case as permitted under Section 6.06 hereof, such Net Cash Proceeds may also be used to make investments in joint ventures so long as a Company owns at least 50% of the Equity Interests in such joint venture and (y) in the case of Net Cash Proceeds from an Asset Sale by a Joint Venture Subsidiary, such Net Cash Proceeds may also be used by such Joint Venture to reinvest in property (other than cash, Cash Equivalents and securities) to be owned by such Joint Venture and used in an activity permitted under Section 6.15) within 365 days (or in the event the Designated Company or any Restricted Subsidiary has entered into a binding agreement to make such reinvestment within such 365 day period, such period shall be extended for an additional 365 days with respect to the portion of such Net Cash Proceeds so committed to be reinvested) following the date of such Asset Sale (which Officers' Certificate shall set forth the estimates of the proceeds to be so expended); provided that if all or any portion of such Net Cash Proceeds is not so reinvested within such 365-day period (as such period may be extended pursuant to the foregoing), such unused portion shall be applied on the last day of such period to mandatory prepayments as provided in this Section 2.10(c).

Certificate to the Administrative Agent on or prior to such date stating that such proceeds are expected to be used (or have been used) to repair, replace or restore any property in respect of which such Net Cash Proceeds were paid or to reinvest in other fixed or capital assets, no later than 365 days (or in the event the Borrower or any Restricted Subsidiary has entered into a binding agreement to make such repair, replacement, restoration or reinvestment within such 365 day period, such period shall be extended for an additional 365 days with respect to the portion of such Net Cash Proceeds committed for such repair, replacement, restoration or reinvestment, so long as such binding agreement is in effect at the end of such additional 365 day period) following the date of receipt of such proceeds; and

(iii) if any portion of such Net Cash Proceeds shall not be so applied within such 365-day period (as such period may be extended pursuant to clause (i), above), such unused portion shall be applied on the last day of such period to mandatory prepayments as provided in this [Section 2.10\(e\)](#).

(f) **Excess Cash Flow.** No later than 105 days after the end of each Excess Cash Flow Period, the Co-Borrowers shall make prepayments in accordance with [Sections 2.10\(g\)](#) and [\(h\)](#) in an aggregate amount equal to the amount by which (A) the Excess Cash Flow Percentage (defined below) of such Excess Cash Flow for such Excess Cash Flow Period exceeds (B) the aggregate amount of all voluntary prepayments of Term Loans made pursuant to [Section 2.10\(a\)](#) with Internally Generated Cash Flow during such Excess Cash Flow Period and voluntary prepayments of Revolving Credit Loans made with Internally Generated Cash Flow during such Excess Cash Flow Period (but, in the case of Revolving Credit Loans, only to the extent such prepayments are accompanied by a simultaneous permanent reduction of the Revolving ~~Loan~~Credit Commitments in an equal amount (and excluding any such reduction to the extent relating to the entering into of a replacement Revolving Credit Agreement)). “**Excess Cash Flow Percentage**” shall mean 50%. No payment of any Loans shall be required under this [Section 2.10\(f\)](#) if (i) on the date such prepayment is required to be made, no Event of Default has occurred and is continuing and (ii) the Senior Secured Net Leverage Ratio, as of the last day of such Excess Cash Flow Period, is less than or equal to 3.0:1.0.

(g) **Application of Prepayments.** Each partial prepayment of any Class of Term Loans shall be in an aggregate principal amount that is not less than (and in integral amounts consistent with) the Minimum Amount, except as necessary to apply fully the required amount of a mandatory prepayment. Each prepayment of a Class of Term Loans shall be applied ratably within such Class and otherwise in accordance with this [Section 2.10](#). Prepayments shall be accompanied by accrued interest to the extent required by [Section 2.06](#).

(ii) Subject to Section 8.03 (to the extent applicable), any prepayments of Term Loans (x) pursuant to [Section 2.10\(a\)](#) shall be applied to the Class of Term Loans selected by the Designated Company in the notice of such prepayment pursuant to [Section 2.10\(h\)](#), and within each Class, to the scheduled repayments of Term Loans as directed by the Designated Company and (y) pursuant to [Section 2.10\(c\)](#), [\(d\)](#), [\(e\)](#), [\(f\)](#) and [\(i\)](#) shall be applied (i) ratably to each Class of Term Loans, (ii) in direct order of maturity to the next eight scheduled repayments of such Class of Term Loans and (iii) to the extent of any excess, ratably to the remaining scheduled repayments of the applicable Class of Term Loans.

(iii) Notwithstanding anything herein to the contrary, with respect to each such prepayment pursuant to Section 2.10(c), (e), (f) or (i), (i) not later than the date three Business Days prior to the date specified in Section 2.10 for making such prepayment, the Designated Company shall give the Administrative Agent telephonic notice (promptly confirmed in writing) requesting that the Administrative Agent provide notice of such prepayment to each Lender, (ii) each Lender will have the right to refuse any such prepayment by giving written notice of such refusal to the Administrative Agent within three Business Days after such Lender's receipt of notice from the Administrative Agent of such prepayment and (iii) the applicable Co-Borrowers will make all such prepayments not so refused upon the applicable date specified in Section 2.10 for making such prepayment. Any Lender that does not decline such prepayment in writing on or prior to the date referenced in clause (ii) above shall be deemed to have accepted such prepayment.

(h) Notice of Prepayments. The Designated Company shall notify the Administrative Agent by written notice of any prepayment hereunder not later than 11:00 a.m., London time, three (3) Business Days before the date of prepayment. Each such notice shall be irrevocable; provided that if such notice indicates that it is conditioned upon the effectiveness of other credit facilities or any other financing, sale or other transaction, such notice of prepayment may be revoked if such credit facilities, other financing, sale or other transaction is not consummated. Each such notice shall specify the prepayment date, the principal amount of each Class of Term Loans or portion thereof to be prepaid, within each Class, the scheduled repayments of Term Loans to which such prepayment applies and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof.

(i) Foreign Asset Sales. Notwithstanding any other provisions of Section 2.10(b), (c) or (e) (i) to the extent that any of or all the Net Cash Proceeds of any Asset Sale or Casualty Event subject to such sections are received by a Restricted Subsidiary that is not organized under the United States or any State or political subdivision thereof or of Canada or any province or political subdivision thereof (a "**Foreign Asset Sale**") and such Net Cash Proceeds are prohibited, restricted or otherwise delayed (each, a "**Repatriation Limitation**") by applicable local law from being repatriated to the United States or Canada, the portion of such Net Cash Proceeds so affected will not be required to be applied to repay Term Loans at the times provided in this Section 2.10 but may be retained by the applicable Restricted Subsidiary so long as such Repatriation Limitation exists (provided, that such Restricted Subsidiary shall use its commercially reasonable efforts to overcome any Repatriation Limitation) and once such Repatriation Limitation no longer exists, such Restricted Subsidiary shall promptly repatriate an amount equal to such Net Cash Proceeds to the applicable Co-Borrower which shall promptly (and in any event not later than five Business Days after such repatriation) apply such amount to the repayment of the Term Loans pursuant to this Section 2.10 and (ii) to the extent that such Co-Borrower has reasonably determined in good faith that repatriation of any of or all of such Net Cash Proceeds of any Asset Sale or Casualty Event subject to Section 2.10(c) or (e) would have a material adverse tax cost consequence with respect to such Net Cash Proceeds for such Restricted Subsidiary or any other Loan Party, the Net Cash Proceeds so affected may be retained by the applicable Restricted Subsidiary.

(j) Prepayment Premium. ~~In the event that there shall occur any amendment, amendment and restatement or other modification of this Agreement that reduces the~~

~~Applicable Margin or interest rate with respect to any Term Loans or any prepayment or refinancing of any Term Loans, in whole or in part with proceeds of Indebtedness having lower applicable total yield than the applicable total yield for the Term Loans as of the Closing Date, then each such amendment, amendment and restatement, modification, prepayment or refinancing that occurs on or prior to the six-month anniversary of the Syndication Termination Date, as the case may be, shall be accompanied by a fee or prepayment premium, as applicable, equal to 1.00% of the outstanding principal amount of the Term Loans affected by such amendment, amendment and restatement or modification, or subject to such prepayment or refinancing. As a condition to effectiveness of any required assignment by any non-consenting Lender of its Term Loans pursuant to Section 2.16 in respect of any amendment, amendment and restatement or modification to this Agreement effective prior to the six-month anniversary of the Syndication Termination Date that has the effect of reducing the Applicable Margin or interest rate for any Term Loans from the Applicable Margin or interest rate in effect on the Closing Date, the Co-Borrowers shall pay to such non-consenting Lender of Term Loans a premium or fee equal to the premium or fee that would apply pursuant to the preceding sentence if such non-consenting Lender's Term Loans being assigned were being prepaid. [Intentionally Omitted].~~

Section 2.11 Alternate Rate of Interest. Subject to Section 2.17, if on or prior to the first day of any Interest Period for a SOFR Loan:

(a) the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that “Adjusted Term SOFR” cannot be determined pursuant to the definition thereof, or

(b) the Required Lenders determine that for any reason in connection with any request for a SOFR Loan or a conversion thereto or a continuation thereof that Adjusted Term SOFR for any requested Interest Period with respect to a proposed SOFR Loan does not adequately and fairly reflect the cost to such Lenders of making and maintaining such Loan, and the Required Lenders have provided notice of such determination to the Administrative Agent, then, in each case, the Administrative Agent will promptly so notify the Designated Company and each Lender.

Upon notice thereof by the Administrative Agent to the Designated Company, any obligation of the Lenders to make SOFR Loans, and any right of the Borrower or any Co-Borrower to continue SOFR Loans or to convert Loans to SOFR Loans, shall be suspended (to the extent of the affected SOFR Loans or affected Interest Periods) until the Administrative Agent (with respect to clause (b), at the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, (i) the Borrower and each Co-Borrower may revoke any pending request for a borrowing of, conversion to or continuation of SOFR Loans (to the extent of the affected SOFR Loans or affected Interest Periods) or, failing that, the Borrower and each Co-Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to Fallback Rate Loans in the amount specified therein and (ii) any outstanding affected SOFR Loans will be deemed to have been converted into Fallback Rate Loans at the end of the applicable Interest Period. Upon any such conversion, the Borrower and each applicable Co-Borrower shall also pay accrued interest on the amount so converted, together with any additional amounts required pursuant to Section 2.13. Subject to Section 2.17, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that “Adjusted Term SOFR” cannot be determined pursuant to the definition thereof on any given day, the interest rate on Fallback Rate Loans shall be determined by the Administrative Agent without reference to the first proviso of the definition of “Cost of Funds” until the Administrative Agent revokes such determination.

Section 2.12 Yield Protection; Change in Law Generally.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in, by any Lender; or

(ii) impose on any Lender or the interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or SOFR Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any SOFR Loan (or of maintaining its obligation to make any such Loan), or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or any other amount), then, upon request of such Lender, the Co-Borrowers will pay to such Lender, as the case may be, such additional amount or amounts as will compensate such Lender, as the case may be, for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender determines (in good faith, but in its sole absolute discretion) that any Change in Law affecting such Lender or any lending office of such Lender or such Lender's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by such Lender, to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy or liquidity), then from time to time the Co-Borrowers will pay to such Lender, as the case may be, such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section 2.12 and delivered to the Designated Company shall be conclusive absent manifest error. The Co-Borrowers shall pay such Lender, as the case may be, the amount shown as due on any such certificate within ten (10) Business Days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to this Section 2.12 shall not constitute a waiver of such Lender's right to demand such compensation; provided that the Co-Borrowers shall not be required to compensate a Lender pursuant to this Section for any increased costs incurred or reductions suffered more than nine months prior to the date that such Lender, as the case may be, notifies the Designated Company of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

(e) Change in Legality Generally. Notwithstanding any other provision of this Agreement, if any Change in Law shall make it unlawful for any Lender to make or maintain any SOFR Loan or to give effect to its obligations as contemplated hereby with respect to any SOFR Loan, then, upon written notice by such Lender to the Designated Company and the Administrative Agent:

(i) the Commitments of such Lender (if any) to fund the affected Type of Loan shall immediately terminate;
and

(ii) (x) such Lender may declare that SOFR Loans will not thereafter (for the duration of such unlawfulness) be continued for additional Interest Periods and Fallback Rate Loans will not thereafter (for such duration) be converted into SOFR Loans, whereupon any request to convert a Fallback Rate Borrowing to a SOFR Borrowing or to continue a SOFR Borrowing for an additional Interest Period shall, as to such Lender only, be deemed a request to continue a Fallback Rate Loan as such, or to convert a SOFR Loan into a Fallback Rate Loan, as the case may be, unless such declaration shall be subsequently withdrawn and (y) all such outstanding SOFR Loans made by such Lender shall be automatically converted to Fallback Rate Loans on the last day of the then current Interest Period therefor or, if earlier, on the date specified by such Lender in such notice (which date shall be no earlier than the last day of any applicable grace period permitted by applicable law).

(f) Increased Tax Costs. If any Change in Law shall subject any Lender to any (i) Tax of any kind whatsoever with respect to this Agreement or any Loan made by it, or change the basis of taxation of payments to such Lender in respect thereof, or (ii) Tax imposed on it that is specially (but not necessarily exclusively) applicable to lenders such as such Lender as a result of the general extent and/or nature of their activities, assets, liabilities, leverage, other exposures to risk, or other similar factors, including but not limited to the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, regulations, guidelines or directives thereunder or issued in connection therewith, the United Kingdom Tax known as the "bank levy" in such form as it may be imposed and as amended or reenacted, and similar legislation (except, in each case of the foregoing clauses (i) and (ii), for (A) Indemnified Taxes, (B) Taxes described in clauses (a)(ii), (a)(iii) and (b)(ii) through (b)(iv) of the definition of Excluded Taxes, and (C) Other Connection Taxes that are imposed on or measured by net income, however denominated, or that are franchise Taxes or branch profits Taxes), and the result of any of the foregoing shall be to increase the cost to such Lender of making, converting to, continuing or maintaining any Loan (or of maintaining its obligation to make any such Loan), or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or any other amount), then, upon request of such Lender, the Co-Borrowers will pay to such Lender, as the case may be, such additional amount or amounts as will compensate such Lender, as the case may be, for such additional costs incurred or reduction suffered. For the avoidance of doubt, the Co-Borrowers shall not be required to compensate a Lender pursuant to this Section 2.12 for any increased costs incurred or reductions suffered that are attributable to a FATCA Deduction required to be made by any Party.

(g) Notwithstanding anything to the contrary contained herein, no Lender shall be entitled to seek compensation for costs incurred under this Section 2.12 unless it is the general policy or practice of such Lender at such time to seek compensation from other borrowers whose transactions with such Lender are similarly affected by the change in circumstances giving rise to such costs and the applicable Lender is generally seeking such compensation

from such borrowers (but no Lender shall be required to disclose any confidential or proprietary information to confirm the foregoing).

Section 2.13 Breakage Payments. In the event of (a) the payment or prepayment, whether optional or mandatory, of any principal of any SOFR Loan earlier than the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any SOFR Loan earlier than the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Term Loan on the date specified in any notice delivered pursuant hereto, (d) the assignment of any SOFR Loan earlier than the last day of the Interest Period applicable thereto as a result of a request by the Designated Company pursuant to Section 2.16(c), or (e) a Discounted Purchase of any SOFR Loan earlier than the last day of an Interest Period applicable thereto, ~~or (f) the return of the Escrowed Amounts to the Aleris Incremental Term Lenders at the end of the Escrow Period in accordance with Section 2.21(g)(i).~~ then, in any such event, the Co-Borrowers shall compensate each Lender for the loss, cost and expense attributable to such event. In the case of any SOFR Loan, such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted Term SOFR rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan) (excluding, however, the Applicable Margin included therein), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits of a comparable currency, amount and period from other banks in the applicable interbank market. A certificate of any Lender setting forth in reasonable detail any amount or amounts that such Lender is entitled to receive pursuant to this Section 2.13 shall be delivered to the Designated Company (with a copy to the Administrative Agent) and shall be conclusive and binding absent manifest error. The Co-Borrowers shall pay such Lender the amount shown as due on any such certificate within five (5) days after receipt thereof.

Section 2.14 Payments Generally; Pro Rata Treatment; Sharing of Setoffs.

(a) Payments Generally. Each Loan Party shall make each payment required to be made by it hereunder or under any other Loan Document (whether of principal, interest or fees, or of amounts payable under Section 2.12, Section 2.13, Section 2.15, Section 2.16, Section 2.21, or Section 11.03, or otherwise) on or before the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 1:00 p.m., London time), on the date when due, in immediately available funds, without condition or deduction for any counterclaim, defense, recoupment or setoff. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All payments by any Loan Party shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the Administrative Agent's Office, except that payments pursuant to Section 2.12, Section 2.13, Section 2.15, Section 2.16, Section 7.10 and Section 11.03 shall be made directly to the persons entitled thereto and payments pursuant to other Loan Documents shall be made to the persons specified therein. The Administrative Agent shall distribute any such payments received by it for the account of any other person to the appropriate recipient promptly following receipt thereof in like funds as received by the Administrative Agent. If any payment under any Loan Document shall be due on a day that is not a Business Day, unless specified otherwise, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the

period of such extension. All payments under each Loan Document shall be made in Dollars, except as expressly specified otherwise.

(b) Pro Rata Treatment.

(i) Each payment by the Co-Borrowers of interest in respect of the Loans of any Class shall be applied to the amounts of such obligations owing to the Lenders *pro rata* according to the respective amounts then due and owing to the Lenders of such Class.

(ii) Each payment by the Co-Borrowers on account of principal of the Borrowings of any Class shall be made *pro rata* according to the respective outstanding principal amounts of the Loans then held by the Lenders of such Class.

(c) Insufficient Funds. If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest and fees then due hereunder, such funds shall be applied (i) *first*, toward payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) *second*, toward payment of principal then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties.

(d) Sharing of Set-Off. Subject to the terms of the Intercreditor Agreement, if any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or other Obligations resulting in such Lender's receiving payment of a proportion of the aggregate amount of its Loans and accrued interest thereon or other Obligations greater than its *pro rata* share thereof as provided herein, then the Lender receiving such greater proportion shall (a) notify the Administrative Agent of such fact, and (b) purchase (for cash at face value) participations in the Loans and such other obligations of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them, provided that:

(i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(ii) the provisions of this paragraph shall not be construed to apply to (x) any payment made by any Loan Party pursuant to and in accordance with the express terms of this Agreement or (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, other than to any Loan Party or any Subsidiary thereof (as to which the provisions of this paragraph shall apply); provided, that this paragraph shall not apply to purchases pursuant to the Discounted Purchase provisions of Section 11.04(b)(iv).

Each Loan Party consents to the foregoing and agrees, to the extent it may effectively do so under applicable Requirements of Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Loan Party rights of setoff and

counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Loan Party in the amount of such participation. If under applicable bankruptcy, insolvency or any similar law any Secured Party receives a secured claim in lieu of a setoff or counterclaim to which this Section 2.14(d) applies, such Secured Party shall to the extent practicable, exercise its rights in respect of such secured claim in a manner consistent with the rights to which the Secured Party is entitled under this Section 2.14(d) to share in the benefits of the recovery of such secured claim.

(e) Co-Borrower Default. Unless the Administrative Agent shall have received notice from the Designated Company prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the applicable Co-Borrower will not make such payment, the Administrative Agent may assume that such Co-Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders, as the case may be, the amount due. In such event, if such Co-Borrower has not in fact made such payment, then each of the Lenders, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Interbank Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. A notice of the Administrative Agent to any Lender or the Designated Company setting forth in reasonable detail any amount owing under this Section 2.14(e) shall be conclusive, absent manifest error.

(f) Lender Default. If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.02(c), Section 2.14(e) or Section 11.03(c), then the Administrative Agent may, in its discretion following 5 Business Days' prior written notice to such lender (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid and, upon full payment of such obligations as provided above, the Administrative Agent shall promptly issue a written notice to such Lender setting forth in reasonable detail the application of any amounts on account of such Lender.

(g) Obligations of Lenders Several. The obligations of the Lenders hereunder to make Loans and to make payments pursuant to Section 11.03 are several and not joint. The failure of any Lender to make any Loan or to make any payment under Section 11.03 on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or to make its payment under Section 11.03.

(h) Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

Section 2.15 Taxes

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of the Loan Parties hereunder or under any other Loan Document shall be made free and clear of and without reduction or withholding for any Taxes, except as required by applicable Requirements of Law. If any applicable Requirements of Law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or

withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Taxing Authority in accordance with applicable Requirements of Law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after all such required deductions and withholdings (including any such deductions and withholdings applicable to additional sums payable under this Section) each Agent or Lender, as the case may be, receives an amount equal to the sum it would have received had no such deductions or withholdings been made. For the avoidance of doubt, each Party may make any FATCA Deduction it is required to make by FATCA, and any payment required in connection with that FATCA Deduction, and no Party shall be required to increase any payment in respect of which it makes such a FATCA Deduction or otherwise compensate the recipient of the payment for that FATCA Deduction. Each Party shall promptly, upon becoming aware that it must make a FATCA Deduction (or that there is any change in the rate or basis of such FATCA Deduction), and in any case at least three (3) Business Days prior to making a FATCA Deduction, notify the Party to whom it is making the payment and, on or prior to the day on which it notifies that Party, shall also notify the Designated Company, the Agents and the other Lenders.

(b) Payment of Other Taxes by Loan Parties. Without limiting the provisions of paragraph (a) above, each Loan Party shall timely pay to the relevant Taxing Authority in accordance with applicable Requirements of Law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(c) Indemnification by Loan Parties. The Loan Parties shall jointly and severally indemnify each Agent and each Lender, within ten (10) Business Days after demand therefor, for the full amount of any Indemnified Taxes imposed or asserted on or attributable to amounts payable by any of the Loan Parties hereunder or under any other Loan Document (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.15) payable or paid by such Agent or such Lender or required to be withheld or deducted from a payment to such Agent or such Lender, as the case may be, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Taxing Authority. A certificate as to the amount of such payment or liability delivered to the Designated Company by a Lender (with a copy to the Administrative Agent), or by such Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error. No Loan Party shall be obliged to provide indemnity under this Section to the extent that the Indemnified Tax in question is compensated for by an increased payment under Sections 2.12(f), 2.15(a) or 7.10.

(d) Evidence of Payments. As soon as practicable after any payment of Taxes by any Loan Party to a Taxing Authority pursuant to this Agreement, the applicable Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Taxing Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Status of Lenders. (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Designated Company (with a copy to the Administrative Agent), at the time or times reasonably requested by the Designated Company or the Administrative Agent (and from time to time thereafter, as requested by the Designated Company or Administrative Agent), such properly completed and executed documentation reasonably requested by the Designated Company or the Administrative Agent as will permit such payments to be made

without withholding or at a reduced rate of withholding. In addition, any Lender, if requested by the Designated Company or the Administrative Agent, shall deliver such other documentation prescribed by applicable Requirements of Law or reasonably requested by the Designated Company or the Administrative Agent as will enable the applicable Loan Parties or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation pursuant to this Section 2.15(e) (other than such documentation set forth in Section 2.15(e)(ii)(A) and (ii)(B) below) shall not be required if, in the relevant Lender's reasonable judgment, such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the event that a Co-Borrower is a U.S. Person,

(A) any Lender that is a U.S. Person shall deliver to the Designated Company and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement or, if later, the date on which a U.S. Person becomes a Co-Borrower (and from time to time thereafter upon the reasonable request of the Designated Company or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Designated Company and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement or, if later, the date on which a U.S. Person becomes a Co-Borrower (and from time to time thereafter upon the reasonable request of the Designated Company or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed copies of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit H-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of a Co-Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed copies of IRS Form W-8BEN or W-8BEN-E; or

(4) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-2 or Exhibit H-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-4 on behalf of each such direct and indirect partner; and

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Designated Company and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement or, if later, the date on which a U.S. Person becomes a Co-Borrower (and from time to time thereafter upon the reasonable request of the Designated Company or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Designated Company or the Administrative Agent to determine the withholding or deduction required to be made.

Each Lender agrees that if any form or certification it previously delivered pursuant to this Section 2.15(e) expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Designated Company and the Administrative Agent in writing of its legal inability to do so. The Administrative Agent shall, upon request by the Designated Company, promptly provide the Designated Company a Form W-8IMY from the Administrative Agent attaching the most recent form provided to the Administrative Agent by each Lender pursuant to Section 2.15(e)(ii) above and the most recent withholding schedule, if any, prepared by the Designated Company and previously delivered to the Administrative Agent. The Administrative Agent may rely on such forms and withholding schedule, without the need for any independent verification thereof, in preparing any Form W-8IMY required hereunder.

(f) FATCA Information. Notwithstanding Section 2.15(e) or any other provision of this Agreement to the contrary:

(i) Subject to paragraph (iii) below, each Party shall, within ten Business Days of a reasonable request by another Party:

(A) confirm to that other Party whether it is:

(1) a FATCA Exempt Party; or

(2) not a FATCA Exempt Party;

(B) supply to that other Party such forms, documentation and other information relating to its status under FATCA as that other Party reasonably requests for the purposes of that other Party's compliance with FATCA;

(C) supply to that other Party such forms, documentation and other information relating to its status as that other Party reasonably requests

for the purposes of that other Party's compliance with any other law, regulation, or exchange of information regime.

(ii) If a Party confirms to another Party pursuant to paragraph (i)(A) above that it is a FATCA Exempt Party and it subsequently becomes aware that it is not or has ceased to be a FATCA Exempt Party, that Party shall notify that other Party reasonably promptly.

(iii) Paragraph (i) above shall not oblige any Lender or any Agent to do anything, and paragraph (i)(C) above shall not oblige any other Party to do anything, which would or might in its reasonable opinion constitute a breach of:

- (A) any law or regulation;
- (B) any fiduciary duty; or
- (C) any duty of confidentiality.

(iv) If a Party fails to confirm whether or not it is a FATCA Exempt Party or to supply forms, documentation or other information requested in accordance with paragraph (i)(A) or (B) above (including, for the avoidance of doubt, where paragraph (iii) above applies), then such Party shall be treated for the purposes of the Loan Documents (and payments under them) as if it is not a FATCA Exempt Party until such time as the Party in question provides the requested confirmation, forms, documentation or other information.

(v) If a Co-Borrower is a U.S. Tax Obligor or the Administrative Agent reasonably believes that its obligations under FATCA or any other applicable law or regulation require it, each Lender shall, within ten Business Days of:

- (A) where the Co-Borrower is a U.S. Tax Obligor and the relevant Lender is a Lender on the date of this Agreement, the date of this Agreement;
- (B) where a Co-Borrower is a U.S. Tax Obligor on a date on which a Lender becomes a Lender under this Agreement and the relevant Lender was not a Lender on the date of this Agreement, the relevant date on which such Lender becomes a Lender under this Agreement;
- (C) the date a new U.S. Tax Obligor accedes as a Co-Borrower; or
- (D) where a Co-Borrower is not a U.S. Tax Obligor, the date of a request from the Administrative Agent, supply to the Administrative Agent (to the extent not otherwise supplied pursuant to Section 2.15(e) above):
 - (1) a withholding certificate on Form W-8, Form W-9 or any other relevant form; or
 - (2) any withholding statement or other document, authorization or waiver as the Administrative Agent may require to certify or establish the status of such Lender under FATCA or that other law or regulation.

(vi) The Administrative Agent shall provide any withholding certificate, withholding statement, document, authorization or waiver it receives from a Lender pursuant to paragraph (v) above to the Designated Company.

(vii) If any withholding certificate, withholding statement, document, authorization or waiver provided to the Administrative Agent by a Lender pursuant to paragraph (v) above is or becomes materially inaccurate or incomplete, that Lender shall promptly update it and provide such updated withholding certificate, withholding statement, document, authorization or waiver to the Agent unless it is unlawful for the Lender to do so (in which case the Lender shall promptly notify the Administrative Agent). The Administrative Agent shall provide any such updated withholding certificate, withholding statement, document, authorization or waiver to the Designated Company.

(viii) The Administrative Agent may rely on any withholding certificate, withholding statement, document, authorisation or waiver it receives from a Lender pursuant to paragraph (v) or (vii) above without further verification. The Administrative Agent shall not be liable for any action taken by it under or in connection with paragraph (v), (vi) or (vii) above.

(ix) Without prejudice to any other term of this Agreement, if a Lender fails to supply any withholding certificate, withholding statement, document, authorization, waiver or information in accordance with paragraph (v) above, or any withholding certificate, withholding statement, document, authorization, waiver or information provided by a Lender to the Administrative Agent is or becomes materially inaccurate or incomplete, then such Lender shall indemnify the Administrative Agent, within three Business Days of demand, against any cost, loss, Tax or liability (including, without limitation, for negligence or any other category of liability whatsoever) incurred by the Administrative Agent (including any related interest and penalties) in acting as Administrative Agent under the Loan Documents as a result of such failure.

(g) Treatment of Certain Refunds. If any Party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified, or as to which it has received additional amounts, pursuant to this Section 2.15, Section 7.10, or Section 2.12(f) (such Party, the “Indemnified Party”), then it shall pay to the Party that made such indemnity payments or paid such additional amounts pursuant to this Section 2.15, Section 7.10, or Section 2.12(f) (such Party, the “Indemnifying Party”) an amount equal to such refund (but only to the extent of indemnity payments made to the Indemnified Party pursuant to this Section 2.15, or additional amounts paid to the Indemnified Party pursuant to Section 7.10 or Section 2.12(f), with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of the Indemnified Party, and without interest (other than any interest paid by the relevant Taxing Authority with respect to such refund). The Indemnifying Party, upon the request of the Indemnified Party, agrees to repay to the Indemnified Party the amount paid over to the Indemnified Party pursuant to this Section 2.15(g) (plus any penalties, interest or other charges imposed by the relevant Taxing Authority) in the event the Indemnified Party is required to repay such refund to such Taxing Authority. Nothing in this Section 2.15(g) shall be construed to require any Indemnified Party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the Indemnifying Party or any other person. Notwithstanding anything to the contrary in this Section 2.15(g), in no event will the Indemnified Party be required to pay any amount to an Indemnifying Party pursuant to this Section 2.15(g) the payment of which would place the Indemnified Party in a less favorable net after-Tax position than the Indemnified Party would have been in if the Taxes subject to indemnification and giving rise to such refund

had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Taxes had never been paid.

(h) Co-operation. Notwithstanding anything to the contrary in Section 2.15(e) or paragraph (k) of the definition of Permitted Reorganization, with respect to non-U.S. withholding taxes, the relevant Agent, the relevant Lender(s) (at the written request of the relevant Loan Party) and the relevant Loan Party shall, co-operate in completing any procedural formalities necessary (including delivering any documentation prescribed by the applicable Requirement of Law and making any necessary reasonable approaches to the relevant Taxing Authorities) for the relevant Loan Party to obtain authorization to make a payment to which such Agent or such Lender(s) is entitled without any, or a reduced rate of, deduction or withholding for, or on account of, Taxes; provided, however, that none of the Agents or any Lender shall be required to provide any documentation that it is not legally entitled to provide, or take any action that, in the relevant Agent's or the relevant Lender's reasonable judgment, would subject such Agent or such Lender to any material unreimbursed costs or otherwise be disadvantageous to it in any material respect.

(i) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within three (3) Business Days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 11.04(c) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Taxing Authority. Without limiting the preceding sentence or Section 2.15(f)(ix), each Lender shall indemnify the Administrative Agent (based upon such Lender's *pro rata* share of the sum of the total outstanding Term Loans and unused Commitments of all Lenders at the time the applicable indemnity payment is sought (or if the Term Loans have been repaid in full and the Commitments have been terminated, based upon its share of the Term Loans immediately prior to such payment)), within three (3) Business Days of demand, against any cost, loss or liability in relation to any FATCA-related liability incurred by the Administrative Agent in acting as Administrative Agent under the Loan Documents (unless the Administrative Agent has been reimbursed by a Loan Party pursuant to a Loan Document); provided that indemnity pursuant to this sentence shall not be available to the extent that such cost, loss or liability are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of the Administrative Agent. A certificate as to the amount of payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this Section 2.15(i).

(j) Tax Returns. If, as a result of executing a Loan Document, entering into the transactions contemplated thereby or with respect thereto, receiving a payment or enforcing its rights thereunder, any Agent or any Lender is required to file a Tax Return in a jurisdiction in which it would not otherwise be required file, the Loan Parties shall promptly provide such information necessary for the completion and filing of such Tax Return as the relevant Agent or Lender shall reasonably request with respect to the completion and filing of such Tax

Return. For clarification, any expenses incurred in connection with such filing shall be subject to Section 11.03.

(k) Value Added Tax. All amounts set out, or expressed to be payable under a Loan Document by any party to a Lender or Agent which (in whole or in part) constitute the consideration for value added tax purposes shall be deemed to be exclusive of any applicable value added tax, and accordingly, if value added tax is chargeable on any supply or service made by any Lender or Agent to any party under a Loan Document and such value added tax is required to be collected by such Lender or Agent (or the representative member of any group of which the relevant Lender or Agent forms a part for purposes of value added tax) pursuant to applicable Requirements of Law, that party shall pay to the Lender or Agent (in addition to and at the same time as paying the consideration) an amount equal to the amount of the value added tax (and such Lender or Agent shall promptly provide an appropriate value added invoice to such party).

Where a Loan Document requires any party to reimburse a Lender or Agent for any costs or expenses, that party shall also at the same time pay and indemnify the Lender or Agent against all value added tax incurred by the Lender or Agent in respect of the costs or expenses to the extent that the Lender or Agent reasonably determines that neither it nor any other member of any group of which it is a member for value added tax purposes is entitled to credit or repayment from the relevant Taxing Authority in respect of the value added tax.

If any Lender or Agent requires any Loan Party to pay any additional amount pursuant to Section 2.15(k), then such Lender or Agent and Loan Party shall use reasonable efforts to co-operate to minimize the amount such Loan Party is required to pay if, in the judgment of such Lender or Agent, such co-operation would not subject such Lender or Agent to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender or Agent. For the avoidance of doubt, all references to value added tax in this Section 2.15(k) include reference to goods and services tax.

(†) Covered Aleris Syndication Taxes:

~~(i) Notwithstanding anything to the contrary contained in this Agreement or in any other Loan Document, a Covered Aleris Lender's indemnification for Covered Aleris Syndication Taxes with respect to an interest in a Covered Aleris Loan for a Covered Aleris Payment Date (other than a Covered Aleris Payment Date that occurs during the Aleris Syndication Period) shall not exceed an amount equal to the lesser of (x) the U.S. federal withholding Taxes to which such Covered Aleris Lender holding such interest in a Covered Aleris Loan is subject with respect to such interest as of such Covered Aleris Payment Date, (y) the allocable share of the Aleris Gross-Up Cap with respect to such interest in a Covered Aleris Loan and (z) in the case of a Covered Aleris Lender that acquired such interest in a Covered Aleris Loan from another Covered Aleris Lender pursuant to an Assignment and Assumption after the Aleris Syndication Termination Date, the amounts of Covered Aleris Syndication Taxes for which such assignor Covered Aleris Lender was entitled to indemnification hereunder with respect to such interest in a Covered Aleris Loan immediately before such assignment.~~

~~(ii) The aggregate amount of indemnification for Covered Aleris Syndication Taxes payable on any Covered Aleris Payment Date to all Covered Aleris Lenders shall not exceed an amount equal to two percent (2%) of the aggregate amount of interest and other non-principal amounts payable in~~

~~respect of all of the Aleris Incremental Term Loans on such Covered Aleris Payment Date (such aggregate amount of indemnification with respect to a given Covered Aleris Payment Date, the “Aleris Gross-Up Cap”). For the avoidance of doubt, the Aleris Gross-Up Cap shall not be reduced by any Taxes for which the Co-Borrowers are otherwise providing an indemnity to the Lender hereunder.~~

~~(iii) For purposes of Section 2.15(l)(i)(y) above, the allocable share of the Aleris Gross-Up Cap with respect to each interest in a Covered Aleris Loan shall be determined on or after the Aleris Syndication Termination Date by the Incremental Mandated Lead Arrangers in consultation with the Borrower (which may be memorialized in one or more Assignment and Assumptions). Promptly after the allocable share of the Aleris Gross-Up Cap with respect to each interest in a Covered Aleris Loan is determined pursuant to the preceding sentence, the Incremental Mandated Lead Arrangers shall deliver or cause to be delivered in writing to the Administrative Agent and the Borrower (a) the name of each Covered Aleris Lender holding an interest in a Covered Aleris Loan as of the Aleris Syndication Termination Date, (b) the principal amount of the interest in a Covered Aleris Loan held by each such Lender and (c) the share of the Aleris Gross-Up Cap allocable to each such interest.~~

~~(iv) In the case of any Covered Aleris Payment Date that occurs during the Aleris Syndication Period, the Aleris Gross-Up Cap with respect to such Covered Aleris Payment Date shall be allocated among the Covered Aleris Lenders pro rata in accordance with the principal amount of each Covered Aleris Lender’s Covered Aleris Loans on such Covered Aleris Payment Date; provided, to the extent such Covered Aleris Lender’s allocable share of the Aleris Gross-Up Cap exceeds such Covered Aleris Lender’s actual U.S. federal withholding Taxes with respect to the Covered Aleris Loans on such Covered Aleris Payment Date, then such excess shall be re-allocated among such other Covered Aleris Lenders in a similar manner until no such excess remains with respect to any such Covered Aleris Lender.~~

~~(v) For payments by any Loan Party under the Loan Documents that will (or are required to) include, or for which such Loan Party will (or is required to) withhold, any amounts attributable to the Covered Aleris Syndication Taxes, on or prior to the date of such payment, the Borrower shall deliver to the Administrative Agent a certificate certifying the allocation of such payment, which payment shall include the interest amount and the amount of indemnification payments in respect of Covered Aleris Syndication Taxes, among the Lenders, which allocation set forth in such certificate shall reflect the then-current allocations established pursuant to clauses (i) through (iv) of this Section 2.15(l), and the amounts, if any, (x) required to be withheld for any Taxes under applicable Requirements of Law, (y) of Taxes so withheld by the Loan Parties, and (z) of any Taxes to be withheld by the Administrative Agent (which amount under this clause (z) shall be zero unless the Administrative Agent otherwise agrees in writing), in the case of clauses (x) through (z), for purposes of paying the relevant Taxing Authority in accordance with applicable Requirements of Law. For purposes of the foregoing certificate under this clause (v), the Borrower may rely on copies of the Register and each Assignment and Assumption obtained by it in accordance with Section 11.04(e) (it being understood that the Borrower shall have a reasonable duty to request~~

~~such copies and any updates thereto in connection with its obligation to deliver such certificate).~~

~~(vi) By becoming a party to this Agreement, each Lender agrees, notwithstanding anything to the contrary in this Agreement or any other Loan Document, that (x) the Administrative Agent may rely upon and comply with the allocations set forth in the certificate described in Section 2.15(l)(v), without further verification of the Administrative Agent, (y) the Administrative Agent may rely upon the withholding amounts set forth in such certificate, and (z) each Covered Aleris Lender shall indemnify the Administrative Agent (and any sub-agent thereof), within three (3) Business Days after demand therefor, for any losses, claims, damages, liabilities, costs, and related expenses (including the fees, charges and disbursements of any counsel) incurred in relation to any underwithholding of Taxes from such Lender with respect to such payments.~~

(m) Survival. Each party's obligations under this Section 2.15 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

Section 2.16 Mitigation Obligations; Replacement of Lenders.

(a) Designation of a Different Lending Office. Each Lender may at any time or from time to time designate, by written notice to the Administrative Agent, one or more lending offices (which, for this purpose, may include Affiliates of the respective Lender) for the various Loans made by such Lender; provided that to the extent such designation shall result, as of the time of such designation, in increased costs under Section 2.12, Section 2.15 or Section 7.10 in excess of those which would be charged in the absence of the designation of a different lending office (including a different Affiliate of the respective Lender), then the Loan Parties shall not be obligated to pay such excess increased costs (although the applicable Loan Party, in accordance with and pursuant to the other provisions of this Agreement, shall be obligated to pay the costs which would apply in the absence of such designation and any subsequent increased costs of the type described above resulting from changes after the date of the respective designation). Each lending office and Affiliate of any Lender designated as provided above shall, for all purposes of this Agreement, be treated in the same manner as the respective Lender (and shall be entitled to all indemnities and similar provisions in respect of its acting as such hereunder). Each lending office and Affiliate of any Lender designated as provided above shall, for all purposes of this Agreement, be treated in the same manner as the respective Lender (and shall be entitled to all indemnities and similar provisions in respect of its acting as such hereunder). The proviso to the first sentence of this Section 2.16(a) shall not apply to changes in a lending office pursuant to Section 2.16(b) if such change was made upon the written request of any Loan Party.

(b) Mitigation Obligations. If any Lender requests compensation under Section 2.12, or requires any Loan Party to pay any additional amount to any Lender or any Taxing Authority for the account of any Lender pursuant to Section 2.15 or Section 7.10, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.12, Section 2.15 or Section 7.10, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such

Lender. Each Loan Party hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment. A certificate setting forth such costs and expenses submitted by such Lender to the Designated Company shall be conclusive absent manifest error.

(c) Replacement of Lenders. If any Lender requests compensation under Section 2.12, or if any Loan Party is required to pay any additional amount to any Lender or any Taxing Authority for the account of any Lender pursuant to Section 2.15 or Section 7.10, or if any Lender is a Defaulting Lender, or if the Designated Company exercises its replacement rights under Section 11.02(d), then the Designated Company may, at its sole expense and effort, upon notice by the Designated Company to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 11.04), all of its interests, rights and obligations under this Agreement and the other Loan Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that:

(i) the Co-Borrowers or the assignee shall have paid to the Administrative Agent the processing and recordation fee specified in Section 11.04(b);

(ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 2.13), from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Co-Borrowers (in the case of all other amounts, including any amounts under Section 2.10(j));

(iii) in the case of any such assignment resulting from a claim for compensation under Section 2.12 or payments required to be made pursuant to Section 2.15 or Section 7.10, such assignment will result in a reduction in such compensation or payments thereafter; and

(iv) such assignment does not conflict with applicable Requirements of Law.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Designated Company to require such assignment and delegation cease to apply.

Section 2.17 Benchmark Replacement Setting.

(a) Benchmark Replacement.

(i) Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (a) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and

subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Benchmark Replacement is determined in accordance with clause (b) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 12:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders. If the Benchmark Replacement is Daily Simple SOFR, all interest payments will be payable on a monthly basis.

(ii) No Hedging Agreement shall constitute a “Loan Document” for purposes of this Section 2.17.

(b) Benchmark Replacement Conforming Changes. In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(c) Notices; Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Designated Company and the Lenders of (i) the implementation of any Benchmark Replacement and (ii) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Administrative Agent will notify the Designated Company of (x) the removal or reinstatement of any tenor of a Benchmark pursuant to Section 2.17(d) and (y) the commencement of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.17, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.17.

(d) Unavailability of Tenor of Benchmark. Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including Term SOFR Reference Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative, then the Administrative Agent may modify the definition of “Interest Period” (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or

information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of “Interest Period” (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(e) Benchmark Unavailability Period. Upon the Designated Company’s receipt of notice of the commencement of a Benchmark Unavailability Period, (i) the Designated Company may revoke any pending request for a SOFR Borrowing of, conversion to or continuation of SOFR Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Designated Company will be deemed to have converted any such request into a request for a Borrowing of or conversion to Fallback Rate Loans and (ii) any outstanding affected SOFR Loans will be deemed to have been converted to Fallback Rate Loans at the end of the applicable Interest Period. During a Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of Fallback Rate and Cost of Funds based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of Fallback Rate or Cost of Funds.

Section 2.18 [INTENTIONALLY OMITTED].

Section 2.19 Interest Act (Canada); Criminal Rate of Interest; Nominal Rate of Interest.

(a) Notwithstanding anything to the contrary contained in this Agreement or in any other Loan Document, solely to the extent that a court of competent jurisdiction finally determines that the calculation or determination of interest or any fee payable by any Canadian Loan Party in respect of the Obligations pursuant to this Agreement and the other Loan Documents shall be governed by the laws of any province of Canada or the federal laws of Canada, in no event shall the aggregate interest (as defined in Section 347 of the Criminal Code, R.S.C. 1985, c. C-46, as the same shall be amended, replaced or re-enacted from time to time, “**Section 347**”) payable by the Canadian Loan Parties to the Agents or any Lender under this Agreement or any other Loan Document exceed the effective annual rate of interest on the Credit advances (as defined in Section 347) under this Agreement or such other Loan Document lawfully permitted under Section 347 and, if any payment, collection or demand pursuant to this Agreement or any other Loan Document in respect of Interest (as defined in Section 347) is determined to be contrary to the provisions of Section 347, such payment, collection or demand shall be deemed to have been made by mutual mistake of the Agents, the Lenders and the Canadian Loan Parties and the amount of such payment or collection shall be refunded by the relevant Agents and Lenders to the applicable Canadian Loan Parties. For the purposes of this Agreement and each other Loan Document to which the Canadian Loan Parties are a party, the effective annual rate of interest payable by the Canadian Loan Parties shall be determined in accordance with generally accepted actuarial practices and principles over the term of the loans on the basis of annual compounding for the lawfully permitted rate of interest and, in the event of dispute, a certificate of a Fellow of the Canadian Institute of Actuaries appointed by the Administrative Agent for the account of the Canadian Loan Parties will be conclusive for the purpose of such determination in the absence of evidence to the contrary.

(b) For the purposes of the Interest Act (Canada) and with respect to Canadian Loan Parties only:

(i) whenever any interest or fee payable by the Canadian Loan Parties is calculated using a rate based on a year of 360 days or 365 days, as the case may be, the rate determined pursuant to such calculation, when expressed as an annual rate, is equivalent to (x) the applicable rate based on a year of 360 days or 365 days, as the case may be, (y) multiplied by the actual number of days in the calendar year in which such rate is to be ascertained and (z) divided by 360 or 365, as the case may be; and

(ii) all calculations of interest payable by the Canadian Loan Parties under this Agreement or any other Loan Document are to be made on the basis of the nominal interest rate described herein and therein and not on the basis of effective yearly rates or on any other basis which gives effect to the principle of deemed reinvestment of interest.

The parties hereto acknowledge that there is a material difference between the stated nominal interest rates and the effective yearly rates of interest and that they are capable of making the calculations required to determine such effective yearly rates of interest.

Section 2.20 [INTENTIONALLY OMITTED].

Section 2.21 ~~Escrow Arrangement~~[INTENTIONALLY OMITTED].

~~(a) Appointment. Each Loan Party and each Aleris Incremental Term Lender hereby irrevocably appoints the Escrow Agent as its escrow agent for the purposes set forth herein and in the Aleris Increase Joinder Amendment, and authorizes the Escrow Agent to take such actions on its behalf and to exercise such powers as are delegated to the Escrow Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The Escrow Agent hereby accepts such appointment and agrees to act as escrow agent and to hold and disburse the Escrowed Amounts all in accordance with the terms and conditions set forth herein and in the Aleris Increase Joinder Amendment.~~

~~(b) Escrowed Amounts-~~

~~(i) On the Aleris Incremental Escrow Date, subject to the satisfaction of the conditions precedent set forth in Section 5 of the Aleris Increase Joinder Amendment, each Aleris Incremental Term Lender shall, severally and not jointly, make an Aleris Incremental Term Loan in Dollars to Novelis Acquisitions by depositing or causing to be deposited with the Escrow Agent in the Escrow Account an amount, in immediately available funds, equal to such Aleris Incremental Lender's pro rata share (as a percentage of the aggregate Aleris Incremental Term Loan Commitments of all Aleris Incremental Term Lenders on such date immediately prior to giving effect to such funding) of the aggregate amount of Aleris Incremental Term Loans requested by Novelis Acquisitions to be borrowed pursuant to the Borrowing Request in respect thereof, which pro rata share shall not exceed such Aleris Incremental Term Lender's Aleris Incremental Term Loan Commitment on the Aleris Incremental Escrow Date; provided that, at the option of the Designated Company as set forth in the Borrowing Request, some or all of the fees payable pursuant to the Fee Letters may be paid by netting the fees payable to the applicable Aleris Incremental Term Lender against the amount of the Aleris Incremental Term Loans required to be funded by such Aleris Incremental Term Lender.~~

~~(ii) Prior to 11:59 p.m. London Time on the Escrow Date, the Administrative Agent shall deliver written notice to the Designated Company and the Aleris Incremental Term Lenders, which notice shall list the amount that the Escrow Agent has advised that it has received into the Escrow Account from each Lender on the Escrow Date, as well as the total Escrowed Amount on deposit in the Escrow Account (to the extent that the Escrow Agent has internally confirmed receipt of such amounts from such Aleris Incremental Term Lenders in the Escrow Account based on the funding schedule attached to the Borrowing Request). The Escrow Agent shall (x) hold the Escrowed Amounts in the Escrow Account during the Escrow Period, and (y) distribute the Escrowed Amounts in accordance with the terms and conditions of this Section 2.21 and the Aleris Increase Joinder Amendment.~~

~~(iii) The Escrowed Amounts shall not be invested by the Escrow Agent during the Escrow Period, and, except for interest accruing for the benefit of the Aleris Incremental Term Lenders and payable by the applicable Loan Parties pursuant to clause (c) below and the other terms of this Agreement, the Escrowed Amounts shall not accrue interest. The Escrow Agent shall hold and release the Escrowed Amounts only as provided in this Section 2.21.~~

~~(iv) It is the intention of the Loan Parties and the Aleris Incremental Term Lenders that this Agreement and the Aleris Increase Joinder Amendment create a true escrow and that the Loan Parties have no ownership of, or rights in, the Escrow Account or the Escrowed Amounts other than the contractual right to receive the Escrowed Amounts as provided in this Section 2.21.~~

~~(e) Interest on Escrowed Term Loans. Except as otherwise provided in Section 2.06(e) or the last sentence of this clause (e), for the Escrow Period, including the first day but excluding the last day of such period, the Escrowed Term Loans shall bear interest at a rate per annum equal to the Term SOFR for an Interest Period of one month plus the Applicable Margin applicable to Aleris Incremental Term Loans. If the Escrowed Amounts are funded by the Escrow Agent on the Aleris Acquisition Closing Date in accordance with clause (f) below, then such Interest Period shall continue and shall be payable in Dollars by the applicable Co-Borrower to the Administrative Agent in arrears in accordance with Section 2.06(d) and Section 2.14, and future Interest Periods shall be subject to Section 2.08. If the Escrowed Amounts are returned to the Aleris Incremental Term Lenders in accordance with clause (g)(i) below, then accrued interest on Escrowed Amounts shall be payable in Dollars by the applicable Co-Borrower to the Administrative Agent in arrears in accordance with Section 2.14 no later than the date that is 5 Business Days after the end of the Escrow Period. The Administrative Agent shall distribute payments received under this clause (e) in accordance with Section 2.14. If the Escrowed Amounts are returned to an Aleris Incremental Term Lender in accordance with clause (g)(ii) below, then, notwithstanding anything in this clause (e) or any other provision in any Loan Document to the contrary, the Residual Returned Amounts of such Aleris Incremental Term Lender shall not accrue interest, and shall not obtain the benefit of Section 2.13.~~

~~(d) Aleris Incremental Term Loan Commitments and Incremental Facility Commitment Fees. To the extent that the Aleris Incremental Term Loan Commitments have not been terminated pursuant to Section 2.07, for each Aleris Incremental Term Lender, such Lender's Aleris Incremental Term Loan Commitment shall terminate upon such Aleris Incremental Term Lender funding the full amount of its Aleris Incremental Term Loans (as such funded amount may be reduced, at the option of the Designated Company as provided in the Borrowing Request, to the extent that some or all of the fees payable pursuant to the Fee~~

Letters are paid by netting the fees payable to the applicable Aleris Incremental Term Lender against the amount of the Aleris Incremental Term Loans required to be funded by such Aleris Incremental Term Lender) to the Escrow Account pursuant to the applicable Borrowing Request. The Incremental Facility Commitment Fees (as defined in the Aleris Fee Letter) shall be payable in accordance with the terms of the Aleris Fee Letter, and such commitment fees shall not be netted from the amounts funded by the Aleris Incremental Term Lenders into the Escrow Account.

(e) ~~Escrow Drawdown Requests~~. To request the funding of the Escrowed Amounts, the Designated Company shall deliver, by hand delivery, telecopier or, to the extent separately agreed by the Administrative Agent, by an electronic communication in accordance with the second sentence of ~~Section 11.01(b)~~ and the second paragraph of ~~Section 11.01(d)~~, a duly completed and executed Escrow Drawdown Request (the "~~Original Escrow Drawdown Request~~") to the Administrative Agent, with a copy to the Escrow Agent, not later than 3:00 p.m., London time, one (1) Business Days before the Aleris Incremental Funding Date; ~~provided that subsequent Escrow Drawdown Requests delivered pursuant to the last paragraph of this clause (e) shall be delivered not later than 10:00 a.m., London time on the Aleris Incremental Funding Date. Each Escrow Drawdown Request shall be irrevocable (provided that such request may be conditioned upon the satisfaction of the requirements set forth in clause (f) below) and shall specify the following information in compliance with Section 2.02:~~

(i) ~~that Novelis Acquisitions is requesting the drawdown and the aggregate amount of such drawdown, which shall be the Escrowed Amount; provided that, notwithstanding anything herein to the contrary, on the Aleris Incremental Funding Date, prior to or substantially concurrently with the Escrow Release Time, the Designated Company may deliver to the Administrative Agent, with a copy to the Escrow Agent, an updated Escrow Drawdown Request to reflect a funding request for the current available balance in the Escrow Account at the Escrow Release Time, as such amount is notified in writing to the Designated Company by the Administrative Agent prior to the Escrow Release Time on the Aleris Incremental Funding Date, and such updated amount shall thereafter constitute the Escrowed Amount for purposes of the funding under clause (f) below;~~

(ii) ~~the date of such drawdown, which shall be a Business Day occurring on or prior to the Aleris Incremental Commitment Termination Date and shall be the Aleris Acquisition Closing Date;~~

(iii) ~~that the initial Interest Period applicable to the Escrowed Term Loans as in effect on the date of such Escrow Drawdown Request shall continue after giving effect to the drawdown;~~

(iv) ~~the location and account number of the bank account(s) to which funds are to be disbursed (the "Specified Bank Accounts"); and~~

(v) ~~the conditions set forth in Section 4.03(b) — (d) have been satisfied as of the date of the Escrow Drawdown Request, and in the case of Aleris Incremental Term Loans, that the Aleris Acquisition Closing Date and the Aleris Incremental Funding Date is expected to occur on the date designated pursuant to clause (ii) above, and that the~~

~~conditions referred to in Section 6 of the Aleris Increase Joinder Amendment shall be satisfied on the Aleris Incremental Funding Date.~~

~~Promptly following receipt of an Escrow Drawdown Request in accordance with this clause (c), the Administrative Agent shall provide notice thereof to the Aleris Incremental Term Lenders. In the event the Escrow Drawdown Request is delivered to the Administrative Agent, whether in writing, by telecopier or otherwise, the Administrative Agent is authorized to seek confirmation of such instruction by telephone call back to the person or persons designated in Exhibit A to the Aleris Increase Joinder Amendment (the “**Call Back Authorized Individuals**”), and the Administrative Agent and the Escrow Agent may rely upon the confirmations of anyone purporting to be a Call Back Authorized Individual. To assure accuracy of the instructions it receives, the Administrative Agent may record such call backs. If the Administrative Agent is unable to verify the instructions, or is not satisfied with the verification it receives, it will not fund the Escrowed Term Loans until all such issues have been resolved in the Administrative Agent’s reasonable discretion. The persons and telephone numbers for call backs may be changed only in writing actually received and acknowledged by the Administrative Agent.~~

~~If the Administrative Agent notifies the Designated Company that the Escrow Agent has internally confirmed receipt of additional amounts in the Escrow Account in excess of the Escrow Amounts set forth in a previously delivered Escrow Drawdown Notice, the Designated Company may deliver an updated Escrow Drawdown Request in accordance with, and within the time periods required by, the terms of this clause (c). If for any reason the drawdown requested pursuant to an Escrow Drawdown Request is not funded by the Escrow Agent to the Administrative Agent as the result of any of the requirements set forth in clause (f) below failing to be satisfied by the time or by the date set forth therein, then, during the Escrow Period, the Designated Company may deliver an updated Escrow Drawdown Request in accordance with, and within the time periods required by, the terms of this clause (c). Notwithstanding anything herein or in any other Loan Document to the contrary, each Escrow Drawdown Request delivered pursuant to this clause (c) after the delivery of an Original Escrow Drawdown Request shall supersede all previously delivered Escrow Drawdown Requests.~~

~~(f) Funding of the Escrowed Amounts on the Aleris Incremental Funding Date. Upon the satisfaction of the Escrow Release Conditions described below, the Administrative Agent shall notify the Escrow Agent that such conditions have been satisfied, and shall direct the Escrow Agent to promptly disburse the Escrowed Term Loans to the Administrative Agent to be funded pursuant to the Escrow Drawdown Request. Upon receiving such notice and direction, the Escrow Agent shall promptly disburse the Escrowed Term Loans to the Administrative Agent. Upon receipt of the Escrowed Term Loans, the Administrative Agent shall promptly disburse the Escrowed Amounts to the Specified Bank Accounts in accordance with the applicable Escrow Drawdown Request on the Aleris Incremental Funding Date (the time of such disbursement, the “**Escrow Release Time**”). The “**Escrow Release Conditions**” shall mean (i) for each Aleris Incremental Term Lender that has deposited funds into the Escrow Account as of the Escrow Release Time, the Escrow Agent has internally confirmed receipt of such funds from such Aleris Incremental Term Lender, (ii) the Administrative Agent and the Escrow Agent has received an Escrow Drawdown Request complying with the terms of, and within the time period required by, clause (c) above (as the same may be supplemented pursuant to clause (c)(i) and the last paragraph of clause (c) above), and (iii) the conditions precedent set forth in Section 4.03 are satisfied no later than 3:00 p.m. London Time on the Aleris Incremental Funding Date. For the avoidance of doubt, if on the Aleris Incremental Funding Date the Escrowed Amounts are less than the amount originally requested to be funded pursuant to the original Escrow Drawdown Request, then, to the extent that the~~

~~foregoing conditions in this clause (f) have been satisfied, the Designated Company may proceed with the funding of the then-available Escrowed Amounts by complying with the proviso in clause (e)(i) above.~~

~~(g) Return of Escrowed Amounts to the Aleris Incremental Term Lenders.~~

- ~~(i) If (x) the Aleris Acquisition Closing Date has not occurred, and the Administrative Agent is not required to fund the Escrowed Amounts to the Specified Bank Accounts in accordance with clause (f) above at or prior to 3:00 p.m. London Time on the date that is ten (10) Business Days after the Escrow Date (such time, the “**Commitment Release Time**”), (y) an Event of Default under Section 8.01(g) or (h) has occurred, or (z) the Agreement Termination Date has occurred, then Administrative Agent shall notify the Escrow Agent that the Escrow Release Conditions have not been satisfied and that the Escrowed Term Loans must be returned to the Aleris Incremental Term Lenders, and shall direct the Escrow Agent to promptly disburse the Escrowed Term Loans to the Administrative Agent in order to be returned to the respective Aleris Incremental Term Lenders. Upon receiving such notice and direction, the Escrow Agent shall promptly disburse the Escrowed Term Loans to the Administrative Agent. Upon receipt of the Escrowed Term Loans, the Administrative Agent shall promptly return the Escrowed Amounts to the respective Aleris Incremental Term Lenders. For the avoidance of doubt, notwithstanding anything herein or in any other Loan Document to the contrary, if an Aleris Incremental Term Lender funded its Aleris Incremental Term Loans into the Escrow Account by netting the arranger fees (but not the commitment fees) payable to the applicable Aleris Incremental Term Lender under the Fee Letters against the amount of the Aleris Incremental Term Loans required to be funded by such Aleris Incremental Term Lender into the Escrow Account, then the return of the actual amounts funded by each Aleris Incremental Term Lender into the Escrow Account to the respective Aleris Incremental Term Lenders pursuant to this clause (g)(i) shall satisfy in full the obligation of the Loan Parties to repay the Aleris Incremental Term Loans. If the amount returned to any Aleris Incremental Term Lender pursuant to this clause (g)(i) is less than the amount actually funded by such Aleris Incremental Term Lender into the Escrow Account, then the aggregate amount of such shortfall in respect of all of the Aleris Incremental Term Lenders shall immediately be due and payable to the Administrative Agent by the applicable Co-Borrower. The Administrative Agent shall distribute payments received under this clause (g)(i) in accordance with Section 2.14.~~
- ~~(ii) If, after the Escrow Release Time, as a result of an Aleris Incremental Term Lender failing to fund its Aleris Incremental Term Loans into the Escrow Account within the time period required by this Agreement, the Escrow Agent internally confirms receipt in the Escrow Account of any other Escrowed Amounts from any Aleris Incremental Term Lender, or otherwise continues to hold Escrowed Amounts that were not required to be funded pursuant to clause (f) above (the “**Residual Returned Amounts**”), then, notwithstanding anything to the contrary in this Agreement or any other Loan Document, such Residual Returned Amounts shall not accrue interest or be subject to Section 2.13, any arranger fees set forth in any Fee Letter shall not be payable to such Aleris Incremental Term Lender in respect of such Residual Returned Amounts, and the Escrow Agent shall promptly disburse the Residual Returned Amounts to the extent remaining on deposit in the Escrow Account to the Administrative Agent, and upon receipt thereof, the Administrative Agent shall promptly return such amounts to the respective Aleris Incremental~~

~~Term Lenders. For the avoidance of doubt, notwithstanding anything herein or in any other Loan Document to the contrary, if an Aleris Incremental Term Lender funded the Residual Returned Amounts into the Eserow Account by netting the arranger fees (but not the commitment fees) payable to the applicable Aleris Incremental Term Lender under the Fee Letters against the amount of the Aleris Incremental Term Loans required to be funded by such Aleris Incremental Term Lender into the Eserow Account, then the return of the actual Residual Returned Amounts funded by such Aleris Incremental Term Lender into the Eserow Account pursuant to this clause (g)(ii) shall satisfy in full the obligation of the Loan Parties to repay the Residual Returned Amounts and any other Obligations arising as a result of the netting of the arranger fees from the amount funded by such Aleris Incremental Term Lender to the Eserow Account. If the amount returned to any Aleris Incremental Term Lender pursuant to this clause (g)(ii) is less than the amount actually funded by such Aleris Incremental Term Lender into the Eserow Account, then the aggregate amount of such shortfall in respect of all of the Aleris Incremental Term Lenders shall immediately be due and payable to the Administrative Agent by the applicable Co-Borrower. The Administrative Agent shall distribute payments received under this clause (g)(ii) in accordance with Section 2.14. Notwithstanding anything to the contrary in any Fee Letter, any Aleris Incremental Term Lender that (x) receives Residual Returned Amounts as a result of such Aleris Incremental Term Lender failing to fund its ratable share of the Aleris Incremental Term Loans into the Eserow Account within the time period required by this Agreement, or (y) fails to fund its ratable share of the Aleris Incremental Term Loans into the Eserow Account within the time period required by this Agreement, shall forfeit its right to any Extension Fee and any commitment fee received by it pursuant to, and as defined in, the Aleris Fee Letter, and such Aleris Incremental Term Lender shall, no later than the date that is 10 Business Days after the Aleris Incremental Funding Date, make a payment to the Designated Company in an amount equal to the sum of (A) the Extension Fee received by such Aleris Incremental Term Lender under the Aleris Fee Letter and (B) the aggregate amount of the commitment fees received by such Aleris Incremental Term Lender under the Aleris Fee Letter.~~

~~(h) Eserow Agent. The Eserow Agent undertakes to perform only such duties as are expressly set forth in this Section 2.21 and in the Aleris Increase Joinder Amendment, which shall be deemed purely ministerial in nature, and no other duties shall be implied. The Eserow Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing. The Eserow Agent shall not have any duty to take any discretionary action or exercise any discretionary powers. The Eserow Agent shall neither be responsible for, nor chargeable with, knowledge of, nor have any requirements to comply, in its capacity as Eserow Agent, with, the terms and conditions of any other agreement, instrument or document between or among any Loan Party and any Lender, in connection herewith or otherwise, including any other Loan Document and including the Aleris Merger Agreement, nor shall the Eserow Agent be required to determine if any Person has complied with any such agreements, nor shall any additional obligations of the Eserow Agent be inferred from the terms of such agreements, except to the extent such provisions are repeated in this Section 2.21 or in the Aleris Increase Joinder Amendment. The Eserow Agent may rely upon and shall not be liable for acting or refraining from acting upon any Eserow Drawdown Request furnished to it hereunder and reasonably believed by it to be genuine and to have been signed and presented by the Designated Company. On the Aleris Increase Joinder Effective Date, the Designated Company shall deliver to the Eserow Agent authorized signers' forms in the form of Exhibit A to the Aleris Increase Joinder Amendment. The Eserow Agent shall be under no duty to inquire into or investigate the validity, accuracy or content of any~~

~~such document, notice, instruction or request. The Escrow Agent shall have no duty to solicit any payments from any Person which may be due to it or in respect of the Escrowed Term Loans, interest, or any applicable fees (including arranger and commitment fees). In the event that the Escrow Agent shall be uncertain as to its duties or rights hereunder or shall receive instructions, claims or demands from any Person which, in its opinion, conflict with any of the provisions of this Section 2.21 or the Aleris Increase Joinder Amendment, it shall be entitled to refrain from taking any action and its sole obligation shall be to keep safely the Escrowed Amounts held in escrow until it shall be given a joint direction from the Loan Parties and the Aleris Incremental Term Lenders. The Escrow Agent may interplead all of the Escrowed Amounts into a court of competent jurisdiction or may seek a declaratory judgment with respect to certain circumstances, and thereafter be fully relieved from any and all liability or obligation with respect to such interpleaded assets or any action or nonaction based on such declaratory judgment. The Escrow Agent may consult with legal counsel of its selection in the event of any dispute or question as to the meaning or construction of any of the provisions hereof or under the Aleris Increase Joinder Amendment or its duties hereunder or thereunder. The Escrow Agent shall have no liability or obligation with respect to the Escrowed Amounts except for the Escrow Agent's willful misconduct or gross negligence. To the extent practicable, the Loan Parties and the Aleris Incremental Term Lenders agree to pursue any redress or recourse in connection with any dispute (other than with respect to a dispute involving the Escrow Agent) without making the Escrow Agent a party to the same. Anything in this Agreement or the Aleris Increase Joinder Amendment to the contrary notwithstanding, in no event shall the Escrow Agent be liable, directly or indirectly, for any (x) damages, losses or expenses arising out of the services provided hereunder or under the Aleris Increase Joinder Amendment other than damages, losses or expenses which result from the Escrow Agent's willful misconduct or gross negligence, or (y) special, indirect or consequential loss or damage of any kind whatsoever (including lost profits), even if the Escrow Agent has been advised of the likelihood of such loss or damage and regardless of the form of action. Should the Escrow Agent become liable for (i) the payment of any Taxes, including withholding taxes related to any Escrowed Term Loans or any other funds held by it in the Escrow Account, and including interest and penalties thereon, or (ii) any payment made hereunder, the Loan Parties agree, jointly and severally, to reimburse the Escrow Agent for such Taxes, interest, penalties and other amounts upon demand. Without limiting the foregoing, the Escrow Agent shall be entitled to deduct such Taxes, interest and penalties from the Escrowed Amounts prior to its release of the Escrowed Amounts in accordance with this Section 2.21.~~

~~(i) Covenant of the Escrow Agent. The Escrow Agent hereby agrees and covenants with the Designated Company and each Aleris Incremental Term Lender that it shall perform all of its obligations as Escrow Agent under this Agreement and the Aleris Increase Joinder Amendment and shall not deliver custody or possession of any of the Escrowed Amounts to any Person except pursuant to (i) the express terms of this Section 2.21 or (ii) as otherwise expressly required by Requirements of Law.~~

~~(j) Escrow Termination. In the event that the Escrow Agent obeys or complies with any such Requirement of Law or order, judgment or decree, it shall not be liable to any Loan Party, any Lender, or to any other Person by reason of such compliance, notwithstanding such Requirement of Law, order, judgment or decree be subsequently reversed, modified, annulled, set aside or vacated.~~

The Escrow Agent shall not incur any liability for not performing any act or fulfilling any obligation hereunder caused directly by circumstances beyond its control (including any provision of any present or future law or regulation or any act of any governmental authority, any act of God earthquakes, fire, flood, wars, acts of terrorism, civil or military disturbances, sabotage, epidemic, riots, the unavailability of the Federal Reserve Bank wire services or any electronic communication facility), it being understood that the Escrow Agent shall use commercially reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as reasonably practicable under the circumstances.~~

~~(m) Compliance with U.S. Federal Law. (a) Incremental Request. Following the ~~Syndication Termination Date (without regard to clause (ii) of such definition to the extent that the Aleris Incremental Commitment Termination Date has occurred without the funding of the Aleris Incremental Term Loans)~~ Tranche A-2 Refinancing Amendment Effective Date, the Designated Company may by written notice to the Administrative Agent, elect to request the establishment of one or more new Term Loan Commitments for one or more Co-Borrowers (each, an “**Incremental Term Loan Commitment**”) (x) in an aggregate principal amount of not less than \$25,000,000

(or the Dollar Equivalent thereof in an Alternative Currency) individually and (y) an integral multiple of \$1,000,000 (or the Dollar Equivalent thereof in an Alternative Currency) in excess thereof. Each such notice shall specify (i) date on which the Designated Company proposes that such Incremental Term Loan Commitments shall be effective (each, an “**Increase Effective Date**”), which shall be a date not less than 10 Business Days after the date on which such notice is delivered to the Administrative Agent and (ii) the identity of each Lender or Additional Lender to whom the Designated Company proposes any portion of such Incremental Term Loan Commitments be allocated and the amount of such allocations; provided that any existing Lender approached to provide all or a portion of any Incremental Term Loan Commitments may elect or decline, in its sole discretion, to provide such Incremental Term Loan Commitments.

(b) Conditions. Such Incremental Term Loan Commitments shall become effective, as of such Increase Effective Date; provided that:

(i) each of the conditions set forth in Section 4.03 shall be satisfied;

(ii) no Default shall have occurred and be continuing or would result from the borrowings to be made on the Increase Effective Date;

(iii) the aggregate amount of all Incremental Term Loans permitted to be made pursuant to such Incremental Term Loan Commitments shall not exceed the sum of (A) \$300,000,000 (or the Dollar Equivalent thereof in other Alternative Currencies) plus (B) an additional unlimited amount so long as, after giving effect to the borrowings to be made on the Increase Effective Date and to the consummation of any Permitted Acquisition or other Investment or application of funds made with the proceeds of such borrowings, on a Pro Forma Basis, the Senior Secured Net Leverage Ratio at such date is not greater than 3.00 to 1.0 (provided that in calculating the Senior Secured Net Leverage Ratio, the proceeds of Incremental Term Loans shall be excluded from Unrestricted Cash) (it being understood that the Designated Company may elect to utilize amounts under either clause (A) or (B) (to the extent compliant therewith), and may use clause (B) (to the extent compliant therewith) prior to utilization of amounts under clause (A) in the case of a concurrent use);

(iv) the Loan Parties shall deliver or cause to be delivered any legal opinions or other documents reasonably requested by the Administrative Agent in connection with any such transaction; and

(v) immediately after giving effect to all Incremental Term Loans permitted to be made pursuant to such Incremental Term Loan Commitments, the Designated Company shall be in compliance, on a Pro Forma Basis, with the Financial Performance Covenant (provided that in calculating the Senior Secured Net Leverage Ratio, the proceeds of Incremental Term Loans shall be excluded from Unrestricted Cash), and the Designated Company shall have delivered to the Administrative Agent a certificate of a Responsible Officer setting forth in reasonable detail the calculations demonstrating such compliance;

provided, further that if the proceeds of any Incremental Term Loans are being used to finance an Acquisition that is not conditioned on the obtaining of any financing, then, except to the extent otherwise required by the Lenders or Additional Lenders making such Incremental Term Loans, (x) the representations and warranties referred to in Section 4.03(c), shall be limited to those contained in Sections 3.01, 3.02, 3.03(b), 3.03(c), 3.10, 3.11, 3.12, 3.16, 3.20, 3.22 and 3.24, and 3.28 and (y) the Defaults referred to in Section 4.03(b), and Section 2.23(b)(ii) shall be limited to Significant Events of Default.

(c) Terms of Incremental Term Loans and Commitments. The terms and provisions of Loans made pursuant to the new Commitments shall be as follows:

(i) terms and provisions of Loans made pursuant to Incremental Term Loan Commitments (“**Incremental Term Loans**”) shall be, except as otherwise set forth herein or in the Increase Joinder, identical to the existing Term Loans;

(ii) the Weighted Average Life to Maturity of all Incremental Term Loans shall be no shorter than the Weighted Average Life to Maturity of the existing Term Loans;

(iii) the maturity date of Incremental Term Loans (the “**Incremental Term Loan Maturity Date**”) shall not be earlier than the Latest Maturity Date; and

(iv) the Applicable Margins for the Incremental Term Loans shall be determined by the Designated Company and the applicable new Lenders and the interest rate for the Incremental Term Loans shall be determined by reference to the Term SOFR (or the applicable alternative interest rate benchmark for any applicable Alternative Currency in accordance with Section 2.23(f)(i)); provided, however, that with respect to any Incremental Term Loans incurred prior to the fifteen-month anniversary of the Closing Date, if the initial yield on such Incremental Term Loans (as determined by the Administrative Agent to be equal to the sum of (x) the margin above the Term SOFR (or the applicable alternative interest rate benchmark for any applicable Alternative Currency in accordance with Section 2.23(f)(i)) on such Incremental Term Loans, (y) if such Incremental Term Loans are initially made at a discount or the Lenders making the same receive an upfront fee (other than any customary arrangement, underwriting or similar fees that are paid to the arranger of such Incremental Term Loans in its capacity as such) directly or indirectly from Holdings, any Co-Borrower or any Subsidiary for doing so (the amount of such discount or fee, expressed as a percentage of the Incremental Term Loans, being referred to herein as “**Incremental OID**”), the amount of such Incremental OID divided by the lesser of (A) the average life to maturity of such Incremental Term Loans and (B) four, and (z) any amount by which the minimum Term SOFR (or the applicable alternative interest rate benchmark for any applicable Alternative Currency in accordance with Section 2.23(f)(i)) applicable to such Incremental Term Loans exceeds the minimum Term SOFR then applicable to the Initial Term Loans) exceeds the sum of (1) the Applicable Margin then in effect for SOFR Loans that are Initial Term Loans, and (2) the Upfront Fees divided by four, by more than 50 basis points (the amount of such excess above 50 basis points being

referred to herein as the “**Incremental Net Yield**”), then the Applicable Margin then in effect for Initial Term Loans shall automatically be increased by the Incremental Net Yield, effective upon the making of the Incremental Term Loans; provided that to the extent the Applicable Margin applicable to the Initial Term Loans is so increased, the Applicable Margin on the Term Loans advanced after the Closing Date but prior to the relevant Increase Effective Date shall be increased such that the difference between the Applicable Margin applicable to the Initial Term Loans and such Term Loans remains constant (or, if such Applicable Margin of both such series of Term Loans was equal, such Applicable Margin remains equal). All determinations by the Administrative Agent as to Incremental Net Yield or other matters contemplated by this Section 2.23 shall be conclusive absent manifest error.

The Incremental Term Loan Commitments shall be effected by a joinder agreement (the “**Increase Joinder**”) executed by the Loan Parties, the Administrative Agent and each Lender or Additional Lender making such Incremental Term Loan Commitment, in form and substance satisfactory to each of them. The Increase Joinder may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, to effect the provisions of this Section 2.23. This Section 2.23 (including clause (f) hereof) shall supersede any provision in Section 2.14 or Section 11.02 to the contrary. In addition, unless otherwise specifically provided herein, all references in Loan Documents to Term Loans shall be deemed, unless the context otherwise requires, to include references to Term Loans made pursuant to Incremental Term Loan Commitments made pursuant to this Agreement, and all references in Loan Documents to Commitments of a Class shall be deemed, unless the context otherwise requires, to include references to new Commitments of such Class made pursuant to this Agreement.

(d) Making of Incremental Term Loans. On any Increase Effective Date on which Incremental Term Loan Commitments are effective, subject to the satisfaction of the terms and conditions of this Section 2.23, each Lender of such Incremental Term Loan Commitments shall make a Term Loan to the applicable Co-Borrower in an amount equal to its new Commitment.

(e) Equal and Ratable Benefit. The Loans and Commitments established pursuant to this Section 2.23 shall constitute Loans and Commitments under, and shall be entitled to all the benefits afforded by, this Agreement and the other Loan Documents, and shall, without limiting the foregoing, rank *pari passu* with the other Loans in right of payment and benefit equally and ratably from the Guarantees, Foreign Guarantees and security interests created by the Security Documents. The Loan Parties shall take any actions reasonably required by the Administrative Agent to ensure and/or demonstrate that the Lien and security interests granted by the Security Documents continue to be perfected under the UCC, the PPSA or otherwise after giving effect to the establishment of any such Incremental Term Loan Commitments or any such new Term Loans.

(f) Alternative Currency Term Loans. Subject to the conditions set forth above, the Designated Company may elect to establish Incremental Term Loan Commitments denominated in an Alternative Currency. In such event, the Increase Joinder may additionally effect such amendments and modifications to this Agreement or the other Loan Documents, and the Administrative Agent and the Loan Parties may enter into such additional Loan Documents, in each case, deemed necessary or appropriate by the Administrative Agent in

connection with such Incremental Term Loan Commitments denominated in Alternative Currencies to modify or add provisions relating to (i) the reference source for the determination of the Term SOFR applicable to Term Loans made in any Alternative Currency or alternative interest rate benchmark for any applicable Alternative Currency, (ii) the notice periods for borrowing requests with respect to Term Loans made in any Alternative Currency, (iii) the minimum borrowing or prepayments amounts applicable to any Term Loan denominated in an Alternative Currency, (iv) the timing and manner of delivery of funds in any Alternative Currency, (v) gross-up and/or indemnity with respect to withholding tax matters and (vi) other provisions customarily applicable to loans in an Alternative Currency, including, but not limited to, Sections 2.11 and 2.12. With respect to the calculations set for in clause (c)(iv) above for any Incremental Net Yield with respect to Incremental Term Loans denominated in an Alternative Currency, such calculations shall be made by the Administrative Agent based on the margin above the appropriate benchmark component of the interest rate for the Alternative Currency, as well as any applicable minimum rates or floors and original issue discount or up front fees (which original issue discount and upfront fees shall be given effect as provided above).

Section 2.24 Refinancing Amendments.

(a) At any time after the Closing Date, each Co-Borrower may obtain, from any Lender or any Additional Lender, Credit Agreement Refinancing Indebtedness in respect of all or any portion of the Term Loans made to such Co-Borrower then outstanding under this Agreement (which will be deemed to include any then outstanding Other Term Loans), in the form of Other Term Loans or Other ~~Loan~~-Term Loan Commitments, in each case pursuant to a Refinancing Amendment; provided that such Credit Agreement Refinancing Indebtedness (i) will rank pari passu in right of payment and of security with the other Loans and Commitments hereunder, (ii) will have such pricing and optional prepayment terms as may be agreed by the Designated Company and the Lenders thereof, (iii) will have a maturity date that is not prior to the maturity date of, and will have a Weighted Average Life to Maturity that is not shorter than the Term Loans being refinanced, (iv) subject to clause (ii) above, will have terms and conditions that are substantially identical to, or less favorable to the investors providing such Credit Agreement Refinancing Indebtedness than, the Refinanced Debt and (v) the proceeds of such Credit Agreement Refinancing Indebtedness shall be applied, substantially concurrently with the incurrence thereof, to the prepayment of outstanding Term Loans being so refinanced; provided further that the terms and conditions applicable to such Credit Agreement Refinancing Indebtedness may provide for any additional or different financial or other covenants or other provisions that are agreed between the Designated Company and the Lenders thereof and applicable only during periods after the Latest Maturity Date that is in effect on the date such Credit Agreement Refinancing Indebtedness is issued, incurred or obtained. The effectiveness of any Refinancing Amendment shall be subject to the satisfaction on the date thereof of each of the conditions set forth in Section 4.03 and, to the extent reasonably requested by the Administrative Agent, receipt by the Administrative Agent of legal opinions, board resolutions, officers' certificates and/or reaffirmation agreements consistent with those delivered on the Closing Date under Section 4.02. Each Class of Credit Agreement Refinancing Indebtedness incurred under this Section 2.24 shall be in an aggregate principal amount that is (x) not less than \$50,000,000 in the case of Other Term Loans and (y) an integral multiple of \$1,000,000 in excess thereof. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Credit Agreement Refinancing Indebtedness incurred pursuant thereto (including any amendments necessary to treat the Loans and Commitments subject thereto as Other Term Loans and/or Other Term Loan Commitments). Any Refinancing

Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Designated Company, to effect the provisions of this Section.

(b) This Section 2.24 shall supersede any provisions in Section 2.14 or Section 11.02 to the contrary.

ARTICLE III

REPRESENTATIONS AND WARRANTIES

Each Loan Party represents and warrants (provided that no such representation or warranty shall be made with respect to Sections 3.05(b), 3.05(d), 3.06(b), 3.07, 3.20, or 3.24 prior to the Closing Date) to the Administrative Agent, the Collateral Agent and each of the Lenders that:

Section 3.01 Organization; Powers. Each Company (a) is duly organized or incorporated (as applicable) and validly existing under the laws of the jurisdiction of its organization or incorporation (as applicable), (b) has all requisite organizational or constitutional power and authority to carry on its business as now conducted and to own and lease its property, (c) is qualified and in good standing (to the extent such concept is applicable in the applicable jurisdiction) to do business in every jurisdiction where such qualification is required, except in such jurisdictions where the failure to so qualify or be in good standing, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, and (d) except as set forth in Section 2.03(b), is acting as principal for its own account and not as agent or trustee in any capacity on behalf of any party in relation to the Loan Documents.

Section 3.02 Authorization; Enforceability. The Transactions to be entered into by each Loan Party are within such Loan Party's organizational or constitutional powers and have been duly authorized by all necessary organizational or constitutional action on the part of such Loan Party. This Agreement has been duly executed and delivered by each Loan Party and constitutes, and each other Loan Document to which any Loan Party is to be a party, when executed and delivered by such Loan Party, will constitute, a legal, valid and binding obligation of such Loan Party, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

Section 3.03 No Conflicts. The Transactions (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except (i) such as have been obtained or made and are in full force and effect, (ii) filings necessary to perfect Liens created by the Loan Documents (as reflected in the applicable Perfection Certificate on and after the Closing Date) and (iii) consents, approvals, registrations, filings, permits or actions the failure to obtain or perform which could not reasonably be expected to result in a Material Adverse Effect, (b) will not violate the Organizational Documents of any Company, (c) will not violate any material Requirement of Law, (d) will not violate or result in a default or require any consent or approval under any indenture, agreement or other instrument binding upon any Company or its property, or give rise to a right thereunder to require any payment to be made by any Company, except for violations, defaults or the creation of such rights that could not reasonably be expected to result in a Material Adverse Effect, and (e) will not result in the creation or imposition of any Lien on any property of any Company, except Liens created by the Loan Documents and Permitted Liens. The execution, delivery and

performance of the Loan Documents will not violate, or result in a default under, or require any consent or approval under, the Senior Notes, the Senior Note Documents, or the Revolving Credit Loan Documents.

Section 3.04 Financial Statements; Projections.

(a) **Historical Financial Statements.** The Borrower has heretofore delivered to the Lenders the consolidated balance sheets and related statements of income, stockholders' equity and cash flows of the Borrower (i) as of and for the fiscal years ended March 31, 2014, March 31, 2015 and March 31, 2016, audited by and accompanied by the unqualified opinion of PricewaterhouseCoopers, independent public accountants, and (ii) as of and for the fiscal quarters ended June 30, 2016 and September 30, 2016, and for the comparable period of the preceding fiscal year, in each case certified by the chief financial officer of the Borrower. Such financial statements and all financial statements delivered pursuant to **Section 5.01(a)** and **Section 5.01(b)** have been prepared in accordance with US GAAP and present fairly in all material respects the financial condition and results of operations and cash flows of the Designated Company as of the dates and for the periods to which they relate.

(b) **No Liabilities; No Material Adverse Effect.** Except as set forth in the most recent financial statements referred to in **Section 3.04(a)**, as of the Effective Date and the Closing Date there are no liabilities of any Company of any kind, whether accrued, contingent, absolute, determined, determinable or otherwise, which could reasonably be expected to result in a Material Adverse Effect, other than liabilities under the Loan Documents and any Third Lien Credit Agreement. Since March 31, 2016, there has been no event, change, circumstance or occurrence that, individually or in the aggregate, has had or could reasonably be expected to result in a Material Adverse Effect.

(c) **Pro Forma Financial Statements.** The Borrower has heretofore delivered to the Lenders the Borrower's unaudited *pro forma* consolidated capitalization table and balance sheet as of September 30, 2016, after giving effect to the Transactions as if they had occurred on such date. Such capitalization table and balance sheet have been prepared in good faith by the Loan Parties, based on the assumptions stated therein (which assumptions are believed by the Loan Parties on the Effective Date and the Closing Date to be reasonable), are based on the best information available to the Loan Parties as of the date of delivery thereof, accurately reflect all adjustments required to be made to give effect to the Transactions and present fairly in all material respects the *pro forma* capitalization and balance sheet of Holdings as of such date assuming the Transactions had occurred at such date.

(d) **Forecasts.** The forecasts of financial performance of the Companies covering the period commencing with September 30, 2016 and ending on March 31, 2022, furnished to the Lenders, have been prepared in good faith by the Loan Parties and based on assumptions believed by the Loan Parties to be reasonable, it being understood that any such forecasts may vary from actual results and such variations could be material.

Section 3.05 Properties.

(a) **Generally.** Each Company has good title to, valid leasehold interests in, or license of, all its property material to its business, free and clear of all Liens except for Permitted Liens (and, prior to the consummation of the Transactions that occur on the Closing Date, Liens securing obligations under the Existing Credit Agreement). The property that is material to the business of the Companies, taken as a whole, (i) is in good operating order, condition and repair in all material respects (ordinary wear and tear excepted) and

(ii) constitutes all the property which is required for the business and operations of the Companies as presently conducted.

(b) Real Property. Schedules 8(a) and 8(b) to the Perfection Certificate dated the Closing Date contain a true and complete list of each interest in Real Property (i) owned by any Loan Party as of the Closing Date having fair market value of \$1,000,000 or more and describes the type of interest therein held by such Loan Party and whether such owned Real Property is leased to a third party and (ii) leased, subleased or otherwise occupied or utilized by any Loan Party, as lessee, sublessee, franchisee or licensee, as of the Closing Date having annual rental payments of \$1,000,000 or more and describes the type of interest therein held by such Loan Party.

(c) No Casualty Event. No Company has as of the Effective Date or the Closing Date received any notice of, nor has any knowledge of, the occurrence or pendency or contemplation of any Casualty Event affecting all or any material portion of its property. No Mortgage encumbers improved Real Property located in the United States that is located in an area that has been identified by the Secretary of Housing and Urban Development as an area having special flood hazards within the meaning of the Flood Insurance Laws unless flood insurance available under such Flood Insurance Laws has been obtained in accordance with Section 5.04.

(d) Collateral. Each Company owns or has rights to use all of the Collateral used in, necessary for or material to each Company's business as currently conducted, except where the failure to have such ownership or rights of use could not reasonably be expected to have a Material Adverse Effect. The use by each Company of such Collateral does not infringe on the rights of any person other than such infringement which could not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect. No claim has been made and remains outstanding that any Company's use of any Collateral does or may violate the rights of any third party that could, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect.

Section 3.06 Intellectual Property.

(a) Ownership/No Claims. Each Loan Party owns, or is licensed to use, all patents, trademarks, copyrights and other intellectual property (including intellectual property in software, mask works, inventions, designs, trade names, service marks, technology, trade secrets, proprietary information and data, domain names, know-how and processes) necessary for the conduct of such Loan Party's business as currently conducted ("**Intellectual Property**"), except for those the failure to own or license which, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect. As of the Effective Date and the Closing Date, no material claim has been asserted and is pending by any person, challenging or questioning the validity of any Loan Party's Intellectual Property or the validity or enforceability of any such Intellectual Property, nor does any Loan Party know of any valid basis for any such claim. The use of any Intellectual Property by each Loan Party, and the conduct of each Loan Party's business as currently conducted, does not infringe or otherwise violate the rights of any third party in respect of Intellectual Property, except for such claims and infringements that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

(b) Registrations. Except pursuant to non-exclusive licenses and other non-exclusive use agreements entered into by each Loan Party in the ordinary course of business, and except as set forth on Schedule 12(c) to the Perfection Certificate, on and as of the Closing Date each Loan Party owns and possesses the right to use and has not authorized or enabled

any other person to use, any Intellectual Property listed on any schedule to the relevant Perfection Certificate or any other Intellectual Property that is material to its business, except for such authorizations and enablements as could not reasonably be expected to result in a Material Adverse Effect. All registrations listed on Schedule 12(a) and 12(b) to the Perfection Certificate are valid and in full force and effect, in each case, except where the absence of such validity or full force and effect, individually or collectively, could not reasonably be expected to have a Material Adverse Effect.

(c) No Violations or Proceedings. To each Loan Party's knowledge, on and as of the Effective Date and the Closing Date, (i) there is no material infringement or other violation by others of any right of such Loan Party with respect to any Intellectual Property that is subject to a security interest granted to the Revolving Credit Collateral Agent, or any other Intellectual Property that is material to its business, except as may be set forth on Schedule 3.06(c), and (ii) no claims are pending or threatened to such effect except as set forth on Schedule 3.06(c).

Section 3.07 Equity Interests and Subsidiaries.

(a) Equity Interests. Schedules 1(a) and 10 to the Perfection Certificate dated the Closing Date set forth a list of (i) all the Subsidiaries of Holdings and their jurisdictions of organization as of the Closing Date and (ii) the number of each class of its Equity Interests authorized, and the number outstanding, on the Closing Date and the number of shares covered by all outstanding options, warrants, rights of conversion or purchase and similar rights at the Closing Date. As of the Closing Date, all Equity Interests of each Company held by Holdings or a Subsidiary thereof are duly and validly issued and are fully paid and non-assessable, and, other than the Equity Interests of Holdings, are owned by Holdings, directly or indirectly through Wholly Owned Subsidiaries except as indicated on Schedules 1(a) and 10 to the Perfection Certificate. At all times prior to a Qualified Borrower IPO, 100% of the Equity Interests of the Borrower will be owned directly by Holdings, and 100% of the Equity Interests of the other Co-Borrower shall be owned directly or indirectly by Holdings (or, in the case of each Co-Borrower, on and after the Designated Holdco Effective Date, will be owned directly or indirectly by Designated Holdco) except (x) to the extent otherwise permitted under clause (c) of the definition of Permitted Reorganization Action or under clause (b) of the definition of Permitted Aleris Foreign Subsidiary Transfer or (y) the Tulip Foundation may indirectly own Equity Interests in Aleris Rolled Products and Aleris Casthouse if the Tulip Conditions are satisfied at all times. At all times after a Qualified Borrower IPO, more than 50% of the voting power of the total outstanding Voting Stock of each Co-Borrower will be owned directly or indirectly by Hindalco; provided that the Tulip Foundation may indirectly own Equity Interests in Aleris Rolled Products and Aleris Casthouse if the Tulip Conditions are satisfied at all times. As of the Closing Date, each Loan Party is the record and beneficial owner of, and has good and marketable title to, the Equity Interests pledged by it under the Security Documents, free of any and all Liens, rights or claims of other persons, except Permitted Liens, and as of the Closing Date there are no outstanding warrants, options or other rights to purchase, or shareholder, voting trust or similar agreements outstanding with respect to, or property that is convertible into, or that requires the issuance or sale of, any such Equity Interests.

(b) No Consent of Third Parties Required. Except as have previously been obtained, no consent of any person including any other general or limited partner, any other member of a limited liability company, any other shareholder or any other trust beneficiary is necessary in connection with the creation, perfection or First Priority status of the security interest of the Collateral Agent in any Equity Interests pledged to the Collateral Agent for the benefit of the Secured Parties under the Security Documents or the exercise by the Collateral

Agent of the voting or other rights provided for in the Security Documents or the exercise of remedies in respect thereof, other than any restrictions on transfer of the Equity Interests in NKL or its direct parents, 4260848 Canada Inc., 4260856 Canada Inc. and 8018227 Canada Inc., imposed by any lock-up or listing agreement, rule or regulation in connection with any listing or offering of Equity Interests in NKL to the extent required by applicable Requirements of Law or listing or stock exchange requirements, and other than any share transfer restrictions pursuant to articles 249 and following of the Belgian Companies Code.

(c) **Organizational Chart.** An accurate organizational chart, showing the ownership structure of Holdings, the Borrower and each Subsidiary on the Closing Date is set forth on Schedule 10 to the Perfection Certificate dated the Closing Date. No Loan Party which is a party to an Irish Security Agreement or has otherwise created a Lien over any asset situate in Ireland pursuant to the Security Documents is a Relevant External Company.

Section 3.08 Litigation; Compliance with Laws. There are no actions, suits or proceedings at law or in equity by or before any Governmental Authority now pending or, to the knowledge of any Company, threatened against or affecting any Company or any business, property or rights of any Company (i) that involve any Loan Document or (ii) as to which there is a reasonable possibility of an adverse determination and that, if adversely determined, could reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect. No Company or any of its property is in violation of, nor will the continued operation of its property as currently conducted violate, any Requirements of Law (in the case of the U.S. Hold Separate Assets, as such Requirements of Law may be modified pursuant to the U.S. Hold Separate Agreements) (including any zoning or building ordinance, code or approval or any building permits) or any restrictions of record or agreements affecting any Company's Real Property or is in default with respect to any Requirement of Law (in the case of the U.S. Hold Separate Assets, as such Requirements of Law may be modified pursuant to the U.S. Hold Separate Agreements), where such violation or default, individually or in the aggregate, could reasonably be expected to result in a Material Adverse Effect. The Loan Parties have implemented and maintain in effect policies and procedures designed to ensure compliance by the Loan Parties, their Subsidiaries, and their respective directors, officers, employees and agents with applicable Anti-Corruption Laws, and the Loan Parties and their Subsidiaries are in compliance with applicable Anti-Corruption Laws in all material respects.

Section 3.09 Agreements. No Company is a party to any agreement or instrument or subject to any corporate or other constitutional restriction that has resulted or could reasonably be expected to result in a Material Adverse Effect. No Company is in default in any manner under any provision of any indenture or other agreement or instrument evidencing Indebtedness, or any other agreement or instrument to which it is a party or by which it or any of its property is or may be bound, where such default could reasonably be expected to result in a Material Adverse Effect. There is no existing default under any Organizational Document of any Company or any event which, with the giving of notice or passage of time or both, would constitute a default by any party thereunder that could reasonably be expected to have a Material Adverse Effect. No event or circumstance has occurred or exists that constitutes a Default or Event of Default.

Section 3.10 Federal Reserve Regulations. No Company is engaged principally, or as one of its important activities, in the business of extending credit for the purpose of buying or carrying Margin Stock. No part of the proceeds of any Loan will be used, whether directly or indirectly, and whether immediately, incidentally or ultimately, for any purpose that entails a violation of, or that is inconsistent with, the provisions of the regulations of the Board, including Regulation T, U or X. The pledge of the Securities Collateral pursuant to the Security Documents does not violate such regulations.

Section 3.11 Investment Company Act. No Company is an “investment company” or a company “controlled” by an “investment company,” as defined in, or subject to regulation under, the Investment Company Act of 1940, as amended.

Section 3.12 Use of Proceeds. The Co-Borrowers will use the proceeds of (a) ~~the Loans on the Closing Date for the Transactions,~~ (b) any Incremental Term Loans after the Closing Date for general corporate purposes (including to effect Permitted Acquisitions and other Investments and Dividends permitted hereunder), (c) ~~any Aleris Incremental Term Loans on the Aleris Incremental Funding Date for the Aleris Acquisition,~~ ~~(d)~~ any Other Term Loans (other than Tranche A-1 Term Loans and Tranche A-2 Term Loans) after the Closing Date to refinance Term Loans and pay related fees and expenses, ~~and~~ (e) any Tranche A-1 Term Loans on the Tranche A-1 Funding Date to refinance a portion of the Initial Term Loans, and (d) any Tranche A-2 Term Loans on the Tranche A-2 Funding Date to refinance in full the Aleris Incremental Term Loans and to pay a portion of the accrued and unpaid interest thereon; provided that in no event shall any proceeds of any Loans (including any Incremental Term Loans or Other Term Loans) be remitted, directly or indirectly, to any Swiss tax resident Company or Swiss tax resident permanent establishment, where this remittance could be viewed as a use of such proceeds in Switzerland (whether through an intercompany loan or advance by any other Company or otherwise) as per the practice of the Swiss Federal Tax Administration, unless the Swiss Federal Tax Administration confirms in a written advance tax ruling (based on a fair description of the fact pattern in the tax ruling request made by a Loan Party) that such use of proceeds in Switzerland does not lead to Swiss Withholding Tax becoming due on or in respect any Loans (including any Incremental Term Loans or Other Term Loans) or parts thereof.

Section 3.13 Taxes. Each Company has (a) timely filed or caused to be timely filed all material Tax Returns required by applicable Requirements of Law to have been filed by it and (b) duly and timely paid, collected or remitted or caused to be duly and timely paid, collected or remitted all material Taxes due and payable, collectible or remittable by it and all assessments received by it, except Taxes (i) that are being contested in good faith by appropriate proceedings and for which such Company has set aside on its books adequate reserves in accordance with US GAAP or other applicable accounting rules and (ii) which could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Each Company has made adequate provision in accordance with US GAAP or other applicable accounting rules for all material Taxes not yet due and payable. No Company has received written notice of any proposed or pending tax assessments, deficiencies or audits that could be reasonably expected to, individually or in the aggregate, result in a Material Adverse Effect. Section 7.01 The Guarantee. The Guarantors hereby jointly and severally guarantee, as a primary obligor and not as a surety to each Secured Party and their respective successors and permitted assigns, the prompt payment in full when due (whether at stated maturity, by required prepayment, declaration, demand, by acceleration or otherwise) of the principal of and interest (including any interest, fees, costs or charges that would accrue after the commencement of a case under Title 11 of the United States Code or any other Debtor Relief Law or after any bankruptcy or insolvency petition is filed under Title 11 of the United States Code (or any other Debtor Relief Law) but for the provisions of the Title 11 of the United States Code (or other Debtor Relief Law) or that accrues after the commencement of a case under Title 11 of the United States Code or any other Debtor Relief Law or after any bankruptcy or insolvency petition is filed under Title 11 of the United States Code (or any other Debtor Relief Law), whether or not allowed) on the Loans made by the Lenders to, and the Notes held by each Lender of, each Co-Borrower, and all other Secured Obligations from time to time owing to the Secured Parties by any Loan Party under any Loan Document (including any Hedging Agreement entered into with a counterparty that is a Secured Party), and the performance of all obligations under any of the foregoing, in each case strictly in accordance with the terms thereof (such obligations being herein collectively called the “**Guaranteed Obligations**”). In addition to the guarantee contained herein, each Guarantor that is a Foreign Subsidiary, as well as Holdings (and, on and after the Specified AV Minerals Joinder Date, AV Minerals), shall execute a Guarantee governed by the applicable law of such Person’s jurisdiction of organization (each such Guarantee, a “**Foreign Guarantee**”) and to the extent that the provisions of this Article VII shall duplicate or conflict with the provisions thereof, the terms of the Foreign Guarantees shall govern the obligations of such Guarantors. The Guarantors hereby jointly and severally agree that if any Co-Borrower or other Guarantor shall fail to pay in full when due (whether at stated maturity, by acceleration or otherwise) any of the Guaranteed Obligations, the Guarantors will promptly pay the same in cash, without any demand or notice whatsoever as if it was the principal obligor, and that in the case of any extension of time of payment or renewal of any of the Guaranteed Obligations, the same will be promptly paid in full when due (whether at extended maturity, by acceleration or otherwise) in accordance with the terms of such extension or renewal. The Co-Borrowers hereby jointly and severally guarantee, as a primary obligor and not as a surety to each Secured Party and their respective successors and permitted assigns, the payment and performance of all obligations of any other Loan Party under any Hedging Agreement entered into with a counterparty that is a Secured Party and agrees if any such Loan Party shall fail to pay in full when due (whether at stated maturity, by acceleration or otherwise) any amount due under

such Hedging Agreement, the Co-Borrowers jointly and severally will promptly pay the same in cash, without any demand or notice whatsoever as if it was the principal obligor, and that in the case of any extension of time of payment or renewal of any obligation of such Loan Party, the same will be promptly paid in full when due (whether at extended maturity, by acceleration or otherwise) in accordance with the terms of such extension or renewal. Without prejudice to the generality of Section 7.01 and Section 7.02, each Guarantor expressly confirms that it intends that this guarantee shall extend from time to time to any (however fundamental and of whatsoever nature and whether or not more onerous) variation, increase, extension or addition of or to any of the Loan Documents and/or any facility or amount made available under any of the Loan Documents for the purposes of or in connection with any of the following: acquisitions of any nature; increasing working capital; enabling investor distributions or Dividends to be made; carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making facilities available to new borrowers; any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and any fees, costs and/or expenses associated with any of the foregoing.

Section 7.02 Obligations Unconditional. The obligations of the Guarantors and the Co-Borrowers under Section 7.01 shall constitute a guaranty of payment and not of collection and to the fullest extent permitted by applicable Requirements of Law (in the case of the U.S. Hold Separate Order, as such Requirements of Law are modified as it relates to Aleris Rolled Products, Inc. and/or the other U.S. Subsidiaries of Aleris pursuant to a U.S. Hold Separate Agreement), are absolute, irrevocable and unconditional, joint and several, irrespective of the value, genuineness, validity, regularity or enforceability of the Guaranteed Obligations of the Co-Borrowers or any other Loan Party under this Agreement, the Notes, if any, or any other agreement or instrument referred to herein or therein, or any substitution, release or exchange of any other guarantee of or security for any of the Guaranteed Obligations, and, irrespective of any other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense of a surety or Guarantor or Co-Borrower (except for payment in full). Without limiting the generality of the foregoing, it is agreed that the occurrence of any one or more of the following shall not alter or impair the liability of the Guarantors hereunder which shall remain absolute, irrevocable and unconditional under any and all circumstances as described above:

(i) at any time or from time to time, without notice to the Guarantors, the time for any performance of or compliance with any of the Guaranteed Obligations shall be extended, or such performance or compliance shall be waived or the Maturity Date shall be extended with respect to all or a portion of the Guaranteed Obligations;

(ii) any of the acts mentioned in any of the provisions of this Agreement or the Notes, if any, or any other agreement or instrument referred to herein or therein shall be done or omitted;

(iii) the maturity of any of the Guaranteed Obligations shall be accelerated, or any of the Guaranteed Obligations shall be amended in any respect, or any right under the Loan Documents or any other agreement or instrument referred to herein or therein shall be amended or waived in any respect or any other guarantee of any of the Guaranteed Obligations or any security therefor shall be released or exchanged in whole or in part or otherwise dealt with;

(iv) any Lien or security interest granted to, or in favor of, any Lender or Agent as security for any of the Guaranteed Obligations shall fail to be perfected; or

(v) the release of any other Guarantor pursuant to Section 7.09.

The Guarantors and the Co-Borrowers hereby expressly waive diligence, presentment, demand of payment, protest and all notices whatsoever, and any requirement that any Secured Party exhaust any right, power or remedy or proceed against any Co-Borrower or any other Loan Party under this Agreement or the Notes, if any, or any other agreement or instrument referred to herein or therein, or against any other person under any other guarantee of, or security for, any of the Guaranteed Obligations. The Guarantors and the Co-Borrowers waive any and all notice of the creation, renewal, extension, waiver, termination or accrual of any of the Guaranteed Obligations and notice of or proof of reliance by any Secured Party upon this Guarantee or acceptance of this Guarantee, and the Guaranteed Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred in reliance upon this Guarantee, and all dealings between the Co-Borrowers and the Secured Parties shall likewise be conclusively presumed to have been had or consummated in reliance upon this Guarantee. This Guarantee shall be construed as a continuing, absolute, irrevocable and unconditional guarantee of payment without regard to any right of offset with respect to the Guaranteed Obligations at any time or from time to time held by Secured Parties, and the obligations and liabilities of the Guarantors and the Co-Borrowers hereunder shall not be conditioned or contingent upon the pursuit by the Secured Parties or any other person at any time of any right or remedy against any Co-Borrower or any other Loan Party, or against any other person which may be or become liable in respect of all or any part of the Guaranteed Obligations or against any collateral security or guarantee therefor or right of offset with respect thereto. This Guarantee shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon the Guarantors and the Co-Borrowers and the respective successors and assigns thereof, and shall inure to the benefit of the Lenders and the other Secured Parties, and their respective successors and assigns, notwithstanding that from time to time during the term of this Agreement there may be no Guaranteed Obligations outstanding.

Section 7.03 Reinstatement. The obligations of the Guarantors under this ARTICLE VII shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of any Co-Borrower or other Loan Party in respect of the Guaranteed Obligations is rescinded or must be otherwise restored by any holder of any of the Guaranteed Obligations, whether as a result of any proceedings in bankruptcy or reorganization pursuant to any Debtor Relief Law or otherwise. The Guarantors and the Co-Borrowers jointly and severally agree that they will indemnify each Secured Party on demand for all reasonable costs and expenses (including reasonable fees of counsel) incurred by such Secured Party in connection with such rescission or restoration, including any such costs and expenses incurred in defending against any claim alleging that such payment constituted a preference, fraudulent transfer or similar payment under any Debtor Relief Law, other than any costs or expenses determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the bad faith or willful misconduct of such Secured Party.

Section 7.04 Subrogation; Subordination. Each Guarantor and each Co-Borrower hereby agrees that until the indefeasible and irrevocable payment and satisfaction in full in cash of all Guaranteed Obligations and the expiration and termination of the Commitments of the Lenders under this Agreement it shall waive any claim and shall not exercise any right or remedy, direct or indirect, arising by reason of any performance by it of its guarantee in Section 7.01, whether by subrogation or otherwise, against any other Co-Borrower or any

other Guarantor of any of the Guaranteed Obligations or any security for any of the Guaranteed Obligations. Any Indebtedness of any Loan Party permitted pursuant to Section 6.01(d) shall be subordinated to such Loan Party's Secured Obligations in a manner reasonably satisfactory to the Administrative Agent.

Section 7.05 Remedies. The Guarantors jointly and severally agree that, as between the Guarantors and the Lenders, the obligations of the Co-Borrowers under this Agreement and the Notes, if any, may be declared to be forthwith due and payable as provided in Section 8.01 (and shall be deemed to have become automatically due and payable in the circumstances provided in Section 8.01) for purposes of Section 7.01, notwithstanding any stay, injunction or other prohibition preventing such declaration (or such obligations from becoming automatically due and payable) as against the Co-Borrowers and that, in the event of such declaration (or such obligations being deemed to have become automatically due and payable), such obligations (whether or not due and payable by the Co-Borrower) shall forthwith become due and payable by the Guarantors for purposes of Section 7.01.

Section 7.06 Instrument for the Payment of Money. Each Guarantor and each Co-Borrower hereby acknowledges that the guarantee in this ARTICLE VII constitutes an instrument for the payment of money, and consents and agrees that any Lender or Agent, at its sole option, in the event of a dispute by such Guarantor in the payment of any moneys due hereunder, shall have the right to bring a motion-action under New York CPLR Section 3213.

Section 7.07 Continuing Guarantee. The guarantee in this ARTICLE VII is a continuing guarantee of payment, and shall apply to all Guaranteed Obligations whenever arising.

Section 7.08 General Limitation on Guarantee Obligations. In any action or proceeding involving any state corporate limited partnership or limited liability company law, or any Debtor Relief Law, if the obligations of any Guarantor or any Co-Borrower under Section 7.01 would otherwise be held or determined to be void, voidable, invalid or unenforceable, or subordinated to the claims of any other creditors, on account of the amount of its liability under Section 7.01, then, notwithstanding any other provision to the contrary, the amount of such liability shall, without any further action by such Guarantor, any Loan Party or any other person, be automatically limited and reduced to the highest amount (after giving effect to the rights of contribution established in the Contribution, Intercompany, Contracting and Offset Agreement) that are valid and enforceable and not subordinated to the claims of other creditors as determined in such action or proceeding.

Section 7.09 Release of Guarantors. If, in compliance with the terms and provisions of the Loan Documents, (a) Equity Interests of any Subsidiary Guarantor are issued, sold or transferred (including pursuant to a merger, consolidation or amalgamation) such that it ceases to be a Restricted Subsidiary (a "**Transferred Guarantor**") to a person or persons, none of which is a Loan Party or a Subsidiary, (b) a Guarantor is designated as an Unrestricted Subsidiary in accordance with the Loan Documents, (c) a Restricted Subsidiary that becomes a Loan Party after the Closing Date is subsequently designated as an Excluded Collateral Subsidiary in accordance with the definition thereof, (d) a Qualified Borrower IPO, or (e) a Qualified IPO by Designated Holdco shall occur, then, such Transferred Guarantor (in the case of clause (a)), such Unrestricted Subsidiary (in the case of clause (b)), such Restricted Subsidiary (in the case of clause (c)), Holdings and, on and after the Specified AV Minerals Joinder Date, AV Minerals (in the case of clause (d)), or, on and after the Designated Holdco Effective Date, Holdings and, on and after the Specified AV Minerals Joinder Date, AV Minerals (in the case of clause (e)), shall, upon the consummation of such issuance, sale or transfer or upon such designation as an Unrestricted Subsidiary or Excluded Collateral Subsidiary or upon the consummation of the Qualified Borrower IPO or a Qualified IPO by

Designated Holdco, be released from its obligations under this Agreement (including under Section 11.03 hereof) and any other Loan Documents to which it is a party and, except with respect to Holdings (and, on and after the Specified AV Minerals Joinder Date, AV Minerals) in the case of clauses (d) and (e) above, its obligations to pledge and grant any Collateral owned by it pursuant to any Security Document, and the Collateral Agent shall take such actions as are within its powers to effect each release described in this Section 7.09 in accordance with the relevant provisions of the Security Documents and the Intercreditor Agreement; provided that such Guarantor is also released from its obligations, if any, under the Revolving Credit Loan Documents, the Senior Note Documents, the Additional Senior Secured Indebtedness Documents and other Material Indebtedness guaranteed by such Person on the same terms.

Section 7.10 Certain Tax Matters. Notwithstanding the provisions of Section 2.15 if a Loan Party (other than a Co-Borrower) makes a payment hereunder that is subject to withholding tax in excess of the highest withholding tax that would have been imposed on payments made by any of the Co-Borrowers with respect to whose obligation it is making a payment, the relevant Loan Party shall increase the amount of such payment such that, after deduction and payment of all such withholding taxes (including withholding taxes applicable to additional sums payable under this Section), the payee receives an amount equal to the amount it would have received if no such excess withholding tax had been imposed; provided that the Administrative Agent or Lender provides, as reasonably requested by the relevant Loan Party and as required under Sections 2.15(e) or 2.15(h), as the case may be, such forms, certificates and documentation that would be required to reduce or eliminate withholding and, with respect to non-U.S. withholding taxes, would not, in the Administrative Agent's or the relevant Lender's reasonable judgment, subject it to any material unreimbursed costs or materially prejudice its legal or commercial position; provided, however, that no payment shall be made under this Section 7.10 with respect to any withholding tax that is not an Indemnified Tax.

Section 7.11 German Guarantor.

(a) Subject to Section 7.11(b) through Section 7.11(e) below, the Secured Parties shall not enforce the guarantee obligations of a German Guarantor existing in the form of a German limited liability company (*Gesellschaft mit beschränkter Haftung; GmbH*) or limited partnership with a limited liability company as partner (*GmbH or GmbH & Co. KG*) under this Article VII to the extent (i) such German Guarantor guarantees obligations of one of its shareholders or of an affiliated company (*verbundenes Unternehmen*) of a shareholder within the meaning of Section 15 of the German Stock Corporation Act (*Aktiengesetz*) (other than a Subsidiary of that German Guarantor or the German Guarantor itself), and (ii) the enforcement of such guarantee for shareholder obligations would reduce, in violation of Section 30 of the German Limited Liability Companies Act (*Gesetz betreffend die Gesellschaften mit beschränkter Haftung – "GmbHG"*), the net assets (assets minus liabilities minus provisions and liability reserves (*Reinvermögen*)), in each case as calculated in accordance with generally accepted accounting principles in Germany (*Grundsätze ordnungsmäßiger Buchführung*) as consistently applied by such German Guarantor in preparing its unconsolidated balance sheets (*Jahresabschluss gem. section 42 GmbHG, sections 242, 264 German Commercial Code (Handelsgesetzbuch – HGB)*) of the German Guarantor (or in the case of a *GmbH & Co. KG*, its general partner) to an amount that is insufficient to maintain its (or in the case of a *GmbH & Co. KG*, its general partner's) registered share capital (*Stammkapital*) (or would increase an existing shortage in its net assets below its registered share capital); provided that for the purpose of determining the relevant registered share capital and the net assets, as the case may be:

(i) The amount of any increase of registered share capital (*Stammkapital*) of such German Guarantor (or its general partner in the form of a GmbH) implemented after the Closing Date that is effected without the prior written consent of the Administrative Agent shall be deducted from the registered share capital of the German Guarantor (or its general partner in the form of a GmbH);

(ii) any loans provided to the German Guarantor by a direct or indirect shareholder or an affiliate thereof (other than a Subsidiary of such German Guarantor) shall be disregarded and not accounted for as a liability to the extent that such loans are subordinated pursuant to Section 39(1) no. 1 through no. 5 of the German Insolvency Code (*Insolvenzordnung*) or subordinated in any other way by law or contract;

(iii) any shareholder loans, other loans and contractual obligations and liabilities incurred by the German Guarantor in violation of the provisions of any of the Loan Documents shall be disregarded and not accounted for as liabilities;

(iv) any assets that are shown in the balance sheet with a book value that, in the opinion of the Administrative Agent, is significantly lower than their market value and that are not necessary for the business of the German Guarantor (*nicht betriebsnotwendig*) shall be accounted for with their market value; and

(v) the assets of the German Guarantor will be assessed at liquidation values (*Liquidationswerte*) if, at the time the managing directors prepare the balance sheet in accordance with paragraph (b) below and absent the demand a positive going concern prognosis (*positive Fortbestehensprognose*) cannot be established.

(b) The limitations set out in Section 7.11(a) only apply:

(i) if and to the extent that the managing directors of the German Guarantor (or in the case of a GmbH Co. KG, its general partner) have confirmed in writing to the Administrative Agent within ten (10) Business Days of a demand for payment under this Article VII the amount of the obligations under this Article VII which cannot be paid without causing the net assets of such German Guarantor (or in the case of a GmbH Co. KG, its general partner) to fall below its registered share capital, or increase an existing shortage in net assets below its registered share capital (taking into account the adjustments set out above) and such confirmation is supported by a current balance sheet and other evidence satisfactory to the Administrative Agent and neither the Administrative Agent nor any Lender raises any objections against that confirmation within five Business Days after its receipt; or

(ii) if, within twenty Business Days after an objection under clause (i) has been raised by the Administrative Agent or a Lender, the Administrative Agent receives a written audit report (“**Auditor’s Determination**”) prepared at the expense of the relevant German Guarantor by a firm of auditors of international standing and reputation

that is appointed by the German Guarantor and reasonably acceptable to the Administrative Agent, to the extent such report identifies the amount by which the net assets of that German Guarantor (or in the case of a *GmbH & Co. KG*, its general partner in the form of a GmbH) are necessary to maintain its registered share capital as at the date of the demand under this Article VII (taking into account the adjustments set out above). The Auditor's Determination shall be prepared in accordance with generally accepted accounting principles applicable in Germany (*Grundsätze ordnungsgemäßer Buchführung*) as consistently applied by the German Guarantor in the preparation of its most recent annual balance sheet. The Auditor's Determination shall be binding for all Parties except for manifest error.

(c) In any event, the Secured Parties shall be entitled to enforce the guarantee up to those amounts that are undisputed between them and the relevant German Guarantor or determined in accordance with Section 7.11(a) and Section 7.11(b). In respect of the exceeding amounts, the Secured Parties shall be entitled to further pursue their claims (if any) and the German Guarantor shall be entitled to provide evidence that the excess amounts are necessary to maintain its registered share capital (calculated as at the date of demand under this Article VII and taking into account the adjustments set out above). The Secured Parties are entitled to pursue those parts of the guarantee obligations of the German Guarantor that are not enforced by operation of Section 7.11(a), above at any subsequent point in time. This Section 7.11 shall apply again as of the time such additional demands are made.

(d) Section 7.11(a) shall not apply as to the amount of Loans borrowed under this Agreement and passed on (whether by way of shareholder loan or equity contribution) to the respective German Guarantor or any of its Subsidiaries as long as the respective shareholder loan is outstanding or the respective equity contribution has not been dissolved or otherwise repaid.

(e) Should it become legally permissible for managing directors of a German Guarantor to enter into guarantees in support of obligations of their shareholders without limitations, the limitations set forth in Section 7.11(a), shall no longer apply. Should any such guarantees become subject to legal restrictions that are less stringent than the limitations set forth in Section 7.11(a), above, such less stringent limitations shall apply. Otherwise, Section 7.11(a) shall remain unaffected by changes in applicable law.

(f) The limitations provided for in paragraph (a) above shall not apply where (i) the relevant German Guarantor has a fully valuable (*vollwertig*) recourse claim (*Gegenleistungs- oder Rückgewähranspruch*) vis-à-vis the relevant shareholder or (ii) a domination agreement (*Beherrschungsvertrag*) or a profit and loss pooling agreement (*Ergebnisabführungsvertrag*) is or will be in existence with the relevant German Guarantor (or the relevant general partner), unless section 30 GmbHG is violated despite of the existence of such agreement.

Section 7.12 Swiss Guarantors. If and to the extent that (i) the obligations under this ARTICLE VII of any Swiss Guarantor are for the exclusive benefit of any of such Swiss Guarantor's Affiliates (other than such Swiss Guarantor's direct or indirect Subsidiaries) and (ii) complying with the obligations under this ARTICLE VII would constitute a repayment of capital (*restitution des apports*) or the payment of a (constructive) dividend (*distribution de dividende*), the following shall apply:

(a) The aggregate obligations under this ARTICLE VII of any Swiss Guarantor shall be limited to the maximum amount of such Swiss Guarantor's profits and reserves available for distribution, in each case in accordance with, without limitation, articles 671 ~~para.1 to 3~~, 672 and 675 ~~para.2~~ of the Swiss Code of Obligations (the "**Available Amount**") at the time any Swiss Guarantor makes a payment under this ARTICLE VII (provided such limitation is still a legal requirement under Swiss law at that time).

(b) Immediately after having been requested to make a payment under this ARTICLE VII (the "**Guarantee Payment**"), each Swiss Guarantor shall (i) provide the Administrative Agent, within thirty (30) Business Days from being requested to make the Guarantee Payment, with (1) an interim audited balance sheet prepared by the statutory auditors of the applicable Swiss Guarantor, (2) the determination of the Available Amount based on such interim audited balance sheet as computed by the statutory auditors, and (3) a confirmation from the statutory auditors that the Available Amount is the maximum amount which can be paid by the Swiss Guarantor under this ARTICLE VII without breaching the provisions of Swiss corporate law, which are aimed at protecting the share capital and legal reserves, and (ii) upon receipt of the confirmation referred to in the preceding sentence under (3) and after having taken all actions required pursuant to paragraph (d) below, make such Guarantee Payment in full (less, if required, any Swiss Withholding Tax).

(c) If so required under Swiss law (including double tax treaties to which Switzerland is a party) at the time it is required to make a payment under this ARTICLE VII or the Security Documents, the applicable Swiss Guarantor (1) may deduct the Swiss Withholding Tax at the rate of 35% (or such other rate as may be in force at such time) from any payment under this ARTICLE VII or the Security Documents, (2) may pay the Swiss Withholding Tax to the Swiss Federal Tax Administration, and (3) shall notify and provide evidence to the Administrative Agent that the Swiss Withholding Tax has been paid to the Swiss Federal Tax Administration. To the extent the Guarantee Payment due is less than the Available Amount, the applicable Swiss Guarantor shall be required to make a gross-up, indemnify or otherwise hold harmless the Secured Parties for the deduction of the Swiss Withholding Tax, it being understood that at no time shall the Guarantee Payment (including any gross-up or indemnification payment pursuant to this paragraph (c) and including any Swiss Withholding Tax levied thereon) exceed the Available Amount. The applicable Swiss Guarantor shall use its best efforts to ensure that any person which is, as a result of a payment under this ARTICLE VII, entitled to a full or partial refund of the Swiss Withholding Tax, shall as soon as possible after the deduction of the Swiss Withholding Tax (i) request a refund of the Swiss Withholding Tax under any applicable law (including double tax treaties) and (ii) pay to the Administrative Agent for distribution to the applicable Secured Parties upon receipt any amount so refunded. The Secured Obligations will only be considered as discharged to the extent of the effective payment received by the Secured Parties under this ARTICLE VII. This subsection (c) is without prejudice to the gross-up or indemnification obligations of any Guarantor other than the Swiss Guarantors.

(d) The Swiss Guarantors shall use reasonable efforts to take and cause to be taken all and any other action, including the passing of any shareholders' resolutions to approve any Guarantee Payment under this ARTICLE VII or the Security Documents, which may be required as a matter of Swiss mandatory law or standard business practice as existing at the time it is required to make a Guarantee Payment under this ARTICLE VII or the Security Documents in order to allow for a prompt payment of the Guarantee Payment or Available Amount, as applicable.

Section 7.13 Irish Guarantor. This Guarantee does not apply to any liability to the extent that it would result in this Guarantee constituting unlawful financial assistance within the

meaning of, in respect of any Irish Guarantor, Section 82 of the Irish Companies Act 2014 of Ireland.

Section 7.14 Brazilian Guarantor. The Brazilian Guarantor waives and shall not exercise any and all rights and privileges granted to guarantors which might otherwise be deemed applicable, including but not limited to the rights and privileges referred to in Articles 827, 834, 835, 836, 837, 838 and 839 of the Brazilian Civil Code and the provisions of Article 794 of the Brazilian Civil Procedure Code.

Section 7.15 French Guarantor.

(a) The obligations and liabilities of a French Guarantor under the Loan Documents and in particular under Article VII (*Guarantee*) of this Agreement shall not include any obligation or liability which if incurred would constitute the provision of financial assistance within the meaning of article L. 225-216 of the French *Code de commerce* and/or would constitute a misuse of corporate assets within the meaning of article L. 241-3 or L. 242-6 of the French *Code de commerce* or any other laws or regulations having the same effect, as interpreted by French courts.

(b) The obligations and liabilities of a French Guarantor under Article VII (*Guarantee*) of this Agreement for the obligations under the Loan Documents of any other Guarantor which is not a French Subsidiary of such French Guarantor, shall be limited at any time to an amount equal to the aggregate of all amounts borrowed under this Agreement by such other Guarantor as a Co-Borrower to the extent directly or indirectly on-lent to the French Guarantor under inter-company loan agreements and outstanding at the date a payment is to be made by such French Guarantor under Article VII (*Guarantee*) of this Agreement and including for the avoidance of doubt (and to the extent permitted by French law), at a date a payment is to be made by such French Guarantor under Article VII (*Guarantee*) of this Agreement, the outstanding amounts under inter-company loan agreements corresponding to proceeds from any amounts borrowed under this Agreement which have been on-lent directly or indirectly to that French Guarantor (and/or its direct or indirect Subsidiaries) and which has subsequently been refinanced directly or indirectly by amounts borrowed under this Agreement (to the extent such amendment agreement under which any such above-mentioned refinancing occurred did not create any novation in accordance of article 1329 of the French civil code), it being specified that any payment made by a French Guarantor under Article VII (*Guarantee*) of the Credit Agreement in respect of the obligations of such Guarantor as a Co-Borrower shall reduce *pro tanto* the outstanding amount of the inter-company loans due by the French Guarantor under the inter-company loan arrangements referred to above.

(c) The obligations and liabilities of a French Guarantor under Article VII (*Guarantee*) of this Agreement for the obligations under the Loan Documents of any Guarantor which is its Subsidiary shall not be limited and shall therefore cover all amounts due by such Guarantor as a Co-Borrower and/or as Guarantor, as applicable. However, where such Subsidiary is not incorporated in France, the amounts payable by the French Guarantor under this paragraph (c) in respect of obligations of this Subsidiary as a Co-Borrower and/or Guarantor, shall be limited as set out in paragraph (b) above.

Section 7.16 Belgian Guarantor. No Belgian Guarantor shall be liable for the obligations owed to the Secured Parties by any other Loan Party under any Loan Document, to the extent that such liability would result in such guarantee constituting unlawful financial assistance within the meaning of Article 329 or 629 of the Belgian Companies Code (or any equivalent and applicable provisions in any relevant jurisdiction).

Section 7.17 Keepwell. Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Loan Party to honor all of its obligations under this Guaranty in respect of Swap Obligations (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 7.17 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 7.17, or otherwise under this Article VII, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section shall remain in full force and effect until the termination of all Commitments and the repayment in full of all outstanding Obligations. Each Qualified ECP Guarantor intends that this Section 7.17 constitute, and this Section 7.17 shall be deemed to constitute, a “keepwell, support, or other agreement” for the benefit of each other Loan Party for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

ARTICLE VIII

(e) (i) default shall be made in the due observance or performance by any Company of any covenant, condition or agreement contained in Section 5.02 (other than Section 5.02(a)), and such default shall continue unremedied or shall not be waived for a period of five (5) Business Days after written notice thereof from the Administrative Agent or any Lender to the Designated Company, or (ii) default shall be made in the due observance or

(f) any Company shall (i) fail to pay any principal or interest, regardless of amount, due in respect of any Indebtedness (other than the Obligations), when and as the same shall become due and payable beyond any applicable grace period, (ii) fail to observe or perform any other term, covenant, condition or agreement contained in any agreement or instrument evidencing or governing any Indebtedness if the effect of any failure referred to in this clause (ii) is to cause, or to permit the holder or holders of such Indebtedness or a trustee or other representative on its or their behalf to cause, such Indebtedness to become due prior to its stated maturity or become subject to a mandatory offer purchase by the obligor; provided that, other than in the case of the Revolving Credit Agreement, it shall not constitute an Event of Default pursuant to this paragraph (f) unless the aggregate Dollar Equivalent amount of all such Indebtedness referred to in clauses (i) and (ii) exceeds \$100,000,000 at any one time (provided that, in the case of Hedging Obligations, the amount counted for this purpose shall be the net amount payable by all Companies if such Hedging Obligations were terminated at such time); provided, further that this clause (f)(ii) shall not apply to (x) a failure to comply with a financial maintenance covenant under the Revolving Credit Agreement in the form of an asset based loan facility, (y) secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness, if such sale or transfer is permitted hereunder and under the documents providing for such Indebtedness and such Indebtedness is repaid or discharged to the extent required under the terms governing such Indebtedness or (z) Indebtedness that becomes due as a result of a notice of voluntary refinancing, exchange, or conversion thereof that is permitted thereunder, so long as such refinancing, exchange or conversion is consummated, or such notice duly withdrawn, in accordance with the terms of such Indebtedness, or (iii) fail to observe or perform any financial maintenance covenant under a Revolving Credit Agreement which is an asset based loan facility and such failure results in the Indebtedness under such Revolving Credit Agreement becoming due prior to its stated maturity;

(g) an involuntary proceeding shall be commenced or an involuntary petition shall be filed in a court of competent jurisdiction seeking (i) relief in respect of any Loan Party or Material Subsidiary, or of a substantial part of the property of any Loan Party or Material Subsidiary, under Title 11 of the U.S. Code, as now constituted or hereafter amended, or any other federal, state, provincial or foreign bankruptcy, insolvency, receivership, reorganization or other Debtor Relief Law, including any proceeding under applicable corporate law; (ii) the appointment of a receiver, trustee, custodian, sequestrator, conservator, examiner or similar official for any Loan Party or Material Subsidiary or for a substantial part of the property of any Loan Party or Material Subsidiary; or (iii) the winding-up, liquidation or examination of any Loan Party or Material Subsidiary; and such proceeding or petition shall continue undismissed for sixty (60) days or an order or decree approving or ordering any of the foregoing shall be entered;

(h) any Loan Party or Material Subsidiary shall (i) voluntarily commence any proceeding or file any petition seeking relief under Title 11 of the United States Code, as now constituted or hereafter amended, or any other federal, state or foreign bankruptcy, insolvency, receivership or other Debtor Relief Law; (ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or the filing of any petition described in clause (g) above; (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator, conservator, examiner or similar official for any Loan Party or Material

(j) one or more ERISA Events or noncompliance with respect to Foreign Plans or Compensation Plans shall have occurred that, when taken together with all other such ERISA Events and noncompliance with respect to Foreign Plans or Compensation Plans that have occurred, could reasonably be expected to result in liability of any Company and its ERISA Affiliates that could reasonably be expected to result in a Material Adverse Effect;

(k) any security interest and Lien purported to be created by any Security Document shall cease to be in full force and effect, or shall cease to give the Collateral Agent, for the benefit of the Secured Parties, a valid, perfected First Priority security interest in and Lien on all of the Collateral thereunder (except as otherwise expressly provided in such Security Document) in favor of the Collateral Agent, or shall be asserted by the Designated Company or any other Loan Party not to be a valid, perfected, First Priority (except as otherwise expressly provided in this Agreement, the Intercreditor Agreement or such Security Document) security interest in or Lien on the Collateral covered thereby;

(l) any Loan Document or any material provision thereof shall at any time and for any reason be declared by a court of competent jurisdiction to be null and void, or a proceeding shall be commenced by any Loan Party or by any Governmental Authority, seeking to establish the invalidity or unenforceability thereof (exclusive of questions of interpretation of any provision thereof), or any Loan Party shall repudiate or deny any portion of its liability or obligation for the Obligations;

(m) there shall have occurred a Change in Control;

(n) the Intercreditor Agreement or any material provision thereof shall cease to be in full force or effect other than (i) as expressly permitted hereunder or thereunder, (ii) by a consensual termination or modification thereof agreed to by the Agent party thereto, the Revolving Credit Agents party thereto and all other creditors of the Designated Company and its Restricted Subsidiaries (or any trustee, agent or representative acting on their behalf) that is a party thereto, or (iii) as a result of satisfaction in full of the obligations under the Revolving Credit Loan Documents, the Additional Senior Secured Indebtedness Documents (if any), the Junior Secured Indebtedness (if any) and any other Material Indebtedness subject to the terms of the Intercreditor Agreement; or

(o) any Company shall be prohibited or otherwise restrained from conducting the business theretofore conducted by it in any manner that has or could reasonably be expected to result in a Material Adverse Effect by virtue of any determination, ruling, decision, decree or order of any court or Governmental Authority of competent jurisdiction;

then, and in every such event (other than an event with respect to any Loan Party described in paragraph (g) or (h) above), and at any time thereafter during the continuance of such event the Administrative Agent may, and at the request of the Required Lenders shall, by notice to the Designated Company, take either or both of the following actions, at the same or different times: (i) terminate forthwith the Commitments and (ii) declare the Loans then outstanding to be forthwith due and payable in whole or in part, whereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and any unpaid accrued Fees and all other Obligations of the Loan Parties accrued hereunder and under any other Loan Document, shall become forthwith due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by each of the Loan Parties, anything contained herein or in any other Loan Document to the contrary notwithstanding; and in any event, with respect to any Loan Party described in paragraph (g) or (h) above, the Commitments shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon and any unpaid accrued Fees, costs, charges and all other Obligations of the Loan Parties accrued hereunder and under any other Loan Document, shall automatically become due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by each of the Loan Parties, anything contained herein or in any other Loan Document to the contrary notwithstanding.

Section 8.02 Rescission. If at any time after termination of the Commitments or acceleration of the maturity of the Loans, the Loan Parties shall pay all arrears of interest and all payments on account of principal of the Loans owing by them that shall have become due otherwise than by acceleration (with interest on principal and, to the extent permitted by law, on overdue interest, at the rates specified herein) and all Defaults (other than non-payment of principal of and accrued interest on the Loans due and payable solely by virtue of acceleration) shall be remedied or waived pursuant Section 11.02, then upon the written consent of the Required Lenders and written notice to the Designated Company, the termination of the Commitments or the acceleration and their consequences may be rescinded and annulled; but such action shall not affect any subsequent Default or impair any right or remedy consequent thereon. The provisions of the preceding sentence are intended merely to bind the Lenders to a decision that may be made at the election of the Required Lenders, and such provisions are not intended to benefit any Loan Party and do not give any Loan Party the right to require the Lenders to rescind or annul any acceleration hereunder, even if the conditions set forth herein are met.

Section 8.03 Application of Proceeds. Subject to the terms of the Intercreditor Agreement, the proceeds received by any of the Agents in respect of any sale of, collection from or other realization upon all or any part of the Collateral, whether pursuant to the exercise by the Collateral Agent of its remedies or otherwise (including any payments received with respect to adequate protection payments or other distributions relating to the Obligations during the pendency of any reorganization or proceeding under any Debtor Relief Law) after an Event of Default has occurred and is continuing or after the acceleration of the Obligations, shall be applied, in full or in part, together with any other sums then held by the Agents or any Receiver pursuant to this Agreement, promptly by the Agents or any Receiver as follows:

(a) *First*, to the payment of all reasonable costs and expenses, fees, commissions and taxes of such sale, collection or other realization including compensation to the Agents or

any Receiver and their agents and counsel, and all expenses, liabilities and advances made or incurred by the Agents or any Receiver in connection therewith, and all amounts for which the Agents or any Receiver are entitled to indemnification or reimbursement pursuant to the provisions of any Loan Document, together with interest on each such amount at the highest rate then in effect under this Agreement from and after the date such amount is due, owing or unpaid until paid in full;

(b) *Second*, to the payment of all other reasonable costs and expenses of such sale, collection or other realization including any compensation payable to the other Secured Parties and their agents and counsel and all costs, liabilities and advances made or incurred by the other Secured Parties in connection therewith, together with interest on each such amount at the highest rate then in effect under this Agreement from and after the date such amount is due, owing or unpaid until paid in full;

(c) *Third*, without duplication of amounts applied pursuant to clauses (a) and (b) above, to the indefeasible payment in full in cash, *pro rata*, of interest and other amounts constituting Obligations which are then due and owing (other than principal) and any fees, premiums and scheduled periodic payments due under Hedging Agreements constituting Secured Obligations and any interest accrued thereon, in each case equally and ratably in accordance with the respective amounts thereof then due and owing with respect to such Obligations;

(d) *Fourth*, to the indefeasible payment in full in cash, *pro rata*, of the principal amount of the Obligations and any premium thereon and any breakage, termination or other payments under Hedging Agreements constituting Secured Obligations and any interest accrued thereon and any remaining Secured Obligations, in each case equally and ratably in accordance with the respective amounts thereof then due and owing; and

(e) *Fifth*, the balance, if any, to the person lawfully entitled thereto (including the applicable Loan Party or its successors or assigns) or as a court of competent jurisdiction may direct.

In the event that any such proceeds are insufficient to pay in full the items described in clauses (a) through (d) of this Section 8.03, the Loan Parties shall remain liable, jointly and severally, for any deficiency.

Notwithstanding the foregoing, Obligations arising under Hedging Agreements constituting Secured Obligations shall be excluded from the application described above if the Administrative Agent has not received written notice thereof, together with such supporting documentation as the Administrative Agent may request, from the applicable Secured Hedge Provider. Each Secured Hedge Provider not a party to the Credit Agreement that has given the notice contemplated by the preceding sentence shall, by such notice, be deemed to have acknowledged and accepted the appointment of the Administrative Agent and the Collateral Agent pursuant to the terms of Article X hereof for itself and its Affiliates as if a "Lender" party hereto.

Section 8.04 Designated Company's Right to Cure.

(a) Notwithstanding anything to the contrary contained in Section 8.01, in the event the Designated Company fails to comply with the Financial Performance Covenant with respect to a period of four consecutive fiscal quarters, then at any time after the end of the last fiscal quarter of such period of four consecutive fiscal quarters until the expiration of the tenth (10th) day after the date on which financial statements are required to be delivered with

respect to such fiscal quarter hereunder, any Specified Holder may make a Specified Equity Contribution to Holdings, and Holdings shall immediately make a cash contribution to the common equity of the Designated Company and/or purchase Equity Interests of the Designated Company (other than Disqualified Capital Stock), in the amount of such Specified Equity Contribution. The Designated Company may apply the amount of the Net Cash Proceeds thereof received by it to increase Consolidated EBITDA with respect to such applicable quarter; provided that such Net Cash Proceeds (i) are actually received by the Designated Company (including through capital contribution of such Net Cash Proceeds by Holdings to the Designated Company) no later than ten (10) days after the date on which financial statements are required to be delivered with respect to such fiscal quarter hereunder and (ii) do not exceed the aggregate amount necessary for purposes of complying (by addition to Consolidated EBITDA) with the Financial Performance Covenant for such period. The parties hereby acknowledge and agree that notwithstanding anything to the contrary contained elsewhere in this Agreement, this Section 8.04(a) (and any Specified Equity Contribution or the proceeds thereof) may not be relied on for purposes of calculating any financial ratios (other than as applicable to the Financial Performance Covenant for purposes of increasing Consolidated EBITDA as provided herein) or any available basket or thresholds under this Agreement and shall not result in any adjustment to any amounts or calculations other than the amount of the Consolidated EBITDA referred to in the immediately preceding sentence.

(b) The parties hereto agree that (i) in each period of four consecutive fiscal quarters, there shall be at least two (2) fiscal quarters in which no Specified Equity Contribution is made, (ii) during the term of this Agreement, no more than four Specified Equity Contributions will be made, and (iii) the cash contributed or received pursuant to such Specified Equity Contribution (A) shall be disregarded for any purpose other than increasing Consolidated EBITDA solely for the purposes of measuring the Financial Performance Covenant (and, for the avoidance of doubt, such cash shall not constitute “cash and Cash Equivalents” or Unrestricted Cash for purposes of the definition of “Consolidated Total Net Debt” and shall not increase Consolidated EBITDA for the purpose of determining compliance with the Financial Performance Covenant on a Pro Forma Basis in determining whether another transaction will be permitted) and (B) for purposes of calculating the Total Net Leverage Ratio, the Consolidated Interest Coverage Ratio, the Senior Secured Net Leverage Ratio, the Secured Net Leverage Ratio and the Financial Performance Covenant, shall not be deemed to reduce any Indebtedness or other obligations of the Loan Parties that would otherwise be included in the definition of “Consolidated Total Net Debt” (except, with respect to periods after the fiscal quarter with respect to which such Equity Issuance is made, to the extent such Specified Equity Contribution is applied to repay Indebtedness).

[INTENTIONALLY OMITTED]

ARTICLE X

THE ADMINISTRATIVE AGENT AND THE COLLATERAL AGENT

Section 10.01 Appointment and Authority. Each of the Lenders hereby irrevocably appoints SCB to act on its behalf as the Administrative Agent and the Collateral Agent hereunder and under the other Loan Documents and authorizes each Agent to take such actions on its behalf and to exercise such powers as are delegated to such Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. Pursuant to article 1161 of the French *code civil*, the Lenders hereby expressly authorize the French Collateral Agent to act on the behalf and for the account of the Lenders and in its own

name and for its own account as creditor under the Parallel Debt provision set forth in Section 11.24, in connection with the performance of the Loan Documents. The provisions of this Article are solely for the benefit of the Agents and the Lenders and neither the Designated Company nor any other Loan Party shall have rights as a third party beneficiary of any of such provisions.

Section 10.02 Rights as a Lender. Each person serving an Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include each person serving as an Agent hereunder in its individual capacity. Such person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Designated Company or other Loan Party, or any Subsidiary or other Affiliate thereof, as if such person were not an Agent hereunder and without any duty to account therefor to the Lenders.

Section 10.03 Exculpatory Provisions.

(a) No Agent shall have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, no Agent:

(i) shall be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(ii) shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that in each case such Agent is expressly required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); provided that such Agent shall not be required to take any action that, in its judgment or the judgment of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable Requirements of Law; and

(iii) shall, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Designated Company or other Loan Party or any of its Affiliates that is communicated to or obtained by the person serving as such Agent or any of its Affiliates in any capacity.

(b) Notwithstanding anything to the contrary in any Loan Document, no Agent shall be liable for any action taken or not taken by it (x) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as such Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 8.01 and 11.02) or (y) in the absence of its own gross negligence or willful misconduct. No Agent shall be deemed to have knowledge of, or be required to take any action in connection with, any Default unless and until notice describing such Default is given to such Agent by the Designated Company or a Lender.

(c) No Agent shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document or (v) the satisfaction of any condition set forth in ARTICLE IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to such Agent. Without limiting the generality of the foregoing, the use of the term “agent” in this Agreement with reference to the Administrative Agent or the Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom and is intended to create or reflect only an administrative relationship between independent contracting parties.

(d) No Agent shall be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Institutions. Without limiting the generality of the foregoing, the Agents shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Institution or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Institution.

(e) Notwithstanding anything to the contrary in any Loan Document, without limiting any Agent’s rights hereunder to exercise discretion in taking any action in connection with the Loan Documents or any transaction permitted hereunder or thereunder (it being understood and agreed by the Lenders that such Agent may elect to act promptly and without seeking express approval from any Lender prior to taking such action), any Agent may:

(i) require the express written approval of the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents) prior to taking any action in connection with the Loan Documents or any transaction permitted hereunder or thereunder, including, without limitation, the Permitted Reorganization; or

(ii) upon at least two (2) Business Days’ prior written notice to the Lenders (such period, the “**Specified Notice Period**”), require the express written approval of the Representative Lenders prior to taking any action in connection with the Loan Documents or any transaction permitted hereunder or thereunder; provided that this clause (ii) shall not apply with respect to any action in connection with the Permitted Reorganization or that would otherwise require the consent of such other number or percentage of the Lenders as expressly provided for in Section 11.02.

On and after the date that the requisite written approval, if any, is provided to such Agent by such Lenders in accordance with the immediately preceding sentence, such Agent shall be authorized to take such action for all purposes under the Loan Documents without the consent of any other Lender. For purposes of this clause (e), “**Representative Lenders**” shall mean, with respect to any action under clause (ii) above, Lenders holding more than 50% of the sum of all Loans outstanding and unused Commitments (if any) of all Lenders that have provided

written notice of their approval or disapproval of such action or omission to take an action within the Specified Notice Period.

Section 10.04 Reliance by the Administrative Agent. Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon or acting or failing to act upon (including in connection with such Agent's execution, delivery or filing of any Loan Document or other agreement, document, certificate or filing in connection therewith), (i) any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) or (ii) any electronic signature purportedly given by or on behalf of any Loan party or any Secured Party, in each case, believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper person. In determining whether the conditions to taking any action under or in connection with any Loan Document are satisfied, each Agent shall be entitled to rely upon any certificates delivered to such Agent by any Loan Party. Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper person, and shall not incur any liability for relying thereon. The Agents are further authorized to rely upon and to comply with any written, oral or telephonic statements made or purported to be made by any Loan Party. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. Each Agent may consult with legal counsel (who may be counsel for the Designated Company or other Loan Party), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 10.05 Delegation of Duties. Each Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through, or delegate any and all such rights and powers to, any one or more sub-agents appointed by such Agent, including a sub-agent which is a non-U.S. affiliate of such Agent. Each Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of each Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Agent.

Section 10.06 Resignation of Agent.

(a) Each Agent may at any time give notice of its resignation to the Lenders and the Designated Company. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, in consultation with the Designated Company, to appoint a successor, which (i) shall be a bank with an office in the United States or England and Wales, or an Affiliate of any such bank with an office in the United States or England and Wales and (ii) for the Administrative Agent, shall be a commercial bank or other financial institution having assets in excess of \$1,000,000,000. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Agent gives notice of its resignation, then the retiring Agent may on behalf of the Lenders, appoint a successor Agent meeting the qualifications set forth above, provided that if the Agent shall notify the Designated Company and the Lenders that no qualifying person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (1) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case

of any collateral security held by the Collateral Agent on behalf of the Lenders under any of the Loan Documents, the retiring Collateral Agent shall continue to hold such collateral security as nominee until such time as a successor Collateral Agent is appointed) and (2) all payments, communications and determinations provided to be made by, to or through an Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders appoint a successor Agent as provided for above in this paragraph. Upon the acceptance of a successor's appointment as Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Agent, and the retiring Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this paragraph). The fees payable by the Co-Borrowers to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Co-Borrowers and such successor. After the retiring Agent's resignation hereunder and under the other Loan Documents, the provisions of this ARTICLE X and Section 11.03 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Agent was acting as Agent. ~~The Escrow Agent shall be deemed to have automatically resigned upon the resignation of the Administrative Agent.~~

(b) The Administrative Agent shall resign in accordance with paragraph (a) above if on or after the date which is three months before the earliest FATCA Application Date relating to any payment to the Administrative Agent under the Loan Documents, either:

(i) the Administrative Agent fails to respond to a request under Section 2.15(f) (FATCA Information) and a Lender reasonably believes that the Administrative Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date;

(ii) the information supplied by the Administrative Agent pursuant to Section 2.15(f) (FATCA Information) indicates that the Administrative Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date; or

(iii) the Administrative Agent notifies the Designated Company and the Lenders that the Administrative Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date;

and (in each case) a Lender reasonably believes that a Party will be required to make a FATCA Deduction that would not be required if the Administrative Agent were a FATCA Exempt Party, and that Lender, by notice to the Administrative Agent, requires it to resign.

Section 10.07 Non-Reliance on Agent and Other Lenders. Each Lender acknowledges that it has, independently and without reliance upon any ~~Agent, the Escrow~~ Agent, any syndication agent, documentation agent, arranger or bookrunner listed on the cover page hereto or acting in such capacity in connection with any amendment or in connection with any Incremental Term Loans made hereunder, or any other Lender, and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon any Agent, ~~the Escrow Agent, any~~ any syndication agent, documentation agent, arranger or bookrunner listed on the cover page hereto or acting in such capacity in connection with any amendment or in connection with any Incremental Term Loans made hereunder, or any other Lender, and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or

based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

Section 10.08 No Other Duties, etc. Notwithstanding anything to the contrary contained herein, the Mandated Lead Arrangers ~~listed on the cover page hereof~~ shall not have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent, Collateral Agent, ~~Escrow Agent~~ or as a Lender hereunder.

Section 10.09 Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Agents (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether any Agent shall have made any demand on any Co-Borrower or any Guarantor) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Secured Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Agents and the other Secured Parties (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Agents and their respective agents and counsel and all other amounts due the Secured Parties and the Agents hereunder) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Secured Party to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Secured Parties, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due the Agents hereunder. Nothing contained herein shall be deemed to authorize any Agent to authorize or consent to or accept or adopt on behalf of any Secured Party any plan of reorganization, arrangement, adjustment or composition affecting the Secured Obligations or the rights of any Secured Party to authorize any Agent to vote in respect of the claim of any Secured Party in any such proceeding.

Section 10.10 Concerning the Collateral and the Related Loan Documents. Each Lender authorizes and directs the Agents to enter into this Agreement and the other Loan Documents, including the Intercreditor Agreement and to perform their obligations thereunder. Each Lender agrees that any action taken by the Agents or Required Lenders in accordance with the terms of this Agreement or the other Loan Documents, including the Intercreditor Agreement, and the exercise by the Agents or Required Lenders of their respective powers set forth therein or herein, together with such other powers that are reasonably incidental thereto, shall be binding upon all of the Lenders.

Section 10.11 Release. Each Lender and each Loan Party hereby releases each Agent acting on its behalf pursuant to the terms of this Agreement or any other Loan Document from the restrictions of Section 181 of the German Civil Code (*Bürgerliches Gesetzbuch*) (restriction on self-dealing).

Section 10.12 Acknowledgment of Security Trust Deed. Each Secured Party acknowledges the terms of the Security Trust Deed and, in particular, the terms, basis and limitation on which the Collateral Agent holds the “Transaction Security” (as defined therein) and specifically agrees and accepts (i) such terms, basis and limitation; (ii) that the Collateral Agent shall, as trustee, have only those duties, obligations and responsibilities expressly specified in the Security Trust Deed; (iii) the limitation and exclusion of the Collateral Agent’s liability as set out therein; and (iv) all other provisions of the Security Trust Deed as if it were a party thereto.

Section 10.13 Secured Hedging Agreements. Except as otherwise expressly set forth herein or in any Guarantee or any Security Document, no Secured Hedge Provider that obtains the benefits of Section 8.03, any Guarantee or any Collateral by virtue of the provisions hereof or of any Guarantee or any Security Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article X to the contrary, no Agent shall be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Hedging Obligations owing to Secured Hedge Providers unless such Agent has received written notice of such Obligations, together with such supporting documentation as such Agent may request, from the applicable Secured Hedge Provider.

Section 10.14 Erroneous Payments.

(a) If the Administrative Agent (x) notifies a Lender or Secured Party, or any Person who has received funds on behalf of a Lender or Secured Party (any such Lender, Secured Party or other recipient (and each of their respective successors and assigns), a “**Payment Recipient**”) that the Administrative Agent has determined in its sole discretion (whether or not after receipt of any notice under immediately succeeding clause (b)) that any funds (as set forth in such notice from the Administrative Agent) received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously or mistakenly transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender, Secured Party or other Payment Recipient on its behalf) (any such funds, whether transmitted or received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an “**Erroneous Payment**”) and (y) demands in writing the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property of the Administrative Agent pending its return or repayment as contemplated below in this Section 10.14 and held in trust for the benefit of the Administrative Agent, and such Lender or Secured Party shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than two Business Days thereafter (or such later date as the Administrative Agent may, in its sole discretion, specify in writing), return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon (except to the extent waived in writing by the Administrative Agent) in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Interbank Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect. A notice of the Administrative Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error.

(b) Without limiting immediately preceding clause (a), each Lender, Secured Party or any Person who has received funds on behalf of a Lender or Secured Party (and each of their respective successors and assigns), agrees that if it receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Administrative Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in this Agreement or in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates), or (z) that such Lender or Secured Party, or other such recipient, otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part), then in each such case:

(i) it acknowledges and agrees that (A) in the case of immediately preceding clauses (x) or (y), an error and mistake shall be presumed to have been made (absent written confirmation from the Administrative Agent to the contrary) or (B) an error and mistake has been made (in the case of immediately preceding clause (z)), in each case, with respect to such payment, prepayment or repayment; and

(ii) such Lender or Secured Party shall (and shall cause any other recipient that receives funds on its respective behalf to) promptly (and, in all events, within one Business Day of its knowledge of the occurrence of any of the circumstances described in immediately preceding clauses (x), (y) and (z)) notify the Administrative Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Administrative Agent pursuant to this Section 10.14(b).

For the avoidance of doubt, the failure to deliver a notice to the Administrative Agent pursuant to this Section 10.14(b) shall not have any effect on a Payment Recipient's obligations pursuant to Section 10.14(a) or on whether or not an Erroneous Payment has been made.

(c) Each Lender or Secured Party hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender or Secured Party under any Loan Document, or otherwise payable or distributable by the Administrative Agent to such Lender or Secured Party under any Loan Document with respect to any payment of principal, interest, fees or other amounts, against any amount that the Administrative Agent has demanded to be returned under immediately preceding clause (a).

(d) (i) In the event that an Erroneous Payment (or portion thereof) is not recovered by the Administrative Agent for any reason, after demand therefor in accordance with immediately preceding clause (a), from any Lender that has received such Erroneous Payment (or portion thereof) (and/or from any Payment Recipient who received such Erroneous Payment (or portion thereof) on its respective behalf) (such unrecovered amount, an "**Erroneous Payment Return Deficiency**"), upon the Administrative Agent's notice to such Lender at any time, then effective immediately (with the consideration therefor being acknowledged by the parties hereto), (A) such Lender shall be deemed to have assigned its Loans (but not its Commitments, if any) of the relevant Class with respect to which such Erroneous Payment was made (the "**Erroneous Payment Impacted Class**") in an amount equal to the Erroneous Payment Return Deficiency (or such lesser amount as the Administrative Agent may specify) (such assignment of the Loans (but not Commitments) of the Erroneous Payment Impacted Class, the "**Erroneous Payment Deficiency Assignment**")

(on a cashless basis and such amount calculated at par plus any accrued and unpaid interest (with the assignment fee to be waived by the Administrative Agent in such instance)), and is hereby (together with the applicable Co-Borrower) deemed to execute and deliver an Assignment and Assumption (or, to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to an approved electronic platform as to which the Administrative Agent and such parties are participants) with respect to such Erroneous Payment Deficiency Assignment, and such Lender shall deliver any Notes evidencing such Loans to the applicable Co-Borrower or the Administrative Agent (but the failure of such Person to deliver any such Notes shall not affect the effectiveness of the foregoing assignment), (B) the Administrative Agent as the assignee Lender shall be deemed to have acquired the Erroneous Payment Deficiency Assignment, (C) upon such deemed acquisition, the Administrative Agent as the assignee Lender shall become a Lender, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment and the assigning Lender shall cease to be a Lender, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment, excluding, for the avoidance of doubt, its obligations under the indemnification provisions of this Agreement and its applicable Commitments which shall survive as to such assigning Lender, (D) the Administrative Agent and the Co-Borrowers shall each be deemed to have waived any consents required under this Agreement to any such Erroneous Payment Deficiency Assignment, and (E) the Administrative Agent will reflect in the Register its ownership interest in the Loans subject to the Erroneous Payment Deficiency Assignment. For the avoidance of doubt, no Erroneous Payment Deficiency Assignment will reduce the Commitments of any Lender and such Commitments shall remain available in accordance with the terms of this Agreement.

(ii) Subject to Section 11.04 (but excluding, in all events, any assignment consent or approval requirements (whether from the Co-Borrowers or otherwise)), the Administrative Agent may, in its discretion, sell any Loans acquired pursuant to an Erroneous Payment Deficiency Assignment and upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by the applicable Lender shall be reduced by the net proceeds of the sale of such Loan (or portion thereof), and the Administrative Agent shall retain all other rights, remedies and claims against such Lender (and/or against any recipient that receives funds on its respective behalf). In addition, an Erroneous Payment Return Deficiency owing by the applicable Lender (x) shall be reduced by the proceeds of prepayments or repayments of principal and interest, or other distribution in respect of principal and interest, received by the Administrative Agent on or with respect to any such Loans acquired from such Lender pursuant to an Erroneous Payment Deficiency Assignment (to the extent that any such Loans are then owned by the Administrative Agent) and (y) may, in the sole discretion of the Administrative Agent, be reduced by any amount specified by the Administrative Agent in writing to the applicable Lender from time to time.

(e) The parties hereto agree that (x) irrespective of whether the Administrative Agent may be equitably subrogated, in the event that an Erroneous Payment (or portion thereof) is not recovered from any Payment Recipient that has received such Erroneous Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights and interests of such Payment Recipient (and, in the case of any Payment Recipient who has received funds on behalf of a Lender or Secured Party, to the rights and interests of such Lender or Secured Party, as the case may be) under the Loan Documents with respect to such amount (the “**Erroneous Payment Subrogation Rights**”) (provided that the Secured Obligations in respect of the Erroneous Payment Subrogation Rights shall not be

duplicative of such Secured Obligations in respect of Loans that have been assigned to the Administrative Agent under an Erroneous Payment Deficiency Assignment) and (y) an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Secured Obligations owed by any Co-Borrower or any other Loan Party; provided that this Section 10.14 shall not be interpreted to increase (or accelerate the due date for), or have the effect of increasing (or accelerating the due date for), the Secured Obligations of any Borrower relative to the amount (and/or timing for payment) of the Secured Obligations that would have been payable had such Erroneous Payment not been made by the Administrative Agent; provided, further, that for the avoidance of doubt, immediately preceding clauses (x) and (y) shall not apply to the extent any such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from a Co-Borrower for the purpose of making such Erroneous Payment.

(f) To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received, including, without limitation, any defense based on “discharge for value” or any similar doctrine.

(g) Each party’s obligations, agreements and waivers under this Section 10.14 shall survive the resignation or replacement of the Administrative Agent, any transfer of rights or obligations by, or the replacement of, a Lender, the termination of the Commitments and/or the repayment, satisfaction or discharge of all Secured Obligations (or any portion thereof).

(b) Electronic Communications. Notices and other communications to the Lenders hereunder may (subject to Section 11.01(d)) be delivered or furnished by electronic communication (including e-mail, FpML messaging and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing

shall not apply to notices to any Lender pursuant to ARTICLE II if such Lender, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent, the Collateral Agent or the Designated Company may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it (including as set forth in Section 11.01(d)); provided that approval of such procedures may be limited to particular notices or communications.

(c) Change of Address, Etc. Any party hereto (other than a Lender) may change its address or telecopier number for notices and other communications hereunder by notice to the other parties hereto. Each Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the Designated Company and the Administrative Agent. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender.

(d) Posting. Each Loan Party hereby agrees that it will provide to the Administrative Agent all information, documents and other materials that it is obligated to furnish to the Administrative Agent pursuant to this Agreement and any other Loan Document, including all notices, requests, financial statements, financial and other reports, certificates and other information materials, but excluding any such communication that (i) relates to a request for a new, or a conversion of an existing, Borrowing or other extension of credit (including any election of an interest rate or interest period relating thereto), (ii) relates to the payment of any principal or other amount due under this Agreement prior to the scheduled date therefor, (iii) provides notice of any Default under this Agreement or (iv) is required to be delivered to satisfy any condition precedent to the effectiveness of this Agreement and/or any borrowing or other extension of credit hereunder (all such non-excluded communications, collectively, the "**Communications**"), by transmitting the Communications in an electronic/soft medium in a format reasonably acceptable to the Administrative Agent at loansagencyuk@sc.com or at such other e-mail address(es) provided to the Designated Company from time to time or in such other form, including hard copy delivery thereof, as the Administrative Agent shall reasonably require. Nothing in this Section 11.01(d) shall prejudice the right of the Agents, any Lender or any Loan Party to give any notice or other communication pursuant to this Agreement or any other Loan Document in any other manner specified in this Agreement or any other Loan Document.

To the extent consented to by the Administrative Agent from time to time, Administrative Agent agrees that receipt of the Communications by the Administrative Agent at its e-mail address(es) set forth above shall constitute effective delivery of the Communications to the Administrative Agent for purposes of the Loan Documents; provided

that the Designated Company shall also deliver to the Administrative Agent an executed original of each Compliance Certificate and an executed copy (which may be by pdf or similar electronic transmission) of each notice or request of the type described in clauses (i) through (iv) of paragraph (d) above required to be delivered hereunder.

Each Loan Party further agrees that Administrative Agent may make the Communications available to the Lenders by posting the Communications on Intralinks, Syndtrak, ClearPar or a substantially similar electronic transmission system (the “**Platform**”). THE PLATFORM IS PROVIDED “AS IS” AND “AS AVAILABLE.” THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS (AS DEFINED BELOW) OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the “**Agent Parties**”) have any liability to the Designated Company, any other Loan Party, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Designated Company’s, any Loan Party’s or the Administrative Agent’s transmission of Borrower Materials or notices through the Platform, any other electronic messaging service, or through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Agent Party; provided, however, that in no event shall any Agent Party have any liability to the Designated Company, any other Loan Party, any Lender or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

Each Loan Party further agrees and acknowledges that certain of the Lenders (each, a “**Public Lender**”) may have personnel who do not wish to receive material non-public information with respect to the Designated Company or its Affiliates, or the respective securities of any of the foregoing, and who may be engaged in investment and other market-related activities with respect to such persons’ securities. The Designated Company and each other Loan Party hereby agree that it will use commercially reasonable efforts to identify that portion of the materials and/or information provided by or on behalf of the Designated Company hereunder (the “**Borrower Materials**”) that may be distributed to the Public Lenders and that (w) all such Borrower Materials shall be clearly and conspicuously marked “PUBLIC” which, at a minimum, shall mean that the word “PUBLIC” shall appear prominently on the first page thereof; (x) by marking Borrower Materials hereunder “PUBLIC,” the Loan Parties shall be deemed to have authorized the Mandated Lead Arrangers, the Agents and the Lenders to treat such materials as not containing any material non-public information (although it may be sensitive and proprietary) with respect to the Designated Company, the other Loan Parties or their respective securities for purposes of United States Federal and state securities laws (provided, however, that to the extent such materials constitute Information, they shall be treated as set forth in Section 11.12); (y) all Borrower Materials marked “PUBLIC” are permitted to be made available through a portion of the Platform designated “Public Side Information;” and (z) the Agents and the Mandated Lead Arrangers shall be entitled to treat any Borrower Materials that are not marked “PUBLIC” as being suitable only for posting on a portion of the Platform not designated “Public Side Information”. Each Public Lender agrees to cause at least one individual at or on

behalf of such Public Lender to at all times have selected the “Private Side Information” or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender’s compliance procedures and applicable law, including United States Federal and state securities Laws, to make reference to Borrower Materials that are not made available through the “Public Side Information” portion of the Platform and that may contain material non-public information with respect to the Designated Company, the other Loan Parties or their respective securities for purposes of United States Federal or state securities laws.

(e) Reliance by the Administrative Agent, the Collateral Agent and Lenders. The Administrative Agent, the Collateral Agent and the Lenders shall be entitled to rely and act upon any notices purportedly given by or on behalf of the Designated Company even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Co-Borrowers shall indemnify the Administrative Agent, the Collateral Agent, each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such person on each notice purportedly given by or on behalf of the Designated Company. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

Section 11.02 Waivers; Cumulative Remedies; Amendment.

(a) Waivers; Cumulative Remedies. No failure or delay by the Administrative Agent, the Collateral Agent or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of each Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by this Section 11.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default, regardless of whether any Agent or any Lender may have had notice or knowledge of such Default at the time. No notice or demand on any Loan Party in any case shall entitle any Loan Party to any other or further notice or demand in similar or other circumstances.

(b) Required Consents. Subject to the terms of the Intercreditor Agreement, and except as otherwise provided in this Agreement, including Sections 1.10, 2.06(g), 2.17, and Section 11.02(c) and (d), neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended, supplemented or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Designated Company and the Required Lenders (or by the Administrative Agent with the written consent of the Required Lenders) or, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent (or, in the case of any applicable Security Document, the Collateral Agent) and the Loan Party or Loan Parties that are party thereto, in each case with the written consent of the Required Lenders; provided that no such agreement shall be effective if the effect thereof would:

(i) increase the Commitment of any Lender without the written consent of such Lender (it being understood that no amendment, modification, termination, waiver or consent with respect to any condition precedent, covenant or Default shall constitute an increase in the Commitment of any Lender);

(ii) reduce the principal amount of any Loan or reduce the rate of interest thereon (other than interest pursuant to Section 2.06(c)), or reduce any Fees payable hereunder, or change the form or currency of payment of any Obligation, without the written consent of each Lender directly affected thereby; provided, that no amendment, modification, termination, waiver or consent entered into pursuant to Section 2.06(g) or Section 2.17 shall constitute a reduction of the amount of any interest or fee for purposes of this clause (ii);

(iii) (A) change the scheduled final maturity of any Loan, or any scheduled date of payment of or the installment otherwise due on the principal amount of any Loan under Section 2.09, (B) postpone the date for payment of any interest or fees payable hereunder, (C) change the amount of, waive or excuse any such payment (other than waiver of any increase in the interest rate pursuant to Section 2.06(c)), or (D) postpone the scheduled date of expiration of any Commitment without the written consent of each Lender directly affected thereby; provided, that no amendment, modification, termination, waiver or consent entered into pursuant to Section 2.06(g) or Section 2.17 shall constitute a postponement of the date for payment of any interest or fees payable hereunder, or a change of the amount of, waiver or excuse of any such payment, in each case for purposes of this clause (iii);

(iv) increase the maximum duration of Interest Periods hereunder, without the written consent of each Lender directly affected thereby;

(v) permit the assignment or delegation by any Co-Borrower of any of its rights or obligations under any Loan Document, without the written consent of each Lender (provided that neither the Permitted Holdings Amalgamation nor the Permitted Reorganization shall constitute an assignment or delegation by the Borrower of its rights or obligations under the Loan Documents);

(vi) except pursuant to the Intercreditor Agreement, release Holdings (or, on and after the Specified AV Minerals Joinder Date, AV Minerals) or all or substantially all of the Subsidiary Guarantors from their Guarantees (except as expressly provided in this Agreement or as otherwise expressly provided by any such Guarantee), or limit their liability in respect of such Guarantees, without the written consent of each Lender;

(vii) except pursuant to the Intercreditor Agreement or the express terms hereof, release all or a substantial portion of the Collateral from the Liens of the Security Documents or alter the relative priorities of a material portion of the Secured Obligations entitled to the Liens of the Security Documents, in each case without the written

consent of each Lender (it being understood that additional Indebtedness consented to by the Required Lenders and additional Loans pursuant to Section 2.23 or Section 2.24 and Additional Senior Secured Indebtedness or Permitted First Priority Refinancing Debt may be equally and ratably secured by the Collateral with the then existing Secured Obligations under the Security Documents);

(viii) change Section 2.14(b), (c) or (d) in a manner that would alter the *pro rata* sharing of payments or setoffs required thereby or any other provision in a manner that would alter the *pro rata* allocation among the Lenders of Loan disbursements, including the requirements of Section 2.02(a), without the written consent of each Lender directly affected thereby (it being understood that additional Indebtedness consented to by the Required Lenders and additional Loans pursuant to Section 2.23 and Section 2.24 may be equally and ratably secured by the Collateral with the then existing Secured Obligations under the Security Documents and may share payments and setoffs ratably with other Loans);

(ix) change any provision of this Section 11.02(b), (c), or (d), without the written consent of each Lender directly affected thereby (except for additional restrictions on amendments or waivers for the benefit of Lenders of additional Indebtedness consented to by the Required Lenders and additional Loans pursuant to Section 2.23 and Section 2.24);

(x) change the percentage set forth in the definition of "Required Lenders" or any other provision of any Loan Document (including this Section) specifying the number or percentage of Lenders required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender, other than to increase such percentage or number or to give any additional Lender or group of Lenders such right to waive, amend or modify or make any such determination or grant any such consent;

(xi) amend, modify or waive any provision of: (A) Section 2.1 of the Intercreditor Agreement to the extent such amendment, modification or waiver would adversely affect the priority of the Liens on the Collateral held by the Collateral Agent for the benefit of the Secured Parties or (B) Section 6.3 of the Intercreditor Agreement in a manner that adversely affects the priority of payments of Collateral proceeds, in each case without the written consent of each affected Lender; provided that this clause (xi) shall not apply to amending, modifying or waiving any provision of Section 2.1 or 6.3 of the Intercreditor Agreement in order to (1) give effect to any additional Indebtedness, including the designation of any such Indebtedness as Pari Passu Debt (as defined in the Intercreditor Agreement), Subordinated Lien Debt (as defined in the Intercreditor Agreement) or Indebtedness under any Revolving Credit Loan Document and the granting of security interests to the holders of such Pari Passu Debt, Subordinated Lien Debt or Indebtedness under any Revolving Credit Loan Document in the Collateral to secure the obligations under such Pari Passu Debt,

Subordinated Lien Debt or Indebtedness under any Revolving Credit Loan Document that is permitted pursuant to Section 6.01 hereof (or would be permitted pursuant to an amendment, modification or waiver of this Agreement that is otherwise permitted by this Section 11.02) or (2) to enable any other Indebtedness to constitute Pari Passu Debt, Subordinated Lien Debt or Indebtedness under any Revolving Credit Loan Document to the extent not prohibited by this Agreement; and

(xii) change or waive any provision of ARTICLE X as the same applies to any Agent, or any other provision hereof as the same applies to the rights or obligations of any Agent, in each case without the written consent of such Agent;

(xiii) from and after the effective date of the first Increase Joinder entered into after the Second Amendment Effective Date, amend, change, modify or waive any provision of this Agreement or any other Loan Document in a manner that adversely affects Lenders of a particular Class, on the one hand, as compared to Lenders of another Class, on the other hand, in each case without the written consent of the Required Lenders of such affected Class (together with the written consent of such additional Lenders of such affected Class otherwise required pursuant to the other terms of this Section 11.02 (as if such provisions applied solely to such affected Class));

provided, further, that

(1) any waiver, amendment or modification of the Intercreditor Agreement (and any related definitions) may be effected by an agreement or agreements in writing entered into among the Collateral Agent, the Administrative Agent, the Revolving Credit Collateral Agent and the Revolving Credit Administrative Agent (in each case, with the consent of the Required Lenders but without the consent of any Loan Party, so long as such amendment, waiver or modification does not impose any additional duties or obligations on the Loan Parties or alter or impair any right of any Loan Party under the Loan Documents); and

(2) upon the effectiveness of any Refinancing Amendment or any Incremental Term Loan Commitment or any Incremental Term Loan, the Administrative Agent, the Designated Company and the Lenders providing the relevant Credit Agreement Refinancing Indebtedness or Incremental Term Loan Commitment may amend this Agreement to the extent (but only to the extent) necessary to reflect the existence and terms of the Credit Agreement Refinancing Indebtedness or Incremental Term Loans incurred pursuant thereto (including any amendments necessary to treat the Loans and Commitments subject thereto as Other Term Loans and/or Other Term Loan Commitments and any Incremental Term Loan Commitments or Incremental Term Loans, as applicable). The Administrative Agent and the Designated Company may effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Designated Company, to effect the terms of any Refinancing Amendment;

provided, further, that, notwithstanding anything to the contrary contained herein, each Agent is hereby authorized by each Lender to enter into any amendment to or modification of the Intercreditor Agreement or the Security Documents in connection with the issuance or

incurrence of Pari Passu Secured Obligations or Subordinated Lien Secured Obligations (each as defined under the Intercreditor Agreement) or any Permitted Revolving Credit Facility Refinancings, solely to the extent necessary to effect such amendments as may be necessary or appropriate, in the reasonable opinion of such Agent, in connection with any such issuance or incurrence expressly permitted hereunder, so long as such amendment or modification does not adversely affect the rights of any Lender (it being understood that allowing Pari Passu Secured Obligations, Subordinated Lien Secured Obligations and Permitted Revolving Credit Facility Refinancings to be secured by Collateral on the terms set forth in the Intercreditor Agreement will not be deemed to adversely affect the rights of any Lender);

and provided, further, that any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders, except that (x) the Commitment of any Defaulting Lender may not be increased or extended, the principal owed to such Lender reduced or this proviso amended, without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender more adversely than other affected Lenders shall require the consent of such Defaulting Lender.

(c) Collateral. Without the consent of any other person, the Administrative Agent and/or Collateral Agent may (or shall, to the extent required by any Loan Document) enter into any amendment or waiver of any Security Document (subject to the consent of the Loan Parties party thereto except as otherwise provided in such Security Document) or enter into any new agreement or instrument, to (i) effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, (ii) as required by local law to give effect to, or protect any security interest for the benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable Requirements of Law (in the case of the U.S. Hold Separate Assets, as such Requirements of Law are modified pursuant to a U.S. Hold Separate Agreement), or (iii) to cure any inconsistency with this Agreement (other than, solely in the case of clause (iii), amendments or waivers to provisions in such Security Documents that are required to create or perfect the security interests created thereby or cause such Security Document or security interest to be enforceable).

(d) Dissenting Lenders. If, in connection with any proposed change, waiver, consent, discharge or termination of the provisions of this Agreement as contemplated by Section 11.02(b), the consent of the Required Lenders is obtained but the consent of one or more of such other Lenders whose consent is required is not obtained, then the Designated Company shall have the right, upon notice by the Designated Company to such Lender and the Administrative Agent, to replace all, but not less than all, of such non-consenting Lender or Lenders (so long as all non-consenting Lenders are so replaced) with one or more persons pursuant to Section 2.16 so long as at the time of such replacement each such new Lender consents to the proposed change, waiver, consent, discharge or termination. Each Lender agrees that, if the Designated Company elects to replace such Lender in accordance with this Section, it shall promptly execute and deliver to the Administrative Agent an Assignment and Assumption to evidence such sale and purchase and shall deliver to the Administrative Agent any Note (if Notes have been issued in respect of such Lender's Loans) subject to such Assignment and Assumption; provided that the failure of any such non-consenting Lender to execute an Assignment and Assumption shall not render such sale and purchase (and the corresponding assignment) invalid and such assignment shall be recorded in the Register.

(e) Holdings Amalgamation; Permitted Reorganization and Increased Commitments. Notwithstanding the foregoing, the Administrative Agent, the Collateral Agent

and the Designated Company (without the consent of any Lenders) may amend, amend and restate, supplement or otherwise modify this Agreement and the other Loan Documents if necessary or advisable in connection with or to effectuate (i) the Permitted Holdings Amalgamation, (ii) the Permitted Reorganization (to the extent set forth in the definitions of “Permitted Reorganization”) and (iii) any additional Loans contemplated by [Section 2.23](#) and [Section 2.24](#).

(f) Loan Modification Offers.

(i) The Designated Company may, by written notice to the Administrative Agent from time to time, make one or more offers (each, a “**Loan Modification Offer**”) to all the Lenders of one or more Classes of Loans (each Class subject to such a Loan Modification Offer, an “**Affected Class**”) to make one or more Permitted Amendments (as defined below) pursuant to procedures reasonably specified by the Administrative Agent and reasonably acceptable to the Designated Company. Such notice shall set forth (i) the terms and conditions of the requested Permitted Amendment and (ii) the date on which such Permitted Amendment is requested to become effective (which shall not be less than 10 Business Days nor more than 30 Business Days after the date of such notice) (or such shorter periods as are acceptable to the Administrative Agent). Permitted Amendments shall become effective only with respect to the Loans of the Lenders of the Affected Class that accept the applicable Loan Modification Offer (such Lenders, the “**Accepting Lenders**”) and, in the case of any Accepting Lender, only with respect to such Lender’s Loans of such Affected Class as to which such Lender’s acceptance has been made. Each Lender of each Affected Class may elect or decline, in its sole discretion, to participate in such Loan Modification Offer.

(ii) The Designated Company and each Accepting Lender shall execute and deliver to the Administrative Agent an agreement in form and substance satisfactory to the Administrative Agent giving effect to the Permitted Amendment (a “**Loan Modification Agreement**”) and such other documentation as the Administrative Agent shall reasonably specify to evidence the acceptance of the Permitted Amendments and the terms and conditions thereof. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Loan Modification Agreement. Each of the parties hereto hereby agrees that, upon the effectiveness of any Loan Modification Agreement, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Permitted Amendment evidenced thereby and only with respect to the Loans and Commitments of the Accepting Lenders of the Affected Class. Notwithstanding the foregoing, no Permitted Amendment shall become effective under this [Section 11.02](#) unless the Administrative Agent, to the extent so reasonably requested by the Administrative Agent, shall have received corporate documents, officers’ certificates and legal opinions consistent with those delivered on the Closing Date under [Section 4.02](#).

(iii) “**Permitted Amendments**” shall be (A) an extension of the final maturity date of the applicable Loans of the Accepting Lenders (provided that such extensions may not result in

having more than two additional final maturity dates in any year, or more than three additional final maturity dates at any time, under this Agreement without the consent of the Administrative Agent), (B) a reduction, elimination or extension, of the scheduled amortization of the applicable Loans of the Accepting Lenders, (C) a change in rate of interest (including a change to the Applicable Margin and any provision establishing a minimum rate), premium, or other amount with respect to the applicable Loans of the Accepting Lenders and/or a change in the payment of fees to the Accepting Lenders (such change and/or payments to be in the form of cash, Equity Interests or other property to the extent not prohibited by this Agreement), and (D) any other amendment to a Loan Document required to give effect to the Permitted Amendments described in clauses (A) to (C) of this Section 11.02(g).

(g) Most Favored Nation Provision. The Administrative Agent is authorized to enter into any amendment to this Agreement contemplated under Section 6.10 with the Designated Company, and without the approval of any other Person, notwithstanding anything in this Agreement to the contrary.

Section 11.03 Expenses; Indemnity; Damage Waiver.

(a) Costs and Expenses. The Co-Borrowers shall jointly and severally pay or cause the applicable Loan Party to pay (i) all reasonable out-of-pocket expenses incurred by the Administrative Agent, the Collateral Agent, the ~~Eserow Agent, the Mandated Lead Arrangers, the Incremental~~ Mandated Lead Arrangers, and their respective Affiliates (including the reasonable fees, charges and disbursements of one primary transaction counsel (plus local counsel in each applicable jurisdiction) for the Administrative Agent and/or the Collateral Agent ~~and/or the Eserow Agent~~, all fees and time charges for attorneys who may be employees of the Administrative Agent and/or Collateral Agent ~~and/or Eserow Agent~~, expenses incurred in connection with due diligence, inventory appraisal and collateral audit and reporting fees, travel, courier, reproduction, printing and delivery expenses, and the obtaining and maintaining of CUSIP numbers for the Loans) in connection with the syndication of the credit facilities provided for herein, the preparation, negotiation, execution, delivery and administration of this Agreement and the other Loan Documents, in connection with each step of the Permitted Reorganization, the Aleris Acquisition and the Permitted Holdings Amalgamation, and in connection with any amendment, amendment and restatement, modification or waiver of the provisions hereof or of any of the foregoing (whether or not the transactions contemplated hereby or thereby shall be consummated), including in connection with post-closing searches to confirm that security filings and recordations have been properly made, (ii) all out-of-pocket expenses incurred by the Administrative Agent, the Collateral Agent, ~~the Eserow Agent~~, any Lender or any Receiver (including the fees, charges and disbursements of one primary counsel (plus local or special counsel in each applicable jurisdiction) for the Administrative Agent and/or the Collateral Agent ~~and/or the Eserow Agent~~ (and all fees and time charges for attorneys who may be employees of the Administrative Agent and/or the Collateral ~~Agent and/or the Eserow Agent~~) and one primary counsel (plus local or special counsel in each applicable jurisdiction) for the Lenders, and one primary counsel (plus local or special counsel in each applicable jurisdiction) for any Receiver), in connection with the enforcement or protection of its rights (A) in connection with this Agreement and the other Loan Documents, including its rights under this Section 11.03, (B) in enforcing, preserving and protecting, or attempting to enforce, preserve or protect its interests in the Collateral, ~~the Eserow Account, the Eserowed Amounts, and the Eserowed Term Loans~~ or (C) in connection with the ~~Eserowed Account, the Eserowed Amounts, and the~~ Loans issued hereunder ~~(including the Eserowed Term Loans)~~, including all

such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of ~~such Escrow Account, Escrowed Amounts, the Loans and/or the Escrowed Term~~ Loans and (iv) all documentary and similar taxes and charges in respect of the Loan Documents.

(b) Indemnification. Each Loan Party shall indemnify each Agent (and any sub-agent thereof), ~~the Escrow Agent, each Mandated Lead Arranger, each Incremental~~ each Mandated Lead Arranger, each Lender and Receiver, and each Related Party of any of the foregoing persons (each such person being called an “**Indemnitee**”) against, and hold each Indemnitee harmless from, any and all reasonable out-of-pocket losses, claims, damages, liabilities and related expenses (including the reasonable fees, charges and disbursements of any counsel for any Indemnitee) incurred by any Indemnitee or asserted against any Indemnitee by any third party or by the Designated Company or any other Loan Party arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document, or any amendment, amendment and restatement, modification or waiver of the provisions hereof or thereof, or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby (including in connection with ~~the Escrow Account and the escrow arrangement set forth in Section 2.21,~~ each step of the Permitted Reorganization, the Aleris Acquisition and any Permitted Holdings Amalgamation), (ii) reliance by any Indemnitee on any electronic signature used to execute the documents referenced in clause (i) above purportedly given by or on behalf of a Loan Party without further verification by any Indemnitee, (iii) ~~the Escrowed Amounts or any Loan (including the Escrowed Term Loans) or the use or proposed use of the proceeds therefrom~~ [intentionally omitted], (iv) any actual or alleged presence or Release or threatened Release of Hazardous Materials on, at, under or from any property owned, leased or operated by any Company at any time, or any Environmental Claim related in any way to any Company, or (v) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Designated Company or any other Loan Party, and regardless of whether any Indemnitee is a party thereto (including any actual or prospective claim, litigation, investigation or proceeding relating to the use of electronic signatures to execute the documents referenced in clause (i) above); provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee or (y) result from a claim brought by the Designated Company or any other Loan Party against an Indemnitee for breach in bad faith of such Indemnitee’s obligations hereunder or under any other Loan Document, if the Designated Company or such Loan Party has obtained a final and nonappealable judgment in its favor on such claim as determined by a court of competent jurisdiction. WITHOUT LIMITATION OF THE FOREGOING, IT IS THE INTENTION OF THE LOAN PARTIES, AND THE LOAN PARTIES AGREE, THAT THE FOREGOING INDEMNITIES SHALL APPLY TO EACH INDEMNITEE WITH RESPECT TO LOSSES, CLAIMS, DAMAGES, PENALTIES, LIABILITIES AND RELATED EXPENSES (INCLUDING, WITHOUT LIMITATION, ALL EXPENSES OF LITIGATION OR PREPARATION THEREFOR), WHICH IN WHOLE OR IN PART ARE CAUSED BY OR ARISE OUT OF THE COMPARATIVE, CONTRIBUTORY OR SOLE NEGLIGENCE OF SUCH (AND/OR ANY OTHER) INDEMNITEE.

(c) Reimbursement by Lenders. To the extent that any Loan Party for any reason fails to indefeasibly pay any amount required under paragraph (a) or (b) of this Section 11.03 to be paid by it to the Administrative Agent (or any sub-agent thereof), the Collateral Agent (or any sub-agent thereof) or any Receiver or any Related Party thereof, each Lender severally

agrees to pay to the Administrative Agent (or any such sub-agent), the Collateral Agent (or any such sub-agent) such Receiver or such Related Party, as the case may be, such Lender's *pro rata* share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent), the Collateral Agent (or any such sub-agent) or the Receiver, in each case, in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent), the Collateral Agent (or any such sub-agent) or the Receiver in connection with such capacity. The obligations of the Lenders under this paragraph (c) are subject to the provisions of Section 2.14(g). For purposes hereof, a Lender's "*pro rata share*" shall be determined based upon its share of the sum of the total outstanding Term Loans and unused Commitments of all Lenders at the time (or if the Term Loans have been repaid in full and the Commitments have been terminated, based upon its share of the Term Loans immediately prior to such repayment). ~~To the extent that any Loan Party for any reason fails to indefeasibly pay any amount required under paragraph (a) or (b) of this Section 11.03 to be paid by it to the Escrow Agent or any Receiver or any Related Party thereof, each Aleris Incremental Term Lender severally agrees to pay to the Escrow Agent, such Receiver or such Related Party, as the case may be, such Aleris Incremental Term Lender's *pro rata* share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Escrow Agent or such Receiver, in each case, in its capacity as such, or against any Related Party of any of the foregoing acting for the Escrow Agent or such Receiver in connection with such capacity. For purposes of the immediately preceding sentence, an Aleris Incremental Term Lender's "*pro rata share*" shall be determined based upon its share of the sum of the total outstanding Aleris Incremental Term Loans and unused Aleris Incremental Term Loan Commitments of all Aleris Incremental Term Lenders at the time (or if the Aleris Incremental Term Loans have been repaid in full and the Aleris Incremental Term Loan Commitments have been terminated, based upon its share of the Aleris Incremental Term Loans immediately prior to such repayment, or, if the Aleris Incremental Term Loans were never funded to the applicable Co-Borrower, based upon its share of the Aleris Incremental Term Loan Commitments immediately prior to such termination).~~

(d) Waiver of Consequential Damages, Etc. To the fullest extent permitted by applicable Requirements of Law, no Loan Party shall assert, and each Loan Party hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any ~~Escrowed Amounts, any~~ Loan ~~(including the Escrowed Term Loans)~~ or the use of the proceeds thereof. No Indemnitee referred to in paragraph (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(e) Payments. All amounts due under this Section shall be payable not later than three (3) Business Days after demand therefore accompanied by reasonable particulars of amounts due.

(f) Survival. The agreements in this Section shall survive the resignation of any or all of the Administrative Agent; or the Collateral Agent ~~or the Escrow Agent~~, the replacement

of any Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all the Obligations.

Section 11.04 Successors and Assigns.

(a) Successors and Assigns Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither the Designated Company nor any other Loan Party may (except as a result of a transaction expressly permitted by Section 6.05(c) or 6.05(e)) assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent, the Collateral Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Eligible Assignee in accordance with the provisions of paragraph (b) of this Section 11.04, (ii) by way of participation in accordance with the provisions of paragraph (d) of this Section 11.04 or (iii) by way of pledge or assignment of a security interest subject to the restrictions of paragraph (f) of this Section (and any other attempted assignment or transfer by the Designated Company, any other Loan Party or any Lender shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in paragraph (d) of this Section and, to the extent expressly contemplated hereby, the other Indemnitees) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it); provided that

(i) except in the case of ~~any assignment made on or prior to the Syndication Termination Date in respect of any Class or~~ an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans of such Class at the time owing to it or in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund with respect to a Lender, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) of such Class or, if the applicable Commitment is not then in effect, the principal outstanding balance of the Loans of such Class of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date) shall be an integral multiple of \$1,000,000, unless, so long as no Event of Default has occurred and is continuing, the Designated Company otherwise consents (each such consent not to be unreasonably withheld or delayed) and, with respect to any Co-Borrower, such consent shall be deemed given if no objection is made by the Designated Company within five Business Days after notice of the proposed assignment; provided, however, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met;

(ii) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loan or the Commitment assigned;

(iii) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with ~~(except (x) in the case of any such assignments by the Incremental Mandated Lead Arrangers or their respective Affiliates and (y) on or prior to the Syndication Termination Date under clause (ii) of such definition)~~ a processing and recordation fee of \$3,500 (provided that only one such fee shall be imposed in the case of simultaneous assignments by related Approved Funds or Affiliates of the assigning Lender), and the Eligible Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire;

(iv) ~~the assigning Lender of an interest in the Aleris Incremental Term Loans shall indicate in the applicable Assignment and Assumption whether such interest (or identified portion thereof) is eligible for indemnification in respect of Covered Aleris Syndication Taxes; [intentionally omitted];~~

(v) the Administrative Agent shall have received a U.S. tax withholding certificate (or, alternatively, other evidence satisfactory to the Administrative Agent) confirming FATCA compliance of the Eligible Assignee pursuant to paragraph (v) of Section 2.15(f) (FATCA Information). For the avoidance of doubt, and pursuant to paragraph (viii) of Section 2.15(f) (FATCA Information), the Administrative Agent may rely on such U.S. tax withholding certificate or other evidence from each Lender without further verification, and the Administrative Agent shall not be liable for any action taken by it in respect of such U.S. tax withholding certificate or other evidence under or in connection with paragraph (v), (vi) or (vii) of Section 2.15(f) (FATCA Information); and

(vi) *Discounted Purchases.* Each Lender acknowledges that, ~~commencing with the date that is three months after the Syndication Termination Date,~~ each Co-Borrower is an Eligible Assignee hereunder and may purchase Term Loans hereunder from Lenders from time to time pursuant to a Discounted Purchase in accordance with the terms of this Agreement (including, without limitation, Section 11.04 hereof), subject to the restrictions set forth in the definitions of "Discounted Purchase" and "Eligible Assignee" and the following limitations:

(A) each Co-Borrower agrees that, notwithstanding anything herein or in any of the other Loan Documents to the contrary, (1) under no circumstances, whether or not any Loan Party is subject to a bankruptcy or other insolvency proceeding, shall any Co-Borrower be permitted to exercise any voting rights or other privileges with respect to any Term Loans and any Term Loans that are assigned to any Co-Borrower shall have no voting rights or other privileges under this Agreement and the other Loan Documents and shall not be taken into account in determining any required vote or consent and (2) the Co-Borrowers shall not receive information

provided solely to Lenders by the Administrative Agent or any Lender and shall not be permitted to attend or participate in meetings attended solely by Lenders and the Administrative Agent and their advisors; rather, all Loans held by each Co-Borrower shall be automatically cancelled immediately upon the purchase or acquisition thereof in accordance with the terms of this Agreement (including, without limitation, Section 11.04 hereof);

(B) at the time any Co-Borrower is making Discounted Purchases of Loans it shall enter into an agreement with the Administrative Agent for the benefit of the Administrative Agent and Lenders setting forth the agreements, representations and warranties set forth in this paragraph (vi) that are applicable to it, in a manner reasonably satisfactory to the Administrative Agent and in any case identifying such Co-Borrower as the purchaser;

(C) immediately upon the effectiveness of each Discounted Purchase, a Cancellation (it being understood that such cancellation shall not constitute a voluntary repayment of Loans for purposes of this Agreement) shall be automatically irrevocably effected with respect to all of the Loans and related Obligations subject to such Discounted Purchase for no consideration, with the effect that such Loans and related Obligations shall for all purposes of this Agreement and the other Loan Documents no longer be outstanding, and the Co-Borrowers and the Guarantors shall no longer have any Obligations relating thereto, it being understood that such forgiveness and cancellation shall result in the Co-Borrowers and the Guarantors being irrevocably and unconditionally released from all claims and liabilities relating to such Obligations which have been so cancelled and forgiven, and the Collateral shall cease to secure any such Obligations which have been so cancelled and forgiven; and

(D) at the time of such Purchase Notice and Discounted Purchase, (x) no Default or Event of Default shall have occurred and be continuing or would result therefrom, and (y) no proceeds of Revolving Credit Loans are used to consummate the Discounted Purchase.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to paragraph (c) of this Section 11.04, from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Section 2.12, Section 2.13, Section 2.15, Section 2.16, Section 7.10 and Section 11.03 with respect to facts and circumstances occurring prior to the effective date of such assignment. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this paragraph shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (d) of this Section 11.04. In the event of a transfer by novation of all or part of its rights and obligations under this Agreement by a Lender, such Lender expressly reserves the rights, powers, privileges and actions that it enjoys under any Security Documents governed by French law in favor of its Eligible Assignee, in accordance with the provisions of article 1334 *et seq.* of the French *Code civil*.

(c) **Register.** The Administrative Agent, acting solely for this purpose as an agent of the Co-Borrowers (and such agency being solely for tax purposes), shall, at all times at the Administrative Agent's Office, while any Loans are outstanding, maintain a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive, and the Co-Borrowers, the Administrative Agent and the Lenders shall treat each person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. In addition, the Administrative Agent shall maintain in the Register information regarding the designation, and revocation of designation, of any Lender as a Defaulting Lender. The Register shall be available for inspection by the Collateral Agent, the Co-Borrowers and any Lender (with respect to its own interest only), at any reasonable time and from time to time upon reasonable prior notice. During any period that the Borrower is required to deliver a certificate pursuant to Section 2.15(l)(v), the Administrative Agent shall, if requested by any Co-Borrower, promptly provide the Borrower with copies of each Assignment and Assumption delivered to the Administrative Agent. The requirements of this Section 11.04(c) are intended to result in any and all Loans being in "registered form" for purposes of Section 871, Section 881 and any other applicable provision of the Code, and shall be interpreted and applied in a manner consistent therewith. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of each Co-Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Commitments and Loans or other obligations under the Loan Documents (the "**Participant Register**"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) **Participations.** Any Lender may at any time, without the consent of, or notice to, any Co-Borrower or the Administrative Agent sell participations to any person (other than a natural person, a Defaulting Lender or a Co-Borrower, any Co-Borrowers' or any other Company's Affiliates or Subsidiaries) (each, a "**Participant**") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) each Loan Party, the Administrative Agent and the Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement.

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce the Loan Documents and to approve any amendment, modification or waiver of any provision of the Loan Documents; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in clause (i), (ii) or (iii) of the first proviso to Section 11.02(b) that affects such Participant. Subject to

paragraph (e) of this Section, the Co-Borrowers agree that each Participant shall be entitled to the benefits of Section 2.12, Section 2.13, Section 2.15, Section 2.16 and Section 7.10 (subject to the requirements of those Sections) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; provided, that such Participant shall not be entitled to receive any greater payment under Section 2.12, Section 2.15, or Section 7.10 with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 11.08 as though it were a Lender, provided such Participant agrees to be subject to such Section 2.14 as though it were a Lender.

(e) Limitations on Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 2.12, Section 2.13, Section 2.15, Section 2.16 and Section 7.10 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Designated Company's prior written consent.

(f) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or to any other central bank with jurisdiction over such Lender; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Disqualified Institutions.

(i) No assignment or participation shall be made to any Person that was a Disqualified Institution as of the date (the "**Trade Date**") on which the assigning Lender entered into a binding agreement to sell and assign all or a portion of its rights and obligations under this Agreement to such Person (unless the Designated Company has consented to such assignment in writing in its sole and absolute discretion, in which case such Person will not be considered a Disqualified Institution for the purpose of such assignment or participation). For the avoidance of doubt, with respect to any assignee that becomes a Disqualified Institution after the applicable Trade Date (including as a result of the delivery of a notice pursuant to, and/or the expiration of the notice period referred to in, the definition of "Disqualified Institution"), (x) such assignee shall not retroactively be disqualified from becoming a Lender and (y) the execution by the Designated Company of an Assignment and Assumption with respect to such assignee will not by itself result in such assignee no longer being considered a Disqualified Institution. Any assignment or participation in violation of this clause (g)(i) shall not be void, but the other provisions of this clause (g) shall apply.

(ii) If any assignment (but not participation) is made to any Disqualified Institution without the Designated Company's prior written consent in violation of clause (i) above, or any Person (other than a Participant) becomes a Disqualified Institution after the applicable Trade Date, the Designated Company may, at its sole expense and effort, upon notice to the applicable Disqualified Institution and the

Administrative Agent, (A) purchase or prepay such Term Loan by paying the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Institution paid to acquire such Term Loans, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder (and, in the case of a purchase, effect an immediate Cancellation) and/or (B) require such Disqualified Institution to assign, without recourse (in accordance with and subject to the restrictions contained in this Section 11.04), all of its interest, rights and obligations under this Agreement to one or more Eligible Assignees at the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Institution paid to acquire such interests, rights and obligations, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder.

(iii) Notwithstanding anything to the contrary contained in this Agreement, if any assignment (but not participation) is made to any Disqualified Institution without the Designated Company's prior written consent in violation of clause (i) above, then such Disqualified Institution (A) will not (x) have the right to receive information, reports or other materials provided to Lenders by the Loan Parties, the Administrative Agent or any other Lender, (y) attend or participate in meetings attended by the Lenders and the Administrative Agent, or (z) access any electronic site established for the Lenders or confidential communications from counsel to or financial advisors of the Administrative Agent or the Lenders and (B) (x) for purposes of any consent to any amendment, waiver or modification of, or any action under, and for the purpose of any direction to the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) under this Agreement or any other Loan Document, such Disqualified Institution will be deemed to have consented in the same proportion as the Lenders that are not Disqualified Institutions consented to such matter, and (y) for purposes of voting on any plan of reorganization or plan of liquidation pursuant to any Debtor Relief Laws ("**Reorganization Plan**"), such Disqualified Institution party hereto hereby agrees (1) not to vote on such Reorganization Plan, (2) if such Disqualified Institution does vote on such Reorganization Plan notwithstanding the restriction in the foregoing clause (1), such vote will be deemed not to be in good faith and shall be "designated" pursuant to Section 1126(e) of the Bankruptcy Code of the United States (or any similar provision in any other Debtor Relief Laws), and such vote shall not be counted in determining whether the applicable class has accepted or rejected such Reorganization Plan in accordance with Section 1126(c) of the Bankruptcy Code of the United States (or any similar provision in any other Debtor Relief Laws) and (3) not to contest any request by any party for a determination by the bankruptcy court (or other applicable court of competent jurisdiction) effectuating the foregoing clause (2).

(iv) The Administrative Agent shall have the right, and the Designated Company hereby expressly authorizes the Administrative Agent, to (A) post the list of Disqualified Institutions provided by the Designated Company and any updates thereto from time to time (collectively, the "**DQ List**") on the Platform, including that portion of

the Platform that is designated for “public side” Lenders and/or (B) provide the DQ List to each Lender requesting the same.

(h) Preservation of Belgian Security Interests. The benefit of the Belgian Security Agreements and all security interests created thereunder shall automatically transfer to any assignee or transferee (by way of novation or otherwise) of part or all of the obligations expressed to be secured by the Belgian Security Agreements. For the purpose of Article 1278 and Article 1281 of the Belgian Civil Code (and, to the extent applicable, any similar provisions of foreign law), the Collateral Agent, the other Secured Parties and each of the other Loan Parties hereby expressly reserve the preservation of the Belgian Security Agreements and all security interests created thereunder in case of assignment, novation, amendment or any other transfer or change of the obligations expressed to be secured by the Belgian Security Agreements (including, without limitation, an extension of the term or an increase of the amount of such obligations or the granting of additional credit) or of any change of any of the parties to this Agreement or any other Loan Document. As of the Second Amendment Effective Date, each Lender party to the Second Amendment, which Lenders constitute the Required Lenders, and each Lender that becomes a party to this Agreement after the Second Amendment Effective Date, expressly consents to the terms of this Section 11.04(h), and hereby agrees that the form Assignment and Assumption may be updated to include the terms of this Section 11.04(h) without the further consent of any other Person.

Section 11.05 Survival of Agreement. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Agents or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any Commitments have not expired or terminated. The provisions of Section 2.12, Section 2.13, Section 2.14, Section 2.15, Section 2.16, Section 7.10, ARTICLE X and Section 11.03 shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Commitments or the termination of this Agreement or any provision hereof.

Section 11.06 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents and any separate letter agreements with respect to fees payable to any Agent, ~~the Escrow Agent, the Incremental Mandated Lead Arrangers,~~ or the Mandated Lead Arrangers constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by telecopier shall be effective as delivery of a manually executed counterpart of this Agreement. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.

Section 11.07 Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 11.08 Right of Setoff. Subject to the Intercreditor Agreement, if an Event of Default shall have occurred and be continuing, each Lender and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable Requirements of Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender or any such Affiliate to or for the credit or the account of the Designated Company or any other Loan Party against any and all of the obligations of the Designated Company or such Loan Party now or hereafter existing under this Agreement or any other Loan Document to such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or any other Loan Document and although such obligations of the Designated Company or such Loan Party may be contingent or unmaturing or are owed to a branch or office of such Lender different from the branch or office holding such deposit or obligated on such indebtedness. The rights of each Lender and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender or its respective Affiliates may have. Each Lender agrees to notify the Designated Company and the Administrative Agent promptly after any such setoff and application; provided that the failure to give such notice shall not affect the validity of such setoff and application.

(a) GOVERNING LAW. THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES THAT WOULD REQUIRE THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION. ~~FOR PURPOSES OF ARTICLE 9 OF THE UCC, THE ESCROW AGENT'S JURISDICTION SHALL BE THE STATE OF NEW YORK.~~

(C) WAIVER OF VENUE. EACH LOAN PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE REQUIREMENTS OF LAW, ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN SECTION 11.09(B). Each Agent and each Lender agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates (including its head office, branch or representative offices) and to its and its Affiliates' respective partners, directors, officers, employees, agents, trustees, advisors, service providers and other representatives (it being understood that the persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable Requirements of Law, stock exchange requirement, or by any subpoena or similar legal process, (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section 11.12, to (i) any assignee of or Participant or sub-Participant in, or any prospective Lender, or prospective assignee of or Participant or sub-Participant in, any of its rights or obligations under this Agreement, (ii) any actual or prospective counterparty (or its advisors) to any swap, derivative transaction or other transaction under which payments are to be made by reference to any Loan Party and its obligations, this Agreement or payments hereunder, or (iii) any rating agency for the purpose of obtaining a credit rating applicable to any Lender, (g) with the consent of the Designated Company or the applicable Loan Party, (h) to insurers, insurance brokers and other credit protection and service providers of any Agent, Lender, or any of their respective Affiliates who are under a duty of confidentiality to such Agent, Lender or Affiliate, (i) to any Federal Reserve Bank or any other central bank with jurisdiction over such Person in connection with a pledge or assignment in accordance with Section 11.04(f) or (j) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section or (y) becomes available to the Administrative Agent, any Lender or any of their respective Affiliates on a nonconfidential basis from a source other than the Loan Parties. For purposes of this Section, "**Information**" shall mean all written information received from a Loan Party or any of its Subsidiaries relating to the Loan Parties or any of their Subsidiaries or any of their respective businesses, other than any such information that is available to any Agent or any Lender on a nonconfidential basis prior to disclosure by any Loan Party or any of their Subsidiaries, provided that, in the case of information received from any Loan Party or any of their Subsidiaries after the Closing Date, such information is clearly identified at the time of delivery as confidential. Any person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such person has exercised the same degree of care to maintain the confidentiality of such Information as such person would accord to its own confidential information.

Section 11.13 USA PATRIOT Act Notice. Each Lender that is subject to the Patriot Act (as hereinafter defined) and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Designated Company and the other Loan Parties that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "**Patriot Act**"), it is required to obtain, verify and record information that identifies the Designated Company and the other Loan Parties, which information includes the name, address and tax identification number of the Designated Company and the other Loan Parties and other information regarding the Designated Company and the other Loan Parties that will allow such Lender or the Administrative Agent, as applicable, to

identify the Designated Company and the other Loan Parties in accordance with the Patriot Act. This notice is given in accordance with the requirements of the Patriot Act and is effective as to the Lenders and the Administrative Agent. Where a Lender has received soft copies of the documents provided pursuant to Section 4.01, the definition of Permitted Reorganization or this Section 11.13, within a reasonable period of time following the written request therefor by such Lender, the Designated Company shall deliver paper copies to such Lender, it being understood that the Lenders have a right to seek paper copies of all such documentation as may be required in order to enable compliance with applicable “know your customer” and anti-money laundering rules and regulations.

Section 11.14 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable law (the “**Maximum Rate**”). If the Administrative Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the applicable Co-Borrower. In determining whether the interest contracted for, charged, or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such person may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Section 11.15 Singapore Personal Data Protection Act. If a Loan Party provides a Secured Party with personal data of any individuals (including, where applicable, a Loan Party’s directors, officers, employees, shareholders, beneficial owners, representatives, agents and principals (if acting on behalf of another)), that Loan Party represents and warrants that it:

(a) has obtained (and shall maintain) the consent from such individual; and

(b) is authorized to deliver such personal data to that Secured Party for collection, use, disclosure, transfer and retention of personal data for such purposes as set out in that Secured Party’s personal data protection policy or as permitted by applicable laws or regulations.

Section 11.16 Obligations Absolute. To the fullest extent permitted by applicable Requirements of Law (in the case of the U.S. Hold Separate Order, as such Requirements of Law are modified as it relates to Aleris Rolled Products, Inc. and/or the other U.S. Subsidiaries of Aleris pursuant to a U.S. Hold Separate Agreement), all obligations of the Loan Parties hereunder shall be absolute and unconditional irrespective of:

(a) any bankruptcy, insolvency, reorganization, arrangement, readjustment, composition, liquidation or the like of any Loan Party;

(b) any lack of validity or enforceability of any Loan Document or any other agreement or instrument relating thereto against any Loan Party;

(c) any change in the time, manner or place of payment of, or in any other term of, all or any of the Obligations, or any other amendment or waiver of or any consent to any departure from any Loan Document or any other agreement or instrument relating thereto;

(d) any exchange, release or non-perfection of any other Collateral, or any release or amendment or waiver of or consent to any departure from any guarantee, for all or any of the Obligations;

(e) any exercise or non-exercise, or any waiver of any right, remedy, power or privilege under or in respect hereof or any Loan Document; or

(f) any other circumstances which might otherwise constitute a defense available to, or a discharge of, the Loan Parties.

Notwithstanding anything herein to the contrary, each party hereby acknowledges that the provisions of article 1195 of the French *code civil* shall not apply to it with respect to its obligations under the French Security Agreements and that it shall not be entitled to make any claim under article 1195 of the French *code civil*.

Section 11.17 Intercreditor Agreement. Notwithstanding anything to the contrary contained herein, each Lender acknowledges that the Lien and security interest granted to the Collateral Agent pursuant to the Security Documents and the exercise of any right or remedy by such Collateral Agent thereunder are subject to the provisions of the Intercreditor Agreement. In the event of any conflict between the terms of the Intercreditor Agreement, on the one hand, and the Security Documents, on the other hand, the terms of the Intercreditor Agreement shall govern and control.

Section 11.18 Judgment Currency.

(a) Each Loan Party's obligations hereunder and under the other Loan Documents to make payments in Dollars (the "**Obligation Currency**") shall not be discharged or satisfied by any tender or recovery pursuant to any judgment expressed in or converted into any currency other than the Obligation Currency, except to the extent that such tender or recovery results in the effective receipt by the Administrative Agent or the respective Lender of the full amount of the Obligation Currency expressed to be payable to the Administrative Agent or such Lender under this Agreement or the other Loan Documents. If, for the purpose of obtaining or enforcing judgment against any Loan Party in any court or in any jurisdiction, it becomes necessary to convert into or from any currency other than the Obligation Currency (such other currency being hereinafter referred to as the "**Judgment Currency**") an amount due in the Obligation Currency, the conversion shall be made at the spot selling rate at which the Administrative Agent (or if the Administrative Agent does not quote a rate of exchange on such currency, by a known dealer in such currency designated by the Administrative Agent) offers to sell such Judgment Currency for the Obligation Currency in the London foreign exchange market at approximately 11:00 a.m. London time on such date for delivery two (2) Business Days later (such date of determination of such spot selling rate, being hereinafter referred to as the "**Judgment Currency Conversion Date**").

(b) If there is a change in the rate of exchange prevailing between the Judgment Currency Conversion Date and the date of actual payment of the amount due, the Co-Borrowers covenant and agrees to pay, or cause to be paid, such additional amounts, if any (but in any event not a lesser amount) as may be necessary to ensure that the amount paid in the Judgment Currency, when converted at the rate of exchange prevailing on the date of payment, will produce the amount of the Obligation Currency which could have been purchased with the amount of Judgment Currency stipulated in the judgment or judicial award at the rate of exchange prevailing on the Judgment Currency Conversion Date.

(c) For purposes of determining any rate of exchange for this Section 11.18, such amounts shall include any premium and costs payable in connection with the purchase of the Obligation Currency.

Section 11.19 Enforcement**1.01** . Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, any of the Administrative Agent and the Collateral Agent, as the relevant Loan Document may provide, in accordance with the terms of the Loan Documents; provided, however, that the foregoing shall not prohibit (a) the Administrative Agent or the Collateral Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent and the Collateral Agent, as the case may be) hereunder and under the other Loan Documents, (b) any Lender from exercising setoff rights in accordance with the terms hereof (subject to Section 2.14), (c) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any bankruptcy, insolvency or Debtor Relief Law or (d) any Person authorized under the Intercreditor Agreement to exercise rights and remedies with respect to the Collateral; and provided, further, that if at any time there is no person acting as Administrative Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent regarding the enforcement of rights and remedies under to the Loan Documents and (ii) in addition to the matters set forth in clauses (b), (c) and (d) of the preceding proviso and subject to Section 2.14, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

Section 11.20 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Designated Company and each other Loan Party acknowledges and agrees that: (i) (A) the arranging and other services regarding this Agreement provided by the Administrative Agent, the Collateral Agent and the Mandated Lead Arrangers are arm's-length commercial transactions between the Designated Company and each other Loan Party and their respective Affiliates, on the one hand, and the Administrative Agent, the Collateral Agent and the Mandated Lead Arrangers, on the other hand, (B) each of the Designated Company and the other Loan Parties has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) the Designated Company and each other Loan Party is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) the Administrative Agent, the Collateral Agent, and the Mandated Lead Arrangers each is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Designated Company, any other Loan Party or any of their respective Affiliates, or any other Person and (B) neither the Administrative Agent, the Collateral Agent nor the Mandated Lead Arrangers has any obligation to the Designated Company, any other Loan Party or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Administrative Agent, the Collateral Agent and the Mandated Lead Arrangers and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Designated Company, the other Loan Parties and their respective Affiliates, and neither the Administrative Agent, the Collateral Agent nor any of the Mandated Lead Arrangers has any obligation to disclose any of such interests to the Designated Company, any other Loan Party or any of their respective

Affiliates. To the fullest extent permitted by law, each of the Designated Company and the other Loan Parties hereby waives and releases any claims that it may have against the Administrative Agent, the Collateral Agent and the Mandated Lead Arrangers with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 11.21 Abstract Acknowledgment of Indebtedness and Joint Creditorship.

(a) Notwithstanding any other provision of this Agreement, each Loan Party hereby irrevocably and unconditionally agrees and covenants with the Collateral Agent by way of an abstract acknowledgment of indebtedness (*abstraktes Schuldversprechen*) that it owes to the Collateral Agent as creditor in its own right and not as a representative of the other Secured Parties, sums equal to, and in the currency of, each amount payable by such Loan Party to each of the Secured Parties under each of the Loan Documents relating to any Secured Obligations, as and when that amount falls due for payment under the relevant Secured Debt Agreement or would have fallen due but for any discharge resulting from failure of another Secured Party to take appropriate steps, in insolvency proceedings affecting such Loan Party, to preserve its entitlement to be paid that amount.

(b) Each Loan Party undertakes to pay to the Collateral Agent upon first written demand the amount payable by such Loan Party to each of the Secured Parties under each of the Secured Debt Agreements as such amount has become due and payable.

(c) The Collateral Agent has the independent right to demand and receive full or partial payment of the amounts payable by each Loan Party under this Section 11.21, irrespective of any discharge of such Loan Party's obligation to pay those amounts to the other Secured Parties resulting from failure by them to take appropriate steps, in insolvency proceedings affecting such Loan Party, to preserve their entitlement to be paid those amounts.

(d) Any amount due and payable by a Loan Party to the Collateral Agent under this Section 11.21 shall be decreased to the extent that the other Secured Parties have received (and are able to retain) payment in full of the corresponding amount under the other provisions of the Secured Debt Agreements and any amount due and payable by a Loan Party to the other Secured Parties under those provisions shall be decreased to the extent that the Collateral Agent has received (and is able to retain) payment in full of the corresponding amount under this Section 11.21; provided that no Loan Party may consider its obligations towards a Secured Party to be so discharged by virtue of any set-off, counterclaim or similar defense that it may invoke vis-à-vis the Collateral Agent.

(e) The rights of the Secured Parties (other than the Collateral Agent) to receive payment of amounts payable by each Loan Party under the Secured Debt Agreements are several and are separate and independent from, and without prejudice to, the rights of the Collateral Agent to receive payment under this Section 11.21.

(f) In addition, but without prejudice to the foregoing, the Collateral Agent shall be the joint creditor (together with the relevant Secured Parties) of all obligations of each Loan Party towards each of the Secured Parties under the Secured Debt Agreements.

Section 11.22 Special Appointment of Collateral Agent for German Security and other German Matters.

(a) (i) Each Secured Party that is or will become party to this Agreement hereby appoints the Collateral Agent as trustee (*Treuhaender*) and administrator for the purpose of

holding on trust (*Treuhand*), administering, enforcing and releasing the German Security (as defined below) for the Secured Parties, (ii) the Collateral Agent accepts its appointment as a trustee and administrator of the German Security on the terms and subject to the conditions set out in this Agreement and (iii) the Secured Parties, the Collateral Agent and all other parties to this Agreement agree that, in relation to the German Security, no Secured Party shall exercise any independent power to enforce any German Security or take any other action in relation to the enforcement of the German Security, or make or receive any declarations in relation thereto.

(b) To the extent possible, the Collateral Agent shall hold and administer any German Security which is security assigned, transferred or pledged under German law to it as a trustee for the benefit of the Secured Parties, where “**German Security**” shall mean the assets which are the subject of a security document which is governed by German law.

(c) Each Secured Party hereby authorizes and instructs the Collateral Agent (with the right of sub delegation) to enter into any documents evidencing German Security and to make and accept all declarations and take all actions as it considers necessary or useful in connection with any German Security on behalf of the Secured Parties. The Collateral Agent shall further be entitled to rescind, release, amend and/or execute new and different documents securing the German Security.

(d) The Secured Parties and the Collateral Agent agree that all rights and claims constituted by the abstract acknowledgment of indebtedness pursuant to this Section 11.22 and all proceeds held by the Collateral Agent pursuant to or in connection with such abstract acknowledgment of indebtedness are held by the Collateral Agent with effect from the date of such abstract acknowledgment of indebtedness in trust for the Secured Parties and will be administered in accordance with the Loan Documents. The Secured Parties and the Collateral Agent agree further that the respective Loan Party’s obligations under such abstract acknowledgment of indebtedness shall not increase the total amount of the Secured Obligations (as defined in the respective agreement governing German Security) and shall not result in any additional liability of any of the Loan Parties or otherwise prejudice the rights of any of the Loan Parties. Accordingly, payment of the obligations under such abstract acknowledgment of indebtedness shall, to the same extent, discharge the corresponding Secured Obligations and vice versa.

(e) Each Secured Party hereby ratifies and approves all acts and declarations previously done by the Collateral Agent on such Secured Party’s behalf (including, for the avoidance of doubt the declarations made by the Collateral Agent as representative without power of attorney (*Vertreter ohne Vertretungsmacht*) in relation to the creation of any pledge (*Pfandrecht*) on behalf and for the benefit of any Secured Party as future pledgee or otherwise).

(f) The representations and warranties in Section 3.22 and the covenants in Section 6.21, in each case, given by any Loan Party resident in Germany (*Inländer*) within the meaning of Section 2 para. 15 of the German Foreign Trade Act (*Außenwirtschaftsgesetz*) (or any Loan Party in relation to a Loan Party so resident in Germany) are made only to the extent that they do not result in a violation of or conflict with Section 7 of the German Foreign Trade and Payments Regulation (*Außenwirtschaftsverordnung*).

Section 11.23 Special Appointment of Collateral Agent in Relation to South Korea.

(a) Notwithstanding any other provision of this Agreement, each Loan Party hereby irrevocably and unconditionally undertakes to pay to the Collateral Agent, as creditor

in its own right and not as representative of the other Secured Parties, sums equal to and in the currency of each amount payable by such Loan Party to each of the Secured Parties under each of the Loan Documents as and when that amount falls due for payment under the relevant Loan Document or would have fallen due but for any discharge resulting from failure of another Secured Party to take appropriate steps, in insolvency proceedings affecting that Loan Party, to preserve its entitlement to be paid that amount.

(b) The Collateral Agent shall have its own independent right to demand payment of the amounts payable by each Loan Party under this Section 11.23, irrespective of any discharge of such Loan Party's obligation to pay those amounts to the Secured Parties resulting from failure by them to take appropriate steps, in insolvency proceedings affecting that Loan Party, to preserve their entitlement to be paid those amounts.

(c) Any amount due and payable by a Loan Party to the Collateral Agent under this Section 11.23 shall be decreased to the extent that the other Secured Parties have received (and are able to retain) payment in full of the corresponding amount under the other provisions of the Loan Documents and any amount due and payable by a Loan Party to the other Secured Parties under those provisions shall be decreased to the extent that the Collateral Agent has received (and is able to retain) payment in full of the corresponding amount under this Section 11.23.

(d) Subject to paragraph (c) above, the rights of the Secured Parties (in each case, other than the Collateral Agent) to receive payment of amounts payable by each Loan Party under the Loan Documents are several and are separate and independent from, and without prejudice to, the rights of the Collateral Agent to receive payment under this Section 11.23.

(e) The Administrative Agent and the Collateral Agent are authorized to enter into consents to any lock-up or listing agreement required by any applicable rule or regulation in connection with any listing or offering of Equity Interests in NKL and may consent to such Equity Interests being held by a depository or securities intermediary; provided, that the Collateral Agent's Liens in the Equity Interests of NKL or its direct parents, 4260848 Canada Inc., 4260856 Canada Inc. and 8018227 Canada Inc., are not impaired.

Section 11.24 Special Appointment of Collateral Agent in Relation to France. For

the purpose of any French Security Agreements and all security interests created thereunder:

(a) Notwithstanding any other provision of this Agreement, each Loan Party hereby irrevocably and unconditionally undertakes insofar as necessary, in advance, to pay to the Collateral Agent, as creditor in its own right and not as representative of the other Secured Parties, sums equal to and in the currency of each amount payable by such Loan Party to each of the Secured Parties under each of the Loan Documents as and when that amount falls due for payment under the relevant Loan Document or would have fallen due but for any discharge resulting from failure of another Secured Party to take appropriate steps to preserve its entitlement to be paid that amount (such payment undertakings, obligations and liabilities which are the result thereof, hereinafter referred to as the "Parallel Debt").

(b) The Collateral Agent shall have its own independent right to demand payment of the amounts payable by each Loan Party under this Section 11.24, irrespective of any discharge of such Loan Party's obligation to pay those amounts to the other Secured Parties resulting from failure by them to take appropriate steps to preserve their entitlement to be paid those amounts.

(c) Any amount due and payable by a Loan Party to the Collateral Agent under this Section 11.24 shall be decreased to the extent that the other Secured Parties have received (and are able to retain) payment in full of the corresponding amount under the other provisions of the Loan Documents and any amount due and payable by a Loan Party to the other Secured Parties under those provisions shall be decreased to the extent that the Collateral Agent has received (and is able to retain) payment in full of the corresponding amount under this Section 11.24.

(d) The Collateral Agent shall apply any amounts received in payment of any Parallel Debt in accordance with the terms and conditions of this Agreement governing the application of proceeds in payment of any Secured Obligations.

The rights of the Secured Parties (other than any Parallel Debt) to receive payment of amounts payable by each Loan Party under the Loan Documents are several and are separate and independent from, and without prejudice to, the rights of the Collateral Agent to receive payment under this Section 11.24.

Section 11.25 Swiss Tax Ruling(a) . The Borrower has obtained on prior occasions and shall obtain if and when needed subsequent to the Closing Date, and each other Co-Borrower shall obtain subsequent to the first Increase Effective Date hereunder (but, in each case, within a reasonable timeframe) (a) a ruling from the Wallis cantonal tax authority confirming that the payment of Interests under this Agreement shall not be subject to federal, cantonal, and municipal direct taxes levied at source in Switzerland as per Article 51 § 1 lit. d and Article 94 of the Swiss Federal Direct Tax Act of December 14, 1990 and as per Article 21 § 2 lit. a and Article 35 § lit. e of the Swiss Federal Harmonization Direct Tax Act of December 14, 1990, and (b) a ruling from the Zurich cantonal tax authority confirming that the aforesaid direct taxes levied at source may be solely ruled with the Canton where the Swiss real estate is located. In the event that the aforementioned confirmation is not granted, the Borrower and such Co-Borrowers further acknowledge that the gross-up mechanism provided for under Section 2.15 shall apply with respect to any such direct taxes levied at source.

Section 11.26 Designation of Collateral Agent under Civil Code of Quebec. Each of the parties hereto (including each Lender, acting for itself and on behalf of each of its Affiliates which are or become Secured Parties from time to time) confirms that the Collateral Agent (or any successor thereto) is the hypothecary representative (within the meaning of Article 2692 of the *Civil Code of Québec*) of the Secured Parties from time to time for the purposes of the hypothecary security granted or to be granted by the Loan Parties or any one of them under the laws of the Province of Québec. The execution by the Collateral Agent in its capacity as *fondé de pouvoir* or hypothecary representative prior to the Closing Date of any document creating or evidencing any such hypothecs is hereby ratified and confirmed. Notwithstanding the provisions of Section 32 of *the Act respecting the special powers of legal persons (Québec)*, the Collateral Agent may acquire and be the holder of any of the bonds secured by any such hypothec.

Section 11.27 Maximum Liability. Subject to Section 7.08 and Sections 7.11 through 7.17, it is the desire and intent of each Loan Party and the Lenders, that, in each case, the liability of such Loan Party shall be enforced against such Loan Party to the fullest extent permissible under the laws and public policies applied in each jurisdiction in which enforcement is sought after giving effect to the rights of contribution established in the Contribution, Intercompany, Contracting and Offset Agreement that are valid and enforceable and not subordinated to the claims of other creditors as determined in such action or proceeding. If, however, and to the extent that, the obligations of any Loan Party under any Loan Document shall be adjudicated to be invalid or unenforceable for any reason (including, without limitation, because of any

applicable state, provincial or federal law relating to fraudulent conveyances or transfers), then the amount of such Loan Party's obligations (in the case of any invalidity or unenforceability with respect such Loan Party's obligations) under the Loan Documents shall be deemed to be reduced and such Loan Party shall pay the maximum amount of the Secured Obligations which would be permissible under applicable law; provided that any guarantees of any such obligations that are subject to deemed reduction pursuant to this Section 11.27 shall, to the fullest extent permitted by applicable Requirements of Law (in the case of the U.S. Hold Separate Order, as such Requirements of Law are modified as it relates to Aleris Rolled Products, Inc. and/or the other U.S. Subsidiaries of Aleris pursuant to a U.S. Hold Separate Agreement), be absolute and unconditional in respect of the full amount of such obligations without giving effect to any such deemed reduction.

Section 11.28 NO ORAL AGREEMENT. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS BETWEEN THE PARTIES. THERE ARE NO UNWRITTEN AGREEMENTS BETWEEN THE PARTIES.

Section 11.29 Collateral Matters. The Lenders irrevocably agree:

(a) that the Collateral Agent is authorized to release any Lien on any property granted to or held by the Collateral Agent under any Loan Document, (i) at the time the property subject to such Lien is pledged pursuant to Section 6.02(n)(x) or Section 6.02(n)(y) (but solely to the extent such property consists of Revolving Credit Priority Collateral and Hedging Agreements related to the value of such Revolving Credit Priority Collateral) or sold, leased, licensed, consigned, transferred or otherwise disposed of as part of or in connection with any Asset Sale permitted under Section 6.06 to any Person other than a Loan Party (provided that no Lien shall be released in any Series of Cash Neutral Transactions) (or, if such transferee is a Loan Party, the Collateral Agent is authorized to release such Lien on such asset in connection with the transfer as provided in the second to last sentence of this Section 11.29(a) or so long as (w) except as permitted by Section 6.06(q) or Section 6.06(s), the transferee grants a new Lien to the Collateral Agent on such asset substantially concurrently with the transfer of such asset, (x) the transfer is between parties organized under the laws of different countries, (y) the priority of the new Lien is the same as that of the original Lien and (z) the Liens on such property held by or on behalf of the holders of Indebtedness under the Revolving Credit Loan Documents or any Permitted Revolving Credit Facility Refinancing, Permitted First Priority Refinancing Debt, Permitted Second Priority Refinancing Debt, Additional Senior Secured Indebtedness and Junior Secured Indebtedness are also released), (ii) subject to Section 11.02, if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders (or such other number of Lenders whose consent is required under Section 11.02), (iii) if the property subject to such Lien is owned by a Guarantor, upon release of such Guarantor from its obligations under its Guarantee pursuant to Section 7.09(a), (b) and (c), (iv) upon termination of all Commitments and the repayment in full of all outstanding principal and accrued interest with respect to the Loans, all Fees and other Obligations, (v) in connection with the grant of Liens permitted hereunder under Section 6.02(k) and subject to the Intercreditor Agreement, if the applicable Loan Party grants a Lien to the Collateral Agent or for the benefit of the Collateral Agent in a manner reasonably satisfactory to the Collateral Agent, substantially concurrently with the release of such asset, to the extent such release or termination and re-grant is necessary or advisable under applicable law, and (vi) to the extent such property is Excluded Property. Notwithstanding anything to the contrary above, if Intellectual Property or Real Property (and related fixtures) that constitutes Collateral is transferred pursuant to a transaction permitted by the Loan Documents from a Loan Party to another Loan Party (other than AV Minerals or Holdings) and the

applicable Intellectual Property or Real Property filing office requires the release of the existing Lien in favor of the Collateral Agent prior to reflecting the transfer in the register, then the Collateral Agent shall be permitted, without the consent of any Lender or any other Person, to release its Lien in respect of such Intellectual Property or Real Property (and related fixtures) in order to effect such transfer so long as (i) the Transfer Conditions are satisfied at the time of such transfer and the Designated Company shall have certified the same to the Administrative Agent and the Collateral Agent, (ii) substantially concurrently with the effectiveness of such transfer, such Intellectual Property and/or Real Property is pledged to the Collateral Agent to secure the Obligations on terms substantially the same as the pledge that is released by the Collateral Agent, (iii) the priority of the new Lien in favor of the Collateral Agent, whether pursuant to the Intercreditor Agreement or otherwise, is the same as that of the original Lien, and (iv) the Liens on such Intellectual Property or Real Property (and related fixtures) in favor of holders of Indebtedness under the Revolving Credit Loan Documents or any Permitted Refinancing of any Indebtedness under the Revolving Credit Agreement, Permitted First Priority Refinancing Debt, Permitted Second Priority Refinancing Debt, Additional Senior Secured Indebtedness and Junior Secured Indebtedness are also released substantially concurrently with the release granted by the Collateral Agent. Notwithstanding the foregoing, where Intellectual Property and Real Property (and related fixtures) can be transferred pursuant to an assignment and assumption or similar agreement in a manner that would avoid the need to release the Liens in favor of the Collateral Agent as described in the preceding sentence, then the Loan Parties shall effect such transfer pursuant to an assignment and assumption or similar agreement.

(b) that the Collateral Agent is authorized to release or subordinate any Lien on any property granted to or held by the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(i), to the extent required by the terms of the obligations secured by such Liens;

(c) that the Collateral Agent is authorized to release any Lien on the Specified Restricted Joint Owned Patents; and

(d) Notwithstanding any other provision of this Agreement or any other Loan Document to the contrary, the Administrative Agent may in its discretion, and shall at the direction of the Required Lenders, release any or all of the Mortgaged Properties located in the United States from the applicable Mortgages if the Administrative Agent has, or the Required Lenders have, reasonably determined that being secured by any such Mortgaged Properties or holding any of such Mortgages could be detrimental to the Administrative Agent or the Lenders, and so long as the Administrative Agent shall have given the Designated Company written notice at least 5 days prior to any such release; provided, however, the Administrative Agent shall not be required to give any such prior notice to the Designated Company if the Administrative Agent, in its discretion, has determined that delay of such release would be detrimental to the Administrative Agent or the Lenders.

Each Lender irrevocably authorizes the Collateral Agent to, at each Co-Borrower's expense, execute and deliver documents to authorize the release or subordination of such items of Collateral from the Liens granted under the Security Documents, in each case in accordance with the terms of the Loan Documents and this Section 11.29.

Section 11.30 Electronic Execution of Assignments and Certain other Documents. The words "execution," "execute", "signed," "signature," and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including, without limitation, Assignment and Assumptions, amendments or other modifications, waivers and consents) shall be deemed to include

electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Requirements of Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that notwithstanding anything contained herein to the contrary, the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it.

Section 11.31 Payments Set Aside. To the extent that any payment by or on behalf of any Loan Party is made to any Agent or any Lender, or any Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Agents upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Agents, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Interbank Rate from time to time in effect. The obligations of the Lenders under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

Section 11.32 Acknowledgement and Consent to Bail-In of Affected Financial Institutions.

Solely to the extent any Lender or any Agent that is an Affected Financial Institution is a party to this Agreement and notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender or any Agent that is an Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender or any Agent that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

Section 11.33 Lender Consents and Acknowledgements

(a) On the Closing Date, the Designated Company hereby represents and warrants to the Secured Parties that the value of the property granted in favor of the Revolving Credit Agent, on behalf of the Revolving Credit Claimholders (as defined in the Intercreditor Agreement) and the “Secured Parties” under and as defined in the Existing Credit Agreement, pursuant to (i) that certain Pledge Agreement Over Account, dated December 17, 2010, by and between Novelis Italia S.p.A., as pledgor, Deutsche Bank S.p.A., as depository bank, and the Revolving Credit Collateral Agent and (ii) that certain Pledge of Receivables (*acte de nantissement de créances*), dated December 17, 2010, by and among Novelis PAE S.A.S., as pledgor, and the Revolving Credit Collateral Agent as the French Collateral Agent and beneficiary, does not, and would not, if pledged, represent a material portion of the Collateral (such property, the “**Specified Immaterial Property**”). In reliance upon the foregoing representation, each Secured Party, by becoming a Party or by receiving the benefit of the terms hereof or of the other Loan Documents, hereby agrees that, except as provided in clause (d) of the definition of Excluded Property and Section 5.11, (x) the Specified Immaterial Property shall constitute Excluded Property, (y) the Loan Documents shall not grant Liens over the Specified Immaterial Property, and (z) the Liens granted pursuant to the documents described in clauses (i) and (ii) above shall not secure the Secured Obligations. The Administrative Agent and the Collateral Agent are authorized and are hereby directed by the Lenders to take all actions necessary to acknowledge or otherwise implement the foregoing.

(b) On the Closing Date, the Designated Company has determined in its reasonable discretion that (i) the restrictions under Korean law applicable to providing upstream guarantees, including those laws that would potentially subject the directors of NKL to civil and criminal liability for acting to benefit a third party, constitute the equivalent of a prohibition under Requirements of Law of NKL becoming a Subsidiary Guarantor and executing any Security Documents creating and granting a pledge over its property pursuant to Section 5.11(b)(ii) and (ii) the costs associated with causing Novelis Vietnam Company Limited to become a Subsidiary Guarantor and to execute any Security Documents creating and granting a pledge over its property pursuant to Section 5.11(b)(ii), are, in each case, in light of the restrictions on, and cost of, creating and enforcing such guarantees under the applicable Requirements of Law, excessive in relation to the benefits that the Secured Parties would obtain. In reliance upon the foregoing, each Secured Party, by becoming a Party or by receiving the benefit of the terms hereof or of the other Loan Documents, hereby acknowledges that, as of the Closing Date, NKL and Novelis Vietnam Company Limited shall not be required to become a Subsidiary Guarantor or execute any Security Documents creating or granting a pledge over their respective property in favor of the Collateral Agent; provided that, if at any time after the Closing Date the Administrative Agent, in its reasonable discretion, determines that (x) in the case of NKL, the applicable legal restrictions no longer prohibit NKL from providing such guarantee and pledge and (y) in the case of Novelis Vietnam Company Limited, the costs of Novelis Vietnam Company Limited providing such guarantee and pledge are no longer excessive in relation to the benefits afforded thereby, then following written notice from the Administrative Agent, the Designated Company shall have 30 days (or such longer period as agreed to by the Administrative Agent) to satisfy the terms of Section 5.11(b)(ii) relating to NKL or Novelis Vietnam Company Limited, as applicable; provided, further that the Administrative Agent shall not make such determination (solely with respect to NKL) prior to NKL becoming a Wholly Owned Subsidiary of the Designated Company.

(c) Novelis do Brasil Ltda. (“**NDB**”) is a Loan Party and the owner of certain hydropower assets in Guaraciaba, State of Minas Gerais, Brazil (the “**Hydropower Assets**”). NDB intends to dispose of the Hydropower Assets and, for that purpose, has formed Brecha Energetica Ltda., a special purpose limited liability company in the City of Guaraciaba, State of Minas Gerais, Brazil (“**Brecha Energetica**”), and upon receipt of regulatory approvals from Administrative Council for Economic Defense (“**CADE**”) and National Agency for Energy (“**Aneel**”) and conclusion of other measures agreed upon contractually, (i) shall transfer the Hydropower Assets to Brecha Energetica (the “**Corporate Reorganization**”) and (ii) shall sell the quotas in Brecha Energetica (the “**Quota Sale**”) to a third-party purchaser (the “**Purchaser**”) pursuant to a Quota Purchase and Sale Agreement, dated April 3, 2014 (as amended, restated, supplemented, or otherwise modified, including by a certain amendment dated February 14, 2022, which extended the term of the agreement through February 28, 2023, the “**Purchase Agreement**”). The Designated Company hereby represents and warrants to the Secured Parties that the Corporate Reorganization and the Quota Sale are permitted under this Agreement.

(d) The Designated Company has determined in its reasonable discretion that the costs associated with (x) causing NDB to pledge the quotas owned by it in Brecha Energetica in favor of the Secured Parties and to execute any Security Documents creating and granting a pledge over such quotas pursuant to [Section 5.11\(b\)\(i\)](#), and (y) causing Brecha Energetica to become a Subsidiary Guarantor and to execute any Security Documents creating and granting a pledge over its property pursuant to [Section 5.11\(b\)\(ii\)](#) are, in light of the binding commitment to effect the Quota Sale pursuant to the terms of the Purchase Agreement, excessive in relation to the benefits that the Secured Parties would obtain. In reliance upon the foregoing, each Secured Party, by becoming a Party or by receiving the benefit of the terms hereof or of the other Loan Documents, hereby acknowledges that, as of the Closing Date, NDB shall not be required to (A) pledge the quotas that it owns in Brecha Energetica to the Secured Parties or execute any Security Documents creating or granting a pledge over such quotas in favor of the Collateral Agent, and (B) Brecha Energetica shall not be required to become a Subsidiary Guarantor or execute any Security Documents creating or granting a pledge over its respective property in favor of the Collateral Agent; provided that, in the case of clauses (A) and (B), if at any time after the Closing Date, the Administrative Agent, in its reasonable discretion, determines that the costs of either such guarantee and pledge are no longer excessive in relation to the benefits afforded thereby, then following written notice from the Administrative Agent, the Designated Company shall have 30 days (or such longer period as agreed to by the Administrative Agent) to satisfy the terms of [Section 5.11\(b\)\(i\)](#) and/or [Section 5.11\(b\)\(ii\)](#), as applicable. The Designated Company shall provide the Administrative Agent with prompt written notice of (i) termination of the Purchase Agreement, (ii) the occurrence of any event which, in the Administrative Agent’s reasonable judgment, would make the Purchaser or NDB, as applicable, unable to satisfy any of the conditions precedent to closing set forth in the Purchase Agreement and (iii) a final and non-appealable refusal of the CADE and Aneel to grant any regulatory consent relating to the Corporate Reorganization or the Quota Sale, in order to assist the Administrative Agent in making the determination described above.

(e) On the Tranche A-2 Refinancing Amendment Effective Date, the Designated Company hereby represents and warrants to the Tranche A-2 Term Lenders that the value of the property granted in favor of the Revolving Credit Agent, on behalf of the Revolving Credit Claimholders (as defined in the Intercreditor Agreement) and the “Secured Parties” (other than the Tranche A-2 Term Lenders) under and as defined in this Agreement, pursuant to certain security documents governed by the laws of Mexico that assigned in favor of the Revolving Credit Collateral Agent (subject to the terms of the Intercreditor Agreement) the accounts receivable of certain account debtors located in Mexico, does not, and would not, if assigned

or pledged to secure the Secured Obligations owing to the Tranche A-2 Term Lenders, represent a material portion of the Collateral (such property, the “Specified Mexican Property”). In reliance upon the foregoing representation, each Tranche A-2 Term Lender, solely in its capacity as such and not in any other capacity as a Secured Party, by becoming a Party or by receiving the benefit of the terms hereof or of the other Loan Documents, hereby agrees that, except as provided in clause (q) of the definition of Excluded Property and Section 5.11, (x) the Specified Mexican Property shall constitute Excluded Property, (y) the Loan Documents shall not grant Liens over the Specified Mexican Property to secure the Tranche A-2 Term Loans, and (z) the Liens granted pursuant to the documents described in clauses (i) and (ii) above shall not secure the Tranche A-2 Term Loans or any other Secured Obligations owing to a Tranche A-2 Term Lender in its capacity as such. The Administrative Agent and the Collateral Agent are authorized and are hereby directed by the Tranche A-2 Term Lenders to take all actions necessary to acknowledge or otherwise implement the foregoing.

Section 11.34 Termination. All agreements, covenants, representations, warranties, rights, duties and obligations of each Party set forth in this Agreement and each other Loan Document shall terminate in all respects at 5:00 p.m., New York City time on the Agreement Termination Date if the Closing Date has not occurred on or prior to such time. Notwithstanding anything to the contrary contained in this Agreement or in any other Loan Document, the provisions of Section 2.12, Section 2.14, Section 2.15, Section 2.16, Section 7.10, ARTICLE X, Section 11.03, Section 11.09, Section 11.10, Section 11.18, and Section 11.19 shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Commitments or the termination of this Agreement or any provision hereof.

Section 11.35 Lender Authorizations. The Lenders authorize and direct (i) each of the Administrative Agent and the Collateral Agent to execute and deliver any Security Documents, amendments to Security Documents or amendments and restatements of Security Documents, in each case, related to any amendment to, or amendment and restatement of, the Revolving Credit Agreement; provided, that immediately after giving effect to such documents, amendments and amendments and restatements, the scope of the Collateral pledged is no less than the Collateral pledged immediately prior to giving effect to such documents, amendments and amendments and restatements and (ii) in connection with the NKL Share Repurchase, the Collateral Agent to return any share certificates representing Equity Interests in NKL and sign any documentation required to give effect to the NKL Share Repurchase; provided, that after giving effect to the NKL Share Repurchase, certificates representing 100% of the Equity Interests in NKL held by Loan Parties are promptly delivered to the Collateral Agent or its counsel along with such other documentation required to pledge such Equity Interests to the Collateral Agent.

Section 11.36 Dutch Parallel Debt in Relation to the Dutch Security Agreements. For the purpose of any Dutch Security Agreements and all security interests created thereunder:

(a) In this Section 11.36: “**Dutch Corresponding Debt**” shall mean all Secured Obligations of a Loan Party but excluding its Dutch Parallel Debt:

(b) Notwithstanding any other provision of this Agreement or any other Loan Document, each Loan Party hereby irrevocably and unconditionally undertakes insofar as necessary, in advance, to pay to the Collateral Agent, as creditor in its own right and not as representative of the other Secured Parties, sums equal to and in the currency of each amount payable by such Loan Party to each of the Secured Parties as Dutch Corresponding Debt and when that amount falls due for payment under the relevant Loan Document or would have

fallen due but for any discharge resulting from failure of another Secured Party to take appropriate steps to preserve its entitlement to be paid that amount (such payment undertakings, obligations and liabilities which are the result thereof, hereinafter referred to as the “**Dutch Parallel Debt**”).

(c) The Collateral Agent shall have its own independent right to demand payment of the amounts payable by each Loan Party under this Section 11.36, irrespective of any discharge of such Loan Party’s obligation to pay those amounts to the other Secured Parties resulting from failure by them to take appropriate steps to preserve their entitlement to be paid those amounts. For the purpose of this Section 11.36 the Collateral Agent acts in its own name and not as agent, representative or trustee of the Secured Parties and accordingly hold neither its claim resulting from a Dutch Parallel Debt nor any security interests granted by the Security Documents securing a Dutch Parallel Debt on trust.

(d) Any amount due and payable by a Loan Party to the Collateral Agent under this Section 11.36 shall be increased to the extent the Dutch Corresponding Debt is increase and shall be decreased to the extent that the other Secured Parties have received (and are able to retain) payment in full of the Dutch Corresponding Debt and any part of the Dutch Corresponding Debt payable by a Loan Party shall be decreased to the extent that the Collateral Agent has received (and is able to retain) payment in full of the Dutch Parallel Debt.

(e) The Collateral Agent shall apply any amounts received in payment of any Dutch Parallel Debt in accordance with the terms and conditions of this Agreement governing the application of proceeds in payment of any Secured Obligations.

The rights of the Secured Parties (other than any Dutch Parallel Debt) to receive payment of the Dutch Corresponding Debt by each Loan Party are several and are separate and independent from, and without prejudice to, the rights of the Collateral Agent to receive payment under this Section 11.36.

Section 11.37 Special Appointment of Collateral Agent in Relation to Belgium. For the purpose of any Belgian Security Agreements and all security interests created thereunder, each Secured Party:

(a) appoints the Collateral Agent as its representative in accordance with (a) Article 5 of the Belgian Act of 15 December 2004 on financial collateral arrangements and several tax dispositions in relation to security collateral arrangements and loans of financial instruments; and (b) Article 3 of Book III, Title XVII of the Belgian Civil Code, which appointment is hereby accepted; and

(b) agrees that the Collateral Agent shall not be severally and jointly liable with the Secured Parties.

Section 11.38 Lender Exculpation. Nothing in this Agreement shall oblige any Lender to do or omit to do anything if it would, or might in its reasonable opinion, constitute a breach of any Requirement of Law or a breach of a fiduciary duty or duty of confidentiality.

Section 11.39 Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Hedging Agreements or any other agreement or instrument that is a QFC (such support, “**QFC Credit Support**” and each such QFC a “**Supported QFC**”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer

Protection Act (together with the regulations promulgated thereunder, the “**U.S. Special Resolution Regimes**”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a “**Covered Party**”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 11.39, the following terms have the following meanings:

“**BHC Act Affiliate**” of a party means an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

“**Covered Entity**” means any of the following:

- (i) a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b);
- (ii) a “covered bank” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or
- (iii) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

“**Default Right**” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

“**QFC**” has the meaning assigned to the term “qualified financial contract” in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).
